### School Teachers for Next Year Are Chosen Monday

### W. KEITHLEY WILL MAKE TRIP TO WASHINGTON

### Local Man Is Picked As Chamber of Commerce Delegate

W. Keithley, local insurance man, was named Littlefield Chamber of Commerce representative to Washington, D. C., when farmers from every county in the nation convened in the capitol city May 13-14 to urge continuation of the federal processing tax plan. Mr. Keithley will join nine other Lamb County representatives, including two delegates from the Littlefield Farm association, in a meeting at Amherst at 2 p. m., today, Thursday, called by county agent A. A. Adam to settle arrangements for the trip. Wm. H. Cunningham and Millard Williams are the farm association delegates.

### FAMOUS STUNTER TO DO STUFF AT COOKING SCHOOL

### Williams, "Human Tow Chain" Will Perform Feats of Daring

Ray Williams, famous Oklahoma stunter who has amazed thousands of fans daily in connection with the County Leader "Happy Kitchen" School of Cookery here Tuesday and Wednesday. The many daring stunts will perform will be to "human tow chain." Grip-bumpers of an ordinary car and with a rope around the front wheels will form a connecting tow of one car by another. The amazing feat has made all over the Southwest wonder. A Chickasha, Okla., man, bag of daring strongman one of which alone would make him famous. In connection with the School of Cookery, stunts will be performed every afternoon for three days. For Ray Williams, "the human tow chain."

### Heads of Departments to Be Back Again; Few Changes Made

Twenty-eight Littlefield school instructors, including heads of the three departments, were re-named to teach during the 1935-36 term at a meeting of the school board Monday evening.

Floyd Hemphill succeeded himself as principal of the high school, and will again instruct in English. Other high school instructors, and what they teach are, R. L. Burdette, vocational agriculture; Lora Mae McFarland, Spanish; L. T. Barksdale, boys' athletics and mathematics; Mary Perkins, history; Thelma Kilough, algebra and history; Nila Jones, English and public speaking, and Naomi Robnette, girls' athletics and mathematics.

W. T. Hanes was reelected principal of the grammar school and will instruct in arithmetic and civics. Others are Earl Hobbs, history; Gladys Jones, English; Morgan Layfield, arithmetic and geography; Bessie Denton, penmanship and art; Mary Belle Montgomery, English and spelling; D. C. Lindley, arithmetic and geography; Callie Barksdale, history, penmanship and art; Lorene Prestridge, fourth grade; Mrs. Audie Collins, reading and health; Evelyn Garlington, music and fourth grade.

Miss Margaret Teel was retained as principal and will teach second graders. Other instructors are Eddythe Walker, Lois Kirkpatrick and Myrtle Robnette, first grade; Johnnie Pace and Ina Bell Wharton, second grade; Alma Gibson, high second grade; Ruth Matthews, third grade; Geraldine Kirkpatrick, high first and high second grades.

Supt. A. B. Sanders was re-elected for 1935-36 some time ago. Miss Lillian Hopping, Miss Marie Ruth-erford and Fred Bryant did not apply for teaching positions for next year.

### Vote on Dry Law Is Set For August 24

Texasans would vote on repeal of state prohibition in an election set for August 24, under a plan approved at Austin May 1 by both House and Senate.

Straight submission, with the state regulating liquor traffic and saloons banned, would require a vote of electors. Question of a mandatory state monopoly would be voted in the November 1936 general election. Local option would be provided under both plans.

### Doors Will Swing Wide at 2 p. m. on Gigantic 3-Day Affair

The doors of the Palace Theatre will swing wide at 2 p. m., Monday, for the grand opening of the third annual Lamb County Leader "Happy Kitchen" School of Cookery and other big events scheduled for Monday, Tuesday and Wednesday.

Mrs. Johnetta Howard, noted food authority and famous for her practical knowledge of home economics, will conduct the school. Mrs. Howard is acknowledged to be one of the leaders in her field in the Southwest.

Final touches are being put to plans for the big free School of Cookery which last year drew hundreds to Littlefield from all over the trade territory. The school will open each day at 2 p. m.

This year, the affair will be even larger, even more brilliant. Final arrangements have been made for an

### School Will Open At 2 P. M. Monday

Mayor L. R. Crockett will officially open the Happy Kitchen School of Cookery at 2 p. m. Monday, and the address of welcome in behalf of the business concerns participating in the school will be made by Mrs. T. S. Sales.

The Lamb County Leader, in announcing the opening of the Cooking School, the Automobile Show, and the Oil and Gasoline Exhibition, gratefully acknowledges the pleasing and whole hearted cooperation of the many business concerns who have cooperated so splendidly with the Leader, which is sponsoring the various events.

We wish to thank Mrs. Sales and Mayor Crockett who have graciously consented to make the opening talks in setting in motion the Happy Kitchen School of Cookery.

Automobile Show, the first ever held in Littlefield, as well as an Oil and Gas Exhibition and other events. Local dealers are cooperating with the Leader in making this the biggest School of Cookery ever held here.

Made possible through the splendid cooperation of both local and national advertisers, the entire show is absolutely free to all. The Automobile Show and the Oil and Gas Exhibition will be in progress afternoon and night on all three days.

A grand galaxy of gifts will be awarded from the stage, and hundreds of pleasant surprises are in store for all who attend. Prizes will be awarded the lady coming farthest from Littlefield to attend the

An Automobile Show, the first ever to be held in Littlefield, as well as an Oil and Gas Exhibition, are among the several important features to be held in connection with the third annual Lamb County Leader "Happy Kitchen" School of Cookery here Monday, Tuesday and Wednesday.

A number of Littlefield automobile and gas and oil dealers are cooperating with the Leader in an effort to make these displays the biggest of their kind ever held in West Texas. Farm implement dealers also are aiding in the huge display program.

The newest models in famous makes of cars sold in Littlefield will be on exhibition in a gigantic street display to be bathed in many-colored lights on both afternoon and night of all three days of the School. Special entertainment including

band music and stunts, will be held in connection with these two big events.

The Oil and Gas exhibition will be held in the Red & White Grocery location next to the First National Bank. Dealers who will participate are doing their part to make the exhibition a success. These events will continue afternoon and night throughout the three days.

