VOLUME XXVIII

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, SEPTEMBER 6, 1951

No. 55

Pictured here in the background is the generator starter which is a part of the enormous turbine generator to be installed at plant X. This turbine generator is so large that it is necessary to ship it broken down from General Electric's factory in Schenectady, New York. On the right in the background is the turbine generator foundation which is under construction. To the left in the background is the boiler unit in plant X which is under construction.

The 1951 football season gets underway in Littlefield Friday night—game time is 8:00 p.m., which means that the kick-off is now, this Thursday morning, only 36 hours away, and Coach Fikes, with a practically untried squad of players from which to choose his starting line-up of Wildcats, while certainly not pessimistic—also was not overly enthused nor extra optimistic as to the opening game—on which he would make no predictions.

Summing up what he told us in a Tuesday afternoon interview, we might add that he seemed pleased at the showing of his 35 recruits who came out for practice, and a week of intensive training last week, their spirit, as well as their performance. On the darker side, he stated ruefully that the Wildcat roster includes only three regulars of last year's squad—while Lockney, next Friday night's opponent, comes to Littlefield with eight of their 1950 Longhorns in uniform.

This is the first year of play in the revised and revamped district. After Lockney, Littlefield will meet in turn Andrews there, Post there, Slaton here, Paducah there, Seminole there, Muleshoe there, Morton here, Levelland here and Brownfield here.

The selection of the starting team was left open until late Wednesday evening, when it was announced by Coach Fikes, as listed in the closing paragraph of this story. Weights were not available, or announced by the coach, but it (Continued on Page 5)

OTES FROM DISTRICTS THURSDAY

September 29th, Lamb County will go to the polls for against an organization High Plains Water Conservation District. The meeting will be held at 8:00 p.m. at the Littlefield High School. The meeting will be held at 8:00 p.m. at the Littlefield High School. The meeting will be held at 8:00 p.m. at the Littlefield High School.

County Youth to Open Game Friday. The youth game will be held at 8:00 p.m. at the Littlefield High School. The youth game will be held at 8:00 p.m. at the Littlefield High School. The youth game will be held at 8:00 p.m. at the Littlefield High School.

Dismissed from Hospital. A local business man was discharged from the hospital last night. He is convalescing in the south part of the city.

Chamber of Commerce. The meeting is being called by president, V. M. Peterson. The third annual all Texas Air Tour, sponsored by the Texas Flying Farmers, Texas State Aviation Association, Texas Private Flyers Association and Texas Aeronautics Commission, will get underway October 6th, for a week long airlift over the state of Texas it was announced at the meeting. Littlefield has been selected as one of the stops along the 3000 mile route. Local crop dusters and ranchers in the area who own private planes may be included in the group. The purpose of this airlift is to focus attention on the need for emergency planning and to spotlight the role of private aircraft as

## Power Company's Plant Moves Nearer Completion With Arrival of Huge 50,000 Kilowatt Turbo-Generator

Plant X, Southwestern Public Service Company's super-power plant, located 4 miles south of Earth and 9 miles north of Amherst, moved one step nearer completion recently with the arrival at the plant site of the huge 50,000 kilowatt turbo-generator. The new unit, scheduled to go on the line sometime during the summer of 1952, is the first of two which are included in the present plans for the Plant X location. The second unit, a 100,000 kilowatt machine, is scheduled to be in operation in mid-1953. The new 50,000 kilowatt machine will be the largest single unit installed on the Southwestern Public Service Company system. It will be, that is, until it is followed a year later by Plant X's second unit, the 100,000 kilowatt generator. When the two machines are both on the line, Plant X will be the largest single power plant on the

integrated system, and its capacity alone will be greater than was the entire system capacity in 1943. The new generator, manufactured by the General Electric Company at their Schenectady works, was shipped to Amherst, the nearest rail point to the power plant site. Because of its huge size, the turbo-generator was shipped "broken down." The entire unit weighs 257,000 pounds, with the largest single piece weighing 129,000 pounds. When the machine is installed, it will be 53 feet in overall length, 14 feet wide and 15 feet high. Plant X will be the Southwestern Public Service Company's 11th base-load power plant. It will be tied into the integrated system by a 115,000 volt line, with the connections at the Tucco plant, near Abernathy, and the Clovis, New (Continued on Page 5)

## Mrs. F. R. Jones Is Taken By Death Following Illness

Funeral services were held in the auditorium of the First Baptist church Tuesday afternoon at 4 o'clock for Mrs. F. R. Jones, 84, who passed away at her home, 1224 So. Park avenue, about three o'clock Monday afternoon, September 3rd. Rev. Lee Hemphill pastor, officiated and interment was in Littlefield Cemetery. Hammons

## Mrs. Max Wood To Take Attorney's Oath Today Before District Judge E. A. Bills

Mrs. Max Wood has been notified by the state board of law examiners that she passed the state bar examination held in Austin last June. She will take the oath of an attorney Thursday morning before Judge E. A. Bills. She is the daughter of Mrs.

MRS. MAX WOOD. S. R. Rumback and the late Sam Rumback, sister of William J. Rumback of this city, and wife of Dr. Max G. Wood of Perryton, Texas. Dr. Wood formerly practiced dentistry in Littlefield. Mrs. Wood is a graduate of Littlefield high school. She has two degrees from the University of Texas and her law degree from Southern Methodist University. She previously attended St. Mary's of Notre Dame, Fordham Law School, and Texas Technological College. At SMU she was a member of the Student Bar Association, Editor of the Law Review, President of Kappa Beta Pi, Student Representative of the (Continued on Page 5)

Funeral Home was in charge of arrangements.

Mrs. Jones had been in ill health a number of years, and had been bedfast for the past several months.

Emma Frances Snowden was born January 29th, 1867 in Newton county, Mississippi. She came to Texas in 1913, and to Littlefield in 1925. She was converted and became a member of the Baptist church early in life and lived a consistent Christian life through almost three quarters of a century.

She was united in marriage to Freeman R. Jones in Mississippi in 1889. Seven children were born (Continued on Page 5)

## Girl Scout Leaders Meet To Outline Year's Work

A meeting of Littlefield girl scout leaders was held Tuesday afternoon at the home of Mrs. T. A. Hilburn.

The group made plans for the year's work, and set the week of October 28th to observe "Girl Scout Week," in Littlefield. They plan to entertain the scouts with a picnic, to take them in a group to visit some of the outstanding stores in the city, and to attend church services in a body. Definite arrangements and time of the various activities for Girl Scout Week, will be announced later. Those attending the meeting were Mesdames T. E. Pettit, W. F. Williamson, J. D. Harmon, Ralph Douglas, Mackey Greer, Leon McNeese, Fred Gerlach and Hilburn.

For the past year, Miss Sokora has been chairman of the Hockley county 4-H council and president of the Pep girls 4-H club. She attended district 2 girls camp in Lubbock last June.

