

LITTLEFIELD, LAMB CO., TEXAS, THURSDAY, SEPTEMBER, 24, 1959

NUMBER 18

Ag Exhibit Wins Honor At Amarillo

Lamb County racked up 15 first places and 11 seconds in its agricultural exhibit Sunday at the Tri-State Fair, Amarillo, Asst. County Agent Herb Helbig announced this week.

The exhibit, prepared by Helbig and Spade farmer W. E. Mitchell, included more than 60 crops grown in the county.

Here's the way the Lamb County crops placed:

Head or Ear Grain - Black hull kafirs, 1st and 2nd; combine type corn, white hybrid, 1st; corn, yellow hybrid, 3rd.

Grains and Seed - Martin, 4th; Plainsman and Caprock, 1st; red-bines, 1st; other red variety, 4th; hegari, 1st and 2nd; sweet clover, 2nd; millet, 1st and 2nd; sudan grass, sweet, 1st and 2nd.

Bundles for Grain - Oats, 4th. Cotton - Best 3 pounds of seed cotton, 2nd.

Bundles for Forage - Millet, early head to milk, 3rd and 4th; sorghum, red top, 1st and 2nd; Sudan grass, common, 1st; irrigated pasture grasses, 4th.

Bales of Grain and Forage - Sweet sorghums, 2nd; native hay grasses, 1st; Sudan grass, 1st.

Vegetables - Red peppers, 3rd and 4th; dry lima beans, 1st; dry creampeas, 1st and 2nd; dry blackeye peas, 1st and 2nd; cuscaw, 2nd; pumpkin, pie variety, 4th.

Kinfolks Dominate Grid Event

Kinfolks teamed up to win the first two places in the News & Leader's weekly football contest last week.

Roy Howell of Littlefield captured first place, barely edging his nephew, Billy Howell.

Third place went to Don Hevern of Amherst.

Roy Howell guessed correctly on 12 of 15 games, as did Billy. But Roy's guess on the tiebreaker was closer than Billy's.

Roy guessed Littlefield would beat Olton 42-6, and the actual score was 22-0. Billy picked Littlefield 46-6.

Hevern missed four of the 15 games to wind up in third place. All three of the top winners missed on the Whitarral - Bovina, Tulla - Lockney and Dumas - Odessa Ector games. Hevern also missed on Bala - Three Way.

Roy Howell will receive \$5, Billy Howell \$3 and Hevern \$2.

Contestants entering this week's contest should get an entry blank from last Sunday's County Wide News, fill it out and turn in their entries at any of the stories listed on the contest page.

County Arrests Man For M'Shoe

A Lubbock man was jailed here Tuesday night for Muleshoe officers on charges of forgery and passing.

The man, Jesse E. Gill, 24, was turned over to Muleshoe authorities Wednesday morning.

County Deputy Elson McNeese, who made the arrest, said the man was wanted in Muleshoe in connection with forgery on credit purchases.

School Administrators Vote Martin As New President

AMHERST - Lamb and Bailey County school administrators Monday night elected Forrest Martin of Littlefield to head their organization for 1959-60.

Martin, junior high principal at Littlefield, succeeds Elmer Watson, Amherst superintendent, as president of the group.

Watson presided over the meeting Monday night in the Amherst school cafeteria. About 30 persons attended.

Other new officers elected were W. L. Mann, Springlake superintendent, vice - president; and Jerry Lumsden, Lamb County superintendent, secretary - treasurer.

Joe Harper, Olton superintendent, was named head of a committee which will contact Rep. Jess Osborn of Muleshoe.

Harper and other members of the committee, composed of all superintendents in the two counties, will ask Rep. Osborn to support a special session of the Legislature in which teachers' pay raises would be considered.

Old Rivals Meet

Wildcats Host To Brownfield

By JIMMIE HINE

Two old rivals meet here Friday night as the Littlefield Wildcats entertain the Brownfield Cubs.

Head Coach Don Williams' pregame quote came as no surprise after the Cats' uninspired victory over Olton last Friday. The head

mentor commented, "If we play Brownfield like we did Olton - name your own score in their favor."

"Remember last year, we were favored to beat Brownfield and some of the team thought we would win easily. Well, the score was 12 to 6 with Brownfield on top."

The situation is about the same this year as last year when Littlefield went to Brownfield. The game rated a toss-up.

Brownfield runs from a variety of plays from its basic winged-T formation.

Coach Cox's Cubs have two potent runners in Tailback Johnny Murphy and never-say-quits wingback Lennis Roscoe. Murphy gained 150 of the Cubs' 165 yards in their 32-6 loss to rugged Leveland. The Cubs beat Colorado City 21-14, in their season opener.

Roscoe, who is a favorite pass receiver of QB Leon Clark, has scored in both of his team's games. Roscoe scored on a 27-yard pass and run play against Leveland and caught a TD pass against Colorado City. He also returned a punt 60 yards against Colorado City for a touchdown.

Coach Williams is expected to open with his usual starters in hopes of averting last year's loss to Brownfield.

Both coaches say that their teams are ready for the annual classic.

The Cub starting line-up looks like this: Jimmy Tollett, 175, and Kenny Snider, 159, at ends; Jimmy Hackney, 193, and Herman Wheatley, 167, at tackles; Glen Koch, 170, and Duane Steen, 156, at guards; Larry Jackson, 169, at center; Clark, 160, at quarterback; Roscoe, 175, and Murphy, 149, at the halves, and William Knox, 154, at fullback.

STEVE SULLINS A Touchdown At Olton

TEC Operating Lot At Depot

The Texas Employment Commission is now operating a farm labor lot at the Santa Fe depot. Manager Therman Jewell announced Tuesday.

The lot will be open to migratory workers and their vehicles, Jewell said.

In addition, the local office is operating a farm labor office at Olton.

Several hundred workers from the Rio Grande valley area are expected to arrive here in the next few days, Jewell said.

Approximately 500 cotton pulpers are needed immediately.

School Study Group To Meet

A general meeting of a committee studying school needs here is scheduled for 7:30 tonight at the high school library.

Reports from sub committees are scheduled to be heard. Plans call for the overall school study to be completed in the latter part of November.

Dr. Morris Wallace of Texas Tech, consultant to the local committee, will preside at tonight's meeting.

More than half the world's population lives in Asia and the Far East, a region with one-sixth of the earth's land surface.

600 Parents Attend 'Back To School' Night

By BERNITA RATLIFF

"Back To School" night was held Tuesday by the Primary - Elementary P-TA with approximately 600 parents attending.

Coffee and cookies were served to the parents at the cafeteria with visitation and orientation in the high school auditorium.

Mrs. Buster Owens, president of the Primary - Elementary P-TA, presided at the business meeting.

The Rev. R. L. Young, pastor of the Emmanuel Lutheran Church gave the invocation and Ralph Schilling, superintendent of Littlefield schools, the welcome address.

He also spoke for a few minutes on school taxes, school board members and on "How can P-TA help our schools?"

Dr. Schilling stressed the need for higher school taxes. He stated that Littlefield schools are operating on \$20,000 less than another school in Lamb County, Olton, and taking care of twice as many students.

He also asked the parents to remember that the school board members work without charge, donating their time to help better the schools.

He called on P-TA members to help by getting true facts from every nook and corner of the school system to help the public see the needs of the schools.

A treasurer's report was given by Mrs. James Davidson, secretary of the Primary - Elementary P-TA, and minutes of the executive board meeting were heard.

Members opposed a P-TA money-raising project but approved a Halloween Carnival which will be held Saturday, Oct. 31, at 10 a.m.

Mrs. Iris Ham won the plaque for having the most parents present from her room in primary and Mrs. Bertie Lee Bruen won in elementary.

Parents were then invited to visit the rooms of their children and talk to the teachers. Displayed in each room were notebooks and papers done by each child for the parents to see. Phases of work to be done throughout the year also were shown.

"BACK TO SCHOOL" night at the primary elementary schools was attended by approximately 600 parents. Some of the parents are pictured as they look through notebooks and papers displayed in the rooms. (STAFF PHOTO)

NATHAN HUTSON Passes Coming His Way

C-C Seeking Manager; Lacy To Longview Post

Screening Committee Appointed

Littlefield Chamber of Commerce officials began the search for a new manager Tuesday after Jack Lacy Jr., resigned to become assistant general manager of the Longview Chamber of Commerce.

Lacy, manager here the past two years, will assume his new duties Oct. 5.

His resignation was accepted "with regret" by the C-C board at a special meeting here Tuesday afternoon.

The board appointed a screening committee of Tom Hilbun, chairman, Kenneth Reast and Arnold Neumann to interview applicants for the manager's post.

C-C President Howard Horne and other members of the board commended Lacy for the work he'd done here in his two-year stay.

Lacy told the board he regretted leaving Littlefield, but the Longview post offered "huge opportunities" for him.

He said he would be working under one of the nation's outstanding industrial developers at Longview, Walter Koch, general manager of the Longview C-C.

Longview is a city of 52,000 with a Chamber of Commerce budget of \$72,000, Lacy said.

Lacy and his wife, Jeanne, and son, Jack IV, will leave Littlefield Oct. 2.

During Lacy's term as manager, the Chamber was recognized by the U.S. Chamber of Commerce awards program with a citation of merit for the outstanding program of work for cities of this population group.

The C-C also received a certificate of distinction in the national "cleanest town" contest sponsored by the National Clean-Up, Paint-Up, Fix-Up Bureau.

In Lacy's first full year as manager, the Chamber was successful in securing five new industries for Littlefield.

In leaving West Texas, Lacy also will leave a post as secretary of the Chamber of Commerce Managers' Association of West Texas.

He moderated a program of work session of the WT Chamber of Commerce short course recently, and served on the counsel committee of the Southwestern Institute at the University of Houston.

He attended the Chamber of Commerce Management Institute for six years, and was graduated Commerce Management Institute for C-C Management in 1957. He took post-graduate C-C work at the University of Houston and Uni-

JACK LACY JR. Leaving For Longview

HUB CAPS TOO HOT TO HANDLE

Two Circleback youngsters Monday night learned the hard way that the salesman is only as good as his merchandise.

