LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, OCTOBER 7, 1965

NUMBER 22

ONE OF 24

## City Selected All-America Finalist

Littlefield, Texas has been selected as one of 24 finalist in the All-America City competition sponsored by the National Municipal League and Look Magazine, according to a release received this week from the publishers of Look.

The selection was made from a record breaking entry list of 142 qualified entrants ranging in size from Valdez, Alaska, 555, to Tucson, Arizona with a population of 245,000. Alfred E. Driscoll, president of the National Municipal League said in making the announcement the number of finalist had been increased this year to permit three Alaska cities which were severely damaged by the Good Friday earthquake of March 27, 1964, to present the story of their come back after the disaster. These cities were Anchorage, Seward and Valdez. Driscoll said a decision to increase the awards, for the benefit of the Alaska cities would be made by the jury at the hearings to be held in St. Louis November 15th and 16th.

In the past the jury, comprised of impartial judges, have selected 11 cities to be designated as the All-America City for any given year. The selection is based on presentations made by representatives of the cities selected as finalist, and the selection is based on "citizen action" resulting in major civic achievements in such areas as government, education, housing, jobs, industry, health, downtown renewal and human relations.

The winners will be selected after the jury hearings, and their names will be announced in the late winter or early spring of next year. Their award winning activities will be featured in Look and other national publications. The All-America City Jury will be headed by Dr. George H. Gallup, director of the American Institute of Public Opinion and past president of the League. The selection of Littlefield was based on information submitted by a four man committee, which included the downtown project, bond issues, human relations, and the spirit of cooperation that has existed, making the city's progress possible.

According to the rules set forth in the selection, each city is on its own in the competition and is pitted against all finalists regardless of size.

**MAYOR PLEASED**  
When informed of the selection as a finalist, Littlefield's Mayor, J.E. Chisholm said he was pleased the judging committee felt our efforts worthy of consideration, and said every citizen of Littlefield should be extremely proud of their city, for the honor that has been paid them. "This selection would not have been made without the support and cooperation of the entire community, and is a fine example of the spirit that exists in Littlefield. Should we be awarded the All-America City designation, it will be due to the efforts of the entire city. I am pleased with the cooperation that has brought us this far, and am convinced that with the same type of cooperation we will continue to grow and prosper," Chisholm said.

Chamber of Commerce president, Chic Conway said the selection of Littlefield is another example of what can be accomplished through the continuing cooperative effort. "I am pleased," Conway said, "that we have come this far and will have high hopes that we will be selected for the award, but like the mayor, feel that any honor paid to our city will be the results of citizen action, and the entire community is to be commended."

The committee which made the presentation, will now compile the information in the form of scrapbooks, slides and films, and make recommendation to the city, as to a committee to make the actual presentation to the All-America City Jury on November 15 and 16.

### Fire Department Open House

The Littlefield Volunteer fire Department will hold open house at the fire station Saturday in observance of Fire Prevention Week.

Fire equipment will be on display throughout the day and refreshments will be served from one to six p.m.

### Council Agenda Has Seven Items

Seven items are on the agenda for the City Council meeting scheduled for 7 p.m. tonight in the Council chambers.

Among the items to be discussed tonight is a request from the PTA concerning the traffic signs and traffic congestion around the junior high, elementary and primary schools.

The council will also discuss three requests concerning the downtown area.

One will be the city's participation in the Christmas lighting for the downtown area in conjunction with a motion passed by the Chamber of Commerce last Friday that each merchant contribute one dollar per front foot to defray the expenses of the new decorations.

The Council will also need to approve requests by the Salvation Army for use of certain downtown facilities to conduct a clothing drive and by the Home Demonstration Council to have the portable TB X Ray unit parked in front of the First National Bank on October 23. Another item on the Council's agenda is the appointment of new members to the Board of City Development. Four appointments will be made, three for the full three year period and one to fill an unexpired term until 1966.

The Council will also act on a sewer easement and extension of an alley on the west side and hear a request from a representative of the Littlefield Cotton Products concerning trash pickup.

### Punt-Pass-Kick Deadline Friday

Tomorrow is the deadline for boys 8 through 13 to enter the Littlefield Punt, Pass and Kick competition which will be held Saturday morning at the junior high school football practice field.

Top performers can win a Washington, D. C., 'Tour of Champions,' plus an appearance at the annual National Football League Play-Off Bowl game on January 9, 1966.

More than 80 boys have already entered the contest which is being sponsored by Mitchell Ford Agency and the Littlefield Optimists Club. Headquarters for registration is at Mitchell Ford.

Registrants must be accompanied by a parent or legal guardian. There is no charge and no special equipment needed.

Prizes in the competition, in which boys will compete with contestants of their own age in punting, passing and place-kicking distance and accuracy, include NFL warmup jackets, football helmets and footballs for the winners in the 8, 9, and 10 year old group and plaques to the winners of the older boys competition.

**SIX DIE IN CRASH...** A resounding crash, which could be heard for blocks, at 9:47 Wednesday morning took the lives of six residents of the Whitharral area. Four were members of the same family. The accident,

which occurred at the intersection of Quirt Avenue and East 34th blocked traffic in that area for over an hour, and was termed, by Lubbock police, as one of the worst in the time records have been kept.

## Lubbock Crash Kills Six Area Residents

A grinding crash which could be heard for blocks, at 9:47 Wednesday morning in the southeast section of Lubbock took the lives of six Whitharral area residents who were enroute to Slaton to attend a district meeting of WSCS, a Methodist women's organization.

Victims of the accident, who were pronounced dead at the scene by Lubbock Justice of Peace George McClesky were: Mrs. Vivian Reding, age unknown, of Route 2, Littlefield; Mrs. Vera Elizabeth Strickland, 42, Rt. 2, Littlefield; Mrs. Emily Cotton Harris, 21, Route 2, Littlefield; Troyce Gwynn Harris, infant son of Mrs. Harris; Mrs. Jeanette Cotton, 45, Rt. 2, Littlefield; Mrs. Rankin Howard, Rt. 2, Littlefield.

According to a relative of Mrs. Harris, the Harris family had recently moved to Lubbock from Whitharral. The accident, according to investigating officers, occurred at the intersection of East 34th and Quirt Avenue, and involved the car in which the victims were riding, a 1963 Chevrolet registered to Mrs. Howard and a 1962 Mack truck-trailer, reportedly owned by Byrd Sand and Gravel of Lubbock, driven by R.D. Rackler, 31, Lubbock,

Investigators reported the car containing the victims was going south on Quirt and the truck was headed west on East 34th at the time of the accident. So devastating was the force of the impact that the automobile was severed into two parts and workers were forced to labor for over an hour to free the victims from the wreckage.

When ambulances and police arrived at the scene, the worst in Lubbock in the eight years records have been kept, the cab of the big gravel truck was resting on top of a portion of the Howard vehicle.

