\$16,000 CREAMERY FOR LITTLEFIELD SOON IS PLANNED

LONG DISTANCE 'PHONE SERVICE TO BE INCREASED

WORK IS UNDERWAY ON NEW LINES FROM LUBBOCK TO CLOVIS

ALL GIVE THIS CITY MORE RAPID SERVICE

Work is underway in increasing the long distance facilities between Littlefield and Lubbock and between Littlefield and Clovis, according to an announcement today by J. G. Singer, district manager of the State Telephone Co.

This work was started late last week, and will require three months to complete.

The cities which will be directly benefited are:

Lubbock, Shallowater, Anton, Littlefield, Amherst, Sudan, Muleshoe, Clovis.

The new lines will result in an outstanding speeding up of long distance communication.

A. V. Hill is the foreman in charge of the work.

Toll line facilities are to be doubled between Littlefield and Lubbock and extensive increases are to be made between Littlefield and Clovis.

When the work has been completed there will be six toll lines between Littlefield and Lubbock as against three at the present time. What increases in the service are to be made between Littlefield and Clovis has not been determined.

LITTLEFIELD AREA GETS MANY NEW GINS THIS YEAR

AMPER COTTON CROP FOR THIS AREA ASSURED

That the Littlefield country is making rapid gains in the cotton industry is attested by the number of gins being erected in this section.

Amper cotton crop, this season is fully assured, due to little rain in this section since the cotton has been putting on fruit. The staple is looking favorable and farmers expect an abundant yield.

Littlefield already has four gins of modern type, and a cooperative gin company has been organized by the members of Hart's camp community, six miles northeast of Littlefield, with W. O. Gray, formerly of Littlefield, as president. Gullet machinery is being installed, and a gin adequate to meet the needs of that community is being realized. W. C. Squires, also formerly of Littlefield, recently established a general mercantile store at that location, which is near the Hart's camp school building.

Another gin is being erected near the new Spade school building, located six miles east, one-half mile north, and six miles east of Littlefield. This gin is being built by the Dean brothers of Lubbock. Other new buildings are being anticipated for that location by the citizens.

The new gin recently built at Fieldton, to replace that of the one which burned there last fall, is still another, while cotton gin equipment, to be installed in the building now being erected in the Oklahoma Flat community, 11 miles southwest of Littlefield, being moved to that location near Duncan, Oklahoma.

AUTOMOBILE SALES

The Bell-Gillette Chevrolet Co., announce the following recent car sales: A. C. Spurling of Bula, a truck; J. T. Strickland Bula, a truck; Roy Bennett, coach, H. G. Eagle and W. E. Jordan, Fieldton, a truck each, and N. Nichols, Bula, a coach.

ROTARY CLUB TO LAUNCH DRIVE IN BEHALF OF SCOUTS

SERVICE CLUB NAMES GROUP TO CARRY OUT PROJECT

A committee was appointed at the regular weekly luncheon of the Rotary club, held Thursday of last week at the Methodist church, to formulate plans for a membership campaign to be made in behalf of the local Boy Scout work. This action was taken following a talk made by D. T. Jennings, Boy Scout executive of the Plains area council, relative to the Scout movement in Littlefield.

T. S. Sales, president, presided at the meeting, which was attended by 24 members and several visitors.

The program consisted of several songs led by H. S. Brown, with Miss Ruth Courtney at the piano. Two readings were rendered by little Miss Maurine Izou.

Visitors in attendance were: G. M. Shaw, W. Pierson and D. T. Jennings of Lubbock; Rotarians Frank L. Adams and John H. Doyle of Levelland, and J. T. Elms.

Morris Morgan Is New Head of Boy Scout Troop No. 25

Morris Morgan has been appointed Scout master of Boy Scout troop No. 25, to succeed H. B. Teal, who has gone to Hobbs, N. M., to manage a miniature golf course. The troop will meet in regular session Friday evening in the Baptist church basement.

LET'S BUILD A BATHING POOL!

WHY SHOULD LITTLEFIELD RESIDENTS FIND IT NECESSARY TO DRIVE TO LUBBOCK, OR SOME OTHER PLACE, FOR A COOL DIP WHEN THE MERCURY IS SOARING?

(An Editorial)

The first principle of city planning is to provide for the city of tomorrow; for the city as other generations will know it.

