

Rogers Wins Over LaFont For 30th Senatorial District

LaFont of Hale county's election for the Senator of this 30th district, still incomplete by a majority of 10.

Osborne Leads Lovelady By Nearly 2 to 1

Two Muleshoe men were pitted against each other in the race for election as State Representative from this 96th District in last Saturday's primary election.

Jesse M. Osborne, Muleshoe banker, defeated Karl Lovelady Muleshoe Attorney by a majority which approaches a marginal win of approximately two-to-one.

Osborne carried each of the five counties of the District, with strong majorities.

The incomplete returns from the five counties give the following result:

Table with columns: County, Osborne, Lovelady, TOTAL. Rows include Lamb, Bailey, Castro, Deaf Smith, Farmer, Collinsworth, Deaf Smith, Hall, Farmer, Swisher.

Board Organizes For Coming School Year

Applications Are Being Taken For Cotton Pullers

The West Littlefield Cotton Growers Association is now taking applications from farmers in the area for Mexican National laborers to be used for cotton pulling this fall.

The West Littlefield Cotton Growers Association is a non-profit group organized in December, 1951 for the express purpose of helping farmers in this area to obtain legally the labor that they need.

Connie Hopping, "Miss Lubbock," Leaves To Compete In Texas Contest

Miss Connie Hopping, 19-year-old winner of the "Miss Lubbock" title had her hopes and her wardrobe packed for the trip to Galveston yesterday and her entrance into the Miss Texas pageant which begins this afternoon.

MISS CONNIE HOPPING

Connie and her mother, Mrs. Jim McGuire, took a plane from Lubbock Wednesday at 5 p.m. During the four jam-packed days of the pageant, they will stay at the Buccaneer Hotel with other hopeful lovelies and their mothers and chaperons from all over the State.

The blonde Texas Tech senior from Littlefield won the right to enter the Miss Texas pageant in a contest on the stage of the Lindsey Theatre in Lubbock two weeks ago.

The first thing Connie packed for the Galveston contest, "It did the trick once," she smiled, "and it might do it again."

Connie is not placing all her eggs in one basket nor all her hopes on the impression of one bathing suit. There'll be more than one bathing suit, several formals, and a flock of other casuals in the luggage that goes to Galveston.

OK BUDGET FOR SCHOOL TERM OF 1952-1953

Tax Rate Is Set; New High School Principal Hired

The School Board in a call meeting held Monday night at 8 p.m. in the office of the School Tax Collector checked and approved a budget for the school term 1952-53.

Administration—\$15,419. Instruction (white and colored) and Teaching supplies—\$269,918. Operation of plant—\$17,150. Maintenance—\$3,000.

The board voted to receive surplus commodities for the school cafeteria for another year.

Resignations were accepted from the following: Mrs. Anna Pearl McClain and Bob Irby.

Lamb County Voters Go Along With State In Giving Large Majorities To Shivers, Daniel

Lamb county voters, as a result of the election, went along with other voters, more than a million of them, in last Saturday's Democratic primary, in giving overwhelming majorities to Governor Shivers for re-election, and to Daniel, young Attorney General of Texas, for the U.S. Senate seat now held by veteran Tom Connally.

Dyer Is Elected Sheriff; Thomson Re-Elected; Bryant-Ball In Run-Off

Lamb County voters went to the polls, in the neighborhood of 4500 strong, something less than approximately three-fourths of the County's registered voting strength (including exemptions, in a Primary election, which did not present either the thrills, or the numerical number of contests, usually presented on a Primary Election ballot.

## Home Freezing Of Peaches

Although the Texas peach crop is below normal, reports show that peaches will be plentiful in other parts of the nation. Indications are there will be peaches on the local markets but at higher prices than last season.

Now is the time to make plans for including peaches in the family canning budget. Food specialists with the Texas Agricultural Extension Service point out that ceiling prices have been taken off canned fruits, which may mean higher prices. In view of this, homemakers may find it profitable to preserve a supply of peaches.

Here are suggestions from the specialists on freezing peaches. Use only sound ripe peaches. They should be slightly riper than for canning but not soft or mushy. To prevent discoloration, the specialists say, use 125 mg. of ascorbic acid, tablet or powdered, for each pint of fruit. Dissolve the ascorbic acid in the sugar syrup which is to cover the fruit or dissolve 1/4 teaspoon citric acid in 1 quart cool water. Leave the peaches in the solution only 15 to 20 minutes before packing in sugar syrup. Use about 1 gallon of the solution for a bushel of peaches. The specialists recommend the Dixiegem, Trigem, Golden Jubilee, Hale Haven, Fair Beauty, J. H. Hale and Elberta varieties for freezing. Wash and peel the firm, ripe peaches. Treat, as directed above, to prevent discoloration. Then cover the fruit with sugar syrup, 3 cups of sugar to 1 quart of water. Pack in moisture-vapor-proof containers to prevent loss of color, flavor, food value and change of texture. Pack and freeze immediately. For further information on freezing foods and cooking frozen foods, the specialists suggest a copy of B-175, FROZEN FOODS, which may be obtained from the local county home demonstration agent.

## Quality Eggs Can Be Produced In Hot Weather

Quality eggs bring more money. This is especially true in the areas of the state where producers have an opportunity to sell on the basis of grade. According to F. Z. Beanblossom, poultry marketing specialist for the Texas Agricultural Extension Service, the supply of quality eggs in the state at the present time is far below the demand. He urges egg producers to improve their egg handling practices so more quality eggs can be marketed.

The temperature of the freshly laid egg, he says, is above 100 degrees Fahrenheit and if the quality is to be maintained, rapid and thorough cooling is a must. Eggs will cool from 100 degrees F. to 50 degrees F. in three hours when spread on a wire tray. It will take five hours for them to cool if held in a wire basket, twelve hours when held in solid pails and eighteen to twenty hours when held in an egg case.

Beanblossom explains the effect of heat upon quality of eggs this way. He says eggs 100 days old may be better than some eggs that are only three days old because eggs held at 99.5 degrees F. drop to "B" grade in three days or less. Eggs held at 77 degrees F. will usually hold up for at least eight days; when held at 45 degrees F. they are still tops at 65 days and they retain their top quality for 100 days when held at 37 degrees Fahrenheit. This, he points out, clearly indicates that heat does not effect the quality of eggs as directly as does the environment the egg receives.

The importance of humidity in the egg holding room is reflected in the fact that only 31 per cent of the top grade eggs will be maintained when the humidity is allowed to drop below 75 per cent and the temperature to rise above 65 degrees Fahrenheit. The failure of egg producers and handlers to pre-cool egg cases, casing eggs before the animal heat is removed and marketing eggs less than twice per week greatly effects the percentage of high quality eggs marketed, says the specialist and thus reduces the economic return to both producers and handlers.

Here is another item that is often overlooked. It does make a difference whether the big or little end of the egg is placed down in the case. Research shows that only 73 out of 200 improperly packed eggs graded "A" or better when the eggs rode to town on the big end; while 164 graded "A" or better out of 200 when packed and transported with the large end up.

Beanblossom says egg producers are doing something about getting quality eggs to market in the summertime and cites figures from the areas in which grading programs are operating to prove that it pays to produce and market quality eggs. Right now he says, producers are averaging better than five cents per dozen more for their eggs where they are graded. He urges producers to participate in a quality egg program because it's a sure way to increase the returns from the poultry flock.

Small children may show a definite retarding of the bud development, and when the "buds" are not developing normally the medical treatment is aimed at finding the cause.

Further studies of the bones by x-rays can often tell the whole story of why the child is not growing properly. The fascinating story of your past and your future as told by your bones requires a highly skilled reader to interpret, but malnutrition or a bad illness with fever will each leave tell-tale marks in or on the bones which the x-ray can portray and the reader can comprehend.

Those bone buds in the skeleton of your body are under the control of the growth gland, the pituitary gland, a tiny pouch smack in the middle of the head. They are also under the control of your diet. Those who fail to eat enough or fail to eat proper foods will burn up all the food they do eat in movement and action so that none is left to go into the structural

building of the body, which includes the bones. So your future and your child's future can often be read in your bones.

### IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

The signing of a contract for sale is an extremely important step in the purchase of a home. Once buyer and seller have signed, they are bound by the provisions of the contract. Their respective legal rights in the transaction are thereby set and determined. If the contract is poorly and haphazardly drawn, a harvest of regret may be reaped at a later date.

Sales contracts are often called by other names, such as earnest money contracts, binders, receipts, etc. All of them are for the same purpose and almost without exception involve the deposit of money by the buyer. Some require the seller to put up a good faith deposit. The fact that such deposited sums are usually to be forfeited in event the depositor later fails to go through with his specified contractual obligations lends additional weight to the often stated admonition that no contract should be signed without complete understanding as to its terms.

But many home purchasers (and sellers) rush to sign a hastily prepared contract with very little knowledge of its contents. The pressure of time, the informality of the occasion, the casual appearance of the contract, and perhaps the fact that a partially printed form is used may contribute in causing the true importance of the act to be overlooked. At any rate, many are lulled into a lapse of good business judgment.

Every significant detail of the bargain should be crystallized in unmistakable terms in the contract of sale. Land and fixtures being sold should be clearly described. A complete legal description of the property by lot and block, or by metes and bounds, is a must, the street number being inadequate by itself.

Articles and fixtures included in the sale but not always sold with houses generally should be specifically listed. Included in this category are such items as venetian blinds, removable floor coverings, draperies, air-conditioning units and others. In purchasing property under construction, complete plans and specifications form an essential part of the agreement.

The price to be paid must, of course, be specified, along with method and terms of payment. If a certain sized loan is a prerequisite to the buyer's ability to complete the purchase, this fact should be noted. Sad indeed is the prospective purchaser who loses his earnest money when a contemplated loan transaction falls through, his contract requiring payment of the entire consideration in cash.

The sales contract should also state the quality of the title to be conveyed to the buyer and the type of title evidence to be furnished. These matters will be further explained in a later column.

The buyer's individual circumstances and desires may require that various matters not mentioned above be provided for in the contract. A partially printed form may or may not provide sufficient blank space for the addition of all essential details in your case. There is a consistent tendency to try to squeeze every sales contract to fit the type of printed form on hand, omitting or leaving to easily misconstrued or forgotten oral agree-

## Health Talks

Prepared by the State Medical Association of Texas

The crystal ball and the reader of palms have been moved into the scientific fields today. With the aid of the x-ray machine, doctors can read your physical future in the bones of your hand and wrist.

"Bone reading" is not standard procedure for all children. Only those children who are failing to develop properly, either growing too slowly or too fast, need this fascinating medical diagnosis of the development of bones.

The long bones of the body, the ones that make you grow tall, are known to grow by stages, phases of development which are listed as "skeletal age." Some children grow much faster than others physically or mentally; those who grow too fast or too slow may require some medical help along the way to keep them from becoming an oddity.

Somewhat similar to the teeth buds in the gums before the teeth start forming and erupting, there are buds on the ends of the long bones. Like teeth, these buds on

the bones develop from tiny spots as viewed in the x-ray picture to full-grown caps on these bones. When the caps have completely covered the ends of the bones, then the bone stops growing.