### "Dime Chain Mail" Declared Illegal

Beset by a multitude of inquiries, the post office department Wednesday made public a ruling of its legal department which declared the "dime chain mail" illegal because it violates the lottery and fraud laws of the postal service.

We Do Our Part

## WHEN DREAMS COME TRUE

We suppose there are limits, somewhere, to the power of the human mind to imagine the impossible and the power of human ingenuity, after the dream has taken form, to make it come true. But sometimes it seems to us that nothing is impossible.

What set that thought in motion was reading the report from the laboratory of the Massachusetts Institute of Technology of a demonstration given there the other day, wherein one metal was changed into another by the power of atomic energy. Silver was converted into cadmium in the presence of an excited audience of scientists. Nor is this the first time the elements have been transmuted. Some years ago Professor Soddy of England found that he could convert radium into lead.

It would be only one step farther than that to realize the dream of the ancient alchemists, who sought in vain for the "philosophers' stone" that would enable them to convert lead into gold. Modern science has demonstrated that their dream was not so silly as men had thought up to a few years ago. It may yet come true.

So, too, may every other dream of the human race, given time. Who believed thirty years ago that man would ever fly? Only a few dreamers, including a couple of young fellows who were running a bicycle repair shop in Dayton, Ohio.

Every new discovery of science brings the world closer to the day that almost everybody has dreamed of, when mankind shall have so completely conquered, and subdued nature as to create an earthly Paradise. It has truly been said by more than one of the great scientific minds of the world that we know enough now to abolish poverty forever, to reduce every man's necessity for labor down to the simplest "chores."

We fear, however, that the human race must go through a few more thousand years of mental and spiritual development before it will be ready for the millenium toward which science is steadily pointing the way.

## Bledsoe Man Hurt In Auto Accident

J. H. Tutman of Bledsoe suffered lacerations on his head and neck when a Chevrolet coupe he was driving at

Lubbock Saturday about noon was struck by a Plymouth automobile driven by an unidentified woman. The driver of the second car did not stop, Tutman told the police. The injured man was treated at Lubbock sanitarium and dismissed.

## GENERAL RAIN FALLS OVER LITTLEFIELD AND SOUTH PLAINS AREA SATURDAY

Snow, sleet and rain replaced dust storms in the South Plains area Friday and Saturday, when the mercury skidded below the 40 degree mark.

Beginning about 1:30 a. m., Saturday, two inches of snow fell in the Littlefield territory. This was followed by a slow rain, which lasted about 18 hours, clearing up about 6 o'clock. By Monday noon 74 degrees from the rain and snow measured 42/100 inches, according to L. C. Cawthorn, official government reporter.

The thermometer Friday indicated a temperature of 40 degrees; early Saturday it fell to 33 1/2 degrees, which was the lowest for the past week. Saturday noon the thermometer registered 37; Sunday morning early 38, with a rising temperature of 55 by Sunday evening at 6 o'clock. By Mondaynoon 74 degrees were recorded.

The precipitation over the South Plains, the first general rainfall in two years, ranged from quarter of an inch to two inches.

April had set an all-time record with 23 duststorms. Silt and sand had stifled the South in calm and in blustery weather.

Heaviest precipitation was reported in Crosby county. Rails territory had water standing in fields, after a two inch rain.

Railway dispatches reported light rain falling from Dalhart to Fort Worth and from Dalhart to Sweetwater. Snow was falling from Dalhart to Toxline. At Texico, one inch of moisture, from snow, was reported. Sweetwater had had 4.5 inches of rain since Friday.

A three-fourths inch rain, which fell at Floydada, was general over Floyd county. Precipitation 8 miles east of there totaled at 1.5 inch.

Plainview had more than a half in rain, which seemingly covered Hale county.

Amherst awoke Saturday morning to find the ground snow covered. Precipitation there exceeded a half inch.

Tahoka reported .79 of an inch at noon and the drizzle continued all afternoon and into the night.

Seagraves reported nearly a half inch in its trade territory.

In Lubbock county, Slaton had an inch of rain and Shallowater more than three-fourths.

Other places reporting rain were: Muleshoe, Sudan, Levelland, Meadow Abernathy, Hale Center, half inch or more of rain; Anton, quarter inch; Muleshoe, .35 of an inch; Idalou, Lorenzo, and Crosbyton, one and a fourth inches; Wilson, Justiceburg and Snyder, one inch; Southland and Post, inch and a half; Petersburg, .60 of an inch; Hamlin, Benjamin and Truscott, two inches; Crowell, three inches.

Renew or subscribe to the Lamb County Leader now at the reduced rate—in effect a short time only.

## District Court Term Changed

The Legislature, during the last session, through the efforts of Judge R. C. Joiner, District Judge of the 64th Judicial District, and attorneys through the district, were instrumental in having the arrangement changed from three terms of four weeks each, to two terms of five weeks each, beginning about February and August.

District Court is now in session at Muleshoe.

## Two Rooms Being Added To The H. C. Arnold Home

Considerable improvement is taking place at the H. C. (Carl) Arnold residence at the corner of Sixth and South Twitchell Avenue.

The dining room and a bedroom is being completely remodeled, including re-decorating, and two rooms are being added at the rear of the building. A kitchen, with all built-ins, and another bedroom will be built to the main building, according to Mr. Arnold.

J. H. Wells has the general contract for the work.

## 1935 WILDCATS, EX-CATS TO CLASH AGAIN FRIDAY

### CASH WILL GO ON GRID CAMP FUND

Plans Under Way For Nite Game Next Week

Coach Brack Barksdale's 1935 grid squad will tangle again with a picked team of last season's outfit in a game at Wildcat Field at 3 p. m., Friday.

Admission will be 5 cents to students and 10 cents to townspeople. Receipts will be applied on a fund for transportation of the 1935 Wildcats to their Palo Duro training camp during the last two weeks in August.

Probable Wildcat starters are Walker and N. Tubbs, ends; Rowe and Wilson, tackles; Melton and Foust, guards; Neely, center; and Capt-Elect Brantley, McKnight, Gibson and James, backs. Pierce, Lakey, E. McKnight, Bradley and R. Smith will see action.

