Car Accident Fatal To Pvt. Carr Qualls

Pvt. Carr Qualls, son of Mr. and Mrs. Henry W. Qualls of near Sudan, passed away Monday morning about 11 o'clock as a result of injuries sustained Thursday last in a car accident near White Sulphur Springs, Va., enroute home on a furlough from Aberdeen, Maryland, where he was stationed.

His wife is reported to have been with him when the accident occurred. Mr. and Mrs. Qualls Sr. received a telegram from her Monday stating she was returning with the remains. Pvt. Qualls was in the service four months.

Surviving are his wife; parents, Mr. and Mrs. Henry W. Qualls; six brothers and three sisters. The brothers are M. H. and V. M. Qualls of Fieldton; Pvt. H. W. Qualls Jr., stationed in India; Hulian and Von Edward Qualls at home, and Pvt. Billy Qualls, stationed as a guard at a prisoner of war camp at Salem, Ore. The sisters are Mrs. L. L. Lynch of Sudan, Mrs. L. A. Carthen of Littlefield and Mrs. Louis Farr of Ridgecrest, Cal.

Funeral services are scheduled to take place at the Fieldton Baptist Church Friday afternoon, with Rev. Wayne Perry, formerly pastor of Fieldton Church, but recently of Whitharal, officiating. Interment, in charge of Hammons Funeral Home, will take place in the Littlefield Cemetery.

Pvt. Carr had just completed a course in welding, and was enroute home on a 23-day furlough, following which he expected to go overseas.

Funeral services were conducted at Mount Vernon Monday afternoon, Sept. 17, at 1 o'clock, with burial in a local cemetery.

Surviving the deceased are his widow and one son, Lieut. Gale Coen of the Naval Air Corps, stationed at Pensacola, Fla. Besides his brother, Dr. Coen, he is survived by another brother, Frank Coen of St. John, Kans., and three sisters, Mrs. Ola Paxton, twin of Dr. Bert Coen, and Mrs. Everett Garvin and Mrs. Bert Radke, all of St. John, Kans.

Dr. Coen returned home Wednesday morning. He had planned to visit his brother next month.

Bigham Produce To Erect Building

Construction is scheduled to start within a week on a one-story brick and tile building for the Bigham Produce Co., according to an announcement Wednesday by H. O. Bigham.

The new building will be erected on a lot on West Fourth street adjoining the former Walkup tin shop building on the west. This lot has a frontage of 50 feet.

L-shaped, the building will have a frontage of 25 feet on Fourth street, extend to a depth of 120 feet, with the rear half of the building 48 feet wide.

Special features of the building will be a chicken dressing plant with cold storage facilities and an egg grading department which will have the latest in equipment.

Mr. Bigham is the owner of the lot and will erect the building.

TO ARRIVE SOON
A. L. Blevins, PhM1c, son of Mrs. Cal Scott of near Amherst, and a brother of Mrs. R. N. Kyzer of Littlefield, wrote Mrs. Kyzer recently that he would be in the states by Sept. 22 and would arrive here in two weeks.

Mrs. Blevins and son, Archie Lee, have been making their home with her parents, Mr. and Mrs. E. S. Williams of Sudan.

Blevins served in Europe 14 months; was stationed in the United States 10 months, and has been in the Pacific for the past year.

LT. CHAS. HEATHMAN ARRIVES IN STATES

Lieut. Charles Heathman

Lieut. Charles Heathman, son of Mr. and Mrs. W. E. Heathman of Littlefield, arrived in Boston, Mass., Saturday morning at 11 o'clock on the Ambrose E. Burnside, according to newspaper reports. However, since the family have not received any message from Lieut. Heathman, it is believed he plans to arrive here without any advance notice.

He has served 11 months overseas with the Eighth Air Force as a pilot on a Mustang fighter plane. He has been in service about three years. He wears a number of decorations. He has recently been given advanced pilot training, and was stationed at Ipswich, northeast of London.

He has a son, Charles Wayne, seven months old, whom he has not seen.

Before a crowd of some 2000 fans the Littlefield Wildcats again ran wild in their second game of the season by taking the measure of the highly-touted Floydada team to the tune of 85 to 0.

Scoring their first touchdown in the first seven minutes of play the Wildcats ran wild from then to the finish of the game. After the first quarter Coach Fikes started in running in substitutes and at one time in the game had his second and

Contest to Get Underway Here at 8:30 Friday Night

Game Is First Conference Meet for Local Eleven This Season

The high-scoring Wildcats run into their first conference opposition when they meet the Morton Indians here in Seely Stadium Friday night at 8:30.

The Wildcats have been on a scoring spree for the past two weeks, amassing a total of 161 points in two games. How they will fare this week is anybody's guess. The Morton Indians are undefeated, having scalped Friona in the opened, 39-0, and turned back Muleshoe, 12-6, last week.

The local boys appear to be in good condition for this first conference tilt. Jack Davis, who has missed both games so far because of a broken collar bone, may be ready this week. However, Jackie Shelby, who normally plays a lot of fullback, may miss Friday's game because of a foot infection. He missed last week's game. Other than those two the club appears to be in top shape.

Tickets are on sale at Ramsey's News Stand and Brittain Pharmacy.

E. M. Little Joins Little-Rutherford Department Store

E. M. Little, formerly of Level-land, and since the outbreak of World War II engaged in war activities, is now connected with the Little-Rutherford Department Store in Littlefield.

Previous to the outbreak of the war, Mr. Little was connected with Cobb's Department Store in Level-land. Subsequently, he was engaged in defense work and served with the Merchant Marine.

W. B. Little, a brother, is part owner of the Little-Rutherford store.

Bagwell Well Expected to Be Put on Pump

Humble Oil No. 1 Bagwell, in Labor 25, League 672, State Capital Lands survey, located 3 1/2 miles southwest of Littlefield, may yet prove to be a producer in the opinion of oil men in this area.

A showing of oil was seen on the first cleanout in the acid test made last week, but a breakdown has prevented further work being done. A 10,000 acid test is planned, and it is believed that this well will make a pumper. Prospects are reported to be good for a producer.

Oldsters Make Good Showing In Sunday's Baseball Game

The Littlefield Cats of 1930 made a good showing in Sunday's ball game against the famous O. K. Garage team of Lubbock. The locals held the opposition scoreless for four and one-half innings.