During her six years of 4-H club work, Miss Sokora has completed 18 projects in meats, canning, clothing, bedroom improvement and frozen foods. The Gold Star award is based on outstanding 4-H club work in result demonstrations, general achievement, club participation and leadership. (Continued on Page 5)

## Chamber of Commerce To Sponsor Plane In Annual All Texas Air Tour

The Chamber of Commerce Directors met at Hays Tuesday morning at a regular monthly meeting. A meeting of the county Fair Association will be held Monday in the chamber of commerce office. The meeting is being called by president, V. M. Peterson. The third annual all Texas Air Tour, sponsored by the Texas Flying Farmers, Texas State Aviation Association, Texas Private Flyers Association and Texas Aeronautics Commission, will get underway October 6th, for a week long airlift over the state of Texas it was announced at the meeting. Littlefield has been selected as one of the stops along the 3000 mile route. Local crop dusters and ranchers in the area who own private planes may be included in the group. The purpose of this airlift is to focus attention on the need for emergency planning and to spotlight the role of private aircraft as

## Boll Worm Must Be Brought Under Control To Save Crop

County Agent David F. Eaton, Jr., states that Harry C. Harvey, associate county agricultural agent entomology has released the following report on the insect situation on the South Plains. Good rains in most of the South Plains area the past week have brightened the cotton prospects considerably. However, the bollworms continue to build-up and unless they are effectively controlled we can still have a cotton failure. We are in a very critical period and it could continue to be critical as long as green squares and bolls are present. We want to emphasize the importance of making regular infection counts. Growers should make field inspections at least two times a week and be on the alert at all times so that quick action can be taken when needed to prevent damage. Remember you cannot kill injurious insects if they are not there and you may, by making badly timed poison applications, kill some beneficial insects, which may allow the harmful insects to increase later on. Some growers are alarmed at finding damaged squares on the stalk and on the ground, but are unable to find worms now. This is many times all damage and gives you a false report of what is going on in the field. Therefore, the correct timing is one of the most important factors in bollworm control. There are only a few days after a bollworm hatches out that it can be effectively controlled. Full grown bollworms are very difficult to kill with any insecticide. It is while the small worm is feeding on the terminal bud and small squares around the terminal that it can be effectively controlled. Once the worm gets inside the boll it is practically impossible to control and (Continued on Page 5)

## "President's Day" Theme For Opening Women's Club New Year

Opening a new year of the Littlefield Woman's Club, members met at Littlefield Country Club for the first program, when "President's Day," was observed, yesterday afternoon at 4 o'clock. New members were honored with a formal tea.

Hostesses for the occasion included Mesdames A. C. Chesher, J. R. Coen, Allan Hodges, Paul Hyatt, and G. S. Burk.

The program opened by a talk by Mrs. W. D. T. Storey, vice-president of the organization—"The Open Sesame," during which time she introduced the executive board members, the twelve new members, and the new president, Mrs. L. L. Massengill. Mrs. Storey was assisted in her introductions by Mrs. Albert Miller and Mrs. Paul Hyatt.

The new president used as her subject "The Jewel Box," in which she compared the four departments of the club, to precious jewels, and told of the accomplishments of the departments. The departments she named were music, literary, garden and art.

Mrs. Massengill said the theme of this year's program is "Living and Learning." Projects for the year are library expansion; "A Million Pennies," a year for the library—a contest to be sponsored by the club; sponsoring the Lamb county youth center; organization of a junior women's department; deferring a new club; working for the erection of metal street markers.

Members of the executive board composed of all elective officers of the general club and the chairman of the departments who were introduced, included: Mrs. L. L. Massengill, president; Mrs. W. D. T. Storey, vice-president; Mrs. J. R. Coen, second vice-president; Mrs. Allen Hodges, federation secretary; Mrs. G. S. Burk, recording secretary; Mrs. Albert Miller, corresponding secretary; Mrs. Paul Hyatt, treasurer; Mrs. Elmer McKinney, reporter; Mrs. A. C. Chesher, parliamentarian; Mrs. J. B. Davis, chairman, Art Department; Mrs. A. C. Chesher, chairman, Garden Department; Mrs. Eugene Johnson, chairman, Music Department and Mrs. C. S. Duncan, chair-

man, Literary Department. Reception Follows  
The tea table was laid with an organdy cloth with a floor length gathered skirt of the same material. Centering the table was a formal center-piece consisting of an arrangement of dahlias and gladioli in white, rose and red, placed in a low silver bowl. The centerpiece was flanked by tapers in silver candelabra.

Mrs. A. C. Chesher presided at the punch service and served frosted lime punch. Dainty cake squares decorated with green icing were also served.

Arrangements for the tea included Mesdames C. S. Duncan, chairman, assisted by Eugene Johnson, C. O. Stone and J. B. Davis.

The new officers were elected at the close of the club year last spring, and were installed at the annual club breakfast held in May.

**New President**  
The new president needs no introduction in Littlefield, as she has lived here a number of years and has always taken an active part in civic, church and school affairs. However, for the benefit of the new members we are printing here below a brief outline concerning Mrs. Massengill:

Mrs. L. L. Massengill lives on a farm one and one-half miles southwest of Littlefield. She has served as president of Lamb county council home demonstration clubs, when there were approximately 400 women enrolled in the H. D. clubs in the county.

She has worked with women's clubs for over 30 years, and has also worked with 4-H clubs.

Both Mr. and Mrs. Massengill were recreational leaders with youth after the first World War.

Mrs. Massengill has been active in girl scout work and was leader of the first senior girl scout troop in Littlefield.

She is a member of the high school faculty and has taught in the Littlefield school system a number of years.

She is a member of the First Baptist church and is leader of the Adult Women's Department of the Sunday School. She is active in W.M.I. work and assists in the ex-

## Mrs. C. O. Burt To Be Delegate To Catholic Women's Meeting

The Sacred Heart Altar Society met in the home of Mr. and Mrs. H. J. Miller at Anton Tuesday afternoon at 2 o'clock, with Mrs. J. R. McKinney in charge of the program.

Mrs. C. O. Burt, incoming president, was elected the society's delegate to the District Council Catholic Women's Meeting to be held at Odessa September 29 and 30.

Mrs. McKinney has been named Mrs. Burt's alternate.

Following the business meeting refreshments of ice cream, punch and cake were served.

The next meeting will be held at the home of Mr. and Mrs. Maynard Miller, October 6.

Sixteen members were present with four new members.

## Mr. and Mrs. Pete Jennings Moving To Lawton, Okla.

Mr. and Mrs. Pete Jennings, Littlefield residents for the past three years, are leaving here today to make their home at Lawton, Okla., where both plan to enter civil service work.

Mrs. Jennings, who has been employed as secretary to Superintendent of Schools, Joe Hutchinson, plans to work in the ordnance department at the army base as a clerk-stenographer at Fort Sill.

Mr. Jennings has been working at the South Plains Creamery, tension department of the church.

Mr. and Mrs. Massengill have one daughter, Miss Ellen Massengill, who is a junior at Texas Tech, where she is majoring in home economics education.

