LITTLEFIELD, LAMB COUNTY TEXAS, THURSDAY, JANUARY 9, 1964

NUMBER 34

FOR SALE: POLL TAX RECEIPTS--Marilyn Merrifield, left, and Patsy Wood, clerks in the county tax assessor-collector's office, hold poll tax receipt books to show they have plenty of the forms on hand for Lamb County

residents. Poll tax payments are running behind previous years, but they are expected to catch up this month before the Jan. 31 deadline rolls around.

DEADLINE IS JAN. 31

Poll Tax Payments Lag

With the deadline just about three weeks away, poll tax payments in Lamb County were running behind even last year's tight count, County Tax Assessor-Collector Herbert Dunn revealed Wednesday.

This week only 1,295 poll tax receipts had been issued, but

Dunn expects sales to pick up and surpass the 1962 total of 4,150. Deadline for obtaining poll tax receipts is Jan. 31. The fee is \$1.75 per person. A husband or wife may make poll tax payment for both.

The poll tax total has been running closer to 5,000 and the

peak year was posted in 1956 when 5,500 made their poll tax payments.

Dunn reported December purchases of poll tax receipts was good, following a slow October and November. The primary reason for the lag in issuance of receipts was the Nov. 9 special election in which Texans voted down a proposal to do away with the poll tax as a requirement for voting.

Normally, the majority of citizens get their poll tax receipts in October, or November, when paying their county taxes. Many held back last October in case the poll tax measure was approved by voters. Dunn reported only 350 were issued last October, compared to more than 700 in October, 1962.

This is an election year, on the national, state and local level, and this is why Dunn thinks the total will jump up near the 5,000 mark before the Jan. 31 deadline.

Dunn reminds persons who reached their 60th birthday before Jan. 1, 1963 that they do not need a poll tax receipt or exemption. Only in cities of 10,000 or more population are they required to obtain an exemption, so this is not required in Lamb County.

Poll taxes are always paid for the previous year rather than the current year, which is the reason for setting the exemption age at Jan. 1, 1963.

Persons who become 21 years of age anytime during the year may secure poll tax exemptions. In order to secure the "free" vote, they must file for the exemption at least 30 days prior to casting a ballot.

To be eligible to vote in Texas, a person must have lived in the state for one year, in the county for six months, and in the precinct for 30 days prior to an election.

Young Seeks Reelection

Jack Young of Muleshoe authorized the Lamb County Leader Wednesday to announce his candidacy for reelection as 154th District Attorney.

Young was the only candidate reported this week, after the county sheriff's race drew another candidate last Saturday. Incumbent Sheriff Dick Dyer has drawn two opponents to date-- W. T. Harlin and Loy Dalton.

Three other incumbents have announced for reelection. They are Herbert Dunn, county tax assessor-collector; Roy Yeager, commissioner of precinct 3; and A. J. Spain, commissioner of precinct 1.

The only other county office up for election this year will be for county attorney. Curtis Wilkinson has yet to announce whether or not he'll be a candidate for reelection.

County Column

At the close of the year, 83.27 percent of the current Lamb County tax roll had been paid, according to a check at County Tax Assessor-Collector Herbert Dunn's office. Taxpayers who have not paid current taxes have until Feb. 1 before a penalty is charged.

Mr. and Mrs. Arvel White have moved to Fort Worth, where he will be associated with a department store group in that area. White has been manager of the St. Clair's Department Store here the past year.

Baylor Coach To Speak At QB Club Fete

John Bridgers, athletic director and head football coach of Baylor University, will be guest speaker for the second annual Littlefield Quarterback Club banquet, it was announced this week by Efton Graham, club president.

The banquet has been scheduled for Monday, Feb. 3 in the high school cafeteria. It will begin at 7:30 p.m. with Ray Keeling to serve as master of ceremonies.

Tickets will soon go on sale at \$2.50 per plate, the price also including the payment for one Wildcat griddle's dinner. Coach John Howie will name the team's "outstanding player", as voted by teammates, at the banquet and other recognitions will be made.

Bridgers guided the Baylor Bears to a contender's spot in the SWC grid race during 1963 and to a Bluebonnet Bowl triumph at season's end. He was also picked as one of the coaches in the annual Shrine Bowl classic.

Serving on the arrangements committee for the annual affair are Graham, past-president Ed McCaules, Waymon Lewis, Keith Glover and Speedy Nieman.

2 File For Places on Demo Ballot

Two Lamb County candidates have filed for the 1964 Democratic party primary election, reports Glenn Batson, county Democratic chairman.

Sheriff Dick Dyer and County Attorney Curtis Wilkinson have filed for the party ballot. Candidates have until February 3 to file with the chairman and pay filing fees to have their names placed on the party ballot.

The charge for filing for county offices is one month's salary for the office, this charge divided among the candidates for the office. Dyer, for example, today has two announced opponents and will, if both complete filing for the office, pay one-third of a month's salary as a ballot charge. He will pay less if more opponents enter the race.

Wilkinson, who has no opponents, will pay the entire fee if he is alone on the ballot for his office.

The disadvantage of paying the entire ballot charge is more than offset by the advantage of not having to campaign for the office.

The first primary election will be May 2, for both Democratic and Republican primary elections.

District and state candidates in the primary pay a flat fee in each county, not based on the office salary.

All county and district offices in the 1964 election have four year terms. State officials and federal congressmen have only two-year terms, while U.S. Senators -- and there is one Senate office open this year -- have six-year terms.

City Tabs 50 Blocks In New Paving Project

PLANNING MOD CAMPAIGN--Officers and chairmen in the Lamb County March of Dimes chapter met Tuesday night in the county courtroom to make plans for the annual MOD drive and Mothers' March. Seated, left to right, are Mrs. Addie Abernathy, chairman of the

Lamb County organization; Mrs. Hollis Smith, Mothers' March chairman; Mrs. Dub Black, Fieldton chairman; and standing are Mrs. J. R. Coen, chairman of women's activities, and Dub Black, Fieldton chairman.

Approximately 50 blocks have been proposed for a 1964 paving project which was launched by the Littlefield City Council during a special meeting Tuesday night.

The council selected Ralph Douglas of Littlefield as engineer for the new paving program. Although some 50 blocks are included in the program, the actual amount of paving is expected to be somewhat less.

Under present city policies, at least two-thirds of the property owners in a block must sign up for the paving in order for the street to be included in a paving project.

City Mgr. J. W. Harrison indicated that any property owners desiring paving on their block could contact him at city hall. If a majority of neighbors on the block are willing to sign up for the project, the street can be paved, Harrison said.

The streets around the new high school site will definitely be paved in the new project, since the deed requires the paving be accomplished. This includes Wicker Ave. from 10th to 12th streets, 12th St. from Wicker to Sunset, and Sunset from 10th to 12th. Also proposed is Sunset from 12th to 14th.

Other streets or blocks included in the paving proposals:

Park Ave. from 6th to 10th, Lake Ave. from 6th to 8th, Austin St. from 9th to College (by the football stadium), K... Ave. from Atch... and Cope... le...

MOTHERS' MARCH JAN. 28

MOD Drive Scheduled

The annual "Mothers' March", a traditional project carried out with the March of Mothers' March in Littlefield, Lamb County for Jan. 28.

Mrs. Addie Abernathy, county MOD chairman, announced the date of the Mothers' March following a meeting of MOD officers and directors Tuesday

night in the county courtroom. Mrs. Hollis Smith will head the Mothers' March in Littlefield.

Clarence Sperling, drive chairman, announced that canisters have been received, and 50 of these will be placed around the city this week. Ray Smith of Spade is co-chairman of the

campaign.