The pair, one 15 and the other 16, had no luck selling hub caps to a service station operator here.

The operator took a dim view of their wares and said he wasn't interested. The boys left and the operator phoned police.

Night Chief James Cox and County Deputy Elson McNeese caught the boys a few minutes later.

As a result, the sheriff's office has a supply of 33 hub caps—all stolen on hand.

The officers said the boys admitted taking the hub caps. Most of them came from cars in Morton and Muleshoe.

The boys are scheduled to explain the whole story to Judge Pat Boone Jr. in a juvenile court hearing here Monday.

Hobby Karters Must Stay Off Streets, Roads

Highway patrolmen Tuesday warned hobby kart enthusiasts they must keep their vehicles off streets and highways or face fines for traffic violations.

Sgt. D. S. Lawson said he had warned several youngsters recently and added that he and other officers will start issuing tickets.

"If kids are going to ride on streets and highways in hobby karts, they'll have to have them registered and inspected, just like scooters," Lawson said. He also pointed out that driver's licenses are necessary.

Officer Nabs Man After Chase

A Lubbock man was nabbed here Tuesday night by Night Police Chief James Cox after a 10-minute chase at high speeds through residential areas of town.

Cox said the man "ran off and left me," then crossed Highway 54 at a speed of about 60 miles per hour. Cox caught the man on 13th Street after a 10-minute chase.

The man was charged with speeding, reckless driving and driving without lights.

In addition, a Littlefield woman, victim of an apparent beating, received emergency treatment at a hospital here Tuesday night, then was charged with drunkenness.

Officers were investigating the case Wednesday morning.

Cancer Unit's Board Named

Mrs. J. R. Fain of Littlefield was named president and 40 directors were appointed Tuesday night as the Lamb County chapter of the American Cancer Society was organized.

By-laws for the new chapter also were approved, calling for monthly meetings of the organization. Committee chairmen are expected to be named at a meeting in October.

Named to serve as officers with Mrs. Fain were Dr. D. J. Stafford, Littlefield, vice - president; Mrs. Louise Kelly, Littlefield, secretary; and R. W. Manley, Littlefield, treasurer.

Appointed to a medical advisory board were Dr. Stafford, Dr. J. R. Fain, Dr. W. C. Nowlin, Dr. I. T. Shotwell, Dr. Ralph Maurer, Dr. Robert Sosa, Dr. James Shotwell, Dr. W. N. Orr, Dr. Albert Perkins, Mrs. Joyce Oliver, Mrs. D. C. Lindley and Mrs. Ruby Douglas, all of Littlefield; Dr. H. S. Prettyman, Dr. J. W. Chatwell and Mrs. E. F. Ray, all of Amherst; and Dr. F. B. Foust of Earth.

Other directors included: Doris Graham, Mrs. Addie Abernathy, Pat Boone Jr., Mrs. Robert Richey, Mrs. Kenneth Hinkle, Bill Turner, Jimmy Baxter, Rev. A. B. Cockrell and Dr. Raymond Burns, all of Littlefield.

Mr. and Mrs. Glen Exter, Percy Parsons and Mrs. Minnie Scott all of Olton; Mrs. Lester LaGrange of Amherst; Mrs. Joe Prater and Willis Apple, both of Spade; Mr. and Mrs. James Withrow, Dalton Wood and Mrs. Joe Foster, all of Sudan; Ross Middleton of Earth.

Temperatures - Sunday high 93, low 67; Monday high 95, low 64; Tuesday high 93, low 64; Wednesday high at 11 a.m. 76, low 63.

Moisture - 14.43 inches for the year and 13.82 inches for this time last year.

MRS. J. R. FAIN

THE WEATHER

Weather forecast section with a cartoon character and text: "CLOUDY Today's forecast - Partly cloudy with widely scattered afternoon and evening thunderstorms. Temperatures - Sunday high 93, low 67; Monday high 95, low 64; Tuesday high 93, low 64; Wednesday high at 11 a.m. 76, low 63. Moisture - 14.43 inches for the year and 13.82 inches for this time last year."

SHOW WINNING GILTS—Barry Wilson, above, 12-year-old son of Mr. and Mrs. E. B. Wilson of Sudan, showed the top gilt here Tuesday in the Sears Gift Show at the fair grounds. David McNeese, below, 13-year-old son of Mr. and Mrs. Leonard McNeese of Rocky Ford, placed second with his gilt. These and other boys throughout the area were given the gilts to raise last March in a project sponsored by Sears in cooperation with the Extension Service. Barry will compete in district competition at Lubbock Saturday. (STAFF PHOTOS)

big war industry contracts. Needless to say, money isn't important when it comes to war or peace. Human life is priceless. No one hopes more than we that a world-wide lasting peace can come from Kruschy's visit.

After hearing an early morning county agent on radio while traveling through Uvalde Saturday morning, I believe we can look for a Texas Legislature stir up about our underground water.

This county agent was telling his listening audience that the reason all of the springs had dried up below the caprock was the many irrigation wells on the Plains.

He quoted the number of wells that are in operation on the Plains, told of the rich wealth around Lubbock, Plainview, Hereford, Littlefield, all at the expense of all the people who live below the Caprock.

He looks for a statewide vote that would prohibit the drilling of any more irrigation wells. He believes that this Plains underground water has been coming out in the many springs that used to flow on their ranches.

Our friends Vivian and Bill Harrell of Laredo didn't think our visit down that way was complete until they had taken us over into Nueva Laredo for a Cabrito dinner. Cabrito is a very young goat, it is tender, looks a lot like chicken when it is cooked, and it tastes pretty good. If you don't know what it is.

You could get pretty sick, psychologically, if you watched the preparation of food in Old Mexico. Actually most of the true Spanish food is delicious, but just the looks of it makes you wonder just how well it's going to digest.

The most interesting thing about going to Monterrey, is to go on another 25 or 30 miles to Horseshoe Falls. We think this is the most beautiful falls we have ever seen. In fact the entire area around the falls is semi-tropical and you see so many beautiful plants and flowers that you find only in hot houses here.

You can just look at the people in Monterrey and know they won't have to worry about dying of heart attack. Everybody moves so slowly, they would probably live forever, except they die early of malnutrition from not having

Yellowhouse HD Figure Form Club Meets Salon Holds Grand Opening

The Yellowhouse HD Club met Sept. 15 at the home of Mrs. Mac Tucker.

The group sang "America" and pledged allegiance to the flag for opening exercise.

Roll call was answered by describing a different flag.

Mrs. C. T. Lunsford and a non-club member will attend the workshop on lamp shades and draperies Sept. 28 and 29 at the courthouse.

Mrs. Lady Clare Phillips gave a demonstration on "Landscaping Your Homestead." She showed colored slides.

Refreshments of cheese sandwiches, cake and cold drinks were served to Mesdames J. D. Lee, C. T. Montford, W. A. Tindie, Kenneth Haire, Fred Duffy, T. M. Murock, J. B. Haire, Tom Ham, C. D. Elder, A. F. Wedel and Lady Clare Phillips.

The next meeting will be Oct. 6 at the home of Mrs. J. B. Haire. Mrs. H. A. Vick will be honored on her birthday that day.

see that Gajand Motor is clearing out his Dodges, Larks, Plymouths, and Dodge Pickups at Dodge City. Mrs. Barney Green is reopening the Mill Drive Inn, the Littlefield Sports Arena has another good wrestling card, Penney's is coming out with a ladies hosiery special, Kirk and Spencer are blasting prices on furniture again, you have only 3 more days to register at Field's Men's Wear for the \$100 worth of Botany prizes, and Reast Oil and his Phillips 66 stations are still offering permanent anti-freeze for \$1.75.

There were three important open house events last week and reports are very good for each. Figure Form Salon, the Medallion Home and Littlefield Farmers Co-op Gin.

About every day you can hear someone say, "we need so and so in Littlefield. Overheard this week were the following: a place to buy Brownie uniforms, a swanky restaurant where they have soft lights and mod music, a piano store, and a cotton grading office.

Grand opening of Mrs. Kay Dailey's Figure Form Salon was held Saturday with 60 guests registering. Guests were shown the equipment and offered an explanation of how it is used in the firms operation.

Winners of the prizes included Mrs. Jesse Steffey, first prize of 25 free visits; Arlene Fair, second prize of portable electric mixer, and Jennie Ware, the ladies shaver, third prize.

The business is the only one of its kind in Littlefield.

Mrs. A. C. Evitt Is Honored On 81st Birthday

Mrs. A. C. Evitt was honored on her 81st birthday Friday, Sept. 18, with a dinner at the home of her daughter, Mrs. L. H. Williams at Anton.

Attending the dinner were two other daughters, Mrs. B. C. Reagan of Littlefield and Mrs. D. H. Dunlap of Levelland.

Others attending were Monte Reagan of Littlefield, Mrs. Sarvis Long and Mrs. Elont Spears and baby all of Levelland.

B. C. Hukills To Celebrate 60th Anniversary

Mr. and Mrs. B. C. Hukill will celebrate their 60th wedding anniversary Saturday, Sept. 26, at the Community Center in Littlefield. Along with the anniversary celebration will be a Hukill family reunion.

Each family is to bring a basket lunch.

Willie Whoemaker led Round Table to victory in the 1957 United Nations Handicap at Atlantic City and in 1958 he piloted Clem to victory in the same stake against Round Table who finished second.

Norway has more than 400 organized camping grounds with accommodations for tents and trailers.

