Commodity Credit Fail To Announce Support For 1950 Sorghum Crop

George Mahon reported this week that the District indicated the failure of the Credit Corporation to support the sorghum crop.

one could guarantee that a support program for grain sorghum would be provided but that every indication pointed in that direction.

On March 23 the House of Representatives passed a bill strengthening the Commodity Credit Corporation and increasing the capital stock.

Reckless Drivers Can Expect Woe

(An Editorial)

A new high-speed patrol car, recently ordered for the Littlefield police department, has been delivered and will be put into service soon.

Arrival of the new car fills a great need for such modern equipment here.

The town has several good police officers, serving under Police Chief Lawrence Walraven. These men though handicapped by inadequate equipment, have been doing an admirable job of patrolling Littlefield streets.

With the new car, they will be in a position to do a much better job. Public sentiment should be behind these officers, and they should have the assistance of every motorist in improving traffic control—especially speeding and reckless driving.

Judge Bills Wins Admiration Of Lubbock Attorneys, Newsmen

Warm praise for District Judge E. A. Bills of Littlefield appeared in the Lubbock Avalanche-Journal following the judge's recent visit there.

Recently elevated to the bench as judge of the 64th Judicial District, Judge Bills exchanged benches with 99th District Judge G. V. Pardue and heard several civil cases in Lubbock while Pardue tried the Zerauld Been murder case here.

Lonnie Hudkins, Journal staff writer, said in his column "News About People:"

"ON THE LEGAL FRONT: Lubbock attorneys have been most complimentary of 64th District Judge E. A. Bills, Littlefield jurist who exchanged benches with 99th District Judge G. V. Pardue and tried several cases here. Pooled statements: He has admirable judicial temperament, quietly maintains courtroom decorum, reflects in prompt and unbiased rulings his knowledge of the law and procedure and, in general, is a worthy successor to the 64th district's veteran presiding judge, C. D. Russell, resigned. Judge Bills became widely known for his general practice of law over more than two decades before his appointment to succeed Judge Russell."

Jaycees Set Supper To Raise Money For Trip To Convention

Jaycees will hold a box supper at the V.F.W. Hall Friday night, April 7, to raise money to send delegates to the state Jaycee convention.

About 12 delegates from the local organization are expected to attend the state convention, which will be held April 13-14-15 in Fort Worth.

At a meeting last Thursday evening, Jaycees made plans to sponsor a softball league again this summer. Six teams will enter the league, which will play nightly. Members are waiting to join the Youth Center movement "until we find out what is the most important thing we can do," secretary Billy Holder said.

Fire In Garage The garage at the home of Mr. and Mrs. Kenneth Houk on E. 8th St. caught fire Monday. The fire was put out before the Fire Dept. arrived on the scene.

2 Men Sentenced To Pen For Forgery On Pleas Of Guilty

Two men plead guilty to forgery indictments in 64th District Court Monday, and a third man plead not guilty and faces trial May 8 on the charge.

Truman Little and Nathan Hawk were each sentenced to serve two years in the State Penitentiary by Judge E. A. Bills, which accepted their pleas of guilty.

Hawk was accused of giving forged checks to two Littlefield merchants, Joe Walters and Wife Shaw; and Little was charged with passing a forged check to Otis Smith. They are being held for trial elsewhere on similar charges.

K. T. Roberts, brought here two weeks ago from Albuquerque, entered a plea of not guilty to a forged indictment.

Roy Spann, Farmer Here Since 1926, Claimed By Death

Funeral services for L. L. H. (Roy) Spann, who died of a heart ailment last Saturday, were held at 3 p. m. Monday in the First Baptist Church of Littlefield, with the Rev. Lee Hemphill, pastor, officiating.

Burial in Littlefield Cemetery, with Hammons Funeral Home in charge of arrangements.

Mr. Spann, a farmer in the Littlefield area since 1926, died in a local hospital Saturday. He had pneumonia in December, followed by a heart attack and a stroke about a month ago. Another heart attack Saturday proved fatal.

Surviving were his mother, Mrs. Elizabeth Spann of Enid, Okla.; his widow; three daughters, Mrs. S. E. Guy of Baltimore, Md., Mrs. Billie Maxine Hutto and Miss Madine Spann, both of Littlefield, five brothers, C. R. of Plainview, Dr. C. E. of Altmer, Ark., D. M. of Temple, Okla., C. J. of Altus, Okla., and J. B. of Oklahoma City; three sisters, Mrs. Anna Bell Kelly and Miss Ruby Spann, both of Altus, and Mrs. H. H. Webb of Enid, Okla.; and a granddaughter, Miss Linda Carol Hutto of Littlefield.

Pallbearers were Lloyd Elms, Luther Harold, Roy Roberson, Tom Miller, Ludi Hatla and Bill Owens. Flower girls were the Misses Lavonda Farrington, Janetta Simmons, Marilyn Black, Betty Murdock, Patty Janis, June Jones and Johnnie Muriel Evans.

The list of honorary pallbearers included W. A. Hutto, J. C. Kendrick, L. L. Massengill, Dr. F. B. Faust, Dr. C. E. Payne, Pryor Hammons, Lentis Hutto, D. B. (Continued On Back Page)

Rural Phone Applications Are Lagging

Dismayed at the slowness of rural residents in applying for rural telephone service, the Lamb County Rural Telephone Association Tuesday night made plans to hold a series of community meetings in May, and possibly to follow that up with a house-to-house survey.

