

FOOTBALL 'EXPERT' -- Gene Pratt, first-place winner in the Littlefield Press football contest last week, picks the winners this week on an entry he hopes will earn another cash prize. Pratt missed only three games last week and was just point off on the total score of the Littlefield-Muleshoe game.

Gene Pratt Top Grid Guesser

Gene Pratt of Littlefield picked 21 winners in the Littlefield Press football contest last week to claim first place of \$7.50. Johnny Priddy, Rt. 1 Amherst, Johnny Fields of 212 E. 15th picked 18 in the contest. Pratt came closer on the breaker score. Pratt guessed 33 points and correct: total of the Littlefield-Muleshoe game was 34-9. Priddy was just two points off with a guess of 36. Fields listed a total of 29. Priddy received \$5 for runner-up honors, and Fields was awarded \$2.50 for third place. This week's contest page, sponsored by local merchants, is in the Sunday County Wide and had 24 games listed.

D. ROWLAND PRODUCER

First Bailey Bale at Bula

The first bale of 1963 cotton in Bailey county was ginned today at Bula, and was grown by D. Rowland of route one, south of Bula. The first bale ginned out 490 pounds from 1910 pounds of seed cotton, and was ginned by John G. Bula. Rowland went over about 3 1/2 acres of late April cotton to gage the first bale, said Jack H. Claunch, manager of the Claunch gin. The first-bale acreage was 3.2 acres. The Bula area generally matures late May and June hails caused replanting of much of the area cotton crop. Rowland received 50 cents a pound from the gin for the first bale, along with free ginning, and probably will receive added premiums.

Rotary To Build Rest Rooms At Crescent Park

The Littlefield Rotary Club approved an expenditure of \$50 for rest rooms to be constructed at Crescent Park, President John Nait announced this week. Committee chairman Charlie Nait reported that the rest rooms would probably be built this spring. A storage room also is included in the project. Duvall said the club had approved construction of other seats at the Crescent Park tennis courts.

Young Farmers To Hold Field Day

The Littlefield Young Farmers Association will assist with the 7th Field Day at the High Research Foundation at Bula Friday, beginning at 9 a.m. Johnny Fields, president of the club, said members had accepted an invitation to assist in the field day program. Services as guides will be Fields, Ed Moss, Eldon Gohlke, Ogerly, and Donald Carr. Tractor drivers will be H. Gohlke, Doug Walden, Wal-Hill, and Johnny Letimer. Fields urges young farmers in the area to attend the field day program.

Follow the easy rules and submit as many entries as you wish... you may be one of the three cash winners! Honorable mention last week went to Lamar Kelly of Amherst and Frank Crone of Littlefield, each missing four games. One other entry, with no name, also missed four. Those who missed five games included John Clayton III, Lloyd Spencer, Ronnie Onstead, A. A. Smith of Olton, Al Mann, John Gatewood, H. F. Cunningham and Erma Fields. Entries for Friday's games must be in by 5 p.m. Friday. Simply circle the teams of your choice and put the total score of the tie-breaker. Be sure to put your name and address at the top of the page.

Trustees Push School Plans

Trustees of the Littlefield Independent School district, in regular session Monday night, discussed plans for the new high school building, tabled a proposal to add baseball to the sports program, turned down the idea of hiring a Negro counsellor, accepted bids on petroleum products, and approved the new tax roll. The tax roll, submitted by Sid Hopping, tax assessor-collector, showed a total valuation of \$22,272,146. The assessed valuations were increased from an estimated \$18,239,958.

C-C Board In Session

The drainage problem on US-84 will be an important topic during a meeting of the Littlefield Chamber of Commerce board of directors tonight in the council room. The session is set for 7:30 p.m. The Chamber's priority committee rated the drainage problem one of its top projects earlier this year. V. M. Peterman, Rocky Ford farmer and a member of the C of C ag committee, has been named chairman of the Chamber-sponsored tractor school here Sept. 18. Dealers will have equipment set up at the Fair Grounds, and short courses on preventive maintenance will be given. Peterman urges farmers to attend the course and bring farm hands with them for invaluable tips on equipment maintenance. The idea for the school came out of suggestions made at several C of C "Farm Dinners."

Some Guys Just Unlucky

Stan Harrell, 13-year-old son of Mr. and Mrs. Pete Harrell of Littlefield, is beginning to understand the term "accident prone." He broke his leg while practicing football with his eighth-grade teammates last Thursday, but broken bones are nothing new to Stan--his left arm has been broken twice and his right arm once. Stan sustained the other breaks in a fall from a fence, and two spills from his bicycle. The last broken arm was when Stan was in the fourth grade. After remaining in the hospital until Saturday, Stan returned to school this week with the aid of crutches. The latest accident didn't faze Stan, except that he won't be able to play football this year. (In case you're wondering, the doctor says there's not a thing wrong with Stan's bones... he's just been unlucky!)

10 Days Jail For Bad Check

A \$10 bad check drew a Littlefield man, Ben Wells, 10 days in jail in county court here Monday and the warning from County Judge J. B. Davis that "some jail time will go with the second offense bad checks." Wells was required to pay off the \$10 check, then was fined \$10 plus \$32.50 court costs and sentenced to 10 days in jail. The judge pointed out, in sentencing, that it was a second offense in his court for the man.

One Accident Logged in City

City police logged one city accident this week when a car driven by George Bloomfield of Farmington, N.M., hit a gas pump at the Truck Terminal station on US-84 Monday morning. Damage was estimated at \$65 to the gas pump and no damage to the vehicle. Police arrested two drunks Monday. The city also transferred one man to county on a burglary charge. Arrested was Rodney Watkins of Paint Rock.

Negroes Ask For School Counsellor

"When a Negro is the best qualified person available for a teaching position in our schools, then I think the board will employ that person."

This statement by School Board President Jack Barton pretty well expressed the views of most trustees Monday night when Rev. Walter Griffin appeared to discuss the possibility of hiring a Negro teacher in the Littlefield school. This was the first such direct request since the Littlefield system was integrated in 1956, one of the first Texas schools to take this action.

Rev. Griffin's more specific request was on the possibility of employing a Negro counsellor. "I realize that the time is not ripe for a Negro teacher to be teaching white students here," he said, "but a counsellor would boost the spirit of our colored students and entire colored community."

School counsellors--there are two in the Littlefield system--aid students with special situations, ranging from academic planning to home problems. Counsellors are David Tullis and Edwin Hall, who was added to the staff just this year and assigned to junior high school. The voiced board attitude was that selection of a Negro counsellor, with the primary purpose of aiding Negro students, would amount to a reverse segregation since Negro students number only about 5 percent of the 2,000 Littlefield students.

Supt. Glenn Reeves emphasized that the present counsellors were working for all students, regardless of race. "Do you think your kids are getting a fair shake?" Barton asked Griffin. "Yes, sir, I believe they are," replied Griffin. The "shutout" of Negro teachers, brought about by integration all over the country, seemed to be Griffin's primary concern. He pointed out that 9 teachers lost jobs when integration took place here in 1956, and some of them had hard times finding new jobs in the teaching profession.