Mrs. Abernathy emphasized that male help is invited in the Mothers' March. Her community club will be named for the campaign.

NO. 1 SPEAKER BOOKED

Chamber Banquet Tickets On Sale

Dr. Kenneth McFarland, a past lecturer for General Motors Corp. and widely recognized as the nation's No. 1 speaker, will give the principal address at Littlefield's annual Chamber of Commerce banquet on Jan. 29.

Outgoing President Troy Armes will receive special recognition at the annual affair, and Jerry Sanders will be installed as new president.

Tickets for the event were placed on sale this week, according to ticket chairman Joe Montgomery. Ticket reservations can be made by calling the chamber office, 385-4451.

The banquet is scheduled for the high school gymnasium on Wednesday, Jan. 29, beginning at 7:30 p.m. Chamber officials feel very fortunate in securing

Dr. McFarland as banquet speaker," Montgomery said Wednesday.

Dr. McFarland earned his unofficial title as America's No. 1 speaker from a nationwide survey conducted by the U.S. Chamber of Commerce. He is a guest lecturer for both General Motors and the American Trucking Assn.

He and his family live on a stock farm near Topeka, Kan. Broadly trained in both government and economics, Dr. McFarland was an outstanding school leader for almost 25 years. He is also an industrial advisor, businessman, civic and church leader, and farmer and stockman.

A salesman of Americanism, Dr. McFarland is a graduate of Pittsburg State College and earned graduate degrees from both Columbia University and Stamford University.

Dr. McFarland's reputation as a public speaker is the result of his profound conviction that effective speech is a vital medium of service to his fellow men. His direct speaking activities have been supplemented by a series of new long-playing recordings taken "live" in meetings he has addressed.

He has also written a new speech book, "Eloquence in Public Speaking", which has been published by Prentice-Hall. This is already a best seller in the speech field.

His work in selling America to Americans caused the National Sales Executives Clubs, in their international convention in Los Angeles in 1957, to name Dr. McFarland as America's "Outstanding Salesman for the Year."

House to Sell? Mr. Classified Does it Fast!

That fast-moving salesman, Mr. Classified, took just a couple hours to sell a 3-bedroom house for a satisfied Littlefield customer this week!

He did it with this one complete sales talk this past Sunday morning:

3-bedroom house, fully-carpeted, custom drapes, central heat and air-conditioned, wired for washer, dryer and electric range, garage, newly painted, \$300 down. Just off Sunset at 1406 Smith.

The selling cost: \$1.40. The house sold to the second prospect to call, within hours after the County Wide News appeared with the want ad.

Not bad, is it, for a salesman who was all over town by sunup making his sales pitch. Your Classified in the Leader and News makes hundreds of sales calls for you -- and sells -- at economy rates.

Read the Classified for bargain! Use them for results! Just call 385-4481 and ask for Ad Taker.

Lamb Junior Stock Show Feb. 21-22

Directors of the Lamb County Junior Fat Stock Show were to meet Wednesday night in the Reddy Room to finalize plans for the annual show, which is scheduled this year for Feb. 21-22.

Doyle Turner of Pleasant Valley, president of the show, announced that judges and division superintendents have already been named for the show. W. T. Hall of Olton is vice president of the organization, and Marshall Howard is secretary-treasurer.

Floyd Burgess of Earth will be superintendent of the swine division; Douglas Walden of Littlefield is in charge of beef cattle; F. J. Branham or Archie May, Olton, will head the sheep division, and Robert Ak-in of Olton heads the Shetland pony portion of the show.

Calvin Holcombe, county agent from Seminole, is to be beef cattle judge; Paul Gross, assistant agent from Seminole will judge the swine; Neal Jones of Olton is to judge sheep, and Coleman Cowan of Lubbock will judge Shetland ponies.

WHOSE HANDS ARE THESE?

HERE ARE SOME HINTS--The subject for this "Whose Hands Are These?" feature is employed by the U. S. Government, but he has been a resident of Littlefield for about 33 years. He is a native of Oklahoma and has two brothers living here. He is president of a local club. Answer on Page 4.

Stacy Armes Shares Recipes

We chose a soft-spoken, young homemaker this week for her recipe feature. She is Stacy Armes, wife of Barry Armes, and mother of Angela, a blonde, blue eyed, seven-month old baby. For her recipes to share with the readers, she chose Cabbage Tamales and Polka Dot Salad. Both of them sound different and delicious.

RECIPE OF THE WEEK--Pictured above are Mrs. Barry Armes and daughter, seven-month old Angela, who live north-east of Littlefield. Mrs. Armes submitted two recipes for this week's recipe feature. Angela seems to be trying to help her mother, but right now she probably isn't too much help where dishes are concerned.

The Armes' family live on a farm about two miles north-east of Littlefield, where Barry is engaged in farming. During their spare time, they enjoy playing bridge and water skiing. Stacy loves to cook and sew. She also enjoys refinishing furniture and arranging flowers. Barry enjoys building and has recently built a barn. He likes hunting very much and also likes to fish.

Mr. and Mrs. Armes are members of First Methodist Church. He is vice president of the Sunday School Class in which they are enrolled. Stacy is a member of Beta Sigma Phi, and is reporter at this time. Barry is a member of The Young Farmer's Organization.

Stacy and Barry are both long-time residents of Littlefield and both graduates of Littlefield High School. Barry also attended West Texas State University.

Stacy is the daughter of Mr. and Mrs. Stacy Hart of Littlefield and Barry's parents are Mr. and Mrs. Troy Armes, who live north-east of town.

Stacy's recipes follow:

CABBAGE TAMALES
1 lb. ground meat
1/2 small can Parmesan cheese or 1/2 cup grated American cheese
1 8 oz. can tomato sauce
1/2 cup tomato catsup
1 teaspoon tabasco sauce
1/4 cup worcestershire sauce
1 egg
1 medium onion, chopped
1 cup rice, uncooked
salt and pepper
garlic salt
1 head cabbage

Mix above ingredients. Steam head cabbage on rack for 10 minutes. Separate and wrap a serving of meat and rice in each leaf. Cook slowly 2 hours on a rack, adding water

Lingerie Shower Honors Patsy Wood at Spade

Miss Patsy Wood of Spade was honored with a lingerie shower in the home of Evone Stubblefield Monday at 7 p.m. Co-hostesses with Miss Stubblefield was Lynette Hall.

Guests were greeted and registered by Lynette Hall. The honoree's chosen colors of green and white were used in the decorations and refreshments.

The serving table was covered with net over a white satin cloth. The corners were caught up and tied with large green satin bows. A bride doll centered the table. Refreshments of lime punch and white cake squares trimmed with green wedding bells were served by the hostesses. Crystal appointments were used.

Oklahoma Avenue Club Meets in Lichte Home

The Oklahoma Avenue Home Demonstration Club met for the first meeting of the new year Thursday at 2:30 in the home of Mrs. Fred Lichte, with the new officers in their places.

Mrs. J. R. McKinney, new president, presided during the business meeting. Year books were filled out and Mrs. C. C. Solesbee and Mrs. Melvin Williams appointed on a special gifts committee.

Mrs. J. M. Griffin announced a district training meeting for county council chairmen, county THDA chairmen and home demonstration agents. The meeting will be in the REA Building on the Plainview Highway in Lubbock today.

A council report was given by Mrs. C. E. Jones. She announced a livestock show to be Feb. 21 and 22 with all clubs taking part in the concession stands. Friendship Day will be in October some time this month, with the exact time and date announced later.

