Jaycees Hear Both Sides On Canadian River Water Plan

At the regular meeting of the Jaycees Tuesday, members heard a discussion presented by two local attorneys concerning the coming election on the Canadian River Water Authority.

Pat Boone Jr., member of the Littlefield city commission, in his ten-minute talk gave the attitude of the commission, and particularly his reasons for opposing ratification of the state law creating the Authority. In opposition to Boone's theory, Arthur Duggan, local attorney, and former attorney in actions concerning underground water, gave reasons why he thought the people of this community should vote yes on November 24.

In his opening remarks, Boone stated that at the outset of the proposed dam, the city had joined other cities in their fight to create the Authority, only in the sense of "moral support" and not because of Littlefield's "need" of water. "However,"

Boone said, "Littlefield has already spent a little more than \$1100 on the project."

"Littlefield is in a good irrigation belt. There is an ample supply of water now. No one knows how long the underground water will last, but if the irrigation supply fails, so will the city, thus eliminating the need for more water for its residents."

"There are 12 cities involved in this proposed district, and all these cities will vote on November 24, to determine whether or not they wish to participate in the district. After the election, each city will have one or two members on the Board of Directors. Cities of 10,000 or more population will have two members on the Board and cities of less than that will have only one member. This puts Littlefield in the minority, as other small cities in the district."

"After the election, when the district votes on any tax levy or bond issue, all members will be

bound by voting action as taken from the over-all district," he further declared.

Boone explained any member city could withdraw by "appropriate procedure". Proper procedure is by filing with the Board of Directors a written request from the city commission three days prior to the calling of an election. "However," he said, "If 100 or more qualified electors from that city present a petition to the Board, then another election would be necessary in that city to determine the desire of the people, relative to the question of withdrawal."

Attorney Boone brought out that there was no rationing in the city last year but that the city was almost at their capacity. "The city has recently bought more land at very reasonable cost to provide us with more water. We are still on the lookout for more water rights and land."

"In closing, he declared "the city should have control of the money they spend."

Arthur Duggan began by stating "This question is one of long-range planning of a water supply for Littlefield, one of from 10 to 50 years."

In making a comparison as to members on the Board, Duggan said "Littlefield will have one Board member as a city of 6,000, whereas Lubbock, a city of around 100,000 will have only two, giving us a far greater percentage than the larger cities in the district." In strengthening this point, Duggan reminded his listeners that "When this Bill was originally drawn it had embodied in it, the control, etc., of 'underground' water also. The 'one' votes immediately formed a block and over-ruled this, and the bill in its final passage has no reference to underground water."

He pointed out that "Littlefield will pay exactly the same

price as any other member city. It will cost us not one penny more than Amarillo, because of the long pipe lines. The water will be delivered to our city limits at the same price it is delivered to the city limits of Amarillo."

As a guest of Mr. Duggan, Bill Holmes of Lubbock was introduced and asked to give his ideas and opinions on the Authority. Holmes is Director of Public Works in Lubbock.

Stating that he was not too familiar with Littlefield's water situation, Mr. Holmes said he nevertheless would like to present for study and consideration a number of facts that pertained to the people of this area.

"We are over the world's greatest water reservoir, but that supply is not inexhaustible. The water table is decreasing at a terrific rate. The U. S. Geological Board of Water Engineers estimates that there is

Parkview Starts Sale Of Bonds

Parkview Baptist Church this week began sale of \$15,000 worth of bonds to finance building of a new church, and Rev. John C. Taylor reported "We sold 15 percent the first night."

Construction will begin on the new church as soon as \$10,000 worth of the bonds are sold, the minister said. Bonds are in denominations of \$50, \$100, \$250, and \$500. Sherman L. Goodwin is chairman of the finance committee and Vernon Hofack is chairman of the building committee. Bonds can be obtained from church members or from Reverend Taylor or the church treasurer, John Crawley.

The new church will be located east of the present structure in the 1000 block East Fifth. (The church owns this whole block except for one lot.) The new brick veneer church will have a 36 x 75 auditorium which will seat 340.

Presbyterians Dedicate New Building Sunday

Littlefield's First Presbyterian church will dedicate its new building in special services Sunday.

Harold Biffle, Lubbock contractor, will present the key to the new building to Mancil Hall, chairman of the church building committee, who will receive it on behalf of the congregation.

Rev. Henry Haupt

Mr. Hall in turn will present the key to the pastor, Rev. Henry Haupt, who will receive it for the Presbyterian church at large.

Mr. White Gives Title

George White will present a clear title to church land to the congregation. Mr. White gave the land on which the new church was built in 1952, with the stipulation that building must commence within three years. Now that the church building is finished, he is giving the clear title, which includes royalties.

The dedication ceremony will begin at 11 a. m. Reverend Haupt will preach and the choir will provide special music, singing "The Good Seed," under the direction of Mr. Hall. Mrs. Ira Woods, organist, will accompany the choir.

Ladies Plan Service

All former pastors and members of the church have been invited to Littlefield for dedication of the new, Colonial-style red brick building. The fellowship hall and Sunday school rooms of the new church plant are completed and services will be in the fellowship hall until a new auditorium is built later.

The Women's Auxiliary will be in charge of a special prayer service at 7 p. m. Sunday. After a song service, Reverend Haupt will preach. There will be special music and an offering will be taken for Boggs academy, a church school for Negroes in Georgia. Coffee and sandwiches will be served in a fellowship hour following.

Baptists Set \$25,000 Goal For Sunday

The First Baptist church has set a goal of \$25,000 for a Thanksgiving offering to be raised in cash Sunday for the new building fund.

"This is the third consecutive year such a goal has been set," Rev. Le Hemphill, pastor, said Wednesday. "Each time before the church has gone beyond its goal. Last year the amount raised in November reached \$30,000."

Reverend Hemphill said no canvass of the membership is made and no pledges taken in meeting the goals set by the church. "The only campaign made is to remind the people of the goal. The money is turned in quietly through Sunday school envelopes."

The minister said the largest gift expected is \$1,000 and "there likely will be five such gifts. There will probably be 10 who give \$500 and some 30 or 40 members will give from \$150 to \$350. About 30 \$100 gifts are expected and some 300 will give from \$1 to \$100." The pastor is expecting 1,000 members to have some part in the offering.

The entire new plant of the First Baptist church is costing a total of \$450,000. At the present rate of financing, Reverend Hemphill said, the building should be paid out in 18 months. Completion date is Dec. 25 but

Pleasant Valley Plans For New Town Building

Final plans for a new Community Building for Pleasant Valley will be worked out at the community meeting and covered dish Thanksgiving dinner at 7 p. m. Tuesday, Nov. 24.

The dinner meeting will be in the present Community building, a converted school.

Tentative plans for the building were presented at a meeting this week by Temporary Building Chairman F. L. Shelby. The plans were explained by County Agent David Eaton, who had them drawn by the extension department of A&M. The blueprints submitted were only tentative plans and final plans will be worked out Nov. 24.

Some \$1,100 has been contributed to the building fund. Citizens can contribute to the building fund at the Thanksgiving dinner, which will be attended by Pleasant Valley residents and guests from nearby towns and communities.

