Competent Tenants To Be Allowed Loans For Purchasing Farms Under The Bankhead-Jones Tenant Act

First steps for the administration of the Bankhead-Jones Tenant Act, where-in money will be loaned to competent tenants, farm laborers, and share-croppers for the purpose of purchasing family-sized farms, are now being taken. L. H. Hauter, regional director of the Farm Security Administration, announced this week.

Details of an order, signed by Secretary of Agriculture Wallace, provides that regional offices will be established with the Farm Security regional director as executive head and with one specialist in tenant farm purchase loans. The entire program will be handled through the regular Farm Security Administration.

Mr. Hauter said the Secretary of Agriculture is expected to announce state and county committees at an early date. Within each state the counties in which loans will be made will be determined by the Secretary of Agriculture after recommendations are received from these Farm Security Advisory committees.

Pursuant to the terms of the Act, distribution of the \$9,500,000 is based on farm population and the prevalence of tenancy in each state and territory. Direct administrative costs will be limited to \$500,000 of the amount provided by Congress to carry out the provisions of Title One during the current fiscal year. Loans will be made in approximately 300 counties during the fiscal year 1937-38, and the number of

loans per county shall not be less than five nor more than 10, except in states in which the total number of loans shall be less than five. Applications for tenant purchase loans shall be filed with county rural rehabilitation supervisors.

Mr. Hauter, however, has made an urgent request that all applications be withheld until the counties in which this program will be administered this year have been announced. He said this policy will protect would-be applicants from acquiring

BROTHER OF MRS. VERNIE V. WRIGHT DIES FRIDAY

Last Rites For L. H. Hungate Held At Lubbock Monday

Funeral services were conducted at Sanders Funeral Home, Lubbock, Monday afternoon, November 1, at 3:30 o'clock for Louis H. Hungate, aged 63, brother of Mrs. Vernie Wright of this city, who passed away at 3:30 a. m. Friday, October 29, as a result of heart trouble.

Rev. Lipscomb, Pastor of the First Methodist Church, Lubbock, officiated, and burial took place in Memorial Park Cemetery.

Pallbearers were railroad officials of Amarillo and Slaton, who have been associated with deceased for many years.

Attending the funeral from Littlefield were: Mr. and Mrs. R. T. Badger; Mr. and Mrs. Arthur Mueller; Mrs. G. M. Shaw and daughter, Myrtle Marion; Mrs. J. G. Singer, Mrs. F. O. Boles, Mrs. W. G. Street, Alph Wright, Mr. and Mrs. H. C. Pumphrey, Rev. Donald Harris, and Mr. and Mrs. Maurice White of Dallas.

Mr. Hungate passed away at the home of his son, L. H. Hungate, Jr., at Memphis, Tenn., where he and Mrs. Hungate had gone in August last on what was intended to be a two weeks' visit. Mr. Hungate's health had not been good, the result of high blood pressure for several years.

FIRST MEETING WILL BE HELD TONIGHT IN THE PARLORS OF FIRST METHODIST CHURCH

C. J. Duggan, Responsible For The Organization of The Lions Club in 1929, is Again at The Helm Of This New Organization

A Lions Club is to be organized in Littlefield in the very near future. The Club will be sponsored by the Lions Club of Lubbock. Fifteen to twenty members of that club will be in Littlefield Thursday night of this week to meet with the prospective members, put on a program, and explain details of the organization. The

meeting will be held in the parlors of the First Methodist Church at 7:45 p. m. Refreshments will be served.

Back in 1929 a Lions Club was organized in Littlefield and flourished for sometime until the "Depression" made its imprint upon the members to such an extent that the Club was discontinued. There are now many business and professional men of Littlefield eligible for membership in such a Club and the time has come when it should be organized. The Club will work in harmony and happy co-operation with the Rotary and other Civic clubs of the city. It will be composed mostly of younger men who are civic minded and have a desire to help their community in numerous ways by their

POPPY DAY TO BE SATURDAY NOVEMBER 6TH

Legion Auxiliary To Distribute Poppies on That Day

Saturday, Nov. 6, was designated as Poppy Day in Littlefield by a proclamation issued today by Mayor Pat Boone. In the proclamation, Mayor Boone called upon all citizens to observe the day by wearing memorial poppies in honor of the World War dead. The proclamation stated:

"The city of Littlefield responded with highest patriotism to our nation's call for defenders in 1917 and 1918, sending many of its young men into the fighting forces. Of these men, a number sacrificed their lives in the nation's service, dying with more than 100,000 other Americans to bring victorious peace.

"It is fitting that the service and sacrifice of these gallant young men should be commemorated annually by appropriate public observance. As the poppy, which grew on the battlefields where so many of them fell, has become their memorial flower, there could be no more appropriate observance than a general wearing of the poppy in their honor.

"Therefore, I do hereby proclaim Saturday, Nov. 6, as Poppy Day in the City of Littlefield, and urge all citizens to show remembrance of the honor for the men of the city and of the nation who gave their lives in World War service by wear-

Lamb County Represented at Water Conservation Meeting

Considerable progress in the furtherance of the Panhandle conservation program was made at the meeting held at the Club room of the Amarillo Hotel Wednesday, Oct. 27, at 10 a. m., which continued until 4 p. m.

