DRAFT BOARD CALLS FOR 50 MORE MEN TO TAKE PHYSICALS

C. Of C. Has Lists Of Items Now Being Purchased For Government

For the convenience of businessmen in the Littlefield area, the Littlefield Chamber of Commerce recently became one of the co-operating offices for the distribution of consolidated synopsis lists of items currently being purchased by the Armed Forces and the General Services Administration of the Government.

C. of C. Manager Bob Crowell this week invited businessmen in the area who are interested in the program to visit the Chamber of Commerce office and pick up a copy of the synopsis lists, which are received here as a part of co-operative programs with the Department of Defense and the General Services Administration to speed procurement information to

A total of 50 letters had been sent by Wednesday afternoon by Selective Service board No. 4 at Muleshoe to men over the Lamb-Bailey-Cochran tri-county draft area, calling those men to report for preliminary induction physicals.

Fourteen draft-age men in Littlefield were among the 50 to whom letters were mailed by the board Wednesday afternoon.

Future Calls Larger It was predicted that future calls would be for greater numbers, since many of those called earlier have not been accepted. Many of those ordered to report are married, or have physical disabilities or other reasons for not being sent to active service.

Of the 31 men who were summoned to report in the last call, only 10 were present at the designated time at the board in Muleshoe, draft officials said. It was not known Wednesday what action would be taken concerning the matter.

Must Report Addresses It was requested that men who have changed their draft status

registering report that change immediately to the board at Muleshoe.

Reports of such changes may be made by letters written to Selective Service board No. 4, Muleshoe, Texas.

Present draft regulations call for the registration of 18-year-old men within five days after their 18th birthday.

The 50-man call just issued includes five men from Sudan, five from Morton, four from Muleshoe, three from Whiteface, two from Olton, two from Goodland and one each from Amherst, Farwell and Enochs.

In addition to the 28 called Wednesday, 12 more letters had been sent earlier.

Volunteers Sought T-Sgt. Gerald F. Cutshall, in charge of the local U. S. Army and U. S. Airforce, said men who have already been notified to report to the draft board are not eligible for enlistment.

Those who wish to volunteer for service before they are inducted through selective service, may do so by contacting Sgt. Cutshall at the recruiting station, 310 W. 4th St. in Littlefield, or telephone 442-R.

WOMAN SERIOUSLY INJURED IN CRASH

Automobile crash here Tuesday injured two persons, one of them seriously. Mrs. George D. Wyatt, 4011 Bolin Road, Houston, was in a 1950 Studebaker, which was driving here from Houston in a collision with a truck driven by W. H. ... of Lubbock at the intersection of Highways 54 and 81 ... p. m. Tuesday.

Mr. and Mrs. Wright were on their way here to visit their daughter and her husband, Lieutenant and Mrs. R. E. Hall of Littlefield, when the accident occurred.

The Airline Oil Company pickup truck was moving toward Lubbock and was in collision with the Wyatt car as it crossed the intersection on the way to Spade, according to Lt. Hall who is with the Salvation Army here.

Lt. Hall said Mr. and Mrs. Wyatt left Houston Tuesday about 7:30 a. m., drove through Gainsville, and were on their way here to spend a week with the Hall family when the accident occurred.

The Wyatts' son-in-law said all the Wyatt children were being

called to their mother's bedside. It will probably be impossible to ascertain her condition for three more days, Hall said. In three days the crisis will be passed.

Mrs. Wyatt was under an oxygen tent at the hospital Wednesday. Besides broken ribs and punctured lung, she is suffering from deep cuts on the right eye and face.

Leland Stone Goes To The Land Of Senoritas And Sunshine

If Leland Maxwell Stone, 14, tells his Spanish teacher this fall that "No, Senora. Lo siento, pero se esta equivocando. En Mexico se lo dice asi . . ." he should receive at least a passing mark.

Leland, son of Mr. and Mrs.