This capping of the bones usually takes place in the later teens. At certain ages as the child is growing, the x-rays of the long bones in the hand and wrist will show how far that "bone bud" has developed towards becoming a "bone cap." If that bud becomes a cap too quickly, the growth of the child stops and he is usually very small. On the other hand, failure of those buds to form a solid cap leads to over-growth of the child, growth that does not stop around the normal ages.

Many small children have perfectly normal development of these bone buds, called epiphyses. They are destined to be smaller than average, but they are developing properly for their final height, their full schedule of growth. Other

**ABOUT PEOPLE YOU KNOW---**

Mr. and Mrs. Ted Chimelo and children, Susan and Louis, of Long Island, N.Y., arrived Friday for a visit in the home of Mrs. Chimelo's parents, Mr. and Mrs. E. P. Payne. They will remain here until August 20.

Mr. and Mrs. W. P. Harlin, of two miles east of Littlefield, accompanied by their grandchildren, Bobbie and Brenda Alford, children of Mr. and Mrs. John Alford of 119 Austin Avenue, left Monday for Matador to visit Mr. and Mrs. Troy Fred, daughter and son-in-law of Mr. and Mrs. Harlin, where they will spend a week, and then go to Hillsboro, where they will attend a reunion of the Harlin and Hart families. The reunion is to be held Sunday, August 3.

Tom McFarland of Lubbock was a business visitor in Littlefield Monday.

The J. R. Coens had visitors in their home last week. Mrs. L. G. Worthington and children, Bill and Peggy, arrived Sunday, July 20, leaving the last Sunday.

The nine-year-old daughter of Mr. and Mrs. Stacy Hart returned to San Angelo July 18 with her aunt, Mrs. Otis Vandergriff, to visit relatives. While there, Stacy went to Mife to see her paternal grandmother. Sunday, July 20 she was the guest of Mr. and Mrs. Johnny Nation and three children at Carta Valley near Del Rio. Mr. and Mrs. Hart and their young son, Larry, drove to Del Rio to bring Stacy home and see their friends, returning last Thursday.

Mr. and Mrs. M. O. Mitchell visited the Alvin Webs last week. Mr. Mitchell was the former manager of Penny's in Littlefield. They are now living in Muskogee, Okla. From Littlefield the Mitchells drove to Ruidoso to continue their vacation.

Mrs. J. C. Hilbun has two house guests this week. Mrs. John H. Arnett of Ft. Worth and Mrs. Charles L. Harless of San Angelo. They all are going to vacation in Ruidosa.

Mr. and Mrs. J. A. Price are leaving tomorrow for a month's vacation at Bruce-Spruce Ranch in Pagosa Springs, Colo.

Mrs. Acree Barton underwent major surgery at West Texas Hospital yesterday morning.

Miss June Jones returned Saturday after spending a week with her roommate at Denton College. Miss Betty Haynes. Miss Jones spent the week at the Haynes summer cottage at Lake Texhoma. Her sister, Miss Jean Jones, met June at Lubbock and accompanied her to Littlefield.

Andrew McGehee, who suffered a heart attack while at Tres Ritos, and was taken to St. Anthony's Hospital, Los Vegas, N.M. is reported to be better and will soon return to Tres Ritos.

Mrs. W. F. Rudd returned home from Victoria, Texas where she was called to the bedside of her father who suffered a heart attack. Her sister, Mrs. M. A. Hunt and family of Houston returned with her and visited for a few days.

The Rudds and Hunts visited Carlsbad Caverns on Thursday last week.

Mr. and Mrs. Vernon Hofacket and children, Margaret Hope and Vernadell returned home Thursday night from a two weeks' vacation trip to California. Enroute home both children took ill with tonsillitis and infected throats. At Flagstaff one of the girls received medical attention, and then later the other one took ill. On arrival home they were admitted to the South Plains Hospital, where they remained until Monday morning. They are reported much improved, and are now at their home here.

Mr. and Mrs. Bacon Jones left Sunday for Crowell, N.M., where they are spending several days. They are expected to return home today.

Mr. and Mrs. W. O. Hampton had as weekend guests their friends, Mr. and Mrs. Bailey McGuire and daughter, Patricia, of Dallas. The McGuires were on their way home after a vacation in New Mexico.

Mrs. George Hill of West Fork, Arkansas, a former resident of Littlefield was in the city Sunday. She had been to California to visit her daughter, Betty Hill, who lives near San Francisco.

Mr. and Mrs. Maxler Fan and Dr. and Mrs. Albert Perkins and their children picniced in Mackenzie Park in Lubbock Saturday evening.

Mr. and Mrs. Don Eagan spent the week-end in Midland visiting Mr. and Mrs. D. Underwood.

**TEEN TALK**

By VIVIAN BROWN  
 AP Newsfeatures

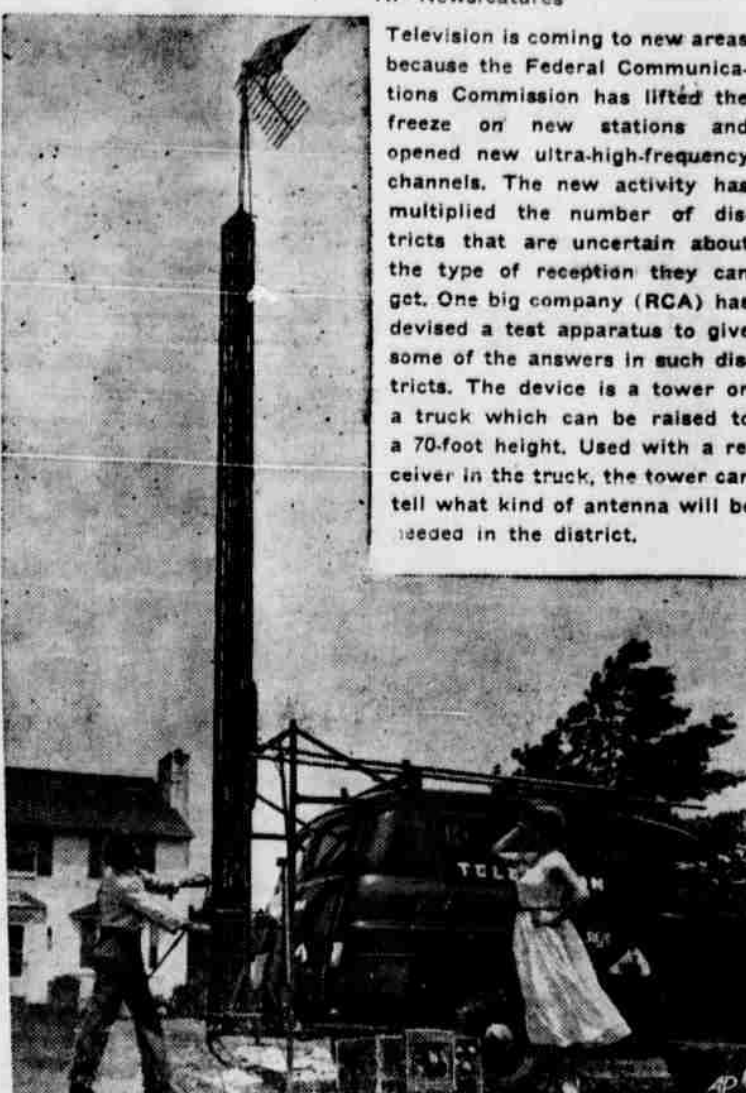

Donna act down on that matter at lakeside resort? brings new prob adjust to new routine or we'll n.  
 to any vacation re-read resort litera-From that you can to dress: whether are worn every or just on Saturday and of sports clothes her the atmosphere mal.  
 traveling bag neatly not make a bad im-est glance. Shoulder s shouldn't be trail-bag. And don't car-ning over your arms. t which you've been chilly train, plane or rse be carried.  
 are not vacationing sult them as to tip-u go away. Fifteen out usual, and as al-ette is a minimum should be left when- served at a table. At people prefer to tip their stay. You usual- same table each day ( waitress) so tip her nience.  
 ds are tipped by

most people, particularly if they've performed extra little tasks such as pressing a dress or sewing a hem. But don't demand favors. Most maids are busy and your extra tasks must be done in their spare time.  
 Try to avoid being the extra girl on a party. If a group asks you along to an evening of dancing or fun away from your hotel, don't thrust yourself upon them on future evenings. Most people have a vacation budget, and although they would like to invite you along, the exchequer doesn't always permit it.  
**Farm Fun**  
 You should know the difference between a chicken and a duck before you set out for the country. If the nearest you've been to a pig is a pork chop, you'd better get hep to farm animals. But that's not nearly so important as making up your mind to fall in with the farm routine.  
 Mandy or Grandma might produce a heavenly peach pie or a juicy batch of biscuits, but there is work in peeling and pitting peaches and mixing up a batter. A farm is fun, but there are endless chores, and you'd better be prepared to help.  
 If you're visiting a farm family, you'll know better than to bring a lot of fancy dresses. Jeans and blouses or shirts with a couple of Sunday dresses will see you

through your visit. Don't go to a farm with the idea that you'll show the country girls how to dress. They know. It's just that they haven't time, and they are not interested in impressing anyone, except on special occasions.  
 As soon as you arrive, find out what time the household gets up in the morning and what time they tell you to sleep late, you should be on hand when breakfast is served. No cook—paid or lady of the house—enjoys cooking breakfast all morning.  
 Ask them to give you a set chore to do unless you want to pitch in each day on a new task. If they give you a choice, pick a task you can do early in the morning such as milking the cow, feeding the chicks or cooking the breakfast. Then you'll have the rest of the day to loaf unless there are eggs to be candled or chickens to be plucked.  
 If you haven't been invited to a farm vacation this year, try to plan one for next summer. You'll love the early-to-bed routine, delicious food and the wholesome atmosphere of the outdoor life. If you can't arrange a vacation any other way, put an ad in a farm journal or newspaper in the area you'd like to visit, suggesting your services as a farm hand. You won't get much pay, but you'll have a barrel of apples.

**To Graduate From W.T.S.C. Aug. 22**  
 Mrs. Sibyl Hutchinson Morehead of Littlefield and Mrs. Zoy Fronbarger Risinger of Bula are among the 218 candidates for degrees who are expected to graduate from West Texas State College August

**Is Your TV Tested?**

AP Newsfeatures  
 Television is coming to new areas because the Federal Communications Commission has lifted the freeze on new stations and opened new ultra-high-frequency channels. The new activity has multiplied the number of districts that are uncertain about the type of reception they can get. One big company (RCA) has devised a test apparatus to give some of the answers in such districts. The device is a tower on a truck which can be raised to a 70-foot height. Used with a receiver in the truck, the tower can tell what kind of antenna will be needed in the district.

HE WAS PRESENTED THE DISTINGUISHED SERVICE MEDAL FOR 'EXCEPTIONALLY MERITORIOUS SERVICES TO THE U.S. AS COMMANDER NAVAL FORCES FAR EAST IN ACTION AGAINST ENEMY AGGRESSOR FORCES OF NORTH KOREA.'

