**T. Brannen Is Missing in Action Since January 15**

T. Brannen, Jr., 30, son of Mr. and Mrs. T. Brannen of this city, has been missing in action since he was shot down between China and Italy. Mrs. J. E. Brannen received a message Thursday from Brannen, Jr., who is making his home at Tarpan Springs, and who had received a message from the War Department, and stating that a message would follow.

Brannen was with a Bomb Squadron in India. He was a bombardier, and his duty was to have consisted of dropping bombs, though he also was a gunner. He completed his training at Greenville, South Carolina, and is now en route to going over-

seas. He had been in the service about three years, and in foreign service about a year.

His wife had received a letter from him about two weeks ago stating that he was grounded, and would have no more combat flying, and that he expected to return home.

He had at that time made 66 missions against the Japs, and flown 388 hours and 35 minutes.

T-Sgt. Brannen attended school at Portales, N. M. He operated a grocery store at Cobolis, N. M., for some time, after which he lived in Parkview, N. M., for some time previous to enlisting at Santa Fe, New Mexico, for the service.

Mr. and Mrs. Brannen, Sr., received a letter Monday from Mrs. Brannen.

Plans are underway by Van B. Clark, Service Officer of the local Unit of the American Legion, to establish a Veterans' Employment Bureau.

Mr. Clark asks that all ex-service men of World War II who desire employment register at his office in the Duggan building; and also anyone needing help are invited to apply and state their needs. The bureau will appreciate the cooperation of the public in this patriotic endeavor.

Light rains fell over Littlefield and trade territory Tuesday, and the skyline Tuesday night and Wednesday morning was clothed in a heavy fog, with mist continuing to fall. The total rainfall, according to the West Texas Cottonoil Mill gauge, measured about a half inch up to Wednesday noon.

**S. J. (Sam) Farquhar Seeks Re-election**

S. J. (Sam) Farquhar has requested the Leader to announce his candidacy for re-election to the office of Justice of the Peace, Precinct No. 4. His statement follows:

"I am again announcing as a Candidate for the office of Justice of the Peace of Precinct 4, Lamb County, Texas, subject to the Primary. I am grateful to the voters of this Precinct for past favors and support, and solicit your support in the coming election."

**Boys, Girls.....And Kites**

Boys and girls and parents are warned of the dangers to life in the flying of kites anywhere in the vicinity of electric wires. To be completely safe, it is suggested that boys and girls fly their kites in a locality in which there are no electric wires.

A large number of boys and girls were observed in the past week flying kites near a 66,000 volt transmission line. This is extremely dangerous. In case the kite or string, slightly damp, should come in contact with such a transmission line, it would mean instant death. These high voltage lines are located along the streets and highways leading out of town in every direction.

It would be safer if boys and girls did not fly kites anywhere in the vicinity of electric wires, and they should, under no condition, attempt to rescue kites which become lodged in wires or trees, as they are liable to come in contact with dangerous voltage. Climbing a pole of any kind is especially dangerous.

**Special Campaign To Sell Bonds Is Underway Here**

At a meeting held Tuesday morning at the offices of the Littlefield National Farm Loan Assn., committees were appointed, and the city divided into blocks, which were assigned to the various groups, who began work at once in canvassing for the Fourth War Loan.

W. J. Chesher is local chairman of the drive.

Littlefield's quota is \$231,150, of which \$108,000 are to be purchased in "E" Bonds.

Mr. Chesher reported Wednesday that up to that time bonds in the amount of \$185,000 had been sold of all issues; and as there are only two more weeks to go to complete the quota, Mr. Chesher is urging on

everyone not to wait for the committees to call on them, but for each and every one who can possibly buy bonds to go to one of the issuing offices, and make their purchases.

## Golden Wedding Anniversary Outstanding Social Event

One of the most outstanding social events of this area was staged Sunday evening, with Mrs. Kath- in Rumbach and Mrs. William Rumbach as hostesses, at the Wil- son Rumbach residence on South Main Avenue, honoring Mr. and Mrs. George A. Staggers, on their 50th wedding anniversary.

About a hundred guests attended this delightful affair, many of whom were pioneers of Littlefield and area.

