### Two Injured In Wreck Near Earth

Two persons were injured in a collision on a farm road near Earth, Texas, Sunday morning. Mrs. Robert O'Hara, who lives north of Earth, received a double fracture of the skull and was taken to a Matamoros hospital where her condition was reported to be satisfactory Wednesday morning. Kenneth Cowley, who lives two miles east of Earth, received a broken vertebrae of the neck. After receiving emergency treatment at the Earth Medical Center, he was taken to a Plainview hospital. His condition was also reported to be satisfactory Wednesday morning.

### Cars Damaged In City Wreck

Three cars were damaged near the intersection of East seventh and Twelfth Thursday morning when Christine Garner of Shalwater lost control of her car, hitting two cars parked on the street. No one was injured. In the car with Mrs. Garner were her four small children. About \$125 damage was done to the Garner car. An estimated \$225 damage was done to a car owned by Mrs. J. L. Shibley. The third car involved was one owned by Acroy Barren, which received \$35 damage. A two-wheel trailer was also hit but not damaged. Mrs. Garner was given a ticket for passing with insufficient clearance and driving without a license.

### ATTENDS LEGISLATIVE

Judge Bob Kirk attended a session of the state legislature in Austin this week. He was accompanied by his wife and two children. He will remain in Austin until Friday.

### Funeral Services Held For Bob Badger, Pioneer Resident

Robert Wyatt Badger, 57, a member of a pioneer Littlefield family, fought a losing battle against cancer, which took his life at 4:30 a.m. Sunday morning at the Littlefield hospital where he had been a patient less than 36 hours. Badger became ill last November. He underwent surgery in Lubbock at that time. He returned to his home soon after and made an amazing "comeback." Bob was a quiet man who kept his own counsel and went quietly about his business, never once indicating to his family or friends that he knew of his condition. He was cheerful, optimistic and gave praise to those a

boat him even after oxygen was required.

Badger was born July 24, 1880 at Marble Falls, Texas. He was the son of Mr. and Mrs. R. T. Badger and was associated with his father in the management of the Yellowhouse Land Co. taking over the older man's duties at the time of his death. Badger has been engaged in farming and the real estate business for several years.

On May, 1934, Badger and Miss Ruth McKee, who is the daughter of Mr. and Mrs. A. W. McKee of Lubbock, were married. Badger attended the Austin

### Pretty Sad Homecoming

Mrs. E. M. Sullivan of the Fieldton community returned Friday from a two-year visit with her children to find things a home again. Proctors had broken the glass out of the back door and had stolen several household articles, including the kitchen range. Investigating officers from the sheriff's department found a pot holder believed to have been dropped by the intruders in the back yard which had not been soiled by recent rains. This indicated that the break-in occurred recently.

### Potential Set On Two Wells

Potential was set on two of the better wells in the Littlefield area this week. The Townate 96 well was squeezed with 56 sacks of cement, fracked with 7500 lbs. of sand and 5000 gal. of water, and retested for 90 barrels, cutting about 25% water. Deltern's No. 1 Bryce, which is a long steeped of the Young No. 1 well south of town, flowed 100 barrels on a 24-64 choke with oil and gas ration of 1650:1, cutting 20% water. Potential will be pulled soon on the Abbas No. 1 which was re-cemented with 2000 gal. of acid. Drift stem is stuck at just below 900 feet on the Bridges No. 1, north of town.

### Littlefield Farmers To Hold Annual Meet

The annual stockholders meeting of the Littlefield Farmers Cooperative Gin are scheduled to be held at the Youth Center Saturday at 2 p.m. Manager Clarence Davis urged all stockholders to attend.

BOBBY CUNNINGHAM — as he completed his record breaking mile run.

### Champion of Districts Lfd. Student

Bobby Cunningham, the great Littlefield miler, set a new conference and regional record Saturday when he ran the mile in the fabulous time of 4:31.3. Previous records of 4:34.2 was set by Dale Inel of White Deer in 1931. Led by Cunningham's brilliant running, the Littlefield Wildcats captured seventh place in the Regional high school track meet. Cunningham will run in the Red Raider relays at Tech on April 17 and in the state meet in Austin on May 3 and 4. Cunningham got in second place and stayed there for the first three laps. He was content to let the others set the pace and he just ran behind them. As he gun sounded for the final lap, Cunningham looked as if he were just starting out fresh. He poured in the steam and as he hit the finish line his nearest competitor, Carter Conway, was just thirty yards back. Cunningham's brilliant kick, which he is famous for, won him the race and the approval of several hundred fans watching. The fans nearly went wild as he put on his final burst of speed. The weather was terrible for a track meet. The temperature was below freezing most of the day and in the morning the sky was dotted with scattered snow flurries. Another Littlefield point getter was Max Morris. Morris took second place in the discus throw with a heave of 151 ft. The winner of this event was Jack Taylor.

### Services For Oren A. Kirk To Be Friday

Oren Alvin Kirk, 54-year-old Littlefield farmer, died Wednesday morning at 7:45 A.M. in the Littlefield hospital. Services are set for 2 p.m. Friday at the First Methodist Church. Rev. W. H. Vanderpool, and Dr. Lee Hemphill will officiate. Burial will be in the Littlefield cemetery under the direction of Hammons Funeral Home. Kirk was born April 12, 1903 in Farris, Texas. He came to Lamb county with his parents from Collin county, Texas, on January 1, 1925. He was married to Miss Lola Margaret Willis, also a newcomer to Lamb county, on July 31, 1926. They have resided in Lamb county ever since their marriage. His wife and two sons, Oren Alvin Jr., and Tommy Ray survive him. Other survivors include a grandson, Lonnie Alvin Kirk; his mother, Mrs. W. P. Kirk of Littlefield; four brothers, George of Post, Walter B. of Seminole; Ivan of Portland, Oregon, and Mrs. Leonard McCoy of Goble, Oregon. Kirk has been a member of the Methodist church since he was eleven years old. He has served at intervals as a member of the official board of the First Methodist Church of Littlefield. He was engaged in farming at the time of his death.

