Contributions Much Below \$14,000 Goal

The Community Chest Drive which had attained a total of only \$3,205.62 as of last Wednesday, has crept upwards during the past week, but is still far short of the announced goal of \$14,000.

Drive To Continue

Chairman Bob Kirk has announced that the campaign will be continued until the quota has been attained.

He stated, that in his opinion, responsibility for the lag in goal attainment, rests with a number of workers who have failed to canvass and report their designated areas. He qualified this on the fact, that not a day passes that he does not receive numerous calls by phone, asking when and where contributions to the fund can be made, and he is urging all workers to make their calls, and make a report to the secretary. He was emphatic in re-affirming his belief that the quota would be met.

To Dismiss Schools For Football Game

Littlefield schools will be dismissed all day Friday, December 2, due to the Lefors-Littlefield championship football game, to be played in Amarillo that afternoon.

A pep rally will be staged in the high school auditorium Friday morning at 8:30 o'clock. The public is invited to attend.

The football boys and coaches will leave for Amarillo at 9:00 o'clock, from the high school, and the band and pep squad will follow one-half hour later. The trip will be made in school busses.

Dr. Armistead To Be Guest Speaker

Dr. B. W. Armistead will be the guest speaker at the meeting of Littlefield Rotary club this noon. His topic will be "The Growth of a New Profession in America."

15-Months-Old Child Victim Of Leukemia

Sharon Kay Badger, 15-months-old daughter of Lieut. and Mrs. Guy Badger of El Toro, Calif., and grand-daughter of Mr. and Mrs. O. M. Edwards of Littlefield, was pronounced by doctors at Long Beach Naval hospital, about Oct. 20, to be suffering from leukemia.

and given three weeks to live.

In Advanced Stage

According to Mrs. Edwards, in an interview with a Leader reporter, the doctors told her parents that the child was in the advanced stage of this ailment; that there was nothing they could do for her; and to "just take her home and keep her happy."

The father of the child is a first

School Board Meeting Tonight

A special called meeting of the board of Littlefield Independent Schools has been announced by Mancill Hall, president, for tonight, (Thursday), at 7:30 p. m., at the office of the school secretary, for the purpose of viewing and studying architect's plans for the new half-million dollar, high school building, work on which is expected to get underway early next year.

Members of the architectural firm of Atkinson & Atchinson who were employed to draw the plans, will be present to explain and discuss all phases of the plans, only recently completed.

Cash Register Works Overtime

The cash register in the county judge's office was working overtime last Monday, when Judge Dent assessed fines to the tune of \$940 and duly placed the same in Lamb county's cash register, for one of the biggest cash days in the court's history.

Drunk driving, and liquor violations accounted for the heavy influx of cash, and attest to the fact that state, county, and city law enforcement officials were busy over the weekend and Sunday.

MOVE TO LITTLEFIELD

Mr. and Mrs. Farley Selton have returned to Littlefield to make their home. They moved from Levelland to West Third street last week. Mrs. Selton is the former Miss Ernie Brock. They are both employed at the Brock's Food market.

Mrs. Phil Adkins In Miami For National WOW Convention

Mrs. Phil Adkins, who holds the office as Second National Vice-President of Loyalty Grove of the Woodmen of the World Circle, left Monday morning to attend the national convention which is convening in Miami, Florida, beginning tomorrow, Friday, and continuing through to next Friday, Dec. 9.

Mrs. Adkins will also represent Littlefield as a delegate from Loyalty Grove No. 2178, and will preside as second vice-president of the convention during the business sessions.

The local delegate holds the Bronze Citation of Honor, the highest award given by the Woodmen Circle, and is associate state captain. She also holds the office of corresponding and recording secretary and grove reporter of the local lodge.

The convention sessions will be held in the auditorium located in Bascayne park. Headquarters will be held at McAllister hotel, where registration will begin at 1:30 o'clock, Sunday afternoon.

A joint session with Tau Phi Lambda society will be held at 10 o'clock Monday morning, and ritualistic work and a memorial service will be conducted Monday night.

Other convention features will include a sightseeing bus trip over Miami, and a boat trip on Biscayne Bay, Tuesday morning. On Wednesday evening a pageant will be given when state representatives will

Will Distribute 100 Lbs. of Candy To Children Here

Santa Claus will visit Littlefield again this year. He will leave the North Pole sometime Friday night, December 9, and arrive at the Littlefield airport by plane Saturday afternoon about 2:30 o'clock.

Jolly Old St. Nick will bring with him candy, at least 100 pounds which he will distribute to children down town as he mingles through the crowds to shake hands with and treat all his favorite children.

To Ride Fire Truck

It is expected that the fire truck will meet Santa Claus, and that he will ride atop the truck from the airport to the downtown section.

Invited To Visit With Him

Santa Claus invites all the children over the area to be on hand to visit with him Saturday, November 10.

Announces On Air

In a special broadcast over the air Sunday, Santa Claus announced that providing nothing unforeseen happened, and that weather permitting, he would be here on that date.

Special Section For Students At Football Game

Students, band members, and members of the pep squads, will sit in the first 22 rows of section "E" for the Lefors-Littlefield game at Amarillo Friday afternoon.

This section is reserved for students only. Students will be admitted to this section for 50 cents admission and seat.

Students from other high schools in Districts 3 and 4 will sit in Section "E". All students will enter at the southwest gate.

All other seats are reserved.

Soil Conservation News

G. D. Lair recently harvested 4980 pounds of crock milo to the acre on land following three years of alfalfa.

Harold, Gerald and Oscar Allison of Earth, Texas, planted cotton in May, 1948; sowed wheat (by airplane) in September, 1948; sowed hubam clover in March, 1949, all on the same piece of land. From these plantings three crops have been harvested including a bale of cotton per acre in 1948; 18 bushels of wheat per acre in 1949, and 100 pounds of clover seed per acre recently harvested with a good cover of wheat and clover stubble and roots to provide soil protection and soil fertility for the next crop.

Preliminary terracing work by Soil Conservation district technicians has been started on the Gordon Thomas farm north of Olton, Texas.

Bench leveling work has been completed on the Vernon Britton farm north of Circle.

Bench leveling work will be started this week on the farms of Cecil Johnson, east of Littlefield, and the R. J. Sanderson farm of north of Springlake.

