

## Anton Couple Observe Silver Wedding Anniversary Thursday

MR. AND MRS. A. N. COBLE

Mr. and Mrs. A. N. Coble of 1 1/2 miles west of Anton observed their Silver Wedding Anniversary Thursday last, when they entertained at a dinner party at their beautiful country home.

Guests of the occasion were members of the family and a few close friends.

Silver decorations and candle lighting made more attractive the large diningroom. The dining table was centered with a large wedding cake, also decorated suggestive of the occasion.

Miss Verdell Coble presided at the piano, and as the guests arrived rendered soft music, including "I Love You Truly," "Silver Threads Among the Gold," etc.

After a foursome dinner was served, a beautiful array of gifts were presented to Mr. and Mrs. Coble.

Games were enjoyed during the afternoon.

Mr. Coble is a successful farmer of the Anton community, while Mrs. Coble is known over the entire area

for her lovely garden flowers each year.

They were married at Winters, Texas, January 21, 1918, to which union were born nine children, all of whom are living, and are: Mrs. Leon Ham of near Anton; Mrs. Oscar Furlough of Lamesa; Mrs. Emma Jean Jones of near Anton; Misses Verdell and Nelda Coble at home; and Ray, Earl, Jimmie Donald and Roy, all at home.

Mr. and Mrs. Coble have been residents of Lamb County for 15 years, and have a large circle of friends over this section.

Present at the dinner party Thursday were: Mr. and Mrs. J. E. Hamilton of Lubbock; Mr. and Mrs. Levi Coble, Littlefield; Mr. and Mrs. M. J. Wilson of Littlefield; Mr. and Mrs. Oscar Furlough, Lamesa; Mr. and Mrs. J. H. Duggan, Abernathy; Mr. and Mrs. Will Swatious, Anton; Mr. and Mrs. Marion Fife, Anton; Mr. and Mrs. Alton Wedell, Anton; Mr. and Mrs. Leon Ham of Anton; and Mr. and Mrs. Coble.

## Legion Sponsors March Of Dimes To Aid Paralysis

One-Half Of Amount Collected To Be Retained In County

## Application For Asphalt Approved For East-West Road

W. E. Bentley, Commissioner of Precinct No. 3, announced Tuesday the receipt of a letter from the State Highway Department, Austin, to the effect that the county's application for asphalt topping for the East-West Highway across Lamb County had been approved, and forwarded to Fort Worth for further o.k'ing, after which it would be sent to Washington for final approval.

Hunter Strain of San Angelo has the contract for the work, and according to Mr. Bentley has informed the County Commission that he will have his equipment available, and as soon as the application is finally approved, and the weather permits, the work will get underway.

## War Bond To Be Awarded At Third Victory Concert

The third Victory Concert for this section will be staged at the High School Auditorium tonight, (Thursday) opening at 8 o'clock, and much effort and talent is being put into the program to make it the most outstanding patriotic entertainment ever held.

Admission to the Concert will be the purchase of a war bond or stamp.

A special feature of the program will be the presentation of a \$25.00 War Bond, which has been donated for this purpose by Pat Boone, County Chairman of the War Bond Committee.

Opening the concert Supt. F. A. Hemphill will give an introductory address, which will be followed by an introduction of a song written by one of the local school students, "I

## Urgency Of Surgical Dressing Project Is Explained In Letter

Mrs. L. M. Brandon, Chairman of the Surgical Dressing Program in Lamb County, asked the Leader Wednesday to publish the following letter from the American Red Cross, which explains in detail the urgency of the work of the Surgical Dressing project here. The letter follows:

"Shipments of surgical dressings for the United States Army are not moving to the Medical Depots as fast as anticipated. The War Department's schedule calling for a tremendous number of dressings for January will not be met unless shipments are materially increased.

## Thirty-Six Hundred Surgical Dressings Made Last Week

### Over 100 Women Participate In Red Cross Program

Work Progressing Nicely But More Workers Are Needed To Make Quota

As announced by Mrs. L. M. Brandon, Chairman of the Lamb County Surgical Dressing Project, beginning Monday, January 18, and ending Friday, January 22, a total of 3600 dressings were made by approximately 110 women registered for the week. Of this number, 10 were from Fieldton; 31 from Amherst, 3 from Sudan; 3 from Yellowhouse Switch, and 10 from Earth.

Thursday last was a record day, when 1460 dressings were made at the local Red Cross room.

On Monday of this week six Spade ladies and four Olton ladies made dressings during the day.

### Boy Scouts Will Conduct Grease, Fat Drive Here Saturday

Boy Scout Troop 41, recently rechartered and reorganized with Olen Walker as scoutmaster, will open their first fund drive Saturday.

The drive will have a three-way significance in that it will concern the war effort, the infantile paralysis fund campaign, and the Boy Scout Troop.

The boys will canvass the town Saturday to collect grease and fat from the housewives. The grease will be sold to local collecting stations, and funds will be divided between the infantile paralysis fund and the scout troop fund.

All housewives who desire to do so are urged by the scoutmaster to have the grease ready for the boys Saturday when they make their rounds.

Unrendered fats are also wanted, as part of the boys' work will be to render the grease from the fats collected.

### First Of Series Of 9 Farm Meetings Held At Amherst

1943 Farm Program Explained By County Agent Here Wednesday

The first of a series of nine farm meetings, called for the purpose of explaining the 1943 AAA program to the farmers of Lamb County, was staged at Amherst Tuesday night, when several members of the Agricultural War Board were present and made talks.

V. F. Jones, County Agent; Lester Bain, AAA Chairman of Lamb County; Mr. Clayton of Spring Lake, County Committeeman; and W. P. Houston, County Farm Security Supervisor, were all present and discussed the farm program for this year.

Other members of this Agricultural Board are C. W. Smiley, Otha Key and C. A. Thomas.

