AREA FARMERS READY FOR JACK FROST

Cotton Estimate Hiked

Lamb County's cotton potential continues to hold bright prospects, but most farmers were ready for a "good, hard freeze" this week.

The estimated production has been raised to 190,000 bales by a joint prediction of Plains Cotton Growers, Inc., and the Lubbock Cotton exchange. This tallies with the local estimate made by Rip Elms of Paymaster Oil Mill, but is above the estimate made by some area observers.

Temperatures dropped to a low of 33 degrees on both Tuesday and Wednesday mornings and were the lowest readings since the county got a light frost and a mercury reading of 32 on Nov. 2.

The northwest portion of the county seems to be the only area where the frost has killed the cotton leaves. Frost damage has been spotted in other areas, but not heavy enough to ready the fields for harvesting.

County Agent Bill Kimbrough reported Wednesday that the agricultural outlook "continues to be bright." He reiterated the statement that the potential is "almost unbelievable" from the way the season started.

Kimbrough also reported the results of an experimental plot of cotton harvested on the Doyle Turner farm at Pleasant Valley. A non-fertilized plot yielded 654 pounds of lint per acre.

Priority Is Given Area Watershed

The State Soil Conservation Board Wednesday morning issued a priority rating for the Running Water Draw project, it was announced by Flip Calhoun, chairman of the steering committee for the watershed planning.

The state board announced that the Running Water Draw planning party has been scheduled to follow a similar project now starting in the Duck Creek watershed in Dickens County. The bulletin was issued by Frank Gray, chairman of the state Soil Conservation Board.

The planning party for the Duck Creek project is scheduled to start work at Spur early in December. Six to eight months will probably be spent there, indicating a start on the area Running Water program in the late summer or early fall next year.

Area counties involved in the Running Water Draw project are sharing the cost of the planning party. The draw passes through the northeast corner of Lamb County.

CHRISTMAS SHOPPING OUT—Linda Kay Hodge and Melaine Cantrell will be among the many Lamb County residents who start their Christmas shopping during the special "openhouse" being conducted by Littlefield merchants tonight. Most retail

stores will be open to 9 p.m. for the special showing of Christmas stocks. Linda, a LHS senior, is the daughter of Mr. and Mrs. Buster Hodge, and Melaine, a junior, is the daughter of Mrs. Grace Cantrell.

Stores Open 'til 9 P. M.

An early tinkle of Santa's bells will be heard in Littlefield stores Thursday night (tonight) when many firms will be open until 9 p.m. in a Christmas Open House to introduce full and early stocks of Christmas merchandise.

"Right now, when stocks are fresh and complete, we invite everyone in the area to look at choice selections of Christmas merchandise and the many new gift ideas this year," explains Jim Joyner, chairman of the Littlefield retail council.

"There will be many special value items, but, primarily this is to give everyone a leisurely look at stocks while they are complete."

Christmas shopping already is actively underway, Littlefield merchants report. "We are laying away lots of merchandise already," one explained, "and even have prepared a number of packages for mailing."

With the late date for Thanksgiving this year—which traditionally signals the Christmas shopping season—city merchants developed the new idea as an added convenience to customers.

"If we wait until much later a lot of folks are going to find it difficult to make choice selections and to meet mail schedules," Joyner pointed out.

"We think everyone will enjoy it, and invite you all to join in this featured Christmas Open House for a look at exciting, new gift merchandise."

UF Pledges At Slow Pace

Littlefield's United Fund campaign edged near the halfway point Wednesday in a drive to reach its goal of \$27,321, but the time allotted for solicitations is running out.

A report early Wednesday showed pledges totaling \$13,500 for all divisions. The drive is scheduled to end Friday, but it will probably be extended for a short time in an effort to hit the goal.

Campaign chairman Chick Conway urged volunteer workers to return their contact cards as soon as possible, so that a cleanup committee can work the cards not handled.

There are seven participating agencies in the United Fund campaign—Boy Scouts, Girl Scouts, Littlefield Baseball Assn., Red Cross, Salvation Army, Texas United Fund, and Gonzales Foundation.

The budget is about \$1,869 less than last year's goal, and workers hope to "fill the chest" this year so that all agencies will receive 100 percent of their share.

NEW BUSINESS

Ray Ware, former Littlefield resident, has moved here from Panhandle and is opening a new business—City Auto Service—at 814 E. 3rd St. Ware was formerly associated with Grimes Auto Service in Littlefield. He has had 15 years experience in the auto servicing business.

Top 4-H Youths in Lamb Named

James Pitts and Rheta Hulsey were named the Lamb County 4-H Gold Star boy and girl of the Littlefield Community Center. "Youth in the Changing World" was the theme for the annual 4-H Achievement Award program.

Announcement of the top boy and girl highlighted the program which many 4-H boys and girls received special recognition. Guest speaker was W. E. Thorn, pastor of First Baptist Church, Lubbock. He has spoken in 18 states and several foreign countries in the last 6 months.

Dr. Thorn stated that the cause of failure is often due to the lack of imagination. He urged most people let others do their thinking for them. He stressed to the youth that they should have a plan in life standing.

Dunbar School Land On Block

The Littlefield School Board, in effect, hung out a "For Sale" sign on the old Dunbar school property again Monday night. Trustees had held up any action on the property pending a meeting of community Negro representatives with the city council last week, however the group did not appear at the city session.

The school board had previously offered the property to the city but no agreement could be reached on the price. Trustees then announced the property was for sale, either the block or by lots.

Three men representing the Negro community—Rev. Walter Griffin, D. C. Stewart and Johnson—appeared before the trustees to protest the sale of the property to anyone other than the city. They stated their interest in the property maintained a city park.

Although no one appeared at last week's city council meeting to discuss the matter, councilmen appointed Mayor B. W. Trinstead and Paul McCormick to meet with a two-man committee from the school board in an effort to come to an agreement.

