OFFICIAL NEWSPAPER OF LAMB COUNTY

## LAMB COUNTY LEADER

VOLUME XXVI.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JANUARY 5, 1950.

NUMBER 43.

### Annual Football Banquet Tuesday Night

### P. M. A. Cotton Program Extended to February 15

### Contributions Total \$7,895

Contributions to the Littlefield Community Chest are still coming in, and the total receipts stood at \$7,895.84 on January 1.

#### Hopes To Reach Goal

Chairman Bob Kirk emphasized that the drive for funds has not ended, and that the committee is keeping the drive open, hopes and expects to make the original goal figure.

He stated that several assigned workers have still made no reports, and that many individuals, through being ultra busy during holidays, or absent from the city, would make donations. Others, on checking income tax matters, would find leeway tending toward a contribution to the fund.

### Fred Wilson To Be Candidate For Re-Election

Friends of Fred Wilson of Amherst, who is now serving as a Commissioner of Precinct No. 4, have stated to the Lamb County Leader that Mr. Wilson will be a candidate for re-election at the coming election.

Mr. Wilson is serving his second term.

His formal statement will be made through this newspaper later.

### To Serve on C. of C. Program Committee

Pat Mann, Manager of the Littlefield Chamber of Commerce, has been invited to serve on the Program Committee of the Chamber of Commerce Managers association of West Texas.

The association will hold their annual convention at Big Springs this year during the latter part of March.

The Program Committee will meet Saturday, January 14, at Big Springs.

### Ronald Don Mooney First New Year's Baby

Ronald Don Mooney, son of Mr. and Mrs. T. M. Mooney, was born at 2:28 p. m., at the Amherst hospital, on January 1, at the Amherst hospital.

The first baby to be born in 1950 at Littlefield hospital, was little Miss Lynn Dell McGill, who was born January 2nd. She is the daughter of Mr. and Mrs. Lowell McGill of Olton. She weighed eight pounds and eight ounces.

### Lamb County Singers To Meet Sunday

The Lamb County Singing Convention, which meets weekly, will meet at the First Methodist church at Earth, Sunday afternoon, at 2 o'clock.

There will be special music by visiting quartets.

### Will Crown Football Queen At 6:30 P. M.

### 250 Expected To Attend Annual Event

The annual football banquet given by members of the Pep Squad, honoring Wildcat football team, will be given next Tuesday night at Littlefield Country club.

#### To Crown Football Queen

A highlight of the event will be the coronation of the football queen which will be held at 6:30 o'clock at the high school auditorium. The public is invited to witness the ceremony. The queen to be elected by the football team will be kept secret until the time of the coronation.

#### 250 Expected To Attend

The banquet will be served immediately following the coronation ceremony. Those invited other than the football team and pep squad, will include members of the Wildcat band, and the high school faculty members. Approximately 250 are expected to attend. The Pep Squad is being assisted in entertaining by Mrs. Charles Pharris and Miss Paulette Hay, sponsors.

The program to be presented is as follows:

- Toastmaster—Donald Crossley.
- Invocation—Joe Walters.
- Welcome—Patty Jones.
- Response—Frank Gage.
- Special music, high school chorus.
- Remarks—Supt. Joe Hutchinson.
- Recognition of players—Coach Jay Fikes.
- Guest Speaker—Jack Christian.
- Benediction—Tommy Bailes.
- Maroon and White—By the group.

#### ADMITTED TO HOSPITAL

Doss Maner of six miles south of Littlefield was admitted to Payne-Shotwell hospital early Wednesday. He is believed to be suffering from gall stones.

### Hazelton Madison Is Guest Speaker

Hazelton Madison a native of India, was guest speaker at the Lions club meeting held Wednesday at the Legion Hut. He was introduced by Dr. G. S. Burk, who is a personal friend.

Mr. Madison is a ministerial student at Texas Technological college in Lubbock, under the sponsorship of Lubbock Church of Christ. He plans to be in this country approximately four years, or until he completes his school work and receives a B. S. degree. Upon completion of his work here, he will return to India and do missionary work. Hazelton Madison was named for Ray Hazelton, from this section of the country, who served as a missionary in India for a number of years.

His talk here yesterday dealt with the customs of India. He is an able and interesting speaker, and has spoken to various civic clubs in this section many times.

## Payne-Shotwell Hospital Organized As Foundation; Trustees Are Announced

### C. of C. Board Of Directors To Meet Tuesday

As announced by Pat Mann, Manager of the Littlefield Chamber of Commerce, the Board of Directors will meet next Tuesday morning at 7:30 o'clock at the Hays Coffee Shop in a regular business meeting.

The Finance and Membership Committee will also meet Thursday morning at 7:30 o'clock at Hays Coffee Shop.

### To Attend Board Meeting at Dallas

Dr. Ira E. Woods plans to leave Saturday afternoon by air, for Dallas, where he will attend a Board of Directors meeting of Texas Optometric Association, to be held at the Baker hotel, Saturday night and Sunday. Dr. Woods is president of the association.

### To Present Special Program Monday Night

At the business meeting of the Richard New Post of the American Legion held Monday night at the Legion Hut, plans were made to present a special program, when the Legion Auxiliary meets with the local post Monday night, January 16th. The committee in charge is composed of Van Clark, Wayne Butler, Curtis Lee, Russel Tidd and Harvey Crowley.

#### 1950 Program Outlined

During the business session, presided over by the president, Vernon Hofack, plans were outlined for the 1950 program. The group voted to fence in the lawn surrounding the hut, and also to make plans now toward a base ball team. The group also voted to buy two large heaters, to be used in heating the hut.

All business was suspended for a three minute period, and heads were bowed in commemoration of the memory of Harvey Henson, a member of the Richard New Post, who passed away Christmas eve.

#### Refreshments Served

Fred Ray was in charge of refreshments consisting of coffee, hot chocolate, cakes and cookies, and games of dominos and "42" completed the evening entertainment.

Approximately 30 members attended the meeting.

