NUMBER 43

\$217,086.77 BID

'Park And Shop' Bids Let

The much awaited downtown Park and Shop project moved one step closer to completion this week when the city let the bid for the project to Bledsole and Caldwell, an Amarillo firm, at a base bid of \$217,086.77.

The bid tendered by the Amarillo firm was \$17,000 under the estimate of city engineer Bill McMorris, who has been working with property owners and city officials from the start of the project. The total cost of the project is expected to be near \$400,000 including the off street parking facilities which the city is purchasing. The cost to property owners will be determined by the front footage they have on the streets to be overhauled. Under the bids submitted the cost of the project will be \$30.58 per front foot for all property owners with locations fronting on Phelps Avenue, \$14.27 for property fronting on XIT and LFD Drive, and \$8.00 per foot for property on the side streets, which will be re-done.

The project, which was in the talk-only stage just eight months ago, has continued to move along at a pace so rapid, the planners have been surprised and delighted.

Co-chairman Dr. Bill Orr said the vein in which the plans for improvements have been received has increased the chances for early completion, and has shown what a city working together towards a common goal can do.

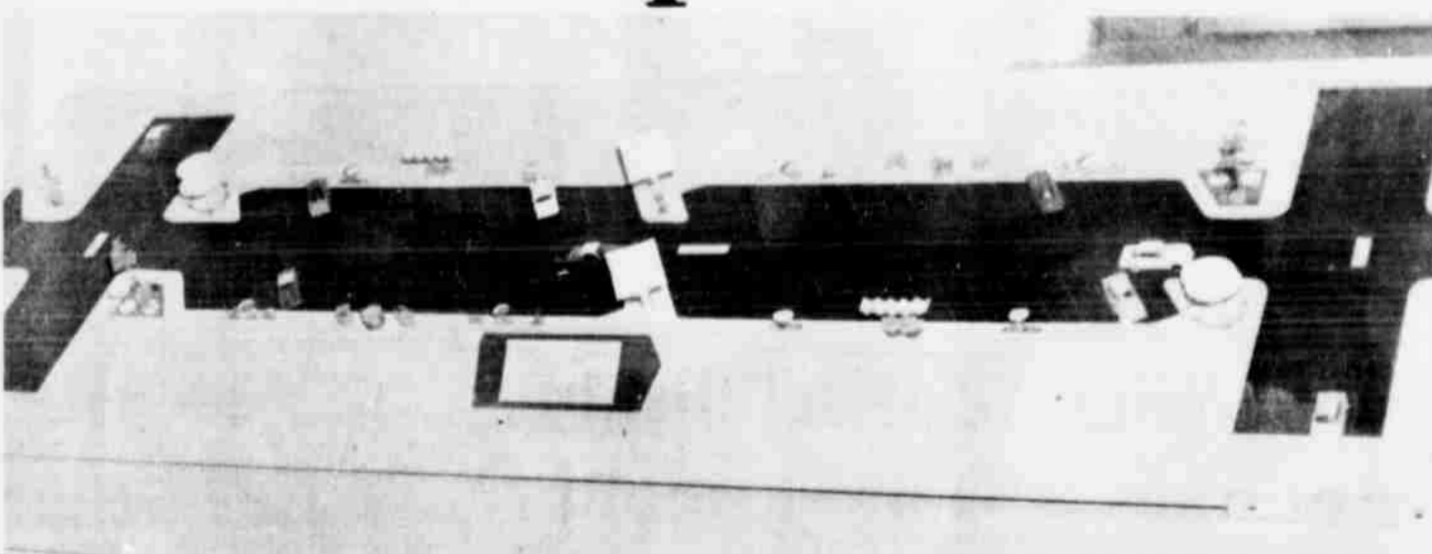

Under the current plans, all the sidewalks and curbs in the downtown area will be removed and then re-laid complete with the approved improvements which include rest rooms, sidewalk telephones, and the removal of overhead utility lines in the downtown area.

The letting of bids on the project makes Littlefield the first town in the state to undertake a project of this size and scope among the leaders in the field of downtown improvements.

Physical work on the project is expected to get underway by the end of the month, and the contractors have estimated it will take 100 days to complete the overall project. The completion date has been set as late fall, providing the weather cooperates.

While there are no known plans for a general store front improvement, there are indications that numerous businesses will be cleaned up and remodeled to blend in with the overall project. Already several owners have begun to remodel, and a number of others have indicated they will begin a spruce-up program before the street project is completed.

The only thing that can delay the project now is a formal protest against the plan when the public hearing is held later in the month. While a formal protest is the only thing that can stop the project, planners and city officials said they do not feel any will be lodged. Co-chairman Kenneth Ware and Orr said support they have received for the undertaking is a good representation of the property owners, and none of them have indicated they would be against the project.

JUST AROUND THE CORNER --- The beginning of the 'Park and Shop' project, shown here in scale form, is just around the corner, after the City Council let bids for the project Wednesday afternoon. The bid for the street and sidewalk improvement was awarded to Bledsole & Caldwell, of

Amarillo for \$217,086.77. The total cost of the entire project will be close to \$400,000 counting the city and utility companies improvement. The contractors have estimated it will take 110 working days to complete the program, once work is started.

AT POLICY CONFERENCE

Secretary Ball Gives U.S. Policy Stand

Over one thousand newsmen, civic leaders, and representatives of numerous governmental agencies attended a day long Regional Foreign Policy Conference in Dallas Saturday, and heard the featured speaker, Under Secretary of State, George Ball, tell the audience that we have too much to stake in the far East to even consider taking another line of thinking, such as a peace conference or withdrawal.

Secretary Ball was one of six State Department officials who addressed the gathering in this annual meet, and discussed a wide range of topics dealing with the United States' position in the U.N. and in the world. A settlement of any sort in Viet Nam right now could lead to an accelerated war in Southeast Asia, warned the Number 2 man in our State Department.

"The present actions of the Hanoi government constitutes aggression the same as an invading army moving across a debarcation line," the Secretary said. "There is no point in even considering negotiation until the Red regime in Hanoi gives some indication it will change its attitude," and added the diplomat, "We have no indication of an attitude change."

Mr. Ball opened the luncheon session to questions from the floor after only 10 minutes of formal remarks and answered inquiries on everything from the new regime in Russia, to Cuba, France's gold policy and even the religious beliefs of the State Department personnel.

The subject of Viet Nam came up several times. Mr. Ball said in commenting on Viet Nam, "There is no basis of any negotiations, a settlement which would in any way lend lasting support to the Red directed aggressions could, conceivably lead to further escalation of the war."

Briefly, in touching on the possession of a nuclear device by Red China, Mr. Ball said, "This is another reason we must stick with our obligations in Viet Nam and Southeast Asia." The Secretary added, "Red China is not a nuclear power at this time, they exploded a nuclear device, and there is evidence they will, in the near future, explode another, but it must be remembered, these are devices, not bombs."

On other subjects the second highest man in the State Department said:

"The recent proposal by France to return to a gold standard is not a serious threat, because no other nation of the free world has picked up the belief, and supported it."

"The use of the U.N. in working for a solution to the Viet Nam crisis has not been overlooked and will be employed, if and when it can."

"We, the United States, are most optimistic that we can succeed more fully in enlisting the help and cooperation of the free world and Europe in moving toward common goals."

"Cuba does not now pose any military or subversive threat to the U.S., but it does to all of our Latin neighbors through its use as a springboard by the communist, for the eventual take over and infiltration."

The dry humored Secretary brought a chuckle from the crowd, when asked whether or not the State Department staff were religious people, and did he know of any atheist in the Department. After several minutes of pondering the question, Mr. Ball replied, "Quite frankly, I have never inquired

into the religious beliefs of my colleagues. But I assure you, they are dedicated people like everyone else—only they work harder than most."

Mr. Ball's address followed a morning-long session conducted by Fred L. Hadsel, Director, Office of Inter-African Affairs, and Joseph J. Sisco, Deputy Assistant Secretary of State for International Organization Affairs.

In discussing our position in Africa, Mr. Hadsel stressed the diversity of the African nations and quite pointedly reminded his

(See CONFERENCE Page 4)

Filings Closed

For School Board

Two incumbents and one entering his first election race will be the only three persons running for the two Littlefield school board positions in the April 3 elections.

At press time yesterday, with the filing deadline only two hours away, John D. Smith, present president of the school board, and board member Buster Owens had filed for reelection, while Edwin Coffman seeking his first three year term on the board filed last week.

The County Tax office announced that a total of 1,532 Littlefield residents are eligible to vote in the election. 1,505 persons have paid their current poll tax, a requisite to vote in the school or city election.

An additional 27 persons were exempted from paying their poll tax under the law which exempts older persons.

FIRST IN 9 YEARS

LFD Man Perishes In Blaze

Coy Eugene Smith, longtime Littlefield resident, became Littlefield's first fire fatality in over eight years when he was killed Sunday afternoon in a fire which swept through his trailer home in the Bitner Trailer Court at 9th and Sunset.

Littlefield Fire Chief Leon Durham stated that a cigarette apparently caused the fire which destroyed the trailer house.

Smith, employed by Merlin's Food Store as a butcher was pronounced dead on arrival at the Littlefield Hospital and Clinic, Dr. D.J. Stafford said the cause of death was asphyxiation.

A native of Hall County, Smith, 47, has been a Littlefield resident over thirty-five years, and has worked at Merlin's for the past 17 years.

The victim was survived by his wife, Vera Pauline; three sisters, Mrs. Sam Hutson, Littlefield; Mrs. Charlie Hainey, Grand Prairie, Texas, and Mrs. Bob Ferrier, San Jose, California; and two brothers, B.A. and Ernie both now living in

Marine Operation

Involves 50,000

(Editor's Note: The following is a special report from Gerald H. (Jerry) Sanders, Lt. Col. USMCR, who is attached to the Command Information Bureau of "Operation Silver Lance".)

CAMP PENDLETON, Calif., March 4 -- Tomorrow morning, thousands of Marines storm ashore on the West Coast of California as the final phases of "Operation Silver Lance" begin. "Operation Silver Lance" is the largest amphibious exercise in the history of the Pacific with over 50,000 Marines and Navy personnel involved.

This operation was conceived to give Navy and Marine components special training in the type warfare expected to compose the major part of any military action by the United States in the years that lie ahead.

Over 5,000 people have been involved in the planning phases alone. Hundreds of military personnel have been trained as actors to provide the invading U.S. forces with the type of native resistance and harassment to be expected any place in the world. When the "Friendly" marines land on the beaches of the mythical land of Lancelot, they will be met by "natives" especially trained to provoke incidents of a nature that will be detrimental to the reputation of U.S. forces. The landing Marines have no earthly idea what to expect when they land so their reactions will be spontaneous. Navy and Marine officials expect to learn much from this exercise that will enable them to plan future training for their amphibious warfare teams.

The general situation that makes up the background for this operation is that the friendly land of Lancelot has requested military assistance of the United Nations to put down rebellion in their own country inspired from infiltration by the enemy bordering

(See MARINES Page 4)

CHAMPIONS BOTH -- Nancy Brigance, Olton (above) won the Grand Champion steer award at the Lamb County Livestock show and the top money award of the show. Reserve Champion was the Angus shown by Stacy Carr Littlefield (below). Olton entries took home both the Grand and Reserve Champion trophies in the swine competition as Johnny Clark's duroc won the Grand Champion and the reserve champion was shown by Dennis Givins.

C of C Seeks Suggestions For 1965 Program

The Littlefield Chamber of Commerce has sent letters to all members and non-members in Littlefield seeking suggestions to be added to their expanded program of work plans.

Three Running For Olton Board

Two farmers and a carpenter, all life-long residents of Olton have filed for the Olton School trustee election to be held April 3.

Elmer McGill, Joe Hall and John Norfleet will be running for the two posts becoming vacant this year. The two incumbents Fred Hicks and Roy Roberts whose terms expire have both indicated that they will not seek re-election.

McGill, a farmer, has lived on a farm near Olton all his life and is a member of the First Baptist Church. He and his wife, Doris, have four children, Karen 6, Jane 8, and ten year old twin boys Darrell and David.

A carpenter, Hall and his wife Betty Jo have two children, Connie, age 12 and D'Lynne, 8. A native of Olton, Hall attends the First Baptist Church.

Norfleet, also a farmer and lifetime Olton resident is a member of the Valley View Baptist Church. John and his wife are the parents of four children, Kathie, age 14, David, 12, Cynthia, 9, and Nancy, age 3.

Deadline for filing for the election to be held at the H.P. Webb Elementary School is March 3 at the school business office. Election Judge Galen Finney announced that absentee voting will be from March 15 to March 30 and the polls will be open from 7 a.m. to 7 p.m. election day.

Marine exercise currently underway off our Pacific Coast. This report gives the details of what goes on in an operation of this nature, and gives a few of the behind the scene reports. We have been promised additional reports from the exercise, and hope to have another report in Sunday's County Wide News.

