## DAVID COLLIER DIES TUESDAY

Well Known Young Man  
Sick Only A Few Days;  
Mother Recently Died

David T. Collier, twenty five year  
old son of Mr. E. S. Collier, who  
lives about twelve miles south of  
Littlefield passed away at the Lub-  
bock sanitarium Tuesday morning at  
7:30 a. m.

He was born at Denton, Texas,  
January 4, 1912. He moved to Hol-  
lis, Oklahoma at the age of ten  
years and then moved to Hockley  
county in 1927. He was a graduate  
of the Whitharral high school where  
he made quite a name for himself  
on the football field and brought  
much glory to his school. At the  
time of his death he was employed  
at the Whitharral gin. He was only  
ill a short time, being taken to  
Lubbock only last Friday.

He is survived by his father, E.

## Lowell Short And Family Return From New Mexico Ranch

Mr. and Mrs. Lowell Short, and  
four children returned Tuesday eve-  
ning from their twenty-five hun-  
dred and sixty acre ranch, sixteen  
miles northwest of Encino, New  
Mexico, where they had been vaca-  
tioning for the past two weeks.

Mr. Short said yesterday he did  
not devote any time to fishing but  
kept busy building a large earthen  
dam across a canyon on his land,  
which is being built in connection  
with the Government Ranch lands  
program. The dam will take be-  
tween 600 to 700 yards of dirt to  
fill and when completed the water  
will be between ten to 12 feet  
deep.

## Will Visit Editors

Editors of South Plains newspapers will find it hard to say "NO" when Miss Bennie Francis Dunn (left) and Miss Mildred Wiseman (right) shortly walk into their offices and say, "Mr. Editor we are from Littlefield and would like for you to run several stories about our Lamb County Fair which will be held September 23, 24 and 25." Yes Sir! These charming ladies should get the job done in a big way. (Photo by Burgess).

## Community Sewing Room Used 11 Yards of Material In Two Dresses Size 52 For Amherst Relief Client

"Let me show you what we made today," said Miss Lula Hubbard, supervisor when a representative of the Leader called at Littlefield's Community Sewing room Tuesday. Miss Hubbard displayed two night gowns and two slips, size 52, completed that day, made for Amherst relief client, in which garments there were 15 yards of material.

Miss Hubbard also stated that they had two dresses to make for the same party, for which 11 yards of material would be necessary. Another interesting article completed that day was a laundry bag made from denim scraps left over from making overalls.

"We never waste a thing," said Miss Hubbard, "we take all the small scraps of flannelette, cut them up fine, and make pillow and crib mattresses out of them." Miss Hubbard also displayed a year old child's dress made from

scraps of muslin. The skirt was fashioned with panels, so as to utilize the small pieces.

There are 14 women employed in the Community Sewing Room. During August there were 435 yards of material used, and 2827 total articles made.

## G. P. Howell Erects New Gin; To Be Completed Soon

G. P. Howell is erecting a new gin to take the place of his gin which was destroyed by fire recently.

The building is almost complete, and the machinery is expected daily. Everything will be in readiness within the next ten days or two weeks.

## FAIR PREMIUM LIST MAILED; MRS. FLOYD HEMPHILL HEADS WOMEN'S DIVISION OF FAIR

Local Business Men Will Make Booster Trips To Sur-  
rounding Towns; McIver Says Wonderful Coop-  
eration Being Shown By Citizens

Twenty-five hundred official premium lists of the  
Lamb County Fair are being mailed out this week to  
rural boxholders of Lamb and adjoining counties. The  
premium list is a catalogue of 48 pages, giving the rules  
of the fair, the premiums, department superintendents,  
and advertisements of Lamb county merchants who co-

## DR. C. E. PAYNE SPEAKS SUNDAY

Rev. Norwood Out of City,  
Floyd Hemphill Will  
Speak In Evening

Dr. Clifford E. Payne, of the  
Payne-Shotwell hospital will speak  
from the pulpit of the First Metho-  
dist church Sunday morning at 11  
a. m. on his recent visit to the  
Mormon Temple in Salt Lake City,  
Utah.

Rev. M. B. Norwood, pastor of  
the church is out of the city con-  
ducting a revival meeting at Run-  
ningwater, Texas and will not re-  
turn until some time next week.

Floyd Hemphill, Supt. of Little-  
field schools will speak from the  
pulpit at the evening service which  
starts at 8:15 p. m.

A good turn out is expected at the  
Methodist church Sunday to hear  
these local men who will bring in-  
teresting messages.

## C. J. Duggan Would Like To Have His Hub Cap Returned

C. J. Duggan said that he was  
leaving his car parked in the same  
place it always stays so that the  
party who made a mistake and  
took one of his hub caps would  
return it.

Since there are so many revivals  
going on hereabouts, white as  
well as colored, surely the party  
will have a chance to heartily  
bring back "borrowed" property.  
"No questions will be asked if hub  
cap is returned this week. Party  
was apprehended in the act of  
taking it off," said Mr. Duggan.

## S. America Missionary Gives Address At The First Baptist Church

Dr. E. H. Crouch of North Bra-  
zil, South America, Baptist Mission-  
ary, gave a very interesting address  
at the First Baptist church Sunday  
morning.

During his address he outlined his  
work as a missionary, the nature of  
the country, and living conditions,  
as well as customs.

Dr. Crouch, who is on a year's  
furlough, is a cousin of Less Bar-  
ker, and was a guest in the home  
of Mr. and Mrs. Barker over the  
week end. He was accompanied by  
Mrs. Crouch, daughter, Margaret,  
and son, Edward.