But in the meantime, for another month at least, the association will sit back and wait for the return of about 2500 application forms mailed two weeks ago to farm residents throughout the community.

About 115 applications have been received to date. Directors estimate that at least five or six hundred applications will be needed before any action can be taken.

The main reason farmers are delaying return of the application forms, observers said, is that details of the plans to establish a rural telephone cooperative are not clear to the prospective subscribers.

Dick Carl, manager of the REA-operated Lamb County Electric Cooperative, has offered to explain the set-up to anyone who is interested. (Continued On Back Page)

Dr. Woods Presides Over Optometrists State Convention

Dr. Ira E. Woods, Littlefield, president of the Texas Optometric Association, presided over an annual convention held in Dallas Sunday, Monday and Tuesday, March 26 to 28.

Main business of the convention was adoption of a new and much stricter code of practice to raise the professional and ethical standards of optometrists in the state, Dr. Woods reported.

The association also passed a resolution stating opposition to the socialized medicine legislation now before Congress.

Dr. B. W. Armistead, also of Littlefield, chairman of the inter-professional relations committee, attended the convention.

C-C Hears Four Reports, Amends Bi-Laws At Membership Meeting

January 1 will start the fiscal year of the Littlefield Chamber of Commerce under an amendment to the bi-laws passed Monday night at the monthly membership dinner meeting in Hays Coffee Shop.

Previously, the fiscal year started on June 1. Under the new arrangement, the vice president now serving, W. B. Little, will be advanced to president on June 1, and will serve until January 1. Three directors whose terms expire June 1 will continue to serve until January 1.

Winners To Leave With Animals For Ft. Worth Market

One of the largest crowds in recent years is expected to turn out for the annual 4-H and F.F.A. Boys Livestock Show which opens Monday morning at the fairgrounds.

4-H and F.F.A. members from throughout the county will enter calves and swine in the exhibition, which climaxes an experiment in commercial feed lot operations.

About 45 boys are entering 20 calves and 40 swine in the show. About 30 are expected to have animals of the first and second (Continued On Back Page)

Post Office Plans Delivery Survey, To Ask Extensions

Foy Bell has been appointed as Substitute City Carrier from the list of contestants who recently took the Civil Service examination for that position. Foy will begin work April 1.

A survey is being planned for the week of April 10 to 17. According to Postmaster W. D. T. Storey, extensions are to be recommended for extensions of 15th Street and some other adjoining streets. It is estimated that this will take several months to get them approved.

The entire force will be maintained on the City Delivery personnel. George Thompson who has been carrying the mail on one of the routes will be placed on the classified list along with Bell as a result of the Civil Service examination.

Littlefield has shown strength this year, as has Levelland and Morton. All three have well-balanced squads. Morton recently defeated Levelland by half a point in a six-team track meet, while Littlefield turned around to nose out Morton by half a point in a five-team track meet. Records posted in the district meet are expected to fall under the onslaught of the 11 track squads. Present for the meet will be Levelland, Littlefield, Morton, Slaton, Post, Muleshoe, Sundown, Tahoka, O'Donnell and Seagraves.

BULL LAKE PHILOSOPHER WORKS UP HIS LIST OF PEOPLE TO SAVE IN THAT CAVE IN CASE OF AN ATOMIC WAR

EDITOR'S NOTE: The Philosopher on his Johnson grass farm on Bull Lake has another backward idea this week, as you'll agree after reading his letter.

Dear Editor:

I was out here the other afternoon wanderin' around enjoyin' Spring when I picked up a copy of the Clovis News Journal, which somebody had used to wrap garden seed in — ain't no chance of seeds sproutin' through that paper, and while they were perfectly good seed I shook 'em out, I learned long ago not to get tricked into plantin' seed — at any rate, I stuck the paper in my pocket and later on in the day when it seemed like I'd run out of something interesting to do, I pulled it out and since I was already sittin' down anyway I leaned back against a tree and read where there is considerable talk about a cave in the Ozark Mountains for use in case of an atomic war.

As I understand it, some man is proposin' to use this cave to preserve civilization in case of a world-destroyin' atomic or hydrogen bomb war. His idea is to use the cave as a sort of modern Noah's Ark, only instead of animals he would fill it up with people worth keepin' alive to carry on after most of the rest of the people was killed off by the bombs.

This is not a bad idea except for one thing — he's proposin' the people selected for the cave should be scientists and other brainy people.

I look at it just the other way. The last people we want in that cave is the brilliant folks, the brain wrackin' people who are responsible for needin' the cave in the first place.

Ain't no use fillin' that cave up with people who, the first thing they got out after the smoke cleared, would start right back in where they left off, this time probably settin' their powerful minds to work on a bomb that not only would sweep over the face of the earth killin' everything in sight but would also go down in the crevices and caves and wipe out whatever was hidin' in there too.

No sir, The kind of folks who ought to be in that cave is the ordinary, non-atomic type, the type that ain't got beyond the fire-cracker stage, the type that ain't interested in carryin' civilization to its highest peak.

Under my plan, might take in a few school teachers, a preacher or

Southern Phone Company Expanding By Consolidation

Purchase of Two States Telephone Company, serving four cities in Northeast Texas, by General Telephone Corporation is nearing completion, it was announced Saturday.