Alien Farm Hand Wages Increase

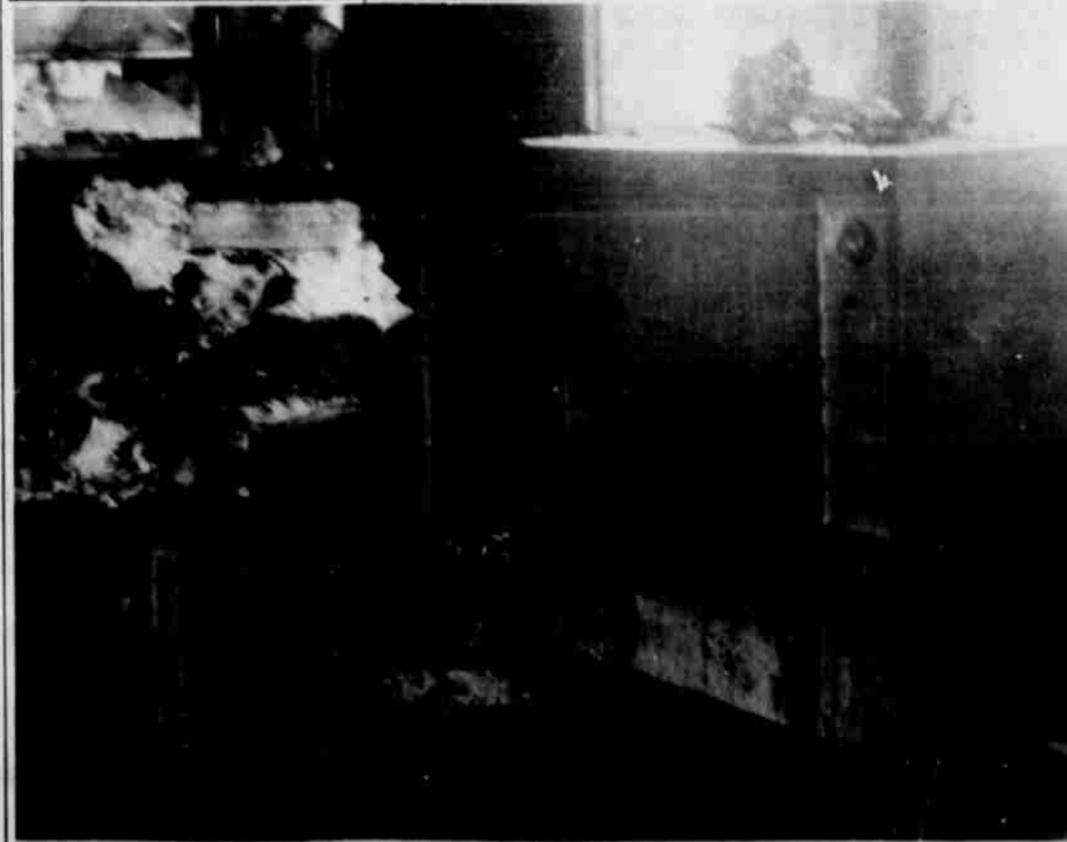

Tracy C. Murrell, Regional Administrator, U.S. Department of Labor announced yesterday that effective April 1 the minimum wage for general farm hands under the 320 program will be \$1.25 per hour.

The policy statement read that because of the adverse rates announced December 19, 1964 the following wage rates would go into effect April 1.

For farm hands general, under the 320 program, not less than \$1.25 per hour for any kind of general year-round farm worker. The job offer must guarantee the worker \$50 per week. All hours in excess of 40 will also be paid at the rate of \$1.25 per hour. Housing, utilities and transportation to and from the job must be paid by the employer.

The new pay rate also affects the wage of ranch hands. Starting April 1, the hands must be paid not less than \$207 per month plus room and board. All hours worked in the excess of 208 hours during a calendar month shall be overtime and the worker shall be paid \$1.25 for all over the figure.

The policy in no way establishes wage rates for domestic agricultural workers.

FIRE SCENE -- The interior of the house trailer in which Coy Eugene Smith succumbed was almost completely demolished. The trailer, located at 9th and Sunset caught fire

late Sunday afternoon and Smith was declared dead on arrival at Littlefield Hospital. It was the first fire fatality in Littlefield in over eight years.

From Kay's Desk

...less we miss our guess, week of March 1, 1965, will down in history as the time Littlefield came into its own. Letting of bids by the City Council Wednesday afternoon mark the beginning of a new era in Littlefield which in the decades will bring about a healthier business climate for all concerned. We visited last week with our friend Ralph Duncan of the Texas Chamber of Commerce, and Ralph, who travels all over West Texas, remarked that Littlefield is the only town in the state to have an improvement project of this nature. "It is unusual to see a town of Littlefield size and located as it is, to consider this type of project," Duncan said. We could not agree more with Duncan's remarks, and feel that we are destined to come into much attention from other areas across the state and the world. ***** As we said Sunday, it was our pleasure, this past weekend, to attend the Regional Foreign Policy Conference in Dallas. We tried in today's Leader to give a comprehensive report on what was discussed, and what relations with the other free nations of the world are, and why they are pursued in the manner we are using. It was a pleasure to become better informed on some of the U.S. policies and know that we have personnel such as Mr. Ball and Mr. Sisco places where their talents can be used to our greatest advantage. We commend them and the State Department for the work they are doing, and feel as long as we have this sense of dedication, the United States will continue to hold the lead among the free nations of the world. ***** Another item of interest in today's Leader is a report from Lt. Col. Jerry Sanders, president of Littlefield Publishing Co., and owner of Lamb County's radio station KZZN, a U.S. operation "Silver Lance", a U.S.

PRETTY BLONDE HOMEMAKER SHARES FAVORITE RECIPES -- Mrs. Freddie Harrell, Dorris to her friends, is shown above serving up some of her Lemon Refrigerator Cheese Cake, one of the recipes she is sharing with readers this week. Dorris and Fred-

die have two daughters, Sheila, a fifth grader, and a married daughter Cleo, the wife of Jimmy Bales. The Harrells enjoy activities done together as a family, such as camping, fishing, collecting and refinishing antiques, and church work. They live at 720 West 1st.

Collecting And Refinishing Antiques Is Family Hobby

Mrs. Freddie Harrell, busy homemaker and mother, stays quite busy with her household duties and other projects in which she is interested. Her two main hobbies seem to be working with the Girls Auxiliary at the First Baptist Church and collecting and refinishing antique furniture. Mrs. Harrell has consented to give us two of her favorite recipes to share with the readers.

Better known as Dorris, Mrs. Harrell is the wife of Freddie Harrell, distributor of Morton Foods, and the mother of two daughters, Cleo, the wife of Jimmy Bales; and Sheila, a ten-year old fifth grader in Mrs. Pressley's home room. The Harrells live in a three-story home located at 720 West 1st Street.

Freddie and Dorris were married in Gulfport, Miss. while he was in the U.S. Navy. They returned to Littlefield upon his discharge and have lived here since.

The Harrells are active members of the First Baptist Church and other organizations, especially where their daughters are concerned. Dorris has been a GA director for a number of years and feels this is very rewarding work. She says it is really a joy to work with these young girls and does not become a burden as some activities do. She serves as prayer chairman of the Jody Towery WMU Circle, is a member of the Willing Workers Sunday School Class, and serves as receptionist for the Adult II Department. Freddie is president of Frank Lehman's Sunday School Class and an usher. Sheila is a member of the Junior Choir at church, is in Mrs. Neil Wood's Sunday School Class and Junior I GA's. Cleo was very active in the Young Woman's Auxiliary of First Baptist as well as any number of school organizations, previous to her marriage several months ago. She is a senior at Littlefield High School.

Mr. and Mrs. Harrell have been members of the Choir Parents for a number of years, with Dorris serving as president for three years. They have also been members of the Band Boosters.

The family enjoys camping and fishing and doing things together as a family. For a number of years the family camped in a tent, then had a camping trailer that folded out to make a tent. They are very anxious for this summer to arrive so they can try out their recently-purchased trailer house.

Another family project has been collecting and refinishing antique furniture. Their home

contains any number of pieces of furniture and clocks that have been bought (some of them in very sad condition) and, after much work and paint remover, have become very beautiful pieces of furniture. Probably their most valuable "find" was the divan and chair set they bought from an antique store, later to find it was a handcarved Louis XIV original and quite valuable. It now graces their living room.

Collecting plates is another of Dorris' hobbies. More than 50 plates decorate the walls of the kitchen and adjoining den. She has one from every state she has visited and numerous others. She also enjoys sewing and preparing her family's favorite dishes.

Since there isn't enough room to tell all the many interesting things about this attractive blonde homemaker and her family we will take the rest of the space to pass along two of their favorite recipes.

LEMON REFRIGERATOR CHEESE CAKE

3/4 cup sugar
2 envelopes unflavored gelatin
1/4 teaspoon salt
2 beaten egg yolks
1 - 6 oz. can (2/3 cup) evaporated milk
1 teaspoon grated lemon peel
3 cups cream style cottage cheese (steved)

1 tablespoon lemon juice
1 1/2 teaspoon vanilla
2 egg whites
1/4 cup sugar
1 cup whipping cream

ONE CRUMB CRUST

1 1/2 cup finely crushed corn flakes
1/2 cup finely chopped walnuts
1/3 cup sugar
1 teaspoon cinnamon
1/4 teaspoon nutmeg
1/3 cup butter, melted

Reserve 3/4 cup mixture. Press the rest on bottom of spring-type pan (other type will do). Chill.

Thoroughly mix 3/4 cup sugar, gelatin and salt. Stir in egg yolks and evaporated milk. Cook and stir over low heat until gelatin dissolves. Add peeling and cool.

Stir in cottage cheese, lemon juice and vanilla. Chill, stirring occasionally until mixture mounds when spooned. Beat egg whites, add 1/4 cup sugar, beating to stiff peaks. Fold into gelatin mixture. Fold in whipped cream. Pour into crust, sprinkle with reserved crumbs. Chill until firm.

BISTECA ALLA PIZZAIOLA (Beefsteak Pizza Style)

News of Women

LOIS VRUBEL.....SOCIETY EDITOR

Forum Hears Program On Problems Of Today's Youth

Mrs. Olene Gibson was in charge of the program for the Forum Club Thursday evening. She gave an interesting presentation of "The Problems of the Youth of Today."

"The young people in our high schools and colleges today," Mrs. Gibson, "are facing a world of new industries; things that are as yet unheard of, just as we now work in fields that were unknown to our forefathers. These new fields of employment are going to require training of boys and girls to take on the responsibilities."

It was pointed out that scientists, economists and financiers are predicting that during the next twenty years our country will undergo a series of mild recessions, each ending with the level of prices and salaries ex-

tending higher. It is the duty of parents, teachers, ministers and civic leaders to study and encourage the youth of today, so that they will be able to assume the leadership of this kind of world.

During the short business session, Mrs. Robert Richey reported on the project, sponsored annually by the club, of furnishing school lunch tickets for needy children. Also, plans were discussed for the attending the Lubbock Symphony Concert.

Thursday's meeting was held in the home of Mrs. Norma Russell with Mrs. Charles Russell as co-hostess. Refreshments were served buffet style to the twelve members present. The next Forum meeting will be in the home of Mrs. Howard Burks March 11.

oes, undrained
1/2 teaspoon dried oregano
1 teaspoon snipped parsley
1 clove garlic, minced
1 tablespoon minced onion
1/4 teaspoon salt
dash pepper
2 tablespoons olive or salad oil
4 slices Mozzarella cheese (Other type may be substituted)

Start heating oven to 350 degrees F. Arrange steak in 10x6x2 inch baking dish. Mash tomatoes with spoon, spread evenly over steak.

Sprinkle with oregano, parsley, garlic, onion, salt, pepper, and oil. Bake uncovered 1 1/4 hours. Top steak with cheese, bake 1/2 hour or until tender. This is an authentic Italian recipe, which Cleo Bales found while making a study of Italy.

Mrs. Scott Hosts SS Luncheon

The Rebekah Sunday School Class of Parkview Baptist Church met recently at the home of the teacher, Mrs. O.B. Scott for a salad luncheon and hour of fellowship.

Sue Fielden opened the fellowship hour with a prayer of thanksgiving. Mrs. Scott gave a devotional on "The Pure Heart", closing with prayer.

Attending were Gayla Scott, Janice Vaughn, Janet Minyard, Sue Fielden, Janice Miller, Kay Cantrell, Pat Bolton, Carol Pounds, Peggy Birkelbach, Mary Tisdale and a guest, Mrs. Bill Scott of Levelland.

Rocky Ford Community Home Annual Reunion Sunday

AMHERST -- This year marked the twenty-ninth year for the annual Rocky Ford get-together and birthday dinner. It was held in the Amherst Community Center with Mr. and Mrs. Lloyd Sturgis as hosts for covered dish dinner. Seven of the group had birthdays in February and had the honor of cutting the large birthday cake, gaily decorated and lettered "Happy Birthday to All". They were Mr. L.L. Dunn, Littlefield; Lloyd M. Sturgis, Mr. and Mrs. G.C. Bearden, Amherst; Mrs. Floyd Ivey, Sudan; Billy Ray Griffin, Canyon; and Jeff Barwell, Wichita Falls.

Those attending were Rev. and Mrs. Melvin Hooten, Rocky Ford, Mr. and Mrs. Lloyd Sturgis, Mr. and Mrs. G.C. Bearden, Mrs. Bill Taylor, Mrs. Ted Long, Mrs. Carrie Thomas, Mr. and Mrs. Bill Robertson, Mr. and Mrs. Lige Griffin, Mr. and Mrs. Raymond Heim, Jerry and David, Mrs. J.A. Robertson, L.J. Robertson, Mrs. Cletis Dunn, Jane and Ray, Patricia and Barbara Muncy, all of Amherst, Mr. and Mrs. A.Z. Dunn,

Mr. and Mrs. Herbert ... Mr. and Mrs. L.L. Dunn ... Allie Bishop, Mr. and Mrs. Cummings, Mrs. R.G. ... wards, Scarlett Hatley ... Dunn, Mr. and Mrs. La ... Gail, Kennan and Gary ... Littlefield.