Attending the session from Lamb County were: County Judge L. R. Crockett, and Commissioners Lewis, Vann and Bell.

J. C. Foster, head of the land utilization division of the Farm Security Administration, in a short report at the meeting stated that government engineers expect to see dirt moving on one or more lake projects within four weeks. He said he expected to see announcements from Washington soon on the projects, and declared that some 100 projects were now before a committee named to co-ordinate plans. He told the meeting that his division had been granted additional funds and engineers to expedite the work.

Directors and officials of 29 Texas and three New Mexico counties were present at the meeting.

The association went on record that counties through the Panhandle association would assume the responsibility of getting options on proposed lake sites and submitting them

with the application. The association also voted to invite every county of the approximately 110 counties in the five-state drought region to participate in the plans for the organization, and in its program in the future.

The group adopted a resolution asking Congressman Jones and his committee that the range program with reference to lake and dam construction be liberalized so as to fit the needs of small ranchers and farmers, and that through the basic soil conservation law this program be permitted to participate in efforts for the public good along this line. The range program was lauded.

The group, which numbered about 100 men, were guests of the Amarillo Chamber of Commerce at the luncheon at noon honoring Col. Ernest O. Thompson.

Littlefield Drilling Block Being Taken Over by One of Largest Independent Operators in Texas

Littlefield Drilling Block is taken over by one of the largest Independent Oil Operators in Texas. C. J. Duggan is assigning the block to Toddie Lee Wynne, Trustee of the American Liberty Oil Company of Dallas. This Company has its own refineries and pipe

lines, and its holdings in the state of Texas alone are worth many millions. While it is not officially stated, it is understood from good sources that they intend to get oil in this block if they have to go to 7000 feet depth. They are not selling

spreads as is customary, but will develop the block themselves, it is stated. Drilling will be started as soon as titles are perfected, and will continue with all possible speed until oil or gas is found, in paying quantities, according to the drilling con-

tract which calls for depth of 5500 feet. Mr. Duggan is handling details of titles and any inquiries concerning the block, adjoining acreage or titles, should be referred to him. His office is in the Sadler Building, Littlefield, telephone is No. 4.

Higher Railroad Fares

The Eastern railroads have agreed to ask the Interstate Commerce Commission for permission to increase their passenger fares from the flat two cents a mile, which went into effect last year, to two-and-a-half cents. The permission will probably be granted, since the one road which insisted upon the lower rate has found that higher wages and increased cost of supplies have run up operating costs to where the two-cent rate no longer pays expenses.

It is doubtful whether the increased fare will make as much difference in the volume of passenger travel as it would have done two or three years ago. The reduction in rates got great numbers of people into the habit of travelling on the railroads, and the railroads found that it paid to make travelling more comfortable by air-conditioning their trains and providing easier seats on new cars. And with bus fares also regulated by the Federal board, the railroads no longer face ruinous competition.

The whole thing is another example of the present tendency to rising prices. That was inevitable once wages in general began to rise. The problem now is how to keep the cost of living within the means of the large part of the people who have not yet had their wages increased. Whoever can discover the answer to that problem deserves at least a medal, if not a monument.

LARGE CUT IN COTTON ACREAGE FOR NEXT YEAR

Two Million Acre Reduction Is Believed Necessary

A 2,000,000 acre reduction has been made in the cotton crop goal for next year by the AA administration.

Approving the 1938 agricultural conservation program, Secretary

Wallace fixed its "goal" so far as cotton is concerned at 27,000,000 to 29,000,000 acres. The goal previously had been placed at 29,000,000 to 31,000,000 acres.

Officials of the Agricultural Adjustment administration said the change was decided upon because of the unusually large cotton crop this year.

The goal is to be divided by areas and individual farms, and growers required to limit their plantings to their share of it in order to qualify for government benefit payments.

Authorities estimated the reduction in the acreage goal would be about 680,000 bales less cotton, if yields next year averaged the normal amount to 170 pounds an acre.

In view of the government forecast of a 17,500,000-bale crop this year, AAA representatives said, the reduction was necessary to keep acreage "more in line with needs."

To prevent the acreage cut from diminishing federal rewards for co-operating growers, the rate of benefit payments was increased from 2 cents a pound to 2.4 cents on the normal yield of each acre.

Officials fixed a potato planting goal for next year of 3,100,000 to 3,300,000 acres, compared with 1928-1937 annual average of 3,346,000 acres.

Individual goals, with which producers must comply to obtain federal benefits, will be established only on commercial potato farms which have three acres or more of potatoes and which are in import-

ant commercial producing cotton. The national goals and payments established for other crops were as previously announced.

Corn 92,000,000 to 96,000,000 res, 10 cents a bushel.

Cotton 27,000,000 to 29,000,000 acres, 2.4 cents a pound.

Peanuts 1,500,000 to 1,600,000 acres, 0.2 cents a pound.