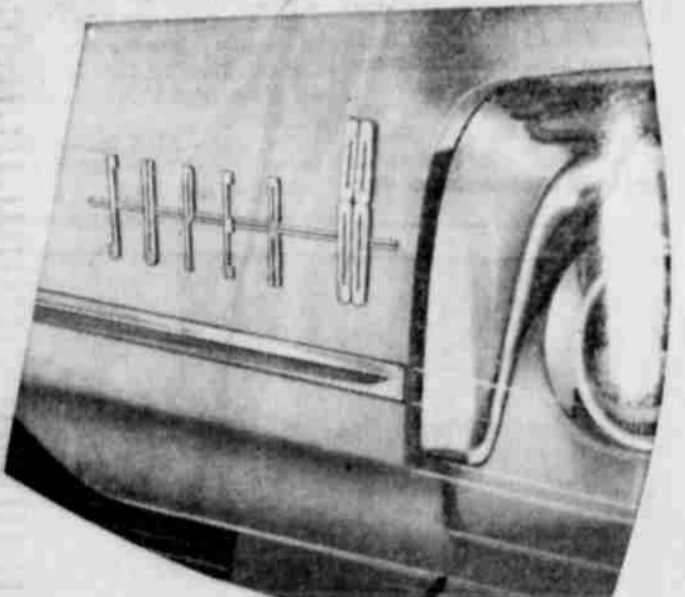

RECEIVES HANDICAP AWARD—Gov. Price Dasher presents the Handicap Texan of the Year award to "Bob" Wilcox, of Clifton, Tex., at the ceremony state capitol in Austin, Tex. Wilcox was hit by 22,000 volts of electricity in 1956, burning him severely. He lost both legs, his left arm and left ear. He now works the Community Public Service of Clifton as a meter reader. Executive Board Meets Monday At Badger Home

The executive board of the Junior-Senior High P-TA met Monday at the home of Mrs. Ruth Badger with 20 members present.

The group discussed plans for the coming year and "Back To School" night which will be held Monday.

Glenn Reeves was nominated as delegate to the State Convention in Dallas and Forrest Martin was nominated as alternate.

Those attending were Mesdames R. W. Manley, Nelson Naylor, Arthur Duggan Jr., David Vaughn, Quinton Bellomy, Frank Rogers, Ewing Thaxton, Roy Hicks, L. E. Sullins, Dale McLaugh, John Nail, E. C. Rodgers, Alvin Webb, Ed Blackwell, G. M. Nicksel, Merlin Yandrosch, Ruth Badger, Misses Linda Steffy and Fran Manley and Forrest Martin.

The United Spanish War Veterans was incorporated by United States Congress and approved by the President in 1949.

P-TA At Amherst Honors Teachers At Thursday Tea

AMHERST The Amherst Parent-Teacher Association met at 7:30 o'clock Thursday night in the school lunchroom for a tea honoring the teachers.

Mrs. Mat Nix, Jr., president, gave the welcome and Leroy Cowan, minister of the Amherst Church of Christ offered the invocation.

Supt. Elmer Watson introduced the teachers and their husbands and wives. Minutes of the May meeting were read and approved and the treasurer's report was given.

Mrs. Gene Campbell, projects chairman, presented the projects proposed for the year. They are: Improvement of the nurse's office; completing the purchase of play ground equipment and the purchase of a filing cabinet for PTA materials. In the vote all three projects were accepted.

An informal tea hour followed the business meeting. Mrs. Gene Grice of Levelland, president of the Lubbock chapter on cystic fibrosis discussed the dreaded disease and showed a film. In a question period, she was assisted by Dr. J. W. Chatwell, with the answers. She plans to attend a meeting in Philadelphia in October and will return to Amherst with additional information on the disease on invitation.

She was accompanied to the meeting by her husband and daughter. The loss of a child with the disease prompted her interest in giving information on it.

Mr. Biddy's fifth grade room received the award for having the most parents in attendance.

Local Women Attend Texas HD Convention

Mrs. I. J. Rice of Sunnydale District 2 vice president was in HD Club, Littlefield and Mrs. Bay, charge of a slit "From Dreams to Reality" which summarized the work of the 785 delegates attending past year's work in each of the 12 the 33rd annual convention of the districts. "What on Earth is Go-Texas Home Demonstration As -ling On?" was the question asked in Galveston, Sept. 18-19, by the lady from the moon to the theme for the meeting was State Standing Committee chair - "Forward Together With God," as they reported on carrying In an address on the theme of the out THDA recommendations. The opening assembly, Dr. A. T. Lyal, hostess county entertained Wednesday City, gave the 3 C's of true wednesday night, featuring the Kehre Christianity; conscience, civic - School of Dancing, Texas City, tea and consecration. He urged and a hair stylist exhibition from all to practice the art of living as Jacqueline's Beauty Salon, Galveston, close to God as possible at all times.

Director John Hutchison, Agricultural Extension Service, Cultural Extension Service, Civil Defense and District 2 is president of the THDA. All sessions were held in the Moody Center, Galveston. Mrs. O. D. Kennedy, Brownfield, Texas, was also present and spoke briefly to the group.

Two buses from Lubbock were chartered for the women in District 2. A bus tour of Galveston, boat ride around the harbor, and swimming in the Gulf were enjoyed by many of the delegates.

Workshops on citizenship, health and safety, HI, recreation, education and civil defense were conducted in which recommendations for the 1960 program of the Center, Galveston, Texas, were given and suggestions for carrying them out were presented.

HUB CAP HAVEN—Night Chief James Cox, left, and County Deputy Elson McNeese display the hub caps they recovered in the arrest of two teenage boys this week. The boys tried to sell the hubs to a service station operator here, but the operator became suspicious and called officers. Thirty-three hub caps were recovered. Story on page one.

Earth News

Mrs. C. L. Berry, who recently moved to Earth from Amherst, was honored with a coffee Friday morning at 9:30 at the home of Mrs. H. M. Secord.

The serving table was laid with an ecru lace cloth and centered with a horn of plenty arrangement. Coffee and cookies were served to approximately 30 ladies.

Hostesses for the occasion were the following: Mesdames Eldon Parish, Sam Cearley, Douglas Parish, and H. M. Secord.

Overnight guests in the Chester Elmore home Thursday were Mr. Elmore's brother and family, Mr. and Mrs. E. L. Elmore, Elaine, Paula and Eddie of Rule.

The WSCS of the Earth Methodist Church met at 7:30 Monday night at the church and began a study of the gospel of Luke with Mrs. Jack Hinson as teacher. The group plans to meet each Monday night for the six lessons in this series. Next meeting will be in the Irvine Ott home.

Mr. Chubby Dent and Mr. Harold Brittain attended a convention for managers and salesmen of the Kansas City Branch of the John Deere Company in Denver, Colo., Sept. 16-17. Dent and Brittain returned to Earth Saturday.

The Jack Britts were in Lubbock Saturday night to attend the Jerry Lewis Show. They also visited with their son and family, Mr. and Mrs. Boyd Britt.

Mrs. Lee Poteet returned home Sunday from St. Joe where she had been visiting Mr. and Mrs. Bill Cliff and Mrs. Mattie Jones.

Mr. and Mrs. Melvin Hines, Mr. and Mrs. Clarence Mason are spending several days at their cabin at Las Vegas, N.M.

Mr. and Mrs. Ed Thompson, Mr. and Mrs. Gerald Bizzell returned home Friday evening after spending several days in Denver, Colo.

Linda Thompson spent last weekend in Abernathy and Petersburg visiting relatives.

Tommy Witten and Cheryl Poteet were on program Thursday evening, Sept. 17, at the Littlefield School cafeteria for the National Farm Loan Assn. Those going for the program were Harold Carson, Mr. and Mrs. Tom Witten and Mrs. Clovis Poteet.

Mr. and Mrs. Drexal Lawas and Mr. and Mrs. Cass Kirkpatrick were in Littlefield Thursday evening.

Sammy Pierson of Petersburg is spending several days visiting his grandparents, Mr. and Mrs. Earnest La France.

Jack Hysinger reported last Thursday to Ft. Leonard Wood, Mo., where he will be stationed with the armed forces.

Mr. and Mrs. W. T. Ross Sr. of Plomot visited the Hoyt Pischels, H. A. Hysingers and J. L. Carson Jr.'s last week.

Mr. and Mrs. C. C. Hysinger returned home last week after spending several days at Truth or Consequences, N.M.

Mr. and Mrs. Roy Lang visited his brother in Muleshoe last Sunday.

Mr. and Mrs. Gerald Cross and Harold Ely of Lubbock spent last weekend visiting Mr. and Mrs. Duane Ely.

Mr. and Mrs. Frank Adams visited in Midland and Andrews last weekend.

Mr. and Mrs. H. G. Walker left Tuesday morning for Colorado Springs, Colo., where they were to meet Mr. and Mrs. John Walker of Shamrock. The two families plan to fish for a week or ten days.

Danny Smith returned to Fort Ord, Calif., last Wednesday after spending several days visiting Mr. and Mrs. A. A. Smith and Mr. and Mrs. G. T. Sides.

PERSONAL BRAND—Steve Jones, 6, has his personal brand applied to the seat of his jeans by Warren Nurdyke, superintendent of the Jersey Department of the East Texas Fair at Tyler, Tex., Steve watched Nurdyke put identifying brands on cattle at the fair and requested a brand for himself. Nurdyke obliged by applying the little boy's house number to his pants. (AP PHOTO)

Record 496 Persons View Medallion Home

More persons attended the showing of the Medallion home in Littlefield on Sunday, Sept. 20th, than any other house in the entire division's showing of Medallion homes last week, presented by Southwestern Public Service.

Southwestern Public Service manager Howard Horne reported that a total of 496 persons visited the Littlefield Medallion home, which was also the first new home built in the Cannon Terrace addition.

Although homes in towns like Lubbock and Plainview showed to more people considering the amount of homes showing and over a week's period, the Littlefield home showed to more people on any one day in any one town, according to Horne.

C-C Seeking

Farm Labor Regulations Are Opposed

WASHINGTON, D. C. (Sp.) — H. L. (Hub) King, Brownfield, Terry County farmer and Dist. 2 director of the Texas Farm Bureau, in mid-September appeared in opposition to federal regulation of farm labor housing, wages and transportation at a public hearing held here by the U.S. Department of Labor.

In brief, King said that the Farm Bureau is opposing the issuance of the regulations on the ground that they:

- (1) Should not be issued because they are not based upon adequate legislative authorization.
- (2) Should not be issued because Congress has specifically refused to grant such authority.
- (3) Should not be issued because Congress is presently undertaking a comprehensive study of farm labor issues.
- (4) Should not be issued because they contain no appeals procedure or judicial remedy.
- (5) Should not be issued because they are replete with ambiguities, undefined terms, and generalizations which are meaningless unless and until interpreted by officials.
- (6) Should not be issued because the underlying assumptions in which they are based are erroneous.

