

Santa Arrives Today!!

That was the word received Wednesday as the season's first snowfall fell in Lamb County. A special North Pole Press Service bulletin announced that Santa was scheduled to arrive in Littlefield at 5 p.m. to-

Local youngsters were beginning to wonder when ole' Saint Nick would make an appearance here, and the snowfall paved the way for Santa to stop by Littlefield, Santa will be met by Police Chief F. A. Fitzgerald

tion. The Littlefield High School band will greet Mr. Claus at the fire station and lead a parade down Phelps

Ave., starting at 5 p.m. Santa will ride in the big fire truck behind the band and will have a big bag of candy to toss to children in the street along the way. The jolly old fellow will have four little helpers on the truck.

In connection with the big event, local merchants have declared a "family night" downtown and most of them will remain open until 9 p.m. Santa will visit in the stores until closing time, it was announced by Jim Joy-ner, chairman of the retail

The family night affair is part of the big Stockin' Fes-tival days in Littlefield. Stores will offer special values on Christmas gift items, and merchants invite Lamb County and area residents to "come to town and bring the kiddles" for the special attractions.

Santa will have plenty of candy to distribute to the youngsters, it was reported by Joyner. Mr. Clause will be going from store to store and visiting with youngsters to hear their requests for special Christmas gifts. Santa's parade will start from the fire station and is expected to stop a block from the Lubbock-Clovis highway. The LHS band will play a number of songs in

tribute to Santa's visit.

For those who haven't seen them yet, downtown windows are decked out in special Christmas decorations. The annual parade of windows sponsored by the Ministerial Alliance has drawn 19 entries. Empty store windows are now filled with attractive Christmas displays.

ers turned out to cast

The 21-inch monster that set up the Oswald slaying, in part-nership with the Dallas police, will do well to let justice take its course alone from here in, if justice is yet possible.

Only in the past five years or so have still cameras been allowed in courtrooms, and still are barred in most or closely regulated to inactive periods of a trial. The basis for this is that an accused person has a right to the most unbiased trial possible. This is a most vita! tenet of our judicial system and is not to be tampered with even in the case where national television audiences were eye witnesses to the crime.

Ruby may elect to plead guilty, and surely Dallas county of-ficials hope he will. There has been much money pledged to Ru-by's defense and a skillful defense lawver can employ unlimifinance increased wel- ted means to extend the hearing

> Almost everyone in Lamb county was an eye witness and, presumably, could be summoned to testify. As one observation went, prospective jurors can come only from homes for the blind. The possibilities are without limit.

The best thing for Texas -and Dallas, especially -- is to get the trial along as efficiently as possible, without adding another Roman spectacle with Kleig lights to already infamous and tragic circumstances.

TODAY'S TEXAS STORY:

A pair of cowboys had been on the trail for two days with a herd of cattle, two days without men or animals seeing or drinking water. At last they saw

Frigid Blast Chills County

Winter's first major punch of the season left an icy blanket over Littlefield and Lamb County Wednesday and dealt a glancing blow to the cotton har-

The "cinderella" fall and winter weather continued to hold up, however, as the weathermen predicted the frigid blast would keep farmers out of the fields for only 36 to 48 hours.

Reports from over the county indicated that cotton harvesters would be back in the fields by Friday, some possibly by Thursday afternoon.

Around Spade and to the north showers fell Tuesday morning, wetting cotton more than the limited sleet and light snow that fell generally over the county. But harvesting can getback in motion in the rain areas by Fri-

day, farmers estimated. There was optimism over the moisture, tempered by the hope that it would not be followed by more, "It will make cotton gin out better," said Horace Woodward at Amherst, "A lot of our cotton was too dry for good harvesting or ginning." Another plus feature is in let-

ting gins catch up some with the harvest, that has been moving at a record pace the past 10 days, and will free much-needed

Farmers generally have been scrambling for trailers to handle the crop's flow to gins, which are from 500 to 2,000 bales behind over the area.