Weather

The U. S. Weather Bureau's 5-day forecast for the Lamb County area calls for temperatures to average near to slightly above normal with no precipitation expected. Warming trend through Thursday, turning cooler over weekend. Normal maximum 61-62, normal minimum 32.

Court Okays Vote Returns

Lamb County Commissioners canvassed the constitutional amendments election returns during a regular meeting Monday, and the court took action on several routine matters.

No discrepancies were found in the election returns. Monday was bill-paying day for the county, and commissioners approved bills submitted for consideration.

The court distributed \$24,000 to precinct funds, the funds being transferred from the general road and bridge fund. The total was broken down into payments of \$7,361.47 to precincts 1, 2, and 3, and \$1,915.59 to precinct 4. The latter precinct owed money to the fund, thus the distribution balanced out all precincts.

In other action, the court approved two tax forms to be used by the county tax assessor-collector, approved a raise in pay for the sheriff's dispatcher, and approved reports from the Extension Service agents.

1580 VOTE ON AMENDMENTS

County Favors Poll Tax

Lamb County voters followed a statewide balloting pattern Saturday in rejecting three out of four proposed Texas Constitutional amendments—including the much-discussed poll tax repeal issue.

The county turnout was much larger than expected for an off-year election on amendments, as a total of 1,580 cast ballots in Lamb County. This was about one-third of the eligible voters.

The largest vote count was on the poll tax issue where Lamb countyans defeated the proposal by a smashing 1,338 to 224. The veterans' land fund issue was defeated, 738 to 618, and the Jefferson County pension issue was turned down, 814 to 287.

The only amendment approved was on welfare payments, 796 to 599. These outcomes on the county level followed the statewide pattern with only the welfare payment issue gaining the favor of Texas voters.

Lamb's 6-1 margin against repealing the 61-year-old poll tax was one of the heaviest votes against the measure in the area. The South Plains region defeated the amendment by a 3-1 margin. The county also showed a large turnout of voters than

any South Plains counties except larger Lubbock and Hale areas. Lamb's percentage was higher than these two.

The one-sided defeat of the poll tax issue came as a surprise over the state. Only 25 counties favored abolition of the poll tax as a voting requirement. In 1949 a similar amendment was approved by 39 counties.

Prior to the election political observers predicted about 350,000 voters would turn out, but the total was 541,287 or 43.8 percent of the eligible voters in the state.

If two more states approve a national constitutional amendment barring poll taxes in presidential and congressional voting, Texans may be forced to have two types of voter certification.

One would be a registration to vote for the federal offices; the other would be a poll tax receipt to ballot for local and state offices.

The approved amendment on welfare will permit increased financial assistance to needy aged, needy blind, needy children, and permanently and totally disabled. It also authorizes the Legislature to establish residence requirements for recipients of the aid.

Lions Club Hosts Ladies

Littlefield Lions recognized Old Monarchs and presented "broom sale" awards when about 70 Lions and guests attended a Ladies Night banquet at the Community Center Tuesday night.

Bill Street and Glenn Burk were honored for 15 years service as Lions, and Landon "Slo" Grissom was cited for 10 years at the meeting. Named for outstanding work in the broom sale project were L. J. Walker, Kip Cutshall, Phillip Adkins, Tom Hilburn, Don Avery and Albert Perkins.

The program consisted of a dance routine by Diane Curry and Butch Dykes of Sudan, a chalk talk by Efton Graham, and a "style show" using Lions as the "lady" models.

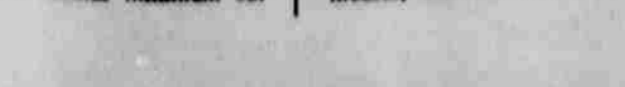

Edwin Hall served as master of ceremonies for the special ladies' night event, and Mrs. J. B. Davis had charge of the program.

Water Usage Holds Steady

City water usage, after showing a sharp decline in September, had a slight increase during October—with an extra day possibly making the difference.

Average daily use in October was 1,303,389 gallons, compared to 1,168,466 in September. Peak day last month occurred on Oct. 7 when 1,711,000 gallons went through city water taps.

Water usage averaged more than 2 million gallons a day during July, the peak month. The highest use in any single day occurred June 20 when residents drew 3,291,000 gallons through the faucets.

THESE ARE LIONS?—A fashion show, featuring "beautiful models from around the world", highlight a Ladies' Night banquet for the Littlefield Lions Club Tuesday. The models, shown above, were all Lions Club members. Their names are withheld by request—most of the requests coming from the Lions' wives and from other Lions Club members! Needless to say, the program was a rousing success.

MR. AND MRS. CARY TROTTER

Trotters Will Observe 40th Wedding Anniversary

The children of Mr. and Mrs. Cary Trotter will honor them on their 40th wedding anniversary with open house at their home, 712 North Westside Avenue, Sunday from 1 to 5 p.m.

Americanism Dinner Slated

The Woman's Club will hold their annual Americanism buffet dinner Tuesday, Nov. 19 at 7 p.m. in the community center.

The guest speaker will be Dr. John C. Stevens, assistant president of Abilene Christian College. Dr. Stevens is among the top ten most wanted speakers in the nation. The theme for his talk will be "Americanism on Purpose".

Overall chairmen for the dinner are Mrs. T. L. Dunlap, Mrs. C. O. Stone, Mrs. A. B. Brown, and Mrs. Otto Jones.

Tickets are available to members of the Women's Club, their husbands and the public. For ticket reservations call Mrs. C. O. Stone, 385-3785. The deadline for obtaining tickets is Tuesday at noon.

Mrs. Pylant is Shower Honoree

The home of Mrs. S. W. Oliver in Anton was the scene of a pink and blue shower Tuesday morning honoring Mrs. Will Pylant.

Calling hours were from 9:30 to 11:30 p.m. The table was covered with a white linen cloth and centered with an arrangement of pink roses in a milk glass container. Appointments were of silver.

Coffee, tea, and nut cake were served to the 43 guests who registered.