L. B. Stone of Littlefield, left Saturday with Dr. Jose Benutto for Monterrey, Nuevo Leon, and other points in the fabulous land of sunshine, smiles and senoritas.

The youth, who enters Littlefield High school this fall, will return here on or about September 1, after having spent almost a month in Mexico.

In case you're wondering what Leland would be telling his teacher to receive that passing mark, it's "No, mam I'm sorry, but you are mistaken. In Mexico they say it this way . . ."

Funds Needed For Jaycee Drive

The Littlefield Jaycees are carrying out their anti-polio campaign by cutting weeds in the alleys and on vacant lots, but find they have undertaken an extensive project.

In an interview with the Jaycees Tuesday they stated that

they were having to hire mowers with which to cut the weeds, that this was proving very expensive, and that they were in bad need of more funds with which to carry on this good work.

They urge everyone who can to contribute to this anti-polio campaign by mailing contributions to the Junior Chamber of Commerce, as they can only go so far as the money on hand will pay for the mowers to cut the weeds.

Webb Awarded Wings At Reese Air Force Base Friday

Lt. Webb of Graham, and brother of Mrs. Odell of this city, graduated in the class of 50-D, who received their wings Friday last at the Reese Air Force Base, Lubbock.

Lt. Webb was one of seven cadets chosen to meet the Regular Board. He was rated second highest in the class.

Assigned To Transport Group He has been assigned to a C-54 transport group, and will leave Ft. Dix, N. J. in September for Rhineland, Germany.

Relatives and friends attending the graduation exercises were: Mr. and Mrs. Edd Webb and son Joe Edd and Miss Allene Albright, Graham, Texas; Mr. and Mrs. Odell Matthews, Mr. and Mrs. Wayne Duffey and Miss Peggy Webb of Littlefield.

Dinner honoring Lt. Webb A dinner was given honoring his graduation and birthday Friday evening in the home of Mr. and Mrs. Odell Matthews at Littlefield. Relatives and several friends were present.

"I REMEMBER" BY THE OLD TIMERS

From H. E. Dutton of Chicago to Marion Leonard: "I remember when song writers were commissioned to write songs that carried an advertising plug, such as 'Un-

der the Anheuser-Busch' and 'In My Merry Oldsmobile.' Let's hear from some other old timers who remember similar songs of yesterday."

From E. E. Meredith of Fairmont, W. Va.: "I remember how our city went to town during the Spanish-American war with programs, sham battles and everybody singing. 'Just Break the News to Mother,' 'My Sweetheart Went Down With the Maine,' 'Just as the Sun Went Down.' No one, even then, knew the words to the national anthem but everyone could sing 'Hot Time in the Old Town Tonight,' including all verses and repeated choruses."

From "Dibble" of Chicago: "I remember when everybody was singing, 'Casey Jones,' 'Why Don't the Angels Play With Me?' 'The Bird in the Gilded Cage,' 'Down Went McGinty to the Bottom of the Sea' and 'Ta-Ra-Ra-Boom-Deay.'"

(Readers who would like to list some of the old-time tunes still lingering in their memory may do so on a postal card addressed to the Old Timers' Column, Box 340, Frankfort, Ky.)

Takes Top State and National Honors On Employing Physically Handicapped

Out the dam road, through the Lord's pasture — three miles from Cheapside. These are the directions you would get from a native of Cuero, Texas, if you decided to visit a talented 17-year old girl who has just won herself \$1,000, a trip to the Nation's capital, a personal greeting from President Truman, and a trip to San Francisco, California.

The young lady is Peggy Lord, a 1950 honor graduate of Cuero High School, who wrote an essay on "Why It's Good Business to Hire the Physically Handicapped," that took top state and national honors in competition with hun-

dreds of Junior and Senior high school students.

