Soil Conservation Meeting Scheduled for Wednesday Night

Session to Be Held at Amherst High School

Purpose of Meeting To Help Develop District Program

An important meeting of the Lamb County Soil Conservation District will be held at the Amherst High School auditorium on Wednesday night, November 13, according to Assistant County Agent W. K. Frey.

Supervisors of the Soil Conservation District will mail out letters this week to over a hundred farmers, bankers, postmasters, ranchers, vocational agriculture teachers, home economic teachers, county officials and other public and private citizens who have been named on committees to help develop a district program and district work plan for the Lamb County district.

The meeting will be presided over by Howard H. Goss, field representative of the Texas State Soil Conservation Board, who will discuss the development of the district plan of work.

Frey says this meeting should be of the concern of all Lamb County citizens, and that the district supervisors hope for a good turnout of interested people.

Hereford-Lamesa Bus Line Hearing Set For Tomorrow

Littlefield to Be Connecting Point With Lubbock Bus

A hearing on application by the Texas, New Mexico and Oklahoma Coaches, Inc., for a franchise to operate buses between Hereford and Lamesa, a distance of approximately 138 miles, via Littlefield, will be held at Sweetwater tomorrow.

Representing Littlefield at the meeting will be E. C. Cundiff, secretary of the Chamber of Commerce.

The proposed bus line would operate along Highway 51 from Lamesa through Brownfield, Levelland, Littlefield and Dimmitt, to Hereford.

The petition sets forth the need for a north-south bus line to connect the above towns, pointing out that over 100 Texas Tech students come from this area and have no transportation to and from Lubbock.

Littlefield would be the connecting point between the new bus line and the one to Lubbock. Besides students, the line will take care of a lot of residents between Hereford and Lamesa who have heretofore been without transportation facilities. Also a number of transient laborers are imported to the area to be served each year.

Last Rites Held For W. F. Yarbrough

Funeral services were conducted at the First Methodist Church, Littlefield, Sunday afternoon at 3 o'clock, for William Flint Yarbrough, 83, who passed away Thursday evening at 7:15 o'clock, as a result of a heart ailment.

Rev. Jim Sharpe, former pastor of the First Methodist Church, Littlefield, but now of Colorado City, Texas, officiated at the service, assisted by Rev. Lee Hemphill, local First Baptist pastor.

Interment, in charge of Hammons Funeral Home, took place in Littlefield cemetery.

Active pallbearers were: Albert Finley, Ernest Brooks, Paul Simpson, Ben Lyman, Quinton Bellomy, and Sterly Johnson, while honorary pallbearers were: G. S. Glenn, F. W. Lichte, M. P. Reid, E. J. Foust, Jr., Elbert Yearly, M. P. Mills and E. J. Foust, Sr.

Flower bearers were: Misses Katie Mills, LaFern Hutto, June Wedel, Lois Humphrey, Zelma Huggins, Mary Helen Johnson, Virginia Harlan and Verna Lichte.

Mr. Yarbrough had suffered from a heart ailment for the past six years. About three weeks ago he suffered a heart attack, and members of the family were notified of his serious condition. They gathered at the home, and remained several days. Mr. Yarbrough seemingly rallied from the attack, and appeared much better, until he died suddenly Thursday.

Mr. Yarbrough was born September 23, 1863 near Troup, Smith county, Texas. He married Mrs. Yarbrough December 27, 1887, at Tyler, Texas, to which union were born seven children, of whom a son, J. C. Yarbrough, passed away in April, 1936.

Mr. and Mrs. Yarbrough would have been married 59 years in December of this year.

The Yarbrough family moved to the South Plains from Vernon, Texas, in 1926, locating four miles west of town, where Mr. Yarbrough farmed until 1940, when his physician advised him to quit working due to his heart condition. The family then moved to Littlefield, buying a home at 513 West Second Street, where they have continued to live.

Surviving Mr. Yarbrough are his widow; three sons and three daughters.

The sons are: R. G. Yarbrough of Vernon; Sid Yarbrough of four miles east of Littlefield; and G. D. (Gib) Yarbrough of Gardena, Calif.

The daughters are: Mrs. F. E. Budd of Los Angeles, Calif.; Mrs. R. F. Croom of Spade community and Mrs. E. E. Kelly of Compton, Calif.

Mr. Yarbrough is also survived by two brothers, T. N. Yarbrough of Cleburne and J. J. Yarbrough of Robert Lee, Texas.

All members of the family were present for the last rites excepting Mrs. E. E. Kelly and Mrs. F. E. Budd, unable to come on account of illness.

Other out of town relatives here for the funeral were: Mrs. J. C. Yarbrough and two children, Barbara Rose and Jimmie Frank Yarbrough, of Oklahoma City; and Mr. and Mrs. P. C. Owen of Stamford, Texas.

Lowest Temperature for Season Registered Here

The low temperature for the season was registered at 6 a. m. Wednesday, when the thermometer at the West Texas Gas Company recorded 30 degrees.

The low temperature came on the heels of snow and rain which fell here Monday and Tuesday, rendering a precipitation of a quarter of an inch.

