DATE OF EVENT TO BE SET IN NEAR FUTURE

Better Than Ever Fall Fair Is Promised

Plans and planning of the 1952 Lamb County Fair, were sharply moved ahead and accentuated Monday night, when a called meeting of the fair board of directors met at Littlefield Chamber of Commerce meeting, along with chamber officials, and several individual fair supporters and boosters, for the purpose of programming the fair, and naming of committees.

President V. M. Peterman presided over the meeting, and stated that definite dates for the fair in early fall, will be announced in the next few days, or just as soon as dates of other surrounding fairs can be obtained and verified, so that the local fair will in least measure conflict with others in its nearby and adjoining counties.

The meeting brought out the fact that there has been considerable criticism in the past over the early removal of fair exhibits—the afternoon and evening of the last day of the fair finding many exhibits already removed, and as a result, last day attendance has been sharply curtailed, or largely voided of interest. It was announced that this year, exhibits will be kept in place until the hour of the closing of the entrance gates on the last day of this year's fair.

The main discussion of the meeting centered around improvement of the fair—for a better 1952 fair, and many suggestions were offered, and some tentatively adopted, and will be put into effect for this year's fair.

Before the meeting adjourned numerous committees were named, including one on advertising and program advertising solicitation, but the names of the personnel of (Continued on back page)

Buddy Poppies To Be Sold Here Saturday

APPEAL MADE FOR VOLUNTEER HELP IN PROJECT

Annual Poppy Sale Will Provide Post With Welfare Funds

The annual Veteran of Foreign Wars Buddy Poppy day sale will begin Saturday morning, May 24, at 8:30 o'clock, with three downtown booths to be set up for sales headquarters, Jimmy Chapman, who is serving his fourth year as local chairman, announced this week.

The sales booths will be placed in front of Fisher's Cafe, Stokes Drug and Palace Theatre, and will be managed by Gold Star Mothers and VFW Auxiliary, under the leadership of Mrs. Ves Brock.

Mrs. Brock is asking the services of several high school girls who can devote a few hours to the sale of the poppies, if they cannot sell the entire day.

The people of this community have always supported our Buddy Poppy sales, most generously, Mrs. Brock said, and "the number of Buddy Poppies that we can sell on Saturday will be limited only by the number of people who are given the opportunity to buy these little flowers. That is why we need the help of several girls and women, especially those who are mothers of some other rea-

George Parker Is Badly Burned By Scalding Water

George Parker received second and third degree burns on his right shoulder and arm, last Friday, when scalding water boiled from his car radiator, when he removed the radiator cap.

He was rushed to Littlefield Hospital for emergency treatment and where he remained a patient until Wednesday morning.

School To Close Friday May 23

All school children of Littlefield Independent School District will be given their final report cards, Friday afternoon (tomorrow), at 3 p. m. School buses will not run in the morning, but will run in the afternoon, at 2 p. m., and will return the children home at 3 p. m.

Final examinations are being given Wednesday and Thursday of this week.

Plans Complete For Memorial Sunrise Service Friday, May 30

The sunrise memorial service, scheduled at Littlefield cemetery, Friday morning, Memorial Day, is expected to draw a large crowd, and program arrangements were completed by committees from American Legion and the Garden Department of the Woman's Club,

who jointly sponsor the Memorial Day tribute and memorial, have been completed.

Troy Armes, principal of Littlefield high school, has accepted the invitation to be speaker for the occasion, a tribute to those loved ones of our community who have departed this life, both civilian, and those who wore the uniform of country.

There will be special music by a quartet known as the Littlefield Four, and boy scouts will attend in

uniform and place flags upon the graves of veterans.

During the past week, there has been considerable improvement of appearances on the cemetery grounds, through clean-up activities, and individual graves decoration, but there is still room for considerable improvement in the week of time remaining before the special memorial service, according to committee members, who are sponsoring and urging the clean-up and beautification.

Muleshoe Man Is Hospitalized Here Following Wreck

An automobile accident Sunday night about 9:30 o'clock one mile west of Springlake on Highway 70, resulted in hospitalizing Eugene Ray, 20, of Muleshoe, who said he lost control of his car, hitting a culvert and overturning two times.

Young Ray received a broken collarbone, dislocated shoulder and several fractured ribs. He is a patient at Littlefield Hospital.

The 1942 Ford sedan he was driving was badly damaged. Highway patrolmen Pate and Angel investigated the accident.

Seven Colored Citizens Arrested For Disturbance

A real fracas developed in colored town, the Flats, last Sunday night, that required the joint efforts of the city police and the highway patrol before it was subdued and brought to a climax.

Aftermath of the fracas, was the appearance of seven charged, offenders, three women and four men charged with disturbance of the peace in local court Monday morning, where the seven were fined a

total of \$123, which included court costs.

The fracas seemed to start over family discords or disagreement, and officers said clubs and two by fours were among the favorite melee weapons.

One officer, Bert Wasson, received a back injury, when he was struck by one of the swung or swinging two by fours, but was not seriously injured.

Gene McCanlies Added To Local Coaching Staff

Supt. Joe Hutchinson and Coach Jay Fikes announced Tuesday the signing of Gene McCanlies as Junior High football coach. He is replacing Charles Hester who has been moved up to assistant coach. Hester will take over the duties left vacant by the resignation of Pat Patterson earlier this year. Patterson moved to Waxahachie.

Gene McCanlies is probably the most honored football player to ever play for the Wildcats. While playing in high school, McCanlies lettered for four years, three years on the starting lineup, played on the first Wildcat team to ever win a regional championship, made All District for two years in a row and was placed on the second team All State in his last year. While he was an end for the Cats, they won three District Championships, three Bi-District Titles and one Regional crown.