Then the ages of the locals changed from "50 to 70" and Lubbock started scoring, the game ending Lubbock 10, Littlefield 7.

Things took a change for the worse. The younger players on the Lubbock outfit scored enough tallies after two were out to knot the count. Several short throws and a mixture of errors were mainly responsible. In other words Newty Moore's defense folded up to allow the unskilled replacements were sent in to the

Consolidation of Ration Boards Announced

to Take Over Cochran, Bailey and Hockley Counties

Consolidation of ration boards for four counties, Lamb County, take over Cochran County on November and Hockley County in the middle of December.

It is expected that most of rationing will be over by the time this consolidation is completed and the County board will handle all control for the above four counties and any rationed commodities still in effect.

County chairman, C. O. Griffith, said all the members of different boards take this opportunity of the people of Lamb County their cooperation of the past years in helping carry out a stable but necessary program they will continue to show the attitude until it is finally

Rites for C. M. Edwards Lay Afternoon

Away After Long Illness As Result of Heart

Funeral services were conducted at 3 o'clock at the Baptist Church, Littlefield, for C. M. Edwards, 66, who passed away at 9:45 p. m. Wednesday, Sept. 20, at the Amherst Hospital, as a result of a heart ailment, where she had been a patient for 13 weeks.

Lee Hemphill, pastor of the church, officiated, assisted by Frank York, pastor of the Methodist Church, Littlefield. Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Edwards had been ailing for weeks. She was born in Union, Miss., near Wallerville, Miss., in 1879, and came to Texas with her parents when a small child. She was married to Charles Edwards on Nov. 11, 1896. They were born seven children, and two daughters, three of whom are now living.

Edwards was a member of the Baptist Church since a child and of the First Baptist Church, Littlefield, for many years. She was regarded as a Christian loved by all who knew her. She who came in contact with her as a lovely character. It was a pleasure to meet and know her. Surviving Mrs. Edwards are her two sons, Howard (Dick) and Elvin (Pete) Edwards of Littlefield, and two daughters, Mrs. Helene of Breckenridge, Texas, and Mrs. Carl Young of Abilene, Texas; grandchildren and two sisters, Mrs. A. Witherspoon and Mrs. H. A. Witherspoon of Ferris, Texas, all of whom were present for the funeral.

Funeral services for Jerry Melvin Brock, 4, son of Mr. and Mrs. Ruben Franklin Brock of Littlefield, passed away Saturday afternoon about 6 o'clock enroute to Amherst Hospital, as a result of poisoning. He took ill Saturday afternoon.

Finishing The Task

The people of the Allied nations should be thankful that their leadership, both military and civil, is determined to finish the task that confronted us when we entered World War II. Profiting by the experience of 1918, these leaders, backed up by the whole citizenship, are determined not to make the mistake of 1918 again in 1945.

Most of our people realize now that the armistice of 1918 probably was a blunder. In the light of experience gained in the quarter of a century since the cessation of hostilities in 1918, it is now evident that the failure then to go on to Berlin was one of the factors that led to the second world war. As soon as Germany was on her feet after World War I she began preparing for World War II, starting in 1939 and in the course of a few years involving the whole world.

Hitler, thirsting for power and territory, planned a war which was to subjugate Europe and cross the Atlantic and bring America to his feet. Meanwhile Japan, an oriental nation, with a similar thirst for expansion and power, was casting greedy eyes towards the islands of the Pacific, Eastern Asia and plotting against America.

These two nations, Germany and Japan, although widely separated geographically, were one in aims of conquest. They doubtless had a thorough understanding all the time and acted in perfect collusion from Pearl Harbor on. They and the other Axis nations all hurried into declarations of war and actual warfare against the United States before the smoke of Pearl Harbor had cleared away.

General John J. Pershing and other military leaders warned the Allies in 1918 that a mistake was being made by

quitting the war so soon. Pershing urged that the war be carried to Berlin. But the world was weary of war and bloodshed, so hostilities ceased November 11, 1918. The unfinished task of thoroughly defeating Germany was resumed in 1941. After some brilliant campaigns under General Eisenhower and his commanders, Germany was forced to her knees. But not until "unconditional surrender" came was the "cease firing" order given.

There were rumors of peace proposals more than once and "peace feelers" appeared, but our forces drove on until they made contact with the Russian armies at Berlin. All Germany was safely in Allied hands before signing of the peace treaty. The Fuehrer's forces were surrendered unconditionally and Yank and other Allied soldiers are in charge of Germany today.

The ring of steel has been speedily drawing closer to the Jap homeland for weeks. With bombs destroying her cities and the guns of the Allied fleet thundering at every outlet Japan has come to terms and MacArthur and his men are running the land of the Nipponese.

Berlin, Rome and Tokyo are in Allied hands—these capitals that started out to rule the world. The task, so far as war is concerned, seems well nigh finished. Let us not lose our hold on these enemies of ours until we have taught them some needed lessons about the future peace and security of all mankind.

"Unconditional surrender" has cost lives unnumbered. But the finishing of the task now may prevent a third world war. That war of the future bids fair to destroy the whole world. If possible it must be prevented. The war aims and the peace plans should be carried to completion.

Lamb County Oil News

Humble Oil and Refining company No. 1 Campbell, in northwest quarter of section 116, block A, R. M. Thompson survey, in extreme northeast Hockley county, and one mile south of the nearest oil well in the Anton field, in southwest Lamb county, was on a total depth of 5,477 feet, in dolomite, cutting out stuck drill-pipe.

Humble No. 1 Arnold, in northwest quarter of section 120, block A, R. M. Thompson survey, and in southeast Lamb county, and one mile due west of the discovery well in the Anton pool, was on a total 5,637 feet, in lower Permian dolomite, waiting for cement to set on 7-inch casing which had been set at that point with 300 sacks of cement.

The project encountered shows of oil and gas at 5,420-45 feet and from 5,445-85 feet. A jeep survey was taken to total depth and a dill-stem test was run for 45 minutes, at 5,523-5,637 feet. Recovery was 15 feet of drilling fluid, with a slight odor of oil. No pressures were recorded. Operator is expected to test the section which indicated production, through casing perforations, and the hole may be drilled deeper.

