RODEO CLOSES WITH A BANG!

Littlefield Sees America's Top Riders In Action

Littlefield's eighth annual Jaycee Championship Rodeo held on Thursday, Friday, and Saturday wound up with a total of \$3,815.63 top money shared by Elliott Calhoun of Las Cruces, New Mexico, and Bob Maynard of North Hollywood, California.

Thousands of spectators saw fine performances in the bareback bronc riding, calf roping, saddle bronc riding, steer wrestling and Brahman bull riding events. Produced by Bob Estes of Baird, this rodeo brought back many favorites of past rodeos and introduced some new names to the crowds.

Final results in the bare back bronc riding contest saw Dick Cronquist of Tulsa on "Joe Palooka", winning first prize. Second place went to Steve Johnson of Long

Beach, California on "Rumblesat", and third was Elliott Calhoun of Las Cruces, New Mexico on "Big Enough". Bob Maynard of North Hollywood, California on "Blythe Spirit" came in fourth.

Champion calf roper of this year's rodeo was Cotton Lee of Fort Sumner, New Mexico, with a total time of 29.8 seconds on two calves. John Dalton of Brownfield came in second with 32.3, and Dan Taylor of Doole was third with 33.7. Fourth place went to Bill Rush of Lovington, New Mexico with a time of 34.1.

Bud Linderman of Red Lodge, Montana, riding "Top Heavy", won the saddle bronc riding event to beat his brother, Bill Linderman. Bill tied for second and third place. (Continued on Back Page)

Cancer Fund Drive Will Be Made; \$1600 Is Quota For Lamb County

A group of Lamb County citizens met last Thursday with Miss Margaret Sharp, Field Representative for the American Cancer Society, and plans were laid for a county-wide drive for the month of June.

Representatives from each town and community of the county were chosen and letters have been mailed asking that these representatives meet with the board on Tuesday June 2, at 10 a. m. at 430 XIT Drive to start the campaign.

The county quota is only \$1,600 and the committee is asking that 1,600 people give one dollar (\$1.00) each as no campaign or canvass will have to be made on the business houses of the county.

Films will be shown at service clubs, home demonstration clubs meetings etc. throughout the county. Showing dates will be announced later.

Officers elected were A. C. Chesher, County Chairman; Albert Miller, Vice-Chairman; Jim Mangum, Secretary; Don Bell, Treasurer; Dr. Ralph Maurer, Medical Advisor; Rev. Harry Vanderpool, Liaison Officer; Mrs. I. T. Shotwell, Jr., Publicity Director, and Mrs. J. M. Maurer, Crusade Chairman.

190,000 Acres of Cotton On Irrigated Acreage To Be Planted By Week End

According to David Eaton, Lamb County Agent, a total of 190,000 acres of cotton on irrigated land will be planted by the end of this week, adding that most of the cotton that has been planted a week or longer is coming up to a good stand. Farmers who planted four or five weeks ago are replanting some of their cotton, Mr. Eaton said.

Out of possibly 150,000 acres of dry land cotton that would be

planted if we had the available moisture, there is very little planted, according to the county agent.

In the sandier soil around Sudan, there is quite a lot planted. This was done following the recent rain, which measured an inch or more in that area.

Also in the southwest corner of the county, where about an inch of moisture was received recently, some dry land cotton is being planted.

V. F. W. to Bring Alamo Shows To Littlefield Monday

The Alamo Exposition Shows, featured for many years in the historical "Battle of Roses" celebration in San Antonio, are coming to Littlefield on Monday June 1, under the auspices of the Veterans of Foreign Wars, for the purpose of raising money for their rehabilitation fund, Child Welfare fund, and building fund.

The show will be here from Monday June 1 through Saturday June 6 at the Fair Grounds. It includes many exciting rides for the children, and unusual shows for children and adults alike. One of the outstanding features of the (Continued on Back Page)

Heart Attack Fatal To P. D. Garrett, 69

P. D. Garrett, 69, of Tusculum, Alabama, passed away suddenly at the Littlefield Hospital about 5 p. m. Monday, as the result of a heart attack.

Mr. Garrett arrived about a week ago in Littlefield to visit his son and daughter-in-law, Mr. and Mrs. Andrew Garrett.

Mrs. Andrew Garrett is a daughter of Mr. and Mrs. Dock McAllister of this city.

The remains left by train Tuesday afternoon for Tusculum, Alabama, where funeral services are expected to be held this afternoon (Thursday) at the Westside Baptist Church, with Rev. J. G. Lard, pastor, officiating.

Survivors include his wife, two sons and five daughters. The sons are Andrew of Littlefield and William of Sheffield, Alabama. The daughters are Lizzie, Lula, Inez, and Nannie Garrett at home, and Mrs. John W. Wood, also of Tusculum.

He is also survived by four brothers, Monroe Garrett of Tusculum, Alabama, Lester and Clifford of Russellville, Alabama, and Mack Garrett of Detroit, Michigan.

Mr. Garrett was a member of the Baptist Church of long standing.

Kenneth Pharris Is Flying Jets in Japan

JAPAN AIR DEFENCE FORCE . . . Second Lt. Kenneth W. Pharris of Littlefield, a U. S. Air Force all-weather fighter pilot with the 68th Fighter Interceptor Squadron in Japan, climbs into the cockpit of his F-94 jet interceptor to fly an air defense mission over southern Japan.

All-weather pilots such as Lt. Pharris play a vital part in the vast air defense network over the Japanese islands. They are ready at any time to pit their experience and training against any possible air invader.

Lt. Pharris is a son of Mr. and Mrs. Paul Pharris of Littlefield. He was graduated from the Littlefield High School with the class of 1948, and was in his third year at Tech College when

he entered the service. He took his basic training at San Antonio and was stationed at San Antonio, Columbus, Miss. and Moody Field, Ga. He was awarded his wings at Williams Air base at Chandler, Arizona. He is now at Itavuke Air Force Base near Fukuvia, on the island of Kyushu, Japan. He has been in the service two years and overseas since February of this year.

Charles Pharris, brother of Kenneth, is also in the service. He is connected with the aerial photography branch of the service and is stationed at Burbank, California. He has been in the service about a year. Mrs. Pharris is with her husband at the base, and is employed there also.

MANAGER BRINGS ABOUT ARREST of "Princess" Bond Gosset, Alleged Queen of Texas Check Cashing, Taken by City Police

Bond Gosset, the alleged queen of Texas check cashing, was arrested here Saturday at 7 o'clock by city police. She is alleged to have attempted to cash a check at the store at the corner of 10th Avenue and Eighth

and made the arrest.

The "Princess" was wanted throughout the state. She is said to have visited at least 16 Texas cities within the past six months, leaving nothing but worthless checks signed by "Princess Bond Gosset". Her tour had taken her to Lubbock, Houston, Austin, Brenham, Brownwood, Cuero, Gonzales, Greenville, Longview, McKinney, Sherman, Taylor, Temple, Muishoe and Farwell.

The merchants in Littlefield were alerted four days before her arrival here.

After her arrest, "Princess Bond Gosset" spent Saturday night in the Farmer County Jail in Farwell.

Judge Hopping's Condition Better

Improvement is reported in the condition of Judge R. C. Hopping, who recently sustained a severe stroke. He was removed from Lubbock Memorial Hospital Monday to his home on Highway 84, where he is under the care of special nurses.

Judge Hopping is a former highly esteemed resident of Littlefield and Lamb County. He has been a resident of Lubbock for many years.

BUDDY POPPY SALES IN LAMB COUNTY SET ALL-TIME HIGH

The 1953 Buddy Poppy sales in Lamb County set an all-time record when the Ladies Auxiliary, Gold Star Mothers and volunteer workers sold over 2,700 of the poppies and made a profit of \$483.85 to be used by the VFW in welfare and rehabilitation work in Lamb County.

Chairman Jimmie Chapman said that this was the best year that the local post has ever had. Last year's profit was only \$324.00, Chapman also said that the people in Lamb

county set a fine example of their gratitude to disabled veterans because more people bought poppies than ever before. "It's a good example that the people in Lamb County have not forgotten the veterans that can't forget. And on behalf of the VFW, wishes to thank all of the people that helped in the sales in any way and I assure you that the money will be put to good use in the kind of work it was intended for," Chapman said.

Rev. Heckman Resigns Pastorate To Accept Charge At Harlingen

In a special called meeting at Emmanuel Lutheran Church this past Sunday afternoon, pastor H. A. Heckman was given a peaceful release from the West Third Lutheran congregation that he might accept the call to become the pastor of St. Paul Lutheran Church in Harlingen, Texas. The plans at present call for pastor Heckman

to remain here until the end of Vacation Bible School at Emmanuel Lutheran, which lasts from June 1st through June 12th.

Past history recalls that the Heckmans came to Littlefield in February of 1949. Pastor and Mrs. Heckman have three children, Gary, Kathleen, and Michael.