An unidentified witness reported seeing the crash, but was unable to give any clear details of how the accident took place. Officers said the driver of the truck, R. D. Rackler, said he saw the Howard car come out of the intersection, but was unable to avoid the crash. Rackler said the truck, loaded with a 36 foot bed of gravel went to the center of the street and onto the median in an effort to avoid the crash.

The body of the child was not found until about 30 minutes after the other victims had been removed to Rix Funeral Home. The body was found under the bed of the truck, where it had

apparently come to rest after being thrown from the Howard car.

From all indications at the scene, the victims were killed almost instantaneously. The truck driver was not injured.

Veteran officers said they could not recall another accident in the city of Lubbock this severe and classed it among one of the worst they had seen, in terms of fatalities.

Those killed in the crash, with the exception of Mrs. Harris and her infant son, were all long-time residents of the Whitharral community. Mrs. Harris was the daughter of Mrs. Cotton, the child was the only grandchild of Mrs. Cotton and Mrs. Strickland was the sister of Mrs. Cotton.

Mrs. Harris and the child are survived by Troy Harris, a student at Texas Tech, husband of Mrs. Harris and father of the child.

Mrs. Cotton is survived by her husband Russell, mother, Mrs. Vera Rogers and one brother Rafe Rogers, all residents of the Whitharral area.

Survivors of Mrs. Strickland include her husband, four children, Velma Lee, 16; Lloyd, 13; Linda, 11; and Gary, 8. Her mother, Mrs. Vera Rogers and brother, Rafe Rogers, all of Whitharral.

Mrs. Reding is survived by a son, Don, Whitharral; one daughter, Mrs. Spurgeon Hutto, Dimmitt and six grandchildren. Survivors of Mrs. Howard, who moved to Whitharral about a year ago, are two children, including a son, Woodrow, Whitharral and several grandchildren.

Services for the victims have not been set.

### First Aid Class

Mrs. Ruth M. Wade, executive secretary of the Lamb County Red Cross, has announced that tentative plans are being made for a first aid class to be held in Littlefield.

Persons interested in attending the course are asked to contact the local Red Cross Office in the basement of the Lamb County Courthouse.

## Midland High School Coach Is Football Contest Winner

Sam Volpe, track coach of Midland High School, who is married to the former Marilyn Black of Littlefield, won the fourth week of the football contest as he was the only contestant to miss only five games out of the more than ninety entries received.

James Blackwell, Route 2, Littlefield, won second place as he missed six and picked Denver City to down the Wildcats by a 22 to 0 score. John Clayton III, 1304 W. 13th won his third prize of the season as he also picked 18 winners but picked Denver City by a 26-0 score.

Also missing six was A.A. Smith, Olton, but Smith lost out for a prize when he inadvertently omitted selecting any score on the tie breaker.

The winners were decided on Monday night's clash between the Cowboys and the St. Louis Cardinals as Volpe, Blackwell and Smith had picked the Cards while Clayton selected the Cowboys to win.

Nine contestants missed seven out of the twenty-four games, while another eleven missed eight games.

In addition to the tie between SMU and Purdue, which was missed by all entrants several games were the big cause of trouble.

Only 14 selected Lamesa to win their first game of the

season against Monahans. Other high school games which caused many contestants grief was the first Sudan victory of the season, Monterey's victory over previously unbeaten Amarillo High and the Hereford win over Levelland.

College games which were missed by many included Florida State's victory over Baylor and Navy's win over Oklahoma. Many contestants picked the Cowboys to keep their victory string alive and almost half picked Houston over San Diego.

The deadline for this week's contest, which appeared in last Sunday's County Wide News, is five p.m. Friday with entries that are mailed must be post-marked prior to that time.

Contestants are reminded that all games must be selected by marking out the team that is selected to lose. In addition the score of the tie breaker game must be picked.

With the Wildcats idle this week, the tie-breaker is the Amherst and Springlake battle, both of whom are unbeaten.

In addition to the weekly prizes of \$7.50, \$5 and \$2.50 for the first three places, all entries are eligible for the drawing to be held November 21 with the winner to receive four free tickets to the Sun Bowl in El Paso.

**MINUTE INSTRUCTIONS** -- Members of the Junior Class football team are shown getting their last minute instructions from their coaches as they prepare for the annual Powder Bowl to be held this Friday night at 7:30 p.m. in the Littlefield High School stadium. Members of the Wildcat football are serving as coaches for the two teams which has the favored to win - by hook or by crook.

## United Fund Drive Set For November

Board of Directors of the United Fund met Monday morning and set November for the kickoff

of the city wide UF drive. Operating without a president for the campaign, the directors named a chairman for the advance gifts division, the budget committee, the employees division and the general drive. H.A. Mitchell was appointed to head the budget committee which will meet next week, with representatives of organizations requesting to be included in the UF this year and will make their recommendations to the board, as soon as the budget has been set.

Rip Elms, UF president for 1964 agreed to serve as chairman of the drive until the board can find someone to assume the presidency, and carry on the 1965 campaign. Elms said the Littlefield wants a United Fund, and will support the drive. "We hope that everyone who is called on to work will assist in this effort which each year provides services that are unavailable elsewhere, we know that Littlefield can exceed its goal but it will take a lot of work from the entire community," Elms stated.

After the budget is approved by the board, the various committees will go to work in their respective fields, in an effort to complete the job as soon as possible.

The advance gifts division will be headed by Charlie Duval, the employees division will be chaired by Bill Weigle, and the general drive will be directed by Dr. James Shotwell.

## Teachers Attend Resources Meet

Fifty-three Lamb County school teachers attended a natural resources workshop Thursday evening.

The workshop, sponsored by the Lamb County Soil Conservation District was held to further acquaint the teachers with the natural resources of water, soils, range and wildlife.

Instruction on conservation will be included in the Lamb County school curriculum.

Persons outlining the resources included Tom McFarlin, Water Engineer, High Plains Water District, Lubbock; Wayne Richardson, soil scientist and Paul Larson, Range Conservationist with the Soil Conservation Service, who spoke on soils and range.

Also on the program was Mervin Evans, Wildlife Refuge Manager, Department of Interior.

littered with trash that could have come from no where other than occupants of cars traveling up and down Phelps. Another necessary ingredient to the success of the city is providing the needed services and merchandise requested by those who select Littlefield as their trading center. We have heard much discussion regarding selections of merchandise and promises of merchants, which have not been carried out.

Cooperation has brought the people to Littlefield, and we think the same thing can keep them. When you have a suggestion which you think would benefit our city, don't hesitate to speak out, with your help we can provide more and better services for all.

**AFTERNOON MILK BREAK** -- Starting this week Primary School students will have a milk break every afternoon. The cartons of milk will be delivered to the individual classrooms each afternoon around 1:30. The students' participation will be on a voluntary basis with the milk costing two cents per carton. Pictured above getting in practice are (L-R) Gary Pace, Jan Sisson, Mary Rodriguez and Tommy Twitty.