Local Student Receives Honors in Symphony Contests

Miss Trudy Grizzle, an active high school junior, and student of voice for less than a year, has already received sev-

eral recognitions for her lyric soprano voice. About a week and half ago Miss Grizzle won first place

in the voice section of the Symphony Stars Contest held in Lubbock. The contests were sponsored by the South Plains Music Teachers. As a result of this contest she will be the featured vocalist in the Lubbock Symphony Concert to be held March 22 at 8 p.m. in Monterey High School Auditorium, Lubbock. Miss Patsy Russell, daughter of Mr. and Mrs. Stillwell Russell was chosen as fourth alternate.

Trudy entered a similar contest in Amarillo in December and was chosen first alternate in voice in the 15-17 year old bracket. The winners of this contest presented a concert last Sunday at Tascosa High School in Amarillo. Trudy sang "Il Est Doux, Il Est Bon", which is Salome's song, in French, taken from the opera "Herodade". Had something happened that the first place winner was unable to attend the concert, Trudy would have been the featured soloist in her age bracket.

A Grace E. Hamilton Certificate was presented to Miss Grizzle, along with the other winners Sunday at the concert.

Trudy is the daughter of Mr. and Mrs. L.G. Grizzle of Littlefield. She is active in church work and participates in various school activities. She is a member of the chancel choir at First Methodist Church, serves as secretary-treasurer of the Fidelis Sub District MYF, and is a member of the a capella choir at high school.

PRANO VOICE BRINGS HONORS -- Miss Trudy Grizzle, daughter of Mr. and Mrs. L.G. Grizzle, was presented the Grace E. Hamilton Memorial Award Sunday at the Amarillo Student Symphony Concert in Amarillo. Trudy was chosen first alternate in a contest earlier, for which she was given this award. She sang Salome's song in French, taken from the opera "Herodade".

MORSALENE PIERCE

Engagement Announced

The engagement of Miss Morsalene Pierce to Doyle (Curley) Allen Jr., has been announced by her parents, Mr. and Mrs. Curtis Savage of Sudan. Parents of the prospective bridegroom are Mrs. Verne Allen and the late Doyle Allen of Sudan.

Miss Pierce is a graduate of Sudan High School and attended West Texas State University in Canyon. She is a member of Tau Beta Sigma Sorority. Allen attended Sudan High School and has been employed by Baccus Chevrolet until recently.

Wedding vows will be exchanged by the couple March 10 at 7 p.m. in the home of the bride's parents.

The couple will make their home in Pueblo, Colo. where Allen will be enrolled in Railroad Communications School.

Couple Plan May Wedding

The engagement and approaching marriage of Miss Caroline Rosella Lingnau, daughter of Mr. and Mrs. Alvin Lingnau of Littlefield, and Jerry Ben Bessire, son of Mr. and Mrs. W.B. Conner of Lubbock, has been announced by the bride-elect's parents.

Miss Lingnau is a graduate of Littlefield High School and attended Draughon's Business College, Lubbock. The prospective bridegroom graduated from Lubbock High School and also attended Draughon's Business College, Lubbock. He is employed at Lubbock-Amarillo Service, Lubbock.

The couple have set May 9 as their wedding date.

CITY BITS

Mr. and Mrs. Robert Gollehon visited Sunday at Post with her sister, Bera Wilson.

Mrs. Lloyd Crume of Hereford visited her parents, Mr. and Mrs. Robert Gollehon Friday.

CITY BITS

Mr. and Mrs. Bill Brantley and Ken spent the weekend in Amarillo with Mr. and Mrs. A.D. Talley and Linda.

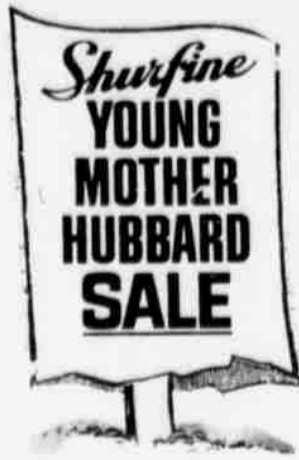

Bill Street celebrated his birthday Sunday with his wife and son, Mrs. Bill Street and David, also his mother, Mrs. W.G. Street, Sr. of Littlefield, and mother-in-law, Mrs. Marks of Lubbock. They all had dinner in Lubbock.

United States swapped 630-acre El Chamizal in El Paso to Mexico for 193 acres of Cordova Island after the Rio Grande changed its course a century ago.

The residence of the president of the U.S. was first called the White House in 1811, but not until Theodore Roosevelt put the name on stationary in 1902 was it made official.

If all descendants of one female housefly that survived the winter lived and multiplied, there would be enough flies in August to cover the world 47 feet deep.

There are about 50 species of garfish, sometimes called needlefish or billfish. Found in warm waters, they are fast swimmers and some are six feet long.

Hard-working pickup... with a flair for fun!

Works hard, but knows how to relax! That's the new Ford Twin-Beam pickup. Two front axles give you big-truck toughness on the job, smooth riding comfort all the time. Each front wheel is suspended independently on a forged I-beam axle,

forged radius rods lock in wheel alignment, heavy-duty coil springs cushion the ride for comfort you never found in a tough truck before. That's why, on the job or off on a family outing, Ford's Twin-Beam suspension pickup is best for you.

THE LAY OF THE LAND -- Shown above are Lieutenant Colonel Gerald H. Sanders, USMCR, radio station owner and newspaper publisher of Littlefield, Lieutenant Colonel James F. Williams, Public Information Officer for Lieutenant General Victor H. Krulak, USMC, and Major Weldon Wells, formerly of Anton now of Lubbock, as they view a map in the Command Information Bureau of "Operation Silver Lance," in preparation of the largest amphibious exercise in the history of the Pacific.

--- CONFERENCE

(Continued From Page 1)

listeners, "the revolution of independence" that has swept the continent, has resulted in 33 new nations coming to the fore in the last 15 years. "This," said Mr. Hadsel, "is very remarkable, and if we are to maintain our interest in this country we must help these new nations in their self-determination to seek out African solutions to African problems."

Mr. Hadsel, who has been in the State Department since 1946, listed education of the African people as one of the most pressing problems faced by the new nations. As way of comparison, Mr. Hadsel said, "Africa, which is 40 times larger than Texas and is thirty times more populated has only 3,340 students in the colleges of the country, while there are between 25,000 and 30,000 students in the colleges and universities of Texas."

In a lively question and answer period following his talk, Mr. Hadsel said we are interested in the plight of the African people as a matter of principle, and are vastly interested in the potential the country has as an economic country, saying the mineral wealth of Africa has only been scratched, and, given time, Africa could develop into one of the wealthiest nations of the world.

Prior to the address of Secretary Ball, the highlight of the morning session was Mr. Sisco's talk and the question and answer period that followed. Mr. Sisco, stating he was married to a Texan, and knowing that Texans appreciated straight talk, said the U.N. was in trouble, and we were largely to blame, stating in all probability we oversold the organization at its birth, and now tend to underestimate its power of rebounding. While the United Nations is in trouble, this does not mean it is dead, Sisco said. "people have been burying the 114 member world organization since 1948, and still it continues to serve a vital function," Sisco went on to say. "It is disturbing that the general assembly adjourned until September, without taking up the problems of its financing and apportionment, both of which we stand ready to work toward solving."

"The U.N.," said Sisco, "is a reflection of a turbulent and divided world, an arena where feelings are fought." Mr. Solbert said "our patience with these atrocities from the Viet Cong has been exhausted," but he went on to describe what dangers lay in either withdrawing from the conflict or escalating the action. "Communist success in Viet Nam would provide every strong support for theory that they can gain control of any non-Communist, emerging nation, even with economic and other aid from the United States," he said. "The current conflict in Viet Nam is a test case, and to lose it would enhance the prestige of Communist China."

been instrumental in reducing the effectiveness of Castro's influence in Latin and South America. Ambassador Bunker said, "Through the Alliance for Progress, more than 269,000 houses have been built in OAS countries, classrooms built, teachers trained, hospitals and health centers constructed, roads built and people fed, all through the work of the OAS."

"The adventure of building a new and just society in the Americas is not simple or easy." "Above all," the ambassador said, "the acid test of our character is our staying power, and our will to see it through."

"The free world must display patience and a willingness to see these unpleasant situations through and the Assistant Secretary said "we plan to do."

Ambassador Bunker spoke briefly on the many strides the OAS has made, and noted all members, excepting Mexico have ceased to have diplomatic relations with Cuba. The action by the OAS has

--- MARINES

(continued from Page 1)

nation of Merlin. A large powerful nation to the north, Modred, has promised assistance to Merlin. Upon the UN's refusal of this aid, Lancelot has turned to the United States for help. The U.S. has sent some forces into Lancelot but they have been overcome by Merlin troops and guerrillas. Now the U.S. has planned to conduct a full scale invasion to liberate the U.S. forces and to restore order and a democratic government to Lancelot. They will be met by a well trained aggressor force composed of Camp Pendleton Marines, many of whom are fresh from Vietnam, well schooled in guerrilla tactics.

To add to the realism of the exercise, ingenious Marine builders have constructed 14 villages, including the main village of Camelot, that will be occupied with unfriendly forces. In addition to regular personnel, the Marine Corps has called on their reserve forces to support this exercise. A 160 man umpire team, composed mostly of reserve officers, will umpire and assist in the control of the exercise. Major Weldon Wells, formerly of Anton now living in Lubbock, is one of the reserve officers assigned to umpire duty in this exercise.

Five reserve officers make up a team assigned to the Command Information Bureau to assist in the press coverage of this exercise. Lieutenant Colonel Gerald H. (Jerry) Sanders, USMCR, KZZN owner and President of the Littlefield Publishing Company, is one of the reserve officers attached to the Command Information Bureau. Navy and Marine officials believe that the specialized training in civil affairs and civic problems gained from "Operation Silver Lance" will be invaluable to future military operations.

City Officials To Attend Meet

City officials from Littlefield, Amherst, Earth, Olton, Springlake and Sudan are expected to attend the region 3 meeting of the Texas Municipal League in Lubbock tonight.

Legislation affecting Texas cities, already introduced or anticipated before the current Legislature adjourns will be the major topic of discussion at tonight's meeting.

In announcing the meeting, Mayor S.W. Ross of Floydada, president of the Region, said at least 100 mayors, councilmen, city managers, and other municipal officials are expected to attend the session which begins at 7:00 p.m. at the Holiday Inn Parkway. Floydada officials, headed by Mayor Ross are in charge of arrangements.

Principal speaker will be TML President Hank Avery, mayor of Midland. Ross said Avery's address, entitled, "Cities, the League and the 59th Legislature," will analyze major measures affecting cities either favorably or adversely, and in addition will outline the legislative program approved in December by the TML board of directors. He will also describe the various means the League will use to keep city officials aware of developments during the session, Ross indicated. Lee S. Vickers, TML field consultant, will attend the meeting representing the League staff.

"The meeting will offer excellent opportunity to get a broad perspective on the problems facing Texas city governments and the way legislation might relieve or aggravate the problems," Ross said.

TML Region 3 (Caprock) comprises 49 cities and 22 counties. Regional officers, in addition to President Ross include 1st Vice President Harold Lucas, Mayor, Post; 2nd Vice President Charles F. King, Mayor, Lockney; Secretary Mrs. Madge Jones, City Secretary, Lockney; and TML Board Director Roland Simpson, City Councilman, Lubbock.

A prescription for sulphur salve to treat granulated eyelids was found in the Ebers Papyrus, a famous Egyptian formula dated about 1550 B.C.

Girl Scouts To Sell Cookies

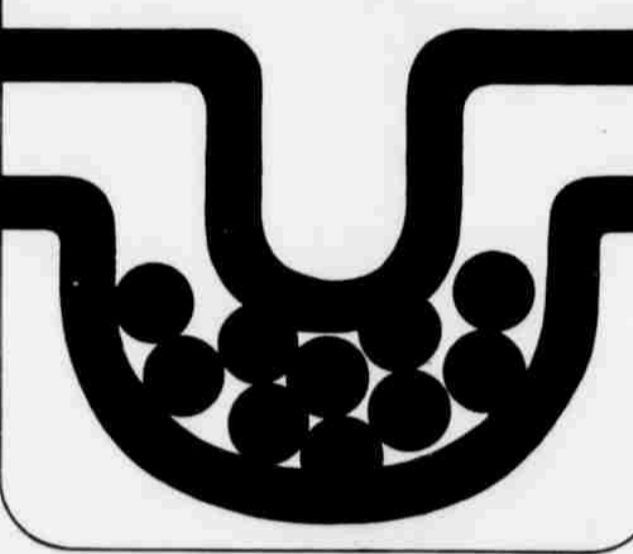

Girl scouts throughout Lamb County will begin their annual cookie sale starting at 4 p.m. today. Receipts from the sale which lasts through March 18 goes to improve and maintain camps in the Caprock Girl Scout Council.

Goal for this year's cookie sale throughout the Caprock Council is 60,000 boxes, or 5,000 cases of Girl Scout cookies. Littlefield girl scouts hope to sell at least 223 cases.