W. H. Cunningham, president of the State Certified Seed Growers Association of Texas, addressed the group, urging farmers to donate seed for the Russian Government, which will be received at the Littlefield Cooperative Gin, of which Earl Hobbs is manager, and shipped to Lubbock, and thence to Houston for shipment overseas.

The main change in the program for 1943, according to W. P. Houston, Farm Security Supervisor, is that Lamb County has been allotted 10,000 acres of soy beans and peanuts, which will either be distributed to a few or the entire group of farmers in Lamb County. This phase has not been decided upon as yet.

Another meeting of the same nature was held at the Littlefield High School Auditorium Wednesday night opening at 7:30 o'clock, which was conducted by County Agent V. F. Jones, and when the program was explained to a large number of farmers present.

## Bull Purchased To Build Up Herds Of FFA Club

Realizing the need for good jersey breeding, and to help build up the herds of F.F.A. members, as well as those of farmers in this section, a registered Jersey bull has been purchased by Supt. F. A. Hemphill and R. L. King, instructor of Vocational Agriculture in the local high school, from M. C. Brandon of Plainview. The name of this outstanding animal is Dahlia Golden Boy 435871.

This bull has, according to Mr. King, an outstanding record, having won in his class at the Plainview dairy show last May, and his Dam has a butterfat record of 623 lbs. of fat and 10,505 lbs. of milk in a 305-day test.

At the present time the bull is located at the home of an F.F.A. member, Norbin Taylor, and his father, C. T. Taylor, 8 miles southeast of Littlefield.

### Booster Group Also Discuss Cleanup Drive Monday Night

R. W. Lewis Elected Treasurer In Place Of Late J. C. Elms

Plans are underway for the fourth annual FFA and 4-H Stock Show, which will be sponsored by the local Chamber of Commerce, as announced by W. D. Watkins, president of the group, Wednesday.

The show will be held Saturday, March 27.

The decision that the booster group would sponsor this affair again this year was reached at a meeting of the Directors held Monday evening. The rules, regulations and entries will be published later.

R. W. Lewis was elected to the office of treasurer of the group to take the place of J. C. Elms, who passed away sometime ago.

Another important matter discussed by the Directors of the Chamber of Commerce Monday evening was a proposed clean-up campaign of the city and the Boy Scouts. The plan discussed was to designate a clean-up week during the latter part of February, and urge on all citizens to clean up their yards and premises, and burn all tumble and other weeds, that are now dry and blowing about, making the city unsightly, and also any other grass or weeds which will aid in making the city clean.

It was pointed out that if all citizens make a special effort to burn their grass and weeds at this time, it will not only make the city clean, but will aid in the health of Littlefield, and do away with lots of weed seed that will otherwise grow as soon as spring starts.

In an interview with Mayor Homer Hall he said that Mr. West, who works full time gathering up the tin cans and refuse from the rear of citizens' lots, was doing a good job, but that there was no provision for doing further cleaning of yards, and that a cleanup campaign would be a fine thing for Littlefield.

It is expected that the Boy Scouts will be contacted with a view to getting them to assist in the clean-up drive.

### Library Sponsored By Local FFA Boys

The FFA Boys of the local Chapter are sponsoring a library, and have already purchased a number of FFA books for same, which will be used and operated by FFA boys in the Vocational Agriculture building.

At a recent meeting a library committee was appointed to select and buy books consisting of Levi Coble, John Estle Willingham and Reuben Sullivan.

According to R. L. King, Vocational Agriculture instructor, it is the plan to buy some books each year and gradually build up a library. Mr. King also stated that the boys will receive credit on their improvement contest for reading the books.

**SO EASY TO USE  
SO IMPORTANT TO SAVE**

We realize Natural Gas is so easy to use that it is sometimes wasted unintentionally.

In the territory we serve the demand for this fine fuel has greatly increased, due to one phase or another of the war effort.

In normal times, we could obtain materials needed to increase the capacity of our facilities so that we could meet all demands. Today, that is impossible. That's why we are asking you to help by reducing your use of natural gas to the minimum on very cold days.

*Here's How You Can Help*

1. Shut off parts of the house not in use.
2. Do not keep your rooms too warm. Train yourselves to become accustomed to lower temperature.
3. Refrain from using the range oven for room heating.
4. Keep your heating equipment in top-notch condition.
5. Install insulation, storm sash, weather stripping, and caulking if possible.
6. Use a low blue flame for cooking, cook vegetables in as small an amount of water as possible, cook more one dish meals, and keep burners clean.

All Men Subject To Draft Must Have Classification Cards

After Feb. 1 Obligated To Carry Certificate Of Registration, Etc.

All men in the State of Texas between the ages of 18 and 38, who have been subject to Selective Service registration for as long as six months and who do not have their classification cards, were cautioned today by General J. Watt Page, State Selective Service Director, to communicate with their local boards at once.

On and after February 1, General Page pointed out, any man in this age group who does not have in his possession his Classification Card (Form 57), as well as his Certificate of Registration, is liable to fine or imprisonment, or both.

The recent order of the Selective Service Bureau of the War Manpower Commission, setting the February 1 deadline for possession of Classification Cards by men of military ages, has met with prompt response in Texas, General Page said. Many registrants are reporting to classification or asking that lost Classification Cards be duplicated. How-

ever, General Page says he believes there are still a few who have failed to get in touch with their boards because of carelessness or negligence.

Registrants in the 45-to-65-year-old group are not affected by the order, and General Page said there are actually comparatively few men in Texas who can be considered as delinquent, according to Selective Service Regulations, for failure to keep in touch with their local boards. Nevertheless, he emphasized that in the present emergency no man will be allowed to avoid military responsibility merely because of failure to keep his local board advised of his whereabouts.

It has been determined, therefore, General Page said, to require each registrant subject to the order not only to have his Registration Certificate (Form 2) in his personal possession, but also to have his Classification Card (Form 57) with him at all times to show that he has been classified by his local board.