Heavy snows were reported over the state of New Mexico and north from Amarillo, while heavy rains were prevalent in South, Central and East Texas. Some snow fell here Monday, but quickly melted as it fell, and a slow rain or mist fell here all day Monday and Tuesday, with skies clearing Wednesday. Monday a total of 13/100ths of an inch of moisture is reported, with 12/100ths of an inch Tuesday.

The temperatures for the past week registered here are: Thursday, high 84, low 60; Friday, high 76, and low 42; Saturday, high 72, and low 48; Sunday, high 46, and low 44; Monday, high 38, and low 34; Wednesday, low 30, and high 55.

Three Mexicans Lose Lives In Fire Monday

Three Mexicans are dead and three are patients in the Payne-Shotwell hospital suffering from severe burns as the result of a fire which burned their home in the Spring Lake Community Monday afternoon.

The blaze was said to be caused from gasoline, which Pedro Escobedo poured on a wood fire, which had been burning on an open grate made from tin. It is reported that when he poured the fuel on the fire that the gas can exploded, throwing the fire about the house.

Pedro Escobedo is receiving treatment for severe burns at the hospital. His wife, Mrs. Juanita Escobedo, 56, and their daughter, Maria Escobedo, aged 17, were brought to the hospital for treatment, but died later, Mrs. Escobedo dying at 8:30 p. m. and her daughter at 11:45 p. m. Monday. Ida Escobedo, aged 6, daughter of Mr. and Mrs. Mike Escobedo and grandchild of Mr. and Mrs. Pedro Escobedo, was burned to death in the blaze.

Joe Escobedo, another son, and Victoria Rios, friend of the family, who were also in the house at the time of the tragedy, are also being treated at the Payne-Shotwell hospital. However, their burns are not serious.

Funeral services for Mrs. Escobedo, her daughter, Maria Escobedo, and granddaughter, Ida Escobedo, were conducted Wednesday morning at 10 o'clock at the graveside in the Littlefield cemetery, with Father F. M. Higgins officiating.

The Escobedo family were transients here from New Braunfels, Texas, for cotton picking.

One thousand dollars in cash is reported to have also burned in the fire.

Three Precincts Report in County

Returns of most Lamb County boxes had not come in late Wednesday, but if two Littlefield boxes and one from Olton are any indication of the trend in all precincts, amendments one and three are certain for passage, while number two is doomed.

Apparently many voters were undecided on the amendments because the candidates received almost twice as many votes.

All the returns will probably be held up until today so results of the fourth amendment, creating a veterans' land board, can be added to the tally sheet. This election had to be held two days after the other one because of a clerical error in typing the official document.

Loan Cotton Pooled by Commodity Credit

All loan cotton for the years 1941, 1942, 1943, 1944 and 1945 that has not been redeemed has been or is being pooled by the Cotton Branch of the Commodity Credit Corporation and sold in accordance with the provisions of the Cotton Producer's Note and Loan Agreement. Sales of pooled cotton by the cotton branch commenced as soon as the pooling began. On final liquidation of all cotton in each pool, the net proceeds, if any, after deductions of all advance and accrued costs, including storage insurance and handling charges, will be distributed to producers whose cotton has been placed in the particular pool in proportion to their interests.

We understand that the greater part of the 1941, 1942, and 1943 cotton has been sold, but there still remains a small percentage of the cotton from these pools which must be sold. After the sale of each pool is completed, a period of time will be required in which to collect certain claims for damage against warehousemen, to establish the charges and credits to the respective pools, and to effect payment to producers for such equities as they may have.

The cotton branch expects to complete the sale of 1941 and 1942 pooled cotton and make settlement with producers during the current year. Additional time will be required for completion of the sale of 1943 and 1944 cotton. The pooling of 1945 cotton is just commencing.

For the information of interested producers, 1941 loan cotton must have been redeemed by September 15, 1943. The 1942 loan cotton must have been redeemed by August 15, 1944, the 1943 cotton by August 1, 1945, the 1944 cotton by July 1, 1945, and the 1945 loan cotton by October 1, 1946.

The grand jury in session at the courthouse in Littlefield Saturday returned indictments against James Lee Wood, Jr., and Derald Clint Draper on charges of robbery with firearms.

The arrests of these men followed the robbery of the McCormick Service Station early on the morning of October 11.

Plead Guilty

Wood and Draper were arraigned before Judge C. D. Russell in district court Saturday afternoon, and entered pleas of guilty. The court appointed J. R. (Billy) Hall to represent the pair when it was learned they were without counsel.

Each man received a sentence of five years in the state penitentiary.

S/Sgt. Dirickson To Attend School At Ft. Oglethorpe

S/Sgt. Herman A. Dirickson, in charge of the Littlefield Army Recruiting office, will leave November 15 for 30 days' training at the Fort Oglethorpe, Ga., recruiting school.

Will Vote on Bond Issue to Raise Funds of \$350,000

A hearing by the county commissioners' court on three petitions asking for construction of approximately 41 miles of farm-to-market roads in District 1-A was held at 10 o'clock Thursday morning in the courthouse.

The petitions, filed by three different groups of landowners in the road district, asked for a bond issue of \$350,000 to finance construction of the roads. According to the plan as outlined in the petitions, the bonds would bear an interest rate of 3 1/2 per cent, the payment of which would not exceed 25 years.