General Telephone already has bought part of the Two States stock and has exercised an option to buy the remainder, Roy Autry, president of Southwestern Associated Telephone Company, said Saturday.

Southwestern Associated is a subsidiary of General Telephone and has its general offices in Dallas. Largest independent in the Southwest, it operates in Texas, Louisiana, Oklahoma, New Mexico and Arkansas.

General Telephone plans to consolidate Two States into the system of Southwestern Associated and will bring in the Prescott Arkansas Telephone Corporation at the same time. The Prescott company is headed by Autry as president.

Two States serves Texarkana, Jacksonville, Sulphur Springs and Clarksville.

so, a few harmless poets, some farmers, a few carpenters, maybe a editor if the place ain't too overcrowded, but we blamed sure don't want any brainy people in there. Be the worst thing that could happen to the post-atomic world.

Yours faithfully,

Social Security Administrator Here Wednesday

John G. Hutton, Social Security Administration Representative was in Littlefield at the post office Wednesday, March 29. Hutton states that many inquiries have been received from beneficiaries in this area wanting to know if the increase in social security taxes to 1½% each on employer and employee automatically increases their benefits.

"This increase in taxes effective January 1, 1950 has no bearing on the present benefit payment", Hutton said. "Only an Act of Congress can raise this benefit schedule. A bill which passed the House last year and is now pending before the Senate proposes many changes. If and when Congress completes any action raising benefit rates according to the present wording of the bill, those now receiving monthly payments would receive increases automatically," he added.

Hutton pointed out further that what the twenty-five million workers covered by the system will be raised. Under the Bill passed last year by the House, retired workers should receive benefits averaging more than 50% above the present scale.

Another change proposed is to

permit an individual receiving benefits to earn as much as \$50 in wages in a month without losing his benefit for that month. At present he is permitted to earn up to \$15 a month.

The original Social Security Law provides for taxes on wages to be raised every three years until a maximum of 3% each for the employer and employee was reached, but this was deferred by Congress each year until 1950. The present tax increase is designed to help build a reserve sufficient to take care of the ever-growing number of persons over 65 and the survivors of deceased workers. The rate is scheduled to go up again to 2% in January, 1952.

Primary, Central P.T.A. Groups Elect Officers At Meeting Tuesday

New officers were elected by the Primary and Central Parent-Teachers Associations at a meeting held Tuesday afternoon in the high school.

Mrs. Henry Banks was re-elected as president of the Primary P.T.A. Serving with her will be Mrs. Troy Armes, vice president; Mrs. Lowell Fulton, secretary; and Mrs. G. V. Walden, treasurer.

Central School's P.T.A. guests of the Primary group for a program earlier, also elected new officers.

Mrs. Pete Parrack is president of the Primary association; Rev. C. Schulte, vice president; Mrs. Jack Yarbrough, secretary; and Mrs. Oscar Wilmon, treasurer.

The meeting featured a talk by Mrs. T. B. Duke on "Teamwork in the Social World," and a singsong on "Texas in the Spring" in which all third-grade pupils took part.

After the election, the Woman's Club showed a film on cancer, using the new movie projector recently purchased by the P.T.A. for daily use in the Central School visual education program.

Plans to hold a district convention in Earth May 11 were discussed by Sunshine No. 2275, Supreme Forest Woodmen Circle of Hart, at Earth, at a meeting in Community Hall last Thursday.

The meeting was originally scheduled for April 13, but members decided instead to hold a social and 42 party on that date. The party will be in Community Hall with all members, their families, and other visitors invited. Members were asked to bring sandwiches and pie.

Mrs. Mabel Loftis, president, conducted the business and ritualistic meeting, during which members draped their charter in memory of Mrs. Eilan D. Patterson, a member for 58 years who made honorary past president for life in 1935.

Mrs. Doris Commons, secretary, read a report from Mrs. Jeanie Willard, national first vice president of group inspection, in which Mrs. Willard said the Earth grove received an excellent rating.

Mrs. Harie Bock was presented the Silver Citation of Honor for passing an examination on the grove ritual. She was the first member of Sunshine Grove to receive the citation.

Plans were made for the initiation of two candidates, Mrs. Ever Mae Tarpley and Mrs. Orma Rhe Kellar, on April 27. Members voted to change their meeting time from 7:30 to 8 p. m.

Mr. and Mrs. Tom McWilliams Celebrate Golden Anniversary

(Photo by Taylor's Studio)

Mr. and Mrs. Tom McWilliams of Sudan celebrated their golden wedding anniversary, holding open house for their many friends on Saturday, March 25.

The refreshment table was covered with a lace cloth. Yellow roses and Easter Lillies were used in the table arrangement. Punch and cake were served to many friends and relatives during the afternoon.

Mr. McWilliams, who is 68 years old, and Mrs. McWilliams, 69, were united in marriage at Pangburn, Ark. on March 25, 1900. They lived in Pangburn only a short time before they moved West.

The couple recall that they were 20 days en route from Pangburn to Stephenville, Texas, and made the trip by covered wagon. The roads were only wagon trails, and crossing the rivers was an experience never to be forgotten.

A trip from Stephenville to Crow, Texas, took 21 days, and the

couple stayed there a short time before moving to Roaring Springs, Texas, where they lived about 12 years. McWilliams was a farmer and blacksmith.