The hostess gift was a sterilizer and white dacron quilt and pillow.

Hostesses were Meses, Olan Johnson, Macky McCarty, Lynn Anderson, J. C. Fowler, F. D. Stephens, Richard Grace, Reggle Stephens, Johnnie Harper, Sr., G. E. Reed, J. B. Pirtle, Johnnie Harper, Jr., Ina George, J. A. Jackson, Hobe Parker and Miss Francis Collins.

NEW WAY TO BE SUDDENLY SLIM

Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim. If you're more than 15 pounds overweight, then this idea is not for you. If your weight problem falls within this range, then you can realize a new smoother figure today, without diet or exercise.

Suddenly Slim is an all-new kind of 4-oz. girdle constructed of science fibers. One startling innovation is the sheer nylon front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem. The girdle itself is of a "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It feels like nothing on but has such slimming strength, it gives your figure everything that's possible with a foundation.

"Suddenly Slim" is the peak achievement of the designer-genius, Olga.

 Quick Trick Fruit
 Cake Recipe Given**

For those who want a variation of the fruit cake here is a recipe for a quick one prepared for individual servings. This one is not expensive as the regular fruit cake, nor does it require aging as long.

QUICK TRICK FRUITCAKE
 1 package Betty Crocker Date Bar Mix
 2/3 cup hot water
 3 eggs
 1/4 cup Gold Medal Flour
 3/4 teaspoon baking powder
 2 tablespoons light molasses
 1 teaspoon cinnamon
 1/4 teaspoon nutmeg
 1/4 teaspoon allspice
 1 cut chopped walnuts
 1 cup chopped candied fruit
 1 cup raisins.
 Heat oven to 325 degrees.

Line muffin pans with double white paper baking cups. Combine date filling from Date Bar Mix package with hot water in large bowl. Add crumbly mix, eggs, flour, baking powder, molasses and spices; blend well. Fold in walnuts and fruit thoroughly. Pour into prepared pans, bake at 30 to 35 minutes or until toothpick stuck in center comes out clean. Cool thoroughly. Place fruitcakes on tray, cover, with saran wrap and store in refrigerator 2 or 3 days to mellow. Makes about 24 large or 36 small cakes. Glaze after storing bring 1/4 cup light corn syrup and 2 tablespoons water to rolling boil. Cool to lukewarm; pour over fruitcakes.

**St. Phillips

Littlefield Plays at Hereford Friday

Littlefield's Wildcats, their claws sharpened with a new offensive attack, travel to Hereford Friday night in quest of their second victory in District 1-AAA and a chance to nab the runner-up's spot.

Hereford and Littlefield have the same district record—one victory against two defeats—and both are 3-5 on the season. Kickoff time is 8 p.m. at Hereford.

The Whitefaces will be seeking to avenge a 49-0 pasting at the hands of the Wildcats last year, while Littlefield is shooting for a 5-5 mark by capturing its last two games. Victories over Hereford and Phillips could also give the Cats second place in the district standing.

This will be the two teams' last meeting in District 1-AAA, since Littlefield moves to District 3 next season, but they'll clash in a non-conference battle next season.

Coach Jack Meredith's Whitefaces don't have the speed to compare with Littlefield, but they are big and strong. They played undefeated Phillips a close game before losing by 21-14, then came back to blank Perryton by 14-0. Perryton scored an upset over the Wildcats, 19-13.

Dumas rocked Hereford last

week with a 42-0 licking. The Whitefaces are led offensively by big Jim Haney, a 205 pound fullback who carries his 6-4 frame with authority. Coach John Howle rates Hereford a much-improved team over last season.

Whiteface Quarterback Frank Cain is a talented junior signal caller, ball handler and passer. Guard John Kovacs, 180, and center George Muse, 190, are vital cogs in the line. Jim Higgins, a defensive back last season, has been a strong runner for the Whitefaces this year.

Coach Howle pronounced his Wildcats in good physical condition Wednesday morning. Ronald Sitton was the only casualty in the Levelland game, injuring an ankle. He has been held out of contact this week and may be ready to play defense Friday night.

Center Tim Chambers and guard David Dusek turned up sick Monday, but Chambers was back Tuesday. It was not known Wednesday if Dusek would be ready for Friday's action. He has been a starter on offense all season.

Howle expects to go with essentially the same offensive lineup used in the past two games. Junior Hodge, Ray McKinney and Steve Lewis have

been working at running back positions this week. Lewis is back after being sidelined with a broken toe.

Larry Schovajsa may be a starter at the split endpost, and Grover Pigrum will be the flanker back. Larry Wood will be the quarterback in the Baylor-type offense which proved so successful against Levelland.

Hereford's record: Tulla 0-22, Canyon 12-13, Dimmitt 26-14, Muleshoe 13-0, Lamesa 6-27, Phillips 14-21, Perryton 14-0, Dumas 0-42.

ON EVE OF UT HONOR

Keeling Recalls Grid Memories With Longhorn

Ray Keeling, Littlefield automobile dealer and a former mayor, will undoubtedly be recalling some fond football memories of the past when he is installed to the Longhorn Hall of Honor Council at Austin this weekend.

Keeling, a three-year grid letterman at the University of Texas, joins a select circle of former Longhorns when he becomes a member of the council. Primary purpose of the organization is to select the four men who are inducted into the Hall of Honor each year.

The hall was initiated six years ago, with the membership of Longhorn greats now being 24. The four to be installed this year are Hubert Bechtel, C. L. "Ox" Higgins, Bobby Layne and Ed Ollie.

At the same time these four are inducted, Keeling and a number of other new directors will be installed for three-year terms to the council Friday. The group, of course, will be on hand for the Texas-TCU game Saturday.

Keeling played for the Longhorns in 1935-37 and was a standout tackle. He made it big in the days when there was no two-platoon football and was signed by the Philadelphia Eagles to play pro ball after graduation from Texas.