An added attraction at the dinner will be a public auction of a registered Angus bull, donated to the Community Building fund by Mrs.

Discovery Well Test Completed, Now Producing 116 Barrels Daily

Unofficial Reports Say Indications Good At Park Well, Down Past 3600

The Littlefield Discovery Well pumped 116 barrels of oil in a 24-hour potential test and is now in production, Texas Company officials said Wednesday.

After preliminary testing, the 24-hour potential completed Tuesday showed 116 barrels of oil plus a percent basic sediment and water. Gravity was 28.4, normal for oil from the San Andres formation and company officials said "that's good oil."

Vote Tuesday On Water Proposal

Here's information on the election on the Canadian River Municipal Water Authority to be held here next Tuesday, Nov. 24.

WHO VOTES—All qualified voters who own taxable property in the city of Littlefield and within the authority and who have duly rendered the same for taxation.

WHERE AND WHEN—Polls will open in the Lamb county courthouse from 8 a. m. until 7 p. m.

THE BALLOTS will contain two propositions:

"For confirmation of Canadian River Municipal Water Authority" and

"Against confirmation of Canadian River Municipal Water Authority."

Each voter will mark out one of the above sentences, leaving the other as indicating his or her vote on the proposition.

Wanda Jo Harrel Reported Better

Wanda Jo Harrel, 18-year-old Littlefield student at Abilene Christian College who was injured in a horseback riding accident Nov. 9, was reported in "satisfactory" condition Wednesday.

Miss Harrel was unconscious almost a week after the accident and still regains consciousness only periodically. She suffered a cracked skull and brain concussion in the accident.

She was injured when a rented horse ran away and threw her to the pavement.

Officials Ask More Support From Littlefield... Boy Scout Fund Drive Lags

The Boy Scout fund drive is lagging, Scout officials said Monday as they appealed for support for the campaign to finance Scouting in Lamb county.

B. D. Garland Jr., chairman of the drive to raise \$3,000 for Lamb county's 1954 Boy Scout program, said "no one has turned in any contributions yet. From talking with workers, it appears it's requiring a lot more effort to get contributions than ever before."

Garland urged Littlefield residents to contribute soon to the drive so the 1954 Scout program can go on as scheduled.

An estimated \$12 per year for each boy is needed to maintain the Scouting program. There are 518 Scouts in the Yellow House district (Lamb and Bailey counties). The district goal in the financial drive is \$6,000.

The fund drive in Lamb county was kicked off at a breakfast meeting at Fisher's in Littlefield Monday. Scoutmaster Euel Sullins talked on current Boy Scout activities and Jack Christian told of the need for additional backing for the Scouting program in Littlefield. W. C. (Hoot) Cannon discussed the Scout of Honor held at Sudan Tuesday night.

Scout executives working in the fund drive are District Chairman Cannon, J. E. Chisholm, Jr., Jack Christian, Bill Street, Rev. Harry Vanderpool, Charles Duvall, Earl Rodgers, Euel Sullins, Buster Owens Jr., Tramp Brown, Houston Hoover, Norris Onstead and W. H. McCown.

Other drive workers are Bill Kelly, Tom Hibun, F. L. Newton, Ernest Connell, Buster Owens, Mackey Greer, Joe Farrell, Amos Ward, Luther Faulkner, Landon Grissom, Rev. Henry Haupt, Dan Staggs, C. M. Lance, Marshal Howard and Dan Berg.

Baylor Star To Come Here For Football Dinner

Jerry Coody, Baylor football star and ministerial student, will come to Littlefield Dec. 12 for a banquet to be sponsored by First Baptist and Parkview Baptist churches for the Littlefield high school football team.

The football dinner, first of its kind to be sponsored by the churches, will be held in Community Center, Norris Onstead is chairman of the arrangements committee.

On Dec. 13, Coody and Jerry Barnes, a freshman at Baylor and also a football player, will conduct services in both churches. Coody will preach and Barnes was here last summer to lead the music in a tent meeting.

Coody, Baylor right halfback, was a second string All-American last season.

150,000,000 acre feet of water in this underground supply, but that we will be able to get out only 100,000,000 acre feet. Last year there was 3 1/2 million acre feet used, so you can readily figure as to how long this supply can last. However, this supply does have a recharge.

"The Canadian River water project has a lot of merit. It is the only stream in this part of the state that can be dammed up, and is our only chance for surface water. Of course, when the project is completed it will not supply all the needs of member cities. The water will be allocated, and each city

will, in the peak periods, have to supplement the supply from the Canadian River."

He further stated, "Lubbock is looking for a long-range water supply for many reasons. We have found that our costs for water have increased tremendously. A few years ago we could buy land for water purposes for \$50 to \$100 an acre. Today this costs us \$500 to \$600 an acre. Not only are our costs up, but the production of our wells is down. For instance, last year we drew from wells 38,000,000 gallons; this year from the same wells we will draw only 36,000,000 gallons. We in Lubbock are not looking for more water because of increased industry, but to take care of our loss of water pro-

duction. Recent water wells that we have drilled are very discouraging."

"The election that will be in this district on November 24 is to confirm the district. Questions of financing, etc., will be determined at a later date," Holmes declared.

In showing the decline in the water table around Lubbock, Holmes said, "The water level on our NW wells from 1952 to 1953 dropped 15 feet; at the airport, 20 feet, and NE of the city, 70 feet. This shows that the underground supply is not inexhaustible."

One of the vital questions that has arisen concerning the people of Littlefield and the Authority is the cost of water that is received at the completion of the project. Mr. Holmes agreed with Mr. Boone's statement that estimates are that water would be sold to member cities at from 12 to 15 cents per thousand gallons. Holmes explained that "Lubbock's present cost of water is 15.7, based on land that had been purchased for about \$100 an acre. However with the land selling at a higher price, naturally our cost per gallon will increase."

Due to the shortage of time at the luncheon meeting a general question and answer period could not be held.

Attendance at the meeting was very good with high interest in the controversial issue.

Driver Arrested On Liquor Charge After Accident

Logan Lynch of Sudan, arrested after an automobile accident in Sudan Saturday night, Monday pleaded innocent in county court to a charge of transporting whisky and was freed under \$1,000 bond.

Lynch was arrested by investigating officers who said they found two cases of beer, six pints of wine and three pints of whisky lodged in the smashed down front seat of his car after the wreck. Lynch's car ran under a cotton trailer in front of the Legion Hut at Sudan.

He was one of 25 persons arrested during the weekend by city and county officers and the state highway patrol.

Also charged with liquor law violation were Jose Lopez of Olton and F. H. Gainanigo of Olton. Lopez pleaded guilty to a charge of possessing beer and was fined \$100 and costs. Gainanigo, who was arrested in the center of an Olton home and charged with gambling and possessing beer, still is in jail.

Two countians were charged with driving while intoxicated and both pleaded guilty and were fined \$100 and costs. They were Tom Albaros of Olton and Polo Mealrufo of Earth, C. V. Hummel, charged some time ago with driving while intoxicated, pleaded guilty Tuesday and was fined \$250.

Officers arrested 20 persons for drunkenness over the weekend.