## Robert Richards, Dismissed from Hospital,

Robert D. Richards, age 4, son of Mr. and Mrs. M. D. Richards, 240 Austin avenue, who underwent major surgery at Payne-Shotwell Foundation August 20th, for the removal of his spleen was dismissed from the Foundation last Friday, August 31st, and is doing nicely.

Little Robert will observe his fifth birthday, Saturday, September 8th, and his mother is planning a little party in his honor, to be held at the Richards' home, during the noon hour. Ice cream and birthday cake will be served.

on the family car or a borrowed one, make sure you have it sewed up, completely. Otherwise, you should be able to escort the girl from door to door in a taxi—not always easy on the exchequer. In case you are forced to take her in a bus or other public conveyance, tell her about it in advance—diplomatically, of course.

The lady always gets into the car first. You should hold the door, and help her with her gown, if it is a long, trailing one. You should get out first and assist her out of the car.

**Be a Gentleman**  
Arrange beforehand where to go after the dance is over. Discuss this with the girl to make sure her parents approve of the late hour. If the girl has a curfew, don't spoil the evening by arguing the point.

Both you and your date should make it a point to say hello to the chaperone. If there is a receiving line it is up to you to introduce your date.

**Dance Dilemma**  
If there is a dance program, it may be made out ahead of time, if you like. Custom demands that you have at least the first and last dance with your date. Unless cutting is ruled out for the affair, you have to say "yes" to a cut-in. You might as well be gracious about it.

If the orchestra plays a dance you can't do, it is better to explain and suggest "sitting this one out." It is your responsibility to see that your date always has someone to dance with.

And—don't think you deserve a goodnight kiss for being so sweet about it all. It is up to the girl, and if she says "no," be a good sport . . . or maybe get your face slapped.

## East Zone Training Union Will Meet

The East Zone Training Union will meet Sunday, September 16, at 3 p.m. at the Lum's Chapel Baptist church.

The text of the meeting will be "Choose You This Day," and will include the following:  
Price of Sin ----- Lum's Chapel  
Special Music ----- Lum's Chapel  
The Reward of Salvation ----- Harts Camp  
Business and Reports  
Special Music ----- Amherst  
Inspirational Message -- Amherst

## Teen Talk

BY VIVIAN BROWN

It is easy to tell that school days are upon us—so many young men write asking the correct thing to do when escorting a girl to a party or formal dance.

Most of the young gentlemen are confused about their role when it comes to formal dating, and the majority do not own formal clothes. So, here are a few tips that might help the young gallants do an expert job of being gentlemen when called upon to escort that beauty queen to a formal party.

**What To Wear**  
A tuxedo is correct attire for a formal date. You can buy a good one for about \$50 (or more) or borrow one or rent one for the evening at from about \$7 to \$10.

One of the most popular types nowadays is a tropical-weight worsted in midnight blue for year-round wear and white for summer. The fabric's lightness assures you of comfort while dancing. You can brighten up your formal attire with a colorful cummerbund and matching bow-tie. You may wear a soft pleated formal shirt or a plain white broadcloth with French cuffs, from your bureau drawer. If you can't afford to invest in patent leather shoes, wear black calf with a plain toe.

If this is to be your first time in a tux, wear it around the house a couple of hours. This dress rehearsal will increase your poise and self-assurance.

**About That Corsage**  
You should supply a corsage for your date and it is always good taste to have it sent to the girl's home. It is particularly smart to call the girl's mother or her roommate or ask the girl herself what color and style of dress she plans to wear. After you know the color combinations, if you haven't ideas of your own, as the florist's advice on what will go with the dress. African daisies, white daisies, Colonial Bouquets make tasteful and unusual corsages. More conventional ones such as sweet peas, baby roses, carnation clusters and baby orchids always are top-drawer favorites. Any of those should fit your budget. For strapless gowns, a waist corsage is most appropriate, although, if it suits the girl's personality, a wrist corsage or tiara or tiny roses would be lovely. Remember, although every girl dreams about orchids, full-size orchids are usually for more mature women.

**Transportation Problems**  
It is best to plan your mode of travel in advance. If you depend

## Postmaster and Mrs. Storey Will Attend National Meeting

Postmaster and Mrs. W. D. T. Storey plan to leave here Thursday, September 13th for Fort Worth, where they will board a special train to Washington, D. C., where they will attend the National Association of Postmasters, beginning September 16th. Convention headquarters will be in Hotel Statler.

The local postmaster and his wife will go to New York City for a three day visit, at the close of the convention, and enroute home they plan to stop off in Chicago for two days. They plan to be away about two weeks.

## Weekend Guests In W. J. Chesher Home

Weekend guests in the home of Mr. and Mrs. W. J. Chesher included Miss Madeleva Miller, a guest of Miss Billy June Chesher, who came here from her home in San Francisco, California to attend the Linda Duffy-Thomas O'Brien wedding last Saturday. Miss Miller, Miss Chesher and Mrs. O'Brien were college friends when they all attended St. Mary's at Notre Dame. Other guests included Dick Overly of Midland, and Mrs. Chesher's sister and family, Mr. and Mrs. W. A. Nashert and son, Jack of Oklahoma City. Jack Nashert left Saturday afternoon for Notre Dame.

## Twenty-Five Movie Stars Here For Chip Payne's Birthday Party

"Hollywood Movie Stars," numbering 25 mingled with one another and enjoyed a lovely party at the home of Dr. and Mrs. C. E. Payne last Friday evening, when Mrs. Payne entertained honoring her son, Chip, on his 10th birthday anniversary.

"The stars," were little friends of Chips, who came dressed to impersonate movie stars, and staying in character all evening.

The guests were greeted by the honoree, who was dressed in an authentic Mexican Charro costume (which is the dressed up cowboy outfit), and represented "The Cisco Kid."

A delicious buffet supper was served on the lawn, with hurricane lamps used for lighting.

Assisting Dr. and Mrs. Payne with hospitalities were Misses Gladys Price, Billy June Chesher, Diane Hall, Polly Lou Potter, and Mesdames W. J. Chesher, Marshall Howard, I. T. Shotwell sr., E. P. Payne, Thelma Perry and Moreland Payne.

As the guests arrived they registered under their own name and their "stage" name. Billy June Chesher assisted by Mattieva Miller of San Francisco, Calif., registered the guests at the umbrella table.

Centering the serving table, was the huge pillow shaped birthday cake a replica of a "drive-in theatre." At one end of the cake, was the "screen," with the inscription, "Chip's Drive-In" placed over head. On the "screen" was "Happy Birthday Chip," and a small picture of the movie star, Alan Ladd. Miniature automobiles, with tiny speakers were placed at an angle on the cake, with a "snack-bar," in the center. A brown fence was placed around the edge of the cake, and just outside of the fence were popular trees—all of course made of icing. Ten candles were placed on the outside of the trees.

Following the supper, the "stars," in couples had a parade in front of the stand, on the terrace. Mr. and Mrs. W. J. Chesher, daughter, Billy June Chesher, and Mrs. W. J. Chesher, were dressed as "Richard Hall's of Montecarlo" for 4th place were "Tarzan," portrayed by Smith and Barry White.