Griffin said he was not representing any organization, but felt that he expressed the views of most Negro citizens here. Griffin said he came to the board to "seek out the possibilities" after attending an area teachers' meeting in Lubbock. Trustee Albert Perkins told Griffin the board was in sympathy with the teacher problem faced by his race, but "this is a situation that cannot be changed overnight." He added that 6 or 7 years is not "overnight" in this kind of situation.

COLLEGE, HERE WE COME! -- These three Littlefield girls, like many others, were preparing for college this week. Linn Kirby, right, who leaves for Stanford University in California Saturday, packs a suitcase while Jane Dunagin, left, and Jennie Baker look on. Jane and Jennie will move into a dormitory at Texas Tech Sunday. The girls are daughters of Mr. and Mrs. Jerry Kirby, Mr. and Mrs. A. M. Dunagin and Mr. and Mrs. Otis Baker.

LITTLEFIELD HAS 2,252

Enrollment Hits 5,657 In County

A total of 5,657 students were enrolled in Lamb County schools this week with the peak yet to come, according to most superintendents.

Six schools in the county reported the 5,657 total, and four other neighboring schools had another 1,056 students enrolled. Littlefield, of course, led the way with a total of 2,252 this week. Anticipated enrollment was 2,300 and the peak is usually reached during the first six weeks.

Other county school enrollment figures this week: Olton 1,296, Springlake 887, Sudan 620, Amherst 400 and Spade 202. Neighboring Anton reported 520, Whittharral 237, Pep 150 and Bula 149.

Weather

The 5-day extended forecast for the Lamb County area calls for temperatures 4 to 8 degrees above normal, minor day to day changes, and precipitation light in scattered thundershowers. Normal highs 84-88, normal lows 54-65.

ASC Committeemen Named For County

ASC Community Committeemen for the eight Lamb County Agricultural Stabilization and Conservation communities have been named in mail ballots counted Wednesday morning. Voters elected a chairman, vice chairman, member and alternates in each community. Chairmen from each community will meet in the courthouse next Thursday to elect a county committee. The committeemen named in the election: Community A -- Bob Armstrong, chairman; Ernest Green, vice chairman; V. O. Busby, member; Kenneth Sawyer, 1st alternate; Donnie Clayton, 2nd alternate. B -- Willie Gene Green, chairman; W. B. Dickenson Jr., vice chairman; Gerald Allcorn, member; Drexel Lawson, 1st alternate; C. D. Kirkpatrick, 2nd alternate. C -- L. E. Ball, chairman; H. C. Armstrong, vice chair-

Supt. Glenn Reeves gave the following breakdown on the Littlefield enrollment: 754 in primary (215 in 1st, 250 in 2nd, 219 in 3rd), 646 in elementary (227 in 4th, 206 in 5th, 203 in 6th), 359 in junior high, and 493 in high school.

The Olton figure of 1,296 was on the second day of school. Supt. Johnny Clark anticipates at least 50 more to be added to this total. The high school showed 243, elementary 903, and colored 150 (12 graders).

The Springlake total of 887 was a first-day figure and was slightly below last year. High school had 178, junior high 132, elementary 533, and colored 44. A total of 117 first-graders registered. The high school classes showed 65 seniors, 55 juniors, 34 sophomores and 24 freshmen.

Sudan's total of 620 was recorded Monday, a slight increase over last year's enrollment. The high school total of 153 was up, and the elementary total of 410 was down slightly. Fifty-seven Negroes were enrolled. (See Enrollment on Page 9)

Water Report Still Set for September 19

A report of Littlefield's water supply outlook still is scheduled for Thursday, September 19, with the public especially invited, Mayor Bill Armistead said Wednesday. A comprehensive report on underground water potential in the city's water field, or fields, north of town will be made by McMorries and Associates, an Amarillo engineering firm. The study has been underway for about 60 days. It is part of a city program to establish a long range plan for a water supply for Littlefield, whose water needs reached the critical state in June, July, and August. The water report session will be held in the district courtroom in the courthouse, starting at 7 p.m. The public is cordially invited, the mayor emphasizes.

In a quiet hearing Tuesday, Lamb county commissioners gave final approval to a 1964 county budget of \$783,531 and set the 1964 county tax rate at the same .95 per \$100 valuation it has been for the past five years.

The formal hearing was attended only by commissioners and other county officials. The assessed tax valuation for the county was estimated for the new year at the same \$27,135,955 that was on the rolls this year, with a good possibility of a moderate increase.

These valuations are based on 25 percent of actual value, a budget note explained. County ad valorem taxes are expected to put into the county till \$257,791.57 for the coming year, about one-third of the scheduled expenditure.

Balance of the county's income will come from auto registrations -- \$175,000 estimated -- from state lateral road payments, \$43,000 estimated, from county office fees and other county fees, \$147,500. Other income will come from special road district taxes, and miscellaneous sources.

All of the county funds will wind up with healthy balances at the close of 1963, the budget planning estimated. Total of the balances is projected at \$532,117 at year's end. Generally, the upcoming budget, which will go into effect on January 1, 1964, follows the current year.

Biggest expenditure again in 1964 will be the road and bridge fund, which is budgeted for \$333,228 next year. This fund will end 1963 with a balance of \$131,733, the budget planning estimated.

Second largest will be the county officer salary fund, budgeted at \$158,150. In here, the new budget provides for a 10 percent salary increase for county officers, if commissioners vote it later. Present salaries for county officers were set in 1955.

One office, that of District Clerk Ernest Owens, is slated for a larger than 10 percent increase, from its present \$4,600 to \$5,500. Increase in county salaries will call for a special hearing, when the commissioners reach this action. But the upcoming budget makes room for increases if they are approved for the new year.

Most major county offices today pay \$5,450, with the top salary being that of the county judge, \$6,000. The figure for sheriff's deputies is boosted from \$24,000 to \$26,400 in the new budget, an increase of 10 percent.

The budget provides \$4,600 for Lamb county's participation in the Running Water draw project in 1964, with two cents of the tax rate specially earmarked for this money. Running Water draw runs across the northeast edge of the county. Plans for it call for possible creation of a lake on the draw just above Olton.

The fund for county aid to indigents, largely medical care, is set for \$33,000 in 1964, this to be paid out of the general fund. This figure matches the estimated expenditures for this purpose in 1963.

The general fund, the county's housekeeping account, is budgeted for \$116,750 in 1964, and will go into the new year with a balance that today is estimated at \$68,587.32. Lamb county will wind up 1963 with a bonded indebtedness of \$746,000, a drop from the \$862,500 debt figure at the start of the year.

Sudan Youth Is Injured

A Sudan youth, Mickey Deangelo, son of Mr. and Mrs. La-Juane Deangelo, of Sudan, was injured Wednesday afternoon. His foot was caught in a combine. He was working on the Raymond Marwell farm. The extent of his injuries were not known at the time of press, as he was in surgery.

