School Budget Gets Quick OK

But Milk Bids Prove Problem

By BILL TURNER

Littlefield's school board calmly approved spending of \$545,843 in 1959-60, but worked up a sweat over a quarter of a cent in another item at a regular meeting Monday night.

It took trustees only a few moments to make up their minds on the budget for 1959-60, but they spent about an hour trying to decide who should deliver milk to the school cafeteria.

The milk situation developed after trustees opened bids from South Plains Creamery and Bell and Borden milk companies. South Plains Creamery is the only one of the three with a locally operated plant.

In the end, Bell and Borden were awarded the delivery together, with Bell to handle delivery the first semester and Borden the second, the same as it was handled last year.

Both bid 5 1/2 cents on half-pint cartons of white and chocolate milk.

South Plains Creamery bid 5 1/2 cents on the same item.

It was this quarter of a cent that gave school board members an hour's worth of hard time.

Only four board members, Superintendent Ralph Schilling and Secretary Sid Hopping were on hand as the bids were opened. Two trustees - Carl Keeling and Dr. Albert Perkins - were out of town and a third, Jake Armstrong, was unable to attend.

Trustees discussed several possibilities. For a time they talked of rejecting all bids and calling for new ones. Later, they talked of a three-way split to include the local plant.

However, as one member explained it: "We'll be criticized if we give it to the low bidder and leave out the local plant and we'll be criticized if we give it to the local plant and don't take the low bid."

The rock and hard place which the board felt it was between involves expenditures of about \$1,000 per month by the school.

It was Dr. B. W. Armistead who finally moved to take the low bids and handle the program as it was last year. Trustee Earl Rodgers seconded the motion and the other members in attendance Weldon Findley and Byron Douglas, made it unanimous.

It took less time for the board to pass the \$545,843 budget for 1959-60, after Dr. Schilling had gone through it and discussed various items.

The budget for next year, which starts Sept. 1, is about \$11,000 higher than the one passed a year ago, but spending of the added funds will not necessitate an increase in taxes.

The board set the tax rate at \$1.40 per \$100 assessed valuation - \$1.05 for maintenance and .35 for debt service. This is the same as last year.

The new budget, however, will make it necessary that the school maintain its high record of tax collection.

Ninety-seven per cent of the district's taxes must be collected if the school is to have the revenue it needs to meet the 1959-60 spending program.

Secretary Hopping reported that 97 per cent of this year's taxes have been collected, with delinquent collections providing enough (Continued on page six)

Start Of School Two Weeks Off

Might as well grin and bear it, kids.

The summer's almost over and more than 2,000 children in the Littlefield school district will be heading back to classes in a little over two weeks.

School starts Aug. 31 this year and school officials have mapped plans for registration.

Many primary students are already registered. But for those who aren't, Principal Paul I. Jones will open registration Monday.

Parents are asked to bring the

birth certificate for the child when they come to register. Each beginning pupil must be six years old before Sept. 2, 1959.

The school requires that each beginning pupil be vaccinated for both small pox and whooping cough before his first day in school. The scar is evidence for the small pox vaccination, but the school must see the statement from the doctor for the evidence of the whooping cough-diphtheria immunization.

Registration at the elementary school will be held the week of Aug. 24-28. Parents should see Principal James Hine between 9-12 a.m. that week and bring their child's report cards from last year.

Junior High registration is set for Aug. 28, with 8th graders to sign up in the morning and 7th graders in the afternoon, according to Principal Forrest Martin.

High school registration will be held Aug. 27-28. Seniors will register in the morning and juniors in the afternoon on Aug. 27. Sophomores will register the morning of Aug. 28, with freshmen to sign up that afternoon, according to Principal Glenn Reeves.

The high school band will start practice sessions Aug. 24. Football practice starts Aug. 17. A general faculty meeting is scheduled Aug. 26.

First holiday for students after school starts is Thanksgiving, Nov. 26-27.

SCHOOL DAYS AHEAD—There won't be too much more loafing around for youngsters like Donald Joplin, 11, son of Mr. and Mrs. Ben Joplin, and Steve Lawson, 12, son of Mr. and Mrs. D. S. Lawson. The two Littlefield boys will enter the sixth grade this year. They'll register at school the week of Aug. 24, then get back to the books Aug. 31. Principal Jimmie Hine won't be overjoyed to learn that neither is looking forward much to the new school year. (STAFF PHOTO)

THE WEATHER

Today's forecast - clear to partly cloudy and warmer through today.

Temperatures - Sunday high 88, low 62; Monday high 89, low 63; Tuesday high 92, low 63; Wednesday high at 10 a.m. 86, low 66.

Boy Scout Swim Meet Is Tonight

More than 20 Littlefield Boy Scouts are expected to take part tonight in the George White District Swim Meet at Crescent Park Pool.

The event will start at 7:30 p.m. Scouts from throughout the district will be here for the meet.

They will compete in three divisions. Eleven-year-olds only will take part in the junior division. Scouts 12 and 13 years old will be in the intermediate division, while those 14 through 17 will be in the explorer class.

Events will include the backstroke, breast stroke, freestyle, medley relay and free style relay. First, second and third place trophies will be awarded in each of the three divisions.

Ribbons will be given for the top three places in each of the individual events. All members of winning relay teams will get ribbons for the first three places.

Leo Hewitt, 55, Dies; Last Rites Slated Today

Funeral services for Leo R. Hewitt, 55-year-old Littlefield oilman who died here Tuesday, will be conducted at 1:30 p.m. today at Rix Funeral Home, Lubbock.

Burial will be in Littlefield Cemetery about 3:30 p.m. Masonic rites will be conducted at the graveside. Masons will open the lodge at 2 p.m.

Hewitt died about 4:15 p.m. Tuesday at Medical Arts Hospital. He had been hospitalized since July 31, when he suffered a heart attack.

He suffered an earlier attack in February, 1958, and was hospitalized several weeks. He had returned to work in recent months, however.

Hewitt, born Nov. 19, 1903, near Corsicana in Navarro County, came here in 1936.

He was engaged in the auto business with his brother, L. E. S. for many years and then had the Buick dealership here from 1945 to 1953. After that he had devoted most of his time to the oil business.

He was a member of the Littlefield Masonic Lodge and Scottish Rite, El Paso.

Reception Planned Here

U.S. 385 Riders In Texas

International Parks Highway trail riders moved into Texas Tuesday to start the last hitch of their three-state 470 - mile ride from Burlington, Colo., to Levelland.

Awaiting them here next Wednesday will be a reception planned by the public relations committee of the Chamber of Commerce.

The group is scheduled to reach Levelland next Thursday, Hockley County's Hospitality Day.

The riders left Colorado and drenching rains in that state Monday morning, then began the short stretch across the Oklahoma Panhandle.