Humble No. 1-B Leftwich, one location from a completed oil well in the Anton field, was bottomed at 5,975 feet, in dolomite and was slated to shot with 680 quarts of nitro, at 5,731-5,975 feet.

The project had swabbed out 79 barrels of oil in 24 hours, natural, after accumulated fluid had been recovered out and it appears that this development is due to be completed for the best well so far drilled in the Anton field.

Humble No. 1 Bsgwell, in labor 25, league 273, State Capital Lands survey, three and one-half miles southwest of Littlefield, in South Lamb, plugged back to 4,278 feet, from total depth reached of 9,162 feet, in hard lime, and had set 7-inch casing at 4,185 feet, with 325 sacks of cement.

The rotary rig has been moved off and operator is waiting for a cable tool unit to move in to drill out

the cement and test slight indications of production which were logged in the section which is left open.

The atomic bomb poses a new question—that of having enough of the enemy left to surrender.

LEVELLAND AND DENVER CITY END IN DEADLOCK

DENVER CITY—Levelland Lobos and Denver City battled to a 6-6 tie here last Friday night.

Denver City drew first blood after a 50-yard arch by Gayson Tate and Bob Mills in the third quarter with Miller making the touchdown. The first half was scoreless.

Levelland came back late in the fourth period to tie the score after a Denver City fumble, Pierce scoring on a 20-yard run.

MORTON DEFEATS MULESHOE, 11-6

Morton High School opened the district 5-A conference season last Friday afternoon by defeating a heavier Muleshoe eleven, 12 to 6.

Morton scored the first time it got hold of the ball when Billy McAlister got loose through the line for 25 yards after a 65-yard drive down the field. In the third quarter, Kenneth Willis intercepted a Muleshoe pass and went over for the second score.

Muleshoe's touchdown came in the

fourth period on a completed pass and a 3-yard lineup lunge on the third down.

TRIPLE A FARM NEWS

By ERNEST L. BLACK, Secretary AGRICULTURAL DEPARTMENT REORGANIZATION

The reorganization of Department of Agriculture agencies recently announced by Secretary Anderson recognizes the effectiveness of farmer committeemen by giving them additional responsibilities. The reorganization is strictly administrative. It does not affect farm legislation, such as the Soil Conservation and Domestic Allotment Act and the Agricultural Adjustment Act of 1938 which are still on the books to help farmers deal with farm problems.

It will be some time before streamlining of the activities involved can be completely effective, since the new PMA consolidates functions previously performed by 14 agencies of the Department of Agriculture. At any rate, administration of the Agricultural Conservation program, commodity loans, crop insurance and milk, butterfat, beef and sheep payments will continue without change under the elected county committees. Additional functions will be added to the work of county committees as the reorganization plan is perfected.

The principal aim of the new organization is to centralize responsibility for USDA Farm Programs and actions affecting the production, price and marketing of farm products. In the future, farmers will deal with only a single office on these matters . . . the County Office of their Agricultural Conservation Program (AAA) Committee. The new plan should give better and more direct service to farmers and to the public.

Food production still remains a paramount problem because millions of hungry people must be fed.

Your careful driving may save a child's life.

NOTICE!

Upon receipt of my discharge from the armed services I will reopen my office in Littlefield, Texas for the practice of General Dentistry. Thanks,

NAVAL BASE IN THE WEST-PACIFIC—Francis V. Hurt, 23, second class, USNR, whose home is at Littlefield, Texas, is attached to the staff office of a new naval base. The staff in charge of all naval activities on this island, where thousands of navy men are building an arsenal for future use against the enemy.

Hurt and his son, Michael, 20 months, make their home on the island with an uncle and aunt, Mrs. C. Frank York. Hurt entered the navy in June, 1942, attending McMurray college at Denton, where he

participated in band and choral activities, while majoring in journalism.

Quite a celebration was held in the home of Mr. and Mrs. E. G. Wade in Littlefield recently when their three sons were reunited after a separation of five years. T-Sgt. J. E. Wade, who was recently given a discharge for medical reasons after eight years service in the army, Sgt. Ralph Wade, who was in the D-day invasion of Normandy and T. C. Wade, who was given a medical discharge from the navy in October, 1943, were all together. J. E. was seriously wounded while serving with the Fourth Armored division last December and was sent to McCloskey General Hospital where he was given his C. D. D. Wade entered the army in May of 1942 and went overseas the next year. He was with the Second (Indian Head) division and fought from the Normandy invasion through the remainder of the European war and was in Czechoslovakia on V-E day. He will report to Fort Bliss for further assignment. T. C. served on the submarine "Growler" and was seriously wounded when the sub rammed a Japanese gunboat. He was given his survey as a result of those wounds.

WITH THE 43RD INFANTRY DIVISION ON LUZON—The promotion from private first class to sergeant of David M. Williamson, son of Curt Williamson of Littlefield, has been announced by the 43rd "Winged Victory" division at a Luzon base. Sgt. Williamson, a member of an ammunition and pioneer platoon, entered the army at Lubbock, Texas, in April, 1943, and received his basic training at Camp Walters, Texas. He was sent overseas in February, 1944, and has two battle stars to his Asiatic-Pacific ribbon gained while

fighting in New Guinea and Luzon. He is also the holder of the Combat Infantry badge, Purple Heart and Philippine Liberation ribbon. Sgt. Williamson's wife, Mrs. Ruby Williamson, resides in Littlefield. He has one brother in the service, Cpl. Rufus L. Williamson, in the quartermaster corps.

Cpl. Dennis Cary, who has been overseas two years and in the service 26 months, with the combat engineers, is expected home soon. Cpl. Cary has been in four major battles. He wrote his parents recently that he was awaiting a boat home.

Cpl. Lewis T. Dowdy, son of Mr. and Mrs. L. T. Dowdy, of Littlefield, of the Air Corps, and stationed at Pampa, Texas, left there Sunday by plane for Houston, Texas, where he expects to be stationed. Cpl. Dowdy was at Pampa three years to the very day when he left for Houston. He was with the first group of servicemen who landed at the camp when it was first opened and, after being there three years, was the last man to leave the camp.

B. D. Garland, PhM2c, with the Second Division of the Marines on Saipan, wrote his parents, Mr. and Mrs. B. D. Garland, recently that he was now working in the office and wasn't expecting to come home soon. He thinks he will be connected with the army of occupation in Japan.