### Elected To Board

Sam L. Williams, publisher of the Lamb County Leader and County Wide News, was elected to the board of directors of the Panhandle Press Association at the annual convention held in Amarillo last week.

### Large Crowd Expected At Union Sunrise Easter Services

A large crowd is expected to attend the City Wide Easter services to be held at 8 a.m. at the Littlefield Memorial Park on the Clovis highway Sunday morning. The services are under the direction of the Littlefield Ministerial Alliance. J. H. Penn and the Methodist Men's quartet will give special musical selections. Rev. Arthur E. Hunt, pastor of the First Christian church will be the presiding clergyman. The scripture will be read by Rev. Don Lubenmeyer of the Emmanuel Lutheran Church. Dr. Lee Hemphill, pastor of the First Baptist church, will give the prayer and the benediction will be given by Rev. Max Huff, of the Church of the Nazarenes. Lt. Roland Chalmers of the Salvation Army will bring the message.

Initial plans for this year's Cotton Festival will get underway today morning. Representatives from five organizations will meet at Thornton's Cafeteria for breakfast at 7:30 Friday morning. Attending the meeting will be members of the Jaycees, Jayceettes, Woman's Club, and the VFW Auxiliary. Kenneth Ware and Landon Grieson, co-chairmen of the retail-wholesale committee of the Chamber of Commerce, are in charge of the event which will be held sometime in May.

## Biggest Sellers...because they're Biggest Savers!

New Chevrolet trucks stay on the job... save on the job!

Ever since way back in 1937 Chevrolet has been America's biggest selling truck. That's pretty strong evidence, we think, that Chevy's been the biggest saver all these years. When truck buyers find a truck that delivers more work per dollar, they stay with it.

They're staying with Chevrolet again this year—because these new Task-Force 57 trucks are the biggest savers on any job. Under their hoods, for instance, you'll find the most advanced and efficient truck engines going. Deep-breathing short-stroke V8's that deliver high horsepower per pound are either standard or optional at extra cost in every model. All new light-duty models and

some medium-duty jobs are powered by the very latest versions of Chevrolet's famous truck 6.

New from Chevrolet! Chevy now offers two new high-capacity Forward Control models, including the industry's biggest, rated up to 18,000 lbs. G.V.W.

Your Chevrolet dealer will show you a model that's practically made to order for your kind of hauling.

**the river that flows on wheels**

More petroleum moves over Santa Fe than over any other railroad in the country

The 2,384,000,000 gallons of petroleum that Santa Fe moves every year is the river that flows on wheels.

It's so large that it makes Santa Fe the No. 1 petroleum railroad in the country. This flood tide of oil gives heat and power to farms, factories, military installations and homes all over the nation.

The tremendous demand for petroleum in all its forms, poses special problems for Santa Fe. For it requires speed and service to keep that river flowing full force. Here are a few of the ways we get the job done:

We move empty tankers just as fast as full ones, so no vehicle will stand idle.

As new oil fields are opened up, we stand ready to serve them. And when new developments take place within the industry, we adapt ourselves to take care of them.

As an example, take liquefied petroleum gas. The demand for it has skyrocketed in the last 10 years, because with this "bottled gas" rural families can cook and heat with gas just like city people. And the railroads have made it possible for them to get it.

Santa Fe runs special LPG trains when the demand for this product requires it. In a year, these trains carry enough LPG to heat over 500,000 homes from November through April.

This is just a part of the story of the dependable transportation service Santa Fe is providing to essential industries that contribute so much to the welfare of our country.

### School of Instruction For O.E.S. Held In Lubbock

Representatives of 28 chapters of the Eastern Star, attended an annual School of Instruction in Lubbock Saturday. Officers were: Mrs. Elizabeth Elliott, Colorado City; Grand Examiner; Miss Dorothy Driver Big Spring, District Deputy Grand Matron, District 2; and Mrs. Wynon Mayes, Crosbyton, Deputy Grand Matron, District 2, Section 4.

Mrs. Ben W. Smith, Worthy Grand Matron, and Ed L. Sharpe, Jailer, Worthy Grand Patron, were in charge of the grand officers, who were honored guests.

Registration opened at 8:30 a. m. in charge of the junior past matrons of the Section, with Mrs. Fay Cornwell, Crosbyton, chairman.

As guests entered the foyer of the Masonic Temple, they saw a tree covered with pink sweet peas bearing a highway marker sign, "A Smile". On the first landing was another sweet pea tree with the sign, "A Prayer," and underneath the tree an open Bible lay on a marble topped table beside an antique lamp; at the registration table a third tree bore the marker inscribed, "A Deed," these being the Worthy Matron's milestones for her year.

**Theme Is Highway to Home** Inside the chapter room, a highway of silver cloth lighted with hurricane lamps wound from the entrance to the East, where hung the theme of the school written in flowing script, "A Highway to Home." At the foot of a revolving 5-foot diamond stood a picture of Christ, "Father of our Heavenly Home"; a picture of the Eastern Star Home at Arlington, the Worthy Grand Matron's welfare project for the year; a picture of her home chapter and her Worthy Matron and Worthy Patron, Mrs. Edgar Paul Ray Chapman; and a picture of her own home and her husband.

A luncheon was held at the Caprock Hotel in honor of the school officers, with the theme of School Days. The tables were decorated with Little Leaguer houses, and the place cards were in the form of report cards. Mrs. Edna Durn Crosbyton, was chairman of the luncheon.

The school was closed with the song, "Give Us This Day," directed as a benediction.

**Honor Mrs. Smith, Sharp** A banquet in charge of Mrs. Grace Buchanan, of Brownsville, Mrs. Nell Dalton, Ropesville, and Mrs. Dolores Martin, Denver City, was held at the Hotel Lubbock, honoring Mrs. Smith and Sharp, with Ray Chapman acting as master of ceremonies. The theme, "Hub of the Plains" was carried out in program and decorations. Musical selections were presented by Mrs. Dalton and Mrs. Louise Sylvester.