**MODEL HAIR STYLES AND APPAREL**--About 60 members of the Lubbock Affiliate of Hairdressers and Cosmetologists attended the monthly meeting held Monday night in the Security State Bank Community Room. Mayor Chisholm gave the welcome. Twenty-five models showed hair styles in the latest trends done by local hairdressers and modeled garments from local dress shops. Pictured above, left to right, are Mrs. Robert Kloiber, Mrs. Buddy Bingham, Sandy Stewart, JoAnne Rhodes and Mary Trammell. In the front is little Miss Gwenn Duffy, who was the youngest model.

**Mobile X-Ray Unit To Be Here**

The home demonstration council of Lamb County are making plans to sponsor a Mobile Chest X-Ray Unit in Littlefield October 23. The unit will be located at 4th Street and Phelps Ave. It is hoped that all persons, age 10 up, will make plans to take advantage of the unit on that day.

**Teacher's Sorority Meets At Amherst**

Mrs. Ray Blessing and Mrs. Willis Hedges were hostesses for a meeting of the Epsilon Chapter of Delta Kappa Gamma, teacher's sorority held in Fellowship Hall of the Amherst Methodist Church, Saturday. Chapter members from Littlefield, Muleshoe, Sudan and Olton attended. Mrs. Elizabeth Ayers of Littlefield was in charge of the program.

**Tom Hilbun To Be PTA Speaker**

SPADE--"Fringe Benefits of Volunteer Leaders" will be the topic used by Tom Hilbun when he speaks at the Spade PTA meeting tonight (Thursday). The meeting will be held at 7:30 p.m. in the school auditorium. Also having parts on the program will be the FHA chapter presenting a panel discussion on "Communications in the Family", and Steve Byars will furnish the music.

Babysitting will be available and refreshments will be served in the cafeteria following the meeting.

**Plains Presbyterial Meets Tuesday In Slaton**

The Fall District meeting of the southern district of the Plains Presbyterial Society will be held in Slaton Tuesday, Oct. 12, beginning with an Early Bird Coffee served by the women of the Slaton First Presbyterian Church from 9 until 9:30 a.m.

Mrs. James Norred, president of the Snyder women's organization, will give the worship service emphasizing the theme of the day, "Free to Walk by the Spirit".

Workshops conducted by departments will occupy the morning, with dedication of goal sheets, and the bringing of the offering of the international fund, "Fellowship of the Least Coin", following.

The afternoon speaker will be Mrs. Herbert J. Pijan, director of the Tech Union, at Texas Technological College. She will speak on "Everyone Has a Talent". Mrs. John W.G. Hill of Littlefield will give the benediction.

Women will attend the meeting from Brownfield, Lamesa, Snyder, Post, Plainview, Tulia, Muleshoe, Lubbock, Dimmitt, Slaton, and Littlefield.

Contributions of clothes and supplies for the Amarillo Children's Home will be brought to the meeting. The home is one of the concerns of the group. Mrs. Allen Hodges of Littlefield is president of the Plains Presbyterial, and Mrs. David Newby of Post is the southern district vice-president, Mrs.

**CITY BITS**

**Kick the dull driving habit. Step out in a lively Dodge Coronet.**

Isn't it time you joined the Dodge Rebellion?

Forget all you've seen and heard about '66 cars. Because Coronet is here... sharp, smart and sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught onto yet.

With a choice of five engines, Slant Six or V8, each one designed to make the walls of Dullsville come tumbling down.

And with a whole slew of standard equipment that used to cost extra. Like an outside rear view mirror. A padded dash for extra safety. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear.

Enough said to get you really tempted? Now let's get away from the look-alike, drive-alike,

first-cousin cars with Coronet for 1966, a car with a lively personality all its own. The Dodge Rebellion wants you!

## 1966 Models On Display At Armes Chevrolet

1966 CHEVROLET CAPRICE CUSTOM COUPE AND CHEVELLE SUPER SPORT 396 COUPE -- Two of Chevrolet's newest additions for 1966 are the luxurious Caprice Custom Coupe (below) and the stylish Chevelle Super Sport 396 Coupe. The Caprice Coupe is destined to be the style leader among regular size cars and

the Chevelle Super Sport is distinguished by a new roof line with recessed rear window and a '396 SS' identification in grille and rear-cove area. Along with these two models, Chevrolet will offer 48 other models for 1966. Dealers throughout the country will show the new cars on October 7.

KNOW THE 1966 CHEVROLET-BUILT CARS BY THESE REAR LAMPS -- Attractive individuality is shown in the rear lamps that identify six different cars -- the Caprice, Chevy II,

Chevrolet, Corvair, Corvette and Chevelle -- offered by Chevrolet for 1966. Dealers will display the new models on October 7.

The 1966 Chevrolets, featuring automatic in-car temperature control and tilt-telescoping steering will go on display starting today at Armes Chevrolet.

The temperature control and new steering are included among the more than 400 accessories and optional features that put added driving convenience at the fingertips of 1966 Chevrolet customers.

--An automatic Comfortron system that enables instant dialing of heating and air conditioning inside the car, available on all regular Chevrolet models.

--A tilt-telescoping steering option available on all regular Chevrolets with automatic or 4-speed transmissions. This allows almost 3 inches more horizontal movement away from the driver and about 1.5 inches more vertical movement than the tilt-only model.

--FM stereo radio, pioneered by Chevrolet in 1965, has been modified and improved. Four speakers are now used in every installation on Chevrolet, Chevelle and Corvair models.

--Improved trailer hitches, an automatic level control package, two camper units, remote control front fenders safety lights and a compact highway emergency kit.

Introduction of Comfortron keeps pace with the rapidly rising popularity of car air conditioning which in 1965 rose to a rate of one installation on every four Chevrolet passenger cars.

Offered as a factory option on all regular Chevrolets, Comfortron is an advanced air conditioning system which allows occupants to dial the temperature they want the year around.

An exclusive Comfortron feature is that it can be set to concentrate on front or rear seats, or both, depending upon passenger load.

Also available are the Four Seasons air conditioning system, factory installed on Chevrolets, Chevilles and Corvettes; an All Weather unit, factory-installed on Chevy II's, and either factory-installed or dealer-installed on Corvairs and trucks; and a Custom unit, dealer-installed on Chevrolets, Chevilles and Chevy II's.

The compact highway emergency kit is slightly larger than a candy box.

PONTIAC'S GTO -- The popular GTO is a new Pontiac series in 1966 and is available in the convertible model shown above as well as in a sports coupe and hardtop coupe. The 1966 GTO has its own specific front end including grille, parking lamps, hood ornamentation and has special tail lamp design consisting of hori-

zontal painted louvers on each side of the rear end panel. The standard GTO is powered by a premium-fuel 389-cubic-inch engine with four-barrel carburetor and three-speed manual transmission. Also standard are new profile design bucket seats.

## Pontiac Show At Sumrall

A revolutionary six-cylinder engine, added safety features & increased reliability are among the many features engineered into Pontiac Motor Division's 1966 models, which go on display today at Sumrall Pontiac Co. A prominent leader in automotive engineering, Pontiac introduces one of the most significant engine advancements in the industry's history by announcing a completely new overhead camshaft engine as standard equipment on all Tempest, Tempest Custom and LeMans models.