The naval career of Gilbert A. Lann, 36, of West 7th Street, Littlefield, Texas, has ended with his discharge from the U. S. Naval Reserve at the Camp Elliott separation center, San Diego, Calif., under the Navy's demobilization plan, the Eleventh Naval District announced today. He joined the Navy in June, 1944, and spent seven months overseas. At the time of his honorable discharge he held the rating of Seaman, First Class.

Lynn Leon Burns, fire controlman, third class, Littlefield, Texas, sailed into Tokyo Bay aboard the Lanier and landed the first occupation forces on the conquered soil of Japan. A few hours before General of the

Army Douglas MacArthur's triumphant arrival at Atsugi airfield, the Lanier landed a contingent of Marines on the beach at Futtsu Saki on the eastern shore of Tokyo Bay, after moving past silenced Jap batteries of 16-inch guns.

The Lanier took part in the Okinawa operation, landing replacement troops and evacuating casualties.

Wilbur R. Schreier, 21, BM1c, USNR, Main St., Olton, Texas, is serving on the USS Idaho, which is part of the powerful Pacific fleet completing the first stages of the occupation of Japan.

Under the operational control for Admiral William F. Halsey, USN, the Idaho, with 11 other battleships, 17 carriers, six escort carriers, 20 cruisers and more than 290 other ships is helping take over control of the Japs' big naval bases.

The 26-year-old Idaho took part in the invasion of Okinawa. She is a veteran of seven other Pacific operations.

After annexing his seventh campaign star during the battle for Okinawa, Schreier was advanced to Boatswain's Mate first class.

M. W. Choate, 21, musician third class, USN, son of Mr. and Mrs. James M. Falls of Maples, Texas, is serving aboard the USS North Carolina, which is part of the powerful Pacific fleet engaged in occupying Japan.

Under the operational control of Admiral William F. Halsey, USN, commander of the Third Fleet, the North Carolina, one of the "glamour" ships of the fleet, assembled with 11

other battleships, 17 aircraft carriers, five escort carriers, 20 cruisers and more than 200 other U. S. ships

to carry out the first stages of the occupation of the Japanese home islands.

Collection of War Weapons And Souvenirs Are on Display

An outstanding collection of war weapons and rare articles are on display in Replin's center window which is attracting a great deal of interest.

This exhibit was made possible through the courtesy of Pfc. Chalmer Walker, who recently returned from the European theatre of war, and who collected these articles and brought them home with him from overseas.

Pfc. Walker was overseas 16 months, took part in the Normandy invasion, was wounded June 6 by shrapnel from a mortar shell in the arm, neck, face and right eye, and spent eight months in hospitals.

Most of the above collection he gathered after he was released from the hospitals and returned to his regiment. He wears two battle stars, Presidential Unit Citation and Purple Heart.

Among the above rare collection are the following very interesting articles:

Large English bible with bronze corners and latches, which Pfc. Walker purchased for the trivial sum of \$2.00 two days after robot bombs had hit London and destroyed the owner's building. A few things were salvaged and sold, including the bible. According to Pfc. Walker there was very little money in circulation and people cared more about living than they valued money.

Two hand carved statues of St. Paul and St. Peter, carved in France, but given by British friends to Pfc. Walker.

Woman's Spanish stiletto dagger, which is from 150 to 200 years old and originally came from Spain, also presented Walker by British friends.

Indian dagger, originally came from India.

Chinese saber with short skin handle.

Several antique pistols dating from the 17th century on up, secured in England; paid \$3.20 for one of them and the balance given to him by friends.

English swords which were used

in the Boer war, given to Walker by an aged English captain who fought in the Boer war. He passed away about two weeks before Walker left England.

Italian flair pistol, taken off the Normandy battlefield of France by Walker himself.

Parachute and infantry helmets of German make taken off battlefield in France.

Rifle grenade launcher, officer's field bag, German bayonet, German shelter hat and two German watches, one silver and one gold, all gathered by Walker from the battlefield.

Two makes of German canteens, one wood and one aluminum, gathered from the battlefield.

Three ivory statues presented him by British friends which came originally from India.

Two Chinese opium pipes, one a big silver pipe used by the Chinese at home and the other one like they carry with them to use in opium dens.

Three woden plates, two of which are insid with silver wire, hand made and originally came from India. Walker paid \$2.00 for these three plates in a small village in England.

Four beautiful plates of scenes of London, hand painted and baked. He gave \$1.00 for each of these in London.

Coins from several countries, including India, Ireland, England, Australia, China, Japan, France, Netherlands, Belgium, Holland, Germany, dating from the early days of the Romans to date.

The above is a most outstanding collection and was collected only after much thought and effort on the part of Pfc. Walker.

CARD OF THANKS

Words cannot express our appreciation and thanks to our friends and neighbors for their many acts of kindness and expressions of sympathy extended during the illness and at the death of our loved one, Jerry Melvin Brock.

We also thank those who also assisted in the care of our second child, Ruben Franklin, Jr., who also was ill and a patient at the Payne-Shotwell Hospital.

We shall always remember your kindness.

MR. AND MRS. RUBEN BROCK AND FAMILY.

SON BORN TO T-SGT. AND MRS. SHEPPARD

Mr. and Mrs. Joe Wells are again grandparents. A son, weighing 7 lbs. 3 oz., was born to T-Sgt. and Mrs. Paul Sheppard Tuesday, Sept. 25, at the Littlefield Hospital. Mrs. Sheppard was the former Miss Josephine Wells previous to her marriage.

The child has been named Joe Paul and reports state that "proud grandpa" is going about with a million dollar smile on his face and "high hatting" everybody.

Anyway, mother and son and grandpa are all getting along fine.

The father is expected to arrive home today from Fairfield, Calif., where he is stationed and also M-Sgt. Lloyd Schroeder, uncle of young Joe Paul, is due to arrive Saturday on a 45-day furlough. He is also stationed at Fairfield, Cal. Both T-Sgt. Sheppard and M-Sgt. Schroeder are with the headquarters company of the air corps.

Littlefield Tourist Courts Sold By Mr. and Mrs. Wilson

Mr. and Mrs. J. E. Wilson, who have owned and operated the Littlefield Tourist Courts and grocery store for some time, sold this business to Mr. and Mrs. John T. Boydston, who took possession Tuesday.

