club for the winner and her guest, appearance in newscast scenes, press photo on national wire service, stage appearance at the Paramount theater, and a gala ball for all the entrants and their escort. More and more prizes will be added.

One Fugitive Back After Escaping Jail

Ed Wood Gives Up To Amherst Night Watchman

Prisoners Cut Hole In Wall To Make Escape

One of the two men who escaped from the county jail late Wednesday night by knocking a hole through the wall of the run-around cage was back in custody Thursday night.

Ed Wood, of New Madrid, Mo., who had been in the county jail for about three weeks charged with passing a forged check on F. O. Masten, turned himself over to Bill Taylor, night watchman at Amherst, about 10 p.m. Thursday. Sheriff Sid Hopping and Deputy Sheriff Truman Cotton picked Wood up in Amherst after Taylor called.

Wood and James Grady Geraldson, also held on a forgery charge, made their break sometime Wednesday night. The escape was discovered by Jim Roles, fire truck driver, who noticed blankets hanging from the window of the grand jury room on the west side of the courthouse about 4 a. m. when he got up to answer a fire call.

It appeared that the two men had used a screw driver to chop a hole through the foot thick wall built of tile and concrete. The hole leading into the grand jury room was about a foot in diameter; just large enough for the men to slip through.

Apparently the men gained entrance into the grand jury room, and then used blankets from their cell to lower themselves from the window on the second floor.

Geraldson is still at large and the object of an area-wide search. He was arrested in Fort Worth some time ago and returned to Littlefield where he had allegedly passed a \$2,595 check to Harry Patillo, local car dealer, for the purchase of a 1950 Pontiac. Geraldson gives his home as Greenville, Texas.

He is 29, about 5 feet 10 inches tall and weighs about 140 pounds. He is described as ruddy-complexioned with light brown hair and a mustache and wore work clothes when last seen.

RICHARD STRIPE TO RECEIVE DEGREE IN ENGINEERING

Two Hundred eighty-nine seniors in the University of Texas College of Engineering are scheduled to receive degrees at the conclusion of the current semester. The list of degree candidates, announced by Engineering Dean W. R. Woolrich, includes Richard Farnsworth Stripe of Littlefield.

OFFICIAL NEWSPAPER OF LAMB COUNTY

LAMB COUNTY LEADER

VOLUME XXVII.

LITTLEFIELD, LAMB COUNTY, TEXAS, TUESDAY, MAY 9, 1950

NUMBER 21

Urge Organization Of Water District

The High Plains Water Conservation and Users' Association, meeting Thursday in Plainview, focused its attention on movements by water users in Dallam, Hockley and Lamb counties to organize underground water conservation districts and commended the action.

Dallam and Lamb counties are represented on the executive board of the High Plains group, which also has affiliate organizations in Randall, Hale, Swisher, Lubbock, Farmer, Bailey, Castro, Floyd, Deaf Smith, Brisco and Crosby counties.

Among speakers at the meeting were James S. Guleke of Amarillo and Austin, member of the Texas Board of Water Engineers, and William L. Broadhurst of Austin, ground-water geologist from the U. S. Geological Survey. W. O. Fortenberry of Monroe, president, presided at the all-day session in the Hilton Hotel at Plainview.

Field Work Completed Guleke reported that the Board of Water Engineers had completed its field work prior to designating a water reservoir in the Dallam County area, commenting that "Dallam County seems to be very anxious to organize a district."

Designation of the boundaries of a reservoir is the first step towards organizing a district under House Bill 162 passed by the Texas Legislature in 1949. After reservoirs and corresponding districts are determined, elections creating districts may be called.

Guleke told the group, "It is a (Continued On Back Page)

Certificate Given To Local Troup

The Littlefield troop of the Girl Scouts called the Westerners, have recently received a certificate from the international headquarters in London registering them in the organization.

The Girl Scouts is an international organization sponsored by the Salvation Army and is active in almost every country in the world. On May 15 they will celebrate their 25th anniversary.

The local troop was organized about a year ago and held its first official private inauguration last Thursday. The troop has ten uniformed members and five recruits at the present time.

Before being qualified to wear the Girl Scout uniform the recruit must pass a rigid examination which includes knot tying, history of the flag and country and memorization of the Girl Scout pledge, declaration, and prayer.

The Girl Scouts have a fourfold purpose. They have as their objective: guarding of the soul of the (Continued on Back Page)

Rodeo Scheduled For June 15, 16, 17

Plans for the fifth annual Jaycee Rodeo to be held June 15, 16 and 17, are nearly completed and promise to result in the best rodeo ever staged by the Junior Chamber of Commerce.

The rodeo will take place in the Jaycee Rodeo arena at the Fair Grounds with stock furnished by T. C. (Buck) and Tommy Steiner, rodeo producers.

The gala three days will begin with a parade on Thursday, June 15 at 7 p. m. Roping clubs, those with horses, floats and other, are urged to take part.

Three night performances will be given, starting at 8 p. m. each evening.

The acts will include saddle bronc and bareback riding, steer wrestling, calf roping, bull riding, cowgirl barrel, races and clown acts.

Photo by Taylor's Studio

ESCAPE JAIL. A Lamb County Leader reporter examined the hole made by the two prisoners in their escape from the county jail Thursday morning. The hole leads from the cell block on the second floor of the courthouse into the grand jury room where they made their exit from a window.

D. Sherrill Deliver Sudan Laureate

D. D. Sherrill, pastor of the church, will deliver a special sermon to the seniors of Sudan on Sunday, May 14. He will be the speaker for the com-

D. D. SHERRILL

ercises to be held at the church on Friday, May 19, announced as yet. He will be valedictorian and salutatorian.

Students will leave for Colorado on May 20 where they will be on the trip for five days on the trip.