Students Admit School Break-In

Three boy students at Spring Lake school Tuesday admitted they broke into the school Monday night and took candy and money from a vending machine. Lamb county sheriff's officers said.

The boys went to the superintendent and admitted their guilt after investigation and a lecture by sheriff's deputies. The boys were turned over to their parents for punishment.

Amherst Junior Study Club Has Thanksgiving Supper

A Thanksgiving Potluck Supper was held Monday night, Nov. 16, for members of the Amherst Junior Study Club at the home of the club president, Mrs. Doyle Tapley.

Guest speaker for the occasion was Rev. Darris L. Egger, minister of the First Methodist church, Amherst, who spoke on being thankful.

The invocation was given by Mrs. Randall Crawford. Four- some tables, with gay colored cloths centered with a single white candle in a crystal holder, were used. The covered-dish supper consisted of baked chicken, dressing, wax beans, gravy, cranberry and cole slaw salad, hot rolls, butter, Hungarian and pumpkin pies and iced tea. The serving table contained an arrangement of autumn colored mums and ceramic birds.

Following the meal, a business session was held with Mrs. Tapley presiding. Mrs. Winfred Crosby was voted as an associate member of the club. Mrs. Charles Hinds accepted the leadership of the Brownie Scout Troop and Mrs. Bela Haffalvi as assistant leader. Mrs. Walter Brantley was appointed good-will chairman. A thorough discussion was held on the Negro minstrel the Study Club with assistance of the Lions Club, will present sometime in January.

The next meeting will be in the home of Mrs. Donald Priddy on Dec. 7, 1953, with a program on "Patriotism and Communism".

Those attending were Mesdames Randall Crawford, J. V. Adcox, O. L. Bassett, Norman Hatch, C. C. Craig, Jim Trancott, Lamar Kelley, Bela Haffalvi, Donald Priddy, Charles Hinds, Walter Brantley, Doyle Tapley and Mary Lenore LaGrange, along with two visitors, Rev. and Mrs. Darris L. Egger.

assisted by Mrs. V. A. Hinds. At the conclusion of the talk the hymn, "Take Time To Be Holy" was sung and Mrs. D. L. Egger led in prayer.

Mrs. Melvin Dutton, vice president, presided over the business portion of the meeting in the absence of the president, Mrs. I. N. Griffing.

Those attending were: Mesdames Oby Blanchard, Melvin Dutton, Bill Elms, Joe Porter, H. L. Messamore, V. R. Stagner, George Harmon, Harry Phelps, V. A. Hinds, Bill Workman, D. L. Egger, Davis May and one visitor, Mrs. J. V. Adcox.

Kat's Korner

By Karen Williams

Hi, Kids! How did you like that swell game with Lockney? Man, our boys played a "super-colossal" game with excellent blocking and good broken-field running.

But if you want to see "the" best in modern football, the game for you to see is the Junior-Senior Girls Football game next Wednesday afternoon at 3:45 p. m. The head cheerleaders for the Seniors will be F.E. Yohner and Glen Hatla while the Junior Boys will be led by Kenneth Jackson. The "husky?" Senior football girls will be coached by Bob Hoover and James Renfro. The "talented?" Junior football girls will be coached by Tommy Shelby and Bobby Murdock. All Junior and Senior boys desiring to be in a pep squad will be gladly accepted. The male members of the band will perform at the half-time and for all of this enjoyment and entertainment only a quarter will be charged.

Why all the glum faces this week? Six-weeks tests maybe! A popular scene is when the kids file out of the class room groaning and moaning to the tune of "Where in the world did she get all of those questions? We never even had some of those questions in our book!" Well, cheer up, kids, it can't last forever... can it???

The Student Council made a tidy sum this week as a result of sponsoring the play, "The Miser". The Texas Tech dramatic department did a swell job on the play and everyone there reported a good time.

The A Team Basketball girls are preparing for a scrimmage with the Olton A Team next Tuesday afternoon. Good luck gals!

The National Honor Society is planning a costume party next Monday in which each member will come dressed as an author or literary character. Sounds like fun, doesn't it! Well, football girls, this is your chance to show your talents in this ladylike sport. And remember, girls, no hair pulling!!

WHO MADE GOD?

By TOMMY WILLIAMS, Minister

Have you ever pondered this question: If God is all-powerful, who made him? Would not the one who made God be more powerful than he?

It is self-evident that something cannot come from nothing. Present existence of anything proves previous existence of something, or some power to produce that which does exist. Therefore, there must have been existence without a beginning. The order and usefulness of that which exists shows that this Eternal Existence possesses infinite intelligence. Such eternal existence, power and intelligence are qualities which belong to God. He possesses the intelligence and power of creation. The idea of existence without a beginning can not be comprehended by the human mind, but it is the only reasonable solution to the ex-

istence of anything. There is a First Great Cause. It is God.

Before there can be life, there must be life preceding it, or some power to produce it. There is life, therefore a being has always existed. It is God.

The Creator is greater than the creature. God is the Creator. There is, therefore, no power which could have made God. He is all-powerful. The conclusion is, therefore, that God has been in existence from eternity — without beginning. No one made him.

"From everlasting to everlasting, thou art God," (Psalms 90:2).

200 Attend Methodist Conference

Two-hundred pastors and member delegates from 32 churches attended the annual meeting of the Brownfield district Methodist conference at the First Methodist church in Littlefield Monday.

Churches represented included Amherst, Anton, Spade, Bula, Whitarral, Pettit, Leveland, Tahoka, Brownfield, Semole and Denver City.

The pastors' composite report showed a total Methodist membership in the area of 7,822. Average Sunday school attendance is 2,951. The Women's Society of Christian Service has 1,011 members and through their mission program the women have raised nearly \$7,000 since June 1 for work in home and foreign fields. In the five months of the current conference year the churches have raised \$196,762 for the support of the various phases of the churches' work.

The report for the immediate area churches showed:

LITTLEFIELD—Membership 637; Sunday school attendance 264; Women's Society 105; raised by women \$383; total raised by church \$12,052.

AMHERST—Membership 287; Sunday school attendance 131; Women's Society 28; raised by women \$486; total raised by church \$3,402.

ANTON—Membership 305; Sunday school attendance 113; Women's Society 44; raised by women \$300; total raised by church \$3,823.

SPADE—Membership 196; Sunday school attendance 98; Women's Society 39; raised by women \$243; total raised by church \$3,501.

Rev. Vernon N. Henderson of Brownfield presided at this conference. Rev. Marvin L. Boyd, superintendent of the Plainview District, brought the conference sermon and presided over the Littlefield area.

Other speakers were D. Gordon Bennett, vice-president of McMurry College, Abilene; Dr. O. P. Clark, Abilene; J. Dean Williams, Lubbock; Miss Ruth Emory, conference youth director, Lubbock; Rev. Edgar Irvine, superintendent of the Methodist Camp, Canyon; Rev.

Kickoff At 7:30 As Unbeaten Teams Play For Six Man Bi-District Title

Bula plays Mobeetie at Littlefield Friday night in a bi-district six-man championship football game. Kickoff is at 7:30 p. m. Admission will be 50 cents and \$1.00.