**VICE ADMIRAL C Turner JOY**  
 U.S. NAVY

HE DISPLAYED RESOLUTION AND DIPLOMATIC SKILL AS HEAD OF THE U.N. DELEGATION AT KAESONG AND PAN MUN JON DURING THE KOREAN ARMISTICE TALKS.

AFTER WORLD WAR II HE COMMANDED TASK FORCE 73 IN THE FAR WESTERN PACIFIC. ONE OF THE MAJOR JOBS OF HIS FORCE WAS TO CLEAR SHANGHAI HARBOR OF MINES.

IN 1946 HE WAS PLACED IN COMMAND OF THE NAVAL PROVING GROUNDS DAHLGREN, VIRGINIA WHERE THE NAVY TESTS ITS NEW WEAPONS.

H. J. GOUDIE

**FRIENDS—**  
**I THANK YOU**

I am indeed appreciative of the fine vote extended me in Saturday's Election.

In return for the confidence placed in me, I shall at all times endeavor to conduct the office of County Clerk to the very best of my ability.

If at anytime I can be of service to you, Please call on me.

Again . . . May I say Thank you.

Sincerely,  
**JOEL THOMSON**

**ORTHO CRAB GRASS KILLER**

Kill this ugly pest NOW—the easy, scientific way!

Gone are the backaches from digging out ugly crab grass patches. It's much easier and more effective to use the new, scientific ORTHO Crab Grass Killer. It kills and controls crab grass in many types of lawns.

**ORTHO Crab Grass Killer** is easy to use... simply apply evenly over infested area. In severe cases, 2 or 3 applications at weekly intervals may be necessary.

For easiest application... use the ORTHO Fertilizer Spreader—spreads evenly in just the right amount.

**ORTHO**

Howard's Feed Seed and Fertilizer  
 409 W. Delano Ave. Phone 517 Littlefield

he Master of Education degree, and Mrs. Risinger is seeking the Bachelor of Arts with a major in education.

**Reenlists For Four Years**

NEW ORLEANS, La., July 27—Franklin J. Grizzle, 25, yeoman second class, USN, of Littlefield, has reenlisted for four years service in the Navy, Eighth Naval District headquarters has announced. He is stationed in the officer personnel office at headquarters here.

He is the son of Mr. and Mrs. L. M. Grizzle, Box 534, Littlefield, and husband of Mrs. Pauline F. Grizzle, now residing at 1998 Moss, New Orleans.

First enlisting in the Navy in September 1944, at Lubbock, he served 15 months overseas during World War II. He has served with fighter squadron 61 aboard the aircraft carriers Coral Sea, Franklin D. Roosevelt, and the Midway. He is entitled to the following ribbons: American Area, Asiatic-Pacific Area, China Service, Good Conduct, and the World War II Victory medal.

Before entering the service Grizzle was an assistant shipping clerk for Lubbock Cash Wholesale Grocery Co. in Lubbock.

**J. S. Fikes Attends Driver Course**

J. S. Fikes, coach at the Littlefield High School, is attending the driver education course at Hardin-Simmons University, Abilene, for teachers who plan to teach automobile driving.

Larry Cunningham, associate H-SU football coach, is teaching the two-week course. Highway patrolman Ross Kemp and former patrolman Ed Powell are assisting.

The course is for teachers only and will qualify Fikes for a certificate from the Texas Department of Education to teach driver training in public schools.

Fikes is a graduate of Hardin-Simmons University and is now working toward a Master of Education Degree.

**TO ESTABLISH NEW LUMBER YARD**

D. E. McCarty and Homer Sanders have purchased the C. E. Sanders property on Highway 70 near Earth for the purpose of establishing a lumber yard.

Preparations are still in the preliminary stage, however the yard will be in operation at a near date. Work will start on yard construction this week according to Mr. McCarty who will manage the new lumber yard.

He plans to move to Earth from Sudan in the near future.

**Thanks A MILLION!**

I want to thank everyone who assisted in any way in electing me to the Sheriff's office. I am very appreciative of the fine support and many courtesies extended me, and the fine vote accorded me.

You have shown your faith and confidence in me, and I shall always endeavor to the very best of my ability to show my appreciation and to be worthy of the office.

I believe in honesty and fairness and enforcing the law, and will always endeavor to give you an honest and fair deal in enforcing the law.

**DICK DYER**

# WHY MOTOR VEHICLES MUST BE REGISTERED

There are 37,000 people killed on our streets and highways in the United States every year. Nearly 2,000,000 people are injured on our streets and highways in the United States every year.

Lets compare these casualties with our United States Army. An Infantry Division in our United States Army is composed of approximately 13,000 men. With 27,000 people killed every year, this would mean that two entire Infantry Divisions would be annihilated every year. With 2,000,000 people injured every year, this would mean that the entire personnel of 111 Divisions would be injured every year. In war, it is extremely doubtful if our Army could withstand such casualties as these every year. If our casualties ran this high in Korea, the manpower would soon be exhausted. If our casualties ran this high in Korea, the people of the United States would be screaming to the High Heavens for someone to do something. Yet we continue every year to kill more people on our streets and highways than we have in all of the wars the United States have participated in. And what do we do about it? Practically nothing.

In Texas alone last year we killed 2,546 people, injured 70,000 more and suffered an economic loss of \$6,900,000 (million) dollars.

This is a deplorable situation and is the reason why the 52nd Legislature passed HB 233 which requires every vehicle registered in the State of Texas, excepting small trailers, to be safety inspected at least once a year. It is not contended that the inspection law is a cure-all to our traffic problem, but we do contend the inspection program will reduce accidents to a certain extent.

Accident records reflect that 13% of fatal and personal injury accidents are caused by motor vehicle defects. If the State of Texas can do as well with an inspection program as some of the other states, this 13% can be reduced to 3 1/2%—a saving of over 10%. Ten percent of 2546 is a saving of 254 lives.

Here is a good indication that we should have an inspection program. In States requiring vehicle inspections, the death rate per hundred million vehicle miles travelled is 6.4 deaths. In States

not requiring vehicle inspections, the death rate per hundred million vehicle miles travelled is 7.8 deaths. This is 1.4 deaths higher than in States requiring vehicle inspections.

Basically, there are three causes of accidents. Faults of driver, faults of the roadway and faults in the vehicle. Surely every one will agree that motor vehicle inspections have a place in our overall traffic control program along with Education, Enforcement, Engineering and Driver's Licensing.

The biggest objection to an inspection program is that it gives the garage owner too much of an opportunity to gouge the public. Actually there is no opportunity at all. Each inspection station has been thoroughly instructed to make no repairs or adjustments unless they are authorized by the owner. The owner of an automobile is under no obligation to the inspection station other than paying one dollar for the inspection. If any defects are disclosed, he may take it anywhere he chooses for repair or he may do the work himself.

There is nothing hard about this inspection. Here are the details:

1. Motor Number—Obtained off the block or frame merely to identify the vehicle as having been inspected.
2. Brake (foot brakes only)—Checked for two things only—Stopping distance and equalization.
3. Headlights—Both high and low beam must burn and must be properly aimed. Minimum candlepower of 3500.
4. Tail Lights—One is sufficient—May be either on right or left side.
5. Stop Lights—Required on passenger cars from 1948 Models on up. 1947 Models on down are not required. All trucks and pickups are required to have a stop light.
6. Horn—Inspected for audible signal only.
7. Steering—Must be in reasonably safe condition.
8. Wheel Alignment—Toe-in only.
9. Windshields—Inspected to see if the vision of the driver is seriously affected. Vehicles not having windshields should not be rejected.
10. Windshield wiper—Inspected only if the vehicle is equipped. If equipped, the wiper on driver's side

must be working. Manually operated wipers are permissible.

11. Rear View Mirrors—Inspected only on commercial motor vehicles.

12. Muffler and Exhaust System—Inspected for serious leaks and straight pipe. Smutty Mufflers are not rejected.

13. Signal Devices—Inspected on commercial motor vehicles where the body or load extends more than 24" to the left of the center of the steering wheel or where the hand and arm signal can not be seen.

14. Clearance Lights and Reflectors—Inspected on commercial motor vehicles.

## LEGAL NOTICE

THE STATE OF TEXAS

County of Lamb

In the Name and by the Authority of The State of Texas to:

The unknown corporate officers, stockholders, trustees, directors, and their unknown successors, heirs, assigns and legal representatives, of the Littlefield College, a bankrupt corporation whose place of business is unknown, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, Littlefield College, corporation, and the unknown stockholders of said corporation and their heirs and legal representatives, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning or having or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

You are hereby notified that suit has been brought and is now pending in the Honorable District Court, 6th Judicial District, Lamb County, Texas, wherein City of Littlefield is plaintiff and the State of Texas, County of Lamb, and Littlefield Independent School District, are implied party defendants; and the Littlefield College, a bankrupt corporation, and the unknown corporate officers, stockholders, trustees, directors, their unknown successors, heirs and assigns and legal representatives of the said Littlefield College, a bankrupt corporation, and W. E. Girard, Jr. Trustee in bankruptcy of said Littlefield College, a bankrupt corporation, are defendants, by the filing by said plaintiff of a petition on the 28th day of July, 1952 and the file number of said suit being No. 3072A and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

Lots 3-8-10-20 in Block No. 12 and Lots No. 11-20 in Block No. 14, all in College Heights Addition to the City of Littlefield, Lamb County, Texas, together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:

City of Littlefield, \$60.00.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property herein above described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 8th day of Sept., A.D. 1952 (which is the return day of such citation), before the honorable District Court of Lamb County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Littlefield, Lamb County, Texas, this 28th day of July, A.D. 1952.

Treva Quigley  
Clerk of the District Court  
Lamb County, Texas  
(SEAL)

July 31-Aug. 7

## SECOND HOME

For military personnel in all branches of the armed forces, USO is "a home away from home" where they can get help with various odd chores. Here, a volunteer in a New Brunswick, N. J., USO club is helping two soldiers wrap a package. Funds for USO will be sought by the United Defense Fund through Red Feather and other united campaigns throughout the country during the fall months.

### CEMENT MIXUP

LOUISVILLE, Neb., (AP)—Highway engineer Herb Schwaderer tells about the intoxicated motorist who drove around a barricade on the highway near here and plowed into some soft, newly-laid concrete. The tires sank 6 inches into the cement. "You must have had a heck of a rain here," commented the motorist after he got back on firmer footing. "I could hardly make it in low."

### Ernest Northcutt

I sincerely thank you for the splendid support you gave me in my campaign for the Court of Civil Appeals. I will appreciate your vote in the runoff August 23.

(Pol. Adv. Paid by Ernest O. North)

## Little Known Facts about your navy

THO' SAILORS ARE GENERALLY CONSIDERED SEAFARING MEN SOME NAVAL BASES IN ALASKA HAUL SUPPLIES BY SLED.

WHEN PROPERLY PACKED A NAVY SEABAG CAN ACCOMMODATE THE COMPLETE WARDROBE PERSONAL EFFECTS, AND BEDDING OF A SAILOR.

WE CAN'T TOUCH HIM - IT'S FRIDAY.

