Light Agenda Faces Council

VOLUME 32

A relatively light agenda will face the City Council tonight, when they meet for the last regular meeting of the month, according to City Manager Richard Bean.

Bean said the Council plans to continue the discussion of a health insurance plan for city employees and they hope to take action on the Cable Television franchise which has been under discussion for several years.

On the first order of business the City Manager said the Council will make a decision on placing health insurance with one of the three companies which submitted bids at the last Council meeting. The companies submitting bids were: Blue Cross, Businessman Assurance Company, and Banker's Life of De-Monies, lowa.

The subject of a CATV service for Littlefield has been under study by council members for the past several years in which time four or five companies have submitted proposals, but because of action by the Federal Communications Commission, the Council has postponed any decision until a ruling of limitations of operation could be outlined, they have adopted a resolution which, when the franchise is granted. will govern the operation of a Littlefield system.

OVER \$1,000,000 LOSS -- Firemenfrom Sudan, Amherst, Littlefield and Muleshoe pour countless gallons of water and foam on a Wednesday afternoon fire at one of the Sudan Compress

warehouses. Actual loss from the blaze will not be known until officials can determine how many bales can be salvaged.

GRADUATION BEGINS Eighty-Four Seniors To Get Dipolmas Friday

Eighty-four area young on graduating students, in the first of two weeks of graduapeople will make the transistion exercises. tion from student to young adult

Tomorrow night the high schools at Bula, Olton, Pep, Whitharral and Spade will hold graduation at times ranging from 7 p.m. to 8 p.m. The largest class receiving diplo-mas tomorrow will be Olton, where 53 seniors will be graduated in ceremonies beginning at 8 p.m. 85 other students will be making the change from junior to senior high school during 8th grade exercises at 10:30 Friday morning in the Olton Junior High School.

Nine students will receive diplomas at Bula, beginning at 8 Friday night, after school has dismissed Thursday for the year.

Grade school graduation, at Pep is tonight at 8, while seven seniors will end their high school days tomorrow night at 8.

Spade will hold graduation proceedings for 12 seniors, in the high school auditorium, tonight at 8. Eighth grade students will receive their certificates Tuesday at 8.

Whitharral will pass out six diplomas tomorrow night at 8, after an eighth grade class has been graduated Thursday night at 8, in the high school auditorium.

The remaining schools, Littlefield, Amherst, Sudan, Anton and Springlake-Earth will hold their graduations next week, following Sunday Baccalaureate services.

C Of C To **Co-Sponsor Sales Training Course**

Americans currently are spending at a rate of over \$1.3 billion per business day. These are consumer dollars going for oil and gas, TV repair, lawn mowers, clothers, insurance, and other goods and services. Minimum projections indicate that this figure will increase by \$120 millign this yar.

Are we getting our share? These were the words of Leon Slaughter, Executive Vice-President of the Littlefield Chamber of Commerce, when he announced a special training program for Littlefield businessmen. D.W. Thomas from The University of Texas will conduct a sales training course entitled "Dynamics of Selling" at the Reddy Room from 7:30 to 9, May 23 through 26.

This training is made available by the Distributive Education Program of the University the Texas Education ncy. It will help people and Agency. who sell do a better job.

walls of the building can be prevented from buckling, the During the four-day program, discussions will be held on how to secure and hold the customer's attention, create interest, kindle desire, and induce customer's action through the use of product information. Mr. Thomas has had exten-

sive experience in retailing and has conducted similar programs for th University dur-

ing the past years. Individuals or groups desir-ing to attend should contact the Littlefield Chamber Office, 385-4451.

YOUR REVIEW.V.

Investor's guide! A Cadillac remains unmistakably a Cadillac regardless of year. New or previously-owned, its impressive size, its remarkable beauty and its continuity of

styling have all contributed to Cadillac's reputation as the finest of all luxury car investments.