Other honor guests, who have already observed their golden wedding anniversaries in the past, were Judge

and Mrs. R. C. Hopping of Lub- bock, and Mr. and Mrs. H. L. Smith of Littlefield.

Highlights of the occasion were a tea, and a lovely pioneer program, in charge of Mrs. W. D. T. Storey.

Besides the hostesses, other mem- bers of the house party were: Mes- dames C. O. Stone, Clyde Hilbun, G. M. Shaw, Pat Boone, Roy Wade, Oscar Wilemon, W. D. T. Storey, Homer Sewell, Arthur Mueller, Mrs. R. A. Bigham, and Miss Lula Hub- bard, who were corsages of Yellow Rosebuds, a gift of the hostesses.

Guests, who started arriving about 7:30 o'clock, were registered by Mrs. Clyde Hilbun.

The home was attractively deco- rated with talisman roses.

The tea table was laid in lace cloth over gold satin, centered with a beautiful three-tiered white wed- ding cake, decorated with gold roses, and bearing a miniature bride and groom. Vases of Talisman roses and golden tapers in crystal candelabra added to the attractive tea table. Mrs. W. D. T. Storey presided over the silver tea service, and Mrs. C. O. Stone assisted in the serving.

Favors of the tea were gold nap- kins with the names of "Georgia

and Edith" appearing on them.

The program included several pion- eer numbers by Mrs. Roy Wade and Mrs. Homer Sewell on the ac- cordian, followed by group singing, led by Mrs. A. B. Haynes, Clyde Hilbun, Mrs. Oscar Wilemon and E. A. Bills.

For the program following the tea the honor guests were ushered to a specially designed seat under an archway of ferns and yellow roses.

The program included several pion- eer numbers by Mrs. Roy Wade and Mrs. Homer Sewell on the ac- cordian, followed by group singing led by Mrs. A. B. Haynes, Clyde Hilbun, Mrs. Oscar Wilemon and E. A. Bills. Included in the songs sang were: "Silver Threads Among the Gold," "Love's Old Sweet Song," "When You and I Were Young," and others. Golden Memories, a sketch of the life of Mr. and Mrs. Staggers, was very beautifully given by Mrs. Pat Boone, followed by the Golden Wedding service by Bro. Bill McCown, and recognition of Judge and Mrs. R. C. Hopping and Mr. and Mrs. H. L. Smith, after which Mr. and Mrs. Staggers were pre- sented by Mrs. W. D. T. Storey in a very appropriate manner with a pot of gold, and several other beau- tiful gifts.

The group sang "Blest Be the Tie That Binds" which completed the lovely program.

Mrs. Staggers, who previous to her marriage, was Edith Lipscomb, was born at Tuscola, Ill., in 1875, and moved as a child to Winfield, Kans.

Mr. Staggers was born at Morgan- town, West Virginia, in 1866, and moved to Kansas when 16 years of age. Both Mr. and Mrs. Staggers lived in the same community for several years, and were married at Winfield, Kans., January 27, 1894, following which the couple moved to a farm near Lamont, Okla., where they continued to live for 22 years, and until they moved to the Plains in 1915, and located six miles east of Littlefield on Highway No. 7, where they farmed until moving into Littlefield in 1932.

Mr. and Mrs. Staggers are the parents of seven children, three daughters and four sons. The daugh- ters are: Mrs. A. F. Heusel of Ek- ley, Okla.; Mrs. T. J. Pritchard of San Jose, Calif.; and Mrs. Duane Orr of Corpus Christi, Texas. The sons are: Farnum Staggers of Lamont, Okla.; P. H. Staggers of Abilene, Texas; Elton Staggers of Ton- kawa, Okla.; and Kenneth Staggers of Medford, Ore.

The only member of the Staggers family able to be present at the

Anniversary was Mrs. Duane Orr of Corpus Christi, who arrived here Wednesday, and spent a week with her parents.