Mrs. Ralph Maurer, neighborhood cookie chairman for Littlefield said "that in addition to the cookies, junior and senior girls will be selling cans of mixed nuts and peanuts. Each girl selling either the cookies or the nuts will wear their girl scout uniforms or pins. They will give each customer a sticker that can be placed in the window so the girls can avoid calling on the same house time after time.

The profits from the sale are divided between troops and the local council. Troop profits are used for troop registration, and other troop activities.

Glub, bloop, gurgle, gurg, gur... stopped? You'll find PLUMBING CONTRACTORS fast in the YELLOW PAGES. Where your fingers do the walking.

IF CROUP ATTACKS YOUR CHILD'S BREATHING
Croup is one of the symptoms of a throat problem. Breathing is difficult and there may be a spasm of the larynx with a wheezing sound. It may occur in acute laryngitis, a streptococcus sore throat or even diphtheria.
It is important to call a physician. While waiting, start a steam vaporizer near your child. Until the vaporizer begins to steam, turn on the hot water in the bathroom and expose your child to the steam there. For steam usually brings some quick relief.

WHITHARRAL NEWS

Team And Parents Feted To Supper

Whitharral basketball players and parents enjoyed Mexican food at the cafeteria here Monday evening. Enchiladas, salads, iced tea, cake, and other foods were prepared and served by the parents.

Present were Mrs. Pete Polano, Pete Jr. and Gloria; Mrs. M.C. Chavez and Petra; Mr. and Mrs. Robert Avery Jr., Stephen Graham and their guest, Bill Avery; Mr. and Mrs. Don Reding and Paula; Mr. and Mrs. Jack Gage and Sandra; Mrs. Ralph Wade, Larry and Judy; Mr. and Mrs. Alton Pence and Mary Jane; Mr. and Mrs. Warren

Tipton and Johnny; Mrs. C.L. Timmins and Jerolyn; Mr. and Mrs. Edwin Lott and Kay Lynn; Mr. and Mrs. Archie Simms; Mr. and Mrs. Joe B. Minter; Mr. and Mrs. John Wayne Hall; Mr. and Mrs. Doyle Stuart and Reta; Ervin Sadler; Mike, Stanley and Maria; Woodrow Howard, Mrs. Rankin Howard and Cathy; Shannon Womack, Floyd Salinas, and Leroy Bradley.

Mr. and Mrs. O.L. Martin, accompanied their granddaughter, Debbie Blackman of Plainview, were recent visitors for

a weekend in Alpine with their daughter, Mr. and Mrs. Bruce Beard and family, Mr. Martin and Debbie became ill while there with the flu and had to remain for several days longer than they had planned.

Mrs. Raymond Woodruff, Jana and Jeff are visiting relatives at Baytown.

Terri Howard was released from the Littlefield Hospital Saturday after spending several days there as a patient.

Jim Burnett Lewis of Amarillo spent the weekend here with his parents, Mr. and Mrs. John L. Burnett and family. He, Mrs.

Burnett and Allen Jones visited Mr. and Mrs. Jerry Burnett, Ryn and Nancy at Lovington Friday. Mr. and Mrs. Bennie D. Dillard of Roaring Springs visited in the Burnett home Friday afternoon but were called home on receipt of a message that the latter's father, J.W. Carpenter had been killed when a car slipped off a jack. Mr. and Mrs. Burnett were in Roaring Springs Sunday to attend the funeral.

Mr. and Mrs. L.L. Overman are in Winters at the bedside of Overman's father who is very ill with pneumonia.

Mr. and Mrs. A.L. Polk and

S.J. Polk were called to Mineral Wells Thursday to attend the funeral of an aunt there Friday. She was 92 years old and the nephews acted as pallbearers.

Mr. and Mrs. Bill O'Neal, Kathy and Stephen were here from Lubbock Saturday afternoon to return Mrs. Will Raines who had spent the day there.

Guests of Mr. and Mrs. Johnnie Miller Sunday were Miller's brother, Mr. and Mrs. Harley Miller and granddaughter, Laurie Ann Miller, all of Olton.

Sunday guests of Mrs. Eula Fyke and Miss Dena Maxey were Mr. and Mrs. Joe Harbin, Billy and Betty; and Mr. and Mrs. Ben Pointer, all of Muleshoe; Mr. and Mrs. J.B. Harbin, Jay Ellen and Paule, Mrs. Richard Horton and Dewayne, all of Levelland; Mr. and Mrs. L.C. Lewis, and Mrs. P.B. Harbin.

C.B. Keeney entered the Methodist Hospital at Lubbock Sunday evening and underwent surgery Monday on his ear for the removal of a growth.

Mrs. S.J. Polk is ill at her home here and is unable to be at work as manager of the school cafeteria.

Spending the weekend here with his uncle, Mr. and Mrs. Roscoe Brown, were Mr. and Mrs. Horace Wallace, enroute to their home at Austin from Pecos Springs, Colo.

WHITHARRAL SCHOOL MENU
(Mar. 8-12)

MONDAY -- Roast beef w/ gravy, rice, blackeyed peas, tomato wedges, hot rolls and butter, apple sauce, milk.

TUESDAY -- Tuna and pimento sandwiches, potato chips, pickles, peanut butter cookies, milk.

Spade Lions Meet Monday

Spade Lion Boss Joe Bailey conducted the regular meeting of the Spade Lions Club when they met in the school cafeteria Monday night.

County Judge J.B. Davis, introduced by C.C. Byars, was the guest speaker.

Four members of the Lubbock Lions Club, Ray Oldham, J.K. Matheson and Clarence...

WEDNESDAY -- Spaghetti and meat balls, green beans, tossed salad, hot rolls and butter, mashed potatoes, fruit jello, milk.

THURSDAY -- Pinto beans and relish, whole kernel corn, cabbage slaw, cornbread and butter, apple cobbler, milk.

Attending were Joe Bailey, Gail Christian, John...

Heroism Award Deadline Near

Time is running out for making nominations for the Texas Farm and Ranch Safety Council's Rural Heroism Award. Deadline is March 10.

The award, an engraved plaque, will be presented to the winner during the annual meeting of the Texas Safety Association this spring in Houston.

The Council points out that acts of bravery occur in many Texas communities each year which are deserving nominations for the award.

Nominations are limited to persons who live in rural areas or communities of less than 2,500 population.

The act of bravery performed might have been the removal of a person from a burning building, rescuing someone in danger of drowning, rescue work carried out in connection with storms, floods, explosions or traffic accidents.

A life may have been risked to save another. This hero might be your neighbor. Give him the recognition he deserves, urges the Council.

A brief written report covering the deed and a short statement about the nominee along with news clippings, if available...

Radio & TV Lab Features High Quality TV Color Sets

"The Imperial Color TV by Admiral is the mark of quality throughout the world," states Barton Spencer owner and operator of the TV Lab, 8th and Levelland Highway.

"It is a beautiful machine and has an exclusive Admiral Triple Warranty," says Burton.

...should be mailed at once to Buck Buchanan, manager, Agriculture Department, Houston Chamber of Commerce, Box 53600, Houston, Texas. Mark the envelope Texas Heroism Award and mail it before March 10, 1965. Final selection will be based upon the material submitted.

By recognizing heroic rural service in this manner, the Council believes the award will help emphasize the continuing need for improved safety conditions and the teaching of safety in order to make life in the country more rewarding whether at work, at home or at play.

EXCLUSIVE ADMIRAL TRIPLE WARRANTY. 5-YEAR WRITTEN WARRANTY ON ALL ETCHED CIRCUIT BOARDS. 1-YEAR WRITTEN WARRANTY ON ALL PARTS, INCLUDING PICTURE TUBE. FACTORY REGISTRATION WARRANTY - EACH ADMIRAL COLOR TV SET IS NUMBERED AND REGISTERED IN THE PURCHASER'S NAME AT THE FACTORY TO INSURE THE HIGHEST DEPENDABILITY AND QUALITY ATTAINABLE. U.L. APPROVED FOR FULL SAFETY AND DEPENDABILITY. POWER SUPPLY: 117 VOLT, 60 CYCLE AC.

Barton Spencer has been selling and servicing Admiral radios and TV's over 12 years.

Native born, he attended public and high schools in Littlefield, supplementing

his schooling by graduating from the college of TV and Radio Training in Levelland.

Barton has won wide recognition in this area for his knowledge in servicing radios and Admiral TV sets, both black and white and all new Admiral color TV sets.

In addition to radio and TV service, Barton has a nice line of fishing equipment, boating and skiing supplies.

Twelve years of radio and TV service, Barton has a nice line of fishing equipment, boating and skiing supplies.

Truck Revenue Up

WASHINGTON, D. C. — Total operating revenues of all motor carriers regulated by the Interstate Commerce Commission in 1963 came to more than \$8.5 billion, according to a preliminary estimate by American Trucking Associations. The figure is expected to reach \$8.8 billion for 1964, it adds.

The City Pawn Shop Will Lend You A Ready Hand When In Need

The City Pawn Shop is now located at 3rd & Harrell, just across the street from Nelson Hardware and back of Furr's Food.

Floye Morris, owner of the City Pawn Shop which is bonded, licensed and insured, will loan money on anything of value and does not charge excessive rates.

They loan money on firearms, diamonds, luggage, radios, televisions, hi-fi phonographs, sporting goods. In fact, on anything that is worth a loan.

Floye also deals in new and used cars. His arrangement with K. Hook, car dealer and real estate operator, offers him the opportunity to make some good money saving deals to his customers.

If you are in the market for a good used car or truck at a savings to you, see Floye Morris. He is a longtime resident of this area and has established a good reputation for playing square with his patrons.

The City Pawn Shop will make private loans and no questions asked. If you have anything of value that you wish to sell or make loan to carry you over a rough spot, it is suggested that you see Floye Morris at the City Pawn Shop, 3rd & Harrell Ave.

Earliest recorded biological or germ warfare was waged in 1347 at Caffa in the Crimea, where the besieging Tartars catapulted over the city's walls corpses of men who had died from the plague.

WASHINGTON, D. C. Many city trucks today provide the public with improved service and benefits through a modern radio-facilitated pickup and delivery service, notes American Trucking Associations. The dispatchers are in constant communication with drivers of the fleets, saving time and money.

G. Lunsford Service Held

Oliver G. Lunsford, 78, of Littlefield, died Monday in Methodist Hospital. Services were held Wednesday at 2:30 p.m. in Crescent Park Church with Bill Brown, Lubbock, officiating. Burial was in Littlefield Memorial Park under direction of Hammons Funeral Home. Mr. Lunsford moved to Lamb County in 1933 from Mountain View, Okla. and moved to Littlefield about six years ago. He was a retired farmer. Survivors include his wife, Mrs. May; two sons, James, Lubbock, and Robert, Littlefield; two daughters, Mrs. Ernest Black and Mrs. Ed Blackwell, both of Ingleswood, Calif.; Mrs. Ernest Byrum of Amberst, Texas; Jimmy Testerman of Garfield; one step-son, Phil Mcisters, Fort Sill, Okla.; 20 grandchildren; 15 great-grandchildren; five sisters, Mrs. Eli Grubb, Lookeba, Okla., Mrs. Mrs. McCool, Chickasha, Okla., Mrs. Maggie Sharrock, Lawton, Okla., Mrs. Miva Ed, Tulsa, Okla. and Mrs. Little Long, Minco, Okla. Pallbearers were Herbert Little, E.J. Brandt, Joe Edwards, Earl Dow, Allen Rhodes, and Alvin Whitfield.

U.I.A. NEWS

Visitation Day at School Today

In keeping of Texas Public School Week, Thursday (today) will be Visitation Day at Bula School. Superintendent Marion Daniels urges all parents and friends of the school to make a school visit sometime during the week.

The junior class annual invitational volleyball tournament will be held in the school gym, March 8-9-11-12-13. Any interested teams are asked to call or contact a member of the junior class.

Mike Risinger and Roger Jones, freshman students at WTSU, Canyon, spent the weekend with some folks. Also Sarah Jones of F.N.M.L., Portales.

A recent guest in the Tharp home was her mother, Mrs. C. Preston of Paris, Texas. Thursday (today) at 7:30 p.m., the Bailey County Farmers Union meeting will be held in the school auditorium. Kenneth Moss of Paducah will be speaker for the evening. Moss is Plains Area Fieldman, for Farmers Union. All farmers and their wives are urged to attend.

The Bula senior class will sponsor a chicken supper Thursday (today) in the school lunchroom. Plates will be \$1.25.

Mr. and Mrs. Hugh Cook, Littlefield, visited Friday evening in the W.C. Risinger home.

There will be no school Friday. All teachers are to attend the District 13 TSTA meeting in Lubbock.

Mrs. Lorene Cox had for dinner guests Sunday all of her children. Miss Shirley Cox of Lubbock, Mr. and Mrs. Jerry Cox and son Jimmy; Mr. and Mrs. D.J. Cox and children and Anna Cox of the home.

Terry Blake, high school English teacher, was able to return to the classroom Monday, following an absence of several days with the flu.

Mrs. U.T. Dever is spending this week in the home of her daughter, Mr. and Mrs. John Blackman. She has been in Lubbock for several weeks with another daughter under the care of a doctor.

On returning from church Sunday morning, Mrs. Doye Hurley and children found their home filled with smoke and a smoldering fire coming from the mattress in the boys bedroom. The electric blanket had been left on and a short from the blanket wiring was the cause.

The Bula W.M.U. met Wednesday at 2:30 at the church. Mrs. W. Black was in charge of the program. The lesson was taken from the current study book entitled, "Winds of Change."