An icy mist started falling Tuesday night, leaving streets glazed and making drving haz-ardous. Snow begin to fall during the night and the ground was fairly well covered Wednesday morning.

Temperatures dropped to a low of 12 degrees between 7 and 8 a.m. Wednesday. A strong wind whipped the snow around during the night. The weather forecast was for more cold weather and possible snow or sleet through today.

TREE FOR HIGH SCHOOL -- The National Honor Society at Littlefield High School had some help on its Christmas tree project this year lips, Judge Bills, Molly Abeyta and Richard when Judge E. A. Bills presented the club with Funk looking over their tree. The three stutheir choice of a tree from the Band Booster dents are NHS members.

Construction Underway On New High School

Monday as Littlefield's new high school began a modest rise from a vacant tract at W. 10th and Sun-

A pleased school board took note of the fact during a regular meeting Monday night and, after looking over a financial statement, reported the school was well within its budget on the new construction project.

Supt. Glenn Reeves said the board had considered holding a ground-breaking ceremony on the \$527,689 structure, But when it appeared a formal dedi-cation might slow down the start of the work, trustees decided to

pass up the ceremony.

The board approved a request from the city and state, grant-ing an additional 10 feet of rightof-way while okaying final street dedication Monday night. The state and city wanted the rightof-way in case a four-lane highway should be installed some

time in the future. Trustees selected a "seafoam green" tile for the new high school gym during the session. It will extend about 5 feet up the walls. They had previously se-lected 2-tone buff bricks for the exterior of the new high school

in other business, trustees appointed a textbook committee, heard a report on school counseling and guidance from coun-

fective Dec. 1. Sanders indicated the committee had several dozen applications from qualified men.

committee was due to begin a screening process this week and select candidates for personal interviews. "Members of the selection committee feel that we'll have our new manager by the start of the new chamber year in Fe-bruary," Sanders stated.

There were no formal cere- | selors David Tullis and Edwin monies, but ground was broken | Hall, and discussed a resolution supporting a state school in Lubbock.

The board will rehire teachers at its February meeting and administrators at its lanuary meeting.
The report from Tullis and

Hall was for informative pur-

poses. Other departmental reports might be heard during the school year, Reeves said. The board took no action on the resolution concerning the state school in Lubbock, Civic leaders and businessmen from Lubbock asked the board to con-

sider passing a resolution, but trustees declined until they can

determine Levelland's desire on

Reeves said the board indicated they would support Lub-bock's bid for the state school for mentally retarded if Levelland does not seek support.

Named on the committee to investigate and select textbooks to recommend for adoption in the schools: Chairman Glenn ReeLynn, Mrs. Daphene Smith, Robert McDonald, Jay Bridwell, Tommy Brawley, Edd Ray, Beryl Harris, Mrs. David Tullis, Mrs. Lou Driskill, Mrs. Martha Gerber, Dave Tullis, Don Hayes, Mrs. Dan French, Mrs. Al Chambers, Paul Jones, Mrs. Erma Fields , Mrs. S. E. Ayres, Mrs. Ruth Badger, Mrs. Lucille Betts, Bob Martin, For-

mes Pirkey, Rex Gilstrap, Mrs. Evelyn Kisner, John Howle. Bids on the new high school were awarded Nov. 14. General contract was \$424,850 to Bennett Construction of Lubbock; mechanical was \$63,580 to O. W. Chisum Co. of Lubbock; electrical was \$39,259 to City Electric of Littlefield.

rest Martin, Pat Goodwin, Ja-

Funds for the total \$527,689 were provided in an \$800,000 bond election approved by district taxpayers early this year. Other school improvements and a new junior high field house, now near completion, were in-cluded,

Mrs. Jerry Foust Killed In Crash

Paris, and Miss Rae Dean Jackson of Hobbs; and her grandmother, Mrs. Jeni Jackson of Mesa, Ariz.