Mr. Wilson, who is suffering some from a stomach ailment, will go for a check up and treatment to a veterans hospital at Albuquerque, N. M. Mrs. Wilson will remain here with Mrs. J. H. Wilson, her husband's mother, for a time.

On account of Mr. Wilson's health their plans at present are indefinite. Mr. and Mrs. Wilson thank their many customers and friends for their cooperation and friendship while doing business here.

Takes Part in Japan Surrender Program at Tokyo

Jerald Bartley, lieutenant in the navy and skipper of an amphibious flag ship, took part in the surrender ceremony in Tokyo Bay. He wrote his parents, Mr. and Mrs. T. H. Bartley, from sea that he was on his way to Tokyo and would take part in the surrender program.

Lieut. Bartley has been in the service over three years and overseas 27 months.

Another son, Gene Bartley, is a storekeeper, third class in the navy and has been stationed on Saipan. He expects to get home for Christmas.

Frank Bartley, also with the navy, and tower control operator at a naval air base at Norfolk, Va., has been at that location two years and is hoping to get home by the first of the year.

Woodman Circle Holds School of Instruction

The meetings held by the Woodman Circle Thursday and Friday were a great success and a deal was accomplished toward organizing a drill team. Despite the clouds Thursday night a good crowd was out for the meeting.

Mrs. Laura E. Krebs, Austin, manager of Northwest Texas, in charge of the meeting assisted by Mrs. Vera Drake, guardian of

the grave.

Mrs. Florence St. John, Abilene, state captain, was in charge of the drill team, assisted by Mrs. Lola E. Adkins, local team captain. Mrs. St. John has been doing drill work for years and holds the state medal for her efficiency in her work.

A school of instruction was given for the officers and members by Mrs. Krebs.

Following the business meeting, cake and coffee were served to the guests and members. Mrs. Drake, Mrs. Adkins and Mrs. Lola Cockerham were in charge of the refreshments.

The meeting was opened at 10

o'clock Thursday morning by Mrs. Krebs, then Mrs. Drake took charge for the day. The morning session consisted of team drills. Mrs. Oren Kirk was the musician and the entire grove expresses their thanks to her. Interesting talks were made by Mrs. Krebs and Mrs. St. John and the members gained a great deal from them.

The afternoon session was called to order by Mrs. Drake at 1 o'clock. Miss Iwa Jean Humphries was at the piano for the afternoon work which consisted mainly of team work.

Plans were made for members and the drill team to attend a convention to be held at Abilene Oct. 23. They will assist Mrs. St. John in the meeting. The meeting was closed at 3 o'clock.

Each member expressed their thanks and appreciation to Mrs. Kirk and Miss Humphries for their able assistance in playing for the drill team.

Members met Tuesday night for their regular social meeting. A good time was greatly enjoyed by all.

Everyone is urged to attend the business meeting Tuesday night, Oct. 9. Several new members are to be initiated.

Park right in school zones.

Central School Representatives Meet Wednesday

The room representatives of Central School met Wednesday, Sept. 19, in the Central School building. Mrs. Bill Pass was elected chairman of room representatives for 1945-1946.

Under discussion of plans of room representatives for the year, Mrs. Roy Wade, president of Central P. T. A., urged that the welfare of the child be their prime object and stressed, according to Mrs. J. L. Adams, district president, the most important duty of room representatives to be the enlisting of members and inspiring attendance at meetings.

The majority of the group voted to serve refreshments to the school room on Christmas and the last day of school.

Junior Study Club Meets Thursday Night

Members of the Junior Study Club met Thursday evening at the home of Mrs. Mike Brewer and Miss Alma Allen on East Sixth street, with Mrs. Olle Robbins, new president, presiding.

HAVE YOUR WHEELS BALANCED TODAY

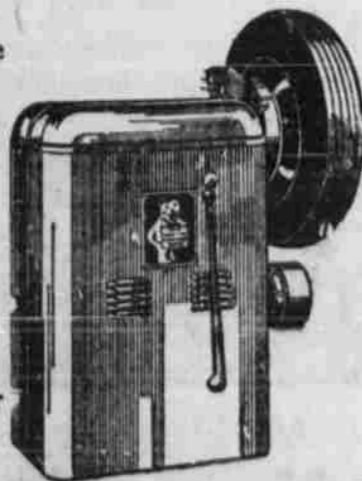

The cheapest tire and accident insurance you ever bought

WE HAVE JUST INSTALLED

A Bear Dy-namic Wheel Balancer

—and invite you to take full advantage of this new service.

- Get 50 to 100% More Tire Mileage
- Enjoy Greater Driving Safety
- Avoid Shimmy, Jiggle or Tramp
- Save Vital Steering Parts
- Stop Costly Tire and Repair Bills

Unbalanced Wheels Cause:

1. Uneven tire wear resulting in premature failure.
2. The pounding out of grease and oils in vital front end parts, thus causing more rapid wear.
3. Abnormal wear of wheel bearings, bushings, king pins, tie rod ends, knee action parts and steering gear parts.
4. Excessive body and chassis strains.
5. Rough riding and danger at high speeds.
6. Hard steering.
7. Wheel misalignment because of excessive vibration.
8. Increased gas consumption—Decrease in average speed.

On the Bear Dy-Namic Wheel Balancer each wheel is revolved at high speed and the "Neon Eye" positively detects every spot on the wheel which is out of balance.

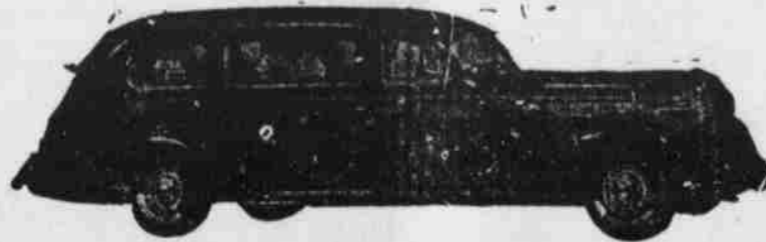

Why not let us balance your wheels on our new Dy-Namic Balancer and see for yourself how easily you can keep them rolling efficiently. You will enjoy greater safety and you will save money every mile.

