VOL. 6

CITY COMMISSION ENFORCES SANITARY ORDINANCE; ORDER CONCRETE WALKS ON PHELPS AVE., AND TO THE SCHOOL HOUSE

BUILDING PERMITS MUST BE OBTAINED BEFORE STRUCTURE STARTS; SEVERAL ORDINANCES NOW ORDERED BY THE COMMISSION.

At a special meeting of the Littlefield City Commission held last Friday evening City Attorney E. A. Bills was referred to service a written notice on the property owners whose property was not connected with the city sewer and where sewer lines are located in the street or ally adjoining the said property, that sewer connections must be paid at once or the ordinance would be enforced against the said property owners.

This ordinance provides a fine of from \$5.00 to \$100 for failure to comply with its demands.

It was also ordered by the Commission that building permits must be secured from the city secretary before buildings of any kind can be erected within the city limits, and the secretary was instructed to refuse to issue building permits where sewer connection to the proposed building is not provided for in the plans and specifications. Lumber dealers, carpenters and property owners contemplating buildings are asked to give due notice of this requirement.

Following numerous protests from tax citizens, the City Attorney is instructed to prepare an ordinance providing for a restricted district within the city limits in which dogs would be permitted occupied by the owners.

The City Attorney was ordered to prepare an ordinance relative to location and regulation of slaughter

Ordinance No. 14 was amended to make the maximum charge for cleaning surface toilets to read "\$3.00."

There was considerable discussion regarding a forth-coming milk ordinance and the city secretary and attorney were instructed to gather such information as would be necessary to draft such an ordinance as would meet the needs of this city.

It was ordered that the small dwelling house located just west of the city hall should be rented for the resident usage of a night driver for the fire truck.

The Commission also ordered that all property owners owning lots in blocks 16, 17, 23, 24, 30 and 31, on Phelps avenue, should extend their concrete walks out to connect with the street curbing on that street. It was explained that this order comes under the State Improvement Act, adopted by the city about a year ago.

It was also ordered that a concrete walk be laid from the business section to the school center; this walk beginning at the corner of lot 19 in block 25, on Fourth street, running west on Fourth street to the west side of Morse avenue; thence west on the north side of First street to the west side of Wye street, where connection will be made with the sidewalk of the school property. The city attorney was instructed to prepare the necessary legal proceedings so this work should be started immediately.

MATADORS FIGHT STATE BUFFALOES ON THANKSGIVING

Lubbock, Texas, Nov. 26.—Backed by a special train load of boosters and on the other hand, the Texas Tech Matadors invade the Canyon Buffaloes for the Thanksgiving football game. The intention of getting revenge for the 12 to 9 defeat which they administered last season. During the three quarters of the game with the Matadors showed great determination and with a full week of training the Canyon game the Tech players are expected to show their mettle in the final tilt of the season. At the approach of the end of the football season Coach Victor Cullum gathered his basketball team for serious training for the coming year. Payne has a promise of new men with five old players and is expecting to put the team in the school's history.

TWO FIRE ALARMS

At the residence of John Arnett a fire from some unknown cause broke out in the afternoon. The fire department was called, and made a hurried trip to the scene. The only damage done was the loss of the paper in the living room.

On Saturday afternoon the department responded to a call turned in at a tourist park, the fire being caused after slight damage to the interior of one of the cottages.

Lubbock is the leading producer of chile peppers in the annual value being around \$4,000,000.

Factory to Opera

Marjorie Jacobs, former factory worker, made her debut at the Littlefield Opera House, New Mexico, singing and playing piano while the pet dog listens.

THE TURKEY GOBLER

The great American bird is not the hen nor the eagle, but the turkey gobler. The gobler is lord of the barnyard and field marshal of the fowls. See him strut in the fullness of his pride, tail feathers spreading, head up, wings trailing, but not ingloriously! His crimson comb and purplish wattles give him the appearance of a red-faced and important gentleman who is querulously concerned in everything going on about him. Such pomposity, dignity and swagger is rare. His irritable "gobble, gobble, gobble" strikes terror into the hearts of little children, but is music in the ears of the more sophisticated who envision him trussed up in a roaster and stewing in his own juice.

The turkey has been closely associated with American history from the beginning. It will be remembered that at the famous Thanksgiving feast of the Pilgrim Fathers in November, 1621, in which the friendly Indians participated, wild turkey was the chief delicacy. Once this elusive bird was plentiful but now the wild species is all but extinct. In only a few sections of the country the wild turkey may be found. It begins to look as though the domestic turkey is destined to go the way of its progenitor. Young turkeys are hard to raise and the Thanksgiving and Christmas demand exceeds the supply. No one wants to see the day when the turkey has disappeared from the land and the proud gobbler struts and fumes no more.

There is no substitute for the turkey gobler in sight. As compared with him the rooster is plebian and the gander "a lesser breed without the law." The gobble is a symbol of prosperity and a token of hospitality as well.

WANT NEW SCHOOL BUILDING

A petition was last week presented to the School Trustees of Levelland district asking for a bond issue of \$125,000 for erection of a high school building.