Mrs. Rowena Richardson read scripture and gave the missionary calendar of prayer. Mrs. Williams gave the opening prayer and Mrs. Richardson read the closing prayer. All present had parts on the program.

Attending were Meses. Rowena Richardson, E.W. Black, O. Battles, Fred Locker, Leonard Clevenger, Clyde Hogue and C.A. Williams.

Card of Thanks A-10
 TO THANK YOU
 To you who shared our sorrow and grief
 In the loss of our husband and daddy so sweet
 For all the good food so delicious to eat
 For the flowers and cards so sincerely sent
 With words of sympathy so truly meant
 For hearts full of prayers that comforted our pain
 We give you thanks again and again.
 Mrs. Herman Rice and family

AMHERST NEWS by Mrs. Lester LaGrange

Army "Buddy" Visits Leon Robinson

Leon Robinson had a pleasant surprise last week when an army "buddy" whom he had not seen in 20 years came to see him and his family. He is Edward P. Auzada and is stationed at Mobeetie. He was in Farwell and discovered that Leon lived in the area. They were in New Guinea, Philippine Island and other places in the Pacific together. Auzada was from Minnesota at the time they were in the service.

Mr. and Mrs. Claud Cook came near losing their lives by asphyxiation at their home on the Earth Highway Tuesday night of last week. The weather was extremely cold and they had left gas heaters burning without sufficient ventilation. Wednesday morning Cook had gone out and gotten in his pickup truck and slumped over the steering wheel. Fortunately he discovered him, and in the house, Mrs. Cook, who was unconscious. She was carried to the local hospital where she was a patient until Saturday. She has headaches as a result now part of the time.

Plans are underway for the annual Spring revival meeting, Rev. Raymond Quick of the First Baptist Church, has announced. The dates are March 21-28. Rev. J.L. Bass of Farwell will deliver the sermons and Beryl Lovelace, music director of the First Baptist Church, Littlefield, will lead the song services. Rev. Bass has been chosen to go on a crusade to New Zealand later this year and Lovelace to Japan. Cottage prayer meetings for the meeting will be held Monday night, March 1 at the Harry Brantley's, E.A. Coleman's and James Holland's; March 8, at Rodney Ivey's, Clarence Black's and Charles Jones'; and March 15 at A. Tomes', Lloyd Pryor's and E.D. Dickson's homes. Time of the meetings is 7:30 p.m.

Several Amherst women who were hostesses when Miss Carol Ann Watkins of Sudan was honored with a bridal shower recently, were invited to a brunch at the Lubbock Country Club Saturday morning. Mrs. James Shorwell, Littlefield, was hostess for the occasion, honoring Miss Watkins, bride-elect of Jerry L. Brantley, Mesdames G.C. Bearden, Benny Shipley, Charles D. Jones, Randall Crawford, A.O. Dickson and Victor Reynolds were among the group from Sudan

and Littlefield attending. Mrs. J.P. Brantley, mother of the groom-to-be, was a member of the houseparty.

Vocational Ag teacher Raymond Duvall and son Eddie were in Houston for the Fat Stock Show during the weekend. Mike Peel and Sammy Maxfield, two of his students, participated in the "calf scramble" but were unable to hold down the lively "Critters" for the count.

Mr. and Mrs. S.E. Lance entertained with a Lance family reunion Saturday and Sunday. Attending were Mr. and Mrs. P.A. Lance of Oklahoma Lane; Mr. and Mrs. R.H. Lance of Lubbock; Mrs. Myrtle Green of Quanah; Mrs. W.C. Meharg of Amarillo.

There Sunday were Mr. and Mrs. G.W. Jones and Kathy of Friona; Mr. and Mrs. Eugene Young, Mr. and Mrs. A.A. Blair, Jr. and Mr. and Mrs. Leon Robinson and families. Amherst, to make 26 in attendance.

Airman Donald Ewing of Altus A.F.B., Altus, Okla. returned early last week after a visit with home folks.

Larry Branscum, music and education director at the First Baptist Church, was in San Antonio last week for a music convention.

In Rudoso for the weekend were Earl Ewing, Jimmy Love and Richard Sherrill.

Mr. and Mrs. Jim Templeton, Mrs. Emert Rose of Friona and Mr. and Mrs. Leroy Nuttall and Shonda visited Mr. Templeton's father in McKinney last week.

Recent guests of the Bert Grimes' family were her parents, Mr. and Mrs. G.R. Green of Borger.

Guests in the Bob Simmons home Sunday were Mr. and Mrs. Jack Hutton and family of Littlefield.

Mr. and Mrs. Dorman Johnson and children of Spearman spent the weekend with his parents, Mr. and Mrs. Albert Johnson.

Mr. and Mrs. J.R. Simmon spent the weekend with his parents, Mr. and Mrs. Albert Johnson.

Mr. and Mrs. J.R. Simmon spent Friday through Sunday with relatives in Winters.

Mr. and Mrs. H.L. Phelps are vacationing in Corpus Christi.

Mrs. Myrtle Parks and her nephew, Pierson Adams, of Bovina, spent Friday to Sunday in Manitou, Okla. with Mrs. Parks' sister and brother.

Mr. and Mrs. Paul D. Bennett of Littlefield visited his parents, Mr. and Mrs. W.E. Bennett and Mr. and Mrs. Bill McDaniell Sunday.

Among those attending funeral services for Johnny McMurry in Muleshoe Thursday were Mr. and Mrs. Lester LaGrange and Mr. and Mrs. Bill McDaniell of Sod House.

Melissa Sanders of Midland spent the weekend with her cousin, Charlotte Crawford, Her parents, Mr. and Mrs. Jim Sanders, and two sons were guests of her mother, Mrs. Bob Crawford, in Littlefield and his parents, Mr. and Mrs. A.M. Sanders, in Earh.

Gary Pigg was home from Portales for the weekend. He is a student at Eastern New Mexico University.

Larry Stephens, Tech student from Pampa, visited his grandmother, Mrs. G.D. Lair during the weekend.

Frank Sturgis, Mrs. Lois Pryor and Teresa and Jeff Barwell of Wichita Falls spent the weekend with Mr. and Mrs. Lloyd Sturgis.

Mr. and Mrs. N.B. Embry spent the weekend in Dallas with their daughter and husband, Mr. and Mrs. Larry Leonard.

Mr. and Mrs. Ross Morgan of Mobeetie were here with relatives and in Lubbock last week. His brother, Dean Morgan, of Littlefield underwent brain surgery in Lubbock.

Mr. and Mrs. J.E. Williams of Earh spent Friday with their daughter, Mrs. Raymond Duvall and Sandra. The Williamses planned a trip to Falcon Lake this week.

Guests of Mr. and Mrs. J.L. Crosby Sunday were Mr. and Mrs. Ice Cummings of Littlefield.

Mr. and Mrs. R.J. Cook and daughters have moved to the Eldon Hill place two and one-half miles west of Fieldton. The place is in the Littlefield school district, but the girls will complete their year here.

Mr. and Mrs. Virgil Bowman of Lubbock, Mr. and Mrs. Leroy Nuttall and Shonda spent Sunday with their mother, Mrs. E.F. Nuttall.

Mutt Hufstедler, a long-time resident of Amherst, has been a patient in Methodist Hospital, Lubbock, more than a week where he is in a critical condition with meningitis.

'65 CHEVROLET
These great performers are the lowest priced models at our One-Stop Shopping Center

Top to bottom: Chevy II 100, Corvair 500, Chevelle 300, Chevrolet Biscayne. All 2-door models.

Hard to tell at a glance that each of these beauties is the lowest priced in its line. The ride doesn't show it. Or the interior. Or the performance. Just the price sticker.

That luxurious '65 Biscayne has the room of many expensive cars. Plus a handsome color-keyed interior with plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide-opening doors, roomy, tastefully trimmed interior, and all the easy-care features of the big Chevrolet.

Chevy II got a whole lot smarter for '65—but kept its common sense! Still family-size, easy to handle, economical, and the lowest priced Chevrolet out.

Both Corvair Sport Coupe and Sport Sedan have

the international flavor of a rear engine hardtop, promise fun for the months ahead.

Chevrolet, Chevelle and Chevy II are available with the economical Turbo-Thrift Six engine. It's economical, warms up quickly, idles silently. It's light, efficient, quiet, and spirited.

Corvair's rear-mounted Turbo-Air Six delivers the best balance and traction for this size car. It's air-cooled—no water or antifreeze.

So be practical. Check the great offer on your old car, the low payments on your new one. Only you will know how practical you've been. Because it sure won't show!

Drive something really new—discover the difference at your Chevrolet dealer's

SPORTS

I'VE GOT IT -- Might be the words of Bovina forward Judy Strawn as she goes high in the air to pull down a rebound in the Fillies game against Cotton Center Monday night. Judy scored 21 points for the winners as they edged the Elkettes 51-48 to advance to the regionals.

Wildcats 1965

Schedule Set

The Littlefield Wildcats 1965 football schedule was released this week with the Wildcats playing four games here and six on the road.

The Wildcats will again open against the tough Borger eleven on September 10 there and will follow with games on the road against Plainview, another 4-AAAA school, and Hereford before playing their home opener on October first against Denver City.

Following an open date Oct. 8, the Wildcats open District play here against Lakeview on the 15th. The other Wildcat games at home are Lamesa on October 29, and Snyder on November 12. They close their season at Brownfield on Nov. 19.

WILDCAT Football Schedule
 Borger -- Sept. 10 (T)
 Plainview -- Sept. 17 (T)
 Hereford -- Sept. 24 (T)
 Denver City -- Oct. 1 (H)
 Open Date -- Oct. 8
 Lakeview -- Oct. 15 (H)
 Sweetwater -- Oct. 22 (T)
 Lamesa -- Oct. 29 (H)
 Levelland -- Nov. 5 (T)
 Snyder -- Nov. 12 (H)
 Brownfield -- Nov. 19 (T)

Olton Track Men Open Saturday

Olton's track men are working out daily in preparing for their first meet of the season at Idalou Saturday. Five track meets are scheduled for the cinder men in addition to the district meet.

In addition to the Idalou meet the 25 members of the team will run in the March 13 meet at Abernathy, at Hale Center on March 20 and March 27 at Springlake.

The final meet before the district set for April 24 is the Kress meet on April 3.

The track team roster includes:
 Sprinters -- Jackie Burkhalter, Ronnie Digby, Dale DeBerry, Jimmy Ivins, Tommy Sanders and Rickey Skelton.
 Half Milers -- Larry Neinst, Ralph Pulido and Billy Roy Smith.

1 Mile Run -- Don Curtis, Burney Hooper and John Stiles.

Hurdles -- Richard Hall, Joe Priest and Ed Smith.
 Discus -- Dennis Givens, Don Mitchell and Don Sopher.

Shotput -- Joe Castello, Dwight Clark, J. Curtis Hall, Steve Moss, Jimmy Schreier and Ronnie Truitt.

High Jump -- Broad Jump -- Jerry LaFrance.

Lothario Meets Lucas Here Sat.

Jose Lothario defeated Sputnik Monroe in the feature attraction at the Littlefield Sports Arena last Saturday night, winning the second and third falls after dropping the first.

Lord Littlebrook took 12 minutes to win the match of the mid-gets, downing Frenchy Laumont, Paris, France with a body press in a one fall match.

In the opening bout on the card Dory Funk Jr. was awarded the match when his opponent Duke Hoffman was disqualified by the referee. Hoffman had won the first fall and Funk the second with his famous toe hold.

The next matches are scheduled this Saturday night with Lothario meeting Ken Lucas in the main event and Hoffman against Art Nelson in the semifinal. The opener will send Sputnik Monroe in with Bill Graham starting at 8:30 p.m.

Felipa Prado and Janie Kuller led the team to a 25 and 6 season record as both averaged over 20 points a game. Among their victims were Union, Loop, Whitharral, and Spade. They also won the Snyder Invitational tourney.

Mary Burr, Rose Dueterhaus, Mary Jane Demel and Brenda Homer are the others that make up Coach H.E. Lewis' starting ball club.

Bovina Goes To Regionals With Win Over Elkettes

Lynn Looney scored a basket and two free throws in the last 90 seconds to lead the Bovina girls to an uphill 51-48 win over the Cotton Center Elkettes Monday night before 1,150 fans in the Littlefield High School gym.

The win sent the winners to the regional playoffs this weekend at Canyon.

The losers went into the lead with two minutes left in the opening quarter on a basket by Sherry Burnett and never again trailed until Looney hit with a ten footer to sent the Fillies ahead 49-48 with a minute and a half left in the game.

The losers led 14-10 at the end of the first quarter and built up a 32-26 advantage at half time as Burnett got all of her 21 points in the first half. Judy Strawn led the losers with 13 during the first 16 minutes.

Bovina cut the deficit to 41-36 opening the last period as Looney and Strawn each hit two baskets while Shirley Turner

made five straight free throws to keep the Elkettes in the lead.

Cotton Center was limited to two baskets and three free throws in the last eight minutes as the winners cut the Elkettes lead to 48-47 on buckets by Strawn, Looney and Sandra Patterson.

Looney then hit the go-ahead basket and followed with two clutch free throws with 20 seconds left. Looney and Strawn tied Burnett for high scoring honors with 21, and Patterson got nine to complete the winners scoring. Debbie Moring with 13 and Turner with 12 aided Burnett for the Elkettes, with Turner getting 10 out of her 12 points at the charity line.