They reached the Boise City, Okla., area Monday night, then crossed over into Texas the next morning.

Horse-shoe trouble plagued the group late last week, but they had the problem virtually whipped early this week.

Trail Boss Clyde Prestwood,

dean of Levelland's South Plains College, set the pace for the horse. The riders covered 33 miles Saturday and 32 Sunday.

Last Rites Read For Mrs. Foust

Last rites were conducted Wednesday at 3 p.m. for Mrs. Artie Bessie Foust, 65, wife of Littlefield Mayor Ellis Foust.

Mrs. Foust died Monday about 9:15 p.m. at Medical Arts Hospital after an illness of about six months.

Tom Williams of Turkey and Jack McCormick of Littlefield, Church of Christ ministers, officiated at services held at the First Baptist Church.

Burial was in Memorial Park under the direction of Hammons Funeral Home.

The city hall was closed Wednesday afternoon in memory of Mrs. Foust.

Mrs. Foust was born Jan. 9, 1894, in Oklahoma territory. She was a member of the 9th Street Church of Christ. She was baptized at the age of 15. She was also a member of the Pioneers Club.

She married Ellis J. Foust Oct. 5, 1913 in Nowlin County and they moved to Littlefield in 1919.

Mrs. Foust's hobbies were art and flowers.

Survivors include the husband; three sons, E. J. Jr. and Clois of Littlefield and Bob of Albuquerque, N.M.; one daughter, Urylene Bacuss of Littlefield; five grandchildren, Mrs. Phyllis Weaver of Las Cruces, N.M., and Rodney, Jerry, Rex and Debra Foust of Littlefield; three sisters, Minnie Carrell of Littlefield, Octavia Carthel of Lockney and Birdie Mae Scott of Beaumont; one brother, Marvin R. Collins of La-Habra, Calif. Two other brothers, Bill and Arvin, preceded her in death.

Pallbearers were Gene Pratt, Paul McCormick, Roland Bell, Norman Emfinger, Bud Lowe and Bill Street.

Honorary palbearers were Arthur Duggan, Jerrold Haberer, Allen Hibban, Jim Emfinger, Joel Thomson, Clint Griffin, Art Chesher, Rip Elms, John D. Smith, Lon Campbell, Jack Wicker, Simon Hay, Bill Armistead, E. A. Bills, I. T. Shotwell Jr. Otto Jones,

and Sunday. The rescue on horse - shodding problems. Harry Miller and J. W. Bitner had become good enough at the art that they shod two horses of girls in Springfield, Colo., who wanted to join the riders for a spell.

With the weather now clear, Prestwood figures that the horses can travel in the bar ditches, saving the wear and tear on their shoes.

Bitner and Miller got the group out of a jam at one point. Shoes had worn through on one of the mules, and the pair fixed that, keeping the riders on schedule.

Four Lamb County girls are making the ride, Kaye Bradley, Lyndia Morrow, Eloise Terrell, all of Amberst, and Georgia Stephens, Sudan. They're accompanied by a chaperone, Mrs. Emma Garms of Littlefield.

The trail home will take the riders through Dalhart, Channing, Vega, Hereford, Dimmitt, Littlefield and on to Levelland.

Country Club Golf Tourney Set Aug. 21-23

The annual Littlefield Country Club golf tournament has been scheduled Aug. 21-23, Pro Bob Hickson announced Tuesday.

Qualifying will start Sunday and will be held through next Thursday at 5 p.m., Hickson said.

Almost 50 golfers are expected to take part, with the field to be divided into five or six men's flights, depending on the number of entries.

About two flights of women are expected to take part in a ladies tournament. Qualifying in the women's meet will take place Tuesday, with matches scheduled Saturday, Aug. 22.

The top 16 men golfers will be placed in the championship flight. Losers of first round matches will go into an 8-man president's flight. All other flights will have eight members.

Trophies will be awarded to the winner, runner-up and consolation winner in each flight.

Defending men's champion is Rhenard McCarty, who defeated Alex Duggan for the title last year. 3-2 Ann Barnett is defending women's champion.

Several Littlefield golfers will be taking part in the Muleshoe tournament, starting Friday.

Pistol Shot Wounds Pep Housewife

A 31-year-old Pep housewife was in good condition at Littlefield Hospital-Clinic Wednesday morning after she was admitted Tuesday night with a gunshot wound in her left shoulder.

The woman, Mrs. Eugene Gerik, was admitted about 7:30 p.m. after neighbors brought her to town.

Lamb County officers planned to question Mrs. Gerik sometime Wednesday.

Mrs. Gerik told attendants at the hospital that a 22-calibre automatic pistol accidentally discharged when it fell from a closet.

The incident was reported to Lamb County officer about 9 p.m. Tuesday by the husband.

Gerik told officers he had gone to Morton and returned to learn that Mrs. Gerik had suffered the gunshot wound.

Deputies Elson McNeese, Littlefield, and Homer McLaury, Sudan, investigated the incident Tuesday night.

McNeese said the officers found blood on a chair and in a bathtub at the Gerik home.

'Glimpse Of Future' Due For Football Fans

A public meeting to give Littlefield Wildcat football fans a glimpse of what to expect this year will be held shortly after the opening of football practice, Coach Don Williams announced Tuesday.

Williams said this meeting probably will be held Friday night, Aug. 21, or Monday night, Aug. 24, at Wildcat Stadium.

The Wildcats start their fall workouts next Monday, with the first game on the schedule set for Sept. 11, against Plainview here.

Williams said his gridders will demonstrate for the fans the basic type of attack and defense the team will use. Fans also will get a close-up look at the equipment used by the players.

Williams himself will talk on the strengths and weaknesses of this year's team, as part of the "what-to-expect" program.

Whitharral Farm Fete Set Friday

The second Littlefield Chamber of Commerce farm dinner of the year is scheduled Friday night at Whitharral.

Whitharral area farmers and Littlefield C-C members will get together at 8 p.m. Friday at the Whitharral school cafeteria.

Tickets are \$2.50. Purchase of a ticket by a C-C member also pays the way for one farmer. The tickets may be purchased at the C-C office or from C-C directors.

First farm dinner this year was held last month at the Rocky Ford Church. More than 100 persons turned out for that one, an ice cream social.

The Whitharral will be a full course menu, prepared by members of the Whitharral HD Club. Mrs. Rufe Rodgers is president.

No special program is planned, but visiting C-C members will be introduced, along with area farmers.

The Mexican Consul and her staff of Lubbock has been invited to attend. The C-C is awaiting a reply to the invitation.

AMHERST - Eight new teachers have been employed for the Amherst school district for the 1959-60 school year, which opens Aug. 31. Elmer Watson, superintendent, announced this week.