4-H Clubs Take Two First Places In District Contests

Lamb County 4-H clubs took several honors in the District 2 4-H judging contest held in Lubbock last Saturday.

Taking first place in the contest were Field Crops team and Vegetable Demonstration team. Pat Blessing of Amberst took second place in sales demonstration and the entomology team composed of Frank Gonzales, Amberst, Ray Ogerly of Littlefield, and Clifford Bills of Earth, placed third.

First place winners in each contest will represent District 2 in the 4-H Round-Up at College Station on June 9-10. Lamb County will be represented by six boys and two alternates and one adult leader.

Children Of Mr. And Mrs. Ed Shaw Stricken With Dreaded Polio

Both children of Mr. and Mrs. Ed Shaw of Corpus Christi, formerly of Littlefield have been stricken with polio, according to word received here Monday afternoon by her parents, Mr. and Mrs. C. O. Griffin, who left immediately for Corpus Christi after receiving the message.

Mrs. Griffin telephoned friends here Tuesday night advising them that both children are improved, and have been dismissed from the hospital. The oldest child, Rebecca, age three, apparently suffered very little effects from the disease. However, Tommy, age nine months suffered paralysis of one arm.

Mrs. Shaw is the former Miss Ruth Griffin, and Mr. Shaw is a former employee of Walter's Drug.

Rev. A. P. Stokes Observes 83rd Birthday; 200 Attend Reunion

Rev. A. P. Stokes of Afton, Texas, father of J. M. Stokes of this city, was honored on his eighty-third birthday last Sunday, when all members of his family gathered at the home bringing food and gifts to celebrate the occasion.

Mr. and Mrs. J. M. Stokes from Littlefield were among the 200 who attended birthday observance, and

elaborate dinner served. Rev. Stokes, despite his years, is very active, and supplies in the pulpit many times for the churches in that area.

Last Saturday evening a special service was planned at the Baptist Church at Afton, and Rev. Stokes preached the sermon to people who came far and near to hear him.

US-British Gal Golfers Prepare For Tee Party

By SYD KRONISH
AP Newsfeatures Sports Writer
NEW YORK—When one woman sets her eyes on a lovely silver cup, that's not news. But when seven gals get together and amicably agree to get the same one—that is news.

The ornament in question is the Curtis Cup, emblematic of the U.S.-British women's amateur championship. The site will be the Muirfield course near Edinburgh, Scotland, on June 6 and 7.

U.S. feminine contingents have been the winners ever since the matches started in 1932. But this year the Britishers are confident of their first victory in the series—and some experts are of the same opinion.

The matches will be held on the very tricky Muirfield course where strong winds blow in from the North of Forth. Most of the English women have played there. None of the U.S. team has even seen the links, let alone played them.

Another important factor favoring the Britishers is that all but two of their girls are veterans of Curtis Cup play. Conversely, only two Americans have been on the Cup squad previously.

The ladies will play three four-somes at 36 holes on the first day and six singles on the second day. Mrs. Frank Goldthwaite of Fort Worth, chairman of the USGA Women's Committee, is the non-playing captain. It is her first time as leader of the group.

The two Cup repeaters for the U.S. are Dorothy Kirby, USGA Women's champion from Atlanta, Ga., and Polly Riley of Fort Worth, one-time Open champ and winner of the Southern championship three times.

The other girls representing Uncle Sam are Pat O'Sullivan of Orange, Conn.; Mae Murray of Rutland, Vt.; Claire Doran of Cleveland; Marjorie Lindsay of Decatur, Ill.; and Grace De Moss of

Oregon State College.

The English squad is headed by Lady Katherine Cairns, non-playing captain. The veteran members of her team are Jeane Bisgood of Bournemouth, Jean Donald of North Berwick, Philomena Garvey (the lone representative of Eire), Elizabeth Price of Farnham, Frances Stephens of Liverpool and Mrs. George Valentine of Perthshire.

The newcomers are the misses Moira Paterson and P. G. MacCann.

The American girls will remain for the British Women's Amateur championship at Troon two weeks after the Curtis Cup matches.

Here again the girls from the States will have a tough row to hoe. Only three American women have come home with this British title in the past.

THURSDAY AND SUNDAY LAMB COUNTY LEADER, THURSDAY, MAY 22, 1952

ONE GUY'S OPINION

THIS IS BASEBALL...

By FRANK ECK
AP Newsfeatures Sports Editor
NEW YORK—The 1952 baseball season still is an infant but here are some of the sorry things that have taken place:

An umpire—Scotty Robb—got fined for pushing of all people, Manager Eddie Stanky of the Cardinals.

Leo Durocher of the Giants protests Augie Guglielmo's call of a third strike on one of his batters but nothing happens. We thought questioning a third strike meant automatic banishment.

A Phillie, Stan Lopata, fails to run from third base on two out, the batter reaches first on an error and Lopata is left stranded as the next batter is retired. And Manager Eddie Sawyer was coaching at third base.

The Giants are leading the Braves by two runs in the eighth

Inning yet Durocher lifts his No. 4 hitter, temporarily Henry Thompson, for a pinch swinger. You don't lift your No. 4 batter in any situation, say wise baseball men, but then who says Thompson (not Bobby) is a No. 4 hitter?

Roy Campanella, a good No. 4 hitter, bunts in a tie game. Another old baseball adage is that "you don't bunt your No. 4 hitter." We disagree with that one. In this case Campy's bunt paid off for the Dodgers as the next batter singled home the winning run.

Corcoran Can't Travel
If Fred Corcoran, boss of the Ladies' PGA and the Weathervane tournaments, decides to return to the men's PGA as promotion director, he will not travel. His commitments with the gal golfers and their promoter, Alvin Handmacher, come first. The cross-country Weathervane tournaments are catching on even though Patty Berg, the Bauer sisters et al will have a hard job catching Babe Zaharias.