The joint fraternal visit of the chapters was opened at 7:30 p. m. with a drill presented by 40 members of Lubbock Chapter and their husbands, during which Miss Sue Lovett sang, "The Invisible Hand." At the presentation of the welfare fund for the section, the songs "Hold Thou My Hand" and "Highways Are Happy Ways" were sung. Mrs. J. L. Lill gave a reading entitled, "The Common Good." The program for the fraternal visit was in charge of Mrs. Bonnie Johnson, of Post.

After the close of the fraternal visit, a reception was held at the home of Mr. and Mrs. L. D. It's only 36 more days until summer vacation! Isn't that wonderful. Everyone at school thinks so. The teachers who try vainly to compete with the strange fascination that draws their students attention out the windows to unknown places and the summer clothes that are popping up are sure signs that the end of school is near. That means vacation for some and GRADUATION for the seniors!

Littlefield didn't show up as well as it has at other times at district contest last Saturday. Max Morris, Bobby Cunningham, and Buddy Jones are the only LHSers who placed. Bobby won first in the mile run and set a new conference and district record. Max placed second in the discus throw and Buddy Jones was third in the broad jump. None of the contestants in the literary contests placed. But considering the competition we showed up pretty good.

This week is Religious Emphasis. We had an assembly every day. Monday Kenneth Hill from the First Baptist Church led the student body in group singing and Rev. Donald Luckemeyer, the pastor of the St. Martin's Lutheran Church spoke to us. Tuesday the Cappella Choir from Hardin-Simmons University gave a concert. Wednesday morning the Littlefield Choirs under direction of Mr. Ellison sang some religious numbers. Thursday a film, "I Behold His Glory" was shown. Everyone feels that he gained a lot from this first Religious Emphasis Week in LHS. The Student Council sponsored the Week.

The band has really been a hunch of hard working kids this last few weeks. Band contest is one little week from Saturday and not many of the members feel they are ready. But that happens every year and just look what happened last year. . . . Sweepstakes! Sure would be wonderful if that happened this year too.

The Teen Town Ministerial went to Amherst last week and from all reports it was as big a success there as it was here. We may get those tennis courts by summer after all.

At Teen Town last Friday night we had a special treat. A mixed quartet from Amherst came to sing for us. Those in the group were Francis Young, Bill Stone, Jeanne Gonzalez, and Donnie Gonzales. Sure hope they come back soon.

Four straight days with no school. That's a pretty neat trick. I don't imagine you can find more than a handful of kids at one place at one time the whole weekend. Nearly everyone I have talked to is going out of town for the holidays. I don't especially wish I were going to be one of those poor teachers next Tuesday. They are going to have a terrible time getting everyone's mind back on school work.

The Future Teachers Club were hosts to the Oton FFA club Monday night. The Oton group came over to give the newly organized Littlefield club some pointers on how to make their organization a good one. Any of you who are interested in becoming a teacher might look in to this new club. It will be very beneficial to you.

The Annual FFA Father-Son Banquet plans are well under way now. The banquet will be held on the 29th of this month. Jimmie Duke is the toastmaster and a very interesting program is in the making.

Does anyone have any bird pictures? That's the hue and cry from the biology classes last week. Today the Bird Books are due and some frantic searching has been going on to find the material for several dozen of these books, so if you find some of the pages torn out of your favorite magazine, don't be too alarmed. It was only some poor desperate "bugology" student on the rampage again.

Gotta go work on the English research theme, so I'll see you next week.

## Tiny Tot Egg Hunt Will Be Held Saturday

The Tiny Tot Easter Egg Hunt at the Littlefield Country Club will be held Saturday between the hours of four and five. Each child is asked to bring six eggs. Hostesses will be Mrs. James Crump, Mrs. Jack Christian, Mrs. Deverelle Lewis and Mrs. Ray Kaeling.

**ORGANIZE HERE**  
The Future Teachers of America held an organizational meeting Monday night at 8 p.m. in the Littlefield High school library. Representatives of the Oton chapter attended the meeting to assist with establishing a constitution and by-laws.  
Mrs. K. Hauk and Coach Webb are sponsors of the club.

## Whitharral FFA Has Father-Son Banquet Friday

The Whitharral Chapter of FFA held their annual Father and Son banquet Friday evening in the Whitharral school lunchroom.

An Easter motif with chapter emblems was carried out in the banquet room. A menu of barbequed beef, pinto beans, Irish potato salad, onions, pickles, coffee, ice cream and tea was served by waitresses from Underwoods of Lubbock.

The invocation was given by Norman Theford, high school senior. Stevie Bryant, local pastor, was master of ceremonies. Gerald Pair gave the accomplishment of the FFA. Bobby Brown the coming events in FFA and Selecting, Feeding and Caring for Hogs for Livestock Shows.

Billy Theford discussed selecting, feeding and caring for calves for Livestock Shows.

## Salvation Army Building To Get Face Lifting

The Salvation Army building at 621 East 6th will get a face lifting this week when volunteer workers give the exterior a new coat of paint.

All labor and materials are being donated according to Boyd Roberts, board chairman. The one-day project will get underway Saturday if weather permits.

"We need more volunteer labor," Roberts pointed out. "Just bring your brush and give us a hand," he urged.

Toby Walker will supervise the work and his crew will donate labor. All six lumber yards will donate the paint and dash.

Included in the project will be dashing the building, painting windows and doors, patching stucco, and repairing steps. Elton Graham has repainted the signs.

The 20-year-old building houses a chapel, welfare department, clothing room, transient lodge for men and officers living quarters.

## Revival Meeting Slated For Seventh Day Adventist Church

# Former Littlefield Man Named Tech Chairman

W. D. Windy Watkins, of Abilene, general manager of the southwestern division of Western Cotton Oil Co. was named chairman of the board of directors of Littlefield Saturday.

Watkins, who was the first student officially admitted to Tech in 1925, is the former manager of the Western Cotton Oil Co. mill in Littlefield. He lived in Littlefield in the late thirties.

The vacancy occurred on the board with the resignation of Charles C. Thompson of Colorado City, who held the position 17 years.

Named vice chairman of the board was Jim Lindsey, managing editor of the Midland report. Lindsey is a brother of Mrs. Gaston Shea of Littlefield.

