LEADER'S TRADES DAY PLAN IS ENDORSED BY MERCHANTS

TO BE STAGED
SOME MONDAY
EACH MONTH

Official Approval To Pro-
gram Is Given By
C. of C.

Littlefield business men this week endorsed a proposal of the Lamb County Leader that this newspaper conduct a monthly Trades Day in Littlefield.

The plan is to have Trades Day on some Monday in each month, and it is expected that the choice will be that of first Monday.

If the first Monday in each month is designated as Trades Day, then the first event of the kind for this year will be carried out on Monday, May 2. However, it may be decided to have the first Trades Day on a Monday previous to that date.

Plan Unanimously Accepted.

The proposal of the Lamb County Leader, in addition to receiving the individual approval of the business men of Littlefield, also was given the official sanction of the Littlefield Chamber of Commerce at a luncheon meeting Tuesday.

The matter was brought before the chamber of commerce by Mayor T. S. Sales, and details of the plan for

Who Will Win?

Who will win the beautiful Ford car in the Lamb County Leader Circulation Contest?

Just two more days until the contest closes.

The candidates are all working hard, with any one of the three—Mrs. Touchon, Mrs. Clements, or Mrs. Pate—having an equal chance to win.

The Leader appreciates the interest in the candidates taken by the public, and the splendid co-operation extended them.

This campaign was put on solely to increase the already large circulation of the Lamb County Leader, in order that this newspaper might further increase its extensive service to advertisers.

CANDIDATES WORKING HARD

The Leader is proud to announce that the candidates have searched the county and surrounding territory for new subscriptions. Virtually every new subscription which has been obtained has been given by people who actually live in the county and immediate section—not miles and miles away. This kind of circulation is of wonderful benefit to Leader advertisers.

One of the features of the campaign has been that in cases where the subscriber felt unable to spend the money necessary to pay for a subscription, the contestants have taken in exchange for the newspaper subscription poultry, eggs, canned goods, etc.

A large number of subscriptions have been added to the Leader's already large circulation, and the contestants are to be complimented on their splendid work.

WHO WILL WIN?

Everyone asks, "Who will win?" Now, folks, any of you who are in arrear with the Leader (this is indicated by the number to the right of your name on your paper), this is your chance to help your favorite win the FORD.

GET RIGHT IN AND HELP YOUR CANDIDATE WIN.

Those of you who have promised a subscription or a renewal may be the one to put that candidate over.

JUST THINK HOW DISAPPOINTED YOU WILL BE IF YOUR FAVORITE LOSES WHEN MAYBE IT ONLY WOULD HAVE TAKEN A FEW MORE VOTES FOR HER TO HAVE CARRIED OFF THE BEAUTIFUL CAR. THINK OF THE SATISFACTION IT WOULD GIVE YOU TO KNOW YOU HAD HELPED HER WIN.

IF YOU DO NOT HAPPEN TO SEE YOUR FAVORITE CONTESTANT, BRING YOUR SUBSCRIPTION TO THE LEADER OFFICE AND THE SUBSCRIPTION WILL GO TO THE CREDIT OF THE CANDIDATE YOU WISH TO GET THE VOTES.

BRING IN POULTRY AND EGGS, IN PAYMENT FOR A SUBSCRIPTION, IF YOU WISH.

GOLF TOURNEY UNDERWAY; NEW OFFICERS NAMED

64 PARTICIPATE IN THE
SCHEDULED TWO-
FLIGHT BOUT

R. E. (Bob) McCaskill, winner of the Littlefield golf crown last year, shot a score of 74 for the medalist prize in the two-flight golf tournament now underway by the Littlefield Golf club.

There were 32 starting in each flight of the tournament which has now dwindled down to 16. Prizes will be awarded winners in each flight.

New Officers Elected.

R. E. McCaskill was elected president of the club at a meeting held Wednesday night.

Other officers elected were: Dick Johnson, secretary-treasurer; Beeman Phillips, chairman greens committee; Carl Arnold and Bob Badger, finance committee.

Several new members have been received by the local club from Amherst and Sudan.

Withdraws As Candidate For County Judgeship

W. E. Heatly, superintendent of Hart's Camp school, who last week announced that he would be a candidate for county judge, Wednesday asked the Lamb County Leader to state that he had withdrawn from the race.

In withdrawing, Mr. Heatly expressed his appreciation to those who had offered to support him in the race for the county judgeship, and said that, while he will not seek public office, he will continue to work at all times in the interests of Lamb county.

SUBSCRIPTION DRIVE TO CLOSE SATURDAY NIGHT; CONTESTANTS TO SELECT REPRESENTATIVES

The Leader's Great Circulation and prize campaign will come to a most successful close, promptly at 8:00 p. m. Saturday, April 16th, and the prizes will be awarded to the winners and this great campaign will pass into history.

Each contestant will name a personal representative who will act as one of the official judges and count the votes and award the prizes accordingly. This will be done immediately after the close of the contest Saturday evening.

On the Home Stretch Now.

The leaders in the Leader's big prize race have rounded the turn, and have started on the "home stretch," either to win the beautiful Ford Tudor Sedan, purchased from Arnett Motor Co., or know that one of their competitors had an equal amount of good strength plus a greater determination or endurance, which they put forth at the last moment to put themselves in the winner's position.

Who Will Win the Car?

The candidates will surprise even themselves with the results that they will obtain during the last few days of the campaign. We all know it is a well-known fact that the American sporting instinct—that inner desire and disposition to help a hard-worker—asserts itself, and many who have previously failed to help their favorite, or those who have made promises, are now in an enthusiastic state of mind and will hurry forward with advertisements or subscriptions, to "put their favorite over the top," the big WINNER!

Exciting Days Are Here.

The interesting, the really-exciting days of the contest are here. Saturday night, April 16th, is drawing near, fast and surely, and the interest of the candidates and their many friends and well-wishers is daily becoming more intense. The contest is the center of interest of the entire community, and the voting will be brisk from this date until the official close, at 8 p. m. Saturday, April 16th, three short days away, and the final returns as disclosed when the ballot box is opened will be breathlessly awaited by hundreds of Lamb county people.

Ballot Box at First National Bank.

At 8 p. m. Saturday, April 16th, the official judges will assemble and the sealed ballot box will be delivered to them and they will immediately start the official canvass of the votes.

During the last days of the contest the candidates will be required to enclose all subscriptions and advertising with cash equivalent, in a sealed envelope, with their names written plainly thereon, and to deposit them

The main feature of entertainment for the two air officials was a luncheon given at the Club cafe and arranged by the local chamber of commerce, with the assistance of R. H. Coleman, toastmaster for the banquet, and Morris Morgan, local air enthusiast.

Mr. Morgan, who is largely responsible for the entertainment of the flyers, has had several hours of air training and lacks only a few hours

FUNERAL SERVICES HELD FRIDAY FOR PIONEER RESIDENT

MRS. R. L. BUSHER IS
BURIED FROM TABER-
NACLE BAPTIST

The Tabernacle Baptist church was filled to capacity Friday afternoon at 2:30, when funeral services were conducted for Mrs. Dorothy Jane Busher, aged 52, wife of R. L. Busher, of this city, who passed away at her home Thursday evening at 7:35, following a lengthy illness. The services were in charge of Rev. Roy Kemp, pastor, and interment immediately thereafter in the Littlefield cemetery.

Deceased had been in poor health for some time, and suffered considerably the past two months during which time she was confined to her bed.

She was born in Batesville, Ark., February 6, 1880; moved to Granger with her parents when fifteen years of age, and as Dorothy Lancaster married R. L. Busher at that city in 1899, where she lived until seven years ago, when she with her family moved to Littlefield.