A Silly Philly Rule
Jimmy Dykes of the Athletics is in crying need of a player or two yet he can't take one of the Phillies, even if one of their men is waived on by other National League clubs.

"The Athletics and Phillies have a rule against taking the other team's players," says Dykes. "Seems it might make one club look bad if a player, on leaving one team, started to go well with the other team."

Tom Brown, once a Dodger, will be cut adrift by the Phillies and the A's certainly could use him as infield or outfield bench strength.

Wonder what Commissioner Ford Frick thinks about this rule?

It certainly wasn't made for the benefit of the player.

How About Bigger Umps?
When will baseball get smart and put a minimum size requirement on its umpires? It's almost impossible for a little rookie like Augie Guglielmo, fresh from the Texas League, to make an honest call of a pitched ball when he stands behind fellows the size of Roy Campanella, Walker Cooper and Ebba St. Claire. These fellows are almost as wide as Augie is tall.

PHIL RIZZUTO

Phil Rizzuto has been with the New York Yankees since 1941 and the little shortstop gets better with age. He'll be 34 next September.

By FRANK ECK
AP Newsfeatures Sports Editor
If you've never seen Phil Rizzuto of the Yankees lay down a bunt in a big league game you've missed the best bunter in baseball.

He's the little fellow who gave Joe DiMaggio the signal on that famous suicide squeeze play in Yankee Stadium last fall against the Cleveland Indians. Not even Manager Casey Stengel knew the play was coming off. And it was against Bob Lemon, one of the best fielding pitchers in the game. The Yankees won 1-0 and the Indians were not much after that play. DiMaggio tore home on Lemon's pitching motion and Rizzuto bunted the ball toward first for the ball game.

Rizzuto can pull the ball for an occasional home run and he can hit behind the runner. In the World Series last fall he hit behind a runner in the Polo Grounds and

Woman Writer Prefers Horses

AP Newsfeatures
LOUISVILLE, Ky.—She says she makes a better living with the pitchfork than as a writer and she loves horses.

That sums up Mrs. Theodora King Clements, who can be found on the back stretch side of Churchill Downs, pitching straw for thoroughbreds.

She works as a groom for Trainer Buck Hazard, who says Mrs. Clements is the best groom he ever had, and as far as he knows, the first woman groom ever to work at the Downs.

The gray-haired, tall and broad-shouldered woman has "a bundle of rejection slips," but hasn't given up trying to sell a story.

Mrs. Clements has been working around horses for 25 years. She has hot-walked them, been an owner and racer, and has done some ponying.

Hazard, who trains for Louisville jeweler Denny Gleason and S. C. Crew of Cincinnati, says Mrs. Clements came to his barn recently in Miami, Fla., and asked for a job.

"I needed a hot walker," says Hazard. "She jumped at the chance and three days later I needed a groom and promoted her."

Born in England nearly 50 years ago, Theodora was brought to British Columbia by her parents when she was seven months old, attended a finishing school in Canada for two years. Her father was a professor.

Baylor Athlete Makes Comeback

AP Newsfeatures
WACO, Tex.—Coach George Sauer of Baylor isn't sure where Francis (Cotton) Davidson will play next fall but he's quite certain that Davidson will play somewhere.

Cotton is the handy Andy of Baylor athletics.

No boy ever had a more inauspicious beginning in athletics.

The first baseball Davidson ever sent over the plate in a college game was belted over the center field fence with the bases loaded. Guy Wallace of Texas A&M did it last spring when Davidson came in as a relief pitcher.

Davidson had high hopes of being the Baylor quarterback in 1950 but there was Larry Isbell, the top quarterback in the southwest. So Davidson was held out of varsity football in 1950 and had to earn his letter at other positions in 1951.

This baseball season he pitched 10 scoreless innings in relief against Minnesota, Texas Christian and Texas A&M to earn a starting job. And the first game he ever started—against Rice—found Davidson giving up only six hits and hurling his team into a tie for first place in the Southwest Conference.

Use Relaxed Stance Is Thomson's Theory

By FRANK ECK
AP Newsfeatures Sports Editor
Bobby Thomson, the batter whose home run turned almost certain victory for the Dodgers into a triumph for the Giants in the National League pennant playoff last fall, hopes his sixth year with the Giants will be one of his best. Many experts say it will be his best season.

A year ago Bobby Thomson would be the last person in the major leagues one would talk to about hitting. On June 29 he was in a slump, hitting exactly .220.

But something happened to Thomson from then on. At the suggestion of the roommate, Whitey Lockman, he changed his stance by keeping his feet closer together and went into a crouch. The hits began dropping all over the Polo Grounds and the rest of the National League parks.

When Thomson finished the season—and the Dodgers—he wound

BOBBY THOMSON

up hitting .294, his second best mark in five full campaigns. From July 1 on he was the best hitter in baseball. The records show he made 101 hits in 286 trips to the plate for a .353 mark.

Here's what the Giant third baseman says about his new stance and what it does for him:

"You never learn enough about hitting. Get a comfortable position at the plate. Be relaxed. I found that out but almost too late.

"Don't try to copy anyone. They say I am trying to copy Stan Musial. When I first came up they said I stood like Joe DiMaggio. I've copied nobody's stance. I'm up there trying to get hits. But with this crouch I now use I can see the ball better. And with my feet closer together I can follow the ball better."

National Guests Present Program At Field Woman's Club Breakfast

May Breakfast of the Field Woman's Club, which was held Saturday morning at the school building, was in charge of Mrs. Ralph Nelson.