Home Coming Service Planned At Littlefield Missionary Baptist

A very special Home Coming Day service is being planned by the Littlefield Missionary Baptist Church, 317 Drive and 8th Streets this coming Sunday. This will be an all day service with dinner served at the church by the ladies of the church. Since this church has been blessed of the Lord in having so many young men and women surrender their lives for full-time service to the Lord, this is a special day for them.

Home Coming day is a day when old friends come home for a day of fellowship, and is a day when those who have been called to full-time service for the Lord come from their pastorates and places of service and tell of the great

things the Lord hath done.

Home Coming Day is for all of those who are away in Seminary and University. Home Coming Day is for all those who are out of service to come back to the Lord.

Sunday will be a great day of fellowship. Dr. Weldon B. Meers, pastor of the church, will bring the morning message. The remainder of the entire day's service will be given over to the young preachers of the church.

A cordial invitation is extended to all who enjoy great preaching, hearts united in prayer, spiritual singing and a wonderful time of fellowship. The church is air conditioned.

Vacation Church School To Open At Presbyterian Church June 8

At a called meeting Monday afternoon at 4 o'clock at the Presbyterian Church, plans were made for the Vacation Church School, the time for which was set for Monday June 8, and which will continue for two weeks.

The school will be in session from 8:45 until 11:30 a. m. and will be directed by Mrs. Oscar Wilmon.

Miss Virginia Rogers will be organist and pianist, Mrs. Ben Craw-

ford, secretary; Mrs. Ruth Badger, head of Kindergarten, with Mrs. Ruth Hilton, Miss Virginia Rogers, Mrs. Fred Underwood and Miss Donna White as helpers; head of Primary department will be Mrs. Mackey Greer, and her helpers will be Mrs. Bruce Porcher and Mrs. Henry Haupt.

Head of the Junior department will be Mrs. Hector McKay, and she will be assisted by Mrs. Corley and Miss Diane Hall.

Extension of City Mail Delivery Routes Granted by P. O. Department

Post master W. D. T. Storey announced Monday that an extension of the City Mail Delivery routes had been granted by the post office department for the city of Littlefield to include the 900 and 1000 block of West Fourth Street, the 1400 to 1500 of West Fourth, the 1100, 1200 and 1300 blocks of West Ninth Street, and the 1000, 1100, 1200 and 1300 blocks of West 10th Street. This will accommodate quite a number of families.

All patrons living on these streets with the numbers indicated are requested to place city mail boxes up and have their houses numbered before the service can be started. It is very essential that all houses be numbered and mail

receptibles be placed handy for the carrier. The post office is anxious to get that delivery service started as soon as this has been done.

All persons living on city routes and all patrons of the local office should make every effort to have their mail properly addressed to either box numbers, street and house numbers, or rural routes. This speeds up the delivery, since so many times clerks are not familiar with the proper address. Mail improperly addressed so many times is either returned or placed in the wrong boxes. The public is respectfully requested to bend every effort to assist the personnel of the local post office by doing this.

Vacation Bible School To Get Underway At Church of Nazaree

Vacation Bible School will get underway at the Church of the Nazarene, 913 Phelps Avenue, Monday June 1, and will continue through Wednesday June 10.

According to the pastor, Rev. Clarence H. Mosley, all children are invited.

Rev. Mosley just arrived this week to take over the pastorate succeeding Rev. C. E. Townsend, who went to Amarillo.

Rev. Mosley came here from Tahoka.

Mr. and Mrs. Mosley have a daughter, Sharee, aged 3.

CHRISTIAN CHURCH LADIES TO SELL CAKES, PIES

On account of the Memorial Day Holiday Saturday, the ladies of the First Christian Church will sell cakes and pies at Nelson's Hardware on Friday May 29th, 3:00 to 5:00 p. m. according to Mrs. Cecil Plate of the church.

Last Rites Held For Whitharral Woman Friday

Funeral services were held Friday afternoon at 2 o'clock in the First Baptist Church of Whitharral for Mrs. Pearl Lorena Kenny, 61, wife of postmaster C. B. Keeny of that community.

Rev. Joe Denton, pastor, officiated and interment took place in Whitharral Cemetery under the direction of a Levelland Funeral home.

Mrs. Kenney died at her home Thursday.

She had been a resident of Whitharral for 27 years.

Surviving are her husband, C. B. Keeny; two sons, C. B., Jr., Fort Worth, and M. J., Orinda, California; two daughters, Mrs. Royce Matthews, Hale Center, and

BUSINESS FIRMS WILL BE CLOSED MEMORIAL DAY

Most of the business firms, including dry goods stores, shoe stores, dress shops, auto accessory stores, automobile dealers, furniture dealers, variety stores, lumber yards, grocery stores, and tailor shops, in Littlefield will be closed on Saturday May 30, in observance of Memorial Day. This is one of the holidays recommended by the Retail Trades Committee of the Chamber of Commerce.

First Farm Dinner Of Series Is Set For June 9

The Agricultural Committee of the Chamber of Commerce met Tuesday May 26, at Dyers Cafeteria to discuss a series of Farm Dinners to be held during the next four months.

The first of these Farm Dinners will be held June 9 at Hampton Gin, with the meal being served by the Sunnydale Home Demonstration Club. Jim Mangum will be the master of ceremonies. The second meeting will be held at Pleasant Valley on July 9 with County Judge O. F. Dent as master of ceremonies.

Tentative plans call for meetings to be held in August and September, the places have not been designated at this time. These Farm Dinners are designated to create better urban-rural relations.

Senate Confirms

Dr. Woods' Appointment To Optometry Board

The Texas State Senate last week confirmed the governor's appointment of Dr. Ira E. Woods of Littlefield, to a six year term on the Texas State Board of Examiners in Optometry.

Dr. Woods has been practicing for 23 years and is widely known for his work in the development of his profession. He was recently presented with the Distinguished Service Award by the Texas Optometric Association and was selected as "Optometrist of the Year".

He has also been very active in civic work in his community, having served most prominently in the Chamber of Commerce, Red Cross and Rotary Club. He is also a member of the advisory committee of the Littlefield City Commission.

Dr. Woods' appointment was made during 1952 when the Legislature was not in session. While these appointments are made by the governor, they have no legal validity until confirmed by the State Senate.

Attend Fall

Market At Dallas

Mrs. Otis Smith and Mrs. E. J. Newgent were among the 5,000 buyers who attended the American Fashion Association's Fall Market in Dallas May 24-29. Mrs. Smith was buying for Little's and Mrs. Newgent for Ware's.

Five hundred manufacturers' representatives, who comprise the American Fashion Association, displayed over 1,100 lines of women's and children's apparel at the Adolphus, Baker and Blue Bonnet Hotels, as well as the new Dallas Merchandise Mart, a building of permanent wholesale showrooms opened last August.

A LION OR TWO

"Dad," asked the small boy, "why is a man not allowed to have more than one wife?" "My son," replied the father, "when you are older you will realize that the law protects those who are incapable of protecting themselves."

The Littlefield Lions club is glad to welcome as a new member, Lion Arthur Lee Dean, manager of the Foxworth-Galbraith Lumber Company. "Art" came to Littlefield from Plainview where he was associated with the same company. His family consists of his wife, Evelyn, and 3 1/2 year old daughter, Marilyn. He resides at 901 East Seventh. Welcome to Littlefield, "Art". You'll be a real asset to both the club and the town.

"It marks a big step in a man's development when he comes to realize that other men can be called in to help him do a better job than he can do alone."—Andrew Carnegie

The new Sudan Lions charter night has been moved to June 9 and will be held in the high school cafeteria. As the sponsoring club, it is expected that all Littlefield Lions and their wives or escorts will attend.

Game Warden: "Don't you know that the bass season is closed? What are you doing with that big one on the line?"

Lion Onstead: "Well, you see warden, it was this way. He'd been stalling my bait all morning, so I just tied him up until I get ready to go home."

We hate to see Lion Bob Crowell and family leave us for parts unknown (that means Snyder). He's been a real asset to the club in so many ways there's not room to enumerate them. If you remember his part of "Snowball" in the annual minstrel, you know something of what we mean. We wish "you all" the best of everything -- it's well deserved.

The old man in the corner chair wept quietly as the hostess' daughter sang, "My Old Kentucky Home". The hostess whispered tenderly, "pardon me, sir, but are you a Kentuckian?" "No ma'am," he replied, "I'm a musician."

There are over 450,000 Lions in 37 counties on five continents.

New Producer For Lamb County Is Believed In Sight

Jones No. 1 Lamb County, 6 miles southeast of Littlefield is expected to be numbered with the constantly increasing number of producing oil wells in Lamb County.

Drilled to a depth of 9,000 feet, the well was pulled back to 6,400 feet and casing set. This well will be acidized.