Potatoes, 3,100,000 to 3,300,000 acres, 4 or 6 cents a bushel, depending on the producing area.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up at night, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

Junior Study Club Entertain at Masquerade Party

One of the outstanding parties of the Hallowe'en season was given Thursday evening at the Legion Hall, when members of the Junior Study Club entertained their husbands and friends at a masquerade colonial party. Club members were dressed for the occasion in quaint colonial costumes, many of which were made and worn many years ago. Miss Erna Douglass is believed to have worn the oldest costume, it being 108 years old, and belonging to Mrs. Lulu Crane's grandmother. Decorations suggestive of Hallowe'en prevailed throughout the room, and after enjoying a few ring games, all joined in dancing the Virginia Reel, following which Bingo provided the diversion for the balance of the evening. Miss Johnnie Pace and Miss Laura Virginia Bills took turns at the piano during the evening. At the conclusion of the evening pumpkin pie and coffee were served.

Those enjoying this delightful affair were: Misses Maxine Pennington, Hazel Marie Brown, Bobbie Jean Wallis and the little honoree, Joyce Beisel.

One of the most enjoyable social affairs of the season was given at the home of Mr. and Mrs. Oscar Wilemon on East Eighth Street Friday evening, when members of the Presbyterian Church enjoyed a Hallowe'en party and covered dish supper. Guests were all masked, and following the meal, much fun was derived from the "Crazy House" and fortune telling. Dr. Robt. D. Speer of New York, who has been the Mission Board of the Presbyterian Church for the past years, and who is now retiring, gave a lecture over national hookup on the radio from New York City, and this was received by the group at the Wilemon home by means of a large radio installed for the occasion by Garland & White about 9:30 o'clock Friday evening. About 40 guests were present to enjoy the evening.

Sudan Group Enjoy Luncheon At Amherst Hotel

Mrs. George Springer of Sudan entertained at a Hallowe'en luncheon at the Amherst Hotel Thursday afternoon, as a courtesy to a number of her Sudan friends. The Hotel dining room was decorated with Hallowe'en suggestions, and following the luncheon three tables of bridge were enjoyed.

Beautiful FLOORS FOR CITY AND COUNTRY HOMES

Country homes in the Littlefield section can have as beautiful, smooth floors as in any city. CLYDE WEATHERLY TO REMODEL MEAT MARKET; WILL REMAIN IN HIS PRESENT LOCATION

Plans are underway by Clyde Weatherly for the remodeling of his meat market, which he has operated in the Houk Cash Grocery for the past three years. Included in this progressive step Mr. Weatherly will increase his meat refrigerator space, carrying a much larger stock of all high grade fresh and cured meats, dairy products and

fish. Mr. Weatherly has been in business in Littlefield since 1924, and has a long list of friends and customers. Although the Houk Grocery is changing location, Mr. Weatherly has announced that he will remain in his present location.

Littlefield Is Back In Football Race As Howell Is Ruled Out

The Slaton High School Tigers, pre-season and mid-season favorites to cop the District 5, Class B grid-iron title, are out of the race. The district executive committee, meeting in special session at Lubbock Sat. to hear a protest lodged by Littlefield High officials, ordered Slaton High to forfeit its first three games of the season and recommended to the state interscholastic league committee that Slaton be suspended for the balance of the campaign.

Officials Offer Apologies
Superintendent David Lemon and Coach Stumpy Hamilton of Slaton did not contest the ruling, based on the grounds that Lester Howell, blocking back in the Tiger lineup, was over the age limit. Slaton coaches and officials had satisfied themselves before coming to the meeting that Howell was 19 years old, although they claimed they did not have this knowledge at the beginning of the season. Lemon and Hamilton offered apologies in graciously accepting the committee's ruling.

Littlefield, the district defending champion; Olton and Tahoka profit by Slaton's loss, although each of these had been defeated.

Coach Bill Sanders has selected the following starting lineup for the conference game with Olton at Seely Field Friday night:
G. Eitter, LE.
E. Evans, LT.
O. Walker, LG.
J. Walker, C.
B. Graham, RG.
L. Burleson, RT.
H. Baize, RE.
C. Lee, QB.

Mrs. Street And Mrs. Lambert Establish The Coffee Shop

Mrs. J. T. Street and Mrs. Carl Lambert have established a cafe in the building formerly occupied by Pal's Cafe, next door to Littlefield Tailor Shop, and opened for business Wednesday.

The new cafe has been named The Coffee Shop.

Mrs. Street and Mrs. Lambert have had a number of years experience in this line. Mrs. Street will be remembered by the pioneers of Littlefield as "Ma" Foster, who in 1924 opened the Gold Star Cafe and operated it several years.

They are serving full course dinners, lunches, sandwiches, etc., and are specializing in Kreppler soup, home made pies and coffee.

A student council of the school pupils was elected this year. Last year, it was considered started but as to its progress, was none.

Duty of such an assembly is to nominate and vote school laws and rules, and to power to carry them out.

Students would be permitted to elect officers and delegates who could give out proclamations which would not interfere with operations.

Another privilege for the council is to receive protests of nature from the pupils and send them to the teachers. Such a system would eliminate many unnecessary hall entries, and better sportsmanship into the arena.

Only one person to every 25

in high school would be appropriate.

NOW'S THE TIME

Last year in the Interscholastic League Meet, the rest of the schools in the county were out to beat us and try their skill to win the large cup award. Our school won for about the third consecutive year and the cup was ours. That was in spring, in March and April.