## DRAKE'S COFFEE BREAKS

Just Slightly Stimulating By MORLEY B. DRAKE

Frankly, we have never been known for our angelic tendencies, or our ability to "sprout wings."

But right is right and wrong is wrong, and we desire to "hew to the line of right" and "let the chips fly where they may."

The matter of right and wrong is wider in scope than religion; it extends to secular things without limitation.

This preamble is prompted by a picture in a daily newspaper of a Chicago child seated in a chair, with several pillows to give him height, his feet on a desk, a cigar in his mouth, and a glass of beer on a corner of the desk near his feet. He is declared to be two years old, and has been smoking since the age of nine months, and also likes beer.

Wordsworth said "the child is father of the man" and Milton gave us this fact:

"The childhood shows the man As morning shows the day."

And Proverbs says: "Train up a child in the way he should go, and when he is old he will not depart from it."

We do not wish to enter into a dissertation of the right or wrong of smoking and drinking; our thoughts concern a child who seems to be well on the way to acquiring two habits, either of which, or both, could be harmful in his tender years and damaging to him mentally, physically and morally at some time down the pathway of life.

Medical men have told us that beer is a normal stimulant if not taken in excess and to the point of replacing food. Lack of food could develop vitamin deficiency. Doctors also tell us that smoking by a tiny child could develop a psychiatric condition with or without an affect on the body and abnormalities of the lungs and abnormality of the lungs and abnormality of the lungs.

Parents have a responsibility toward their children in all matters affecting their mental and physical condition. From here on we will leave this matter entirely to the readers of this column; we will not attempt to influence your deductions.

## Caution Farmers Against Violating Soil Bank Program

Lamar D. Aten, Jr., Lamb County ASC Manager, cautions farmers who have entered into the Soil Bank program on soil bank violations, and states that a civil penalty may be imposed upon any farmer who knowingly and willfully violates certain provisions of the Soil Bank Acreage Reserve program.

"Authority for imposing a civil penalty for certain violation of an Acreage Reserve agreement is conferred under Section 123 of the Soil Bank Act," Aten explained. "The violation drawing the penalty is for knowingly and willfully grazing or harvesting any crop from any acreage in violation of a Soil Bank agreement; or contract."

The amount of the civil penalty is 50 percent of the compensation which would have been pay-

able for compliance with the agreement, and the penalty is in addition to any amount which may be forfeited or refunded under the provisions of the agreement. Aten explained that a civil penalty violation could result in a farmer willfully grazing or harvesting any crop from an acreage designated as the Acreage Reserve and also from harvesting an excess of the 'acreage reserved for harvest.' The penalty is permitted for harvest only if the agreement has been designated for the Soil Bank Acreage Reserve.

## Groundbreaking Ceremony Slated For School's Religious Emphasis Program Lubbock Christian College On May 4th To Be Concluded With Movie Today

Sufficient funds have been subscribed to insure cost of construction of the Administration Building, the first of four buildings to be erected for Lubbock Christian College. This announcement was made jointly today by Dr. F. W. Matox, President and Paul Sherrod, Chairman of the Board of Trustees of the new school, who

### Rep. George Mahon Predicts Gov't. Budget To Be Slashed

Rep. George Mahon of the 19th District of Texas said here this week he is confident Congress will cut a minimum of three billion dollars from President Eisenhower's budget.

The congressman, in his capacity as Chairman of the House Subcommittee on Military Appropriations, has been conducting hearings on the President's request for 38 billions for the Army, Navy and Air Force since late in January.

Mahon said that "we will reduce the defense budget as far as this can safely be done. Of course, we must proceed with caution and no reduction can be permitted to imperil the security of the United States."

Defense officials have declined to recommend any cuts in the Defense budget, but they are preparing at Mahon's request a statement showing how a three and a half billion dollars reduction would be applied if made by Congress.

The House Appropriations Committee of which Mahon is a member, has upon his mention approved bills at this session reducing the President's overall budget in the sum of one billion dollars.

The West Texan noted that he had been "much encouraged over the widespread demand among the people generally for reduced spending and more efficiency and economy in government. This is a good sign and the the people will remain on the warpath their efforts will prove very helpful."

Mahon said.

He added that "while no one knows just what the final reduction in the President's budget may be, I feel confident the Congress will whack off a minimum of three billion dollars."

Mahon feels that consideration

of tax cuts should be postponed until more progress is made in reducing government spending.

The budget as originally submitted by the President called for 72 billions dollars for the fiscal year beginning July 1, 1957.

### Ira W. Owen Is Buried Mon.

Funeral services for Ira W. Owen, 66 of Anton were conducted at 2 p. m. Monday in Anton First Methodist Church.

The Rev. J. P. Wood of Happy and Rev. Royce Womack officiated at the rites. Burial was in the Tech Memorial Cemetery under the direction of Rix Funeral Home of Lubbock.

Owen died in a Lubbock hospital Saturday afternoon following a week's illness.

Survivors include the wife, a daughter, Mrs. Oris Lambeth, Anton; two brothers, Elmer Owen, Hot Spring, N. M. and J. M. Owen of Hico; one sister, Mrs. Jennie Blakenship, Gatesville; and three grandchildren.

Palbearers were P. L. Swan, Charlie Schulz, Preston Lyle, Glen Jones, Burl Rodgers and Lawrence Downs.

### Correction

Red Cross officials here announced this week that was an error made in releasing the name of the chairman of the recent drive in Pleasant Valley. Oscar Allison headed the drive which was one of the three in the county to complete their goal.

If you test your horn too much people will soon learn to dodge you.

This building will house administrative offices, the library in the four story tower of the building with a large reading room, auditorium and 18 classrooms.

Prior to the afternoon affair a Senior day will be held at 8:00 a. m. to which all High School Seniors of West Texas and Eastern New Mexico are cordially invited. Beginning at 8:00 a. m. registration will be taken followed by an opportunity for the Seniors to meet the faculty members of the school to discuss the College, work offered and schedules or any other matters interesting to prospective students. Entertainment will follow this period and a free barbeque will be served at noon.