While, after February 1, those registrants who fail to carry their Classification Card will be liable to fine, imprisonment, or both, General Page made it plain that neither arrest nor prosecution of violator of the Selective Training and Service, or Regulations promulgated under it, is the function of the Selective Service System or of its agents, including local board members. The Federal Bureau of Investigation investigates most of the cases, as the

Department of Justice is the authorized enforcement agency. When there is suspected delinquency, the case is referred to the appropriate United States District Attorney.

Violators of the Act, or its regulations, are liable under the law to a maximum fine of \$10,000, or five years in prison, or both.

So that each registrant in Texas will comply with the order requiring possession of Classification Cards as well as Registration Certificates, General Page said that:

1. If he is subject to registration he should be registered and have

his Registration Certificate (Form 2) in his possession.

2. If he belongs to an age group required to register as long as six months ago, exclusive of the 45-to-65-year-old group, he should have his Classification Card (Form 57) as well as his Registration Card in his possession, not later than February 1.

Those subject to the new requirement who are not in compliance with it or not certain whether they are in compliance, General Page said, should:

1. Register at the nearest local

board, if they have not registered, and obtain their Registration Certificate (Form 2).

FIRST METHODIST CHURCH Amherst, Texas R. H. Campbell, Pastor

I feel that something ought to be said about the attitude of many of our people who seem to feel that they must conserve for the war effort in every way possible. People are saying that they are doing just as little going as possible, they must conserve on gas and tires, and therefore are attending church services only occasionally.

I appreciate very much the attitude of people wanting to do that which their government is calling upon them to do. I feel that it is only by the cooperation of all the people that the war is to be won. But the keeping up of our churches, our own faithfulness to God and the church are the most vital things in our lives and also very vital to the keeping up of the moral of the people. So let everyone be in their places at the services of their church. The pastor will be absent from the church for two weeks beginning February 2 to assist in revival services at Bovina, but plans are being made to take care of the services. So you may rest assured there will be services even though the pastor is away.

Owing to certain conditions that arose, we were unable to have the installation service for the new officers of the W.S.C.S. last Sunday evening, so we will have that service this Sunday.

Remember the church with a place for everyone and a welcome to all.

### New Principal Takes Over Duties

P. F. Williams, former principal of Poth, Texas, High School, who has been elected to take the place of J. Ernest Jones as principal of a local high school, assumed his duties Monday.

Mr. Jones, who was elected Superintendent of Lamb County schools in the last election, has taken over his new duties. He will maintain his home here, maintaining his office at his residence, 810 W. 10th Street.

Mr. Jones has been connected with the local schools for one and a half years, first as grade school principal, and later serving as High

### "Boss Boy" Must Carry On

One of the important links in the Allied drive against the Japs in New Guinea is the native carrier. Without the aid of these "boys" who carry ammunition and supplies over the jungle and mountain trails, the advance would be well nigh impossible. The natives have caught the spirit of the fighting and are doing a magnificent job. They must be kept fit and therefore are subject to medical inspection at posts set up in the forward areas. Here Corporal McNiel, Australian Medical orderly, is ministering to a "Boss Boy," a typical example of the highly intelligent Papuan.

### First Of Series—

Other meetings were also held Wednesday night at Sudan, which was conducted by Leston Bain, AAA chairman; at Spring Lake, when Mr. Clayton presided, and discussed the program; and at Hart Camp when Mr. Houston explained the changes in the program for 1943.

Mr. Cunningham Tuesday night distributed material in regard to the certified seed and Russian seed relief, to the various AA officials, who in turn explained same at the various other meetings held Wednesday night.

school principal.

Mrs. Williams and three children, who are of school age, accompanied Mr. Williams here last week.

Another change is also reported as taking place in the local school faculty. Miss Sibyl Wigginton, who has been teaching social studies in

the Central School, has been transferred to the high school, where she is teaching mathematics, and Mrs. Williams, wife of the principal, is filling Miss Wigginton's place in Central school.

They took over their new duties Tuesday.

### Tire Inspection Dates Postponed

The Lamb County War Price and Rationing Board have announced that in order to avoid any overlapping of the inspection periods, a staggered schedule of inspections has been adopted, which will greatly relieve the inspection load now placed on the official tire inspection stations, and likewise will permit the vehicle owner to comply more conveniently with inspection requirements.

The January 31 deadline for the inspection of all passenger motor vehicles has been postponed in accordance with the table below, with the frequency of inspection periods also reduced.

Those holding Type A Gasoline rationing books must have their tires inspected by March 31, 1943, and subsequent inspections must be every six months thereafter, or September 30, 1943, and March 31, 1944, making the minimum time between inspections 90 days.

Those holding B Ration books must have first tire inspection by February 28, 1943, and every four month period thereafter, or June 30, 1943, and October 31, 1943, making the minimum time between inspections 60 days.

Motorists holding C or bulk type of gasoline rationing book must have first tire inspection by February 28, 1943, and every 3 month period thereafter, as follows: May 31, and August 31, 1943, making the minimum time between inspections 45 days.

### Sugar Stamp No. 11 Is Good From Feb. 1 Until March 15

As announced by the local Rationing Board, War Ration Stamp No. 11 is good for three pounds of sugar from February 1, to March 15, inclusive.

This assigns to Stamp No. 11 the same weight value and length of valid period (1 1/2 months) as was given to Stamp No. 10, which expires January 31, 1943.

### Arsenals Of Energy

This is the way thousands of bags of beet sugar are stored for future use by our armed forces. The bags on the truck at the bottom of the picture are probably reserved for civilian use.

### Officials Inspect Light Tanks

This typical Hollywood movie setting was actually photographed in an English countryside. A group of officials are inspecting light tanks while doughboys look on.