(7) Should not deal with the question of housing of migratory labor.

(8) Should not deal with the wages paid migratory workers.

(9) Should not deal with payment of transportation to migratory workers.

(10) Should not be issued because they jeopardize the cooperative working relationship between farmers and the Department of Labor.

Spouting Off

(Continued from Page One) Ruberson, now of Winters.

It's a right cool little number, according to folks down at Winters.

Most folks there are familiar with the number because it has been sung at parties and Sunday night fellowships since Ruberson wrote it four years ago.

Song writing is old business for Lloyd. Although his main job is as sales manager for an air-conditioning company, he has been singing, writing and teaching music most of his life.

In 1954, he published and had copyrighted an order of music for worship service which is often used in the First Baptist Church.

"He Loved Me So," on sale in book stores in a number of states. Lloyd sang in a male quartet in Clovis from 1923-27. He married Lillian Busher at Littlefield in 1927. The Rubersons moved to Winters from Amarillo in 1950.

Three Jailed For Theft; One On Liquor Law

County officers jailed three men on theft charges, one for violation of the liquor law, one for burglary and another for driving while intoxicated in arrests Saturday through Tuesday.

Arrested Saturday in the theft of more than \$400 in equipment from Haire Milling Co., Bainer Switch, were two Lubbock Negroes.

The men, William H. Hayes, 31, and Sammie E. Planks, 32, pleaded not guilty to the charges and their bond was set at \$2,000 each.

Jailed Monday night on a car theft charge was Laphan Brown, 40, of Lubbock. Sheriff Dick Dyer transferred the man here from Biloxi, Miss.

Doyle Collins, Sudan Negro, was jailed Sunday on a charge of liquor law violation. Officers said they found seven half-pints of whiskey between the grille and radiator of his car. Collins pleaded not guilty and his bond was set at \$1,000.

Coy Dean Fulcher, Sudan, was jailed Monday for Edinburgh officers. Fulcher was indicted there on two counts of burglary, officers said.

Jailed on a DWI charge Sunday night was Joe E. Davis of Earth. Davis pleaded not guilty and went free on \$1,000 bond.

St. Augustine, Fla., founded in 1565, is the oldest surviving city in the United States.

Morton's POTATO CHIPS

Cultivating a Rich Field calls for
DEPTH OF PENETRATION
UNLESS you are using your local newspaper as a regular part of your advertising program, you are very likely doing little more than scratching the surface of the important and rich market which it covers. Your newspaper commands the attention and respect of the community and will carry your sales message with force and dignity.
Your local newspaper has the "depth of penetration" that gets beneath the surface interest of its readers, down to where the sales action really starts. Your business will profit from a program of planned newspaper advertising.

TODAY THE U.S. CYCLING POPULATION IS OVER THE 26 MILLION MARK AND STILL GROWING.

THIS WEEK In Washington

With CLINTON DAVIDSON Perhaps as good a way as any to describe what happened to farm legislation in the first session of the 86th Congress is to write the story as a baseball writer.

President Eisenhower opened the season, as usual, by throwing out the first ball, Congress hadn't finished warming up when the President fired a brand new farm program proposal to the Hill.

Secretary of Agriculture Ezra Benson then went in to pitch for the Administration. The first batter he faced was the House Agriculture Committee. That committee refused to swing at his offering, claiming that he wasn't getting over the plate.

The same thing happened when he moved over to the other side of the Capitol and made the same pitch to the Senate Agriculture Committee. Mr. Benson left the mound with the count two balls and no strikes.

Trouble on the Mound Mr. Benson had not much more than sat down on the bench when a dispute arose as to just whose team he was on, anyway. The Secretary insisted that he was on the farmers' team, but there were protests from the stands that he was a ringer; that he really was a pitcher for consumers.

Empire Eisenhower ruled that he belonged on the farmers' team and refused, despite protests, to thumb him out of the game. That settled it, Mr. Benson stayed.

The next rhubarb was over who would pitch for farmers when Mr. Benson wasn't in the game. Both

ter, raised on the farm, might tell it.

There is no question but that farmers' legislative team finished last in the 1959 Congressional League, along with the Washington Senators in the American League.

Views From Pleasant Valley

Mr. and Mrs. Carl Reeder of Lawton, Okla., visited his sister and family, the D. W. Lackeys, last week.

Weekend visitors of the T. E. Bills were his father and mother, Mr. and Mrs. Louie Bills, of Whiteface.

Home Demonstration Club met Sept. 17 in the home of Mrs. Roy Taylor with Mrs. Lillie Wuerflein as co-hostess. National citizenship week was observed and the meeting was opened by singing, "America," Dolores Duncan led a game, "Red, White and Blue." Further plans for the spaghetti supper were made. Deadline for the sale of tickets is 12 noon Saturday evening, Sept. 26, 6:30 p.m.

An attendance contest is scheduled with Mrs. Hilbert Wisian and Mrs. Charles Stewart as captains. Mrs. Phillips showed slides on homestead improvement and talked on shrubs and plants for West Texas. Refreshments were served to 13 members. The next meeting will be Oct. 1 at the Community Center.

Mrs. Allen Haley went to Littlefield Saturday to take the Pleasant Valley 4-H Club exhibits to the Lamb County Exhibit Day.

Mrs. Kenneth Duncan and Mrs. Allen Haley went to the Lamb County Council in Littlefield Wednesday. Mrs. Duncan was elected finance chairman for the remainder of the year.

Mrs. Betty Jackson, Mrs. Judy Green and Mrs. Edith St. Clair visited the Old Folks Home in Amherst on Wednesday, taking a basket of fruit from the Social Club. Mrs. Jackson led some games. There are 28 residents in the home at this time.

Mrs. T. E. Bills attended a Girl Scout Workshop in Lubbock last Thursday.

The Pleasant Valley 4-H Club will show what it has accomplished this year at a meeting Saturday at 8:30 p.m. at the community center. Four-H records and projects will be shown and every member of the club will have a part on the achievement program. New officers will be installed and pins will be presented to members who have completed projects.

The 1959 Farm Census To Be Conducted In November

The 1959 Census of Agriculture will be taken in the latter part of November, according to an announcement this week by the Bureau of the Census, Department of Commerce.

A force of 17 crew leaders and 219 census takers in 53 county areas including Lamb County will be directed by Clyde Cook, field assistant of Berger.

Cook will recruit crew leaders to start to work on Oct. 26. Crew leaders in turn will recruit census takers, who will start to work Nov. 18.

The 1959 farm census will collect information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities, selected farm expenditures, farm values, and mortgage debt. Information will be published for counties, states, and the nation.

He notes that because of a longer lifespan women now outnumber men. Through intertance they control most of the country's wealth.

Because of their experience in child raising and family living, Dr. Mather believes, women are especially fitted to take on broad community responsibilities.

"Since early primitive times, women have shouldered the responsibility for family living and discipline and have mastered the art of adjusting to other people and cooperating with them," he says.

Dr. Mather, who heads the Penn State department of sociology and anthropology, says women are better educated than men, too. More women finish high school and get better grades than men. He admits more men graduate from college, but declares that the women who go through college usually get a broader education, because they are not as job-conscious as men.

Women, while outnumbering men, also could outvote them, if they took it into their pretty heads, he adds.

"Women must use these potentially great powers today," Dr. Mather says. "Women should expand their horizons and apply

their skills to the betterment of the community and the world. Upon women's doing this depends the survival of the species of man. For centuries women have kept the peace in the family. Now they must help preserve it in the world."

But relax, men, relax. When Dr. Mather was asked how women could make their influence felt, he admitted they will probably do it through men.

all of the stolen articles were recovered. Two of the boys involved are 13, the other 9.

The boys got about \$35 in merchandise and \$1 in change from the grocery store, \$6 in cash from the cleaners, two sets of dominoes and a case of cokes from the domino hall, and some rubber bands from the newspaper office, McLaury said.

A warm supper on the night, the tantalizing homemade soup or the brightly lighted with its cheerily set say "home" to her eloquently than all domestic comforts stacked together. And at the end of a day, opportunity for the clean up of her own closed circuit circumstances rubs disappointments, embezzlement or pain the big held.

The writer's second to to us more suitable. To see real challenge in engines" of spouse and Young dynamis of up lots of fuel in the busy day. It's routine mother and wife to fuel in so pleasant a loved ones, there's about run ahead!

Fire destroyed a truck-tractor, but Littlefield volunteer firemen were able to save its trailer and contents in a fire seven miles north of town on U.S. 385 Sunday afternoon.

L. Williams of Amherst, owner of the truck-tractor, told officers smoke began to pour out of the hood and fire spread so quickly that he was unable to stop it.

Fire Chief Mo Dunagin and his volunteers were able to separate the trailer and truck-tractor, saving a load of lumber and a small house on the trailer.

Deputy Homer McLaury said

The 1959 Farm Census To Be Conducted In November

SENIOR, FOUR SOPHOMORES, and another player with more experience than that of any are instrumental in the Bula Bulldog plans for 1959. From the left are Robert, Donny McCall, Jerry Cox, Glynn Pierce and Durwood Aaron. (STAFF PHOTO)

Area Games: Amherst-Bovina, Spade, Springlake-Muleshoe

Amherst Bulldogs entertain Bovina shut out Whitharral 28-0 in a surprise game Friday. Coach Amherst, who lost to Happy Neal Chustain hopes to have his team again be the Amherst Bulldogs in top condition to challenge the high-scoring Mustangs, who have 15 lettermen back to Amherst's 11.

SENIOR FACES IN STRANGE PLACES—When Senor Duke, left, moved from end to left guard in University of Texas football ranks at Austin, Tex., his jersey was taken over by Junior Larry Cooper, who was back as a sophomore. Cooper, of Midland, who wore the victory over Baylor last year, drapes the jersey on Duke of Wichita Falls, to symbolize the positions. Duke, however, will continue to wear the #1 which he has worn as a starter for 21 straight games. (AP PHOTO)

Hospital News

BIRTHS
Mr. and Mrs. Kenneth Gene Leage are the parents of a 7-pound, 13-ounce boy born Sunday at the Medical Arts Hospital. Gary Brent was the name given the infant.