Ray didn't play high school football until his senior year at Woodrow Wilson in Dallas, where he was president of the student body. He made all-district, however, and his ability and size—6-0, 240—helped him get an athletic scholarship to the University.

Keeling got up to 6-4, 265 pounds, in college and later edged up to 275 pounds at Philadelphia. Big men are more prevalent now, but Keeling and George Musso of the Chicago Bears were the biggest men in the National Football League in 1935-39.

The pair were the same size and when Musso gained a little weight and Keeling lost a few pounds after the season started, a Philadelphia sports page came out with the headlines: "Keeling Loses Heavyweight Crown of NFL."

Pro football, too, was a 60-minute job in those days before free substitution. If a player left the game, he couldn't re-enter until the next quarter.

The wide-open, passing game was just gaining favor, thanks to a Texan named Sammy Baugh. A surge of Texas gridgers had started in the pro ranks, too.

Keeling recalls he saw the "T" formation used for the first time when the Eagles played the Bears, a team coached by Mr. T. himself—George Halas. Most teams used the single wing, Notre Dame box, or other variations on offense.

Ray was a tackle on defense due to his blocking ability. In college, the Longhorns ran off his tackle frequently to pick up vital yardage.

The Eagles spotted Keeling when Texas traveled to Minnesota in 1936. The Gophers were in their third season of undefeated play before being edged by Nebraska two weeks before they played Texas. Minnesota beat Wisconsin about 77-0 the week before Texas came up for a game.

The Gophers beat Texas 42-19, but the Longhorns scored more points against Minnesota than anyone had in three years. Keeling received some fine nationwide publicity from that game.

Jack Chevigny, former Notre Dame star, was coaching the Texas team during Keeling's first two years. Chevigny was then the youngest coach in the Southwest Conference (in his 30's). Dana Bible came along for Keeling's senior year.

Four of Keeling's teammates at Texas went to the pros in 1938. They were Will Tullis, Hass Hughes, Jay Arnold and Hugh Wolfe. Joining Keeling with the Eagles during his second year was another well-known Texas—Davey O'Brien.

Keeling had played high school ball with O'Brien at Woodrow Wilson. O'Brien was a sophomore quarterback when Wilson won its first district football championship in Keeling's senior year.

Five of Keeling's teammates on that high school team went on to play college ball. They were Walton Launey and Mike Collier at Texas, George Winters at Texas Tech, Davy O'Brien at TCU, and I. E. Hale, the Baylor great.

Herschel Forrester was coach of the Woodrow Wilson team. His sons, Herschel and

FORMER LONGHORN--Ray Keeling of Littlefield looks at a picture of his high school football team, a Dallas squad which produced five Southwest Conference gridgers. Keeling went on to play at the University of Texas and with the Philadelphia Eagles. He is to be installed as a member of the UT Hall of Honor Council Friday.

Bill, starred at SMU and later played pro ball.

Keeling heard of Littlefield during his first year with the Eagles, for the quarterback was Elwood Dow—a Littlefield gridger who played at West Texas State.

Highlights for Keeling while playing at Texas included the Minnesota game and the 1937 game with Oklahoma. Keeling was game captain against Oklahoma and intercepted his only pass during the tilt, but the Sooners tied Texas, 7-7. It was the only year while Keeling was playing that Texas didn't beat Oklahoma.

He remembers the Sooners scored in seven plays after getting a first down on the Tex-

as 5. "We were off sides three times," he explains. Helping on that goal-line stand was a scrappy little guard named J. T. King, the present head coach at Texas Tech.

Keeling and his family moved here from Muleshoe in 1953. He was also in the auto business at Muleshoe, where he served as mayor and was charter president of the Rotary Club.

Besides serving as mayor in Littlefield, Ray has been active in civic work and is presently serving as treasurer of the Chamber of Commerce. He served as a U.S. Army captain during World War II.

He and his wife, Dorothy, have three daughters -- Connie, Nancy and Jean.

A FORMER BIG PRODUCER ON ADJOINING LABOR

A municipal well pumps 365 days per year while an irrigation well pumps a maximum 90 days per year and gets a 275 day rest-recharge period.

Littlefield's problem at present waterfield is lack of usable producing area to space and rotate wells for alternating production—this causes added expense of constantly drilling new wells and altering existing wells and STILL we are unable to meet peak demands.

1951 Lowered and installed an 8 inch pump—tested at 800 gallons per minute.

1955 Overhauled and cleaned out—Tested at 300 gallons per minute. Installed 5 inch pump on bottom setting of 170 feet. Produced water for one summer—output lowered so it was uneconomical to use.

1956 ABANDONED.

Parkview WMS Has Program

The WMS of Parkview Baptist Church met Monday night in the church for a Royal Service Program.

The president, Mrs. Ralph Tillery, called the meeting to order. The program opened with a song. Mrs. Eunice Oliver gave the call to prayer and Mrs. C. J. Coffman led in prayer for the missionaries on the prayer calendar.

The Royal Service Program on "Partners from Progress in Japan" was directed by Mrs. Russell Durham. Assisting with the program were Mrs. Coffman, Mrs. N. C. Horn and Mrs. Jeanne Davenport.

Mrs. Horn closed the program with a prayer of dedication. A Japanese theme was carried out in the decorations with Linda Horn and Betty Jenkins doing a pantomime during the program. They were dressed in Japanese costume.

Following the meeting refreshments of spiced tea and cookies were served to Mmes. Tillery, Oliver, Coffman, Durham, Horn, Davenport, Leo Burton, Carl Leavelle, Donnie Howell, Lois McBride, Dan Cotham, George Tollett, C. J. Lewis, R. J. Rhoten and John Henry Parkman.

HD Agent Gives Laundry Hints

Pine oil is an effective laundry disinfectant for use against disease-causing bacteria which may survive usual home launderings, Lady Clare Phillips, County Home Demonstration Agent reports.

The researchers began looking for laundry disinfectants after they found that normal home laundering methods did not kill all disease-causing bacteria, especially when there was sickness in the family.