The daughter of Mr. and Mrs. George J. Lord of the Cheapside community won the first place spot in the statewide contest sponsored by the Department of Texas Disabled American Veterans and received \$35 and a trip to Mineral Wells where she received her award before the state DAV convention. Her essay was placed in national competition with contestants from 34 states, Puerto Rico, the Virgin Islands and the District of Columbia. She was notified Thursday, July 27, by Admiral Ross T. McIntire,

Chairman of the President's Committee on National Employment of Physically Handicapped, the sponsors of the national contest, that she had also won national honors.

This was not the first time that the quiet, attractive teenager had won writing honors. Throughout her high school career, according to her English teacher, Miss Annie Lee Green, she was outstanding in journalism. She was editor of the school paper "Turkey Talk", and president of the Junior Historians. Her theme, "Doc Burnett Brings Up the Rear" was chosen by the Texas State Historical Association to be read at the annual meeting of the Junior Historians in Austin in April.

Peggy, who won a \$100 scholarship from the University of Texas, says she will enter the UT in the Fall to begin studies leading to a journalism degree.

Governor Allan Shivers sent Miss Lord a personal letter of congratulations. He said, "I know you are proud and happy over winning the national prize in the NEPH essay contest. Let me say that the State of Texas is also proud — of you and your accomplishment. You also have my hearty personal congratulations."

President Truman made the national award to Miss Lord on August 9 at a meeting of the NEPH committee. Mrs. Lord accompanied her daughter on the Washington trip. They left Sunday, August 6 from Austin by plane.

Texas agencies participating with the DAV and the President's NEPH Committee in the state and national contests were the Texas Employment Commission and Divisions of the Texas Educational agency.

The T. E. C. has a year-round program for advancing the employment of physically handicapped, with a special observance each year during the month of October.

Seven True Bills Returned Monday In District Court; Murder Trials Oct. 16

Seven true bills were returned by the district court, grand jury, which reported to District Judge E. A. Bills Monday afternoon.

Included in the jury's report were two true bills against Archie Stephens, who is charged with burglary, and two true bills against Ray D. Jester, who is charged with forgery and passing.

Stephens is in the penitentiary at Huntsville serving a term, his parole from the state institution having been revoked recently by Judge Bills.

Jester is in the custody of the federal authorities and is held in jail at Wicheita, Kansas, awaiting trial on a Dyer act charge.

The grand jury was recessed to be called back later for the investigation of several cases.

District court is in session at this time. No cases are on the calendar for this week, but next

week a number of civil cases will come up for trial by jury.

Two murder cases have been set down for hearing on October 16.

Mr. and Mrs. Bill Morris Have Out of Town Visitors

Mr. and Mrs. Bill Morris have out of town guests this week.

George C. Bartram, nephew, formerly of New York, but recently of Los Angeles, Calif., arrived Friday for a visit in the Morris home.

Mr. Bartram was joined here Monday by his wife and son, Lael, and his mother, Mrs. Eleanor M. Bartram of East Aurora, N. Y., and all of whom will spend several days in the Bill Morris home. Mrs. Bartram and Mrs. Morris are brother and sister.

Cotton Picking Machines Cut Labor 90 Per Cent

Less by 90 per cent — that's the almost incredible story of reductions in labor requirements for producing an acre of cotton which were unfolded in demonstration and discussion at the National Cotton Council's fourth annual Beltwide Cotton Mechanization conference at Greenville and Stoneville, Miss.

From every state in the sprawling Cotton Belt and from the industrial centers of the middle west and east came more than 600 cotton machinery authorities to hear and see the latest developments in mechanizing cotton's kingdom.

Bill Thompson, Bob McDaniels and daughter, Lina, and Louis Dowdy left this week for a fishing trip near Eagle Pass.

Information For Veterans

Q — My doctor told me that I should have my tonsils removed, but I can't afford it. As a World War II veteran, can I have this operation performed at a VA hospital, even though my condition is not service connected?

A — Yes, if VA doctors deem surgery is necessary and if you sign a certificate stating that you are not able to pay for the operation. But you will have to wait for a bed to become available, for in VA hospitals first priority goes to emergency cases; second, to those service connected illnesses and disabilities, and third, to those with non service connected ailments.