This pioneer couple have a large number of friends, and are held in the highest esteem by all who know them. Mr. Staggers has been a member of the Masonic Order for over 40 years, having transferred his membership here from the Masonic Lodge at Lamont, Okla., where he joined in 1901. They are both mem- bers of the local Chapter of the Order of Eastern Star. Mrs. Staggers has been a member since 1903, and Mr. Staggers joined the following year. Mr. Staggers holds the office of Sentinel in the local chapter, and Mrs. Staggers has also held several offices in the Order.

Attending the tea and program were: Mr. and Mrs. B. F. Eidson, Mr. and Mrs. Pat Boone, Mr. and Mrs. Bill Boley, and Mesdames Duane Orr, Stanley Doss, J. W. Emfinger, John Cary, Raleigh Cox, E. M. The Scout Movement

Recently we were very much in need of a special and immediate service from a Littlefield concern. The owner and manager of the business was out of town, and would not return for a week. Other persons connected with the business were not available. But there was a youth connected with that business, and we knew that if we located him our troubles would be solved.

Trusted and highly regarded by his employer, this youth had a key to the place of business. He opened the doors, performed the special and much needed service (and it was outside of working hours), and when offered pay for his special courtesy in addition to any amount which would later be paid to his employer, the youth refused, and when pressed to take the money, which was in the way of appreciation for what he had done, the boy said:

"I am a Scout; I can't take the money."

Knowing something of Scouting we again expressed our appreciation and let the matter drop. It was his "good deed" for that day.

We rarely prize such things as schools, library books, running water and electricity. They are part of our daily lives, and we accept them automatically, as we do fresh air and sunshine. But when the anniversary of their invention or dedication comes around, we wonder who could do without them.

Next week will be Boy Scout Week, the 34th anniversary of the Boy Scouts of America. It makes us realize that Scouting too is one of those good things we sometimes take for granted. Yet, through two World Wars and a world-wide depression, this organization has never once relaxed its efforts. It has helped make millions of boys into better, happier Americans. You can't be a boy in an Axis country, or one dominated by the Axis, and have the right to be a Scout, but many former Scouts in United Nations fighting forces are now defending their country on the battlefield.

Every boy in America has the right to be a

Scout—but not all of them enjoy the opportunity. There are not enough troops, and not enough adult leaders, to give all the boys a chance to join. The best way for a community to show its appreciation to Scouting is to see that no boy who wants it has to go without Boy Scout training and adventure. The investment will be handsomely repaid. Every new Scout is an added recruit for local war services and a fine citizen-in-the-making.

Although Boy Scouts are helping to win the war, no part of the normal program of activities has been suspended for the duration.

The basic fundamentals of Scouting are health—physical, mental and moral—and good citizenship.

Nothing in the Boy Scout Oath and Law is any less valuable during peace than it is during war. Patriotism, faith in God, clean living, doing a good turn daily—all of these will be needed more than ever when peace comes.

Hundreds of soldiers and sailors who have been decorated for heroism in this war were former Scouts. It is estimated that one-third of the officers and enlisted men in Uncle Sam's armed forces were once Scouts or Scoutmasters. Their training helped to fit them for their jobs, by teaching them teamwork and ability to get along under difficult conditions.

Will it be possible, after this war ends, to create a world brotherhood among men, dedicated to peace, without sacrificing love of one's own country?

Everyone acquainted with Scouting knows that the answer is yes. The Boy Scout organization is almost world-wide. Patriotism and friendliness, and respect for other men's religious beliefs, all are part of the Scout Oath and Law.

It takes better boys today to build a better world tomorrow. The success of the Scout movement, in America and in other United Nations, proves that the principles of Scouting will triumph in the end. Scouting will continue to further participating citizenship and a world brotherhood in the years following the war.

Army Trucks To Gather Up Scrap Over This Area

The Army Air Base of Lubbock will send Army trucks over the rural mail routes of Lamb County to assemble and haul in scrap iron, newspapers and magazines, according to V. F. Jones, County Agent.

The Army is cooperating with the County Salvage Committee and the County Extension Service in making a plea to the people of Lamb County to get all scrap material into the fight. Every person who has scrap iron or salvage material of any kind that is needed, is asked to gather it up and pile it at the mail box to be picked up by the Army truck. If you have iron too heavy to handle the truck will come in and pick it up.