To get the USDA nod of approval, a laundry disinfectant must kill many kinds of bacterial and be reasonable in cost. Also, it must not leave a residue that would be harmful to the skin, and it must not change the color or other properties of the fabric.

Mrs. Phillips suggests that you read the label on the container. Look for the word "disinfectant", then read the list of active ingredients. If you choose a pine oil disinfectant, get a product that contains at least 80 percent pine oil.

Follow directions on the label in using the disinfectant. Heed all cautions or warnings. They are placed there for your safety. To make certain you use the right amount, find out how many gallons of water your machine tub holds. Then calculate the amount of disinfectant needed.

If you use liquid chlorine bleach, always add it to the wash water so the chlorine will be removed in rinsing. Add the bleach before putting in the clothes. Remember, chlorine bleaches are harmful to wool, silk, and certain dyes.

Quilting Held By SS Class

The Friendship Class of the First Methodist Church held a business meeting and quilting at the church Tuesday.

Mrs. Bess Davis presided. Mrs. Mac Campbell gave the devotional, and Mrs. Blanche Nelson, the prayer. Mrs. Viola Dysart and Mrs. Pearl Herman were hostesses.

Members present were: Mmes. Lizzie Winningham, Mac Campbell, Edith Lari, Bess Davis, Blanche Nelson, Ethel Hogan, Georgia Pace, Viola Dysart, Pearl Herman, and Myrtle Usery.

Guests were: Rev. and Mrs. Jack Ellzey, Mr. and Mrs. C. R. Smiley, M. H. Winningham, Mrs. Earl E. Elliot, and Mrs. Buford Hemphill.

Royce Jennings Is Honored

Mr. and Mrs. Robert Jennings were hosts to a birthday supper Saturday in honor of their son, Royce's birthday.

Attending were Mr. and Mrs. Royce Jennings, Ronna and Renee of Santa Fe, N.M., Mr. and Mrs. David Jones and David Lee of Lubbock, Mr. and Mrs. J. E. Jennings and children, and Mrs. W. R. Faver of Littlefield. Also Karen and Karla White of Plainview.

Mrs. Howard Shares Pumpkin Pie Recipe

Pumpkin pie is a popular item on the menu this time of the year and Maurine Howard is sharing her recipe for Pumpkin Cream Pie which is not the same run-of-the-mill recipe. Her friends say this recipe is different and delicious. The secret ingredient is ice cream.

Maurine is a mother, homemaker and also secretary to the school superintendent, a job which she has held for 11 years. Her husband, Marshall, is owner of Howard's Feed, Seed and Fertilizer on the Clovis Highway.

The Howard's moved here from Lubbock in 1950. Marshall was with the Soil Conservation Service there. They have two sons, Dale and Dan, both Littlefield graduates. Dale is a pre-med major at Tech and a senior. His minor is music and he teaches piano and organ. He is organist at the Christian Scientist Church in Lubbock.

Dan, his wife, Kay, and their son, David, who is 18 months old, live in Lubbock. Dan is a certified public accountant, and a 1959 Tech graduate.

Maurine and Marshall enjoy bridge and have several playing trophies which they have received in tournaments. They both enjoy reading also. Other hobbies Maurine has are knitting, cooking and redecorating the house. Marshall likes sports and working in the yard.

Mr. and Mrs. Howard are active members of the First Methodist Church where Marshall teaches a couples class. He is also a Rotarian and a noted speaker of various events.

Maurine's recipe for pumpkin follows:

PUMPKIN CREAM PIE
 1-1 lb. can pumpkin
 1/2 cup sugar
 1/2 teaspoon salt
 1/2 teaspoon cinnamon
 1/2 teaspoon nutmeg
 1/2 teaspoon cloves
 1/2 teaspoon ground ginger
 1 envelope unflavored gelatin
 1 pint vanilla ice cream
 1/2 cup orange juice
 Sweetened whipped cream
 1 baked 9" pie shell
 Mandarin orange wedges

In saucepan, combine pumpkin and a mixture of the sugar, salt, cinnamon, nutmeg, cloves and ginger (2 teaspoons of pumpkin spices may be substituted for the spices); heat through. When hot stir in gelatin dissolved in the orange juice; remove from heat and cool to room temperature.

Meanwhile spoon ice cream into bowl so it will soften slightly. Beat with electric mixer until smooth, add cooled pumpkin mixture and beat until completely blended. Turn into baked pie shell and refrigerate at least 2 hours. Garnish with whipped cream and mandarin orange wedges. Makes 6 to 8 servings.

RECIPE OF THE WEEK -- Mrs. Marshall Howard, 417 East 12th, is pictured writing a recipe to share with a friend. She enjoys cooking as well as exchanging recipes. Maurine is secretary to Glenn Reeves, school superintendent, a job she has held for 11 years.

Appeal For Clothing

Residents of Littlefield have been asked to take part in a Church World Service drive for used clothing and yard goods for various destitute people of the world. Sponsoring the drive locally is the Littlefield Ministerial Alliance. Citizens are asked to take any usable lightweight or heavy clothing to their churches for packing and preparation for shipping. The appeal also calls for yard goods, such as cotton, for making girls' dresses and boys' shirts. Denim is also needed for making boys' trousers. Clothing must be clean to be acceptable for shipping. "Thanksgiving Sunday", Nov. 24, is the date set for the collecting of the clothing.

"Littlefield's Finest Store"

LITTLEFIELD NEWCOMERS -- Mr. and Mrs. Paul McMahan and their three children, 520 East 16th Street, have recently moved to Littlefield from Fabens. Paul is employed at R and W Supply. Mrs. McMahan is pictured with three members of the family, Douglas Neil, standing behind, Linda Dianne, and Steven Don, in his mother's lap.

McMahans Are Feature Family

Mr. and Mrs. Paul McMahan and three children recently moved to Littlefield from Fabens, where Paul was a manager of a retail butane company for several years.