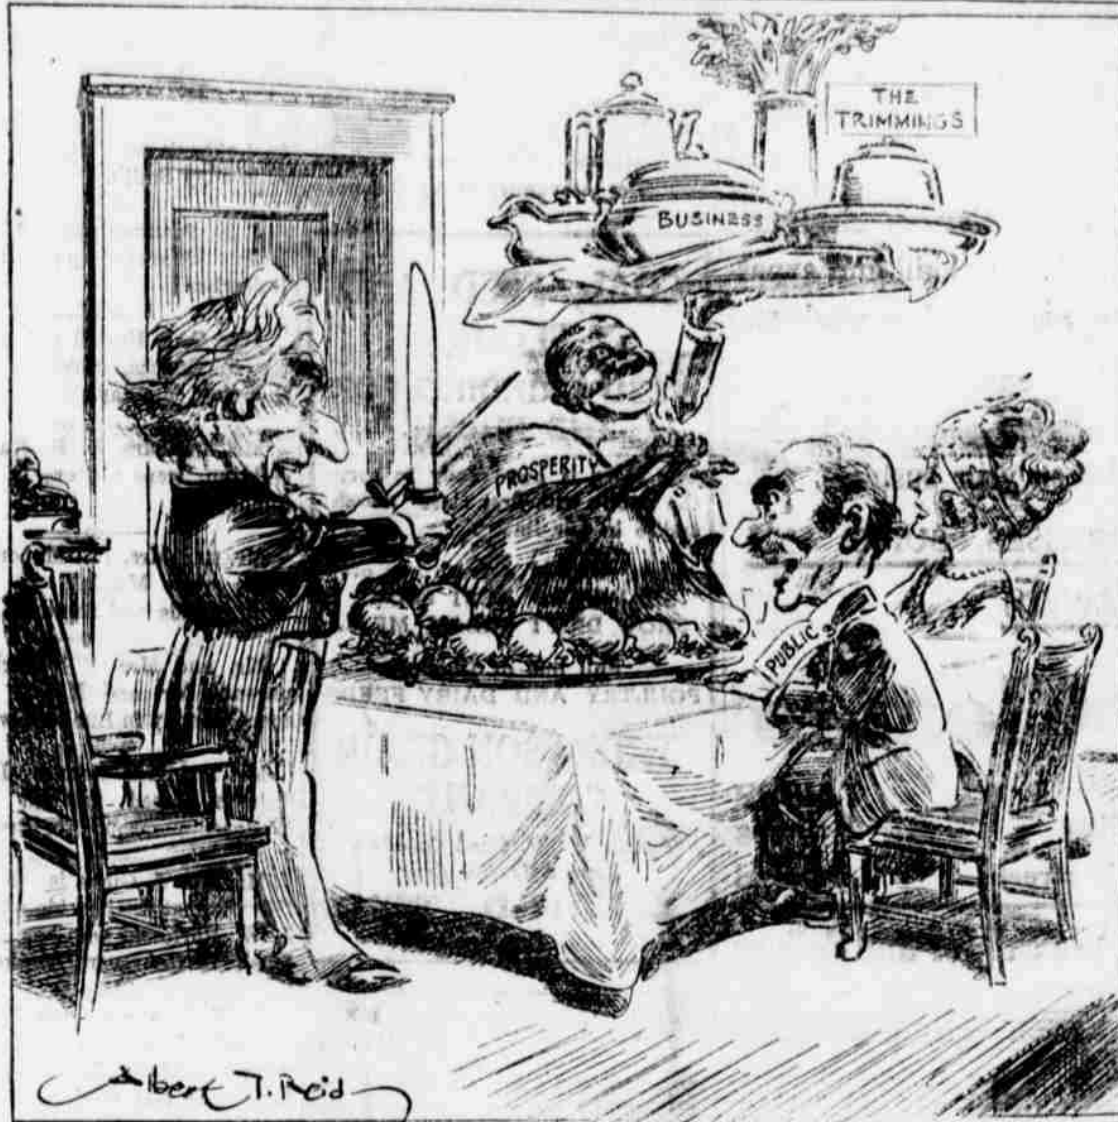

The petition recites that the new building is necessary on account of the present over crowded condition and in anticipation of future growth of that little city.

THANKSGIVING SERVICE

The Methodist and the Presbyterian churches, of Littlefield, will hold a joint program for the Thanksgiving service.

Our Turkey's Getting Bigger and Better

By Albert T. Reid

THANKSGIVING TIME

EDITORIAL

Much of the spirit of the old time Thanksgiving holiday has gone, and yet much of it remains. It was originally a day of genuine religious observance, in which out of full hearts people rendered thanks to the divine power that had brought them safely through another year. They did not have to be begged and implored to go to church to offer prayers of thankfulness. Such expressions came naturally and without effort.

Much of that spirit today is lost. Even the multitudes of people who have a strong religious feeling are apt to be too busy with their own holiday doings on Thanksgiving day, so that they do not attend the church services, and they may give scarcely a thought to this means of recognizing our blessings.

As we approach another Thanksgiving day we wish everyone around Littlefield to remember that for most of us life brings much cause for gratitude. If we stop to look at our troubles and then at the things that bring us happiness, we find that for the most part the joys predominate. It seems rather hard and unfeeling not to render a prayer of thanksgiving to the author of all good.

While these sentiments are weaker than they should be, Thanksgiving day still brings millions of families together in happy family reunions. Our families are scattered all over the country, and it is not always possible to assemble the children and the sisters and aunts and cousins as was formerly done when they all lived close to the old home. Now many of them are hundreds, possibly some of them thousands of miles away. But the auto makes such gatherings possible for many of us. It is an easy thing to go a hundred miles or even more—and we lose a lot if we let another holiday pass without making such use of it.

As for Thanksgiving Day itself, count your blessings and you will find that they are many. Then be thankful for them, great or small, and thankful, too, that we have bright prospects for still another year of peace and happiness and contentment just ahead.

BAKER—ALLEN

Miss Norene Baker, daughter of J. H. Baker, who resides northwest of town and Sam Allen, son of Charles Allen, of the same community, were married at the home of L. H. Fitzgerald, and by him, Saturday evening. The couple are well known in Littlefield, and their friends will be glad to know that they will make their home in this vicinity, a few miles north of Littlefield.

SMITH—CLARK

Miss Evelyn Smith, daughter of Mr. and Mrs. J. L. Smith, of this city, was married to Bill Clark, son of Mr. and Mrs. Charlie Clark, at the Methodist parsonage at 7:30 Tuesday evening of last week, by Rev. George E. Turrentine. Only a few close friends of the couple were present. They will make their home temporarily with his parents in Littlefield.

STORK SPECIALS

As Thanksgiving arrives there are several homes in the community having special reason for rejoicing over the advent of recent additions to their family circles. One physician reports the following births during the past week:

Mr. and Mrs. John Casey, a girl.
Mr. and Mrs. W. T. Ramsey, twins boy and girl.
Mr. and Mrs. Wm. McCormick, a girl.
Mr. and Mrs. C. A. Wood, a boy.
Mr. and Mrs. J. B. Buffalo, a girl.

OPEN NEW SHOP HERE

J. D. Evans, of Altus, Okla., is this week opening a cleaning and pressing shop in the Bevens building on South Main street.

He will specialize in recleaning and reblocking of hats.

Eat turkey and smile a mile.

TURRENTINE WAS RETURNED TO LFD FOR ANOTHER YR.

The annual session of the Northwest Texas conference came to a close last Sunday night with the reading of pastoral appointments by Bishop John M. Moore for the coming year. During the afternoon service there were 10 deacons given first ordination. Several transfers, both in and out of the conference were made during the session. The next meeting will be held at Pampa.

Rev. Geo. E. Turrentine, pastor of the Methodist church in Littlefield last year, was returned here for another year. Rev. D. B. Doak was retained as presiding elder of the Lubbock district for another year. C. R. Hooten becomes pastor of the churches at Sudan and Amherst. Rev. Ed Tharp, former Littlefield pastor was returned to Matador for another year.

The complete list of appointments for the Lubbock district were as follows:

Presiding elder, D. B. Doak; Abernathy, J. E.; Michael; Andrews, to be supplied; Beeton, G. R. Fort, supply; Brownfield, B. W. Dodson; Crosbyton, T. M. Johnston; Drew-Crassland J. E. Thompson; Idalou, C. H. Leader Lamesa, W. P. Garvin; Lamesa circuit, W. M. Whatley, supply; Levelland, J. W. Sheppard; Littlefield, G. E. Turrentine; Lorenzo, R. S. Watkins; Lubbock, First church, H. L. Munger; Lubbock, Nineteenth street, G. P. McCullum; Lubbock circuit, C. J. Logan; Munroe, C. E. Lynn, supply; Meadow, D. D. Dennison; Morton, to be supplied; Muleshoe, W. B. Hicks; Muleshoe circuit, to be supplied; O'Donnell, C. A. Duncan; Plains, C. M. Curry, supply; Post, T. J. Rea; Ralls, B. J. Osborne; Robertson, R. B. Walden, supply; Slaton, S. L. Culwell; Seagraves-Seminole, J. D. Farmer; Sparenberg, Hamilton Wright; Southland, Elmer Crabtree; Sudan-Amherst, C. R. Hooten; Shallowater, R. I. Hart; Tahoka, R. T. Breedlove; Wilson, Z. B. Pirtle; professor in Texas Technological college, John C. Cranberry; student Tech college, C. A. Norcross.