Pep Girls Play At Canyon Friday

The Pep girls basketball team will travel to Canyon tomorrow to make their first appearance in regional basketball tournament play in the history of the school.

Winners of the District 7-B with a five and one record the girls went on to defeat Three Way in a playoff. They then got a bye in bi-district play to advance directly to the regionals where they will meet the District 3-B winner at 4:15 p.m. tomorrow night.

Felipa Prado and Janie Kuller led the team to a 25 and 6 season record as both averaged over 20 points a game. Among their victims were Union, Loop, Whitharral, and Spade. They also won the Snyder Invitational tourney.

Wildcats Enter Brownfield Meet

The Littlefield cinder team will get another taste of competition this weekend when they travel to Brownfield for a one day track meet Saturday.

"We expect to do much better this week than we did at Fort Stockton but were pleased with the results as a whole. Some of our boys have been out for track a little over a week following the close of basketball. Larry Schovaya did a fine job for us in the 440 and others while not collecting points. Did better than we hoped for so early in the season," track coach Ernie Davis said.

\$217,086.77 BID

'Park And Shop' Bids Let

The much awaited downtown Park and Shop project moved one step closer to completion this week when the city let the bid for the project to Bledsole and Caldwell, an Amarillo firm, at a base bid of \$217,086.77. The bid tendered by the Amarillo firm was \$17,000 under the estimate of city engineer Bill McMorris, who has been working with property owners and city officials from the start of the project. The total cost of the project is expected to be near \$400,000 including the off street parking facilities which the city is purchasing. The cost to property owners will be determined by the front footage they have on the streets to be overhauled. Under the bids submitted the cost of the project will be \$30.58 per front foot for all property owners with locations fronting on Phelps Avenue, \$14.27 for property fronting on XIT and LFD Drive, and \$8.00 per foot for property on the side streets, which will be re-done.

The project, which was in the talk-only stage just eight months ago, has continued to move along at a pace so rapid, the planners have been surprised and delighted.

Co-chairman Dr. Bill Orr said the vein in which the plans for improvements have been received has increased the chances for early completion, and has shown what a city working together towards a common goal can do.

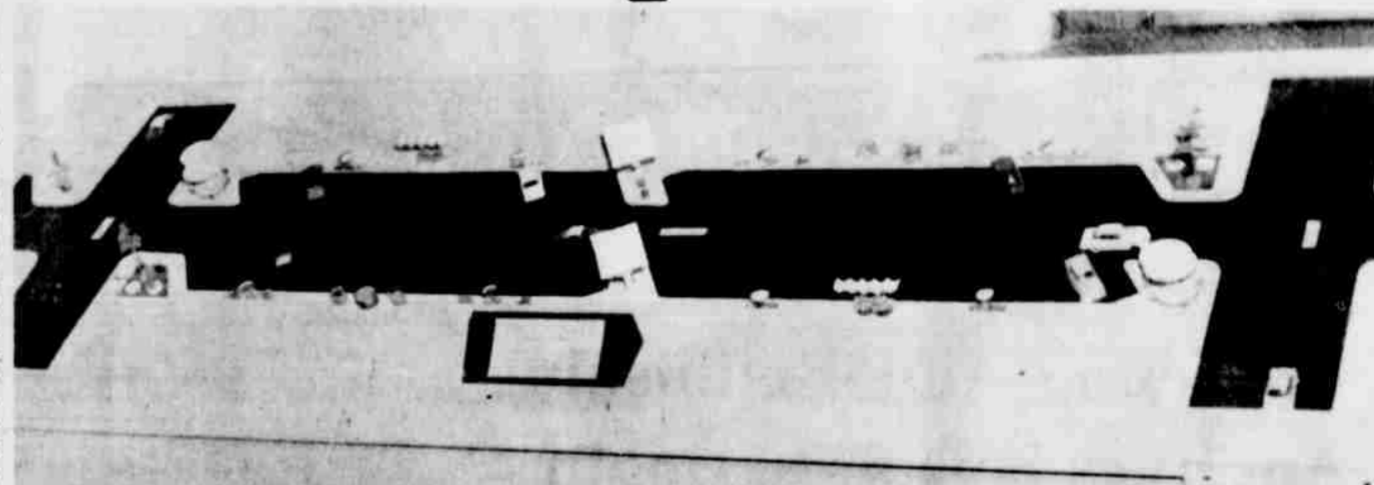

Under the current plans, all the sidewalks and curbs in the downtown area will be removed and then re-laid complete with the approved improvements which include rest rooms, sidewalk telephones, and the removal of overhead utility lines in the downtown area.

The letting of bids on the project makes Littlefield the first town in the state to undertake a project of this size and scope and should put our community among the leaders in the field of downtown improvements.

Physical work on the project is expected to get underway by the end of the month, and the contractors have estimated it will take 100 days to complete the overall project. The completion date has been set as late fall, providing the weather cooperates.

While there are no known plans for a general store front improvement, there are indications that numerous businesses will be cleaned up and remodeled to blend in with the overall project. Already several owners have begun to remodel, and a number of others have indicated they will begin a spruce-up program before the street project is completed.

The only thing that can delay the project now is a formal protest against the plan when the public hearing is held later in the month. While a formal protest is the only thing that can stop the project, planners and city officials said they do not feel any will be lodged. Co-chairman Kenneth Ware and Orr said support they have received for the undertaking is a good representation of the property owners, and none of them have indicated they would be against the project.

JUST AROUND THE CORNER -- The beginning of the 'Park and Shop' project, shown here in scale form, is just around the corner, after the City Council let bids for the project Wednesday afternoon. The bid for the street and sidewalk improvement was awarded to Bledsole & Caldwell, of

Amarillo for \$217,086.77. The total cost of the entire project will be close to \$400,000 counting the city and utility companies improvement. The contractors have estimated it will take 110 working days to complete the program, once work is started.

AT POLICY CONFERENCE

Secretary Ball Gives U.S. Policy Stand

Over one thousand newsmen, civic leaders, and representatives of numerous governmental agencies attended a day long Regional Foreign Policy Conference in Dallas Saturday, and heard the featured speaker, Under Secretary of State, George Ball, tell the audience that we have too much trouble in the far East to even consider taking another line of thinking, such as a peace conference or withdrawal.

Secretary Ball was one of six State Department officials who addressed the gathering in this annual meet, and discussed a wide range of topics dealing with the United States' position in the U.N. and in the world. A settlement of any sort in Viet Nam right now could lead to an accelerated war in Southeast Asia, warned the Number 2 man in our State Department.

"The present actions of the Hanoi government constitutes aggression the same as an invading army moving across a debarment line," the Secretary said. "There is no point in even considering negotiation until the Red regime in Hanoi gives some indication it will change its attitude," and, added the diplomat, "We have no indication of an attitude change."

Mr. Ball opened the luncheon session to questions from the floor after only 10 minutes of formal remarks and answered inquiries on everything from the new regime in Russia, to Cuba, France's gold policy and even the religious beliefs of the State Department personnel.

The subject of Viet Nam came up several times. Mr. Ball said in commenting on Viet Nam, "There is no basis of any negotiations, a settlement which would in any way lend lasting support to the Red dir-

ected aggressions could, conceivably lead to further escalation of the war.

Briefly, in touching on the possession of a nuclear device by Red China, Mr. Ball said, "This is another reason we must stick with our obligations in Viet Nam and Southeast Asia." The Secretary added, "Red China is not a nuclear power at this time, they exploded a nuclear device, and there is evidence they will, in the near future, explode another, but it must be remembered, these are devices, not bombs."

On other subjects the second highest man in the State Department said:

"The recent proposal by France to return to a gold standard is not a serious threat, because no other nation of the free world has picked up the belief, and supported it."

"The use of the U.N. in working for a solution to the Viet Nam crisis has not been overlooked and will be employed, if and when it can."

"We, the United States, are most optimistic that we can succeed more fully in enlisting the help and cooperation of the free world and Europe in moving toward common goals."

"Cuba does not now pose any military or subversive threat to the U.S., but it does to all of our Latin neighbors through its use as a spring board by the communist, for the eventual take over and infiltration."

The dry humored Secretary brought a chuckle from the crowd, when asked whether or not the State Department staff were religious people, and did he know of any atheist in the Department. After several minutes of pondering the question, Mr. Ball replied, "Quite frankly, I have never inquired

into the religious beliefs of my colleagues. But I assure you, they are dedicated people like everyone else—only they work harder than most."

Mr. Ball's address followed a morning-long session conducted by Fred L. Hadsel, Director, Office of Inter-African Affairs, and Joseph J. Sisco, Deputy Assistant Secretary of State for International Organization Affairs.

In discussing our position in Africa, Mr. Hadsel stressed the diversity of the African nations and quite pointedly reminded his

(See CONFERENCE Page 4)

Filings Closed

For School Board

Two incumbents and one entering his first election race will be the only three persons running for the two Littlefield school board positions in the April 3 elections.

At press time yesterday, with the filing deadline only two hours away, John D. Smith, present president of the school board, and board member Buster Owens had filed for re-election, while Edwin Coffman seeking his first three year term on the board filed last week.

The County Tax office announced that a total of 1,532 Littlefield residents are eligible to vote in the election. 1,505 persons have paid their current poll tax, a requisite to vote in the school or city election.

An additional 27 persons were exempted from paying their poll tax under the law which exempts older persons.

Marine Operation

Involves 50,000

(Editor's Note: The following is a special report from Gerald H. (Jerry) Sanders, Lt. Col. USMC, who is attached to the Command Information Bureau of "Operation Silver Lance".)

CAMP PENDLETON, Calif., March 4 -- Tomorrow morning, thousands of Marines storm ashore on the West Coast of California as the final phases of "Operation Silver Lance" begin. "Operation Silver Lance" is the largest amphibious exercise in the history of the Pacific with over 50,000 Marines and Navy personnel involved.

This operation was conceived to give Navy and Marine components special training in the type warfare expected to compose the major part of any military action by the United States in the years that lie ahead.

Over 5,000 people have been involved in the planning phases alone. Hundreds of military personnel have been trained as actors to provide the invading U.S. forces with the type of native resistance and harassment to be expected any place in the world. When the "Friendly" marines land on the beaches of the mythical land of Lancelot, they will be met by "natives" especially trained to provoke incidents of a nature that will be detrimental to the reputation of U.S. forces. The landing Marines have no earthly idea what to expect when they land so their reactions will be spontaneous. Navy and Marine officials expect to learn much from this exercise that will enable them to plan future training for their amphibious warfare teams.

The general situation that makes up the background for this operation is that the friendly land of Lancelot has requested military assistance of the United Nations to put down rebellion in their own country inspired from infiltration by the enemy bordering

(See MARINES Page 4)

C of C Seeks Suggestions For 1965 Program

The Littlefield Chamber of Commerce has sent letters to all members and non-members in Littlefield seeking suggestions to be added to their expanded program of work plans.

The Chamber, under the leadership of President Chic Conway plans to step up its activity this year, and has asked for suggestions, from the members, in helping to form a good workable program of endeavor.

Conway said the board had decided to use the letter survey forms to get as many different ideas as possible prior to the board meeting next week. He said, "We hope everyone will take the time to fill in their ideas on the project, and will return them to us before the Thursday night meeting."

Conway urged the people of our area to regard the Chamber as their business, and to respond with good ideas that can be used in helping Littlefield to progress.

The mailing of the letters, which went out Wednesday afternoon, is the first step in the Chamber's plans to develop a closer tie between the board and the general membership, at the present the Chamber plans, later in the year, to call several general membership meetings, as well as meetings for related businesses. This way Conway said we can get a good idea of what the membership wants and what we can do to help our community grow.

McGill, a farmer, has lived on a farm near Olton all his life and is a member of the First Baptist Church. He and his wife, Doris, have four children. Karen 6, Jane 8, and ten year old twin boys Darrell and David.

A carpenter, Hall and his wife Betty Jo have two children, Connie, age 12 and D'Lynne, 8. A native of Olton, Hall attends the First Baptist Church.

Norfleet, also a farmer and lifetime Olton resident is a member of the Valley View Baptist Church. John and his wife are the parents of four children, Kathie, age 14, David, 12, Cynthia, 9, and Nancy, age 3.

Deadline for filing for the election to be held at the H.P. Webb Elementary School is March 3 at the school business office.

Election Judge Galen Finney announced that absentee voting will be from March 15 to March 30 and the polls will be open from 7 a.m. to 7 p.m. election day.

Marine exercise currently underway off our Pacific Coast. This report gives the details of what goes on in an operation of this nature, and gives a few of the behind the scene reports. We have been promised additional reports from the exercise, and hope to have the exercise report in Sunday's another report in Sunday's County Wide News.

Alien Farm Hand Wages Increase

Tracy C. Murrell, Regional Administrator, U.S. Department of Labor announced yesterday that effective April 1 the minimum wage for general farm hands under the 320 program will be \$1.25 per hour.

The policy statement read that because of the adverse rates announced December 19, 1964 the following wage rates would go into effect April 1.