The Ex-Wildcats will use a team composed thus far of Duffey, Kendrick, Irvin, L. Smith, Teeters, G. Hemphill, Yantis and Chisholm. Others will be named before the game. Plans are under way to arrange with softball league heads for a game between the two squads to be played under the lights some evening next week, Coach Barksdale said.

**LIONS CLUB MEETS JUNE 9**

That old demon, Ill Weather, dampened the ardor of even the most zealous knights of the willow most of last week. Games postponed from last week will probably be played off this week during the regular afternoon period, starting at 6:30.

"It wasn't the cold, it was the inhumanity of the thing," punned peeved pill-pasters.

Silas Q. Straw, noted scientist, man of letters, patron of the arts and corner philosopher, was asked Monday to throw a little light on the present "send-a-dime" letter craze.

"What do you think of this craze?" Mr. Straw was asked.

"Wal—yes—and maybe no," Mr. Straw hazarded.

"Will it bring back prosperity?" Mr. Straw scatched his chin, ring-in a high "C."

"Wal—hit might—then agin, hit might not," he replied.

"What's back of this craze, Mr. Straw?"

Mr. Straw shifted his chew, drowned a horse-fly seven and a half feet away, squinted with amaze and spoke, "Don't you know what it is?"

The press waited, expectantly.

"Why, 'ever feller in the county knows it's jest some o' them big paper magnets back o' this heah scheme," Mr. Straw declared with feeling.

"What do the post offices think of this craze, Mr. Straw?"

(Answer was supposed to go here.)

"Have you answered any of your send-a-dime letters, Mr. Straw?"

"Reckon hit'll rain?" Mr. Straw neatly evaded, as a postal inspector stepped onto the scene and harnessed the famous philosopher with a pair of handcuffs.

As he was led away, Mr. Straw turned and spoke over his shoulder.

"Stop by the place and remind Cymanthie thet she forgot to wrap that last dime in tissue paper. And tell her to send me a passel o' paper, stamps and a pencil—y' better tell her t' make it enough to last fer quite a spell," he added, as an after-thought.

As official score-keeper of sorts, this dept. would like to waste a little space with a gripe or three, to wit:

(1) Why should the second ball game of Monday's doubleheader begin at 10 p. m., when the slate calls for an 8:30 start. And why shouldn't the first game begin at 7:30?

(2) Why not slap a penalty on teams for which players are substituted without a report to the score-keepers?

(3) Well, there isn't any (3)—but three bookmarkers at the lot would be tickled silly to have a little close cooperation. Thanks.

County Superintendent F. O. Boles returned Sunday night from a trip to Austin, where he had been taking care of school business. He also attended the State meet, which took place Wednesday, Thursday, Friday and Saturday of last week.

### Anton in Double Bill Football Game Friday

(Special to the Leader)  
Anton High school is making plans for a big last-day-of-school football program. School will be closed Friday, May 10, and at two o'clock the Anton Bull Dogs will take on the Meadow Brones in a spring training football game.

The last game of the afternoon bids fair to be the outstanding game of the day. The Ex-Westerners have played half a dozen spring games and haven't lost a contest. The Anton club will be made up of former college and high school stars; however, they will not be in the condition that the Ex-Westerners are in.

The Ex-Westerners are being brought to Anton in order that Anton might have a chance to get even with the big Lubbock boys for thrashing their little inexperienced high school lads earlier in the season. The Anton High school authorities and the Ex-Bulldog coach, Bob Rich, have agreed to play the game free to the public.

### Two Young Men Will Be Charged With Theft of Chickens

Two young men, who gave their names as Ed Hudson and Keith Jones and their home as Ada, Oklahoma, were arrested last night by Constable Sam Hutson, and will be charged with the theft of chickens, according to the constable. They will be given a preliminary hearing today before Justice of the Peace J. B. Sikes.

The arrests were made by Constable Hutson on a complaint filed by Dave Pharis, who reported the theft of 25 chickens from his property one mile west of the Littlefield schools.

**ELECTROLUX operates on KEROSENE**

"MY BROTHER HAS ONE JUST LIKE IT IN HIS NEW CITY APARTMENT"

ALREADY serving more than half a million families in homes and apartments, Electrolux now comes to the country—operating on kerosene. It gives you all the famous Electrolux advantages—including perfect refrigeration, plenty of ice cubes—at low cost!

Costs Little To Run!

Owners report their Kerosene Electrolux running for as little as 3¢ a day. Five gallons of kerosene runs this modern refrigerator a week or more. No daily attention is required.

Simpler... More Efficient!

That's because Electrolux operates more simply than any other refrigerator. Like all Electrolux, it has no moving parts! The best from a wickless glow-type burner circulates the refrigerant which ordinary air cools. Electrolux uses no water!

No Moving Parts To Wear!

Thanks to its freedom from moving parts, Electrolux never needs repairs and is permanently silent, too! For parts that do not move cannot wear—cannot cause noise!

Provides modern city refrigeration for only a few pennies a day. Electrolux will add beauty to your home!

## SENIOR PLAY TO BE PRESENTED BY SENIORS

"Growing Pains" a humorously written play, will be the senior play for this year's class.

It is a riot for those who find the awkward age farcical and tragic by turns. It is dedicated particularly, one would say, to those who never tire of the bright sayings of growing youngsters.

This entertaining play contains the psychology of the girl growing into womanhood and the boy growing out of puppy love. It seems to hit the right note and bring out the growing pains of young people.

These two kids, George and Terry, go through their throes in company with their neighborhood kids. Many things happen to all of them, but the end is bright and promising.

## SPANISH CLUB PICNIC

The members of the Spanish club went picnicking Thursday afternoon from 5 o'clock until 8 o'clock. The club invited the members of the Spanish classes to their picnic. Miss Robinette and Miss McFarland, the club sponsors, a large number of club members and Spanish members enjoyed several good games of tennis and volley ball at the school house

before going to the city park. At the park H. F. Hobson and C. G. Clark chose sides for a baseball game. The game was very interesting with the final score in favor of W. T.'s team.