Students from the club presented a most interesting program. Introduction of "National Friends" was given by Sam Allen, counselor at Wayland.

From China, Miss Okamoto of Japan and Fred Okamoto of Hawaii each appeared to present the Chinese situation. The Chinese situation was most amusing and interesting, the customs of what Communism is in China—and what he thought of his people when he was in China.

From Okamoto sang love songs, and compared the program by the Holy City.

From student from Palestine an Arabic costume and an interesting talk and hardships his people through at this time. He returned to Palestine upon completing his work here, as a medical missionary, he said.

Mrs. Ralph Nelson acted as toastmistress at the breakfast. Mrs. Elton Hauk gave the invocation. Mrs. L. L. Massengill, retiring president presented Mrs. Eugene Johnson, chairman of the Music Department of the club, with a book of Stephen F. Poster's selections, in behalf of the department, from the 7th District Federated Clubs, for their outstanding music achievement.

Mrs. Allan Hodges in behalf of the Woman's Club, paid a tribute to Mrs. Massengill and also presented her with a gift.

Preceding the introduction of the international guests, Mrs. C. A. Miller lead the group in singing a number of songs, including the club song, "Love and Grow."

Decorations for the speakers table featured an arrangement of miniature international flags, placed in front of a bowl of red roses and white iris. The same floral arrangement was used on the other tables. Places were marked by miniature flags, representatives of the United Nations. Covers of the programs featured a world globe, with the inscription "World Fellowship" inscribed on the "globe." A program and a pencil were at each place.

A menu consisting of broiled grapefruit, scrambled eggs, sausage links, hot rolls, sweet rolls and coffee was served.

Guests of members attending included Mesdames Ernest Brooks, Mackey Greer, Harold Clements, L. T. Green Jr., Mulshoe, M. F. Green, Mulshoe, Forbes Tatum, Don Berger, Bartlesville, Okla., J. C. Mother - Daughter Banquet Held At Whitharral

The W. M. U. of the Whitharral Baptist church gave a banquet Friday night, May 9, honoring the girls' auxiliaries and their mothers.

G. A. colors of blue and silver decorated the T-shaped table as did bouquets of white snapdragons.

The professional was played by Barbara Stafford. The pastor, Rev. Joe Denton, gave thanks. Patsy Heard was toastmistress. All sang the G. A. song.

"Our Radiant Stars" (introduction of mothers) was by Barbara Sires; "Starring Our Daughters" by Mrs. B. E. Hayes, and "Stars Goodnight" (prayer) by Mrs. E. B. Hisaw.

The menu consisted of nuts, meat loaf with sauce, green beans with new potatoes, vegetable salad, olives, hot rolls, iced tea and pecan pie.

Enjoying the occasion were Mrs. C. C. Overman and Beverly, Mrs. C. H. Billings and Frankie, Mrs. B. B. Hisaw and Barbara Stafford, Mrs. R. M. Davis and Melvia Jean Oden, Mrs. R. L. Heard and Patsy, Mrs. O. L. Martin, Judy and Linda, Mrs. Elva Crank and Dorothy, Mrs. Ross Sires and Barbara, Mrs. Maud Armstrong and Mona, Mrs. D. H. Montgomery and Barbara, Mrs. A. B. Amherst Study Club Enjoy May Breakfast

The May breakfast of the Amherst Study club was held Saturday morning in the basement of the Methodist church at 9 o'clock.

The serving tables were decorated with miniature pink and green maline May Poles with pastel shaded satin ribbon streamers at the end of which were miniature May baskets filled with spring garden flowers.

Favors were small May baskets of flowers with place cards.

Mrs. Elmer Crabtree gave the invocation for the occasion and the club president, Mrs. Lee Payne welcomed everyone. The members introduced their guests.

Following the breakfast of scrambled eggs, bacon, hot biscuits, butter, jelly, fruit juice and coffee, Mrs. Lester LaGrange introduced the program and accompanied the group on the piano as they sang the club song, "Love and Grow."

Mrs. Ray Blessing led the group.

Mrs. James Holland presented the story, "The Blue Rose."

Mrs. Randall Crawford installed the new officers for the coming year. She is a member of the Amherst Junior Study Club. Those installed are: Mrs. C. R. Stevens, president; Mrs. Ray Blessing, vice president; Mrs. Mal Wynne, recording secretary; Mrs. Horace Holt, corresponding secretary; Mrs. James Holland, federation councilor; Mrs. Claude Coffey, treasurer; Mrs. Lester LaGrange, press reporter; Mrs. Emey Blume, critic; and Mrs. Rogers Willett, historian.

Mrs. Payne was presented with a gift as an outgoing president and Mrs. Crawford was also given a gift.

Local Couple Observe Twenty-Fifth Wedding Anniversary

Mr. and Mrs. Elton Hauk entertained with a reception Sunday afternoon, May 18, from 4 to 8 o'clock, at their home, 101 South Westside Avenue, in commemoration of their twenty-fifth wedding anniversary.

In the receiving line were Mr. and Mrs. Hauk, his mother, Mrs. Chas. Hauk, and his sisters and their husbands, Mr. and Mrs. Harry Williams and Mr. and Mrs. Bernard Collins of Midland.

Decorations featured a white and silver color scheme. The table laid with a handsome cutwork linen cloth, was decorated with a huge silver wedding bell, and an arrangement of white gladioli and feverfew. On either side of the large bell was an arrangement of miniature triple silver wedding bells. White tapers in triple sterling silver candelabra completed the table decorations. (The candelabra was a wedding gift to the bride from the groom.)

Other decorations in the entertaining room, was an arrangement of white gladioli and lemon leaves in a lovely handpainted bowl, placed on a table at the entrance. A silver bowl filled with baby-breath graced the coffee table.