Billy Sisson To Play In Bowl Game

Billy Sisson, guard from Littlefield, is a member of the McMurry Indian football team, Abilene, selected to play Missouri Valley college's Vikings in the Oleander Bowl in Galveston, January 2.

Three times champions of the Texas Conference, the Indians rejected two out-of-state bowl invitations to accept the Oleander proposal. Under the sponsorship of the Greater Galveston Beach association, the Oleander Bowl is expected to become recognized as one of the big-time bowls. This is the first year for the bowl to invite senior colleges.

Tickets may be obtained for \$4.80, \$3, and \$2.40 from the Oleander Bowl ticket office, Greater Galveston Beach association, Galveston.

WEST SIDE CHAPEL NEWS

We were happy to have with us for Wednesday night prayer service, Herbert Miller, who is attending Wayland college.

The Sunday school is planning a Christmas tree and program for the children which will be held at the Chapel on December 21, which will be Wednesday night before Christmas.

We had an attendance of 72 this morning in our Sunday school. Several came in later for church. We are always glad to have visitors. Hope you will come again.

We are certainly happy over the large number of men that came out Monday night and the work that was done on the Sunday school rooms. At that rate it will not be long until the rooms will be completed. The ladies served coffee, sandwiches, and cookies, while the men worked.

District 4-A North Team For 1949

The district board of 4-A met in Levelland Tuesday night to lay out a schedule for the year and to select an All-District football team. The board also upheld the vote earlier this year of dropping Sudan, Seagraves and Sundown into Class B. The vote had to be unanimous one of the schools to stay in.

There will be no split schedule next year and District 4-A will have nine members.

The All-District North Half team was chosen as an offensive and defensive team. For example, there are four tackles two for offense and two for defense, on the team.

Grade Football Entertained at Steak Dinner

The football boys of Littlefield school, with their parents, were entertained with a steak dinner on Tuesday night, at the home of the department of the Baptist church, sponsored by the two orators, Mrs. C. Roy Johnson and Roy Holt, of the school. They were assisted by the teachers in both departments. A featured football speaker's table was held with a miniature gridiron, and football players on other tables featured a program surrounded by autumn decorations. Rev. Melvin Rath-

ael of Spur was principal speaker for the occasion. Several musical numbers were presented, including a clarinet solo by Paul Renfro, and a vocal duet by two of the intermediate girls.

Associational Sunday School Meeting Tonight

The West Plains Associated Sunday school meeting will be held tonight at 8 o'clock with the First Baptist church, Sudan. This meeting is for all pastors, teachers and officers in all of the churches of West Plains association. Henry Banks is associational superintendent. Mr. and Mrs. Elton Hauk and daughter Monya, Mrs. Chas. Houk and Mr. and Mrs. Harry Williams spent Sunday at Midland where they were guests in the home of their sister and daughter, Mrs. Bernard Collins and family.

WILDCATS JOURNEY TO AMARILLO FRIDAY FOR GAME WITH LEFORS

Coach Fikes' Wildcats In Regional Playoff For Fourth Time

Littlefield's Wildcats, carrying the colors of Districts 3-A and 4-A, will journey to Amarillo Friday to clash with the Lefors Pirates with the Region One trophy at stake.

Lefors boasts the only undefeated, untied team in the top half of the state. Littlefield has won 10 and lost one. The Pirates has 10 victories to their record and will go all out to keep it clean.

Officials from both schools met in Phillips Saturday afternoon to decide upon the site of the game. Amarillo was chosen as the nearest half-way stadium, but a flip of the coin was necessary to decide the day. Lefors wanted the game Saturday but Assistant Coach Forest Martin of Littlefield, called the toss right and chose Friday as the day for the contest to be played.

Officials will be sent by the Texas Interscholastic League Bureau office, at Austin.

Amarillo stadium has a seating capacity of 15,500. Littlefield fans will be seated on the west side. Admission will be \$1.20 general admission; \$1.50 for reserved seats, and 50 cents for students.

All Class A schools on the High Plains are being contacted and

asked to send their football boys to the game. A crowd of over 7000 is anticipated. The Amarillo Chamber of Commerce is in charge of ticket sales in Amarillo.

The Wildcats came out of the Spur contest with no serious injuries and both teams will be near the peak of condition. Littlefield will be a slight favorite, mostly on the basis of a 13-pound-per-man weight advantage over the Pirates.

Lefors' attack comes from the Notre Dame box formation that has proven to be very effective this year. Joel Combs, the leading scorer of the High Plains, and Freddy Todd, carries the brunt of the Pirates' attack.

Olton Wins Bi-District Playoff With Defeat of Meadow Bronco

An alert Olton Mustang eleven, driving hard for 48 minutes, smothered the Meadow Bronchos, 21-0, at Olton Thursday afternoon before 2,500 enthusiastic fans who watched this bi-district clash under perfect weather conditions.

Olton's victory sends it into the Class B regional finals, probably against White Deer.

It was a well-earned win for the Mustangs, who smashed their way down the field 52 yards on nine plays for their first score, which came within 30 seconds after the second quarter opened. From there on, the home club held the upper hand, scoring once in the third quarter on a 68-yard drive and twice in the final stanza, once on a 23-yard ramble and once on a 48-yard run with an 80-yard pass.

BOBBY BARKER DISMISSED FROM HOSPITAL SAT

Bobby Barker, member of Littlefield Wildcat football team, and injured and carried off the field during the Littlefield-Spur game Thursday afternoon, was admitted to the Payne-Strickland hospital about 4 o'clock. He is reported to be suffering from a concussion. Much improved he will leave the hospital Saturday.

TOMMY BAILES is shown going for 39 yard a touchdown in last Thursday's Bi-District with Spur. Melvin Lindley, Spur quarterback trying to catch him but failed in his attempt. Cotter (49), and Floyd Goff (41) are shown in the background.

Littlefield Wildcats Win Bi-District Championship

Littlefield's big fast-charging Wildcats moved into the second round of the state Class A football playoff here Thursday by overpowering the Spur Bulldogs, 47-14.

The point-a-minute game was played before over 5,000 fans who packed Seely Stadium to see the District 4-A champs roll to an unexpected easy win over the Spur team of District 3-A.

Littlefield started moving early in the game after Johnny Edwards recovered Melvin Lindsey's fumble on the Spur 18-yard line. Frank Gage made three yards on the first try and then Gene Renfro smashed 15 yards to score the Wildcats' first tally. Charles Askew rammed the muddle for the extra point.