The petitions also asked that landowners have the opportunity of voting on the questions as to whether or not ad valorem taxes shall be levied on all taxable property within the boundaries of the road district. This procedure, if adopted, would be for the purpose of paying interest on the bonds and to provide a sinking fund for redemption of payment at maturity.

At the hearing the election was ordered for Saturday, Dec. 7.

Voting will take place at the following places:

- Spade Community — Spade schoolhouse.
- Littlefield—Courthouse.
- Sunnysdale — Weeks-Bagwell Gin office.
- Pep Community — Some residence in Pep to be selected.

The nine roads proposed to be improved are as follows:

1. The Pep road, extending from Highway 54 south to the Hackley county line, near Pep.
2. Beck Gin road, from farm highway 54 north toward Beck Gin, to north line of District 1-A.
3. Amherst south road, running from farm highway 54 north to north line of the road district to connect with a paved road north of Amherst.
4. Old Mueller place, connecting with the road described in No. 3, and going east to Federal highway 84.
5. Fieldton road, extending north from farm highway 54 to north line of District 1-A, toward Fieldton.
6. Spade to Anton road, going from Spade south to Lamb county line.
7. Yellowhouse Swith road. Extends from the Switch to the county line.
8. From Weeks-Bagwell Gin directly south to Lamb-Hackley county line.
9. A road beginning on Highway 51 at north part of Morris place, and going west to join with the Weeks-Bagwell Gin road going south.

Birthday, Wedding Anniversaries Observed At Family Reunion

A family reunion and anniversary dinner was enjoyed at the home of Rev. and Mrs. Lee Hemphill Saturday last.

The gathering was in observance of three events—

The 15th wedding anniversary of Mr. and Mrs. E. C. Nix, Jr., of Seminole, brother and sister-in-law of Mrs. Hemphill, which fell on Nov. 1;

The birthday of Rev. Lee Hemphill, which was Saturday; and

The 40th wedding anniversary of Mr. and Mrs. E. C. Nix, Sr., of Seminole, Texas, parents of Mrs. Hemphill.

For the dinner Saturday two tables were laid with white linen cloths, one of which was centered with white candles in red candleholders, and the other with red candles in crystal candleholders.

Baskets and bowls of beautiful fall flowers decorated the Hemphill home for the occasion.

A baked chicken dinner with all the trimmings was served.

The special two-tiered cake, beautifully decorated, was a work of art.

The bottom tier bore the inscription "40 years" around it; on the second tier was "Fifteen Years," and on the top, "Happy Birthday, Lee."

Gifts were presented to Mr. and Mrs. E. C. Nix, Jr., and Rev. Hemphill.

All members of the family of Mrs. Hemphill were present, which included her parents, Mr. and Mrs. E. C. Nix Sr. and brother and wife, Mr. and Mrs. E. C. Nix, Jr., and two children, Ann and Don, all of Seminole, Texas.

Other guests were: Rev. and Mrs. J. F. Nix of Abernathy, Texas, uncle and aunt of Mrs. Hemphill; Mrs. L. B. Rice of Shallowater, mother of Mrs. E. C. Nix, Jr., and Rosa Lee and Hilton Hemphill.

Friday evening at the home of Mr. and Mrs. E. C. Nix, Jr., four miles east of Seminole, open house will be held honoring Mr. and Mrs. E. C. Nix, Sr., with many of their Seminole and Lamesa friends invited.

Mrs. Hemphill will assist in this entertainment, and all the Hemphill family plan to attend.

Mrs. Nell Clark and Ivan H. Bullard Married Here

Mrs. Nell Clark, daughter of Mrs. N. N. Allen of Littlefield, and Ivan H. Bullard, son of Mr. and Mrs. B. B. Bullard of Canyon, Texas, were married in a beautiful single-ring ceremony here Saturday, November 2.

The very impressive ceremony was read at 8 o'clock Saturday evening by Rev. Weldon H. Meers, pastor of the Missionary Baptist Church, Littlefield, in the home of Mr. and Mrs. Odell Matthews, 123 West 14th St., Littlefield.

Large double windows of the living room formed a beautiful background for the candlelight wedding. Tall candleabra of 14 candles and baskets of white chrysanthemums and snapdragons stood on either side.

The candles were lighted by Mr. Odell Matthews, then the bride and groom entered with their attendants, Mrs. Odell Matthews and Mr. R. E. Prichard.

The bride was very becomingly attired in an aqua wool two-piece suit, with black accessories. She carried

a white Bible and handkerchief of white linen and lace. Her corsage was an orchid.

The matron of honor wore an aqua crepe dress with black accessories. Her head dress was of sequins and her corsage was of pink carnations.

The groom and his attendant wore dark pin-striped suits and buttonaires of white carnations.

Members of the immediate families of the couple were present.

The bride's mother wore a navy blue suit and a corsage of white carnations. The groom's mother was dressed in a black crepe dress and wore a corsage of white carnations.

Immediately following the ceremony a reception was held at the home of Mr. and Mrs. Matthews.

A vase of white chrysanthemums and snapdragons centered the refreshment table. The beautiful white-tiered wedding cake, topped with a miniature bride and groom, was cut by the newlyweds.