The new teachers include: Mrs. Cordia Hargeshamer, second grade; Mrs. Iva Commons, third grade; Norma Lockett, high school and junior high assistant coach; F. M. Biddy, fifth grade; Mrs. Margaret L. Biddy, overflow teacher; Al Hinds, band and junior high; Mrs. Nadine Lewis, home economics; and Mrs. Travis Collins, colored school for the primary grades.

School holidays include Thanksgiving, Nov. 26-27; Christmas, Dec. 23-Jan. 3; district teachers meet, March 4; Easter, April 15-18. Grade school graduation will be May 19. High school baccalaureate is set for May 20, with graduation set for May 20.

The annual basketball tournament will be staged Jan. 5, 7, 8 and 9.

Retail Council Meeting Slated

The Retail Council of the Chamber of Commerce will have a special meeting Friday morning at 7 at Jerry's Cafe.

The meeting is called to begin plans for the second annual "Christmas Stockin' Festival".

Every merchant in Littlefield who is a member of the Chamber of Commerce is invited to attend this meeting.

PIONEER MEETING - The annual Lamb County Pioneers Reunion will be held, as originally scheduled, at the Community Center here Tuesday, Aug. 25, at 2 p.m. Directors of the organization confirmed this Tuesday night at a meeting. County Judge Pat Boone Jr. will be the speaker.

And Mrs. Cundiff Celebrate Anniversary

J. E. Cundiff celebrated his 50th anniversary in the Anton home with a buffet dinner for 25 children, grandchildren, and family members at the Bethel church Sunday morning. The table was covered with a white lace cloth over gold and was centered with an arrangement of white and gold carnations in a gold covered container with white satin ribbons reading "Joe and Fanny, Fifty Golden Years." A four tiered cake, topped with an arch of white flowers, green leaves and a gold "50", was served with gold punch to approximately 125 guests.

They were presented with suits, money, lawn furniture and many other gifts by the children and friends.

Mr. and Mrs. Cundiff lived in Anton from 1930 until 1954 when they moved to Aubrey. They owned a produce business in Anton before retiring.

Their children are Mrs. Cleo Burt of Anton, Mrs. L. A. McGrew of Anton, Mrs. W. G. McGrew of Anton, Mrs. J. R. Phillips of Ben Wheeler, Mrs. Bob Davis of Perryton, Mrs. Doyle Watkins of Bridgeport, Miss Marcelle Cundiff of the home, M. B. Cundiff of Anton, O. M. Cundiff of El Paso, W. T. Cundiff of Aubrey and E. O. Cundiff of Littlefield. They have 36 grandchildren and 13 great-grandchildren.

Ernest Hood Feted Sunday On Birthday

Ernest Hood was honored on his birthday Sunday with a dinner at the home of his sister, Mrs. Ann L. Jarnagin, 287 N. Wicker.

Baked chicken with all the trimmings were served at noon and in the afternoon watermelon was served and pictures were taken.

Those attending were Miss Bell Cratt of Littlefield, a sister, Mr. and Mrs. J. C. Hood of Olton, a brother, Mr. and Mrs. J. E. Hood of Lubbock, Mr. and Mrs. J. A. Hood and son, Adren, of Vincin, Ariz., Mr. and Mrs. Andrew Jarnagin and daughter, Linda, of Hart Camp, Mr. and Mrs. J. A. Chester and Margie of Fieldon, Ariz., Mr. and Mrs. Dick McDaniel of Littlefield and Mrs. Wayne Butler and Henry Hukill of Littlefield.

This was the first time in 40 years that the brothers and sisters had been together.

Harmon County Picnic To Be Held

The annual Harmon County picnic will be held Sunday at MacKenzie Park in Lubbock.

Each family is to bring a basket lunch.

The picnic will begin at 10 a.m. All residents and former residents of Harmon County are invited.

MRS. TOM PRETTYMAN
(Formerly Carolyn Diane Glass)

Carolyn Diane Glass Marries Thomas Prettyman Of St. Louis

Mr. and Mrs. Emery W. Glass of Odessa announce the marriage of their daughter, Carolyn Diane, to Thomas Raymond Prettyman of St. Louis, Mo.

The young couple pledged wedding vows at 10:30 a.m. Friday, July 24, in the First Presbyterian Church at Odessa with Rev. Burke Keas officiating at the double ring ceremony.

Parents of the bridegroom are Mr. and Mrs. T. J. Prettyman of Omaha, Neb.

The couple left on a wedding trip to St. Louis where the bridegroom is associated with W. Ford Dahlen Company, Inc., a coffee brokerage firm.

Mrs. Prettyman attended Bowie Junior High School at Odessa and is a graduate of San Marcos Academy. She attended Lindenwood College in St. Charles, Mo., this school year.

Her husband, a graduate of Omaha High School received his degree in 1955 from the University of Nebraska and served two years in the Armed Forces. His fraternity is Delta Upsilon.

The couple will be at home at 750 Canterbury, St. Louis, Mo.

Mrs. Prettyman is the granddaughter of the late Dr. T. B. Duke and Mrs. Duke of 1103 S. Phelps, Littlefield.

Mrs. Richey Sets Date For Kindergarten Classes

Mrs. Robert Richey announced that her kindergarten classes will begin September 14. The classes will be held from 8:45 to 11:30 a.m. Monday through Friday of each week at her home, 809 N. Sunset.

Mrs. Richey has a seating capacity of 24 and enrolls children that are five by September 1.

Her classes include feature story telling, music appreciation, which includes five outstanding composers and some of their selections for children, science, foundation to number fundamentals, an elementary course of phonics and all mediums of art, such as tempera free-hand drawing, finger paint and clay modeling. The children also play organized games and learn to share.

The materials she uses are published by the University of Houston and are used in the public schools of Houston.

"Realizing the great change that takes place in the child's home life and his first adventure into the public, I believe, that kindergarten can develop the child's confidence and independence in this new world," commented Mrs. Richey. "My course is centered around pre-readiness for first grade but does not overlap the course of study used in first grade."

Mrs. Richey has taught the first grade for eight years. She has taught at Texas City, Houston and Littlefield.

HEO Club To Hold Reunion Saturday

The H.E.O. Club will hold their annual reunion at the Community Center Saturday from 10 a.m. to 5 p.m.

All members and their families are invited. Each family is to bring a basket lunch.

GAVEL FOR MR. SAM—Marijane Maricle of Schulenberg presents an oak gavel to House Speaker Sam Rayburn during a Capital Hill visit. At left is Rep. Clark Thompson of Galveston. The gavel was made by Marijane's father, Ralph A. Maricle of Schulenberg. She plays the part of "Julie" in the road show "Showboat" now playing in nearby Maryland. (AP PHOTO)

One of the new laws recently made by the Texas legislature is one making it permissible for Texans to brag. We've probably spent five years out of the state of Texas and we've never disappointed any of the people in the states we lived in by failing to come out with plenty of our good Texas brags.