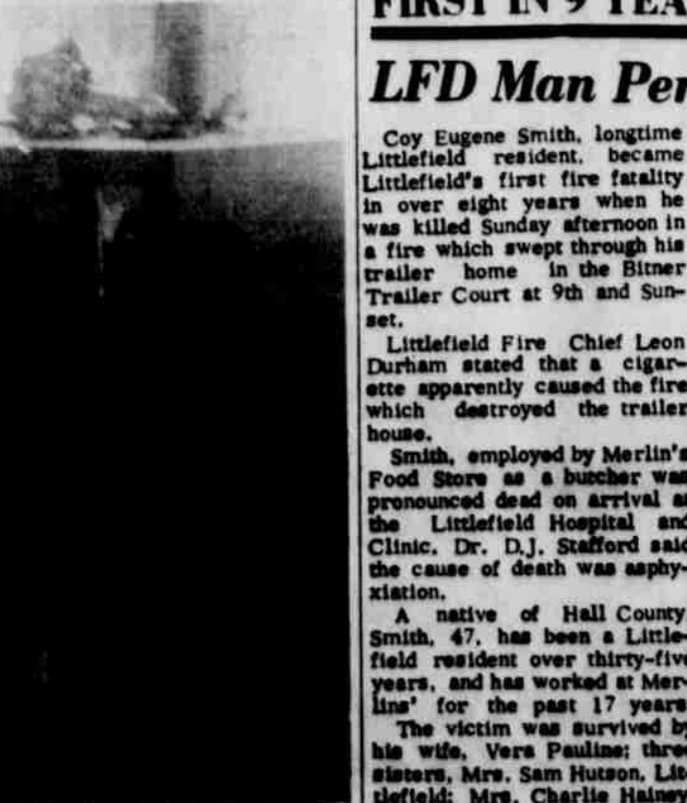

For farm hands general, under the 320 program, not less than \$1.25 per hour for any kind of general year-round farm worker. The job offer must guarantee the worker \$50 per week. All hours in excess of 40 will also be paid at the rate of \$1.25 per hour. Housing, utilities and transportation to and from the job must be paid by the employer.

The new pay rate also effects the wage of ranch hands. Starting April 1, the hands must be paid not less than \$207 per month plus room and board. All hours worked in the excess of 208 hours during a calendar month shall be overtime and the worker shall be paid \$1.25 for all over the figure.

The policy in no way establishes wage rates for domestic agricultural workers.

FIRE SCENE -- The interior of the house trailer in which Coy Eugene Smith succumbed was almost completely demolished. The trailer, located at 9th and Sunset caught fire

late Sunday afternoon and Smith was declared dead on arrival at Littlefield Hospital. It was the first fire fatality in Littlefield in over eight years.

FIRST IN 9 YEARS

LFD Man Perishes In Blaze

Coy Eugene Smith, longtime Littlefield resident, became Littlefield's first fire fatality in over eight years when he was killed Sunday afternoon in a fire which swept through his trailer home in the Bitner Trailer Court at 9th and Sunset.

Littlefield Fire Chief Leon Durham stated that a cigarette apparently caused the fire which destroyed the trailer house.

Smith, employed by Merlin's Food Store as a butcher was pronounced dead on arrival at the Littlefield Hospital and Clinic. Dr. D.J. Stafford said the cause of death was asphyxiation.

A native of Hill County, Smith, 47, has been a Littlefield resident over thirty-five years, and has worked at Merlin's for the past 17 years.

The victim was survived by his wife, Vera Pauline; three sisters, Mrs. Sam Hutson, Littlefield; Mrs. Charlie Hainey, Grand Prairie, Texas, and Mrs. Bob Ferrier, San Jose, California; and two brothers, E.A. and Ernie both now living in

San Bernardino, California. Services were held at 3 p.m. Tuesday at the Church of Christ, Crescent Park with minister Bob Weir officiating. Burial was in the Littlefield Memorial Park under direction of Hammons Funeral Home. Pallbearers were Cloyce and E.J. Foust, Jr., P.M. Caraway, Cecil Johnson, Merlin Yarbrough and Hill Rodgers.

Hospital Gets Remodeling

Improvements are underway on the interior of the South Plains Hospital at Amherst. The walls and woodwork have been refinished in 16 patient rooms and rooms will be completed this week.

Baths have been installed in two of the rooms and more will be added later as well as an additional public bath installed in the ground floor of the hospital.

Other improvements include a new lighting system in the second floor hallway, and guard rails on the ramps leading to the second floor.

From Kay's Desk

less we miss our guess, week of March 1, 1965, will open in history as the time when the field came into its own. Letting of bids by the City Council Wednesday afternoon mark the beginning of a new decade which in the past decade will bring about new community relations, a healthier business climate for all concerned. I visited last week with our friend Ralph Duncan of the Texas Chamber of Commerce and Ralph, who travels all over West Texas, related that Littlefield is the area in the state to his knowledge that has gone as far as an improvement project in a town the size of Littlefield, and located as it is, to consider this type of project. Duncan said, "We could not agree more with your remarks, and feel that we are destined to come into the attention from other areas across the state and the world. ***** As we said Sunday, it was our pleasure, this past weekend, to attend the Regional Foreign Policy Conference in Dallas. We tried in today's Leader to give a comprehensive report on what was discussed, and what relations with the other free nations of the world are, and why they are pursued in the manner we are using. It was a pleasure to become better informed on some of the U.S. policies, and to know that we have personnel such as Mr. Ball and Mr. Sisco in places where their talents can be used to our greatest advantage. We commend them and the State Department for the work they are doing, and feel as long as we have this sense of dedication, the United States will continue to hold the lead among the free nations of the world. ***** Another item of interest in today's Leader is a report from Col. Jerry Sanders, president of Littlefield Publishing and owner of Lamb County's radio station KZZN, a U.S.

PRETTY BLONDE HOMEMAKER SHARES FAVORITE RECIPES -- Mrs. Freddie Harrell, Dorris to her friends, is shown above serving up some of her Lemon Refrigerator Cheese Cake, one of the recipes she is sharing with readers this week. Dorris and Fred-

die have two daughters, Sheila, a fifth grader, and a married daughter Cleo, the wife of Jimmy Bales. The Harrells enjoy activities done together as a family, such as camping, fishing, collecting and refinishing antiques, and church work. They live at 720 West 1st.

Collecting And Refinishing Antiques Is Family Hobby

Mrs. Freddie Harrell, busy homemaker and mother, stays quite busy with her household duties and other projects in which she is interested. Her two main hobbies seem to be working with the Girls Auxiliary at the First Baptist Church and collecting and refinishing antique furniture. Mrs. Harrell has consented to give us two of her favorite recipes to share with the readers.

Better known as Dorris, Mrs. Harrell is the wife of Freddie Harrell, distributor of Morton Foods, and the mother of two daughters, Cleo, the wife of Jimmy Bales; and Sheila, a ten-year old fifth grader in Mrs. Pressley's home room. The Harrells live in a three-story home located at 720 West 1st Street.

Freddie and Dorris were married in Gulfport, Miss. while he was in the U.S. Navy. They returned to Littlefield upon his discharge and have lived here since.

The Harrells are active members of the First Baptist Church and other organizations, especially where their daughters are concerned. Dorris has been a GA director for a number of years and feels this is very rewarding work. She says it is really a joy to work with these young girls and does not become a burden as some activities do. She serves as prayer chairman of the Jody Towery W.M.U. Circle, is a member of the Willing Workers Sunday School Class, and serves as receptionist for the Adult II Department. Freddie is president of Frank Lehman's Sunday School Class and an usher. Sheila is a member of the Junior Choir at church, is in Mrs. Neil Wood's Sunday School Class and Junior I GA's. Cleo was very active in the Young Woman's Auxiliary of First Baptist as well as any number of school organizations, previous to her marriage several months ago. She is a senior at Littlefield High School.

Mr. and Mrs. Harrell have been members of the Choir Parents for a number of years, with Dorris serving as president for three years. They have also been members of the Band Boosters.

The family enjoys camping and fishing and doing things together as a family. For a number of years the family camped in a tent, then had a camping trailer that folded out to make a tent. They are very anxious for this summer to arrive so they can try out their recently-purchased trailer house.

Another family project has been collecting and refinishing antique furniture. Their home

contains any number of pieces of furniture and clocks that have been bought (some of them in very sad condition) and, after much work and paint remover, have become very beautiful pieces of furniture. Probably their most valuable "find" was the divan and chair set they bought from an antique store, later to find it was a handcarved Louis XIV original and quite valuable. It now graces their living room.

Collecting plates is another of Dorris' hobbies. More than 50 plates decorate the walls of the kitchen and adjoining den. She has one from every state she has visited and numerous others. She also enjoys sewing and preparing her family's favorite dishes.

Since there isn't enough room to tell all the many interesting things about this attractive blonde homemaker and her family we will take the rest of the space to pass along two of their favorite recipes.

LEMON REFRIGERATOR CHEESE CAKE

3/4 cup sugar
2 envelopes unflavored gelatin
1/4 teaspoon salt
2 beaten egg yolks
1 - 6 oz. can (2/3 cup) evaporated milk
1 teaspoon grated lemon peel
3 cups cream style cottage cheese (sieved)

1 tablespoon lemon juice
1 1/2 teaspoon vanilla
2 egg whites
1/4 cup sugar
1 cup whipping cream

ONE CRUMB CRUST

1 1/2 cup finely crushed corn flakes
1/2 cup finely chopped walnuts
1/3 cup sugar
1 teaspoon cinnamon
1/4 teaspoon nutmeg
1/3 cup butter, melted

Reserve 3/4 cup mixture. Press the rest on bottom of spring-type pan (other type will do). Chill.

Thoroughly mix 3/4 cup sugar, gelatin and salt. Stir in egg yolks and evaporated milk. Cook and stir over low heat until gelatin dissolves. Add peeling and cool.

Stir in cottage cheese, lemon juice and vanilla. Chill, stirring occasionally until mixture mounds when spooned. Beat egg whites, add 1/4 cup sugar, beating to stiff peaks. Fold into gelatin mixture. Fold in whipped cream. Pour into crust, sprinkle with reserved crumbs. Chill until firm.

BISTECA ALLA PIZZAIOLA (Beefsteak Pizza Style)

Forum Hears Program On Problems Of Today's Youth

Mrs. Olene Gibson was in charge of the program for the Forum Club Thursday evening. She gave an interesting presentation of "The Problems of the Youth of Today."

"The young people in our high schools and colleges today," said Mrs. Gibson, "are facing a world of new industries; things that are as yet unheard of, just as we now work in fields that were unknown to our forefathers. These new fields of employment are going to require training of boys and girls to take on the responsibilities."

It was pointed out that scientists, economists and financiers are predicting that during the next twenty years our country will undergo a series of mild recessions, each ending with the level of prices and salaries ex-

tending higher. It is the duty of parents, teachers, ministers and civic leaders to study and encourage the youth of today, so that they will be able to assume the leadership of this kind of world.

During the short business session, Mrs. Robert Richey reported on the project, sponsored annually by the club, of furnishing school lunch tickets for needy children. Also, plans were discussed for the attending the Lubbock Symphony Concert.

Thursday's meeting was held in the home of Mrs. Norma Russell with Mrs. Charles Russell as co-hostess. Refreshments were served buffet style to the twelve members present.

The next Forum meeting will be in the home of Mrs. Howard Burks March 11.

Mrs. Scott Hosts SS Luncheon

The Rebekah Sunday School Class of Parkview Baptist Church met recently at the home of the teacher, Mrs. O.B. Scott for a salad luncheon and hour of fellowship.

Sue Fielden opened the fellowship hour with a prayer of thanksgiving. Mrs. Scott gave a devotional on "The Pure Heart", closing with prayer.

Attending were Gayla Scott, Janice Vaughn, Janet Minyard, Sue Fielden, Janice Miller, Kay Cantrell, Pat Bolton, Carol Pounds, Peggy Birkelbach, Mary Tisdale and a guest, Mrs. Bill Scott of Levelland.

Rocky Ford Community Annual Reunion Sunday

AMHERST -- This year marked the twenty-ninth year for the annual Rocky Ford get-together and birthday dinner. It was held in the Amherst Community Center with Mr. and Mrs. Lloyd Sturgis as hosts for covered dish dinner. Seven of the group had birthdays in February and had the honor of cutting the large birthday cake, gaily decorated and lettered "Happy Birthday to All". They were Mr. L.L. Dunn, Littlefield; Lloyd M. Sturgis, Mr. and Mrs. G.C. Bearden, Amherst; Mrs. Floyd Ivey, Sudan; Billy Ray Griffin, Canyon; and Jeff Barwell, Wichita Falls.

Those attending were Rev. and Mrs. Melvin Hooten, Rocky Ford, Mr. and Mrs. Lloyd Sturgis, Mr. and Mrs. G.C. Bearden, Mrs. Bill Taylor, Mrs. Ted Long, Mrs. Carrie Thomas, Mr. and Mrs. Bill Roberson, Mr. and Mrs. Lige Griffin, Mr. and Mrs. Raymond Heim, Jerry and David, Mrs. J.A. Roberson, L.J. Roberson, Mrs. Cletis Dunn, Jane and Ray, Patricia and Barbara Muncy, all of Amherst. Mr. and Mrs. A.Z. Dunn,

Mr. and Mrs. Herbert Mr. and Mrs. L.L. Dunn, Allie Bishop, Mr. and Mrs. R.O. Scarlett, Mr. and Mrs. L.L. Gail, Kennan and Gary Littlefield.

Mr. and Mrs. Floyd Ivey, dan, Mr. and Mrs. Bill Griffin and Reba, Campbell and Mrs. E.L. Ivey, Frank Sturgis, Mrs. Lora or and Teresa and Jeff of Wichita Falls. All singing were pleased that Mrs. Roberson could attend her long illness.