Mrs. W. D. Meers presided over the punch bowl, and the bride's mother, Mrs. N. N. Allen, served the cake.

After opening the many lovely gifts, the happy couple left immediately for Canyon, where they will be at home at 2302 Sixth Avenue.

Mr. Bullard is attending West Texas State College, Canyon.

Guests at the wedding and reception were:

Mr. and Mrs. B. B. Bullard and daughters, Merle and Jo Ann; Frankie Sneed, of Canyon; Mr. and Mrs. Charles Ashley, of Lubbock; Mr. and Mrs. Champion; Mr. and Mrs. Dub Wicker; Mr. and Mrs. Aubrey Miller, of Crosbyton; Mr. and Mrs. N. N. Allen; Mr. and Mrs. Odell Matthews; R. E. Prichard, Canyon; Linda and Donna Clark, Mr. and Mrs. Wayne Duffey, Mr. and Mrs. Roy Ferguson, Jr., and Rev. and Mrs. W. H. Meers.

Sending gifts but not attending were: Mrs. Betty Ward, Miss Alice Lamb, Mrs. H. R. Ferguson, and Miss LaJune Oxford.

Home of Mr. and Mrs. C. R. Kirk Destroyed by Fire

The four room residence of Mr. and Mrs. G. R. Kirk of one mile east of Yellowhouse Switch was destroyed by fire Thursday night about 10:00 o'clock.

Mr. and Mrs. Kirk and family were absent from home at the time, and returned from Anton where they had been for the evening, as the blaze which destroyed their home was warning.

They lost everything in their home, including furnishings and personal effects, with the exception of a dresser and washing machine.

Mr. and Mrs. Gus Maner were kind enough to open their home to the Kirk family, where they are staying until they can secure suitable living quarters.

The Kirk family has been very unfortunate through fire. A daughter was burned to death about two years ago; also during that same week they received word that their son was killed in the service. Mr. and Mrs. Kirk have been caring for their daughter's children, as well as their own family. They therefore, have a number of children to rear.

J. S. Redman and Billy Boley were making a canvass of the business section of Littlefield Saturday and taking donations to assist the Kirk family.

In an interview with a Leader reporter Saturday they asked that this newspaper point out that anyone wishing to contribute to this worthy cause may leave their contribution at the Yellowhouse Store or the Yellowhouse gin.

They also stated that this family would appreciate clothing, bedding, linens or cooking utensils, and that if anyone had any of these articles they cared to give, and it was impossible to bring contributions to the places outlined above, Mr. Redman or Mr. Boley would go after them.

A baby has been added to the family of Mr. and Mrs. Robert Masten of Sudan, named Robert Rollins. He arrived at South Plains Co-Op Hospital, Amherst, Saturday night, October 26. The couple also have two daughters, Marthana and Mary Lee Masten.

Miss Mattie Earl Savage, daughter of Mr. and Mrs. W. S. Savage, became the bride of Billy Warren Squires, son of Mrs. W. C. Squires, Friday in a quiet ceremony at the home of the officiating minister and uncle of the groom, Brother Jack McCormick, Church of Christ minister, on East Sixth Street, Littlefield.

sister of the groom; and Brother and Mrs. Jack McCormick and children.

The beautiful double-ring ceremony took place at 6 o'clock in the evening in the living room at the McCormick home, where a background of baskets and vases of beautiful cut flowers provided a fitting setting for the occasion.

Immediately following the ceremony, a wedding supper was given at the home of the groom's mother, for the bridal party, at which only the members of the immediate families were present.

The bride was charming in a dressmaker suit of light tan with ecru stripes, and black accessories. Her corsage was of white carnations.

After the wedding cake was cut by the bride and groom, and pictures were taken of the couple, refreshments of cake and coffee were served.

For "something borrowed," she carried a white Bible belonging to Miss Kathleen Squires, sister of the groom; for "something old," she carried a white linen handkerchief, the property of the groom's grandmother, Mrs. McCormick; and for "something blue," she wore blue earrings.

The happy couple left immediately following for Lubbock to make their home.

Present at the ceremony were: Mr. and Mrs. W. S. Savage, parents of the bride; Mrs. W. C. Squires, mother of the groom; Miss Kathleen Squires,

ular among the younger set of Littlefield, and have a large circle of friends who wish them much happiness in the years to come.

SATURDAY IS POPPY DAY IN AMHERST! MRS. ELLIOTT, IS CHAIRMAN

November 9 will be Poppy Day in Amherst and in thousands of other cities and towns throughout the United States.

Millions of Americans will pay tribute to the nation's war dead by wearing memorial poppies.

Millions will make contributions to aid war's living victims, and disabled veterans, and the families of the dead and disabled.

Preparations for the observance of Poppy Day in Amherst have been completed under the leadership of Mrs. Buck Elliott, poppy chairman of Wm. B. Rudd Unit of the American Legion Auxiliary at Amherst. Volunteers from the Auxiliary will be on the streets early Saturday morning with baskets of poppies which they will offer to be worn in honor of the dead of both world wars. They will continue to distribute the little red flowers throughout the day, endeavoring to give everyone in the city an opportunity to wear a poppy in memory of those who gave their lives for America.