**Open Letter From Chairman Surgical Dressing Program**

By MRS. L. M. BRANDON

Dear Friends:  
I would like to say a few things about our work at the Surgical Dressing Room and a little about some of the people who are doing this wonderful work.

As most of you know we are making 4x8 sponges which are used for drying incisions, and the temporary drains and as preliminary dressings after operations. These dressings are vitally needed and we are behind with our quota.

We made 2000 dressings the first week and 3600 the next. Our crowds are improving but we still need more workers. It takes a good worker about an hour to make 10 dressings.

Women all over the county are responding wonderfully and I would like to mention a few outstanding ones. Of course there are many others and I will tell you about them later on from time to time.

One little lady from Earth, Mrs. Hite, whose son was lost in the Tokio bombing, comes and spends a whole day every week, also Mrs. Anglin, chairman for Earth, whose brother was lost at Corregidore. And there's Mrs. McSpadden, chairman from Amherst, whose husband is in the armed forces, who contacts and manages to get 25 or 30 women over here to work every week.

One little woman from the Sunnysdale community, Mrs. E. R. Harlin, whose husband was drowned last summer and has to manage a farm and care for three children, who comes and supervises all day once a week.

Then there is one mother with a crippled arm and a son missing in action who comes and makes as beautiful dressings as anyone.

Mrs. Bessie Lakey also is here a part of most every day in the week. She has one son missing and two others in service. She says it is no sacrifice for her but an opportunity to serve that she is grateful with all her heart to have.

Of course there are many others. Mrs. R. A. Brotherton who supervises all day Tuesdays and Thursday night, and said "I just plan my work so I can do it." And Mrs. York, the Methodist minister's wife, who supervises one day and works two or three other days a week, and said "I feel it is the least I can do."

Mrs. W. D. T. Storey, one of the supervisors and a grand worker, nothing too small or too little for her to do, said "I'm just happy to do anything you think I can in work."

Mrs. J. D. Hagler, one of the supervisors who lives five miles in the country and gets here in time to open up at 9 o'clock, says, "I just don't feel like I'm doing anything."

And I mustn't forget Mrs. Dee Chapman, who works nearly every day, has three sons in service, and has offered to keep children Friday afternoons so others may come and work.

The work room stays open from 9 a. m. till 10 p. m.

We have other supervisors and workers that are just as grand as these people I have quoted and told you about, and I will tell you about them later for I couldn't contact them in time for this.

MRS. LYLE BRANDON  
County Chairman,  
Surgical Dressings.

(Continued From Page 1)

the total quantity is less than ten cartons, are asked to send in a Request for Shipping Instructions, Form 1632A, immediately. (See ARC 441-16 for method of executing this. If you personally are not handling these details, please be sure this information and that on the attached sheet are given to the proper person.) Chapters which receive large monthly quotas should not send in a request until they have at least eight cartons completed. These reductions are authorized for the time being in order to speed up shipments.

"Sponges, packs, and face masks are the dressings most urgently needed. Sufficient shipments of the 8 in. by 10 in. and 12 in. by 16 in. pads are coming in to meet the current requirements, and where Chapters are making all types of dressings, they should concentrate on the sponges, packs, and face masks for the next month or two. 4 in. by 8 in. sponges are particularly needed and, if these are in your quota, should be given preference.

"Chapters in many cases have been embarrassed and the work held up because of the failure of manufacturers to make shipments promptly. The War Department realizes this and is taking corrective measures. However, there is a large discrepancy between the material actually delivered to Chapters and the actual number of completed dressings that have been shipped. This is causing us real concern.

"Chapters should be able to make the dressings for each one month's quota approximately one month after the material has arrived. In

no case should the time for completion exceed six weeks. Has your Chapter been able to keep this schedule? If not, please make every effort to adjust your program securing additional workers if necessary.

"We must not fail to meet the Army's needs. These dressings are needed primarily for the hospitals overseas and they are needed at the earliest possible moment.

"Very truly yours,

"EULA B. STOKELY,  
"Administrator  
"Volunteer Special Services  
"Midwestern Area."

The telegram received by Mr. and Mrs. Montgomery from Washington Monday, January 11, advising them that their son was missing, is as follows:

"The Navy Department deeply regrets to inform you that your son Dave Hubert Montgomery, Soundman third class USN, is missing following action in the performance of his duty and in the service of his country. The Department appreciates your great anxiety but details not now available, and delay in receipt thereof must necessarily be expected to prevent possible aid to our enemies. Please do not divulge the name of his ship or station."

Montgomery was born at Altus, Okla., November 23, 1920. The Montgomery family have lived in Lamb County since 1928.

These three programs have been supervised by Mrs. Lyle Brandon, Mrs. Simon Hay and Mrs. J. H. Carl.

Mr. Durkee explained plans for the war fund campaign to be held during the entire month of March. H. C. Arnold of Littlefield was named as County Chairman of this program.

The War Fund Campaign will be the total asking by the American Red Cross this year, and will include annual roll call campaign.

Reports were given by Mrs. Brandon, Mrs. Hay, Mrs. J. H. Carl, and C. A. Duffy, treasurer, and J. W. Keithley, chairman of Home Service.

Officers elected for the coming year were: F. A. Hemphill, chairman; Drew Watkins, Sudan, vice-president; C. A. Duffy, Amherst, treasurer; N. F. Cleavinger, Spring Lake, secretary.

About 57 representatives from Olton, Spring Lake, Earth, Amherst, Sudan, Littlefield, Rocky Ford and Fieldton, attended the meeting.

Mrs. Dee Chapman announced again Wednesday that she would keep children on Friday afternoon free of charge, at her home, the second house west of Cicero-Smith Lumber Company.

Mrs. Brandon announced that work is progressing nicely at the surgical dressing room, but that she could still use more workers.