Refreshments were served to Mrs. Phyllis Lorenz, U. E. Kelly, C. C. Solesbee, E. T. Miller, Cecil Brown, L. L. Mas-sengill, Melvin Williams, J. R. McKinney, C. E. Jones, J. M. Griffin, L. B. Davis and the hostess, Mrs. Fred Lichte.

Guests registered included Kathy Bailey, Carolyn Ramage, Vanetta Mouser, Judy Gregson, Mrs. Floyce Pierce, Billie Cook, Mrs. Jeff Wiley, Mrs. John Ramage, Mrs. Luther Wood, the honoree's mother; Mrs. Jack Stubblefield, Lynette Hall and Evone Stubblefield.

Patsy Wood is the bride-elect of H. W. Bradley at Spade. The wedding will be January 18 in Spade Church of Christ.

SPEAK AT PTA MEET--C. L. Walker, executive secretary of the local Red Cross chapter and county veterans service office (left), and Supt. Glenn Reeves were guest speakers at the

monthly Junior-Senior High PTA meeting here Monday night. Chatting with the speakers at the close of the meeting were Mrs. Lenton Smith and Mrs. Paul I. Jones.

CITY BITS

Out of town visitors in the home of Mrs. Sophia Willis and daughter, Mrs. Lola Kirk recently have been Mrs. Myrtle Snodgrass of Seattle, Wash.; Mr. and Mrs. Jim Harding, Plainview; Mr. and Mrs. Bob Hukill, Odessa; Mr. and Mrs. Bill Willis and family, Hereford; Mrs. Blanche Corley and Mrs. Mozelle Bland, Rochester; Mr. and Mrs. Marvin Qualls, Field-ton; Mr. and Mrs. Tommy Kirk, Bula.

The Bobwhite quail can live all summer without drinking water because the insects it eats are mostly water.

Rites In Lubbock For Mrs. Cogdill

Services for Mrs. Faye Cogdill, 68, of Lubbock, formerly of Littlefield, were held at 10 a.m. Tuesday in First Methodist Church, Lubbock, with Dr. Chess Lovern, pastor, officiating. Burial was in Resthaven Memorial Park under direction of Henderson-Wilson Funeral Home.

Mrs. Cogdill died late Sunday night at Taylor Hospital where she had been hospitalized for two weeks. She had been a Lubbock resident since 1941 and was associated a number of years with area schools.

Born at Bradshaw, Taylor County, Mrs. Cogdill moved to Post where she was grade school principal until 1923. She resided in Littlefield from 1923 to 1941 where she was a teacher as well as being active in church and social organizations. She was a charter member of Littlefield Eastern Star, the first conductress and worthy matron from Nov. 1926 to June, 1927. Her husband was the first worthy patron of Littlefield Eastern Star. Mrs. Cogdill was also active in the Woman's Club, was a 14th District PTA vice president, as well as being active in church activities at First Methodist Church. Her husband was manager of Higginbotham-Bartlett Lumber Company here.

In more recent years she was employed at Texas Tech, at one time serving as secretary to the dean of business administration. She was retired at the time of death.

The family has invited memorials in the form of gifts to favorite charities. Pallbearers will be nephews.

Mrs. Cogdill is survived by her husband, B. L. Cogdill; a son, Dr. Jack Cogdill, Oklahoma City; three brothers, Marcus Earl Morris, Slaton; Max L. Morris, Lubbock, and Roy Morris, Torrance, Calif.; two sisters, Mrs. Esma Cash, Austin, and Mrs. O. G. Lewis, Rule; four grandchildren and many nieces and nephews.

EFTON GRAHAM IS ANSWER--Efton Graham, looking over some ASCS files, is the man featured in today's "Hands" photo feature. Graham is the new president of the Littlefield Quarterback Club, which has scheduled its annual banquet for Feb. 3.

New QB Chief In 'Hands' Feature

Efton Graham, field supervisor for the Lamb County ASCS office and newly-elected president of the Littlefield Quarterback Club, is the subject for this week's "Whose Hands Are These?" feature.

A native of Hollis, Okla., Graham has lived here since 1930--except for a three-year, seven-month tour of duty with the U.S. Air Force. He was in the Air Force in 1942-46, and spent 31 months in Panama.

After his discharge, Graham helped his father in the restaurant business for about two years, then he put in a sign and advertising business in Littlefield. He decided to go to work for the Agricultural Stabilization & Conservation Service almost seven years ago and has been with the agency since that time.

He and his wife have one daughter, 2 1/2 years old. Mrs. Graham works at Littlefield Hospital, where she is office nurse for Dr. D. J. Stafford. The Grahams reside at 311 E. 20th.

Graham has been an active member and committeeman in the Quarterback Club for several years. He was named president when members held an election of new officers at the close of football season.

His hobby is painting, and Graham does work in both pencils, pen and oils. He favors portraits.

Graham's parents, Mr. and Mrs. O. B. Graham, Sr., reside in Littlefield as well as two brothers and a sister, O. B., Jr., R. L. and Fannie B. Smith. He

Boll Weevil Project Planned

LUBBOCK -- Don Anderson, chairman of the High Plains Boll Weevil Steering Committee, and Plains Cotton Growers Field Representative Ed Dean met recently in Austin with Texas Commissioner of Agriculture John White to discuss state participation in the boll weevil eradication program planned for the High Plains area.

Advising the Commissioner of Agriculture on the technical aspects of boll weevil problems and control at the meeting were representatives of the Federal Plant Pest Control office at San Antonio, and the USDA Boll Weevil Research Laboratory at State College, Mississippi.

The meeting is one of the things being done in preparation for a meeting of the High Plains Area-wide Boll Weevil Committee scheduled later this month. The area-wide committee is made up of one member from each of the 23 counties in Plains Cotton Growers' territory, while the steering committee has 13 members from the eastern edge of the High Plains where the weevil has already caused extensive damage.

The steering committee, on recommendation of the Boll Weevil Technical Advisory Committee, has recently adopted plans to instigate an all-out fall control program which will also be discussed at the area-wide committee meeting.

Cotton Classing Offices Report 1.7 Million Samples

The U. S. Department of Agriculture reports 1,776,800 samples classed for the week ending January 3, at the Agricultural Marketing Service's Classing Office in Lubbock.

This brings the season's total for the Lubbock office to 1,394,800 samples and 45,000 samples were on hand to be classed. The classing office at Lamesa reported 190,000 samples classed through January 3 and 7,000 samples on hand to be classed. The Brownfield office reported 192,000 samples classed and 12,000 on hand.

The total samples classed on the South Plains for the season is now 1,776,800 samples. Last year at this time, 1,898,000 samples had been classed and the three offices had 76,000 samples on hand.

Cotton classed at the Lubbock office last week was 24 percent White, 57 percent Light Spotted, 17 percent Spotted, one percent Tinged, and one percent was Light Gray and Gray.

Grades accounting for the largest percentages were Strict Low Middling with 16 percent, Low Middling 5 percent, Middling Light Spotted 14 percent, Strict Low Middling Light Spotted 36 percent, Low Middling Light Spotted 7 percent and Strict Low Middling Spotted 11 percent.

Staple length was slightly shorter than a week earlier. The average staple length was 29.6 thirty-seconds of an inch. The preceding week it was 29.8. By staples the cotton was classed 7/8 inch and shorter 4 percent, 29/32 inch 39 percent, 15/16 inch 54 percent, 31/32 inch and longer 4 percent.

The percentages of cotton with micronaire readings under 3.5 continued to increase this past week. Thirteen percent of the cotton classed "miked" 2.6 and below, 30 percent 2.7 to 2.9, 40 percent 3.0 to 3.4, and 17 percent 3.5 or better.