Midway in the first period, Littlefield moved the ball to the one-yard line, but a big determined Spur line held and the ball went over to Spur on downs. Lindsey punted on the first play and Steven Brock took it on the 40-yard line and raced it back down to the 10-yard line.

Gage and Renfro failed to make any gain and again the ball was given up to the Bulldogs on their doorstep.

The Wildcats next touchdown came on a 50-yard drive downfield after they took the punt over on the middle stripe. Charles Askew and Gene Renfro finally pushed it over from the two-yard line. Frank Gage ran the point over to make the score 14-0.

Tommy Bailes replaced Renfro at the fullback slot in the second quarter and it put fresh power in the Wildcats backfield. Littlefield took Spur's punt on their own 28-yard line. On Bailes first try at carrying the ball, he ran 67 yards to the Spur five-yard line, fighting off Spur's Clyde Blair for 15 yards of it. Charles Askew ran it to the three, and Bailes carried it over on the next play. Askew ran the point over.

Wesley kicked off to Charles Grimland, who took it on the 15-yard line and raced it back to the 35 before he was stopped by a host of red-clad tackles. The Cats pushed them back to the 25 in four plays. They punted from there and it went out on the Wildcats' 30-yard line. There was only time for one play before the half so Bailes ran 79 yards on the try for a touchdown. Crossley's pass to Goff was incomplete for the extra point so the score at half time was Littlefield 27-Spur 0.

In the third quarter, the big Littlefield line stopped Spur on everything they tried. They were forced to punt and it went out on Littlefield's 45-yard line. Gage and Crossley gained 10 yards at that time for the lower-bracket finalist, got a scare from Brenham, before winning 27-13.

William Gaskamp, fleet Brenham back, highballed for two touchdowns in the first half, and it was 13-13 at halftime. Weeping Weldon Bynum's Unicorns tightened up in the second half as superior manpower wore down the fired up Cubs. Several weeks ago, Brenham lost to Humble, a Class B team.

16 TEAMS WILL VIE FOR HONORS IN REGIONAL CLASS "A" FOOTBALL

Anything may happen in the State Class A football play-offs. There were a series of smashing upsets in the first-round milling, most of them in the lower brackets.

The upper bracket, in which Lefors and Littlefield, the High Plains survivors, are slotted, had a robust controversy over the Ballinger-Ranger game Thursday night.

It has been established pretty well that Ballinger scored its touchdown in a 6-2 victory on what was the "fifth down" of the series.

The triumph for Waymon Wilson's champions of 7-A, still stands and the Bearcats catch Wink's Wildcats of 5-A, the district that furnished last year's state titlist, this week.

Littlefield and Wink probably are the two best West Texas hopes for the title.

Littlefield's Wildcats scratched Spur's Bulldogs 47-14 and Wink's Wildcats clawed Haskell's Indians by the same count. Those were the two most impressive winning performances of the first-round struggles.

The only real upset in the upper bracket was Mineola's 39-26 triumph over Leverett's Chapel, who had been favored.

The 42-28 triumph of Lefors' Pirates over the Phillips Blackhawks last Saturday afternoon at Phillips must have been something like it.

The upsets were Grand Saline's 20-13 victory over favored Kaufman, achieved with two touchdowns in the last two minutes, crippled Mexia's 23-7 triumph over LaVega. Rosebud's 16-14 squeeze over Lampasas.

The Kaufman quarterback cost his team the Grand Saline contest. When the Indians scored to tie it

13-13 with two minutes to play, Kaufman's play-picker gambled on passes deep in his own territory although he had a penetrations lead. One of those throws gave Grand Saline the winning touchdown.

The French Buffaloes of Beaumont won a costly victory, 21-19, over Alvin. In the process, Charles Whatley, quarterback, passer and the mainspring of the Buffs, suffered a brain concussion. He was hurt, left the game, later went back in. He collapsed later at his home.

Whatley's loss figures to handicap French severely in the El Campo clash this week.

Alvin, by the way, outgained French 331 to 209, but three extra points from the toe of Raymond Barron provided the victory margin. Previously unbeaten Edna also outgained El Campo 394 yards to 205, but the Rice Birds struck for a touchdown to win it in the last two minutes.

Garland's Owls of District 12, one of the great defensive teams in the playoffs, had the closest call, playing a 6-6 deadlock with Arlington, winning 4-3 on penetrations. New Braunfels, everybody's choice

for the lower-bracket finalist, got a scare from Brenham, before winning 27-13.

William Gaskamp, fleet Brenham back, highballed for two touchdowns in the first half, and it was 13-13 at halftime. Weeping Weldon Bynum's Unicorns tightened up in the second half as superior manpower wore down the fired up Cubs. Several weeks ago, Brenham lost to Humble, a Class B team.

Charles Askew, 145-lb. tailback, is shown going around left end for a neat little gain and down as Tackle John Fowler (38), goes into his duties of leading interference. Quarterback Donald Crossley (37) is shown coming up behind Fowler.

Wayne King Program To Be Heard Over KVOW Monday Night

Distinctive notes of the famous Wayne King saxophone will be heard over radio station KVOW on Monday night, 9:30 p. m., where the American Waltz King holds court on "The Wayne King Show".

Monday night's program will include new and old tunes which have made the Waltz King famous on the air and during his engagements at the Coconut Grove in Los Angeles and Edgewater Beach hotel in Chicago, where lovers of his soft and sweet music danced each night.

Tune in "The Wayne King Show" Monday night over Radio Station KVOW at 9:30 o'clock.

To Repeat Western Show Performance

Wildcat Band Director Don Hayes announced Tuesday that the band will repeat the Western Show performance at the half-time of the Littlefield-Lefors game which is being played in Amarillo, Friday afternoon. It is the same performance given at the half-time of the Slaton-Littlefield game in Lubbock, two weeks ago. Many have requested that the show be repeated, Mr. Hayes said.

Glenda Hulse is drum major, and majorettes include Jackie Farr, Darla Walker, Joyce Sharp and Mary Zoe Renfro. Tommy Brawley is band captain, and Yvonne James is band sweetheart as well as bass drummer in the band.