I'm still not satisfied with our license plate advertising. The new law permits \$100,000 a year for advertising the state of Texas and I hope some of it is put on our license plates.

You see all kinds of slogans on other plates. . . Land of Enchantment. . . The Empire State. . . Land of the Lakes. Looks like our Texas plate could carry a slogan like. . . The Alamo State or The Lone Star State. . . Once the Biggest!

We have good highway markers on highways entering the state. The rock carvings of the state are good gateways to incoming visitors.

A friend from Plainview came back by the house the other night after just bringing in a good irrigation well on his farm south of Muleshoe. The farm was a supposedly dry land farm and he says he found the water by "witching".

In case you're not hep to "witching" you take a forked limb, trim the leaves off, hold each limb of the fork firmly in your hands, with the point of the fork out in front. You start across the farm and when you walk over a sizeable amount of underground water, the pointer points downward. Some "witchers" claim that it is impossible to hold the stick still. . . that the bark will turn in your hands. . . the downward pull is so strong.

Can't say that I really believe in "witching". . . there are some fellows who make a pretty good living at finding irrigation wells this way. They can't lose. If they find water, it only costs the farmer \$25 or so. . . if they don't find it. . . doesn't cost anything.

Just wonder if we have a ny water witchers around here?

the fly swatter handles in too. last week LeRoy Hargrove mailed out fly swatter handles to everybody with a note attached that they could get the rest of the swatter if they would bring the handle in. . . boy that's merchandising!

Littlefield has a new Oliver tractor dealer. He is Vernon Nix, on Iron Olton. He has been in this type business for 19 years and you'll want to get acquainted with him.

Just heard that a whopping 29 families moved to Littlefield in July. I thought the 19 for June was amazing. . . gotta find out more about this. . . must be a boom around here somewhere!

Bill Duncan has built on more park and office space to the Duncan Auto Service on the Leveland highway and he tells the full story about the expansion in his advertisement in today's Leader.

The West Ninth Church of Christ will begin a gospel meeting on August the 16th. Everyone is invited to attend.

Hawkeye spraying begins an advertising campaign in today's Leader. They have been doing crop spraying in here for several years. . . and my neighbor Don Avery says they do a good job. . . been aiming to get them to fly over my garden and get some of those long green worms in the tomato vines.

Stagg's Drug comes out with some back to school bargains. . . Carolyn Wedel is the new beauty operator at Hazel's Beauty Shop. . . Higginbotham Barlett still has that half-price wallpaper sale on.

Here's hoping we can beat Plainview just to get the football season started off right.

Heberly Infant Services Set For Today

Funeral services will be conducted this morning in Roseburg, Ore., for Kirk Allen Heberly, 16-month-old son of Lt. and Mrs. E. A. Heberly of Lincoln, Neb. The infant died Friday in Fitzsimmons Hospital in Denver, Colorado of a heart ailment.

The parents are former residents of Lubbock. Mrs. Heberly is a graduate of the Methodist Hospital School of Nursing and the father was formerly stationed at Reese AFB.

Survivors include the maternal grandparents, Mr. and Mrs. Jim Hays of Brownfield; the paternal grandmother, Mrs. D. L. Crowley of Roseburg, Ore.; three aunts, Mrs. Bob Reeves of Lubbock, Mrs. Larry White of Brownfield and Mrs. Robert Kloiber of Littlefield. Burial will be in Roseburg.

Lions Club Holds Meeting At Jones Home

WHITHARRAL - The home of Mr. and Mrs. Henry Jones north-east of Whitharral was the scene of the regular meeting of the local Lions Club Thursday evening.

Following the business meeting at which Ed Johnson presided, a covered dish meal was served in the Jones' backyard.

Present were C. B. Keeney and Jimmy; Rafe Rodgers; Messrs. and Mesdames Johnson, Jimmy, Eddie and Karren; H. G. Walden; Ralph Wade, Larry, Judy and Kathy; Brady Helms, Donna and Doris; V. D. Hodges; George Wade Jr., Rodger, Sharon, Randy and Greg; C. G. Landers; O. L. Harris and Troy; C. O. Head; Coy Grant, Debra, Gary, and Ray Dale; Don Reding, Paula and Donnie; T. D. Northern, Gary and Janis; J. W. Borders, Jr.; Pervadus Wade, Claudia, Gordon, and Rusty; J. E. Wade, Linda and Cynthia; and the hosts.

The group will meet Thursday, August 18, with Mr. and Mrs. V. D. Hodges.

WMU Holds Royal Service

WHITHARRAL - The WMU of the Whitharral Baptist Church observed its Royal Service program Monday with a luncheon of Mexican food at the church.

The program on "Mexico" was given by the following Intermediate G.A. girls: Marsha Burrus, Mary Edwards, Marvalyne Durham, Linda Overman, Joe Beth Burrus of Oklahoma City, Okla., Carolyn Overman, and Linda. They sang "The Master Hath Come."

Others present for the service were Rev. and Mrs. M. D. Durham, and Mesdames Nick Gray, R. M. Davis, Roy Johnson, C. C. Overman, J. M. Mixon, Rev. and Mrs. J. J. Terry of Bula, Hadley Johnson and Rodney Overman.

G. Wade; the hosts, Linda and Cynthia Wade.

VITAL STATISTICS—Lovely Tommie Ann Ragland, left and Libby Mullinex are just two of thousands who have seen the population of Corpus Christi more than triple in their lifetime. In 1940 the Gulf Coast Seaport had 57,301 residents. Head count in 1950 was 108,051. The Chamber of Commerce Census Tract Committee recently estimated the 1960 Federal Census would list 183,960 persons living in Corpus Christi. Sorry the Chamber of Commerce sent no vital statistics for the girls, but we just couldn't resist the picture. (AP PHOTO)

extra to send the figure over 100 per cent.

In the past the school district has made up its budgets with anticipation of collections of 90 per cent.

Collection of 97 per cent of a \$14.7 million valuation next year would give the school district a total local revenue of \$294,399.50.

Revenue from state sources is expected to total \$29,395. The district expects to have a beginning balance in the new school year of \$7,253.56.

Total of the expected revenue plus the beginning balance gives the district \$363,948.06 to work with in 1959-60.

Spending of \$545,843 in 1959-60 would leave a balance of \$55,115 at the end of the year.

In other activity at Monday night's meeting, the board:

1. Approved a \$300,000 bond for its depository bank, the Security State.

2. Voted to split the bond purchases for the school lunchroom among Holsum, Mead's and Baldrige, as the project was handled last year.

3. Authorized investment of up to \$35,000 in interest and sinking fund surplus on time deposit at the Security State Bank.

4. Accepted the resignation of Mrs. Pearl Hutchinson, 7th grade language arts teacher who has taken a teaching position in the Sudan schools.

