The Texas fire fatality toll was 537 persons -- 444 of these deaths were attributed to home fires.

Further stressing the need for taking fire prevention measures in the home, the safety director pointed out there are about 600,000 residential fires each year in the nation. In addition to the loss of life and human suffering caused by such fires, they cost the na-tion about \$400,000,000 a year,

Musick suggested homeowners discard old newspapers magazines, boxes, clothing and other useless items. Storing such things under stairways, in closets or garages creates fire hazards. "Daily household

Gladys Joplin Attends **United Foundation Meeting**

"At least half the beds in the children's hospitals of America are occupied by birth defect victims." Mrs. Gladys Joplin. Lamb County Chairman of the National Foundation said upon returning Sunday from a meeting of volunteer leaders in Dal-las to plan the 1965 March of Dimes against birth defects.

The massive health emergency posed by the birth of 250,-000 defective infants in this country each year will never be met until people realize that birth defects are shocking realities instead of pretending that

they do not exist.
"This tragic toll of needless death and wasteful disability will rise unless the public takes action against this problem" Mrs. Joplin declared. "Among these realities to which so many citi-zens shut their minds." she said, "are innocent children

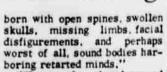

Anton Flower Show to be Held Friday

The Anton Garden Club Fall Flower Show will be Friday from 3 to 5 p.m. in the City Hall. The theme of the show is "Beauty with Flowers in Autumn Colors".

Chairman of the show, Mrs. W.M. Alexander, announces that all arrangements and horticulture be entered by 10 a.m. Friday. Anything brought in la-ter will be placed on display and not entered into competition. Anyone living in Anton and surrounding area are invited to enter the show. For schedules, contact Mrs. Leon Wooten.

Horticulture entered must be grown from the exhibitor's own yard. Material for arrangements may be obtained from any yard but must be home grow and arranged by exhibitor.

The public is invited to attend the show and door prizes will be given. Refreshments of coffee and cookies will be served. The next meeting of the club will be the Central Zone meeting at Floydada, November 5. All members are urged to attend the out of town meeting.

"The results of widespread failure to recognize that these conditions exist and that something can be done about them are twofold," asserted Mrs. Joplin. The public does not provide the necessary support to bring the full resources of medicine into the fight against birth defects. And the parents of many of these children, beset by unwarranted guilt feelings and misunder-standings, fail to seek the help that is available.

She cited the financing by the March of Dimes of 50 treatment centers where birth children can, in one medical institution, receive the attention of up to a dozen specialists, trained to detect and treat the multiple problems common to birth defects. This team approach is in contrast to the previous system under which the child was shuttled back and forth berween medical experts scattered throughout a city or even an entire state.

In conclusion, Mrs. Joplin re-peated the call of Dr. Arthur Robinson, director of the March of Dimes Center in Denver, Colo, for intensified public involvement in the fight against birth defects. "It is not just the rusiness of the March of Dimes", he said, "but everybody's business to see to it that the sick, disabled or endangered child has a better chance in

ELECTRIC COOKING

When anything "measures up" then you know it's good. And, it's that way with electric cooking. It, too, measures up. Millions of homemakers have found this out for themselves and that's why you'll see electric cooking included in almost every new home. Women insist on it. They like its cleanliness . . . its ease of cooking ... its everytime accurate results. Best of all they like the way the family's taste buds smile

For those of you who are undecided between the comfort of a full-size car and the savings of a compact, congratulations. You've done it again. Talked Dodge into a brand-new car that's just your meat. Coronet. As much stretch-out room inside as a lot of cars that cost a lot more. Easy to drive, easy to park, and easier to own than any full-size Dodge in years. If you buy a car on style, take a look. If you buy a car on value, take a list. Coronet gives you a choice of 7 engines, bench or bucket seats, console, four-on-the-floor, sedans, wagons, convertibles, and hardtops. Any one will give you more than enough room and plenty of action. Unlimited taste? Limited budget? Dodge that problem with Coronet. The hot new Dodge at a new lower price. Dodge comes on big for '65. Musick reminded homeowners to use all flammable liquids outside or in well venti-lated areas. Neversmoke while using flammables and "remember, dry cleaning is extremely dangerous and not worth the risk you take.

"Cleaning up outside areas also is important. Be sure trash is kept picked up and disposed of frequently, Never allow it to accumulate around buildings. Trash around dry grass and close to buildings will tempt and spread fire." he said,

Musick added that keeping heating and cooking equipment and electrical appliances in good working condition is a part of good housekeeping, and further protection against home fires.

He advised homeowners to check portable heaters, furna-ces and chimneys for fire sa-fety. Keep portable heaters a-way from doors, stairs or way from doors, stairs or other fire exits and keep clear of combustibles such as curtains, furniture and clothes.

A letter to our Congressman from JOE B. PHILLIPS

The Hon. George Mahon Congressman 19th District 1211 New House Office Building Washington 25, D. C.

Dear Mr. Congressman:

Because of your busy schedule and the fact that you are unable to be in the district during much of the campaign, I am taking this opportunity of requesting your convictions upon some of the vital issues which concern the voters in our area.

I want to acquaint you with mine.

I believe that the power of God is paramount to the freedom of man, and that our founding fathers created a government to preserve the God given rights of man.

Because I believe in these rights, I think that the children in our public schools must be allowed to pray, each according to the dictates of his own conscience.