Miss Ellen R. Black And Wm. T. Sullivan Wed In Church Ceremony

The marriage of Miss Ellen Routh Black, daughter of Mr. and Mrs. Earl W. Black of Sudan, and Mr. William T. Sullivan, Jr., of Lubbock, son of Mr. and Mrs. W. T. Sullivan of Holyoke, Mass., was solemnized Thursday, Nov. 24, at 8 a. m., in St. Elizabeth's church, Lubbock. The double-ring ceremony was performed by Rev. W. F. Blakeslee in front of the altar banked with white chrysanthemums and greenery; baby white chrysanthemums decorated the side altars.

Before the ceremony, Mrs. Jack Henry, organist, played "Traumerei" by Schumann, and "Serenade" by Schubert. Mrs. Robert Farrier sang "Ave Maria", Gounod, and "Panis Angelicus." "Lithany", Schubert, was heard during the ceremony.

The bride was given in marriage by her brother, Richard Black, and wore an ivory satin wedding gown made and fashioned by her sister, Mrs. John T. Ashford. The circular skirt with gathered fullness in the back joined the bodice at the waist-line. The bertha-type collar at the front of the low, round neckline extended to below the armhole at the back forming cap sleeves. The bertha was embroidered in a pearlized bead medallion, matching the tiera from which a veil of imported illusion fell. She wore satin mits and carried a white orchid with stephanitis on a white prayer book.

Flower girl, Princess Quinlivan of Idalou, wore a dress of ice blue taffeta designed similar to the bridesmaids and carried a basket

of rose petals. Mr. Hubert Bezner, of Colorado City, served as best man. The ushers were Mr. Guillermo Perea, of Peru, and Mr. Bert Moore, of Lubbock.

After the ceremony, a reception was held in the home of Mr. and Mrs. John T. Ashford, 1912 21st street, Lubbock.

The bride is a member of the Newman club and the American Society of X-ray Technicians. She graduated from Sudan High school and attended Weatherford Junior college and Texas Tech college. She is employed at Lubbock Memorial hospital as x-ray technician.

Family Reunion Enjoyed At Home Of Mr. And Mrs. Findley

Mr. and Mrs. Boykin Have Visitors For Thanksgiving

Mr. and Mrs. W. J. Boykin had a number of visitors over Thanksgiving holidays.

Mr. and Mrs. S. J. Boykin and three daughters, Mary, Virgie and Troylene, and Miss Mary Stewart, all of Croudercroft, N. M., arrived Friday and left Saturday for Belton, N. M., where they planned to visit Mr. Boykin's brother and sister-in-law, Mr. and Mrs. G. B. Boykin, before returning home to Croudercroft.

Mr. and Mrs. J. D. Barnes and son, Sammie, of Dallas, arrived on Thursday to visit her parents, Mr. and Mrs. W. J. Boykin, returning to Dallas Sunday.

Band Clinic To Be Held At Lubbock

Whether Littlefield High School band attends the annual band clinic to be held in Lubbock next Friday and Saturday, December 9 and 10, depends wholly on the outcome of the Littlefield-Lefors football game Friday. If the Wildcats win, the band will of course make its important appearance at the game that will take place, Friday, Dec. 9.

However, the clinic, which is the seventh annual band clinic, will be held at Texas Tech with the Texas Tech Concert band, the Lubbock Senior High School band, and the three junior high school bands of Lubbock, acting as hosts.

The clinic was started as a wartime measure to keep bands alive in this immediate area. This clinic has expanded to major proportions. Last December, over 1000 western Texas and eastern New Mexico school band directors and their students were in attendance for the two days.

The purpose of the clinic now is more or less a work shop—to work out contest music to be used later in the season.

A family reunion was enjoyed at the home of Mr. and Mrs. Weidon Findley, 621 West Second street, Sunday, when a Thanksgiving dinner and all the trimmings was served.

Those present were: Mr. and Mrs. J. B. Findley, Mrs. Joe Covington, Mr. and Mrs. Bobby Jo Covington and two children, Mr. and Mrs. Lynn Kester, and Kathlyn, Carolyn and Bill, all of Amarillo; Mr. and Mrs. Pete Belt and son, Eddie Wayne of Perryton; Albert Findley of Plainview; Mr. and Mrs. Melvin Robertson and children, Peggy, Patsy and Ronnie, and Mr. and Mrs. Randolph Findley, and two children, all of Lubbock.

Mr. and Mrs. J. B. Findley, parents of Mr. Findley, remained to visit in the Findley home. Mr. and Mrs. Findley will accompany Mr. Findley's parents to Amarillo Friday and attend the Littlefield-Lefors football game.

Miss Charlene Phelps And W. E. Blume Married At Clovis

Wedding vows were exchanged by Miss Charlene Phelps, daughter of Mr. and Mrs. Harry Phelps of Amherst, and W. E. Blume, also of Amherst, Wednesday afternoon, November 23, at 3:30 o'clock, at Clovis, New Mexico.

Rev. J. C. English, pastor of the First Methodist church, Clovis, officiated at the double ring ceremony at the parsonage.

The bride was charming in a blue velveteen suit, with white and black accessories, and wore a bronze orchid corsage.

Mrs. Jungman Attends Bride

Mrs. Bill Jungman of Pep attended the bride, while Mr. Jungman served as best man.

Also accompanying the couple to Clovis and present at the ceremony were the bride's parents, Mr. and Mrs. Harry Phelps, and Mr. and Mrs. Bill Weaver.

Go On Honeymoon

Immediately following the ceremony the happy couple left for Carlsbad on their honeymoon.

The bride traveled in a three-piece gray tweed suit with red accessories.

Mrs. Blume is a graduate of Amherst High school, and has been teaching home economics in the Amherst High school for the past four years.

Mr. Blume is a carpenter, but plans on farming next year.

Mr. and Mrs. Blume returned home from their trip Sunday, and are at home at Amherst.

DON HAYES ELECTED TO HEAD, LEAD ALL-STATE SCHOOL BAND

Texas Musical Educators, a state-wide school organization conferred a signal honor on Littlefield on its fine 80-piece school band, but with even more acclaim and emphasis on the band's director, and the musical head of the Littlefield schools, Don Hayes, when they unanimously chose and elected him to organize, head and lead the all-state schools band, which will play for and be part and parcel of the Texas Musical Directors State convention, to be held at Mineral Wells, February 8, 9, 10, and 11.

The band will be made up of outstanding band students, of high schools in class A and B throughout the state. Recommendations will of course come from the band directors of the school, to Mr. Hayes, who will select the members.