District 2 4-H Camp At Lubbock June 2

District 2 4-H camp will be held on the South Plains fairgrounds at Lubbock June 2, 3, and 4. Eight Lamb County girls can attend. Each girl wishing to attend were to have written a letter to Mrs. Hickman stating, "Why I want to go to camp and what I've been doing in 4-H club work", and it was to have been in her office by last Saturday.

To Attend Summer School In Denver

Thomas E. Ernest, supervisor of Lamb county schools, plans to leave June 3 for Denver, Colorado where he will attend summer school at the University of Denver. This summer's school work will be toward a doctors degree of education.

This University of Denver is a Methodist school and he has spent four previous summers in school there. Mr. Ernest says he hopes to also do some fishing on the side in Colorado and also in parts of Wyoming, returning to his present duties around August 20.

BOB CROWELL IS PRESENTED WITH FAREWELL GIFT AT TV PARTY

The Wesley Fellowship Class of the First Methodist Church enjoyed a TV party in the church basement Tuesday night.

Following the meal, KTUT-TV came on the air and Shu-Shu (Mrs. Tom Hilbun) was presented as MC. She introduced and interviewed the contestants in the talent show. Tom Hilbun was Allosius. He played on his harmonica. Mrs. Albert Miller, as ZaZa, sang, "Through the Years", and then Bob Crowell, as Heinrich Schmile, and Tom Hilbun did a couple of skits about the porter on the train and the Dutchman's interview with the

Internal Revenue man.

Homer Garrison, as Eddie Jones, sang a song and he and Mrs. Albert Miller sang some duets. The applause meter declared Heinrich Schmile the winner, and Albert Miller presented the award, which was a farewell gift from the class, the gift being a standard revised edition of the Bible, to Mr. Crowell, who is moving to Snyder.

There were about 50 class members present, and the Dan French's and Mrs. Crowell's mother and sister, Mrs. Pflugger, from Pfluggerville were guests.

Rochelle Reports On Recent Trip To Washington On Cotton Classing Matter

Balfour Rochelle, chairman of the Legislative Commission, District II, Texas Farm Bureau Federation, reports on the success of the delegates to Washington in the interest of the cotton classing problem in a letter from Mr. Rochelle to the Lamb County Leader as follows:

"This letter is in regard to the trip made to Washington by Mr. Balfour Rochelle, of Amherst, Mr. Raymond Alken, Half-way, and Mr. Gene Mitchell from the Plainview Chamber of Commerce, Mr. Rochelle and Mr. Alken were representing District II of the Texas Farm Bureau Federation.

"We had breakfast Tuesday morning in the Mayflower Hotel with Congressman George Mahon, who obtained an appointment with Mr. Dusty Rhodes, Mr. Overby and Mr. Whitaker, of the Cotton Branch of the Department of Agriculture. We went into session at 9:40 Tuesday May 19th, and stayed until 12:30 p. m. In this meeting we went into all the difficulties this section has had in cotton classing. Also discussed light spots and split grades which they informed us didn't appear on Cotton Exchange. (there is no future market set up in split grades and light spots). They said they were considering getting loan grade on light spot and split grades.

"We had lunch in the House Cafeteria with Congressman Mahon and Congressman Poage. Representative Poage promised us his whole hearted support on our resolutions.

"Senator Lyndon Johnson and Senator Price Daniels obtained a hearing for us with Mr. Gordon, head of the PMA office, at 3:00 Tuesday afternoon. We arrived at Mr. Gordon's office with Mr. Perry, Price Daniels' assistant. When we arrived we found the entire personnel of the Cotton Branch in Mr. Gordon's office. They extended us a cordial reception. The Cotton Branch makes recommendations to the PMA who forward them to the Secretary of Agriculture. They in turn, if in favor of the recommendation, authorize the PMA to carry them out. The Cotton Branch spoke very favorably of Humidity control in Classing Offices, more especially in high dry climates. We were assured by Mr. Rhodes that it would have all the consideration of the Cotton Branch, and a possible try out on the High Plains. They assured us that we still have a possibility of a cotton classing office in Plainview. They heartily favored our recommendation that we have a board of farmers to meet with the Cotton Classing office of Lubbock once a week.

"It is a fact that the Lubbock office is self supporting. But the sale of cotton samples from the Lubbock office goes back to the Federal treasury, rather than the Agriculture Department, which in turn have their funds reallocated each year. Mr. Rhodes said the Lubbock office costs approximately \$200,000 a year.

"There was a discussion of the resolutions with Senator Daniels and Senator Johnson. Both promised to give us all the support along with humidity control in classing offices.

"When we left for Washington we were sure to have in our possession facts and figures that could not be denied. This did definitely help in every phase of our trip.

Yours truly,
Balfour Rochelle, Chairman
Legislative Committee,
District II

Russell Tidd Visits In Bill Blackman Home

Russell Tidd, formerly employed in the local post office as clerk and now with the Border Patrol at Edinburg, Texas, arrived Sunday night for a short visit in the Bill Blackman home with his daughters, Connie 4, and Ginnie, aged 2, who are being cared for by Mrs. Blackman, while their mother, who was stricken with polio the beginning of last March, is a patient in the polio ward at the Valley Baptist Hospital at Harlingen, Texas. Legionnaires Fight Proposed VA Fund Cut

The Texas Department of the American Legion with Legionnaires from every other state in the union have squared off for a knock down and drag out battle against 285 million Veterans Administration slash proposed by the Federal Bureau of the Budget.

In a chain reaction starting with National Commander Lewis K. Gough and extending down to 18,000 American posts, 791 in Texas, Legionnaires girded for what Gough termed "the most critical period in American Legion history since the economy act of 1933".

State Commander Albert D. Brown, Jr. fired Texas' 22 congressman and two United States senators urging they go before the subcommittee of the House Appropriations and fight against the proposed slash.

Department Adutant G. Ward Moody alerted every post commander and every post adjutant in Texas urging that they in turn contact their congressman and prevent the proposed slash.

"It will simply mean if this proposed economy is affected that thousands of Texas veterans now in Veterans Administration hospitals will be thrown into our already crowded state and local hospitals," Brown said. "With Texans being wounded all the time in Korean conflict, the proposed cut will simply mean that these service men will also have to be taken care of by the state and their own communities," the state commander declared.

The American Legion from the post national level, according to National Commander Gough will as that Veterans Administration budget should not be less than \$921,100,000 for administrative, medical, hospital and domiciliary services alone.

Basic Change In Gilmer-Aikin Act Will Save County Money In 1953-1954

AUSTIN, (Special to Leader)—A new Economic Index Law, which determines how much each county in Texas will have to raise toward \$45,000,000 of local support of the state's public school program has been passed by both houses of the Legislature.

This new law involves a basic change in the Gilmer-Aikin school laws and will save 10 counties in the 30th Senatorial district more than \$211,613 during the next year. It will lower Lamb County's local school costs \$37,630 during the 1953-54 school year.

Senator Andy Rogers of Chil-

dress, sponsor of the new law, S. B. 163, said that it will result in a more equitable distribution of local educational costs because it provides a method of distributing them that is more sensitive to economic changes, and keeps a more up-to-date check on those changes.

"This is a real break for West Texas and nearly all rural areas. Under the new law, the Economic Index will be re-figured annually by the Commissioner of Education, using three-year average data on the income of the counties as measured by manufacturing, min-

erals, agriculture, and payrolls," Rogers said. "Under the old law, the index was re-figured only once every four years, using data for the latest single year available," he said.

In setting the local fund assignments according to the Economic Index formula, it is not possible to have precise accuracy using the only statistical data presently available. Therefore, the new law provides that during the next two years no county's local fund assignment will be increased more than 10 per cent over its previous assignment. At the end of the two-year period, however, each county's assignment will be whatever it comes out according to the formula.

Factors by which the index is determined, and importance placed on each, are assessed valuation of

riding "White Wolf", with Gerald Roberts of Strong City, Kansas, who was on "Wheel of Fortune". Fourth place money was split between Billy Weeks of Jacksboro and Guy Weeks of Abilene, both riding "Silvertip".

Neal Gay of Carrollton turned in the best steer wrestling time to win first place with 6.9 seconds. Second place went to Dude Smith of Burk Burnett with 7.4 and Bob Maynard came in third with 8.1. Hurley May of Demming, New Mexico, was fourth with 8.8.

Elliott Calhoun won the Brahman bull riding contest, followed by Bernis Johnson of Cleburn in second place. Bob Maynard was third place winner, and fourth place was shared by Pat Scudder and Billy Hand of Pueblo, Colorado.

Grand entry events included the introduction of this year's rodeo queen, Miss Georgia Ann Matthews, daughter of Mr. and Mrs. Mason Matthews of Littlefield, and the junior queen, Miss Nancy Russell. Nancy is the daughter of Mr. and Mrs. Stillwell Russell of Littlefield.