5. Employed Mrs. Alma Faye Carter, Littlefield, to replace Mrs. Hutchinson. Mrs. Carter has bachelor and master's degrees with English major.

6. Heard a report from Dr. Schilling on the condition of the boiler at the junior high school building. The boiler is more than 30 years old and has had numerous repairs in recent years. Dr.

Schilling said a state inspector has approved it for use in 1959-60, but had indicated he would not approve it in the future. The superintendent and the board probably would want to begin thinking of solving this problem.

7. Amended several items on the 1958-59 budget. These included \$32,000 for administration, up from \$30,437; \$1,200 for maintenance of plant, up from \$500; and \$11,500 for capital outlay, up from \$2,000.

Total spending for 1958-59 is expected to be about \$339,000, about \$5,000 more than was budgeted.

The fact that the district will be overspent for the year is due largely to one item, the capital outlay expenditure of \$11,500 -- \$9,500 more than was set up.

This, specifically, is due to two paving projects which were not anticipated. The district paid around \$3,000 for paving its share of the Wildcat Stadium road, and about \$6,500 for paving of a parking lot north of the high school building.

On most other items in the 1959-60 budget, the district expects to wind up under the marks it set for itself a year ago.

Expenditures for 1959-60 are anticipated this way:

Administration, \$31,729; instruction, \$387,446; health service, \$3,958; pupil transportation, \$19,000; plant operation, \$33,160; plant maintenance, \$1,000; fixed charges, \$6,570; capital outlay, \$2,000; and debt service, \$61,380.

This amounts to spending of \$545,843 -- about \$11,000 more than was budgeted last year.

The increase in the 1959-60 budget can be pinned mainly on the hiring of two teachers more than the district is allowed for state aid. The state allows 80 for Littlefield.

The school board decided to employ the two new faculty members early this summer, authorizing an additional coach and another first grade teacher.

Pro Cage Game Set At Lubbock

Littlefield area basketball fans will have a chance to see basketball at its best this fall when two top professional teams -- the St. Louis Hawks and the Philadelphia Warriors -- meet at Lubbock Coliseum on Saturday, October 3.

The special cage attraction -- first program ever staged in West Texas -- forms the first half of a unique "sports doubleheader" in Lubbock on that date. Following the 3:30 p.m. basketball tilt, there will be an 8 o'clock football battle between Texas Tech and Tulsa

at Jones stadium.

Choc Hutcheson, promoter of the cage contest, said this week that choice seats in all price brackets are still available, although the initial demand has been heavy. Ducats are priced at \$3.00, \$2.50 and \$2.00, and all seats are reserved. To order tickets by mail, send a check in the proper amount to: Pro Basketball, Box 5002, Lubbock, Texas.

The game will feature a man-to-man duel between two of the greatest centers in basketball history -- Bob Pettit of St. Louis and

Wilt (The Stilt) Chamberlain of Philadelphia.

Pettit, six-foot-nine all-American from LSU, is generally regarded as the game's finest offensive performer. In addition to leading the NBA in season scoring by a wide margin, he is a top rebounder.

The seven-foot Chamberlain is the much-publicized star who passed up his final year of eligibility at Kansas to accept a \$65,000 offer from the Harlem Globe Trotters. He has just completed his one-year international tour with the Warriors for the coming NBA season.

Among other stars who will appear in Lubbock are Clyde Lovellette, Slater Martin and Cliff Hagan of St. Louis, and Tom Gola, Paul Arizin, Neil Johnston and Guy Rodgers of Philadelphia.

Regular NBA officials will work the game, and all NBA rules will be in effect.

County School Budget Approved

County School trustees Tuesday approved a \$9,121 budget for county school administration in 1959-60.

The budget includes a \$7,284 salary for the county school superintendent; \$1,080 for office and travel expenses; \$900 for supervisors' travel expenses; \$56 for the school census; and \$350 per diem for the board members.

But Hereford has kept on winning, proving that the Littlefield all-star team was just as good as most of the top teams around this part of the country.

Hereford rapped Lubbock and Pecos to win the regional tournament at Brownfield. Hereford pitchers hurled shutouts in both games. Now it's on to sectional play for Hereford.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

Sometimes you see newspaper stories telling how various courts protect the owner of a patent from infringement, to stop someone from putting up a building which would be a hazard to the neighbors, or to prevent some other type of activity which might harm one or more persons. Occasionally you read where a "writ of mandamus" has been directed against some public official.

When we elect public officers to work for us, we place a great deal of authority in their hands. Sometimes they fail to do their lawful duty. One way to make a government official do his job is to ask the court for a writ of mandamus.

Suppose you have applied for a permit to build a house under a city building code. You submit your plans which meet all the requirements of the code but the proper official won't give you the permit and you can't get one elsewhere. You can then ask the court for a writ of mandamus and if you were right and the building official had no grounds for refusal the court will order him to issue the permit.

Before the court will issue such a strong command as this, the officer must have refused to do his clear cut legal duty--not something that he may or may not have to do as part of his job.

the other side. They must "show cause" why the injunction should not be issued. Because most injunctions deal with immediate problems, the court hears the merits of such a case in a very short time.

After the temporary injunction is issued, a "permanent" injunction may be obtained or either party may start a lawsuit to settle the problems which the temporary injunction has cleared up for the moment.

If the court grants an injunction, it must be served on the defendant to be effective. Then if he disobeys the order, he is disobeying the court and is subject to a fine or a jail term for "contempt of court".

"Mandamus" is a special remedy used to right wrongs or enforce proper action by a public officer.

A WORD TO AREA FARMERS FROM

VERNON NIXON

NEW OWNER

Selling and servicing modern farm machinery is the business that I have engaged in for the past 19 years. To me it is a way of earning a livelihood, but it is a far more important part of our nation's economy than for one man such as myself to gain for his living.

Modern farm machinery has made possible the abundant supplies of food and fiber our nation is blessed with. It has had a giant hand in the "revolution" on the farms of our nation, increasing the efficiency of our farmers over farmers of any other nation.

We are happy to be in the farm machinery business. We look forward to selling and servicing farm machinery in the Littlefield and Lamb County area.

WE WILL STRIVE TO CONTINUE THE OLIVER POLICY OF FAIR DEALINGS AS A LEADING FARM MACHINERY MANUFACTURERS IN THE UNITED STATES.

THIS WEEK In Washington

With CLINTON DAVIDSON

A proposal by Sen. John Stennis of Mississippi for creation of a 12-man Agricultural Policy Commission to make a thorough study of farm programs and recommend new legislation makes good sense.

Washington - Congress, the Administration and the farm organizations - has floundered through seven months of futile squabbling over farm problems this year, chiefly because there is no well-defined farm policy.