The local poppy workers will be part of an army of more than 100,000 volunteers which will distribute poppies in the United States Saturday. All will donate their services for the day without pay. The only paid workers in the poppy program are the disabled veterans who make the flowers. The poppies to be distributed Saturday have been made by disabled veterans of both wars at Legion, Texas.

New Frazer and Kaiser Automobiles To Be on Display at Batson-Payne Motors

The new Frazer automobile embodies 1947 styling and engineering features designed to provide utmost passenger safety as well as comfort and "roadability."

Now on public display here for the first time, the Frazer is powered by a 100-horsepower, six-cylinder Continental engine developed by Continental and Graham-Paige Motors engineers. Of L-head design, the high-compression engine has aluminum alloy pistons with a displacement of 226 cubic inches, and a bore and stroke of 3 5/16 and 4 3/8 inches, respectively. The compression ratio is 7.3:1.

The new Kaiser Special and the 1947 Frazer, products of the Graham-Paige Motor Co., will be on display at the Batson-Payne Motor Company, Highway 84 west of town, Saturday, November 9, and the residents of this area are invited to attend the showing, and inspect the new automobiles.

An overdrive providing a smoother quieter ride with greater fuel economy, will be available as optional equipment on the Frazer. Other mechanical features of the new automobile include a forged counter-weighted crankshaft with four main bearings, rubber engine mountings and automatic choke. The S. A. E. horsepower is 26.3.

Mechanically conventional, the Frazer nevertheless embodies extensive improvements on the features which have made the American automobile the best in the world.

Among its safety features are wide, five-inch wheel rims which provide greater steering safety and stability on turns at high speeds. Increased visibility is provided by the two-piece 765-square-inch windshield, which is approximately 100 square inches larger than the windshield areas of competitive models. The pillar posts have been moved back, increasing the angle of the windshield and providing greater side vision for the driver.

In addition to the fundamental safety features of the all-steel body with safety glass throughout, rigid box frame, and large self-centering hydraulic brakes, the Frazer has entirely new type door handles which operate by gentle pressure on a "trigger" concealed in the inside curve of each handle. The door handles are designed so that there are no open ends to catch clothing.

Other interior appointments include a smartly designed instrument panel and attractive two-tone upholstery.

Seat cushions are of air-foam rubber.

Providing unexcelled riding comfort and enabling the driver to maintain more perfect control at high speeds, longer-stroked shock absorbers have been incorporated into the chassis design. The front wheel independent suspension is effected through helical-type springs, while the semi-elliptic rear springs are rubber mounted with rubber inserts between the leaves.

Also providing for passenger comfort, the rear seat of the new automobile is located ahead of the rear axle, so that the passengers are seated in the best riding positions. The advanced location of the rear seat also provides greater storage space in the rear luggage compartment and makes possible unprecedented seating width.

Both front and rear seat cushions in the Frazer are 62 inches wide, with the door-to-door width 64 inches.

With a 123 1/2-inch wheelbase, the Frazer has an overall length of 203 inches, a loaded height of 64 1/2 inches and is 72 3/4 inches wide at the widest point. The front and rear treads are 58 and 60 inches, respectively, and the tire size, 15x6.50.

Test models of the Frazer have been on road and laboratory "break-downs" 24 hours a day for several months. Special tests included an extended trial run in the Great Smoky Mountains in Tennessee and North Carolina where hill climbing,

braking, acceleration and other performance factors were checked under extremely rugged driving conditions.

To Give Report At Baptist Meeting

DR. J. HOWARD WILLIAMS

The Baptist General Convention of Texas will have its annual sessions at Mineral Wells, beginning at 7:15 o'clock, Tuesday night, November 12, and running through a night session on Thursday. E. D. Head of Fort Worth is president of the convention. Other officers are: First vice-president, Forrest Feezor of Waco; second vice-president, Odell Jameson of Dallas; recording secretaries, D. B. South of San Antonio and Roy L. Johnson of Canyon.

Rev. Lee Hemphill, pastor of the First Baptist Church, Littlefield, and Mrs. Hemphill will attend the convention. It is also expected that a number of the church officers will also attend.

Texas personalities who will occupy prominent places on the convention program are: W. R. White of Austin, Carr P. Collins of Dallas, E. J. Gregory of San Antonio, C. E. Hereford of Corpus Christi, E. H. Westmoreland of Houston, W. H. McKenzie of Dallas, Forrest Feezor of Waco, Hal Buckner of Dallas, and Thomas J. Watts of Dallas.

Out of state speakers will be J. W. Marshall, Duke K. McCall, John D. Freeman, and John L. Hill of Nashville, Tenn., and Ellis A. Fuller, of Louisville, Ky.

C. E. Matthews, superintendent of evangelism for Texas Baptists, will present his report at the Wednesday night session. Emphasis is being placed on simultaneous evangelism. Under the current plan churches in a given area will engage in revival meetings at the same time. To date 107 of the 114 associational areas of Texas are committed to such concerted campaigns. About 2700 churches will participate in these simultaneous efforts during 1947.