Moving west again, Mr. and Mrs. McWilliams bought land four miles west of Sudan in 1929. When they moved to Sudan, the town consisted of a depot, one hotel and a general store.

Mr. and Mrs. McWilliams raised a family of ten children, including: Leslie McWilliams of Fort Smith, Arkansas; C. B. McWilliams of Littlefield; Cecil McWilliams of West Fork, Arkansas; Perry McWilliams of Portales, New Mexico; Lefty McWilliams of Muleshoe, Texas; Henry McWilliams of Ada, Oklahoma; Mrs. Herman Henry of Abernathy, Texas; Mrs. Ellis Bates of Sudan; Mrs. H. L. Pickett of Sudan; and Mrs. Ruster Richards of Sudan. They also have 27 grandchildren and nine great grandchildren.

Miss LaNita Heard, daughter of Mr. and Mrs. Dan Heard of Littlefield, and Kenneth Dixon, son of Orville Dixon of Anton, were married at Clovis, New Mexico, Tuesday, March 21.

The bride chose a white nylon dress with brown accessories and a corsage of white carnations.

Attendants were Mrs. Dan Heard Jr., sister-in-law of the bride, and Gordon Dixon, brother of the groom.

After a wedding trip to Ruidoso, New Mexico, the couple will be at home in Anton.

Miss Kathryn Bell And Brannon Busby To Wed April 2

Mr. and Mrs. Herman Bell of Olton have announced the engagement and approaching marriage of their daughter, Kathryn, to Brannon Busby, son of Mr. and Mrs. R. Busby of Sweetwater.

The wedding is scheduled for April 2 in the College Heights Baptist Church.

Miss Bell is a graduate of Olton High School and is employed by Southwestern Bell Telephone Company in Plainview.

Mr. Busby graduated from the Sweetwater High School and is now employed by the Santa Fe railroad.

Mrs. Charles Feagley Honored At Shower

A bridal shower was given in the Pep Auditorium Sunday afternoon at 3 o'clock honoring the recent bride, Mrs. Charles Feagley, and formerly Miss Theresa Jungman of the Pep Community.

Twenty guests attended and several sent gifts.

A motif of Spring was used and the favors were tiny colored birds to complete the motif.

Cake and punch were served to the group.

Mr. and Mrs. Feagley, who were married March 17, are making their home in the Whitharral Community, where they are engaged in farming.