The fatal crash, reported at 7 p.m. Sunday, occurred about two miles northeast of Lubbock on US-84. A highway patrolman reported the Foust's 1963 model ward Lubbock. It appeared the was married Dec. 2, 1962. Mrs. lesco, 40, was headed southeast and attempting a left turn when the collision occurred.

Foust's car skidded some 70 feet before striking the right side of the 1958 model Villesco vehicle. Most of the 12 persons in the Villesco car were thrown from the vehicle. A 4year-old girl and 7-year-old boy were killed.

Bid Opening Set In City

Bids were scheduled to be opened at 10:30 a.m. today at City Hall for two major phases of the water improvements system approved in a Nov. 19 bond

Bid items today include in-stallation of some 72,000 feet of 21 and 24-inch pipeline from the sandhill water field to the city, and some enlargements of the city distribution system.
Two 500,000-gallon storage

tanks -- a ground storage tank located along the new pipeline and an elevated tank in the city-are included in the project. Money from the \$938,000 in

bonds is not available yet, but the time interval will enable the successful bidder to order ma-

ber bond election was \$148,000 in tax bonds for storm sewer ved bills and received regular improvements on US-84 with-

Mistrial Declared In Rape Case Here

A 154th District Court jury they were deadlocked at 6-6. reported it was "hopelessly District Judge Pat Boone Jr. deadlocked" Wednesday morn-sent the jury back for further ing after deliberating evidence in a rape trial which started

Tuesday morning. The rape case was moved here from Parmer County on a change of venue. Defendant in the trial was R. G. Sparks, 47, who farms near Bovina. He hadbeen char-ged with the rape of his 14-year-

old stepdaughter.

The trial got underway at 9

However, foreman F. D. Clay-ton announced at 11:30 a.m. that the jury was "hopelessly dead-locked" and Judge Boone dis-missed the jury and declared a mistrial. A new trial is sche-duled here Feb. 12.

Sparks had previously been convicted and assessed a 30-The trial got underway at 9
a.m. Thesday, and the charge to the jury was made about 7 p.m. The jury deliberated overnight and indicated early Wednesday ted the defendant a new trial on

Sparks has also been indicted for the rape and incest of another stepdaughter who is 17 years old. A defendant can only be tried for one act at a time, and the other indictment

or previous trials cannot be in-troduced in the trial. Jack Young, district attorney, was prosecutor in the case, and Clifford Brown of Lubbock was

defense attorney.

The 14-year-old girl, now living in California, testified in court that her stepfather forced her to have sexual relations on Feb. 12, 1962. She further tes-

her if she told of the incident. The girl said she told an older sister, but it was June 30, 1962 before they told their mother and the charge was made. Their mother filed for divorce

and brought the rape charges into court at that time, Sparks drew a 30-year sentence at Farwell in December, 1962, but won an appeal for a new trial, Sparks testified that the al-leged incident never took place and claimed that it was a scheme between the girls and their mother to take his pro-

Mrs. Nelson's recipe for Persimmon Pudding follows:

PERSIMMON STEAM PUDDING

3 cups persimmon pulp (about 9 tame persimmons)

3 cups sugar 3 eggs 3 cups flour

3 cups chopped pecans 3 cups raisins 1 1/2 teaspoon cinnamon

/4 teaspoon salt . tablespoon soda

tablespoon butter Beat eggs, add sugar, persimmon puree, butter (or margarine), spices, salt and soda. Mix well. Add nuts and raisins. Steam for 2 1/2 hours in German Bundt pan or tube cake pan at 350 degrees. This pudding is very moist and is ideal for freezing. Or it will mellow as does a fruit cake. Serve with rum or brandy sauce.

pkg. creamy white frosting mix 1/4 cup cream (perferably sour) 1/2 stick margarine rum or brandy flavoring

Melt margarine and cream together, stirring to prevent sticking. Remove from fire and stir in frosting mix. If too thick add boiling water a small amount at a time. Add flavoring to taste.