### To Visit Other Communities

As announced by Clarence Davis, Tax Assessor-Collector, for the convenience of the taxpayers of Lamb county, he will be at the following places on the dates shown for the purpose of collecting state and county taxes for the year 1949: Amherst City Hall January 10. Sudan City Hall January 12 and 13. Earth at Miller & Kelly Hardware January 16 and 17. Olton City Hall, January 19 and 20.

### LEADER OFFERS BARGAIN RATE

With the publication of Tuesday's issue, the Lamb County Leader, after being published weekly for more than 25 years, became a semi-weekly.

The increased frequency in publication of the Leader was prompted entirely by a desire to be of greater service to Littlefield and territory.

We have recorded the growth and progress of this great area of the South Plains for many, many years, and we have worked diligently with the citizenship in achieving greater accomplishments for this section. In the publication of two issues each week we see an enlarged opportunity to be of service.

The regular subscription price of the Leader, with two issues each week, will be \$4 per year. But throughout this month we are offering a special price of only—

\$2.69 PER YEAR

This price is less than 2 1/2 cents per issue . . . certainly a very small amount for such a big service as is rendered by the Lamb County Leader.

### Death Claims Mother Of Mrs. W. C. Cannon

Word was received here Friday morning of the death of Mrs. J. T. Brown, sr., 82, of Stamford, mother of Mrs. W. S. Cannon of this city, who passed away at her home in Stamford about 8:15 o'clock that morning.

Mrs. Cannon had been at her mother's bedside for several weeks, and was present when the end came.

Funeral services were held Sunday afternoon at 2:30 o'clock at the First Methodist church at Stamford, and burial was in the cemetery there.

Surviving are the husband, four sons and the above mentioned daughter.

Mr. Cannon left immediately for Stamford upon receiving the message. He and Mrs. Cannon are expected to return home today. Others attending the funeral from here included Mr. and Mrs. C. O. Griffin. Mr. Cannon and Mrs. Griffin are cousins.

## Partnership Formed By Duggan, Madole

Ross Madole, formerly of Dallas, who has practiced law for thirteen years, this week became associated with Arthur P. Duggan, Jr., in the general practice of law.

#### Wide Experience In Oil

Mr. Madole has been attorney with the Magnolia Petroleum company and the Magnolia Pipeline company at Dallas for the past 11 years, with the exception of three years he served in the Navy during the recent war. Previous to that he was connected with the law firm of Terrell, Davis, Hall and Clemens at San Antonio for five years.

Mr. Duggan and Mr. Madole will carry on their law practice under the firm name of Duggan & Madole.

Served in Navy After spending about a year and

### Opera Of Gay Nineties To Be Presented Here

### Three New York Singing Stars To Appear In Play

One of opera's most amusing comedies will be seen Thursday night, January 19, when Wolf-Ferrari's opera of the gay nineties, "The Secret of Suzanne" is presented at the Littlefield High School under the auspices of the Lamb County Concert Association.

First produced at the Metropolitan Opera House shortly after the turn of the century it was an immediate

MARIE RONDAHL, Coloratura Soprano

success due to a great extent to the fact that it's main theme had to do with a woman smoking. Later it declined in popularity with the novelty wearing thing, but in the past decade it has been revived as a period piece with great enthusiasm.

"The Secret of Suzanne" is a playful concert. Count Gil is very much

PAUL KNOWLES, Tenor

in love with his wife, but is averse to cigarette smoke, and Countess Suzanne, who is a devotee of the cigarette, takes the opportunity to smoke during her husband's absence. On his return he smells smoke, and, after questioning the servant, concludes his wife is receiving attention from another man.

Wolf-Ferrari's music is charming. (Continued on Back Page)

### Robert Kirk Is Candidate For District Judge

Robert (Bob) Kirk, a resident of Lamb county since 1939, and a practicing attorney, this week announced his candidacy for the office of District Judge of the 64th Judicial District. He is now serving his second term as county attorney of Lamb county.

#### THE VOTERS OF THE 64th JUDICIAL DISTRICT:

are hereby notified to announce to you my candidacy for the office of District Judge of the 64th Judicial District, composed of Bailey, Cas-

As I have solicited me to run for judge, nor have I asked permission of anyone to get into this race as a free born American, a native son of Texas, bearing no obligation to anyone, may God, my country, my family, and my conscience, bring me no corporate strings, and no axe to grind, I present myself as a candidate for the office of District Judge.

I am 34 years old, married, and have one daughter.

### H. D. Agent To Be Named Soon

The office of County Home Demonstration agent now vacant due to the January 1st resignation of Miss H. D. agent, who was transferred to Fort Stockton, and who is to assume her new duties, is expected to be filled by the appointment of a new home demonstration agent about January 9.

County Judge Otha Dent stated he had been advised by Miss H. D. agent, regional H. D. agent, that she would confer with the commissioners court here on the subject and bring a recommendation. The court, must make the selection, as the Commissioner in meeting the extension of the Home Demonstration clubs of the county will continue to hold their meetings without the assistance of the H. D. agent for a period, but the 4-H clubs will meet at the various schools during the January meetings.

The association will hold their annual convention at Big Springs this year during the latter part of March.

The Program Committee will meet Saturday, January 14, at Big Springs.

### Missionary Baptists Broadcasts Over KVOW Station

The Young People's group of the Littlefield Missionary Baptist Church held their Christmas tree on Thursday night, Dec. 22. The group met at the Church at 7:30 P. M. and went carolling. They conducted a fifteen minute broadcast over KVOW at 8:30, and returned to the Church for an exchange of gifts. Refreshments were served. The Young People presented Rev. and Mrs. Meers with a satin quilted bedspread and colored sheets and pillow cases.

### RETURN TO GUYMON

Mr. and Mrs. W. O. Walker of Guymon, Okla., spent Christmas and the holidays with relatives here. Mrs. Walker returned to Guymon Tuesday morning, and Mr. Walker is planning to go to Hot Springs, N. M., and take baths.

### BULL LAKE PHILOSOPHER COMES UP WITH 1950 RESOLVE NOT TO DO ANY BETTER THAN HE DID IN 1949.

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake seems to be starting the new year off about like he finished the old one, his letter this week reveals.