Unique in both engineering concept and design, the Pontiac overhead cam engine is smoother, has larger output capabilities, increased fuel economy and provides greatly improved ease of servicing.

Most significant in design of this engine, and the first time it has ever been used in domestic automobile industry, is the belt driven overhead cam using a rocker arm and an hydraulic lash adjuster.

Also an industry first for Pontiac is that the new L-6 engine utilizes a neoprene timing belt reinforced with fiber-glass cords.

Stroke and bore on the 230 cubic-inch engine are 3.875 inches and 3.250 inches respectively. The standard single barrel carburetor provides 165 horsepower at 4700 rpm. The compression ratio is 9.0:1 and it is available with either manual or automatic transmission.

CAM DRIVE -- The new timing belt is installed outside the crankcase and connects the cam, crankshaft and accessory drive sprockets.

Tensioning of the belt is achieved through a sliding die cast aluminum accessory drive housing pioneered by Pontiac. It contains the fuel pump, oil pump and distributor. Also attached is the oil filter assembly.

The entire timing belt drive mechanism is housed within an aluminum die cast cover.

This new concept of one external accessory drive assembly which is driven by the same belt which drives the overhead cam simplifies engine design, manufacture and servicing.

Pontiac also announces it is making available an added performance option, the Sprint option, which offers a new sensation in driving response and performance.

The Sprint includes a four barrel carburetor with a compression ratio of 10.5:1. The engine is rated at 207 horsepower. It will be available with three-speed manual transmission fully synchronized in all forward speeds as standard equipment; with a four-speed, or automatic transmission optional.

The new four barrel carburetor is called the "Quadrajel". It features small primary venturi used in conjunction with large secondaries which utilize air valves rather than venturi to control secondary fuel flow. This combination provides excellent low speed operation, at both part throttle and full throttle.

V-8 ENGINES -- Pontiac's highly rated V-8 engines, both the Tempest 326 cubic-inch option and the 389 and 421 cubic-inch engines available on Pontiac models, have been refined with the emphasis on smoother operation and greater economy.

Variations of the optional Tempest V-8 include a regular fuel two-barrel carburetor engine which delivers 250 horsepower up to a high output engine with four-barrel carburetion and rated at 285 horsepower. The standard GTO engine is 389 cubic-inch, four-barrel carburetor and 335 horsepower. The GTO option is rated at 360 hor-

sepower and has three two-barrel carburetors.

Three basic engines and a complete list of options, with a horsepower range from 256 to 376, are available in the Pontiac line-up.

The standard Catalina and Star Chief power team is a 389 cubic-inch engine with two-barrel carburetion and three-speed manual transmission. The standard 2 Plus 2 engine is 421-inch-displacement, four-barrel carburetion and compression ratio of 10.5:1.

The Pontiac crankshaft is of nodular iron and the pistons are of an all aluminum design for a significant reduction of weight for 1966. The piston rings feature a reverse twist design for added oil economy.

The new Tempest manual transmission now had all forward speeds synchronized for smoother shifting and operational versatility with calibration refinements in Pontiac's Turbo Hydra-Matic transmission result in smoother shifts and more pleasurable driving.

Improvements of major significance in Pontiac's sheet metal design include an industry first in the use of a plastic, full floating radiator grille which is lighter and improves resistance to corrosion.

An all new fuel pump has been made available for the 1966 models. Completely sealed except for an air bleed on the air side, the new fuel pump gives added performance particularly during warm weather operation or prolonged idle conditions.

A specific single fuel pump design is used as standard for all Pontiac V-8 engines. This high capacity pump has an air dome integral with the cover at the intake fitting. The built-in air dome adds in improving fuel handling for higher capacity requirements.

## Sumrall Pontiac 1966 Display Starts Today

The 1966 Pontiac Motor Division's models go on display today at Sumrall Pontiac here. All the models, from the Tempest to the Grand Prix offer extensive advancements in automotive styling, engineering safety and model availability.

The entire Tempest line has been redesigned, expanded by the addition of five new models including a new GTO series, and for the first time in an American passenger car, an overhead camshaft six-cylinder engine is offered as standard equipment on all Tempest models except the GTO.

A new series, the 2 Plus 2 with two models, and a new Star Chief Executive sports coupe has been added to the Pontiac line-up and all models, including the Grand Prix, incorporate both refinements in profile and complete changes in the front and rear.

"Our new models are a true reflection of Pontiac's policy of continuous and evolutionary progress in automotive design and with our new overhead cam engine we feel we are presenting a major engineering breakthrough as well," Sumrall stated.

The Catalina, 2 Plus 2 and Grand Prix have an overall length of 214.8 inches, 0.2 inches longer than last year, and a wheelbase of 121 inches. The Star Chief Executive and Bonneville measure 221.8 inches overall, a 0.1-inch increase, and their wheelbases are 124 inches. All Tempest models are one-half inch longer, and have a 115-inch wheelbase.

All Pontiacs go on sale in dealer showrooms October 7. MODEL LINE-UP

Pontiac has increased the number of models from 26 last year to 33 in 1966.

The Tempest series includes a sports coupe, four-door sedan and station wagon.

In addition to the four-door hardtop, which is new this year, a sports coupe, four-door sedan, hardtop coupe, convertible and station wagon are available in the Tempest Custom.

A LeMans four-door hardtop is also new for 1966 and it joins a sports coupe, hardtop coupe and convertible in that series.

The new GTO series includes a sports coupe, hardtop coupe and convertible.

The Catalina series has a two and four-door sedan, a hardtop coupe, four-door hardtop, convertible and both two-seat and three-seat station seat and three-seat station wagon.

The new 2 Plus 2 series offers a hardtop coupe and a convertible.

A four-door sedan, four-door hardtop and a new model, a two-door hardtop coupe, are available in the Star Chief Executive series.

A Bonneville hardtop coupe, four-door hardtop, convertible and station wagon are offered in that series and the Grand Prix hardtop coupe tops Pontiac's new car list.

TEMPEST New roof lines give the 1966 Tempests a completely new

styling theme and big car appearance. Body side sculpturing is noted by its clean simplicity with a suggestion of sports car flair. Both coupes and convertibles are noticeably faster in profile with dropping belt lines and on the coupe a complete upper design prevails.

Tempest front end appearance retains the split grille design but has been styled to give an even wider stance. Deep tapered air intakes are framed with narrow bright chrome edges and recessed within the dynamically sculptured front end sheet metal. Each front

end is identified by appropriate emblems and series identification.

The Tempest rear end design features a strong chrome molding treatment that defines maximum width and lowness characteristics. Rear bumpers have shaped ends to complement the rear end and tail lamp scheme.

The LeMans back end treatment has an additional bright ribbed full width molding between the tail lamps.

The GTO, a completely new 1966 series, has its own front end including grille, parking lamps, hood and ornamentation.