Mrs. W. G. Morris registered the guests. Mrs. J. Frank Davis, of Sweetwater, cousin of Mr. Hauk, and Mrs. Herbert Johnson of Lubbock, alternated presiding at the silver tea and coffee service, while Mrs. Al Chambers and Mrs. Mary Rutherford served the cakes.

Refreshments consisted of cake squares covered with white icing topped with a miniature silver wedding bell, assorted nuts and tea and coffee.

Others assisting in the house party included Mrs. Doss Maner, Mrs. Frank Anzeline, Mrs. John Price, Mrs. D. W. Hawcom, and Misses Johnnie Windwehen, Sandra Guidroz and Gloria Thomson, and Mr. and Mrs. Hauk's daughter, Miss Monya Hauk.

Lovely wedding gifts consisting of many pieces of sterling silver were attractively displayed and viewed by the many guests.

Traditional recorded wedding music was enjoyed during the entertaining hours.

Those who called during the afternoon included Mr. and Mrs. Dewey Hulse, Mr. and Mrs. Dewey Hut-

Following their marriage they moved to Whitharral, where Mr. Hauk was engaged in farming until 1935, when they moved to Littlefield. They have one child, a daughter Monya age 15, who is a freshman in Littlefield High school.

BEAUTY: News For Lazy Reducers

By BETTY CLARKE
AP Newsfeatures Beauty Editor

Most glamor seekers will do anything to keep looking lithe and lovely, but they usually prefer the easy road to Charm Street. Suggest anything that is based on an eight-day plan or a 30-day plan or a routine of exercises to be done each day, and they throw up their hands in despair. Yet there is no easy way out in the quest for loveliness.

If you want to be slim and pretty, you must work for it. You can't wish away surplus pounds or pimples or gray hair. Sometimes a beauty experiment will show that it is going to give good results, but even then because it will take a few weeks more to accomplish the planfully, it is tosed to the winds.

We women are pretty perverse when it comes to reducing, in particular. We will walk a mile to buy a new fashionable shade of lipstick, but if it is suggested that a mile-a-day walk will help trim the waistline, we ignore it. We will starve ourselves at breakfast and gorge at lunch. Or we will give up milk and sugar, then try to persuade ourselves that the denial of those entitles us to eat a big piece of whipped cream cake.

If someone suggests exercises which require lying on the floor, we think of it as hard work, immediately. Anything we can do without exerting ourselves too much appeals to us, and usually it is only by exerting ourselves that we can discard extra pounds.

For this reason many women prefer to lose their inches by the capable hands of a masseuse kneading and slapping bulky areas, or one of the new mechanical slenderizers which help take off unwanted inches. One of these invented by a young electronic engineer, Bill Browner. Pads are fastened to parts of the body that need slimming, and electrical impulses of the machine help contract muscles controlling those areas. This relaxing machine works

Two Local Couples To Attend Rotary Convention International In Mexico City

President-elect David Keithley of Littlefield Rotary Club, and Mrs. Keithley, and Dr. Ira E. Woods and Mrs. Woods will represent the local club at the 42nd annual convention of Rotary International convening in Mexico City, beginning next weekend.

The Littlefield delegation will board a chartered plane in Dallas, for the four hour trip to Mexico City.

An attendance of more than 8,000 Rotarians and members of their families from 60 countries of Europe, Asia, Africa, and North, South and Central America are expected.

Keynote of this five-day gathering of business and professional executives, who represent more than 7,500 Rotary Clubs in 83 countries, will be the internationality of the Rotary organization.

Throughout the convention program, emphasis will be given to the opportunities which Rotarians have, in all parts of the world, to work for the achievement of one of the principal goals of Rotary—the advancement of international understanding, goodwill and peace.

The Rotary convention program includes addresses by outstanding speakers, discussion forums, the enactment of legislation, election of officers, and special entertainment features. Rotarians also will study the common problems of their various businesses and professions and the many community-betterment activities engaged in by Rotary Clubs throughout the world.

Among the speakers scheduled to address the Rotary convention are Miguel Aleman, President of Mexico; Dr. Alberto Lleras, Secretary-General of the Organization of American States, and Rotarians from Brazil, Ecuador, England, France, Honduras, Hong Kong, Japan, Uruguay and the U.S.A.

One of the highlights of the convention program will be a forum discussion participated in by four of the 194 outstanding college graduates from all parts of the world who have received one-year fellowships from Rotary International for study, as ambassadors of goodwill, in countries other than their own. The speakers will be a student from Argentina studying at the University of California, one from England studying at the University of Alabama, one from Mexico who studied at the University of Nebraska, and one from the U.S.A. who is attending the University of Mexico. Grants for these Rotary Fellowships over the past six years have totaled more than \$1,000,000.

Rotary's President, Frank E. Spain, today announced that during the past eleven months, 225 new Rotary Clubs have been organized in 26 countries, bringing the membership of this world-wide service club organization to an all-time high of 258,000 business and professional executives who are members of more than 7,500 Rotary Clubs in 83 countries and geographical regions.

"SORORITY BOARD WINNER"

The Sorority Board at their annual meeting selected this all cotton suit as the Number One Fashion in which they would like to go back to school.

The Sorority Board is made up of the Presidents of the various Sororities at Southern Methodist University. Each year they meet to assist the Manufacturer in styling a Back-to-School Line. They were very enthusiastic in their reception of the new cotton Fall materials shown. They liked the casual look and the low budget cost and upkeep of these new fabrics.

The above style is made in Milton C. Blum's two ply all cotton suiting. The Manufacturer is Clock-Wise Fashions of Dallas, Texas. The Designer, Mr. Philip Montesana.