The subject of the League was brought up in assembly last week and although we have been expecting announcements concerning it, the time seemed too early to take much part in it.

But winter shall soon be over and then heavy practicing for the different sports and literary events will consume much of the students' time. Now is the hour to decide what sports and events to enter and to start immediately on them.

In baseball, begin now to catch balls, to hit, and to play your position well.

Remember that if there is more competition then the better the players or speakers are. The winners have to "hump it" to get their positions, but after they do, they're proud of them.

CHEATING?

Cheat, cheaters, and cheating are words that sound almost as bad as they are. We hate cheaters, because they not only get what they don't earn but we sometimes don't get what we earn because of them.

Anyone who goes straight always thinks a cheater is repulsive.

In my class is a boy who is trying to beat me in grades. All right if he plays square. But if he lets me grade his work, and when he misses a question he says, "Fix it, Bill, Aw come on fix it."

Well I guess there will always be cheaters, but this world would be a mighty fine place if the race were abolished.

—Pupil Ed.

Our Football Team, Pride of L. H. S.

Enough simply cannot be said about our Wildcats, Boys of the team, coaches, and managers, we want you to know we are proud of the work you are putting out to make the splendid records you are making for our school and town.

What does two unsuccessful games mean when compared to your many victories? Nothing.

Boys, we are especially proud of your record of being clean fighters and playing fair, slugging and cheating just doesn't go with our name. May we say to all you Wildcats, the Coach, pep squad and band, "Keep the good work up!"

—Pupil Ed.

THE NEWS

Rhesa Walden, who has just returned from the Future Farmers of America Convention, reports of an interesting trip. About 10,000 were present including boys from Hawaii and Porto Rico, as well as every state in the Union.

Among the outstanding sights were: The American Royal, the largest Hereford Cattle show in the world, Swift Packing Company, Liberty Memorial, Red Cross Scrapbook, and a model of the Liberty Bell.

A boy will be chosen each year to make this unique trip.

Seniors Receive Class Rings

Twenty-three of the seniors have already received their class rings and others have been ordered. Those who sent in their orders last year received their choice of a wristlet or belt buckle; with the same emblem as is on the rings, a football or basketball pin. However, seniors desiring any of these can get them for one dollar when they order their rings. The Star Engraving Company is making them for Littlefield as well as many neighboring towns.

New Play To Be Given

"More Blessed," a one act play to be given in assembly and for the P. T. A. on Christmas, and a three act play to be presented between now and Christmas, are being practiced on by the Littlefield High School Dramatic Club.

Senior Hallowe'en Party

Thirty-two seniors kept up the old customs of "bobbing for apples," "threading the needle," "chewing for candy" and many other traditional Hallowe'en games at a party Wednesday at 7:30 P. M., at the home of Ruth Pumphrey, vice-president of the class. Football boys had to "hit the hay" at eleven o'clock but the fun was in full swing until ten thirty, when hot punch, sandwiches, potato chips, cookies, and candy, carrying out the spirit of the occasion, were served to: Bernice Gattis, Frances Barton, Margaret Coffman, Ruby Nell Cobb, Madyn Smith, Camille Arnold, Wilma Parker, Mildred Wiseman, Dorothy Dalton, Alma Walraven, Wyanne Love, Nettie Belle Batton, Miss Margaret Cooper and Miss Mary Perkins, sponsors, Herman Derickson, Arthur Bridges, Reginald Harlan, Marshall Krueger, Gates Etter, Robert Graham, Raymond Melton, T. A. Henson, Bill Carter, Robert Barton, Roy McQuatters, Jimmy Foust, Junior Burgett, Sam McCaskill and the hostess Ruth Pumphrey.

How Would You Like To Win \$1,000?

During the winter the "American

Magazine" is sponsoring a contest for school children of the United States. Juniors and Seniors are eligible to enter.

There are four divisions in the contest, the first prize for each division being \$1000 and the second prize of \$500. There will be an award to the student whose entry is adjudged the most original. The teacher or principal who is a sponsor of any of the winners will receive \$100 in cash. The sponsor of a first prize winner will be the chaperon of his student on a trip to New York.

The four parts of the contest are: articles, short stories, poems, and graphic art.

The rules: (1. The student must be regularly enrolled in High School. (2. Each entry must be certified as original by a teacher or principal. (3. Entries will be received at the office of the American Youth Forum, 250 Park Avenue, New York City, N. Y., at any time until 5 p. m. (EST), April 5th, 1938. (4. Manuscripts should be in pen and ink or typewritten on one side only and doubled spaced. (5. Sources for this contest may be taken from newspapers, magazines, radios, or books provided no copying is done.

The topics for each discussion are: Articles—The America I Want. Short Stories—My Place in America. Poems—My Hope for America. Graphic Art—My Vision for America (Art includes painting, water colors, pastel, sketch, cartoon, etching, photograph, linoleum block and wood block.

For further information see Mr. Hobbs, principal. All students are encouraged to enter.

EXTRA Explanation of Disappeared Snooper

Keyhole Kelly, a mysterious student of L. H. S. last year, is noticeably absent this semester because of physical disabilities.