Dear editor:  
I was out here yesterday trying to get over Christmas and collect

### Assistant Coach Teammate of Most Of the Indians

ABILENE, Dec. 28—The Littlefield-Mexia Class A high school championship football game held more than passing interest for McMurry College's Oleander Bowl team.

R. M. (Pat) Patterson, assistant coach for champion Littlefield, was a teammate of most of the Indians, who play Missouri Valley in Galveston January 2. Jay Fikes, the Littlefield head coach, teamed three years with Wilford Moore, McMurry coach, at Hardin Simmons University. Moore himself played high school football at Littlefield, captaining the eleven one year. And Billy Sisson, freshman guard with the Indians, was a Littlefield performer last fall.

Incidentally, the Alton Patterson playing first team tackle for the Tribe this season is no relation to Coach Patterson, latter also a tackle at McMurry.

### Six Tech Students Take Part In Christmas Party

LUBBOCK, Dec. 20 (Special to Lamb County Leader)—Six Littlefield students at Texas Tech participated in the annual Christmas concert and caroling party sponsored by the Tech music department.

Houston Hodges, James Lee and Charles Joplin are members of the Tech Men's Glee Club. Elizabeth Schovajsal, Katherine Apperson and Kenneth Evins are in the Tech Concert Band.

Hodges is secretary of the Glee Club, which has been invited to sing at the 1950 Lions Club International Convention in Chicago next summer.

# Notice To Dog Owners

Dr. Rogers, veterinary will return to Littlefield to vaccinate dogs. He will be here Thursday, January 5th, at 3 o'clock and will remain that day as long as necessary. Office will be in the Agricultural Building at the High school.

This is absolutely the last time Dr. Rogers will return.

One of Two Sedans in 1950 Chevrolet Line

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolets also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

**Chevrolet's 1950 Car On Display Jan. 7**  
**Features Automatic Transmission**

The automatic transmission, hailed as the most revolutionary driving aid since the advent of the self-starter, makes its first appearance in the low-price automobile field, Saturday, January 7, with the introduction of 1950 Chevrolets. The Hewitt Chevrolet Company are local dealers.

Chevrolet's application is an exclusive development known as Powerglide. A product of company research covering the entire postwar period, it is the chief element in an optional, extra-cost "power-team." Included is a larger, more powerful engine and many refinements that extend throughout the line of new passenger car models.

Also presented for the first time to the retail automobile market is the Bel Air, a luxurious, six-passenger coupe possessing the swank of the convertible with the practicality of the solid top. With the Bel Air as leader, the latest series contains two individually-styled two-door sedans and two four-door sedans, a sport coupe, business coupe, convertible coupe and all-steel station wagon. As in the 1949 models, when Chevrolet set new volume records to once again lead the industry in sales, most of the bodies are available in "special" and "de luxe treatments."

Improvements through the 1950 chassis and bodies are many. A new "Power-Jet" carburetor eliminates the "lean" periods in gasoline feed and affords quicker warmup in cold weather. Larger exhaust valve capacity helps power output. Each of the six-cylinder passenger car engines follows the traditional, economical valve-in-head design. In the new bodies, stylists have accomplished striking effects with smart, two-tone upholstery and freshly-fashioned exterior metalwork.

The Powerglide automatic transmission makes use of hydraulic torque conversion, a method of smoothly transmitting power to wheels that received considerable impetus during the war in the search for more maneuverable armored vehicles.

Torque, or the force of rotation generated at the engine crankshaft, is now transferred through rapidly whirling oil. The force is increased in direct proportion to throttle pressure, as with the conventional clutch and gear transmission. However, in-

stead of the "steps" involved with mechanical gear linkage to reduce engine speed as the car gathers momentum, the flow of power to the rear wheels is fluid and variable. Once the car is moving with the lever in "Drive" position, no shifting action is necessary regardless of the number of traffic stops-an-goes.

To develop an automatic transmission, Chevrolet engineers had two major problems even after the fundamental principles had been determined. The first was to design a unit that would meet Chevrolet's high-volume, quality standards. The second was to assure the economical operation for which the car has been famous.

Solution to the first problem involved an entirely new manufacturing setup and the construction of huge batteries of special purpose machinery. The mechanism, especially in the vanes which multiply

**Girl Scout Troop Meets Wednesday**

Troop 13 of the Brownie Girl Scouts met yesterday afternoon at 3 o'clock in the Scout Hut, for a regular weekly meeting, with the troop leaders, Mrs. Fred Gerlach and Mrs. Frank Rogers present.

The group elected new officers, who will preside for the next three months, when another corp of officers will be elected. Work was planned for the new year.

During the past two weeks the troop did not meet due to the Christmas holidays. There are sixteen members in troop 13, and Sharon Rowe is the retiring president.

the power of the fluid, requires exacting workmanship. A new plant was opened at Cleveland and manufacturing departments added at Flint, Michigan. Starting slowly, the company forecasts a steady rise in production to a level never previously attained with precision parts of this description.

**THE FLYING FORUM**

By "ERNE" BODE

The Air Force has classified as "secret" a Stanford University flight training study. Shucks! It's no secret to us that private flight training schools turn out good pilots. A couple years ago a questionnaire was distributed to all airline pilots, asking where they got their initial flight training and what do you suppose over 90% of 'em said? Well sir, practically all of 'em learned to fly light, private airplanes just like ours out at Dugan field! You'll have to admit that those airline pilots know their stuff—they have flown passengers and pounds of freight that runs into 10 figures—about two figures is all my "oculus" are accustomed to seeing but can tell you that's a heap 'o flying, and in all kinds of weather too!

Private flight operators on small private and community airports can train military pilots at a tremendous saving as compared to the high "horse-power, fureau tangled" function that is in use today. I certainly hope that other columnists will take up this issue and explain to the taxpayer how his money can buy more for Air Force training and at the same time keep that money in local circulation by helping a local business on our

community airport. Well, I must admit that I had a very Merry Christmas (and the hope that you all did too is strong in my heart) but I failed to get my column in last week's issue. I suppose the AIR mails were very crowded as usual. Mr. and Mrs. H. E. Owens chartered the 150 mph Bellanca to Ruston, Louisiana and had a fine time. (I know, I was with 'em) and Mr. and Mrs. H. E. Owens Jr. spent their Yuletide in Knox City.