Participants are: Louise Baret Black, Reva Britton, Myrtle Legg, Jim Yavette Farmer, Fannie, Peggy Price, Peggy (Continued On Back Page)

Board Teachers

Littlefield school board special meeting recently selected six teachers for the school year.

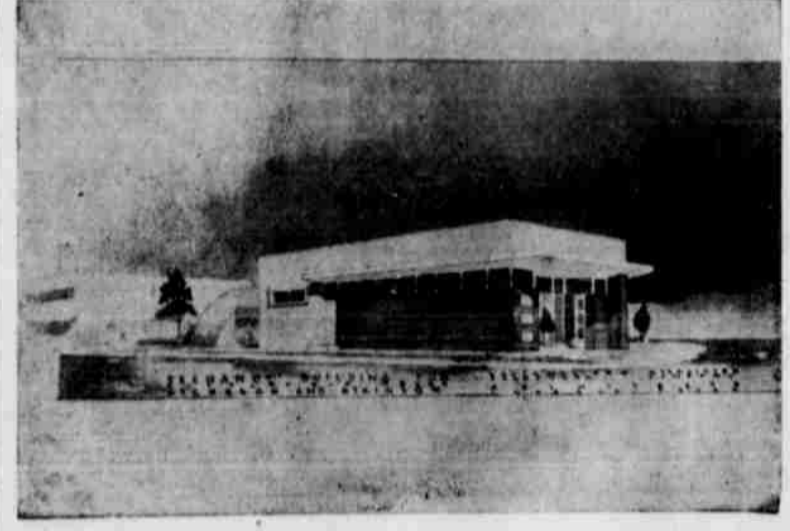

White was elected as principal. Mrs. White is a grade school teacher.

White are at present the Spearman schools. The son.

Mrs. Tom Bill Fowler is to teach in the high school. He is at present at Texas State College. They have one small

Winters was elected as school teacher. He has a small son, a student in West College.

grade school teacher. Harrington was teaching in the Olton area two sons.

Architect's Drawing of the expansion of the Southwestern Associated Telephone Exchange Building when completed will cost about \$100,000. Plans call for the installation of additional cables and switchboard. The building will be of light brick with panels of dark Roman brick.

C. R. WILKINSON TO RECEIVE DEGREE IN LAW JUNE 3

Curtis Raymond Wilkinson of Olton, is one of the 149 seniors in the University of Texas School of Law, scheduled to receive degrees June 3 at the conclusion of the current semester.

Thrill Show Planned By V. F. W. For May 21

Diane Hall Wins Second At Austin

Diane Hall was the only Littlefield contestant to win honors at the State Interscholastic League meet held in Austin on Saturday. Miss Hall won second place in typewriting in conference A, placing behind James Davis of Winters. Walter Thormeyer of Winters was third.

Four other Littlefield students took part in the Austin competition but failed to win. Robert Rutledge and Bill Gray represented Littlefield High in boys' debate. Eugene Glover took part in the shorthand competition which was won by Betty Cypert of Merkel.

Bob Cox was eliminated from the 880-yard run in the athletic competition. The event was won by J. Seniff of Brenham who set a new meet record of 1:59.4.

Officers Elected For Youth Center

Manuel Hall was elected president of the Lamb County Youth Center, which will supervise the operation of the youth center, at a board of directors meeting held last Friday.

Other officers elected were Jack Christian, first vice-president; Mrs. S. E. Ayres, Jr., second vice-president; and W. H. McGown, secretary-treasurer.

The building committee has already selected plans for the center to be located in the northeast corner of the city park. The floor plan includes a big recreation room, 40 feet wide and 85 feet long; the library, 16 by 24 feet; and a kitchen, 18 by 20 feet. Tile for the construction of the building is expected to arrive from Coleman on May 21.

To Broad Jump Cars Al Kruger, youngest performer of the troupe, will perform the right (Continued On Back Page)

Anton Lions Club To Sponsor Junior Fat Stock Show

The Anton Lions Club will sponsor a junior fat stock show at Anton early next spring, according to arrangements which started at the club Monday night of last week.

The show will be supported by Whithayral, Spade and Shallowater as well as Anton. A committee was appointed to superintend the arrangements. Harlan Black, Jack Rosenbaum, Robert Burdette and J. S. Bridges were appointed on the committee. Business firms of Anton and surrounding territory will be asked to contribute to a fund to provide liberal prizes to be given the winners. A sale of the livestock entered in the show will be held at the close of the one-day event.

MAN FROM MARS is the title of the act in which Al Kruger will jump a standard stock car the length of a bus and six or eight cars, landing on about the eighth car. This is one of the thrilling acts planned for V. F. W. show on May 21 at Duggan's Airport.

Fires Thursday Keep Local Department On The Jump

to put out fires kept the fire department on Thursday, May 4.

Call was about 4 a. m. and was answered by J. A. Bess and J. T. Carr, located at three-fourths of Hampton's gin.

and furniture were destroyed by the fire. Carr has not made an amount of his loss, but the fire has not been

all about 11 a. m. sent to a home at 608 St. where a pot was the stove.

ipped up by strong the milking barn on

the Paul Vause farm one mile north of highway 84 on West avenue Thursday afternoon.

City firemen fought the blaze for over two hours until they managed to get the fire under control. Both fire trucks responded to the call sent by Mr. Vause but the tanks on the trucks were emptied in the attempt to protect other buildings on the farm.

Hose was taken to a nearby irrigation well in order to get increased pressure.

The fire completely ruined the \$800 barn and milking equipment valued at about \$400. Mr. Vause has lived on the farm for about 24 years and maintained a dairy there for the last eight years.