At the end of the 36-37 school year a group of girls ganged upon him and clubbed him over the head until it was necessary for him to recondition his brain. While at the doctors office he tried to peep through a keyhole at a party nurse but got a black eye instead of a date. Then on his rush to scout town (he had just heard that a posse was in the village, he didn't know that they were looking for "Buck Benny rides again.") in his rush he broke a leg.

In case Snooping Saddy returns, there are a few difficulties to iron out with several persons.

First boy from New York: "Did you know that there is a plague among the population of Harlem?"

Second from Amherst: (Amherst, Texas: "Oh yeah, what's the name of it?"

First boy: "Blackleg."

Mr. and Mrs. Elton Hauk and daughter, Monya, spent the week end with Mr. and Mrs. Elbert Fomby. Mrs. Hauk is a sister of Mr. Fomby.

The trees were the small seedling Chinese Elms and averaged about a foot and a half in height. Some have grown to over four feet in the summer. The ground was plowed in deep furrows before the trees were planted. This helped to hold the water.

warmed-over passion that women seem to crave. There was no woman ever made that could love like a man but I think you could come close if you ever really cared about anyone. He whirled her suddenly onto a balcony that overlooked a mountain chasm. There he caught her up and carried her to the parapet. "Kiss me," he whispered huskily. her roughly trying to kiss her again. But she laughed at him and fended him easily.

"I ought to drag you out of here," he declared furiously. "I ought to take you the way men used to take their women. Why should I play the game of the tame apes? You would love me in a minute if I took you and make you like it."

"Don't be silly," she taunted. "All that stuff went out with the stone age. Even in those days there was only a handful of men who could take a mate against her will. Sometimes they used a stone axe but if the woman didn't care for that she used the stone axe first or very shortly afterward."

"Bah. A man's love is dynamic." She stood from his arms quickly. "A man's love," she said coolly, "is what a woman chooses it to be. If she wants to be kicked around, she picks the man who can do it. But you may be assured that even those who choose to be kicked have a reason for their madness."

"What reason?" "They have a streak of that in themselves to be beaten by a man's strength and they are willing to buy the luxury with bruises for coin."

"All right. Have it your way. What kind of love would you choose?" Natalie laughed lightly.

"That," she said, "is better. After all, it is the woman who chooses. Hold me nicely and don't try to bite me and I will show you what kisses really can mean."

She waited then and very gently Mont Wallace's arms went about her and she turned her lips to his with a smile that seemed to brighten the starry night. Her fingers crept up to caress his cheek.

And at that instant a terrifying shriek frightened them apart. There was another shriek and the flash of a white dress across the balcony. A ghostly figure rose against the stars from the top of

ACCIDENTS ARE NUMEROUS OVER PAST WEEK END

Negro Arrested In Stabbing Affray In Colored Section

A number of accidents have been reported over the past week end. Lubbock Man Injured

Constipation

ADLERIKA STOKES DRUG COMPANY

7:30 Sunday night when the light sedan driven by Johnson collided with the Mexican's car opposite Peyton Company's pens on Highway No. 7, east of town.

Johnson and Martinez were taken to the Payne-Shotwell Hospital. After remaining about 6 hours, Johnson was released. Martinez is still confined in the hospital.

Run Over By Car

About 6:30 Sunday night a Mexican, Joe Seismoro, 16, was admitted to the Payne-Shotwell Hospital suffering from concussion of the brain and severe bruises sustained when he is reported to have stepped out from behind a large truck and into the pathway of a car driven by two young men, Alfred and Steffey, who carried the boy to the hospital.

The accident happened in front of Garland-White Auto Supply on Phelps Avenue.

Seismoro was picking cotton at the W. E. Lyle farm, 8 miles northeast of town. He was able to leave the hospital

Tuesday. Officers report that no blame is placed on the driver of the car, which featured in the accident, and no charges will be filed.

Stabbing Affray Sunday

Vanus Thornton, negro, was arrested by Deputy Sam Hutson of Littlefield and Deputy Arch Jones of Sudan at 3 p. m. Sunday in the colored section, and lodged in the Littlefield jail on charge of assault with intent to murder. On hearing before Justice of the Peace Mike Brewer, he was bound over to the action of the grand jury at the February term of court.

Deputies Hutson and Jones were in the "Negro Flats" at the time, and witnessed the stabbing affray, in which a colored woman, Myrtle Manual, received three or four gashes on her head, varying from four to six inches in length, a gash over her left eye and eye lid about 5 inches in length, and deep gashes on hands and shoulder; her sister, Mrs. L. E. Foster, also had a stab wound of about four inches on her head.

Thornton is alleged to have broken the blade in her head, and to have cut his own throat with the "butt" of the knife.

Thornton is said to have pleaded his cause as being drunk at the time of the stabbing affray.

All negroes were rendered medical aid at the Payne-Shotwell Hospital, and dismissed. According to attending surgeons, it took several hours and a good many stitches to close the women's wounds.

Amberst Man Injured

When a cotton picker's car, in which R. E. Smith of Amberst was riding, was driven into a bar ditch in passing another car, Saturday night, Mr. Smith was thrown up against the dome light and out of the car, and suffered a very severe laceration about six inches in length on his forehead. He was rendered medical aid at the Payne-Shotwell Hospital, and released.