Jane Rumbach and "Grable," and singing, "ery," was first place. The girl stars were "Mary Martin" look-alike and Margene Miller Williams was awarded.

While the stars grand march, and were making their way to the dance, Mrs. Payne made movies of the party.

A film, "Ginger" boy and his dog, and the boy's name is "Chip," was shown to the Jawn. It was a little, preceded by a short film, "The Comedy," passed out bags of children during the party.

Favors were passed four theatres in Littlefield.

"Hollywood Stars" were Edwin Fowler, Terry Stone, Darlene Chisholm, Hal and Lewis C. Walker, Ralph Gendron, McCarty, Billy Ayres, Carol B. Smith, Gary Rogers, Freddie Underwood, Otto Rabe, Margene Rumbach, Frances Gay Hall and Dale Jones.

## Vows To Be Exchanged By Patsy Ruth Cox And Alvie H. Price

Mr. and Mrs. G. W. Cox of 623 Ash avenue, Littlefield, are announcing the engagement and approaching marriage of their daughter, Patsy Ruth Cox, to Alvie H. Price, son of Mr. and Mrs. E. P. Price of Littlefield.

The ceremony is scheduled to take place at the home of the bride-elect's parents on Thursday, September 13.

The bride-elect was graduated from the Littlefield high school with the class of 1947, and since that time has been associated with her parents in the operation of the City Fruit Stand at Littlefield.

The groom-to-be has served in the Navy four years, the of which time he spent in the South Pacific area, and is currently employed by the company.

The bride-elect will attend a bridal shower at Mr. and Mrs. Johnny Price's home, Wednesday, September 13, 4 o'clock.

Mrs. Grady Bevilacqua and Mrs. Lee Askew will be the hostesses for the shower.

# REA Meeting Draws Record Attendance; Over 3,500 Attend

Between 3500 and 3600 members and visitors attended the 13th annual Rural Electric Associational meeting held at the Union Compress warehouse yesterday (Wednesday), with more than 1500 attending over last years estimated crowd of 2000.

It was the first time the organization had met at the Union Compress—and many voiced the opinion that it was the best place the association had ever met. The Compress was immaculate in appearance, and it was roomy, cool and adequate to take care of the large crowd.

The mammoth crowd started gathering about ten-thirty o'clock, when they registered and were given badges. The office personnel of the REA registered the members.

Dick Carl, manager, was in charge of arrangements, and of the barbecuing of the 13 big steers—that incidentally were all consumed. Directors and officers, had only praise for their manager—and J. R. Kuykendall, director said, "Dick supervised the whole deal and it was fine." Mr. Carl was ably assisted by J. D. Dodgen, and employees at the local office.

Besides the 13 steers, which weighed out 3850 pounds of meat, 200 gallons of apricots and 300 pounds of brown beans were served, along with hot coffee, and 4500 hot dog buns, and gallons and gallons of Wayne's ice cream.

Cal Harvey Appliance company gave away 80 fancy mixing bowls in a unique manner; Lamb county Sheriff Posse and the city police, did a fine job in directing the traffic and parking the hundreds of automobiles; Stanley Doss Grocery and Market secured all the groceries and the huge, fat steers were bought through them; sound equipment was furnished by Baldrige Bakery, Lubbock; and many of the chairs were donated by Hayes Coffee Shop and others came from Peg and Spade.

David Keithley, president of the Littlefield Chamber of Commerce welcomed the guests, in behalf of the chamber.

Following the dinner, the annual reports were made, and at election time all directors were re-elected by acclamation to serve another year. They are J. R. Kuykendall, Morton; Ben Gann, C. M. Sanders, Pettit; J. T. McCowen, Anton; H. G. Walker, Olton; Doss Maner, Lums Chapel, Oren Kirk, Littlefield; V. H. Dierling, Pep; and L. G. Fox, Sudan. The same officers were re-elected, with Ben Gann as president, C. M. Sanders, vice-president, and J. R. Kuykendall, secretary. Ray Hulse was chairman of the nominating committee.

While members of Lamb county Council of Home Demonstration Clubs were serving the meal, assisted by Littlefield businessmen, under the sponsorship of the

## County Sheriff's Posse to Ride In Sudan Parade

Lamb county Sheriff's Posse will ride in the parade at the annual fall festival sponsored by the Tuesday Study club to be held at Sudan next Friday and Saturday.

Those who rode in the Will Rogers Memorial Roundup parade at Muleshoe last week are expected to ride in the parade at Sudan. They include Bob Nichols, Lawrence Nickels, Wayne Martin, Cephas Glover, Shorty Pope, Ray Smith, R. V. Armstrong, Buck Ross, Wesley Chatwood, Allan McDonough, Dutch Higgins, Bob Smith, Gene Williams, Sid Hopping, Walter Martin, Cecil Martin, Bill Roper, and Bill Taylor.

Officers of the organization are Dutch Higgins, president; Bob Smith, vice-president and Gene Williams, secretary.

## Aubrey Loyd, Former Amherst Mayor, Injured

Aubrey C. Loyd a former local resident and also a former mayor of Amherst, was painfully burned in the explosion which occurred at the government's synthetic rubber plant at Borger early last Friday morning.

Thirty-five percent of the area of Mr. Loyd's body was burned, with first and second degree burns. He was rushed to the Phillips hospital for emergency treatment and where he will be a patient for several weeks.

A sister of Mrs. Loyd's, Mrs. Ewing Thaxton and husband and Mr. Loyd's sister, Mrs. C. H. Colbert and husband left here Saturday afternoon for Borger and remained until Monday, when her mother, Mrs. Katie Green went up to be with the Loyd family. Mr. Loyd is also a nephew of Mrs. J. M. Stokes here.

Ten other men were injured in the blast—two are in a serious condition. The victims were all working on the night shift and would have come off duty in another hour.

The explosions and fires were said to be in the section where butadiene is purified before being processed into synthetic rubber. The first blasts occurred in the sprawling plant three miles west of Borger. Successive explosions Chamber of Commerce, Clyde Miller and his Sunshine Valley Boys played popular string band music, from 11:30 to 1:45.

## Former Sudan Man Dies Suddenly

Ed Halbert, 68, former resident of Sudan, but recently of Wilmington, Calif. passed away suddenly Tuesday at his home as the result of a heart attack.

Mr. Halbert was well known at Sudan, having lived there for many years, and leaving that city about ten years ago for California.

Deceased left surviving a wife, three sons and four daughters.

The daughters are: Mrs. Bob Williams of Odessa, Mrs. Dan Williams of Merced, Calif., Mrs. Clay Fletcher of Wilmington, Calif., and Roberta, whose married name is not available.

The sons are: J. C. and James Halbert of Merced, Calif., and Bill Halbert of Arkansas.

Details of the funeral arrangements were not available late Wednesday.

## Singing Convention Set For Sunday At Fieldton

The Lamb county Singing Convention will meet Sunday afternoon, September 9th, at 2 p.m. at Fieldton Baptist church.