Judges for this year's rodeo were Eddie Hovenkamp of Justin and Kent Fillingham of Fort Worth. The capable announcer, who held the crowd's attention despite the dust storm on the final night, was Bud Townsend of Henrietta.

Clowning and bullfighting, along with some fancy trick riding and roping, were furnished by a long-time rodeo favorite, Billy Keen, and his companion, the Cajun Kid. The Littlefield Jaycees, under the direction of Skipper Smith, did their usual fine job handling tickets and programs, and the parade preceding the rodeo saw many visiting riding groups in their best regalia.

Winners of trophies in the rodeo parade were the Hockley County Sheriff's Posse of Levelland, first place, and the Crosby County Sheriff's Posse, second place. Other riding groups in the parade included the Cochran County Sheriff's Posse, the Olton Riding Club, the Lamb County Sheriff's Posse, and the Hereford Riding Club.

planted. The central, southern part and southeastern part of the county haven't received enough moisture to plant on, and there has been no planting in that section.

As stated by Mr. Eaton, between May 20 and June 10 has always been considered the best time to plant cotton to get the best results.

Of the estimated 190,000 irrigated acreage to be planted in cotton, according to Mr. Eaton 90% of this has been planted. If moisture is received in time there will be about 150,000 acres of dry land planted to cotton. There is only about 10 or 12% of that planted at the present time.

Mr. Perkins owns and operates the Tracy Perkins Roofing Company, Littlefield.

Mrs. Perkins returned home Sunday.

Mr. Perkins, Wednesday, was resting as well as could be expected.

The automobile was completely demolished.

Alamo Exposition Shows is Art Spencer, internationally known motorcycle rider, star of the Wall of Death show, which also features motorcycle riding lions.

The show will come to Littlefield from Brownfield.

The Jaycees received a cash prize for their beautiful horseshoe float, and the V. F. W. "Buddy Poppy" float took second prize. Excellent music was furnished by the Olton Band, which won a cash first prize, as well as the Littlefield Band and the Dunbar High School Band from Lubbock.

Winner of the beard-growing contest, which excluded the Jaycees, was Joe Ferrell, manager of Dunlap's.

Following the parade, the Lamb County Sheriff's Posse was host to 300 members and families at a barbecue with all the trimmings, held at the American Legion Hut at the park.

The Lamb County Sheriff's Posse will ride at the Hereford Rodeo on Monday May 29.

Gill, Mrs. Lou Zo Williamson, Mrs. Wanda Sanders, Mrs. Agnes Dent, Nellene Dent, Mrs. Bobbie Banks, Mrs. Dorothy Crawford, and Misses Patricia Dent, Janelle Dent, Joy Dent, Rita Crawford and Evelyn Clayton.

Mrs. Dent had only been ill and in the hospital a few hours when death came. A hemorrhage is believed to have caused her death.

Mr. and Mrs. Dent had lived in the Springlake area from 1928 until 1940 when they moved to Oregon, where they made their home for about seven years, and until they located at Stockton, California where they lived until the beginning of this month when they came back to Lamb County and were making preparations to return and make their home in Earth when Mrs. Dent suddenly took ill.

She was admitted to the hospital at 3 o'clock Tuesday afternoon and passed away early the next morning.

Mrs. Dent was born in Ray County, Missouri, on February 2, 1879, and as Rose Ella Bone was married to J. T. Dent on December 18, 1895, to which union were born seven children, four sons and three daughters. One daughter, Mrs. Grace Digby of Salem, Oregon, preceded her mother in death on June 28, 1948.

Survivors include deceased's husband, J. T. Dent; four sons, Judge Dent of Littlefield; Mr. Dent of Earth; L. C. Dent of Alexandria, Virginia, and B. L. Dent of Salem, Oregon; and two daughters, Mrs. R. F. Wells of Lathrop, California; and Mrs. J. R. Boone of Los Angeles, California.

One brother and three sisters also survive. They are Lone Bone of Miami, Oklahoma, Mrs. Lula Rau of Redwood City, California; Mrs. Jennie Mitchell of Joplin, Missouri; and Mrs. Dovie Head of Rogers, Arkansas.

Deceased is also survived by 25 grandchildren and 16 great grandchildren.

Showers—

(Continued from Page 1)

An inch while Earth received the heaviest fall, 1.25 inches. Olton only received one-third of an inch, and Plainview received no rain.

Other communities reporting rain were; Muleshoe .48 of an inch; Sudan over a quarter on an inch; Amherst nearly an inch; and Morton a quarter of an inch.

The area west of Muleshoe received a good shower Wednesday afternoon.

Skies remained downcast all day Wednesday and to a late hour Wednesday night. More rain is promised for this area.

The highest temperature for the season was recorded Friday about 3 p. m. when 107 was registered. The temperature for the past week as reported by the West Texas Gas Company were;

Youth Recreation Program to Open June 1 and Continue for Six Weeks

Recreation program by civic clubs and a local citizens will open June 1 and continue for six weeks.

Boys and girls from the secondary through high school are to attend. All those interested are asked to the gymnasium of the Junior High School at 8 a. m. June 1.

The program will include training in fundamental skills of sports as swimming, driving, ball, touch-football, volleyball, basketball, tennis, and athletic events, and many diversified games and activities.

Each boy and girl will be placed as possible in a group according to interest, abilities, and individual attention will be given each boy or girl. The instructor feels this is necessary to carry out the purpose of the program.

The group sponsoring this recreation program is paying all the expenses, including the salaries of the instructor and equipment. It is hoped that individual participants will have their own gym equipment such as balls and gym shoes.

Persons interested in having their child enroll in the camp should contact one of the instructors.

Instructors will be: Athletic Director of Junior High School; Student Assistant.

SCHOOL CHILDREN HELP—High school girls and boys, out of school because of the flood threat at Orange, Texas, help fill sandbags for strengthening weakened levees on the rampaging Sabine River. The river's crest was expected to threaten the town with severe damage. (AP Photo)

There will also be a girl student assistant. First, second, third, and fourth place ribbons will be given in recognition of achievements and improvements made during the camp.

County H. D. Council Meets

Lamb County H. D. Council met Wednesday May 19, at 2:30 p. m. in the council room at Amherst.

The chairman, Mrs. J. M. Griffin was in charge. All clubs were represented.

Clubs made the following reports on activities during National Home Demonstration Week. Bluebonnet members made a tour of new homes and placed flowers in a hospital.

Sodhouse had a special meeting and invited non-club members. Oklahoma Avenue had a "come as you are" breakfast, and an all-day meeting inviting visitors. Spade invited non-club members and showed colored slides.

Sunnyside placed flowers in a hospital. Yellowhouse had a tea.

Mrs. Hickman made announcements pertaining to coming events. Mrs. Matt Nix, Jr. reported for the year book committee, and Mrs. Bayne McCurry gave a 4-H club report.

Mrs. Floyd Seymour discussed the recreation committees plans for the County Dress Revue tea.

Mrs. C. G. Landers and Mrs. Lloyd Halre gave a report on the District THDA meeting.

Lums Chapel served ice cream bars and the meeting adjourned.

The moccasin workshop announced for May 27 has been cancelled for the present.

Amendment Made to Permit Requiring Issuance of Permit

At a regular meeting of the Board of Directors of the High Plains Underground Water Conservation District held on May 4, 1953, an amendment was made to a previous regulation requiring the issuance of a permit for the drilling of a water well. The Board amended its previous regulation as follows:

"All well permits issued between February 1, 1953, and May 4, 1953, will become invalid if actual drilling operations have not begun within 120 days from May 3, 1953.

All well permits after May 3, 1953, shall become invalid after 120 days from the date of that permit's approval by the County

Committee of the county in which drilling operations have not begun within the specified time.

If the applicant can satisfy the County Committee by showing sufficient evidence that the drilling of the well applied for was detained by reasons beyond his control in excess of the 120-day limit, the County Committee may, under its own motion, grant the applicant an extension for an additional 120 days."

This amendment was a suggestion made to the Board of Directors by the 65 County Committeemen serving in the 13 counties in the High Plains District.

Last Rites Held Friday For Cpl. Donald Waxler

Funeral services for Cpl. Donald E. Waxler, 20, son of Mr. and Mrs. George Waxler of Littlefield, were conducted Friday afternoon at 2:30 o'clock at the Littlefield Drive Church of Christ, with Ned Fairbairn, minister officiating, assisted by Roy Tidwell, minister of the Littlefield Drive Church of Christ.

Graveside military rites were conducted by the John Henry Chapman Post, Veterans of Foreign Wars.

Interment, in charge of Hammons Funeral Home, took place in the Littlefield Memorial Park.