## DRAMATIC CLUB PRESENTS PROGRAM

After being so engrossed in their own work the past year, the Dramatic Club gave a program on famous dramatics and dramatists of the world. The program consisted of four talks on this subject and an intelligence contest. John Hanks spoke on, "The Mark

Twain Centennial," telling how Mark Twain should be honored for his great works. "Heaven on Earth," a talk on the current successes of the stage and screen, was given by Jim Frank Teeters. The much talked-of "Clean Up of the Screen" was presented by Frank Cole and Linton Smith talked on "Ghastly Moments Behind the Stage."

By way of entertainment Ellereene Vause presented an intelligence contest to the members of the club which proved that a reasonable percentage was fairly intelligent.

## THE COMMERCIAL CLUB ENJOY CLUB PERIOD

The Commercial club enjoyed Tuesday's club period listening to many humorous jokes and interesting discussions.

Faye Foust, president of the group, read several laugh provoking jokes and a discussion of Carlsbad, led by Lucille Glover, followed.

## HOME ECONOMICS CLUB ENTERTAINED

The Home Economics Club met in the home economics sewing room. They were entertained by two contests. The first contest was cupid pies and the winners were Bernice Gattis and Susan Houk, the prize was some candy. The second contest was Famous Lover's Pie and the winners were Emogene Eudy, Bernice Gattis, Susan Houk and Nell Taack, the winners also received candy.

## EL PROGRESO CLUB MEETS TUESDAY

El Progreso club met Tuesday, April 30. The program consisted of several talks on "San Jacinto Day" and "The Alamo." "Beautiful Texas" and "Cowboy Jack" were sung by Opal Yeary, Edna Belle Gillette, Pauline Kendrick, Martha Kelm and Claudine Campbell.

The club divided into groups and each group sang a song of Texas.

## SENIOR DAY PLANS MADE FOR

Friday the seniors of the Littlefield High school were called to a class meeting to decide upon where they would go on Senior Day. Four places were mentioned for the seniors to decide upon. They were Buffalo Springs, Silver Falls, Palo Duro Canyon and Carlsbad. Carlsbad carried the majority but twenty will be required to go before the trip will be undertaken. It was also decided if the plans could not be satisfactorily made to go to Carlsbad that Silver Falls would be their second choice.

They will go May 10 to return May 12, with Miss Killough and Mr. Hemphill as sponsors accompanying them. May 10 will be Governor's Day in New Mexico so all school children will be admitted in the Cavern for fifteen cents and special program will be rendered throughout the day. Also swimming, motor boat riding will be free entertainment.

## Sherwin Williams Co. Conducting Special Sales Program

The Higginbotham-Bartlett company, in cooperation with the Sherwin-Williams Paint Company, is putting on a special sales campaign on all paints, enamels, floor wax, furniture polish, which are being offered at low prices.

A special window display was installed in the local hardware store south window Monday. This displays the general line of products manufactured by this company, streamer banners and an electric sign to illuminate the window at night.

In this special sales campaign, paints, enamels and other products on sale, will be displayed in Higginbotham-Bartlett window.

According to Lowell Short, manager of the local lumber company this concern has received a shipment of Sherwin-Williams products, thereby giving them a complete stock, and enabling this company to fill the needs, carry out any particular scheme a customer might wish.

Mr. Short points out that various kinds of paints are used in the different climates, and that every one is taken by the Higginbotham-Bartlett company to carry a complete line specially adapted to the South Texas climate.

This concern will have an exhibit at the Leader Cooking School May 13, 14 and 15, and E. L. Hamer, district representative of Sherwin-Williams Company, will be here in day during the school to demonstrate their products, and explain how to use to the best advantage the paints, enamels and varnishes.

Handbills and a supply of color cards, showing various color schemes for home decorators will be handed out at the school.

Griffin-Pass Motor Company, local Ford Agency, delivered to Joe F. Grizzle a new Ford Touring coach Tuesday.

**5 YEARS**  
Performance Protection  
for only \$1 a year (included in price)

It will cost \$50 to \$100 more to operate most electric refrigerators than it will a General Electric.

WHEN you buy a modern refrigerator you, of course, want one that will last—one that you can depend on day after day—one that is free from troublesome, expensive servicing.

Performance, after all, is more important to you than all other features combined. Look to the mechanism first!

Hundreds of thousands of General Electric refrigerators now in use 5, 6 and 7 years are as mechanically "young" today as when first purchased. Their record for dependable, trouble-free performance at low cost is unparalleled.

The famous General Electric mechanism is entirely sealed-in-steel, requires no attention, not even oiling. It is the only refrigerator mechanism with forced-feed lubrication.

## Mrs. Loyd Reid Honored at Shower Tuesday Afternoon

Mesdames W. C. Thaxton, J. W. Hendrix, B. L. Cogdill, J. T. Elms, Irving Thaxton, Van Clark, Mrs. Loyd Hemphill and Miss Eva Gertrude Chisholm were joint hostesses at a shower given Tuesday afternoon at the A. G. Hemphill home on East 8th Street, complimenting Mrs. Loyd Reid.

Roses adorned the entertaining rooms for the occasion. A short program was enjoyed, including two contests, reading, "The Oppy Land Expressed," by Mrs. Richard Cavet; reading on the "Dionnes" by Miss Eva Gertrude Chisholm, following which the gifts were presented.

Those attending were: Messrs. W. Gardner, G. S. Glenn, Jack Farr,

A. G. Hemphill, M. P. Reid, J. H. Barnett, Lucille Teeters, C. B. Barton, D. W. Cobb, Richard Cavet, Mallory Etter, J. O. Garlington, D. G. Hobbs, Eddie Johnston, W. P. Kirk, Dr. Hazel Nelms, Sam Batton, J. W. Keithley, L. C. Hewitt, C. C. Tremain, Clarence Evans, C. E. Payne, Wm. Orr, I. V. Coley, Lenore Gray, Vernon Eagan, J. T. Aven, William Rumback, J. E. Chisholm, Miss Dixie Durfee and Mrs. Jessie Howard of Lubbock.

Miss Eva Gertrude Chisholm, who is leaving Littlefield shortly for Nacona, to be gone several weeks, was presented with a farewell gift, a manicure set. Mr. Chisholm is establishing a studio in Nacona, and he and Miss Chisholm will leave shortly for that city.