State Selective Service To Induct 1,251 Men In July

State Selective Service headquarters is scheduled to mail pre-induction and induction draft calls Friday calling for the examination of 1,589 men and the induction of 1,151 men in July.

This bears out a prediction of Brigadier General Paul L. Wakefield, the state Selective Service director, earlier this spring that draft calls would begin to rise in the summer and be heavier next fall.

The June call, announced about two weeks ago, was for only 384 men. The number of men receiving the pre-induction physical and mental examination in June will be 2,159.

The July induction call for 1,251 men in July is the Texas share of a national quota of 23,000, the state director of Selective Service said. The induction call in July 1951 was only 367.

The July call will be filled with men 20 years old and older. General Wakefield said that Texas has only about 300 examined and acceptable men 21 years of age or older. The remainder of the quota will have to come from the 20-year-old group.

The local boards will not be able to induct any man below the age of 20 with the exception of delinquents and volunteers.

As of the end of April, Texas had inducted 28,658 men since the beginning of the conflict in Korea. More than 91,000 men were given pre-induction examinations during the same period.

Sister Of Mrs. B. A. Medlin Is Taken By Death At Abilene

Mrs. B. A. Medlin attended funeral services at Lubbock Monday for her sister, Mrs. Annis Nipp, 55, who died in an Abilene hospital early Sunday following a long illness. Interment was made in Lubbock Cemetery.

Other survivors include her husband, J. A. Nipp of 2809 Ave. A, a daughter, Betty Jo Nipp, and her mother, Mrs. W. M. Eaves, both of Lubbock; and two other sisters, Mrs. Lorena Nipp of Lubbock, and Mrs. T. W. Davis of Fort Worth, and three brothers, Elmer Balme of Martine, Calif., Marion of Lubbock and Woodrow, in the armed forces overseas.

Mrs. J. E. Chisholm, Sr., and son, J. E., are leaving Sunday, to attend market at Fort Worth, and Dallas. Mr. Chisholm will also attend to other business there.

EMMANUEL LUTHERAN CHURCH NEWS

The children attending the Emmanuel Lutheran Saturday School, and teachers, will end their nine months of Bible study, singing, and game playing, on May 24. A light lunch will be served the children and games will be played under the direction of Mrs. Wilson and Mrs. Heckman. The children are to bring cookies to go with the ice cream that will be served.

Teachers for the Saturday School have been Mrs. E. C. Hill, Betty Brandt, and Pastor Heckman, assisted by Mr. Earnie Brandt, Martha Neunschander and Mrs. Heckman.

The next educational activity is the Vacation Bible School which will begin July 14 and last until July 25.

Record Attendance At Palo Duro Canyon In Fiscal Year Ending May '52

Attendance at Palo Duro Canyon State Park reached the astounding record total of 130,279 in the fiscal year ending May 14, 1952. These people came in 35,143 cars, trucks and busses. During the travel year ending in September Palo Duro State Park attracted more out of state tourist cars than any other Texas tourist attraction. This lead has been increasing since that time.

Attendance for the fiscal year ending May 1951 was 98,063 and for the fiscal year ending May 1950 was 108,894 and the attendance for the year ending May 14, 1949 was 50,250.

Park officials report that if the present percentage of gain continues to hold the attendance may reach 150,000.

Playground equipment, improved water facilities, additional picnic units and improved lateral roads are being added to the park this spring. Paving, additional lights and bus service have been added during the fiscal year.

John L. McCarty, public relations

counsel and concessionaire, who has had charge of the park development since May 1949 reports that tourist acceptance of the "World's Most Colorful Canyon" is 99 percent enthusiastic. He believes that foundations laid will result in an increasing flow of tourist travel to the park, bringing handsome economic assets to the entire Southwest.

Vocational Interest Tests Given Junior And Senior Students

VETERANS OF FOREIGN WARS OF THE UNITED STATES

From The Offices Of The Hi-Plains Water District

Did You Know?
One-fifth of all the water used in the United States comes from underground water storage, such as ours, and that the amount used has doubled between 1930 and 1950? Who? How Much? Where? When? A lot of questions have been asked the district on the tax that is to be paid this fall. We hope these few questions and answers will help clarify some of those points.

Who Pays This Tax
All people within the district who have rendered taxes, both personal and real.

How Much Is This Tax
Three cents per \$100 state and county valuation, or, roughly, 30 cents per 160 acres of land, depending on your county valuation.

Where Is It Paid
At your county tax collector's office.

When
At the same time you pay your other state and county taxes.

These are the duties of the county committeemen as set out in the by-laws of the Hi-Plains Water District.

County Committeemen

ARTICLE 8
County committeemen consisting of three men for each county shall be elected for that portion of each county which lies within the bounds of the district. County committeemen shall advise the directors, after adequate investigation, in regard to applications for exclusions of land for the district and appli-

cations for location of wells. County committees shall nominate candidates for directors, and shall inform directors of the wishes of people residing in the district, make recommendations, and aid and assist directors in any manner they deem proper.

ARTICLE 9
Each county committeeman shall be 21 years or more of age, be a citizen of the State of Texas, and reside within the bounds of the district and in the county for which he serves, and shall own land subject to taxation in the area in which he is elected.

ARTICLE 10
The terms of office of present county committeemen shall end on the second Tuesday in January, 1952, or when their successors are elected and qualify, as hereinafter provided; and on such second Tuesday in January an election shall be held in that part of the district in the bounds of the district for the election of county committeemen by the qualified voters of each portion of each such county.