THE TERM "BLUE MONDAY" BEGAN WHEN A WEEKLY LOG WAS KEPT OF CRIMES, AND PUNISHMENT INFLICTED TO THE OFFENDER ON MONDAY.

### Korean Veteran Cops Grand Prize For Calf Roping At Earth Rodeo

A veteran just home from Korea proved that fightin' Commies has not put him out of commission for fightin' calves. Billy Joe Templeman of Clovis won the grand prize for calf roping Sunday at the Earth rodeo.

Sunday's events concluded the three day rodeo, with Wootsie Houston of Seminole, Tex., winner of the bareback contests. ---

Other rodeo results piled up at the three-day event are as follows: Wild mare race—Lynn Glasscock of Earth won first and second day, with Truman Swopes, Hart, Tex., winner in the Sunday go-round.

Mule Race—Jack Nichols, Lubbock, first; Brahma bull riding—Jack Class, Austin, first; Ladies barrel race—Jodie Mayfield, Dimmit, first; June Bull, Lefors, second; and Jackie Kirk, Plainview, third.

Young Riders Contest—Richard Green, first, and Earl Keller, second in the first go-round; Earl Keller, first, and Bill Besum, second in the second go-round.

Double Mugging—M. Stepha, first with 15.2 seconds; Frank Best, second, with 17; L. D. Hayes, third, with 17.5; and O. C. Benton, fourth, with 18 second.

A prize for "hard luck cowboy" was presented to Ed Workman of Olton, who suffered a sprained ankle on the first day of the rodeo

but did not let that stop him. He rode in all events originally entered.

Judges were T. L. "Blanket" Sims of Clovis and Earl Williams of Talban.

Officers of the Earth rodeo association include: T. V. Murrell, president; Price Hamilton, vice-president; and Bert Jones, secretary.

### Local Recruiting Station Closed

The great axe has finally fallen. Old Sarge at the local U.S. Army and U.S. Air Force recruiting station has received orders that his station is being "junked." The orders came while Sgt. Cutshall was attending a meeting of all recruiting personnel of the Plains and Panhandle area held last Monday at the main recruiting station in Amarillo. The Littlefield station along with seven others ceased operations this week and all station property is being returned to the Amarillo station today.

Other recruiting stations being closed down are Hereford, Plainview, Dalhart, Perryton, Shamrock, Spearman, and Tucumcari, N.M. Stations at Amarillo, Lubbock, Childress, Borger, and Clovis, N.M. will remain open.

Sgt. Cutshall had been expecting orders to close his station for the past two months in view of an Armed Forces announcement that an economy wave was being planned and put into effect.

Since January, 1949 when Sgt. Cutshall took charge of the Littlefield recruiting station, three hundred and fifty area youths have volunteered for service in the Army or Air Force through his office.

The Old Sarge as he is affectionately known by hundreds of Littlefield folks has been very active in almost every civic event held in Lamb county.

The sergeant and his family will remain in the city until he receives his special orders for reassignment to an Air Force Base—which he hopes will be State-side. "You can't ever tell about the army," he said, "they might even send me overseas. Twenty-six years doesn't give me much seniority." The sergeant's first choice for reassignment would be Biggs Field at El Paso; second choice Reese Air Force Base, Lubbock. In June, 1956, Sgt. Cutshall will have completed 30 years of service. After his retirement, he plans to return to Littlefield to make his home.

As to the future of recruiting in this area, Sgt. Cutshall said that volunteers will be referred to the station in Lubbock located in the Post Office building. As soon as the recruiting officers in Lubbock get details arranged, Littlefield and towns within Lamb county will be visited regularly by a recruiter from that station. Time and place will be announced later.

### Littlefield Golfers Play In Plainview Tourney

Several Littlefield golfers survived the massacre of the eighth annual Plainview Country Club Golf Invitational Saturday and were still playing on Sunday, the last day of the tournament.

There were five extra-hole matches, with Melvin Best of Littlefield taking 21 holes before beating Jack Markham of Lubbock in the championship consolation.

In the consolation quarterfinals it was David Keithley over Bryan Austin, 5 and 4.

## L. F. D. DRIVE-IN THEATRE Littlefield WED. and THURS., July 30 and 31

At rare intervals from Hollywood there comes a picture which tells a simple story with such Religious emotional impact that it seems to be a message "Reaching from Heaven." Such pictures were: "Going My Way," "Bells of St. Mary's," "Stars in My Crown" and "I'd climb the Highest Mountain." Now! A NEW and worthy successor playing to tremendous crowds everywhere.

## Mrs. Marion Smith Honored At Bridal Shower In Club House

Mrs. Marion Smith was honored with a miscellaneous shower Wednesday, July 23 given in the Valley View Club house. Before her marriage July 7 in the parsonage of First Baptist Church, the honoree was the former Miss Neoma Bell.

Co-hostesses for the shower were Mesdames Charles Moreland, Warren Tipton, Joe Collins, and Martin Farmer. Decorations featured the bride's chosen colors, green and white. The table was centered with an arrangement of majestic daisies and gladioli. Mrs. Joe Collins served guests from the bride's table and Mrs. Charles Moreland presided at the punch bowl.

Guests were registered by Mrs. Charles Moreland. Just before presenting Mrs. Smith with gifts, Mrs. Moreland pinned a corsage of white

carnations on the honoree.

Several guests who were unable to attend sent gifts: Mrs. Harold Pool, Mrs. Doyle Gilley, Mrs. Estelle Farmer, Mrs. Arvilla Tipton, Miss Mary Lou Lyle, Mrs. Zola Tipton, Mrs. Pearl Moreland, and Mrs. Vernon Cox.

Cheese canapes, cookies, bridal mints, and fruit punch were served to the following guests: Misses Ada, Kate, and Maggie Thornton, Miss Lanelle Cox, Mesdames Lee Thornton, Coy Grant, A. B. Roberts, Jimmie Starnes, Johnnie Sparks, Hays Denney, Truman Millican, E. G. Lyle, A. A. Gray, Stella Swenning, Mary Dame, E. J. Meyers, Myrtle Duret, Johnnie Miller, Maggie Gilley, Ray Denney, Wade Strother, Weldon Gilley, Grace Gilley, and Miss Lydia Duret.

## Flora Mae Durrett and Frank Martin Wed In Home Ceremony

Miss Flora Mae Durrett, daughter of Mr. and Mrs. L. H. Durrett of Rte. 2, Littlefield and Frank Martin, son of Mr. and Mrs. T. W. Martin of Levelland exchanged wedding vows at 2 p. m. Saturday, July 19 at the home of the parents of the bride.

The Rev. J. H. Wright, pastor of First Baptist Church, Levelland, officiated with the double ring ceremony.

The home was decorated with baskets of pink and white gladioli.

The bride wore a ballerina length dress of white nylon, and lace net over white satin with puffsleeves. Her veil of nylon net was attached to her tulle with a large pin that belonged to her grandmother on her mother's side. She carried a white bible topped by pink carnations with pink streamers.

Miss Ludia Durrett, sister of the bride, was her only attendant. She wore a sky blue ballerina length dress of blue nylon lace and net over blue satin. Her bouquet was of pink carnations.

Willie B. Williams was best man.

The bridal tradition of something old, new, borrowed and blue was carried out. For something new she wore her dress. For something blue a garter; something old she wore a pin belonging to her grandmother; for something borrowed was her pearl necklace, and she wore a penny in her shoe for good luck.

A reception was given in the home of the bride's parents immediately following the ceremony. The bride's table was laid with a white linen cloth centered with a two tiered wedding cake.

Mrs. Don Fincannon, sister of the bride, served the cake after the bride and groom had cut the first piece. Another sister, Miss Mary Durrett, poured the punch.

The bride wore a navy blue dress with white accessories and pink carnation corsage on their honeymoon to Ruidosa.

The happy couple will be at home at 1010 Fourth St. Levelland, Texas.

Those attending the wedding were: Mr. and Mrs. J. D. Durrett; Mr. and Mrs. L. H. Durrett, Misses Ludia and Mary Durrett of Littlefield; Mr. and Mrs. Don Fincannon and son, Jerry; Miss Lillian Collins, Mr. and Mrs. J. B. Martin of Lubbock; Mr. and Mrs. Tom Martin, Mr. and Mrs. J. H. Durrett, Edna Parker and Joe Bybee, all of Levelland and Arthur Martin of Abilene.

## THANKS

I want to say sincerely Thanks to the voters of Precinct 4 for their support in my race for Justice of the Peace.

Your expression of confidence in me is deeply appreciated. To those good friends who worked for my election I extend my deepest appreciation.

As your Justice of the Peace I will serve diligently in the office endeavoring to carry out satisfactory service to all.

## Gene Winders Is Honoree At Shower Party

A huge brown bow lettered "Gene and Leonard" set before a background of yellow dahlias centered the refreshment table at the Sam Cearley home Saturday, July 19 at 8 p. m. where Miss Gene Winders, bride-elect of Leonard Stephens was honored with a shower party.

Co-hostesses were Mesdames J. L. Hinson, L. Z. Anglin, E. C. Hudson, Kenneth Hinson, Gid Howell, John Laing, Guy Kelley, C. L. Roberts, Wayne Rutherford, H. B. Doughty, Lene Hite, Clyde Goodwin and Kenneth Cowley.

Guests were registered by Miss Patsy McCord, and corsages were presented to the honoree, her mother, and Mrs. Roy Neal, mother of the groom-to-be.

Miss Bobbie Cearley offered piano music and also accompanied Miss Janelle Ott as she sang.

A reading, "Young Sweethearts," was presented by Miss Janabeth Laing.

Chocolate covered cake squares topped with golden wedding rings were served with punch from a crystal appointed table by Mrs. Ronald Cleavinger and Miss Ott.

Out of town guests included Mrs. Roy Neal, Jr., Mrs. Clyde F. Newell and Mrs. Ray Winders, all of Lubbock, Mrs. Fred McGinnis of Clovis, N.M., and Mrs. Jackson Dodd and Mrs. R. F. Green of Olton.

## Mr. and Mrs. D. C. Lindley Leave On Vacation Trip

Mr. and Mrs. D. C. Lindley left yesterday for a vacation trip to several southeastern states. First they will drive to Breckinridge, Kentucky to spend the week-end with their son, Pfc. Otho Lindley who has been stationed there for three months with the paratroops.

Monday, August 4, Mr. and Mrs. Lindley will go to Knoxville, Tennessee to visit a friend, Mrs. Henry Wayell. Going from Tennessee to Ridgecrest, North Carolina, scene of the Southern Baptist Assembly grounds, they will drive through the Smokey Mountains National Park and the upper Piedmont region of North Carolina surrounding Asheville where they will spend at least one day.

On the return trip the Lindleys will stop off in Mississippi to visit with M. A. Lindley's family.

# News of Women

## Stovall-Durham Vows Exchanged In Church Ceremony Saturday

Miss Jane Harriet Stovall of Muleshoe and Norman Nevill Durham of Eastland were married July 26 at 9:30 a. m. in First Methodist Church in Muleshoe in a double ring ceremony read by the Rev. Ronald E. Hubbard, pastor of First Presbyterian Church in Snyder.