The side view shows length rocker panel plus rocker extensions at front and rear fenders.

The GTO rear end has its own tail lamp design with plus rocker extensions at front and rear fenders. Each lower end panel. Each lower end panel. Each lower end panel. Each lower end panel. Each lower end panel.

The 1966 Pontiac line is restyled for a lower and wider appearance, maintaining the look of and prestige identified Pontiac.

IMPRESSIVE DESIGN -- This 1966 Bonneville hard-top coupe again represents the styling and engineering leadership offered by Pontiac. Other Bonneville models available are the convertible, four-door hardtop and station wagon.

Bonneville styling thins and lengthens the side appearance. The elegant Brougham is available as a Bonneville option. All offer the famous Pontiac V-8 engine as standard equipment.

## The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well?)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those when you slip behind the wheel and turn a '66 tiger loose. **Wide-Track Pontiac**

## and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear wheel

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests.

Tempest Customs and Le Mans V-8's 360 hp in the GTO. See all the '66 tiger country today. **Wide-Track Pontiac**

Come to tiger country. See all the Wide-Track tigers at your Pontiac dealers.

# Armes Chevrolet Show Of 1966 Models Starts Today

Variety, safety and new peaks of luxury highlight the 1966 which are on display starting today at Armes Chevrolet Co. Owner Troy Armes stated, "The 1966 Chevrolets will feature the greatest assortment of models in the division's 55 year history as there will be 50 models in six passenger car lines made this year."

"Model, option, color and interior combinations in the billions, giving the buyer an unparalleled opportunity to individually customize his car," Armes said.

Principal features include: **NEW MODELS** -- A Caprice top-of-the-line series with four prestige models is added to the top selling regular Chevrolets. A four-door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series.

**STYLING** -- The Chevy II receives its first complete redesign since introduction in 1962 models. The Chevelle is restyled, there are design refinements in the Corvaire and Corvete, and the regular Chevrolet has an even "bigger car" look.

**SAFETY FEATURES** -- Numerous safety features are made standard on all models ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

## MECHANICAL FEATURES

## Social Honors Golden Agers

**OLTON** -- The Louisa L. Dennis Circle of First Methodist Church, Olton, was hostess for the Golden Agers social Thursday afternoon.

The program consisted of the first graders, who did a pantomime and sang several songs with their teacher, Mrs. G. T. Galloway accompanying them on the piano.

Mrs. J. L. Snider read the devotional and a poem, "Happy Birthday" was sung to Mrs. Eula Wilks.

Homemade cookies and punch were served to C. T. Mason and Mmes. J. C. Ogletree, Minnie Simmons, C. M. Owen, Anna Martens, R. A. Lewis, Bessie Cowart, F. M. Holland, J. E. Jones, Eula Wilks, Nellie Turner, G. T. Galloway, Jody Morris of Earth and Ann Warren, a visitor. Also present were the two regular sponsors, Mrs. Joe Chester and Mrs. Tom Smith.

Hostesses were Mmes. Audrey Smyth, J. L. Snider, and Percy Parsons.

SHOP AT SEARS AND SAVE

**SEARS SEARS & ROEBUCK CATALOG STORE**

406 PHELPS 385-4444

New engines include a 250-cubic inch L6 and two 427-cubic inch V8's. A new three-speed fully synchronized transmission is standard on all Chevrolet models.

**OPTIONS** -- Offered for the first time, in addition to the more than 400 options and accessories already available to Chevrolet buyers, are a single-dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt-telescoping steering.

**INTERIORS** -- Restyled, high fashion interiors are featured in all models. Bucket seats in Chevrolet, Chevelle and Chevy II models are a new slim "Starato" design. Each of the 14 station wagons has an all-vinyl interior.

Here are details on the six Chevrolet lines for 1966:

**REGULAR CHEVROLET** -- Headed by the luxury Caprice series, there are 19 models in five series. A color-keyed paint stripe distinguishes the Caprice Custom coupe -- which has a special roofline unique among all Chevrolet models -- and the Caprice Custom sedan. The two Caprice Custom station wagons have walnut grained exterior trim. All Caprice models have high prestige interiors.

The regular Chevrolets have a more powerful appearance with a forward-thrust to front fenders and bold horizontal bars in the grille. Individual moldings and ornamentation designate each series. All have tail-lamps integrated into the rear quarters and deck giving a wider look.

Structural improvements have been made in both chassis and body. New springs, shock absorbers and softer bushings and body mounts increase smoothness and quietness of ride. The 110-inch wheelbase is retained.

Performance of the base six cylinder engine is improved by increasing displacement from 230 to 250 inches. Six V8's are available, including the two new 427-cubic inch engines. Horsepower range is from 155 to 425. Five basic transmissions are offered, including Turbo Hydra-Matic.

**CHEVELLE** -- The popular 4-door hardtop body style joins Chevelle models for the first time. A total of 12 models in four series are offered.

Distinctive will be two Super Sport 396 models. Simulated scoops on the hood emphasize that a new 396-cubic inch engine is standard on the '66 396 convertible and a companion '66 396 sport coupe. The hardtop also has a new roof line employing wide, flowing rear quarters and a recessed rear window.

Length and width of Chevilles are increased approximately one-half inch while the wheelbase remains at 115 inches. Redesigned body panels and front end with wrap-around grille give a longer and lower silhouette. Rooflines are new for 2 and 4-door sedans.

Seven engines -- two sixes and five V8's -- give the Chevrolet buyer a wide range of power choices. Horsepower ranges from 120 to the two

396-cubic inch V8's rated at 325 and 360 horsepower. Four transmissions are offered.

**CHEVY II** -- The most complete change in exterior and interior appearance since its introduction in 1962 models gives new beauty to the seven models in three series of Chevy II.

Retaining its 110-inch wheelbase, the 1966 Chevy II is slightly lower and longer and more than 1.5 inches wider than previous models. There are new

rooflines on all sedans and coupes.

A low, wide appearance is given the front end by a massive front bumper and new aluminum grille. Headlamps are recessed in front fenders. The side treatment emphasizes length with a sweeping peak line. A broad, tailored rear deck includes integral backup lamps in the rear fenders.

Chevy II retains the unitized construction with bolt-on front end. A new plastic panel im-

mediately behind each headlamp increases corrosion resistance. Rear windows are bonded to the body of sedan and coupe models for neater, more effective sealing.

Seven engines -- a four cylinder, two sixes and four V8's -- allow a broad power choice. The horsepower range is from 90 to 350. There are three transmissions.

**CORVAIR** -- The smooth continental styling of Corvaire is continued for 1966. Styling re-

finements include new rocker sill and wheel opening moldings, new front panel emblem, plus fresh design of the rear grille and taillights.

There are seven models in three series -- all either convertibles or 2 and 4-door hardtops. Wheelbase continues to be a highly maneuverable 108 inches.