It is entirely possible that one wing of the permanent girls dormitory will be started soon, to be completed by the opening of school in September.

The groundbreaking will be a novel event in that everyone attending is invited to bring a shovel and tab: an active part.

Solicitation, both in and outside Lubbock is continuing to raise \$1,500,000 to complete the total building program. \$734,460 has already been subscribed to the fund.

THE LITTLEFIELD GIRLS' CHOIR make one of its final appearances of the year Wednesday morning when the girls sang for the Religious Emphasis program at the high school. The group was organized last fall. Director is Hugh Ellison.

Observance of Religious Emphasis Week at the Littlefield schools got underway Monday morning with Rev. D. W. Luckenmeyer speaking to the Junior and Seniors High groups on "The Bible Speaks Today." Kenneth Hill was in charge of the music.

The services will be completed with the presentation of a film "I Beheld His Glory" in the high school auditorium. Tuesday morning the choir from Hardin Simmons presented a concert. The Littlefield A Capella Choir and the Littlefield Girls Choir appeared on Wednesday morning's program.

Ministers, assisting with the week's program for the primary school were Rev. H. T. Ray of the Parkview Baptist Church; Dr. R. C. Burns of the First Presbyterian Church; and Kenneth Hill, Educational Director of the First Baptist Church.

A series of programs began Monday in the Elementary School. Participating ministers were Dr. Les Hemphill of the First Baptist Church; Rev. Arthur K. Hunt, pastor of the First Christian Church; Rev. D. W. Luckenmeyer, St. Martin's Lutheran Church pastor; Rev. Roy; J. Roland Chambliss of the Salvation Army; and Dr. Burns; Harry Vanderpool, pastor of the First Methodist Church; Rev. Max Huff of the Nazarene Church.

#### Perserving Jury Trials

Several Southern senators have introduced a bill which would guarantee jury trials for persons accused of contempt for disobeying Federal Court injunctions. Although one of the important motivations for this bill concerns civil rights, a highly controversial and political issue, we nevertheless think the bill is highly commendable and one which should be passed.

Any American, regardless of his political party or political bloc, should realize that the preservation of jury trials in contempt cases in the United States is of vital importance to our country and its future.

We agree with the pertinent words of Senator J. Strom Thurmond (D-MS), one of the co-authors of the bill, when he states that he can "visualize no reasonable basis in which anyone could claim that justice could best be served by denial of jury trial."

We do not think this bill is one concerned only with civil rights injunctions. It concerns any injunction and the rights of all American citizens. Therefore, we hope that Congress will see fit to take action to preserve the rights of Americans to jury trials — a commendable goal and one he can see little justification for opposing.

#### Cancer Month

April is Cancer Control Month, as proclaimed by President D. Eisenhower. The press has been asked to aid in focusing attention on this serious problem — an answer to which the medical profession has not yet provided.

Readers would do well to think a moment or two about the seriousness of the cancer problem. They should acquaint themselves with symptoms, aid financially if possible and help others to appreciate the dangers and value of early detection of cancer.

The average citizen can do little, to be sure, but the combined interest and support of many citizens can mean much. This newspaper is happy to take notice of April as Cancer Control Month, and suggests to its readers they lend their support in whatever way possible in the fight against a mysterious disease which still baffles science, but against which an unprecedented organized effort is now being waged.

### Highlights and Sidelights From Your State Capitol

By VERN SANFORD  
Texas Press Association

AUSTIN, Tex. — "Sine die" is the magic phrase around the Capitol nowadays. It's the phrase traditionally applied to the final adjournment time agreed on by both houses of the Legislature.

Only three weeks remain of the 120 days recommended in the Constitution for session. After that (May 7) lawmakers' pay stops.

Sentiment appears strong for a sine die resolution set on or very near that deadline. It's been a rough session, say many members. Investigations, bribery charges, counter-charges and threat of more have frayed nerves, provoked hot words, deep rifts.

They've made it hard to plough through the usual hundreds of measures requiring study, debate and some sort of agreement. Many are still backed up in discouraging stacks.

Even so, say members, they hope to shove through the "musts" and go home on time. But likely differences of opinion on what constitutes "musts" promise even more tense hand temper for the final weeks.

**TEACHER RAISE**—One of the biggest issues still gathering steam in the Legislature is the teacher pay raise. Despite strong backing, the drive has been beset with stumbling blocks.

Public school teachers want a \$399-a-year boost. Total costs for the biennium is variously estimated from \$45,000,000 to \$70,000,000.

Sponsors have become increasingly impatient of delays. Bill was stymied by House rules which prohibits consideration of any other spending bill until the general appropriations bill is finally approved. This is in conference committee.

Then the attorney general ruled the teachers' bill was not an appropriation bill. This seemingly opened the door to quicker action. But budget-watchers intervened. They said passage of the teacher bill first would leave the treasury \$20,000,000 short of enough to cover the general appropriation bill.

This focused attention on Rep. Tom Joseph's "just in case it's needed" tax bill. It would tax dedicated natural gas reserves, produce an estimated \$35,000,000 in two years. Gov. Price Daniel had recommended a levy of this sort should more revenue be needed.

But this one, by some slip, was introduced without an enacting clause. Joseph sought the necessary two-thirds House vote to permit a correction. Vote was 68 to 66 against.

**ETHICS BILL ZIPS OUT**—After weeks of haggling in the House, the code of ethics bill whizzed through the Senate in one day. It goes to the governor's desk

with 29-0 approval.

Bill provides that no legislator, state official or employe shall engage in any outside activity "in substantial conflict with the public interest." Penalty is expulsion or dismissal.

**NARCOTICS BILL PASSED**—A possible death penalty for dope peddlers seems almost certain to become law.

House and Senate have passed the bill which was recommended by Gov. Price Daniel. It would permit juries to assess the death penalty on second conviction for sale of any narcotic drug to a minor.

**AUTO REGISTRATION TAX**—State car taxing system would be over hauled under a measure which won preliminary House approval.

If passed, the constitutional amendment would abolish the property tax on motor vehicles. Legislature would be given authority to increase registration fees by one-third. Revenue would be divided between school districts and city or county.