T. F. W. C. Officer Will Speak On Fellowship At Luncheon

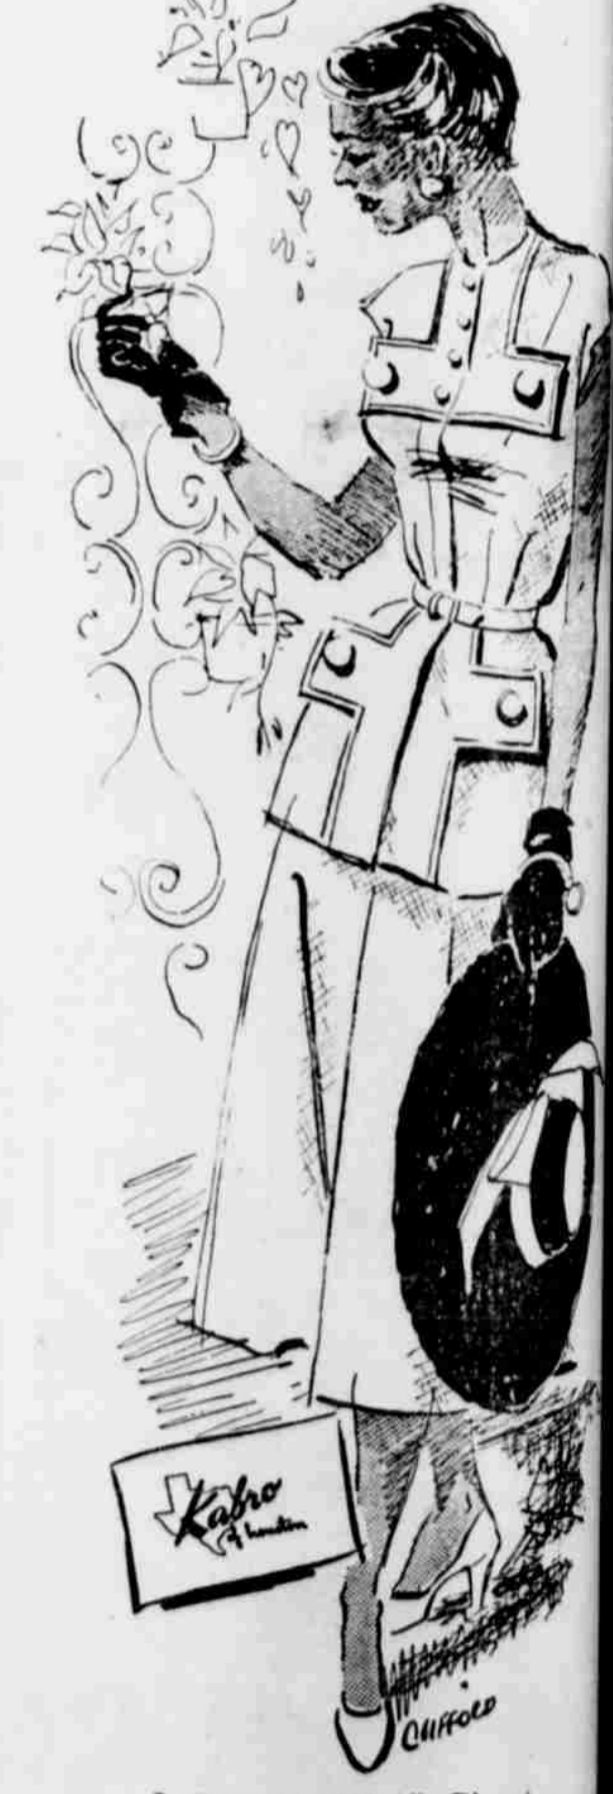

"World Fellowship and the United States" is the theme of an address to be given by Mrs. J. Howard Hodge of Midland, president of the Texas Federation of Women's Clubs, at a luncheon in Littlefield Wednesday, April 5.

The Women's Club of Littlefield, luncheon hostess group, has invited members of federated clubs from surrounding communities to attend the affair, set for Wednesday in Littlefield Club.

The Music Department of the Woman's Club will be in charge of a program of special music at the luncheon.

Mr. and Mrs. E. V. Meyer and Alfred of Lubbock, Mr. and Mrs. V. H. Diersing and family, Mr. and Mrs. A. A. Homer and family; Mr. and Mrs. Ed. Diersing and family; Mr. and Mrs. Alvin Bednarz, Conrad and Ralph Demel, Darrell Meyer, a student of Texas Tech, and Mary, Donald and James Meyer.

A. C. Rodgers returned to Littlefield Thursday after a trip to Dallas, which he accompanied his brother, Ellis Rodgers, who is ill. Mr. Rodgers is a patient of the Gaston Hospital, and is doing as well as can be expected.

Army Recruiter Gives 101 Reasons For Celebrating Armed Forces Day

There are more than 101 reasons why Littlefield should participate in the Armed Forces Day celebration set for May 20.

According to T/Sgt. Gerald F. Cutshall, local recruiter for the U. S. Army and U. S. Air Force, 101 young men have enlisted here within the last thirteen months since Sgt. Cutshall has been in charge.

"Besides the 101 men enlisted in the Army, Air Force and Enlisted Reserve Corps, there have been a number of young men entering the other two branches of services, Navy and Marine Corps," Sgt. Cutshall said, "Let us not forget the parents of these fine young men, they, too, should be honored on this First Armed Forces Day. I would like to see Lamb County and Littlefield have the best program possible. I will do my part as far as I am permitted to go, in the military line."

Sgt. Cutshall requests that any person or organization in Lamb County that he has not previously contacted, who is interested in taking a part in this Armed Forces Day program, to contact Pat Mann, manager of the Chamber of Commerce, or the U. S. Army and U. S. Air Force recruiting station 110 West Fifth street, phone 442-R.

Two-Day War Against Fire Set For May 17-18 In Littlefield

For the first time in the history of West Texas, an entire community is going to war against fire.

Mayor Art Chesher has announced that every school, church, business and home in this community of 6,000 will be checked for potential fire hazards in a city-wide two-day inspection May 17-18. The inspection will be by men who know how to recognize a fire hazard when they see one—members of the West Texas Field Club of the Texas Fire Prevention Association.

More than two score inspectors, each representing various capital stock fire insurance companies, will visit every public and mercantile building during the two days, Mayor Chesher said. Working in teams of two and assisted by Boy

Scouts, the inspectors will be on the lookout for nearly 150 common hazards that can cause serious fires.

Each time a hazard is discovered inspectors will affix a red tag. They also will leave with each building owner or tenant a specific list of recommendations for removing the hazards found. Homes will be inspected by the residents themselves using blanks supplied by the Field Club.

"We want to make Littlefield the most fire-safe city in West Texas," Mayor Chesher said.

The inspection, one of a dozen which have been undertaken by the Texas Fire Prevention Association field clubs since they were organized less than two years ago,

was arranged by President Hardy Shelby of the Littlefield Chamber of Commerce. Fire Chief Bob Cox will work with the inspectors on the project.

Tom Hamm of Lubbock is president of the West Texas Field Club of the TFPA and will have general charge of the inspection. W. E. Tension, also of Lubbock, is chairman of the club committee arranging the inspection.

"These town inspectors are a public service and no charge of any kind is made for them," Hamm explained. "As time will permit, other West Texas communities inviting us will be given comprehensive inspections such as this one."

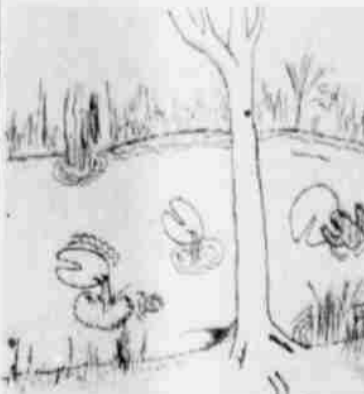

Although similar town inspections have been held in the United States for at least 30 years, it was only early last year when the first Texas community was inspected. This was Gatesville. Since then, Wichita Falls, Texarkana, Hearne, San Marcos, Bryan, Longview and Pharr have been inspected.

Beeville will be inspected May 16-17 by members of the Alamo Field Club, and Hillsboro will be checked May 19 by members of the North Texas Field Club.