Q — I am a retired regular officer drawing career compensation retirement from the Army. Is it possible to get disability compensation at the same time?

A — Yes. When you apply to VA, you will be required to state the amount of your retirement pay. After your case is adjudicated, VA will notify the Army of the amount of compensation or pension granted. The Army, then, will deduct an equivalent amount from your retirement pay.

your retirement pay.

Q — I enlisted in the Navy recently, but I am afraid I won't be able to keep up premium payments on my commercial life insurance policy. Can anything be done about it?

A — Under the Soldiers' and Sailors' Civil Relief Act, you may apply to VA for protection of your insurance. If your application is approved, VA will guarantee your premiums until you get out of service. But after your dis-

charge, you must pay the

debtedness. Q — My brother, a II veteran, is in a hospital. May I pay his service Life Insurance for him?

A — Yes. But he must certify the payments pro-

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the lightweights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynaflow Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely envying

the man in this great car! Why not emulate him?

With all its outside room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

What Do You Want In A Loan?

HERE IS WHAT ANOTHER PERSON WANTED

"If I were getting a loan, I would look for low interest and long terms. I would want the privilege of paying any part of the principal or the loan in full at any time without penalty."

I would also look for a loan from a lender that operated on a sound basis, and one that was best fitted to serve the interests of farm and ranch people."

We meet these tests and many more and would like to tell you about our loan.

Our interest rate is 4 per cent on all farm and ranch loans.

The Land Bank has brought interest rates down step by step, to this record low cost. Loans closed now can never go higher than the present 4 per cent rate.

- If you are thinking of buying a farm or ranch
- Refinance existing mortgages,
- Construct or repair your farm improvements.

We would like to tell you about the advantages available through Land Bank loan.

City Softballers Geared for Playoff Maytag Squeezes Into No. 1 Position

Maytag climbed over Anton this week to take the lead position in the City Softball Loop, which is slated to go into the final playoff series early next week.

Maytag took their top seat position when they defeated WOW 8-5 last Friday and sat back Monday to watch a fast-climbing VFW team walk away with an 8-3 victory over Anton.

VFW with two more games still to play before the playoff series, loped along in third place. Brown Miller, still lacking four games, was in fourth place.

Forecasters who watched VFW play their no-error game Monday night, gave the team a good chance in the series.

Other teams in the loop, in order of their standing, are Cal Harvey, WOW, Sudan and Oil Mill.

The Anton-VFW tussle was tied up 2-2 in the third inning. The picture changed, however, when VFW cut loose with six runs in the fourth. Anton scored only once more — in the seventh and last inning of play.

Son Hineman pitched the game for VFW against pitcher Wimpy Lambert of Anton.

The standing by teams was as follows as of Wednesday night:

	P	W	L	Pct.
Maytag	22	17	5	.789
Anton	19	15	4	.773
VFW	22	15	7	.682
Brown Miller	20	12	8	.600
Cal Harvey	23	9	14	.391
WOW	22	8	14	.364
Sudan	21	6	15	.286
Oil Mill	22	4	18	.182

Joe Frank Cummings To Enter University of Alabama

Joe Frank Cummings, 17, son of Mr. and Mrs. Frank Cummings of Meshebo, formerly of Littlefield, will enter the University of Alabama this fall.

Joe Frank will leave here Tuesday of next week for Alabama. He took a tryout in football at the institution recently, and was awarded a scholarship. Joe Frank has been playing football on the Meshebo team.

The University of Alabama has an outstanding record in football, including many games in the Rose Bowl.

Joe Frank was offered other scholarships, but elected the Alabama University, where he will major in business administration.

TAKE PART IN GOLF TOURNEY

A number of local players took part in the Tri-City Golf Tournament at Levelland recently.

Those going from here were: J. H. Lee, Rhendard McCary, Dr. Jack Still, W. D. Gilder, T. D. Gray, David Keithley, and Bob Badger.