Mrs. H. E. Owens is logging some time in her book and it looks like the airport will have another pilot soon besides H. R. Scott who soloed last year, Decem. 7 20, 1949. Earl Dow and Randall Hughes both put in some flying in the Aeronea Chief. Ed Sturdivant and family flew in for some gas and a short visit. Wayne Buchanan buzzed in from Morton. Joe Waters flew the Cessna a while Sunday and remarked at how smooth the air was and how unusual it was to see so many airplanes in the air around Littlefield. Shucks! You ain't seen nothin' yet Joe! L. S.

**PEOPLE YOU KNOW**

Miss Billy June Chesher left Monday to resume her studies at St. Mary's Academy at South Bend, Ind. She spent the holidays here with her parents, Mr. and Mrs. W. J. Chesher.

Dr. and Mrs. Fred Janes were among those from here who attended the Cotton Bowl football game between Rice Owls of Houston and North Carolina University at Dallas, Monday afternoon.

Miss Janith Hewitt of Berkeley, California, who spent the holidays here with her parents, Mr. and Mrs. L. C. Hewitt, returned Monday morning.

Mrs. M. E. Lowe of Lubbock visited friends here Sunday, and attended services at the First Baptist church. She has been in ill health for a number of months, but her condition is much improved.

Leo Hewitt spent New Years in Santa Fe, New Mexico.

Mr. and Mrs. Wade Potter and daughter Polly Lou returned home Saturday from Fort Worth, where they spent several days visiting his relatives. They left here last Monday morning for Abilene where they attended the football game and spent the night in the home of Mr. and Mrs. W. D. Watkins and family, former Littlefield residents.

Mr. and Mrs. L. G. Wilson spent New Years at the LaFonda hotel at Santa Fe, New Mexico.

Mrs. A. R. Hendricks and daughter Kay, who have spent the past four months in Honolulu arrived in Los Angeles harbor yesterday via the luxury liner Lurline. They are expected to arrive home in the near future, or in time for Kay to enroll in the local schools at mid-term.

Mrs. Kenneth Houk was ill and home Monday.

A. C. Chesher left Friday to attend the Sun Bowl game at El Paso, Texas.

Malcolm Stokes left Sunday morning to re-enter the University of Colorado at Boulder. He transferred to Boulder from Tech college about a year ago.

Mr. and Mrs. Bob Lewis of Midland were visiting friends in Littlefield Monday.

Sgt. Charles Chapman returned to his base at Barstow, Cal. Tuesday morning after spending Christmas holidays with his parents, Mr. and Mrs. Dee Chapman.

Miss Arlene Packwood returned Tuesday to Shawnee, Okla., where she is a student of the Oklahoma Baptist university. She was accompanied by her brother, Freddie.

**Attend Presbytery At Amarillo**

A winter encampment of Westminister Amarillo Presbytery conference was held in the educational building of the First Presbyterian church at Amarillo last Wednesday night and Thursday.

The work for the new year was outlined and officers for the ensuing year were elected. Miss Mary Jo Porcher, daughter of Mr. and Mrs. Bruce Porcher was elected a member of the stewardship board. Ben Ellis Porcher, son of Mr. and Mrs. Ben Porcher, was nominated for the office on the fellowship board, but was not elected.

Among those attending were the local pastor, Rev. Carter McKemy, and Bruce Porcher, and Jackie Price, Bobby Jo McShan, Ben Ellis Porcher, Leland Maxwell Stone, Bobby Cannon, Tommy Shelby, Mary Jo Porcher, Marion Nichols, Warren Rutledge, Houston Hodges and Delphine Covington.

**CARSON GLASS AND FAMILY VISIT HERE**

Mr. and Mrs. Carson Glass and seven-year-old son Chris of Corpus Christi, spent several days with his mother, Mrs. Chassie Duke on South Phelps avenue the past week. They returned home Sunday afternoon, and enroute spent Sunday night with his brother Emory Glass and family at Odessa. On Thursday night Emory Glass and little son Tommy came up and spent the night here with his mother, and brother and family, and returned home Friday morning. Mr. and Mrs. Otha Key of Lubbock also visited in the Duke home Thursday evening for a few hours.

McCarty got his cabin heater repaired and I believe he flies his Luscombe even more now than before. Kenny Hamilton won the prize for getting in the most time last Sunday (a free steak dinner!) while Herb Owens Jr was runner-up and Bob Dillard receives the booby prize (an all-day lolly-pop) for the least time for the day. I believe a "spot-landing" contest is brewing for next Sunday afternoon with a cash prize for the pilot who lands 3 point (without a bounce) in a circle marked on the runway—and take a ride over Littlefield and see how beautiful your town really is.

Your correspondent,  
 "Ernie" Bode.

Front View of New Dodge

Beauty and serviceability are combined in the front end design of the new Dodge cars. Bumper guards are larger, and of special design to provide maximum protection to parking lights, hood and grille. The grille is made of gleaming stainless steel members, replaceable separately to minimize replacement costs.

Dodge Announces New Autos In 10 Body Types; On Display at Garland Motors

De Soto announces a brand new model that will introduce a long list of new style and performance features to give added beauty, comfort, convenience, safety, and economy of operation.

The new model will be on display at the show rooms of Littlefield Motor Company, local De Soto dealers, on Tuesday, January 10.

New exterior styling of the De Soto gives the new car a longer, lower, wider look. The rear of the car is completely new. The rear window, now 33% larger, not only adds distinctive beauty to the design, but gives wide-angle visibility. The bottom edge of the window now extends all the way down to the belt moulding, giving an attractive double moulding line around the rear.

Rear fenders have been lengthened and retain their full height almost to the rear of the car. They have been peak-crowned and are a major contribution to the whole new conception of the De Soto's appearance.

The rear bumper has been deepened and widened to conform with over-all design and to give more protection to the new fenders. New, sturdier bumper guards are provided.

The tall light, stop light, and directional turn light have been combined in single units mounted on each rear fender, adding still more to the widened look.