Mr. and Mrs. David Juarez are the parents of a 7-pound, 7-ounce girl born Sunday at the Littlefield Hospital. Maria Rosalinda was the name given the infant.

Mr. and Mrs. H. B. Bassett are the parents of an 8-pound, 11-ounce girl born Sunday at the Littlefield Hospital. Jo Linda was the name given the infant.

Mr. and Mrs. Granville Butle are the parents of a 7-pound, 2-ounce girl born Tuesday at Littlefield Hospital.

LITTLEFIELD HOSPITAL
September 19
ADMITTED - H. H. Horne of Fort Worth, Kenny Birkelbach, Mrs. Maria Juarez, Mrs. Paul

Littlefield before losing, 22-0, last week.

Hale Center has lost all three of its games and is not expected to improve its average this week.

Olton may be without the services of one of the area's top backs, Rande Buchenau, who injured his shoulder in the game with Littlefield.

SPRINGLAKE VS. MULESHOE
The Springlake Wolverines, who copped a 6-0 victory over New Deal last week, will be out to upset the Muleshoe Mules at Springlake Friday.

Muleshoe smashed Portales, 43-0, last week and Springlake fought this same New Mexico team to a 12-12 tie in their season opener. Muleshoe and Springlake are a bit stronger than they were three weeks ago as both teams are playing better defensive ball so this should be an exciting contest. Muleshoe's Darrell Oliver scored 25 points of his team's 43 and gained over 300 yards rushing.

ANTON VS. WHITEFACE
Anton's Bulldogs, who lost no pride in losing 60-12 last week to the highly touted Sundown Roughnecks, will be host to the Whiteface Antelopes Friday. Whiteface defeated Cooper, 20-14, last week.

Whiteface's Coach, Emmett Brodesen, has eight returning lettermen who will be out to upset Coach Dave Smith's Bulldogs. Anton fullback Oren McGrew, who scored all 12 of his team's points against Sundown, is expected to team up with Ronnie Biffle to provide some fine running.

BULA AT SPADE
The Bula Bulldogs will continue in their district competition Friday night against the winless Spade Longhorns, who scored their first TD of the season last week.

Bula will travel to Spade and will be the heavy favorite in this six-man classic. Bula squeaked by a determined Three Way squad 24-21, last Friday, while Spade was receiving the short end of a 41-9 score at Cotton Center.

OLTON VS. HALE CENTER
Coach Joe Turner takes his Olton Mustangs to Hale Center tomorrow night to test the offerings of "Boss" Byerley's Owls.

Olton has not been able to score in its last two encounters as Turner continues to shake-up his players at various positions. The Mustangs played a good game against Sheariths are the largest fresh water fish in the rivers of Europe. It is practically the same as catfish caught in American streams.

Most of the exports from Uruguay, the South American republic, are animal products such as packaged meats and hides.

Japanese women first voted in 1946.

ROCKET TRIP TO THE MOON!

If and when Uncle Sam decides to launch a space craft, he will have no problem in recruiting a crew to man the ship. Newspaper advertising can do the recruiting job. In fact one such advertisement has been run in one newspaper. It brought a flock of responses from prospective space travelers.

Last spring Farr Tours, a travel agency, published an ad in a Florida newspaper with the headline, "Space Available Now! New Deluxe Ion Rocket Ship to the Moon." The advertisement was a gimmick intending to show what the agency's offerings might be in 1987.

When the travel agency received 150 requests for reservations, the copy writer who prepared the advertisement concluded that newspaper advertising could sell anything. "It proves again that people read newspaper advertising and act on it," he said.

AT NEW GIN—Above is a picture taken while the Littlefield Farmers' Co-op Gin held open house Saturday. About 500 persons registered for the event.

500 Persons Present At Gin Open House Saturday

About 500 persons were guests of the Littlefield Farmers' Co-op Gin Saturday as the gin held its first public showing of its new plant. Gin manager Rex Love said he was pleased to have had this number of people show an interest in the gin. Besides area people, many out-of-town people attended. The all-electric gin is described by Love as being the most modern on the South Plains. Door prizes were awarded to 15 people, totaling \$125. Persons getting \$10 prizes were Mrs. Bill Anderson of Littlefield, Johnnie Myers, Route 2, Littlefield; Mrs. F. H. Glazner, Rt. 1, Littlefield; Jarold Jones, Littlefield; Tom Siple, Littlefield; Cecil Mason Jackson, Littlefield; Patsy Martin, Littlefield; and B. E. Grey of Littlefield.

By Mrs. Joe Prater

Spade Scoops

The Rev. J. W. Reeves, Plainview, a teacher in the Spade school, preached the morning and evening sermons in the Spade Baptist Church last Sunday.

Mr. and Mrs. Dock Haile of Muleshoe were in Spade last Sunday.

Mr. and Mrs. J. B. Lackey and Jacalene of Littlefield attended services in the Baptist Church and visited with her parents, Mr. and Mrs. Bud White Sunday.

Homer Miller, R. L. Stubblefield and W. O. Hampton have recently returned home from a hunting trip to San Saba.

Mrs. R. A. Leonard and Mrs. Marie Hamilton attended the Medallion Home open house in Littlefield last Sunday afternoon.

Mr. and Mrs. Ralph Matthews and family and Mr. and Mrs. J. R. Matthews visited Mr. and Mrs. W. R. Moore, Cotton Center, last Sunday afternoon.

Mr. and Mrs. Marshall Elder of Hub has returned home from a visit to Mrs. Elder's parents in California. They were visitors in the J. B. Elder home last Sunday.

Mrs. T. T. Harrison of Lubbock has been visiting with Mrs. Mamie Davis and other friends. She and her late husband formerly owned and operated the gin now owned and operated by W. O. Hampton.

Mr. and Mrs. Raymond Wiley and Jeff of Cotton Center were visitors at the Baptist Church and Sunday guests of her parents, Mr. and Mrs. J. R. Inklebarger.

Mr. and Mrs. Raymond Williams and family have moved to Littlefield. He is working for the Purdy Machine Shop. He formerly worked for the Spade Butane

Mr. and Mrs. Deek Heard visited last weekend with their parents, Mr. and Mrs. R. D. Heard and Mrs. W. W. Johnson, Olney. They have recently visited their daughter, Mr. and Mrs. Rayford Ginn and Gary, at Uma, Ariz.

Mr. and Mrs. Vady Wade and children of Whittarral were visitors last Sunday of Mr. and Mrs. David Hutchins and David. Mrs. Wade and Mrs. Hutchins are sisters.

Mr. and Mrs. Eldon Wood and family of Littlefield, visited last Sunday in the home of Mr. and Mrs. Luther Wood and family.

Mrs. D. H. Allen is with her mother, Mrs. Nora William in Stephenville. Mrs. Williams is seriously ill with a heart condition and has been hospitalized the last three weeks. She lives here with Mrs. Allen.

Miss Edith Allen is visiting her sister, Mr. and Mrs. Leldon Phillips and family, at Muleshoe.

Mr. and Mrs. H. R. Wallace spent last weekend in Hall County. They also attended the Hall County Reunion in Memphis, Tex. on Sunday.

Mrs. G. E. Blair of Sweetwater spent last weekend with her sister, Mrs. Howard Harvey, Mr. and Mrs. G. E. Blair, Jr., Georgia Ann and Ginger of Lubbock

Mrs. Howard Harvey spent last Friday with Mr. and Mrs. Alvin Ray of Morton. They had a picnic supper in MacKenzie Park in Lubbock.

Mr. and Mrs. Bayne McCurry had as their Sunday dinner guests Misses Jackie Thompson, Littlefield; Pattie Wiman, Roscoe; Sonya Blasingame, Amarillo; and Pat McCarty, Plainview. These girls are part of the Wayland College Mission Band which presented the program at the First Baptist Church, Littlefield, Sunday.

Mr. and Mrs. J. A. Greer are the grandparents of a 6 lb. 10 oz. grandson born Sept. 15 to Mr. and Mrs. Joe D. Greer of Littlefield. The young lad was named Timmy Lynn and is the first child of the couple.

Mr. and Mrs. Roy Hutson returned last week from a visit with their daughter and family at Pecos.

Mrs. Mitchell of Quail is visiting in the home of her son, Mr. and Mrs. Edward Mitchell and Patricia.

Mr. and Mrs. Andrew Jarnigan and family visited her parents, Mr. and Mrs. I. J. Rice of Littlefield, Sunday.

W. B. Jones Sr., has been a patient in the Littlefield Hospital since last Thursday. He returned home Tuesday.

Among those having birthdays this week are: E. F. Durham, Mrs. E. H. Gray, Sherman Sipes, Mrs. Norman Singer, Ralph Matthews, Mack Vann, Joe Young, Jr., R. L. Stubblefield and Christie Adams. Mr. and Mrs. Roy Black will observe a wedding anniversary Sept. 26.

Sam Nickols, a 1959 graduate of the local high school has entered Texas Tech. He is a grandson of Mr. and Mrs. Bird.

Bobby Nelson, son of Mr. and Mrs. Jim Nelson, who was also a 1959 graduate has entered WTSC at Canyon.

Alice Jones has entered the fall semester at Tech to continue her studies. Her brother, A. B. Jones Jr., is a part time instructor at Tech.

Tommy Matthews, son of Mr. and Mrs. Ralph Matthews was admitted to the Littlefield Hospital Monday.

Mmes. John Vrabel, Travis Hopper and Edward Mitchell attended a training meeting for PTA leaders in Levelland last Thursday.

About Your Health

Does your body profile look like the bent part of a Capital "D"? Would you like to acquire a bright new outlook on life? Then get rid of that pretzel posture.

Good posture is the starting point of good health and appearance. Luckily, it is fairly easy to attain. Here's how:

Hold your head high and pull your chin until your eye level is parallel to the ground. Pull your shoulders back and make the shoulder blades form as near a flat surface as possible.