Meanwhile, Texas Research League released a study suggesting further revision of the registration laws. License fees based on weight result in inequities, said the League. It proposed a flat fee for all size cars.

**FARM BILL SHELVED**—A bill to replace Commissioner of Agriculture John White's office with a 21-member board went to House sub-committee.

White declared the bill was dead. Hearing brought prolonged and heated testimony. Proponents of the measure contended lack of state-federal cooperation has resulted in inadequate crop inspection.

Opponents declared the 21 member board would be unwieldy and cost the state more in travel ex-

**SEGREGATION BILL OKAYED**—A bill regarded as the corner stone of a program to maintain school segregation won its second-round House vote.

It would allow local board to assign pupils to schools on basis of "qualifications, aptitudes," etc. An amendment also gives the boards authority to exempt a child from compulsory attendance at an integrated school.

**SENATE CONFIRMS**—Joe P. Gibbs will serve on the Board of Insurance Commissioners until Sept. 1. Measures now before the Legislature would abolish the present board and substitute a new set-up between now and September.

Senate quickly confirmed Gibbs' appointment and that of Brady Gentry of Tyler to the Highway Commission. Both were made by Gov. Price Daniel.

Also confirmed, after long debate, was the appointment of R. M. Dixon as a member of the State Board of Water Engineers. This appointment kept unbroken the record that none of the recess appointees of Gov. Allan Shivers

has been removed from office by Senate rejection. Other Shivers appointees confirmed by the upper house were R. F. Newman of Borger to the Employment Commission, and nine other interim appointments made by the former Governor.

**SHORT SNOOTHS**—Board of Insurance Commissioners granted a second delay in the show cause hearing of Physicians Life and Accident Ins. Co. because the firm's president, Former Gov. Cole Stevenson was ill. But hearing will be held April 22, said Comm. Chm. John Asorio, regardless.

What Texas needs is an anti-wire tapping law, said U. S. Sen. Elect Ralph Yarborough. He claimed his campaign headquarters telephone lines had had uninvited listeners. Both House and Senate gave final passage to a bill which would allow a farmer to use his pickup or other vehicle with farm license plates for family and household errands.

### Sandhills Philosopher Possibilities On New

EDITOR'S note: The Sandhills Philosopher on his Johnson grass farm has heard about the post office controversy, his letter this week indicates.

Dear editor: I have always figured that two of the fundamental rights of every American was to occasionally get mad at the post office and the home town newspaper, and what brings this to mind is not anything that the Lamb County Leader or Postmaster Arbie Joplin have done lately, but the controversy brought on by Postmaster General Summerfield over the need for more money to keep the post office department functioning up to standard.

As I understand it, the Postmaster General threatened to close all the post offices on Saturdays, including rural free delivery, and to cut out some other post office functions if Congress didn't give the department 47 million dollars more money.

Mr. Summerfield said the post office was going in the red and the only choice was to get more money from Congress or curtail some of its services.

Now this is a new idea in government, and while I would hate to see the mail carries fail to show up at my neighbor's mail box on Saturdays, I'd like to say it has great possibilities.

For example, take foreign aid. Everybody knows it's costing us tax payers a lot of money to keep the rest of the world happy, and if Sec. Dulles could come over to Postmaster General Summerfield's way of thinking, he could threaten to cut down on this aid unless

Congress gave him more money. This might not be what the world would like, but what it would do to the

Or take any other of the government's got in the red, all the things, even to the point some men off. It's contrary to our way of living beyond its means to do isn't to cut down but to borrow money out the time payments. It's something to try to

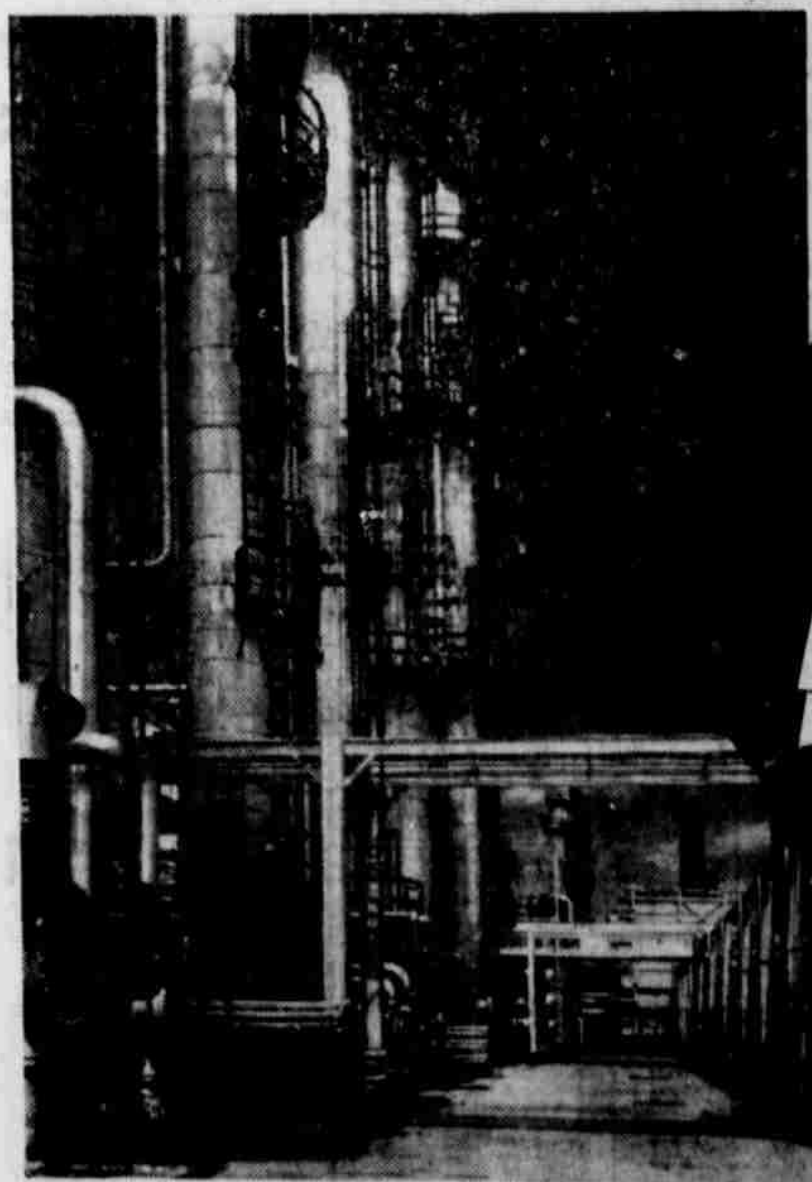

However, it could be far. Take farming. It's been making a lot of money but it's not making enough to pay for the interest on the money it's borrowed. Maybe the post office can cut down on its services when it's going in the red, you apply that to a grocery store and soon be bare.