Froggie Greenlegs' Lesson

By FAITH HELEN FAUST

This is the ninth in a series of original stories written by Miss Faith Helen Faust, 12-year-old daughter of Dr. and Mrs. F. B. Faust of Littlefield. Illustrations were also drawn by Miss Faust. The stories appear every Thursday in the Lamb County Leader.

Froggie Greenlegs—Greenlegs for short—was a small frog in Woods' Mill Pond. He lived in the shallow part where there weren't any logs. Greenlegs had some brothers and sisters, too.

Greenlegs and the rest of the frog children had been pollywogs only last summer. They were new frogs now. Mrs. Frog and Mr. Frog were going to teach them to jump off lily leaves very fast. Frogs all knew how to do this.

Mr. Frog said to the children, "This is how you do it." He jumped into the pond without a splash. When he came up he said, "Children, I want you all to jump off your leaves when I say go."

All the children jumped off their leaves but Greenlegs.

Mr. Frog asked "Greenlegs, why didn't you jump?"

"I was afraid," said Greenlegs.

"There is nothing to be afraid of," said Mr. Frog.

Still Greenlegs refused.

For three or four days Greenlegs would only slide carefully into the water instead of diving. One day a big boy came wading into the water. All the little frogs were sitting on their lily leaf. They jumped off when they saw the boy. Greenlegs began to slide off his lily leaf. The boy quickly caught him. The big boy's name was Jimmie. Jimmie took him home in a small box. A snail was in the box, too. When they got to Jimmie's house he put them in a cage in his back yard.

A week or two later the snail got out of the cage. One day Jimmie left the cage door unlocked. Greenlegs pushed it open with his head and hopped out. It was only

two blocks to the mill pond from Jimmie's back yard. Greenlegs hopped to the mill pond quickly. Greenlegs was so happy to get home he jumped way up in the air and came into the pond without making a ripple. Greenlegs saw it was very easy to dive.

He is now the best diver in the whole pond. When anyone comes to the pond now, Greenlegs is the first one to dive off his leaf.

TRAFFIC DEATHS

One hundred and two less persons died in traffic accidents in Texas during 1949 than in 1948. The Traffic Death Book for last year officially closed on March 15, according to a statement released today by Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, and the final toll stands at 1,957 fatalities. This figure is 9 more than the prediction made a year ago by N. W. Woerner, Chief of the Safety Department's Statistical Division, Garrison said.

From where I sit... by Joe Marsh

"Curfew Shall Not Ring Tonight"

Our ten o'clock curfew lasted for 50 years, but the town council voted it out. I dropped in at the meeting in Town Hall last week just in time to hear Smiley Roberts.

"The curfew is old-fashioned," says Smiley. "We ought to be grown-up enough by now to behave like grownups. Seeing to it that our kids get to bed is the responsibility of each family." Then Judge Cunningham adds, "Most of us are in bed when the curfew horn blows anyway. It wakes me up just when I'm getting to sleep!"

What the Judge said was good

for a laugh, but Smiley just about summed up how folks think in this town. We believe that the democratic tradition of "live and let live" is the only way to live.

From where I sit, it's not the American way to regulate your life by a horn—any more than it's right to criticize my caring for a temperate glass of beer now and then. Think what you wish, say what you wish, but don't ask your neighbor to do exactly as you do!

Local Students Invited To Senior Day Program April 29 At Hardin-Simmons

Students of Littlefield high school are among more than 4,000 students of Texas who have been invited to the 27th annual senior day program to be held April 29 on the Hardin-Simmons university campus. Schools within a radius of 200 miles of Abilene are expected to send their seniors for the day of entertainment and education.

"Senior Day has been held on the campus for a number of years in order to acquaint graduating high school students with life on a college campus," Prof. W. C. Ribble, faculty chairman of the program said. "All training and recreational facilities of the University will be open for their inspection."

Visitors will be conducted on tours through the various departments and schools of the University and will be given the opportunity to view exhibits prepared by the campus organizations and units. Dormitories will also be opened to visitors during the day.

Dr. Otto O. Watts, head of the science department, has announced that his department will make experiments for the students. The art department will display some of its work that won acclaim in recent art exhibits. The heads of other departments will be on hand to meet the visitors. There will be free copies of The Brand, student newspaper, available.

The formal program will include a welcome by President Rupert J. Richardson, music by the Cowgirl and Cowboy bands, a short drama by the University Players club, and the barbecue.

McMurry President To Conduct Revival In Sudan April 2-9

Sudan residents will have the opportunity to hear Dr. Harold G. Cooke, president of McMurry College at Abilene, in the revival at the Methodist Church beginning Sunday April 2 and closing Sunday April 9th.

Dr. Cooke is credited with having turned McMurry College from a school of financial misfortune—its entire physical worth when he became president in 1943 was \$675,000, into a \$3,600,000 institution, with academic improvements keeping pace with the physical growth of the school.

In 1913 Dr. Cooke assumed the pastorate of the McAshan Memorial Church in Houston. Subsequent pastorates took him to Dallas, Oklahoma City, Phoenix, Ariz., McAlister, Okla., Knoxville, Tenn., and Paducah, Kentucky.

Before his presidency at McMurry he was District Superintendent of the San Angelo District of the Methodist Church.

Panhandle-Plains Held April 10-14

Over 2,000 copies of the 1950 Panhandle-Plains Dairy Show Catalogue have been mailed to dairy enthusiasts in the states of New Mexico, Oklahoma, and Texas.