HAVE REUNION DINNER

Mr. and Mrs. A. D. Tomlinson gave a family reunion dinner at their home in the High School Addition, Wednesday of last week, in honor of their uncle and aunt, Mr. and Mrs. H. E. Gandy, of Big Springs.

The guests attending were: Mr. and Mrs. H. G. Tomlinson, Mr. and Mrs. F. P. Tomlinson, J. L. Tomlinson, Ervin Tomlinson, Mrs. Gladys Starr, Mrs. W. R. Faust, Mrs. C. L. Hillin and the honoree and wife.

LAMB CO. TURKEY CROP WILL YIELD \$80,000 THIS YR.

That the turkeys raised in Lamb county will bring to their owners in the neighborhood of \$80,000 this year is a conservative estimate made this week on the basis of birds sold during the Thanksgiving market period.

During the four days of Thanksgiving marketing in Littlefield 3,000 head, totaling 40,000 pounds, or about two carloads, were purchased. Most of these birds were classed as number one quality, probably not more than five per cent being number two birds and old toms. Counting the number one birds at 30 cents per pound, the prevailing price during this period, there was paid to the growers marketing in Littlefield, in round numbers the sum of \$11,000.

It is reported that two carloads of turkeys were also shipped from Sudan; one-half carload from Amherst, and it is estimated that at least two carloads went out from the Olton market in the northern part of the county. This does not take into consideration birds in the north-east part of the county which went to Anton and other neighboring markets, nor those in the extreme southern part of the county going to Levelland.

On this basis there were probably \$39,000 worth of turkeys marketed in this county during the Thanksgiving selling period—and this is said to be only about one-half the total crop this year.

THANKSGIVING JOYS

Many are the joys of Thanksgiving, that Nation-wide day of feasting, but many are the forces in the big cities that are militating against these joys. Time was when from one end of the country to the other every family—with but few exceptions—enjoyed a hearty Thanksgiving Dinner with all the "fixings" at home, and in the excitement attendant to the event arose a deep sense of family affection and solidarity. Thanksgiving was a day for the family and the home.

In the small towns and rural districts, it is still a day for he family and the home; but our city neighbors are not so fortunate.

Crowded into tiny apartments, how can they know the real joys of Thanksgiving?

"It is a trifle difficult to wax sentimental about Apartment B, 8th floor, as the old homestead," writes Walter Pritchard Eaton. "Besides, the kitchen isn't big enough to cook an 18-pound turkey, let alone four mince pies, two pumpkin pies and a pudding. Anyhow, the cook never heard of mince pies."

COTTON GINNING RAPIDLY

Jess Elms, Littlefield ginner, reports that more cotton was ginned Saturday by local gins than has been ginned any other day this year. The capacity of cotton has not yet been reached, and West Texas has taken a lead in its production among cotton-producing states and sections. "Our own community, and surrounding communities, have, by all appearances, put out a bumper crop," he said.

IN MUNICIPAL COURT

E. A. Grogan, charged with drunkenness, fine paid \$11.45.
Manon Banburg, charged with drunkenness, fine paid, \$11.45.

Talks to Mars?

Dr. H. Mansfield Robinson of Littlefield has tried to send a message to a woman on Mars who he says has communicated with him. He uses his psycho-telepathic motor-metre and wireless set.

Texas has one of the few international street car systems in North America. It is the line operated by the El Paso Electric Company between El Paso and Juarez, Mexico.

A Maine woman, 106 years old, attributes her long life to the fact that she has always minded her own business. Reformers will say she has paid a terrible price.

An editor gets many an idea from folks who suggest how to run the paper. Most frequently it is the idea that he'd like to shoot the suggester.

The Texas spinach crop amounts to almost \$4,000,000 a year.

Doctors Disagree
 When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from Stokes & Alexander Drug Company.

 When we have 8:30 o'clock services in Littlefield, 10:30 o'clock services will be held at Pep, and vice versa.
 Everyone interested has a free access to our church, and is cordially invited by—
 REV. CHARLES J. DVORAK, Pastor

Jack Page is reported to be very ill with typhoid fever. He is expected to take a turn for the better this week, and it is hoped that he will have soon recovered.

Bud Liston, Glen Potter, and Lee Wood, government scouts, passed through Littlefield, Saturday, from Muleshoe, enroute to Big Springs, where they will take up their work.

W. B. Whitley, cement contractor of Fort Worth, arrived in Littlefield last week. He is very favorably impressed with the town, and will locate here permanently to carry on his occupation.

Miss Lora Arnn, Mrs. Payne Wood, Travis Jones and Otto Jones made a trip to Childress Wednesday of last week for the purpose of bringing back five Pontiacs already sold and ready to be delivered.

Mr. and Mrs. H. A. Hinds made a trip to Lubbock last Thursday to see the trains come in on the new track.

of the Fort Worth and Denver just completed through that city.
 Mr. and Mrs. L. B. Titsworth, Frederick, Okla., have moved to Littlefield, arriving here last week. They are greatly pleased with their new location.
 Mrs. A. G. Hemphill is ill this week with cold, sufficient to confine her to the house.
 Eat turkey and smile a mile.

Just Like An Ostrich
 A medical authority says that a person who tries to cover up skin blemishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your whole constitution. Remove the constipation and you will strengthen your system against disease and clear up your disfigured skin. The best way to do this is with a course of Herbine, a vegetable medicine that acts naturally and easily, which you can get at Stokes & Alexander Drug Company.

**NEGRO IS KILLED
SUNDAY IN A GAME
NEAR SAND HILLS**

Elihu Edwards, negro, was shot three times last Sunday evening, while in a game, about seven miles northeast of Littlefield. He was brought to Littlefield for medical attention, but died about two minutes after being placed on the operating table.

The doctor's examination showed one bullet, probably a .38 calibre,

entered the back, lodging against the skin in front; the second entered the front, lodging against the skin at the back, while a third glanced through the skin on the right shoulder.

Little details are known of the shooting, tho it is stated another negro, by the nickname of "Slim" is responsible for the murder.

Edward's body was taken to the Burleson-Mason Co., morgue and prepared for burial Monday afternoon, Rev. Turrentine of the Methodist church, officiating.

C. OF C. WANTS GOOD ROADS

The Littlefield Chamber of commerce met Tuesday, 12:45 at the Littlefield college cafeteria, a delicious turkey dinner was served, and evidently enjoyed very much, from the way it suddenly disappeared.