The bride is the daughter of Mr. and Mrs. Alfred Swann Stovall of Muleshoe. Mr. and Mrs. Harold H. Durham of Eastland are parents of the bridegroom. Vows were repeated before an archway flanked by cathedral tapers in candelabra. Fountain arrangements of white gladioli and greenery were in the background.

Mrs. Pat Bobo Sings Preceding the ceremony Miss Gwyneth Bigham, organist, played traditional wedding music and accompanied Mrs. Pat Bobo as she sang "At Dawning" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a ballerina length gown of crystal white embroidered organdy fashioned with decolletage neckline, cap sleeves, fitted bodice and full skirt. Her shoulder length veil of illusion fell from a Juliet cap of illusion seeded with pearls. She carried a shower bouquet of white carnations centered with a white orchid.

Miss Helen Stovall, sister of the bride, was maid of honor. Bridesmaids were Mrs. Gerald K. Hornung of Wichita Falls and Mrs. Joan Ramin Cota of Fort Worth, cousin of the bridegroom.

Attendants wore identical ballerina length gowns of mist blue embroidered organdy fashioned with

full skirts, fitted bodices and fitted organdy stoles. They wore short white gloves and headdresses of mist blue organdy circlets and stephanotis. They carried heart-shaped bouquets of blue carnations and white mums.

Serve As Attendants Gerald T. Watson of Port Arthur was best man. R. Sheltor Jennings and William E. Jordan both of Austin, served as ushers.

A reception followed the ceremony in Fellowship Hall of the church. The bride's table was laid with a cutwork cloth over blue organdy. Appointments were of silver.

Assisting with hospitalities were Mrs. H. L. Blackburn of Muleshoe, Mrs. J. J. Buxkemper of Colorado City, Mrs. B. J. St. Clair of Muleshoe and Mrs. Bob Hart of Columbus, Ga.

For a wedding trip to Grand Lake, Colo., the bride wore a navy shantung suit with white starched lace hat and an orchid corsage. They will be at home after August 15 in Austin.

The bride attended Texas Tech where she was a member of Alpha Lambda Delta. She was graduated with honors from the University of Texas.

Durham received his B. S. and M. S. degrees from North Texas State College, where he was a member of Pi Phi Pi, social fraternity, Beta Beta Beta, national biological fraternity, and Phi Delta Kappa, national educational fraternity. He is studying toward a Ph. D. degree in bacteriology at the University of Texas.

## Sunnydale H. D. Club Guests In L. L. Massengill Home Friday

Mrs. L. L. Massengill and her daughter, Ellen, entertained the Sunnydale H. D. Club in its meeting at their home Friday afternoon, July 25. The opening feature of the meeting was a song skit by Ellen Massengill and Karlyn Hulse, accompanied by Mrs. Dewey Hulse at the piano.

Mrs. Bill Zahn had charge of the business meeting, after which Mrs. Exa Collins discussed meal planning and explained the Texas Food Standard chart, a guide for choosing a good daily diet. She distributed leaflets on food management and meal planning. The hostesses served refresh-

ments of dainty rolled sandwiches, cookies and punch to the following: Mesdames C. F. Bryce, W. I. Banks, Walter Schroeder, Bruce Reagan, R. C. Jennings, S. R. Johnson, Edd Mote, W. O. Hampton, S. A. Davis, Claude Russell, Exa Collins, A. L. Aldridge, Dale McGaugh, Bill Zahn, C. K. Pillion, Miss June Lackey, two new members, Mrs. W. H. Cunningham and Mrs. B. D. Birkelback and four visitors, Mrs. H. F. Bussanmas, Mrs. W. R. Sewell, Mrs. Dewey Hulse and Karlyn Hulse.

There will be no club meetings in August, the next meeting being on Sept. 12 in the home of Mrs. Edd Mote.

Wilson league were guests.

The two groups enjoyed swimming in the afternoon, a vesper service early in the evening led by Rev. Paul Heckman of the Wilson church, and a werner roast at night. Later in the evening the group all went to the amusement park.

About 30 Leaguers were present for the summer social.

## Waither League Entertain With Swimming Party

The Waither League of Emmanuel Lutheran Church gave a swimming party and werner roast Sunday afternoon at 2 p. m. in MacKenzie State Park in Lubbock. The

## Match Your Makeup To Your Tan

By BETTY CLARKE  
AP Newsfeatures Beauty Editor

If you're one of those girls who look a little grotesque with a summer tan, it may be due to your makeup.

After your skin-Las deepened several shades, you will need new cosmetics. But the effect of the sun is only to deepen natural skin tones, so you can wear darker shades of colors you've already chosen. It depends on the amount of tan you've acquired.

When selecting a new lipstick, make a test of different shade on your arm to see which is most flattering to your tan. In using a color chart, keep in mind that there are many color tricks to help overcome problem skin colorings. Rose-tinted make-up will add warmth to an olive complexion. Pale tan powder and make-up lotion are excellent for toning down florid complexions.

If you choose the right cosmetics shades for you tan, you will be able to wear some of the difficult colors.

Brunettes as well as blondes who have elected to stay fair this summer should avoid using very dark make-up to give the illusion of a summer tan. Warm color on the cheeks and lips of blondes will permit them to wear beige or yellow without looking washed out. Pink and rosy-hued cosmetics will permit you to wear black prettily, although it normally tends to draw color from the face.

Older women as well as girls can give their complexions that debutante look by choosing the right cosmetics. One good way to

LIP LOGIC—A deeper hue of her rose-tinted lipstick helps flatter summer tan.

find your personal formula is to refer to the color chart in a cosmetic catalog.

### Best Airline Pilot Aerial Whiz-Kid

THOMAS  
Sonny, How's our junior birdman?"  
"I expect to wait a long time until I get to be a first officer or command a Clipper," Coston said. "But I didn't expect to be 'Junior' to all the stewardesses on the airline."  
**Absorbed With Aviation**  
Rodney's absorption and interest in aviation became apparent back in Malvern at the family dinner table. So when he was reported missing from school, his mother, Mrs. Elbert Coston, simply called the local airport, Rodney, of course, was there, having skipped school

doing all sorts of handy jobs—in addition to spending every possible minute in a cockpit, either on the ground or in the air.  
**Fell In Love**  
Meantime the young airman went to high school, earned letters in basketball and wrestling and fell in love with a girl he met in the freshman play.  
Mrs. Coston resigned herself to her son's flying, but the father, who had never been in a plane, held steadfastly against the "whole foolish business."  
But on his 17th birthday, when Rodney "checked out" for his license at the airport, both mother and father were on hand to see him. Mrs. Coston took the first ride with her son as a licensed pilot and the boy's father took the second flight, after extracting a promise "to fly low and slow."  
**Crop-Dusting Job**  
For the next year the most familiar phrase in the language to Rodney was, "Sorry, son, you're too young." Finally he landed a job flying a crop-dusting plane. He spent up to 10 hours a day in the cockpit over the Arkansas cotton fields.  
Meantime, the freshman-play romance had continued to blossom and Rodney decided when he was 18 it was time to get married, which brought on a family crisis only second to his determination to be a flier. Finally, after he had threatened to join the paratroops, the parents again gave in and last September, Doris Jean Parrish became Mrs. Rodney Coston.  
Another round of job-hunting finally ended last March, when Rodney went to work for Pan-American and started the company's exhaustive training course in South San Francisco. Finally, after obtaining a waiver from the Civil Aeronautics Board, the "junior birdman" was a fully accredited second officer and regularly scheduled on the cross-Pacific flights.  
Sylvia Crawford of Lubbock, spent the week with Mr. and Mrs. A. F. Sladek of Spade.

## Amherst News

### VISIT PARENTS

T/Sgt. and Mrs. Bobby R. Vaughn of Warren Air Force Base, Cheyenne, Wyoming, left Wednesday of last week after spending a week with his parents in Amherst.

### RETURN FROM DALLAS

Miss Jo McWilliams and children returned from Dallas Tuesday of last week after spending a week with relatives there.

### RETURNS TO TOPEKA

### ATTENDS ROTC SUMMER CAMP

FORT BENNING, Ga.—Cadet Dennis G. Zahn an ROTC student at Texas A&M College, College Station, is now attending the 1952 Infantry ROTC Summer Camp at Fort Benning, Georgia, the home of the United States Army Infantry Center.

Cadet Zahn is the son of Willie K. Zahn of Star Route 1, Littlefield.

The ROTC Camp will consist of six weeks of intensive training in courses ranging from bayonet training to rariological defense; how-

ever, most of the training will be concerned with learning the basic infantry techniques to include the firing of individual and crew-served weapons and tactics. 34 hours of instruction will be presented to the ROTC cadets by instructors from the famed Infantry School at Fort Benning.

### AMHERST PASTOR SUFFERS HEART ATTACK RECENTLY

Rev. J. C. Scott, Pastor of the Rocky Ford Baptist Church suffered a heart attack recently, and was taken to the South Plains Co-operative hospital in Amherst, where he is still a patient.

His son, Dr. Noel Scott of Throckmorton, filled the pulpit for him.

## BIG BANG for the Bored Car Owner

**H**ave you ever driven a Buick SPECIAL?

Do you know how it feels to touch off the most powerful engine you'll find in any car of its pounds and price?

Do you know that it almost steers itself—holds its course like an airliner on the beam—even comes back on course after taking a turn?

Do you know that there's silken magic in its Dynaflo Drive\*?

Do you know how many miles it can get from a gallon of gas?

Do you know that it has a Million Dollar Ride?

**M**ister, if you haven't found out such things, you're missing a lot of fun every mile you drive.

You're missing the fun of bossing around a big hoodful of high-compression, valve-in-head Fireball 8 Engine.

You're missing the fun—and comfort—of riding on four big soft, easy-acting coil springs.

You're missing the fun of feeling daisy-fresh with a half-a-thousand thrilling miles behind you.

You're missing, in short, the fun of owning a Buick.

And it's nobody's fault but yours because—at the prices we're asking for this beauty—you can afford a Buick if you can afford any new car.

How about checking up on what you've been missing?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series.

# Transportation Aid For Lamb County Schools For 1951-1952 Is \$117,122

Three school superintendents of Lamb County went to Austin last Friday on school business and reported a hard and hot, but successful trip.

Those attending were J. Ernest Jones, County Superintendent of Schools; W. D. Kay, Superintendent of the Amherst School; and R. W. Spann, Superintendent of the Springlake School.

The purpose of the trip was to get adjustments made on the 1949-1950 Transportation Costs for schools of Lamb County. Transportation Aid is now paid on the earnings qualified for according to the new Transportation Formula, or on the 1949-1950 Transportation Costs plus ten percent, which ever is less.

The following adjustments were gained: Amherst, \$1,410; Littlefield, \$990; Olton, \$2,551; Springlake, \$1,567; and Sudan, \$1,500.

Since Amherst, Olton, and Springlake's 1949-1950 Transportation Costs plus ten percent were less than their earnings according to the formula, it means that much more cash Transportation Aid for the past school year and for each succeeding school year, as long as the law remains as it is. The others would benefit only when their earnings according to the formula get to exceeding their 1949-1950 Transportation Costs plus ten percent.