Rated as the nation's third largest dairy show, this Plainview event plays host to breeders of Guernsey, Jersey, Holstein, and Milking Shorthorn cattle. Plans are now being made to include the Brown Swiss Breed in the 1951 show.

Mr. E. E. Anderson, Extension Dairy Specialist for the New Mexico State College in Las Cruces, N. M., will serve as official judge of the Guernsey, Jersey and Holstein breeds. Mr. F. Frank Dale, past president of the New England Milking Shorthorn Breeders Association, has been selected to judge the Milking Shorthorn Division of the show.

The dates of the 23rd annual Panhandle-Plains Dairy Show are April 10-14. At Plainview.

Mr. and Mrs. E. B. Luce left Saturday for a few days visit in Fort Worth. They took their trailer house along, and plan to remain until the bad weather is over.

ISRAELI LEADER . . . Ada Malmon Fishman, member of the Israeli parliament, rests at her hotel in New York discussing with the press important aspects of Israel's political scene and other developments in the near east.

Three Seek Election By Write-In System In Sudan City Race

Six Sudan businessmen are candidates for office in a city election set for Tuesday, April 4, but the names of only three will appear on the ballots.

Mayor Homer Morris, Commissioners Reed Markham and R. D. Nix, incumbents, are running for re-election. Their names will appear on the ballot.

Friends are pushing a write-in campaign for Joe Rone, Earl Davison and W. A. Turner, who found that they had missed the deadline when they attempted to file election petitions last week.

The names of C. E. (Cotton) Harris and Arnold Reed have also been mentioned for the commission posts, although the men have not announced that they are seeking election. A write-in campaign is also planned for them.

Building Permits For Three Houses Issued Here In Past Week

Permits to build three houses, a garage and an addition this week raised the building permits total to \$20,550.

The upsurge followed a two weeks period in which building activity, as reflected in the permits issued by the city secretary, was at a standstill.

Permits to build houses were issued to B. B. Ivie for a \$7,500 stucco and frame dwelling at 704 West Second; H. B. Tharp for a \$6,000 frame dwelling at 616 E. Seventh; and W. W. Born for a \$4,000 frame and stucco dwelling on West 12th street.

Wiley Roberts obtained a permit to build a \$550 frame garage at 421 West Fourth; and Alvin Bagwell obtained a permit for a \$2,500 frame and stucco addition to his residence on East Eighth.

City Reaches Red Cross Goal \$3225

Littlefield has reached its quota of \$3,225 in the Red Cross Campaign, according to Mrs. Lyle Brandon, Executive Secretary. From last reports Olton and Amherst are to reach their goal by this week end. Olton's Red Cross quota for this year is \$650, while Amherst's has been set at \$695. The goal set for the county is \$6,925.

WOW TO PRACTICE

The WOW degree team will meet at 8 p. m. Thursday in the Legion Hall to practice realistic work in preparation for competition with three other teams in Dallas April 8.

NATIONAL SUNDAY SCHOOL WEEK CITED

REAR ADMIRAL Reginald R. Belknap, U.S.N., (Ret.), chairman of the Laymen's National committee, sponsor of National Sunday School Week, has announced observance of the week will be held this year from April 10 through April 16.

In a statement, issued from the headquarters of the committee in New York City, Admiral Belknap says the American Sunday school is of tremendous importance to all parents, and National Sunday School Week should be an occasion for every American family to take a new interest in this magnificent activity.

"The Sunday school can be, and is, one of the greatest safeguards against juvenile delinquency the American nation possesses," the Admiral said. "It is an essential institution for giving a child his first knowledge of the Bible, for giving him an enduring understanding of the beautiful and inspiring Bible story."

Children who attend Sunday school regularly are assured of an atmosphere and environment in which they have the guidance of earnest and clean-minded and high-principled men and women who realize the importance of religious education and spiritual inspiration, and are willing to devote themselves to these important things. The Sunday school should be utilized to the greatest possible advantage of the nation. Every community should encourage it."

The laymen's national committee is an institution maintained and honored by all religions—a non-sectarian, non-profit one.

National Sunday school week, each year has been endorsed in a statement from the President of the United States. Governors and mayors proclaim it.

This poster is the work of artist Revere F. Wistehuff. It will have wide distribution during the sixth annual observance of national Sunday school week, April 10-16, 1950. Every American family is asked to take an active interest. Admiral Belknap, chairman of the committee sponsoring the week says, "Every mother and father should study this poster. The Sunday school is one of the greatest safeguards against juvenile delinquency the American nation possesses."

Various Improvements Will Be Installed In Littlefield Theatres

W. J. (Bill) Chesher, co-owner and manager of the four Littlefield theatres, has announced various improvements are being installed for the convenience of theatre patrons.

Individual car speakers are now being installed at the Littlefield Drive-In Theatre on the Pop highway, and 300 of these will be ready by opening date, April 7.

Opening feature at the L.F.D. Drive-In Theatre will be "Trail of the Lonesome Pine."

The individual car speakers will enable patrons to sit in their car with the speaker inside and control the volume as they wish. This will enable the outdoor theatre to operate on cooler nights as windows of the car can be raised.

The Rio Theatre on North Phelps will be made into a first class theatre with First Run Class A pictures featured.