Mobeetie, champion in District 1, (last season) boasts a perfect season record with the exception of one tie by Foyett Bula, winners in District 2 (the South Plains area) has a record of eight straight conference wins and one non-conference victory.

Winner of the game will meet the Jayton-Point Creek winner for the Region 1 championship.

Coach Claude Morrison of the Bula Bulldogs announced his starting lineup will include:

On offense, Center Jimmy Drake, End Carl Wayne Hallford, End Benny Hall, Quarterback Jimmy Gage, Fullback DeWayne Neel and Tailback Richard Skinner.

On defense, Center Walter Cunningham, End Floyd Vaughan, End Jesse Moats, Quarterback Gerald Neel, Fullback Jimmy Bellar.

Bula has scored 376 points this season, averaging 43 and three-fourths points in their eight conference games. The Bulldogs' season average is 41 and seven-ninths points per game.

Skinner alone has scored 153 points running and 26 passing. In the first three games of the year, Skinner was allowed to carry the ball only nine times, he missed half of the game with Southland and didn't suit up for the Cotton Center game. In only two games did he play an al-

most full game.

Against Three Way he scored 36 points and in the Pettit game he ran six TD's, carried over one extra point, drop kicked for two more and passed for two other TD's.

It was the Pettit game last Friday night that clinched the district title for Bula. The Bulldogs beat the Eagles 81-0 in a game that was supposed to be a toss-up.

In their own homecoming game the Eagles were forced to punt time and again, being held to two first downs in the first half and three in the last. The one serious scoring threat by Pettit turned into a pass interception by Skinner and an 80-yard scamper for a touchdown. Junior Halfback Neel followed Skinner in the scoring parade at Pettit, racking up 22 points.

THEY BROUGHT 'EM BACK—Walter Gray and Frank Karvas are shown above with the deer they bagged near Delores, Colo. They shot the deer on Disappointment Creek but there was nothing disappointing about these big bucks.

27 Out For Basketball As Drills Start, Coach Stresses Conditioning

Coach Joe Simpson started drills this week for the Littlefield High school boys' basketball team but he said "right now we're mainly trying to get into condition. We probably won't start working on plays until Friday."

Twenty-seven boys only one of them a veteran of last year's first string are working out. Center Troy Gardner is the lone returnee from the 1952 A team. Seventeen of the prospective players are members of the Wildcat team which just closed

around Friday? How come, Glennis?

Ghary Elkins, Harold Byars and Phillip Tate sure had their eyes on the girls trio Tuesday night. I'll admit, that the girls looked nice.

Ann Adams' mother surely must have been coaching her because she really impersonated a flapper in "Five Foot Two"

The fourth grade boys, Gloria Gray, Francis Pringle, Gloria Sealey, Katherine Snow, Alice Jones, Glennis Holly are due some congratulating for winning at the Talent Show. Lavonne Snow also is due some. She won on yodeling and Tennessee Wig with Glennis, then got Sweepstakes.

Several people reported that they saw Maudean Tinsley and Jerry Wells together Thursday

out its season Friday. They include:

John Clayton, sophomore, 6 feet tall, weighing 137 pounds; Joe Giddens, junior, 5-8, 140; Kenneth Griffin, junior, 5-8, 130; Bill Fore, junior, 6-1, 150; Ben Northam, junior, 5-6 1/2, 133; James Durham, sophomore, 5-6, 130; Wayne Wicker, sophomore, 5-11, 155; Jimmy McShan, sophomore, 5-5, 128; Boyd Mears, senior, 5-10, 152; Fred Martinez, senior, 5-11, 173; Paul Williams, junior, 5-10, 165; Roy Hoover, sophomore, 5-3 1/2, 125; Dwain Hoover, senior, 6, 168; Keith Davis, junior, 5-11, 145; Dan Howard, junior, 5-11, 150; Melton Vaughan, junior, 5-5, 140; Bob Orr, sophomore, 6-1, 160.

Others out for basketball are Joe Carter, sophomore, 5-4, 115; John Aguilar, sophomore, 5-11, 125; Johnny Baker, senior, 5-11 1/2, 160; Troy Gardner, senior, 6-2 1/2, 168; Roger Newton, senior, 5-11, 130; Melvin Campbell, sophomore, 5-2, 120; Don Tindal, sophomore, 5-4, 157; Charles Durham, sophomore, 5-9, 154; Bill Brandt, sophomore, 5-8, 148; John Crosby, senior, 5-9, 134.

Basil Bartlett is team manager.

Vaughn Among Leading Scorers

Milton Vaughn of Littlefield was among top-scoring school football players last week. He scored two touchdowns on runs of 30 yards, intercepted a pass, started a drive, and passed two touchdowns in the 38-21 win over Lockney.

Donald Preston of Littlefield who scored four touchdowns and three extra points, Leonard Cox of Delores who intercepted a pass for 18 yards to start a drive, and a player-of-the-week honor.

H-SU Plays at Homecoming

The Hardin-Simmons University Cowboys will be in for their fifth straight victory when they meet North Texas State at the Homecoming game in more Stadium.

The game will mark a meeting between the Cowboys and the Eagles, with the edge with a seven wins, four ties and one loss.

Girls Wrestle Here Thursday Night, Championship Match On Saturday Card

Wrestling fans in and around Littlefield get a "double attraction" this week with a special card on Thursday night at the Sports Arena featuring two of the outstanding Negro women grapplers of the country.

The Thursday night date was arranged in order to bring Babs Wingo, considered one of the top seven colored girl wrestlers in the game, and Kathleen Wimbley, rated nearly as high, to the Littlefield arena. They appear in

finish, winner take all, with the rugged, grinning Japanese, Mr. Sakata, and his rough-playing partner, Buck Lipscomb. They didn't settle their differences to everybody's pleasure last Saturday night. This time it will be a two out of three falls to a finish with the winning team taking the entire purse.

The Negro girls, classy.

good-looking Babs Wingo from New Orleans and Kathy Wimbley, stocky 150-pounder from Columbus, Ohio, go for two out of three falls or a one-hour time limit in the other section of the double main event. It will be their first appearance here.

The regular Saturday night wrestling card will not be obliterated because of Thursday night's features.

In fact, the United States junior heavyweight championship will be at stake Saturday night when Dory Funk of Umbarger defends it against the popular Mexican, Polo Cordova. This match, under championship rules, will run two out of three falls or 90 minutes. Their personal rivalry has attained such a heat that Cordova challenged Funk for the big title, and that's Littlefield's main dish Saturday night.

This one, also, is a double main event, with Russia's merciless Ivan Kalmikoff meeting clean-cut George Curtis of Mississippi in a two out of three falls or one-hour first event.

Mr. and Mrs. L. L. Manley of Long Beach, Calif., visited last weekend with Mr. and Mrs. Otto Jones. Mr. and Mrs. Jody E. Jones and small son, Larry, of Brownfield also visited Mr. Jones' parents during the Week end.

First Bi-District Game For Springlake In 15 Years

Springlake, proudly holding its first district championship in 15 years, will meet Memphis in a class A bi-district game at Memphis Thanksgiving Day.