The McMahans say they really like Littlefield, especially the size of the town and the friendly people. They did not like living in a Coastal town.

Paul is employed at R and W Supply and Pat stays busy at home with her three children, Douglas Neil, 6, a first gra-

der; Linda Dianne, 3, and Steven Don, 4 months. She has formerly held jobs in tax offices and sewing machine companies and has done baby sitting.

Mrs. McMahan enjoys sewing and cooking as hobbies. Paul is a handyman around the house and likes to weld. He has made outdoor barbecue equipment, swing sets and various items for the yard. They left these things behind when they moved so he

will probably be busy making some more.

The McMahans enjoy casual entertaining of friends and family. Her parents live at Three-way and her mother is Rev. Ruth Cooper, a Methodist pastor. Paul's parents have lived at Progress, near Muleshoe, for over 30 years. They are Mr. and Mrs. Bud McMahan. Paul is a graduate of Progress and Pat graduated from Muleshoe. The McMahans are members of the Methodist Church.

President's Texas Visit Is Historic

The whirlwind visit of President Kennedy to Texas Nov. 21-22 will include a number of historic firsts:

(1) It will be the first time Mrs. Kennedy has accompanied the President on an official trip since the death of her infant son in August. It will be the first time the First Lady has been to Texas, and the first time she accompanied the President on a political tour.

(2) It will be the first time in Texas history that the President, Vice President and Governor have all appeared on the same program.

(3) The \$100-a-plate dinner Nov. 22 in Austin will mark the first time a President of either party has helped raise funds in the state with a personal appearance.

Tickets to the dinner at Austin's Municipal Auditorium are

being sold by 62 members of the State Democratic Executive Committee. They also can be purchased by mail from the SDEC Office at 1010 Lavaca Street in Austin.

The President and Vice President will dedicate new facilities at the School of Aerospace Medicine in San Antonio before attending a Houston dinner honoring long-time Congressman Albert Thomas in Houston on Nov. 21.

The next day, he and his party will breakfast in Fort Worth and appear at a luncheon in Dallas before coming to Austin.

Clayton On Water Study Committee

House Speaker Byron Tunnell Friday announced the appointment of Rep. Bill Clayton of Springlake to the Interim Committee on Protection and Development of Soil and Water Resources.

The three-man committee, provided for in a House resolution authored by Rep. Clayton, is directed to study the problems incurring as a result of the growing shortage of water in the state with the responsibility of offering new methods of protecting the vital natural resources of both water and soil within Texas.

In making the announcement, Tunnell commented, "Rep. Clayton, in this, his first session in the Legislature, distinguished himself in his service as a member of the Committee on Conservation and Reclamation. His keen interest in problems of conservation should promote valuable action from this committee."

DAN NEWS by Evelyn Scott

Housewarming Given Byron Fords

Mrs. Charles Heffington in Spade. The dinner was in observance of the birthdays of Mr. and Mrs. Scott, and Mr. Heffington. Also there was Mrs. Clara Parrott of Littlefield. Mrs. Lewis Fields was the honoree for a pink and blue shower held Friday afternoon in the home of Mrs. D. W. Williamson. The hostess gift was assorted baby items. Yellow and purple mums were used for party decorations. Other hostesses were Meses. Weldon Wiseman, Walton Downs, Wayne Rogers, G. C. Ritchie, B. A. Beauchamp, Jr., W. C. Masten, Gilbert Masten. Members and guests of the 11 and 12 year old training union class of the First Baptist Church were entertained with a party Saturday night when the event was held in the home of Mr. and Mrs. W. Williamson. Those attending were Debbie Fields, Louise Williamson, Craig Miller, Bonner Markham, Mickie Gilbert, Frances Hanna, Sheila Blackwell, Debbie Powell, and sponsors, Mr. and Mrs. Williamson, Hoyt Robertson and Mrs. John Burnett. Nolan Parrish was confined to a hospital in Lubbock. Mrs. E. Pope has been confined to the hospital in Amherst.

Mrs. Bill Wiseman was honored with a bridal shower Friday afternoon when the event was held in the home of Mrs. Weaver Barnett. The hostess gift included an electric toaster and coffee pot. Yellow crysanthemums centered the brown taffeta covered table. Presiding at the serving table was Mrs. Benny Arnold. Mrs. Pudd Wiseman registered the guests. Other hostesses were Meses. Joe Foster, C. E. Nichols, Bernard Wilson, Early Bartley, E. B. Hutchinson, R. S. Gatewood. Mr. and Mrs. Norman Kliner of Lubbock were luncheon guests Sunday in the home of Mr. and Mrs. Weaver Barnett. Mr. Kliner was speaker for the Sunday morning services at the Church of Christ. Glenn Owen, missionary from Brasil, was speaker at the Wednesday evening services at the Church of Christ. Mrs. J. C. Doty and Mrs. Delmer Gann were Lubbock visitors Wednesday. Mrs. E. P. West and Mrs. Cleo Whitmore visited last week in the home of their daughter and sister, Mrs. Louie McBroom and family, San Antonio. The Sudan Sewing club will meet Thursday afternoon in the home of Mrs. H. W. Qualls when the meeting will begin at 2 o'clock. Leo Mann and son, Al, of Littlefield, visited Saturday in the home of Mrs. H. W. Qualls. Mr. and Mrs. Dawson Muller and family visited Sunday in the home of Mr. and Mrs. Fred Muller in Hereford. Mr. and Mrs. Raleigh Worth and Mr. and Mrs. Elmore Worth of Pleasanton visited during the weekend in the home of Mr. and Mrs. Martin Clark. Mrs. Clark is Mr. Worth's sister. Sunday the group were at Fort Sumner and other points sightseeing.