Burkes, Gallagher Recite Vows

The Oakwood Baptist Church of Lubbock was the setting Sept. 8 for the wedding of Miss Linda Cheryl Burkes, daughter of Mr. and Mrs. Louie Burkes of Post, to Patrick Raeburn Gallagher, son of Mr. and Mrs. P. R. Gallagher, of Route 1, Littlefield.

The wedding was at 3 p.m. The double ring ceremony was performed by Rev. John E. Schwenzen, pastor of the Oakwood

Baptist Church. He was assisted by Rev. C. B. Hogue, pastor of First Baptist Church of Post.

The altar appointments were floor baskets of white spider mums and white gladioli backed with greens and seven-branched candleabras, having white tapers. The couple knelt on a white satin bench. The family pews were marked with large

white satin ribbons.

Escorted to the altar and given in marriage by her father, the bride wore a gown fashioned from candlelight silk alpaca, designed with a boat neckline and bracelet length sleeves. A plum shaped skirt stemmed from a set-in midriff embellished with crystals of the Edwardian design.

The back was highlighted with a handmade rose attached to the waistline, emphasizing the full chapel train. Her waist length veil of candlelight silk illusion fell from a modified pill-box. She carried a bouquet of white standard and white pom-pom mums.

Mrs. Joe Paul Miller of Irving, soloist, sang "One Hand, One Heart" and "Prayer Perfect". She was accompanied by Mrs. M. L. Steele, of Lubbock, at the organ.

Mrs. Marc R. Burkes of Lubbock, served her sister-in-law as matron of honor, Miss Dale Burkes, sister of the bride, and Miss Nancy Hart served as junior bridesmaids. Both girls are from Lubbock. They wore floor length dresses of turquoise satin, designed with a princess bodice, having elbow length sleeves and a high neckline dipping to a V in the back. The full gathered skirts featured a shirred back hemline panel.

Their headpieces were bows of matching fabric encircled with a veil of illusion. The matron of honor and the junior bridesmaids carried white filigree mums in a cascade style, trimmed with white satin leaves.

Curtis R. Gallagher of Houston served as best man. Ushers were Marc R. Burkes of Post, and brother of the bride, and Robert Massengale of Littlefield.

The bride's mother wore a teal blue silk sheath dress with a jacket and matching accessories. The groom's mother wore a turquoise cotton sheath dress with matching accessories. Both mothers wore corsages of white cymbidium orchids.

For a wedding trip to Colorado, the bride chose a copen blue Italian cotton A-line shift dress with navy accessories and a corsage of white mums.

The bride is a graduate of Lander College, Greenwood, S. C., majoring in sociology. She was the president of the senior class of 1962, member of Alpha Kappa Gamma, National Leadership Society, and listed on the collegiate "Who's Who". She is employed as a caseworker for the Lubbock City-County Welfare Department.

The groom attended Oklahoma Baptist University and Oklahoma State University. He is now attending Texas Tech where he is a senior electrical engineering major. He is a member of Eta Kappa Nu and the Institute of Electrical and Electronic Engineers.

The couple will be at home at 1407 Avenue X in Lubbock.

Abeyta Family Attends Daughter's Profession Rite

Vicky Abeyta, from Sacred Heart Parish, Littlefield, became Sister Mary Catherine at a ceremony, Aug. 15, at the chapel of the Franciscan Sisters of Mary Immaculate in Amarillo.

Sister Catherine, a 1960 graduate of Littlefield High School, is the daughter of Mr. and Mrs. Emilio Abeyta of Littlefield. She has two brothers, Speedy and Pat, who are studying for the priesthood at Pontifical College Josephinum in Worthington, Ohio; and two sisters, Molly, a senior at Littlefield High, and Maxine, a seventh grader.

Relatives attending the profession ceremony were Mr. and Mrs. Emilio Abeyta, Speedy, Molly, Pat, and Maxine, and Mary Jane Sanchez, Littlefield; Patricio Flores, grandfather from Puerto de Luna, N.M., Mr. and Mrs. Blas Madrid and daughter, Sheriff Arsenio Sanchez and children, and Danny Flores, all of Santa Rosa, N.M.

Also attending were Mr. and Mrs. Jesus Cano and daughter from Bovina, Mr. and Mrs. Florentino Vasquez and children from Scottsdale, Ariz.

Sister Catherine has been assigned to Resurrection School in Los Angeles, Calif., where she will teach this coming year.

THIS TRIANGLE REPRESENTS FEMALE LOGIC IN BRA DESIGN

This triangle is the *logical* (a woman's kind of logic) basis of a new Formfit bra design called Fiesta. The idea is this:

For freedom and comfort, A BRA SHOULD MOVE WHERE THE BODY MOVES; for shaping and lift, A BRA SHOULD NOT MOVE WHERE THE BODY DOESN'T MOVE.

Formfit Fiesta has Lycra® elastic sections everywhere you move. They move in the same direction you move. The underarm elastic triangle moves *slantwise* because you move "on the bias" whenever you stretch or

reach or bend. It has *firm sections* where you don't move. Fabric, seams, circle-stitching shape where a girl should be shaped. Lift, hold a high, gently rounded line.

Style 548. Lycra® elastic with cotton broadcloth—A32 to C38.

Mrs. Larry Archer Honored Friday With Bridal Shower

Mrs. Larry Archer was honored with a bridal shower in the Bula School lunch room, Friday, Sept. 6 at 3:30 p.m. The serving table, laid in ecru over green, was centered with a crystal basket of white and gold flowers.

Serving the refreshments of gold punch, white cake squares, nuts and mints, were Miss Wanda Hubbard and Sarah Jones. 75 guests were registered by Geroge Ann Bahlman, from Lubbock, Morton, Bovina, Enochs, and Bula.

Assisting Mrs. Archer in opening her packages were her mother, Mrs. Ray Spence, his mother, Mrs. Fred Archer, Mrs. David Williams and little Miss Marlene Berry.

The hostesses gift was an electric mixer. The hostesses presented the honoree, her mother and his mother, with white carnation corsages.

Hostesses for the occasion were: Georgia Bahlman, Wanda Hubbard, Sarah Jones, Jo Linda Robertson, Beverley and Brenda

Clawson, Jwana Young, Diana Cox, Barbara Autry, Jo Ann Autry, Linda Grusendorf, Nelda Seagler, Lana Aduddell, Frankie Sanders, Marilyn McCall, and Mrs. John Pool.

PTA Executive Meeting Held

Program plans for the new year were made when the Executive Committee of Junior-Senior High PTA met Monday afternoon.

Mrs. T. H. Anderson, program chairman, outlined the year's activities which get underway Sept. 30 at 7:30 p.m. in the school cafeteria.

"Your Child's Opportunity at School" will be the topic of this meeting, when parents will meet Junior and Senior high teachers and get a preview of the year's work.

"Each person interested in better relations between parents and teachers for the benefit of the child, the school and the community are urged to become a PTA member," says Olen Mahaffey, president of this unit.

Name Officers

The Ladies' Golf Association entertained their husbands with a steak dinner Sunday at 7 p.m. at the Littlefield Country Club.