Littlefield has a big opportunity in City Lake. We probably think very little about it at this time, because our city is small; we still have the great open spaces. But remember the city of the years to come. The "great open spaces" will pass; at least, they will not be so accessible.

But we really need City Lake now. Littlefield has not a bathing pool. Those of us who like to swim are forced to seek out some place away from our city, probably Lubbock. But who wants to drive as far as Lubbock when the mercury is climbing. We also should remember that a bathing pool will attract great numbers to this city, particularly after the day's work has been accomplished. It is probably too late to build a swimming pool this year, but it is probably advisable to start planning now for the carrying out of the project next spring.

The beautifying of City Lake and the construction of a bathing pool are being sponsored by the Chamber of Commerce. In this development the chamber is counting on big support from the Lions and Rotary clubs, the American Legion, the P. T. A., the Woman's Study club, and other organizations.

City Lake is a large tract of land which was donated by Mrs. A. P. Duggan. There is only one way to show deep appreciation for Mrs. Duggan's gift, and that is by developing the property; making of it a great recreational center; a show place of which Littlefield can be very proud.

There is, no doubt, some merit in a suggestion that the bathing pool should be built first, and then develop the large tract at whatever time and in whatever manner it is deemed advisable.

LITTLEFIELD STORES ARE PREPARING TO OFFER BIG VALUES

AUCTION SALE TO BE FEATURE OF SALES DAYS

Preparations are underway for the first Trades Day of the fall season which will be held on Monday, September 1.

Trades Days in Littlefield have been an outstanding success in the past, and initial plans for such events this year indicate that Trades Day will be even more successful than in the past.

Trades Day will be observed the first Monday in each month. This activity, sponsored by the Chamber of Commerce, promises to receive the enthusiastic support of the merchants, who will offer extra special values on Trades Days.

One of the great advantages of Trades Day is the fact that it attracts people from long distances to Littlefield. They become familiar with Littlefield as an ideal place in which to shop and transact business in general.

Auction Sale

A big feature of Trades Days is the auction which is held, commencing at 11 a. m., and at which farmers may sell livestock, or any article they desire.

COTTON CO-OP MEET AT AMHERST FRIDAY

A meeting of community chairmen will be held at Amherst Friday to make arrangements for speaking

dates for the various communities, in connection with the sign-up campaign, which will be conducted in order to carry out the Texas Cotton Co-operative Association's program in this

community.

The Amherst meeting was announced Thursday by J. W. Hammock, field representative of the association.

CATS WIN TWO OUT OF THREE NEW MEXICO GAMES

Main Stem Isn't What It Once Was; All Hail the Cop

Littlefield can now boast of a motorcycle officer. He entered on his duties at 1 p. m. sharp Tuesday.

J. A. Mabrey is the new member of the city force, coming from Lubbock where he was a motorcycle officer on the Lubbock police force.

"Traffic rules are to be enforced," said W. G. Street, city clerk.

C. F. FALLS, OF RISING STAR, BUYS HOPPING BROS. INSURANCE AGENCY

C. F. Falls, formerly of Rising Star, Texas, who has had extensive experience in the insurance business, has purchased the Hopping Bros. Insurance Agency from J. W., Earl L. and Sidney C. Hopping, and has taken charge. The business in the future will be operated under the name "Union Insurance Agency of Littlefield."

Sidney C. Hopping will continue with the agency as general assistant

to Mr. Falls, and as office manager. The Union Insurance Agency will write all classes of insurance, as have the Hopping brothers, and will offer a high standard of service in all insurance matters.

Mr. Falls is a special representative of the Central Life Insurance Company of Illinois, and will continue to write business in that company, and to represent the companies which have been represented by the Hopping brothers.

WIN AND LOSE AT ROSWELL; RALLY AT ARTESIA EFFECTIVE

ROSWELL WILL PLAY TWO GAMES HERE THIS MONTH

A week ago last Sunday the Littlefield Cats packed their bat bags and drove to Roswell, N. M., for a two-game stand there and then on Tuesday took on the fast Artesia team for a third game.

The Sunday game at Roswell was an exhibition of hard hitting displayed by both teams, but Roswell getting their hits when hits meant scores, put them ahead in the final innings after the Cats were leading 5 to 4 for the first 5 innings. Ballard was the hitting star for Roswell, getting five hits in five trips to the plate. Mick Ratliff and Art Mueller lead in hitting for the Cats.