The newly-organized band will consist of 120 pieces and will probably average one member from each school.

Last year Mr. Hayes auditioned saxophone players, for the all-state

band, which performed at the convention which was held at Galveston.

Another important position which Band Director Hayes holds is that of regional band chairman, which covers the region from the northern part of the Panhandle, extending as far south as Lamesa. He was elected to this position at a meeting of the Regional Texas Music Educators association held in Lubbock in September. Other officers for the region is vocal chairman, Kenneth Baumgardner, of Pampa; orchestra chairman is Charles Emmons of Amarillo.

Band Parents Are Given \$84 Check By Local Jaycees

Otha (Skipper) Smith, Jaycee president, presented Mrs. T. A. Yeager as president of Band Parents, a check for \$84.50, which represented the money derived from re-sale of football tickets held by the Jaycees, but turned back for re-sale for the Thursday football game, for the benefit of the band.

SUSTAINS INJURY IN GIN ACCIDENT

Arnett Cox of Spade sustained injuries Friday night while at work at the Spade gin.

Cox was cleaning out a gin stand, and is reported to have accidentally stuck his left hand in the saw which cut his little finger off. He was admitted soon after to Payne-Shotwell hospital, where he is getting along nicely. He was expected to leave the hospital about the middle of this week.

Mrs. Yeager stated they still owed money on their band instruments, and that the above fund would be used to pay this debt, and keep the instruments in repair.

Catherine Foltyn Is State Winner

Catherine Foltyn, 4-H club girl, a state winner in the Santa Fe contest, left Friday last for the National 4-H Congress at Chicago.

Mr. I. R. Cross, educational director of the Santa Fe railroad from Amarillo, presented the award to Catherine Wednesday, November 23, at the general assembly at Littlefield.

E. A. Bills—

(Continued from Page One) in Lamb county was practically unanimous. A wire to the newly-appointed judge received Monday, confirming his appointment, was received with acclaim by his friends and supporters.

To Be Sworn Jan. 1 Under his new appointment, Judge Bills will be sworn into office on or about January 1, and will preside for the first time at the opening of the Hale county term of district court, which opens on January 2.

Born in Johnson County Judge Bills was born in Johnson county, moving to Eastland with his parents as a small boy, where he attended school. Following graduation, he taught school in Eastland county, and was later made superintendent of those schools. He made a short venture into newspaper work, abandoning that to study, and then enter the practice of law.

After admittance to the bar, he served as assistant to the district attorney of Eastland county, which is the only elective office he has ever held.

In 1924 with his wife and two daughters, the family moved to Littlefield, where they have since made their home. He has been active in civic, church and social life, as well as in lodge and service club circles and projects. He has served numerous times as city attorney, school attorney, and has enjoyed one of the largest legal practices in this section, and often called into neighboring counties, to assist with both prosecution and defense of many important cases.

He is a charter member, and was first president of Littlefield Rotary, and a long-time member and deacon in the First Presbyterian church.

An orator of no little repute, he has been called up times without number, to preside or speak before public gatherings of every kind and nature, and even though often drafted for those assignments, he has always complied with good grace and ability.

Judge Bills will continue to hold his new appointive position until the 1950 general elections choose either to continue him in the office, or name a successor. There is little or no question but that he will ask the voters for an elective term at that time.

Judge and Mrs. Bills will continue to reside here in Littlefield, owning their home at the corner of South Phelps and Ninth streets. Their two daughters, Laura Virginia and Fredda Charles, attended school here and have since married, the former to J. H. Penn, who heads the music department at Lubbock Senior High school, and the latter is the wife of Paul Timmons, a staff correspondent on the

Tractor Mishap Friday

Woodall, 18, was admitted to Littlefield Hospital late afternoon suffering from a broken leg and severe injury to his body, as a result of a tractor accident on the farm ten miles north of Littlefield on the Bullock road.

From Brady and his brother, Roger, F. Cude and Pete Joyce, who were employed by C. E. Stinson, Texas, were running the tractor when the accident occurred.

The injured youth's leg was broken and he was taken to the hospital at once. He is being treated by Dr. W. C. Nowlin, the youth's condition is satisfactory, and he is expected to survive the accident.

SOUTH PLAINS COTTON GINNINGS NEARING MILLION-BALE MARK

South Plains cotton ginnings are nearing the million-bale mark, although the official government census count on November 1 showed less than one-third of that figure. Ginnings on Nov. 1 totaled 331,737 bales in 16 counties.

During the past month, the gins have been running 24 hours a day and prior to Nov. 1, due to the shortage of laborers, there was no demand for gins to run around the clock.

The government classing office here has classed more than 700,000 bales from samples received from South Plains gins, indicating that approximately seven out of ten bales are going into the government loan.

Lubbock county climbed into the lead in ginnings but was still behind last year's total on the same date. Ginnings this year totaled 58,225 on Nov. 1, while last year they had reached 65,321 bales.

Ginnings by counties on Nov. 1, 1949 and 1948 were as follows:

County	1949	1948
Bailey	5,412	8,264
Cochran	6,448	5,382

Two Bales Cotton Burn Here Friday

The Littlefield Fire Department answered a call Saturday morning about 11 o'clock, when two bales of cotton burned in the gin yard.

Sparks from the tractor of Roy Blessing of 3 1/2 miles east of town was believed to have caused one bale on his trailer to catch fire, which spread to another bale on another trailer, also on the gin yard. The two bales burned, but a quantity of cotton on the trailers and the trailers were saved by the fire boys.

INFORMATION FOR VETERANS

are eligible for three years under the GI Bill. May complete my high school course in 27 months for job training. You may complete your high school course with your entitlement. It will be necessary for you to obtain a supplemental certificate of eligibility following completion of your high school course. You may present it to the government in which you are to receive training. You intend to apply for a GI loan into business. If any part of the loan, will be used to pay the balance? The government has to pay any part of the guarantee of the loan, you will be liable to the government for the balance. You are an unmarried World War veteran and receive non-combat pension. This insurance policy which I deposit in the bank. Will

this jeopardize my pension from VA?
 A—Assuming the policy is other than U. S. Government Life Insurance policy, the receipt by you of \$5,000 will cause your income to exceed the limitations set by law so that you will not be entitled to pension for a year. The law provides that a veteran's income cannot exceed the amount of \$1,000 annually if single and \$2,500 if with dependents and still receive a pension. Proceeds of insurance from other than a government insurance policy is income within the meaning of the law.