Why the Adjusted Service Certificates Held By World War Veterans Should Be Paid in Full

Austin, Texas.—The mind of the general public is somewhat confused regarding the proposal to pay off the balance of the Adjusted Service Certificates held by veterans of the World War, due to the fact that the special interests which are opposing the passage of this legislation now have attempted to mislead the people into believing that the ex-soldiers are asking Congress for some new benefit and not for the payment of a just debt which has been acknowledged

by the Government.

In order to clarify the situation and to alleviate the criticism that has been directed at the American Legion and the veterans of the World War, V. Earl Earp, Commander of the American Legion, department of Texas, has issued the following statement:

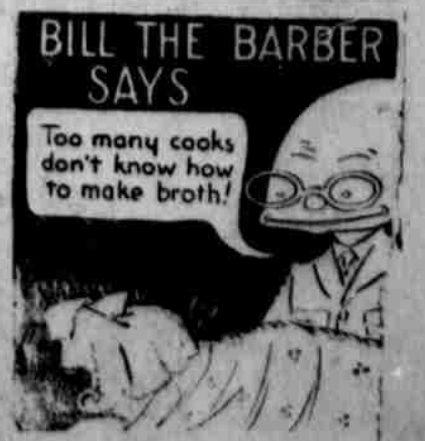

"More than 100,000 veterans of the World War in Texas hold Adjusted Service Certificates. These certificates are referred to by those who are attempting to confuse the public

mind on 'bonus certificates'. They are not bonus certificates and do not represent a bonus, subsidy or gratuity, but they represent an honest debt that has been publicly confessed by the Congress of the United States to the veterans for service rendered. No one has ever referred to the adjustments made to the railroads, the war contractors, civil employees of the government and others, which were made immediately following the close of the war and which were paid immediately in cash, as a bonus to these

people. The Adjusted Service Certificate was given to each veteran who applied for the same and is an acknowledgement by the government of the fact that the veteran was due an adjustment of his war time pay to that of the common day laborer.

"The veterans of the World War are grateful to the nation for the benefits that have been extended to them, but no new policy or principle of our government has been adopted

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

BROADCASTING

Broadcasting on the air with low-powered outfits is a nuisance. It clutters up the air causing difficulty in getting more desirable stations, and it is productive of little good.

On the plea of advertising benefits, there have been a few towns in West Texas who have become afflicted with local broadcasting "bug" outfits. They don't last very long, the business sponsors quickly learning that the principal benefit is only to the concern promoting the venture.

In this section of the state home radios are not very numerous. The actual percentage of people owning radios in their homes is very small. Of this small percentage, very few are interested in the mediocre talent, music that is generally "canned", and other hash that comes over the local broadcasting station, much preferring to tune in on higher powered stations where programs of exceptionally high merit may be readily obtained and enjoyed. The percentage of radio owners who listen in over the little local station is so infinitesimal that the business concern paying for the service gets practically no beneficial results at all. It merely becomes another victim of some other person's avaricious desire to make money off the public.

Lack of assurances that weather conditions are favorable for the small town station is always a question and frequently a deterrent fact. The business subscriber has no assurance that the family he aims his message at own a radio; that they will be listening in during the 10 to 30 minutes the small station will be in action, or if listening, that they will have any particular interest in his particular message.

As a matter of fact, radio broadcasting, even among the higher powered stations, is having a hard time. Numerous big concerns that patronized radio broadcasting during the past years, discontinued it with the beginning of 1932—they were never able to figure any ways near the value received results from their expenditures. Many broadcasting stations have reduced their charges drastically in an effort to keep going while plenty of them have taken on free publicity campaigns of various kinds in an effort to keep their heads above the inevitable profit and loss line.

The radio is here to stay. People will always enjoy its programs. In England they have long ago discontinued the mixed advertising broadcasting. American citizens have long ago become disgusted with these mixed programs and it will not be long before they will be discontinued entirely.

The business man who participates in the promotion and maintenance of a small broadcasting station still has much to learn—and experience is always a good teacher, though frequently a costly one.—Muleshoe Journal.

HAM'S PRESTIGE SAFE WITH MR. GARNER

When the blue-ribbons were passed around at the Panhandle and South Plains Fat Calf, Pig and Meat Show at Lubbock the other day, Lubbock admirers of Speaker Garner proudly contributed for the purchase of the first-prize farm-cured ham and dispatched it forthwith to the Garner menage in Washington. Mr. Garner, as was to be expected, received the token joyfully, and promptly conveyed to the press the message that, whether or not he announced for President, he most certainly did come out for "good old Texas ham, with turnip greens on the side."

So far, so good, but when this message got back to Lubbock, some of the movers in the ham deal, among them District Judge Clark Mullican, were disappointed. Judge Mullican, as spokesman for the disgruntled ones, declared that the juxtaposition of hams and turnip greens was lese majeste, or something, that plebeian bacon, not patrician ham, goes with that lowly vegetable, and concluded with the threat that ham supporters whose feelings were macerated by Speaker Garner's faux pas might go out to support "Alfalfa Bill" Murray, who links sidemeat with greens.

Such an eventuality is so horrible to contemplate, and the misunderstanding which gives rise to its possibility is so obvious, that it is to be devoutly hoped that ere now the skies have cleared away. There is no necessity for entering into an academic discussion of the availability of ham for adding a touch of suavity to turnip tops. It is required merely to note that Mr. Garner said ham, "with greens on the side." That does not mean that the ham is to be boiled in the pot with the greens, as is done when sidemeat is the palliating agency for greens. "On the side" means—well, on the side. The Lubbock prize ham would be baked or boiled in royal exclusiveness, and the greens would come up in another dish merely to diminish the delight of the palate which, because of the ham, might be otherwise excited to such heights as would be dangerous to the health.

In other words, Speaker Garner not only does not intend any slighting to the prize winner of the Lubbock show, but he knows his ham—and his

greens. However, a later bit of information comes from Washington to banish the fears of the West Texas ham supporters, if any remain. It is that the distinguished ham was served as sandwiches at the reception which the Congressional Club gave to Speaker and Mrs. Garner Wednesday. There was a large party, and if anybody imagines there was any ham left to go with greens on the Speaker's private table he has no idea how delicious, even habit-forming, a Texas farm cured ham can be.—Fort Worth Star-Telegram.

The ham which was received by Speaker Garner was cured by Mrs. R. L. May, a resident of Lamb county. The ham was awarded first prize at the Lamb County Meat Show, and was awarded the same honor at the Lubbock show, but in a much larger field of competition. This ham was also responsible for Mrs. May winning a special prize which was given by the Lamb County Leader, in connection with the Littlefield show.

Arnold Vereen Buys Interest In Cafe at Sudan

Arnold Vereen, who was employed at the Club Cafe in this city, has purchased a half interest in the White Rose Cafe in Sudan. His partner is Jack Newsome, who has owned a half interest in the business for some time.

The White Rose is an attractive, cosy restaurant, and serves good meals.

"I'd like to have the folks from Littlefield drop in and see me," Arnold told the editor of the Lamb County Leader, who had the pleasure of eating at the White Rose a few days ago.

ALLEGED FORGER IS ARRESTED

Mrs. Bertha Fryar, wanted by the Lamb county sheriff's department on charges of forgery, was arrested at Hobart, Oklahoma, according to Sheriff Crim. Mrs. Fryar is alleged to have forged two checks at Sudan and one at Littlefield. She was indicted by the last grand jury. Sheriff Crim said that the woman is also wanted by Plainview authorities.

Lost 36 Lbs. of Fat In Just Four Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

We Hope We Helped

There are more old people in the United States today than there were a decade ago, according to the director of the United States Census.

PERHAPS one contributing factor is the assistance given to science, surgery, medicine and the plain everyday standard of living by the electric light and power industry.

WE like to think we have contributed toward lengthening the span of life—as well as to know that we have contributed to the joys of living, what ever may be the span of an individual's life.

MORE than forty-seven and one-half million children under nineteen years of age are experiencing benefits made possible by electrical development, unknown to their parents at the same age, and which were not even dreamed of by their grandparents.