SPORTS

JERRY COTTER PLAYS LEFT GUARD FOR NORTH ALL-STARS

Jerry Cotter, 23-round lineman for the Littlefield State Champion slip winning Cats last year, played left guard Friday night for the North grid team in the sixteenth annual All-Star football game of the Texas Coaching school.

Although the southern grid team wrecked the North 25-0, northern linemen were cited for their stand through a brutal southern beating.

Cotter, who played left tackle for the Cats last year, took turns holding the left guard position Friday night with Joe Veeol of Hillinger and Charles Radford of Ojai.

They were pitted against Darrell Leggett of Port Arthur, Joe Vasquez of San Jacinto (Houston) and Speed Studen of Austin.

The defeat inflicted by the South was the most decisive in the history of that gridiron series and shocked a crowd of 11,000 that had turned out expecting to see a tight duel with the lines telling the story.

Maytag Wins 8-5 Over WOW

Maytag slid an easy 8-5 win away from WOW Friday night and moved one step nearer the top position which became theirs Monday night when Anton lost 8-3 to VFW.

Maytag gained a 3-run lead in the first inning, maintained it through the fourth, piled up one more in the fifth and another in the sixth.

WOW scored three times in the second and twice in the seventh.

Maytag's run in the sixth was a homer knocked by short-stop Roy Newsom. WOW third baseman Terry Sisson matched it with a home run of his own, his second for the night. He put another one over to account for one of the WOW runs in the second.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

He Cured Progressive Alcoholism

GEORGE TEMMEN, JR., New York City, says that six months ago he had to make a choice between progressive alcoholism and a decent, respectable, secure and wholly desirable career as a salesman. For two years past he had been caught in a vicious circle where economic insecurity caused worry; escape from worry was sought in alcohol; and the use of alcohol interfered with his sales and aggravated the economic insecurity.

Well, that was it — a vicious circle. But let's see what George Temmen extricated himself.

He says he hasn't the slightest doubt that he was kept on the rolls of the company he was working for because of his family. But he couldn't expect them to bear with him any longer. So when he was told they didn't need his services for any further period, he wasn't surprised, though it did come as a shock. He knew that it would be difficult to find another job anywhere near as good, once a prospective employer learned why the company had let him out. He swallowed his pride and pleaded for a trial contract for another six months. Reluctantly the man before him granted him another chance, but for only six months.

Now it was up to him! He analyzed the causes behind increased drinking. He had never been a problem drinker in the Alcoholics Anonymous sense, but he had been drinking more and more with each passing day.

He decided to give it up for one day. When he took a drink the next day he felt guilty. Next, he decided to ask himself to have a drink and to tell himself "No thank you," as he put his mind definitely on something else. That made it a little easier, strange as it may seem.

He now found that it came a little easier each time to turn himself down. In a matter of three weeks, he didn't want a drink. But he adhered strictly to putting his mind on something else, every time he was in the presence of liquor, or even when he saw a liquor advertisement.

The day he told me his story, his six months' contract had just expired, and, hurrah for George Temmen, he had just signed a 10-year contract as sales manager for his company.

Oil Mill Takes Cal Harvey 10-8

Cellar-riding Oil Mill Paymaster reached up to snag a 10-8 win over Cal Harvey in the first game Monday night.

Paymaster brought home four of their runs in the second, one in the third and five more in the final inning.

All in the Game:

A FIST FIGHT between the Red's Connie Ryan and the Phil's Willie Jones culminated a recent game . . . Ben Hogan says he will vacation until time for his winter tour . . . Al Rosen has sparked Cleveland's drive to a contending position in the pennant race. His explanation for his rash of home runs is a light bat and a comfortable position at the plate . . . Jersey Joe Walcott has begun a legal battle for money he won in a ring battle in Germany—the law says he can't take the marks out of Germany . . . Burt Shotton, Dodger manager, says his pitching has at last rounded into form . . . Jackie Robinson will earn \$200,000 this year from baseball, movie rights, and endorsement of clothing . . . Bucky Walters, ex-Red with the Boston Braves, is coming out of retirement to pitch until he wins his 200th game—he has 198 . . . Frank Baumholtz, now belting the ball for Los Angeles, has a fancy price tag on him—\$50,000 . . . Tommy Farr is planning a comeback after 10 years' retirement.