Supt. Joe C. Hutchinson and J. T. Jones had already done some work towards getting their adjustments approved for Littlefield and Olton, but it had not been applied on their earnings by the state officials before this trip.

The County Superintendent says: "The actual cash gained yearly by this adjustment is \$5,468 and this brings the total Transportation Aid of Lamb County Schools to \$117,122 for the 1951-1952 School Year."

## County Voters

(Continued from Page 1)

crats, but opposed him vigorously on the tidelands issue, and a few others.

### Dies Probably Elected

Former Congressman Marvin Dies, has apparently won election as Congressman-at-large, which office became a reality, after re-districting of the state failed of accomplishment. Returns are still incomplete, and Dies may or may not face a run-off.

Congressional results, with the total vote still incomplete, indicate the following results:

Cong. Dist. 1. Patman, 37,246; McCasland, 17,103.

Cong. Dist. 2. Tonahill, 20,032; Brooks, 15,787; Neil, 12,511.

Cong. Dist. 3. Gentry, 27,355; Whitaker, 8,736; Whitehead, 8,713; Wood, 6,623. Run-off necessary.

Cong. Dist. 4. Rayburn, 27,972; Brown, 14,772.

Cong. Dist. 5. J. Frank Wilson, Dallas, unopposed.

Cong. Dist. 6. Olin Teague, unopposed.

Cong. Dist. 7. Dowdy, 13,995; Norton, 9,770; Griggs, 9,457; Wisner, 9,051; Knight, 3,180; Robison, 1,833. Run-off necessary.

Cong. Dist. 8. Albert Thomas, unopposed.

Cong. Dist. 9. Thompson, 26,182; Lane, 20,341; Patterson, 13,177. Run-off necessary.

Cong. Dist. 10. Homer Thornberry, unopposed.

Cong. Dist. 11. Poage, 31,424; Travis, 10,362.

Cong. Dist. 12. Lucas, 30,068; Mason, 14,448.

Cong. Dist. 13. Ed Gossett, unopposed.

Cong. Dist. 14. Lyle, 35,509; Blackburn, 29,309.

Cong. Dist. 15. Lloyd Bentsen, unopposed.

Cong. Dist. 16. Kenneth Reagan, unopposed.

Cong. Dist. 17. Burleson, 29,975; Cox, 29,582 (result in doubt).

Cong. Dist. 18. Walter Rogers, unopposed.

Cong. Dist. 19. George Mahon, unopposed.

Cong. Dist. 20. Paul Kilday, unopposed.

Cong. Dist. 21. Fisher, 36,172; Gallaway, 19,098.

In the Civil Appeals Court races, District 7, which is this, the Amarillo District, comprising 46 counties, incomplete results are as follows: Northcutt, 35,581; Moss, 17,960; Bunnenburg, 13,189; Houston, 13,090. (Run-off necessary.)

### State Races

Incomplete returns from all but about six of the 254 Texas counties, gave the following results (round figures):

For Governor, Shivers, 749,000; Yarbrough, 436,000; Trayler, 35,000.

For Lt. Governor, Ramsey, 889,000; Morales, 202,000.

## Last Rites Held For Mrs. Lemond

Mrs. Winnie Bell Lemond, 57, died at her home in Hockley county, 14 miles southeast of Littlefield, in the early morning hours, Tuesday.

Services were conducted by Rev. Carver from the Southside Church of Christ in Whitharral at 2:30 p.m. yesterday. Burial followed in the Tech Memorial Park Cemetery near Lubbock.

The deceased is survived by her husband, Clarence B. Lemond; three sons, H. D. Lemond of Harlington, L. W. Lemond and Glenn, Dale Lemond of Brownsville; two daughters, Mrs. C. E. Mills, Route 2, Littlefield, and Mrs. Earl Green of Lubbock. Mrs. Lemond's mother, three brothers, and six sisters also survive her.

## Connie Hopping

(Continued from Page 1)

Galveston contest.

For the numerous luncheons and dinners at the hotel and interviews with the judges Connie has a variety of afternoon and morning dresses. Like all girls she has several favorites. One white pique is a copy of a Christian Dior design, accented with a bow of navy velvet with which Miss Hopping wears navy accessories. Another favorite is a black linen strapless dress with an organza stole trimmed in lace and rhinestones.

The four-day pageant with headquarters at the Buccaneer Hotel in Galveston will begin with a meeting in the hotel diningroom for staging committees and briefing contestants at 4 p.m. today.

Friday's crowded events initiate the judging of contestants with a breakfast at 8 a.m. The morning will be spent in consultations concerning wardrobes and hair styling.

After lunch, all candidates for the "Miss Texas" title will go through a full dress rehearsal. At 6 p.m. the beauties and their mothers will have dinner with the judges. First performance and judging of the local winners will be staged in the Marine Room of the hotel at 8:30 p.m. Friday night. In the talent contest Connie will present her own special rendition of the same melody which helped her to capture the "Miss Lubbock" title: "You'll Never Know," "It Had To Be You," and "You Made Me Love You."

On Saturday, Connie will be part of a motor cavalcade carrying candidates to the highway opening ceremonies marking the official dedication of the new Galveston freeway. Candidates will wear bathing suits and capes to ride in the back seats of convertibles. For this event, Connie will have to choose between an aqua bathing suit trimmed in rhinestones with high-heeled sandals to match and a black lace suit over gold outlined in black velvet with which she wears black velvet shoes. A fireworks display which can be viewed from the hotel will begin at 8:30 p.m. The second performance and judging of contestants will take place in the Marine Room at 10 p.m. followed by a late breakfast at the famous Turf in downtown Galveston.

There's no rest for the girls who aspire for the title of "Miss Texas" and the final day of the pageant begins with a church service at 7 a.m. In the afternoon Mrs. Sam Maceo will be hostess at a swimming party and frolic at her residence. For this outing, Connie has chosen a gray denim, 3 piece play suit. Denim is high fashion material this season and Connie's skirt, short, and top ensemble is studded with nailheads and rhinestones. The final judging and coronation ceremonies will begin in the Marine Room at 8:30 p.m. Sunday night.

This is the big moment, the time when every girl's ambitions are directed toward just one object—the crown and satin sash that will mark the winner—"Miss Texas of 1952." As Connie appears in bathing suit and evening gown and goes through her song routine, all of Lubbock's hopes for coping the top honors in the State pageant will be wrapped up in Connie's 5-foot 6 1/2 inches of feminine charm.

When asked if she had anything to say just before leaving Littlefield, Connie said, "Nope. I'm just sitting with my fingers crossed."

000; Smith (of Lubbock), 188,000; Hamburger, 94,000; Petry, 87,000; Nimitz, 60,000; Selman, 39,000.

Attorney General, Sheppard, 878,000; Stiles, 217,000.

Judge Supreme Court, Place One, Bell, 334,000; Culver, 324,000; Stout, 182,000; Lewis, 182,000.

Judge Supreme Court, Place Two, Smedley, 619,000; Keenan, 380,000.

# STEVENSON, SPARKMAN ARE CHOSEN DEMO NOMINEES

Governor Adlai Stevenson, born in California, but reared in the state which he now serves as governor, won the Democratic nomination for President on the third ballot, which came at about midnight Friday night. Stevenson had trailed both Kefauver and Russell on the first and second ballots. Senator John Sparkman of Alabama, was later named his running-mate as vice-presidential candidate.

Actually, Kefauver and Russell, together, had enough votes at the end of the second ballot to have won the nomination for either, if they had pooled their votes and forces. Both stood pat, and the nomination went to Stevenson on the third ballot, which consumed nearly four hours in the taking. His nomination was made unanimous by acclamation.

### Excitement is High

Both Kefauver and Russell, as well as other candidates released their pledged delegates. Kefauver, who led on the first two ballots, made a startling appearance on the platform during the course of the third ballot, in an effort to throw his support to Stevenson before the vote was completed, but was denied the privilege of interrupting the balloting to do so. His appearance at that point was widely interpreted as a bid for the vice-presidential nomination, which failed.

After a wild demonstration by the convention, for the chosen nominee, he was escorted to the platform by President Truman, and both delivered speeches, one of acceptance, the other of endorsement.

The convention then recessed until Saturday morning. And in that recess, Stevenson and his supporters gave the nod to Alabama's Sparkman, and he won the nomination by acclamation, in the early hours of the Saturday, closing day session. Russell had refused the second place nomination, on the expressed ground that he is distant-

Adlai Stevenson

ly related to Stevenson. Kefauver later issued a statement that he was not willing to accept the second place on the ticket, though a few hours earlier he had openly sought it.

### Two Women Nominated

The convention set a precedent, when two women, Judge Sarah Hughes of Texas, and India Edwards, vice chairman of the National Democratic committee, were nominated for vice presi-

dent. Both immediately withdrew their names. They are the first women ever to be nominated in a national convention.

Delegates at that time were already leaving convention hall, with only resolutions, and routine matters remaining on the convention agenda.

Permanent Chairman Sam Rayburn rapped the final gavel for adjournment of the six-day convention, at mid-afternoon Saturday.

## Emmanuel Lutheran Church to Sponsor Dyer, Thomson— Two Weeks Bible School Over KVOW

(Continued from Page 1)

Radio Station KVOW will feature a new program for two weeks beginning August 11. Under the sponsorship of Emmanuel Lutheran Church, KVOW will conduct a Bible School of the Air. Broadcast time is 6:15 p.m.

The 30-minute program will devote the majority of its time to lessons on Bible stories and Bible facts. All programs will be "live" broadcasts originating in the studios of KVOW. Rev. H. A. Heckman, pastor of Emmanuel Lutheran, will teach the lessons and conduct the question period. At the end of each broadcast questions based on the lesson for that day will be asked. The questions will not be difficult and are slanted to evoke a widespread response from children in this area. Listeners who wish to take part may answer the questions on a post card or letter and mail it to The Bible School of the Air in care of Radio Station KVOW. All children who send in answers to the questions will receive a special token in remembrance of their participation on the program.

The idea and first lessons for the Bible School of the Air originated in the mind of Hugo Quitmeyer, formerly pastor of the Lutheran church in Dummies. Writing all the literature himself, he conducted a two-week broadcast over Station KDD there last year. The response from children in the area was so great that the Lutheran Church in the State of Texas has adopted the bible school as one of its projects and has made Rev. Quitmeyer's material available to all pastors who wish to initiate such programs in their communities. Rev. Quitmeyer is now pastor of a church in Eola, near San Antonio where he has just completed another two-week bible school over Station KRUN.

The worth of this program has really sold itself to parents and business men as well as children of the area. When the manager of KRUN learned of the overwhelming response to Quitmeyer's broadcasts, he offered the pastor a four-week program.

The Emmanuel Lutheran Church and Radio Station KVOW urge all children to be listening to their radio at 6:15 p.m., August 11 when the Bible School of the Air makes its initial broadcast.

Vacation Bible School and Sunday School students of Emmanuel Lutheran Church will be treated to a picnic, Sunday, August 3 at 12 noon. The picnic lunch will be served at the American Legion Hall. In the afternoon there will be games and contests for children and grown-ups.