Four rear-mounted, air-cooled, six-cylinder engines are offered with horsepower ranging from 95 to 180, and choice of 3-speed, 4-speed or Powerglide transmissions.

**CORVETTE** -- America's

only sports car continues its program of annual styling refinement with a new nameplate on the hood, body side trim, grille and wheel covers. There is a special high-domed hood on models with a 427-cubic inch engine.

There are two Sting Ray models -- a convertible and a sport coupe -- on a 98-inch wheelbase.

Four V8 engines are available. Horsepower begins at 300. Inclusion of the new 427 V8's increases maximum horsepower to 425. Three

transmissions are offered. **SPORTVAN** -- Complete passenger car luxury with a comfortable commercial chassis. Without Chevrolet's product versatility.

Three models are offered with a 90-inch wheelbase. The cylinder engines of 130 and 150 horsepower are available in 3-speed and Powerglide transmissions.

For 1966, Chevrolet offers 15 colors -- 6 of them with up to 8 two-tone combinations. Vinyl roof covers in black and beige are available for certain hardtop models.

# NOW! '66 CHEVROLETS

Caprice Custom Coupe

## NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons. Liquid smooth ride. Power you can order just as smooth, and

pin-drop quiet. Turbo-Jet V8 engines go all the way up to 425 hp. New interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, you know what a beautiful value it must be.

IMPALA

## NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes for 1966. Model shown: Impala Super Sport Coupe.

## NEW CHEVELLE SUPER SPORT 396

New 300's, New 300 Deluxe Jet V8's, either 325 hp or 360 hp. Both come with special hood, grille, suspension, emblems, red-stripe tires, floor-mounted shift. Twelve beautiful Chevilles in all -- all as new inside as they are outside. Headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corsa Sport Coupe

## ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

## '66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvaire, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one.

**OLTON NEWS** by MRS. W.B. SMITH SR.

## Religion And Public Schools Is Program Of Study Club

The Olton Kimichi Study Club held its regular meeting Thursday in the home of Mrs. Steve Lee.

Mrs. Elmer Houston gave the welcome. Mrs. Danny Cure was in charge of the program which was entitled "Religion and the Public Schools."

Members present were Mmes. Harlan Carson, Danny Cure, Gary DeBerry, Houston Hamby, Elmer Houston, Steve Lee, Royce McFadden, Randall Roper, Garland Rose, Oliver Rose, T.J. Smith, John Speck, Pete Timmons and Amos Walden.

Mr. and Mrs. Bill Schreier of Abernathy, Mrs. Pearl Schreier and Mrs. Loyd Cowart, all fished at Buffalo Lake near Umberger, Monday through Thursday.

Mr. and Mrs. Tom Sluder vacationed at Lake City, Colo., last week.

Olton Public Schools dismissed at 2:30 p.m. last Monday in order that the pupils and teachers could attend the South Plains Fair in Lubbock.

Mrs. Dub Black underwent surgery at Methodist Hospital in Lubbock last week.

Mrs. Frank Cornelius returned home Saturday from Methodist Hospital in Lubbock, following major surgery. She is reported to be improving satisfactorily.

Mrs. Joe McGill and Mrs. Virginia Moss visited Mrs. Jim Steel at John Sealy Hospital in Galveston, last weekend.

Mr. and Mrs. Roy McAfee have returned from an extended visit with relatives in California.

Mrs. Ray Culwell was the winner of a mink stole at a contest in Amarillo last week. Her husband, who is a member of the Shriners, recently bought a ticket book from the Amarillo Shrine Circus for crippled children. The grand prize in the drawing was a new car. Mrs. Culwell received second place prize. Retail value of the stole was listed as \$1,095. The Culwell's made a trip to Amarillo to pick up the stole.

Homecoming at Olton High School is scheduled for Friday October 29. Theme of the parade will be "The States."

Officers of Olton High School Choir were recently elected. They are Curtis Hall, president; Dale DeBerry, vice-president; Susan Norfleet, secretary; and Gayle Gunter, librarian.

Mr. and Mrs. Raiford Daniel fished at Buffalo Lake near Umberger last weekend.

Mr. and Mrs. Roy Granbery of Truth or Consequences, N.M. were guests in the home of Mr. and Mrs. Jack Silcott, last weekend. They are former Olton residents.

W.O. Wiley of Levelland, son-in-law of Mr. and Mrs. L.O. Langley, died last week.

Mr. and Mrs. Bill Collins and family visited relatives in Abilene last weekend.

Mr. and Mrs. Bob Hipp entertained with a supper Friday night at their home in honor of her mother on her birthday. Attending were Mrs. Loyd Cowart, Mr. and Mrs. Fred Long and children and Mr. and Mrs. James Cowart.

Mr. and Mrs. Bob Worley attended the funeral for a friend in Crosbyton, recently.

The Texas State Library has announced that six Olton students earned Texas Reading Club certificates for having read 12 or more books during the summer.

Students receiving the certificates are Joyce Yandell, Vicky Kennedy, Steve Kennedy, Romelia Morales, Kenny Spain, and Gary Parkey.

The Texas State Library is providing bookmobile service for a free trial period to Bailey, Cochran, Lamb and Parmer counties.

The free trial began in April, 1964. It will end in December, 1966.

Persons wanting the service after that time need to ask their County Commissioners to appropriate funds in the regular county budget.

The High Plains Bookmobile will be in Olton Saturday, Oct. 16th from 9:15 a.m. to 11:15 a.m.

properly funds in the regular county budget.

The High Plains Bookmobile will be in Olton Saturday, Oct. 16th from 9:15 a.m. to 11:15 a.m.

**TEND CONVENTION** -- Williams, husband of the Wanda Buchanan, Anton, reporter for the Texas Collegiate Chapter of the member of Alpha Zeta has been elected a delegate to the National FFA Convention to be held October 12-17 in City. Williams lives in...

**Bookmobile To In County** Texas State Library High Bookmobile will be in County today and tomorrow.

Bookmobile will visit at 1 this morning from 9:45 and will be in the at II location from 9:45 to 11:00 a.m. and will be in the at I location from 11:00 to 11:45 a.m. and at II from noon to 1 p.m.

**MADE NEWS** Lions Have Broom Sale

Approximately \$400 worth of brooms was sold at the Club broom sale held last night. The lions appreciate the cooperation of all who helped in any way with the sale.

Norman Frey, son of Mr. and Mrs. Norman Frey, has been admitted to the Littlefield Hospital, suffering from pneumonia.

Ada Reed, mother of G. Anderson, and former of this community for years, underwent major surgery last Monday in University Hospital, Lubbock.

Mr. and Mrs. Ray Smith to Alpine Friday to see son, Bob Smith, who is attending Sul Ross College. He took his horse to him.

Mr. and Mrs. G.R. Nabers and their daughter and son, Mr. and Mrs. Ben Nabers, visited their home in Salinas, Tuesday. The Nabers have been visiting here about a month and the Nabers plan to visit in California a month.