No Birthday Dance will be held, but everyone is being asked to contribute towards the March of Dimes campaign now underway. Containers were placed Monday in the drug stores of Littlefield, and in other convenient places for the collection of funds, one-half of which, after the expenses are deducted, will be retained for use in this county in aid of infantile paralysis, and the remaining half will be sent to the State Committee at Dallas.

The American Legion is urging everyone to contribute to this worthy cause.

Containers will be taken up the first of next week.

# TECH PROFESSOR GIVES SOME TIPS ON TREE CARE

## Tree Selection

Plant trees that will not break during heavy ice incrustations in West Texas, says Prof. O. B. Howell, chief tree surgeon at Texas Technological College.

The recent "spell" which injured so many trees on the Plains showed that Chinese elm, willow, Russian olive, and hackberry suffered the greatest damage, while honey locust, ash, maple, poplar, and catalpa showed relatively much less or no damage. Moral: in replanting use trees that stand up under heavy ice loads, according to Howell.

In trimming up injured trees, all cuts over three-fourths of an inch in diameter should be waterproofed with asphaltum or other tree wound paint. This may be secured from hardware or paint stores. Ordinary house paint should not be used.

Pruning again is necessary in 12 months, according to Professor Howell, if the tree is to become properly proportioned. Where a limb is pruned numerous branches will grow out the first year. At the next pruning most of this new outgrowth should be pruned off, leaving the most likely branches.

The proper way to cut off a large injured limb, he says, is to undercut first and then from the top a few inches further out, saw the limb off. It will then drop without splitting further into the tree. This stump can then be sawed off at the proper place and it should always be slanted rather than cut squarely off.

Most trees on the Plains are entirely too close together, says Professor Howell. The proper distance is 35 to 40 feet between trees, not over two to a 50-foot lot for the front is ample, he says.

## Women Who Can Shoot

You may think you've seen everything—women in the Army, the Navy, the Coast Guard, the Ferry Service.

But unless you've seen the women at the Navy's lighter-than-air base at South Weymouth, Massachusetts, you haven't. Hang on to your hats.

There are twenty-five women at this base manning machine guns, riot guns and anti-aircraft weapons. They're on guard duty, replacing civilian guards and United States Marines.

They've been trained to man ack-ack and machine guns, and can fire riot guns accurately from the hip. They've been found as efficient as men in patrolling outposts and guarding the gates, and seem to weather the cold better than their predecessors.

This is no ordinary assignment. These women have been entrusted with a grave responsibility. They have been given a task which requires physical stamina and considerable courage, and one that might some day involve actual combat duty.

In England, women have proved themselves equal to such duty. They have seen action in the anti-aircraft units, have kept their heads in the thick of an air raid.

Compared to the hardships and danger faced by our men under arms, these behind-the-lines posts of women may not seem remarkable. The women themselves would be the last to argue that. Yet all this does indicate an increased confidence in the capabilities of women in war service, and there is daily evidence that they are proving themselves worthy of that trust.

### Rationing Meeting At Lubbock Feb. 5

A series of meetings with groups of boards will open February 1, for the purpose of giving all available information on point rationing to County War Price and Rationing Boards, food stores, and the general public prior to opening of the program, Howard R. Gholson, Lubbock District Manager, has announced.

Workers from the District office are now touring the 70 county district to meet with individual boards and give them all information and instructions issued thus far.

A meeting will be held at Lubbock Friday, February 5, at 10 a. m. for Lamb, Cochran, Hockley, Lubbock, Crosby, Dickens, King, Yoakum, Terry, Lynn, Garza, Kent, Stonewall, Gaines, Dawson, Borden and Scurry county boards.

"In this way," said Mr. Gholson, "boards will be prepared when the date for issuance of war ration

book two and the effective date for the rationing order covering processed foods are announced."

The processed foods includes virtually all commercially processed vegetables and fruits—canned, bottled and frozen vegetables, fruits, juices, dried fruits and all soups.

Information has been received in the Lubbock District Office of a statement issued by Price Administrator Prentiss M. Brown as follows:

"Published reports state that the food administrator, Claude Wickard, has signed an order directing OPA to ration condensed and evaporated milk, jellies, jams, preserves, fruit butters, pickles and relishes, processed fish, shell fish and food products containing meats.

"The impression given by this story is that immediate rationing of these items is contemplated. This is definitely not so. I have conferred with Mr. Wickard and he confirms this statement.

"These particular items were included in Mr. Wickard's order at the request of OPA merely as an authorization to OPA to collect information with respect to the stocks of these items carried by food distributors.

"Rationing of these items will not be undertaken until specifically authorized by the food administrator."

Many canned baby foods are to be rationed under the same point system to be used for rationing other processed fruits and vegetables. These will include strained or chopped foods made of fruits, vegetables or meat and put up in sealed cans or glass jars. Most of them are commonly sold in 4 1-2 and 6 1-2 ounce containers.

On the other hand, certain baby foods, including canned milk, canned milk formulas and canned, prepared cereals, are not to be rationed.

### Jeff Nall and J. L. Sullivan Advertise Sales For Feb. 1, 2

Several farm auction sales are scheduled for next week.

Jeff Nall in this edition of the Leader is advertising 44 head of fine Roan Durham and Jersey cattle, and several hogs at his sale Monday, February 1, beginning at 10:30 a. m., at his farm 2 miles east and one mile south of Enochs, or 9 miles north and 2 miles east of Morton.

J. L. Sullivan is advertising some fine Jersey Cows, a number of hogs, chickens, and implements, as well as household furniture for sale Tuesday, February 2, starting at 10:30 a. m. at his farm, 5 miles south on Highway No. 51, and one mile east.

Col. Jack Rowan will cry both sales and Charlie Clark will act as clerk.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

### COOPERATION URGED IN ELIMINATION OF DRAFT DELINQUENTS

General J. Watt Page, State Selective Service Director, today urged all Texas local boards to give their most active cooperation to the current nation-wide program for eliminating delinquents under the Selective Service Act.