Dr. and Mrs. Crouch will make  
their home in Fort Worth during  
the next year, where their children  
will enter school.

operated in getting out the booklet.  
The organization of department  
superintendents was completed last  
week with Mrs. Floyd A. Hemphill  
in charge of the women's work.  
Helping Mrs. Hemphill will be  
Ruth E. Perry, Home Improvement  
Educational exhibits; Mrs. Pat  
Boone, antiques, relics, and curios;  
Mrs. M. M. Brittain, bread, cakes,  
and candies; Mrs. R. B. McQuar-  
ters, canned fruits and vegetables;  
Mrs. W. D. T. Storey, quilts; Mrs.  
Carl Lambert, women's sewing; Miss  
Marie Phillips, girls' canning; Mrs.  
E. M. Hastings, girls sewing; J. E.  
Chisholm, cut flower exhibit. Each  
of the above ladies will have com-  
mittees assisting them and Mrs.  
Hemphill plans to meet with them  
sometime this week to perfect plans  
for an unusually fine exhibit.

The directors and officers of the  
Lamb County Fair Association will  
meet Wednesday night of this week  
to complete arrangements for the

## C. C. TREMAIN SELLS OUT HERE

John R. Mayo Of Floyd  
Co. New Owner; Bldg Is  
Retained By Tremain

C. C. Tremain, who has been in  
the farm machinery, implement and  
repair part business in Littlefield  
for the past 12 years, Monday dis-  
posed of his entire stock of machi-  
nery and parts to John R. Mayo.  
Mr. Mayo is a resident  
of Floyd county, and has been  
engaged in extensive wheat farming  
and the elevator business.

Mr. Tremain built a new brick  
structure in which to house the busi-  
ness about a year ago, and is re-  
taining the building.

## BRICK BUILDING BEING ERECTED ON PHELPS AVE.

Structure To Represent Be-  
tween Seven And Eight  
Thousand Dollars

Contract has been let to Joe  
Wells, local contractor, for the  
erection of a brick and tile building  
on Phelps Avenue, just south of the  
West Texas Gas company.

The structure will run from street  
to street and represent an invest-  
ment of between seven and eight  
thousand dollars. The wall is be-  
ing constructed so as to take care  
of a two story building as and  
when erected.

Work got underway Monday in  
excavation work. About 200 yards  
of dirt was moved up to last night.

The building will have a store  
front, with steel sash at the rear  
with double door. Two skylights will  
be installed in the roof.

In an interview Tuesday, Mr.  
Wells stated he had not let any sub-  
contracts as yet.

## WORKS UNDERWAY TO STANDARDIZE THE ENOCHS WELL

Well Drilled To Depth Of  
1970 Feet Wednes-  
day

With the Etz-Robertson No. 1  
well drilled to a total depth  
1970 feet Wednesday, prepara-  
were underway to set ten inch  
on top of anhydrite. It is  
understood that ten inch casing will  
and that plans will be made  
standardize immediately.

This well is located near the cen-  
of labor 66, League 182, Floyd  
school lands. The drilling  
contractor is B. A. Duffey of Big  
Blau, Texas.

Corsicana bees are now enjoying  
living in Lamb county. At least  
7,000,000 bees are as E. C. Ross and  
E. A. White who operate large  
aparies near that city have moved  
that many to the Mrs. Betty Sander-  
son and Woody farms East of Lit-  
tlefield.

Sixty-eight hives were moved  
here two weeks ago and yesterday

it was found they had produced  
over thirty pounds of honey. Tues-  
day afternoon Ross arrived with  
seventy-two more hives making 140  
hives now doing business in this  
county. Each hive of bees has at  
least 50,000 bees living in it and  
some more. The trip was made lar-  
gely at night, according to Mr. Ross  
as the bees are gone during the day

time. Monday night when all little  
bees were in bed Ross and White  
backed up a large truck and loaded  
them on for their trip to the South  
Plains.

The reason for the transfer of the  
bees to Lamb county is due to the  
fact the cotton near Corsicana has  
stopped producing honey for the  
season. The crop there was earlier

and it is expected the bees will  
find plenty of honey ingredients in  
local cotton fields for several  
weeks.

According to Mr. Ross no one in  
Lamb county is liable to be "stung".  
He admitted though that 7,000,000  
bees could make it pretty hot for  
a person if the bees were bothered  
to any great extent.

# "Folks ask me where is OUR TOWN'S MILEAGE MERCHANT"

'Atta cop! . . . sending people right where you should—here to my station. Because the only real official Mileage Merchant is a CONOCO Mileage Merchant like me. I sure appreciate half a dozen cars from different states driving in this morning already. But let me tell you. Being in business for myself here, my surest living is from always pleasing the homefolks. And they're just as sold as any long distance tourist, on having the engine Oil-Plated by my Conoco Germ Processed oil. You know the way Oil-Plating is altogether different from anything else. It holds on like

a leech, where all the worst wear used to come in the engine. Can't drain off the working parts. Then it can't leave any spots without oil . . . not even while the car is standing still . . . nor all the while it's spinning along on the hottest day. This Oil-Plating is really like a long-lasting part of the engine. Then where's any chance for too much wear, or needing more oil all the time? And there you are . . . people notice all their mileage and the way the engine keeps quiet and cool from Oil-Plating. That's how I've got them picking me out for their Mileage Merchant.

### LUTHERAN CHURCH NEWS

The attendance at divine services during the summer months was very fine despite the fact that summer time is the time of vacations and trips. With the fall season coming on all branches of church activity will receive more concentrated attention.  
Regular services will be held Sunday. The pastor will speak on "Serving God or Mammon," based on Math. 6, 24-34. Holy Communion will be celebrated in the service at 10:50 a. m. Announcement on Saturday. Do not forget the question box at the rear of the church. Any one desiring to have a question answered, kindly place it in the box. In the special young people's service at 8 p. m. the sermon topic will be, "Advertising Your Church."