ATTEND THE LAMB COUNTY LEADER COOKING SCHOOL MONDAY, TUESDAY AND WEDNESDAY, in the PALACE THEATRE, LITTLEFIELD.

## Presbyterian Ladies Meet With Mrs. O. Wilemon

Mrs. O. P. Wilemon was hostess to the Presbyterian ladies Monday afternoon in their social meeting. Mrs. Stockton gave the lesson from the year book of prayer, then Miss Grace Perkins had charge of the social hour.

Several very interesting games were enjoyed by all.

Delicious refreshments of sandwiches, olives, potato chips, cookies and lime punch were served to the following members: Mesdames J. G. Singer, E. A. Bills, C. E. Barber, Mike Brewer, H. W. Wiseman, Ira Woods, J. S. Hilliard, Neil Douglas, Silma Yohner, L. L. Massengill, W. O. Stockton, Calven Hensen, Misses Grace Perkins, Lula Hubbard and the hostess, Mrs. Wilemon.

## Mother's Day Service at First Baptist Sunday

A Mother's Day Program will be presented at the First Baptist Church Sunday as follows:

Mothers enter choir (music: "Silver Threads Among the Gold") by Mrs. Moody.

Song by mothers of choir. Prayer, Mrs. Grizzle. Congregational song. Reading, Pat Boone, Jr. Song, J. C. Moody. Special music—Morgan Layfield, Ben Lyman and Marguerite Brannen. Presentation of flowers, Mrs. Pat Boone. Duet, Lillian Hopping, Gladys Jones. Sermon, Rev. Joe F. Grizzle.

## Tabernacle Baptist Pastor Honored At Pounding Monday

About fifty-five members of the Tabernacle Baptist Church paid a combination house warming visit and a "pounding" to the home of their pastor, Evangelist Jno. R. Denning, last Monday night. Rev. Denning reported that it was the most complete surprise of his ministerial career.

Although he had been occupying the pulpit for seven weeks, the moving of his family here from Ralls had been delayed by the illness of his mother, which finally culminated in her death in that city last week.

The pastor and his wife had just gotten settled in their new location, 708 East Fourth Street, on the very day of the surprise visit. Several members brought freezers of ice cream and cakes with them, and the happy fellowship was enjoyed until the midnight hour.

While refreshments were being served, a super-abundance of food-stuffs, amazingly complete in its variety, were slipped into the living room, there to later meet the astonished gaze of the pastor and his wife, and which served as a grand climax to their evening of surprises.

## Dr. J. R. Coen Attends State Medical Meeting

Dr. and Mrs. J. R. Coen and children are planning on leaving Sunday for Dallas to be gone a week. Dr. Coen will attend the State Medical Association, which convenes Monday, Tuesday, Wednesday and Thursday of next week. Mrs. Coen and children will visit her parents, Mr. and Mrs. J. E. De Lashaw at Bonham, and also relatives and friends in Dallas.

Attend the automobile show in Littlefield.

## CHURCHES

METHODIST CHURCH  
J. W. Hendrix, Pastor

Sunday school—9:45 a. m. On time, please.

For this Sunday there will be some changes. The local pastor and the Amherst pastor, Rev. Ray Lee, are exchanging pulpits for the morning hour. The local pastor is to preach the Baccalaureate sermon for the Amherst school at the morning hour. The evening hour will run regular. The pastor will preach and use as his theme, "Me 'N My Church." It is hoped that all who attend, members and friends will be present. We hear what everybody else thinks of the church, and now let's hear what the pastor thinks. Is a church a gatherin' of saints? Is the church a ripe field, or a growing sort? Is it supposed to be without spot or wrinkle, or any such thing—the earthly church? Is it for the poor only or just the well-to-do? Is it just for the educated, or just the unlearned? Would it not, or would it be interesting to hear a pastor discuss these subjects? This sort of discussion is promised to come on at 8:15 and goes off at 9:15 p. m. Do you retire before that hour? The choral club will furnish the music and you'll enjoy them.

The Methodist Church takes this method of thanking all who took part in their revival, or made any contribution to its success. A meeting which runs three weeks meets many manifestations of interest; some from unexpected sources. It deeply pleased the church that the town awarded certain courtesies to the visiting ministers. It was their pleasure to be invited into many homes. The eats were all excellent but something deeper than that—opportunity of closer acquaintance was also offered. The papers of the town were very considerate and each is due thanks.

FIRST BAPTIST CHURCH

9:45—Sunday school—The school will meet in their departments for their individual opening instead of meeting for opening assembly as before.

10:45—General Assembly—Mrs. Vigo Peterson in charge.

11:00—Mothers Day Program.

11:30 Sermon. Theme, "The Heart of Motherhood."

7:30—B. T. U.

8:15—Evening worship.

The song program of this service will be conducted by the young people's choir. Let's attend and lend

our help to these fine young folks. The public is invited to attend all our services. We appreciate the visitors that attend, and urge the membership to bring their company to church. Let them meet the church going people of our town.

## TABERNACLE BAPTIST CHURCH

As a sermon subject for the regular Friday night Evangelistic service, Rev. Denning will bring a message tomorrow evening, May 10, on "Why Jesus Had to Die," showing from the Scriptures that this is the only way by which means may be reconciled to God. We welcome members of other churches to worship with us on this night.

At Amherst, next Sunday afternoon at three o'clock, in response to an invitation from citizens of that community, the Evangelist will preach in the school building on this subject: "The Christian in the Witness Box."

Next Sunday is National observance of "Mother's Day." Just last week God gave us grace to preach the funeral of our own mother. We invite every mother and child in Littlefield to be present with us next Sunday morning and hear the mes-

sage on "Son, Behold Thy Mother." The Sunday night subject is "The Coming Reign of Jesus Christ on this Earth for One Thousand Years."

## Rev. J. P. Denning To Deliver Address At Amherst Sunday

Evangelist Jno. R. Denning pastor of the Tabernacle Baptist church of Littlefield, will preach in the school building at Amherst, next Sunday afternoon at three o'clock, in response to an invitation from a group of citizens of that community.

The sermon subject will be "The Christian in the Witness Box." Members of all churches, and the public in general, are cordially invited to attend this service and enjoy the congregational singing, and hear straight old fashioned gospel preaching.