A new type of combined deck lid lock handle and nameplate have been set low on the deck lid. The new nameplate is of Reflexite with De Soto in white letters on a red background.

Horizontal chrome trim adds length to the car's appearance and it has been lowered to give a road-hugging look.

An entirely new grille gives an impressive, more massive head-on look to the newly-styled front end of the new De Soto. The grille has been lowered and is divided in the center by a colored section bearing the new De Soto crest medallion. This section is painted to match body colors. While the popular De Soto "waterfall" design of the grille has been retained, it now consists of vertical bars of equal width, curved outward.

New combined circular parking lights and turn signals have been set into the grille, beneath each headlight.

The De Soto nameplate in script lettering is centered on the hood above the grille. The new De Soto hood ornament is a beautifully sculptured bust of Hernando De Soto. An illuminated face in plastic is optional. A new chrome nameplate is now on the forward edge of both front doors.

Rear wheel tread has been widened to 2 9/16 inches, contributing to

the wide look of the rear and giving added riding stability.

New interior styling adds more luxury to the new De Soto and gives more comfort and convenience for driver and passengers.

The new instrument panel is in metallic enamel colors that match the metallic enamel garnish mouldings. A new drawer-type ash tray bearing the De Soto nameplate is centrally located on the panel. New, larger rotary switch knobs have a vertical bar for easier control.

Owners have a choice of special Custom steering wheels in marbelized colored plastic with matching center medallion. The knobs of the cowl vent, turn signal, and gearshift are in harmonizing colored plastic.

The dome light has been moved forward to the center of the roof. It is operated automatically by all doors and manually by a pillar switch.

New Custom wool floor carpeting, front and rear, is water-resistant, color-fast, easy-to-clean, and long lasting.

There are several choices of new, rich upholstery patterns and materials.

Morton Business Man Passes Away

Funeral services were held at 10 a. m. Thursday for David C. Todd, 28, prominent Morton furniture store owner and one of the town's young civic leaders. He died at 7:30 a. m. the day previous in West Plains hospital of pneumonia and complications.

Services were conducted at the First Methodist church at Morton with the pastor, Rev. C. C. Armstrong, in charge assisted by Rev. R. L. Kirk of Perryton. Burial took place in Slaton cemetery.

Todd was president of Morton's Lions club, a member of the board of stewards of First Methodist church, and was active in the Morton Chamber of Commerce and the Quarterback club.

A native of Slaton, he attended Slaton schools before enrolling at Texas Technological college in 1939 and 1940. He was a veteran of 39 months' service in the Army Air Corps during the war. He was an ardent sports fan.

He is survived by his wife, Mrs. Donna Todd, a son, Michael, 3; two brothers, R. H. Todd, Jr. Slaton, and Frank Todd, a student at North Texas State Teachers college at Denton; and his parents, Mr. and Mrs. R. H. Todd, sr., of Slaton.

Mrs. I. S. Brock

wishes to take this opportunity to notify All Her Friends that she is now the new Manager of The City Hotel and will appreciate their patronage. --- Thank You.

**QUEEN OF VIOLETS . . .** Here is the newest in twin swim suits. The models Dorothy Abbott and Jean Ruth model the 1950 swim suits and "wild violets" at the pool of the Franciscan hotel in Hollywood, Calif. The design of these modern suits was inspired by 18th century silk porcelain. The suits are made of nylon and latan. They have a shell finish. Both the two-piece and the single-piece suit are of the same material. Wonder if the girls plan to get 'em wet?

**AT THE BAR . . .** Still clutching the cash register till, a gunman identified as Frank Kamick, was killed instantly, by a single shot fired by Detective Conroy, an off-duty detective, as Kamick and a masked pal stepped to hold up a tavern in which Conroy was a patron. As the gunman fled, Detective Conroy chased him down the street, firing twice, but the other gunman escaped. Medical aid was of no avail.

**NO BE TIED—BUT HAPPY . . .** Bob Hamilton (left) of Landover, and Fred Haas, Jr., of New Orleans, La., gaze soulfully into each other's eyes, but keep their fingers crossed, after they tied in the Miami tournament. The boys tied for the lead with 100 apiece for 54 holes. They tied again the next day with 264 each, to set a new 18-under-par record for the 72 holes. Hamilton finally won the tournament.

**MEMORIES OF THE SILVER SCREEN . . .** The fabulous days of when movies were in their infancy are fondly recalled by pioneers of the industry. In happy reunion are Claire Windsor, Reginald Denny and Mae Murray, who were among the stars of the silent screen. They were guests at a recent testimonial for Cecil B. DeMille on the occasion of his 35th anniversary film producer.

**NEW COMMANDEE . . .** Gen. Clement Bianco has taken over the job as commander-in-chief of the French army with headquarters in Paris.

**DENOUNCES SANTA . . .** Rev. John Sinnott Martin, editor of the Catholic Review, editorialized that "Santa the saint has been lost in Santa the sugar daddy," and that the original St. Nicholas has become the forgotten man in the orgy of commercialism surrounding Christmas.

**REVEALS VIRUS . . .** Dr. Harvey Blank, University of Pennsylvania, Philadelphia, disclosed recently that the virus causing cold sores has been seen under an electron microscope. He said the virus is like that which causes polio.

**QUEEN OF TANGERINES . . .** It's sweets for the sweet as Neva Langley, Lakeland, Fla., chosen queen of the seventh annual tangerine contest, bites into a segment of a tangerine after winning the contest at Cypress Gardens, Fla., from a group of 17 girls from over the sunshine state.

**BEST BRITISH NEWS PICTURE . . .** This photo of King George VI won for Reginald Palmer, I. N. S., the top award as the best British news picture of the year in the British division of the annual Encyclopedia Britannica contest.

**ONE MAN COULD STOP IT!** THE WHOLE WORLD is marching gaily backward through the pages of history; back to the days of the great feudal barons who ruled their subjects with a "hand of iron"; yes, backward toward the dark ages which were ushered in with the fall of the Roman empire in the fifth century.