AND the greatest development of the industry has been during the last decade, when it has been able to furnish more service to more people than ever in its history.

"The Passionate Plumber" brings a group of funsters to the Palace Theater for Thursday night only in what is said to be the spiciest and most amusing comedy yet turned out by the Metro-Goldwyn-Mayer studios. Buster Keaton has the title role and further hilarity is guaranteed by the presence in leading roles of the inimitable Jimmy "Schnozzle" Durante in a characterization reported to be even funnier than that of his "Get-Rich-Quick Wallingford" and the riotous Polly Moran as his consort.

Irene Purcell, who scored with Robert Montgomery in "The Man in Possession," plays opposite Keaton, and the cast also includes Gilbert Roland, Mona Maris, Maude Eburne, Henry Armatta, Paul Porcasi, Jean Del Val and August Tollaie. The comedy was directed by Edward Sedgwick who has been associated with most of Keaton's recent talkie hits.

This Parisian bedroom farce concerns a bungling plumber who comes to a lady's apartment to fix a leaky pipe but remains to repair her broken heart. Comedy of a rare order is entailed in a unique contract made by the plumber and the lady of the house in which the former promises to protect her from the unwelcome advances of an impetuous lover and gets into all sorts of miscalculations in the process of doing so.

A highlight of these adventures is a riotous duel scene which starts out seriously enough but due to Keaton's amateur knowledge of dueling tactics ends up in what is believed to be one of the most side-splitting fights yet depicted on the screen.

The madcap Durante of course gets his huge nose into everybody's business and also demonstrates his skill as a lover with the slightly bewildered Polly Moran on the receiving end of his affections.

If your favorite does not win, you will be sorry you did not help her. Give her your subscription or renewal now.

OIL Gone...

He Drove from Banner to Sheridan on the GERM PROCESSED "Hidden Quart"

The driver for the Sheridan Motor Bus Company was ready to leave Banner, Wyoming, for Sheridan with his big Reo bus loaded with passengers.

Then he made a discovery. The oil line had been accidentally broken, allowing the Conoco Germ Processed Oil to drain out; and the crankcase was empty. With all Banner closed for Thanksgiving, he could not get oil and had to drive the 16 miles to Sheridan without oil. At Sheridan, inspection showed that the "Hidden Quart" of Conoco Germ Processed Oil had saved the motor from damage!

If Conoco Germ Processed Oil can protect a heavy bus with

the crankcase empty, it will certainly give you sure, safe lubrication in everyday driving. It is the only oil that actually penetrates and combines with metal surfaces. That's why a "Hidden Quart" stays up in your motor and never drains away. It cuts down wear in the starting period, when other oils drain away and leave parts unprotected. It gives your motor longer life, with fewer repair bills.

Have this extra protection. Change to Conoco Germ Processed Motor Oil at the sign of the Conoco Red Triangle.

We neither encourage "dry crankcase" experiments nor guarantee success under all conditions. But unsolicited letters from motorists, now in our files, tell of this and hundreds of other runs with empty crankcases but without damage.

(Continued from Page One)

for their benefit, and with the exception of the Adjusted Service Certificate law, the Legion has never sponsored any legislation that effected every man who served during 1917-18. And the veterans of the last war, their widows and orphans, are not receiving as much from the government as the veterans of other wars and their widows and orphans are receiving.

"When the present economic condition throughout the nation started, the Legion observed that the veterans of the World War were materially effected and knowing that the Adjusted Service Certificates were in reality due in 1931, and knowing that the payment of these certificates then would relieve the distressed condition of the entire nation as well as the veterans, the Legion sponsored legislation that sought the payment of these certificates which resulted in increasing the loan value of these certificates to 50 per cent of their value at a rate of interest of 4 1/2 per cent.

"From our surveys we have found that more than 93 per cent of the money borrowed by veterans a year ago was used for beneficial purposes, to pay past due bills, buy food and clothing, relieve indebtedness on homes, farms and business concerns, and that less than 7 per cent of it was squandered or used for other than beneficial purposes. Our survey likewise reveals the fact that more than 6,000 homes, farms or small businesses owned by veterans were saved from foreclosure as a result of this law, to say nothing of the many businesses of the general public that profited by being able to make collections and sell additional goods for cash.

"If the balance of these certificates should be paid now in cash it would bring to Texas a total of \$95,-655,800, or an increase of \$16 in the per capita circulation of Texas. If the balance of these certificates are not paid before maturity the interest charged on the 50 per cent loan will almost consume the balance of the certificates.

"No one will dispute the fact that an increase of \$16 in the per capita circulation would greatly relieve the depression in Texas. No one will dispute the fact that there are more men out of employment now than were out of employment a year ago and that many of these are veterans who hold these certificates.

"Knowing these things to be true, knowing that this is a just obligation that is now due and knowing that it can be paid by the government without an increase in the taxes, and knowing that this would be a relief measure that can be passed by Congress that will really reach down to the common people, for the benefit of the common people and not for the benefit of the special interests, the American Legion of Texas does not believe that it is unjust to ask Congress for a law to authorize the payment of the balance of those certificates at this time.

"The people generally of Texas should study this matter carefully and support the American Legion in its endeavor to bring about this relief measure which will benefit the common people of the entire nation."

of solo flight work to qualify for a private pilot license.

The guests were introduced by Mr. Coleman, which was followed by a welcome address made by Mayor T. S. Sales.

Messrs. Lyman and Graham both made talks pertaining to modern air transportation.

A. P. Dugan, president of the local chamber of commerce, in an address at the luncheon, stated that some action should be taken to get a modern airport with all facilities for Littlefield, and that this would be one of the early objectives of the Littlefield civic organizations.

The fliers were met at the landing field by the Littlefield band under the direction of Monte Bowron, and a number of local air enthusiasts.

While here the ship was serviced by the Texas Company, by Walter La Mond, wholesale agent. Texaco aviation gasoline and Texaco airplane number 180 oil were used.

The Texaco company has a two year's contract to supply the Transcontinental & Western Air company with their products.

Some Facts Relative To Poultry Raising

Some information which is of special interest to poultry raisers has been compiled by the Littlefield Poultry & Egg Co., of which Barney Wilson is manager.

"According to the January Ohio State Bulletin of Business Research the following was found:

100 lbs. of digestible feed stuff will produce approximately the following:

- "Fat hogs, live weight, 30 lbs.
- "Fat steers, live weight, 20 lbs.
- "Heavy broilers, live weight, 29 lbs.
- "Heavy hens, live weight, 20 lbs.
- "Shell eggs, 13 1/2 dozen.
- "Butterfat, 6 lbs.

"On the basis of the present prices in Littlefield one hundred pounds of maize or kafir corn can be bought for 30c a hundred and according to ideas of most all authorities will produce as much as corn or other grains which are higher in price. We list below what this brings the farmer at present prices:

30 lbs. hogs @ 3c.....\$.90
20 lbs. steers @ 4c..... .80
6 lbs. butterfat @ 16c..... .96
13 1-3 doz. eggs @ 6c..... .98
20 lbs. heavy hens @ 12c..... 2.40
29 lbs. broilers @ 12c..... 3.48

"You can see from the above that the farmers on the South Plains should be encouraged every way possible to produce more poultry. At the present price levels poultry is a lot more profitable than either hogs or cattle. In fact, poultry is the best money maker the farmer can have today. Poultry and egg prices are only 20 per cent lower in 1931 than in 1930 compared with a decline of 25 per cent in dairy products, 34 per cent in meat animals and 37 per cent decline in grains.

"Since feed stuff represents more than 50 per cent of the cost of producing poultry and eggs the extreme decline of grain prices is actually making poultry keeping more profitable.

"It appears to me that the poultry industry is doing well in spite of the depression. Almost every farmer who pays any attention at all to his poultry flocks should be aware of the fact that poultry has been more profitable during the past season than anything else on the farm.