Liberated From Jap Prison Camp

Mr. and Mrs. V. D. Coker of Earth received a telegram from the War Department last week to the effect that their son, J. J. Coker, civilian government worker, who was taken prisoner at the fall of Wake Island, had been liberated.

He has been imprisoned in a war prison camp at Shanghai.

Among the passengers arriving on the Queen Elizabeth in New York Sept. 19 was Sgt. Adrian W. Veach of Rt. 1, Amherst.

Estimate 86,000 Bales of Cotton For South Plains

Cotton production for the South Plains during the 1945-46 season has been revised downward by K. N. Clapp, veteran cotton man, and Anderson, Clayton representative at Lubbock. Clapp now estimates the area will produce 86,000 bales compared to last year's production of 526,000 bales.

Progress of the crop has been poor in dry weather, Clapp said, pointing out that recent high winds damaged the crop 15 to 25 per cent, offsetting above normal improvement made in August.

EXPECTED HOME

G. W. Steffey, son of Mr. and Mrs. G. W. Steffey of five miles northeast of Littlefield, who has been overseas four years, with a supply division of the Third Army, is expected home soon.

His brother, Sgt. James Steffey, with the engineers in France, overseas two years, is expected home almost any time.

Six hundred veterans of World War II are now enrolled in the University of Texas. Of this number, 213 are vocational rehabilitants. The number of ex-servicemen has increased from approximately 175 in the fall term of 1944 to 225 in the winter term of 1944-45, and 296 in the summer term, 1945.

It was but natural that "The Jersey Bounce" would be followed by the "Milk Cow Blues."

SGT. LLOYD PRYOR LEAVES FOR EL PASO

Sgt. Lloyd Pryor, son of Mr. and Mrs. W. D. Pryor of southwest of Littlefield, is home from 18 months overseas in the European area. He served with the 31st Fighter group of the 15th Air Force, operating from a base in Italy.

Sgt. Pryor is wearing the Presidential Unit Citation, a silver star representing five major battles, and two bronze stars, a Good Conduct ribbon and the European theatre ribbon.

Sgt. Pryor had been in the service four years and has been home on a 30-day furlough. He reports back to El Paso and left here Wednesday for that station.

Mrs. Pryor lives at Amherst, where Sgt. Pryor and his wife will make their home when he is discharged from the army.

J. H. Carl Expects To Be Home Soon

J. H. Carl, Chief Electrician's Mate in the navy, who has 43 months in the service to his credit, all of which he spent at sea with the exception of three leaves home, wrote his wife under date of Sept. 14 that he was getting transportation on a tanker and was coming home for discharge.

Chief Carl also said he would phone Mrs. Carl on his arrival in the states.

He has been on the USS Chester, a heavy cruiser, all the time he has been at sea, but was transferred off the Chester and wrote his wife from Dutch Harbor where he was delayed awaiting transportation. Chief Carl served mostly in the South Pacific. He was a lineman for the Lamb County Electric Cooperative before entering the service.

Spade Baptist Church Enjoys Picnic Friday

Members of the Spade Baptist Church enjoyed a picnic at Fieldton Lake Friday evening.

About 60 members of the church and their families were present to enjoy the occasion.

A chicken fry and roasted weiners were served.

Games were also enjoyed.

Troy G. Lance Returned Home

Troy G. Lance, 26, of Amherst was released from the Army Air Corps by the point system Sept. 7 at Camp Blanding, Fla., and he and his family are now at home in Littlefield.

He had a total of 98 points, 15 of which were for three battle stars. He served overseas 22 months in the southwest Pacific, and was in the army three years and four months. When overseas he was a plotter in the Signal Corps. Upon returning to the states last November he was stationed at Third Air Force Hq. at Tampa, Fla., where he served in the motor staff of the commanding general until release.

Mrs. Laurette Wilson, the new Bailey county home demonstration agent, has moved to Muleshoe and taken up her new duties. She succeeds Miss Grace Patterson, who has accepted the position of agent for Taylor county.

Training for Veterans

AUSTIN—How can the junior colleges of Texas help the ex-servicemen who are not interested in four-year college training?

This question will be discussed here October 10 at the University of Texas, when a conference is held of all junior college administrators and their representatives of Texas.

Dr. C. C. Colvert, professor-consultant in junior college education for the university, is in charge of the meeting. He will be assisted by Dr. R. A. Burgess, training officer at the university for the Veterans Administration; Paul E. Spruill, chief of training for the War Manpower Commission; Walter T. Rolfe, Veterans Coordinator for the University Veterans Advisory Service, and Dean W. R. Woolrich, chairman of the Veterans Advisory committee.

The program will be centered on technical institute courses which may be set up in junior colleges for those veterans who are interested in technical training.

Dr. Russell C. Long Joins Staff of Payne-Shotwell

Dr. Russell C. Long, formerly with Mayo Brothers Clinic, Rochester, Minn., has joined the staff of the Payne-Shotwell Hospital and Clinic, specializing in diagnosis and surgery.

Dr. Long has been specializing in this work at the Mayo Bros. Clinic for the past three years.

He is a graduate of the University of Cincinnati, Ohio, and interned in the Receiving Hospital, Detroit, Mich.

In an interview with Dr. L. T. Shotwell Tuesday, he said: "We are indeed happy to have such a well qualified and prominent surgeon join our staff here. He has specialized in surgery at the Mayo Clinic for the past three years and is of great assistance to Dr. Payne and myself."

Bernard Gaston Home from Overseas

Edward M. Gaston, S2c, son of Mr. and Mrs. Ernest Gaston of Beck's Gin Community, who has been home on a 15-day leave, left early Sunday morning for his station at Treasure Island, San Francisco, Calif.

Seaman Gaston was accompanied to Clovis by his parents Saturday night, where he boarded a train at 4 a. m. Sunday for California. From San Francisco he expects to go to Portland, Ore., and proceed overseas. He has been in the service a year.

A brother, Sgt. Bernard O. Gaston, who has been overseas eight months with the Eighth Air Force, serving as a gunner on a B-17, arrived home recently from the European area. He made 14 missions over Germany and Belgium and was awarded the Air Medal with an oak leaf cluster and three bronze stars. He is home on a 30-day furlough, following which he will go to San Antonio and thinks he will receive a discharge in about two months.

ARRIVES HOME TODAY

T-4 Raymond Fleming, son of Mr. E. B. Fleming of Maple, Texas, who has been 41 months in the service and 34 months overseas in the European theatre, is expected to arrive home today.