After matters pertaining to private business were discussed, the question of "Good Roads" was brought up. The citizens of Littlefield, and people of this district, have long felt the need of better roads along the routes the school trucks must travel.

T. S. Sales stated that the chamber intends to do its part for the betterment of this condition. Committees were appointed to get in touch with the road commissioners for this section, and enlist their co-operation.

GETS HAND MASHED

L. L. Manley, who is connected with the Jones Motor Company, sustained a seriously crushed hand this week, the injury being caused from a car rolling over it.

He was attempting to jack the car up, and the wedge slipped, causing the machine to roll backward over his hand. Although the doctor reports the hand doing nicely, he is unable to continue his work.

Love Authority

M. Claude Anet, French novelist now in New York who is known as one of the world's authorities on love, has received invitations from many cities to hold "love clinics" where the all-absorbing topic will be discussed from every angle.

ARIZONA MAN BURIED HERE

The body of C. A. McElroy, who died at Tucson, Arizona, was shipped here last Friday for interment beside that of his mother in the local cemetery.

The burial was handled by the Burleson-Mason Undertaking Co., and John R. Freeman officiated at the services.

JESS. MITCHELL, Editor and Publisher.

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in circulation right here in this community if every motorist drove his car as though he couldn't get repairs or a new one if he wrecked it.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate. Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Littlefield Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

THANKSGIVING

"O give thanks unto the Lord, for He is good.

For His mercy endureth forever. Enter into His gates with thanksgiving and into His courts with praise. Be thankful unto Him, and bless His holy name.

Praise the Lord, O Jerusalem, Praise thy God, O Zion: For He hath strengthened the bars of thy gates.

Let all the people praise Thee, O Lord, let all the people praise Thee." —Psalms.

PRAYER

O, Lord, give us more charity, more self denial, more likeness to Thee. Teach us to sacrifice our comforts to others, and our likings for the sake of doing good. Make us kindly in thought, gentle in word, generous in deed. Teach us that it is better to give than to receive; better to forget ourselves than to put ourselves forward; better to minister than to be ministered unto. And unto Thee, the God of Love, be glory and praise forever. Amen.—Henry Alford.

WINTER FORECASTS

The winter weather prophets usually are hard on the heels of the first frost, and this year proved no exception. The goosebone experts cheerfully announce that it will be a long, hard winter. Fishermen along the Atlantic coast endorse this by pointing out that the crabs are storing up heavy layers of fat, holding that to be a sure sign of a severe season ahead.

We've no desire to start an argument with our amateur weather forecasters around Littlefield but we're going to be frank enough to say that it has been our observation that they miss as often as they hit.

One funny thing about the man who makes a weather prediction is that he always predicts bad weather. He probably figures that, taken as a whole, we have more mean weather than good, and that predicting the worst kind he will hit it oftenest. And then, too, you never hear from the weather prophet when he misses. It is only when he happens to hit it that he calls your attention to it.

They tell us that the fall flight of birds and wild geese was earlier than usual; that corn husks are thicker than last season; that the fur on outdoor animals is unusually heavy, arguing that all this presages a long, hard winter. But it is nothing to worry about. Every winter is long and hard somewhere, and the best of them are pretty much as hard as we view them. Learning to be prepared for what comes and to take what comes is the best way. It's only those who worry about the weather that suffer from it.

So the amateur forecaster can go right ahead with his predictions—soon or later he'll find that he can't change things any more than he can call the turn on them.

Personally, we crave luxuries. But we've never read about a \$5000 funeral that we'd like to have.

FRESH AIR

With the arrival of colder weather comes the fresh air problem. In a talk with a Littlefield physician he points out that it is well enough to protect ourselves against cold, but in shunning fresh air too much we are apt to run the risk of lowering our resistance against disease.

Outdoor air is the most healthful air and we need large quantities of it daily. Our bedroom windows should be open while we sleep. It must also be remembered that we can work

more efficiently and more contentedly in house, store or office, if plenty of fresh air from the outside is let in. To avoid drafts the windows may be opened for a few minutes several times during the morning and afternoon.

Just learn the difference between fresh air and draft, he says, and you'll be on the road to better health. And it is timely and valuable advice.

Maybe the cause of the increased price of furs is that it costs the animals so much more to live now than it used to.

CAREFULNESS

We know a Littlefield motorist who never tries to pass a car when ascending a hill or on a curve. When he comes to a crossing, he slows down and makes sure of his road. It sometimes seems he is too cautious, but he is not taking any chances on the train. When he sees a man on the road ahead of him, standing on the outside of his car peering into it, he discreetly toots his horn. He remembers a time in his youth when he was riding a bicycle and sought to pass behind a woman who was standing talking to a huckster. Just as he was about to pass noiselessly she stepped backward, and he and she and

the bicycle all rolled into the ditch. Would that we had more drivers like him. If we had there would be far more pleasure in motoring, and far less heartaches and saddened homes. It would mean a saving of about 60,000 lives in the U. S. yearly. It would mean a saving of hundreds of dollars in repair bills. And think how much more money we would have in circulation right here in this community if every motorist drove his car as though he couldn't get repairs or a new one if he wrecked it.

LITTLE LEADERS

You don't have to tell the average Littlefield school teacher anything about the troubles of a "whispering campaign."

More than one man around Littlefield has earned a reputation for wisdom by just keeping quiet and saying nothing.

When you hear a Littlefield boy arguing that love is greater than law look out. He's bareing his neck for the axe.

Any Littlefield man who can boast of a dozen friends ought to be happy. Think what that would mount up to if he lived in a town the size of London.

The Littlefield man who used to spend his time wishing he had a million dollars is now figuring what he would do if he owned this country's home-brew output.

The old-fashioned Littlefield girl who got a cedar churn for a wedding gift now has a daughter who is contented with nothing short of a sports roadster.

CARD OF THANKS

To the good people who have given us kindness and sympathy during our bereavement we offer our heartfelt thanks. To those who have given floral offering, again we thank you May God bless you in all your sorrows.

—MRS. C. A. McElroy and family.
—Mrs. Roy L. Dunn.
—Mr. C. D. McElroy.
—Mr. and Mrs. Fred Graham.
—Mr. and Mrs. J. M. Vining.

The 'EASY' Washer

LEADS THEM ALL IN ECONOMY, QUICKNESS AND SATISFACTION

It's 50 years of Evolution reads almost like a story in the Arabian Nights—but it is all TRUE!

It didn't just "happen." It is the culmination of a dream developed from an urgent household need and inspired by science and mechanical genius to its present state of perfection.

Made of heavy seamless copper, thoroughly nickled inside and beautifully finished in white Duco without, it has an appearance unrivaled. It employs the vacuum system of cleaning. Has dryer attached, operating singly or in unison with washer. Centrifugal water circulating pump. Heavy sheet steel drain board. Operated by 1-6th h. p. motor. Automatic switch. Fool proof and safe. An eight year old child can operate it.