It was announced that the auditorium is air-conditioned and very comfortable, and that everyone is cordially invited to attend.

## L. D. Rochelle Gets Master Degree From Tech

L. D. Rochelle, son of Mrs. Stella Rochelle of Amherst received his Master of Education degree at Texas Technological college in Lubbock Friday night. The exercises were held at the First Baptist church in Lubbock.

Mrs. Rochelle and Mr. and Mrs. Balford Rochelle and Ray and Mrs. Cecil Motl of Anton attended the graduation exercises.

shook the city for hours and thick, black smoke drifted over the section.

The plant is one of several synthetic rubber plants built by the government during World War II and reactivated after start of the Korean conflict. There are similar plants at Houston, Baytown and Port Neches.

## Conservation Dist.

(Continued from Page 1)  
its. There will be in reality, two elections, the first to decide in favor or against the confirmation of the district and to elect a precinct authority to levy a maintenance tax not to exceed five cents on \$100, based on county tax collector's figures.

It was emphasized at the meeting that the organization would be of benefit to the people of the included area inasmuch as it would guarantee them ownership of their underground water resources. Refusal to vote for the conservation district may result in eventual state or federal ownership of underground water, was the warning given the county representatives attending.

Arthur Duggan, Littlefield, explained the taxation system which would be used to finance the program. Under the present plans, a tax of five cents per \$100 (county tax collector's valuation) would be the maximum amount assessed. If all of the proposed area joins the association, it is likely that the tax will be reduced to two and one half cents per \$100. At five cents per hundred, a farmer owning a labor of land would pay 97.5 cents per year, and, if the second plan is used the same farmers would pay 48.7 cents.

It is estimated that taxes, although working a hardship on no one, will net the association slightly over \$100,000 per year.

It was pointed out that incorporated cities or counties may exclude themselves from the district if so desired. This will have no effect on the surrounding areas. If a farmer does not use 155 gallons of water a day, he may be excluded if he so requests.

### Can Drill Well

Space and location of wells may be governed to a reasonable degree, but the association is not authorized to prevent a man from drilling a well. The board would recommend a location, however, to provide for the most efficient use of the underground water resources.

The money which is gathered through taxation will be used for organization of the district, paying for election and law expenses, for the operation of the district, for maintenance of the district, for the recharge of the water supply, for educational programs, and a small amount will be used for salaries. A skeleton staff, in the interests of economy is planned if the measure is adopted by the people in the proposed district. There will be no unnecessary employees, agencies, or divisions.

## Mrs. F. R. Jones

(Continued from Page 1)  
to the union, four daughters and three sons. A daughter, Mrs. Myrtis Shockley preceded her in death in 1933. Her husband passed away last February 19th, 1951.

The sons surviving are Arthur, Otto and Travis Jones, all of Littlefield and the daughters are Mrs. Ona Cagley, Los Angeles, Calif.; Mrs. Nona Manley, Long Beach, Calif.; and Mrs. Payne Wood, Lubbock. Two brothers, H. M. Snowden, Post and Jess S. Neshoba, Miss., also survive, as do 15 grandchildren and 4 great grandchildren. All were present for the last rites with the exception of the twin daughters in California, who were here in February, when their father passed away and the brother who resides in Mississippi. A number of the grandchildren were also unable to attend.

Special music for the funeral service was rendered by Mrs. Weldon Findley, soloist, who sang, "One Moment in Heaven Will Pay For It All." A double duet composed of Mesdames Ila Sewell, Ernest Hock, and Eugene Johnson and Miss Barbara Dunn sang, "Peace, Peace, Sweet Peace." Mrs. E. J. Packwood played the organ accompaniment.

Active pall bearers included: L. A. Purtell, Lubbock; W. C. Warren, Herbert Dunn, E. J. Foust, Jr., A. E. Mann, and Sam Hutson.

### TIME ON HAND

DES MOINES (AP)—No matter which way he looks when he swings in his swivel chair, N. F. Reed, clerk of the U.S. district court, can tell the date at a glance. He has 17 calendars of all sizes on the walls of his office in the federal building.

## Boll Worms

(Continued from Page 1)

it is only when the worm moves from that boll to another, if he does, can the worm be controlled.

In checking for bollworms examine 100 or more main terminals of plants selected at random from representative points in each field. Unless bollworm eggs and 4 or 5 worms are found per 100 terminals, do not apply controls. If 4 or 5 worms are found and a few eggs present you should apply controls.

There are several insecticides in sprays and dusts that will control the bollworm. The 1951 guide has not been changed and those insecticides recommended will control.

The following statement was received from a published report on August 14, 1951 from Texas A&M College.

"DDT is the most effective insecticide known for bollworm con-

## Lockney Longhorns

(Continued from Page 1)

will probably be a lighter string than Lockney will bring, both in weight and in experience.

One contributing factor to the scarcity of Wildcat material this year, is the extremely small class of seniors this year, a class which numbers less than half of the normal number of prospective graduates.

Lockney is expected to bring a huge delegation of supporters, and has made heavy ticket reservations, and reports are that the number expressing intention of seeing the game from Lockney is increasing by leaps and bounds each hour.

And what about the Lockney Longhorns? Not too much is known, but reports have filtered through and around, and if those reports are correct, Lockney has one of the best teams of its history—and sports writers of the area rate it at the top of District 3-A, ahead of Abernathy and Kress.

Like Littlefield's Coach Fikes, Curtis Kelly, Lockney coach knows his team, he being one of two coaches in District 3-A, who returned to the schools and teams which they piloted last year.

An Amarillo sportswriter, writing with what probably is an unbiased eye, and unbiased opinion, Monk Owens, without hesitation rated Lockney top in that district.

He writes that Coach Kelly has 16 returning lettermen, including a pair of all-district aces, that will be stationed strategically in the line and backfield.

Barry Thompson, the 180-pound all-district center will afford a firm pivot post for Kelly to build a tough, hard hitting line around for the 1951 season just ahead. From there on out to the wings, the Lockney Longhorns have a host of big experienced bruisers that are apt to deal plenty of misery to opponents throughout the season—and that includes the opening game with Littlefield Friday night.

The word out around Lockney this week—and its almost a town-wide chant is "Beat Littlefield."

And indeed the Wildcats, who have been top in the state, and tied at top in district, and repeatedly dominating in home circles, are considered "choice meat" by all contenders. And it isn't at Lockney alone, that the "beat Littlefield" chant is heard. Every team in the district is out to do the same thing, and no one knows it better than Coach Fikes, who has piloted his team to top honors and victory, in almost every year since he came to Littlefield high as head coach.

And one more word about Lockney, and a reportedly powerful backfield. It is spear-headed by Captain Ray Ferguson, a 150-pound all-district fullback. With him are 150-pound Norton Baker at right half, C. E. Smart and Bobby Dorman at left half, and Doug. Merriweather, a mighty smart, 140-pound quarterback.

That backfield sounds like it might spell plenty of trouble for the Wildcats—certainly it spells a tough battle for them in this, their opening game, a non-conference tilt, but nevertheless important, if for no other reason that that it will be indicative.