Yours truly,

## Lions Bi-District Meet Will Be Held In Lubbock

LUBBOCK Special—Delegates to the Bi-District Convention of Lions Clubs from District 2T1 and 2T2 here May 24 will find a warm welcome and plenty of activities to keep them busy.

The Bi-District Convention, held every five years, is one of the largest in the state. It will draw delegates from 65 counties with 155 clubs and 7,633 members. It's being held here for the first time after being held in El Paso in 1952.

Featured speakers on the program will be Joe Childress of Abilene, International Director of Lions International, and Edgar M. Elbert of Maywood, Ill., Past President of Lions International.

On the business agenda for the convention is a report on the Texas Lions League Camp for Crippled Children, a necrology ceremony, joint cabinet meetings and the election of officers.

Informally, convention visitors will be entertained by a talent contest sponsored by District 2T2 and a queen's contest sponsored by District 2T1. Both will be held in spacious new Municipal Coliseum, which seats 7,500 spectators in theater-type seats.

One of the high points of the convention will occur Friday at 9 p.m. when famed Ted Weems and his orchestra will supply music for the Governor's Ball. This will be held in the ballroom of the Caprock Hotel, headquarters for the host Lubbock Lions Club.

The ladies aren't being overlooked in the convention, either. A brunch will be held at Lubbock Country Club Friday from 10:30 a.m. until 12:30 p.m., honoring Mrs. Don Stark and Mrs. Hal Adams, wives of the district gov-

# VFW And Auxiliary Install Officers In Ceremonies Saturday

MRS. ODELL MATHEWS presents the VFW gavel to Mrs. V. L. Stokes, and Mrs. Frank Brown, installing officer pins the Past president's pin on Mrs. Matthews. Left to right attending VFW Installation ceremonies are: Mrs. Paul Hyatt, Mrs. Dorothy Brown, Mrs. Jarrell, Giles,

Mrs. Jimmie Robinson, Mrs. Gelneta Petty, Mrs. Stokes, Mrs. O. K. Yantis, Mrs. Matthews, Mrs. Bill Brock, Mrs. Brown, Mrs. James Timian, Mrs. Granville Smith, Mrs. Ves Brock, Mrs. James Cantrell, Mrs. Howard Weaver, Mrs. Buster Gilliam and Mrs. J. R. Chamberlain.

The Community Center was the scene of installation ceremonies for the Veterans of Foreign Wars Auxiliary, while at the same time the Veterans of Foreign Wars installed officers at the VFW hall.

Both ceremonies took place at 8 a.m. Saturday night. Willard G. Street, local attorney, was the installing officer for the VFW. Street used the VFW Ritual

which includes the presenting and retiring of the colors.

New VFW officers installed were Gerald Giles, post commander; Bill Brock, senior vice commander; Ray Bussey, junior vice commander; Jimmie Robinson, chaplain; Willard G. Street, post advocate; Andy Schlotman, service officer.

### Former Resident Installs Auxiliary Officers

Mrs. Frank Brown of Winters, formerly of Littlefield, installed the new auxiliary officers with the standard ritual.

Installed were Mrs. V. L. Stokes, president; Mrs. O. K. Yantis, senior vice president; Mrs. Bill Brock, junior vice president; Mrs. Gelneta Petty, treasurer; Mrs. Gerald Giles, Sec.; Mrs. James Timian, chaplain; Mrs. Jimmie Robinson, conductress; Mrs. Dorothy Smith, guard and Mrs. Ves Brock, Patrol Instructor.

Mrs. Odell Matthews, outgoing president, was installed as a three year trustee. Mrs. Paul Hyatt was appointed historian.

Mrs. Matthews was presented the past president's pin. A corsage of auxiliary color flowers was presented to Mrs. Brown.

Following the installations a dance was held at the Community

Center. Refreshments were served from a table decorated in a Spring theme and official colors.

Members of VFW and Auxiliaries of Plainview and Floydada attended.

## Hart Camp Co-op Gin Pays \$5000 Cash Dividends

Hart Camp (Special)—The Hart Camp Co-op Gin held their annual meeting at the Olton School cafeteria Monday night.

Devlin McAnnally entertained with several popular songs and he was accompanied on the piano by Clark Dennis. Cotton Owens is manager of the gin.

Reports were given by Mr. Wiley, a representative of the Farmer's Cooperative Congress at Lubbock. Mr. McKnight of the Co-op Oil Mill at Lubbock, J. O. Bass of the Marketing Association and by the Auditor employed.

Ivy Thompson, secretary and treasurer, read the minutes of the last annual meeting. J. C. Muller, chairman of the board of directors, presided.

Those attending voted to continue their support of the Plains Cotton Growers Association and the National Cotton Council.

Three directors whose terms had expired were J. C. Muller, Ivy Thompson and Dan Puckett. Puckett was re-elected and J. W. Johnson and Johnny Talbert were elected to fill the vacancies.

Other members of the board are Paul Huggill, Edwin Oliver, K. W. Mahaffey and Blanton Martin. Approximately \$8,000 was paid out in cash dividends.

Barbecued chicken, beans, potato salad, onions, pickles, rolls, tea, coffee and cherry pie with whipped cream made the menu.

New officers are: President of Board, K. W. Mahaffey; Vice President, Dan Puckett; Secretary, Treasurer, Blanton Martin.