Mr. Vause told The Lamb County Leader that he considered himself lucky as the day before he had sold all his milking cows and had no further use for the equipment. He expressed his thanks to the fire department for their aid in saving other buildings on his farm.

The fire is believed to have been started from a spark that remained from a trash pile Mr. Vause had burned the day before. He believes that he must have overlooked a small spark in putting out the fire and the high winds carried it to the roof of the barn.

The final call shortly before 9 p. m. sent the firemen to put out a trash fire behind Lyman's Food Store.

Local Winners To Be Announced In Kaiser - Frazer Contest

Littlefield's winners in the \$200,000 Kaiser-Frazer "Name-The-Car" contest will be announced Wednesday, May 10, by T. I. Batson, owner and operator of Batson Motors, local Kaiser-Frazer dealers.

The local winners are among the 1,023 contestants receiving major cash awards for their name selections for the low-priced standard-size car to be put into production by the Willow Run auto firm next month.

According to Mr. Batson, approximately 457,000 entries were received during the nationwide contest which was announced last November by Henry J. Kaiser, chairman of the board of Kaiser-Frazer Corp.

At that time Mr. Kaiser stated that the car which he wanted the American people to name would be "the low-priced car in the low-price field, retailing within the income of millions who have never before been able to afford the purchase of a new automobile."

Displayed at special previews in eight principal cities, the car was revealed as a streamlined and attractively styled two-door sedan accommodating five passengers and featuring a new-type luggage-carrying arrangement which provides cargo space of 55 cubic feet. Obtainable in deluxe and standard models, the car will offer owners a choice of two new Kaiser "Supersonic" engines, a four and a six, both engineered to deliver gasoline mileage upward from 30-35 miles per gallon.

The three major prizes to be presented this week by Kaiser-Frazer dealers are \$10,000, \$2,500 and \$1,000. These prizes, as well as 1,029 other cash awards, will be doubled by Kaiser-Frazer if a winning contestant in this contest is named in the prize list.

A sum of \$79,225 has been donated by Kaiser-Frazer to the Damon Runyon Memorial Cancer Fund in honor of each individual winner. As in the case of awards to contest winners, the company will double each contribution to the cancer fund in the name of a prize winner whose entry blank contained an appraisal.

Serving with Mr. Kaiser as final judges for the contest were Walter

Winchell, treasurer of the Cancer Fund, and columnists Leonard Lyons and Dan Parker.

TO RETURN TO HIS DUTIES MAY 14

Rev. Lee Hemphill, who underwent surgery for acute appendicitis about three weeks ago at the Payne-Shotwell Foundation, is getting along nicely, and plans to return to his duties as pastor Sunday, May 14, for the Mother's Day service.

It is hoped that there will be a large attendance for this occasion.

Dr. Harwell Guest Speaker At First Baptist Church

Rev. Harwell, professor at Wayland College, was guest speaker at both services at the First Baptist church Sunday in the absence of the pastor, Rev. Lee Hemphill.

Rev. Harwell has been accepted by Baylor Medical School, where he will enter next fall to pursue his studies for a medical missionary.

He plans to take his doctor's degree from Baylor, and then go to some foreign field under the Baptist Foreign Mission board.

Ray's Butane Represented At Lubbock Gift Show

Mrs. Edwin Brown and Miss Mary Helen Holtkamp attended the Gift show at the Hilton Hotel Friday.

Ray's Butane have opened a gift department, which is in charge of Mrs. Edwin Brown, with Mrs. Edwin Brown, with Mrs. James Ray assisting. Miss Holtkamp is bookkeeper for the firm.

First Baptist Church Nearing Its Goal

The First Baptist Church building committee have a splendid report to make concerning the finances of the new educational building. They now report \$144,594.25 received. The amount necessary to complete the building, pay the architect's fee and purchase furniture total \$159,200.00, leaving to raise to complete this beautiful only approximately \$14,605.75, yet

Grand Officers Honored By Sudan Chapter

Members of Texas Order of the Star were honored in the First Methodist church by the Sudan chapter on Monday evening, May 1. Officers were Pat H. Grand Patron; Flora Grand Conductress; Edith Grand Adah; Edna Deputy Grand Matron; section five; Mae Ross, Credentials

committee. A Friendship meeting was held in the Masonic hall after dinner with representatives from Lubbock, Bovina, Earth, Littlefield, Olton, Amarillo and Scotland in attendance. A book review of "Sure Enough! How Come?" by F. W. Van Emden was given by Mrs. Inez Boyd. The rest of the evening was spent in pleasant discussion and conversation. Former resident members of Sudan, some of who are still affiliated there, were present. They included: Mr. and Mrs. Herbert Teal, Lubbock; Mr. and Mrs. Joe Covington, Rev. and Mrs. M. A. Walker, and Mrs. Johnson, all of Amarillo.

Mayor Proclaims Clean-up Program

A Clean-up, Paint-up, Fix-up program beginning May 15 and lasting until May 20, has been proclaimed by Mayor Homer Morris of Sudan.

The campaign, sponsored by the Tuesday Study Club, has as its objectives: safeguarding of health, promotion of safety, prevention of property and better citizenship. Mrs. Ernest Minyard is chairman of the program.

The entire organization and city facilities will be at the disposal of the people, according to Mayor Morris. City trucks will haul away rubbish in the all out attempt to make it a cleaner, brighter and more orderly city.

Architects Submit Gym Plans To Board

Architects submitted plans for the new Sudan school gym at a school board meeting held Saturday, April 29 and the selection of a definite plan will be made in the near future. Bids will be let at a later date.

Bids for remodeling the grade-school building and teacherage were let last night.

Mr. and Mrs. Williams Return To Sudan Farm

Mr. and Mrs. O. L. Williams have returned to their farm near Sudan after spending the winter in Killeen, Texas.