Officials of both schools met in Amarillo Monday to pick the site of the game on a coin-flip. Springlake Coach Colly Huffman called it wrong and Memphis gets the game. Springlake is holder of the district 1-A championship and Memphis won in district 2-A.

Whitharral Teachers Get Sudan Honors

Grade school principal, O. T. Ryan and Mrs. Ryan, 3rd grade teacher here were among the former teachers honored Friday evening when Sudan staged its first Homecoming. Mr. Ryan helped to affiliate the Sudan school in 1923-1924 and was superintendent when the first senior class was graduated. Only five were in that class and one of those, Howard G. Preston, of Shallowater, was present for the Homecoming. Preston formerly taught vocational agriculture here at Whitharral at Levelland and Anton in this county.

"Taking part in the half-time activities at which time the Homecoming queen was crowned, the Ryans and Preston were recognized and presented gifts in memory of the occasion.

The Whitharral chapter of the FHA met Monday evening in their regular business meeting with Ruelene Wyatt presiding. Plans were made and committees appointed for the Christmas party in December. The chapter voted to take a

talent number to the "Funza- flyin" program in Sundown Dec. 8.

About 30 members were present and went to the Spade Drive-in to see "Blus Moon." The regular monthly meeting of the Whitharral FFA was held Monday night at 7:30 in the Voc-Ag classroom.

Following the FFA opening ceremony a business session was held. Betty Mixon, high school senior, was elected FFA Sweetheart. It was voted to charter a bus to the Fat Stock Show in Fort Worth in January. J. W. Borders jr. was initiated into the chapter as honorary member.

A show, "Viva Mexico," was shown to Edgar Edwards, Charlie Gipson, David Eslinger, Dale Gage, Floyd McElroy, Norman Theiford, David Stout, Larry Heard, John Phillips, Durwood Roberts, J. L. Dalrymple, Danny Grant, Jimmy Jack Grant, Bobby Davis, Bill Stewart, Jerry Hasley, Charles Denney, Lonnie Stephenson, Buddy Gray, Jerry Burnett, Lester Hood, Leslie Hulse, Kenneth Hicks, and Jimmy Lott.

J. W. Conking Hurt

J. W. Conking, who lives 6½ miles east of Whitharral, has been a patient in the Payne-Shotwell Foundation in Littlefield since Tuesday, when he fell at his home and broke his left hip. He underwent surgery Thursday and is in a serious condition.

Mrs. Harvey Hoelscher of Weslaco is here for an extended visit with her husband.

Mrs. C. B. Mills Hostess At Party

Mrs. C. B. Mills was hostess at a party in her home east of Whitharral Friday afternoon. Mrs. Jean Cox of Levelland was a special guest.

Present were Mesdames Irene Mills, M. J. Mills, Ernest Mills, J. M. Griffin, Norman Hodges and Lee Lewis of Littlefield, Alvin Mills of Levelland, Joel Burns, V. D. Hodges, Joe Pelfrey, Mervyn Pelfrey, Buck Grant, Orville Kirby, Harvey Hoelscher, Troy Hopper, and Misses Mae Burns and Shirley Hewitt.

Pastor Carver Leaves

Mr. and Mrs. Leroy Carver left Monday for Wichita, Kan., where he will enter a new field of service. Carver has been pastor of the South Side Church of Christ here for the past three years.

Chester Borders returned Monday from a business trip to Austin.

Mr. and Mrs. Carroll Lee Commons and son, who are visiting Mr. and Mrs. V. C. Commons, will move soon to Lubbock where Commons will be employed. Commons received his discharge from the Navy recently.

Rev. Bill Watson and Mesdames Rankin Howard, A. B. Harper, and C. L. Sharp at-

tended the District Conference of the M. E. Church in Littlefield, Monday.

Arlie Ray Dick Hurt on Gridiron

Arlie Ray Dick was a patient in the Edgar-Renegar-Campbell Hospital in Levelland from Friday until Monday as the result of a knee injury received in the Whitharral and Petersburg game here Friday night. He will be confined to his home for a week or ten days.

Recent guests of Mr. and Mrs. W. V. Hill, north of town, were Mr. and Mrs. E. G. Pierce of Quail.

Mr. and Mrs. B. O. Hall of Hilton, Okla., visited Mr. and Mrs. F. J. Bryson sr. Friday.

Mrs. Brady Helms was brought home Friday from the Amherst Co-op Hospital where she had been a patient for a week.

Jake McFerren spent the weekend in Borger, where he met a brother from California who is here for a visit.

Mrs. C. A. Brock is home from a few days stay in a Littlefield hospital.

Mr. and Mrs. Dale McDaniel of Tatum, N. M., spent the weekend with their parents, Mr. and Mrs. W. R. McDaniel.

Mr. and Mrs. D. L. Jacobs and son of Amarillo spent Sunday with the lady's sister, Mrs. P. L. Tims and Robbie.

A-2C Bobby Grant of Scott Field, Ill., is here for a visit with his parents, Mr. and Mrs. A. P. Grant and family.

Guests in the home of Mr. and Mrs. W. C. Hawks Sunday were Mr. and Mrs. E. E. Hall and family of Bryan and Mr. and Mrs. Earl Thompson of Enochs.

Mr. and Mrs. Horace Marler and children of Crosbyton spent

IT'S NEWS TO ME
by Amy Horton

Men are peculiar creatures when it comes to food. Let a woman knock herself out preparing lobster tails in wine for her husband and he'll say: "Gosh, can't we have meat and potatoes?" Yet they expect dinner to be different every night! But how can that jovial spud, the potato, keep its glamor year after year? Luckily, Mrs. Dorothy Damar, whose famous Kitchen Korner has turned out a work-saving potato cutter that will cut 25 french fries in a single stroke, has written a little booklet called "All Eyes on the Potato!" Available free of charge (see below), it's loaded with ideas. Most of them are for dinner variations, but here's a party treat ideal for the holidays ahead:

HOT POTATO PUFFS
Prepare two kettles of deep fat. Cut your potatoes into bite-size pieces and fry them carefully. Fry them a few at a time in not-very-hot fat—about 275 degrees—for three to five minutes. Jiggle them while they fry. When the time is up, lift the basket with the potatoes in it and dip it immediately into your second kettle. This fat should be very hot, at least 400 degrees. The potatoes will "puff" out like pop corn almost at once. Keep them in the very hot fat only a very short while—certainly not more than one minute. Dry, salt them and serve at once.

Mrs. Damar's potato cutter is a great help in countless other recipes. French fries, the favorite "eating-out" form of potato, can now be made at home with-

Kitchen Miracle-Worker

minimum effort. Another blade cuts 49 shoestring potatoes in one stroke. The cutter's rust-proof, easily removable blade glides smoothly along tracks in an attractive frame of red or white baked enamel finish.

FREE BOOKLET OF POTATO RECIPES
If you would like a free copy of Mrs. Damar's booklet of potato recipes, just send a card with your name and address to Mrs. Damar's Kitchen Korner, Newark 5, N. J., and ask for her potato booklet.