AMERICAN LEGION SPONSORS OPERA

First grand opera company ever to present productions in Lubbock, will be sponsored by Allen Brothers Post No. 148 of the American Legion, according to Wayne Groce, Lubbock, commander of the organization.
 The company is the metropolitan Boston Grand Opera company, known nationwide for their outstanding performances of opera.
 The operas "La Traviata" and "Carmen" will be presented December 7 and 8, Groce said. "La Traviata" to be presented

NEWEST JET BOMBER TESTED . . . The U. S. air force's newest jet bomber, the Martin XB-51, leaves a smoke trail as its three jet engines thrust it upward on its first flight at Patuxent, Md. The ship remained aloft for 34 minutes on initial flight. The plane has swept-back wings, horizontal stabilizer above its rudder and dual wheels mounted bicycle style. It carries crew of two in pressurized, air conditioned cockpit.

at 8:00 p. m. in the Lubbock Senior High school auditorium December 7, is based on the romantic story of the lady of the Camellias by Alexandre Dumas. Star-studded and all of the splendor that grand opera has to offer, plus music that will send music lovers "out of this world," directed by Francesco Foti will be added to the production.
 "Carmen", to be presented at 8 p. m. on Thursday, December 8, is the story of love, passion and jealousy; sung to the beautiful music of Bizet.

Emmanuel Lutheran Church News

The members of Emmanuel Lutheran's men's club and their guests and friends meet Friday night, December 2nd, dut to the fact that November's regular meeting was postponed a week. The program committee, consisting of Tommy Mauk, Martin Telnert, and Pastor Heckmann, have planned a full evening of study and relaxation. The topic, dealing with an important phase of Christian living, namely stewardship, will be under the direction of Tommy Mauk. Following the business meet-

ing, indoor volley ball will occupy the men's attention. The club meets at 7:30 p. m. Executive board meets in the school one-half hour earlier.

Under the guidance of the local pastor, H. A. Heckmann, the Sunday school staff and interested per-

sons are at the present time busily engaged in an absorbing study of teaching methods. Important subjects as gaining the attention, holding the interest, using past experience in the teaching process, measuring results, the proper place of the teacher in the child's learn-

ing process, are some of the subjects treated. The present course of study is taken from the booklet entitled "Directing the Learner" and is one in a series of ten such booklets devoted to the improvement of the teachers of Emmanuel Lutheran's Sunday school.

Increased Oil Economy, Quiet Running Engines Features Of 1950 Ford Car

Hall Motor Company, local Ford dealers, have been displaying the new 1950 automobile on their show-rooms here.

A smoother flow of power in the V-8 and quieter operation in both V-8 and 6-cylinder engines distinguish the improved power plant for the new 1950 Ford passenger cars as introduced by Ford dealers.

"By taking advantage of the latest development in engine design we also have still further increased oil economy and added to the life of these engines," Harold T. Youngren, vice-president of engineering, said. "They are the quietest and smoothest running engines we have ever produced."

Included among the engine im-

provements in the 1950 Fords are:

New camshaft timing gear made of laminated composition material which replaces the former aluminum gear, giving much quieter operation.

New autothermic type pistons which control expansion and contraction and eliminate piston slap.

New camshaft, designed for quieter operation, featuring a longer opening and closing ramp which eliminates tappet noises.

Increased oil economy resulting from:

a. Addition of an oil squirt hole in the connecting rods which pro-

vide instant lubrication of the cylinder walls after a cold start.

b. New cylinder wall finish with better oil control.

c. Rubber seal ring on intake valve stem guide of the V-8 engine, which prevents excessive oil consumption through leakage of oil past the valve guide. The new rubber seal rings help oil economy from the first mile the car is driven.

Local Guests At Levelland Club

Mr. and Mrs. Harvey Lee and Mr. and Mrs. Rhenard McCary were among the members of the local Country Club who attended a meeting at the Levelland Country club last Friday night, when trophies were awarded to the winners in the Levelland City tournament, followed by a film on professional golfing.

The film dealt with basic fundamentals of golf and golf technique. Big names in golfing circles, featured in the film included Dr. Middlecoff, top professional golfer of the nation this season; and Patty Berg, who is rated the best woman golfer known at all times. Others included were Sammy Sneed and Stranahan.

High School Class Favorites Named

Class favorites of the four grades in Littlefield High school, chosen last week are as follows:

Freshman class: Don Nichols and Preble Lewis; Sophomore class, Freddie Howard and Margaret Nicholson; Junior class, Bobby Cox and Glenda Hulse and the senior class, Benny Zahn and Dorothy Yarbrough.

Students are elected for their popularity, personality and school activities.

The class favorites will be featured in a full page picture in the high school annual.

TAKES ILL WHILE ATTENDING MEETING

Mrs. L. M. Brandon, executive secretary of the Lamb County Chapter of Red Cross, who made a trip to Lubbock the first of last week to attend a state Red Cross meeting, which convened for two days, Monday and Tuesday, was able to attend the Monday's session, but Tuesday morning took ill, and had to call her son, Aubrey Stowers, a student at Tech, to bring her home. She was confined to her bed until Saturday, but is reported better and able to return to her duties at the Red Cross office.

Cecil Foster To Take Embalmer's License

Cecil Foster, employed at Hammons Funeral Home, plans to leave Wednesday night for Austin, and will go before the Texas state board of embalmers, Thursday, to take a final examination for an embalmers license.

He has been employed at Hammons for the past several months.

Attend Masonic Chapter School

E. S. Rowe left Sunday afternoon for Waco, where he is attending a Masonic chapter school, which is held annually preceding the Masonic Grand Lodge of Texas, which will convene December 6 and 7.

J. A. Streety, worshipful master, and L. B. Montgomery, junior warden, of Littlefield Masonic Lodge, No. 1161 A. F. & A. M., plan

to attend the grand lodge, and will witness the dedication ceremony of the new Masonic temple recently completed.

VISITS IN VIRGINIA

You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages. It is a live of nature's B vitamins and important minerals to old and young alike. Recently HADACOL folks received the news that among the countess thousands who had been cured by HADACOL were a 85 year old man who felt 18, and a beautiful 3 year old child.