### IN MEMORY OF NEWCOME VANNY

By Miss Cleo Crosby, Olton

A little voice is hushed,  
A little form is stilled  
And hearts which once were glad,  
Are now with sorrow filled.

God saw a little bud,  
One very sweet and fair,  
God needed Newcome in Heaven  
And so He took him there.

Just a little Flower of love  
That budded here to die,  
Gone now above to live with Him  
on high.

Just another darling angel  
Before the Heavenly throne,  
Left all his loved ones to weep,  
For him alone.

Heaven has got our treasure  
And beneath the dirt the casket peeps,  
And the lovely flowers blooming  
Where our little darling Newcome sleeps.

He was so pure and sweet,  
His 14 years seemed but a day,  
Until the angels of death came  
And took our Newcome away.

Just a little darling one,  
Beautiful and fair,  
God needed Newcome in Heaven  
And so he took him there.

For the angels band was not complete,  
God needed Newcome to fill the vacant seat.

## HEART ATTACK FATAL TO A. J. DENSON THURS.

Arthur Jefferson Denson, aged 49, of three miles north of Anton, passed away suddenly Thursday, August 26, at about 1 p. m., as a result of a heart attack.  
Funeral services were conducted at the Methodist church, Anton, at 4 o'clock Friday afternoon, August 27, by Rev. E. M. Peterson of Crosbyton, former pastor of the Denson family, assisted by Rev. Tony Dyess of Anton.  
Burial, in charge of Hammons Funeral home, took place in the Anton cemetery beside the grave of his wife, who passed away April 27.  
Pallbearers were: Boyd Rea, Roy Garden, F. E. Spradley, Bob Miller, Marcus Rickey, and Curtis Jones.

He leaves to mourn his passing, his mother, Mrs. L. N. Steele, three brothers, two half-brothers and four sisters: G. D. Denson, J. H. Denson, W. H. Denson and Lloyd and Alvin Steele, and Mrs. J. H. Smith, Mrs. K. P. Locke, Mrs. J. T. Fairchild and Mrs. G. V. Harrell.

are holding an all day quilting bee in the basement of the school.  
The Christian Day school maintained by the congregation will begin its Fall term on Monday, September 6. Mr. C. Boriack, who so ably managed the school last year will also teach this year. An increase in enrollment will probably fill all available benches, so that a further increase next year would necessitate an enlargement of the school room. Hence all parents wishing to enroll children should get in touch with Mr. Boriack or the pastor by Monday noon. Children of non-Lutherans are also accepted. However, a small monthly tuition is asked of such. The object of our school is to provide daily religious instruction together with the secular studies. Hence the children receive christian discipline and training. Walter J. Luecke, pastor.

# I Loathe going back to school!

**1** Honestly, Janet I really mean that! And you needn't appear so stunned about it either! You like school because you get by so easily . . . not much work or stuff . . . and your grades are always right there! If it was like that for me, I wouldn't mind school either.

**2** Janet came over. "I think I know what your trouble is," she said, "I saw you miss those beauties and those wrinkles over your eyes aren't a bit necessary. Let me suggest—"

**3** Of course, I pooh-poohed it on the spot. Later I thought it over, and before I could say Robert Taylor, almost, the optometrist said it was astigmatism. "A slight case, but—"

**4** Last year Professor Allen's courses bored me stiff, but now I enjoy them. "A's" literally fall into my lap . . . I mean practically. And now I have more nights to ourselves!

**5** Janet is a dear! "Forget it, darling," she said. "Sister Sue had the same trouble with her eyes. So when I thought you could profit by her experience, why not?" Well, it's almost like a picnic for me now! I do my close work in a jiffy . . . and I never go to bed with a headache afterwards . . . as I did!

**6** But that's not all glasses did for me! Bill says they suit his idea of my personality. And now that squinting and crows-feet are gone, he swears I'm really gay again.

# BOY SCOUTS WILL EXHIBIT AT LAMB COUNTY ANNUAL FAIR

## SUMMARY SHOWS SCOUTS HAVE HAD ACTIVE SUMMER; AMHERST TO HAVE NEW TROOP THIS FALL

This fall the Littlefield Boy Scouts will exhibit all kinds of Scout work and merit badges at the Lamb county Fair, which is to be held at Littlefield September 23 to 25 inclusive. The boys will have an exhibit that will be well worth the time of the Littlefield citizens to attend. It will also be encouragement for the boys, and show interest in their work if all adults will give their exhibit some time.

Littlefield has two troops of Boy Scouts, consisting of forty five boys ranging from the ages of twelve to eighteen years of age, one troop being sponsored by the American Legion and the other by the Rotary club, eleven citizens of Littlefield, are responsible for the organization and the activities of these forty five future citizens of the city.

The activities of the Scouts this summer has consisted of several overnight camps, both troops participated in the swim meet recently held by the Littlefield district at the Rainbow swimming pool in Littlefield. Last Thursday both troops participated in the South Plains Council Swim meet which was under the direction of Earl McClure, Scout Executive, and was held at McKenzie State Park in Lubbock. According to those who attended the meet some real swimming and diving ability was displayed at the Council Meet.

A leadership training course is scheduled to be held in Littlefield on or about October 1st, in which the Scouters will receive training that will enable them to carry on the work in a more efficient manner, and in this training school the grown up scouters, become Boy Scouts again, and are taught the principals of scouting from that angle.

It is interesting to attend one of these training schools, and see the men of the city learning to be Scout

Masters, Assistant Scout Masters, Patrol Leaders, and Assistant Patrol Leaders, they enjoy it.

A District Court of Honor is scheduled to be held at Muleshoe September 10, at which time the boys all over the Littlefield District will receive awards for advancement made in scouting for the year, and the public is invited to attend this District Court of Honor, which will be a beautiful ceremony.