Trading in the lower Light Spotted and Spotted grades continued active this past week. Prices being paid in the local markets have remained steady at 50 to 100 points above loan value for the above mentioned qualities. Demand is still strong for Wasty cotton.

The supply of this type of cotton continues to be short. This shortage is creating prices of 200 to 300 points above loan value. In the Lubbock Market Middling one inch is quoted at 32.50 cents per pound. Other quotations for grades with micronaire readings of 3.5 or better are: Strict Low Middling 15/16 inch, 30.05; Middling Light Spotted 15/16 inch, 30.10; Strict Low Middling Light Spotted 15/16 inch, 29.30; Low Middling Light Spotted 15/16 inch, 27.80, and Strict Low Middling Spotted 15/16 inch, 27.50.

Cottonseed prices remained steady at \$48 to \$53 per ton.

Carte Blanche Credit Card Now Good at Medical Arts

That universal currency, the credit card, will pick up the charges for hospital treatment at Medical Arts Hospital in Littlefield, the Hilton Credit Corporation announced this week. Carte Blanche, the worldwide Hilton credit card, may be presented for hospital payment now at the hospital in the first program by a credit card company to provide in-patient account

guarantee for its card holders. More than 1,200 U.S. hospitals are enrolled with Hilton now, the company said. The first \$200 in on-patient bills are guaranteed by the credit card company, for the card holder and his family. "It can be especially useful on trips and in emergencies," the company announcement pointed out.

On-the-job injuries result from a psychological process, a study of some 300 industrial accidents indicates. Analysis of case histories, according to a recent report by the American Medical Association, revealed certain patterns of behavior preceding mishaps. In fact, these patterns were so sharply defined it may be possible, with further study, to predict and therefore prevent such accidents.

"Before the accident occurs," reports a current article in the AMA Journal, "There is a state of conflict and anxiety within the patient. As a result of this condition the worker finds a self-destructive, injury-producing act which causes his 'death' as a worker. From this moment the patient reacts exactly as do other psychiatrically ill people, except for the character of his symptom. Instead of having a presenting complaint of anxiety, depression, or other classical psychiatric symptom, he has the physical disorder which is the result of his accident."

Typical behavior before accidents reflects many skilled workers suddenly doing things which even novices would not make the mistake of doing. Often, safety rules are broken and several infractions frequently occur at the same time.

For example, workers received injury after repeatedly walking through well-recognized and marked danger areas without wearing protective helmets. When asked to explain this conduct, the workers gave reasons that were "vague, or even silly, in every case."