Father, Son in Accident

Father and son were the principals in a car accident, which happened Monday about noon, two miles southwest of Beck's Gin and 15 miles northwest of Littlefield, when the car driven by W. T. Fowler of Sudan going east on a country road, collided with an automobile driven by Ed Fowler, son of W. T., also of Sudan going north, when they met at cross roads.

Tall growing feed at the intersection obstructed their view, and they were unable to see each other until they were too close to avert

the accident. Mr. W. T. Fowler was picked up unconscious, and also suffered bruises. He was brought to the Payne-Shotwell Hospital, where he will be confined for several days.

Football Player Hurt

Jimmy Foust, local football player, was unfortunate enough to fracture his skull when playing at Crosbyton Friday afternoon. He was treated at a local hospital and dismissed.

Falls Thirty Feet

Friday, about 8 p. m., Earl Morris is reported to have fallen thirty feet off a scaffold at the new gin being built at Spade, when he suffered a back sprain and other bruises. He was confined in a local hospital until Saturday, when he was released.

18 Arrests Over Week End

Peace officers report a total of 18 misdemeanor cases over the week end, including those arrested for drunkenness, fighting, etc., and one dope head apprehended. Constable T. L. Matthews, and W. A. Magness, who is on special duty arrested the dopest.

LESS COTTON GINNED TO OCT. 18 THAN FOR SAME TIME LAST YEAR

According to the Government Cotton Statistician for this district, Warren Rutledge, there have been 4,778 bales of cotton ginned in Lamb County from the crop of 1937.

prior to October 18, 1937, as compared with 8,101 bales ginned to October 18, 1936.

Castro County has ginned 340 bales as against 259 for last year. With each order of \$5 for photos we are giving free one 8x10 photograph. Make your appointment now. CHISHOLM'S STUDIO. 12c

John M. Gordon Is New Pharmacist Bryan Drug Store

John M. Gordon, registered Pharmacist, arrived in Littlefield Sunday from Denton, and is now connected with the Bryan Drug Store.

Mr. Gordon is no stranger in Littlefield, having been employed with the Sadler Drug Store in 1934, when he made many friends, who are welcoming him back to this city.

While in Denton he has been employed with the Garrison Drug Company.

Mrs. Gordon and three children,

two of whom are girl students in the Teachers College, and a ten year old son, John M. Gordon, Jr., will remain in Denton for the present. Mr. Gordon is a Mason and an active member of the Methodist Church.

CHURCHES

Missionary From China To Speak At First Baptist

The eyes of the world are turned toward China and Japan today wondering what the outcome of the present conflict will be. Rev. J. Walton Moore, who has spent the past fourteen years in China will speak at the eleven o'clock service Sunday morning at the First Baptist Church and the public is invited to hear him.

Mr. Moore has been a missionary for the Southern Baptist Convention stationed at Chefoo, China, which province Japan is trying to incorporate in their new state. Dr. Moore has seen the brewing of this war for years and will give first hand information regarding war conditions, customs, religions and business in China. It has been the privilege of the writer to hear a number of returned missionaries speak but none have proved themselves so interesting as Dr. Moore.

The pastor, Willis J. Ray, will not

preach Sunday morning but will turn the entire morning service over to Dr. Moore. Dr. Moore is visiting a number of churches in West Texas and we feel fortunate in having him in our city.

METHODIST CHURCH

The Methodist Church is busy rounding out the years program for the pastor to go to Conference on the 17th of this month. The annual conference will be held at Quanah, at which time it will be determined whether or not the present pastor will be returned for another year. The church has made good progress this year, with all phases of the church's program being cared for, and the stewards are working to complete the financial report by the end of the conference year. With the cooperation of every member, it is assured that a "full report" will be made. The splendid people of Littlefield will make possible the continued advance of the kingdom in this community.

The pastor will preach at both the morning and evening services, with the music under the direction of Dr. Hazel Nelms. The church school starts at 9:45. Every one is invited to continue to boost our attendance in the only two remaining Sundays before conference.

Marvin B. Norwood, Pastor.

CHURCH OF CHRIST

We had another good Sunday with fair attendance in all the services. You are invited to attend the services of the church at any time. You will always find a hearty welcome awaiting you.

Our order of services follow:

Sunday
9:45 a. m. Bible Study.
10:45 a. m. morning worship begins.
1:45 a. m. Communion service.
7:00 p. m. Young Folk's class.
7:30 p. m. Evening preaching service.
3:00 p. m. Monday, Ladies' Bible class.
7:30 p. m. Wednesday, Mid-week service.

We wish to announce that the church has secured Bro. R. L. Colley of Overton, Texas, to hold our annual summer meeting which will be August 14, 1938.

J. D. Rothwell, Minister.

LUTHERAN CHURCH

No services will be held at the Lutheran Church Sunday, as the pastor has been asked to serve as the Mission-day speaker at Lariat, Texas.

The choir is requested to meet at 8 o'clock Sunday night for practice. All members should be present as several new pieces are being studied.