Hot Check Clinic Set At Muleshoe

A Hot Check Clinic for interested persons in a four-county area is scheduled tonight in the Muleshoe High School auditorium, beginning at 8 p.m. The clinic is being conducted to increase understanding of the new "hot check" law now in effect and to decrease losses of area merchants due to worthless checks. It is sponsored by the Muleshoe Chamber of Commerce in cooperation with the district and county attorneys of Bailey, Cochran, Lamb and Parmer counties. Featured speakers are to be Joel Teasdale, Chief of Identification and Criminal Records, Texas Department of Public Safety, and Alonzo Miller, district check collection specialist for Piggly Wiggly grocery stores, Lubbock. The public is invited to this conference on check handling. Bobby Airhart, Muleshoe C of C president, urges not only managers and business owners to attend, but clerks, cashiers and others who accept checks. Discussion will cover ways to prevent accepting worthless checks and ways to collect on returned checks. Expert advice will be given by Teasdale and Miller, and a question-and-answer period will follow their presentations.

Spade Soldier Is Promoted

Raymond Ortiz, 22, son of Gregorio Ortiz of Spade, was promoted to sergeant in mid-October at Fort Hood, Tex., where he is serving with the 1st Armored Division. Sergeant Ortiz, a team leader in Company B of the division's 5th Battalion, 6th Infantry, entered the Army in February 1960. The sergeant attended Spade High School.

At 4-H Awards Banquet

4-H ACHIEVEMENT NIGHT--A large number of Lamb county residents attended the 4-H achievement program held Monday night in the Community Center. Guest speaker was Dr. W. E. Thorn of Lubbock, pictured at far right. Presenting the numerous awards were, left to right, Ronnie McNair, Lady Clare Phillips and Rep. Bill Clayton.

ART IN JUNIOR HIGH--Eighth graders at Littlefield Junior High are shown working with water colors as a part of their art course. Don Burk, Danny Caldwell and James Powers are the three students in the foreground. Jay Bridwell heads the art department for junior high students. Some of department's work is on display in the window at the Hobby House.

LANGUAGE LAB--Modern teaching devices for Spanish and Latin classes at Littlefield High School include headphones and electronic mouthpieces. Tape recordings are made by native Spanish-speaking people of different ages, in order for the listener to get a range of vocal intonations. They are recorded at normal conversational speed, using idiomatic vocabularies. The student hears his own pronunciation in repeating the phrases. The photo feature is presented in connection with American Education Week.

IN SPECIAL EDUCATION CLASS--While methods to help students advance faster are emphasized during American Education Week, the slow learners are not forgotten either. The Littlefield Schools have two special education classes which provide individual instruction for children who are eligible. Mrs. Nan Largent, above, is teacher of the immediate group, and the upper grade class taught by Mrs. Jeanette Williams.

'64 Jet-smooth Luxury CHEVROLET

Chevrolet Impala 4-Door Sport Sedan

Now how are the high-priced cars going to...

Here are looks, luxury and comfort you'd expect to set you back plenty -- if they came from anybody but Chevrolet.

Fresh-minted styling with clean uncluttered lines that give the '64 Jet-smooth Chevrolet its feeling of new length and lowness.

Rich new interiors with supple fabrics (sink your hand into the new vinyl upholstery of the new Impala Super Sport Series, for instance, and ask yourself if you've ever felt softer seat covering).

Here are the niceties of Body by Fisher craftsmanship like you'll find on expensive cars. And stylish touches like the vinyl-clad roof* you can order on the Sport Coupes.

Door-to-door carpeting and foam-cushioned front and rear seats are standard now in all models, including the modestly priced Biscaynes.

And there's a wealth of power to pick from. Engines from a peppery 140-hp 6 to a 425-hp V8*. Transmissions that are refined for smoother, more silent operation. Sixteen power teams in all.

Then, with all of that going for you, you've got the '64 Jet-smooth ride at work to cushion you from road noise and vibration like few other cars can at any price.

Been promising yourself luxury like this someday? Your someday is here, as your dealer will gladly show you.

Ask about a SMILE-MILE Ride and the Chevrolet Song Book at your Chevrolet dealer's

Sammie Stevenson Has Ninth Birthday

Mrs. C. S. Stephenson celebrated her son, Sammie's ninth birthday with a dinner at her home Sunday. Present were the family; Mrs. Wayne Peek and Mrs. Derwood Stephenson; Bucky Maples, Lubbock; and Mrs. Raymond and children, Littlefield, member of Anton relatives.

Leon Wooten, Mrs. Roy M. J. P. Perry and Mrs. M. Alexander attended the meeting of the Garden at Shallowater Thursday. Pearl Caldwell, Monticola, former Anton resident, and Mrs. O. P. Guthrie, visited Sunday with D. T. Teague and Mrs. Bell.

Leon Wooten was honored at a birthday dinner in the home of her mother, Mrs. Claude Sunday. Attending were Mrs. Leon Wooten and Mr. and Mrs. Delmer, Danny and Clay of Ansonia; Mrs. Ray Chaucler and Shallowater; Mr. and Mrs. Ewell Roberts, Abernathy; and Mrs. Loyal Wooten, and Madonna of Lubbock, and Mrs. J. C. Fowler and of Anton, and Miss Alice and Shallowater, spent the day at Santa Fe, N.M. visiting her son and family, the Fowlers.

Members of the Anton School football team accompanied their coach, Dave to the Tech-Kansas State in Lubbock Saturday. Boys on the trip were: Melvin Willie Bell, Bob Conkin, Crews, Billy Eaton, J. D. Danny Lambeth, Norral, Overstreet, Ricky Reep, Swanson, Larry Watson, Webb, and David Bucher, Assistant coach, John also attended.

Thurman Davis, Mrs. Good Stephenson, Mrs. Bill and Mrs. Buck Gossett led the council meeting of the demonstration clubs at farm home club house near land Friday. There were clubs represented. Each club reported on the meeting. Mrs. Buck Gossett was the representative from the Jr. Home Demonstration Club is selling cookies.

Mrs. C. O. Dooley and her nephew and wife, Mr. Mrs. Charles Dooley, in Sunday. Otus Owens, Mahan, is here with her brother-in-law, Mr. and Mrs. Hudley.