This summer Littlefield had the honor of sending four boys to the National Jamboree held in Washington, D. C., this paper carried full details of the trip, at the time it was held. They were Pat Boone, Jr., Edwin Coffman, David Storey, and James Mitchell Stokes.

Members of the Boy Scout Troops in Littlefield are as follows:

Troop Roster of Troop 25: Wayne Arnold, Howard Latimer, Harold Latimer, Hall Rowe, Willis, Pat Boone Jr., James Stokes, John Foust, Richard Stripe, David Storey, Edwin Coffman, Duane Denton, J. G. West, Roy Beckner, Jimmie Beisel, Hoyt Renfro, with Eugene Latimer as Scout Master, and Marshall Burleson as Assistant Scout Master; Troop committeemen, J. H. Ware, W. D. T. Storey, and Dr. J. R. Coen.

Troop Roster of Troop 26: Joe Aven, Aaron Blackwell, E. B. Farrell, J. R. Farrell, Douglas Hoilis, Elmo Jones, M. C. Street, Ernest Holberg, Joe Nichols, Don Egan, Vincent Kersey, Gene Cawthon Willie Bradley, Floyd Holberg, James Lakey, Truett Boles, J. H. Yeager, Walter Phipps, Oliver Collins, Billie Townsend, and Alph Lee Wright—Scout Master, Willard Street. The Troop committeemen are R. W. Lewis, F. O. Boles, T. Wade Potter, Pryor Hammons and Willis J. Ray.

Other men active in Scouting are J. C. Elms, local finance chairman, Pat Boone, Sr., town chairman, and Floyd Coffman, district Court of Honor chairman.

As little as we consider it, scouting is a wonderful work, it deserves the support of every citizen in Littlefield, it may be that you don't have time to devote to the work, but you can give of your means to support it, and that is needed, so lets all get behind the scout program for the next twelve months and help the men that are giving of their time and money for the furthering of the program.

### Boy Scouts Plan Exhibit For Fair

The Boy Scouts of the South Plains Council plan the biggest Scout exhibit in the history of the South Plains Panhandle Fair to be held September 27th to October 3rd.

A complete building is to be devoted to Scout exhibits. Each Troop will have a booth and exhibit one or more Merit Badges, Individual handcraft work in Scout craft will be exhibited by the Scouts in a separate booth.

The Cubs, the younger boys division of the Scout program, will have a separate booth to exhibit their handcraft work. This year there is to be an exhibit made by the Sea Scouts and the Council.

... circumstantial evidence points to Doane as the murderer, when the murder gun is carefully planted in the chest-out in the basement.

... search began which it seemed nothing could escape. But at fifteen minutes, when possible spot where a bullet have lodged had been examined result was negative.

... night," said Inspector Flaherty,

ty, "if it isn't in this room it's somewhere else. What's in here?"

He opened the door leading to the dressing room and its adjoining bath. On a chair in the dressing room lay a fur coat, a hat and an afternoon gown, carelessly flung there as if their wearer had taken them off hurriedly and thrown them wherever they changed to drop. A pair of shoes which had been tossed into a corner increased the impression that Miss Lane had been interrupted at her toilet by some unexpected visitor, to greet whom she had donned the kimono in which she had been found, without taking time to hang up her other clothes. Lifting the dress from the chair Inspector Flaherty disclosed Miss Lane's purse, as plainly dropped wherever it chanced to fall. A quick glance disclosed that it contained only some keys, a handkerchief, a make-up compact and a few dollars in money.

But in the dressing room and the bathroom there was no trace of a bullet.

The searchers stepped into the square entrance foyer and resumed their scrutiny. Max Michaelis, opening the door of the coat closet, took Archie Doane's coat and hat from the hook where Martinelli had hung them. Except for a coat or two which were obviously Miss Lane's, there was nothing else on the hooks.

"What's that in the father corner, Dan?" asked the lawyer. Inspector Flaherty turned his searchlight in the indicated direction.

"Looks like a bullet hole to me," he said, "That's what it is!" he ex-

claimed, after a closer scrutiny. A moment's digging in the plaster with his penknife disclosed the bullet. "Another thirty-two," said the inspector as he dug the missile out. "Where was this fired from, now?"

He backed out of the closet, his eye on the bullet hole, which was about four and one-half feet above the floor.

"Bullet went in almost horizontally," he said. "That would be just about the height of Fitz's heart. Now, if he was standing out here, right beside the telephone, facing it—"

"Max, do you know what I think? I think Fitz was shot just as he was starting for the telephone. Someone who wanted to keep him from calling up. Shot out here, and carried into the other room."

"Looks reasonable," Michaelis admitted. "In that case, Dan, he would have fallen prone right here. Might look on the rug for blood."

"Good idea," the inspector agreed. Again the searchlight were brought into play, and a small, dark spot on the Oriental rug which covered the floor of the foyer was disclosed.

"That knocks the burglar theory," said Inspector Flaherty. "A burglar might have killed him here, but he wouldn't have dragged him into the other room."

"Were the rugs disarranged when you came in?"

"No, sir; everything was in perfect order, except for the bodies," was the camera man's reply.

"I'll ask Archie if he found them in disorder," said Michaelis. He was starting toward the door of the studio where Doane was resting, as

the telephone rang. Inspector Flaherty answered.

"It's for you, Martin," he said to Frazier. The Assistant District Attorney picked up the receiver, as Michaelis went into the studio. Inspector Flaherty was about to follow when Detective Martinelli came through the front door. He carried something in his hand the nature of which Frazier's glance as he spoke into the phone, did not distinguish.

"Here's something interesting, Chief," said the detective, with a motion of his head toward the bedroom into which Flaherty followed him.

Frazier joined Michaelis and Doane a minute later. "That was Doctor Carrel on the phone," he said. "Miss Lane will pull through and in twelve hours or so will be able to talk, Carrel says. So far she is still in a daze and remembers nothing that happened."