Mr. and Mrs. John Vrabel and family Sunday were Mr. and Mrs. J.M. Key and boys, Olton; Mr. and Mrs. Charles Carpenter and Charla, Amherst; and Mrs. Ellen Will of Littlefield.

Having birthdays this week are Cynthia Poteet, Duane Gray, Mrs. Troy Champion, Don Tindal, Mary Beth Willey, Mrs. W.E. Savage, Mrs. W.O. Hampton, David Gray and Boots Gray. Mr. and Mrs. Jack Turner, Fort Sumner, N.M. and Mrs. Mattie Bryant, Littlefield, were guests of Mr. and Mrs. Ray Smith and family Sunday afternoon.

The FFA presented a sweetheart jacket to Miss Sue Holly Friday and a bracelet to Miss Debbie Hall, the FFA Plowgirl.

Frankie Joe Moorhead is stationed at Camp Polk, La. with the US Army. He is the son of Mr. and Mrs. Floyd Moorhead.

Mr. and Mrs. John Vrabel and Karyn visited Mr. and Mrs. Charles Carpenter and Charla of Amherst Saturday night.

Mrs. Marie Hamilton and Mrs. Ray Smith visited Mrs. Hamilton's sister, Mrs. Earlene Trapp of Estelline, Tuesday.

AMHERST NEWS

### Junior Class To Sponsor Ham Dinner At Lunchroom

Members of the Junior Class are sponsoring a ham dinner in the school lunchroom preceding the Springlake-Amherst football game Friday night from 5:30 to 7:30. Prices for the dinner will be \$1 for adults, 75¢ for students and 50¢ for pre-schoolers.

Mrs. Bertha Thompson was given a covered dish dinner on her birthday at the home of her daughter, Mrs. Ben Greener, Sunday.

Her mother, Mrs. Joe T. Harmon and other members of her family were there for the occasion were Mr. and Mrs. Joe Thompson and family, Mr. and Mrs. George Thompson and family, Mr. and Mrs. Ben Greener and family, Mr. and Mrs. Joe Brandstatt, Mr. and Mrs. Lynn Brandstatt and family, Mr. and Mrs. Jon Cornelius and family, Mrs. Murrell Sawyer and family, Mr. and Mrs. Ed Nicholson and Morine, Claude Thompson, Lubbock and Quention Pierce of Odessa.

Mr. and Mrs. N.B. Embry were in Canyon for the weekend and attended W.S.T.U. Dad's Day

festivities which included a tea given by Chi Omega Sorority, of which their daughter, Mrs. Stephen Denton, is a member. The football game Saturday night was another highlight of the weekend.

Among those attending the Tech-AM game at Jones Stadium in Lubbock Saturday night were Mr. and Mrs. Manry Brantley and son, Dick and family from Littlefield.

Mr. and Mrs. B. Howell of Randlette, Okla. spent Saturday night as guests of Mrs. L.E. Vaughn and family.

Mr. and Mrs. S.J. Sharp were weekend guests of Mr. and Mrs. David Harmon.

Wendall Patterson of Tahoka visited his parents, Rev. and Mrs. James Patterson, Saturday.

Mrs. B.O. Shavor returned Sunday from a visit with relatives in Paducah.

Mrs. Lula Hardin returned home to Amarillo during the weekend after a visit with her daughter and husband, Mr. and Mrs. W.P. Stone. Her grandson and family, Mr. and Mrs. Bill Stone and Terri of Littlefield,

came for her.

In Muleshoe Thursday night were Mr. and Mrs. John Faust. It was her birthday and their son and family, Mr. and Mrs. Eddie Mac Faust and daughters served birthday dinner to celebrate the occasion.

Mr. and Mrs. "Shorty" Vernon of Hereford were business visitors here Friday.

Mrs. Herndon Pace and daughter, Mrs. Ethel Logan were in Dallas last week.

Sue Hinds was home from Amarillo for the weekend.

Mrs. O.P. Lane left during the weekend for a visit with relatives in Fort Worth and plans to visit other relatives in South Texas before returning home.

Mrs. George Thompson visited her sister-in-law, Mrs. Bobby Walbrick in Littlefield, Friday.

In Odessa for the weekend with her parents, Mr. and Mrs. George Jenkins were Mr. and Mrs. W.T. Weaver Jr. and daughters.

L.E. (Pete) Vaughn's condition in the local hospital has improved. His daughters, Mrs. Donald Priddy of Big Spring and Mrs. Duane Carter of Miami, Okla. have returned home.

Mr. and Mrs. Bill Weaver visited the J.E. Weavers in Lubbock Sunday evening and night. His mother, Mrs. A.R. Weaver of Littlefield accompanied them.

Mr. and Mrs. Ernest Black spent the weekend in Lefors and attended the 50th wedding anniversary of her brother and his wife, Mr. and Mrs. Dewitt Vaughn.

Spending the weekend in the Raymond Quick home were Randy and Beverley Jones of West Camp community, near Muleshoe. R.B. Quick celebrated his thirtieth birthday Thursday.

Mrs. A.F. Copeland and Mrs. Don Turner visited their grandson, Jimmy Copeland and family in Anton Thursday. The Copelands named their adopted son, Archie Kurt. He was born September 12.

Mr. and Mrs. Ray Blessing visited their son, Pat and his son in Lubbock during the weekend and attended a showing of the movie, "My Fair Lady". Mr. and Mrs. Harry Phelps

EIGHTH GRADE TEAMS -- More than fifty athletes have turned out for the eighth grade football teams at Littlefield this year and coaches Bob Swafford and Eugene Franklin divided the boys into an "A" and "B" team with both playing regular schedules. Above are pictured the "A" team members who are unbeaten in three starts while below is the "B" team. Both play tonight against Frenship.

### Whitharral Homecoming Set

WHITHARRAL - Whitharral Homecoming will be Friday at 8 p.m. on the local gridiron when the Whitharral Panthers meet Roaring Springs.

Half-time activities will include precision marching by the WHS band, pom pom routine by the cheerleaders and crowning of the Homecoming Queen. Candidates for Homecoming Queen are Mary Jane Pence, a junior; Charlotte Caldwell and Judy Wade, sophomores.

Ex-students will be served refreshments at the cafeteria after the game.

The junior high meets Three-Way here at 6 p.m., Thursday. The game will be followed by a bonfire to begin the homecoming activities.

### ONE OF 24

## Former Resident Is Author Of Western

A longtime resident of the Littlefield area, Albert Touchon, has recently had a book published entitled "Just A Story". He uses the pen name of Gustave Cuenod. He farmed near Littlefield a number of years before moving to Phoenix, Ariz. because of bad health three years ago.

ALBERT TOUCHON

Touchon's father was born in France and his mother in Switzerland. They settled in Mexico, where Albert was born between Oaxaca and Tehuantepec. His father is credited with bringing the first glass milk bottles to Mexico.

Touchon came to the Littlefield area at an early age with his family. His parents bought a herd of wild mares and stallions and raised horses and mules, moving back and forth from Texas to New Mexico in search of grass.