Every day, more and more wise car buyers are discovering that they can get more performance, luxury, distinction and pride of ownership in a previously-owned Cadillac than in many new cars of lesser stature. For example. Cadillac engineering has always been so advanced that many features of Cadillacs several years old are just now finding their way into new cars of other makes. And Cadillac has for years provided as standard equipment automatic transmission, power steering,

power brakes, power windows and power seats on most models, automatic cornering lights and many other conveniences that even now cost extra on most new cars. Consider, too, the extra reassurance of motoring in an automobile of Cadillac's impressive size and stature. Before you buy your next car, be sure to look for your authorized Cadillac dealer's used car sign. It is the best possible landmark for a wide, attractively priced selection of well cared for, previously-owned Cadillac cars-

Mrs. Robert Gaston of Wol-Hopping, J.A. Littleton, Jr. Cloise Foust, and Louis M. forth was also a guest for the Ratliff, Jr. evening.

Funds Approved For Spade

Funds, in the amount of \$4,280, have been approved for continutation of the Headstart Program in the Spade Independent School District.

According to Congressman George Mahon, who announced the grant, the Office of Economic Opportunity has made available the monies for the continuance of the program begun last summer.

Mahon said the funds would provide materials and instructions for 18 children, the number estimated by Spade school officials which would qualify for the program.

According to Spade school of-ficials, there is nothing manditory about the program, but students who enroll in the program must meet certain educational and economic requirements.

- - - EXPERIENCE (Continued From Page 1)

Public Safety, announced today that Monday. June 6, is the dead-line for application to the next DPS recruit training school for patrolmen,

"We have several new benefits to offer qualified young men," Garrison said, "For instance, the pay during training has been increased from \$375 to \$400 per month, and upon graduation this is increased (effective September 1, 1966) to either \$468 or \$484, depending upon the branch of service to

to benefit consumer prices; and which the patrolman is assigned. that the government not dump "Also, for those who prefer one branch of the uniformed ket or withhold purchase of farm commodities as a farm deservice over another, we can let the men select their service (Highway Patrol, Driver Licensing, License & Weight, and Mo-Members of the convention

tor Vehicle Inspection) and they can also choose the geographical area of the state where they will be assigned, consistent with openings."

To qualify for employment in the uniformed services of the DPS, a man must be between the ages of 21 and 35, not less than 5 feet 8 inches tall, have a high school education or its equivalent, be in sound physical condition with good vision and must be a citizen of the United States and a resident of Texas for at least one year immediately prior to the date of application.

"Among the many benefits that patrolmen enjoy," Garrison pointed out, "are two weeks annual vacation, all holidays provided for by the Legislature, modern liberal retirement systems. group hospitalization and life insurance plans, traveling ex-penses and longevity pay, and they are furnished with uniforms and all the necessary equipment

to perform their duties." Those men who are accepted for the position of patrolmen

go through an intensive training program at the DPS Law Enforcement Academy in Austin for a period of 16 weeks. Upon gra-

VISITORS TO LITTLEFIELD -- A group of 21 visitors, from Weatherford, Texas, the first city in the 'Old West' paid a good will visit to the streets of Littlefield, Tuesday, These men, like many others, were very

did you do and how did you do

To these visitors and to the mail inquiries, the Chamber and the City have developed a single answer. The people of Littlefield saw there was a need to be filled and joined together to get the job done. The most

impressive aspect to the project in the minds of the visitors. is that the work is not over and the citizens of the community are planning other improvements.

In the most recent visitation, the citizens of Weatherford said they were more interested in the manner in which the project was carried out. They, like most of the others, have indicated they felt their community needed to make some improvements in the business districts and felt the fact Littlefield had led the way in the field, it was a good place to start.

As to the future, the Downtown Committee is still functioning and still planning additional improvements, not only in the downtown area, but in the entire

city. The next probable step in the program will be a city-wide clean-up campaign, later this year.

Salad and cooking oils are top markets for cottonseed oil. major seed derivative.

KZZN To Air New Music Series

Radio Station KZZN here in Sammy Kay and others, Littlefield, will air a new series of programs sponsored by the Social Security Adminis-tration, Mr. Jim Latimer, local representative, announced recently.