Raise your chest up and push it forward until the buttons strain. Draw your abdomen up and in, and when you breathe make sure its your chest that rises and falls and not your abdomen.

Flatten the lower part of your back, tucking the buttocks as close under the hips as possible. Tip your hips down in the back. Hold your knees straight but not stiff. Put your feet parallel, with the weight evenly balanced.

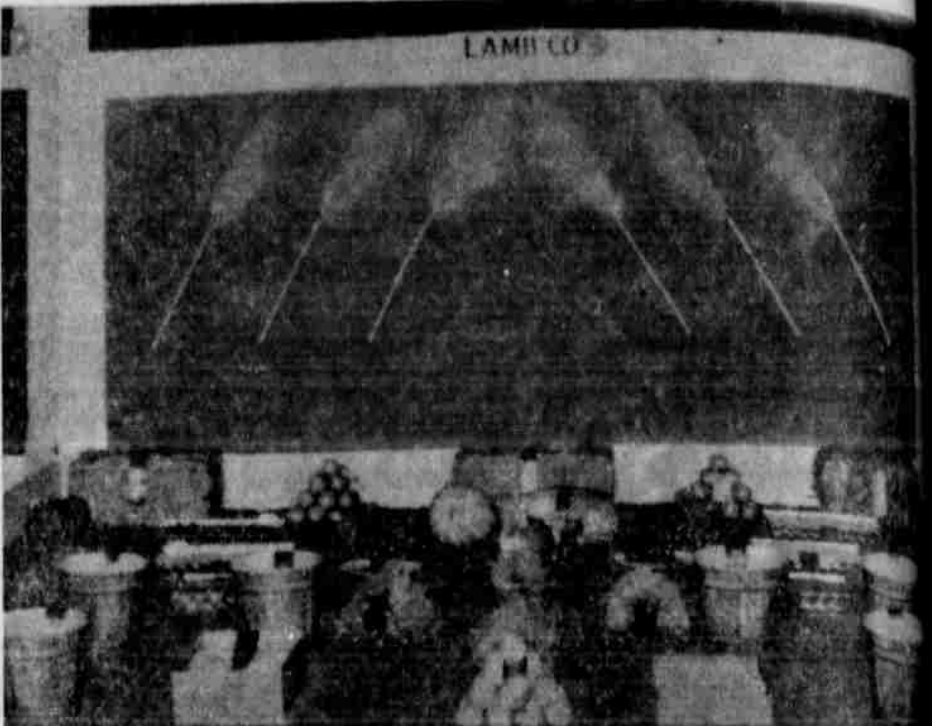

Be careful not to revert to the old slouch when you sit down. Be conscious of good posture at all times, and the first thing you know it will be second nature. You'll begin to feel uncomfortable in a bad posture.

The old saying that "there is a place for everything" is doubly true for the human body. Each organ has a specific place in which to function, and functions best in that space. Vital organs—heart, lungs, abdomen, etc.—tend to be cramped when the body is slumped or slouched over.

Cramped lungs cannot deliver a full supply of oxygen. Circulation is slowed down when the heart is cramped. And a cramped stomach impairs digestion.

The advantages of good posture go far beyond the purely physiological. Standing straight and tall, relaxed and comfortable, will give you a brand new outlook on the world. You'll get a "lift" far out of proportion to the little bit of conscious effort it takes to assume a correct stance and make it a permanent habit.

Try it the next time you walk by a plate glass window. Glance at your reflection—chin up, chest out, shoulders back and stomach flat, stretched to your full height. What a fine figure you cut!

LAMB COUNTY'S agricultural exhibit at the Tri-State Fair at Amarillo is shown. The exhibit included more than 60 crops grown in the county. The showing won prizes and 11 seconds, along with numerous thirds and fourths. See story, page 8.

NUMBER 18

First Baptists To Hear Island Man Sunday

Dr. J. I. Bishop, associate religious education chairman of Bible and religion Baptist College, will be guest speaker at 8 p. m. at the First Baptist Church, Littlefield.

DR. J. I. BISHOP

Dr. Bishop, who has taught at the First Baptist Church since 1955, holds the Religious Education Degree from the Southwestern Baptist Theological Seminary, Fort Worth.

He has been national editor of the "Ambassador Life" magazine for several years. His work involves writing for various publications in Baptist circles, principally directing courses required of church members and church secretaries.

He has also written and edited the national "Ambassador Life" magazine for several years. His work involves writing for various publications in Baptist circles, principally directing courses required of church members and church secretaries.

He has also written and edited the national "Ambassador Life" magazine for several years. His work involves writing for various publications in Baptist circles, principally directing courses required of church members and church secretaries.

rch of the Master's Men," Intermediate Vacation Bible School textbook; and, in collaboration with Mrs. Bishop, former secretary of Young Women's Auxiliary for Texas Baptists, "Appointment for Andy," a Foreign Missions study course book.

Red Raiders To Take On Oregon State

LUBBOCK - First visit of a "big name" Pacific Coast team to West Texas will be Oregon State's meeting with Texas Tech's Red Raiders in Jones Stadium at 8 p. m. Saturday.

Oregon State's football fortunes during the past four years—Coach Tommy Prothro's regime—have been the best on the Pacific Coast. The Beavers were beaten last Saturday night but it was at the hands of Southern California, favorite to win the Association of Western Universities, successor to the Pacific Coast Conference, 27-6.

Oregon State runs the single wing offense. Meanwhile, at Texas Tech Coach DeWitt Weaver, with a numerically-thin squad, is cheered by the Raider's 20-14 victory over Texas A&M in Dallas.

Bearing out Weaver's prediction of an exciting team, all three of Tech's touchdowns were the result of long runs—a 54-yard pass interception by Temple's Dick Stafford, a 75-yard pass-and run from Munday's Glen Amerson to Alpine's Bake Turner, and a 33-yard run by Fort Worth's Dan Gurley. Tech overcame a 14-6 deficit in the third quarter to off-

LOOK! XNFU, THEY'RE HAVING SOME KIND OF EXCITEMENT ON TERRA FIRMA!!

TV Stars, Inmates Feature 28th Annual Prison Rodeo

HUNTSVILLE - Inmate contestants, plus a host of the nation's topflight television and recording stars will be the bill of fare for the 28th annual Texas Prison Rodeo here in the prison's \$1,000,000 stadium each Sunday in October.

Big name stars such as James Arness, of the TV series, "Gunsmoke," along with Johnny Cash, popular country-style singer, open the 1959 series on Oct. 4. Dale Robertson of "Tales of Wells Fargo," and Tommy Sands, sensational singing idol of the teenage crowd, appear on Oct. 11, while Steve McQueen of "Wanted - Dead or Alive," teams with Singer Johnny Horton of "The Battle of New Orleans" fame on Oct. 18.

For the October 25 performance prison rodeo officials say they will produce two additional nationally-known stars for the closing of the 1959 series. In addition, there will be other

outside acts, rodeo clowns, inmate entertainment groups and mounted quadrilles from Pasadena and Bellville. The Houston Range Riders also will appear and for the first time the rodeo will feature a girl's barrel race event.

H. H. Coffield, Rockdale businessman, who serves as chairman of the Texas Board of Corrections and its rodeo committee said, "We are doing everything possible to present the best entertainment feature found anywhere."

"We are of the opinion that a well-rounded show will attract more people to this unusual rodeo which benefits around 12,000 inmates of the Texas Department of Corrections."

Coffield explained that net proceeds from rodeo ticket sales are placed in the prisoners' welfare fund which is used to supply rehabilitative services not furnished by the Texas Legislature.

Reserved seat tickets at \$2.40 and \$4.40 each, tax included, may be obtained by writing Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

Whitharral Lions To Buy Chairs, Hold Broom Sale

WHITHARRAL - Ed Johnson presided at the regular meeting of the Whitharral Lions Club here Thursday evening at the luncheon room. The club voted to buy 50 chairs for the auditorium and set Oct. 24 as the date for their Broom Sale for the blind.

"Ladies' Night" was observed. A steak dinner was prepared and served by Mesdames Viola Goad, Richard Horton and Carrie Eller. Present were Messrs. and Meses. Johnson, Coy Grant, George Wade, Jr., Robert Avery, Jr., Billy Williams, Don Reding, Brady Helms, Henry Jones, Chester Borders, C. B. Keeney, C. O. Head, J. W. Borders, Jr., H. G. Walden and Messrs. R. H. Bryant and Charles Hayes.

Littlefield, Area Bands To March In Fair Parade

Six area bands will take part Monday in the Parade of Bands, an annual feature of the South Plains Fair at Lubbock.

The bands are those of Littlefield, Beryl Harris, director; Amherst, Jerry Bartley; Anton, Miss Letha Scott; Springlake, Norman Hemphill; Sudan, Lee Boyd Montgomery Jr.; and Olton, Richard Bentz.

The parade will once again herald the opening of the Panhandle South Plains Fair as 30 area school bands march down Broadway in Lubbock beginning at 10:30 a. m. Monday.

Chairman of the band committee, D. O. Wiley, who was director of bands at Texas Tech for 25 years, said that there would be four classes of bands participating in the parade competition - AAA, AA, A and B - graded according to school size and instrumentation.

and that there would be two awards presented in each classification.

Judges for the parade of bands have been selected and are: Donald Hatch, Band Director of the Senior High School, Wichita Falls; Robert E. Fielder, Senior High School Band Director, Abilene; Robert L. Maddox, Superintendent of Instrumental Music, Odessa.

Other members of the Band Committee, Panhandle South Plains Fair Association, include Paul Branom, band director, Tom S. Lubbock High School; Fred Stockdale, band director at Monterey, D. O. Wiley, who was director of bands at Texas Tech for 25 years, said that there would be four classes of bands participating in the parade competition - AAA, AA, A and B - graded according to school size and instrumentation.

Fanny Brice, famous American comedienne, studies for the stage under James O'Neill, father of playwright Eugene O'Neill.