They went there for Mrs. Williams' health which is now greatly improved and are very glad to be home again.

Bond Election For Paving May Be Called

At their regular meeting recently the Olton City Commission entered into a proceedings contract with the H. L. Shaffer Bond Co. to proceed with necessary arrangements prior to the calling an election for issuance of \$50,000.00 in bonds. These bonds to finance approximately 7 or 8 miles of 20 ft. wide pavement in Olton.

Several citizens of Olton have asked the City Commission about calling a street paving bond election. But before such an election is called a survey or canvass of voters will be made. If the majority of taxpayers favor such an issue, the election will be called.

Mr. Melinsky, representative of the Shaffer Co., stated that to issue such bonds would require NOT MORE than a 12 1/2 per cent blanket raise on all taxable property in the city limits. This raise in valuation would effect every tax rendition in the city.

Every citizen is asked to study the matter thoroughly and consider

CHIC CHICK

Here is Susie Q. Riffle, best-dressed chick in the United States. Wearing a fashionable cotton bag costume that is a copy of a French ensemble of the 1830 era, this chicken was picked as winner in the national Fowl Fashion Contest at Kansas City, Mo., recently. All the birds in the competition were dressed in fashions made of cotton feed bags. Winning designer is Mrs. Micheline Riffle, Shenandoah, Iowa, a French war bride who has been in this country four years. Mrs. Riffle combined French chic and American thriftiness in designing this cotton bag creation to win first prize—a brand new Kaiser car.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of sagging backs, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 16 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

DOAN'S PILLS

whether or not he is willing to pay the price to see some paving done in Olton.

Of course, the first question that will enter your mind is what will it cost in dollars and cents? If your property is rendered at \$1500, you are presently paying \$22.50 in city taxes. By voting the paving bonds with a 12 1/2 per cent raise, would increase your annual taxes to \$25.31—or a cost of \$2.81 per year to you for street paving.—Olton Enterprise.

The death rate from cancer has risen from 65 per cent 100,000 population in 1900 to an estimated 40 in 1950.

Fire

AFTER THE ASHES have stopped smouldering . . . the impact of your tragedy suddenly strikes you . . . Your home and your prized possessions, which may have taken a lifetime of work and saving to accumulate, are now but a heap of rubble! Will you have to begin again . . . or do you have adequate fire insurance to cover such tragic emergencies?

'51 Kaisers Reach Dealer Showrooms

THE FIRST 1951 KAISERS have arrived at the local Kaiser-Frazer Dealers, Batson Motor Company. They comprise the second of three complete new lines of Kaiser-Frazer automobiles to be delivered this year. The medium priced Frazers reached showrooms around the country in April, and the Company's forthcoming low priced model is due in July. Above is the Kaiser Two Door Sedan, one of a complete range of 12 body types in the popular priced series. Batson Motor Company will have on display Wednesday a four-door Oakland Brown Sedan.

WANTED—Will keep small set of Books. Dean Thornton, P. O. Box 687, Littlefield, Phone 362-M. 12-tf-c

WANTED TO RENT—4 room house furnished by responsible family. Will pay good rent for nice place. Write Box 1107, Littlefield, or phone 27 for particulars. 18-tfc

Congratulations To--

To the parents whose babies were born at the Littlefield Hospital:
Mr. and Mrs. Homer Peel of Sunday, April 30, weighing seven pounds, six ounces.
Mr. and Mrs. Guy Francis Kelley of Earth on the birth of a son, Gary Dan, Monday, May 1, weighing six pounds, nine ounces.
Mr. and Mrs. T. C. Morton of Enochs, Texas, on the birth of a daughter, La Juane Jean Morton, Tuesday, May 2, weighing seven pounds, eight ounces.
Mr. and Mrs. O. P. Fuller of Littlefield on the arrival of a daughter, Thursday, May 4, weighing six pounds, nine ounces. She has been named Jonnell.
And congratulations to Mr. and Mrs. J. C. McGee of five miles south of Amherst on the birth of a son born Friday last at the Payne-Shotwell Foundation. He weighed at birth nine pounds, and has been named Phillip Henry. Mr. and Mrs. McGee have seven other children. They now have five sons and three daughters.

Information For Veterans

Q—My son, a World War I disabled veteran, is going blind and has to be led around by relatives or friends. Is he eligible to receive a seeing-eye dog?
A—If your son is entitled to compensation because of a service-connected disability, VA may furnish him with a seeing-eye dog and will pay the expense of training your son in the use of the dog. It is not necessary that the blindness result from the compensable disability.

Q—I converted my National Service Life Insurance some time ago and would like to know if I can borrow money from the bank

ABOUT PEOPLE YOU KNOW---

Mrs. E. A. Tidrow of Littlefield enroute home from Midland Tuesday of last week, collapsed in a garage at Brownfield where she had taken her car for some minor repairs, and regained consciousness sometime later in the Brownfield hospital. Mrs. Tidrow remained in the hospital Tuesday and Wednesday, returning home last Wednesday. She had been to Midland to visit her daughter and a son-in-law, Mr. and Mrs. Plunk. She was believed to be suffering from exhaustion.

Mrs. Jay Attaway of College Heights is recovering at her home from a severe case of tonsillitis. She was treated at the Amherst hospital and was required to stay in bed about a week.

Mrs. Charlie Byars of Enochs, who was injured in a car wreck Sunday afternoon near the Star Drive-Inn, Littlefield, was reported in a serious condition at the Littlefield hospital Saturday. Mr. Byars

long to declare war as it takes in this world to declare peace.

—R—
J. H. Ware made a trip to Dimmitt Monday to look after his farming in that city.

—R—
The old fashion mother who used to wonder how her children would turn out, now has a daughter who wonders when her's will turn in.