"I have conferred with the United States Attorneys and representatives of the F.B.I.," General Page said, "and we have formulated a plan designed to accomplish this objective in Texas.

"Publicity and patriotic appeals through the press and radio, and other media of reaching the public, will be the principal weapons used by the local boards in encouraging suspected delinquents to get in touch immediately with the local boards in the area in which they live."

"Any person listed as a delinquent who voluntarily reports to this local board during the month of January, 1943, will be allowed to comply with his obligations," General Page stated.

He pointed out that investigations of reported delinquencies often reveal that the registrants merely have been careless in complying with the requirements of the Selective Service Act and Regulations. He said:

"Many registrants, through their own negligence rather than through willful intent on their part, have been reported as delinquent. Many of these reported delinquencies have resulted through carelessness of registrants in failing to keep their local boards informed of changes of addresses.

"Very often, too, registrants are reported as delinquent because of illegible addresses or other defects in completing their cards at the time of registration, or because

cards were lost in transit, or sent to the wrong local board, or because of some other technical omission failed to reach the proper local board.

"There have been numerous cases where registrants have been suspected of delinquency, or reported as delinquents, only because they failed to report to their local board that they had enlisted in some branch of the armed forces.

"The delinquency program is designed to locate for compliance delinquents innocent of wrongful intent to the end that local board delinquency records will not be burdened with cases where the registrant is no longer delinquent and that the records of the F.B.I. may be cleared

for vigorous action by February 1, 1943, against deliberate violators."

Cases of known violators, General Page pointed out, are reported to the United States District Attorney for prosecution under Section II of the Selective Training and Service Act of 1940, as amended.

General Page said that the Selective Service Regulations have recently been amended to require that every registrant, who has been liable for training and service for six months or more, shall have a Notice of Classification in his personal possession at all times, and that failure to do so shall be considered a violation of the Act and punishable as a Federal offense.

## WHAT'S THIS WAR ABOUT, DADDY?

Honey, in a place called China, children can never play as you can . . . because men in airplanes roar overhead and shoot them, and burn their homes.

In other places . . . in Norway and France, in Poland and Greece and Russia . . . children have their mothers and daddies taken away from them . . . led off to a prison called a concentration camp. Their children may never see their parents again.

Many of these children—boys and girls just like you, don't get enough to eat. Many of them have starved to death.

Why is all this happening? Because there are evil people in the world, who call themselves

the Axis, who do these things. And it's our job to make them stop—to see that they never trouble the world again. **That's** what this war is all about.

To do our job we've got to knock out the Axis. And a lot of us Daddies would like to do it with our own fists . . . or our own guns. We can't all do that. There's other work that Uncle Sam wants us to do.

So let's help knock out the Axis with that work. Let's take a dime out of each dollar we earn while working and buy War Bonds and Stamps to turn our dollars into America's tough new tanks and planes.

So . . . tell your employer to set aside 10 per

cent of what you earn every payday in the War Bond Payroll Savings Plan. Then, each time it adds up to \$18.75, you'll get a bond.

Your Government will use that money to smash the Axis. Every dollar is a nail in Hitler's coffin. Every bond a bomb to blow the Jap off this earth. And your money is an investment against the time when peace returns and you will no longer have to answer that question:

"Daddy, what's this war about?"

### WHY U. S. WAR BONDS ARE THE SAFEST PLACE YOU CAN PUT YOUR MONEY!

1. They are obligations of the United States. If this isn't safe, nothing is!
2. For every \$3.00 you invest in War Bonds you get back \$4.00 at the end of 10 years.
3. They do not fluctuate in dollar value—are never worth less than you pay for them.
4. You can name one individual either as co-owner or as beneficiary right on the face of the bond.
5. Your savings in War Bonds cannot be lost or stolen. Each bond is registered at the Treasury Department.

## BUY WAR BONDS—everybody at least 10% every pay day

### With South Plains Men In U. S. Service

Mr. and Mrs. Clyde Hilbun received a letter recently from T. A. Hilbun, who is in officers training at the Duke University, Durham, North Carolina, to the effect that he is completing his course this week, and expected to get a furlough next week when he would come here on a visit. T. A. enlisted in the Armed Forces in the Signal Corps, but has been transferred to Finance, according to Mrs. Hilbun. He is a nephew of Mr. and Mrs.

Clyde Hilbun, and was employed in the local bank before entering the service.

Noel Lumpkin, son of Mr. and Mrs. D. C. Lumpkin, of Muleshoe, formerly of Sudan, after being home on a ten-day leave, returned to Fort Bliss, where he is in training, Tuesday of last week. Noel is connected with the Cavalry, and has been in the service about two years.

Miles Keefe, son of Mr. and Mrs. Marvin Keefe of southeast of Anton, received a promotion to the rank of Sergeant recently, graduating with a class of several hundred men. Sgt. Keefe ranked with the high fifteen men in the examination, which gives him the privilege of attending officers' training school. However, he received his wings, and it may be that he will not avail himself of the opportunity.

The Leader was pleased to receive the following postal card from Pvt. Efton Graham, stationed at Burbank, Calif.:

"I have always heard California was warm and sunny. Well, I will take Texas any day. It is raining now, and looks like it might rain for a month. Hope it isn't too cold there now.

"I sure will be glad when I can come back to good old Littlefield."

### Notice To My Friends And Customers

Due to the untimely death of Horace Swindell, sales manager for the Plains Liquefied Gas Company in Lubbock, I will endeavor to fill the duties as sales manager for the company, and will move to Lubbock this week end.

I wish to take this opportunity to express my appreciation and sincere thanks to my many friends and customers for the nice volume of business and pleasant associations I have so enjoyed during the years I have delivered Butane to the rural homes in this area.

I hope to continue to merit your good will and confidence, and perhaps I will have the opportunity to serve you again some time.