Last Wednesday night the Young People gathered for a Hallowe'en party. Several of the young people from Lubbock attended, as well as a number of friends visiting here from South Texas. The haunted room and the games were enjoyed by all. Mr. and Mrs. Herman Timian and the Rev. Walter Luecke had charge of the meeting, and served a delightful lunch.

Yesterday afternoon Rev. Luecke had charge of the radio service held over station KFYO over Lubbock. The mixed quartet which sang for the service, was composed of Mr. and Mrs. Herman Timian, Mrs. Paul Manthey, and the Pastor, all of Littlefield. The Rev. W. Loesel of Lubbock will be the speaker next Wednesday at 4:30.

CARD OF THANKS

Words cannot express our utmost thanks and appreciation for the many acts of kindness and expressions of sympathy extended us by our friends and neighbors during the illness, and at the death of our little son, Charles William.

We also wish to thank those who contributed to the beautiful floral offering. May God bless each and every one of you.

Mr. and Mrs. W. A. Goldston.

J. V. Cogdill, aged 67, of Greenville, for years a New Mexico deputy sheriff, and brother of B. L. Cogdill of this city, died late Saturday night, October 23, as a result of injuries received when he was lured outside a dance hall he was policing, and beaten with a hammer.

Reports indicate that the man alleged to have been guilty of the attack was drunk at the time, had been captured and was being held in the jail at Greenville.

Mr. Cogdill is survived by his wife and two sons, who live at home and daughter of Dalhart.

The Greenville relatives have been guests in the home of Mr. and Mrs. Cogdill here on several occasions.

Mr. Cogdill, besides holding the office of deputy sheriff, owns a number of farms, and holds other interests in the vicinity of Greenville.

Funeral services were conducted Monday, October 25, at Greenville, with interment in that cemetery.

Fourth Installment
 Monty Wallace has just arrived in California, having broken the West cross country airplane record. Natalie Wade, mistaken by a newspaper reporter, as the exclusive account of the arrival, and succeeds in securing a trial job with a paper in charge for the story. Natalie becomes attached to Monty.

Monty was predatory; there was nothing that if he loved at all with a man's love that lived far into the night before. Natalie had no doubt, he was weighing first his chances of success with one girl and then with another.

and honestly as she could, she tried to estimate those chances for herself. For her own part, she knew the age-old woman's fight against the alliance of her own heart. There would be times, she thought, when something within would let her. Always there would be a part of her that would hold out terms of surrender to Monty Wal-

lace. But at the last, she was sure of her own victory. Reason and breeding were strong anchors and in them she had full confidence so long as she did not try them too far.

As for Sunny Marion, Natalie was not sure. There was force in the girl but in a measure it was the force of the spoiled darling. Against the yearnings of her own heart, she felt, Sunny would not be strong. There was not in her the power to bring up reason as an ally, if Natalie read the girl aright.

And with this decision she found a new fear within herself. For if she could see these things, as she thought she could, might not the same be apparent to Monty Wallace?

He might not be clever at reading character, but some man instinct in him must surely tell him that the blond charmer was a possible willing victim. That instinct had slyly warned him in her own case, but he had not let it rule him. Surely he would not hold back in dealing with the younger girl.

There was, she thought, only the single hope that Sunny's ego would stand proof against her love. If she were sufficiently spoiled and self-centered, she might stand out against the ardent Monty. But that would mean she did not love him deeply, and this, on account of her own adoration for him, seemed utterly impossible.

This was as far as reason would let her go. Suddenly her love surged up within her so strongly that jeal-

ousy would not be held back. After all, the other girl was not perfection. Her hair had been so bleached by the sun that there was shadows in it of darker texture. The wave in it was sufficient for beauty but it was not the equal of her own. Sunny took advantage of the lack by drawing the ash-blond hair rather severely back. It was becoming, but no more so than the dark waves of Natalie's soft black.

There was a touch of the artificial in the darkness of Sunny's eyebrows, she thought, and there was at least the chance that her beauty would fade early.

One by one she went over Sunny's features in search of flaws but when she realized that this was the foolish exercise of jealousy she chided out within herself.

"This is silly. Sunny Marion is beautiful. She is more beautiful than I can ever hope to be. More than that, she is wise in her beauty and knows men. If she is not to have Monty Wallace at her feet, I must give everything I've got in love and tact and inspiration. And it may not be enough."

This much at least, was honest, she thought. Moreover it was intelligent to recognize the strength of the enemy.

It was to be a battle between these two at best. Perhaps there were many others to take part in the engagement. But foes, she and Sunny must be. Which was very queer, for she suddenly found in the deeper recesses of her heart an honest liking for the girl.

And now suddenly the first test came between them, for Monty was speaking:

"Let's all go to the lighthouse place and dance. Can't we find a fourth?"

Very quickly the quick-witted Sunny turned to Natalie.

"You must know someone. I'm fed up on the people I've been going around with. Please find another handsome boy."

But Natalie was not to be caught entirely napping.

"I know someone you'll adore. He's grand company and I've just discovered him. You know him, Monty. See if you can get Jimmy Hale."

It was the first time she had used Wallace's first name but surely kisses carried title to its familiar use.

Sunny accepted the suggestion. "You mean your photographer? Of course, I think he's adorable."

Natalie was a little uncertain how she had come off in the brief exchange.