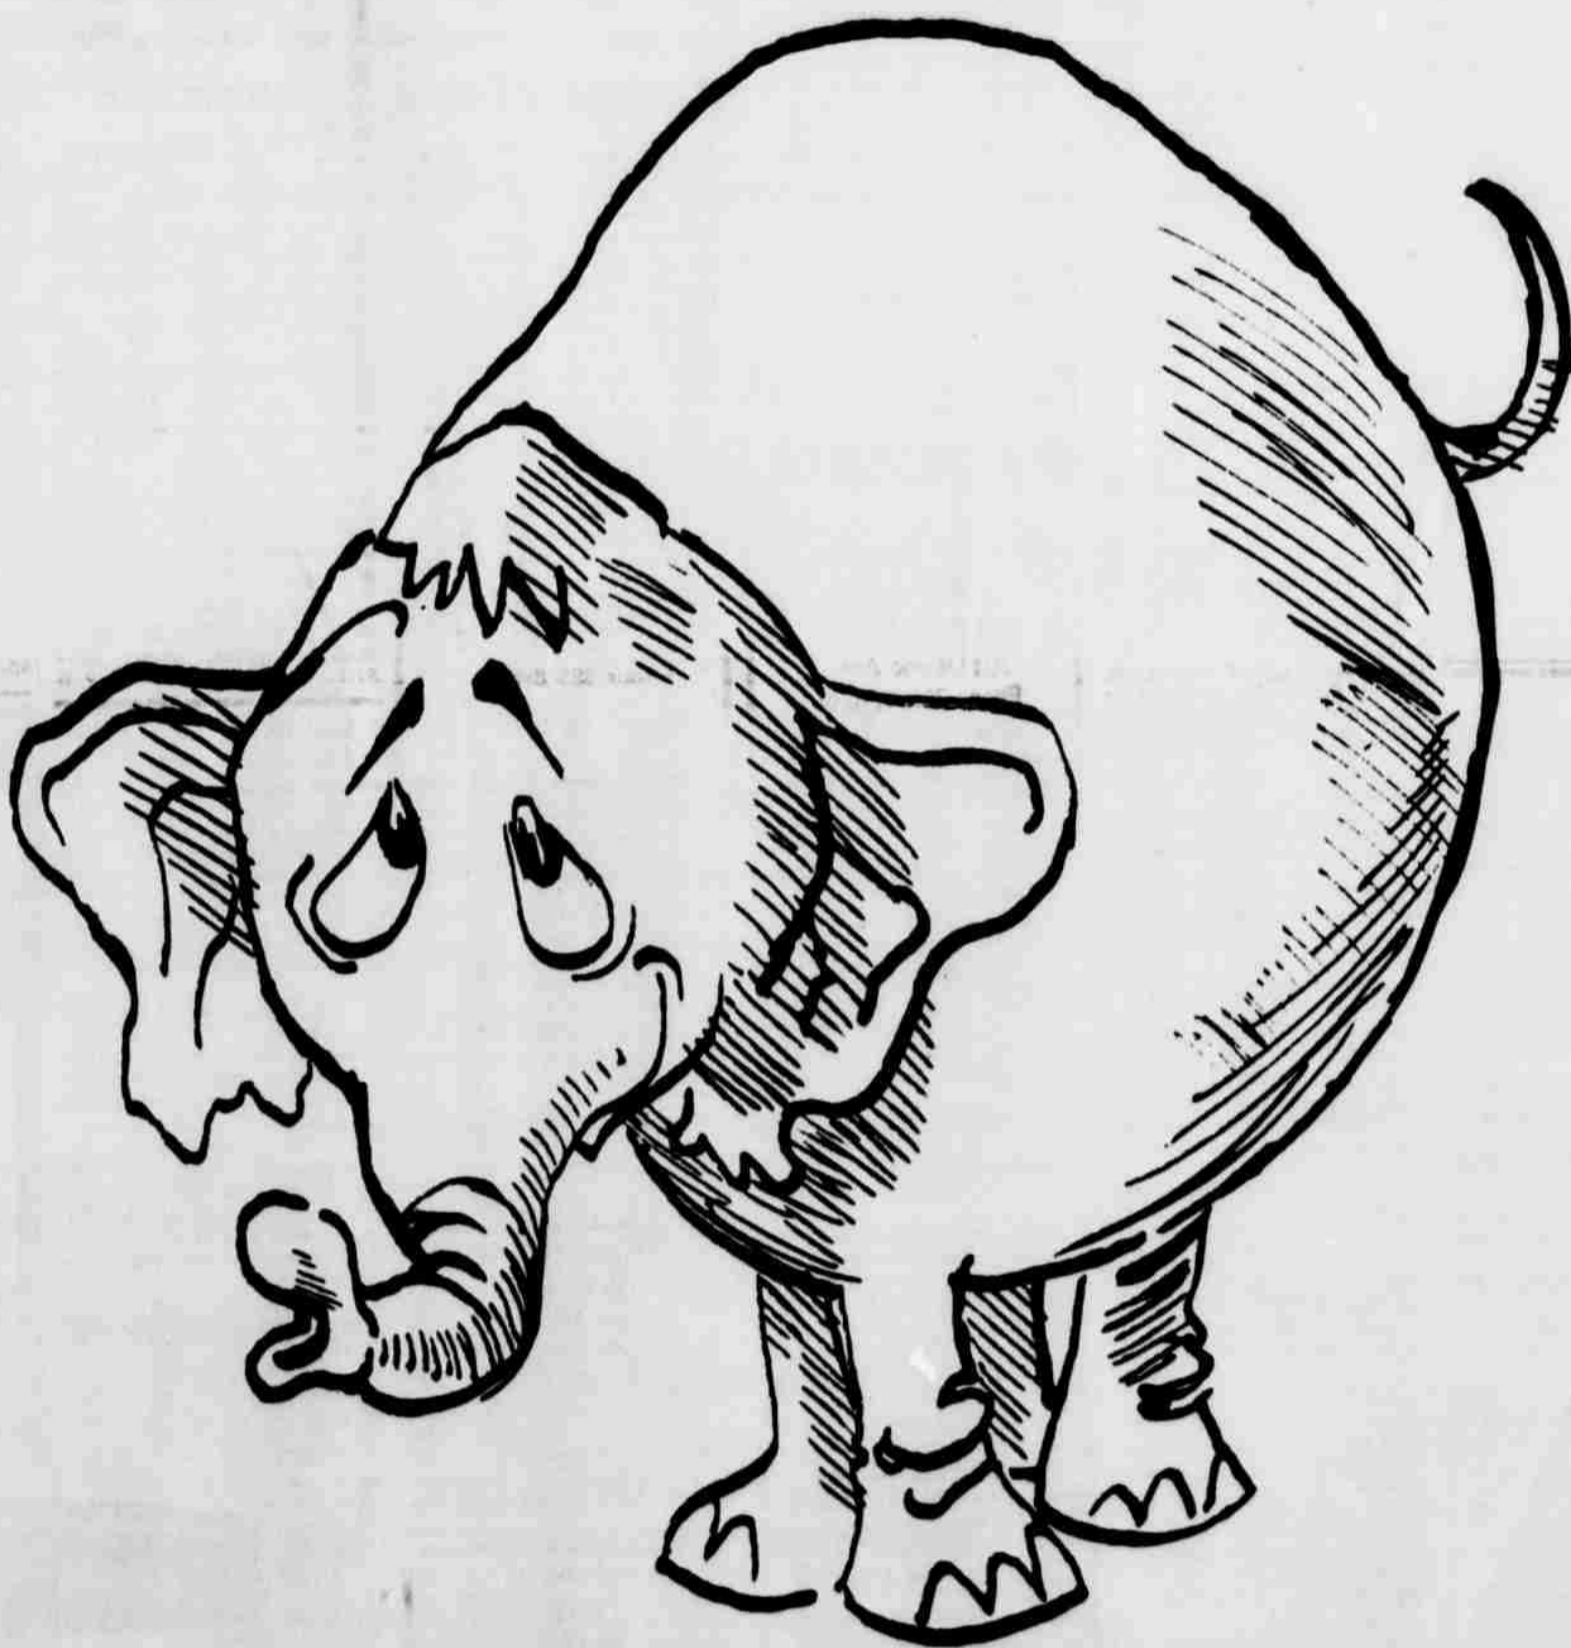

Another pre-accident pattern uncovered by the study was a prediction of impending doom made by the worker himself.

Such forebodings have been observed previously in Air Force medicine with the result that flight surgeons and supervisory personnel were instructed to withdraw flying privileges at such times. In the future, plant medical officers may possibly make similar use of workers' forebodings, if by no other means than watching for a sudden increased frequency of sick calls.

These cases indicate that something threatening happens inside of a worker and he may seek pain or injury as a solution, researchers say.

Identifying these patterns as a part of the psychological process may open new avenues toward industrial accident prevention.

JUDGE BILLS, SID HOPPING ON CASE Floydada School Wins Power To Collect Taxes

FLOYDADA -- Judge E. A. Bills of Littlefield set aside a restraining injunction against the Floydada School Board here Friday, an action which will allow school taxes to be collected, but Master in Chancery Sid Hopping of Littlefield will continue adjustment of tax rolls.

The decision came during a hearing over a suit asking that more personal property be placed on the tax rolls. The decision was considered a victory for the school board, since the injunction had rendered the school powerless to collect taxes.

However, the controversy appears headed for other courtrooms before it is finally settled. Notice of appeal was given by J. M. Willson and the 51 plaintiffs.

The suit will apparently still hold up the sale of \$800,000 in school bonds recently approved by district taxpayers for improvements. Bonds were voted to finance a new elementary school, a science addition to the high school, and repairs to buildings.

Although the school cannot collect taxes, another of the plaintiffs, D. M. Cogdell, indicated he thinks there is still a legal question involved. His view is that the ruling, in effect, will have taxpayers lending money to the school and that taxes collected before final settlement of the suit must be accounted for in such a way that they can be repaid if a later court hearing determines that improper valuations have been made, or that personal property has been improperly declared.

The school will begin to collect taxes under the new assessments, the factor which started the controversy. The suit originally alleged that the values of real property had been fixed without reference to market value. It further alleged that personal property, such as bank deposits and stocks, had not been placed on the tax rolls.

The suit came under Judge Bills' gavel after District Judge L. D. Ratliff had disqualified himself and Judge Victor Lindsey of Lubbock made a ruling that the school tax office give taxpayers notice that they must declare more personal property on the rolls. Judge Lindsey then announced his regular duties forced his withdrawal from the case.

Judge Bills appointed Hopping as master in chancery and the Littlefield School tax assessor-collector began an examination of the Floydada tax rolls for personal property that had not been declared.

Judge Bills Friday ordered Hopping to continue examining the rolls for adjustments while taxes are being collected. The school had been forced to borrow money to pay bills after the injunction was placed on the rolls.

When Hopping has completed checking the tax rolls for those lax in adding personal property, another hearing is scheduled to see if all parties in the suit are satisfied that the tax rolls are equitable.

When Judge Lindsey ordered the school board to tell taxpayers that they must declare more personal property, only 400 of some 2,700 persons on the rolls responded.

Renewal of three research projects with this aim was announced today by Roy B. Davis, Lubbock; Leroy Durham, Plainview; Roy Forkner, Lubbock; and Jack Funk, Harlingen, Texas trustees for the voluntary plan to increase cotton markets and profits. The projects were initiated last year.

Support of a project on warm cotton fabrics at Harris Research Laboratories was increased from \$35,000 to \$60,000. Using chemicals and laboratory scale equipment, scientists now are producing cotton fabrics with improved loft, drape and resiliency.

Adding these traits to cotton fabrics and enabling the fiber to hold and/or expand its position in markets totaling 2.7 million bales.

Research at this same location has produced an experimental, all-cotton men's suit which now is being wear-tested. A \$45,000 grant is being used for support of work to make further improvements. Success will allow cotton to hold and expand its share of the men's suit and

Wildcats Beaten By Levelland, Tangle With Dumas Here Friday

Littlefield's Wildcats couldn't slow down the tall and sharp-shooting Levelland Lobos Tuesday night at Levelland High gym, and the home team captured an 83-65 victory in the 1-AAA opener between the two old rivals.

Both teams hit the basket with remarkable accuracy, but superior height paid off for Levelland in the form of follow-up shots on rebounds. The Lobos ripped the nets for 26 points in the first quarter, and Littlefield could never catch up.