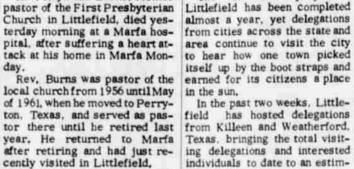

The new series of programs is entitled "Bring Back the Bands" and feature such old time favorites as Glen Miller, Tommy Dorsey, Count Basie, Vincent Lopez, Woody Herman, Jimmy Dorsey, Lionel Hampton,

Latimer advises that the grams will be heard from a.m. until noon each p until further notice. The Security subjects will be with lots of good band and singing by well know

sonalities, A 13-century Neopolita ard, Ciccio the Fat, is created by Italians with making the macaroni.

Luther League **Helps** Conduct **Religious Survey**

Several members of Saint Martin Lutheran Church traveled to Muleshoe last Sunday afternoon after a potluck congregational dinner in the educational unit of the church. The purpose of the trip was to conduct a religious survey, the results of which are needed by the American Missions Board of the American Lutheran Church in order to decide how much money to contribute toward the building program of a new church sanctuary and educational unit in Muleshoe for St. Paul Lutheran.

Most of the city was covered, the rest of which to be canvassed soon by the Luther Leagues of St. Martin Lutheran and St. Paul Lutheran.

The Luther Leagues of both churches remained in Muleshoe Sunday evening to meet with the youth of First Presbyterian Church of Muleshoe in the home of Dr. and Mrs. Ted Hufford. Two movies were shown as the

What's the best 5-letter word for fertilizer?

And for cotton—NIPAK 45. Get better cotton production and earn bigger profits. Sidedress your cotton with NIPAK 45 right now - for greater yield. (You may get more than the average \$6 return for every \$1 invested in fertilizer, depending on your farm. Experiment station tests averaged this.) NIPAK 45 -45% nitrogen fertilizer from Urea - gives you one-third more nitrogen per pound than any other form of solid nitrogen fertilizer -

which enables you to handle less fertil izer and cover more ground in less time. NIPAK 45 is uniformly prilled, too. It flows easily, won't cake, clog or corrode your equipment. NIPAK also dissolves in the soil moisture and moves quickly to the

FERTILIZER

root zone where it stays put until your crops need it. So for more grow power, ask your local NIPAK dealer about NIPAK 45. He can help you plan a complete fertilizer program because he can pro-

vide a complete fertilizer service.

about the mission work being done among the French-Indian people in Louisiana. Mrs. Donald Caldwell read the call to worship from Isaiah and also the Calendar of Prayer, Special

prayer was led for the missionaries listed on the calendar. Gayla Freeman, Lynnette Cowan and Susan Wheeler read

the scripture. The group sang "What a Friend We Have In Jesus". Linda Ivins, program chairman, led "A French Lesson" asking questions and letting the girls answer them. Mrs. Henry Cowan gave the first part entitled "Meet Jimmie Billiot", and Susan Wheeler gave the other part "Meet Dorothy Dar-dar". Mrs. Cowan led in the conclusion. Special sentence prayers for the missionaries in Louisiana served as the dismissal. Mrs. J.R. Inklebarger and

Mrs. Ernest Savage served re-freshments of cold drinks, cup cakes and cookies to those present. The girls continued work

on tray cards to be given to the hospitals. Those present were Lynnette Cowan, Gayla Freeman, Jan Glazener, Linda Ivins, Janet Nichols, Susan Wheeler, Cindy Thompson, Mrs. Inklebarger, Mrs. Savage, Mrs. Cowan and Mrs. Caldwell and Kim.

Visiting last Friday night in the home of Mr. and Mrs. Joe Gregson and Debbie were Mr. and Mrs. Gaither Vandeveer and family of Hereford, Mr. and Mrs. Dale Crafton and Judy Gregson of Lubbock and Mr. and Mrs. Leland Vandeveer and children of Lockney. Mr. and children of Lockney, Mr. and Mrs. Gaither Vandeveer and children left Saturday morning for New Orleans, Louisiana, where they proceeded by boat for Sao Paulo, Brazil. The Van-deveers will be enroute there for sixteen days. They are going to be doing mission work there for the next two years and are being sponsored by their home church the Church of Christ in Hereford. Following the first two years the Vandeveers will

be home for furlough and then will return to Brazil for about ton and Richard Bundick three more years of work. The Women's Missionary So-