Ticket sales, aside from pre-season reserved, went on sale yesterday morning, and will continue until the night of the game.

## Power Company

(Continued from Page 1)

Mexico plant.  
The system generating capacity will be more than 400,000 kilowatts when the first Plant X unit goes on the line. The entire system capacity in 1943 was 112,000 kilowatts.

The plant is located close to the geographic load center for Southwestern's 45,000 square mile service area. The load growth in the Plains division has been one of the largest in the entire system, another factor contributing to the plant's location.

Material delays have moved the completion date for the plant back one month, but it is anticipated that it will be in operation before peak loads are on the line next summer.

## Mrs. Max Wood

(Continued from Page 1)

Legal Aid Clinic, and was listed as a University Scholar. At the present time she is writing a leading article for the fall issue of the Southwestern Law Journal, which she has been requested to write by the editorial board of that magazine.

Dr. and Mrs. Wood are making their home in Perryton, where Dr. Wood is practicing dentistry and ranching with his brother, Dr. Manse Wood.

control. Aphids (plant lice) often follow the use of DDT along. For that reason it is usually safer to use it mixed with BHC or with Toxaphene. When DDT is used alone farmers should be ready to follow up with some good aphicide if necessary."

In using 2-1 mix (Tox-DDT) you should use 2 quarts (3 lbs.) to the acre. If DDT is used alone it can be used at 2 to 3 quarts (1 to 1½ lbs.) per acre. The dusts recommended 2-10-40, 3-5-40, 10-40 should be used at 15 to 20 lbs. per acre. If 10-40 (DDT-Sulphur) is used the grower should be on the alert and watch for aphid build-up.

Aphids are present in heavy numbers in many fields. When honey dew first begins to appear general over a field they should be controlled. This secretion of honey dew hurts the plant and will stain and discolor the open cotton. Aphids can be controlled with sprays of ½ pint of 40% TEPP or 3-5 mixture (BHC-DDT) at 1.1 lbs. per acre. In the dust you can use 3-5-40 mixture or 1½ parathion 10 to 15 lbs. per acre for "knockout."

Careless worms are still a menace in some localities and have destroyed several fields. If they are found eating on the leaves of cotton pretty general throughout a field then control measures should be used for they are fast feeders and can destroy a stand of cotton in a few hours. In a spray you can use toxaphene or toxaphene-DDT (2-1) at 2 to 3 lbs. per acre. In dust use 2% toxaphene or 3-5-40 mixture at 15 lbs. per acre.

Remember you cannot kill injurious insects if they are not there but if they are there and you do not control them they can destroy your 1951 cotton crop.

### A ROVING FIELDER

CHICAGO (AP)—Ray Coleman, White Sox outfielder recently obtained from the Browns, knows what it means to cover the outfield. In his second game in a White Sox uniform he started against the Athletics in center field. In the eighth inning Manager Paul Richards switched Ray to left field. When the game entered the tenth inning, Coleman was patrolling right field.

### WINNERS IN LEADERSHIP CONTEST RETURN FROM BASTROP STATE PARK

Six Lamb county 4-H club members, all winners in a statewide junior leadership contest, have returned from Bastrop State Park where they attended the state 4-H club junior leadership laboratory held August 27 to September 1.

The 4-H club members who attended from this county are Kenneth Griffin, Route 1, Littlefield; Donald Poltyn, Sudan; Deryl Machen, Route 1, Olton; Miss Jo Ann Nix, Amherst; Miss Mildred Gregson, Amherst; and Miss Dorothy Poltyn, Sudan. Mrs. Xie M. Collins, county home demonstration agent, and W. G. Rodgers, assistant county agricultural agent, both from Amherst, accompanied the young people—and also served as leaders during the camp.

The laboratory is sponsored by United Gas in cooperation with the Texas Agricultural Extension Service of the Texas A&M College System.

During the encampment in the pines, the 120 4-H club junior leaders and members of the Texas 4-H council took part in group discussions, heard special speakers, and participated in a supervised recreational program. The laboratory was directed by outstanding extension service personnel from Texas A&M College and from throughout the state.

### Three Area Youths Enter Air Force

Three area youths have volunteered for the armed forces this week, according to M/ Sgt. Gerald F. Cutchall, local recruiter for the U.S. Army and Air Force.

Carol C. Parker, son of Jessie J. Parker, 420 E. 7th street, and Carl J. Russell, son of Mrs. Minnie M. Russell here in Littlefield, were accepted for enlistment in the air force at Amarillo and left Wednesday for Lackland AFB, San Antonio, for eight weeks basic training.

Alfred Shedd, son of Daniel S. Shedd of Whitharral, was accepted for enlistment for Airborne, Tuesday. Alfred will take his basic training at Fort Sill, Oklahoma. After completing basic training, Alfred will be assigned to one of the airborne units at Ft. Benning, Georgia.

### Nephew of Mrs. L. L. Massengill, With U. S. Navy, Injured In Service

Mrs. L. L. Massengill, member of Littlefield high school faculty, and president of Littlefield Woman's club, received word this week of the serious injury of a favorite nephew, Fred A. Webb, of Los Angeles, who with his bride of only a few weeks visited here in July of this year.

Young Webb, with the U.S. Navy, as a bandsman, suffered a fall down a stairway, while at sea, with his unit, in which he incurred a broken neck, crushed vertebrae, and a back injury, which it is feared may leave him paralyzed.

He has been returned to Oakland, Calif. Naval hospital, where his wife is making her home. The young couple made many friends during their visit in Littlefield. He is 18 years of age.

### U. S. Athletes Wanted Abroad

NEW YORK (AP)—Invitations have been received by the AAU from Ireland and Turkey to be represented in international sporting events in those countries. Ireland is inviting U.S. wrestlers to compete in the Irish Open Wrestling Championships at National Stadium, Dublin on Nov. 24. Turkey would like to have one of our outstanding basketball teams compete in an international journey at Istanbul, Sept. 14-24.

The AAU wrestling and basketball committees are now considering these invitations and will make their decisions shortly.

### Three Local Students Begin Work With McMurry Football Squad

Three Littlefield students, Billy Sisson, Sabin Hendrickson, and Stephen Brook, all returning members to the McMurry College football squad, began work-outs today with approximately 45 other players in preparation for the 1951 season.

Sisson plays guard for the Indians and has lettered for two years. At Littlefield high school he was twice named all-district.

Hendrickson is actually beginning his first year for McMurry, as he sat out the '50 season on the bench with a broken leg. He is

a candidate for one of the positions in the backfield. A former two-year Littlefield high school lettered last year as a member of the squad. Coach Wilford has written letters from the same number of years and over 20 freshmen are in training for the team which is slated to play Western in Abilene.

### Amherst Bulldogs to Play First Game of Season at Ropes Friday Night

Football practice for the Amherst Bulldogs began last week with a good group turning out for each of the practice games.

Friday night the Bulldogs will play their first game of the season, which will be with the Ropes at Ropes.