Russia got a head start in 1917 and is now an absolute despotism ruled by the prototypes of the ancient tyrants. Every nation "behind the iron curtain" is in the same sad state. China is fast following in the footsteps of these countries and within a short time all southeast Asia and later Japan will do likewise. England has succumbed to the siren songs of inexperienced theoreticians.

Western Europe is teetering upon the brink of state socialism and without moral and financial help, already would have succumbed to the dictatorships which this condition eventually entails. It is now merely waiting for us to hand the anti-Communist government in Spain over to the Reds and/or for a dictatorship to take over in England.

When the New Deal first realized that the American public was composed principally of people who voted "emotionally" and not "thoughtfully," it became convinced that a few in government were more capable of running a nation than the people themselves. So with the help of a docile congress it usurped many of the powers which belonged to the people. This progression has gone so far now that even congress is slighted by the New Dealers. Outright state socialism, under the pretty name of the "welfare state," is now only a few steps away.

The new dealers are fostering these steps toward the end of personal freedom. Many millions of gullible Americans want it; many millions don't want it. The millions of dumbbells in between keep on voting away their own freedom. One man alone could stop the fearsome trend — the President of the United States. Is there any hope that the man who occupies that position today will see the light in time?

**ADVERTISEMENT FOR BIDS**  
Sealed proposals will be received by the Littlefield Independent School District, at the School Tax Office, Littlefield, Texas, until 2:00 p. m. o'clock C.S.T. on Tuesday, January 24, 1950, for the construction of a high school building to be erected at Littlefield, Texas, at which time and place the proposals will be publicly opened and read aloud.

Any bid received after closing time will be returned unopened. Copies of plans and specifications and other proposed contract documents are on file in the office of Atcheson & Atkinson, Architects, 204 Sanford Building, Lubbock, Texas and are open for public inspection.

Plans and specifications may be examined without charge in the office of the Architect and may be procured from the Architect upon a deposit of \$25.00 as a guarantee of the safe return of the plans and specifications. The full amount of this Deposit will be returned to each bidder immediately upon the return of the plans and specifications in good condition. No refund on contract documents and plans returned later than ten (10) days after the award of the contract will be obligatory. Additional sets of plans and specifications may be procured from the above upon a deposit of \$25.00 each as a guarantee of their safe return within ten (10) days from the date of opening bids, in which event \$15.00 (amount of deposit less actual cost of reproduction) of the deposit will be returned.

The wage scale shall be in accordance with the schedule approved by the Littlefield Independent School District and is fully set out in the specification.

The character and amount of security to be furnished each bidder are stated in the above mentioned documents.

No bids may be withdrawn after the scheduled closing time for receipt of bids for at least thirty (30) days.

The Littlefield Independent School District reserves the right to reject any or all bids and to waive informalities.

**Less Building In 1949 Than In 1948**

Building permits issued in 1949 for construction in Littlefield totaled \$500,375, as compared with a total of \$1,955,725 in 1948.

The reduction is accounted for in the fact that major building, particularly in the expansion and improvement of downtown Littlefield, was carried out extensively in 1948.

Permits issued in 1949 were as follows:  
Remodeling residences, \$23,000; remodeling business houses, \$8,500; new residence construction, \$229,650; new mercantile construction, \$94,225; two churches, \$145,000.

Permits issued in 1948 were as follows:  
Residences, \$608,350; mercantile, \$424,875; church, \$2,000; two parsonages, \$20,500.

**Brother of Mrs. Emma Madden Dies at Alvord**

Garrett Barksdale, 65, of Alvord, Texas, brother of Mrs. Emma Madden, passed away Sunday afternoon following a lengthy illness.

Mrs. Madden was notified Saturday morning of her brother's critical condition, and left immediately for his bedside.

Funeral services were conducted Monday afternoon at the First Baptist church at Alvord, with Rev. Beach officiating, and interment took place in the Chico cemetery.

Besides his sister, Mrs. Madden, Mr. Barksdale is survived by his wife, five children and two other sisters.

Mr. Barksdale was a banker, and a resident of Alvord for 30 years. Mrs. Madden returned to Littlefield Tuesday.

## To Preach On "4 Minutes To 12 o'Clock"

An up-to-the-minute message will be delivered Sunday night at 7:30 by the pastor of the Littlefield Missionary Baptist church, Rev. Weldon B. Meers. The title of this message is "4 minutes to 12 o'clock." It has to do with the events of which we read daily in our newspapers and periodicals concerning: flying saucers, Communism, atomic bombs, apostasy, and revival in the light of the Scriptures. The urgency of today's happenings should be a fresh warning to Christians to be about our Lord's business, said Mr. Meers.

The front page of the Bulletin of the Atomic Scientists, one of the nation's leading bulletins on atomic research, in June 1947, featured a clock with hands set at 8 minutes to 12 o'clock—representing the time left, as they saw it, until this age would come to an end. This past month's bulletin shows the hands set at 4 minutes to 12 o'clock. Why such fast movement of the hands? World events! In two and a half years the hands have advanced halfway to the closing hour. If these predictions are true, the remaining 4 minutes to 12 represent two and a half years, according to some leading scientists. Mr. Meers states his message is no attempt to set dates, times or season but to stir up Christian people to the urgency of the hour in which we live, and to give them a fresh realization of the need of being about our Lord's business of winning the lost to Christ.

## Emmanuel Lutheran Church News

A Christian Education Night, sponsored by Emmanuel Lutheran's board of education, is scheduled to be held at Emmanuel Lutheran church, 417 West Third street, this Friday, January 6th, beginning at 7 p. m. "To study the shortcomings of Emmanuel Lutheran's educational program and to supply possible remedies is the primary object of this educational gathering," according to H. A. Heckmann, pastor of Emmanuel Lutheran.

The first part of the evening will be devoted to a brief review of the educational activities of the various organizations and societies of the church. This in turn will be followed by an open discussion which will seek to answer some of the problems and iron out some of the difficulties which are hindering the effectiveness of the program.

The evening's activities will get under way with a lunch, which is being supplied by all the families under the direction of the Ladies Aid.