Edgar McCanlies, F. L.C. 421 E. 16th Street Phone 385-4304 Littlefield, Texas

No Limit

J. E. Chisholm Jr., Littlefield florist, is experimenting on a switch from pot plants to tomato try the raising of tomatoes

for commercial purposes. He has 1200 tomato plants in ject as "still in the experimen- the greenhouses just outside tal stage," but he thinks it has town, and plans to set about 800 more plants soon. He's harvesting about 50 pounds of tomatoes a day at present, with local groceries and restaurants taking most of the fruit.

Chisholm has three varieties of greenhouse tomatoes, and s merely a side project which hows promise of being a year-round wholesale business.

Chisholm had been raising pot large for which had been raising pot a result of the formation of the whole had been raising pot a result of the formation of t Pierson varieties.

The plants recommended for greenhouses are yielding larger clusters and more uniform to-matoes, but Chisholm will take a long look before he switches entirely to the "under glass"

Chisholm plans to have an 8month season on the tomatoes, taking off three months in the summer to clean out the green-house, sterilize the soil and put in fresh plants, "You have to clean out sometimes, and the demand for tomatoes is slower in the summer," he explained.

tical, with a minimum of 60 and maximum of 90 degrees recommended for growing the fruit. One big difference in raising the plants under glass is that hand

pollimation is required.

When the yellow blossoms come out, they must be tapped or shaken every day in order for pollination to be effective. Mother Nature takes care of this with wind on outside plants.

From planting time to the first blossoms requires about 45 days, and it is another 45 to 60 days until the fruit ripens. The latter stage depends on the variety of tomato, most needing about 60 days, according to Chis-holm. He pointed out that he never uses harmful sprays on the tomato plants.

Chisholm needs only one or two men to watchover the tomatoes, where half a dozen or more were needed in the pot plant operation. He has about 18,000 square feet of space in the greenhouse outside of town.

With tomatoes retailing from 45 to 55 cents a pound, it would appear the demand for the fruit not sure how his operation will and azeleas. prove out on the financial side, but he adds that it "is real in-

Chisholm, a bachelor, star-ted in the floral business here in 1936. The closest market for cut flowers was Fort Worth and many came from Denver. Colo. Chisholm put in greenhouses and started raising his own cut flowers and pot plants, and he now raises about 90 percent of them.

He was located on Phelps Ave. from 1935 to 1942, then moved to his present location. He has since added on to the building, both on display space and green-house area. He has about 10,-000 square feet of greenhouse area in his floral shop.

With the Christmas season approaching, Chisholm has necessarily spent most of his time in the floral shop. The shop has been busy turning out holicenterpieces, flocked Christmas trees and other decorations.

Basic cut flowers raised in the greenhouses are carnations, roses, chrysanthemums, and snap dragons. All kinds of pot plants are raised and vary with the seasons. Popular at prewould be good. Chisholm is sent are poinsettas, cyclamens

STOCK CAR RACING:

2-to-1 margin for Ford 2-to-1 margin for Ford Ford is king of NASCAR company has the NASCAR Achievement Award to prove it. In the '63 season, special Ford entries won every single race of 500 miles or longer, scored nearly twice as many points as any other make. 500-mile races are the ultimate test of inherent durability and dependability in two other major stock car racing other major stock car racing associations IMCA and MARC Ford drivers have wrapped up the 1963 championships.