After the dinner, election of officers was held. New officers are: Jean McCarty, president; Ann Barnett, vice president; Grace Haberer, secretary-treasurer; Nina Talburt, historian; and Virgie Haile, public relations.

A pitch-and-putt contest was held. The winner was Jean McCarty.

RECIPE OF WEEK—Mrs. Bill Heinen, a busy housewife with 8 children, is the subject for this week's favorite recipe. When she can make some spare time, Mrs. Heinen likes to sew and read.

'SECRET' IS REVEALED

Mrs. Heinen Gives Hot Roll Recipe

The contributor for the recipe of the week is one of the busiest homemakers in town—Mrs. Bill Heinen. She is the mother of eight children, all but one of them at home.

Norma spends a great deal of her time, as you might expect, in the kitchen preparing meals for her family. Her workday usually begins around 5:30 a.m. when she begins to get Billy Jo, age 10; Bridget, 9; Peggy, 7; and Bob 6 off to school. Also Susan, age 5, attends kindergarten. Sheila is in Tech and Tony and Rosemary, ages 3 and 1 are home.

We feel very fortunate to have secured Norma's recipe for bread or hot rolls. Her friends have been asking for it, but until now she hasn't revealed it to anyone. Now we are getting the chance to publicize it.

Her husband, Bill, is associated with Bill Kelly in the Heinen-Kelly Insurance Agency. Bill's hobbies are stamp and coin collecting. Norma loves to sew, when she finds the time, and she enjoys reading. They also do quite a bit of entertaining.

Bill was raised in Littlefield and graduated from St. Joseph's Military School in Hays, Kans. Norma graduated from St. Mary of the Plains Girl's Academy in Dodge City, Kans. The Heinen's are members of the Sacred Heart Catholic Church.

Bill was a captain in the army and stationed in Japan for 2 years. Norma was also in Japan with him. They have many Japanese and Chinese art objects, as well as pieces of antique furniture purchased while there. She bought her china, silver and linens there, too.

Mrs. Heinen was very thrilled, the day of the interview, with a new painting, which Bill had bought over the weekend while they were in Taos, N.M. It was "Desert Moods" by Thomas Lewis and is really beautiful.

Mrs. Heinen's recipe for bread or rolls follows:

Refreshment of cake, mixed nuts, coffee and cokes were served to the members attending.

Homemakers Club Meets

The Whitharral Young Homemakers met Monday night for their regular meeting at the Home Economics Cottage.

It was voted to have a booth at the Hockley County Fair Sept. 19-20. Mrs. Roger White was appointed chairman of the booth committee.

The program for the evening was given by the advisor, Mrs. Jackie Lewelling. She gave a demonstration on "Crotcheting Booties", and each one got to experiment.

Mrs. Billy Theford served refreshments of pink lemonade and cookies to Mrs. Roger White, Mrs. Bobby Grants, Mrs. Lloyd Hood, Mrs. Ernest Kristinek, Mrs. Clifford Williams, Mrs. Norman Theford, Mrs. Dewayne Dixon and the advisor, Mrs. Jackie Lewelling.

The next regular meeting will be Tuesday Sept. 24 at 7:30 p.m. at the Home Economics Cottage. Everyone is invited to attend the meeting.

Several families are planning on attending the Area I Convention in Plainview. They are: Mr. and Mrs. Ernest Kristinek, Mr. and Mrs. Doyle Hewitt, Mr. and Mrs. Leslie Hulse, Mr. and Mrs. Bobby Grant, Mr. and Mrs. Norman Theford, Mr. and Mrs. Billy Theford, Mr. and Mrs. Roger White, Mr. and Mrs. Dale Hewitt, Mr. and Mrs. Dewayne Dixon, Mr. and Mrs. Orville Harris, Mr. and Mrs. Jackie Lewelling, and the outstanding FHA girl, Miss Gloria Polando.

Beta Sigma Phi Holds Meeting

Monday night the Texas Tau Chi Chapter of Beta Sigma Phi met at 7:30 p.m. in the home of Mrs. Don Jennings. Assisting Mrs. Jennings as hostess was Mrs. L. D. Aten.

The meeting was opened by the president, Mrs. Tommy Moss, who led the group in the recitation of the opening ritual. The president directed the business meeting, and plans were made for the rush activities that are slated for October.

After a program, given by Mrs. Walter Hill, on "Oratory", refreshments of banana nut bread, date bread, and apple bread, were served to Mrs. Otis Bennett, Mrs. Bill Gerber, Mrs. Bob Pullig, Mrs. Reed Loflin, Mrs. Charles Schroeder, Mrs. Don McCarty, Mrs. Tommy Trash, Mrs. John Terry, Mrs. Walter Hill, Mrs. Tommy Moss, Mrs. Douglas Walden, Mrs. Merlin Yarbrough, Mrs. Barry Armes, Mrs. James Walker, and Mrs. Herbert Hinckley.

On Thursday, Sept. 19 at 7:30 in the Reddy Room, the regular meeting and a salad supper will be held.

Walther League Hosts Social

Members of the Emanuel Lutheran Walther League were hosts Sunday to the Panhandle Zone Walther League for a social beginning at 5 p.m.

The opening devotion was given by Rev. E. M. Hohl, pastor of the Littlefield church. The youth went to the home of Mr. and Mrs. Clarence Hobratchsch, east of town, mounted on trailers of hay, and rode to the caliche pit, where they had a weiner roast. They enjoyed singing songs and fellowship.

Jane Brandt was in charge of the closing devotion which was given at the home of Mr. and Mrs. Clarence Hobratchsch. Her devotion was on "The Reformation". The meeting was closed with the singing of two hymns.

About 50 attended from Redeemer of Lubbock, St. Paul of Wilson, Our Savior of Lubbock, and Emanuel of Littlefield.

Springlake Wins At Bovina, Plays Hart At Home Friday

The Springlake Wolverines, after opening the season with a 25-8 victory at Bovina last week, make their home debut Friday against the Hart Longhorns.

Springlake, tabbed along with Farwell and Hale Center as the team to beat in District 3-A this year, showed good form in the opener when they avenged one of last year's defeats. The Wolverines were 3-5 last season and are eyeing a better mark this time out.

Coach Jodie Mahan has only eight lettermen back from 1962, but six of them were starters and he is counting on this experience to give the squad a big boost.

Heading the list of returning starters is halfback Jerry Been, a 160-pound senior who had a hand in all the scoring against Bovina. Been ran for 12 and 28-yard scores, passed for two touchdowns on 10 and 23-yard plays, and kicked the lone extra point. An 88-yard run for paydirt was nullified by a penalty.

Backs Jerry Sanders and Tom Gregory hauled in the two scoring passes. Sanders, a 170-pound sophomore speedster, and Gregory, a 170-pound junior quarterback, both lettered last season.

Rounding out the backfield is Richard Mitchell, 185-pound soph who lettered as a halfback in 1962. End Lonnie English and tackle John Patterson are both returning starters and team's only two-year letter winners. English is a 160-pound senior, and Patterson is a 170-pound junior.