WE WILL GLADLY DEMONSTRATE IT IN YOUR HOME

WHY FARMERS SHOULD KEEP A BANK ACCOUNT

Farmers, as a rule, keep no book of account. Their bank deposit book affords them a complete record of their cash receipts, while the stubs check book are a perfect record of expense payments. Paying a laborer, a store account, any other bill with a bank check is much easier than with money, because the person receiving the check must endorse it and the check being cashed by the bank, can be presented to the maker by the bank, can be presented as a receipt. Money deposited in a bank is safe and so often "folded away" as when around in one's pocket. Farmers: make a habit of depositing your money in a bank and see if it does not pay you. A large number of the best farmers have accounts with us.

We are desirous of having more farm accounts, even though small, for in this country where mixed farming is preached and practiced their accounts are sure to grow larger.

SAVE AND HAVE!

We solicit your business, promising you the best of accommodation consistent with prudent banking.

LITTLEFIELD, TEXAS

WE STRIVE FOR A MAN TO MAN RELATIONSHIP. WE WILL PREVENT MISUNDERSTANDINGS, MERELY CONFIDENCE, AND CREATE FRIENDSHIPS.

Ours are the Blessings for which the Pilgrims Journeyed Far

Three hundred and eight years ago, a group of travelers known to history as the Pilgrims landed on "the stern and rock-bound coast" of new England. They endured many hardships during their journey—but the Spirit of Freedom that animated them drove them forward to success in their undertaking. They founded a colony where they were free to worship as they pleased, and were able to rule themselves according to their own conscience.

out the country on Thanksgiving Day. And indeed their venture struck the keynote of the true American Spirit, and all of us today are basking in the sunlight of their pioneer accomplishment.

They have made it unnecessary for us to journey to strange lands, as they did, in the quest of happiness.

Our happiness is available to us **RIGHT IN OUR OWN HOME TOWN.**

We have the sort of community for which the Pilgrims strove. Ours are the blessings for which they journeyed far!

Let us nurture these blessings by upholding and supporting **OUR HOME COMMUNITY** to the greatest extent in our power. Let us **MAKE OUR HOME TOWN GROW** by contributing to its general welfare through the medium of **PATRONIZING OUR HOME**

The attainment of their desire is today celebrated through **TOWN MERCHANTS**, whose success means the success of the community.

The business growth of our town means the growth of our recreational, educational and social ac-

tivities. When you make purchases out of town, you are fighting against the **COMMUNITY SPIRIT** which animated the Pilgrims and which is the mainspring of all American progress!

GET the COMMUNITY SPIRIT! BUY at HOME!

Announcing -

The Outstanding Chevrolet of Chevrolet History

- a Six in the price range of the four!

The Chevrolet Motor Company announces The Outstanding Chevrolet of Chevrolet History... a Six in the price range of the four!

Spectacular as Chevrolet's achievements have been in the past... notable as its engineering triumphs have proved themselves to be—this remarkable new car dwarfs every previous Chevrolet accomplishment. Not only does it introduce into the low-priced field an entirely new measure of performance, comfort, beauty and style—but it is sold at prices so low as to alter every previous conception of motor car value.

The new six-cylinder valve-in-head engine—developed from more than a hundred motors designed especially for this sensational car—stands out as an engineering masterpiece. With a power increase of approximately 32% over the previous Chevrolet motor, with sensationally greater speed and faster acceleration—it offers a type of performance that is literally astounding... even to those who have been driving cars costing hundreds of dollars more.

Throughout the entire speed range, it performs with a smoothness and quietness of operation that have never before been approached in a low-priced automobile. At the slower speeds of city

traffic it idles along with wonderful silence and ease. On boulevards and country roads it responds with an eagerness that is a constant delight. It takes the longest and steepest hills with an abundant reserve of power that is a source of pride to the driver. And its economy of operation averages better than 20 miles to the gallon of gasoline!

This revolutionary performance has been achieved as a result of the greatest array of engineering advancements that Chevrolet has ever announced. A high compression, non-detonating cylinder head... a new heavier crankshaft, statically and dynamically balanced... automatic lubrication of the entire rocker arm mechanism... semi-automatic spark control... hot-spot manifold... gasoline pump and filter... new and larger car-

buretor, with automatic acceleration pump and improved venturi choke... fabric camshaft gear... heavier driving gears... heavier differential gears... improved crankcase breathing system... improved lubrication... new 4-wheel brakes that are powerful, safe and quiet under all conditions—these indicate the importance of a group of engineering advancements that embrace every major unit of the entire chassis.

In appearance, this Outstanding Chevrolet is destined to become an automotive sensation—so smart, so stylish and so distinctively appointed that it rivals the costliest custom creations. The new Fisher bodies are longer, lower and roomier with adjustable driver's seat in all closed models—and reveal the matchless artistry of Fisher designers.

With their modish new colors, the smart dual mouldings and their distinctive concave pillars, they achieve a degree of original beauty that has seldom been equalled in motor car design.

You are cordially invited to visit our showroom and secure complete and detailed information on this sensational new car which will be ready for delivery beginning January 1st.

Advance Showings

The Outstanding Chevrolet of Chevrolet History will be displayed in a series of advance showings in the cities listed below:

- New York, Nov. 24-29, Waldorf Astoria Hotel and Chevrolet Retail Store Broadway at 57th
- Detroit, Nov. 24-29, General Motors Bldg. Auditorium

COLLEGE NEWS

John R. Freeman, accompanied by the three other members of the College quartet, namely, J. Frank Copeland, Dotson J. Lewis and Wesley W. Jones, attended the Brownfield Teachers institute last Friday. Mr. Freeman had a part on the program.
 Mr. and Mrs. Wesley Jones and Miss Ruth Botts went to Lubbock Saturday. Miss Botts has relation living there; these she visited with until Sunday afternoon when they brought her back to Littlefield.

Some of our students have recently been having sad news from their homes. David Asher received word last Wednesday that his mother had died a few days before. Owing to a mistake in handling the mail, David's letters were delayed in getting to him. His parents lived near Blake- eny, in Red River county. Also, Jack Travlor has recently received word that his father is in very bad health. Jack is expecting to have to leave school at any time because of it.
 The young people omitted their Dramatic Art club program Saturday night in order to give the time to E. S. Jelley, missionary to India. The things he had to say on that occasion were seemingly enjoyed by all.
 R. W. Jones, secretary, received word Friday that the College visitor would be here Monday to inspect the college. The school since being organized and affiliated at Gunter, has been receiving about two state visitors, one for college and one for high school, and one Texas College Association visitor each year; so all of these visitors are expected at some time during the year.
 Quite a few of the students are planning going home to spend Thanks giving. It is expected that the school will be dismissed one or two days for that event.
 J. A. Taylor, of Winters, was here again last week. He stated he would be ready to move to Littlefield by the last of this week if he could get a place. He is anxious to move so he can place his two girls in school. Mr. Taylor is a farmer, and he expects to move his stock and quite a few of his farm tools out here and make this his permanent home.
 It appears that Byron Echols is planning to be here quite a while, too, for he has recently had a nice radio installed in his office at the college.
 The construction work on R. F. Meacham's house has been delayed some for several days on account of lack of material. Last week Mr. Echols, the local manager of the school construction work, was expecting a car of brick and a car of sheetrock. The sheetrock has come and a part of it is being stored in a new shed at the college.
 Missionary Here From India
 People frequently receive visitors from other towns, communities and states, but how seldom we have visitors from other nations. But such a visitor was in Littlefield during the past few days.
 E. S. Jelley, accompanied by his