SPORTS CAR ROAD RACING:

Ford V-8 power is the new king is the new king term the Cobra with its special Fairlane engine emerged as the overwhelming leader in one short year. Cobra won the coveted Manufacturer's Trophy in SCCA Class A Production competition by so wide a margin no other cars—U.S. or foreign—were even in sight. And in the two major tests this fall, the Laguna Seca and Riverside races the new King Cobras dusted off the top "unlimited" cars from all over the world. RALLY COMPETITION

Manufacturer's Championship Products of Ford Motor Company and its world wide affiliates won the 1963 Manu-facturer's World Rally Cham-pionship. Ford's rally year pionship. Ford's rally year began when two specially equipped falcon V-8's startled the automotive world in the brutal 2500-mile Monte Carlo Rallye Other special Falcon V-8's triumphed in Holland's famed Tulip Rally, and ran away with the Manufacturer's Team Prize in the 4000-mile Trans-Canada Rally Ford ends an era

Advanced Ford engineering smashed precedent in the classic Indianapolis 500. The first time out a light alloy version of the Farriane V-8 design in a Lotus chassis finished second. And the next time in the Milmaukee 200 it ended the reign of the traditional "Indy" racing car by leading every foot of the way from start to finish.

PERFORMANCE & ECO

The Mobil Economy underscored Falcon's vilong reputation for their Falcon scored first in Co (medium engined compa And the Pure Oil Perform Trials brought laurels to big Fords, which walked with overall wins in Class and II for total performs (economy, acceleration braking)

√ 1964 Result:

TOTAL PERFORMANCE INSPIRES THE TOUGHEST **SMARTEST CARS FORD EVER BUILT!**

Fords have changed—and that's the real reason behind Ford's racing successes. We're now making the longest lasting, best handling cars in our history. The things we've learned from the specially equipped cars we enter in open competition have helped make

The inherent qualities that make the vic-

torious racing car—road-holding, braking, durability, precision control, resistance to vibration—also make a car safer, stronger,

and smoother for highway use.

But prove it to yourself. Take the wheel of and new Ford. Five minutes on the road will sow you the kind of total performance

Gump In 2 Matches

The Shiek returns to the Littlefield Sports Arena Saturday night in a feature match of the

big double main event card. The Shiek takes on young Harley Race in the main event, a best 2-of-3 falls with an hour's

The first main event will be a tag team match. Dory Funk, Jr. and Ricky Romero team up to clash with Joe Gump and the Great Dane in a best 2-of-3 falls with an hour's time limit. The Dane will be making his second appearance here as he teams up with Gump, the big Canadian

wood chopper.

Opening the night's action at 8:30 will be a match between Gump and Dory Funk, Jr. It will be i-fall, 15-minute time

out a 34-33 triumph. Two Lit-tlefield starters fouled out of

the game to hurt the attack.

Tim Tapley and Edward Moore hit 11 and 8 points, res-

pectively, to lead the Wildcat freshmen. Phillip Pace and Gary Conway fouled out of the game early in the fourth period.

Littlefield led by 19-17 at halftime and held a 29-25 lead

when it lost a couple of star-The 8th grade team posted a 27-21 victory over the Dimmitt 8th graders. Littlefield jumped

to a 10-0 first-quarter lead and was never headed.

Kevin Hutson led the attack with 10 points and Mike Richardson chipped in 6. Littlefield built up a 20-7 lead at halftime and re-

serves took over with the score

Rushing Fires Hole In One

Carl Rushing of Anton scored golfer's dream at Littlefield Country Club recently, firing a coveted hole-in-one while playing with Steryl Harmon and Bob Wolf.

The ace was collected on the 135-yard No. 5 hole at LCC on Nov. 27. Rushing hit the ball with a 7 iron, driving into a slight wind. The ball hit about a foot pass the cup, but a backspin caused it to roll back into the cup.

By shooting the ace on a par 3 hole, Rushing was able to record a fine sub-par round of 67. It was his first hole-inone after about 10 years of play-

ing golf.
Rushing is a consistent fine shooter, however. He was a runnerup in the club tourney last year in the championship

Red Raiders Host Alabama

LUBBOCK -- Texas Tech's basketballers, afterplaying four successive games on the road, launch a three-contest home stand beginning Saturday night. Following the clash with Uni-

versity of Alabama here this week-end, the Red Raiders are hosts to University of Oklahoma Tuesday night and Auburn University Thursday night. Freshman games will precede

NEW CHEVELLE! BY CHEVROLET

The kind of go-6 or V8-you'd expect from one of Chevy's great highway performers. Come on down and drive it.