SANDWICHES TO SUIT YOUR CONVENIENCE
by Marguerite Mickelsen

The basic principles for preparing sandwiches for storage either the freezing unit of a refrigerator or in a freezer cabinet are the same as for any sandwich. However, the exceptions to this important and should be noted carefully.

Use a variety of ready-sliced breads and rolls. They will all freeze satisfactorily.

Use the two slices of bread that lie next to each other in the loaf so that the sandwiches will have even edges and be easier to cut and wrap.

Leave crusts on to save food value and to help the sandwich retain its shape.

Line up slices of bread in pairs on a cleared work space.

Use soft butter or margarine and spread all slices of bread at one time being careful to spread it evenly to the edges to prevent the filling from soaking into the bread.

Use a variety of sandwich fillings. Spread like fillings on alternate rows of bread with a flexible-bladed spatula. Make all of one sandwich variety at the same time, then proceed to the next filling.

The best fillings for frozen sandwiches are peanut butter, Roquefort or Bleu or cream cheese, sliced or ground meat, fish or chicken, hard-cooked egg yolks.

Wrap each sandwich individually to prevent flavor from mingling.

If sandwiches are to be frozen do not include chopped egg whites as zero storage toughens this food, and do not include vegetables such as lettuce, tomatoes, celery and carrots, as these do not stand freezing "cold". They can be served as sandwich accompaniments to good advantage.

Pep Members
Win 4-H Awards

Seven 4-H members went to the Hockley County Achievement Day Saturday to receive awards.

Buddy Greener and Simmacher each received a pin for poultry judging; Kuhler and Larry Demel received a pin for training; Mary Ann Diersing received a pin for public speaking and gardening; and Ann Diersing received a pin for achievement, canning, and dress review.

Harvey Demel and Mary Diersing received the gold star pins.

Teams Play In Practice Games

The high school boys and girls participated in practice games with the Morton High School boys and girls last Tuesday at the Pep gymnasium.

Of the girls, Mary Demel was high scorer with 27 points, Larry Demel was high scorer among Pep boys with 17 points, and Joe Diersing was the Morton boys' team MVP.

The girls were defeated and the boys were downed 17. Referees were N. A. Kinnel, Mr. Kinnel, and Williams. George N. Coaches both teams.

Demel's Kuller, son of Mrs. Eddie Kuhler, was a tonsillectomy Thursday at the Amherst hospital, returned home Friday evening.

Mr. and Mrs. O. B. and family of Levelland; Mr. and Mrs. Diersing Sunday afternoon visitors in the A. H. B. home were Mr. and Mrs. Diersing and family, Mr. A. H. Burt, Mr. and Mrs. Jungman, and Mrs. P. sing and family of Littlefield.

Bula News . . . Bula-Mobeetie Game Friday

By Mrs. M. H. Skinner
Bula's six-man football team won the District 2-B crown Friday night by defeating Pettit 81-0.

Baptist Ladies' Plan For Dinner

The Baptist W. M. U. had nine ladies out last Wednesday afternoon for Royal Service program. They discussed plans for their Thanksgiving supper and plan to honor the oldest couple in the church the night of supper, Tuesday, Nov. 24. Every member make plans to come.

Bula Plays At Wellman

The basketball girls journeyed to Wellman last Tuesday and played two basketball games. In the first game, the Bula girls had a pretty easy time winning. Bula took a five point lead in the first few minutes of play. The final score was 39-23.

The second game was a little tighter, with the Wellman girls coming out on top. Wellman built a good lead the first half, but in the second half Bula started pulling up and came within two points of them. Final score was 26-2.

Grade Teams Lose

Whiteface grade school girls and boys basketball teams returned their game with Bula Monday night, Nov. 16, with Bula losing both games.

Follys Have Son

Mr. and Mrs. Arthur Folly are proud parents of a seven pound boy born Saturday, Nov. 14. They named him Ferris. Mrs. Folly is the former Nadine Bryan, daughter of Mr. and Mrs. Eugene Bryan of Bula. Mr. and Mrs. Folly are both graduates of Bula high school.

Church Plans Dinner

The Bula Baptist church has planned a short Thanksgiving program, followed by a supper Tuesday night, Nov. 24 at the church.

Music Recital At School Monday Night

Mrs. John Gunter, teacher of music at Bula, has announced that her first recital of the year will be held in the high school auditorium Monday, Nov. 23 at 8 p. m.

Thirty-six different numbers will be featured in the recital.

From 9 to 5 p. m. attend the Bazaar at the Hall Motor Co. Friday. Benefit of the Presbyterian's Building program.

Bro. G. W. Fine and family spent Sunday in the home of Raymond Lancaster. Bro. Fine took ill in the afternoon and was unable to fill the pulpit for evening services.

There will be a bridal shower honoring Doyle Haste and his bride, Evelyn, Friday afternoon in the home of Mrs. Bill Lamb.

Ladies from the Baptist church attending District 9 Woman's Missionary Union's 35th annual session in Lubbock last Monday were Mesdames Carl Tidwell, J. I. Crume and Harvey Thompson.

The Baptists of Bula set a goal of 100 in Sunday School. All members make an extra effort to be in Sunday School Sunday and let's go over that 100.

Carrol Pierson treated the football boys to a steak supper last Friday night in Morton after their Pettit game.

Party Line

Mrs. Donald E. Berger and children of Bartlesville returned home last week after visiting with her parents, Mr. and Mrs. W. G. Street. They were accompanied to and from Littlefield by Mr. Berger who transacted business in Big Spring during their visit here.

Mr. and Mrs. Gus Shaw left Tuesday to attend the formal opening of the Karner and Phillips department store in Mexia Wednesday. The 21-year-old firm opened a new building and invited all of its former employees to return for the celebration. Mr. Shaw worked for the store from 1908 to 1910. Enroute home they transacted business in Dallas.

Mr. and Mrs. Gene Hamlin

and family spent the weekend in Lone Wolf, Okla.

Vernon Hefacker is undergoing treatment in the Amherst hospital this week.

Monya Hauk was admitted to Lubbock Memorial Hospital Monday morning.

Dorothy Foltyn, a student at Texas Tech, spent the weekend in Littlefield visiting her parents. While here she attended the 4-H Achievement Day activities Saturday.

is Feast Makes You Thankful

WILLY BROWNSTONE

giving dinner is one every family likes to eat. You get out your best china and silver. Traditions are put on holiday dishes serving an elegant feast. You don't have to mean work in kitchen. Here are ways of achieving with minimum of turkey. Start with the turkey. Bird needs is a garnish of water cress to tempt his gorgeous gold and keep him from

looking lonely on a big platter—any more elaborate garnish only handicaps the carver.

The stuffing? Use your favorite recipe for bread stuffing and then fancy it up with boiled chestnuts, sliced canned mushrooms or oysters.

Potatoes? Serving both Irish potatoes and golden yams is traditional at many American holiday tables. If the white potatoes are to be mashed, make them extra-special by adding lots of butter and cream. You can be thrifty or diet other days—this treatment of mashed potatoes makes them sheer velvet.