Joe Sharp (unopposed) .....3772

107 votes, while Doss, received only 1320—a clear-cut majority of far more than two-to-one.

Here is the result of the vote on this race by precincts:

Olton—Thomson, 430; Doss, 286; Earth—Thomson, 159; Doss, 113; Spade—Thomson, 155; Doss, 81; W. Littlefield—Thomson, 193; Doss, 19; Sudan—Thomson, 316; Doss, 89; Pleasant Valley—Thomson, 26; Doss, 21; N. Sudan—Thomson, 27; Doss, 13; Amherst—Thomson, 316; Doss, 61; Fieldton—Thomson, 71; Doss, 19; Sod House—Thomson, 41; Doss, 4; S. Olton—Thomson, 27; Doss, 11; Littlefield—Thomson, 894; Doss, 496; Pep—Thomson, 66; Doss, 25; Hart Camp—Thomson, 56; Doss, 29; Springlake—Thomson, 80; Doss, 49; N. Littlefield—Thomson, 197; Doss, 63; Absentee—Thomson, 143; Doss, 21.

### Uncontested County Races

Other County races, all uncontested, gave the following total result:

For County Judge, Otha Dent, 3911.

For County Attorney, Curtis Wilkinson, 3867.

For County Tax Assessor, Herbert Dunn, 3845.

For District Clerk, Treva Quigley, 3854.

For County Treasurer, Mrs. Bill Pass, 3870.

Two Write-Ins Registered  
Two write-ins were noted for County Judge, Pat Boone, jr. (1) and Smith (1). Billy Hall received one write-in vote for County Attorney.

Actually, something more than 4473 votes were cast in the county, as that number of ballots were cast in the Sheriff's race. There were several ballots thrown out, and many voters did not cast a ballot for all offices listed on the ballot.

Action in Commissioner Races  
The race of an even dozen candidate aspirants for the office of County Commissioner, in Commissioner Precincts One, Two, Three and Four, both before and right on through election day furnished some real excitement, and actually proved more keenly competitive than did the contested races for sheriff and County Clerk in the county races.

With five candidates entered in the race in Precinct Four, an expected run-off failed to materialize, and Herbert Dykes walked off with a clear-cut majority over all of his opponents to the tune of 581 to 467.

Run-Off in One Precinct  
In Precinct One, a run-off was assured, when Don Bryant with 362 votes failed of a majority over his two competitors. Bob Ball, second high man in the race will oppose Bryant in the August primary.

This was the only run-off which Lamb County voters authorized, which foretells a light county vote in the 2nd primary.

Commissioner Box Scores  
Following, we list, tabulated results first with a list of the voting boxes of each District, and next a tabulation of the vote for Commis-

## Bible School

(Continued from Page 1)  
8:30 to 10:30 a.m. through August 11.

George E. Darling of Floydada will be school director, assisted by Mrs. W. D. T. Storey and Mrs. C. O. Stone, and other church members in directing teachers and supervising projects.

Two trailer-tractor "trains" will tour the city each morning, picking up students and delivering them to the church. The flat bed trailers pulled behind tractors will be gaily decorated with crepe paper streamers and colored balloons. A large float with red lettering announcing the Bible School will be suspended over the "train" on a standard. In their journey around town the "trains" will feature music from a record player. Automobile transportation to the church will be available by calling 443-M or 810.

Activities of the morning will include several workshops in hand craft. Ceramics of Biblical characters will be modeled as well as paper mache maps of various countries of the Holy Land. The students will publish a newspaper called "Good News," featuring stories that might have been news items before the birth of Christ. Another group of students will make puppets, write, and produce skits such as "Daniel in the Lion's Den."

Children of all denominations are invited to attend the Bible School. Light refreshments will be served during the morning.

## School Plans

(Continued from Page 1)

been engaged as principal for the local high school. Mr. Schilling was formerly in the Oklahoma City school system. He will be in the city to begin his duties about August 1.

The board reviewed bids for block assemblies and radiators for the school buses. They agreed to purchase three assemblies. The bid was given to the lowest bidder, Hewitt Chevrolet Company.

soner; and also a listing of absentee ballots:

Other Lively Races  
Some lively races developed for both Justice of the Peace in two precincts, and for Constable in one of the two precincts, with the other not contested.

In precinct Four, for the Justice place now held by Sam Farquhar of Littlefield, G. S. Glenn won (in Littlefield) over Fred Dillard 710 to 496. Total tabulation which elected Glenn, including nearly 100 absentee ballots cast showed Glenn, 1099; Dillard 742.

In Justice Precinct Five, J. M. Shuttlesworth received 285 votes; T. M. Cox, 180. Which elected Shuttlesworth Justice there by an approximate 100 majority. In the two Constable Precinct Races, in Precinct Four, Robert Wilson was an easy winner over Ewell Roberts, Wilson polled 795 votes; Roberts, 452.

Elected Without Opposition  
Raymond Cantrell, in Justice Precinct Five was unopposed. He received a total of 42 votes at Pep and North Sudan to win.

Other uncontested races, listed at the foot of the official ballot, and their results, are as follows:

For County Chairman Dem. Ex. Com.—T. Wade Potter, 33377

For Co. Chairman, Precinct 1—G. T. Sides, 878

For Co. Chairman, Precinct 2—Guy Kelley, 354

For Co. Chairman, Precinct 3—H. L. Woody, 617

For Co. Chairman, Precinct 4—Otto Jones, 485

For Co. Chairman, Precinct 5—Clyde Robertson, 482

For Co. Chairman, Precinct 6—Murrell Autrey, 405

### St. Martin's Lutheran Church News

Twelve Luther Leaguers are planning to attend the Bible Camp at Camp Chrysalis near Kerrville next Monday. The Camp begins at 2 p.m. Monday, and will last through Thursday noon. 125 are expected to attend. These people will come from the Lubbock Federation of Luther Leagues, the organizations of the youth of the American Lutheran Churches.

Walter Hill, David Sager, Billie Stewart, and Pastor Leslie Huebner attended the Choral Union at Shepherd King Lutheran Church in Lubbock last Sunday evening. Slides and movies of Camp Chrysalis were shown, after which followed the rehearsal of three choir anthems. Choral Union is the musical side of the Lubbock Federation of Luther Leagues. The Leaguers meet the last Sunday evening of every month, in the various churches of the Lubbock area, to appreciate, enjoy, and practice sacred songs and music.

The Sunday School Teachers met at the Church Annex Tuesday evening at 8 p.m. This was the first meeting of the teachers with the new pastor. They discussed the Sunday School program in general, deciding upon new materials and literature, which will soon be ordered.

Luther Leaguers will meet in the Littlefield park Friday evening after 7 p.m. for a picnic.

The confirmation class will go to Levelland Saturday morning, to meet at the St. Paul Lutheran Church with the class from there. At the first meeting in Littlefield last Saturday morning, the following were present: Lois Garms, Nina Garms, David Sager, Billie Stewart, Florine Tischler, Herman Guetersloh, Bobbie Nessel, Ben Schulze, and Dalton Tischler. The latter four are from Levelland.

Junior Mission Band will meet Saturday afternoon at 2 p.m. This will be the second meeting of this newly organized group of children and teen-agers of the church.

Evangelical Lutheran Church of Slaton will lay the corner stone for their new church in a special service Sunday evening, August 3, at 7 p.m. Pastor Lowell C. Green of Slaton will be in charge of the service, Pastor William Slaughter of Lubbock will deliver the main address. This new church, to cost over \$30,000, will be completed sometime in September, according to present plans.

Sunday, August 3: Sunday School 9:45 a.m.; Service 10:45 a.m.

### Overweight Folks On Increase Says Health Officer

Are you packing too much fatty beef for the size of your frame? If so, you're probably one of the 100,000 or so Texans contributing to what State Health Officer Geo. W. Cox calls a "significant public health problem."

The number of obese (dangerously overweight) people in the state is growing, the doctor says, and they're laying themselves wide open to trouble.

For instance, if you are carrying too much fatty tissue you're twice as apt to get diabetes, and three times as likely to have heart trouble. Furthermore, if you get arthritis it will hurt you a good deal more because of your obese condition.

Many other conditions are made worse by a person's being too fat.

"Obesity is just as serious a form of malnutrition as starvation in the long run," the health officer will tell you. Ask why some people get fat while some don't and he'll tell you the plain and simple reason is that usually the fat ones eat more than their systems need or want.

"Obesity is exactly the opposite of starvation. Overweight people eat too much. Emaciated people don't get enough. Both types are malnourished."

But why do they eat too much? There may be many causes. The glands may not be working just right. They may be having emotional trouble.

"Dietary habits perhaps established in childhood. Part of the reason might be that an overly full stomach gives them a sense of emotional relief. They might be trying to satisfy an emotional hunger as well as a physical one."

The best way to fight obesity is to cut down the caloric intake, he says. But to do this you've got to have a real desire to have normal weight.

"This means," he explains, "the underlying emotional factors which created the obesity must be corrected by a greater urge, such as avoiding an early death."

When you get this desire you'll be willing to have your doctor prescribe a reducing diet and medicine if necessary and you will follow his advice.

"If you don't," Dr. Cox cautioned, "you'll probably find an early grave."

Fat people should get a good physical examination by their doctor before they start on a rigid reducing diet.

### ASTHMA

Don't let coughing, wheezing, recurring attacks of Bronchial Asthma ruin sleep and energy without trying **MEINDAQ**, which works thru the blood to reach bronchial tubes and lungs. Usually helps nature quickly remove thick, sticky mucus. Thus alleviates coughing and aids freer breathing and better sleep. Get **MEINDAQ** from drugists. Satisfaction or money back guaranteed.

**TEXAS LEAGUE BEAUTIES**  
 —These girls, each representing a Texas League city, gathered in Oklahoma City for the baseball circuit's all-star game. One of them will be named Texas

League Beauty Queen Aug. 18 after a tour of the league. They are (left to right) Lee Darnell, Dallas; Shirley Barbour; Tulsa; Paula Kane, Fort Worth; Margaret Hargrove, Houston; Shir-

ley K. Benke, San Antonio; Lora Faye Kemper, Shreveport; Thelma Balcar, Beaumont; and Clara Mitchner, Oklahoma City.

### Local Youths Receive Premiums In Foundation Heavy Litter Contest

Littlefield boys are among five South Plains boys and have been paid premiums in the annual Sears Foundation litter contest and board of directors contest for the Lubbock area.

Don Barnett whose litters 58 pounds received a nine-month premium. Don Dolle had a litter for which he was paid \$100 in premiums. Premiums totaling \$390 for 13 litters in the heavy litter contest and \$65 in premiums for demonstration contest were announced.

### Funeral Meeting For Hart Resident

Funeral services for John Richard Henderson, 60, a resident near Hart nearly all of his life, were conducted at the Dimmitt First Baptist Church at 3 p.m. Saturday. Rev. George Ray, pastor, officiated. Burial was in the Hart Cemetery under direction of the Lemons Funeral Home.

Henderson died at 11:10 p.m. Wednesday at his farm home nine miles northwest of Hart. He had been ill several months.

Henderson was born at Midland, but moved to Hart with his parents when he was a child. He made his home in the community until his death.