While a young boy, Touchon broke and trained horses and mules and worked on neighboring cow ranches. He became a top hand with horses, cattle, a rope and gun and competed in rodeos.

He has worked in coal mines, sawmills, logging camps, road-grading camps and in the wheat harvest into Canada. He attended the National Automotive School in Los Angeles, operated his own garage in Texas and oil boom towns in New Mexico, raised cherries in Idaho, and operated motels, a cafe and

steam laundry. He was the mechanic in a CCC camp, then advanced to regional equipment inspector and supervising mechanic, traveling over many states in the Dust Bowl days, working out of Amarillo and Albuquerque. He operated his own farm about six miles northeast of Littlefield, which he still owns, and is now being farmed by Walter Hill.

"Just A Story" is a western, and is delightful fare, whether the reader is interested in realistic adventure or whether he simply wants to go back to the years of beef and men on the move, to see life then, in every rich, noisy, lusty detail, as it honestly was.

### Ministerial Group Meets

The Ministerial Alliance met Monday morning at Emmanuel Lutheran Church. Rev. John Hutson, president, conducted the meeting.

The main topic of discussion was the Christian Rural Overseas Program.

Coffee and cake were served. Attending were Rev. Hutson, Rev. R.D. Longshore, Rev. Brian Engel, Rev. J. Henry Cox, Rev. Jack Ellzey, Rev. William Remmert, Rev. Porfirio Mejia, and Don Thorp.

**VIEW EXHIBIT** -- Mrs. Bill Nicholas, right, was pictured as she was looking over some of the oil paintings being exhibited this week at the Custom Frame Shop by members of the Dauber's Art Club. Shown with her is Mrs. Pearl Rountree, a member of the club, who was acting as hostess. The painting of yellow roses was done by Mrs. James Steffey of Spade. Visitors are asked to vote for their favorites in the three categories -- still life, portraits, and landscapes. The exhibit will be open through Saturday.

**CITY BITS**

Mrs. Hank Gowdy left Wednesday morning for Beaumont where she plans to spend about a week visiting her daughter and family, Mr. and Mrs. W.P. Riley, and granddaughter and husband, Mr. and Mrs. Danny Adair. She will accompany Mr. and Mrs. Jake Armstrong of Fieldton to Beaumont.

David Tullis, Texas Tech, visited his parents, Mr. and Mrs. Dave Tullis, over the weekend.

**FHA Winners At Fair Announced**

Several members of the Littlefield FHA brought home prizes from the Panhandle South Plains Fair last week.

The girls and their entries were: Bobbie Kirk, canned pears, first; applesauce cake, third, and sweet rolls, fourth; Susan Parker, after five dress, fifth; Vicki Melton, sweet rolls, third; Marsha Phillips, after five dress, second and tailored skirt, fourth; Hope Kimbrough, yeast bread, first; Barbara Williams, sleepwear, third.

Mr. and Mrs. Wayne Butler visited over the weekend with their son, Jimmy, who is a freshman at North Texas State University.

Mr. and Mrs. Roger Sell and boys visited at points of interest in New Mexico Monday and Tuesday.

Mrs. Mable Alexander spent last Tuesday afternoon and night in the home of her nephew and family, Mr. and Mrs. Bob Inman, Keri Lynn and Robert D. in Clovis, N.M.

**Parkview Baptist WMU Plans Activities At Meeting Monday**

The year's activities of the Parkview Baptist Women's Missionary Society were planned Monday night at a meeting held in the Parkview Baptist Church. Mrs. Ralph Tillery, president, called the meeting to order.

The opening prayer was led by Mrs. Donnie Howell. Mrs. Bill Penland gave the devotional reading. The call to prayer was given by Mrs. John Tubbs, who also led in prayer for missionaries.

Goals were set for the year's offerings for the three weeks of prayer. Aims for the year were also decided upon.

Mrs. O.B. Scott led the closing prayer.

Attending were Mmes. Tillery, Howell, Penland, Tubbs, Scott, Ken Bridwell, Virgil Vaughn, Cliff Brown, Leo Burton, Russell Durham, P.H.

Howell, W.W. Fry, C.J. Lewis, George Tollett, Ray Austin and N.C. Horn.

WMU officers will be installed Monday night in a ceremony at the church by Mrs. W.C. Nowlin.

**CITY BITS**

Mrs. J.E. Ransburg, Honolulu, Hawaii is visiting this week with her sister and brother-in-law, Mr. and Mrs. Allen Hodges. Mrs. Ransburg arrived on the mainland August 11 and attended a national meeting of Delta Kappa Gamma in Denver, Colo. Since that time she has been visiting in Missouri, New York and Florida.

Mr. and Mrs. Jack Hutton attended a singing Sunday in Turkey.

**Area Church News**

**AMHERST BAPTIST:**

A group from the Baptist Church conducted Sunday School at the Amherst Manor Rest Home, Sunday morning. Rev. Raymond Quick directed the lesson in time to return to the church for regular services.

Larry Branscum, music and educational director of the First Baptist Church is leading the song services at the Baptist revival in Anton this week. Rev. Wayne Bristow of Lubbock is the evangelist. Services are at 10 a.m. and 7:30 p.m.

**LITTLEFIELD MISSIONARY BAPTIST:**

Rev. J.B. Cagle, pastor of Missionary Baptist Church, is conducting a revival this week at Calvary Baptist Church, Belton. During his absence, Rev. Frank Jones, Lubbock, filled the pulpit during the morning and evening service and also taught the Adult Sunday School Class and Young People's Training Union. His wife and son were here for the evening service.

In the Sunday School attendance contest with the Central Baptist Church, Gainesville, the local church has won the last two Sundays.

**EMMANUEL LUTHERAN:**

Members attending the Circuit 2 meeting at Lubbock Sunday night at Redeemer Lutheran were V.J. Hobratsch, Hubert Gohlke, Calvin Synatsch, Eldon Gohlke, E.J. Brandt and Rev. William Remmert.

A Walther League meeting was held Sunday night in the parish hall with the following attending: Franci Anna Mauk, Eleanor Wuthrich, Mary Hobratsch, Ralph Hobratsch, Donald and Karen Birkelbach, Bobby Mach, and David Bartley. Meeting with them and helping them plan coming events were Mrs. Ruben Birkelbach and Mrs. Gene Bartley.

**OLTON SPANISH MISSION:**

Rev. Glen Godsey, pastor of Spanish Mission in Plainview, conducted a revival at Mission Bautista La Trinidad in Olton the past week. He is a former pastor of Trinidad Baptist Mission here.

Local pastor of Mission Bautista La Trinidad is the Rev. Santiago Sanchez.

**LITTLEFIELD ST. MARTIN LUTHERAN**

Sunday will be the annual Pastor Exchange of the Southern District of the American Lutheran Church. Pastor Engel will be holding service in Portales, N.M. Guest pastor at St. Martin Lutheran will be Pastor Lawrence Juull, from Trinity Lutheran Church, Clovis, N.M.