At the first meeting of said county committeemen in each county for which they are elected, slips of paper of equal size and shape on one of which shall be written only the words "One Year," on one of which shall be written the words "Two Years," and on one of which shall be written the words "Three Years" shall in the presence of all said county committeemen be prepared and passed in a receptacle by a disinterested person selected

A column of smoke and fire rises over the nearby residential area of Corpus Christi, as a spectacular fire threatens the Southwestern Tank and Refining Company plant. by said committeemen. Each of said committeemen shall then in the presence of all the county committeemen for their particular county, and with receptacle placed or held above the heads of such committeemen so that slips of paper cannot be seen by them and their contents and positions in such receptacle known to them draw one of such slips of paper therefrom; and the committeeman drawing the slip of paper having thereon the words "One Year" shall hold his office one year or until his respective successor is elected and qualifies, and the committeeman drawing the slip of paper having thereon the words "Two Years" shall hold his office two years or until his respective successor is elected and qualifies, and the committeeman drawing the slip of paper having thereon the words "Three Years" shall hold his office three years or until his respective successor is elected and qualifies, and the committeeman drawing the slip of paper having thereon the words "Three Years" shall hold his office three years or until his respective successor is elected and qualifies. Thereafter an election shall be held in that portion of each county lying within the bounds of the district for the election of a committeeman on the second Tuesday in January of each year in which the term of office of the previously elected committeeman elected at second and succeeding elections held in said respective counties and parts of counties shall hold office for three year or until their successors are elected and qualify.

ARTICLE 11
Candidates for county committeemen for that portion of each county lying within the bounds of the district shall be nominated by the county committeemen whose terms are not expiring and by the county judge or county agent (whichever shall be appointed by the director of the director's precinct in which a given county lies) on or before the 15th of December in each year. Also, the name of any qualified individual shall be placed on the ballot as a candidate for county committeeman upon presentation of a petition so requesting signed by 25

or a majority, whichever is less, of the qualified property-owning tax-paying voters residing in the district and in the county concerned. Any vacancy in office of any county committeeman shall be filled by appointment by the Board of Directors, the individual appointed to serve the remainder of the unexpired term of the individual replaced . . .

Roping Club To Sponsor Annual Queen Contest

A highlight of the annual Jaycee rodeo will be the crowning of the junior and senior queen, to reign over the 7th annual rodeo to be held at Lamb County Fair grounds, June 12, 13, 14.

All girls in Lamb County are eligible to enter. Ages for the junior queen are up to 14 years. Senior queen will be selected from entrants 14 years and older.

Also to be selected will be the winner of the kid pony contest, when a little cowboy and a little cowgirl will be named.

Littlefield Roping Club is sponsoring the queen contest, and President Gene Williams announced that out of town judges will judge the contests. Good horsemanship will be the qualification on which the entrants will be judged, he announced.

LYMAN'S
RECIPE OF THE WEEK
By Mary Lee Taylor
**Chicken, Peas 'n Rice
Dinner**
Broadcast: May 17, 1952

1/2 cup oil
1/2 cup milk
1/2 cup butter
1/2 cup salt
1/2 cup pepper
1/2 cup onion
1/2 cup peas
1/2 cup rice

1/2 teaspoon salt
1/2 teaspoon pepper
1/2 cup water
2 1/2 cups hot
cooked rice
No. 303 can peas,
heated and drained

Put chicken and milk in bowl. Chill
overnight. Then drain and save milk for
soup. Roll chicken in mixture of 1/2
cup flour, 1 1/2 teaspoons salt and 1/2
teaspoon pepper. Brown slowly in 1/2
cup hot fat in skillet 45 minutes, or
until dramatic is tender when pierced
with fork. Remove chicken and keep
warm. Drain off all fat from skillet but
save 1/2 cup. Mix 3 tablespoons
oil, 1/2 teaspoon salt and few grains
pepper into fat in skillet. Stir in water,
oil and stir 2 minutes. Stir in milk
and heat until steaming hot. While
chicken cooks, mix rice and peas
into greased bowl holding 4
cups. Let stand in warm place about
15 min. Turn out on warm platter.
With back of spoon press a hollow
in center. Fill hollow with gravy. Put
chicken around rice. Makes 4 servings.

Letters To The Editor

Dear Fellow Citizens and Taxpayers:

Much has been said and many comments made about the question of consolidation, which so far hasn't gotten us very far. As Saturday, the 24th, is the voting date, I take this opportunity of calling your attention to a few facts.

Taxes for instance. We pay an average of \$110 per quarter section in Spade school district. The taxes in Littlefield school district at \$125 on average. Should we vote to consolidate our taxes will be the same as they now pay. I ask you to investigate this for yourself.

The \$32,000 bond issue carried, which will make a total indebtedness of around \$75,000 or \$80,000 against our school district.

I ask you can we afford to assume this tremendous obligation,

with the grade of school that we have and will have, and turn down our opportunity of consolidation and securing the benefits of a first-class school? Are you willing to sacrifice your child's and your neighbor child's education, just to keep a one horse school in the community?

Don't be misled. There is a great difference in the two schools. We are bound to lose our high school in the very near future. Then we will be paying the \$80,000 only on our grade school. The high school money will be leaving our district. Our taxes will be much higher, so let us vote Saturday for consolidation, while we have the golden opportunity. Littlefield may not accept us after we have assumed a lot more indebtedness.

A Taxpayer.

District Water Meeting Held In Muleshoe

Eighteen farmers and businessmen met in Muleshoe last week to discuss with the county committee various points of the Hi-Plains Water District program of work.

The county committee of Bailey, Castro, and Parmer Counties were present in this meeting, and each expressed their viewpoints on several matters confronting the district.

There seems to be a definite feeling among the committeemen of these counties, and others that have had similar meetings, that well spacing and prevention of waste must be taken into immediate consideration.