Cpl. Waxler was first reported missing in action October 30, 1952, and later reported killed while on patrol in Korea with the U. S. Rangers. His remains arrived by rail in Littlefield Thursday evening about 5:45 escorted from Oakland, California by Sergeant Johnny G. Creek, and met here by a military escort from the local VFW Post.

Waxler had been awarded the Purple Heart posthumously.

He attended Littlefield schools and had been employed by Doss Grocery, and by Furr Food, and worked in the Furr Food Stores at Littlefield, Brownfield and Hobbs. He was employed by the Furr Food Store at Hobbs at the time he entered the service on February 8, 1951. He was stationed at Camp Rucker, Alabama fourteen months and went overseas April 10, 1952.

Survivors include his parents, Mr. and Mrs. George Waxler, and two sisters, Mrs. Bud Hanna and Mrs. John Purdy of Littlefield.

Construction was started recently on a large new home for Mr. and Mrs. W. O. Hampton, two miles west on the Pep Highway. Wayne Barnett is the contractor in charge and Cox Plumbing the plumbing contractor. There are 3 bath rooms planned for the home.

This Light Must Never Fail!

Memorial Day 1953

For pennies, you can keep a light aglow in your home. But the price to keep this torch of liberty aflame is so great as to be almost beyond comprehension.

This torch that says "this is Freedom's cradle, this is Liberty's home," has been kept aglow by men and women who have given their lives that its beam may never be dimmed.

This light must never fail.

Livestock Pest Control

Livestock pests cost the nation an annual loss estimated at over half a billion dollars.

Who bears the brunt of this loss? Everyone does—the farmer and the consumer pay higher prices for necessary goods due to wasted feed, damaged hides, and both lowered quality and reduced output in such essential animal products as meat, milk, eggs, wool and leather.

The common fly is a real culprit in this respect. He cuts deeply into beef and milk production. Insects keep pastured animals from grazing adequately when feeding costs are lowest. Cattle grubs do much damage to hides and may also reduce output of beef and milk.

Also high on the list of "profit robbers" are ticks, lice, screwworms, and sheep ticks which take immense toll in unproduced meat and fibers that should go for food and clothing. Infested animals are "discontented" and cannot produce good quality meat.

Fortunately, most of these losses can be reduced or eliminated. Individual farmers can do much to protect their own livestock but community co-operation can do even more. United action makes for better eradication.

To successfully control insects, farmers and ranchmen must know what pests attack animals, what insecticides to use, the correct formulas and methods of application.

County agents, entomologists, veterinarians and other specialists can render important service in providing information and leadership to get the more harmful livestock pests in hand. A number of bulletins also are available for research and study. The following fact sheets are available free of charge from the Office of Information, U. S. REMEMBER

The following items were news in the Lamb County Leader of July 5, 1934:

With the largest crowd in her history, Sudan celebrated the 158th birthday of American Independence July 3 and 4 with barbecue, ball games, candidate speaking and rodeo under the auspices of the Fire Department and the Business Men's Club.

Approximately 10,000 people were present for the first day's program and practically as many for the second, those in charge of the activities. Towns as far away as 100 miles were represented and practically all within a smaller radius.

According to the official thermometer at the West Texas Gas Company's office, Littlefield experienced the high temperature of 105 degrees at 3:15 Wednesday afternoon, which is the hottest weather for this section since June 21 and 22 when the thermometer registered 107, the highest for this summer.

Doyle Woods, who had visited in Littlefield on several occasions, and a brother of Dr. Ira E. Woods, died in Tucson, Arizona, Tuesday of last week according to a telegram received by W. H. Madden from D. Woods. Mr. Woods had been living in Tucson on account

of his health. Funeral services were held at Graham, his home town, last Friday.

Mr. and Mrs. Sam McCarron of eight miles southwest of Littlefield entertained with a luncheon Sunday at one o'clock in celebration of their twenty-eighth wedding anniversary.

The swimming pool on the old John Blair property just west of Vaught's Dairy was reopened to the public last Thursday and now being operated by Mrs. Anna Correll.

Little Donald Glenn Pass celebrated his third birthday last Friday when his mother, Mrs. Glenn Pass, entertained a group of little children in honor of her son.

In a quiet ceremony at sunrise Saturday morning, June 30, Miss Lydia Crockett, daughter of Mayor and Mrs. L. R. Crockett, became the bride of Earl L. Hopping, son of Judge and Mrs. R. C. Hopping of Lubbock.

Rev. Joe F. Grizzle, pastor of the First Baptist Church, officiated at the ceremony which took place at the home of the bride's parents.

Mrs. Ray Jones was the usual gracious hostess Thursday afternoon when members and guests of the Thursday Bridge Club entertained at bridge at the E. S. Rowe residence.

The marriage of Miss Irene Freeman and C. T. Sharp was solemnized Tuesday morning July 3, at the early hour of three o'clock at the First Baptist Church parsonage, Rev. Joe F. Grizzle officiating.

The bride is a daughter of Mr. and Mrs. E. H. Freeman of Littlefield and the groom is a resident of Borger, Texas.

Mrs. J. C. Clance of four miles west of Littlefield was unfortunate enough to have the end of the first finger on her right hand bitten off by a pig Saturday morning.

She was treated at the office of Dr. J. R. Goen here and the finger is getting along nicely. Fortunately no infection resulted.

Texas 4-H Club Round-Up

The annual Texas 4-H Club Roundup will get underway the afternoon of June 9 and will officially close after breakfast on June 12. In between will be a schedule for the 4-H members and their local adult leaders and the locals is the campus of Texas A&M Colleges.

According to information released by the general committee, the first planned group activity will come on Tuesday night . . . parties for the leaders and 4-H members. The official opening session is scheduled for Sblsa Hall on Wednesday morning. Dr. G. C. Baker, Jr., chaplain, Southern Methodist University, is the featured speaker and will use the theme of the Roundup, "From Here Where . . . What Does the Future Hold for You", as the basis for his address.

The delegates, after the address, will take their places in assigned groups to develop the points raised by Baker. The leaders will meet in a separate session. A chuck wagon feed is scheduled for Wednesday evening. The 4-H sisters will spend Thursday morning seeing Texas A&M College and in the afternoon will hear reports from the 12 groups.

The annual banquet is scheduled for Thursday evening and will again be given by the Sears-Roebuck Foundation. Mr. C. T. Johnson, southwestern area director for the Foundation is arranging the entertainment part of the banquet program.

Missing from this year's program is the judging and team demonstration contests. These will be held on June 25 at A. & M. but final plans have not yet been announced.

Attendance for the 1953 Roundup is limited to one 4-H boy and girl and one man and one woman adult leader from each county in the state. Two county extension agents from each district and all district extension agents . . . about 1,000 total.

HEALTH TALKS

Prepared by the State Medical Association of Texas

Two medical subjects in which all doctors are virtually interested are psychosomatic medicine and geriatrics.

Psychosomatic medicine takes into account the fact that there is a close link between the patient's mind and body. Doctors recognize that emotional or mental disturbances may lead to symptoms much like those resulting from physical diseases. His belief was held by the old-time family doctor, who practiced psychosomatic medicine even though he didn't call it by that name. His patient often felt better just talking with him and at times benefited as much from the "spiritual" treatment as from medicine given him.

The physician will not say there is nothing wrong with the patient's body until he has made a complete investigation. Nevertheless, early in the course of the examination he begins to question whether or not something in the patient's life other than physical illness might be causing the trouble. He listens to the patient's complaints, which may be his cue. If the patient says that he is nauseated, the doctor looks into the patient's environment to see if there is something he "cannot stomach". If thorough examination fails to show a reason for a feeling of pressure on the chest, the doctor sounds the patient out to see if there's something he'd like to "get off his chest". Thus, he is called on to interpret a kind of "organ language" of the patient's everyday life.

By promptly recognizing and treating minor emotional and mental upsets, the doctor often is able to ward off serious mental diseases and to avoid unnecessary treatment or operation.

The second subject, geriatrics, means care of the aged. With the increase in the average life span in the United States to 68 years of age, there is a greater proportion of persons older than 65 years of age in the general population today. This means that more and more the health needs of old people are being felt.

There are no diseases of the aged as such, doctors inform, but because with aging natural changes in the body are to be expected, the character of disease in the aged is different. The incidence of sickness is not much greater in the older generation than in the young, but once illness strikes, recovery is apt to be slower.