If you have saved newspapers and magazines and have been unable to get rid of them, arrange them in convenient bundles according to size, tie them securely and they will be picked up as well as scrap iron, waste fat and tin cans.

All material collected in the campaign will of course be donated to the Army. Rural routes and Star routes that originate in Lamb County will be worked from Lamb County headquarters. All routes that originate outside of Lamb County will be worked when that particular area is worked. This program will deal with mail routes and will disregard county lines.

It will likely be about two weeks before this program will get started. Each boxholder will receive a letter a few days before the truck arrives telling them what day it will be by their place. This is a good opportunity for all people to gather up all the available scrap. None is too

little nor too big. Let's gather it up and put it to good use. Adding Machine Paper Leader Office.

# Last Rites Held For Mother Of E. L. Winston

## Passes Away Friday Following Illness Of About Two Months

Mrs. Pauline Winston, 63, wife of J. F. Winston, pioneer Brownfield resident, and mother of E. L. Winston, local insurance agent, passed away in a Brownfield hospital Monday morning at 10:30 o'clock after an illness of about two months.

Funeral services were conducted Sunday afternoon at 2:30 o'clock at the Brownfield Church of Christ with Liff Sanders of Lubbock, pioneer South Plains minister, officiating. Burial took place in the Brownfield Memorial Cemetery.

Besides her husband, deceased is survived by three sons and two daughters. The sons are: E. L. Winston of Littlefield; Homer Winston of Brownfield; and J. C. Winston of the U. S. Navy "somewhere in the South Pacific." The daughters are: Mrs. E. D. Jones of Brownfield and Miss Vivian Winston, assistant Home Demonstration Agent at Dallas.

Mrs. Winston was also survived by several sisters and brothers; also a number of grandchildren and other relatives over the South Plains.

Mrs. Winston first took ill December 10, when she suffered a paralytic stroke on her left side, and a blood clot formed in her right elbow. Her affected arm was, on January 1, amputated; and her condition seemed improved until January 16, when she began to fail, and from that time gradually grew worse until she passed away.

Deceased was born in March, 1880, and reared in Hunt County. Previous to her marriage to J. F. Winston in 1898 at Greenville, Hunt County, she was Miss Pauline Ashley. Shortly after their marriage, Mr. and Mrs. Winston moved to Rosenberg, Texas, where they lived until 1909, when they located at Brownfield, where Mr. Winston was engaged in the insurance business until several years ago when he retired.

Mr. and Mrs. Winston and family of Littlefield attended the funeral services.

# T-Sgt. Brannen— (Continued From Page 1)

Jack Brannen, Jr., in which she reported receiving a letter from her husband last Thursday, which was dated January 13 (apparently written just before he made his last mission, in which he was reported missing) in which he said it would be sometime before she would get another letter from him, but that it was "one of those things that could not be helped."

In-as-much as T-Sgt. Brannen had been grounded from further combat flying, it is believed that he may have been carrying supplies to China when on the last flight in which he is reported missing.

# Officers Named At School Meeting

On January 27, at the call of County Superintendent J. Ernest Jones, a group of Lamb County superintendents and principals met at Spring Lake to discuss revival of the Lamb County Administrators Association. Dinner was served by the Spring Lake Homemaking Department.

In the business meeting which followed the dinner, it was decided that the monthly meetings of the association be resumed. Mr. Jones was elected president; Mr. Davidson of Spade, vice-president, and Miss

Jenkins of Sudan, Secretary and treasurer.

The evening was devoted to a general and informal discussion of

some of the problems confronting the schools of the county. The next meeting will be held at Spade, on the evening of February 29.

Mrs. Ed. Houk returned home Saturday after visiting her son, Maurice Houk, at Clovis, for a few days.

BUY WAR BONDS—BUY WAR BONDS

# You'll be glad this neighbor asked you to BUY BONDS

Just any time now a neighbor may stop by to talk about the Fourth War Loan and the share your locality is expected to play in it. Chances are he'll ask if you'll buy more Bonds. Will you look on it as a request for a donation? Or will you look on it as an opportunity to build up the financial reserve every farmer, every city resident . . . all of us should possess.