"Thank God!" burst from the lips of Archie Doane. "Then this whole horrible business will be cleared up."

"I hope so. It's a Chinese puzzle now," said Inspector Flaherty, entering the room. He carried one hand behind him, and the expression on his face was grave and stern.

"Here's something which tangles the whole business," he said, facing Max Michaelis and Archie Doane. "Did you ever see this before,

Doane?"

He whipped his hand from behind his back and displayed a nickel-plated pearl-handled revolver.

The weapon dangled, muzzle down, from the Inspector's finger, which was thrust through the trigger guard, and on the end of the barrel was the sinister cylinder of a Maxim silencer.

"Don't answer, Archie!" commanded Max Michaelis, as Doane

was about to speak. "Where did you get that, Dan?"

## Highway No. 51

It has been discussed and suggested during the past few months that Highway No. 51 be redesignated, and instead of going north from Littlefield to Spring Lake, that the highway be routed up No. 7 from Littlefield to Amherst; thence north to Earth, and from Earth north to Hereford.

This might have been a practical route for the highway, as it would, no doubt, have cost less money to build the highway on account of the saving by using No. 7 the distance between Littlefield and Amherst, and also taking into consideration the road that had been partially built from Amherst north across the sand hills; but since the right-of-way has been secured running directly north from Littlefield to Spring Lake at a cost of several thousand dollars, and taking into consideration the project that the State Highway Department is now sponsoring, and has been since the first of the year, running north from Spring Lake to the County Line, and that Castro county has secured the right-of-way, and built the grade and drainage structure from Lamb county's line running north to Dimmitt, it is the contention of a number of those familiar with the facts that it would now be impractical, and would serve as an injustice to those on the present designated highway, who have made investments and built their hopes so long on the proposed highway.

A project also that is worthy of mention at this time is the good road being built across the sandhills running from Amherst to Earth. This road is being widened; the hills are being cut down; and the low places filled in, and topped with caliche base, which it is hoped will be paved in the not too far distant.

## Communism In Texas

The American Legion is conducting a determined educational campaign in Texas against the spread of communism within the borders of this stronghold of democracy.

In view of this fact, veterans of the world war, who saw conditions "over there" 19 years ago are viewing with alarm the spread of the C. I. O., into so many states of the Union.

The C. I. O. is now in Texas. Late estimates gave the organization a membership of more than 10,000.

The question is being asked: "What is this C. I. O.?"

At Hersheytown, recently the C. I. O. flag was placed above the American flag. Parodies of our national anthem have been published and distributed among C. I. O. strikers.

Many of our Federal bureaus, notably the labor Department, are honeycombed with radicals of all hues. Many of the leaders among C. I. O. units are out and out "reds." For example, John Anderson, who was the Communist candidate for Governor of Michigan in 1934, today is among the foremost agitators within C. I. O. ranks.

The Nazi movement in the United States is but a side-show in comparison to the efforts being staged by the Communists.

## WIN ONE AND LOSE ONE WITH PAMPA, THEN WHIP GARRISON IN CLOVIS, N. M. TOURNAMENT

Littlefield Panthers Still Giving Good Account of Themselves on the Playing Field, But Crowds Are Slim; May Win Clovis Money

Littlefield fared fairly well during the past week in baseball games played. They won two and lost one.

Saturday night they crossed bats with the mighty Pampa Roadrunners, who placed third in the National Baseball Tournament at Denver, Colorado and lost the game 12 to 6.

It was just a case of the local boys making too many errors at the wrong time. There is no good time to make errors in a ball game, but there are times when an error is a double error. These were the times the Littlefield boys made their errors. On top of the errors the Pampa boys were hitting on all six, so to speak and chalked up 12 runs. Ballard hit a home run, but it was Miller who did most of the hitting for the Littlefield Panthers. Aldridge pitched and Ratliff was behind the bat.

### Sunday Game

After a good night's rest the Littlefield boys came back Sunday afternoon at 3 p. m. and proceeded to win themselves a ball game from the high powered men from Pampa. Duncan pitched for Littlefield and the score was 10 to 3 in favor of Littlefield. Instead of doing everything wrong, the Littlefield boys did almost everything right which permitted them to walk off the field winners.

### Monday Game

Fresh from a victory Sunday afternoon the Littlefield team journeyed to Clovis Monday as an entrant in the Clovis, N. M. baseball tournament. They found themselves named to play Garrison and the game started.

It was just a case of a good team playing one not so good and when the local boys had finished the game it was found that 18 runs had been placed on the score board for Littlefield and only six for the Garrison ball players. According to the Clovis sport scribe who covered the game, Littlefield just held a light batting practice at the expense of Garrison, who found themselves in fast company. At least too fast for Monday afternoon. Maybe they are better on any afternoon but Monday's. It was just a bad day for Garrison.

### Clovis Tournament

Starting Thursday the Clovis tournament will be a dog-eat-dog affair. All the weaker teams have fallen by the wayside and only the heavy hitting teams remain. Littlefield is in that class and were scheduled to play Sudan, Texas, winners of their own tournament recently, in the second game Wednesday afternoon. The finals of the Clovis tournament are scheduled and local ball fans are pulling for a victory. Several fans are making the trip to the nearby city to watch the Panthers in action.

Invitations to mail your money out of the city come in every mail. This week we received a nice letter saying for the sum of three bucks we would be sent a "special investors envelope" telling us how to make investments.

We have an idea the "bird" that sent us the letter is some fellow who has gone broke doing his own investing and wants some company. Misery does love company they say.

The boys and girls up in Idaho have something to worry about. Associated Press dispatches last week told of one 10-acre corn field dropping 200 feet down into old mother earth.

That would be a nice sight, especially just after you had paid the taxes on your land and were getting ready to harvest a crop. I don't guess we will go to Idaho.