Dr. J. Howard Williams of Dallas will climax the sessions when he brings the first annual report of his current tenure as executive secretary of the Texas Baptists on Thursday night. Dr. Williams will report a year in which accomplishments have outstripped all previous years in every phase of endeavor. He will report state office receipts for all causes totaling over \$3,500,000. This figure is more than three millions above the receipts in 1935. The World Emergency Relief Offering which has claimed recent Baptist attention has reached the staggering total of \$725,000 when Texas Baptists were asked to give only \$458,200. Preliminary reports from the churches indicate that more persons were baptized in 1946 than in 1945, which was the year of the Centennial Evangelistic Crusade.

Texas Baptists have experienced remarkable growth in the last ten years. In 1945 the churches raised \$18,796,270 for all purposes, as compared with \$4,282,609 in 1935. Memberships of the churches have grown from 599,793 in 1935 to 920,952 in 1946. It is likely that reports for

1946 will bring the total to a million. Church property values have increased by \$15,000,000 in the decade.

There will be two pre-convention meetings beginning on Monday, Nov. 11. One of these is for the men and the other is for women. It is anticipated that 10,000 messengers will attend the three meetings.

The Women's Missionary Union will have sessions at the city auditorium beginning at 1:30 p.m. on Monday and running through Tuesday afternoon. Mrs. B. A. Copass of Fort Worth is president of this convention, and Mrs. R. L. Mathis of Dallas is executive secretary-treasurer.

The Laymen's Brotherhood Convention, of which Grover C. Cole of Fort Worth is president, and L. H. Tapscott of Dallas is state secretary, will meet at the First Baptist Church beginning Monday night and closing Tuesday afternoon.

The Mineral Wells Chamber of Commerce announces that all hotel accommodations have been reserved but that preparations have been made to take care of up to 10,000 visitors in the homes of the city.

CHEAPEST COVER CROP
"Cotton and corn stalks can help keep fields from washing this fall and winter if they are cut down soon after crops are gathered. These stalks are the cheapest 'cover crop' because the only cost is running a stalk cutter or disk over them."—Alabama Extension Service.

GREATEST OPPORTUNITY
"There is no other fibre which has more opportunity to reduce its cost of production or to improve its usefulness and versatility through research than cotton."—Congressman Stephen Pace of Georgia.

GOOD INVESTMENT
"One of the best investments farmers can make is in planting winter legumes. On upland soils cotton yields have been increased from 300 to 500 pounds of seed cotton per acre, while on alluvial land cotton yields may be increased from 500 to 800 pounds per acre."—Louisiana Extension Service.

Anton Club Raises \$1482.80 For School Stage Improvements

The long advertised and long planned auction sale, sponsored by the Anton Lions Club was held last Saturday. The success of the scheme, which had as its goal the raising of \$1,000 to decorate the stage of the Anton high school, was so great and outstanding that no one group would think of taking credit for the success. Individual members of the Lions Club got out and solicited things to be sold. Finally, when the time came to start the sale, there was a wonderful collection of useful things to be sold.

This collection contained almost anything one might want to buy.

There being no professional auctioneer available, Clarence Matthews was urged to do the job, and he did a whale of a good job of it, too, and don't ever doubt it.

And to make the last link in the deal, were a host of good buyers who knew what they wanted and were willing to pay what it was worth. So when the final gong sounded and the last item had been sold, it was evident that proceeds of the sale, and the cash donations totaled \$1482.80—which was some sale!

Twelve pairs of nylon hose were given to as many ladies. Those who received the coveted gifts were: Mrs. Della McGrew, Mrs. Albert Ellis, Mrs. C. A. Thomas, Mrs. Irma Doha Haile, Mrs. Lynn Anderson, Marjetta Stephenson, Mrs. Roy Grace, Mrs. Clarence Matthews, Emma Lee Nelson, Mrs. Noyle Wood and Mrs. G. C. Reed.

Buddy Spears was the lucky boy in the drawing for the fine gilt.

The members of the Lions Club are grateful for this kind reception of their efforts by the people of the community, and we want you to know that every cent of it will be used for the community.

GEOGRAPHIC GROUP LOCATES AT SUDAN

A crew of approximately 26 workers has arrived in the Sudan vicinity to test land for oil strata, under supervision of F. W. Perrin, of the United Geographic Company, whose home offices are located in Pasadena, Calif.

The group will be there for approximately a year, he said, adding that their payroll and other expenses would run between \$10,000 and \$12,000 monthly.

Headquarters have been set up in the Cockerham building near the Sudan post office, and a tin building on the highway opposite Shannon's elevator has been rented as storage space for trucks and other vehicles to company employees.

According to Perrin, he expects to be operating in this area about a year. His crew is temporarily staying at Lubbock, pending location of housing facilities in Sudan. About seven families are in the group, and furnished houses or apartments are needed badly to accommodate them.

RETURN FROM DEER HUNT

A group of four Sudan deer hunters—Rosy Greathouse, Choc Blanchard, Logan Lynch and Claude Wiseman—returned Tuesday night of last week from a hunt in the area of Durango, Colo., with three kills to their credit.

Chock is credited with having bagged a 12-point buck, Rosy a fawn, Claude a doe, while Logan drew a

blank and returned with an empty sock. Wiseman plans to have the head of the buck mounted and will place it on display in his drug store.