I have the conviction that we should uphold the separation of church and state, not the separation of the state from God. I believe that the words "Under God" should remain in the Pledge of Allegiance and the phrase "In God We Trust" on our coins. It is my opinion that Chaplains should be sustained in the military service and in Congress.

The U. S. Government is confronted with one of the most critical periods of its history, as it faces Godless, atheistic communism. As God fearing citizens of this nation, we must stand up and be counted in this time of crisis.

Very truly yours, JOE PHILLIPS

Shocker Season Ready To Strike

By BERT C. WEST

Texas mammoth 1964 schoolboy football program is grinding toward the halfway point and the time when all 900 and more teams will commence firing in their all-important district ra-

To date, there have been no major upsets or surprises on a statewide basis--all of which means that you had better start grabbing a tight hold because the whirlwind of shockers is bound to come blasting through one of these Friday nights, It just isn't in the books for Texas schoolboy football to go through a complete season of following

Garland, Dumas, Phillips and Hull-Daisetta are riding tall in the saddle of their respective divisions. Carland has a rough schedule to wade through between now and the November playoffs and the (Wis could slide into the ranks of the discard on any given Friday, Dumas Phillips and Hull-Daisetta have a somewhat "softie" schedule by comparison and should go wheeling into the playoffs as the No. 1 rated teams of their classifications. Dumas has an Oct. In toughie in Lawton, Okla, but the Demons face little opposition in their remaining foes from Texas - Muleshoe, Canyon, Tulia, Perryton and Hereford. So, short of the playoffs. there appears to be no Demonstoppers.

In the local neighborhood, all District 3-AAA teams except Littlefield hit the family squabbling table tomorrow night. Teams indistricts 3-AA and 3-A are enjoying their final predistrict weekend. Bula and Whitharral start their eightman district fussing this week, but Anton and Amherst don't get down to the real serious situation until Oct. 23.

The real big battle for 3-AAA teams, as stated Sunday, takes place tomorrow night in Snyder as Sweetwater and Snyder lock horns. The winner of that game will be favored to breeze through their remaining district schedule unmolested. The only team we see as a possible obstacle is Littlefield - providing the Wildcars can muster the same type of quality team that played the first half against Denver

City. That was a real good one. Sweetwater has the best offense in the district to date. averaging 15 points per game. Snyder has the best defense. permitting only an average of 4.5 points to be scored per game. At the other end of Lamesa has the poorest offense - having yet to score, and Lakeview has the poorest defense, permitting an average of 32,5 points per game. But then, the season for shockers is at hand

water's Danny Foust and Snyder's Leslie Brown kept pace with one another last week, each scoring one TD to remaintied for the individual scoring lead. They have 24 points apiece. Sweetwater quarterback Benny Pace is four behind with 20 while Brownfield's Ronnie Davis and Lakeview's C.L. Avants trail with 18 spiece.

3-AA SCORING . . , Friena's Doug Dodd enjoyed a tremendous night against Sudan to move into the district's top spot among scorers with 47 for the season. Dodd has six touchdowns, eight conversions and one field goal. Olton's Richard Hall and

3-A SCORING . . . Silverton's Max Garrison hiked his output to 42 points and now holds a 12point bulge over teammate Greg Towe, Springlake's Floyd Bennett and Hale Center's J.D. Da-Twelve of Towe's 30 points have been on conversions. Sudan's Danny Masten is fifth with 24 points.

AREA SCORING . . . Although held scoreless last week, Amhert's Leon Hardwick kept first place in the area's individual scoring race. Hardwick has 32 points for the season while Springlake's Floyd Bennett, idle last week, is two behind with 30. Anton's Willie Bell tallied 18 last week to gain a tie for third.

The top scorers of the area are as follows.

'65 Cherrolet Impala Sport Coupe-with new Sweep-line ro

If what you see moves you, wait'll you take the whee (V8's with-GRRRR!-up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen available this year-anything you name from a quieter 6 to a V8 with the authority of 400 hp.

And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous

Jet-smooth ride even smoother and more stable.

On top of that, you've got the kind of space and comfort you'd expect to pay a lot more than a Chevrolet price for. And the kind of elegance, too. Like the look of fine walnut on the Impala's new instrument panel. The tailored wall panels under the frame

Beginning to feel like it's your kind of car? There be no doubt about it when you drive the real thing at your Chevrolet dealer's.

Mrs. Delbert Serratt was the speaker for the Spade PTA meeting held Thursday in the school auditorium. Her topic was "Together We Help a Child by Supporting Quality Education".

Music for the evening was furnished by the second grade tudents under the direction of Juanene Hogan, teacher. They sang several patriotic and halloween songs and also gave a poem. The meditation was given by the Rev. Delbert Ser-

Mrs. Howard Baker, president, conducted the business meeting. Elected as delegates to county council meetings were Mrs. Robert McCurry. Mrs. Duane Gray and Mrs. Leroy Wallace. Mrs. Charles Mc-Keown was elected alternate. One teacher will also attend each council meeting, Mrs. Howard Baker was elected delegate to attend the state convention to be in Dallas in November. Supt. Joe Bailey was chosen as alternate.

It was announced the unit had 120 members and several more joined after the meeting. Mrs. Henry Cowan, Mrs. James Ball and Mrs. Kenneth Sorensen served refreshments of assorted cookies and spiced ea, following the meeting.

The next meeting will be November 5 for a program on cultural arts.