BULL LAKE PHILOSOPHER SAYS MIRACULOUS DRUGS MAY BE ALL RIGHT

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake discusses medicine this week, a topic he knows as much about as he does international finance.

Dear Editor:

I was out here yesterday reading up for the winter. Most folks have single-track minds and can't look ahead and consequently rest only when they're tired, but I rest before I get tired and while I'm at it throw in a little for the months ahead, and right now while I'm getting through my August routine I've also done my routine for next December, although understand when December gets here you won't catch me falling down on the job and I'll be rested then for spring and summer, but what I started out to say was that the wild new newspaper over my face yesterday while I was working on my December routine and when I woke up and decided I might as

well put it off a article caught my eye and I sat up and read it.

According to this article another new miracle drug has been found. Now I ain't no film clerk and don't keep such information stored away but in the last few years I can recall reading about at least ten new miracle drugs, each one of which was gonna revolutionize sickness and cure practically whatever was ailing you.

As far as I know, every one of them new drugs has lived up to its claim, but I can't help notice there seems to be just as many sick people as there ever was. In fact the hospitals is more crowded now than ever before in history, we got more hospital rooms, and we got more doctors and more people billeted for doctors than ever before.

The way I see it is about the time one scientist discovers a new miracle drug, another scientist discovers a new disease, and the human race winds up with just as many ailments as it had before. I guess this is what you'd call progress.

Yours faithfully, J. K.

With the Korean Police job going into its second month, and the gradual increase of prices on food stuffs as well as other essential items, LPTU and Lamb County folks, in general, are taking things as they come. No use to argue about it. We see it just about the same here as we see it during the early part of "November."

Do this in HOUSEKEEPING

The host has not gone to my head despite what a few lifted eyebrows might indicate. I have a perfectly good reason for my single-track "Single Sails" when the three-minute is about to split its sides. It happened like this. At the precise minute that I sat down to relax and read through a new full and white catalog, a piercing scream came from the basement.

Daily attempting to repair up with what he so carefully refers to as his "housekeeping sense of logic." After power was restored I went back to my favorite reading and found staring me in the face an announcement of a new, complete line of power tools. Without too much difficulty I can identify a hammer, saw, and screw driver and that's about as far as my mechanical genius takes me. But after enough "I had a hunch" or "I had a hunch" or other spontaneous words have been said, I went and ran to the "box" of a carpenter's screw driver and a screwdriver, and found that would be better to my credit, than budget. There were other pieces of interesting-looking tools and gizmos and saws and motors but I already had my heart set on the "complete workshop in one."

Finally, I filed out an order book to order it through someone for monthly payments and we're back to the time of my waiting for the shipment.

It's a good thing that coincidence led me when I thought I might have been shipping from now 'til December. Even about tools, various countries produce different types, versus a working order of any one of the countries (from that here you know a "Newspaper" is an arm-chair) how do I wonder—huh? but I'll wonder whether for Christmas shopping?

SHORTY

By FAITH HELEN FAUST

Once there was a kitten named Shorty. Shorty was reddish-brown and white. He lived on a farm. But he wasn't satisfied with his home. He wanted more than just mice to eat.

One day he ran down the road to another farmstead. The people there kept him for a few days and then they gave him away.

After he was kept for a few days and then he was given away again. Then he was kept for

Another few days and then away again.

"This is funny," thought Shorty. "I should go back to my first home. It is the same as these."

But Shorty's friends, a black cat, went to the farm next to the one he used to live at. First, they saw Shorty in a basket at the farm with Blackie the black cat.