"Be careful of your secrets when he is about," she said laughingly.

"He's a seventh son or something. He can guess more than most people ever know."

That was the first of many nights they made a foursome for dancing, dinner or some other outing. They paired off variously but circumstances finally left Natalie for the most part with Jimmy and Sunny twosuing with Monty Wallace.

Natalie had beaten down her jealousy so that she was now well satisfied with the arrangement most of the time, for her live intelligence told her that Monty could not easily forget her even in the flattering company of Sunny Marion.

Jimmy treated her, generally, on these evenings as he did during the day when they were much together at their work. It was not till one evening when dinner was delayed and there were too many rounds of cocktails that a new element entered the situation.

They had driven to a famous mountain resort for the occasion and Jimmy, as was often the case, had taken one or two stiff drinks before setting out. Monty had been delayed by a business conference where highballs tended to speed negotiations and, for the first time, Natalie saw that he was not quite himself.

It was a mad drive along the mountain road with Monty at the wheel of Sunny's car. But they arrived safely and both girls, slightly shaken by the perils of the trip, were persuaded to steady their nerves with cocktails.

They had missed their reservations and were forced to wait until a table was cleared so that the huge shaker was filled and emptied more than once before they took their places.

Jimmy held his drink easily, becoming even more talkative than usual but steady of hand and clear of eye. Monty Wallace, on the other hand, grew moody and intense. Chiefly the drink had served merely to lighten the dull hurt in Natalie's heart so that she felt relaxed and content, but Sunny was very gay and noisy.

With dinner and the liqueurs following, Jimmy grew sentimental and Monty a little quarrelsome, so that there was an edge to his banter, which was directed mostly at Sunny. At each sally the girl screamed with laughter, apparently delighted at his abuse.

"Leave me alone, pest," he told her finally. "Come on, Nat, let's dance."

He caught Natalie by the hand and drew her onto the dance floor. The girl realized at once that there was something imminent between them. He held her a little more tightly than usual and with the exertion of the dancing she presently found herself trembling so that she could hardly follow the music.

"I'm sorry," she whispered when she missed a change in his step.

"Never mind," he told her brusquely. "What do we care how we dance? I'm still mad about you. I wish you could really care about me."

Tears came into the girl's eyes

and she knew then that her weakness was from some cause other than her own spirit. She fought to get

Let's get down to Cases

To keep your car from growing old too soon . . . to make it run with that wonderful smoothness and pep it used to have when it was new . . . pay a lot of attention to the crankcase. That's where a motor's hardening-of-the-arteries starts.

So drain the crankcase—NOT your pocketbook, by refilling with Phillips 66 Motor Oil. It is Phillips finest, made from a costlier 100% paraffin base crude.

It meets the higher requirements of today's modern motors because it has high-degree oiliness. Refined into it by Phillips painstaking modern process. Besides, it is extra clean and extra thrifty. No wasteful light parts to cook out or burn out. Hence the film is tougher and longer-lasting.

Next time, drain and refill with Phillips 66 Motor Oil. It's concentrated! . . . This year's big value in car lubrication. Look for the Orange and Black 66 Shield.

His residence was at 1915 Broadway, Lubbock.

Mr. Hungate was well known to a number of Littlefield citizens, having visited his sister here many times.

Deceased was survived by his widow and son, L. H., Jr., of Memphis, Tenn.; two brothers, H. P. of Ponchatawla, La., and Dr. E. W. Hungate of McCombe, Texas; a half brother, Cecil G. Hungate of White Pine, Tenn.; and two sisters, Mrs. Vernie V. Wright of Littlefield and Mrs. E. H. Purser of Amite, La.

W. F. PERRY—

(Continued from Page One)

at Baring, Mo., Tuesday, Oct. 26, and passed away at a hospital at Kirksville, Mo., the next day.

Rev. Sears, Baptist Pastor of Tishomingo, and Rev. Bigby, Pastor of Ringling, Okla., officiated.

The remains arrived in Littlefield Monday, and following a brief service at the grave in the Littlefield Cemetery, at 3:30 o'clock in the afternoon, performed by Rev. Willis J. Ray, Pastor of the First Baptist Church, of this city, interment, in charge of Hammons Funeral Home, took place.

Deceased, who owned a farm 14 miles southwest of Littlefield, was an employe of the Darby Construction Company, and is reported to have been building a water tower for the Santa Fe Railway near Baring, Mo., when injured in the accident, which also proved fatal to a fellow worker.

In the course of his work with the above construction company, Mr. Perry was forced to move around a great deal, but nevertheless Mrs. Perry and son, John L., aged 14, had been accompanying her husband until January last, when she returned to their farm here due to her health.

On learning of his injury she went immediately to Missouri, returning with the remains Monday.

Poorly Nourished Women— They Just Can't Hold Up

Are you getting proper nourishment from your food, and restful sleep? A poorly nourished body just can't hold up. And as for that run-down feeling, that nervous fatigue,—don't neglect it!

Cardul for lack of appetite, poor digestion and nervous fatigue, has been recommended by mothers to daughters—women to women—for over fifty years.

Try it! Thousands of women testify Cardul helped them. Of course, if it does not benefit YOU, consult a physician.