—R—
Compiling of Littlefield's city directory was started late this week by Tant Directory & Advertising Co. of Oklahoma City.

—R—
A. J. Hemphill and family returned from an extended fishing trip Saturday in the vicinity of Creed, Colo. He said they caught so many fish that they couldn't stand to face the rascals.

—R—
W. G. Murray of the Yellow House Ranch, shipped six carloads of wool to Boston this week.

—R—
Littlefield will have a standard weather bureau. The station will be located at the residence of Z. K. Wells.

—R—
Well folks this will have to be 30 again for a week. Keep your fingers crossed that the dirt doesn't blow again.

and their daughter, who also figured in the car accident, have been released from the hospital. Mrs. Byars was not believed to be seriously injured but after several days at the hospital a blood clot formed. She had several ribs broken. Close relatives Saturday were notified of her serious condition.

Jordan, brother of Mrs. Joe Walters is here visiting in the Walters home.

John Blair was in Morton Saturday looking after farming interests at his farm near Morton.

Mr. and Mrs. Otto Jones were in Amarillo Friday on business.

Mr. and Mrs. Sam Boatman of Odessa enroute home from Pampa, where they had spent the week-end, visited in the home of Mr. and Mrs. Clarence Deavers Monday evening last week.

Wayne George, who fell from a grain elevator under construction April 11, and has been a patient of the Payne-Shotwell Foundation ever since, is reported to be getting along fine. He sustained a broken leg, chipped elbow bone, and cuts about his mouth, face, etc. the Payne-Shotwell Thursday last suffering from pneumonia, is re-Dick Dyer, who was admitted to ported as getting along fine.

Frances Louise Rogers, who was ill with a deep chest cold, and absent from school for two weeks, is much improved, and able to return to her studies this week.

Mrs. S. P. Middlebrooks was admitted to the Payne-Shotwell Foundation Friday morning, and had a bunion removed from her right foot Saturday morning. She expects to remain in the hospital about five days.

Mrs. Leonard Jones of Springlake underwent an appendicitis operation at the Payne-Shotwell Foundation the middle of last week. She is doing nicely.

Mr. and Mrs. Tom Matthews spent Sunday at Canyon with their daughter, Miss Linda Matthews, who is attending West Texas State College.

Mr. and Mrs. Jodye Jones spent the week-end at Rule, Texas, with Mrs. Jones' aunt and uncle, Mrs. Jones' mother, Mrs. Overby, of Waco, who has been visiting her daughter and son-in-law here for the past ten days, accompanied them as far as Rule and went on to her home at Waco.

Beautiful New 1951 Kaiser To Be On Display At Batson Motors May 10

The first 1951 Kaiser models to reach Littlefield arrived Monday, and will make their bow here at

the local dealers, Batson Motor Company, Wednesday morning. T. I. Batson, head of the local dealership on highway 84 west of town, said that the initial cars to arrive from the factory at Willow Run, Mich., are four-door sedans. The four-door sedan will be on display at the Batson-Motor Company show rooms Wednesday morning, May 10 at 9 o'clock.

Mr. Batson invites all his friends and customers to visit his show-rooms Wednesday, and view the beautiful Kaiser.

He said that other Kaiser models, including two-door sedans, business coupes, and traveler utility cars, will arrive at a later date to complete the 1951 series of 12 body types.

The popular-priced Kaisers comprise the second of three new 1951 lines of cars to be marketed this year by Kaiser-Frazer. The first was the medium-priced Frazer series, which was introduced a month ago. The third line is the un-named low-priced model, which is due to arrive in dealer show rooms in July.

The K-F cars are the first 1951 models to be introduced by the auto industry.

The all-new Kaisers feature such industry "firsts" as a crash-absorbing padded panel across the full length of the dash; a "tuck-away" tire well in which the spare tire is recessed below the floor of the trunk; the largest safety glass area of any sedan, and advanced aerodynamic styling which is expected to establish an we trend in the auto industry.

The power plant is the new Kaiser "Supersonic" high-compression engine which delivers 115-hp. It will be available with conventional, overdrive or Hydra-Matic transmissions.

A well-balanced blending of body and chassis has given the new models exceptional headroom, legroom and ease of entry, without resort to depressed floor construction or other design compromises.

Unmistakable Continental styling touches are apparent in the Kaiser. They are evident in the "sweetheart curves" in the roof at the top centers of the windshield and rear window, and in the "gull-wing" dips which simulate rear fender lines.

There is a slight down-sweep to both front and rear fenders, with the overall flowing design theme carried out in the lines of the cas-

cade back.

The 3,547-square-inch safety glass area, in addition to providing unmatched vision, also offers the advantages of aerodynamic design. The windshield sweeps back at a 54.5 degree angle projecting a total area of 1,996 square inches—by far the largest of any sedan.

The windshield posts, rigid structural members of the all-steel body, are set well back from the driver's lateral range of vision. Slimmest in the industry, the slender posts virtually eliminate a "blind spot" particularly hazardous in city driving.

Blending of chassis and body design has resulted in two "plus" performance factors. One is an unusually short turning radius which permits the driver to maneuver the car in a tight circle. The other is

exceptional clearance provided for vertical travel or "bounce" of wheels when the car is driven over rough roads.

COMPLETE FOR GRADUATION
 The pastor of the church will deliver the sermon to the graduates of Amherst High school on Monday evening, May 14 in the gymnasium.
 Exercises will be held at 8 o'clock, May 19 in the gymnasium with a program prepared by the seniors. The valedictorian is Roy Glenn Bryant, salutatorian is Roy Glenn Bryant, and the ranking boy in the class is Roy Glenn Bryant.