Prospects Good For World Peace Says George Mahon

Congressman George Mahon was guest speaker at the Littlefield Rotary Club's regular weekly luncheon meeting Thursday.

Mr. Mahon spoke on world peace, stating that he thought the prospects were good for world peace, adding: "I believe that all the controversies among nations is a healthy sign, and that we will work out our problems without another war. These battles of words is rather disturbing, but we would rather have battles of words than with bullets. I think that Russia and America will come to some kind of agreement that will be reasonably satisfactory."

Mr. Mahon was in Littlefield to attend the Rotary luncheon and to visit many friends here in his program of making a trip over his district, and finding out the needs of the people.

From Littlefield Mr. Mahon went back to Lubbock, where he maintains an office; and this week is visiting Floydada, Levelland and Plainview.

Mr. Mahon also said he was very optimistic about conditions over this area, stating that crop prospects were

much better than he had anticipated they would be and that the recent warm weather has helped tremendously.

The congressman will return in December to Washington for the session that begins January 3.

CHRISTIAN SCIENCE SERVICES
 "Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 10.

The Golden Text is: "If by one man's offense death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by

one, Jesus Christ" (Romans 5:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For as by one man's disobedience many were made sinners, so by the abedience of one shall many be made righteous" (Romans 5:19).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The harmony and immortality of men are intact. We should look away from the op-

posite supposition that man is created materially, and turn our gaze to the spiritual record of creation, to which should be engraved on the understanding and heart, 'with the point of a diamond' and the pen of an angel" (Page 5521).

The home was decorated with garden flowers, dahlias and chrysanthemums.

The bride was dressed in a two-piece white suit with black accessories and a corsage of red roses.

Miss Ethel Shattuck, sister of the groom was maid of honor and Carl Sanders was best man.

A short reception was held in the home with Miss Opal and Floy Mae Nixon, roommates of the bride assisting.

Miss Jean Matthews and Don Bullock Exchange Wedding Vows

MRS. DON BULLOCK

Miss Jean Matthews, daughter of Mr. and Mrs. T. L. Matthews of Littlefield, became the bride of Mr. Don Bullock, son of Mr. and Mrs. Corbett Bullock of Plainview in a beautiful church ceremony here Sunday morning.

The couple exchanged wedding vows at the First Baptist Church at 8:30 o'clock, with Rev. Lee Hemphill, pastor, officiating, before an altar banked with greenery and flanked by baskets of chrysanthemums and fern, with white tapers burning in silver candelabra.

Mrs. E. J. Packwood sang "Always" and "I Love You Truly." Miss Linda Matthews played the "Glockenspiel" and Miss Nina Jo Dunn played the traditional wedding marches.

Miss Tommie Lou Matthews, sister of the bride, lighted the candles. The bride, given in marriage by her father, wore a tan suit with brown accessories, and carried a white Bible topped with an orchid.

Mrs. Jesse Savage, sister of the groom, of Plainview, was matron of honor. She wore a gold suit with brown accessories, and a corsage of yellow rosebuds.

For "something old," the bride wore a string of pearls, a gift of the groom from Japan some time ago; for "something new," a new suit; for "something borrowed," she carried a white Bible belonging to her sister, Tommy Lou; and for "something blue," the traditional blue garter.

For good luck, she wore a penny in her shoe.

Only relatives and close friends of the couple attended the ceremony.

The bride is a graduate of the West Texas State College, Canyon, with a degree in home economics. She was a member of Kappa Tau Phi sorority while attending college.

The groom received his discharge from the Navy in July last, and is attending Lippert's Business College, Plainview.

After a short honeymoon, the couple will be at home at 305 East Fourth Street, Plainview.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Cats Blast Abernathy 65-0; Are Idle This Week

Fee Is Helpless Against Faster Local Backs

Penalties Nullify Two TD Jaunts By Carter and Davis

Team names were of little significance at Abernathy last Friday night when the Wildcats of Littlefield ran like deer to pile up an overwhelming 65-0 score over the Antelopes.

Penalties against Littlefield marred a couple of beautiful touchdowns jaunts, but the Cats scored so often there just wasn't any stopping them.

Abernathy kicked off to speedy Gene Carter, who stood waiting for it on his five. Starting to the right and reversing his field he outraced

the entire Antelope team all the way in as pretty a run as ever displayed on any football field.

But somebody had been offside and the ball was called back for a penalty and another kick. This time the Cats advance almost to midfield before Abernathy took over on an intercepted pass.

A couple of plays later Abernathy fumbled and the Cats fell on the ball en masse on their own 48. On the next play Carter waved goodbye to his teammates and "snakehipped" his way through all the Antelope team except the safety and outran him for the touchdown. Travis Price's toss to Jack Davis was no good making the score 6-0.

Abernathy took the kick, but could not do anything on a try at the line. On second down they flipped the oval into the waiting arms of Jackie Shelby standing on his own 47. A couple of Antelopes pounced on him, but he managed to fall a couple of yards to put the ball in play on the 49. Hendrickson didn't find the hole he expected on a reverse and only plugged

the pigskin a couple of yards.