ARMY PVT. Max G. Keating, 22, son of Mr. and Mrs. William M. Keating, Olton, Tex., departed from Fort Benning, Ga., early in September for Germany and an assignment with the 3d Infantry Division, a major unit in the NATO shield of defense in Europe. While stationed at the Georgia fort, he was assigned to Headquarters Company of the 2d Division's 9th Infantry. Keating entered the Army last February. A 1954 graduate of Olton High School, he attended Texas Technological College. (U.S. ARMY PHOTO)

Valley View Club Meets In Miller Home

WHITHARRAL - Mrs. Buddy Miller was hostess to the Valley View Community Club at her home in the Oklahoma Flat Community Thursday afternoon, Sept. 17.

Mrs. Hayes Denney presided at a brief business meeting. The time for the October meetings was changed as follows: the first Johnnie Miller, Raymond Clevenger, H. Denney, and the hostess.

Thursday, Oct. 8, instead of Oct. 1; the second at the home of Mrs. H. G. Ferguson, 727 E. 12th St., Littlefield, on Thursday, Oct. 29, instead of Oct. 21; the latter to be a Halloween party.

Punch, cake, and cheese crisps were served to the following visitors, Mrs. Mary Bishop of Lubbock, Payne of Levelland, Nick Gray, C. C. Overman, and members J. C. Hodges of Anton, Wade Strother of Morton, Hal Ferguson of Littlefield, Coy Grant, S. J. Clevenger, Jr., Robert Strickland, Ray Denney, Claudine Vaughn, and the hostess.

An eye opener to Soviet Premier Khrushchev on his U. S. visit should be the spectacular use of energy in American homes and factories, and in transportation. The above chart compares American and Soviet energy production, and projects the comparison to 1965. Russia is second to the U. S. in total energy output, but is behind at least a dozen Free World countries in per capita energy use. The Soviet recently has announced vast new programs to expand energy output with a 1965 goal as shown here. Despite these programs, America can maintain "energy supremacy" for the foreseeable future, says the Independent Petroleum Association of America. Petroleum fuels, oil and natural gas, provided 69 percent of U. S. energy needs in 1957 and by 1965 will be filling 72 percent of our requirements.

County Agent's Corner

Motorists Asked To Help Save Winter Feed Crops Across State

By W. E. KIMBROUGH, County Agent

This week Texas motorists were compared with 54 per cent a year ago. Sheep and lambs were reported to have valuable grass fed at 85 per cent condition Sept. 1, by using care with matches and 1. A month ago sheep were regrettably. That grass you reported at 87 per cent condition, a from the highway is like money in your pocket at 84 per cent, and the bank for the stockman. It is 19-year Sept. 1 average at 76 per his winter hay crop. Actually, the cent.

motorist has a big stake in the grass, too. If he enjoys hunting, the grass represents food and cotton crop as of Sept. 1 is fore- cover for deer, quail and other cost at 4,525,000 bales. This is game birds and animals. For the 225,000 bales less than indicated fisherman, the grass means clear a month earlier. Dry weather in streams and better fishing in ponds the southern High Plains, heavy or lakes. And for all of them, the insect infestation in northeast Texas can mean tasty beef steaks, root rot in the Blacklands, and lamb chops. 11 American Schools Catch Fire Every Day

For the past three years, American schools have caught fire at the rate of 11 a day; but few schools yet have been provided with the simple automatic detection equipment which has proved its value in factories.

So reports the October Reader's Digest, in an article asking "Is Your Child's School Safe From Fire?" It charges that "parents, school boards and administrators all over the country have chosen to take a not very well calculated risk" with children's lives.

The oldest adage in firemanship is that the first five minutes at a blaze are worth the next five hours. But of 300 typical school fires analyzed by the National Fire Protection Association, 205 were belatedly discovered by passers-by.

One of the most tragic was the Chicago parochial-school fire in which 50 children and three nuns died. The alarm was not turned in until 12 minutes after the first teacher smelled smoke—and that alarm was a panicky telephone call which sent firemen to the wrong building. In Cheektowaga, N.Y., 15 children died on their about 80 per cent of the expected school's ground floor because fire was undetected until it burst in full fury through a hall door, cutting off exits. In Cerdo, W. Va., teachers smelled smoke around 1 p.m., but did nothing about it for three hours—until a passerby reported that smoke was pouring out of the school's upper windows. Loss: \$310,000.

The value of automatic equipment was demonstrated when fire broke out in a Wellesley College dormitory, which has such equipment. It started in the evening when most girls were in their rooms; yet firemen were there in two and a half minutes and the blaze was out in five. A fire chief said: "This was the tragedy that didn't happen."

The cheapest kind of automatic fire detector—a 20-unit set of plugs which sound off with a shrill whistle under heat—costs around \$50. More elaborate systems spray water on the fire area, or turn in an automatic alarm at fire headquarters. A typical system, installed in a 17-room school at Palmyra, Neb., cost \$2700. Rochester, N.Y., installed one in its new P.S. 17, Stamford, Conn., is installing one in its new school. In new construction cost runs around one per cent of total construction cost.

The article, by Paul W. Kearney, is condensed from National Parent-Teacher.

Texas Ranger Force Increased

AUSTIN - The Texas Ranger force has been increased to 52 men—one more than the complement which has been in effect for more than a decade.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety and Chief of the Rangers, commissioned Everett Smith, Sheriff of Sabine County for the past nine years, as the 52nd Texas Ranger.

The addition to the authorized strength of the Rangers was made by the recent session of the Legislature. The new post was the first one added since Sept. 1, 1947. Garrison said Smith, of Hemp-hill, Texas, would be assigned to the Houston Ranger Region under the command of Captain Eddie E. Oliver.

DAVIS & HUMPHRIES, OWNERS & OPERATORS

Mrs. Harlan Pickett was hostess for the first business meeting of the year for the Epsilon Sigma Alpha Sorority recently when Mrs. Bob Taylor co-hosted the affair.

Among items discussed was the Christmas card sale and coffee which is an annual event. Leading the program was Mrs. Eldon Nichols. Those in attendance included Mrs. Orval Wallace, George Lambert, Joe Bert Maridham, Bob Masten, Bud Provence, Mike Lardy, J. W. Miller and hostesses, Mrs. Taylor and Mrs. Pickett.

Rev. Hubert Austin, pastor of the local First Baptist Church, will appear on the program Friday morning at the annual West Plains Baptist Association meeting to be held Thursday and Friday at the West Camp Baptist Church. Rev. Austin will bring a message on "Civic Righteousness."

The Wayne Rogers were in Wheeler the first of the week to be with her father, Mr. Baird, who was seriously ill.

Bennett Hutchinson, son of Mr. and Mrs. E. B. Hutchinson, is attending the fall semester at Abilene Christian College.

Attending a TSTA Workshop in Lubbock Wednesday afternoon were high school principal, Vance Osborn, Grade school principal, Bernard Wilson and Supt. C. O. Gregory.

Mrs. Kenneth Wiseman has been hired to serve as an additional teacher in the local schools due to the influx of transient students according to Supt. C. O. Gregory. Mrs. Wiseman assumed her duties the first of the week.

Macky Ballard, a member of the U.S. Air Force who is stationed at Amarillo, was home over the weekend to visit his mother, Mrs. Alma Ballard.

Mr. and Mrs. Earl Chester of Friona visited Sunday in the homes of their children, Mr. and Mrs. Dick West and Mr. and Mrs. Billy Chester.

Mr. and Mrs. Jimmy Arnold and son of Fort Worth visited over the weekend in the homes of their parents, Mr. and Mrs. L. F. Meeks and Mr. and Mrs. J. P. Arnold Sr.

In Amherst Monday evening for a meeting of the Lamb-Bailey County School Administrators meeting were administrators of the local school, Supt. C. O. Gregory, Bernard Wilson, Vance Osborn and Dave Tullis.

A social and supper will be held Thursday evening in the Community center for members of the Epsilon Sigma Alpha when Mrs. Jay Miller and Mrs. Orval Wallace will be co-hostess. Guests for

Among college students home for the weekend were Karen Engram, Jackie Brown, James Gore, Kenneth Cole, John Bellar, and Jackie Adrian all of WTSC, Canyon; Keith May, Smokey Savage and Nazario Martinez, Texas Tech; Glynda Masten, Wayland; Dan Woods, Lubbock Christian College.

Bobby Newman and Agriculture instructor, Edgar Chance, will be in Littlefield Thursday afternoon to attend the Littlefield District 1, FFA meeting. Bobby is president of the local FFA chapter. Officers are to be elected and a program outlined.

Rev. Ellis Todd reported the revival at the Methodist Church last week a success with two conversions and five new additions to the church. Rev. Lyman Wood of Amarillo was visiting evangelist for the services and Allen Adams of Shallowater was in charge of the music.

Mrs. Alsie Dudgeon has been ill and confined to a Muleshoe Hospital.

3 Littlefield Men To Take Part In Field Day

Three Littlefield men will act as field day guides today at the annual field day of the High Plains Research Foundation at Halfway.

Ollie F. Limer, Hale County agent, will be in charge of the field day officials.

The three Littlefield men taking part are W. R. Kimbrough, Lamb County agent; Herb Helbig, assistant county agent; and Pete Stultz, Caprock Fertilizer.

He Asked For It

As our voluble guest from Moscow rode up Washington's Pennsylvania Avenue with President Eisenhower and was escorted by the President to the door of Blair House just across the street from the White House, a mysterious gleaming white cross appeared in the blue autumn sky overhead.

In New York, where security considerations dictated the use of a closed car, the same cross hovered over 42nd Street, but perhaps he didn't see it.

On Wednesday, in the course of answering a question on trade put to him at the National Press Club luncheon, Comrade Khrushchev said: "We have not come here with a long hand to try to get into your pockets. We have enough of our own. Nor have we come here but in hand awaiting to get something."

On Thursday, Mayor Wagner in the course of his welcoming speech at a luncheon given by the City of New York said: "Chairman Khrushchev will undoubtedly recall how the great pipe-line of lend-lease started flowing (in World War II) even before our own nation was under attack, and how \$11 billion of it was channeled to Russia alone over a five-year period."