At the rate local auto dealers are selling cars you would think was a boom on here. Local business leaders deny any boom but just say business is mighty good.

Several car loads of nice new shiny cars have been unloaded here recently and they have not stayed on show room floors any to long. After all new cars are not supposed to stay on show room floors.

Just ask any dealer if you doubt that.

We wonder what the total ginings will be in this county this year. Official figures say the total bales in 1935 was 29,071 and in 1936 the total was 45,650. Of course right now no one will bet exactly what it will be put it looks now as if the 1936 figure will be exceeded.

Don't bother to "cuss-out" a trailer the next time you have to pass one on the highway. If you do that to all you see in Texas you will find yourself plenty busy.

January 1, 1937, there were only 9,919 of them to pass on the highways, but January 1, 1937 there were slightly over 45,000. That's a fair increase in ten years, so don't try to cuss all 45,000. After all, many of them are useful and help others in their work. When everyone gets a trailer then we will have something to really worry about.

Although Texas won its freedom from Mexico in 1836 the state was not recognized as an independent nation till 1857. Just 100 years ago.

We don't know how independent things were in this country back in 1837, but we think maybe we should have stayed independent.

Things are getting a little complicated here in 1937 and maybe if we were running our own "show" we could eliminate a lot of this "brain-storm" legislation that has been going on ever since we took a nose dive and gave up our independence.

If anyone thinks he or she is independent these days they have another guess coming. Of course it's a heck of a lot better in Texas than in Europe. Yes Sir!

When you think of increased taxes, think of the boys in the oil business. According to figures the production tax on oil has increased 81 percent since 1935. They paid \$7,830,692 in 1935 and at the present rate of taxation and production they will pay \$14,200,000 in 1937. If the taxes had increased in

Lamb county 81.3 percent since 1935 we have a feeling that these C. I. O. riots would be duck-soup compared with the one they would have had in these parts.

## Bryan Opens Jewelry And Watch Repairing Department In Store

Daniel Bryan, owner of the Bryan Drug company, announced this week that he had installed a complete jewelry department, which will be in charge of Stanley W. McCarty, expert watch and jewelry repairman, who has just moved here from Munday, Texas.

Mr. Bryan has purchased over \$2,000 worth of new fixtures, besides stocking it with an excellent line of jewelry, Bulova and Elgin watches will be featured by Bryan and a fine selection of diamonds will be carried.

Mr. McCarty arrived in the city Tuesday and brought with him his repair equipment and fixtures. He is a young man with a pleasing personality and has been welcomed in Littlefield this week.

## Radio Technician Now Associated With Garland-White

B. D. Garland of the Garland & White Auto Supply company announced yesterday that C. R. Rodgers would now be associated with the company in charge of all radio and refrigeration repairs and sales. The Garland & White company are dealers for RCA Victor Radios and Frigidaires.

Mr. Rodgers is from Childress, Texas and is well qualified as a radio and refrigeration technician, having had many years experience with such equipment. He has brought with him his complete equipment and is now ready to handle the troubles of any make radio or refrigerator.

Mrs. Rodgers and two children have arrived in the city and the family is temporarily making their home at Mrs. Carroll's.

## SCHOOL FACULTY COMPLETED AT RECENT MEETING

### Enrollment For Year Probably Reach 800 Mark

At the last regular meeting of the Olton School Board, the faculty for the 1937-38 term of school was completed, and the opening date of school set for September 6. The census rolls for the district show 726 scholastics. Fifty-four pupils have been transferred to the Olton schools from surrounding districts, making a total of 780 scholastics for the schools. The enrollment for the year will in all probability go far above the 800 mark.

The board is having some very necessary improvements made for the coming year. The lunch room will be moved from the little wooden building into the old grammar school building. In the new quarters it will accommodate approximately 100 children at one time. The management of the lunch room will continue to hold the prices at the very lowest possible cost. Parents of the school children are urged to visit the lunch room as often as possible. Plan to take lunch with your child occasionally.

The home economics cottage will undergo some much needed changes. Two new buses will replace the three old buses that have been in service since 1929. Two new teachers have been added to the faculty to relieve the crowded condition of the lower grades.

The teacher personnel and tentative grade assignments are as follows:

**GRAMMAR SCHOOL**— F. M. Lawson, principal; Miss Mattie Devin, beginners; Miss Emma Lou McKinney, beginners; Miss Kathleen Wade, first grade; Miss Fannie Bettis, second grade; Miss Beatrice Mealler, second grade; Miss Wilma Cooper, third grade and music; Miss Ethel Hulsey, third grade; Miss Nelle Davis, fourth grade and library; Miss Bessie Mae Moore, fourth grade and art; Miss Alice Smith, fifth grade and girls' athletics; Miss Willie Hampton, fifth grade; Mrs. Jas. A. Gowdy, low sixth grade and English; Mr. Alvin Dugan, high sixth grade and orchestra; Mrs. Muriel Taylor, low seventh grade and history; Mr. J. D. Slack, high seventh grade and geography; Mrs. Frank Hair, private teacher of piano.

# Erich Maria Remarque's Sequel To "All Quiet On The Western Front" Opens At Palace Saturday

### "The Road Back" Is Causing Nationwide Comment On the Strong Theme Presented About War; Dear Cost of the Word "Fight" Brought Out Plainly

Starting Saturday midnight, September 4 and continuing through Sunday and Monday, September 5 and 6, the Palace Theatre will present Erich Maria Remarque's powerful sequel to "All Quiet on Western Front," none other than the picture that is causing great crowds to throng the theatres where the pictures are shown, "The Road Back."

It features John King, Andy Devine, Slim Summerville, Barbara Read, Maurice Murphy, Richard Cromwell and hundreds of other actors who take strong parts.