Willis Knight who hails from Roby, Texas, hurried for the locals, and Leonard Rose did mound duty for Roswell. The score was Roswell 9, Littlefield 5.

Monday's game found Newty Moore in the box for the Cats and opposed by Lefty Dyan, who pitched stellar baseball in recent Amarillo News-Globe Tournament. For the first five innings the game had all the earmarks of a real pitchers battle. The Cats were leading 1 to 0. In the fifth, the Roswell boys put two across to take the lead, but not for long.

In the first half of the sixth the Littlefield Nine batted around to

POULTRY INCLUDED IN CO-OP PROJECT; BANKERS ASSISTING

PLANT EXPECTED TO BE IN OPERATION BY OCTOBER 1

Necessary steps are to be taken immediately to bring about the establishing and operation of a \$16,000 creamery in Littlefield by October 1. A temporary creamery association has been created with J. C. Hilburn, president of the First National Bank here as head of the organization, and eight farmers as directors. The association will hold a meeting immediately.

Plans also provide for the creating of the necessary organization whereby poultry and poultry products may be marketed from the creamery.

The creamery and poultry project according to J. W. Hale, secretary-manager of the Chamber of Commerce, "will bring enough cream, poultry and poultry products to this city to give the creamery all of these products that it can handle, and will probably increase the volume of the present buyers in Littlefield of these products. It is planned to double the extent of the territory around Littlefield, from which cream, poultry and poultry products will be obtained; to double the number of cows on each farm, and also to increase the poultry industry.

Cheap Feed Available
"It takes two things to develop a cream and poultry district—cheap feed and high production from the cow and the hen.

"We have the cheapest feed of any place in the United States, and by some effort on our part we can make this territory the best dairying and poultry center of any place in the country."

Mr. Hale said that the plan is to have a sufficient number of farmers enter the creamery association to obtain the production from 1500 cows.

Two men will be put into the field immediately, it is expected, to sign up the necessary number of farmers to guarantee the 1500 cows.

Banks Aiding Project

The creamery will handle only the production from cows owned by farmers who are members of the association. Each farmer who joins the association will be required to pay \$10 for each cow as stock in the association. Littlefield banks and other banks of the country will loan reliable farmers the money necessary to make the initial payment of \$5 per cow, and the balance will be collected from the farmers by taking two cents per pound of butter fat from the member farmers' monthly cream checks.

**HEAD OFFICES OF
 ENOCHS LAND CO.
 ARE MOVED HERE**

The office of the I. C. Enochs real-estate and trust company, previously located at Lubbock, has been combined with the local office.

Due to the need of more adequate space since the offices have been combined, new quarters have been selected and office equipment was moved last Tuesday from the Palace theater building to the ground floor of the Snowden building on Phelps avenue.

The Littlefield office has been designated as the main Texas office for the company.

A selling campaign will begin in the near future, according to J. H. Lucas, local manager for the company.

 Oakland, Pontiac
 Visits Littlefield**

A. J. Rieder, district representative of the Oakland Motor Car Co., who was in Littlefield Saturday, declared that he was watching the growth and development of this city and district with a great deal of interest. Each time he visits this city he observes much new evidence of the progress Littlefield is making. He declared that Littlefield is fortunate in possessing so many progressive business concerns.

Mr. Rieder spent several hours at the offices and sales rooms of the Jones Bros. Motor Co., Oakland and Pontiac representatives.

Mr. Rieder is a resident of the South Plains, having established his headquarters in Lubbock.

Friendship Club Studies Canning of Fruits and Vegetables

The Friendship Home demonstration club met Friday, July 25, in the home of Mrs. L. R. Capp's. We had present with us that afternoon, (20 members, six visitors, one new member and Miss Ruby. Mrs. Ramsey of Cisco, mother of Mrs. E. W. Parmer, was among our visitors.

Our lesson was on the canning of fruits and vegetables. The following was canned by Miss Ruby for a demonstration: one quart each of beans, okra, beets, cucumbers, rhubarb; one pint each of squash carrots.

After the demonstration ice cream and cake were served by the hostess. A very interesting talk on the importance of these canned fruits and vegetables, spoilage and how to prevent most of it, and the importance of scalding and blanching in canning was then given by Miss Ruby.