We still are operating under farm programs and policies developed to meet wartime and post-war needs for maximum production of foods and fibers. Control programs designed to slow down production have been ineffective.

Price supports that encouraged continued high production have not been effective in attainment of their principal objective - maintenance of farm prices and income and levels fair to both farmers and consumers.

A Hoover - Type Commission The bill introduced by Sen. Stennis would set up a commission

wanting to make work easier for his employees and he said he appreciates the obvious concern that dual addresses indicate about delivery of a given package if the address side is obliterated. But there are better ways of accomplishing these worthy ends.

"So far as physical safety is involved," said Postmaster Joplin, "if the package is well wrapped and well tied, and if the contents are well packed, the chances of loss or damage are very small."

So far as helpfulness to post office employees is concerned, addressing on one side only contributes to simplicity and accuracy in mail handling.

Multiple addresses sometimes cause the markings on parcel post as special handling, special delivery, insured, or c.o.d. mail to be overlooked, he said.

"The public can avoid unnecessary work, and the post office can avoid unnecessary trouble," he said, "if packages carry a single main and return address. All we ask is that the job be done properly just once."

similar to the Hoover Commission which several years ago made a study and recommendations for reorganization of the government administrative agencies. It would seek to take farm policy out of politics through the naming of a non-partisan commission.

Of the 12 members, the President would appoint four - two from the executive Branch and two from private life. The Vice President and the Speaker of the House each would name four - two each from the Senate and House and two each from private life.

The Commission, Sen. Stennis explains, would be composed of high - level, competent people who would be capable of evaluating the farm problems and making sound recommendations for legislation to strengthen the farm economy.

"I visualize this proposal," Sen. Stennis said, "as a new and fresh approach for formulating a sound and long - range agricultural program."

"I am convinced that if we do not come up with a more realistic program which would meet certain objectives, and at less cost to taxpayers, our agricultural program, as we know it today, is doomed for greater criticism and eventually complete collapse."

Commission Duties The Commission would have authority to employ a competent staff of assistants and advisers, and to hold public hearings. To make certain that its recommendations are not influenced by partisan politics, the Commission would be required to withhold its report until after the 1960 election.

The duties of the Commission would be to make a full and complete study on a commodity basis of the various agricultural programs now in effect. The study, Sen. Stennis specified, would include:

First, the various price support programs. Second, programs for the control of production. Third, programs for the disposal of agricultural surpluses and, fourth, other programs relating to production of all price supported commodities.

Such a Commission could serve the useful purpose of developing a blueprint for adoption of sound long - range farm programs. It could, also, possibly bring some unity among the present conflicting groups which so far have been unable to agree on farm policy.

VERNON NIXON

Nixon New Oliver Dealer

Announcement of a new Oliver farm equipment dealer is made this week. Vernon Nixon of Olton purchased the farm equipment firm from Lon Campbell.

Nixon is also owner of the Oliver dealership in Olton. In announcing the purchase of the firm, formerly known as L.C. Campbell Oliver Company, Nixon said that the general policies that Campbell had operated under would be retained under his ownership of the firm.

Wade Bolton will remain with the firm as mechanic and repairman.

Lamb County with service and sale of Oliver farm equipment," Nixon said.

Campbell, who had owned the business for about 15 years, did not announce future plans, except for resting and taking medical treatments.

Nixon has been a partner in the Oliver dealership for 19 years, and has been sole owner for the past three years.

He plans to continue living at Olton.

About Your Health

People who know say a single rat can wade through \$2 worth of dry corn without any trouble whatever, and despoil another \$20 worth in the process.

They're mighty expensive critters to tolerate in town or country, both by virtue of the food they eat and the some 27 diseases - including typhus fever and bubonic plague - they are known to spread.

This time of year rats will be in field burrows. Soon though, with rural harvest well underway and cooler weather coming, they will move into grain bins and feed stacks and buildings where food is stored.

If you're interested in keeping them out of your place, now's the time to formulate a plan to deprive them of food and shelter this winter and avoid a repetition of last year's record - breaking infestation.

Start by burning or piling scrap lumber at least two feet off the ground. Scatter feed stack chaff and manure piles over fields. And keep the inevitable weeds and grass around outbuildings cut so as not to attract rats.

Rats breed so rapidly that mere killing campaigns without accompanying sanitation are worthless. On the other hand, striking reductions in rat populations have been made by rat proofing without killing procedures.

Farm buildings in good repair are seldom infested with rats, so it follows that's the way to keep them. Check to make sure walls are tight and that floors and foundations are crack-less. A strip of galvanized metal three feet or so high, placed around the base of a building will keep rats out - provided they can't get through the floors.

By and large, rats as a group probably prefer grain to any other type food. Which is a good argument in favor of building new granaries tight and off the ground. All known rat runs ought to be

Piggly Wiggly Orbit Game Opens Today

Littlefield and area residents will go into orbit beginning Thursday, Joe Fenn, manager of the Piggly Wiggly supermarket announced.

Orbit is a television game. The Orbit program will be seen on Channel 11 at 6:30 p.m. each Thursday. Viewers participating will pick up Orbit cards at Piggly Wiggly or from the television station. Each week's Orbit cards will be a different color and each color card will be in effect only one week.

On the program, the letter-number combination will be drawn from a special blower machine. Three games per night will be played and one card can be used for all three games. The announcer draws ten balls and the numbers are posted on the blackboard so the viewer may double check. After the first program,

baited with poison. In one closely supervised campaign, almost 12,000 rats were killed at a cost of about 4 cents per rat. Warfarin bait was used; and the amount required to kill a rat averaged slightly less than a quarter pound.

Other effective poisons are available but many of them must be used with extreme caution. Persons unfamiliar with rodenticides should get expert advice before attempting to use them. (A weekly feature of the Health Education Division, State Health Department.)

a jackpot game will be played in addition to the regular games. Anyone who wins in regular Orbit is eligible to play "Space."

A special Space card is issued when a winner presents his Orbit card to claim his prize. Orbit prizes for winners will be such items as a pound of coffee, two pounds of bacon, 10 pounds of sugar and the like. The Space prizes will be \$250, with \$50 added each week. When the Space game is won another \$250 will be added. Orbit or Space prizes must be claimed within the following week. Numbers which were called on the program will be posted in the store in a prominent place so that customers who missed the program may check their cards on the spot.

County Officers Jail Two Men

County officers jailed an Albuquerque man on a drunk charge Saturday night and a Laurel, Miss., man Monday on a charge of removal of mortgaged property.

The Albuquerque man Ernest K. Bates, 43, was arrested on Highway 84 and charged with drunk in car. He was fined \$250 and costs Sunday morning after pleading guilty in county court. He was released that day.

The Mississippi man, Ernest K. Joliff, was picked up on a grand jury indictment. He went free later on \$1,000 bond. Officers also picked up a Littlefield woman Monday and transferred her to the state tuberculosis hospital at San Antonio.

