EARTH FATAL WRECK -- Alonzo Oliverez of Earth was killed when the car he was driving went out of control west of Earth early Sunday morning and overturned. Three other persons riding with him were injured. The other wrecked auto pictured was driven by Benny Messenger of Clovis. He plowed into the overturned car knocking it into a Highway Patrol car parked at the scene. Four persons were injured in the Messenger auto and Deputy Sheriff V. L. Smith, Jr., received injuries when the car hit the patrol car. (Earth News-Sun Photo)

Talent Show Is Saturday

Tryouts for the Littlefield Jaycees' talent show were held Wednesday evening in the High School Auditorium, Following the tryouts, Chuck Campfield, emcee of the annual show, said additional acts could be worked into the event if there are any who have not entered.

The show is scheduled for Saturday night beginning at 8 in the High School Auditorium. A total of \$75 in prize money will be given the winners of the event.

Proceeds of the show go to help finance the new Colt and American Legion Leagues ball

increase." "There are several ways of analyzing these figures," Rev. Kreeger pointed out, "For example, in terms of the population of the city which is 7,300 the attendance last Sunday at our churches would be 49.4 per cent, which is excellent."

"On the other hand, when we consider that many of these people attend our churches from the surrounding communities, the percentage would probably drop considerably, " he said, "To get a true picture, we would have to consider the population and attendance of all the churches in the outlying area.

The United Fund held in Littlefield last fall had a goal of \$22,340. This goal was not reached at the end of the drive in December, and the four participating agencies were not able to receive the full amount of their budgets a

As the United Fund is approaching the end of the first quarter in allocating the funds the UF report shows that all the cash collected is in and deposited, drafts are clearing the banks but pledges are being collected very poorly.

A spokesman for the UF said pledged amount which is billed is not meeting its pledged quota. This means that the amount which each participating group should receive must again be adjusted and their services to the community lessened.

The spokesman continued that it is the hope of the United Fund that this will not be necessary and will not if those who pledged will do their part.

March. Stice, apparently the driver of his auto, was dead on arrival at a Littlefield hospital. The accident occured when either a tire on the auto blew out or one of the wheels came off and the man lost control of the car.

Stice was thrown free from the overturning auto but the car passed over him pinning him beneath.

His wife, Carolyn, 22, and three children, Vengie, 4, Kathy, 3, and Monica, 20 months were all brought to the hospital with injuries received in the accident, Mrs. Stice suffered lacerations on the head and bruises. She was released from the hospital here Tuesday and moved to Tahoka where her parents reside. The children were not seriously injured and were released Sunday morning.

The accident occured about 8:30 p.m. Saturday on U. S. Highway 84.

Olivarez, apparently the driver of his auto, was killed about 1:40 a.m. Sunday morning when his car ran off the roadway and went out of control on a muddy shoulder on Highway 70 west of Earth. The auto overturned two and a half times coming to rest on its top.

Injured in the crash were Robert Cortez, 19, and Ambrose Flores, 20, both of Earth, who were taken to a Muleshoe hosand Eddie Marroquin, of Olton, who was taken to an Olton clinic.

A spokesman at the Muleshoe hospital said Flores received lacerations of the scalp and right hand and was dismissed Monday. Cortez received some muscle strain in his back and is in "satisfactory" condition. Marroquin is also reported in "satisfactory" condition.

Funeral services for Johnny Monroe Stice were held Tuesday afternoon at 2:30 in the Sweet Street Baptist Church in Tahoka, Stice was born in Eastland and had lived in Tahoka until about two months ago when the family moved to Clovis.

The Public is most cordially invited to attend any or all of these recitals.

Mrs. Zora Mae Blessing who lives on a farm east of Littlefield also did outstanding work last year. Some of herachievements were attending 3 schools on hat making and as a result of this training made 14 hats remodeled 2 old ones and sold 12. She made 45 garments and restyled 5 old ones.

Mrs. Blessing has given a number of different demonstradivans; a two-piece sectional, 3 platform rockers and a chair.

She has frozen 57 containers of food as well as preparing a number of fryers and hens for the freezer. From her peach tree she prepared 68 pts. of jelly and 22 pints of jam. She canned 248 containers of fruits and vegetables. This work at home has not

kept her too busy to help in many community affairs and pony league tournaments.

Carolyn Stokes of Ralls visited here over the weekend with her grandfather, J. M. Stokes.

"The fact that an employer may be authorized to employ Mexican contract workers on as many as 210 calendar days during a calendar year does not mean that he will be permitted to employ them at any time domestic workers are available. When a domestic worker is available to perform the work,

said that no Mexican workers would be permitted to operate power - driven harvesting, planting or cultivating machinery also included working as "stompers in cotton trailers." Under the latest ruling Mexican laborers will be permitted to stomp cotton since "the operation of a machine does not include any activity merely incidental to the full functioning of the machine."

Most of the other interpretations just released are simllar to previous ruling. Further information will be released concerning the program when it is available.

After the sweet potato grew to maturity, and her eyes began to wander, she came to her mother, the Long Island potato and said; "Mama, I have a crush on David Brinkley. He's so refined, so gentlemanly, I love him dearly, mama, and I want to marry him."

"Heavens", the mother potato said, "You can't marry David Brinkley. He's a commentator."

Our advertising manager J. B. McShan has also experienced a little flu and he said cigarettes didn't taste good either . . . in fact he just quit smoking when they didn't taste so good and it looks like he'll be able to get along without

smoking in the future. I wouldn't recommend the flu for anyone . . . even as a means to quit smoking, but it looks like some benefits can be derived from it.