This delicate reminder that this loan remains unpaid, may also have reminded Mr. K. of earlier loans that have been flatly repudiated and of his own bombastic statement in Moscow a few days ago that: "The Soviet Union has always fulfilled and will continue sacredly to fulfill its international undertakings."

In his Thursday press conference, President Eisenhower challenged the Khrushchev "third country" remark made at the Senate Foreign Relations Committee "tea party". Senator Wiley had asked: "Why did you come here?" and our visitor replied that it was not to discuss "third countries". The President said there was no agreement of the sort, on Laos or any other "third country".

In both Washington and New York, the Kremlin's head man has emphasized that the purpose of his visit is "better understanding."

It could be his understanding of the US is improving—every day.

Fact And Opinion

The New York Times says, "Disturbed and angered by a spate of rumors, reports, speculations and accusations that he is now taking a softer line toward what he has denounced as Communist imperialism, President Eisenhower has taken steps to repudiate any such insinuations. . . . In reply to such misinterpretations, President Eisenhower served notice at his Gettysburg press conference that he stands on his past policies and that he will pull no punches in his talks with Mr. Khrushchev in support of them. . . . He does not propose to abandon the subjugated nations, whose hopes for freedom have been stirred anew by his Captive Nations proclamation. He will not agree to mere paper pacts on disarmament. He has no intention of recognizing Communist China or inviting Premier Chou to visit this country at this time. And he most certainly will not make a "deal" with the Soviets to partition the world behind our allies' backs."

A new study, reported in a publication of the American Medical Association, shows that nearly as many Americans die from bee stings as rattlesnake bites. Over a five-year period rattlers killed 55 people in this country, and bees 52.

National Review says that Khrushchev didn't believe a Nixon statement that there are more than 60,000,000 cars in this country. The statistical fact: World car population is 111,000,000, of which 67,000,000 are ours.

A survey made by the Executive Manpower Corporation finds that major industry will need more than 5,600 top executives within the next six months. Salary-wise, 83.4 per cent of these positions will pay \$10,000-20,000; 15.2 per cent \$20,000-40,000, and 1.4 per cent \$40,000 and up.

The American railroads spend upwards of \$22,000,000 a day for wages, purchase of fuel, materials and supplies, improvements and federal, state and local taxes.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

By VERN SANFORD Texas Press Association

AUSTIN - In previous presidential nominating years, Texas Democrats have had their hands full with in-the-family fights.

Who would control the Texas delegation to the national convention was often a hotter question than how the entire national convention would go.

But this year the focus is wider. Many Texas Democrats hope and believe that Texas Sen. Lyndon Johnson will be not only a front runner but the winner of the party presidential nomination.

This makes Texas strength in proportion to other states and the number of states going "with Texas" a matter of greatest concern.

In his respect, Texas won a sugar-coated defeat at the National Executive Committee meeting. Rules were changed so that Texas now gets 61 delegate votes out of a total of 1,531 instead of 56 out of a total of 1,572 under the old formula.

Five extra votes sounds good, but actual effect is to change Texas' share of the total from

approximately 4.3 percent to 4.1 per cent.

GOP FIRES ROUND - Texas Republicans, too, are stirring themselves for the election year ahead.

Legislative committee of the GOP aimed a sweeping broadside at the activities of this year's legislature. There are no Republican members in what the GOP called "the worst Legislature in Texas history."

It accused the "Democratic monopoly session" of spending \$3,000,000 for its salaries, staffs and expenses and enacting a heavy load of so-called "painless" taxes. It also made some uncomplimentary remarks about action in relation to regard to water law, election law, criminal law, lobby law, etc.

Texas Republicans will probably hear more calls to battle when GOP National Chairman Thurston B. Morton makes a seven-city swing through Texas in November. His theme is to "Recruit for '60."

ON WITH THE SHOW - Texas' highway building program can keep moving ahead, said State Highway Engineer DeWitt Greer, since federal enactment of a one-

Ship and travel Santa Fe ...the longest railroad in the U. S. A.

See your nearest Santa Fe agent

cent hike in the gasoline tax promises more funds.

Greer said the expected funds would enable Texas to move at about 75 percent its present speed. "This will be most helpful," he said, "to keep us on an even keel."

Meanwhile, the Highway Department went about its mammoth business. Low bids totaling \$18,045,080 were tabulated by the Department on road and bridge building projects put up for bids this month.

NO BONDS, NO BOATS - Highway Department has seaway as well as roadway problems.

Current difficulty involves the state-operated ferry between Galveston Island and Bolivar Peninsula. Owners of submerged land crossed by the ferries obtained a court order requiring the ferry operators to have personal liability bonds against possible damage to the property.

Highway Department said that neither the state nor the ferrymen were able to pay for the bonds.

It looked as if the ferries, which carry some 25,000 autos a month, would have to shut down. However, the landowners bringing suit agreed to a stay of enforcement on the court order until Sept. 28 to give time for something to be worked out.

BIG YEAR FOR TEC - Texas Employment Commission paid out a record high \$68,256,333 in unemployment benefits in the fiscal year just ended.

But TEC also reported a record year finding jobs for the unemployed. It found work for 1,035,301 persons. More than 18 percent of the placements were persons over 45, and 26,437 were handicapped persons.

Texas' job placement total for the handicapped is the second largest figure for any state in the

nation, and it has had above average success in placing older workers. Only 16 percent of the job-seekers were over 45, but 18 percent of those placed were in this bracket.

HE MADE COMEBACK - Bob Wilcox, a meter reader who suffered a 33,000-volt electric shock and now holds a job with the Community Public Service Co. in Clifton, is "Texas Handicapped Person of the Year."

Wilcox was honored in Austin at the annual meeting of the Texas Governor's Committee on Employment of the Handicapped. Also cited were Lone Star Plastic Company, Inc., of Fort Worth and Southwestern Industrial Electronics Company of Houston for their help in the hire-the-handicapped program.

INSURANCE LAW UPHELD - An Austin district court has upheld the constitutionality of a law which authorizes the Board of Insurance company management to be competent, fit and worthy of public trust.

Mr. and Mrs. Carl Jordan of Dallas, formerly associated with the Great United Life Insurance Co., brought the suit to test the 1955 law.

Since constitutionality of a law is involved, the case may be appealed directly to the State Supreme Court.

GAS TAX TEST AHEAD - Another court test is ahead after natural gas pipeline companies make their first payments under the new severance beneficiary tax passed by the Legislature last summer.

Attorneys for gas companies say suits challenging the constitutionality of the act will be filed after the first payments are made in October.

Gas companies won their court

battle against the old gas gathering tax a few years back requiring the state to refund the taxes paid.

HOSPITAL AID DUE - Fifteen Texas hospitals and treatment centers are to receive some \$11,500,000 in federal money for improvements.

State Board of Health, which has the responsibility for passing on projects to receive Hill-Burton hospital funds, announced the list. All federal grants must be matched by local funds.

Hospitals to benefit are Baptist Memorial and Methodist Hospital, San Antonio; St. David's, Austin; Harstard County Hospital, Spearman; Newton County Hospital, Cameron; St. Elizabeth's and Methodist Hospital, Houston.

Also Archer County Hospital, Archer City; Corpus Christi Memorial, Corpus Christi; Hillcrest Hospital, Waco; R. E. Thompson General Hospital, El Paso; Angellina County Hospital, Lufkin; Kahn Memorial, Marshall; Vocational and Rehabilitation Center, Dallas; Denton School for the Mentally Retarded, Denton.

WCSO Holds Regular Meeting

WHITHARRAL - "Intercessory Prayer" was the subject of the program at the regular meeting of the Women's Society of Christian Service at the First Methodist Church here Monday afternoon.

Mrs. Dillard Ridings led the discussion after the opening of the meeting with songs and prayer. Taking part in the program were Mrs. Russell Cotton, Elmer Ward, Robert Strickland, J. E. Gravit, Vera Rodgers and G. F. Edgar.

Sandhills Philosopher

Whose Hammer & Sickle Did Reds Shoot To Moon

Editor's note: The Sandhills Philosopher on his Johnson grass farm writes as though he were moon-struck this week.

Dear editor:

I was outside the other night taking a close look at the moon and I'll have to admit it doesn't look any different now than it did before the Russians hit it. Still harmless and peaceful looking, sending down the sort of light that makes even a weedy pasture look lush and as well-tended as a country club golf course. Moonlight just naturally improves the looks of all pastures and most women.

I haven't gotten very excited about traveling to the moon. I'm about as close to it as I want to be, as I suspect the moon is about like a Hollywood movie actress, looks a lot better and more glamorous from a distance than close up, but what I started out to say was I've been wondering what the Russian farmers think about the Russian scientists' planting a hammer and sickle on the moon.

I can imagine a conversation between two Russian farmers sitting on the front steps under a full moon after a hard day's work, going something like this:

"Say, J. Asky, did you know Mr. Khrushchev has sent a hammer and sickle to the moon?"

"Whose hammer and sickle?"

"What do you mean, whose? I guess it was his."

"Why didn't he use mine? I'd have been glad to let him mine."

"Yeah, but if they'd sent a hammer and sickle to the moon, how'd you work tomorrow?"

"That's what I'm thinking out. I'd have been glad to let them have mine."

Yours truly,
J.A.

NOW... '60 CHEVROLET TRUCKS WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!

Chevy's done the next best thing to paving every road in America!

First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it—a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.

Brawnier bulldozer build!

Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

More comfortable cabs!

Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!

Big in the power department!

With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s.

More models than ever!

New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

Anything less is an old-fashioned truck!

See your local authorized Chevrolet dealer

RECIPE OF THE WEEK

BY MARY LEE TAYLOR
CHICKEN SUPREME
10-oz. pkg. frozen 1-3 cup PET peas Evaporated Milk
Two 6-oz. cans 1/4 cup canned, boned chicken 1/4 cup grated Parmesan 1 can cream of cheese mushroom soup 1/4 tsp. paprika Cook peas with salt as label directs. Drain and put into greased 10 x 6-in. baking dish. Put chicken on peas. Pour over chicken a mixture of soup and PET Milk. Sprinkle cheese and paprika over top. Bake in 350 oven (moderate) until bubbly hot, 25 min. Serves four.