End Albert Rylant, 160 sen-

ior; and tackle Danny Byers, 190 junior, complete the letterman list. Three of the four guards are sophomores and both centers are underclassmen. Floyd Henderson, 160, and Ken Dawson, 180, head up the guards while Gene Jones, another soph at 165, is the leading center. The Springlake roster:

ENDS--Rocky Cain, 185, Jr.;

Lamb Grid Teams Win First Tilts

All of Lamb County's football teams started off the season with a victory last Friday, but neighboring Anton, Whitharral and Bula were not so fortunate.

Amherst takes to the road Friday, going to Wilson for a non-district engagement. Sudan, 20-12 victor over Morton, travels to Friona. Amherst won its home opener, 13-0, over Meadow.

Springlake takes on Hart for its first home game Friday, while Olton opens at home against Floydada. Springlake scored a 25-8 win over Bovina last week while Olton was scoring a 28-14 decision at Abertathy.

Anton plays at home again, hosting Roposville, and Whitharral travels to New Home. English is a 160-pound senior, and Patterson is a 170-pound junior.

End Albert Rylant, 160 sen-

Lonnie English, 160 Sr, letterman; Lonnie Adrian, 140 soph.; Albert Rylant, 160 Sr, letterman.

TACKLES--John Patterson, 170 Jr, letterman; Danny Byers, 190 Jr, letterman; Bobby Coker, 160 soph.; Mike Dent, 155 soph.

GUARDS--Floyd Henderson, 160 soph.; Ken Dawson, 180 soph.; David Haberer, 140 soph.; Ken Shafer, 150 Jr.

CENTERS--Gene Jones, 165 soph.; Dwaine Parrish, 150 Jr.

QUARTERBACKS--Thomas Gregory, 170 Jr, letterman; Floyd Bennett, 135 soph.; Doug Messer, 130 Fr.

HALFBACKS--Jerry Been, 160 Sr, letterman; Jerry Sanders, 170 soph, letterman; Larry Glasscock, 150 soph.

FULLBACKS--Richard Mitchell, 185 soph letterman; Ray Packard, 155 Jr.; Jose Triana, 160 Fr.

AUSTIN--Texas' number two killer--cancer--continues deep

TRUSTEES

(Continued from Page One)

Mayor Bill Armistead met with the board to discuss a proposal for the city to maintain school property in the colored section of town and use it for a park. Trustees, after discussing whether or not to hold the property, offered to sell it to the city. The mayor will present the proposal to the council for further consideration.

Low bidders on petroleum products were Phillips, 18.15 cents per gallon on gasoline; Texas, 1305 cents per pound on gear grease; and Gulf, \$5.95 per 35-pound bucket. Bids on motor oil were held up pending clarification of types.

Other bidders were Continental, Mobil, Shamrock, Sinclair and Cosden.

Trustees considered an unofficial request from the city to pay half the cost of installing a flashing signal light on US-84 and either side of Weidel. The trustees voted not to consider the proposal as it would set a precedent in participating in city traffic installations.

The board approved the employment of Mrs. Glenn Reeves as a 6th grade teacher, and accepted the resignation of Mrs. Mickey Ratliff, who was employed but did not teach.

Trustees also approved the financial statement and minutes of the last meeting.

In second place behind the nation's front runner--heart disease.

Statistics make dull reading. However, some interesting facts concerning Texas' cancer picture come to light with a close look at the final 1962 figures compiled on cancer-death sites and ages.

A grand total of 12,282 Texans suffered death from cancer last year--or as the statisticians call it--malignant neoplasms.

Ages 55 to 79 are the dangerous ages for cancer, claiming well over half of all victims--7,604.

County Column

Jim Joyner, manager of J.C. Penney's, left Sunday for Dallas where he is attending the J.C. Penney area meeting. He will also conduct the meeting one-half day. Making the trip with him were Al Fisher of Levelland and Richard Rhodes of Sweetwater. They, too, are J.C. Penney managers. They will return today.

A number of Lamb County hunters report good dove hunting in the area. Hunting hours are noon to sunset, and limit is still 10 per day.

First Meeting of FTA Held

The home of Mrs. Lenton Smith was the scene of the first regular meeting of the Future Teachers organization of Littlefield High School last Tuesday night.

Young Married Class Social

The Young Married Class of the First Baptist Church met Monday at 7:30 p.m. in the home of Mr. and Mrs. Ernie Davis.

The evening was spent playing games and then watching the Billy Graham Crusade on television. Refreshments of homemade ice cream and cake were served to the following: Mr. and Mrs. Dick Westerfield, Mr. and Mrs. Gene Watts, Mr. and Mrs. Bill Harmon, Mr. and Mrs. Lloyd Jacquess, Mr. and Mrs. Steve Butler, Mr. and Mrs. Jerry Farmer, Mr. and Mrs. Bob Martin, Mr. and Mrs. Neal Walker. Special guests were Ewing Thaxton and Rev. R. D. Longshore.

Several items of business were taken care of, including the election of a parliamentary and a reporter. Several committees were appointed for the coming year.

One of the main topics of discussion was the Mr. and Miss FTA contest for this year. The 3rd Tuesday of each month at 7:30 p.m. was set as the regular meeting date.

Sponsors, Mrs. Lenton Smith and Mrs. Gladys Houk, were present to aid in planning the agenda. Refreshments were served immediately following the meeting.

New Officers of Alliance

Littlefield Ministerial Alliance met at the First Methodist Church Monday and in a business session, elected the Rev. Bob Longshore, Chairman for the ensuing year, the Rev. John W. G. Hill, vice-chairman, and the Rev. Dick Kreeger, Secretary-Treasurer.

The Alliance will take a religious census of the town in the near future. The Rev. J. B. Cagle will head the committee.

The Alliance will again, have charge of the CROP "trick or treat" giving this Halloween, with the Rev. Dick Kreeger heading the committee.

The next meeting of the Alliance will be at the St. Martin's Lutheran Church, October 7.

The Alliance welcomed into its membership new ministers of the town: the Rev. H. J. Swink, First Christian, Rev. Ray Musgroves, Four Square Gospel, Rev. Hillis Herren, Church of the Nazarene, and Rev. Walter Griffin, First Baptist Church (colored).

Cats Host Cubs In Second Tilt

The big Brownfield Cubs, highly-ranked defending champions of District 3-AAA, move into Wildcat Stadium Friday night to furnish opposition for Littlefield's second contest of the season. Kickoff time is 8 p.m.

The Wildcats will be shooting for victory No. 2 after opening with a 26-8 triumph over Muleshoe last week, while the game will serve as the first

test for the Cubs. Coach John Howle reported his gridders came out of the initial battle without a single injury and should be at full strength for the Brownfield crew of Coach Doug Cox. The Cubs will be seeking to avenge a 27-0 loss at the hands of the Cubs last season.

Howle expects to go with about the same starting lineups, offensively and defensively, that responded to the opening whis-

tle against the Mules. Running back Junior Hodge, on the basis of his fine performance last week, could get the starting nod over Grover Pigrum.