"The same situation existed during the 1921 depression, and thousands of farmers were able to pull through by the aid of a regular cash income from poultry and eggs.

"Since poultry keeping is generally profitable under present conditions why shouldn't your newspaper and our county agent and every other one interested in the welfare of our farmers start to encourage the raising of more poultry, and in this connection we should encourage the raising of heavy breeds of poultry since so much is depended on the amount of money the poultry is worth as food. At the present price of grains it costs very little more to produce the heavier varieties of poultry.

Manufacturing Big Line of Feeds

"Just-Right" Poultry and Livestock feeds produced from a time-tried formula in which mineralized milk powders are used, are being manufactured and sold by the Myrick Grain & Feed Company, of this city.

A great variety of formulas make it possible for the local concern to manufacture feed for poultry and for all kinds of livestock.

With the exception of the animal protein, local-grown feeds are used exclusively in the manufacture of "Just-Right" products.

"Before offering these feeds for sale, we made a number of feeding tests and obtained excellent results," said Mr. Myrick.

DR. PAUL W. HORN, PRESIDENT OF TEXAS TECHNOLOGICAL COLLEGE, DIES SUDDENLY WEDNESDAY MORNING

Farmers Urged To Obtain Seed Loans

A large number of farmers of the Littlefield section have made application for loans through the Reconstruction Finance Corporation, according to J. C. Hilbun, president of the First National Bank.

All applications for the loans must be filed before April 30, if the funds sought are to be available for use in the planting and harvesting of this year's crop.

Applications for loans may be made at the First National Bank, and Mr. Hilbun urges that large numbers of farmers take advantage of the loan facilities offered by the Reconstruction Finance Corporation, as it is in the farmers' interests and the interests of this territory that these loans be obtained.

The loans are being made to assist farmers in the buying of seed and feed and provision is also made for funds for the operation of a tractor, for repairs, and for incidentals.

Money may be borrowed through the Reconstruction Finance Corporation at 5 1/2 per cent.

W. D. Shelton Opens Car Service Station

W. D. Shelton, who is well known in Littlefield and territory, has opened the W. D. Shelton Service station, in the white stucco station opposite the city hall.

Mr. Shelton has been in the filling station business on previous occasions and a large number of friends and customers will be glad to learn that he has again entered business.

Products carried at the Shelton Service station are Phillips "66" gasolines and oils, and Firestone tires. This station does washing and greasing and tire and tube repairing.

A modern grease-rack has been constructed for the servicing of cars.

URGED TO ASSIST IN CLEAN-UP DRIVE

Citizens of Littlefield are urged to give one hundred per cent co-operation in the clean-up campaign which is under way. They are urged to pile debris in the alleys in order that it may be hauled away by the city trucks.

More than 1300 farmers, mostly in Hale, Floyd, Crosby, Lamb, Castro, Swisher and Lubbock counties, and Roosevelt county in New Mexico, are supplying cream to Plains Co-Operative, Inc., farmer owned and managed dairy located at Plainview. The concern made 75,000 pounds of butter in March and about 50,000 pounds in February.

LISTEN, FOLKS

I appreciate your support and help in the campaign and in these last days of the Lamb County Leader Contest I wish to make a special appeal to all my friends to throw your support behind me during these final crucial days. I need it and I need you to win. The campaign closes Saturday, April 16.

Yours,
MRS. C. C. CLEMENTS

FOUND—Set of Chevrolet keys in leather folder. Owner may have same by proving property and paying for this advertisement.—Lamb County Leader.

Dr. Paul Whitfield Horn, 62, first and only president of Texas Technological college, died suddenly at 9:00 o'clock Wednesday morning. A heart attack climaxed three months of ill health during which he submitted to an operation for acute appendicitis and later spent four weeks in Lubbock sanitarium, victim of a kidney disorder.

Stricken as he emerged from his morning bath, Dr. Horn called members of his family after he had reached his bed and told them he felt faint. Dr. M. C. Overton was summoned immediately but the president died soon after his arrival. Death came within five to seven minutes after he suffered the stroke.

Funeral services for President Horn will be held at five o'clock today on the college campus where burial will follow.

We Think—

(Continued from Page One)

nities are observing April 30 to May 7 as Boys' Week that had not previously recognized the event. The only explanation we are able to offer is that prevailing economic conditions have had a tendency to make people community conscious. Adults are realizing that it is necessary to devote more time to the training of youth if the world is to be saved from constant repetition of conditions such as it has recently experienced."

The observance of Boys' Week is not new (originated in 1926 by the Rotary Club of New York City, the movement has experienced a steady growth in popularity until at the present time Boy's Week is celebrated as an annual event in practically every country of the world. The annual programs are developed by a national committee of which Walter V. Head, president of the Boy Scouts of America and past president of the American Bankers association, is chairman, and of which almost a hundred men, prominent in religious, educational, or industrial life, are members. Headquarters for the committee have been established at 211 West Wacker Drive Chicago, and from this point literature and suggestions are distributed gratis to all parts of the world.

April 30 to May 7 has been designated for the 1932 observance of Boys' Week and the program announced by the committee is as follows:

- Boys' Loyalty Day, Saturday, April 30.
- Boys' Day in Churches, Sunday, May 1.
- Boys' Day in Industry, Monday, May 2.
- Boys' Day in Schools, Tuesday, May 3.
- Boys' Day in Entertainment and Athletics, Wednesday, May 4.
- Boys' Health Day and Evening at Home, Thursday, May 5.
- Boys' Day in Citizenship, Friday, May 6.
- Boys' Day Out-of-Doors, Saturday, May 7.

Do you think that Littlefield should observe National Boys' Week? If you are in favor of the observance of such a week in Littlefield, make that fact known to the editor of the Lamb County Leader. We haven't long to make preparations. Act NOW!

WHEN THE PAPER DOESN'T COME

My father says the paper he reads ain't put up right. He finds a lot of fault, he does, persusin' it all night. He says there ain't a single thing in it worth while to read, And that it doesn't print the kind of stuff the people need. He tosses it aside and says it's strictly on the bum— But you ought to hear him holler When the paper doesn't come.

He reads about the weddin's and he

snorts like all get out, To read the social doin's with a most derisive shout, He says they make the paper for the women folks alone, He'll read about the parties and he'll fume and fret and groan; He says of information it doesn't have a crumb— But you ought to hear him holler when the paper doesn't come.

He's always first to grab it and he reads it plumb clean through. He doesn't miss an item or a want ad—this is true. He says they don't know what we want, the darn newspaper guys. I'm going to take a day sometime an' go an' put 'em wise; Sometimes it seems as though they must be blind and deaf and dumb; But you ought to hear him holler when the paper doesn't come.

SONGS AND POEMS

A Wonderful Town

There is a town called Don't You Worry,

On the banks of the River Smile Where the Cheer-Ups and Be Happy Blossom sweetly all the while; Where the Never Grumble flower Blooms beside the fragrant Try, And the ne'er Give Up and Patience Point their faces to the sky.

In the village of Contentment, In the province of I Will, You will find this lovely city, At the foot of No-Fret Hill.

There are thoroughfares delightful In this very charming town, And on every hand are shade trees Named the Very Seldom Frown.

Rustic benches, quite enticing, You'll find scattered here and there And to each a vine is clinging, Called the Frequent Earnest Prayer.

Everybody there is happy, And is singing all the while, In the town of Don't You Worry, On the banks of the River Smile.

Texas' Fire Loss In Past Year Is About \$20,000,000

Approximately \$20,000,000 insured and uninsured fire losses was sustained in Texas during the past year, it was recently estimated by the state fire insurance commission.

The report stated that approximately \$11,000,000 insured fire losses was reported by 400 Texas cities and towns during 1931.

Total insured fire losses for the entire state will not be known until the stock fire insurance companies doing business in the state make their report to the department and all figures compiled by the commission. This report will not be made until summer, it was reported.