### Dealers To Handle Coffee Substitutes

Reports indicate that Ersatz coffee is headed for the grocery shelves. The Office of Price Administration announced Friday ceiling prices for coffee substitutes and coffee grounds ranging from 15 to 31 cents per pound. Consumers were warned that a pound of coffee containing any coffee blend will require the surrender of a ration coupon. Coffee substitutes containing no coffee will be purchased without coupons. There will be two coffee substitutes—a blend of rolled wheat, molasses and corn oil. Ceiling price—15 cents a pound; Banner whole roasted cereal," to

be used as a coffee extender, and for sale in bulk quantities. Ceiling price—four cents per pound. Maximum prices for the five coffee compounds:

- "Banner coffee and cereal"—A mixture of coffee and rye, may be sold by the manufacturer for 11 cents per pound.
- "Coffee plus 10 per cent filler"—a combination of coffee, chicory and chick peas, may be sold for 30 1/2 cents a pound to restaurants.
- "Forbes coffee, cereal and chicory"—a compound containing coffee, cereal and chicory. Ceiling price—25 cents per pound.
- "Special victory blend"—containing coffee, chicory, cereal and soy beans. Ceiling price for wagon delivery—31 cents per pound.
- "Victory blend"—coffee, roasted barley and garbenzo beans. Ceiling price—22 cents per pound.

### Receives Letters In Response To Leader's Article

Mrs. A. H. MacFarland was in the Leader office Friday and reported that since the account of the broadcast of one of the officers on the ill-fated Cruiser "Houston," Lt. Robt. B. Fulton, was published in this newspaper January 14, she has received a number of letters from mothers, whose sons were on the Houston, and who are very hopeful, like Mr. and Mrs. McFarland, that their sons may be prisoners of Japan.

Mrs. McFarland said all the letters received were encouraging.

### LEGAL NOTICE

THE STATE OF TEXAS  
TO: Mamie Shaw, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court 64th Judicial Dist., of Lamb County at the Court House thereof, in Olton, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 22nd day of February, A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 31st day of December, A. D. 1942, in this cause, numbered 2052 on the docket of said court and styled Van D. Shaw, Plaintiff, vs. Mamie Shaw, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff sues defendant for divorce alleging he has been an actual bona fide inhabitant of the State of Texas for a period of twelve months and has resided in Lamb County, Texas, for at least six months prior to filing of this suit; that he was married to defendant on or about Dec. 24, 1929; that during the month of May, 1933, defendant voluntarily left his bed and board with the intention of abandonment, since which time plaintiff and defendant have not lived and cohabited together. Plaintiff further alleges no child or children were born of said marriage with defendant and that no child or children were adopted by them during their marriage.

Plaintiff sues defendant for divorce and judgment dissolving said marriage relations, for costs of suit, and for such other and further relief, special and general, in law and in equity, to which he may be found justly entitled.

T. Wade Potter,  
Littlefield, Texas,  
Attorney for Plaintiff,  
Van D. Shaw;

as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Olton, Texas this the 4th day of January, A. D. 1943.

Attest:  
HERBERT DUNN, Clerk, District Court, Lamb County, (Seal) Texas, 64th Judicial District.—Published in Leader Jan 7-14-21-28

### Captains Sheppard Are Transferred To Wichita Falls

Captains Olvy and Ruth Sheppard who have been in charge of Salvation Army work in Littlefield, have received farewell orders, and will leave here for Wichita Falls Monday.

Capt. and Mrs. Sheppard will have charge of the Salvation Army work in Wichita Falls.

In being transferred to the new post, Capt. and Mrs. Sheppard have received an outstanding promotion in Salvation Army work, in that the Wichita Falls unit is one of the four largest in Texas, ranking with Amarillo, Fort Worth and Dallas.

Capt. Sheppard came to Littlefield several months ago from San Antonio, where he was assistant in charge for eight months, and in November married, and brought his bride to Littlefield. Capt. Ruth Sheppard, previous to her marriage, was an assistant in the work of the Army at Pampa.

Captains Olvy and Ruth Sheppard have been very successful in their work here, and have made a large number of friends, who regret to see them transferred, but wish them every success in their new location.

### LAND SALES REPORTED

C. C. Thompson reports a number of land sales the past few days. The Pete Arcutt farm of 160 acres, improved, located 5 miles northeast of Anton, was purchased

by Mr. Ramsey of Sudan.

Mr. Arcutt, in turn, purchased the Rev. Turrentine farm, 2 1/2 miles west of Littlefield school. This contains a labor of land, well improved with six room house.

Mr. Thompson handled both transactions.

LITTLEFIELD

**With South Plains Men In The Service**

Clarence Davis, son of Mr. and Mrs. Ben Davis of 12 miles north of Littlefield, in the Army since May 8, last, is now a gunner in the Marine Air Corps, stationed on Guadalcanal. He left the United States October 8.

In a letter written his wife, who is employed at Lubbock, written January 5, Mr. Davis said it was so hot where he was that the only thing they could eat was soup. He reported as getting along alright.

He is expecting to get home on leave before long.

Mrs. Davis is the daughter of Mr. and Mrs. G. H. Poteet of Spade community. She spent last week end with her parents at Spade.

Mr. and Mrs. John Cary received a V-Mail letter Monday from their son, Burl, who is a ground mechanic in the Headquarters Division, stationed somewhere in Australia, which was dated December 28, the first letter in three weeks. The last letter was sent by airmail, and dated December 25. He stated he was well and getting along o.k.

Mr. and Mrs. Cary also received a letter Monday dated Saturday, December 12, and enclosing a Christmas card from Mrs. Len Scammell, from Lang Lang, Australia, from whom the Cary family had heard previously, and in whose home at various times Burl Cary had visited. The letter follows:

"We had a lovely surprise today—your letter arrived—and we just loved every word, and were overjoyed to read Burl's cable to you. I daresay you shed a few tears when you received it. My brother-in-law is a stoker on board a destroyer, his boat being damaged on three occasions, the last time they put in an American port for repairs, and in his stay met and married an American girl, so that sort of makes us akin. But unfortunately his boat was torpedoed and yesterday we heard he was a prisoner in a French internment camp, so I think my prayers have been answered, because I think by now it's possible he has been released . . . we hope so.