Quarterback Ray McKinney, wingback Ronald Sinton and fullback John Dick Carl round out the offensive backfield. On the line it'll be Larry Wood and Jerry Cox at ends, Ricky Phillips and Robert Bolton at tackles, Steve Lowe and David Dusek at guards, and Tim Chambers at center.

On defense, Dickie Montgomery moved into the line at a tackle post, Steve Lewis checks in at defensive end and Larry Coffman take over a halfback post.

The Cubs might be more aptly tagged as the "Bears" this season. They have a big line which includes 5 all-district performers back from last season. The Brownfield offense suffered a blow when tailback David Auburg broke an ankle in practice sessions, but David Winkles, a 205-pound all-district guard last year, has been moved to fullback to beef up the attack.

All-state candidate Randy Bishop, a 180-pound guard, is the key man in the Cub line. He and Winkles, tackle Keith Snedeker (200), tackle Vernon Bingham (200), and end Jim Purcell (165) were on the 3-AAA all-district team last year.

Guard Larry Pickett (198), tackles John Bost (195) and George Ingle (205) are other big boys in the line. Wayne Hall, 175, is the starting center.

The Cubs lost versatile Teddy Howell but Connie Vernon is a sharp replacement at quarterback to guide the wing-T attack. Wingback Gary Nunn is back, and the Cubs are high on Ronnie Davis, a tailback up from the B-team.

The Wildcats drew a capacity crowd of more than 3,200 in the opening game last week with a large following of Muleshoe fans helping swell the count. Brownfield is expected to bring a large number of fans for their opening game.

The Cubs held two scrimmage sessions during pre-season drills, taking on the powerful Denver City Mustangs and the Lubbock Westerners. Reports indicate the Cubs handled the Mustangs well but bowed to the Westerners.

WILDCAT FULLBACK -- John Dick Carl, 180-pound junior fullback, will be counted on for key ground gains when the Littlefield Wildcats take on Brownfield's Cubs here Friday night. Carl picked up 35 yards in the Muleshoe contest. He was a starting guard last season as a sophomore.

SPEEDY'S SCOREBOOK

By Speedy Nieman

"Our biggest advantage against Brownfield is that we'll be running downhill all night," Coach John Howle told Littlefield quarterback Club members Tuesday night.

The Wildcat mentor was referring to the size of the Cubs, remarking that they were so big the field will be tilted. Howle said the Cub starting lineup had about 6 players around the 200-pound mark.

Howle was real pleased with the team's showing against Muleshoe. He thought the defense looked real good, and he pointed out that the team made very few mistakes for an opening game.

He was surprised, as were some other fans, that the Mules didn't make a first down in the second half. He didn't realize this until after the game. Howle said when he and his coaching staff viewed the film of the game the effort appeared better than they first thought.

Howle thought the team had a slight mental relapse in the second quarter, easing up after scoring twice. But he added, they snapped out of it and were going strong when the game ended.

The Wildcat Junior Varsity opens play here tonight against the Monterey Lancers, and they need your support, too. The ranks are a little thin, as the coaches have to come up two teams and their reserves from from some 45 gridders on the varsity and junior varsity.

With the Brownfield game coming up, an old press clipping turned up on the bulletin board at LHS which recalled Littlefield's 13-7 victory over the Cubs in 1957, the first triumph in the then Wildcat Stadium.

The Wildcats scored with 9 seconds left in the game to pull out the victory. The winning play came on a 6-yard pass from James Pressley to James

Goldston as the clock ran out and Brownfield leading by 7-6.

The Cubs are rated strong on defense this season, and they were in 1957 too, stopping the Littlefield quarterback Club members Tuesday night.

But Littlefield was tough on defense, too, and it could be a rematch Friday night.

Here's our predictions for area games in interest Friday night:

LITTLEFIELD 13 BROWNFIELD 7

Also Dumas over Palo Duro, Canyon to edge Hereford, Levelland by Seminole, Phillips over Shamrock, Floydada to top Olton, Springlake over Hart, Friona to clip Sudan, Amherst by Wilson, Anton to top Ropesville, Whitarral by New Home, Muleshoe to edge Seagraves.

The school board's decision to table the proposal of adding baseball to the athletic program was a bitter blow to some of the local proponents of the game.

Some of them, of course, feel that baseball is just as important to the program as other sports. Jim Black served as spokesman for the group when the proposal was presented to the board, and he presented a strong case for adding baseball.

While some trustees agreed that money should not be the deciding factor, there's no doubt it was considered in the motion to table. The board will probably take another look at the situation next year, and local baseball boosters are hoping the answer will be "yes."

Bob Falk, manager of the American Legion team here and a former pro player, is one of the strong supporters of the game for high school. He says if one boy gets a scholarship to play in college, then the whole program is worthwhile. Judd Walker and E. T. Kinsner are others highly interested in the program.

RASPUTIN Martinez To Return

Luis Martinez returns to the wrestling wars at the Littlefield Sports Arena Saturday night after an absence of four years.

Martinez, one of the most popular wrestlers ever to perform in West Texas, will meet Rasputin, the masked wrestler, in the top main event. This match will be 2 of 3 falls with an hour's time limit.

The opening event, at 8:45 p.m., pits Treach Phillips against a newcomer, Dale Lewis of Red Wing, Minn. Lewis, a great Oklahoma State wrestler, was on the 1960 U.S. Olympic team. For advance tickets, phone 385-4112.

Cat Junior Varsity Plays Here Tonight

The Littlefield Wildcat Junior Varsity opens its 1963-64 slate by hosting Monterey of Lubbock reserves tonight at Wildcat Stadium. Kickoff time is 7 p.m.

Coach Bob Martin has a manpower problem with only 21 boys listed for the junior varsity this week. The junior varsity showed a scrappy crew in the Andrews

scrimmage against a bigger team.

Martin announced his probable starting line for tonight would be ends Mike Pope, 119-pound sophomore, and Tommy Ivey, 140-pound junior; tackles Mike Perkins, 165, sophomore, and Jay Cambell, 165, sophomore; guards Al Mann, 135, sophomore, and Lynn Bolton; cen-

ter Loyd Allen, 160 junior. Probable starters in the backfield will be quarterback Roy Dale Pierce, 140 junior; running back Larry Schovaja, 140 soph; wingback Ricky Miller, 145 junior; and fullback James Black, 155 soph.

Others who are likely to see action include tackle Buster Smith, 130 soph; guard Al

Veach, 135 junior; center Mike Cunningham, 140 junior; quarterback Royce Bussey, 155 soph; running backs David Tullis, 125 junior, and Jerry Smith; wingback Jerry Graham, 120 soph; fullback Jerry Neuenschwander, 155 junior; tackle George Willard and end Pancho DeVilla.

The freshman and junior high

Mrs. Vera Reinhardt well was a guest in the last weekend.

Miss Patsy Wozencraft, daughter of Mr. and Mrs. Wozencraft, has accepted employment as secretary at Stroebel, local attorney, attended Howard Payne at Brownwood last year. Teams do not open Sept. 19.

E Program Already Underway At LHS

According to Bill Lyman, High School Distributive Education Director, the D. E. Program is already underway at the school.