"The Road Back" is the story of man's rehabilitation after the great World War. Written in blood, sometimes terrifying, sometimes tender, it is destined to live in the mind as the outstanding picture of its kind.

With the threat of another disastrous war hanging in the balance, this picture comes with its message to paint an indelible picture of the futility of war. It will leave you weak in its dramatic tenseness and its tale of suffering and privation. It is the one production that every person in the world should see, that they might better understand the dear cost of the word "Fight."

it to show where it had struck. Instead, it was dropped into the flue and struck nothing but a soft bed of soot and ashes at the bottom.

"Now, let's see what that means." Max Michaelis answered him. "If this is the gun from which the bullets were fired which killed Fritz and wounded Miss Lane," he said, "it means that the murderer either dropped the pistol down the chimney early in the evening, before there was any snow on the roof to mark his footsteps, or that he slipped down to the basement and planted the pistol at the bottom of the chimney, after doing the shooting."

# Social Events of the Day

## Mrs. H. W. Wiseman Hostess at Lawn Party in Honor of Founder's Birthday

Members of the local Chapter of the Order of Eastern Star enjoyed a lawn party on the beautiful lawn at the H. W. Wiseman residence Monday evening, with Mrs. Wiseman as hostess.

The affair was in commemoration of the birthday of Robert Morris, founder of Eastern Star.

Colored globes provided the lights and made the lawn more attractive for the occasion.

The program, in charge of Mrs. W. G. Street, was very appropriately arranged as follows:

Invocation—S. J. Farquhar.

"Why we celebrate Robt. Morris' birthday," by Mrs. H. W. Wiseman.

Reading by Jackie Cogdill. Harmonica solo by Dorothy Fraley.

Reading, Linda Beth Stokes. Banjo solo by Mr. Tipton and harmonica solo by Mr. Easley of the CCC camp.

Songs by Misses Mildred Wiseman, Katherine Darby, and Mary Nell Cobb.

Stunt by Mrs. J. H. Barnett and Mrs. J. G. Singer.

Song by the group. Radio program on the fight, Joe Lewis and Tommy Farr.

## Attend Birthday Celebration At Lindsay, Okla.

Mr. and Mrs. Jim Blessing and grand-daughter, Geraldine were among those privileged to attend the 96th birthday celebration of Mrs. Blessing's mother, Mrs. Nancy Cromer in Lindsey, Oklahoma last week. Mrs. Cromer, who lives with her daughter, Mrs. C. E. Fitch and Mr. Fitch, enjoys good health for a person who is nonagenarian. All of her children were there to celebrate the occasion which was also remembered by a lovely basket of fruit, cards, telegrams and gifts from her many friends and relatives.

Besides Mrs. Blessing, other members of the family attending were: Mr. and Mrs. W. W. Cromer, Fort Worth, Texas; Mrs. R. H. Bates, Smithfield, Texas; S. E. Cromer and son, Webster of Arlington, Texas; Mrs. H. L. Waterstreet, Sand Springs, Okla., a grand-daughter; Miss Geraldine Roberson, Littlefield, Texas, a great grand-daughter.

The Lamb County Leader extends to Mrs. Cromer many, many happy returns of the day and wish for her health and happiness in abundance.

Mr. and Mrs. Blessing left for Lindsey Saturday, returning Monday.

## Mrs. Ivan Fowler Hostess Thursday Luncheon Club

Complimenting members of the Thursday Luncheon club, Mrs. Ivan Fowler was hostess Thursday at 1 o'clock, when following a delicious luncheon, bridge was enjoyed by the group.

## Employment Urged For CCC Camp Boys

"When the United States Government enrolled the CCC boys and made it possible to keep them and their families from going on relief, that was the Government's responsibility," declared J. A. Von Lancken, educational director of the local camp, when speaking to the Rotary club Thursday, "and when these boys have served their full term, it is your problem to give them

employment in civil life." Mr. Von Lancken stated he had twenty-three boys who were leaving the service on October 1 and as yet do not have jobs lined up. Several of the boys already have jobs. The educational starata runs from the fourth grade through high school. The CCC has given a number of the men specialized training as well as teaching them self discipline.

"These boys will make you good citizens if you can absorb them in this area," continued Von Lancken, "we have their complete records and shall be glad for you business men to check them over because I know some of them would be an asset to your particular business."

## OCTOBER 8 IS LITTLEFIELD'S DAY AT FAIR

Premium Lists Are Mailed To 2500 Rural Box Holders

Friday, October 8, has been designated by the Pan-American Exposition at Dallas as Littlefield Day and Saturday, October 9, will be Littlefield's official day at the Fort Worth Frontier Fiesta, according to announcements from the Chamber of Commerce.

These days were selected because the weather is usually more agreeable to West Texas people and good football games will be played in both Dallas and Fort Worth on Saturday.

If the demand is heavy enough, a special train will be chartered. If the special train cannot be organized and as many as twenty-five people want to make the trip, buses can be obtained at a very reasonable rate.

# LOCAL UNIT REPRESENTED AT MEETING

## More Than 2000 Attend 19th Annual Legion Convention

Van Clark, Marion Phillips and Tom Matthews, attended the State American Legion convention at San Angelo, which convened Sunday, Monday and Tuesday of last week. Mr. Clark and Mr. Phillips returned to Littlefield Tuesday, and Mr. Matthews, with Mrs. Matthews and children, who had accompanied him on the trip, returned here Wednesday night.

More than 2000 attended the convention of the veterans.

One of the principal features of the meeting was the address by Gov. James V. Allred Monday morning, August 23. He charged the American Legion to bulwark the freedom of speech, freedom of the press, freedom of assembly, to hold inviolate the eternal truths of the constitution and to accept the individual responsibilities of living up to the organization's creed. He declared for the ordinary processes of law against the mob, for the preservation of property rights, and for rededication of the Legion to its creed opposing either the autocracy of the classes or the masses. Commander Drury Phillips declared it the best Legionism address he has ever heard.