Other games scheduled are as follows: Sept. 14 Hale Center ----- Here Sept. 21 Anton ----- Here Sept. 28 Springlake ----- Here

Oct. 5 O'Donnell Oct. 12 Morton Oct. 26 Olton Nov. 2 Kress Nov. 9

### Olton Mustangs Get Into Rugged Practice for Game With Muleshoe

The mighty Mustangs of Olton high started football practice last week with 38 boys suited out. Vic Clark, the Mustang's new coach, is putting the boys through vigorous workouts and reports a good spirit prevails.

Many of the boys show a lot of promise and all are willing and ready for rugged practice to get ready for their opening game with Muleshoe Friday.

New Jerseys are being issued this year consisting of the blue background and white numerals.

Monmouth Park race track concluded its 1950 season. This year 724,120 spectators saw the horses race 146-day season. This is the year's mark of 678,640 tickets for the season. High of \$56,767,853, and 779 daily. This compares with previous high average set in 1947 during a season.

### Tahoka Bulldogs to Open Season Non-conference Game With Sundown

NEW YORK (AP)—Hyman Kanter, comptroller of the Union of American Hebrew Congregations, which is moving its office from Cincinnati to New York, had to find an apartment. A friend suggested Glen Oaks Village, a large garden-apartment community.

Kanter telephoned at 10 a.m., found he could get an apartment and could sign a lease immediately. He boarded a plane, walked into the rental office at 3 p.m., signed the lease and a check and apologized for being in a hurry. He had one more business matter to take care of before he would catch a plane back to Cincinnati.

"My wife likes me to be on time for dinner," he said. Standard submarine cable weighs 19 tons to the mile. Shore stations usually can track down a break in a trans-oceanic cable to within half a mile.

The Tahoka Bulldogs their 1951 football season night, Sept. 7, with an away game at Sudan. The home game will be an away affair on September 14 at Denver City. Coach Bill Harbeck's team last week with 21 of them lettered from the squad, and the rest of year's squad members up from the eighth grade. The U.S. had as many whaling ships between 1863, "golden age of whaling." Young birds at times than their own weight according to the National Geographic Society. About 55 different jobs to enlisted men and women U.S. Army. The National Geographic Society says there are nearly 100 theaters in the world.

### September 7 S-Day for Texas Officers; Anti-slot Machine Law Goes Into Effect

AUSTIN—Tomorrow, September 7th is S-Day for Texas law enforcement officers as the new anti-slot machine law becomes effective.

Passed by the 52nd Texas legislature, the new law was slated to become effective 90 days after the legislature adjourned on June 8. That's Friday, September 7.

Slot machines were the principal target of the legislature's series of anti-crime bills. The new law gives owners or those "possessing" slot machines until September 7 to get rid of such machines. After that possession of slot machines can mean two to four years in the penitentiary.

The crux of the new law is that mere possession is illegal. It has been against the law in the past to operate or "run" slot machines. But gamblers have evaded the law by saying that the machines were being stored and were not being played.

Local law enforcement officers have had a difficult time proving that the machines were being played or operated. Under the new law, police officials can seize the machines on sight.

Most of the slot machines in Texas have already disappeared. They have been sold and sent to Nevada and to foreign countries. Slot machine owners in Texas did not like the thought of going to the penitentiary and losing the money they had invested in such machines so they sold them.

Sheriffs, chiefs of police and other officers in most counties in Texas have said they intend to complete the clean up of slot machines today and seize the few machines still being operated in the state.

Federal taxes on coin-operated devices (which includes slots) have been paid on only 127 machines in Texas this year. Last year federal taxes were paid by the August 1 deadline on 9,555 machines.

### Crack High Band To Perform During Halftime Friday

Littlefield Wildcat band will perform Friday night during the halftime of the Littlefield vs. Lockney football game, and will put on a special performance ushering in the 1951 football season, and the first appearance of the band, Don Hays, band director announced Wednesday.

It is not known whether Lockney band will make an appearance. The Wildcat band is larger than last year, and boasts of a membership of 88 members. However, only 75 of the 88 are in the marching band.

Drum major Lee Boyd Montgomery, a sophomore elected to his position last spring, will make his first appearance on the field, Friday night. Majorettes are Joyce Tarp, junior, Mary Zoe Renfro, junior, Charlotte Doss, junior and Kay Hendricks, sophomore.

Swiss flag twirlers who will put on a special exhibition during the halftime are Venita Roberts, senior, Wanda Harrell, senior, Edwina Schovajsa, junior.

### ATTEND FUNERAL OF UNCLE

Mr. and Mrs. Frank Anzeline and daughter, Garland, left Tuesday for Trinidad, Colo. to attend the funeral of Mr. Anzeline's uncle, Angelo Tassar, returning to Littlefield Thursday.

The median age of male and WAC officers in the U.S. Army is between 35 and 36, according to Army records.

### Mayor Chesher Has Out of Town and Noted Visitors

Mayor A. C. Chesher had as visitors in Littlefield Tuesday, Marvin Paul, jr., of Washington, general manager of the U.S. Chamber of Commerce, and S. A. Debman of San Paulo, Brazil.

Mr. Chesher and Ed. Fowler, while in Brazil, became acquainted with Mr. Debman. He was formerly county agent of Hockley county, and has a daughter attending the state university.

### Committee Appointed to Advise Directors in Water Election Matter

Members of the Lamb county committee appointed to advise the temporary board of directors of High Plains Underground Water District No. 7 are Gus Parish, Springlake; A. B. Brown, Spade, and Fred Meeks, Sudan, it has been announced by C. C. Chesner of Littlefield, director of Precinct No. 2, which includes Lamb, Cochran, Hockley and Terry counties. The temporary board of five members named a committee in each of the 21 counties that is wholly or partially in the district. Chesher said these committees will act immediately to help arrange community meetings for discussion of all matters pertaining to formation of the district permanently, and, if permanent status is approved in the September 29 election, they will continue to advise the board in all matters affecting underground water management and control.

In the September 29 election qualified voters who live in the district and own property in it will decide not only whether the district shall become permanent but also whether the directors shall be authorized to levy a tax of not to exceed five cents per \$100. The voters also will elect a director in each precinct to serve until the second Tuesday of January, 1952. At that time five permanent directors will be elected and will draw lots to determine length of their terms. There after, directors will serve terms of three years, staggered so that all directors' terms will not expire at any one time, said Chesher.

### Indian Gridmen Start Working Out For Season

About 45 Indian gridmen have started workouts for the McMurry College season's opener, Sept. 15 with New Mexico Western in Abilene.

Coach Wilford Moore has ten returning lettermen in the group, along with about the same number of veteran squadmen, while the remainder consists of freshmen and transfers.

### WE THANK YOU!

Words cannot express our thanks and appreciation to our friends and neighbors for their many acts of kindness and expressions of sympathy extended at the untimely death of our loved one, R. E. Rucker, jr.

We especially wish to thank those who contributed to the beautiful floral offering.