## Young Demos Hope To Reach 50,000 in Drive

The goal set for the statewide membership drive for the Young Democratic clubs of Texas is 50,000 members, and every hope of accomplishing this achievement is voiced by state officers of the organization, according to word received from Austin, where State Headquarters have been established with O. C. Christie, State Secretary, in charge.

Application has been made to the State President for a charter for the Young Democratic Club of Lamb County, and a drive will be made shortly in Littlefield and other towns of the County to establish a membership in the county, say those actively interested in the promotion of the club here.

## SPADE

**By Babe Bird, Correspondent**

The seniors of Spade High school will present, "The Hobgoblin House" a three act mystery-comedy play, Friday night, May 17, at the Spade gym. This is the best all around play West Texas has ever presented. This is a play that will make every one forget their troubles for at least one night. If you can't laugh, do not come.

If you have a weak heart or subject to heart failure because of headless ghosts, hideous blood-curdling screams, funeral-sounding bells, and the grinning skull of Nellie Bronson, on a dark stormy night in the haunted Hobgoblin House, don't come, "cause dis am de scheechinest, mos' ghostness place I ever did see in all my born days. Oh, laudy, laudy, I will faint and fall back in it, that's what I will do." This will be some of the things you will see on the stage.

The cast is as follows:

Darius Krupp, the old caretaker of Hobgoblin House, Fuston Stevens.

Miss Priscilla Carter, Mattis May Green.

Marian Carter, (her niece) Helen Brown.

Jill Carter, (Marian's sister)

## BLUE BONNETT NEWS

Mrs. Maurice Brantley returned Sunday from Lubbock Sanitarium and is doing nicely.

The community joins in extending sympathy to Mrs. Britt Hays, in the loss of her mother, Mrs. Hill, who passed away at a Lubbock hospital Saturday morning. Funeral services were at the Baptist church at Amherst at 3 o'clock Sunday, with interment in the Amherst cemetery.

J. P. and Randolph Brantley were in Lubbock Sunday.

Miss Evelyn Stephens is visiting in Roswell, N. M.

**BLUE BONNETT CLUB**

A delegate to short course at A. & M. to be a good delegate, must know what her club wants her to bring back and where to go when she gets to A. & M. for information, said Mrs. Harris Brantley, of the Blue Bonnett club, in the home of Mrs. W. E. Stephens Thursday, May 2.

Mrs. Henry Myers, farm food supply demonstrator of the Blue Bonnett club, demonstrated the making of cottage cheese and using it as a base for salad with hard boiled eggs, or with mayonnaise salad dressing and grated carrots.

The hostess served ice cream and cake to the following members and visitors: Mrs. Brantley, Yarbrough, Myers, Stephens, Holley and Attaway. Visitors were Mrs. Ert Baccus, Mrs. Martin, Mrs. Elgan Baccus, Mrs. Mae Pryor and Evelyn Stephens.

Our next meeting will be with Mrs. Harris Brantley Tuesday, May 14, as the short course course at Canyon is on our regular club date. Everyone be present at 1 o'clock.

The primary purpose of the drive is stated to be the establishment of a voice in the State Convention for Lamb county, wherein, quoting from the constitution and by-laws of Texas division of Young Democratic clubs of America, "Each county shall be entitled to three delegates and to one additional delegate for each twenty five members for whom current dues have been received by State Headquarters."

The purpose of the organization, quoting further from the state constitution, "shall be to stimulate in young people an active interest in governmental affairs, to foeter and perpetuate the ideals and principles of the Democratic party, and to provide for our people through the administration of the Democratic party the highest degree of justice, prosperity, and happiness."

A. G. Jungman and G. C. Keith were busy last week making a house to house canvass to obtain funds to send delegates from this district to the farmers rally to be held in Washington this month. They report a total of \$15.30 being collected, tractor farmers having donated \$1.00 and team farmers 50c each. Messrs Jungman, Keith and J. E. Stengel attended a triple A meeting in Levelland Saturday at which time three delegates were elected to make the trip. A special train will leave Dallas May 12, carrying the delegates to Washington.

St. Phillip Neirs Altar Society met in regular session in the home of Mrs. A. G. Jungman Sunday afternoon. After business matters had been attended to refreshments of sandwiches, cake, pie and coffee were served. Members present were: Mesdames W. T. Jungman, president; L. H. Albus, secretary; Mary Wotipka, John Frerich, Sr., John Frerich, Jr., Lewis Owen, Joe Albus, H. Greener, M. A. Burt, Ed Wotipka, Ervin Dolley and Joe Cmeuk. The next meeting will be with Mrs. Dolley Sunday, June 2.

A nice crowd attended the community club meeting last Friday night. Pupils of Mrs. Owen and Miss Lupton gave their closing school program which was highly enjoyed. After the program and business meeting a pie supper was had. Proceeds from the sale of pies were given to the ball boys to purchase supplies for the team. The sum, \$13.20 was realized.

Quite a bit of sickness has been reported the past week. We are glad to report Mr. Weston a little improved at this time, although he is still in a serious condition. He has been confined in a Lubbock hospital for some three weeks. Miss Hazel Alcon has also been in a Lubbock hospital for a week. Others on the sick list the last few days were: George Frerich, Eldon Hill, Adolphus Jungman and Harry Blakney.

Mr. and Mrs. J. E. Stengel were in Amarillo Sunday, visiting their daughter, Miss Lucille.

High school closing exercises will be held Thursday night, the ninth. Everyone is invited.

The guest list included: Mesdames Roy Young, Quinton Bellomy, Earl Hopping, Oscar Wilemon, Willie Rumback, Jimmie Frazier, Lynn Dobbs, and Miss Olga Henson.

## Mother's Day Program at First Baptist Monday

A Mother's Day program will be presented at the First Baptist Church Sunday at the morning service hour.

The pastor, Rev. Joe F. Grizzle, will preach at usual, and the ladies of the W. M. U. will have charge of the special program.

## Mrs. Herbert Martin Entertains Ace Hi Bridge Club Tuesday

Mrs. Herbert Martin was the gracious hostess Tuesday afternoon, when she entertained members and guests of the Ace Hi Club.