In the report, J. W. DeWeese, state fire insurance commissioner, outlined three causes for the majority of the fires. They are carelessness over insurance and incendiarianism.

The department made an appeal to officials of Texas cities and towns to follow its suggestion by passing an ordinance creating a Fire Prevention board, whose duty it shall be to find ways and means to reduce fires.

The leading causes of fires during 1931 as shown by the report of fire marshals over the state are as follows:

LAMB 4-H BOYS WIN AT PLAINVIEW MEET

Lamb county, with 1093 points, won the 4-H club contest, which was held in connection with the Panhandle-Plains Dairy show, at Plainview.

Members of the winning team were J. H. Bradley, Travis Winters and Winton Rochelle, coached by D. A. Adam, county agent for Lamb county.

Lubbock county, with 1058 points, was second, and Swisher county, with 1040 points, was third.

Homer Garrison of Lubbock county, was high individual scorer with 394 points. Bradley of Lamb was second with 391 and David Alverson of Childress third with 382.

Vocational stock judging teams from 15 schools and 4-H club teams from six counties competed in their separate classes.

Towns represented was Sudan, McLean, Seagrave, Ralls, Claude, Panhandle, Post, Littlefield, Tulia, Hereford, Olton, Hale Center, Floydada, Plainview and Silverton.

The 4-H club teams were from Hale, Lamb, Swisher, Lubbock, Childress and Collingsworth counties.

I. C. C. Refuses Permit To Build T. & P. N.

The Interstate Commerce Commission has denied the advocacy of the Texas & Pacific Northern to build a railway from Big Spring to Vega. This information was contained in a telegram received by J. W. Hale, secretary of the Littlefield Chamber of Commerce, from Garland Woodward, of Big Spring, who represented the towns on the route of the proposed railway.

The commission, in announcing its decision, said that existing railroads in the territory which would have been served provide convenient access to the most important markets and that their service is supplemented by an extensive system of truck transport.

It also asserted that the large amount of unutilized land within 15 miles of existing roads indicates "the lack of urgent necessity for further transportation facilities."

An examiner several months ago recommended that the commission approve construction of a portion of the line. The I. C. C. decision, however, turns down the entire plan.

MRS. MAX TOUCHON WINS PASS TO PALACE THEATER IN LAMB COUNTY LEADER CIRCULATION CAMPAIGN

ANTON BAND TO GIVE PROGRAM FRIDAY NIGHT

FORTY MUSICIANS ARE TO APPEAR AT PALACE

The Anton municipal band will appear at the Palace Theater in a benefit engagement Friday evening, April 15, according to word received from W. H. Tennon, publicity director of the band.

The band, consisting of approximately 40 members, is well known throughout the state, having possibly the largest membership of any band in a city of similar size in the state.

The program will be under the direction of J. G. Thornhill, director, who assures pleasing entertainment throughout the performance.

It is believed that bringing this band to Littlefield will aid in establishing a permanent band for Littlefield. The Littlefield band was recently reorganized by Monte Bowron.

The band will appear in Littlefield between six and seven o'clock Friday afternoon and will give a concert on Main street before the night performance.

FIRST BAPTIST CHURCH

The Sunday school revival under the direction of Rev. Jerry Cox is moving in a very satisfactory way. Good crowds are attending, and the interest is the greatest the writer has ever seen in such meetings. Rev. Cox is a forceful speaker and knows Sunday school work. God has given him not only a gift but gifts that but few men are blessed with. He is first a great pastor, having labored with and grown one of the fine churches of Tulsa, Oklahoma. Second, he has a gift in song and can sing with the spirit and understanding to the delight of any congregation, and third, he is doubtless one of the best Sunday school men in the south. Rev. Cox will be with us the balance of this week, if not longer, speaking each evening from 8 o'clock and at both hours Sunday. We invite and urge not only our membership but the public in general to hear him.

Our regular schedule of service will be carried out this Sunday. Let us come praying that God will so lead us that we may be able to enlist the great numbers who should be in service for Him. Joe F. Grizzle, Pastor.

D. A. Smith Suffers Injury To Hand In Explosion At Mine

Ernest Smith of the Leader office received word Wednesday that his brother, D. A. Smith, while working in a mine at Miami, Arizona, suffered injury to his right hand. At the time of the accident he was crimping a cap on a fuse, and the cap exploded, blowing off the thumb and first three fingers of his right hand.

D. A. Smith is also a brother of Mrs. Sam Hutson, and Misses Virgie Mae and Dovie Smith of this city.

USING TEXAS SEED

Austin, Texas.—Texas certified cotton seed will be used by the Mexican government in its cotton variety standardization experiment projects in the El Paso and Cameron districts, according to R. V. Miller, chief of the seed certification division of the department of agriculture.

Mr. and Mrs. H. F. Moody and son are expected to return tonight, after visiting Mr. Moody's father, at McCamey.

Mrs. Max Touchon was the winner of the special prize which was given by the Lamb County Leader in the circulation contest to the contestant turning in the most money from Friday morning till Tuesday morning.

The prize was an eight weeks' pass to the Palace theater, which was very much appreciated by Mrs. Touchon of the local theater.

"You know Bill is a good scout," commented Mrs. Touchon when notified that she had won the pass to the Palace.

Mrs. Touchon expressed her deep appreciation to those who, through their co-operation, had made it possible for her to win the special prize.

"I have received excellent co-operation from the residents of Littlefield and Lamb county throughout the campaign, and I most heartily appreciate such fine support," Mrs. Touchon said.

Mrs. E. G. Courtney Suffers Broken Foot In Fall Wednesday

Mrs. E. G. Courtney had the misfortune to slip and fall Wednesday about 1 p. m., breaking two bones in her left foot. The accident happened in the back yard of the Courtney home, where water thrown there had made the ground slippery.

Mrs. Courtney was obliged to crawl to the house, and managed to phone her daughter, Ruth, who is employed in the local postoffice. Dr. T. E. Duke was called, and advised that Mrs. Courtney would be obliged to stay in bed for several days.

Pep Girls Winners In Tennis Match

Gladys Jungman and Helen Burt represented the Pep school in the girls tennis doubles team which defeated the Littlefield high school team in a match here Monday afternoon.

The Littlefield team, composed of Helen Rumback and Lennie B. Thornton, were winners in the Lamb county interscholastic league meet held recently. The Hockley county meet was won by the Pep school team. The scores in Friday's match were 7-5 and 8-6.

Pep boasts one of the strongest girls doubles teams in this section and are strong favorites in the district meet to be held at Lubbock.

Agricultural Class Will Meet Friday Night At School

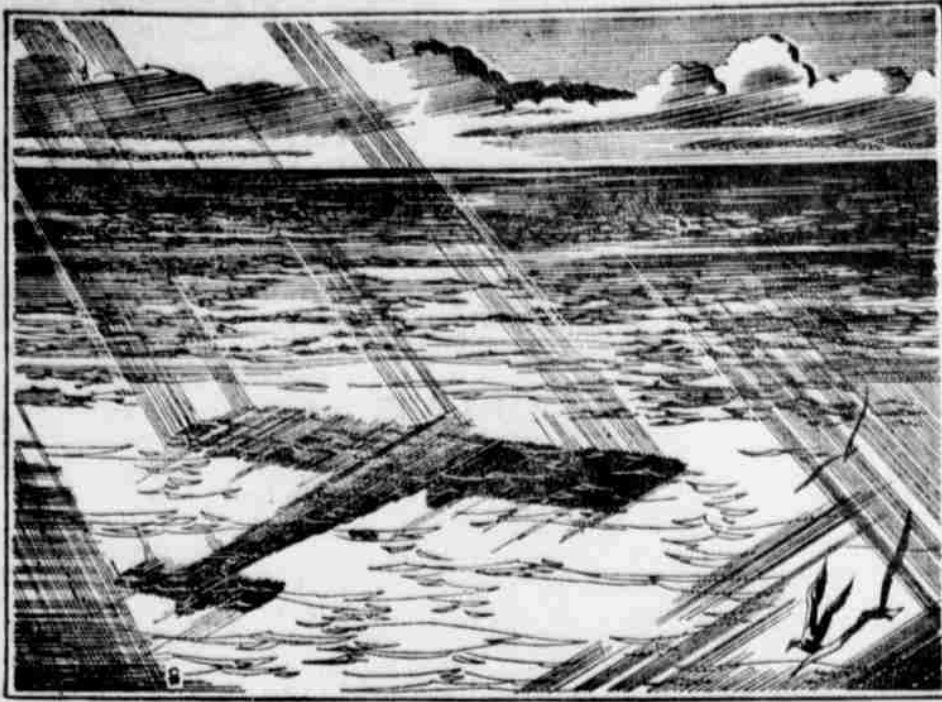

"Controlling Poultry Diseases" will be studied in the agricultural evening school now in progress at the Littlefield High school at their next meeting, Friday, April 15, at 8:30.