"No, this isn't," said Shorty. "No, I won't live with you!" Blackie said, "I'm not at the same farm, but I love the way you live."

"Well, how do you like it?" Shorty said.

"No, it looks like mine," said Blackie. "Let's wait until tomorrow. I have water."

Next day Shorty and Blackie went down the road. That night they stayed in a cave. The next night they stayed in an old barn.

The next day I turned all the lights out.

"Show me this," said Shorty. "Show me this?"

"I don't know," answered Blackie.

But the two cats finally got to Shorty's home. Shorty's owner was glad to see them and gave them something to eat.

Shorty was satisfied with his home now, especially since Blackie decided to stay with him.

Miss Smile of 1950 Will Be Chosen In Contest To Be Held In Amarillo Aug. 18

AMARILLO, Texas — Miss Smile of 1950 will be chosen in Amarillo Friday night, August 18, from a host of beautiful girls of the area, according to Pat Flynn, the local chairman of Radio Station KLEN. The contest closed midnight August 1, and on "Carnegie Night" the public will have the opportunity to compare its judging ability with that of the official judges to choose the girl with the most radiant West Texas smile. The girls will be introduced first in the Paramount Theatre stage and later read air and broadcast will be honor guests at The Nat where the winner will be announced and where she will be presented a host of valuable awards given by many Amarillo business firms. KLEN will broadcast the ceremonies both from the theatre stage and from The Nat.

The Nat broadcast — Flynn — who is sponsored by the Radio-cable Motor Company, says KLEN at 8:45 each morning, will be announced at the contest shown in a contest which didn't require bathing suits or elaborate gowns. "I still succeed the greatest smiles this side of the Rio are found right here in West Texas," the Nat host added, and "I predict Cunningham and the judges are going to find it hard to resist the winner. That girl's smile is a perfect winner."

Harold K. Cunningham, the well-known and television personality, will photograph the ceremonies and winner. "Miss Smile" picture will be released nation-wide, Cunningham said and added that Henry Heister, Amarillo, Elmer Peterson, Hereford, and Amarillo news photographers assist him in the judging.

The only consideration to be given in selecting "Miss Smile" is the smile of each contestant. The ceremony is strictly informal, although many of the contestants who possess talent for entertainment will be featured on the

SETS NEW RECORD

The South West area sets the nation in the buying of electric appliances for all-electric systems and home appliances with increases 25% greater than the record for any previous six-month period. This is a one-third more than the national average of 15% buying increase, according to figures released by James J. Hannon, president, Houston, Tex., the leading producer of electric appliances, whose sales results were used in the examination.

The official credited the gain to low service rates of electric utility companies and increased aggressive advertising and sales efforts by consumers. He said that the South West area is the nation's largest spot economically.

"Hannon has created a new all-time high class in the standard of living, spearheaded by electrical buying," the industrialist asserted. He recently announced the launching of "the company's" expansion program which included seven new manufacturing plants, the addition of major electric appliances and laundry appliances for the home, and a modern new plant for meeting customer requirements for new, improved, economical, and restaurant. A company new plant is increase capacity for refrigerator as scheduled for completion soon. These new facilities have been provided, are operating, and in five years have brought the company leadership in electric products.

Wanda Mills and Andrew L. Behrends Wed Thursday Night

Miss Wanda Jeanette Mills, daughter of Mr. and Mrs. John A. Mills of Snyder, became the bride of Andrew S. Behrends, son of Mr. and Mrs. Andrew L. Behrends of Dimmitt. Thursday night at 8:30 o'clock in a double ring ceremony at St. John's Methodist church Lubbock. Dayton Keese officiated.

Accompanied by Gerre Hancock, organist, Miss Jean Ann Gillum sang "Oh Promise me," "My Rosary," "Ah, Sweet Mys-

tery of Life," "Because," "One Rose," and "Violets," the bride's club song.