Survivors are his wife, five sons, Roy, Carl, Billy, Donald and Stanley, all of Hart; his father, J. H. Henderson, a brother, R. G. Henderson, five sisters, Mrs. Ira McLain and Mrs. Ernest Worrell, all of Hart; Mrs. George Kellar, Earth; Mrs. Boyd Shannon, Carlsbad, N.M., and Mrs. Bill Collins, Redlands, Calif.

Henderson was a member of the Dimmitt Baptist Church.

### Local Meeting For Church of Christ

Local meeting got under way at the Lawrence Street Church of Christ in Anton on Sunday last. The preaching in the meeting was by N. Stark, evangelist from Littlefield.

The meeting will close on August 1. An invitation has been extended to the public.

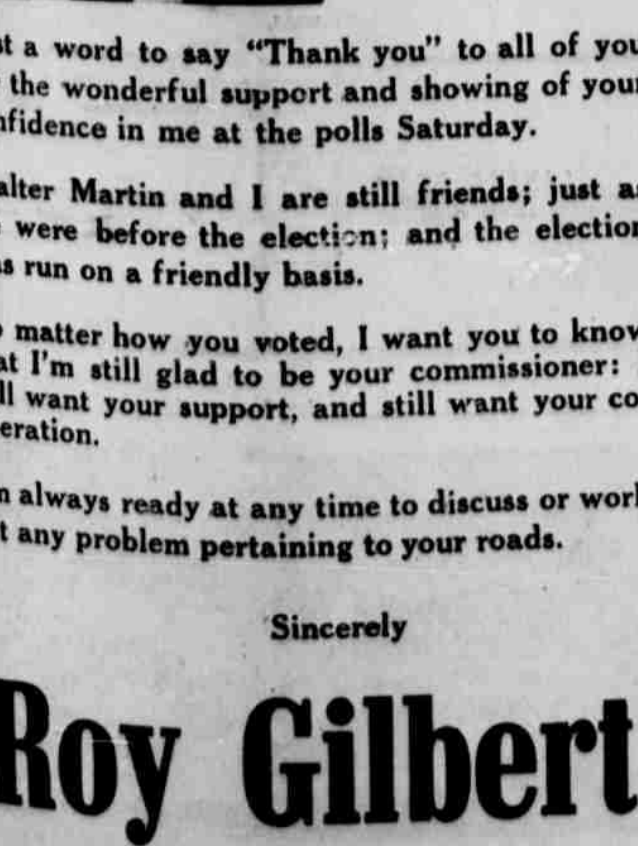

Just a word to say "Thank you" to all of you for the wonderful support and showing of your confidence in me at the polls Saturday.

Walter Martin and I are still friends; just as we were before the election; and the election was run on a friendly basis.

No matter how you voted, I want you to know that I'm still glad to be your commissioner: I still want your support, and still want your cooperation.

I'm always ready at any time to discuss or work out any problem pertaining to your roads.

Roy Gilbert Says "Thanks"

Sincerely Roy Gilbert

### Garland Motor Announce Plans For Remodelling Of Phelps Ave. Building

Garland Motor Company has announced plans for a complete remodeling of their building on Phelps Avenue preparatory to offering it for lease upon the completion of their new company headquarters to be located on East Third.

The new store front for the Phelps Avenue structure will be white porcelain glazed tile. This exterior will be the only one of its kind in Littlefield and similar to the First National Bank Building in Lubbock. B. D. Garland, Jr. stated that plans for remodeling the interior are incomplete and dependent upon the lease. October 1 was named as a probable date for starting remodeling.

Three lots on east Third which are now the present location of Dodge Truck Service Department will become the home of the new Service Department for Garland Motor Company. Contract for the building to be erected on this property has been let to J. C. Hendley, general contractor, of Vernon. The existing building at 720 East Third is 50'x140'. It will be incorporated into the new structure as general service garage. The exterior elevation will be completely modern design in California style featuring both two story, and single story construction. A 30'x50' annex on one side of the building will house the body and paint department. The parts department will occupy a 50'x50' space on two floors, the ground floor being divided into four service stalls. Washing, greasing, and wheel aligning jobs will be taken care of in a 25'x50' specialized service department. The modern showroom on the corner of the front of the building will measure 50'x82'. The corresponding corner of the third lot will be a concrete paved parking area occupying 110'x50' of the third lot owned by Garland Motor Company on this street.

By hitting 186 home runs in 1951, the Brooklyn Dodgers topped the National League in homers for the third consecutive year.

**Anton Lions Discuss Several New Projects**

At a night session of the Anton Lions Club in the back yard at the Alvin R. Crews home at Anton, President Harlan Black presented several new plans to the club. Among them were:  
To present an annual cotton award to local boys similar to the livestock award.  
To name the roads in the Anton vicinity and mark them so people can find their way to the farm homes without any trouble.  
Also the matter of the soft ball program was discussed. The club seemed to be highly pleased with the way the soft ball recreational program has been run so far this summer.

Coach Joe Cook was introduced to the group by Russell McAnally and he spoke for a few minutes. The club also discussed the matter of operating a booth at the football games this fall.

Ed Hart, Chairman of the program committee gave an outline of the programs for the rest of the year.

Prior to his entry into horse racing in 1908, trainer Roy Waldron was a bat boy for the St. Louis Browns.

**Tips On Summer Swine Management**

Neglecting the pig crop now can cause trouble this fall. Growing pigs need attention during the hot summer months if they are to be ready for the early fall market, says E. M. Regenbrecht, swine husbandman for the Texas Agricultural Extension Service.

Plenty of shade, water and a balanced diet are musts for growing pigs in the summer time. But because of the rush of farm work and shortage of labor, the pigs are often not provided with even the essentials for proper growth. If shade is not available in the hog pasture in the form of trees, then it should be provided. A brush arbor type structure, provided it is large enough, is entirely satisfactory, says Regenbrecht or an upright frame covered with a thick layer of hay makes a good shade.

Regenbrecht recommends running the pigs on a legume pasture if possible. If legumes are not available, he likes sudan. Pigs on good pasture are not likely to become infested with worms and will be healthy. Protein requirements, too, can be cut in half by using pasture.

The easiest and surest way to have water in the hog lot at all times is with an automatic watering system. Pigs need much more water during the summer months and unless plenty of good, clean and preferably cool water is available at all times, they will not do good.

The use of self-feeders will save

**LAWN MOWERS SHARPENED**

**KIDNEYS MUST REMOVE EXCESS WASTE**  
When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts. If reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.  
Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

**Crab Grass Control by Chemicals Now Possible**

A Weedless Lawn Without Hard Work Is Now Possible

Crab grass, long the No. 1 summer pest of lawns, can now be controlled by chemical treatment. In infancy it is not easily distinguished in the lawn but in midsummer it ruins the appearance of lawns.

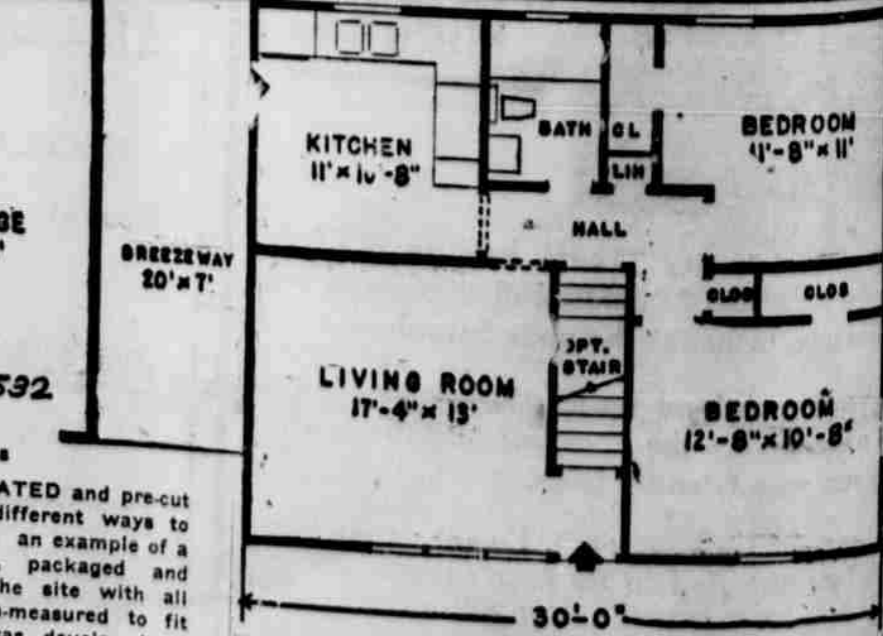

You may know crab grass as wire grass, water grass, or even quack grass, though the real quack is quite different. Crab grass is killed by frost, but starts from seed in early summer. In midsummer it becomes conspicuous for its coarse stems, difficult for the lawn mower to cut, and soon develops rusty red seed stalks which discolor the lawn, and drop seed for the next year's crop.

No effective and economical method of eradicating this pest was ever found, until chemical weed killers were developed, and it resisted the first one, 2,4-D, which deals with most other lawn weeds. Considerable success has been had by those who use PMAS, the initials standing for the chemicals in the formulation, chiefly mercury. A more effective chemical, potassium cyanate, then was released, after tests by both government and state experiment stations.

Though PMAS is poisonous, potassium cyanate is harmless to animals, including pets and children, in spite of the resemblance of its name to the deadly potassium cyanide. It has been used for years by onion growers to kill weeds in their fields, among which crab grass was present. Since it killed crab grass along with the others, it was tried

out for lawn use, and proved both this pest and chickweed, out injuring the grass. Some yellowing of the grass was noticed after an application, lasts only a few days, and the cal breaks down into potassium nitrate, both plant foods of growth may be stimulated by application.  
Two sprayings are recommended: the first when plants are detected, the next before the first mowing, which may escape the first mowing to seed. Use a spray which will coat the grass leaves in direction accurately, and spray dry grass. Either water lawn before spraying, or apply after a rain.  
Annual spraying may be necessary until your neighbors and their lawns and the production of seed to be carried by the wind by birds is ended.  
If you have not sprayed your lawn with 2,4-D this year, a combination of 2,4-D with potassium cyanate will nearly all lawn weeds with spraying. When you do this you find many vacant places in your lawn, where the weeds have grown. An application of potassium cyanate to stimulate growth of the remaining grass will quickly fill these vacant places with grass. Instead of being the hard work required for good lawn weed killing has become a matter of strolling around the lawn directing a lethal spray upon pests.

**HOMES FOR AMERICANS**

**AP Newfeatures**  
PREFABRICATED and pre-cut houses offer different ways to build. This is an example of a pre-cut house, packaged and delivered to the site with all parts precision-measured to fit together. It was developed by the Paragon Builders of Mineola, N. Y. Daniel Greenhauff, head of the firm, says savings up to 40 per cent of the cost of a custom-built house are possible when the buyer does some of the work himself. Materials for a five-room house with garage and breezeway come to slightly more than \$4,500; a six-room story-and-a-half house runs about \$200 more. A professional crew can erect these houses in less than three weeks. The buyer provides the lot and foundation and hooks up with utilities.