"Boy Meets Girl", a topic of perennial interest to youth, will be presented in the form of pictures to the members of Emmanuel Lutheran's Waltham League and their friends, Sunday night, January 8, at 7:30 p. m. Some of the questions to be treated and that includes an-

swering them, are: Where to go to meet boys and girls who are attractive, lots of fun, and have high standards; the fellows and girls who go "dateless"; how to meet people; blind dates; how to be popular.

The topic and its discussion will be followed by a short business meeting under the direction of the president, Ivan Ogerly.

## TO ATTEND FOURTH ANNIVERSARY SERVICE AT TEMPLE

Rev. and Mrs. Weldon B. Meers will attend the fourth anniversary service of the pastor of the Temple Baptist church in Lubbock, Sunday afternoon.

A number of pastors from over this area have been invited to attend. Mr. Meers will be one of the speakers of the afternoon.

## EXAMINATIONS TO BE GIVEN JAN. 12

Principal Troy Arms of Littlefield High school announced Tuesday that six weeks examinations will be given next Thursday and Friday, January 12th and 13th. There will be no exemptions, and examinations will be of one and one-half hour duration.

The first, third, and fifth period classes will take examinations on Thursday, while the second, fourth, and sixth period classes will take examinations on the following day.

## Mrs. E. I. Hill Dies Result of Injuries Saturday

Mrs. E. I. Hill, 64, of Tahoka, wife of the editor of the Lynn County News, was fatally injured Saturday night, about 5:30 o'clock when she was struck by a car while crossing the Brownfield highway in west Tahoka.

Mrs. Hill had lived in west Texas for many years and was active in home demonstration work, and served as home demonstration

agent of Lynn county from 1936.

She was married to E. I. Hill, who survives. Also survivors are a brother, Wesley, of Lubbock, and a son, William Hill of Muleshoe.

Funeral services were held Sunday afternoon at the First church at Tahoka.

### VISITS PARENTS

Mr. and Mrs. Roy Hill returned from their Christmas and New Year holidays, and the holidays of his parents, Mr. and Mrs. Holt, at Hobart, Okla. Mr. Hill is manager of Anthony's store.

# Births In Lamb County For 1949 Are About 800

## Payne-Shotwell—

(Continued from Page One)  
Foundation hospital, The Lackey Clinic in Boston, Mass., the Foundation hospital at Longview, Texas, and several other Foundation hospitals including several in California, to study their organization, and methods of operation. The new Payne-Shotwell Foundation, he believes, incorporates all of the better ideas of all of these institutions.

"This foundation," he said, "is simply an incorporation and institution with its goal and purpose the treatment of the sick."

He added, that as all of the profits of the institution revert back to the Foundation, that the benefits will accrue to the public, in the form of lowered hospital costs, and increased and improved facilities, and that being operated as a Foundation, it should make unnecessary now or in the future, any need for either a city or county owned or operated hospital.

Effective as of October 1, date of the chartering of the new Foundation, all staff doctors were placed on a salary basis, replacing a fee basis, employed in private hospitals.

When the Foundation was chartered all equipment of the Payne-Shotwell Hospital was title transferred to the Foundation, along with a substantial endowment, the contribution of Drs. Payne & Shotwell, and I. T. Shotwell, Sr. The institution, however, has proven itself self supporting in the past three months and there is planned no solicitation of funds, and little or no likelihood of any necessity for such, now or in the future.

The Payne - Shotwell Hospital which the Foundation succeeds, started from a small beginning 12 years ago, when it was launched in the building known as the Plains Hotel. Two years later a big addition more than doubled its capacity. Not the largest in the area, nevertheless, it is known as one of the most modern, and best equipped institutions in this entire area, and it has served the population of this entire area, a community of a dozen or more west Texas counties. With its fine equipment, when the transfer to the Foundation was made, it represented a total investment of several hundreds of thousands of dollars.

The goal of the Foundation, of course, is continued expansion of staff, facilities and personnel, to better serve as a community-type hospital, or Foundation.

The staff, which will be enlarged by the addition of two additional doctors, a pediatrician and urologist, now includes six doctors, four supervisors, approximately 30 nurses, as well as office and other personnel.

The present facilities are incorporated within a modern white pressed brick building, occupying two floors and basement, with connecting elevator, 50 patient rooms with private or connecting baths, x-ray rooms, operating rooms, ultra modern laboratory, dental rooms, and private offices for doctors, technicians, etc., as well as a commodious lobby and business offices. The kitchen and dining facilities are superior to those contained in the smaller sized hospitals.

All staff doctors are members of the American Board, or eligible, specializing in one of the several branches of the profession. A requirement for additional staff members, will be that they be similarly American Board approved.

The Foundation is operated on an open-staff basis, subject only to meeting of the qualification requirements of the Foundation, and approval of the Board of Trustees.

## PMA Cotton—

The loan provision of the support act, was not extended.  
Despite the fact that Lamb county produced its largest cotton crop in history, ginning was more nearly completed than in any of the succeeding years. More gins, and faster and modernized gins in this county are responsible, along with an ideal gathering season.

## POLITICAL ANNOUNCEMENTS

For District Judge  
64th Judicial District  
ROBT. (BOB) KIRK  
For County Clerk—  
JOEL F. THOMSON

With the final record still incomplete, and several additions to be made, the birth records in the offices of the county clerk, list a total of 668 birth in Lamb county, from January 1, 1949 to December 1, 1949, only.

The grand total will not be available until after January 10, when December birth are due to be filed.

Also missing from the records is the birth record from Amherst for the month of November, which for some reason has not yet been received.

The final total probably will be in excess of 750, and will probably approach the 800 mark.

Total number of deaths recorded in the county up to December 1, with Amherst late reports also not received, total 129.

the law school of Baylor University, from which I graduated in June, 1938. Following this I practiced law in Waco for a few months, and then in the Spring of 1939 I moved to Lamb county, and it has been my home ever since.

I am now serving my second term as County Attorney of Lamb County, to which office I was elected shortly after returning from military service.