He took part in the North African invasion, saw action in Sicily, England and France and expects to receive a discharge.

He is a brother of Mrs. Keith Blalock, on the nursing staff of the Payne-Shotwell Hospital.

Revival Opens at Lum's Chapel Baptist Church

The Baptist Church of Lum's Chapel is opening a revival meeting starting Sunday, Sept. 30, and running through Sunday, Oct. 14, with Rev. R. L. Swanner, pastor, conducting the meeting, assisted by Rev. T. H. Maxberry, pastor of Spade church.

Emzy Hobbs will be in charge of the singing.

Rev. Swanner has recently been called to Lum's Chapel. He was formerly pastor of the Baptist church at Postok, Jack County, Texas.

George Long Is Awarded \$175.50 For First Bale

George Long, a farmer who lives four miles north of Sudan, was awarded by local merchants a premium of \$175.50 for this year's first bale of cotton ginned in Sudan.

Weighing 1,730 pounds in snaps, the bale produced 510 pounds of lint and 750 pounds of seed. The grade was middling, 5/8-inch in staple length.

The cotton was ginned by Watkins Gin Co.

Vernon Hofacket Visits Littlefield

Vernon Hofacket, formerly manager of the Birdwell Bros. Firestone store, and who has been stationed at Camp Hood, Texas, was visiting friends here, and his parents, Sheriff and Mrs. Ed Hofacket, at Levelland, from Saturday until Monday.

Mrs. Hofacket has been making her home with her parents, Mr. and Mrs. T. H. Jackson at Weatherford, Texas, during the time her husband has been in this service. She accompanied him to the South Plains the past week end.

Hofacket is attached to a tank destroyer unit and is being transferred to Fort Ord, Calif. He left Monday for his new location.

ACCEPT POSITIONS

Miss Ruth Young, daughter of Mr. and Mrs. R. Young of Spade, is now employed with Koen's Studio in Plainview. Miss Young has been employed there for the past three months and reports that she likes her work fine. She is darkroom technician, which includes developing, enlarging and printing. Miss Young previous to her employment attended Lippert's College at Plainview.

Miss Pauline Young, another daughter of Mr. and Mrs. R. Young, left Plainview Sept. 3 for Springfield, Mo., where she is attending the Western Union school. Previous to her employment with the Western Union she was employed with Smith & Billington, insurance agents of Plainview.

Miss Bobbie Dean Young, still another daughter of Mr. and Mrs. R. Young, is employed at the Model Laundry in Plainview. Miss Young will soon begin work for the Western Union and later go to Springfield, Mo., to Western Union school.

These three sisters are all graduates of the Spade High School with the 1943-44-45 classes.

ANTON LIONS TO STAGE SHOW TONIGHT

The Anton Lions have planned a big show for Thursday night, Sept. 27, the proceeds from which will go to purchase a large refrigerator for the school lunch room.

The show, which is to be held in the high school auditorium, will provide plenty of fun and entertainment. The principal feature is to be the "Lions' Glamour Girls Review." In this review will be seen a lot of charm that was never known to exist. In addition to this farce, the public will also have high class entertainment. The Anton Glee Club, under the able direction of Mrs. Oran Dennis, will give several numbers. Another feature which should bring everyone will be the participation in the entertainment of Joyce Halsey and her Drug Store Cowboys. This cowboy band is in demand over the South Plains wherever there is entertainment to be made.

Pfc. Floyd Coffman Expected Home Soon

Pfc. Edwin Coffman, son of Mr. and Mrs. Floyd Coffman, who has been stationed in Italy, has been transferred to Trinidad, where they are flying out 200 men a day to Miami, Fla., and Pfc. Coffman is awaiting a plane to fly out most any time, according to his father, who added that they were looking for a telegram from him as soon as he arrived in the states.

Pfc. Coffman has 82 points and expects to receive a discharge. He has been in the service 40 months and overseas 14 months. He has been serving with the ground crew of the Air Corps.

Presbyterian Church To Observe Rally Day September 30

Again on Sunday, Sept. 30 we are called as Presbyterians and as a church to rally our full forces to a fresh commitment to spiritual advance. The board of Christian education is presenting this year's theme "Learn of Me," and is cooperating in the denomination's spiritual advance program and combining the major themes of this program with the Rally Day observance.

At the Sunday School hour it is hoped that every member will be present. At this time promotions will be made from one department to another. There are several who will receive certificates of recognition of the work done in the various departments. The same theme is carried through the morning worship service. May we have a full attendance at these services.

Makes Trip Home On First Plane of New Braniff Line

Dr. James Shotwell, instructor in the dental department of the University of Tennessee, Memphis, arrived Thursday by plane for a few days visit with his parents, Mr. and Mrs. I. T. Shotwell Sr., and other relatives here.

On coming home Dr. Shotwell had the privilege of being one of those to make the first flight of the Braniff Line from Memphis to Denver by way of Amarillo.

He left Wednesday to return by plane to Memphis.

The prescription your doctor writes for you calls for certain ingredients, and over and above that, it calls for the best quality drugs and a full measure of professional skill and care in the compounding of them. Though not written by your doctor, we read these instructions between the lines and treat quality, care and skill as active, essential, participating ingredients of every prescription we fill. Only the best is good enough where your health is concerned, and only the best of everything goes into the prescription you bring to us.

Henry Ford II Named To Succeed His Grandfather

Henry Ford, symbol of American individualism, stepped down Friday from the presidency of his billion-dollar Ford Motor Company and his 28-year-old grandson, Henry Ford II, was named to succeed him.

The elder Ford, 82, built the company from a small shop to a world-wide financial empire. He turned over the office to his son, Edsel, in 1918, becoming president again in June, 1943, shortly after Edsel died.

The new president, a six-footer, is the first college-trained man to head the company. Previously, he had been executive vice president.

The elder Ford, in his letter of resignation, said he felt free to retire "because the critical period during which I again assumed office has passed."

Ford indicated in his letter that he intended to maintain his many interests and hobbies, "to which I now desire to devote most of my time."

The new president brings to one of the nation's most important industrial posts a social philosophy compounded of his Yale University studies, where he majored in social sciences and his grandfather's rugged individualism.