Littlefield came back with 22 points in the second period but gained only one point as the Lo-

bos added 21 markers. The Lobos got their margin of victory in the first and third periods, coming back to outscore the Cats by 19-11 in the third stanza.

The Wildcats host Dumas in the first home district engagement Friday night. Each team will be shooting for its first 1-AAA victory, as Dumas bowed to Perryton by a 50-40 score Tuesday night. Tipoff time is 8 p.m. with a "B" game set for 6:15.

Littlefield had a trio of players in double figures against Levelland with Larry Wood taking

honors on 20 points. Ronald Sitton added 14 and Paul Roberts hit for 12.

Levelland had four cagers in double digits, however, with tall Vic Hines piking in 22 points for game honors. Butch Harrell, a 6-5 lad, hit 19 as did Larry Crump, and Lynn Waters chipped in with 13.

Wood was hot the first half when he scored 13 of his 20 points, but the Lobos guarded him closely the second half. Wood was blanked in the third period but came back to tally 7 in the fourth quarter. He fouled out with slightly more than a minute to go.

The Lobos vaulted to a quick

6-0 lead in the contest before Junior Hodge counted from the side on a jump shot. Hines laid out one in a fast break, then Grover Pigrum connected on a free shot and Roberts nabbed a rebound and hit a follow-up shot to cut the Levelland margin to 8-5. The hot-shooting Lobos then built up a 22-9 advantage from that point.

Wood hit a couple from the side and Roberts connected from the top of the circle to close the gap a little before the first period ended at 26-15. The Wildcats edged to within 8 points several times in the second period but couldn't get closer. Levelland held a 10-point lead, 47-37, at halftime.

The Lobos put the horse collar on Wood in the third stanza and increased their lead, claiming a 66-48 advantage after three quarters. Levelland led by as much as 24 points in the final period and wound up with the 18-point margin, 83-65.

The 65 points was a high for the Wildcats this season, but the 83 markers put by Levelland was

also a high for the opposition. The defeat left the Wildcats with a 5-7 won-lost mark on the season and, of course, 0-1 in district play.

Littlefield's junior varsity throughout the first half but before a Levelland rally in the second half to drop a close 39 contest. Steve Lewis and Randy Hutson hit 13 and 10 points for Littlefield in the loss.

The junior varsity led by 11 after one quarter and posted a 24-19 halftime advantage. Levelland bounced back to post a 33-31 lead at the end of the quarters.

Producers Making Progress With Research

LUBBOCK (Special) -- Cotton farmers are making progress in research to find new or improved products for consumers, a report from the Cotton Producers Institute indicates.

Renewal of three research projects with this aim was announced today by Roy B. Davis, Lubbock; Leroy Durham, Plainview; Roy Forkner, Lubbock; and Jack Funk, Harlingen, Texas trustees for the voluntary plan to increase cotton markets and profits. The projects were initiated last year.

Support of a project on warm cotton fabrics at Harris Research Laboratories was increased from \$35,000 to \$60,000. Using chemicals and laboratory scale equipment, scientists now are producing cotton fabrics with improved loft, drape and resiliency.

Adding these traits to cotton fabrics and enabling the fiber to hold and/or expand its position in markets totaling 2.7 million bales.

Research at this same location has produced an experimental, all-cotton men's suit which now is being wear-tested. A \$45,000 grant is being used for support of work to make further improvements. Success will allow cotton to hold and expand its share of the men's suit and

Amherst Tops Anton, 62-60

AMHERST -- The Amherst Bulldogs opened District 6-B basketball action with a close 62-60 victory over Anton's Bulldogs here Tuesday night.

Ronnie Smith scorched the nets for 38 points to lead Amherst to the triumph and nab scoring honors. Larry Crews meshed 26 points for Anton.

Amherst also registered a victory in the girls' game with 32-22 decision. Cathy Campbell scored 10 points for the winners, while Susan Denson had 7 for Anton.

Spade Teams Down Smyer

SPADE -- The Spade boys' and girls' teams captured district basketball victories over Smyer here Tuesday night.

The Spade boys took an easy 52-34 victory with a trio of cagers leading the way. Bobby Jones tallied 17 points; Gary Smith had 16, and Jim Johnson chipped in 13.

The Spade girls posted a 73-36 triumph over the visitors as Kathy Bailey and Lynette Hall sparked the win with 26 and 21 points, respectively.

Spade grade school teams also chalked up two wins over Smyer teams Monday night. The Spade boys won a 29-22 decision as Wayne Matthews and Danny Jones scored 12 and 8 points.

The Spade girls' grade school team chalked up a 34-19 win with Linda Ramage and Debbie Hall accounting for all the scoring with 18 and 16 points.

Whitharral Is 52-42 Winner

WHITHARRAL -- The Whitharral Panthers opened District 5-B cage action here Tuesday night with a 52-42 victory over Cotton Center.

Larry Wade sparked the winners by tossing in 22 points while Denny Williams hit 19 for the Elks. The Panthers held a 24-20 advantage at halftime and increased the lead to 36-30 after three periods.

Cotton Center won the girls' game, posting a 44-30 decision. Donna Shackelford hit 15 for the visitors, while Lavern Smart tallied 20 for Whitharral.

Springlake In Narrow Victory

SPRINGLAKE -- Rocky Cain hit a long jump shot with just two seconds on the clock to give the Springlake Wolverines a 49-48 double overtime victory over Hale Center here Tuesday night.

Cain had 13 points to lead Springlake to the District 3-A victory. The game ended at 40-40 in regulation time, and was knotted at 44-44 after the first overtime.

Hale Center gained a split in two games as the girls took a close 41-40 victory over Springlake. Beth Dent of Springlake took scoring honors with 26 markers.

Each year, more than 10,000 people will die of tuberculosis. Although fewer people die of TB than in the past, many thousands fall ill with the disease -- about 55,000 a year.

Sudan Wins 2 At Kress

SUDAN -- The Sudan Hornets rolled to a 52-27 victory at Kress Tuesday night as Tommy Thompson sparked the victory with 18 points.

Sudan also chalked up a victory in the girls' game, 42-25, with Jackie Norman hitting 19 points for the winners.

The Hornets led by only five points at halftime, 20-15, but they started pulling away in the third period.

Pep Divides Pair Of Games

THREE WAY -- The Pep Buffaloes scored an exciting 53-47 victory over Three Way here Tuesday night, but the Three Way girls evened matters by taking a 50-22 decision over the Pep girls.

Bill Sokora tallied 17 points for the Pep boys while Tommy Terrell hit 18 for the losers. Madeline Galt meshed 34 points for the victorious Three Way girls, and Janie Kuhler hit 10 for Pep.

Baptist Youth Attend Winter Retreat At New Mexico Lodge

"Christ, My Lord" was the theme of the 4th annual Winter Youth Retreat held at Littlefield Lodge in Glorieta, N.M., Dec. 30 through Jan. 2 for young people of the First Baptist Church. Twenty-six teenagers, along with their sponsors, participated in twice-a-day services and sight-seeing trips.

Randy Hutson led a special student feature during each service. Special music was presented by Cleo Harrell, Janelle Jensen, Nelda Walker, Carol Tubbs, Linda Williams, Randy Hutson and Mike Perkins. Pat Dilworth and Charlene Walthall also had special parts on the programs.

Rev. Robert Longshore, retreat pastor, spoke at three services and also showed films and commented on his recent trip to Alaska on an evangelistic campaign.

Beryle Lovelace, music director of the First Baptist Church, showed films and spoke on his trip to Japan where he participated in the Baptist New Life Movement. He also led song services at each session. Dr. and Mrs. Aaron Williams led the group in games at a special New Year's eve party. After midnight, the group gathered around the fireplace and sang songs.