Local Student Receives Honors in Symphony Contests

Trudy Grizzle, an active high school junior, and her voice for less than a year has already received sev-

eral recognitions for her lyric soprano voice. About a week and half ago Miss Grizzle won first place

in the voice section of the Symphony Student Contest held in Lubbock. The contests were sponsored by the South Plains Music Teachers. As a result of this contest she will be the featured vocalist in the Lubbock Symphony Concert to be held March 22 at 8 p.m. in Monterey High School Auditorium, Lubbock. Miss Patsy Russell, daughter of Mr. and Mrs. Stillwell Russell was chosen as fourth alternate.

Trudy entered a similar contest in Amarillo in December and was chosen first alternate in voice in the 15-17 year old bracket. The winners of this contest presented a concert last Sunday at Tascosa High School in Amarillo. Trudy sang "Il Est Doux, Il Est Bon", which is Salome's song, in French, taken from the opera "Herodade". Had something happened that the first place winner was unable to attend the concert, Trudy would have been the featured soloist in her age bracket.

A Grace E. Hamilton Certificate was presented to Miss Grizzle, along with the other winners Sunday at the concert. Trudy is the daughter of Mr. and Mrs. L.G. Grizzle of Littlefield. She is active in church work and participates in various school activities. She is a member of the church choir at First Methodist Church, serves as secretary-treasurer of the Fidelis Sub District MYF, and is a member of the a capella choir at high school.

GRAND VOICE BRINGS HONORS -- Miss Trudy Grizzle, daughter of Mr. and Mrs. L.G. Grizzle, was presented the Grace E. Hamilton Memorial Award Sunday at the Amarillo Symphony Concert in Amarillo. Trudy was chosen first place in a contest earlier, for which she was given this award. She sang Salome's song in French, taken from the opera "Herodade".

MORSALENE PIERCE

Engagement Announced

The engagement of Miss Morsalene Pierce to Doyle (Curley) Allen Jr., Mr. and Mrs. Curtis Savage of Sudan. Parents of the prospective bridegroom are Mrs. Veretta Allen and the late Doyle Allen of Sudan.

Miss Pierce is a graduate of Sudan High School and attended West Texas State University in Canyon. She is a member of Tau Beta Sigma Sorority. Allen attended Sudan High School and has been employed by Baccus Chevrolet until recently.

Wedding vows will be exchanged by the couple March 10 at 7 p.m. in the home of the bride's parents.

The couple will make their home in Pueblo, Colo. where Allen will be enrolled in Railroad Communications School.

Couple Plan May Wedding

The engagement and approaching marriage of Miss Caroline Rosella Lingnau, daughter of Mr. and Mrs. Alvin Lingnau of Littlefield, and Jerry Ben Bessire, son of Mr. and Mrs. W.B. Conner of Lubbock, has been announced by the bride-elect's parents.

Miss Lingnau is a graduate of Littlefield High School and attended Draughon's Business College, Lubbock. The prospective bridegroom graduated from Lubbock High School and also attended Draughon's Business College, Lubbock. He is employed at Lubbock-Amarillo Service, Lubbock.

The couple have set May 9 as their wedding date.

CITY BITS

Mr. and Mrs. Bill Brantley and Ken spent the weekend in Amarillo with Mr. and Mrs. A.D. Talley and Linda.

Bill Street celebrated his birthday Sunday with his wife and son, Mrs. Bill Street and David, also his mother, Mrs. W.G. Street, Sr. of Littlefield, and mother-in-law, Mrs. Marks of Lubbock. They all had dinner in Lubbock.

United States swapped 630-acre El Chamizal in El Paso to Mexico for 193 acres of Cordova Island after the Rio Grande changed its course a century ago.

The residence of the president of the U.S. was first called the White House in 1811, but not until Theodore Roosevelt put the name on stationery in 1902 was it made official.

If all descendants of one female housefly that survived the winter lived and multiplied, there would be enough flies in August to cover the world 47 feet deep.

There are about 50 species of garfish, sometimes called needlefish or billfish. Found in warm waters, they are fast swimmers and some are six feet long.

THE LAY OF THE LAND -- Shown above are Lieutenant Colonel Gerald H. Sanders, USMCR, radio station owner and newspaper publisher of Littlefield, Lieutenant Colonel James F. Williams, Public Information Officer for Lieutenant General Victor H. Krulak, USMC, and Major Weldon Wells, formerly of Anton now of Lubbock, as they view a map in the Command Information Bureau of "Operation Silver Lance," in preparation of the largest amphibious exercise in the history of the Pacific.

--- CONFERENCE

(Continued From Page 1)

listeners, "the revolution of independence" that has swept the continent, has resulted in 33 new nations coming to the fore in the last 15 years. "This," said Mr. Hadsel, "is very remarkable, and if we are to maintain our interest in this country we must help these new nations in their self-determination to seek out African solutions to African problems."

Mr. Hadsel, who has been in the State Department since 1946, listed education of the African people as one of the most pressing problems faced by the new nations. As way of comparison, Mr. Hadsel said, "Africa, which is 40 times larger than Texas and is thirty times more populated has only 3,340 students in the colleges of the country, while there are between 25,000 and 30,000 students in the colleges and universities of Texas."

In a lively question and answer period following his talk, Mr. Hadsel said we are interested in the plight of the African people as a matter of principle, and are vastly interested in the potential the country has as an economic country, saying the mineral wealth of Africa has only been scratched, and, given time, Africa could develop into one of the wealthiest nations of the world.

Prior to the address of Secretary Ball, the highlight of the morning session was Mr. Sisco's talk and the question and answer period that followed.

Mr. Sisco, stating he was married to a Texan, and knowing that Texans appreciated straight talk, said the U.N. was in trouble, and we were largely to blame, stating in all probability we oversold the organization at its birth, and now tend to underestimate its power of rebounding. While the United Nations is in trouble, this does not mean it is dead, Sisco said. "people have been burying the 14 member world organization since 1948, and still it continues to serve a vital function," Sisco went on to say. "It is disturbing that the general assembly adjourned until September, without taking up the problems of its financing and apportionment, both of which we stand ready to work toward solving."

"The U.N.," said Sisco, "is a reflection of a turbulent and divided world, an arena where

feelings are fought." Mr. Solbert said "our patience with these atrocities from the Viet Cong has been exhausted," but he went on to describe what dangers lay in either withdrawing from the conflict or escalating the action. "Communist success in Viet Nam would provide every strong support for theory that they can gain control of any non-Communist, emerging nation, even with economic and other aid from the United States," he said.

"The current conflict in Viet Nam is a test case, and to lose it would enhance the prestige of Communist China."

"The free world must display patience and a willingness to see these unpleasant situations through and the Assistant Secretary said "we plan to do."

Ambassador Bunker spoke briefly on the many strides the OAS has made, and noted all members, excepting Mexico have ceased to have diplomatic relations with Cuba.

The action by the OAS has

been instrumental in reducing the effectiveness of Castro's influence in Latin and South America. Ambassador Bunker said, "Through the Alliance for Progress, more than 269,000 houses have been built in OAS countries, classrooms built, teachers trained, hospitals and health centers constructed, roads built and people fed, all through the work of the OAS."

"The adventure of building a new and just society in the Americas is not simple or easy." "Above all," the ambassador said, "the acid test of our character is our staying power, and our will to see it through."

nation of Merlin. A large powerful nation to the north, Modred, has promised assistance to Merlin. Upon the UN's refusal of this aid, Lancelot has turned to the United States for help. The U.S. has sent some forces into Lancelot but they have been overcome by Merlin troops and guerrillas. Now the U.S. has planned to conduct a full scale invasion to liberate the U.S. forces and to restore order and a democratic government to Lancelot. They will be met by a well trained aggressor force composed of Camp Pendleton Marines, many of whom are fresh from Vietnam, well schooled in guerrilla tactics.

To add to the realism of the exercise, ingenious Marine builders have constructed 14 villages, including the main village of Camelot, that will be occupied with unfriendly forces. In addition to regular personnel, the Marine Corps has called on their reserve forces to support this exercise. A 160 man umpire team, composed mostly of reserve officers, will umpire and assist in the control of the exercise. Major Weldon Wells, formerly of Anton now living in Lubbock, is one of the reserve officers assigned to umpire duty in this exercise.

Five reserve officers make up a team assigned to the Command Information Bureau to assist in the press coverage of this exercise. Lieutenant Colonel Gerald H. (Jerry) Sanders, USMCR, KZZN owner and President of the Littlefield Publishing Company, is one of the reserve officers attached to the Command Information Bureau. Navy and Marine officials believe that the specialized training in civil affairs and civic problems gained from "Operation Silver Lance" will be invaluable to future military operations.

City Officials To Attend Meet

City officials from Littlefield, Amherst, Earth, Olton, Springlake and Sudan are expected to attend the region 3 meeting of the Texas Municipal League in Lubbock tonight.

Legislation affecting Texas cities, already introduced or anticipated before the current Legislature adjourns will be the major topic of discussion at tonight's meeting.

In announcing the meeting, Mayor S.W. Ross of Floydada, president of the Region, said at least 100 mayors, councilmen, city managers, and other municipal officials are expected to attend the session which begins at 7:00 p.m. at the Holiday Inn Parkway. Floydada officials, headed by Mayor Ross are in charge of arrangements.

Principal speaker will be TML President Hank Avery, mayor of Midland. Ross said Avery's address, entitled, "Cities, the League and the 59th Legislature," will analyze major measures affecting cities either favorably or adversely, and in addition will outline the legislative program approved in December by the TML board of directors. He will also describe the various means the League will use to keep city officials aware of developments during the session, Ross indicated.

Lee S. Vickers, TML field consultant, will attend the meeting representing the League staff.

"The meeting will offer excellent opportunity to get a broad perspective on the problems facing Texas city governments and the way legislation might relieve or aggravate the problems," Ross said.

TML Region 3 (Caprock) comprises 49 cities and 22 counties. Regional officers, in addition to President Ross include 1st Vice President Harold Lucas, Mayor, Post; 2nd Vice President Charles F. King, Mayor, Lockney; Secretary Mrs. Madge Jones, City Secretary, Lockney; and TML Board Director Roland Simpson, City Councilman, Lubbock.

A prescription for sulphur saive to treat granulated eyelids was found in the Ebers Papyrus, a famous Egyptian formulary dated about 1550 B.C.

The ancient silver and lead mines near Athens, Greece, were first worked 2000 B.C.

Girl Scouts To Sell Cookies

Girl scouts throughout Lamb County will begin their annual cookie sale starting at 4 p.m. today. Receipts from the sale which lasts through March 18 goes to improve and maintain camps in the Caprock Girl Scout Council.

Goal for this year's cookie sale throughout the Caprock Council is 60,000 boxes, or 5,000 cases of Girl Scout cookies. Littlefield girl scouts hope to sell at least 223 cases. Mrs. Ralph Maurer, neighborhood cookie chairman for Littlefield said "that in addition to the cookies, junior and senior girls will be selling cans of mixed nuts and peanuts. Each girl selling either the cookies or the nuts will wear their girl scout uniforms or pins. They will give each customer a sticker that can be placed in the window so the girls can avoid calling on the same house time after time.

The profits from the sale are divided between troops and the local council. Troop profits are used for troop registration, cook-outs, service projects, and other troop activities.

GOOD SERVICE

Best Fertilizers are delivered in bulk or in bags to your dealer who has the most modern equipment available for quick distribution.

An agronomic service program aids you in selecting the right amount of fertilizer, in the right form, for your soil and crops.

This, coupled with convenient location of dealers and manufacturing plants are just part of Best's Good Service.

BETTER PERSONNEL

Personnel who are familiar with every phase and type of farming and know your soil and crop production problems, and most important, know the answer to these problems are directly responsible for formulating Best Fertilizers.

Their combined experience includes work in every phase of soil and plant science.

BEST PRODUCT

FORMULATED FOR WESTERN CROPS AND SOILS WITH AM-SUL-PHOS

This gives you greater nutrient efficiency through chemically combined ammonium nitrogen, highly soluble and controlled release phosphorus and soluble sulfate ion. Best Fertilizers are chemically formulated for your soil and crops to give you higher yields, better quality and more profit.

Ask your dealer about Preplant, Starter, Sidedress and Topdress Fertilizers formulated by Best specifically for your Cotton, Wheat, Sorghum, Forage, Vegetable and Sugar Beet crops.

You Get Results With **BEST FERTILIZERS**

See us. We deliver: the one big car that's all big car.

Every Chrysler we sell is big. Full size. One size. The right size. With no half-pint editions to dilute your investment. Every Chrysler we sell is a mover. Even our lowest priced models have a 383 cu. in. V-8 - that runs on regular gas.

And note this point. Almost half of the 1965 Chryslers are priced only a few dollars a month more than the most popular smaller cars comparably equipped. That figure includes power steering, power brakes, automatic transmission,

radio and heater. Want to make a lot of car sense? Move up to Chrysler. It's easy.

R IF CROUP ATTACKS YOUR CHILD'S BREATHING

Croup is one of the symptoms of a throat problem. Breathing is difficult and there may be a spasm of the larynx with a wheezing sound. It may occur in acute laryngitis, a streptococcus sore throat or even diphtheria. It is important to call a physician. While waiting, start a steam vaporizer near your child. Until the vaporizer begins to steam, turn on the hot water in the bathroom and expose your child to the steam there. For steam usually brings some quick relief.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?