A wonderful way to serve the yams is to bake and stuff them, adding crisp little bits of toasted blanched almonds as a divine taste accompaniment to the turkey. If you have room in your oven, you can bake the yams while the turkey's roasting at a 325F temperature. If not, you can bake and stuff them ahead, refrigerate them and then reheat. Remember to plan your schedule so the turkey comes out of the oven 20 or 30 minutes before it is to be sliced. This gives the meat a chance to absorb the juices and helps the carver. It also gives you leeway for reheating the yams.

Cranberry sauce looks celebration-bound when you serve it in orange cups. Just wash the scooped out orange halves

from breakfast and scallop the edges with a small sharp knife; pile the sauce into the cups, waft a drift of fresh-grated orange rind over the top, and serve an orange-cup to each person.

Don't forget to add that sprinkle of paprika to the creamed onions or cauliflower; it's the little things like this that makes a world of difference.

And so to dessert. Pumpkin pie? Of course! But have you ever served it with vanilla ice cream? Try this elegant touch—it's out of this world.

Old-fashioned steamed pudding with hard sauce? Here's a tip: use part brown sugar in the hard sauce and add a bit of rum flavoring. Scrumptious!

BAKED STUFFED YAMS

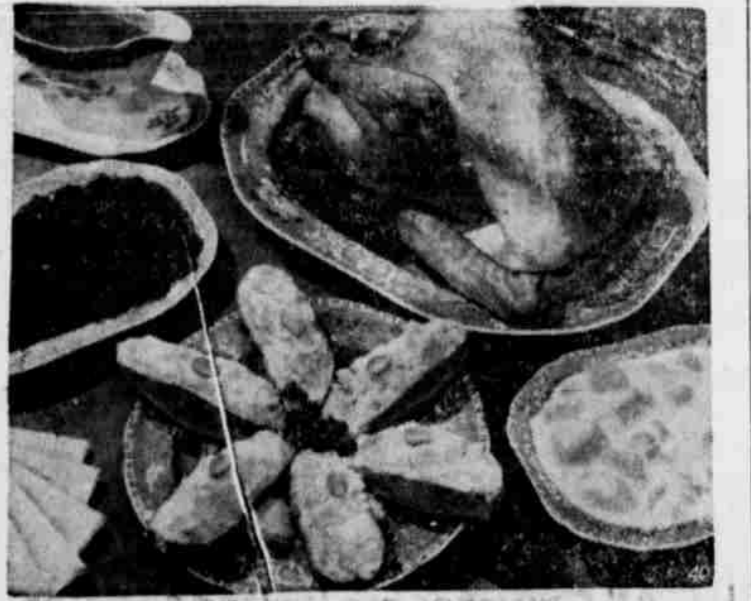

Ingredients: 4 medium-sized yams, 1/3 cup butter or margarine, 1/3 cup milk, 1/2 cup chopped toasted almonds, 1 teaspoon salt.

Method: Wash yams thoroughly; bake in slow (325F) oven for 1 hour, or until tender. Cut baked yams in half lengthwise; scoop yams from shells. Mash yams with butter and milk. Add chopped toasted almonds and salt; mix well. Pile yam mixture into shells; place on broiler rack. Broil 3 to 4 inches from source of heat about 5 minutes, or until lightly browned. Top with whole toasted almonds, if desired.

MISTAKE WON BALL GAME
 LINCOLN, Neb. (AP)—This is about a mistake that turned into a bit of good fortune and won a ball game.

Lincoln was playing Pueblo in a Western League game when a Lincoln outfielder was injured. Manager Walt Linden sent in a sub to run for the injured man but the sub was waved off the field. Linden had forgotten to list him on the pre-game roster. So pitcher Andy Bush was pressed into duty.

Bush, making his first appearance as an outfielder, made two nice catches. Then he hit a homer to win the game.

TEXAS BUSINESS UP SLIGHTLY—Texas business edged upward by one per cent in September, according to statistics of the University of Texas Bureau of Business Research. Most of the improvement was in the consumer level. Dr. John R. Stockton, director of the Bureau, noted that the weakness in industrial segments of state economy was barely more than offset by a slight rise in retail sales.

It's the Law In Texas

MAKE CONTRACTS SPECIFIC AVOID DISPUTES

Nearly every day all of us are making agreements with our fellow citizens. Our whole system of free enterprise and trade is based, to a large extent, upon mutual agreements or promises to do something in the future. The important thing we need to remember is to make every agreement perfectly clear whether it is oral or written.

Generally speaking, you can enter into a verbal agreement that is just as binding as a written contract. Consequently, the great majority of contracts that we enter into are never put into written form. But exact terms of an oral contract may be difficult to establish if a disagreement arises, and a well drawn written contract will help to avoid the unfortunate disputes which arise from honest misunderstanding.

Not every written contract meets the test of clarity, however. Suppose Mr. Householder has a piece of paper on which is written the heading "Proposal" and which thereafter reads as follows:

"We will build a garage for you on your lot for the estimated price of \$800, work to be done in a workmanlike manner. All of our work is guaranteed to your satisfaction. Subject to the conditions printed on the reverse side."

This is signed by the XYZ Company. Under this signature is the word "Accepted" followed by a line for the signature of Mr. Householder. His question is, should he sign it?

Here are some of the misunderstandings that might arise from such an agreement: The company has agreed to build a garage—yet nothing is said about the size or type of construction. It has not even been stated whether it is to be a single or double garage. There is no indication in the agreement as to where on the lot the garage will be built. It says

nothing about when the work is to be finished. There is no agreement as to whether Mr. Householder is to pay in advance, in installments, or not until it is completed.

Further, they have not actually agreed upon a price. The agreement refers to an estimated price of \$800. They should be specific and make either a fixed price contract or an agreement whereby the builder is reimbursed for his expenses plus a definite profit percentage. Perhaps the XYZ Company feels that if their expenses are higher than anticipated, they will be able to charge more than the estimated \$800. On the other hand, Mr. Householder probably feels that \$800 is the maximum price he will have to pay.

The most important prerequisite of a clear contract is

that it cover the essential elements of performance. This is not as difficult as it might seem. Here is a good rule to follow: As to the acts of each party determine WHAT is to be done, WHEN, WHERE and by WHOM. See that these essential parts are included in your agreement.

In addition, remember that if

a contract is worth signing, it is worth reading and understanding—all of it.

Thrill Maker from start to stop (That's T.T. Dynaflo!)

SOMETIME soon—like this week—you ought to try a Buick with Twin-Turbine Dynaflo.*

You ought to try it just to be familiar with the great advance in this fully automatic transmission that Buick engineers have accomplished.

You ought to try it just for the fun of bossing a drive where you don't do a blessed thing but steer and press the gas or the brake pedal as you go.

But, pure and simple, you ought to try it for thrills.

We mean the thrill of instant getaway response—with two turbines doing the job that one did before.

We mean the thrill of whisper-quiet acceleration—where you barely hear the sound of power built-up, or of flowing oil at work.

And, most emphatically, we mean the thrill of perfect and sublime smoothness from start to stop—the thrill of moving from standstill to and through all travel ranges in one, progressive, infinitely smooth forward "carry" without a gear ever shifting or a clutch-pedal pushed—the thrill, rarely found elsewhere, of silky smoothness in deceleration, too.