No need to tell you it takes money to run a war. No need to tell you it's your war, your liberty at stake. But we're all human and just a little bit given to "letting George do it." Only this time we're all George. We've got to do it! and in buying those bonds, we're doing ourselves as big a service as we are our fighting men and our country. We're building strength—with which to meet the inevitable prob-

lems of tomorrow.

Maybe you have a son off at war. What a homecoming when he gets into his jeans and you've both got those Bonds to fall back on for the farm machinery and equipment and buildings you'll be needing in the future. Or perhaps you have both planned to have your own business.

And how about the education you've promised yourself you'd give your children? And that long vacation in the sunshine you and your wife have so long deserved?

All these things take money—and the only way to have these things is to save that money now. U. S. War Bonds are the safest and most liquid investment you can make for these future needs—needs worth providing for!

This window sticker identifies you as the purchaser of extra War Bonds during the Fourth War Loan. It is a badge of honor to be displayed with pride. Be the first in your neighborhood to have one. Buy an extra War Bond today!

## Facts About the Fourth War Loan

The men responsible for the Fourth War Loan drive in your community have full information about the several types of War Bond investments available to you. Ask about all of them. One may suit your needs better than another. You may find that you have been missing something. And whether you are asked to buy extra Bonds or not, take this opportunity to help your community reach its quota in the Fourth War Loan. Buy . . . and buy to the limit!

### "Gung Ho" Depicting First Offensive Against Japan To Be Shown At Palace This Week End

History is most ably recorded for posterity in Universal's thrilling film, "Gung Ho!" the Walter Wanger production that depicts the first offensive action of America against Japan in the daring Marine Corps raid on Makin Island. "Gung Ho!", which opens at the Palace Theatre Saturday midnight, and continuing through Sunday and Monday, is based on the exploits of Carlson's Raiders, the brave group of 210 especially trained Marines that destroyed every Jap and every enemy installation on Makin Island in the South Pacific. "Gung Ho!" is an authentic tribute to Lieut. Colonel Evans F. Carlson and his fighting men.

Randolph Scott plays the role of Colonel Thorwald, the cinema prototype of Colonel Carlson, and makes

his role a truly rugged portrayal. Noah Beery, Jr., and David Bruce, as half-brothers who are rivals for the affections of lovely Grace McDonald, carry the romantic portion of the film.

Alan Curtis, Sam Levene, J. Carroll Naish, Richard Lane and Milburn Stone all have featured roles as members of the daring "guerrilla" band that struck terror into the hearts of the Jap garrison.

the shocking news, collapsed, and it was necessary to take her to the Payne-Shotwell Hospital for treatment, where she remained several hours. She was reported as much

better Wednesday.

Mr. Norman is reported to have suffered from high blood pressure and a heart ailment, but had been down town each day attending to his duties at the feed and grain store.

Sgt. Jack Norman, with the Marines, who has been in the service over two years, and in foreign service 13 months, and took part in the Guadalcanal invasion, serving in Communications with 1st Amphibian Tractor Battalion, arrived in Amarillo by plane Friday, where he was met by a cousin, J. T. Jones, of Lubbock, who accompanied Sgt. Norman to Littlefield, arriving here that night. He returned to the United States in July, 1942, from overseas service. He is now stationed at San Luis Obispo, Calif., employed in the Communications office of the Amphibian Training Command. He reports back in California February 12.

Funeral services were held at the First Methodist Church, Littlefield, Sunday afternoon at 3 o'clock, with Rev. Joe F. Grizzle, pastor of the First Baptist Church of Portales, N. M., officiating, assisted by Rev. C. Frank York, pastor of the First Methodist Church of Littlefield. Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Active pallbearers were: D. G. Hobbs, Pat Boone, J. M. Stokes, Clyde Hilbun, Elton Hauk, Jack Farr, Norman Renfro, and L. B. Stone.

Honorary pallbearers were: W. J. (Bill) Chesher, C. O. Stone, Lon Campbell, Bob Cox, and Raymond Renfro.