Farm Wives Stay Busy These Days

There's plenty to do around the farm for farm wives these days, as the pictures on this page show.

Besides the housework, there are such chores as working in the garden, gathering eggs, canning and other jobs.

For an example of farm wives' "homework," follow the pictures on this page in numerical order:

1. THINGS THAT GROW IN FLORIDA, GROW IN TEXAS, TOO as pictured here. Mrs. Pless Helms is shown with her patio garden at her home two miles east of Littlefield. All of the bulbs in the garden came from Florida. The garden is made up of coleus, caladium and elephant ears.

2. MRS. ROY BLESSING is pictured picking okra to go in her deep freeze. The okra was raised on her farm northeast of Littlefield by Pless Helms.

3. MRS. U. E. KELLEY is pictured at her home 3 1/2 miles northeast of Littlefield with some grape vines that she has made jelly from for the past 15 years. Mrs. Kelly said the grapes were a mixture of a concord. She makes from 30 to 60 pints of jelly from the grapes each year.

4. MRS. HARVEY PATTERSON is pictured at the S. J. Perkins farm three miles north of Littlefield, where they live, as she starts to gather the eggs. She gathers approximately two dozen each day. They have 35 hens and 10 pullets.

5. LITTLEFIELD DRIVE CHURCH OF CHRIST women are shown shelling peas at the L. B. Davis farm east of Littlefield. The peas are being canned for the Portales Orphans Home. Pictured left to right are Mrs. Enloe Smith, Mrs. S. J. Perkins, Mrs. Eulen Elkins, Mrs. Louisa Bryce, Mrs. Earl Partain and Mrs. Nath Griffin. Mrs. T. C. Faver joined the group later in the afternoon.

6. 100 QUARTS of peas were canned Monday at the L. B. Davis home for the Portales Orphans Home. The peas were furnished by Mrs. Davis and Mrs. Enloe Smith. Pictured filling the jars with peas are Mrs. Davis on the left and Mrs. Sid Pace on the right.

TROPICAL PINEAPPLE PIE
 3 Tablesp. butter or margarine
 1 1/2 cups coconut
 9-oz. can crushed pineapple (do not drain)
 1 cup water
 1 Tablesp. lemon juice
 1/2 cup sugar
 1/4 teaspoon salt
 2 eggs, separated
 1 pkg. lemon gelatin
 1/2 cup PET Instant (in dry form)

Melt butter in 10-in. skillet. Add coconut and mix well with fork. Cook over medium heat, stirring often, until coconut is golden brown. Set aside 2 tablespoons of mixture to decorate pie. Press rest firmly on bottom and sides of 9-in. pie pan. In 1 1/2-qt. saucepan mix pineapple, 1/2 cup water, lemon juice, sugar, salt and egg yolks. Cook and stir over medium heat until mixture reaches full, roll-over boil. Take off heat. Stir in gelatin until dissolved. Chill until very thick, but not set. Put egg whites, 1/2 cup water and PET Instant into 1-qt. bowl. Beat with rotary hand beater, or with electric mixer at high speed, until stiff. Fold into chilled pineapple mixture. Let stand a few minutes, until mixture starts to set. Put into coconut shell. Decorate top with set-aside coconut. Chill until firm, about 3 hrs., before serving.

Five Commandments Little League Parents

Summer's Little League baseball season has only in Littlefield, but throughout the nation the thoughts of the youngsters and their parents are turning toward the school year just ahead.

Summer baseball program here, both Little League and PONY League, was a success from many points of view, with the Little League All-Stars winning the championship and the PONY Leaguers making a fine showing in their area playoffs.

As you might have guessed, is leading up to the school year. In this case, it is the Commandments for Little League Parents, which we wish we'd found the year before for the benefit of some of those parents who head them nor read them. They'll give you a lot to think about between now and next summer's Little League play, and if you're one of those parents who've sometimes broken one or more of the commandments, you might clip them for serious study and reflection. They are as follows:

1. Do not criticize the umpire unless ready to do your own duties.

2. Do not set an example of sportsmanship for my own good.

3. Do not remember that only nine boys can play on a team.

4. Do not remember all managers, officers and other officials are volunteers.

5. Do not complain about anyone unless I have more hours on the Little League program than you.

Let Soviets Guide Us? The Greatest Nation

Van Cliburn, a youthful and talented pianist, was announced winner of a piano contest in Moscow, Soviet Russia, he was given wide publicity in the United States with big day after day reporting his activities. In the city of the stage, he was "made." Certainly, for his appearances which ensued has guaranteed him a concert artist.

In comparison, a 22-year-old New Orleans pianist won first prize as winner of the international contest conducted by the National Institute of Music in Mexico City. But who will ever remember of James Stafford of New Orleans? He is despite his triumph in Mexico City, to plod the arduous way up the ladder to recognition.

Contrasting incidents are indicative of a weird world in this country relative to things Russian. Our scientists had been planning to fire a satellite and it was publicly announced we were to fight the Russians, advised of our plans, secretly their scientists and beat us to the punch. It was a propaganda victory, but little more.

As a result, the American people have become convinced with the idea of Russian superiority. This depends into the cultural world and we at once began to glorify Van Cliburn as a giant in his field simply because the Russians accepted him. True, his accomplishments were great and something he must have earned. But not go overboard and fall into the mental attitude that we must be led in our convictions by what the Soviet Russia believe in.

The United States is the greatest nation in the world in all respects and it is not a matter of patriotism to recognize this fact. We are still the greatest nation in the world.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

By VERN SANFORD Texas Press Association AUSTIN, Tex. - Quiet has set in after 202 days of hubbub.

As legislators packed up to go home, directors and employees of state agencies were filling scratch pads with figures. For most state-supported activities, the new budget which goes into effect Sept. 1 will mean more funds. Altogether, \$300,000,000 more.

There were some disappointments, of course, in the appropriations bill. Many programs got less than had been asked for, some salaries were cut, and there were riders and restrictions in other activities.

But, overall, there was more relief and rejoicing than tears and complaining. Most seemed to regard the new budget as the best that could be hoped for in such a "hard year."

For their parts, lawmakers were eager to get home and "mingle with the folks." Ahead lie probable showdowns on new spending for welfare and public schools, and, always, the inching up every two years in general spending.

BUDGET BREAKDOWN - Texas' new record high budget of \$2,418,000,000 was reported out after 95 days of haggling in conference committee. But once out, it zipped through both houses, with only 8 dissenting votes in the Senate and a 108-30 vote in the House.

Spending from the general revenue fund, the state's multi-purpose housekeeping kitty, totals \$222,800,000. This is up \$42,000,000 increase of about \$85,000,000 from the present biennium.