We then adjourned each one thanking Mrs. Capp for the splendid hospitality shown us during the afternoon.

Our next meeting will be Friday, in the home of Mrs. E. Bussey. The lesson is frozen desserts. Everyone cordially invited.

ENTERTAINS EASTERN STAR STUDY CLUB

The Eastern Star Study Club met with Mrs. W. H. Gardner Friday afternoon at 3:30 o'clock, with Mrs. S. J. Farquhar, the president, presiding. Roll call was answered to by 16 members and three visitors with some item of interest to O. E. S. members. A work drill was led by Miss Hubbard and Mrs. Stokes led the work on Ritual.

Lovely refreshments were served to the following: Mesdames S. J. Farquhar, R. A. Davis, F. O. Boles, Pryor Hammons, T. L. Matthews, J. H. Hardberger, Smyth, W. T. Jones, Jr., J. W. Hopping, J. M. Stokes, G. G. Hazel, J. R. Coen, W. H. Wiseman, W. G. Street, B. L. Cogdill, Igou, Miss Lulu Hubbard, and the hostess, Mrs. Gardner.

Friday is regular meeting night. All O. E. S. members and visitors are asked to be present at eight o'clock for regular business.

HOBO PARTY IS MUCH ENJOYED

The B2 members enjoyed a Hobo party Monday evening at the Littlefield college grounds, where weinies and marshmallows were toasted, following which they went to the basement of the Presbyterian church where they spent the night and where breakfast was prepared in the church kitchen Tuesday morning.

Mesdames S. M. Wharton and Charlie Barber chaperoned the following: Misses, Ina Bell Wharton, Sue and Blanche Brannen, Rae Barber, Naomi Whittaker, Nora Bell Grizzle, Vera Jim Battles, Dorothy Varner and Helen Rumback.

John Peters left Friday on a business trip to DeLeon.

METHODIST MISSIONARY SOCIETY MEETS

The Missionary society of the Methodist church met Monday afternoon at the home of Mrs. J. W. Pace. After a short business session, the society enjoyed some readings given by Naomi Freeman and Betty Alice Thaxton. An enjoyable social hour was followed by refreshments, consisting of sandwiches, cakes and ice tea which were served to the following: Mesdames Eagan, Dent, Sherman, Lakay, J. L. Dow, Wainscott, W. H. Gardner, J. C. Houk, W. W. Gillette, Lambert, Zack Isbell, T. Wade Potter, D. G. Hobbs, Mapp, J. R. Wales, Van Clark, G. S. Glenn, A. G. Hemphill, E. B. Freeman, B. L. Cogdill, L. H. Whitaker, W. C. Thaxton, Fondren, and visitors: Mrs. W. B. Roberts, Misses Naomi Freeman and Addie Mae Hemphill.

After the business hour we had a very interesting lesson on canning and a remonstrance. Mrs. G. A. Bennefield took nice carrots for canning and Mrs. Charles Crawford took black eyed peas and Kentucky Wonder beans for canning. Miss Mashburn gave us useful points on how to keep our fruits and vegetables in good condition, and on drying for winter uses, and also gave us instructions on how to can for our exhibit at the fair.

MR. AND MRS. BLESSING ENTERTAIN AT PICNIC

Mr. and Mrs. Roy Blessing entertained a number of their friends Thursday evening of last week with a picnic at their home "three miles east of Littlefield.

A long table was arranged on the lawn where the food was spread. Various out door games were enjoyed.

Those present were: Messrs and Mesdames T. S. Sales, U. S. Dalmont, J. M. Blessing, Frank Smith, W. H. Rutledge, Charles Touchon, V. Payne and Arbie Joplin; Mesdames T. P. Wright and Neal A. Douglass; Misses Margie Gardner and Lila B. Haley, of Virginia Stagers and Erna Douglass McGregor, Jennie Rutledge of Anson, Messrs Shelby Dalmont, Dr. R. M. Walthall, Morris Morgan, Tilden Wright, Billy Touchon, James Allen, Jr., and Samuel Blessing.

JUNIOR ENDEAVOR TO MEET

The Junior Endeavor of the Presbyterian church will render the following program Sunday evening with Dorothy West as leader: Topic, "A Dave Among the Indians," Scripture, Mat. 1:11; prayer, song, stories by each junior, memory work, Indian games, sentence prayers and the benediction.