America, at Santa Fe and also went to Espanola to attend a cemetery dedication at Templo Bautista, a Spanish-speaking church, and its missions.

Rev. John B. Abbott, pastor of Templo Bautista and an area missionary, presided at the services. The Littlefield church gave a major portion of the purchase price of the cemetery. The group also visited a cathedral in Chihuahua and the village of Cordova, where Littlefield young people have held Summer Vacation Bible Schools the past four years. One day was spent at Santa Fe skin basin. Those attending were Misses Janelle Jensen, Charlene Walt-

LITTLEFIELD YOUTH AT DEDICATION--Young people from the Littlefield First Baptist Church were on hand recently when Templo Bautista members dedicated a new cemetery. Visiting with Missionary John Abbott and being present at the cemetery dedication was one of the highlights of the annual Winter Youth Retreat at Glorieta, N.M., for the Littlefield group. WHY MINNESOTA'S RED RIVER VALLEY CERTIFIED SEED POTATOES?

NORTHERN GROWN: Even before scientists told us why Northern Grown Seed was recognized as the best performing wherever it was planted. It had the zip and punch to produce an Extra Good Crop. It didn't "run-out" as fast as others. It had a "Built-in Vigor" that brought forth hardy, clean potatoes in abundance. Long days and cool nights are a factor. Minnesota's Red River Valley is right up on the Canadian border where full advantage of nature's favors of climate, soil and geography make it the best place in the nation for the production of good seed potatoes.

RED RIVER VALLEY: The largest production area in Minnesota, includes eleven northwestern counties of the state. This area is the bottom of prehistoric Lake Agassiz--its glacial silt, rich in minerals, is a fine textured, black soil with varying admixtures of sand and clay on the eastern slopes of the Valley. The Red River Valley is recognized as one of the WORLD'S BEST POTATO RAISING SECTIONS. Ideal climate and growing conditions produce seed potatoes that are tops in vigor. Leading varieties are Irish Cobbler, Red Pontiac, Red LaSoda, Marlin, Kennebec, Russet Burbank as well as others.

KNOW-HOW: Minnesota's Red River Valley has been in the Seed Potato Business since the early days of farming in this great agricultural area. Over 40 years ago a pioneer thinker and doer in the Seed Potato Business set in motion one of the first Seed Potato Certification systems. This pioneer, dedicated to a rigid system, has developed an effective and recognized staff that knows Seed Potatoes. The growers of Minnesota's Red River Valley take great pride in the crops they produce... and in many instances the third generation is now carrying on the traditions of families who started the Seed Potato Industry in Minnesota. These are the people with the "know-how" that turn out Extra Quality Certified Seed Potatoes.

RELIABILITY: It takes integrity with rigid attention to detail in our Foundation Lots, increased under expert care and supervision, inspected many times in the field by only the best inspectors... and finally bagged and shipped under the watchful eye and a written certificate of a State-Federal Produce Inspector. Such established and maintained "team work" builds a conscientious program of care, integrity and results... another important reason why Minnesota's Red River Valley has a front rank position in supplying Certified Seed Potatoes to the nation.

LOOK FOR THE BLUE TAG: This official Blue Tag of inspection and certification on each bag of Minnesota Certified Seed Potatoes is your "Guardian of Trust." Each bag of Minnesota's Red River Valley Certified Seed Potatoes must carry this tag showing variety, name and address of the grower. In addition, most tags show the area in which the seed was grown to further assist you in your selection of the seed for your requirements.

WHEN YOU SHOULD BUY: Generally there is always enough good seed potatoes available but do not be misled by acreages of certified seed plantings and stocks available that appear in many reports. Elimination by inspection, diversion and the demand by processors who have found premium quality to pay out better are factors influencing availability of Seed Stocks. Buy your seed early and be assured of getting what you want and need.

WHERE TO BUY: Good Blue Tag Certified Seed Potatoes are available from your seed dealer, direct from the grower or through brokers and agents. Large buyers can deal directly with growers or brokers. A list of Minnesota's Red River Valley Certified Seed Potato Growers is available on request. Make your deals early!

DICK DYER

Dyer To Seek Reelection As Lamb Sheriff

The County Leader has been authorized to announce the candidacy of Dick Dyer for reelection as Lamb County Sheriff.

Following is Dyer's formal announcement.

"To my friends, the citizens of Lamb County:

"I would like to take this opportunity to express my appreciation to the people of Lamb County for their past support and cooperation. I have tried, at all times, to make you the kind of sheriff I would want for my family and myself."

"I feel I am better qualified to make your sheriff now than I have ever been, at least I intend to try my best to do so. It is impossible for me to get out and see each and every one of you, and to visit in your homes and places of business as I would like to do, but you are now paying me as your sheriff and it wouldn't be right for me to neglect my duties and get out and wage a full fledged campaign on your money."

"I think you know I am trying to take care of my job which I hired out to do, and my platform is based on my past record. If you desire to reelect me to the office of Sheriff of Lamb County I will continue to do my best to stay on the job and see that our laws are enforced in an efficient and courteous manner."

"I will certainly appreciate your active SUPPORT and your VOTE on the 2nd of May."

Very sincerely yours,
/s/ Dick Dyer

HART CAMP NEWS by Mrs. Edwin Oliver

Mike Burleson In Mishap

Mike Burleson suffered a crushed thumb on his right hand Saturday while helping his father fasten a trailer to a pickup. He was carried to a Littlefield hospital where several stitches were taken in it.

Mr. and Mrs. Jim Taylor, Marty and Johnny Mac, Goldsmith, arrived here Friday and are spending a few days with her parents, Mr. and Mrs. M. W. Wheeler.

Mr. and Mrs. V. L. Foster and girls visited in Ralls recently with his sister and brother-in-law, Mr. and Mrs. Roy Hollums.

Christmas Day guests in the Willard Loman home were their sons and their families, Mr. and Mrs. Wayne Loman and sons, Littlefield and Mr. and Mrs. Gene Loman and son, David Wayne. Also Mr. Loman's parents, Mr. and Mrs. H. J. Loman.

Mrs. R. S. Moore and Fay Moore spent Christmas Day in Plainview in the home of Mr. and Mrs. Ernest Ragle and family. Mrs. Ragle is a daughter of Mrs. Moore and a twin sister of Fay Moore. There were seventeen there for Christmas dinner, some being from Idaho, Louisiana, Colorado and Texas.

Mr. and Mrs. Nolan Hukill spent some time during Christmas with her mother, Mrs. Pearl Jones, near Littlefield. Mrs. Hukill's brother and family were also here for the holidays from Albuquerque.

Mr. and Mrs. Edwin Oliver, Kerwin and Debbie spent Christmas in Newcastle with her parents, Mr. and Mrs. I. N. Mitchell and with a sister and brother and families, Mr. and Mrs. Robert Mayes and Robin, Waco, and Mr. and Mrs. N. I. Mitchell and children Fort Worth. Also a niece and family, Mr. and Mrs. Brant Philen and Doedi, San Angelo.

Mr. and Mrs. Bill Gary and children were in Lovington, N.M., Christmas Day with her sister and family, Mr. and Mrs. Floyd Buckley and children.

A group of boys and girls from the Baptist Church went to Knights Rest Home in Littlefield Sunday afternoon before Christmas and sang Christmas Carols to the patients. Cook-

ies were served to them following the program. Those attending were Sherri Jones, Sharon Hendrick, Lajuana Burleson, Brenda Leonard, Debbe Oliver, Shirley Leonard, Suzanne Martin, Steve Burleson, Danny and Ronny Jones, Mr. and Mrs. Edwin Oliver, Mrs. Elma Burleson, Blanton Martin and Rev. Bobby Stillwell.