Prevention of disease should play a large part in geriatrics. Doctors believe that if lessons of how to care for oneself are learned

continues high—both seem likely—then the demand for meat and livestock products is likely to remain strong. This means that feed crops and pastures must be provided to maintain a high output of meat, milk, eggs and either livestock products. Since feed reserves in Texas have been depleted as a result of the drouth, livestock producers should make every effort to build up adequate reserves of hay and silage this summer. These, with good pastures, are the cheapest feeds, and profits from the beef or dairy herd can be maintained

only when ample supply of good quality storage are provided. Too, plenty of feed on the farm or ranch—grass, hay or silage—means cheaper livestock gains. Livestock producers have found that high feed costs, even with favorable prices for meat and milk, reduce their chance for profits. If a limited acreage is devoted to feed crops this year, aim for maximum production. If fertilizers can be used, heavier than usual applications will boost production, and the use of good cultural methods will also increase yields whether or not fertilizers are adopted. The time of harvest and the method of storage for the crop are two mighty important items that have a bearing on the quality of the feed when it finally is needed by the livestock. The need for cutting back livestock production seems less urgent than for reducing cotton and wheat and that means more feed will be needed.

Texas cotton producers last year equipped almost four times as many tractors with rotary hoes as in 1949. The number jumped from 7,000 in 1949 to 26,000 in 1952. The popularity of this equipment is due to its labor-saving value. Reports from many farmers who used rotary hoes last year show that savings up to 60 percent were made on the chopping and hoeing bills. In some sections of the state hoeing and chopping account for about one-fourth of all the man hours required to produce a cotton crop and any practice, which will reduce this heavy labor load will have more money for the producer after harvest. The rotary hoe is especially good for controlling the early weed growth, but the equipment must be properly adjusted and the tractor operated at the right ground speed for best results. The tractor should be operated in third gear at speeds up to five or six miles an hour. An experienced operator, under favorable conditions, can do a good job at even faster speeds. The picker wheels should be set so they will break the surface crust to a depth of one-half to three-fourths of an inch. When properly adjusted, the picker wheels break up the surface crust and also tears up the soil so that seedling weeds and grass are exposed to the action of the sun and wind before they have a chance to come through the ground and before their root systems become established. Don't make the mistake of reducing the ground speed of the tractor just because the stand of young cotton appears to be taking a beating. Tests made by the Texas Agricultural Experiment Station and demonstrations conducted by farmers show that damage does not occur if the rotary hoe is properly adjusted. For the cotton seed was planted well below the regulated depth at which the picker wheels would be run and thus very little or no damage will occur. Do you have trouble keeping egg production high during the hot summer months? It may be that

the hens lose their appetite during the hot weather. Feeding is the key egg production, and is even more important during the summer when appetites are sluggish. If you are having trouble getting your hens to eat during the hot weather, try making the feed more attractive. You can do this by adding milk or water to the mash fed at noon, and by cutting down on the grain and feeding more mash. Here is an example of the importance of proper feeding. If a hen weighing 4 pounds eats 56

Pieter J. Dieleman Addresses Hart Camp Farm Bureau Meeting

The Hart Camp Farm Bureau had its regular meeting Monday night with Lonnie Nelnaast, president, in charge. There were nine members and their families present. Also present were David Eaton, County Agent, Mr. Rogers, Mr. Cole and Pieter Johannes Dieleman, who is an exchange student from Holland. Mr. Dieleman made a talk on farming in his homeland. The principal crops grown there are wheat, oats, barley, potatoes, sugar beets and flax. No cotton is grown, as the climate is too cool. Their warmest weather is around 60 degrees. His father farms 130 acres, which is a big farm in Holland. Dieleman is now working on the Balfour Rochelle farm. H. V. Lynch gave a report on the County Board meeting. Refreshments of pie, coffee and cocoa were served after which, the men enjoyed playing "42".

NO MONTHLY CRAMPS... not even on the VERY FIRST DAY!
Doctors' tests show amazing preventive relief of pain, backaches, nervous feelings
Women and girls who suffer from the functionally-caused cramps, backaches and headaches due to menstruation—who feel upset and irritable on certain "particular days" every month—may be suffering quite needlessly!
Such is the conclusion from tests by doctors in which Lydia E. Pinkham's Vegetable Compound stopped or gave amazing relief of such distress in 3 out of 4 of the cases... some on the very first and worst day of the period!
Yeast Medical evidence proves Lydia Pinkham's mod-

WOLVES IN PARIS—T. J. Robinson, left, and E. W. Blackshear of the Tigertown community near Paris created quite a stir in downtown Paris when they brought these seven young wolves into town to be turned over to the federal wolf trapper. The two Lamar County farmers, who estimated these tiny critters to be about eight weeks old, found them in a hollow log while searching for lost cubs. (AP Photo)

Groups Named By C. of C. To Advance Several Important Local Projects

C. A. Miller, president of the Littlefield Chamber of Commerce, presided at the regular board of directors meeting held Tuesday morning of last week at Dyers Cafeteria.

Mr. Miller reported on the special board meeting that was held Thursday May 14, at which the resignation of manager Bob Crosswell was accepted. He also appointed a screening committee to interview possible applicants for the position. Members of the committee are Dr. B. W. Armistead, chairman, J. B. McShan, Marshall Howard, Jack Christian and Hardy Shelby.

The annual C. of C. barbecue, tentatively set for July, was discussed. President Miller appointed committees for this event. They are:

General Chairman—Charles Duvall;

Food Committee—Travis Jones and W. C. Cannon, meat; Dick Carl and Elmo Jones, trimmings;

Time, place, speaker and entertainment committee—Marshall Howard, chairman;

Ticket Committee—Jim Mangum, chairman.

There was a report of the retail trades committee meeting, concerning recommended closing days

Large Numbers At Revival Services

The meeting which has been in progress in the Littlefield Missionary Baptist church since May 13 came to a close Friday evening May 22.

Great crowds have attended each service of the meeting. It has been an old-fashioned, heaven sent, spirit-filled revival.

The preaching has been powerful and uplifting. Souls have been saved, homes have been set right and God's power has been manifested in an unusual way. Rev. Clarence Bishop was the evangelist for the meeting.

for 1953. These days are: Memorial Day, Fourth of July, Thanksgiving, Christmas, and January 1, 1954.

Appointed to serve as directors on the Civic Center Board are Charles Duvall and Dr. B. W. Armistead.

Appointed to serve on the Civic Centered committee are J. B. McShan, F. L. Newton and Ray Keeling.

You Can't See Paris in 10 Days

"Nig" Whitson of the W-W Electric arrived home recently from his trip to Paris, France.

Nig reported a splendid time, but said ten days wasn't nearly enough time to see it all.

There were 25 Bendix dealers in the group who made the trip from all over the United States. The W-W Electric were awarded the trip with all expenses paid as a reward for the volume of Bendix TV's sold. This firm exceeded all other dealers in the state of Texas in Bendix TV sales.

Mr. Whitson went by train to Dallas; from that city to New York city by plane; spent a day and night in New York, visiting the Latin Quarters and other sights. From New York he boarded a plane for Gangees, Newfoundland, and from there to Shannon, Ireland, and from that city to Paris. It only took 12½ hours by plane from New York to Paris.

The group spent five days in Paris.

BIGHAM FAMILY MISS TWO CYCLONES

Ira Bigham, son of O. D. Bigham of Littlefield, probably feels he is lucky, or unlucky, one or the other. Anyway he has missed a cyclone twice.

When the cyclone hit Amarillo about three years ago Mr. Bigham and his family were living in the Panhandle city, and the cyclone just missed sweeping over their home by a block and a half. He has since moved his family to San Angelo, and recently when the storm hit that city it came within seven blocks of the location of Mr. and Mrs. Bigham and family. Ira Bigham is also a brother of Mrs. Earl Rodgers. He wired his relatives here to the effect that they were o. k. after the storm.

J. E. Chisholm, Jr. Leaves For Paris To Attend Rotary International

J. E. Chisholm, Jr., president of the Littlefield Rotary Club, and delegate from this club to the Rotary International at Paris, France, left Littlefield recently. He boarded a plane from Lubbock to Dallas, and from Dallas to New York, from which he planned to go to Holland first. There he planned to visit growers of bulbs from whom he buys his stock for the Chisholm Floral and Greenhouse of which he is owner and operator. He will spend some time in various places in Holland, before going to Paris, where the convention opened last Saturday.