The Anton school band went to Shallowater Saturday where they participated in the Tech-Kansas game.

Anton basketball girls attended the Wayland Clinic at Shallowater Saturday under the leadership of their coach, V. H.

The annual Anton Athletic Booster Banquet has been scheduled for Friday Nov. 22nd at 7:30 p.m. in the school cafeteria.

Invited guests at the affair will be all members of the boys and girls high school athletic teams, and members of the pep squad. Any Anton booster may attend the supper. Tickets will be on sale for \$1.50 each.

Mrs. R. M. Newell fell in front of a doctor's office in Lubbock Monday afternoon and broke her knee cap. She was placed in a cast and returned to her home but will be confined to her bed six weeks.

Merrill Pendergrass, Lubbock, former Anton resident, is critically ill in Methodist Hospital.

Francis Collins spent Sunday in Lubbock visiting her cousin, Mrs. Loyd Johnson.

Mr. and Mrs. Ralph Davis, Lubbock, spent the weekend with her mother, Mrs. J. T. Couch.

Mr. and Mrs. Bert Harper spent the weekend visiting their daughter and family, Mr. and Mrs. B. J. Stephens, Mike and Jerry, Fredia, and their son and family, Mr. and Mrs. Burton Harper, Ray and Charla Sue, Texico, N.M.

Pearl Dooley, Dallas, left for her home last week after visiting here several days with her brother and sister-in-law, Mr. and Mrs. C. O. Dooley.

Mrs. Buster Molder, Littlefield, and Mrs. Bill Molder and children, spent the weekend at Mineral Wells visiting Mr. and Mrs. J. D. Molder and family.

Members of the Anton school

board and A. E. Greer, superintendent, visited schools in Brownfield, Lubbock, Ropes, Plainview, and Dimmitt on recent trips taken.

The main purpose of the trips

was to observe remodeling work done by several architects who are being considered by the board for similar projects at the local school. Both new and remodeling buildings were tour-

ed. Buildings inspected were, in many cases, about the same age as Anton schools, and had recently been renovated by installing new windows, floors, ceilings and electrical wiring.

ADVANCED READING SKILLS--American Education Week is a good time to point up activities being used in Littlefield schools to help students achieve highest potentials. Two specific programs in reading are being used in the intermediate grades--SRA reading kits, which help students on an individual basis, and reading groups, which help students progress in group participation. Shown picking up SRA kits in Mrs. Patricia Locke's room are Cindy Stancell, Tim Compton and Blas Garcia.

ARITHMETIC DISCOVERY--It's American Education Week and these Littlefield second-graders are shown using the new "discovery method" in learning arithmetic. Students are Pixie Weige and Robby Joe Newton from Mrs. Beatrice Montgomery's room, and Chris Pope and Charlene Shelton from Mrs. Alma Achee's room.

PM URGES COOPERATION Christmas Mailing Season Here

Littlefield Postmaster T. A. Henson this week asked the cooperation of local patrons in the Christmas mail rush, and announced some dates as guides in making sure Christmas mail reaches its destination on time. "The time has already arrived to start getting Christmas packages mailed on the way," stated the postmaster. He said Nov. 1-20 has been set as the safe period for sending mail or packages overseas. Airmail packages should be dispatched by Dec. 10. Parcels to distant states should be mailed the last week in November, and not later than the first week in December. Henson reminded patrons that they may label the packages on the outside, "Do Not Open Till Christmas". Christmas greeting cards for distant states should be mailed not later than Dec. 10, local cards not later than Dec. 15 to assure proper handling and delivery before Christmas day.

The postmaster also stressed the use of the ZIP code on all mail, on both the return and the mailing address if known. "This once-a-year correspondence with some friends provides an excellent opportunity to let them know your ZIP code," reminded Henson. The Littlefield ZIP code is 79339. Christmas cards may be mailed with a 4-cent stamp provided there is no writing, beside the signature, and the envelope is not sealed. By sending them first class with a 5-cent stamp, the sender may seal them, include writing, and can be assured the card will be forwarded or returned. Christmas packages should be packed in boxes of wood, metal, or solid fiberboard and securely wrapped in heavy paper. They should also be well tied with cord and have sufficient cushioning material to prevent movement.

LETTERS TO THE EDITOR

Dear Editor: My family and I are extremely concerned about our government's foreign policy. We are absolutely opposed to trading any farm products of our industry and giving the communists, our enemies, any "know-how" or aid. Communism is anti-God; since there is no between, I conclude that this form of government is pro-devil. The Bible says, "The Devil is a liar from the beginning." . . . and we, a Christian nation, trust and do business with the devil? Mr. Khrushchev is feeling pretty good about our trading with him. He says in about seven years he will be number one in power. What can you and I expect? Have you heard how communism came into power in Russia--do you think we could expect anything less severe? And this is what you and I want for gold and less surpluses? Senator Tower says, and I quote: "It is not in our interests to bail Russia out of monstrous failures on the collective farms with grain partially paid for by American taxpayers--taxpayers who earned their dollars in the free enterprise system."

And he says further that "trouble on the farm in Russia is extremely beneficial for America, if we take advantage of the situation." I agree with Senator Tower and I think we should take advantage of China and Cuba's situation so that those countries can throw off the yoke of communism and so our country will remain free. I cannot help but wonder if we have some communists among trusted leaders of our government, because some things that are done are so stupid; they are so against freedom; they are so for communism. I am not voting for this present administration and I consider the judgements of the Supreme Court an access to our beloved Constitution. And I commend Senator Williams of Delaware in the investigation of the wheat that was lost, strayed or stolen at sea. How much wheat has disappeared? Only \$132,000,000 is gone and this amounts to more than \$15 for each citizen of Texas. "The Administration is in no hurry for an investigation." (I quote Sen. Tower). Mrs. Hubert L. Gohlke Rt. 1, Littlefield