Will you be our guest at a sampling of a Buick with TT Dynaflo?

Will you try the sweetest, the smoothest and the simplest-to-operate automatic transmission yet devised—and powered by the highest-compression engines in Buick history, including the world's newest V8 in SUPER and ROADMASTER models?

Drop in on us this week and we'll be happy to accommodate you.

Why We Should Vote Against Littlefield Participating In Canadian River Water District

On Tuesday, November 24th, Littlefield voters will determine by their ballots whether or not their city is to participate as a member city in a special water district known as the Canadian River Municipal Water Authority. This district, as proposed, would include 12 Panhandle and South Plains cities, namely Pampa, Borger, Amarillo, Tulia, Canyon, Plainview, Lubbock, Littlefield, Levelland, Brownfield, Tahoka and O'Donnel, and as projected, the district would finance and construct a dam upon the Canadian River, together with distribution facilities to carry the water from the dam to the member cities. Water from the dam would be available for municipal use only, and the project as planned would make no water available for irrigation use.

The City of Littlefield has participated in the water district program since its active inception in 1950, and after careful consideration of all the facts available at this time, your City Commission has concluded that Littlefield should not continue further with its participation in the District, and presents the following as factors which should receive careful consideration by Littlefield voters in the forthcoming election:

1. Should we vote into the water district we will have no control locally over the bond issue for this district, as the vote on all taxation will be taken over the entire water district and our 500 to 600 votes would have no bearing in a vote with Amarillo, Pampa, Borger, Plainview and Lubbock.
2. In view of the oil development in Littlefield it is very evident that we will need to expand our water system considerably in the next few years, which will be many years before the Canadian River project could be completed. Therefore, with an investment made in this expansion, why would Littlefield want to obligate the City for \$750,000 to \$1,000,000 in bonds to participate in the Canadian River project, which would be secured by all Littlefield property.
3. It has been estimated to the City Commission of Littlefield that the Canadian River water would cost the City approximately double what we are now producing water for at the present time, which would force a tax raise or increase in water rates, or both.
4. The City Commission has just completed the purchase of 177.1 acres of land in fee, which is Northeast of town in the water district and should furnish double the amount of water which the City has available at the present time. This tract was purchased at a cost of \$4,604.60 and the Commission anticipates the purchase of more land in this vicinity to insure an ample reserve for future needs.
5. Do you think the Southwestern Public Service Company would make the investment of \$20,000,000 to \$30,000,000 in the large plant Northwest of Littlefield without first being assured that the water would be there for many, many years?
6. The interest on the bonds for Littlefield's part of the Canadian River project for several years while the project was being built would probably amount to \$175,000 to \$200,000, which would accrue before we ever had a drop of water at this end of the line. This amount of money would probably take care of any water expansion we would need to make, and we would not be obligated for a large bond issue for a period of fifty years.
7. Do you want higher taxes and higher water rates with your property as security and the rights to raise our taxes in the hands of the larger cities in this area?
8. All towns participating in the Canadian Water District will be represented by one or more directors—towns with 10,000 or more population will have two directors and all towns under 10,000 will have one director, so you can readily see that the large cities will have the control of the board of directors, which will be the governing body for this project.
9. If the irrigation water did go down in this territory, we would have a lot less people in Littlefield for that is one of the main stabilizing factors in our economy. Therefore, there would not be the need for an enormous amount of water. The City Commission certainly does not think this will happen, which is evidenced by the above mentioned investment by the Southwestern Public Service Company—the water they use comes from the same source as the for the City.
10. All property owners with property rendered for the year 1953 and their poll tax receipts will be eligible to vote in this election. Property owners who are over 60 years of age do not have to have poll tax receipt.

Wise Water Use Now Means Plentiful Supply For Future

TOM McFARLAND
 Plains Underground Water Conservation District
 A South Plains farmer remembers when there were no wells in this country. He had to rely on the rain provided by Nature; when he planted a crop for a rain to see through; when he had enough rain to make...

They say no because water can disappear from their view just like anything else. Water in itself is an indestructible thing but if it is not on your farm then what good is it doing you?
 Ninety-five per cent of all the water on earth is unusable. It is either too salty or is tied up in a frozen state. Of the five per cent that is left, man has in the last few years begun to keep a vigilant watch to keep the demand a little less than the supply. But, in some of the large agricultural and metropolitan areas, this has not happened. The well has gone dry. The lake, or underground water basins have been pumped dry. It is due in some cases to mismanagement, but we do not know how long we have been drawing on the reserve in others. In the last 100 years, the United States has grown over 600 times, or six times as many users for the number of gallons of fresh water. There is no more water there is.

By 1975, it is estimated the United States will have to produce 75 per cent more food from the same number of acres or place the equivalent of that many acres into production. To stay abreast of our growth, we will need 68 million more acres by 1975 to produce food and fiber. Can we do it? Either way, the determining factor will be an available water supply.

Some South Plains farmers will say that they do not need to worry. They have plenty. Their cup runneth over. They are due for a big surprise when that eight-inch well begins to produce six, four, two and only a trickle of water—and when there is no shoulder to cry on. No one can make that well produce eight inches again. Perhaps it won't be in your lifetime, but your kids and their kids may want to farm and then they will be the ones to suffer because the water has run out.

There is 85 per cent of the pumping units in Texas located in the 21 South Plains counties. There is also one-twelfth of all of the irrigated land in the United States. This area ranks with the highest in production of cotton. Will it be there in 1975? Who knows. I don't. Do you? Why then should we gamble with something we can't predict? Why not be on the safe side? Practice water conservation.

The place to begin water conservation is at home. Many millions of gallons of water are wasted daily—a few gallons at a time.
 On the High Plains we are more fortunate than a lot of other states in that we have a law allowing us to work out our own needs and practices of con-

servation instead of some bureaucratic agency doing it for us—and, because of this, we are envious of many of our neighbors.

Therefore, why not conserve the water that is available and remain the envy of others throughout the years? When the kids grow up and want to start on their own, they won't have to start the old cycle of praying for rain every time they put seed into the ground. They will know that you have provided for them; have seen to it that there is and will be plenty of water when and where they need it.

Use the water wisely. Find new means for conserving it. Support the water conservation district that is striving to do all in its power to help you with any and all water problems. Protect your interest. Think it over when you go to water that cotton for the third time when perhaps it isn't even necessary in order to produce the maximum amount of lint and seed. You can't go wrong when you conserve and look ahead. It means more dollars when you conserve and it means empty pockets in years ahead when you do not. It's your farm and its your water, money and future.

LIGHTNING BUG JUICE AIDS ANGLER

ELLINGTON, Mo. (AP)—Ray Dusenberry claims the Clearwater Lake record for the biggest fish taken there on a fly

rod. And he credits his success to the use of lightning bug juice. His catches in three weeks included a 24-pound carp as well as three catfish, one weighing 30 pounds. All were caught on

a dry fly. He ties the fly with rabbit fur and a chicken feather on a tiny minnow hook. But what makes it a killer, he says, is the lightning bug juice. He smears the bug juice on the fly to give it a luminous effect. He carries a pint bottle of lightning bugs because the fly needs new treatment every 15 minutes.