Three tables were arranged for bridge. Mrs. Jack Johnson scored high in the games, while Mrs. T. A. Smith was awarded the cut and traveling prizes.

Members present were: Mesdames J.R. Coen, Quinton Bellomy, Pearl Hardberger, W. T. Hanes, Roy Young, William Rumback, A. B. Sanders, T. A. Smith, Fowler, and Jack Johnson, and the following guests: Mrs. J. M. Stokes and Miss Olga Henson.

## Eastern Stars to Enjoy Covered Dish Supper Friday

The local Order of Eastern Star will enjoy a covered dish supper at the lodge rooms Friday evening at 6:30 o'clock, which is their regular meeting night.

Following the supper an election of officers for the ensuing year will take place.

According to Mrs. F. O. Boles, Worthy Matron, the member's birthdays taking place during the past four months will be celebrated, and she asks that all Eastern Stars attend and be on time.

## Amigas Study Club Entertained At T. A. Henson Home

Members of the Amigas Study Club and guests were entertained by Misses Olga Henson and Fleeta Eagan at the T. A. Henson home Wednesday night, April 24.

Four tables were arranged for the games; bridge, anagrams and rummy providing the diversion for the evening.

Following the games refreshments were served to Misses Marie Knowles, Ina Belle Wharton, Mary Helen Smith, Marinell Keithley, Ella Mary Gattis, Mary Edith Robinson and Messrs Bob Armstrong, Harold Roberts, Harry Hawthorn, Edgar Walter, James Noman, Dan Alguire, Guy Aldridge, T. ## Order of Rainbow Elect Officers For Ensuing Year Monday Evening

The Order of Rainbow for Girls met Monday evening at the Masonic Hall, ending the first term of office for the year, Miss Francis Barton was initiated into the Order, and after the initiation, the following officers for the ensuing term were elected:

Miss Linnie B. Thornton, Worthy Advisor; Miss Ellarene Vause, Associate Worthy Advisor; Miss Olene Robbins, Charity; Miss Alyce Lynn Street, Faith; Miss Genave Mason, Hope; Treasurer, Miss Francis Barton; Joyce Griffin, Chaplain; Blanche Wales, Drill Leader; Confidential Observer, Ila Greene; Dorothy Newgent, Outer Observer.

The color stations were given to Misses Nettie Belle Batton, Avonia Hawthorne, Thelma Odell, Clyde Willis, Mildred Wiseman and Fara Beckner.

These officers will be installed on the 3rd Monday night of this month, and the public is invited to attend. The Masons, and Eastern Stars are urged to be present. Much interest in this work is being evinced by these girls, and it is hoped the ones who sponsors them will be interested enough to come out. All mothers of the girls are also urged to be present. At this time the Lubbock Assembly will be the special guests of Littlefield.

Much enthusiasm is being shown for the trip to the grand Assembly in June, and it is the hope of the Mother Advisor that she may be able to take the entire assembly to Galveston. She feels that the trip will not only be educational for the girls, but will help to create a better understanding of the things for which the Order stands.

Miss Dorothy Newgent, the retiring Worthy Advisor, was given a vote of appreciation for her efforts in behalf of the work. Her record showed she had not missed a meeting, having been present for each meeting night, and graciously presiding.

## Mrs. Lynn Dobbs Hostess Thursday Luncheon Club

Mrs. Lynn Dobbs was hostess Thursday at her beautiful new home in the Crystal Ice Building, to members of the Thursday Luncheon Club.

Following the luncheon bridge was the main diversion for the afternoon. Mrs. Earl Hopping scored high in the games, while Mrs. Jack Henry carried away the traveling prize.

Designed in Sizes: 2, 4, 6 and 8 years. Size 6 requires 2 1/2 yards of 35 inch material. If dress is trimmed with ribbon bands, 6 yards of narrow ribbon and 1 yard of wider ribbon for belt is required.

**EVEN A PARTY DRESS**  
Pattern 8426—The happy little girl in the sketch is wearing the superbly simple type of frock favored by modern mothers for their little daughters. This design is so quaint and clever that it could be made up as a party dress or equally well as a play frock.

For a sweet and charming party frock, use glazed pink organdy and trim it with just the right shade of French blue. A play dress could be made of dimity or batiste.

The square neckline, outlined with bias contrasting material, is new and smart this season. The flared skirt repeats the two rows of trimming at its lower edge and the puff sleeves are made in the semi-circular fashion. A ribbon belt with a bow matches the bandings at neck and hem.

# MISS THORNTON TO BE "MISS LITTLEFIELD"

### A. B. Taylor Jr. to Represent City in "Home Town" Contest

Miss Louise Thornton will represent this city as Miss Littlefield at the Chamber of Commerce Convention at Plainview, which convenes Monday, Tuesday and Wednesday. Miss Thornton was the successful contestant for Queen in the recent May Fete contest, she having entered as representative of the Littlefield Business & Professional Women's Club.

A. B. Taylor, Jr., will make the talk on behalf of this city on "My Home Town" at the meeting next week.

A poster representing the progress of this section will be displayed at Plainview.

The Littlefield High school Band, of which A. B. Taylor is director, will be in attendance at the convention.

The host city is planning for a large attendance. Representatives from 129 cities in the district have signified their intention of attending.

The warmest contest in years is in prospect, also, for the honor of entertaining the 1936 convention. Four towns are definitely in the running: They are Amarillo, Wichita Falls, Brownwood and Fort Worth.

of Littlefield.

Dr. Ira Woods, who presided at the meeting in the absence of both the president and the vice-president, commended the speakers, stating that the judges would find much difficulty in selecting the one to represent Littlefield at the West Texas Chamber of Commerce convention at Plainview Monday, Tuesday and Wednesday of next week.

D. A. Adam, county agent, announced at the meeting that he had been advised by H. H. Fennell, of Dallas, who is in charge of soil erosion work in Texas, that Lamb county would be allotted a CCC camp.

He stated that Mr. Fennell said their requirements in regard to the sites near which they locate the camp would be that they must have the use of about 15 or 20 acres of land, for from 2 to 4 years, unimproved, and available ample water supply.