Edmond Doucet, of Churchville, La., is 85 years old, has a large circle of friends in the Evangeline section of Louisiana. He is healthy, has an excellent appetite and her disposition is perfect.

HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well.

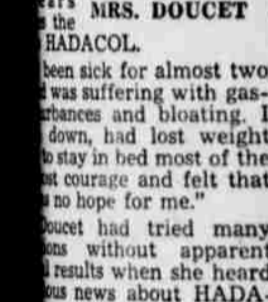

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

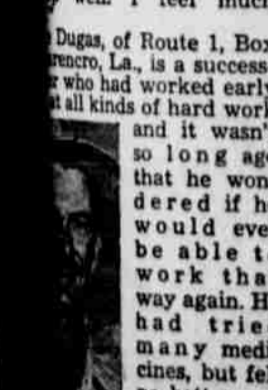

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

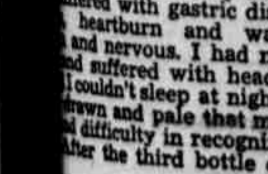

So it matters not how old you are or who you are . . . it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied their systems with the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial!—Adv.

Miss Norma Wright, student at Tech College, spent the Thanksgiving holidays with her parents, Mr. and Mrs. Fred Wright, returning to her studies Monday.

Amherst Coaches Honored by Fans

Coach A. D. Shaver and Assistant Coach Jack Noyes were honored last week when the Amherst football fans presented each with a certificate for a tailored suit and a wrist watch as tokens of appreciation for their hard work this year in connection with the football squad.

Although the Bulldogs won only two games this year, the coaches have done a wonderful job in building a team from inexperienced boys, and laying the foundation for a much better team next year. High School Principal Kay was master of ceremonies and the awards were made by Elton Graham and Mr. Jackson.

Quantity of Cotton Destroyed by Fire

Twenty-four bales of cotton, enroute to a Sudan warehouse, were completely destroyed by fire last week approximately five miles southwest of Sudan.

The cotton, being hauled to Sudan by G. A. Mitchell, was from the Baileyboro Gin, located almost 20 miles southwest of the city. The gin is the property of C. E. Dean of Lubbock.

According to the driver of the semi-trailer truck on which the cotton was loaded, he was first warned that it was afire when a passing motorist yelled to him that his truck was afire.

Quick thinking on the part of the driver saved his truck. A companion riding with him started shoving the burning cotton off the truck and when the Sudan Volunteer Firemen arrived at the scene, found that the cotton was strewn along the highway for almost a mile.

The cotton was completely destroyed and a portion of it burning on the highway was removed by the Sudan Volunteers so that motorists could pass the scene in safety.

Johnny Meyers is manager of the Baileyboro Gin.

Your Doctor Knows Best

Many people rely on "family medicine"—"word of mouth" prescriptions—when illness strikes. "Take this, it helped Aunt Mary," or Uncle John or Cousin Charlie. But this type of prescription seldom works. If not actually harmful it frequently will prolong the illness. Don't trust to this type remedy. When you are ill, seek the advice of your physician. He alone is qualified to diagnose and prescribe correctly to set you on the road to rapid recovery of your good health. And for prescribed medicine which is exactly what he intended, bring his prescription to us for accurate compounding.

International Harvester's New Line of Trucks on Display at Local Showrooms

Completely new design in motor trucks, at once apparent from the massive front end to the smartly styled cab. He pointed out that many new mechanical and engineering improvements, designed to promote operating efficiency and economy, were features of the new line.

Advanced Design, Engineering
Outstanding advances in design and engineering, Mr. Yohner said,

include:

1. New chassis dimension engineering permitting better load distribution, greater maneuverability, improved engine accessibility and short overall lengths while maintaining or increasing load-carrying lengths.

2. New, improved valve-in-head International truck series engines, including an all-new Silver Diamond engine.

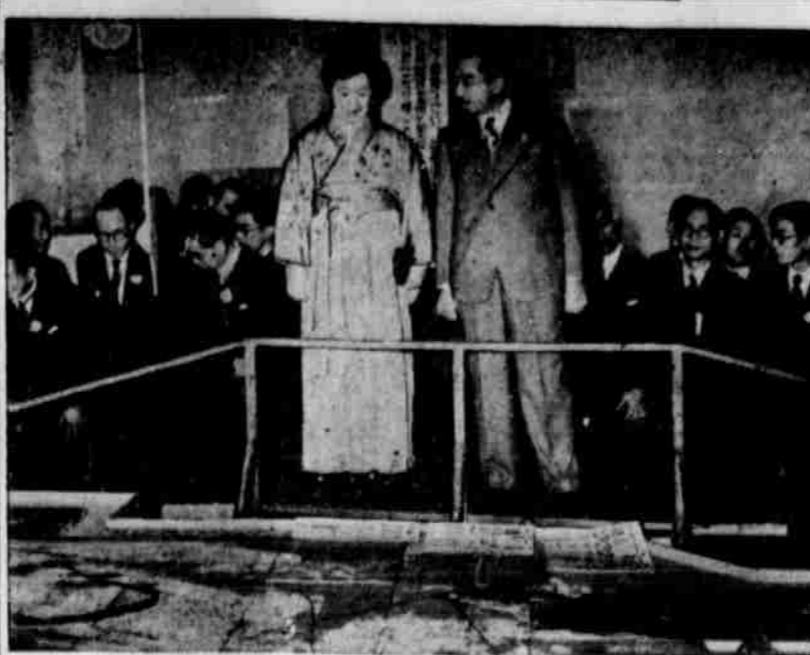

3. A newly designed cab offering more roominess, added comfort and convenience and all-around visibility, factors in safer operation.

4. Complete restyling that blends a new modern truck streamlining with extreme practicability.

The new trucks, introduced after years of exhaustive research, required the greatest expenditure of any new models in International history. More than \$30,000,000 was spent for the vast production changeover involving the widespread revamping of facilities, layouts and assembly lines in the company's Fort Wayne and Indianapolis, Ind., and Springfield, Ohio plants. Thousands of new machines, tools, dies, patterns, gauges and fixtures were acquired, and many new buildings were added along with extensions to existing facilities.

Additional expenditures were made to provide more than three years' road testing which went into proving the new trucks. This intensive program included laboratory and track testing in addition to over 3,000,000 miles of road driving under all kinds of operating, weather and road conditions.