Lyman reports the largest number in a number of years with the class. D. E. provides job-training for students who earn while they learn. Businessmen serve as "town teachers", by coming to the education of the students. The students go to work in the mornings and work in the afternoons. They receive a year for DE work.

Employer desiring a DE student to work may contact Lyman at the high school.

Officers of the DE Club were elected in a meeting Thursday. They are: president, Bernethy; vice president, Eddings; secretary, Geo. Heckard; treasurer, Sylvester Bass; Sgt. at arms, La. Wilson; and reporter, Potts.

Students and their place of employment are: Sylvester Foust Food; Gary Bernethy; Hart-Thaxton; Linda Sprouse-Reitz; Hilda Jordan; Roden Drug; Georgia Heckstagg; Albert Mangles; Bro. Leonard Menrenfro Bros.; Al Pen-

Taylor Takes N. J. Post

James W. Taylor, director of the Colorado Springs City Parks and Recreation Dept., has resigned to accept a job as secretary of the Essex County Park Commission in New Jersey.

Taylor is the son of Mrs. Emma Taylor of Littlefield. The 39-year-old Taylor was superintendent of parks for the City of Lubbock before going to Colorado Springs.

His resignation becomes effective Sept. 18 and he will assume his duties in New Jersey Oct. 1. Essex County includes Newark and other surrounding New Jersey communities. The park board administers about 5,000 acres of park lands, 500 employees and an annual budget of \$3 million.

Taylor is a native Texan and a graduate of Texas Tech where he received a BS degree in horticulture and landscape architecture. He also attended West Texas State and the University of Besanconfrance in France.

Taylor started employment with Lubbock in 1949 and left there in 1956 to take the job in Colorado Springs. He and his wife have five children, ranging in age from 14 to 2 years.

Field Day at Halfway

A full program of activities, climaxing with an address by Congressman George Mahon, is scheduled for the 7th annual Field Day at the High Plains Research Foundation Friday afternoon, Dr. Earl Collister, Foundation director, announced Wednesday.

A Littlefield Chamber of Commerce committee will co-host a reception group to greet guests at the Halfway Field Day. The local group includes Kenneth Reast, V. M. Peterman, Tommy Thrash, Skipper Smith, Cephas Glover and Pete Stultz. The registration headquarters tent will supply the booklet outlining the day's activities. Here, members of the board of trustees will be hosts to give information on the Foundation. Johnnie Linn, ("Uncle Jay") will be on the loud speaker. Johnnie is director of the new radio station KDHN of Dimmitt. There will be displays of the running water draw water conservation program by the Soil Conservation Service, and by Home Demonstration Departments of Hale County. Also on display will be new cotton materials by the Plains Cotton Growers, Inc.

The Killgore Memorial office building and laboratory and the Jim Hill Greenhouse will be the next tour on the afternoon schedule. Here members of the board will conduct visitors through, explaining the place these facilities play in the research program.

A lawn grass and walking tour to view the identified trees and shrubs will be available for the guests. Members of the board and nursery experts will describe the grasses and start people on the shrub and tree tour. A display of lawn and garden equipment will be located south of the lawngrass area.

The new gin and seed laboratory, shops and implement storage buildings will be shown by another group of hosts. Included in the group will be representatives of the cotton and grain industries and members of the board.

The mobile tour to see the research underway will start just west of the new gin. There will be six stops on the tour where members of the High Plains staff and others will explain the re-

Course For Senior Citizens Set At SPC

LEVELLAND--Every senior citizen in Levelland and the surrounding area will have an opportunity to learn about "Healthful Living" from a short course offered this year for the first time at South Plains College.

The course will be conducted each Saturday morning from 9 to 10:30 for ten consecutive weeks beginning Sept. 21.

Frank Hunt, SPC Evening School director, is in charge of the program which will be of special interest to all retired and senior citizens in the area. Local doctors, educators and trained people in specific areas will work together in formulating a worthwhile and beneficial study.

A similar course was conducted at Manatee College in Florida with some 500 enrolled in the classes.

The program will include such titles as "Who Wants a Rocking Chair"; "Understanding Me and My Neighbor"; "Your Heart and How It Works"; "Cancer-What? When? Why?"; "Arthritis Fears, Fables, Facts"; "Digestion-More Than a TV Commercial"; "Diabetes, If So, So What?"; "Menus"; "Now We Know, But What Did You Mean By".

The cost of the course will be \$1. Those desiring to enroll may contact Mr. Hunt at the college or register at the first class meeting.

search underway. Guides on each conveyance will give information on research viewed enroute.

The tour of the 310 acre farm will end at the farm equipment and materials display. Here the visitors will again be greeted by industry representatives and board members. These hosts will guide the guests to the displays they are most interested in viewing.

The fish and barbecue dinner will start at 5:15 p.m. The Lions Clubs will direct the lines and assist in the self-service barbecue. Six lines will be formed to expedite the serving.

At 6 p.m. the concluding program of the day will begin with an invocation by Rev. Arthur Digby. Harold Hinn, chairman of the board, will introduce guests and members of the board who govern the Foundation. Frank Moore, president of the Foundation, will introduce veteran Congressman of the 19th Congressional District, the Honorable George Mahon, for the main address of the evening. The program will end at 7 p.m.

Church Group Has Drive

The Commission on Christian Social Concerns of the First Methodist Church are sponsoring a drive to collect clothing for the Salvation Army.

The type of clothing most urgently needed is children's clothing, especially children from the eighth grade on down. The clothing should be clean and in fair condition, but should have no holes or too many buttons missing. The supply of children's clothing is exhausted at Salvation Army headquarters. People have come in asking for clothing and have had to leave empty-handed.

There is a demand for children's shoes, also. These should be in fair condition, but with no holes in the soles. The Salvation Army has no calls for high-heels.

Bedding is an item that will be in great demand when it begins getting cooler. The supply of bedding is completely exhausted, too.

Mrs. Herbert Hankley will be

Ringling Elephants Are Circus Stoppers

Captain Hugo Schmitt and his star pupil Diamond, the only performing African male elephant to be seen anywhere, appearing twice daily at the Ringling Bros Circus.

If animals could talk, they would talk for Hugo Schmitt, chief elephant trainer for Ringling Bros and Barnum & Bailey Circus. While Mr. Schmitt now specializes in elephants, he has trained virtually every variety of wild animals since he began his career with the famed Hagenbeck Zoo in Hanburg, Germany.

Using his almost unbelievable knack of persuading animals to do unusual tricks, Mr. Schmitt has even taught a zebra, known as one of the most stupid of animals, to stand on the back of a reclining elephant. And, at his bidding, a South American llama leaps high over the back of an elephant.

In addition to presenting three rings of elephants twice daily for the Greatest Show on Earth, Mr. Schmitt appears with his most unusual act, his baby elephant, Tanya, Pasha the zebra and Max the llama. The antics of this strange trio never fail to bring gasps from circus audiences.