TWO BIRTHS AT AMHERST HOSPITAL
 Mr. and Mrs. Harold D. Miller of Earth are the parents of a baby girl weighing 8 pounds 14 ounces, born at the South Plains Co-op Hospital on Thursday, May 2. The daughter has been named Beverly Ann.
 A baby girl weighing 6 pounds 9 ounces was born to Mr. and Mrs. Walter Clyde Hendrick of Egan on Monday, May 1, at the South Plains Co-op Hospital. She has been named Marjorie Lynn.

ATTEND BACHELOR'S BALL . . . Shirley Temple and Charles Black attend the bachelor's ball in San Francisco. Black flew from Honolulu, where he is employed by a Hawaiian pineapple firm, for a get-together with his parents and Shirley. The couple's presence at the ball renewed rumors of a romance. They denied the rumor that they would wed.

RETURNS HOME
 Mrs. Will Smith returned to her home in Elk City, Okla. last Sunday accompanied by Mr. and Mrs. Henry Wilson. Mrs. Smith has been with her father, Tom Black, since the death of her husband three weeks ago.

ATTENDS MEETING
 The Rev. and Mrs. Henry Cox were in Dallas last week where Rev. Cox attended a meeting of the Reserve Chaplains of the U. S. Army.

VISITING PARENTS
 Mrs. C. A. Duffy, Jr. and son Niel are in Hillsboro visiting her parents.

CHURCH MEETING
 The Woman's Society of Christ-

ian Service heard Mrs. R. L. May present the third chapter in the current study, "Missions at the Grass Roots," at a meeting held Monday in the church basement. Mrs. H. L. Phelps opened the meeting with a prayer. Reports for this year's work which was held in Littlefield on Thursday were discussed.

RUIDOSO TRIP
 The Amherst High school Junior class spent last week end in Ruidoso, N. M. where they rode horse back, bowled, and climbed mountains.

They were accompanied by Mr. and Mrs. A. D. Shaver, Mr. and Mrs. Bill Weaver, Mr. and Mrs. Dave Harmon, Mr. and Mrs. Vernon Qualls, Mr. and Mrs. Claud Cook, Mr. and Mrs. Doc Shaver, Mr. and Mrs. Joe Brandstatt and Mr. and Mrs. L. C. Rhodes.

OFFICERS ELECTED
 Gary Bearden was elected president of the Amherst F. F. A. in a meeting held Monday, May 1. Other officers elected were:

Tommy Patterson, vice president; Billy Ray Buck, secretary; Eugene Griffing, treasurer; Wilfred Crosby, reporter; Russell White, sentinel; Mickey Pickrell, parliamentarian; Ivan Dale Weaver, third vice president; and Harold Robertson, fourth vice president.

IN THE HOSPITAL
 Admitted to the South Plains Co-op Hospital last week were: Mrs. L. D. Smith, Olton; Mrs. J. C. McGee, Sudan; Mrs. R. E. Williams, Sudan; Mrs. E. M. Rose, Littlefield; Mrs. V. F. Jones, Tahoka; Mrs. E. E. Britt, Amherst; baby Faustine Gail Greener, Levelland; Mrs. Dud Kent, Sudan; Miss Glenda Rae Akin, Littlefield; G. W. Beard, Morton; Miss Linda Allen, Olton; Mr. W. L. Galloway, Olton; Jimmie Winders, Clayton, N. M.; baby Ronald Sinclair, Levelland; Mrs. Clarence Kelly, Earth; Hattie Hawkins, Goodland; J. W. Coffey, Spade; Mrs. A. L. Ingram, Sudan; Mrs. J. Gordon Nix, Lubbock; C. W. Terry, Earth; Mrs. H. L. Parker, Dimmitt; Grady Lynn Davis, Earth; Merle May, Sudan; C. C. Slaughter, Amherst; Mrs. R. M. Judge Bills Guest Speaker At Muleshoe School Open House

Judge E. A. Bills of Littlefield was guest speaker at the program given in the new Muleshoe High school Monday as part of the open house planned by school authorities.
 Judge Bills spoke at 1 o'clock. After the program patrons of the school visited the buildings. Teachers and administrators of the school system were all on duty, not only to show the people about but to talk with them about any school matter it might be their desire to discuss.

State Manager WOW Visits Littlefield

The Littlefield WOW lodge met Thursday evening in regular session.

says Mr. M. W., Los Angeles, Calif. Speed amazing relief from miseries of simple piles, with soothing Pazo! Acts to relieve pain, itching instantly—soothes inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduces swelling. You get real comforting help. Don't suffer needless torture from simple piles. Get Pazo for fast, wonderful relief. Ask your doctor about it. Suppository form—also tubes with perforated pile pipe for easy application.

Pazo Ointment and Suppositories

1949 Cotton Crop Reported Fourth Largest In History

The Agriculture department reported Friday that the 1949 cotton crop totaled 16,127,000 bales, the fourth largest in history.
 The department estimated the combined value of the lint and seed at \$2,549,744,000. That is about four percent below the total value of the 1948 crop.
 Farm prices of both cotton and cottonseed were propped under the government's price support programs. At last report, the government had almost \$1,000,000,000 tied up in these commodities under price support.
 The final production estimate issued Friday was 93,000 bales larger than the semi-final estimate made last December. Today's report also included revision of previous year's production.

H. J. Blanchard Is Candidate For State Legislature

Horace J. Blanchard has announced his candidacy for Representative in the State Legislature from the 120th district. Mr. Blanchard

H. J. BLANCHARD

has authorized the Lamb County Leader to publish the following:

Realizing the responsibilities and duties of the office which I am seeking, and with the desire to undertake the high trust imposed thereby, I announce my candidacy for Representative of the 120th District in the State Legislature.