Now-Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000pound range. Then built four lusty engines-two sixes and two V8's-with output all the way up to 220 horses*! And if that makes you think this is one frisky car,

you've got the right idea. You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in

traffic and very easy to park. With its Full Coil suspension, it's got a ride CHEVROLET that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps. And the fine hand of Body by Fisher craftsmen shows

up beneath this one's suave good looks, too. Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models-convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the

new Chevelle comes at an easy-to-take price! Like to hear more? The listening's wonderful at your Chevrolet dealer's-and so's the driving.

See five entirely different kinds of cars at you. Chevrolet Showroom -- CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

Seniors Take Exams At SPC

A number of members of the senior class were in Levelland Saturday to take the college entrance examination. The tests were given at the South Plains Junior college. Those going were Candace Mudgett, Linda Williams, Kandy Miller, Dyanne Curry, Richard Rogers.

The Band Parents organization met Thursday evening for the regular monthly meeting

ter of invitaton received by the band to attend the Seven Flags Band Festival in May. Also recordings by the Tech band were played during the meeting.

Mrs. Marvin Tollett and Nancy Williams were in Lubbock Saturday to attend the district meeting of the Future Teachers

of America. Nancy participa-ted in the Miss FTA contest. The WMU of the First Baptist Church is observing the Week of Prayer for Foreign Missions and meetings are being held daily at the church. The program theme for the week is 'Crown Him, Lord of All'. Mrs. Homer Morris, prayer chairman, led the study Monday afternoon. Others in charge of the daily programs include Mrs. Halbert Harvey, Mrs. L.

Mrs. Orville Hill and baby were confined last week to the hospital in Amherst. Janice Mathews, who is at-tending school in Anton, was home during the weekend to visit her mother and grand-mother, Mrs. Johnnie Mathews

Littlefield.

and Mrs. W. O. Wright.
Among those in Fort Sumner last Tuesday to attend the funeral services of Mrs. Fred Weaver, mother of Mrs. Martin Maxwell and grandmother of Raymond Maxwell, were Mr. and Mrs. Jinks Dent, Mrs. Otis Markham, Mr. and Mrs. Joe Fisher, Mr. and Mrs. Quinton

ch, and Mrs. J. P. Arnold, Sr. Ray, Mr. and Mrs. Jerry Ray, Plainview recently.

Mrs. W. O. Eddins was con- Mr. and Mrs. E. W. Parmer, The Wacs of the fined last week to a hospital in Mr. and Mrs. Dail Burnett, Mr. and Mrs. Charles Dagan, Mr. and Mrs. M. E. Blake, and Mr. and Mrs. Wayne Swart.

The Sudan Sewing club will meet Thursday in the home of Mrs. Gilbert Masten for the annual Christmas luncheon.

Mr. and Mrs. Ronnie Gatewood have a new son, born Sunday morning in the Amherst hospital. He weighed nine and onehalf pounds and has been named Ronald Stuart. Paternal grand-parents are Mr. and Mrs. Glenn Gatewood. Maternal grandparents are Mrs. Chris Parmer, Sudan and Earl Parrott Littlefield.

Rev. Frank Weir attended a this week.

F. Meeks , Mrs. R. E. DeLoa- | McCaghren, Mr. and Mrs. Ed | board of Ministerial meeting in

The WSCS of the First Methedost Church will meet Monday afternoon at 2 p.m. for the annual Christmas party. Appearing on the program will be Mrs. Matt Nix, Jr. and Mrs. S. D. Hay. Gifts will be exchanged and members will bring gifts for shut-ins.

Recent guests in the home of Rev. and Mrs. Frank Weir were her brother and wife, Mr. and Mrs. Bob W. James of El Paso. Mrs. Tom Wood has returned home after undergoing surgery in a Lubbock hospital last week.