Wildlife Exhibit Planned for South Plains Fair

Animals, birds and fish of Texas will share the spotlight at the Panhandle South Plains Fair in Lubbock, Sept. 23 through 28, when the Game and Fish Commission unveils one of its biggest exhibits.

The wildlife exhibit will share the coliseum with Ice Capades, and will feature, among many other live attractions, a mountain lion, ocelot, bobcat, nutria, all types of wild geese, quail, doves and most species of Texas fish.

Ice Capades will be featured in the arena area, with tickets for reserved seats set at \$2, \$2.50, \$3, and \$3.50. The Wildlife Exhibit will be free, located in the coliseum concourse.

Another main attraction this year, fair officials feel sure, will be the new Children's Barnyard Building, a 70 x 100-foot tilt up concrete structure which will house a bigger Children's Barnyard and other exhibits of interest to the youngsters.

The barnyard exhibit has attracted more viewers than any other exhibit at the Fair during the past several years.

A Parade of Bands, with more than 30 area bands in competition, will march through downtown Lubbock Monday morning, Sept. 23, to open the Fair.

Free school days at the Fair will be Monday for all area students, Lubbock students will be admitted free Tuesday and Wednesday.

Children under 13, on school days, will be admitted half price to all carnival rides and shows and half price for the Ice Capades matinees.

Free bus service to and from downtown Lubbock and the Fair Grounds will be available every ten minutes at fair pedestrian gates.

Other features this year will include livestock, agriculture, womens building, crafts and hobbies, rabbit show, textiles, crochet, knitting, tatting, flower show, antiques, cooking, and the

Faculty Named At Bula

Bula School started 1963-64 activities with registration and a general assembly Aug. 30 for students and adults of the community. The first day of classes was Sept. 2.

Guinn Casey, superintendent, introduced the faculty at the general assembly. Other school personnel and board members were recognized, and Supt. Casey gave students some preliminary instructions.

Leon Kessler led the opening prayer and Barbara Clawson gave the benediction. Students were registered and

issued their books, then school busses returned them home for lunch.

Four new faces are seen on the Bula School faculty this year. They are: Mrs. Nettles and Mrs. Young from Morton, Miss Nancy Mott, Amarillo and Terry Blake of Bula.

The teachers and their respective grades or classes are: Mrs. J. E. Rainey, 1st and 2nd; Mrs. Nettles, 3rd and 4th; Mrs. W. C. Risinger, 5th and 6th; Mrs. Ruby Reid, 7th and 8th; Mrs. Young, homemaking; Marvin Young, coach and social studies; Miss Mott, science and high school math; Terry Blake, high school English and speech; Guinn Casey, chemistry and W. C. Risinger, physical education, and business law.

The Bula Bulldogs played their first game Friday night on their home field, losing to Cotton Center 34-20. Coach Young has 15 boys out this year and he is very pleased with the prospects for a team this year.

The boys played a good game Friday evening, more confidence and practice is the needful element.

Local Scout Leader Aids In Showando

Martin A. Cannon, Jr., chairman, announces the annual Boy Scout Leaders SHOWANDO, to be held at Camp Post on Saturday, Sept. 28. This will be the sixth annual Showando, held in the South Plains Council, which includes 20 counties.

The SHOWANDO is a one-shot annual event so big, so important, so fun-filled, that Scouters say, "This is the greatest thing that ever happened to me". It will be a day of Scouting activity built around a patrol of adults from over the many towns that make up this Council.

The activity program the men will have fun, learn basic Scouting skills, but perhaps most important, knit themselves into a close working team of men who know one another in a way never before possible. The Showando will provide an excellent introduction to Scouting for Patrol Dads, and all new men in the Scouting program, and to all who take part.

Assisting Cannon with this big Council wide training experience are a number of men who make up the Showando steering committee. Included among the committeemen is Tom Hilburn, Littlefield, chairman of the Cookout Supper, Registration for the Showando

Duggan Name in Who's Who

Arthur P. Duggan, Jr., outstanding businessman from Littlefield, is among 5 men in the Panhandle-South Plains area who have made their first appearance in "World Who's Who in Commerce and Industry", the editors of the newly-printed 13th edition announced this week.

Duggan, a prominent local attorney, is a director of the Security State Bank here and of the Citizens' State Bank in Anton. He has been active in the development of Littlefield, following in the footsteps of his father, Arthur Duggan, Sr., who was instrumental in the organization of the city.

The others in this edition included Jan Clawson, Gil Jones and Robert E. Jones of Lubbock, and Tom Cannon of Amarillo.

While New York and London led in the number of listings (1,681 and 1,000 respectively), the growth of the West—California and new names, for instance Texas with 302.

Nationally, and internationally, the 13th edition has 900 sketches, 9,850 of the first time, according to the non-profit foundation published who's Who in Commerce and Industry.

Cover Crop Defined By SCS Office

A cover crop may be defined as a crop, usually a legume or small grain, grown primarily for summer or winter protection and/or soil improvement.

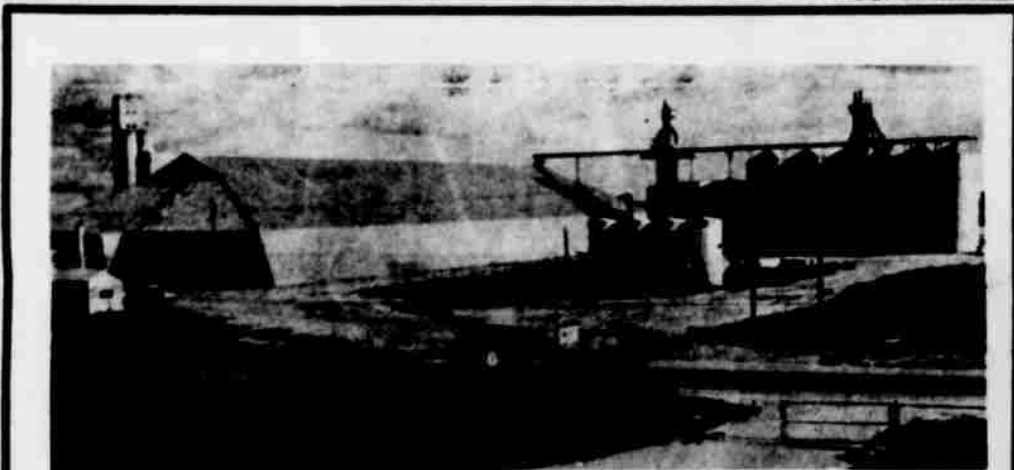

The purpose of a cover crop is to provide a protective vegetative cover on areas subject to erosion during periods when the major crops do not furnish adequate cover. Also, a cover crop helps to maintain or improve the physical, chemical and biological condition of the soil.

Small grains such as rye are a commonly used cover crop in this area. If you have land which needs a cover crop on it, now is the time to seed it. The recommended planting dates for cover crops are from Aug. 15 to Nov. 1.

For further information concerning cover crops or other conservation practices see your local Soil Conservation Service technicians.

10th annual West Texas Twirling Festival.

Commercial and manufacturing exhibits will be located in the Merchants Building, the Agriculture Building, and outside areas.