little girls, Susanna, age 12, and Mary, age 5, and by Truman House, arrived at John R. Freeman's Friday.
 Mr. Jelley, though a man of American blood and birth, as a result of his mother's early training became interested in preaching to those in foreign lands, and at the age of 19 made his first trip to India. Since then he has made three trips there, and in all has spent about 16 years in that country. He is a faithful minister of the Church of Christ, and largely through his efforts about 2,500 of the Indian people have been turned from their idols to Christian worship.
 During his sojourn in India, Mr. Jelley married one of the native Indians, and has several children by her. In 1923 he came to America, bringing his family with him because of his wife's health. She died in Fresno, California the first of last July. He expects to go back to Oregon in a short time, when his eldest son will take care of the children, after which he will resume his missionary work in either India or Palestine.

Mrs. Smith had been a member of the Baptist church since a girl 18 years of age. She is survived by five sons and one daughter.
 The Leader for printing.

A hypocrite is one who pretends to believe a person whom he knows to lying.
 Chinese girls should have no difficulty in learning stenography, there being no spelling in that language.

EXPERT WORK AT REASONABLE RATES
 That's our motto!
 You may need the services of a plumber only once in a great while, but that once it is important for you to get prompt, efficient service, which is just what we give.
 Pipes will leak. Pipes will burst. Whenever anything like that happens, all you need do is call us, and a man equipped to make the repairs will be at your place in a jiffy.
 How about some new installation? Water or sewer connections? Let us figure the job for you!
 Any time you need a plumber just call on us and give us a chance to make good our claims in this advertisement.

METHODIST MISSIONARY
 The Missionary society of the Methodist church met Monday afternoon at the home of Mrs. J. R. Wales for a business and social meeting.
 Mrs. B. L. Cogdill had charge of the program and was assisted by Mrs. Herbert Teal, Mrs. Van Clark, Mrs. J. W. Keithley, Mrs. Geo. Turrentine and Mrs. G. S. Glen. Mrs. Wales and Mrs. Turrentine were hostesses for the afternoon.
 Delicious refreshments of chicken lette were served to the following members and guests:
 ley, G. S. Glenn, R. A. Davis, Geo. Mesdames B. L. Cogdill, J. W. Keith sandwiches, pear salad and hot chocolate. Turrentine, Van Clark, J. R. Wales, and Mrs. C. H. Grow.

C. E. STRAWN LOSES MOTHER
 Mrs. M. E. Smith, mother of County Commissioner C. E. Strawn, passed this life last Friday at the home of her son, northeast of Littlefield. She was 82 years of age at death, and had been an invalid for the past 10 years, death being caused by paralysis.
 The funeral was conducted by Rev. Dixon, pastor of the Amherst Baptist church and interment made in the Littlefield cemetery. Burleson-Mason Co. had charge of the arrangements.

GRATITUDE UNBOUNDED

Had we all the space of this newspaper at our command, we would still be unable to adequately express our appreciation for your patronage of the past, so from the depth of our heart, we simply say: THANK YOU! We wish for you and yours a joyous Thanksgiving Day.

—MAGNOLIA PETROLEUM CO.
L. F. Hargrove, M'gr

LIFE'S GREATEST BLESSING

—Is a good home in a good country. During the past year we have aided many in securing desirable homes in this section, and our best wishes go out to all of our customers that this Thanksgiving day may be one of the happiest of your residence on the South Plains.

—Wm. CAMERON & COMPANY
J. W. Porcher, Manager

WHETHER YOU EAT TO LIVE

—Or live to eat, Thanksgiving is a day in which you rejoice that you are able to enjoy the good things of life. Our stock of groceries can supply you with all the good things to eat that one would desire. We are indeed appreciative of your patronage, and wish you all the happy returns of the day.

—S. B. MATTHEWS GROCERY

WE ARE HERE TO THANK YOU AGAIN

—For your patronage. May Thanksgiving Day bring joys that will last until we have the opportunity to renew our wish to you in 1929.

—LON'S CAFE

WHETHER YOU VOTED FOR

—Hoover or Al Smith; live in a mansion or a hut; are white, black, yellow or red; obtain your living by your brain or your brawn—there are a wonderful lot of things for which to be thankful on this day—and we are.

Our good will and best wishes are yours!

—LAMB COUNTY LEADER

The new Ford
has a very simple and
effective
lubrication system

THE lubrication system for the engine of the new Ford is as simple in principle as water running down-hill.

A gear pump in the bottom of the oil pan raises the oil to the valve-chamber reservoir. From here it flows on to the main crankshaft bearings and the front camshaft bearing. Overflow oil drops into the oil pan tray and runs into troughs through which the connecting rods pass.

As the ends of these rods strike the oil they scoop up a supply for the connecting rod bearing. At the same time they set up a fine spray that lubricates the pistons and other moving parts.

From the tray the oil runs into the bottom of the pan, and is again drawn up through a fine mesh screen and pumped to the valve chamber.

This system is so effective that the five-quart contents of the oil pan pass through the pump twice in every mile when you are traveling at only 30 miles an hour. Yet there is only one movable part—the oil pump.

As a matter of fact, the lubrication system for the new Ford is so simple in design and so carefully made that it requires practically no service attention.

There is just one thing for you to do, but it is a very important thing... watch the oil! Change the oil every 500 miles and be sure the indicator rod never registers below low (L).

If the oil level is allowed to fall below low, the supply becomes insufficient to oil all parts as they should be oiled.

To insure best performance it is also advisable to have the chassis of your car lubricated every 500 miles. This has been made easy in the new Ford through the use of the high pressure grease gun system.

Proper oiling and greasing mean so much to the life of your car that they should not be neglected or carelessly done.

See your Ford dealer regularly. He is especially well fitted to lubricate the new Ford and he will do a good, thorough job at a fair price.

FORD MOTOR COMPANY

BABY IS KILLED WHEN TRUCK HITS LITTLEFIELD CAR

Bettie Jo Wood, five months old daughter of E. C. Wood, 1925 Avenue F, employe of the Direct Mattress Co., Lubbock, met instant death at about 10:30 o'clock Sunday morning when the company's delivery truck, in which she and her parents were riding collided with a light coupe at the corner of Main Street and Avenue L in Lubbock.

The little girl's head was crushed beneath the overturned truck after she had been jarred from her mothers arms by the impact of the collision.

Mrs. Wood received slight scratches and bruises about the face and body but was released from a hospital where she was carried shortly after the accident. Other occupants of the two cars were uninjured.