The bride, given in marriage by her father, wore a dress of white skinner satin styled with a fitted bodice and an illusion neckline hooding clusters of seed pearls. Seed pearls lined the low cut waist around to the bustle back which fell into a chapel length train and a hoop skirt. A tiara of seed pearls caught a fingertip veil of imported silk illusion. The

bride's bouquet was an arrangement of fleur de amour centered with a white orchid, carried on a white Bible, which was a gift of Las Vivarachas club.

Mrs. William Stack of Stillwater, Okla., attended the bride as matron of honor. Bridesmaids were Miss Eva Johnson of Jacksboro, Mrs. Frank Walters, both former roommates of the bride, Mrs. Albert Stewart of Tyler, Miss Mary Lou Davenport and Miss Connie Jean McMulland, both of Snyder.

Serving his brother as best man was Bill Behrends of Dimmitt. Ushers were Delmar Hartley, Joe Harrison, David Behrends, Kenneth Cobb and Eddie Behrends, all of Dimmitt.

The matron of honor wore a dress of chartreuse taffeta, with a fitted top and Elizabethan collar. Her heart shaped hat and mitts matched. Yellow asters were on the hat and made up her bouquet. The dresses of the bridesmaids were identical to the matron of honor in colors of blue, peach, aqua, yellow and orchid. Each wore hats and mitts to match with aster bouquets and buds on the hats. Hoops under the skirts made them stand out.

Mary Behrends of Dimmitt and Joy Story of Hereford, were flower girls. They wore dresses of pink and aqua taffeta. Each carried a basket of rose petals trimmed with lace to match her dress.

The aisle was lined with white tapers and satin ribbons. White silk aisle cord led to the altar forming an archway covered with white gladioli and tropical foliage. Baskets of white gladioli were in the background with white tapers interspersed with tropical ferns and palms.

The reception was held in the church reception room. The parents of the bride and bridegroom and members of the wedding party assisted in receiving.

Miss Nina Jo Dunn Honored At Lovely Bridal Shower

The new Educational building of the First Baptist Church was the scene of a lovely bridal shower Tuesday evening, August 1, for Miss Nina Jo Dunn, who is to become the bride of Bob Copeland of Floydada, Saturday, August 12.

The center piece, a miniature bride and groom standing near a small pipe organ surrounded by flowers and candles, was beautiful on the table laid with a white bouffant ruffe reaching to the floor. The names of Nina Jo and Bob in gold surrounded by tiny pink roses hung on the wall just back of the table.

Miss Virginia W. Water presided at the register.

As the guests arrived they registered and viewed the gifts which were displayed on a long table across the end and side of the Church parlor. They were served individual angel food squares and fruit punch.

Miss Massengill plays
Soft piano music was furnished by Miss Ellen Webb Massengill for the serving hour, after which the guests assembled in the new church auditorium for a program, which consisted of the life story of Nina Jo, told in an unique way, followed by a wedding in comedy presented by the hostesses.

The following were hostesses of the occasion: Mesdames Otto Jones, Harold Jones, L. L. Massengill, Dewey Hulse, Acroy Barton, Vizco Peterson, Jack Walker, Roy Ferguson, Weldon Findley, Maude Street, T. A. Yeager, Frank Rogers, Frank Lehman, Donald Carr, Pete Parrack, E. J. Packwood, R. SEASON'S FAVORITE

The redingote dress in a smart new semi-formal length is a fashion favorite of the summer season. This glamorous cotton redingote was fashioned by Emma Domb in handkerchief sheer plaid cotton. It is worn over a theatre length formal of solid colored cotton chambrette in frosty summer colors.

VACATION AHEAD!

Packing is great sport when there is a wonderful vacation in the offing. This happy girl is getting set for her "two weeks with pay" on a carefree summer jaunt. She is packing her travel wardrobe in a cotton canvas bag known as a Car-Sac. The bag hangs up in the car and keeps her crisp summer cottons from becoming crushed and wrinkled, the National Cotton Council reports.