As early as 1890, when special schools for nurses were unknown to Japan, the Japanese Red Cross Society pioneered. Since then, a total of over 45,000 nurses have been trained and today the Red Cross society has 4,500 active graduate nurses serving in 95 Red Cross hospitals.

# Carrolyn Sanderson Wins In SCS Essay Contest

The Lamb County Soil Conservation District announced today that Carrolyn Sanderson, seventeen year old student at Springlake, has won first place in the Regional essays contests. Her essay was judged tops from Region One, an area fifty counties in size.

Highlights of the contest, which is sponsored by the Fort Worth Press, will be the Regional awards dinner to be held in Hereford May 3th. Marvin Garrett, Conservation Director Fort Worth Press, has notified Miss Sanderson that she is to be presented with a trophy award at the dinner.

The Lamb County Soil Conservation District Board of Supervisors, who submitted Carrolyn's essay have made plans to attend the Hereford meeting.

Mr. and Mrs. W. G. Sanderson, Carrolyn's parents, also plan to attend.

The winning essay titled "Youth's State in Soil Conservation", follows:

"The most important of America's natural resources is the soil beneath our feet. We use the soil day by day, just as we do coal or oil. In order that the youth of our own United States may live tomorrow, we must do something today about conserving the soil.

"Soil Conservation is the method by which we protect our lands. There are many different methods of conservation, including contour strip cropping and bench terracing. We can also provide windbreaks for protection against the ravages of the wind. However the method used is not as important as getting this job done.

"What happens to the land when it is left untended? The wind and the water tear at it like thieves dividing their gold. A once

CAROLYN SANDERSON

thriving land become a barren desert where nothing grows and where no one lives. The land can no longer be farmed. And without food, the cities will die. The earth then becomes desolate.

"We cannot, we must not, leave such a destiny to the youth of the world. We, who are now in school, will be the farmers of tomorrow. Our children will be the farmers of the future. How can they farm if the land we give to them is bare of vegetation and is gully-ridden?

"They can not.

"The answer to this problem lies in our hands in the form of soil conservation.

"We must build up our good rich earth. We must give it back the elements to sustain life which we have taken from it. Then our land

will continue to be a thriving, prosperous land and our industries will rise to heights never known before. Let us put our shoulders to the wheel and put soil conservation to work. In the end, our work will be repaid many times over."

THERE'S AN ELECTRIC HEATING METHOD FOR EVERY HOME NEED!

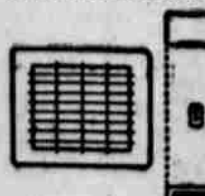

## Electric Heating is CLEAN, MODERN, AND SAFE!

Now, instantaneous, comfortable heating — of course, it's electric! Whether you are building your new home, remodeling or adding a room to your present home, you can use electric heating. The advantages you have with your electric working appliances are also yours with electric heating. Electric heating is the cleanest form of heating known. Now is the time to solve your heating problems for next winter and years to come. For information, without obligation, see your Public Service Company manager.

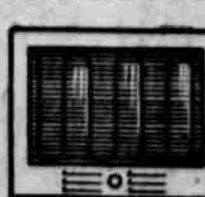

### \* CEILING HEATING UNIT WITH CIRCULATING FAN

Ceiling heating units are ideal for bathrooms, hallways or kitchens. They can be used as the main heat source or as auxiliary heating. A flip of the switch gives you heat where you want it and, if desired, a controlling thermostat can be added for automatic operation.

### \* RADIANT-CONVECTION WALL HEATERS

This type of electric heating you've seen many times either in portable heaters or in wall-mounted units. Such electric heating units are inexpensive, can be thermostatically controlled and are easily installed. One answer to the problem of heating a room added on.

### \* RADIANT GLASS, METAL or CERAMIC PANELS

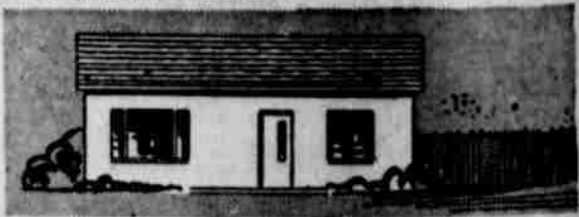

Nearest thing to the warmth of the sun's natural heat rays is electric radiant heat. Heating coils are imbedded in a heat conducting material which, through radiation, warms your family, floors, furniture. These units, mounted on wall, near floor, come in various sizes, up to 50 1/2 inches long.

### \* HEAT LAMPS

Heat lamps are used where quick spot heating is desired — over work benches, in garages, working on the family car, etc. A regular lighting bulb, or it can be installed permanently in bathroom ceilings, etc.

### \* YOUR PRESENT HOME

### \* THAT ROOM YOU'RE ADDING ON

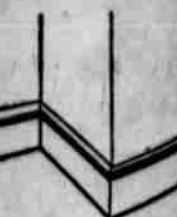

### \* YOUR NEW HOME

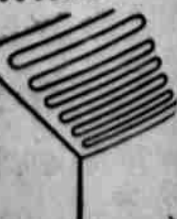

### \* BASEBOARD HEATING UNITS

Electric baseboard heating is completely inconspicuous since it can be painted to match or contrast with wall colors. In practically all homes the heating requirement is met by installation along outside walls only. Furniture can be placed anywhere without interfering with your heating.

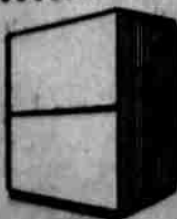

### \* EMBEDDED CEILING CABLES OR PANELS

As in all electric heating your furnace is miles away (at the electric power plant). You turn on a switch and get completely clean electric heat. Continuous coils are run back and forth across entire ceiling area and then covered with plaster or texture paint material. Heating system is completely out of sight.

### \* THE AMAZING NEW HEAT PUMP

Here's the amazing "heat pump" which uses the principle employed in your electric refrigerator to "pump" heat to you in winter and cool air in the summer. It's a combination central unit which costs approximately the same as the central heating and cooling units in conventional use. No matter the outside weather, the "heat pump" adjusts immediately to give you the weather you want inside your home.