Mr. Norman was born at White-wright, Grayson County, Texas, November 20, 1884, and was reared at Greenville, Texas, where he lived for sometime, and where he and Mrs. Norman were married March 22, 1909, to which union were born three sons, one of whom passed away in infancy.

Mr. Norman was representative on the road for the International Harvester Company for 20 years, working over West Texas, and located in Littlefield about 1927, moving his family here in January, 1928, from Wichita Falls. For three years he was a partner with C. C. Tremain in the International Harvester Company agency here, following which he was in partnership with Lon Smith for a time. Later in 1935 the Norman family moved to Lubbock, where Mr. Norman was employed by the Minneapolis Moline Implement Co. for a year. Returning to Littlefield in 1936 he operated a combine in Kansas each summer until he purchased the feed and grain business from Stanley Doss.

Besides his wife, Mrs. Ernie Norman, deceased is survived by two sons, Sgt. Jack Norman of San Luis Obispo, Calif., and James E. Norman, Jr., Assistant Sanitary Engineer at the South Plains Army Airfield, Lubbock; and a sister, Mrs. Emmett Sprinkles of Dalhart, Texas.

Besides Mr. and Mrs. James E. Norman of Lubbock and Sgt. Jack Norman of San Luis Obispo, Calif., other out-of-town relatives and

friends here for the services were: Judge and Mrs. Charles W. Stewart, Claude, Texas; Mr. and Mrs. W. E. Kemp, and Mr. and Mrs. Sid Jones, all of Amarillo; Mr. and Mrs. Roy Richardson and Mr. and Mrs. Alfred Hughes, all of Abernathy; Mr. and Mrs. Floyd Lane, Mr. and Mrs. Alfred Lane, Mr. and Mrs. James Parnell, Mr. and Mrs. Bobbie Ashcroft, and Joe Kemp, all of Lubbock; Mrs. W. E. Williams of Claude, Texas; and Mr. and Mrs. Emmet Sprinkle of Dalhart.

#### Lieut. Winston—

(Continued From Page 1)

his superior officers, Lieut. Winston was exonerated of all blame.

Lieut. Winston, in explaining the accident in a letter to his parents, said the cruising speed of a P-38 is 250 miles per hour, and that at the time of the accident he was only making about 80 miles; that the Marine flyer had, he believed, misjudged his (Lieut. Winston's) speed, and as the Marine was endeavoring to gain greater altitude he plowed into Lieut. Winston's plane, clipping off the twin tail of the ship, close to the cockpit, and the two planes exploded.

Winston explained that he was dazed by the impact and that his face was covered with blood from his ears and nose. He "balled out," and it was not until he landed that he knew he had been in collision with another plane.

"Lady Luck" was apparently riding with Lieut. Winston on that day, as it was nothing short of a miracle that he is alive.

He reported to his parents "that was his day off," but that he was flying because he was behind on his flying time.

### Pot-Luck Supper Is Scheduled For Boy Scout Week

Highlight of Boy Scout Week activities in Littlefield will be the pot-luck supper and Scoutingrama, tentatively scheduled for Friday night, Feb. 11. Place of the affair will be announced next week.

Other details for Boy Scout week participation by local troop members will be outlined between now and next Tuesday, opening date for National Scout Week observance.

Plans for the week's activities in the different cities and communities of this area were discussed at the regular District Committee meeting Tuesday night, which was held at Amherst and opened at 7 o'clock with a dinner session at the Amherst Hotel. Fourteen representatives from Muleshoe, Sudan, Amherst, Anton and Littlefield were present at the meeting, with Dr. Wm. N. Orr of Littlefield, District Chairman, presiding. All present district officers in the adult leaders group were re-named to another year in their present positions.

Also discussed and adopted by the group was the program outlined for celebrating this year the Silver Jubilee of Scouting in this region. All troops in the district will participate.

A Scoutmaster training course was set up, and will open at Amherst next Monday night for the first weekly session. The course is being conducted for the benefit of all Scoutmasters, assistants, and the troop committeemen of the district.

Merle Edwards, field executive, will conduct the first training course session. He will be unable to con-

duct the remaining sessions of the fact that he reports to Feb. 15.