As soon as similar meetings are held in the other two precincts, some plan of study will be worked out to gain all information possible concerning spacing and stoppage of waste.

WTCC President Frank Kelly To Speak At Muleshoe C of C Meeting Tomorrow

C. E. Daniel, Local Cotton Buyer, Is Taken By Death

Funeral services were held from the First Baptist Church, Lexington, Oklahoma, Wednesday afternoon at 2 p.m., for C. E. Daniel about 59, who suffered a heart attack and died suddenly Monday morning at 8:30 o'clock, at Durant, Oklahoma. Burial was in the Lexington cemetery.

Mr. Daniel had been in Durant the past two weeks, attending to business, and making preparations to move his family there, when he became suddenly ill Monday morning. Mrs. Daniel received a phone call that morning, advising of his illness, and was at the bus station, waiting for a bus to take her to her husband's bedside, when the death message was received here. However, she boarded the bus and arrived there Monday evening.

Survivors included the wife, and two sons. Both sons are auditors and are with the armed forces. Chester Daniel is stationed at Mineral Wells, and Kenneth Daniel is stationed at Topeka, Kansas. Three grandchildren also survive.

Mrs. Daniel's aged father, Mr. Cotton who makes his home here with his daughter, attended the funeral services. He accompanied on to Galveston, Texas.

Homer Sanders, who at Muleshoe and city have arranged a meeting in Muleshoe at 8 o'clock on Thursday evening at Fellowship Hall on West 1st and 2nd streets.

WTCC President Frank Kelly of Colorado City, District Director at Large, W. J. New Deal, and other leaders will discuss the progress of the work done by West Texas Commerce.

Some of the work of the next few months will be of particular interest.

Banquet tickets are

two cousins of the deceased, Albert Hardin and M. B. of Lubbock.

Deceased was a native of Texas and spent a great deal of his life in Texas.

Mr. and Mrs. Daniel had children returned to Houston and Galveston here Friday night.

Friends, Pfc. and Mrs. Daniel, at Houston, and Mr. Daniel, at Galveston, Texas.

C. of C. Highway Committee Meets With City Commission Wednesday

The committee recently named by and through Chamber of Commerce, for the purpose of studying the tentative proposed possibility of widening Highway 84 by four additional feet, which is asked by the state highway department, with the alternative probably meaning by-passing of the city through a new by-pass route, has been consulting business men and property owners along the route of the important artery, which traverses downtown Littlefield, on Delano Ave. from east to west.

Nothing definite has been done or decided by the committee, and another meeting was scheduled for Wednesday night with the city commission.

It is expected that the commit-

tee composed of Charles Duvall, Ralph Douglass, Roy Byers, Buster Owens, Sr., B. D. Garland Jr., Pat Boone Jr., Douglas Howell, Ray Hulce, and Bill Kelly, will be ready to make either tentative or full report to the Chamber of Commerce in the next few days.

Good Government Is Speaker's Topic At Lions Luncheon

"Good government starts at home," states A. J. (Andy) Rogers, Childress, candidate for state senator from the 30th District. He spoke at the noon luncheon of the Lions club Wednesday.

Good government is like Christianity. Both must start at home. The point of view that everyone takes is responsible for the government, the speaker said.

"We should be informed. The people in the legislature should try to bring the facts before the people so that they can see what is wrong," Rogers stated.

The financial condition of the State of Texas is not known. The amount owed to or by the state cannot be shown. These statements were taken from the Griggin-Hagen report which was written in 1923.

"The situation has not improved," Rogers pointed out. "The problem has grown bigger."

There are too many agencies, bureaus and departments. Each one writes their own checks; sets their own salaries.

"No business could exist if it was run like our government is organized—or disorganized," Rogers said.

Today there are 200 agencies, bureaus, and departments in the Texas government run by 142 boards or individuals, the speaker quoted. They are completely free of legislative free to write their own checks.

"There are 222 checking accounts in the state government," Rogers said. "They have 170 million dollars lying idle."

This money is lying idle with taxes being raised. For example the state mental hospital need more help. With the 170 million dollars lying idle, the legislature will probably have to pass a law for more taxes, the speaker reported.

Rogers' solution is to have the money in one fund.

Rev. Bill Rogan Of Texas Tech To Preach At Local Church Sunday

Rev. Bill Rogan, educational director of Texas Tech, will preach at the Presbyterian Church Sunday morning. His text will be "The Kingdom of God Waits."

Rev. Rogan is reported to be an outstanding speaker, and members of the church will not want to miss hearing this forceful preacher deliver this sermon.

Rev. Henry Haupt, the new pastor called to the local Presbyterian church, will occupy the pulpit the following Sunday. He and his family are expected to arrive here May 29.

Olton Man Suffers Heart Attack

J. M. Hodges of Olton is in critical condition at Memorial Hospital Olton, suffering from a heart trouble. He suffered a heart attack Thursday and another on Friday.

Due to his critical condition both his sons, Cpl. John M. Hodges, stationed at Fort Jackson, N.C. and Marion E. Hodges, YN2c, who is with the Navy and aboard the USS Markab, have been notified, and are expected to arrive home on emergency leave.

ward Payne College in Brownwood Friday night. While playing football there, we made the All-Texas Conference team in 1950 and was placed on the Dallas Morning News All-Texas College team this past season.

Gene is well liked by all Littlefield youths and should be the best man that can be found to fill this job. Coach Fikes himself said Tuesday that McCanlies was the best end to play for the Wildcats since he has been head coach.

McCanlies will coach both the eighth and ninth grade boys, and will also teach classes on World History.

Charles Hester came here last year from Amherst and is already known among the local fans. He has helped instruct the Cats during the Spring training period which ended last week. He coached the junior high and Freshmen team this past season.