Littlefield man Drove Car

J. M. Bridges, of Littlefield, was the driver of the other car. He was taken up by Lubbock officers, but was released following an investigation at a justice of the peace court. The accident was termed unavoidable. Both cars were badly smashed as result of the accident.

Mr. Wood was driving east on Main street when the car he was attempting to pass made a sharp turn causing him to swerve suddenly to the left and to collide with the Littlefield car.

PERSONAL ITEMS

Maple Wilson, of Lubbock, was a visitor in Littlefield, Tuesday.

Mr. and Mrs. T. Wade Potter were visitors in Lubbock, Sunday.

T. E. Potts, of Frederick, Oklahoma, was a business visitor in Littlefield, Saturday.

Miss Dahlia Hemphill spent the weekend in Lubbock with Miss Sylvia Wilson.

Mr. and Mrs. A. J. Reid, of Roby, are in Littlefield this week visiting their daughter, Mrs. Star Haile and family.

Mrs. F. R. Jones and Mrs. L. L. Malone were in Lubbock, shopping, Tuesday.

Miss Joda Lou Harrell, Carol Berryman, and W. T. Cain were visitors in Plainview, Sunday.

Mr. and Mrs. Roy Gattis entertained a small group of their friends with a forty-two party, Tuesday night.

Jim Hamitt, of Roby, is in Littlefield visiting Mr. and Mrs. Star Hale and family.

Floyd Hemphill and Oje Martinez, of W. T. S. T. C., at Canyon, spent the weekend with Floyd's parents, Mr. and Mrs. A. G. Hemphill.

Payne Wood, of Amherst, was a business visitor in Littlefield, Tuesday. He has purchased him a new Pontiac coach this week.

J. B. Masingale, who is staying in Lubbock, for treatment of injuries received in an automobile accident, spent Sunday in Littlefield with Misses Opal and Anna Mae Stewart and other friends.

Miss Marguerite Carpenter, of W. T. S. T. C., at Canyon, arrived in Littlefield, Wednesday, to spend Thanksgiving with her aunt, Mrs. E. S. Rowe, and family.

The following Littlefield people were at Olton attending court Monday an dTuesday: Charlie Harless, Lon Campbell, both of whom served on the grand jury; Homer Hall, Carl Arnold and Carl Ellis.

A. H. Diersing, of Munday, who has been visiting in Pep, and looking after his farming interests there, called at the Leader office, Monday and gave his subscription for the coming year.

Mr. and Mrs. B. L. Cogdill, Mr. and Mrs. Van Clark, Mr. and Mrs. M. P. Reid, Mr. and Mrs. J. S. Foster, and Mrs. G. E. Turrentine attended the Southern Methodist annual conference at Lubbock last week.

Arthur Jones, Leon Jordan, Edgar Campbell, Mas Lora Ann and Miss Edith Ratliff were visitors in Childress, Monday for the purpose of driving back to Littlefield several new Pontiac cars.

Lady Astor says Americans do not understand Europeans. She might have added that Americans do not understand one another, either.

THE 1928 GRADUATES

The following 1928 graduates of Littlefield High school are attending Tech, this year: Dorothy Alford, Rex Matthews, Mary Lee Carpenter, Troy Foster, William Lowmore and Clarence Kelley.

Lydia Crockett is now living in Lubbock.

Emil Timian is working here with the Palace confectionary.

Maxine Courtney is married and living here.

The following are living here but intend to go to college later: Florence Hendrix, Louise Bagwell, Margie Fowler Jonnie Pace, Waymon Long, Vessie Strawn and Forrest Mc Gavock.

Carlton Rawlinson is visiting in Dallas.

Edna Davis is living in Olton.

Kathleen Yeager is living in Hobbs, New Mexico.

—Taken from the Wildcat.

WHO'S WHO IN SOPH CLASS

Bobbie Faye Davis—president of Sophomore class; president of history II Current Events club; I. H. S., Kitty, '27, '28, "Baby Face."

Charles Evans is a member of Littlefield Hi-Y club and left tackle on football team.

—Taken from the Wildcat.

Forget Value of Time

There is nothing of which we are so proud to be so lavish as of time, and about which we ought to be more solicitous, since without it we can do nothing in the world. Time is what we want most, but what, alas! we use worst.—William Penn.

Weeds Help Birds

The weeds whose tops stick above the snow in winter serve a number of uses, says Nature Magazine. They help their own kind, and they help the birds who feed upon their fruits and seeds. Among the common weed tops are those of pigweed and milkweed.

Mayas in High Place

What is known of the Mayas indicates that they were the most advanced of the American Indian races. The Mayas had a written language, but as yet no key has been found for it.

Patriot's Death Avenged

The cruel death of Oge, the Haitian patriot who was inhumanly broken on the wheel in 1791, aroused the colored people to a perfect frenzy, and led to the extermination of the white population of the island.

First Italian Opera

The first Italian opera, as distinguished from a musical drama, was "Daphne," which was produced by the Society of the Alterati in a private house in Florence in 1596. The music was by Caccini and Peri.

Nothing Doing

"Why don't you get married?" "Because we can't get any house or flat!" "But can't you live with your parents-in-law?" "No, because they are still living with their parents-in-law."—Munich Mezzendorfer Blaetter.

Wanted Information

Art Museum Visitor (to stranger with catalogue)—"Beg pardon, but could you tell me if they have any spinets here?" Stranger (thumbing catalogue)—"What are the artist's initials?"—Boston Transcript.

DON'T QUIT

When things go wrong as they sometimes will,
When the road you're treading seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must—but don't you quit.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow—
You may succeed with another blow.

Success is failure turned inside out—
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit—
It's when things seem worst that you must not quit.

—Selected.

A YOUNG BRIDE'S RECIPE

A young bride asked her husband to copy off a radio recipe that she wanted. He did his best, but got two stations at once, one of which was broadcasting the morning exercises, and the other recipe. This is what he took down:

Hands on hips; place one cup of flour on the shoulders; raise knees and depress toes; and mix in thorny one-half cup of milk. Repeat six times. Inhale quickly one-half teaspoon baking powder; lower the legs

Ruth Dixon of London is famed in the United States and England both as an international beauty and a tennis star of the first rank.

and mash two hard boiled eggs in a sieve, and exhale. Breathe naturally and sift into a bowl. Attention! Lie flat on the floor and roll the white of an egg backward until it comes to a boil. In ten minutes remove from fire and rub smartly with a rough towel. Breathe naturally; dress in warm flannel and serve with fish soup.

A Great Discovery

When Pasteur discovered, in 1862, that the infection of wounds was caused by malignant bacteria, he performed a service of incalculable value to mankind. Since then medical science has been producing better and better antiseptics, to kill these germs that may enter the smallest cut and give us diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to do to be sure that these dreadful germs will not infect a wound, is to wash that wound, however small, thoroughly with Liquid Borozone, the modern antiseptic. You can get Liquid Borozone, in a size to fit your needs and purse, from Stokes & Alexander Drug Company.