Governor Allred made reference to C. I. O. agitation in this state as compared to the industrial strife that came to the north and east and said he had made the pledge to uphold the law and the constitution of this state and country. That's part of the Legion pledge, he said. One of the greatest of human rights is to acquire property and to possess it peacefully and without the molestation of those not entitled to its use. "We cannot have a sit down strike on other folks' property in defiance of the law," he said, as the convention applauded.

Referring to the tarring and feathering of a man in Dallas, he said "neither I nor the Legion can countenance the taking of law into one's own hands. We can't have the rule of the mob in Texas. Men are entitled to their freedom of a trial, the due processes of the law, and I care not to what organization they belong. The sinister head of mob law has no place in this state, and I thank God for a long time there have been no lynchings in Texas. I ask the Legion to have no sympathy with the mobs common to other countries, but to continue its belief in the inalienable rights of freedom of assembly, free speech and freedom of the press."

Reports of officers and committees occupied the department convention during of Monday morning and resumed early that afternoon at the session in the Municipal Auditorium.

Gov. Allred's talk followed that of Col. Ernest O. Thompson and C. V. Terrell of the Texas Railroad Commission.

The annual parade, a highlight of the convention, took place Monday afternoon.

Dances with floor shows were held in both the St. Angeleus and the Cactus hotels.

An address by J. Fred Johnson, Jr., national vice-commander of the American Legion, Washington, D. C., was featured on the Tuesday morning program. He spoke at 11:30 o'clock. At 2:00 o'clock in the afternoon Rev. Bryan H. Keathley of Mineral Wells, national chaplain, addressed the gathering.

Austin was selected unanimously as the 1938 convention city, and Dr. W. J. Danforth of Fort Worth, for 15 years a state and national leader in the organization, was chosen commander at the closing session Tuesday afternoon.

ma, New Mexico, Kansas and Colorado for two purposes: (1) To hear the report of Carl Hinton on his activities in connection with the legislative program of our association; and (2) to honor the Senators and Congressmen of the five-state area, who, with Congressman Marvin Jones, of Texas, as chairman, formed the Southwestern Committee which has been so largely instrumental in legislation securing for this area a mammoth lakes and ponds program, and adequate supporting legislation.

A special invitation is being extended to those people who attended the five-state meeting in Amarillo May 20, at which time the group authorized Carl Hinton of Amarillo to represent their interests in Washington in connection with this program. All other citizens or officials, and particularly members of Commissioners Courts, WPA and other government officials, are also urged to attend and get a full understanding of the program, and show the fullest appreciation of the Senators and Congressmen whose foresight and statesmanship made this program and legislation possible.

Plans are underway for a barbecue at noon, and there will be a dull day's program, beginning at ten o'clock in the morning, and concluding in the afternoon.

fair.

In order to give good publicity to the fair and rodeo, two local young ladies, Miss Bennie Francis Dunn and Miss Mildred Wiseman will visit the mayors and newspaper editors of neighboring towns, invite them to come to the fair and ask the editors to run stories about the fair and rodeo. A week preceding the trips, pictures of the young ladies will be sent to the editors. Amarillo, Clovis and Lubbock will be included in the tour.

Four hundred 14x22 inch placards telling about the fair will be distributed to the stores of Littlefield and neighboring towns. Each week, twenty-five newspapers in this area will carry stories about the fair.

On Sunday afternoon, September 19 at 2:00 o'clock, a thirty minute program over KFYO will be devoted to Curley Daugherty's Rodeo, which will be held three afternoons in connection with the fair.

Booster trips are being planned to Amherst, Earth, Sudan, Muleshoe, Farwell, Clovis, Buia, Morton, Lovelland, Whitharral, Pep, Olton, and Anton. The fair association hopes at least fifteen cars of business men will make these trips.

Wonderful cooperation is being displayed by Littlefield people, according to E. O. Melver, president, and he feels the Lamb County Fair will exceed the expectations of the people of Littlefield and surrounding territory.

### C. C. Tremain—

### Cotton Expected To Start Moving Within Two Weeks

"Cotton should start moving within the next two weeks with favorable weather," said J. H. Lucas, manager of the Enochs Land company, in an interview Wednesday.

"Of course," added Mr. Lucas, in some parts we have not had as much rain as other parts, but the prospects are very promising. In Enochs territory, within a radius of five or six miles there are 12,000 or 15,000 acres of cotton.

been approved by Highway officials for hard surfacing Highway 51, either six miles south or six miles north and its exact location will be determined in approximately the next 30 or 60 days, state highway officials advised Crockett and Burgess.

Hines was not in Austin, so Wednesday morning the two men made an appointment with him for Dallas where he lives. During the conversation Hines advised the local representatives that he felt sure Highway 51, which runs north and south through the county, would be completely hard surfaced from Lamesa to Brownfield, then to Lovelland, then to Littlefield, to Dimmitt, Hereford and to Vega on the north. He said he realized that the Sand Hills in Lamb county was a stumbling block to the county and Judge Crockett not only pointed out to Hines, and other officials its importance, but insisted that the road north and south through the county should be paved for the good of all residents of Lamb county.

### Strauss Atkinson Proud Father Of New Baby Girl

If you notice a wide smile on the face of Strauss Atkinson the next time you are in Renfro's grocery, it is all due to the fact that Strauss became the proud father last Sunday evening at 4:30 p. m. of a lovely little daughter, weighing six pounds and one quarter ounce.

Mrs. Atkinson is resting well and is supposed to return to her home today (Thursday) from the Littlefield hospital. She is the former Gertrude Yohner, daughter of Mrs. Zelma Yohner. They have named the new addition to the family, Kaye Yohner.