Since judicial procedure should be a correct application of the law to the facts found in each case, there is little place for a platform in a judicial candidacy. However, there is one thing that I can and do promise, and that is as your District Judge, I will inaugurate and maintain a schedule of regular visits at stated times to each and every county in the District so that the lawyers, and those who have business with the Court will know when and where their cases may be tried. With such a schedule set up, all who need the Court may know that their rights will be handled as speedily as possible, and long, tiresome and expensive delays will not result.

Following is a list of organizations to which I belong and take part. They are listed for the purpose of showing that much time is spent in rendering public service, and I am thus better qualified to meet the various problems that present themselves to the office of District Judge; Steward in the Methodist Church, Past President Lions Club, twice Post Commander of the American Legion Post, Adviser Lieutenant local camp Woodmen of the World, one of 12 men in the nation on the National Service Committee of the Woodmen of the World, Veterans of Foreign Wars, Disabled American Veterans, Masonic Lodge and Shrine, member Board of Directors of South Plains Council Boy Scouts of America, present President Littlefield Community Chest, member of Chamber of Commerce, Holder of Commercial and Instructor's, single and multi-engine flying license. Treasurer of the Lamb County Rural Roads Association, and member of committee to help handicapped persons return to employment.

Your vote and influence in my behalf will be appreciated.

tions: Chancellor, Order of Coif, Editor of Texas Law Review, and Phi Delta Phi. He is a past president of the State Junior Bar of Texas.

Mr. and Mrs. Madole have two children, a daughter, Rebecca Elizabeth, aged 6, and a son, Ross, Jr., 14 months old.

Mrs. Madole and children will remain in Dallas until the family can find a suitable location here.

Mr. and Mrs. Madole are members of the Presbyterian church.

When a Leader representative interviewed Mr. Duggan Wednesday he stated he considered himself very lucky to have secured the association of such a high type individual and outstanding attorney, as a partner, who brings with him a world of experience both in general law and in legal matters pertaining to oil.

In Mr. Madole's coming to Littlefield to engage in his profession, the city and territory gains another citizen who is qualified to contribute liberally to growth and progress.

## Concert—

ly melodious, having great vivacity and color. It is quite reminiscent of many melodies of old and modern composers.

Playing in "The Secret of Suzanne" are three of New York's finest young singing stars, Andrew Gainey, leading baritone of the New York City Opera Company, Marie

ANDREW GAINEY, Baritone

Rondahl, soprano star of NBC, and Paul Knowles, the sensational young tenor, who made such a hit with the Boston Symphony last December. The opera, in English, will be preceded by a short concert by the three artists.

Andrew Gainey  
Now a leading baritone with the New York City Opera company, Mr. Gainey is heard regularly in New York with that company, and most recently in Chicago where the com-

pany played during November and December.

The handsome young baritone hails from Jackson, Mississippi, where his earliest interest in singing was aroused by hearing the Negroes in the fields singing their old familiar spirituals. While studying music at the University of Denver, Gainey was featured soloist on the NBC program, "A Rhapsody of the Rockies."

After serving in the Aid Corps during the war, Mr. Gainey continued his musical study in Philadelphia where he entered and won the Philadelphia Inquirer "Voice of Tomorrow" contest, for which he received the honor of being guest artist with the New York Philharmonic orchestra at the Philadelphia stadium.

Next came another contest, the nationwide broadcast known as "The Big Break" with Eddie Dowling as master of ceremonies and two great stars of the world of music as judges. Gainey won the first prize of \$1,000, which he used for a New York debut recital at Town Hall.

The success of this recital has led to continued operatic and concert successes. He is now in his fourth year as a leading member of the New York City Opera company, and has appeared in major roles with the American Opera Company of Philadelphia, the Central City Colorado Opera Festival, the San Antonio Civic Opera company, and on tour as "Figaro" with the Wagner Opera company in "The Barber of Seville."

Mr. Gainey has been guest soloist with the Denver Symphony, and has toured extensively in concert. He has also appeared frequently as guest star on James Melton's "Harvest of Stars" program. On Broadway, Mr. Gainey was seen last season in the leading role of "Targumnie" in Benjamin Britten's great success, "The Rape of Lucretia."  
Marie Rondahl, the beautiful

young coloratura soprano who will appear in "The Secret of Suzanne," comes from Portland, Oregon, originally.

Miss Rondahl scored her first triumph when her voice, in competition with 10,000 young American singers won the coveted title, "Undiscovered Voice of America," in a nation-wide contest sponsored by the General Electric Company. With this award came radio broadcasts, and GE flew her to New York where Miss Rondahl was guest artist on a series of network programs.

After her initial appearance the Radio Daily described the artist as having "one of the finest voices to have been discovered in a decade." Immediately Miss Rondahl was selected as guest star on the Celestine Hour presentation of "Rigoletto" where she sang the leading role of "Gilda," co-starring with Jan Peerce and Robert Weede of the Metropolitan Opera Association. This was the first time a young singer, not of the Metropolitan, was accorded such an honor.

Following this broadcast, Miss Rondahl was featured soloist with Dr. Frank Black and the NBC Symphony Orchestra, and with the noted conductor, Sylvan Levin, in operatic presentations over the Mutual Broadcasting System. She has also supported Lawrence Tibbett on "Let's Go to the Opera" program, and has starred in NBC's "Serenade to America" and "Lucky Stars."

Paul Knowles, tenor with "The Secret of Suzanne" company which will be seen here is a singer who is not allowed to sing.

His tour with "The Secret of Suzanne" began directly after his mid-December appearance in Boston as soloist with the Boston Symphony Orchestra where audience and critics alike praised "A great new tenor."

But in "The Secret of Suzanne" he plays the mute servant who doesn't even speak. However, since

NEW N. A. M. REAR A. Fainam, Keene, chinery manufacturer 1950 president of Association of Manufacturers

this uproariously funny gay nineties lasts only Mr. Knowles is given of singing during the preceding it.

A native of Colorado, Knowles received a great training at the West College in Princeton, where he was called work with that opera with the Princeton. He has been heard in Carnegie Hall, New York, in the Academy of Music, Philadelphia under the baton Ormandy, Stowkowski, Rodzinsky.

Following graduation Westminster Choir College spent a year at grad Princeton and three army. Since that time extensively in concert throughout the east he been enthusiastically