This school, under the direction of R. A. Box, has been meeting twice each week, Tuesday and Friday nights and will continue to meet for four weeks. "Culling Poultry" was discussed Tuesday night, and a demonstration given in selecting the low producing birds in the flock.

Those who are having trouble with poultry diseases are urged to be present Friday night.

ANTON
 *Joe Telford of Lubbock, has purchased the Turner-Brewer lumber yard. The business will be operated under the name, Telford Lumber Co. Mr. Telford owns a lumber yard at Lubbock.
 W. F. Alexander, Joe Minton and C. W. Blackman were elected to the Anton school board.
 The building used by the H. F. Bishop feed mill was recently destroyed by fire.
 In the city election there were 103 votes cast, quite a few not casting their votes. The results were:
 For Mayor—L. L. Reese 52, J. W. Davis 51.
 For Commissioners—E. D. Criswell 97, Ed M. Hart (re-election) 52, D. L. Griffin 51.
 The foregoing names composed the ticket, but one voter, not liking the ticket, wrote A. L. Atkinson's name.

OLTON
 Funeral services were held Monday, April 4, for Fred R. Yates, aged 30, who died at his home here Sunday at 1:45 p. m. following a brief illness from pneumonia, coupled with heart disease.
 The services were held at the Methodist church, with the Rev. D. D. Dennison, pastor, in charge, assisted by Rev. O. A. Stewart of Sweetwater, and interment in the Olton cemetery under the direction of Roy G. Wood Funeral parlors.
 Deceased was survived by his wife and daughter; his father, Y. M. Yates of Bledsoe; two brothers, Jake Yates of Bledsoe and Bill Yates of Olton; and two sisters, Mrs. J. H. Bullock, Bledsoe, and Mrs. E. Burden, Tahoka.
 Rev. O. A. Mealar, pastor of the Cumberland Presbyterian church, suffered a stroke of paralysis near noon Wednesday of last week, but is slowly improving.

SUDAN
 C. A. Daniel, G. G. Hazel, G. W. Maston and J. E. Harvey were chosen in the recent school election to serve as trustees for the coming three years.
 The votes stood as follows: C. A. Daniel, 95; G. G. Hazel, 65; G. W. Maston, 57; J. E. Harvey, 56; C. L. McKinley, 54; W. L. Foust, 45; C. C. Preston, 44.
 In the city election H. G. Ramby was elected Mayor and W. A. Peachy and A. Stuart commissioners to fill the city offices for the coming two years.

AMHERST
 R. L. Graves, who has been confined to his home for some time, is able to be around again, though not altogether well.
 Carl Murray has been transferred to Lorenzo by the Lubbock Poultry & Egg, and Floyd R. Kelly of Lubbock, who has been employed at a poultry house in Littlefield, has taken charge here. Mr. and Mrs. Kelly have moved here, and will make this their home.
 Joe Litchfield purchased the W. R. Welch residence and moved it to the lots where his residence burned some time ago.

Will Pave No. 7 West From Sudan
 The State Highway No. 7 is to be paved from a point 3.6 miles west of Sudan, where the present highway now turns west from the Santa Fe right-of-way, to the east corporate line of the Muleshoe municipal boundary, is the statement of Division Engineer Ingraham, of Lubbock, who also stated that contracts for grading and laying of the pavement would be let concurrently and the work carried along at the same time. Just when these contracts would be let Mr. Ingraham did not know, but it was his opinion that work would begin in the near future.
 In keeping with a request of the State Highway Department, the Muleshoe Commission, at its regular meeting last Monday night passed resolutions to the effect that no signs having any tendency to divert traffic within the city limits would be permitted on the state highway, also that no speed limit less than 20 miles per hour would be required on said highway.
 Paving of No. 7 comes largely as result of the action of a committee from Hockley, Parmer, Lamb and Bailey counties, that went to Austin about a month ago, appearing before the Commission relative to this work, and at which time the Commission expressed their interest in such work and promised some of the paving requested by these four counties.

All teachers, truck drivers and bills have been paid. The cash necessary to pay salaries for the three months of school yet to run is \$20,044.29. There is due the school district from State funds the sum of \$19,714.00, with a possibility of getting several hundred dollars yet from the Home Economics fund so that all salaries for the complete nine months term will be paid in full as soon as the State funds are received. Few schools in the State can make such a showing. Only the best possible management on the part of the board, and school authorities, could have made such a condition possible.
 The budget for the next term was considered, and it was shown that the recent scholastic census shows 2262 children in this district. This is an increase of 414 over last year, and at \$16.00 each, will bring from the State next year \$36,192.00. With other state aid, and collection of delinquent taxes, the board will have available for next year a sum estimated at \$81,124.77. With this sum possible the taxes for the ensuing year can, and should, be cut half in two, and the old Board has therefore recommended to the new board that valuations for 1932 be made just half of what they are now. This will be a great saving to the people of the district.
 The Littlefield School district is one of the largest in the State. The school here is known as one of the very best in Texas, and is frequently so referred to. There is the most

Legionnaires Will Meet At Perryton
 Perryton, Texas.—W. H. Lackey, commander of the Pierce Johnson Post of the American Legion of this city, announces that the Tri-State Legion Rally to be held in Perryton on Sunday and Monday, April 17 and 18, promises to be one of the largest Legion events ever staged in the Southwest. Certainly no larger list of notable Legion and Auxiliary officials have ever been together at one time.
 Among the Texas officials are V. Earl Earp, State Commander from Sweetwater, Mrs. Van W. Stewart, State Auxiliary President, Perryton; Wynne S. Good, Austin, State Service Officer; Ernest C. Cox, Past State Commander, Austin; Geo. Broome, State Community Service Chairman, Amarillo; Dr. R. A. Webb, 18th District Commander, Pampa; G. Ward Moody, 18th District Vice-Commander, Perryton; Mrs. James Trent, 18th District Auxiliary President, Clarendon; Mrs. Inez Benton, 5th Division State Vice-President of the Auxiliary, Amarillo. J. A. Pearson, Pampa, National Vice-Commander of the Forty and Eight, is also expected to be here.
 The Sunday program will consist of a religious service in the afternoon at which Oklahoma State Chaplain John E. Wilson will be the principal speaker. Rev. Wilson is a past department chaplain of Kansas and a candidate this year for National American Legion Chaplain. A full day's program is outlined for Monday, starting with a Service Officers school in the morning, joint meeting in the afternoon, banquet and dance in the evening.