Mr. Adam outlined the plan by which the various towns should apply for this CCC camp, stating that it would be necessary for the Chamber of Commerce to prepare specifications in the form of an offer and mail to Mr. Fennell at once.

C. O. Stone suggested as a suitable location a tract of about 30 acres of the College property.

A committee composed of J. O. Garlington, R. T. Badger and Pat Boone were appointed to draft an application for the CCC camp on behalf of Littlefield.

Mr. Adams stated that the various cities in Lamb county were applying for this project.

Mr. Adam made a talk on soil erosion work, stating that for the past several years good crops had been raised on the land in this section, with nothing being put back into it, and that this together with the dry weather and wind erosion, was working a hardship on the soil, and that the farmers should take advantage of the government's soil erosion program, by growing crops and putting fertilizer into the ground

# GENERAL MOTORS TO SPEND OVER THREE MILLION IN EXPANSION OF PONTIAC CAR FACILITIES

General Motors will spend \$3,500,000 in the next few months upon expansion of production facilities for Pontiac automobiles at Pontiac, Michigan, according to the Littlefield Motor Co., local dealers.

Expansion of the Fisher Body Corporation plant which supplies bodies for the Pontiac will cost \$2,500,000. In addition \$1,000,000 will be spent in enlarging the Pontiac Motor Division plant.

The enlargement will include new buildings, machinery and equipment. Construction work has been started.

The rapid increase in the demand for Pontiac cars has exceeded the expectations for this year. This is bound to result in further demands being made upon the plant during the next year. They are moving to meet this expected increase in business.

## Patman Bonus Bill To Go To White House Thursday

In direct defiance of expressed White House wishes, senate backers of the Patman bill Wednesday smashed swiftly and successfully through three roll call votes to complete congressional action on the proposal to pay the bonus with \$2,201,934,000 in new currency.

The final vote for the inflationary measure was 55 to 33.

Despite the last minute threat of a motion to reconsider, leaders predicted the bill would move toward the White House Thursday.

The conditions of the Patman Bonus Bill are as follows:

Pay to the average veteran the full face value of his adjusted service certificate, minus any loans and interest due against it. For the 15 per cent of the veterans who had not borrowed, this would average \$1,000. For the 85 per cent who have, it would average \$497.

Authorize the secretary of treasury to issue sufficient non-interest bearing notes to pay off the certificates. This has been estimated at \$2,201,934,000. But if the price level reached the 1921-1929 average, the treasury would be authorized to contract the currency.

Eligible veterans who had not applied for their bonus certificates would have until January 2, 1940 to do so. Altogether approximately 3,500,000 veterans now hold certificates.

which would retain the fertility of the soil, and prevent erosion.

The county agent also made a talk on the Washington trip, outlining the farmer delegates who will represent Lamb county.

J. W. Keithley, chairman, of the committee appointed for that purpose, reported on the progress made towards sending a delegate from Littlefield to Washington. It was discussed and the committee requested to select a man to make the trip.

## Miss Maude Nichols And W. W. Matthews Wed at Clovis, N. M.

Miss Maude Nichols of Sulist and M. W. Matthews of Muleshoe were united in marriage Friday, April 19, Rev. Nix, pastor of the First Baptist church in Clovis, N. M., performing the ceremony.

Mrs. Matthews is the daughter of Mr. and Mrs. John Niccos and a prominent member of the younger set. She is a graduate of Sudan high school and has made her home in Sudan for several years.

Mr. Matthews is employed by the Ford Motor Co., of Muleshoe.

The bride and her attendant, Mrs. J. W. Weldon, were dressed in white crepe swaggar suits with white accessories.

The groom and best man, J. W. Weldon, were attired in grey.

After the ceremony the party returned to the bride's home where a delightful and entertaining wedding supper was served.

Those attending were Mr. and Mrs. Nichols, Misses Bessie Jim Nichols, Alice Marie Glasscock, and Hazel Lapard of Littlefield, Mr. and Mrs. J. W. Weldon and Mr. and Mrs. M. W. Matthews.

After the supper the happy couple returned to Muleshoe where they will make their home.

## Pontiac Sloping Windshield Reduces Glare and Reflection

Although Pontiac engineers had beauty of design in mind when they adopted the "V" type windshield and devised the distinctive Silver Streak grille radiator and hood it has been demonstrated by scientific tests that the combination of grille and sloping windshield actually has reduced glare and reflection in the driver's eyes by 50 per cent.

The tests which were made by an independent organization in no way connected with Pontiac or General Motors employed the use of a powerful light and a photo-electric cell or "electric eye." In this way any variable human factor was eliminated.

The "electric eye" was placed inside the front compartment at the approximate position of the driver's eyes. Then a 1,000 watt light was located above and ahead of the car corresponding to an early morning or late afternoon sun, a position that is most distressing to a driver.

The experiment was conducted with a new 1935 Pontiac and with a car with a plain lacquered hood and straight type windshield.

The light intensity reading on the "electric eye" when the car with the lacquered hood and straight windshield was used was .10 or 1/10th of a foot candle.

The same test applied to the new Pontiac with its chrome grille and 31 degree angle "V" type windshield gave an intensity reading of only .05 or 1/20th of a foot candle, which means 50 per cent less glare than that recorded in the first test.

These scientific demonstrations indicate how fully the glare and reflection have been cut down in the new Pontiac cars. In the opinion of the investigating company the parallel grille bars and the "V" windshield together shatter the glare and diffuse the blinding rays.

Additional protection from glare and reflection has been assured Pontiac owners by setting all side windows at a slight angle and the rear windows of the sedan models at a 31 degree angle.

delegates. Names of other representatives of county communities will be found on the front page of another section in this issue.

Members of the booster group, led by a committee contributed to the expense fund which will finance the Littlefield delegate, and canvassed the city in a drive to raise money for the trip. A similar plan was used all over the county.

Littlefield will be the only town in the county to finance the trip for a delegate through its chamber of commerce, it appeared late this week.

## IN APPRECIATION

The Business & Professional Women's Club wish to thank all those who so graciously assisted this group in electing their representative, Miss Louise Thornton, Queen of the May Fete. Miss Thornton will attend the West Texas Chamber of Commerce Convention at Miss Littlefield.