We will be Closed Thanksgiving Day

Littlefield, Texas

JESS' JOSH

It's getting so that it would seem as strange to think of Thanksgiving without football as it would be to think of it without turkey.

"Plumber mistaken for robber," says a news headline. A natural mistake, some home-owners will agree.

"Burle" says he has just learned that the Associated Undertakers plan to broadcast a series of radio concerts but he failed to state what was the purpose of the programs.

Noah—And why so sad, dear. Mrs. Noah—Who wouldn't be glib traveling with this beastly crowd!

There was a young fel from Lfdisky, Who imbibed too oft from his flasky, When he came to his door, He had trouble galore Reconciling his key-hole and pass-key.

"Maybe the reason some boys don't concentrate on any particular girl," says our news reporter, "is because a particular girl wouldn't stand for them."

Jess Elms says a man isn't getting all the comfort that's coming to him if he goes to church to simply hear his side of the argument.

The woman on XIT Drive contends that there are too many of our modern girls who, after waiting some time for some fairy prince to come and fly away with them, wind up by marrying an ordinary two-legged nut who chews tobacco and eats onions.

It's always easy to identify the owner of a car," says Doc Miller. "He is the one who, after you've closed the door, always opens it again and slams it harder."

Once again the barbarians are slaughtering because turkey got into it with grease.

A loaf of bread 60 feet long was baked in Minneapolis. In such a case half a loaf would be 30 feet better than none.

San Angelo has the largest and most up-to-date automatic independent telephone system in the Southwest.

TECH MID-WINTER TERM OPENS JAN. 2 WITH THE EXAM.

Lubbock, Texas, Nov. 26.—Entrance examinations for the winter term which opens January 2, 1929, Texas Technological College, will be held December 11, 12, 13, and 14 at the College, according to Professor W. P. Clements, chairman of the committee.

domestic science, agriculture; December 14—advanced arithmetic, general science, physics, chemistry, physiology, civics, bookkeeping.

THE HIGGINBOTHAM BARTLETT CO. WILL HAVE NEW BLD'GS

That Sudan is in the hearts of her citizens permanently, and that they have faith in her future, is evidenced this week by the announcement that the progressive firm of Higginbotham-Bartlett Co., will spend approximately \$50,000 on new structures within the next few months. The investors will erect a building 30x140 between the school buildings

and the Morrow garage, and this will be used as an office.

South of the Sudan Drug Store it is the firm's intention to erect one building 25x140, and two others 25x80, the total cost of the structures to be about \$50,000.00.—Sudan News

Praising the town ladies for having the cemetery cleaned up, an exchange declares that "the graveyard looks most inviting."

GETS FINGER CUT

Clarence Johnson, of Childress, who has been connected with the Star Market here, met with an accident Saturday morning that caused him to almost sever a finger, while cutting meat. He left Sunday for Lubbock, where he will have the injured member treated.

Count your blessings and be glad.

THE DEMAND OF This Modern Age!

Those things which were considered luxuries just a few years ago, have been turned into necessities by those who live in this modern age.

And one of the most important of these commodities is electricity, both for home use and industrial use. Neither can do without it today, because modern manufacturing machinery and labor-saving devices used in the home are electrically driven.

It is economical and clean, and its greatest factor is that due to ample facilities for its production, it is placed within the reach of all.

Serving as many South Plains communities as we do, our facilities must be kept ahead of the demand of this fast growing territory—and will be at all times.

Littlefield, Texas

SAWDUST AND SPLINTER

Vol. 1 November 29, 1928 No.

Published in the interests of the People of LAMB COUNTY by CICERO SMITH LUMBER CO. L. K. WHITAKER, Manager

Well, we've got quite a lot of things to be thankful for this year but chief among them we think, is the fact that we are living in the best state in the Union, with enough good customers to keep our business off the rocks.

FABLE
Once there was an office man who didn't think he could make money with chickens. We know a man who says he is thankful that skirts are getting longer because now he can begin to enjoy the scenery. What d'ya mean, scenery?

An old-timer is one who can remember when it seemed funny to call two people a family.

It will never be any cheaper nor any better. We handle the famous Colorado "Nigger Head" Coal, a strictly high grade coal good as the best and better than the rest. We also have cheaper grades. It does not pay to do without fire the wintry days. A doctor bill will soon run to more than the cost of a ton of coal, sides the suffering one undergoes in sickness from doing without. Better phone us for a load to be delivered promptly.

DEAR DECEASED
A local man speaks of her as his late wife, because she's always late.

That appeal to me all, I'll just choose a pair of bugles Chasin' rabbits in fall.

"You must be getting tired of me. You never call me 'dear' as other men's wives do."

"Do they? Do they?"
But from all the kinds of music

BUY YOUR COAL NOW!

FIRE ACCIDENT THEFT

"It is better to be always prepared than to suffer once."—Latin

CAUTION IS THE PARENT OF SAFETY!

Think of the tremendous odds against you, if you do not protect yourself with insurance.

Insurance is your safest protection against all hazards. The cost of Fire, Theft, Accidents and all kinds of Insurance is mighty small, compared to the benefit derived and the feeling of safety and protection it provides.

AN OPPORTUNITY! ...FOR STOCKMEN...

WHY NOT OWN A RANCH WHERE YOU CAN FINISH FOR MARKETS AND ADD TO YOUR PROFITS EACH YEAR.

Several real buys in small ranches out of the famous Yellow House Ranch on the South Plains of Texas, in Lamb and Hockley Counties, as listed below. All these tracts are located convenient to railroad, splendid schools, good towns, and surrounded by the greatest agricultural development in Texas where feed is plentiful.

This section is destined to be one of the best finishing grounds in the South, and the small rancher here will have an advantage worth-while.

14,000 acres, including Yellow House Ranch headquarters improvements. No better cattle or sheep range, with plenty of good agricultural land that will increase in value. Fenced and cross-fenced. It will pay you to investigate this promptly.
Price \$15.00 per acre. Liberal terms, 6% interest on deferred payments.

2500 acres. One of the best little combination propositions, in this section, splendid location.
Price \$15.00 per acre. Reasonable cash payment, liberal terms on balance, 6% interest.

4500 acres. Two miles from \$30,000.00 brick school building, store and gin. Fine location and splendid little ranch, with plenty of good agricultural land.
Price \$16.00 per acre. Liberal terms, 6% interest.

3500 acres. Mostly enclosed with sheep proof fence. Splendid location and includes some good agricultural land.
Price \$16.50 per acre. Liberal terms, 6% interest.

3000 acres. A splendid little ranch and all the good farm land needed.
Price \$16.00 per acre. Liberal terms, 6% interest.

Also, smaller combination farm and ranch tracts, if desired, at attractive prices.

In addition to these combination tracts, we have some fifty thousand acres of 100% agricultural land surrounded by development in tracts of 177.1 acres each at \$30.00 and \$35.00 per acre. One-fifth cash, balance liberal terms, 6% interest.

It will pay you to investigate these propositions at your earliest convenience, as these lands are selling and the country developing rapidly.

Now Is The Time to Buy!