EIGHT YEARS AGO IN LITTLEFIELD
 (Excerpts from Littlefield Leader)
 About 150 guests enjoyed the opening of the Gold Star Cafe by Mrs. Foster, proprietor, last Saturday night.
 That afternoon the carpenters who had been working for three weeks to complete this nice new building, drove the last nail and turned it over to the management. It was a real community meeting. C. A. Chesher was the toastmaster for the occasion, and A. P. Duggan the principal speaker.
 C. W. McClung, 77, died very suddenly Tuesday at Olton, his home. He suffered an acute attack of indigestion, and death is attributed to heart failure. The funeral was conducted at the church at Olton Wednesday afternoon by Rev. Ray- Gilbreath, pastor of the Methodist church.
 The school election of trustees for Littlefield Independent School district held last Saturday, resulted in the election of F. A. Butler, Pat Boone, and W. O. Gray, to succeed J. M. Shields, W. G. Hargrove and A. E. White, retiring from the board.
 W. J. Brown and son, F. L. Brown, of Floydada, have opened a general blacksmith and repair shop in the rear of the old Ford garage building. The Methodists will give a box supper at the school house Friday night, the proceeds to be used towards moving the church building into town.
 Mid Seale and Frank Power of Nacogdoches, recent land purchasers in this vicinity, moved here this week and are establishing their homes. They brought with them two carloads of goods and lumber, and about the first of next month will ship in a carload of jersey cows. Their land is located about four miles southwest of town.
 George Mallet of Spearman and W. L. Banks of Altus, Okla., have purchased a business lot in the block south of the bank at Amherst, and will soon begin the erection of a 50x50 brick building on it. It will be occupied by a garage. Mr. Banks is also erecting a \$1500 residence in town.

If your favorite does not win, you will be sorry you did not help her. Give her your subscription or renewal now.

CHURCHES

METHODIST CHURCH
"I was glad when they said unto
me, 'Let us go into the house of the
Lord.'" Christian friends, that was
when you were near the Lord and
when you were near the Lord and
found joy in his service. Absent
yourself from the house of worship
was the first victory the devil won
over you. Come next Sunday and be
glad with the loyal ones of God, who
gather for public worship. The pas-
tor will preach on "The Christ of the
Mount," at the morning hour and "A
Mourner's Prayer" at the evening
service. Mothers and fathers, how
much attention are you giving your
children in definite Christian living?
If you were as careful about their
public school education as you are
about the Sunday school in what
grade would your children be? Let's
do our best to give His little ones.
His own creation, a chance for the
best development in Christian charac-
ter. If you have been careless about
the Sunday school, make a new start
and attend the Sunday school. Re-
member, the time of services has been
changed. The Sunday school at 9:45,
morning worship at 11:00 o'clock and
the League at 7:15 and evening ser-
vice at 8:00 o'clock. If you are a
visitor or stranger in Littlefield we
invite you to come find a church
home with us.
Joe E. Boyd.

CHURCH OF CHRIST
Everything is in readiness for the
regular sabbath meeting of the Plain-
view Church of Christ, at Plainview,
Clark County, Fort Worth, returns
this year in evangelist. The song ser-
vice will be under the direction of the
local members.
This meeting will begin next Thurs-
day night, April 12th, and will con-
tinue over two Lord's Days. There
will be two services daily; the evening
service will start promptly at
eight o'clock.
The Plainview congregation wor-
ships at the corner of Ninth and Col-
umbia streets, and a cordial invita-
tion is extended to all by the minis-
ter, Mr. L. Stanbridge, to attend each
service of this meeting.

**MEMORIAL SERVICES AND
CONFIRMATION AT THE
SACRED HEART CHURCH**
On April 7 the congregation of the
Sacred Heart church in Littlefield
celebrated the impressive ceremonies
of official visitation of their church
by the most Reverend Bishop of Am-
arillo, who also sang the pontifical
Benediction Mass at the throne and at
the altar—thus conducting the third
anniversary memorial services for
the late Mrs. A. Dvorak, the mother
of the local pastor. The Bishop, R.
A. Gerken, DD., LL.D., was as-
sisted during the Mass by the Rev-
erend Fathers: Paul Mosler of Seymour,
Emil Gerlich of Vernon, G. A. Busch-
man of Lubbock, T. D. O'Brien of
Slaton, R. Kramer of Childress, Ed.
Clinton of White Deer, Jos. Wander-
ly of Pampa, and the Right Rev.
Monsignor A. F. Amiraault of Amar-
illo. After the Mass a class of 29
were confirmed.
The Bishop and all the above men-
tioned priests were for three days
guests of the Rev. Charles J. Dvorak,
pastor of the Sacred Heart church.

TABERNACLE BAPTIST CHURCH
Last two Sundays have been good
days, with six additions. The pastor
is teaching a Byper study course at
Lum's Chapel this week, and will as-
sist Pastor Booth in a revival meet-
ing there next week. Pray for us.
The pastor's theme Sunday morn-
ing (Tabernacle pulpit) will be "Bar-
riers Torn Down." Sunday school at
10:00 a. m., B. Y. P. U. at 7:00
Happy welcome!
Roy A. Kemp, Pastor.

FIRST PRESBYTERIAN CHURCH
Services will be held in the Presby-
terian Church here at 11:00 a. m.
and 7:30 p. m., Sunday. Rev. J. R.
Sharpe of Canyon will occupy the
pulpit.
At the noon hour the ladies of the
church will serve lunch, after which
a congregational meeting will be held.
All members of the church are urged
to attend and enjoy the occasion.
Sunday school will be conducted as
usual at 9:45.

TY'S HOME DEMONSTRATION AGENT MAKES ANNUAL REPORT

ication of the value and the home demonstration in county is contained in the report of the work accomplished...

There were 68 other women in the county who sold canned and fresh fruits and vegetables amounting to \$1,079.48...

Table with 2 columns: Item, Amount. Includes 'Extension Work in 1931', 'Home Demonstration', 'Home Improvement for Women'.

So fascinating was the rug work that the following five women decided to standardize rugs: Mrs. Sarah Gregson, Amherst; Mrs. Joe Gregson, Amherst; Miss Willie White, Amherst; Miss V. O. White, Amherst; Each of these women made lovely woolen hooked rugs in bright colors...

State Certified Cotton Seed... variety direct from leading plant @ \$1.25 bushel. Cash or fall payment.

N. Carpenter Littlefield... Twenty-eight of the leading business men of Littlefield and Lamb County comprise the officers and stockholders of this institution.

These women will be home industries demonstrators for 1932. Articles of household linen are as follows: Pillow slips, 300, bed spreads 64, towels 200, table cloths and napkins 60, sheets 260, dresser scarfs 108, lunch cloth and napkins 92, total value \$1,131.

THE FIRST NATIONAL BANK Littlefield Texas

This was a good increase over 1930. Each one of the 203 demonstrators and co-operators planted from 1 to 10 vegetables this year that they had never grown before.

The value of the gardens grown by demonstrators and co-operators is as follows: Vegetables sold fresh, \$1,802; vegetables used fresh, \$14,000; vegetables canned fresh, \$16,692.

The influence of the garden and hot beds is spreading. Thirty women who have not made hot beds before have started them for 1932.

Home Dairy. Home dairy co-operators for 1931 numbered 396, who owned 1,575 cows. Three hundred and ninety-two of the families reported an adequate milk supply for the family.

The dairy products were made into American and Cottage cheese, and butter. Many people sold cream to local produce houses.

Subscription Contest—
(Continued from Page One)

In the ballot box. The contest manager will receive no reports directly from the candidates during the last forty-eight hours of the campaign. This arrangement assures fair and impartial treatment to all and eliminates the possibility of any "inside dope" from the office. Ballots will be counted at the bank and the prizes will be awarded there.

Are You a Winner, Or a Wish-I-Had Been?

No one candidate has a lead over the other candidates that would insure victory, according to the last check-up of votes. Present indications point to a hair-breadth finish, and it is certain that the margin by which the car and the vacation trip will be won will occasion the greatest surprise of the year. No candidate appears certain of victory, and there is an abundant speculation as to the outcome that these last few days will decide.