"Well, my dears, I shall have to close as a few youngsters have come in with Lesley, and want me to take them to the river.

"May God bring Burl back to you is my earnest wish.

"With Love to you all,  
"Mrs. L. V. Scammell."

Pvt. Thurman Dobson, son of Mr. and Mrs. Henry Dobson of Whitharal, and of the U. S. Air Corps, who has been stationed at Pueblo, Colo., arrived home Monday on a few days' furlough. He will return to Pueblo Saturday.

**VOLUNTEER FOR SERVICE MONDAY**

Three young men to enlist in the armed forces Monday, and who will leave for Lubbock to be examined next Monday, are: Jack Wright, son of Mr. and Mrs. Homer Wright of Amherst, who volunteered as a truck driver; Hubert Westmoreland, son of Mr. and Mrs. H. L. Westmoreland, of 7 1/2 miles south of Littlefield, who enlisted for Military police duty; and Dale Rice, son of Mr. and Mrs. C. M. Rice of 1 mile south of Littlefield, who volunteered for duty as a truck driver or cook.

Mr. and Mrs. Jimmie Swart have returned to their home after farming the past year at Arlington. They will continue operating the broom factory. Mr. Swart's brother-in-law, Vincent Henley, will help in the factory. He and his family will make their home here.

Harral Anderson's mother and his brother, Clifford, and sister, Edith, of Roaring Springs have returned home after visiting in the Anderson home over the week end. Clifford will leave in a few days for the army.

Little Jo Ann Tracy was able to return to school Monday after being ill for two weeks.

Mrs. W. H. McGuire accompanied her daughter-in-law to Lubbock on business last week. Mrs. McGuire's daughter, Mrs. A. T. Pendergrass, and children returned home with them and visited over the week end here.

The Cottage Prayer Meeting last Friday night at the home of Eligh Knight was well attended with 15 present. The Prayer Meeting this Friday night will be held at the Jack Harris home, three blocks east of the Ramsey store.

Melvin Shipley of Olton, brother of Calvin Shipley, bought a lot from Roland Wilson and is having his house moved from Olton and plans to make his home here.

Jerrell Littlefield had the misfortune of losing their milk cow last week.

Mrs. Clay Anders received a letter from her brother, Robert Wilson, who is in Africa. He has been in Arlington until just recently. He has been promoted to Corporal. He was o. k. and said the oranges and dates were plentiful in Africa but the dates were the kind that grew on trees.

Mr. and Mrs. Gus Gundlach and son, Billy, and brother, Wallace Wilson, all of Amherst, visited here over the week end.

S. Tucker has been confined to his bed most of the time since last Friday after having some teeth pulled.

John Nance and family of Lum's Chapel and Mr. Nance's brother, who is visiting here from Alabama, visited in the Tucker home recently. Little Jeanette Tucker is recovering from her illness.

Mrs. Lon Latimer, who had a major operation over a week ago, returned to her home Saturday. We hope her a speedy recovery.

Mr. and Mrs. Bob White of Lum's Chapel visited in the Tucker home Sunday evening.

Frank Miller and daughter, Mary, left for California recently to make their home.

Mrs. Ethel Whitten and family have moved back here from Lubbock.

Those on the sick list this week are Mrs. J. W. Garrett, Mrs. Foulkes, Herman Helm's small son, and the small child of Vadna Miller and Kenney Sanderson. We hope they will soon be well.

Miss June Murrell, who is attending business college at Lubbock, visited her parents, Mr. and Mrs. P. Murrell, over the week end.

V. M. Murrell, brother of P. Murrell, and family of Bigwell visited in the Murrell home last week.

Mrs. Calvin Shipley and children and Mrs. Shipley's mother, Mrs. Bettie Epps, visited at Hart Camp in the home of Fred Shipley Sunday.

Mr. and Mrs. J. M. Nixon and children attended the big dinner at the home of her sister and brother-in-law, Mr. and Mrs. Standifer, Sunday.

Sherman Wilson and Pete Edwards made a business trip to Fort Worth Saturday, returning Sunday. Mr. Wilson visited his sisters and a brother while there.

Sherman Lee Wilson, Jr., is on the sick list this week.

Janell Rice, who has been in the hospital since last Thursday evening with pneumonia, returned home Tuesday. We wish her a speedy recovery.

**Seed Loans Offered Farmers In Need Of Crop Assistance**

Emergency Crop Loans, known generally as "the seed loans," offered for many years in this County by Emergency Crop and Feed Loan Section of the Farm Credit Administration, are now available to farmers in need of financial assistance for the production of vitally important food crops and normal crops for 1943, according to announcement of W. E. Farwell, manager of the Dallas office.

Applications for the loans are being taken in this county by W. G. Street at the City Hall under direction of Field Supervisor H. L. Kimsey.

Funds obtained under these loans may be used to cover the cost of preparing the land and to purchase seed, fertilizer, and supplies incident to the production of the crop. A first mortgage on the crops to be grown is the security required on the crop loans.

As in the past, borrowers will be required to agree to plant a large garden for home use and a balanced crop program will be encouraged. This year, however, particular emphasis will be laid upon the patriotic duty of all growers to produce food crops and oil bearing crops outlined by the Department of Agriculture as all important goals in meeting the urgent war needs.

Loans are also available from this Agency to purchase or produce feed for livestock. A first mortgage on the livestock to be fed is the security for that type of loan.

Applicants who can obtain loans from banks, Production Credit Associations, or on reasonable terms from other sources, are not eligible for Emergency Crop Loans.