Mrs. Elsie Durall, Lowell, Ark., spent the holidays here with her daughter and family, Mr. and Mrs. Floyd Prentice, Carol and Chris. The Prentice family moved Thursday from the Watt Clifton farm northwest of Hart Camp to the Brannon farm southeast of Hart Camp.

Mr. and Mrs. Roy Hendrick and children entertained a group of relatives with a Christmas dinner and tree in their home Tuesday night. Among those present were her parents, Mr. and Mrs. L. W. Sullivan, sisters, Mr. and Mrs. D. R. Leonard and family, Mr. and Mrs. J. W. Johnson, Jr. and children, Mr. and Mrs. Dean Hukill and children, Lubbock and Mr. and Mrs. Dean Elms and Kip, Littlefield. Also a brother and family, Mr. and Mrs. Max Allen and Rodney, Lubbock and a niece and family, Mr. and Mrs. Dickie George and young son, Lubbock.

A Christmas program was

presented at the Baptist Church Sunday night before Christmas. The program was in the form of a Nativity Story which included the singing of Christmas Carols. Those in the program were Patti Muller, Sheron Stillwell, Steve Burleson, Vaughn Weatherly, Johnny Stillwell, Mark Muller, Gary Parkey, Gene Riney, Shirley Leonard, Suzanne Martin, Kerwin Oliver and Bro. Bobby Stillwell. Following the program a Christmas tree was held in the educational building and gifts were exchanged with the children receiving treats.

Mr. and Mrs. Blanton Martin and Suzanne visited during the holidays with her sister and family, Mrs. Jo Spikes, Nita and Jimmy, Lubbock. They also spent some time in Southland with his mother, Mrs. S. D. Martin. A nephew, Jimmy Spikes, Lubbock, spent several days during the holidays with the Martin family.

An area couple, Mr. and Mrs. Ernest Wesson, were killed Saturday before Christmas near Shallowater. The Wessons four children were injured in the wreck but none believed to be serious except Ernest Jr., age eleven. He is still in the hospital in Lubbock with serious leg and head injuries. The others have been released from the hospital.

The Wessons moved here several years ago from Arkansas and have worked for Burl Kiser, T. C. Covington and Bob Anthony during the past years. The couple was buried in Arkansas and the family belongings and the children were moved to

Arkansas this week by train there. People of this community took an offering for the family to help with their expenses.

The Paul Teals had all their children at home for the holidays. This included Mrs. Bill Whittenburg and Amarillo, Mr. and Mrs. Claude and children, Flannery and Mr. and Mrs. Charles well and children, Las Cruces, N.M. Others present were parents, Mr. and Mrs. M. Douglas, Littlefield, a brother and family, Mr. and Mrs. L. Douglas and Barbara Bakersfield, Calif., a nephew, Jackie Dyer, Hart and Mrs. Teal's mother, Mrs. Ada Teal, Littlefield.

Mr. and Mrs. Glen Leggett spent Tuesday night and Wednesday in Shallowater with his sister and brother-in-law, Mr. and Mrs. Salom Lee.

Mrs. Don Muller was admitted to the hospital Wednesday with a virus. She has been several days. She is in Littlefield Hospital.

Mr. and Mrs. J. A. Yarbort spent Christmas Day at home of a daughter and family, Mr. and Mrs. Forrest Lattin near Olton.

Mr. and Mrs. Harvey Jones and children spent Christmas Day in Hereford with his parents, Mr. and Mrs. G. T. Jones.

Stricter Provisions On Safety Responsibility Law in Effect

AUSTIN--The director of the Texas Department of Public Safety today reminded motorists that more stringent provisions of the state's safety responsibility law--requiring drivers and owners to be able to pay for damage to others in traffic accidents--became effective January 1, 1964.

Col. Homer Garrison Jr., DPS director, emphasized that the law required the Department to suspend the driver licenses and vehicle registrations of drivers and owners who are not in compliance with the law at the time of accident involvement, if the accident comes under the Safety Responsibility Act.

"The law provides that drivers and owners of vehicles involved in traffic accidents occurring or originating on a public

street, highway or thoroughfare resulting in \$100 or more property damage, injury or death must file written reports with the Department of Public Safety within 10 days, and its requirements must be met," he explained. "Accidents not involving death or injury but with \$25 or more damage involved still must be reported to the Department but will not come under the Safety Responsibility Law.

"The Department is required to suspend driver licenses and all motor vehicle registration plates of both the operator and owner of vehicles involved in an accident coming under the Safety Responsibility Law, unless:

"1. Evidence of liability insurance coverage in the minimum amounts of \$10,000 where one person was injured or killed, \$20,000 where more than one, and \$5,000 for property damage is reported to the Department.

"2. A release signed by damaged or injured persons is filed with the Department.

"3. A signed agreement to pay damages in installments is accepted by the damaged or injured persons, and filed with the Department.

"4. The operator and owner are found not to be liable in a civil court of competent jurisdiction, and a copy of such finding is filed with the Department.

"5. The operator and owner deposit with the Department cash or bond security in an amount sufficient to cover any judgment for damages resulting from the accident that might be obtained by damaged or injured persons, which in no case shall be less than \$200."

In addition, the operator and owner must file proof of financial responsibility for the future and must maintain it for five years.

Garrison noted that under the new law, suspensions of licenses and registrations will be for a period of two years, unless the requirements of the Safety Responsibility Act are met.

Also, he said that when a

person's driver license is suspended or revoked under any Texas law because of a conviction on a serious traffic charge, the Department is required to suspend such person's motor vehicle registration, unless he immediately files proof of financial responsibility for the future.

In addition to other statutory filing fees required, a \$10 reinstatement charge has been provided for restoration of suspended license and/or vehicle registration in those cases where proof of financial responsibility for the future must be filed.

Garrison listed these exceptions where the law does not apply:

1. The law does not apply to the owner of a vehicle if it is involved in an accident while being driven by another person without the owner's consent.

2. If the operator or owner involved in an accident is the only person damaged or injured.

3. If the vehicle was legally parked or stopped at a traffic signal at the time of the accident.

4. If the vehicle involved was being driven by an employee of the United States Government in connection with official duties.

New Express Service Now Being Studied

O&A Film Lines of Lubbock recently applied to the Railroad Commission of Texas for authority to start an overnight express service to move emergency shipments of parts between West Texas points.

The application is for transportation of motor vehicle accessories and parts, and machinery parts, in single units, parcels, packages or containers, weighing 60 pounds or less.

The company, since 1937, has been serving the areas of West Texas in providing a fast express service for the delivery of motion picture films. They also transport theatre supplies and newspapers.

O&S proposes to offer overnight delivery from Dallas, Ft. Worth, Abilene, San Angelo and Lubbock to points located in West Texas. The proposed route extends up US-94 to Farwell.

CITY BIT

F. M. Brewer, father of Mrs. Fred Lichte, has been in Littlefield Hospital since Wednesday suffering from a heart ailment and pneumonia. Mr. Brewer's son, Mr. and Mrs. Vernon Brewer, of Brownfield have been visiting him and the Lichte's each day. Other visitors in the Lichte home have been Mrs. R. W. Weaver of Odessa, Mrs. James Witcher and Donnie Witcher of Amarillo.

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer? If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you--on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines--all the way up to a twin-carb high-compression 425-hp V8--and four transmissions, including a finely tuned 4-speed stick shift.* And underlying it all--a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them.