It is only by knowing and understanding each candidate's platform that you are able to select the best man for the job. I would consider it a pleasure to speak to each and all of you concerning any part of my platform. I believe that the farm-to-market road program should be continued and improved. I believe that a small claims court should be set up to speed up the processes of justice to those people who have small claims, thereby doing away with a fee system in our smaller towns.

I believe in improving the entire judicial system so that justice will be aided and not hindered, through the technicalities in the law. I believe in the reduction of taxes to the farmer and small business man through improving the taxing machinery so as to cut out duplicity of taxes and red tape which runs the cost of government up. I also believe in a more streamlined old age policy so that the old folks will be able to obtain a livable allowance.

Son of Mr. and Mrs. C. H. (Chock) Blanchard, long-time residents of Sudan, I am 26 years old, married and have a small daughter. I am a member of the Methodist Church, Masonic lodge, Shrine, B.P.O.E. and the American Legion. I am a senior in the S.M.U. School of Law, having had my undergraduate work at Texas Tech.

I have lived in this district all my life with the exception of about four years which I spent in the armed forces, a big part in the Pacific.

— Horace J. Blanchard.

Urgo Organization

(Continued From Page One)

pleasure to be working with home folks on this matter of water conservation. I am glad to be of service in trying to work out a planned program of usage.

Bradhurst told of experiments conducted by ground-water geologists recharging reservoirs. He admitted that the recharge possible in some areas are negligible. He gave the opinion that in many areas the ground water supply could be replenished successfully by the powers of water districts to recharge.

Experiments Valuable Bradhurst added that experiments on irrigation methods carried out by water districts would be valuable in gathering information from farmers, who singly could not afford the expensive tests.

Fortenberry declared that recharging and educational projects alone would make a district worthwhile, but said that districts should be made operative soon to be ready for action in case waste and abuses become prevalent. Districts also have the power, through injunction proceedings, to prevent waste and otherwise enforce rules and regulations.

"The longer we wait, the more complicated it will be to organize districts," Fortenberry said.

Gilke, Broadhurst and Fortenberry went from the Plainview meeting to Amhurst Thursday night. Scheduled to speak at a Lamb County water rally, they were delayed en route by a bad sandstorm and arrived just as the meeting of 250 irrigation farmers was breaking up. The meeting in Lamb County was expected to result in action towards organizing a district.

Contest For—

(Continued From Page One)

for Hedgecoke Motor Company and looks like every merchant in Amarillo wishes to add to the pyramid of prizes for Miss Smile of 1950 and, of course we invite such gifts to award the winner. All donors will be given equal publicity. We merely want the winner to receive the biggest jackpot of prizes yet offered in the region.

Harold K. Carrington, head of Nationwide Pictures and an Oscar winner for his newsreel camera work, will head the staff of impartial judges.

Girls and women may enter of their own accord or be sponsored by clubs, schools or organizations. All are welcome.

Flynn asks pictures be wrapped carefully and insured for mailing. Tinted photographs are not necessary, although a brief biography of the entrant will be appreciated. Information such as parents' name and address, age of the contestant, hobbies, talents, educational background or career history.

All entrants will appear on the stage of the Paramount theater, in Amarillo on a date to be announced later but during the week of July 17. All entrants and their escorts will be honored at a gala ball at the Nat following the theater appearance for pictures and presentation. Floor show and radio entertainers will be featured during the ball.

Flynn said the announcement of the contest had hardly been made when two television stations extended invitations for "Miss Smile of 1950" to be a guest on featured shows.

"We cannot assume responsibility for loss or damage in mailing," Flynn said, "although extreme caution will be used with all photographs. Judges decisions will be final, and all photographs will be returned to the name and address listed on the back of each picture."

Bathing beauty contests, Miss Atom Bomb, and every conceivable contest under the sun has been held annually, the Mad Irishman pointed out, but the southwest is noted for hospitality. There is no better reflection of hospitality than through a smile. That, he added, is the reason we want the nation to see a typical smile from the southwest... "Miss Smile of 1950."

Certificate—

[continued from page one]

mind, of the body, and of others. The organization is open to any girl between the ages of 11 and 18.

Members of the Westerners are: Bobbie Taylor, patrol leader; Marjorie Pack, corporal; Unice May Brien, Marie Fenton and Peggy Wells. In a second patrol are: Betty Reed, patrol leader; Lanita Pace, corporal; Jeanette Sanderson, Mary Lou Weston and Gladys Wells.

Mrs. R. E. Hall is the leader of the troop; Mrs. Charles Smith, assistant leader, and Mrs. Bertha Pack, chaplain.

A travelling salesman was unfortunate enough as to have his car overturned during the sandstorm Thursday night near Olton. He was a patient of the Olton hospital a couple of days. His name was not learned.

Mrs. E. L. Winston returned early Thursday after spending a week at San Antonio with her sister and brother-in-law, Mr. and Mrs. E. P. Lively. Mr. Lively is critically ill.

Open Studebaker Dealership Here

A permit has been issued by the City of Littlefield to Jonnie Miller for the construction of a brick and tile building to cost \$20,000, which when completed will house the Studebaker agency.

The building will be located at the corner of Ninth street and LFD Drive, adjacent to the Food Basket.

Meller will be a Partner with Guy Brown, now manager of the South Plains Motor Company. The new firm will be known as the Brown & Miller Motor Company. They will hold the Studebaker dealership for Littlefield and Lamb county.

Miller is calling for construction bids on the new building. Plans and specification may be obtained from him. Construction is expected to get underway within the next two or three weeks.

Thrill Show—

(Continued from Page One)

and left ramps and then will be joined by Jimmie (Flash) Bird. They will do the two-car double ramp and the grapevine twist and then broad jump the cars one after another.