This is no time to hesitate, to temporize, to let other candidates sweep ahead and claim the prize that would have been yours. Most people remain waiters, asking the meaning of every opportunity and then see if it fits them. It may be wisdom, but this method of waiting, this idea of not doing, will accomplish about as much as the average man who is known as a "failure" accomplishes—he waits!

Now, candidates, the goal is in sight and the beautiful car, the trip and the other prize is ready. Which are you going to have? IT IS UP TO YOU!

Baptist church for the past forty years, and at the time of her death was connected with the Tabernacle Baptist here, and a consistent churchgoer up until her illness.

Surviving the deceased are her husband and six daughters, Mrs. Loyd Roberson of McAdoo; Mrs. Henry Ross of Kerens; Mrs. Ches Busher of Winters; and Misses Alma, Jake, and Ruth Busher of Littlefield, all of whom were present at the funeral.

The Busher family are among the pioneers of this district and have a multitude of friends who extend their deepest sympathy to them in their deep sorrow.

Trades Day—
(Continued from Page One)

conducting Trades Day were presented to the gathering by Morley B. Drake, publisher of the Lamb County Leader.

The merchants and other business interests of Littlefield have expressed verbally and by their signatures that they prefer a Monday as Trades Day, and that once each month is a sufficient number of Trades Days.

Advisory Group To Be Named. The merchants will select an advisory committee to work with the newspaper.

One of the outstanding features of the plan for trades days is that they will be conducted by the Leader without any expense to the business men. Such a service is but another step

forward by this newspaper in serving the people of Littlefield and Lamb county.

Merchants Will Give Prizes.

The merchants have expressed that they will be glad to offer special prizes, and to co-operate in every way in making trades days special events which will be valuable and entertaining to all residents of Littlefield and territory.

Entertainment will be of a strictly high class character and of a kind that will receive the approval of all residents of this city and section.

The business men, in approving the proposal of the Leader, affixed their signatures to a memorandum which explained in detail the offer which was being made by this newspaper.

The Leader has called on many of the business men of the city, and others will be visited this week.

Those who have endorsed the Leader's plan are:

- Cuenod's Dry Goods Co., Cobb's Department Store, Stokes-Alexander Drug Co., Rev. Joe F. Grizzle, Marzelle Dress Shoppe, C. T. Clark, John H. Arnett Motor Co., J. B. Sikes, Jeffries Mercantile Co., Farmers Produce, W. O. Yeary, Littlefield Variety Store, Snappy Shine Parlor, Fink's Dry Goods, Burleson & Co., Monte Bowron, Houk & Page, Lion's Variety Store, Modern Beauty Salon, H. C. Pumphrey, Hammons Furniture, Littlefield Tailor Shop, R. E. Riley Tire Supply, Jack Henry, M-System Market, M-System Store, First National Bank, Renfro Bros. Grocery & Market, Moody & Cox, Shook Tire Co., Piggly-Wiggly, Chili King, City Barber Shop, Shotwell's Cash Grocery, Evins Dry Cleaners, Friendly Grocery & Market, Enoch Land Co., Replin's, Texas Utilities Co., Littlefield Hatchery, Palace Barber Shop, Palace Confectionery, Dr. Ira E. Woods, Rev. Joe E. Boyd, W. J. Aldridge Grocery & Market, Dr. M. V. Cobb, Walter's Drug Co., P. W. Walker Seed & Grain Co., W. D. Shelton Service Station, and Littlefield Battery & Electric.

I. O. O. F. To Observe Anniversary of Lodge

The local lodge of the I. O. O. F. will celebrate the founding of the order in America at a church service Sunday, April 24. The anniversary of the lodge falls on April 26, but it was decided to observe the anniversary on the Sunday previous. A complete announcement of the program for the anniversary will be made in next week's issue of the Lamb County Leader.

EDWARD WINGFIELD IN SERIOUS CONDITION

Edward Wingfield, son of Mr. and Mrs. J. I. Wingfield, who has been in the Lubbock Sanitarium for several weeks following an appendicitis operation, is reported to be in a low condition at the time of going to press.

Edward, who is 13 years of age, was taken to the hospital with a ruptured appendix, was operated on, and got along fine until Monday last, when it was found necessary to perform the second operation to remove pus. Inflammation had again set in. After the operation the boy rested well, but his condition was reported serious late Wednesday.

CATHOLIC CHURCH AT PEP DEDICATED WEDNESDAY, APR. 6

BISHOP GERKEN OF AMARILLO, OFFICIATES AT CEREMONY

Wednesday, April 6, the new Church of St. Philip Neri at Pep, was officially dedicated by His Excellency, the Most Rev. Bishop R. A. Gerken, D. D., L.L.D., of Amarillo.

At the entrance of the church the bishop was briefly addressed with chosen words of welcome on behalf of the congregation by little Master Albert Stengel.

The address of welcome was followed by the dedication ceremony which consisted of the blessing of the exterior and interior walls of the church by the bishop, during which ceremony the litany of All Saints, and other prayers, were chanted by the clergy. This was followed by the entrance of the congregation into the church, where the bishop was seated at his throne.

After this, the celebrant, the Rev. Charles J. Dvorak, pastor, entered to the altar and began the Solemn High Mass. He was assisted by the Rev. G. A. Boeckman of Lubbock, as deacon, and the Rev. Joseph S. Wonderly of Pampa, as sub-deacon. The Rev. R. Kramer of Childress, was master of ceremonies. The Rev. Edward Clinton, White Deer, and the Rev. Thomas Burger, Nazareth, were the acolytes. The chaplains to the bishop were the Very Rev. J. J. Dolje of Umparger, and the Very Rev. T. D. O'Brien of Slaton. Other dignitaries in the sanctuary were: the Right Rev. Monsignor A. F. Amirault of Amarillo; the Rev. Paul Mosler of Seymour, and the Rev. E. J. Gerlich of Vernon.

The Solemn High Mass was the first mass of the kind to be celebrated at Pep.

The Pep choir of 16 voices sang Leonard's Triumphant Mass in E flat, and showed splendid prospects, as the choir is comparatively a new organization. James Lynch is the organizer and choir director.

During the mass Miss Gladys Jungman sang a solo, "The Incarnatus," a part of the Credo. Edward Dalton sang a solo, "Veni Jesu," during the Offertory.

A class of 18 children was confirmed by the bishop. Previous to the confirmation ceremony the class was questioned and instructed in the nature of the Sacrament of Confirmation.

From the church all retired to the Pep teacherage where a sumptuous dinner was served by the ladies of the parish.

On several occasions the bishop congratulated the pastor, the Rev. Charles J. Dvorak, and the congregation on the work accomplished in the Pep community.

The lay visitors from a distance included Mr. Funk, the architect, and Mrs. Funk, Amarillo; Anton Gau, Amarillo, the contractor; Mr. and Mrs. John Belinghausen, Amarillo; Mr. and Mrs. August Dierling, and two sons, of Rhineland; Mr. and Mrs. Acker of Nazareth; Mr. and Mrs. Hochstein of Nazareth, and Mr. and Mrs. John Urbanczyk and Mr. and Mrs. Ben Urbanczyk, of White Deer.

Local Vocational Students Get Awards At Plainview Show

"We didn't win much, but I certainly learned a lot," J. L. Carpenter remarked to Welly Theford as the Littlefield Vocational Judging team were on the road back to Littlefield from the annual contest at the Plainview Dairy Show.

These two boys, with James Walden, composed the team from the local high school.

Events in which the team placed were 5th team in Jerseys, and James Walden, 1st in Guernseys, and 12th in Jerseys.

COWBOY REUNION

The third annual reunion of the Texas Cowboy Reunion will be held at Stamford, July 4, 5, and 6. The dates, which have just been adopted by the board of directors, are about a week later than past sessions have been held, and the Fourth of July is included for the first time as one of the show days.

ATTENTION, FRIENDS

Your subscription may not be over in the Lamb County Leader Contest. Won't you make special effort to see me before the close Saturday night, April 16th.