Another 15-yard penalty put the Cats back to their 37. Carter wormed his way to the 50 on the next play. Price picked up 10. Then Hendrickson found his stride and plunged 21 yards to the 19. Carter fumbled a pass from center and an Antelope hopped on it to stop the Cats one of two times during the fracas.

The locals began their second touchdown drive from the Abernathy 33. Hendrickson raced off tackle for 25 to the eighth.

Carter had a hard time getting to the five. Price, who can run as well as throw, picked up four more to be stopped on the one foot line. He made it on the next play. Carter's kick for extra point was good giving the Cats a 13-0 lead.

Price kicked off to the Antelopes, who as usual, spent three downs trying to penetrate the superior Cat line then kicked to Price. He let the ball die on his 40.

On the first play Price dropped back to toss one to Carter good for 60 yards and another score. Carter's kick went wild making the tally 19-0.

Abernathy's first play after the kickoff was another pass which went into Carter's arms on the 50. He was off for the distance to the zero marker and the fourth score of the evening. Again his kick for point was wild leaving the score 25-0.

A few plays later the half ended giving Coach Fike's race horses time for a coast for a second half which was to produce more scores than the much too one sided first.

Carter kicked off opening the last two periods. The Antelopes ran their three plays and punted. Taking the ball on his 48 Carter went to within inches of a first down. McCanlies couldn't get his fingers on a pass from Price. The little quarterback then called a play for himself and went to the 44 for the first down. Dropping back again Price flipped to Shelby who tried frantically to keep the ball from rolling off his fingertips in a clear field. The ball was snapped to Hendrickson on the next play and he virtually ran over the Antelopes in his 56 yard jaunt off guard for the touchdown. Price passed to Shelby for the point pushing the score to 32-0.

Beginning with a punt which fell dead on their own 18 the Cats were off on another spree. Hendrickson took over and was finally brought down on the 18 on the opposite end of the field. Carter slipped through in his usual manner for the touchdown. His kick was no good. The score was now 38-0.

Taking an Abernathy punt from their 25, the Cats probably pulled one that wasn't in the book as it looked as if it was made up as it happened. Price threw a pass to McCanlies, who lateraled to Davis for the distance and score. But the play was nullified as the ball was called back and the Cats penalized for holding.

This play ended the third quarter. Substitution began coming in as Coach Fikes mixed his first and second teams. Among them was Johnny Syrgley, a strong candidate for Price's quarter spot. Syrgley uncorked a short pass to Davis good for 20 yards. Then he threw a second to Hendrickson, who was out to pay dirt again. Carter sent another wild kick toward the uprights. Now the score had risen to 45-0.

On the first play after the Cats kicked to the Antelopes Carter intercepted a pass on the Abernathy 40 and sneaked his way across for another. Carter to Davis was good for the point making it 52-0.

After the kick the Cat line began smothering Antelope backs, who were trying vainly to get at least one score via the aerial route, but who found all their intended receivers well covered. They retreated 20 yards in this manner to their five before kicking. Carter returned the punt from 20 to his own 30. A clipping penalty set the ball back to the 15. Hendrickson advanced to the Cat 40. Carter was trapped for the only time during the evening on the Antelope seven.

A fumble and recovery by Abernathy staved off another score. An off side penalty on the next play placed the ball on the one from which the Antelopes punted out, kicking, as they had most of the time, away from the slippery Carter. The ball rolled to and died on the Cats 35.

A pass, intended for McCanlies, was incomplete. Hendrickson, who is a pretty shifty runner in addition to being a hard line plunger, took off again for a 65 yard scoring sprint. Carter's kick again failed to find its mark. The score, 58-0.

Recovering an Abernathy fumble, the local speed artists started for pay dirt seconds before the final whistle. Davis and an Antelope put on a juggling act with the local end finally

getting his "mitts" on the oval, which was intended for him. This one was good for 30 yards placing the ball on Abernathy's 40. Price pitched a touch down pass to McCanlies. Carter to Hendrickson was good for the point making the final 65-0.

Coach Fikes fielded a team that played like champions in spite of weak opposition. There was no loafing. They were in there scrapping all the way just as hard as if they were the ones with their backs to the wall.

Abernathy had a heavy aggregation. They didn't have the zip possessed by Littlefield, nor the know how. But they didn't give up. They were in there juggling all the way. And, in spite of the fact they were stopped dead 98 per cent of the time, they put on a couple of offense drives that deserve praise. However, they came while the Littlefield warhorses were apparently catching their breath. They were never disheartened by being on the short end of such a big score.

Wildcats Lick Paw Nurse Injuries In Week's Layoff

Levelland Next For Undeclared Conference Leader

Littlefield's Wildcats will rest in their den this week to lick paw nurse injuries in a week's layoff. But from all indications won't be idle for long.

Coach J. S. Fikes will have opportunity to get his men into gradually for their next fracas takes place in Levelland a week Friday night.

The physical condition of the wasn't so good last week, all they didn't have to exert too energy against Abernathy.

This week's layoff should give boys a chance to recover from of the sore spots they have during the last few weeks.

R. L. Brewster, who was out ready for Levelland a week Gene McCanlies has removed from his injured wrist. He was out of the lineup for long an injury didn't seem to hurt him catching. If removing the cast he should be a terrific threat to opponents from now on until the of the season.