The thrills and spills will really begin as the troupe complete such daring stunts as: two cars driven into a head-on collision, a car driven by Miss Audrey Laster will plunge through a blazing board wall with Jimmie Bird laying on the hood, trick and fancy motorcycle riding by "Speedy" Harry Barney who will crash two flaming board walls.

Man from Mars

As an added feature, Jessie (Kid) Humphrey, known as Bozo, the clown, will entertain with clowning and daredevil stunting. Al Krueger will do the roll-over with a speeding car. He will also do the famous "Man from Mars" act in which he will drive a standard stock car up the high ramps and jump it over the length of a bus and six or eight cars, landing on about the eighth car. The stock car will be furnished through the courtesy of Fred Harrell, used car dealer.

Captain Jack plans to do the Arctic crash, in which he drives his speeding car into a ton of ice furnished by the Crystal Ice Company. In one of the most thrilling acts of the show, one of the performers will be dragged behind a car through a blazing fire.

Tickets On Sale

Tickets are already on sale for the show by members of the VFW Post and in many downtown stores. Proceeds will go to the VFW building fund.

Captain Jack is still seeking a young lady to ride with him through the wall of fire at both the Safety Day show Saturday, May 13, and the performance at the Airport. The girl chosen will ride in the car veiled with her identity a secret. She will be unveiled and receive prizes in a local theater at a later date.

During his stay in Littlefield, Captain Jack is driving a courtesy car made available by Jones Motor & Tractor Company, using tires from the Hawk-Hofacket Firestone Store and gas from Jeffries and Yeary service stations and Jack Christian, Texaco wholesale distributor. He will take anyone where ever they wish to go within Littlefield if they call 400, 448M, the Chamber of Commerce or the Rumbak Hotel. He is making no charge for the trips in the Oldsmobile \$8.

Rev. Sherrill—

(Continued From Page One) Reed, Charlie Roark, Betty Turner, Felicia Ward and Maxine Wiseman.

Graduating boys are: Derrell Beckham, Cal Foster, Millard Gann, Gaston Gage, Ross Hammock, Clifford Johnston, Vendyl Jones, Lavene Kamp, Donald Lance, Roy McLaurry, Tommy Sherrill, George Snider, Buddy Joe Wiseman, Calvin Wiseman, Robert Wells and Wendell Penney.

Eighth grade commencement exercises will take place in the auditorium on Thursday, May 18.

Bank Deposits In Area Given

Reflecting a healthy financial condition throughout the area, banks in 29 South Plains towns showed total deposits of \$238,156,447.05 as of the bank call April 24, statements issued last week showed.

The total shows a seasonal decline as money is expended in connection with spring planting expenses.

Total bank deposits by towns are as follows:

Abernath	\$ 2,451,699.30
Amherst	3,792,264.04
Anton	1,353,068.68
Brownfield	14,157,673.78
Crosbyton	2,771,475.15
Floydada	6,457,624.43
Total	\$238,156,447.05

BOBBY R. BALL AMHERST HOSPITAL

Ret. Bobby R. Ball, Littlefield, Texas, has arrived at Fort Ord and will immediately begin his basic training with the famous Fighting Fourth Infantry Division.

At the completion of 14 weeks of training Ret. Ball will be permanently assigned or selected for a specialist school.

Ret. Ball attended Central High school and is the son of Mr. and Mrs. Owen Ball, who resides at 618 XIT Drive, Littlefield, Texas.

BUYS BAKER SHOP

W. H. Moore of Lubbock closed a deal last week buying the Anton Barber shop from W. A. Powell. Mr. Moore is reported to be a very proficient barber. He and his wife have rented a house and expect to make Anton their future home. Mr. Powell is moving to Lubbock.

CARD OF THANKS
It is with deep appreciation I wish to thank the members of Littlefield fire department for their generous donation of \$100.00 for the purchase of a new fire truck. I would especially thank Luther Harrell, who donated the fire.—Paul Vane

IN
"ON THE TOWN"

The big Broadway musical now on the screen!

The 1951 Kaiser is here!

- ★ America's newest car!
- ★ America's most glamorous car!
- ★ Triumph of Anatomic Design*

The 1951 Kaiser DeLuxe 4-door Sedan...one of 6 body styles and 12 models. Hydra-Matic Drive available in all models at extra cost.

★ Anatomic Design... (Ana-TOM-ic)... is the newest, most advanced step in motor car making. It is the principle of engineering the anatomy of the car, every feature of the body and chassis, to suit the needs of human anatomy in a way never before achieved. It results in a car that is easier to control, more comfortable, safer for you and your family to ride in.

And here it is... the first car in America built from roadline to roofline on the principle of Anatomic Design!

Like riding "outdoors"! Largest windshield, alimmost corner posts in any car...no "blind spots"!

Most room ever! High-Bridge Doors offer new walk-in ease. Single-Roll Body provides extra wide, lounge-comfort seats, more head room and leg room.

Easiest ride on the road! A Level-Flight Ride... because exclusive spring suspension takes up road shock!

Here's super-safety! Lower center of gravity and Truline Centerpoints Steerbars let the '51 Kaiser take curves faster, safer! Oversized jumbo brakes make stopping surer, swifter!

Value that holds up! Years-ahead newness and economy of operation save you money and assure lasting protection for your investment.

New 115 h.p. Kaiser Supersonic High-Torque Engine gives you faster acceleration; less vibration with higher compression, quieter, smoother performance; more driving power per horsepower, lower gas and oil consumption.

Built to Better the Best on the Road!

one glance
and you know it's
the newest car in America!
one mile
behind the wheel
and you'll want to own it!

\$200,000 Kaiser-Frazer "Name The Car" Contest Winners! Look for your name on display in your dealer's showroom.