Following the convention Mr. Chisholm will visit several countries including Switzerland and Italy. He planned to be in Italy. He planned to be in Italy.

composer and pressman on the old Lawton "Star."
Things were not easy for the Grahams in those days, and the working members of the family contributed to a family purse out of which the necessities and a few scarce luxuries were purchased. In 1914 Hop yearned to acquire the little Andrews, Texas, Times. A family conference was held, and the \$50 available in the purse was loaned the young man to make the down-payment on an old George Washington hand press and a "shirt-tail full of type."
Now on his own and an editor in the fullest sense of the word, young Hop put out his four-page paper alone, gathering the news, soliciting the ads, hand-spiking his pages of type and finally putting the whole thing "to bed" on his little hand press.
Some months after his arrival in Andrews a young lady by the name of Arrie Black came from Roseburg, Oregon, to visit her sister. A courtship developed, and in 1916 Hop acquired a working partner for his business and marital venture, with the nuptials being read on February 26th in the little Methodist church in Andrews.
The couple made their home in the back of the print shop and the first child, Allie Blanche, was born into the business. In 1918 the family moved to Melrose, where they were engaged in publishing the "Messenger" until 1926.
The second daughter, Sammie Lee, was born at Melrose, and the third child, W. H. Jr., made his appearance after the family moved to Farwell. Hop bought The Tribune in 1926 and the Grahams maintained residence in Texico for four years, then moved across the state line into Farwell to the home still occupied. It was at Melrose that Hop graduated out of the old school of printers buying for himself a second-hand linotype, still in use on the Tribune.
Hop not only was devoted to his family, he made them working part of his business. Mrs. Graham continued to assist even after he acquired a "force", by gathering news and giving a hand on "paper day"; Able went to the shop as an embryo linotype operator in 1932; Sammie, although handicapped by a bad heart, was a full-fledged folder on paper day until her death in 1951; and "Sonny" took over the chore of managing the business early in 1950 when Hop had a heart attack.
Interested in aiding youth whenever he could, Hop also had a hand in turning out a number of trained young men from his shop who are still following the profession, in both the "front" and "back" shop.
Hop was well-known over the entire Panhandle area for his work as an editor and publisher. He was a past-president of the Panhandle Press Association, and

dividual is not hampered in attaining a liberal education regardless of schooling.
He was one of the true exponents of "country" journalism, believing that all the newsworthy items of little communities was what made his paper so popular.
Funeral services were conducted at the Hamlin Memorial Methodist church at 3 o'clock this Thursday afternoon with the pastor, Rev. Miller H. Stroup officiating. Interment was in Lawn Haven Cemetery, Clovis.
Pallbearers were Jim Moss, Wilfred Quikkal, Lloyd Brewer, Lloyd Cain, Paul Wurster and John Hadley, all members of the young adult Sunday school class of the church.
Other than the widow and two children, immediate family survivors are one brother, L. W. Graham of Oklahoma City; one sister, Mrs. Blanche Shull of Lawton, and two half brothers, Harmon Graham of Paul's Valley, Okla., and M-Sgt. H. Lee Graham of Lackland Air Force Base, San Antonio.

Lutheran Vacation Bible School To Begin June 1

Boys and girls who want to hear many a good story told should circle June 1 through June 12, the first two weeks in June, when West Third Lutheran (417) on the hill between Lyman's and the swimming pool will have its regular Vacation Bible school.
Special meetings are making way for this school. Interest among workers is high—one young lady, living in New Mexico with her service-husband is going to spend these two weeks in Littlefield in order that she might be able to teach in this school. Other willing workers assure the school of being a success.
This two week school, June 1 through the 12th is a community service. It welcomes the opportunity of serving the young citizens of this area and community.

had been an active member of the association since he took over The Tribune. His pride in his paper is evidenced by awards of excellence which have come to The Tribune as the years rolled by.
A devoted church man, Hop had been a member of the Methodist church since childhood, and was active in both the Melrose and Hamlin Memorial churches until his death, serving as teacher, Sunday School superintendent, delegate, and on the official board.
With the wholehearted assistance of his wife, the children were reared in a thoroughly Christian home.
All kinds of civic enterprises interested Hop, who had in mind always that "gripers... do not make a town grow." He served on numerous public committees and boards, including the school board in Farwell and Selective Service for Farmer county during the war years, on which board he held the position of chairman.

Although his formal schooling did not even reach high school graduation, his writing exemplified the fact that an ambitious in-

Phone Company Adds Chief Engineer

Everet E. Karlsson

Mr. Walter G. Wright, president of General Telephone Company of the Southwest, has announced the appointment of Everet E. Karlsson to the newly created position of Chief Engineer.

Mr. Karlsson is well qualified for his new position of Chief Engineer. He graduated from the Gymnasiet (College of Engineering) in Orebro, Sweden and worked as electrical power engineer before coming to this country. In addition to his studies in Sweden, Mr. Karlsson attended the University of California and the University of Southern California where his post graduate work included such subjects as Business Finance and Engineering Economics.

Prior to joining the General Telephone Company of the Southwest, Mr. Karlsson was associated for twenty-five years with the General Telephone Company of California where, in addition to coping with the varied technical telephone problems, he conducted plant extension studies involving the location of new exchanges, as well as the conversion of manual exchanges to dial.

June 12 at night from 8 o'clock to 9:30, Miss Juanita will appreciate your assistance.

The Draft Law The First of Ten Articles

The draft law requires every man registered with a local board to report any change in personal status to his board.

"Young men have asked us just what changes they should report," Brig. Gen. Paul L. Wakefield, state draft director, says. "Generally, anything which has a bearing on classification should be reported."

The state director pointed to the following things which should be regarded as "change of personal status":

1. Current change of mail address should always be sent to the board.
2. Marriage should be reported at once.
3. If a wife become pregnant with a couple's first child, a physician's certificate must be sent to the board immediately after the fact is known.
4. All additions to the family must be reported.
5. Any and all deaths in a man's family should be reported.
6. If a man and wife are divorced or they no longer live together, this must be reported.
7. Permanent change of job should be reported.
8. Serious injury or physical defect should be reported.
9. If a man becomes a student in a college or university, this fact should be reported.
10. If a man enters the Reserves or National Guard, he should ask his commanding officer to notify his board. He should assure himself that it is done.
11. If a man has attempted to volunteer for armed forces service and has been rejected, he should advise his local board.

To Call Election To Decide On Fieldton School Consolidation

Two petitions have been received from Littlefield and Fieldton residents seeking to call an election to consolidate the Fieldton grade school with the Littlefield school.

Polly Lou Alexander and Tack Purdy to Exchange Vows June 4

Mrs. Babel Alexander of 204 East 9th Street, Littlefield, is announcing the engagement and approaching marriage of her daughter, Polly Lou, to Tack Purdy, son of Mr. and Mrs. S. A. Purdy of Amherst.

The ceremony is scheduled to take place Thursday, June 4, at the First Baptist Church parsonage, with Rev. Lee Hemphill officiating, at 10 a. m.

The bride elect is a graduate of the 1953 class of Littlefield High School, while the groom-to-be is a member of the Amherst High School 1953 class.

Mr. Purdy is associated with his brother, Allan, in the operation of the Purdy Machine Shop here.

Mrs. Ada Russell and L. L. Russell Wed Sunday Morning

Mrs. Ada Murphy, member of the nursing staff of Payne-Shotwell Foundation, Littlefield, and L. L. Russell, building contractor of Lubbock, were married Sunday morning at the home of Rev. and Mrs. D. C. Lindley, 1928 West Fourth Street, Littlefield.

The ceremony was performed at 2:15 o'clock by Rev. Lindley.

Only close relatives and friends of the couple were present at the ceremony.

Besides following the contracting business, Mr. Russell is a pioneer rancher of West Texas. He owns considerable land in the Matador section.

The bride has been associated with the Payne-Shotwell Foundation for the past two and a half years.

The bride wore a light blue suit with white and black accessories, and a corsage of white carnations.

Mr. and Mrs. Russell are now at home at Lubbock.

Patsy Carol Boone And S-Sgt Jackson Wed In Earth

United in marriage Saturday evening May 16 at 6 o'clock were Miss Patsy Carol Boone, daughter of Mr. and Mrs. W. R. Boone of near Springlake and S-Sgt. Woody Jackson, son of Mr. and Mrs. S. L. Jackson of Muleshoe.

The bride is employed at Muleshoe State bank and Mr. Jackson is stationed with the U. S. Marines at Camp Pendleton, Oceanside, California.

The double ring service was performed by Elder J. W. Goforth of Springlake at the home of the bride's uncle and aunt, Mr. and Mrs. O. B. Whitford in Earth.

Traditional wedding music was played by Mrs. Earl Parish who accompanied Miss Delora Whitford in singing "I Believe" and "The Lord's Prayer".

The bride given in marriage by her father, wore a ballerina length sleeveless white gown of nylon net over taffeta fashioned with a V-neck, bodice set in rhinestones and pearls, and a gored skirt complimented by a net rosette at the waistline. She wore matching cuff pleated mitts and carried a bouquet of white carnations.

Her fingertip length veil was caught by a tiara of clustered pearls.

The bride's only attendant was her cousin, Miss Delora Whitford, who wore a ballerina length gown of powder blue fashioned with a V-neck, a lace bodice and gathered net skirt over taffeta. She wore a matching tiara, powder blue slippers and a carnation corsage of powder blue.

Best man was Grady Boyd of Amarillo. Candlelighters were Keigh Boone of Springlake and Joe Don Jackson of Muleshoe, brothers of the couple.

Guests were registered by Miss Dorothy Harris of Muleshoe.