New equipment, including high intensity lamps and RCA sound is now being installed and on opening night, April 8, the hilarious feature, "Frances—The Talking Mule"—will be featured.

Apartments And Rooms Needed By Newcomers Here

The Littlefield Chamber of Commerce is appealing to Littlefield property owners to make available any rooms or apartments they may have available.

One oil company moved four families into Littlefield Monday, and 13 other families are to follow, provided Littlefield can make facilities available.

The Chamber of Commerce receives daily calls from newcomers seeking a place to live, and the public can render a great service.

ing night, April 8, the hilarious feature, "Frances—The Talking Mule"—will be featured.

Bible Stories Of Children To Be Told In Radio Series Starting Here Sunday

The first in a series of religious plays, a quarter-hour dramatic program entitled "The Shepherd Lad," will be heard over Station KVOW at 3:30 p. m. Sunday, the Littlefield Ministers Association announced. The series, entitled "And Forbid Them Not," is dedicated to the faith of our children. Based on scriptural stories in the Bible, the dramatizations make use of modern radio theater techniques to retell Bible stories of children which have fascinated old and young for centuries. "The Shepherd Lad," the first program, depicts the faith of the young shepherd, David, who trusted in God and saved Israel by slaying the giant Goliath. The broadcast of this new series has been made possible by J. E. Chisholm, florist, in cooperation with the Radio Church Associates of Springfield, Mass., producers of "And Forbid Them Not." The series, in forthcoming weeks, will present dramatic stories of the children of the Bible in alternate plays from the Old and New Testaments. The Ministers' Association expressed its thanks to Chisholm and to the Radio Station for making the programs possible.

1. Driven 5 Years in 10 Weeks! For 70 days, six brand-new cars raced over the broiling Mexican-border desert at 60 m.p.h. . . putting amazing new Conoco Super Motor Oil to one of the most punishing tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts. Startling proof—factory finishing marks were still visible on piston rings!

2. New-Car Mileage! This rugged road test—equal to 5 years' normal mileage—proved that Conoco Super Motor Oil, with proper crankcase drains and regular care, can keep your new car new! Gasoline mileage for the last 5,000 miles of the test-run was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon!

3. New-Car Power! Quicker Starts! Yes—Conoco Super Motor Oil's extra protection keeps that factory flash . . . that showroom smoothness . . . year after year! Iron, Refrigerator Popular Appliances in Texas Houserold

The most popular electrical appliance in the Texas home this year will be the iron, with the refrigerator a close second.

Annemary Morgan, consumer research director of Perma Starch, Inc., studying the homemaking habits of American women in connection with the introduction of a new synthetic starch which stays in clothes through many washings, finds that 1,552,320 electric irons of all types will be in use in Texas by the end of this year. The total for refrigerators is expected to reach 1,504,264.

She also estimates that 916,168 washing machines will be making laundry easier in the Lone Star State by the end of 1950, and that an array of 85,504 ironers, or mangles, will help, too.

"Women have been keeping house on a more or less civilized scale for better than 3,000 years," Miss Morgan's report notes, "but in the last few decades mechanical ingenuity and laboratory know-how have produced devices and products that have lightened her burden more than all the previous ages' advances put together." The first electric washing machine—a primitive one by present standards—appeared during the first ten years of this century; the first electric iron arrived just as the 1900's dawned.

Mathews, Phil Adkins, J. C. Hibbin and Jimmie Brittain.

Mr. Spann was married to Miss Eva Renfro of Altus, Okla., on May 27, 1924, in Lubbock. The couple went to Eldorado, Okla., where they were both members of the faculty of Midway School. Mr. Spann was superintendent of Midway School for four years, and Mrs. Spann taught in the intermediate grades.

They came to Texas on June 4, 1926, and farmed three miles northeast of Littlefield for six months. Then they purchased a farm three and a half miles southeast of Littlefield and lived there permanently.

Plan Farm Dinners

Officers announced that two "farm dinners" are scheduled. Tentative plans are being made to hold one in April, and the group will definitely have one in May. The farm dinners will follow the same plan used last year, with local businessmen joining county farmers for a meal served by a home demonstration club.

President Hardy Shelby presided at the meeting Monday evening. Sixteen members attended the dinner and business session which followed.

market quality and win trips to Fort Worth.

Businessmen, farmers and other interested citizens from throughout the county are invited to attend the stock show from 9 a. m. to noon Monday, the Chamber of Commerce, sponsors, announced.

Pat Mann, chamber manager, announced the following schedule of events:

Sunday—Animals will be at the P. I. 6 81 Annual Stock Show Judge To Classify Lamb County Fair Grounds not later than 6 p. m.

Monday—Animals will be classified at 9:30 a. m. Ribbons will be presented and the animals will be loaded immediately following the classification. The animals and boys will leave for Fort Worth about noon or as soon thereafter as possible. The group will stay at the Westbrook Hotel in Fort Worth.

Tuesday—The group will spend the day at the stock yards in Ft. Worth.

Wednesday—Boys will see their animals after they return home dressed and will return home Wednesday. Anyone in the party can be contacted at the Westbrook Hotel while they are in Fort Worth.

ested in coming to his office in Littlefield.

Details of cost of service per month and installation charges will depend on the number of subscribers. The initial application fee is \$5, and "that's" the most any farmer could lose if the organization plan doesn't go through," Carl said.