Mrs. Odessa Rucker and sons Roy Ed and Billy Mr. and Mrs. R. E. Rucker, sr. Mrs. Alyne Eakins Miss Louise Rucker

### WAYNE VAUGHN, NEPHEW OF MRS. FRED FOUST IS SERIOUSLY INJURED

Mrs. Fred Foust, who had just returned from a trip to California, was notified shortly after her arrival of the serious injury from gunshot wounds, of a nephew, Wayne Vaughn, 32, of Dallas where he is now confined in a hospital undergoing treatment.

According to the report received by Mrs. Foust, the young man, who was enroute home from a veterans vocation night school, felt something strike him in the shoulder. He stopped the car which he was driving, and upon investigation, discovered that he not only had been shot through the shoulder but the blast had also struck him in the stomach, with even more serious results.

He was rushed to a Dallas hospital, and is said to be in a highly critical condition.

### Richadd Pierce Completes His Basic Training

Mrs. Beulah King, 517 W. 5th, has received word that her son Richard Pierce has completed basic training at the naval base, San Diego, Calif. and has been assigned to the battleship Iowa, and has left for Pearl Harbor. He is expected to return to the states about Christmas time. Mrs. King said.

Mrs. King has another son, Cpl. Eugene Pierce, who is serving with the 10th Corps in Korea. He has been in the service more than six years, and served during World War II.

### Whitharral Meets Whiteface Friday

The Whitharral Panthers, Harvey Tubb, coach, open their 1951 grid season at Whiteface Friday night in a non-conference game.

The Panthers' 1951 schedule follows: Sept. 7, at Whiteface; Sept. 14, at Anton; Sept. 21, Lorenzo; Sept. 28, open; Oct. 5, Friendship (c); Oct. 12, at Wilson (c); Oct. 19, Plains (c); Oct. 26, at Wellman (c); Nov. 2, Idalou (c); Nov. 9, at Meadow (c); Nov. 16, Ropesville (c).

### Motorboat Commutation Is Proposed

SINGAPORE (AP)—Many Singaporeans soon may be going to work in their downtown offices by sea. A proposal has been advanced to start a motor launch service from the suburban Katong district to Clifford Pier in the heart of Singapore. Its backers say this would do much to relieve the morning and evening motor traffic jams.

### Brownfield to Test Lovington Friday

The Brownfield Cubs will open their 1951 grid season Friday night at Lovington against the Wildcats, with only 10 days of practice behind them.

Coach Toby Greer will be running his team from the straight T again this fall with plenty of power and considerable speed expected from backs Howard Swan, Paul Billings, Bob Latham and Joe Swan. Quarterbacks Don Boyd and Billy Thomason will be depended on for handling the ball in the T.

Fifteen lettermen have been among the 39 varsity candidates working out during the past several days. One other letterman, 290-pound Roscoe Treadaway had not returned from the World Boy Scout Jamboree in Austria when training began.

Lettermen working out have been: Co-captains Max Black, 170, and Howard Swan, 170; ends: Douglas Forbes, 160; Loman Jones, 155; Jack Stockton, 150; and Doyle Bradley, 153; tackles: Dean Murphy, 178; and Don Jones, 190; guards: Adrian Hinson, 165, Charles Cabbiness, 165, and Charles Mayfield, 152; backs: Don Boyd, 152; Billy Thomason, 150; Paul Billings, 175; Bob Latham, 185; and Joe Swan, 150.

The 1951 Cub schedule is: Sept. 7, at Lovington, N.M.; Sept. 14, Crosbyton; Sept. 21, Phillips; Sept. 28, at Snyder; Oct. 5, Seminole; Oct. 12, Rotan; Oct. 19, at Levelland; Oct. 26, open; Nov. 2, Muleshoe; Nov. 9, at Morton; Nov. 16, at Littlefield.

World movie theaters, according to the National Geographic Society, provide one seat for every 44 persons on earth.

Sulfur was discovered along the Gulf Coast by oil drillers about 1900.

### HOT FUDGE SHORTCAKE

If no one in your family is counting calories, here is a dish to delight everyone. It is an irresistible combination of ice cream, cake, and hot fudge sauce that will please any sweet tooth.

- Cake 1 1/2 cups sifted all-purpose flour 2 1/2 teaspoons baking powder 1 teaspoon salt 1 cup sugar 1/4 cup margarine 1/2 cup milk 2 eggs 1 teaspoon vanilla

Sift together the flour, baking powder, salt and sugar. Add the margarine and about one-half of the milk. The margarine should be left out of the refrigerator long enough to reach room temperature. Beat for two minutes. If an electric mixer is used, set at medium speed. Now, add the remaining milk, un-beaten eggs, and vanilla. Beat for two more minutes. Pour the batter into an 8"x8"x2" pan or a 7"x11"x1 1/2" pan which has been margarine and floured or lined with waxed paper. Bake in a moderate (350 to 375° F.) oven for about 25 to 30 minutes. Turn out on a cake rack to cool slightly.

Split layers of warm cake. Place a scoop of ice cream between pieces of the cake and top with hot fudge sauce.

For other nutritious, taste-tempting recipes write today to National Cotton Council, P. O. Box 76, Memphis, Tenn., for your free copy of the new 24-page, two-color recipe booklet, "Menu Magic with Margarine."

### NEW ENGLAND CABBAGE SALAD

A cool, fresh salad makes any meal more appetizing. The New Englanders have a magic recipe in this crisp salad. For Saturday night supper, try their special version of cabbage salad along with two other famous New England dishes, baked beans and brown bread.

- New England Cabbage Salad 1 small firm head cabbage 2 eggs 3/4 teaspoon dry mustard 3/4 tablespoons sugar salt 1/4 cup lemon juice or vinegar 3 tablespoons margarine 1/2 cup cream, whipped cayenne sliced green peppers

Shred the cabbage which has been washed, drained, and chilled. Toss with the dressing. Sprinkle with cayenne. Chill before serving, if desired.

To make the dressing, first beat the eggs slightly. Put in the mustard, sugar, salt, lemon juice or vinegar, and margarine. Cook in a double boiler or in a boiler over very low heat. Stir constantly until thickened. Cool. Chill. Add whipped cream just before mixing with the salad.

**RECIPE OF THE WEEK**

By Mary Lee Taylor

**Carrot Pineapple Salad**

1/2 cup pineapple juice  
1/2 cup water  
1/2 pkg. lemon gelatin  
3-oz. pkg. white cream cheese  
1/2 cup finely shredded carrots  
1/2 cup canned crushed pineapple, drained  
2 tablespoons vinegar  
1/2 cup Pet Milk

Heat pineapple juice and water to boiling. Add gelatin; stir until dissolved. Cool to room temperature. Rub with vegetable oil a mold or bowl holding about 4 cups. Meanwhile mix cheese, carrots, pineapple and vinegar. Stir milk into gelatin. Then stir in cheese mixture. Pour into mold or bowl. Chill until firm. Serve on lettuce. Makes 4 servings.

You Will Need:

Pet Milk, Lemon Gelatin,  
Crushed Pineapple,  
Cream Cheese, Carrots.