FOX - MURRAY WEDDING
Shown above are the wedding party in the ceremony performed at the First Baptist Church here Saturday evening at 8:30 o'clock when vows were ex-

changed by Miss Mary Rue Fox, daughter of Mr. and Mrs. O. C. Fox of Littlefield, and Norman L. Murray, son of Mr. and Mrs. W. O. Murray of Salt Gap, Texas. Above is the entire wedding

party, with the exception of the candlelighter, Roystelle Fox, and Woodrow Hall, who were not in the picture.

From left to right are: Joe Pat Hart, Jr., Wayne Murray, and

Raymond Murray, (ushers) Walter Murray (best man) Larry Beckum, (ring bearer) Norman Murray (groom), Dr. Lee Hemphill; the bride, Mrs. Norman Murray, Flower girl, Rondo

Lewis and the attendants Verna Carter, Miss Margro, Mrs. Doyle Brady, Beth Gartman.

Beautiful Candlelight Ceremony Unites Mary Rue Fox and Norman L. Murray

Vows were exchanged by Miss Mary Rue Fox and Norman L. Murray in a beautiful candlelight ceremony at the First Baptist Church, Littlefield, Saturday evening at 8:30 o'clock.

Dr. Lee Hemphill, pastor of the church officiated before a background of greenery at either side of which were tall baskets of white gladioli, flanked by candelabra.

Mrs. Edwards Plays the wedding music, including "Smoke Gets in Your Eyes", "Schubert Serenade", "Romberg Serenade", "Wonderful One" and "Ah, Sweet Mystery of Life". She also accompanied Mrs. Weldon Findley while she sang, "If I Could Tell You", and "One Alone".

The bride is the daughter of Mr. and Mrs. O. C. Fox of Littlefield, and the groom is the son of Mr. and Mrs. W. O. Murray of Salt Gap, Texas.

Dress of Blue French Lace
The bride, given in marriage by her father, wore an ice blue French lace redingote organdy, over taffeta, with wrist length sleeves and low scalloped neckline, and a tiara of net encircled with white roses from which hung her finger tip veil of bridal illusion. She carried a hand made linen handkerchief, the property of her great grandmother. She also carried a white Bible topped by an orchid tied with white ribbon.

Mrs. Carter Matron of Honor
Mrs. Verna Carter of Littlefield was matron of honor. She wore a dress of yellow organdy strapless, with fitted bodice and collar fastened in back and in front with bow with three tiered skirt. Her tiara of yellow net was edged with yellow roses, and she carried a nosegay of yellow carnations.

Other attendants of the bride were Mrs. Thetegene Brady and Miss Margie Renfro, both of Littlefield and Miss Beth Gartman of Abilene.

They wore dresses of white organdy fashioned identically like the matron of honor's; all wore blue ballerinas and carried nosegays of white carnations.

The reception followed where a double wedding ring cake topped by miniature bride and groom was served with punch by Mrs. Bill Struve and Mrs. Bruce Higgins.

For going away the bride wore a beige dress of printed silk with green linen overjacket and white and beige accessories.

The groom has been in the U. S. Marine service for three years and expects to be released in September. He is a graduate of the Muleshoe schools.

Wedding guests included Mr. and Mrs. J. A. Boone of Springlake, Mr. and Mrs. O. E. Lee of Muleshoe, Mr. and Mrs. W. G. Goyno of Plainview, Mr. and Mrs. Eugene Henry of West Camp, Mr. and Mrs. L. J. Jackson and sons of Plainview, Mr. and Mrs. Harris Wright and Craig of Muleshoe, Mr. and Mrs. Grady Boyd, Plainview, Mr. and Mrs. Kenneth Boone and children of Springlake, Mrs. Eula Whitford, Almond Whitford, F. I. Whitford, Mr. and Mrs. Bill Struve and children, Dorothy Harris of Muleshoe, Mrs. Bruce Higgins, Mr. and Mrs. O. B. Whitford and family and the couple's parents.

Brother is Best Man
Walter Murray served his brother as best man.

The flower girl was little Rondo Lewis of Littlefield. She wore white organdy and carried yellow carnation pedels.

The ring bearer was Larry Beckum, of Littlefield, cousin of the bride.

Candlelighters were Roystelle Fox, cousin of the bride and Woodrow Hall, nephew of the groom.

Ushers were Joe Pat Hart, Jr., Wayne Murray and Raymond Murray.

Following the ceremony a reception was held in the church parlors.

The bride's table was laid with cream lace cloth over blue satin. The white wedding cake, depicting an open Bible, decorated with blue flowers, was attractive at one side of the table. The bride's bouquet formed the centerpiece, a white cross with blue carnations at the base and the crystal punch set completed the table appointments.

Miss Margie Renfro registered the guests.

Miss Lois Shirling cut and served the cake, while Mrs. Clayton Cowen poured the punch.

150 Attend
Approximately 150 relatives and friends attended the wedding and reception following.

The bride's going away costume was a redingote dress of tan and brown, with white and brown accessories and an orchid corsage.

After a wedding trip to points in New Mexico, the couple will be at home Sunday May 31, at 816 West Tenth Street, Littlefield.

The bride has lived in Littlefield almost her entire life. She started to school in the First grade and was graduated from Littlefield High School with the class of 1950. She attended Hardin-Simmons University for a year and a half majoring in music.

Since last October she has been employed as bookkeeper and secretary by the Western Auto Associate Store.

Mr. Murray was graduated from the Melvin, Texas, High School with the class of 1947. He served with the Air Force for four years, and was stationed in Japan 36 months.

In Service
He was serving with the rank of Staff Sergeant when he was discharged in 1952, and has since been employed by the B & C Pump Company.

He is a nephew of Mr. and Mrs. Pat Hart.

How To Guard Your Child Against Polio

By DAVID TAYLOR MARKE
AP Newsfeatures Writer

Scientists have made progress toward polio control and a time may come when epidemics of this disease will be averted, but no great reduction in cases can be promised this year.

Uses of gamma globulin (which prevents paralytic polio for a few weeks) is strictly curtailed because of shortness of supply. Only 1,000,000 doses of GG will be available this year for distribution among some 46,000,000 children and adolescents in the age groups most susceptible to polio.

With this in mind, I asked Dr. Hart E. Van Riper, medical director of the National Foundation for Infantile Paralysis, what parents can do to safeguard their children now against this dread disease.

"With a vaccine still unavailable," he replied, "and with GG in short supply, parents should heed the precautions which have been recommended year after year when polio is around. The advice contained in these simple health rules holds good.

"1. Children may continue to play with their usual companions—avoiding new groups.

"2. They should wash hands carefully before eating, avoiding

use of other people's soiled dishes and tableware.

"3. Beware of fatigue and crowding of children, which assistance of polio virus.

"4. Don't subject your child to unnecessary and lengthy trips to doctor's office.

"5. Consult your doctor if your child appears to have fever, sore throat, upset stomach or back—keep him in bed away from other children.

"6. If polio strikes, turn to local chapter of the National Foundation for Infantile Paralysis for advice and financial aid if needed."

Dr. Van Riper points out that the greatest source of polio is from birth to age 5. The group in which polio is most likely to strike, is his group where he is most likely to use common things, most likely places are schools, movies or other crowded places. The least dangerous spot is the outdoors.

The main thing for parents to remember, says Dr. Van Riper, is not to become panicky, but to stay calm, even though the child may be in the hospital. In most cases, Junior may get through it. One final word from Dr. Riper: Don't take your child out until October or November if it must be done.

How To Make A Weekend Wardrobe

By DOROTHY ROE
Associated Press Fashion Editor
A smart girl with a flair for sewing can be as well dressed today as those ladies of unlimited income who enjoy yearly ratings on the lists of the "ten best-dressed". Some of the world's best designers today are lending their talents to the pattern companies, and some of the country's top scientists are helping to perfect the finishing and quality of American fabrics. The home sewing fan thus has

at her disposal a selection of design and fabric which would have been impossible a generation ago. The costume theme is the big idea in home dressmaking this season—planning an interchangeable wardrobe of separates which can be mixed or matched to double its utility. A favorite fashion of the year is the week-end wardrobe, which consists of skirt, halter, shorts and jacket in contrasting colors of the same fabric, such as yellow and charcoal, white and navy or any

combination you prefer. Make skirt and halter in one color, shorts and jacket in the other, then scramble. Any of the items may be worn with any of the others, with effective results. The four pieces will see a girl smoothly through a week end in the country. The new fabric finishes, which resist wrinkling, spotting and general soil, make it possible to keep an outfit fresh for several days, and to take it from a suitcase crisp and unrumpled.

FOUR-WAY OUTFIT . . . Easy to make and fun to wear is this four-piece week-end wardrobe consisting of button-front skirt, square-necked halter, shorts and bolero in two colors of disciplined cotton by Bates. The whole outfit is made from Advance Pattern 6394. As photographed, skirt and halter are pale pink, shorts and jacket deep red.