Baby Burned to Death In Fire Thursday

A six month old baby girl was burned to death last Thursday morning when fire completely destroyed the family's temporary home in a grain storage barn constructed of two railroad box cars.

The baby, Guadalupe Seranno, daughter of Mr. and Mrs. Loco Seranno, was burned beyond recognition in the fire, which burned the barn to the ground on the C. R. Woolsey farm, located six miles north and four miles west of Morton.

The child's mother made one

BULL LAKE PHILOSOPHER SAYS IT'LL SUIT HIM TO LET THE FARMER BE LAST THIS TIME ON PRICE DROP

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake may have his economics twisted up again this week, which is the way he usually has it.

Dear Editor:

I was out here last week dozing in the Autumn sunshine on the sunny side of a tree occasionally tryin' to read the Star Telegram and stay awake, ain't no easy job, when I ran across a article that said prices are comin' down in some lines but as is generally the case the prices the farmer gets are comin' down first.

Accordin' to this article, farm products always fall first, then a few years later the rest of the things come down and I got to talkin' to my neighbor about this and he says it's only normal.

"The farmer has to take his

whippin' first," he says.

Now, I don't mind prices comin' down, any more'n I mind bein' out of fire wood in the winter, but ain't it somebody else's turn to be first? Ain't it impolite for the farmer always to be hoggin' the lead?

Just for the novelty of it, I would like to have the experience of seein' automobiles and tractors and implements and chewin' tobacco fall off first, then maybe clothes and drugs, washing machines, vacuum sweepers, wash tubs, and so forth, and after everything had hit bottom, let farm prices come down in a mannerly fashion.

I know there is a certain element which thinks the farmers have all gotten rich in the past few years, and there are some farmers with new automobiles with a new spare tire, and I know of some who have traded their old radios, some who have new tractors and a few who have been reported attending football games, but while I never have liked to dispute a expert's word, I would be glad to

have the Hoover Commission or the Marshall Plan officials or your Chamber of Commerce or anybody else come out here and investigate my financial standing to see if I'm rich, in fact to see if my standing is any different from any time in the past 40 years.

I never did like to see anybody tryin' to be first all the time, and if it's just the same with the economists it would suit me all right to let somebody else hog the lead this time. Generation after generation, farm prices are the last to go up, the first to come down, and just for the novelty of it, understand we don't expect to make a practice of it, us farmers would just like to be last to emerge from prosperity.

Yours faithfully,
J. A.

That Nagging Backache

May Warn of Disordered
Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

They returned to Littlefield Saturday night.

Tax Collections Estimated At Sixty Percent

Clarence Davis, Lamb county tax assessor-collector, estimated this week that county and state tax collections were 60 percent complete. A total of 492 poll taxes have been paid to date.

A one percent discount is allowed taxpayers who pay their taxes in December, and no discount is granted to those who wait until January. A one and one-half percent penalty will be invoked February 1, on unpaid taxes; a three percent penalty in March; four percent in April; and six percent in June. However, unpaid taxes will not become delinquent until July 1.

HARVEST CARNIVAL TO BE STAGED AT OLTON FRIDAY NIGHT, DEC. 16

The Harvest Carnival, sponsored by the Farm Bureau and the Olton Chamber of Commerce, which was scheduled to have been held recently, has been postponed until Friday night, December 16.

Due to the fact that the Bi-District football game was last week and that so many people are still busy with harvest, it was deemed advisable to postpone the carnival. A good program of entertainment and fun for everybody is being planned for the carnival.

Many of the concessions at the carnival have already been taken by the different school classes and local organizations.

The following is a list of some of the concessions, and the class or club which plan to operate the concessions:

- Bingo—Senior class.
- Cake Walk—Junior class.
- Picture Show—Sophomore class.
- Tennis ball throw at head of some freshman—Freshman class.
- Crazy House—Pep Squad.
- Pops and Bottle Rack—F. F. A. Candy—F. H. A.
- Grab bag—Study Club.
- Basketball Throw and Doll Rack, Grade school.
- Pop Corn and Candy—P.T.A.

Anyone interested in sponsoring a booth at the carnival should contact Mr. Millsap or Mr. Gordon at the schools, or J. M. Speer at the Speer Drug company.

One of the highlights of the carnival will be the crowning of the Harvest Queen.

Upon coronation, the Queen is to be presented a 17-jewel Lady Elgin wrist watch carrying a lifetime guarantee.

The program committee is planning a short, but thoroughly entertaining program.

Drive Underway to Outfit Sudan Band in New Uniforms

A drive is underway to secure new uniforms for the Sudan school band, with Mrs. W. L. Foust as general chairman.

It is hoped that sufficient money will be contributed, so that no one will be asked for donations. Everyone is urged to see Mrs. Foust, or if more convenient contact Son Lyle at the First National bank, Sudan, and give him his contribution to this worthy cause. The band needs new uniforms, it is reported, and everyone will want to see this commendable group donned in nice new uniforms.

Mr. and Mrs. E. A. Bills and Miss Lula Hubbard spent Thanksgiving Day with their daughter and son-in-law, niece and nephew, Mr. and Mrs. James Penn, and family, at Lubbock.

REPORT STATES 31,621 BALES COTTON GINNED AS OF NOV. 1

As announced by Thomas R. Ballard, special agent, the census cotton ginning report shows that 31,621 bales of cotton were ginned in Lamb County from the crop of 1949, prior to November 1, 1949, as compared with 45,762 bales for the crop of 1948.

Levelland Gas Plant Opened Thursday

The first phase of operation at the Levelland gasoline plant, near Levelland, began early this month, the plant owners announced Thursday.

The new plant, which is an important conservation project in West Texas, began taking casing-head gas from the Levelland field on November 8th and the entire field gathering system was cut in last week. The gas is being compressed, sweetened and dehydrated at the Levelland plant and the residue gas is sold to a gas pipeline company.

Final completing of the absorption, distillation and fractionation sections at Levelland is scheduled for February 1, 1950. When completed it will have a daily capacity of 40 million cubic feet of gas and a maximum liquid product output of more than 130,000 gallons daily.

Levelland's owners include Stanalind Oil & Gas company which operates the plant, The Texas company, Mid-Continent Petroleum company, Magnolia Petroleum company, Tidewater Assoc. Oil company, Superior Oil company, Skelly Oil company, Maracaibo Oil Explo-