To show how hard up the state was, more than 56 per cent of total general revenue spending - or \$185,000,000 - will have to come from the new tax bill passed this session.

Here's how the pie was finally sliced on major items:

PUBLIC SCHOOLS - Received an appropriation of \$774,904,500, an appropriation to control brucellosis mostly because school spending has an "escalator clause" which ties it to enrollment.

HIGHER EDUCATION - Got the biggest increase from the general revenue fund of any program. It was boosted by more than \$12,000,000 to a total of \$130,933,424 for the state's 18 tax-supported colleges and universities. Increase was only about half what was asked by the Commission on Higher Education.

University of Texas officials saw one of their fondest dreams come true in that the "available fund" (income from the University's permanent fund) was left free for buildings and "excellence" programs.

HOSPITALS, SPECIAL SCHOOLS, YOUTH COUNCIL - Allotted a total of \$90,456,554, an increase of \$6,348,252.

This is to be used to improve medical care in state hospitals and to build a new mental hospital at Denton, a new dormitory for delinquent boys at the Gatesville school and a new building at the Gainesville School for Girls. It will also cover some salary increases and cost of some repair and remodeling in the vast hospital and school systems. It does not allow for setting up the juvenile parole system ardently desired by the Youth Council and recommended by Gov. Price Daniel.

STATE EMPLOYEES - Lower-bracketed employees, from \$2,400 to \$6,000 annually, will get a \$180 a year raise. It's not a lot - \$15 a month more in the employees' pay envelopes - but it will cost the state about \$14,000,000 for the two years.

JUDICIARY - Will receive \$9,336,769 from general revenue, a \$312,779 increase. Most of this goes for new district courts plus briefing attorneys and secretaries for the Supreme Court.

PRISON SYSTEM - Operating budget increased by \$2,800,000 plus \$7,720,000 to provide additional buildings for a prison population soaring toward 11,000.

LIVESTOCK DISEASE - A new program to control brucellosis was tabled for \$239,960, considerably under the \$2,170,000 requested.

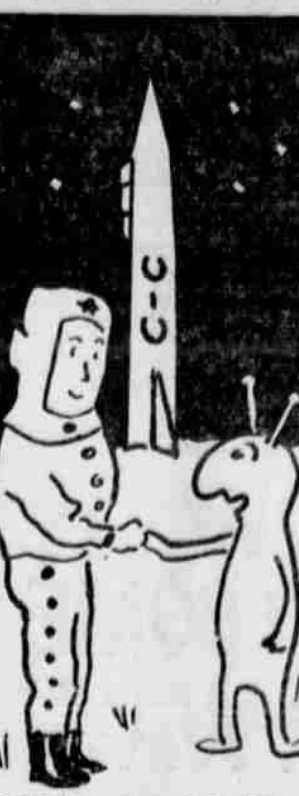

STATE ADVERTISING - State Highway Department was authorized to use \$100,000 to lure tourists and the Texas Industrial Commission \$20,000 to seek new industries.

CONSTITUTION - Texas Legislative Council was given \$50,000 for a study of the State Constitution with a view to revising it.

INSURANCE DEPARTMENT - All the furor over top officials' salaries brought little change. Commissioner of Insurance William Harrison was cut from \$20,000 to \$15,000 a year; the three board members, from \$15,000 to \$14,000.

BUILDING PROGRAM - To further the Capitol expansion pro-

"What you do, not what 'they' do, helps Littlefield."

gram, \$2,753,000 was appropriated for buying land, \$2,924,000 for a second state office building.

WATER PLANNING - Board of Water Engineers was allotted \$2,037,000, an increase of \$200,000, but nearly \$800,000 less than requested. It will allow for some salary increases for board members and engineers and mapping to locate future damsites.

RIO GRANDE NAVY - Sen. Abraham (Chick) Kazen Jr. of Laredo, Texas' fourth "governor for a day" this year, used his time in the spotlight to call attention to needs of his South Texas border country district.

As Senate president pro tempore, Kazen served as chief executive in the absence of the governor and lieutenant governor. He proclaimed Good Neighbor Day, created the Navy of the Rio Grande and urged Congressional approval for construction of Diablo Dam west of Del Rio.

Sen. Frank Owen III of El Paso succeeds Kazen as president pro tempore for the interim between sessions.

REPRIEVE FOR CHURCH - St. Martin's Lutheran Church, a beautiful, classically designed building one block north of the Capitol, was to be destroyed to make way for the state building program.

Sandhills Philosopher

He Has Idea On What To Show Khrushchev

Editor's note: The Sandhills Philosopher on his Johnson grass farm has gotten wind of Premier Khrushchev's visit to the United States, his letter this week reveals.

Dear editor: Right now, me and Washington are doing a lot of thinking and planning about the forthcoming visit of Premier Khrushchev, the Russian dictator, but we're thinking and planning in exactly opposite directions.

Here's the situation: Khrushchev has never visited the United States before, all he knows about the country is what he's heard, and he's heard that from his fellow - Russian propagandists who are notorious for telling about how down-trodden we are over here, how half the country is starving, and all the wealth is owned by two or three families.

And a bunch of Washington thinkers are getting ready to open his eyes.

For example, Khrushchev says he wants to visit an American farm. What will the Washington experts do? They'll pick out a big, modern, farm, owned by a man who's probably a bank director or a grain dealer on the side and has the last word in equipment, and Khrushchev will look it over and go back home

ready gone up within a few feet of it.

But the Senate, in a resolution sponsored by Sen. Charles Herring of Austin, has asked TEC to study the possibility of putting the church to some use, such as a non-denominational chapel, before deciding to level it.

SHORT SNOOTS - Penalties up to \$200 and court costs can be assessed against operators of dual-wheeled vehicles without protective "mud flaps" after Aug. 9. Previously the law had required use of the mud flaps only when the pavement was wet. Now they must be used at all times. Beginning Oct. 14, parents' consent and a three-day wait will be required between the application for a marriage license and the wedding if the groom is under 21 or the bride under 18. Changes in the law to slow down quickie weddings were voted by the Legislature in its recent called session. Sisk vaccine still hasn't put an end to all polio in Texas. Total cases in the state this year had climbed to 231 as of July 25, the State Health Department reported.

OUTSTANDING ACCEPTANCE FOR THE CAR THAT STANDS OUT
THE LARK BY STUDEBAKER

Why are people flocking to The Lark in unprecedented numbers? Because The Lark is the only car that gives people all they really want in transportation today. Outstanding price—The Lark V-8 is the lowest-priced V-8 on the market. Outstanding design—three feet shorter than other cars, with room inside for six in spacious comfort. Classic Lark styling is designed to minimize year-to-year depreciation. Outstanding performance—in the Mobilgas Economy Run, The Lark V-8 topped all V-8's with an amazing 22.28 miles per gallon. The Lark 6 did even better.