The younger Ford first worked in the River Rouge airplane motor plant. In 1941, he entered the Navy as a lieutenant, junior grade. He was released in 1943 to help direct war production in the Ford system.

The Ford Motor Company he takes over was founded in 1903 after his grandfather built his first automobile in 1893.

The Ford holdings extend throughout the world, with factories and offices in Australia, Europe, England, and South America. Major organizations are in the United States and Canada.

The Ford estate represents one of

ANTON BULLDOGS LOSE TO HALE CENTER FRIDAY

Hale Center High school's Owls won their second game of the season last Friday afternoon, defeating Anton's Bulldogs, 14 to 7.

In the first quarter, Quarterback H. A. Caraway passed 20 yards to Kenneth Bogart, behind the goal line for the first Owl score with Caraway kicking the extra point. The same play was nearly repeated in the third quarter, Caraway to Bogart, with Caraway passing to Landers for the extra point.

Anton scored in the fourth quarter when Eddie Hart caught a short pass from Wood and ran 75 yards for the counter. Wood kicked the extra point. Anton had previously threatened in the second quarter after making three straight first downs but fumbled near the goal line.

Coaches Ely Bailey and Wade Davis were well pleased with the showing of their youngsters who scored 12 first downs to the visitors 4.

ter when Eddie Hart caught a short pass from Wood and ran 75 yards for the counter. Wood kicked the extra point. Anton had previously threatened in the second quarter after making three straight first downs but fumbled near the goal line.

Oldsters Trowned

(Continued from Page One)

long smash to deep center field in the second frame with a man on base gave the fans a thrill and gave the locals two tallies to make a total of four.

Bob Galey, visiting hurler, and just a 16-year-old lad, went all the way for the visitors. Though he got into trouble in the early stages of the game, he found his mates pulling him out of things later to gain a 10 to 7 victory. A total of six unearned runs were made off Moore and Coffman, who worked for the home club. Dick Ratliff and Orville Steffy did the receiving for the locals.

So far as the "old gang" were concerned, they were very happy to know that they could stay as much as half of the game. Some of these men have not had hold of a baseball once in the last ten years. Others had very little training or workout for the game. But, as a whole, the light casualties reflects that all were cautious with their every throw and moves to avoid sore arms, backs and plain old "charley horses."

From a financial angle on the gate receipts, a total of ticket sales amounted to \$137.00. Of this amount \$100.00 has been turned over to the local park fund for improvements and with the American Legion sponsoring the game they were given credit for this contribution. All children were admitted free to the game and only adult ticket sales were offered.

Just when, if ever, such a game will again be staged cannot be indicated at this date, but with the general interest manifested in this event, one feels like there is still a lot of interest left in the "national pastime" and that in all probability it will come back again in the future.

With World War II at a close and many veterans returning who know how to perform on the diamond and, if encouraged, they would give a good account of themselves. It is also hoped that in 1946 a baseball program may be worked out for the youngsters, who richly deserve all the help which can be mustered for their better interests.

Remember—not over 15 miles per hour in the school zones.

Good Cooperation Reported on Traffic Safety Program

The following report in connection with the traffic safety program which got underway the first of this week, sponsored by the P.-T. A., with the city of Littlefield and Boy Scouts cooperating, was submitted at the regular meeting Wednesday of the committee in charge. Members of the committee are Mrs. Quinton Bellomy, chairman; Mrs. Buck Ross and Mrs. Roy Wade.

"The mayor and city commissioners have pledged their full support and assistance, and are to have City Marshal Ab Anderson patrol the school district from 8:30 a. m. to 9:30 a. m.; 11:30 a. m. to 1:30 p. m. and 3 p. m. to 5 p. m.

"The Scoutmasters and the Boy Scouts are cooperating and assisting with the traffic patrol. Whistles have been provided for them.

"The blocks in front of the school have been zoned with orange paint, under the direction of Supt. Fred Miller.

"Signs are being ordered to further caution the drivers and children—'Drive Slow'—'Speed Limit 15 Miles,' etc.

"Teachers are cooperating by instructing pupils to cross the street only in safety zones.

"The local papers are introducing to the public the safety campaign.

"We hope to see great improvement in traffic conditions in our school district under the protection of our traffic patrol."

"MRS. QUINTON BELLOMY, "MRS. BUCK ROSS, "MRS. ROY WADE."

Scout Troop 25, sponsored by the local unit of the American Legion Post, are patrolling the streets this week in the vicinity of the school buildings in connection with the traffic safety program underway.

Patrol leaders Monday were: Warren Rutledge, Charles Joplin, Buford Lutimer and Max Dee Hulse.

third teams on the field, yet the Wildcats continued to score at random.

Cats High Scoring Team

Sparked by Bill Lyman, Littlefield quarterback and captain, who opened up an aerial attack which couldn't be stopped, the Wildcats amassed enough points to make them one of the highest scoring teams in the country today. Lyman completed five forward passes for touchdowns during the game. In the third quarter he intercepted a Floydada forward pass on Floydada's 38-yard line and went over for a touchdown. Lyman and Walter Sewell each scored three touchdowns. Buster Owens scored two and also accounted for six extra points. The following scored a touchdown each: Oscar Arend, Gene McCanles, Gene Carter, Junior Graham and Travis Price.

Making only one first down during the entire game and that on a completed forward pass, the Floydada team was completely outclassed. Practically the entire game was played in Floydada territory. Although Coach Gresham kept a steady stream of substitutes going into the

game it was to no avail as Littlefield seemed to anticipate each and every play.

Officials of the game—Referee, Bob Morris; umpire, William Watson; head linesman, Charles Signor.

One of the highlights of the game was the first appearance of the Littlefield High School band. Under the direction of Lieut. Allan Winston, the band entertained before the game and at half time. The "Pop Squad" was also out in force and kept up a steady stream of cheers and yells during the entire game.

Entertain Wildcats

An aftermath of the game was when Lonnie Taylor, proprietor of Taylor's Studio, on Phelps Avenue, gave the members of the team a feed at the American Cafe after the game. Bill Chesher, manager of the Palace and Ritz theatres, admitted members of the team to the midnight show at either theatre Saturday night.

Next Friday night the Wildcats meet the strong Morton team here in their first conference game of the season. A large crowd is expected for the game which is scheduled to get underway at 8:30 sharp.