BLUE BONNET CLUB

(Recorded too late for last week) The Blue Bonnet club met at the home of Mrs. W. E. Logan last Wednesday afternoon. There were 16 members present and five visitors, Mesdames Joe King, Tom Matthews, C. S. Obley, W. E. Pugh, and M. N. Matthews, and two new members, Mrs. J. L. Sterr and J. W. Bonnet.

After the business hour we had a very interesting lesson on canning and a remonstrance. Mrs. G. A. Bennefield took nice carrots for canning and Mrs. Charles Crawford took black eyed peas and Kentucky Wonder beans for canning. Miss Mashburn gave us useful points on how to keep our fruits and vegetables in good condition, and on drying for winter uses, and also gave us instructions on how to can for our exhibit at the fair.

Our club representative, Mrs. W. E. Logan, left last Saturday for College station. We feel proud that we could send her and are sure she will have lots of things of interest to tell us at our next meeting which will be in the home of Mrs. H. F. Meyers, August 13. We will have lots of nice frozen desserts to eat that day. You members who are not attending regular, do not realize the interesting things you are not learning, not speaking of the fun and social side of it. Try and attend and take more interest, please. Visitors are always welcome, and new members are wanted if they are really interested, willing to work and want to learn.—Reporter.

Lose Fat Safely and Quickly

Kruschen Salts—(a perfect combination of the six mineral salts your body must have every day to function properly) purify your blood of harmful acids, and aid the kidneys and bowels to throw off waste material—the continual formation of which is probably the cause of your fat.

In this modern age of living, it's impossible to get these salts from the fancy foods you eat—but don't worry just as long as you have Kruschen Salts.

Take a half teaspoon every morning in a glass of hot water—little by little that ugly fat disappears, you'll feel better than ever before—years younger, more energetic. You'll soon possess that enviable beauty, clear skin, sparkling eyes, superb figure which only perfect health can impart.

An 85c bottle (lasts 4 weeks) at the Eagle Drug Store or any progressive druggist in America. Money back if Kruschen doesn't convince you that it is the safest, quickest, easiest way to lose fat.

Foremost Novelist

Miss Ruby M. Ayres, author of "Broken," acclaimed by critics as England's foremost woman novelist.

New Serial Story

We have been fortunate in obtaining the serial rights to the greatest love story ever written by the greatest living writer of love stories, Ruby M. Ayres.

Miss Ayres is regarded by literary critics as the most searching explorer of the human heart. Her characters are alive. She makes you feel their emotions, weep with them, grieve with them, rejoice with them.

The story of "Broken" is that of a man who sets out to avenge his young brother's suicide. The boy had been driven to death by a notorious woman who had spurned his love. His brother meets the woman and determines to make her fall in love with him, then throw her over as she had thrown over his brother.

He succeeds — then discovers that she is the wrong woman, though having the same name. It was her cousin who had entangled his brother. But—this is his tragedy—he finds that he is deeply, genuinely in love with the woman he has wronged.

But he already has a wife, and the girl will not, cannot believe that he is in earnest when he pleads for her forgiveness and declares his love for her.

Prompt Relief**

MR. JACK M. LONG

"For over two years I suffered from rheumatism," said Mr. Jack M. Long, 511 Burnett Street, Ft. Worth. "My legs and back were affected so much that I could not carry on my work as a baseball player. Finally I was forced to remain in my home for three months. I had attacks of indigestion and my kidneys gave me no end of trouble; the pains in my back were terrible. I was forced to rise many times nightly and became very nervous.

"I tried many remedies without result when a friend recommended Konjola. After taking seven bottles, I was able to resume my work in the K. L. C. League as a ball player. The rheumatic pains have completely vanished and my stomach is in perfect condition. My kidneys are again normal and I do not have to rise at night. The pains have left my back and my nerves are strong. Konjola restored me to perfect health."

Although many men and women state that one or two bottles brought relief, it is recommended that six or eight bottles be taken to obtain the best results.

Konjola is sold in Littlefield, Texas, at the Eagle Drug Store, and by all the best druggists in all towns throughout this entire section.

**Fire Saturday At
Home of Pastor of
Methodist Church**

The local fire department was called Saturday night to the Methodist parsonage, where a fire in the bathroom was extinguished. Rev. Freeman was visiting with a next door neighbor, while the remainder of the family had driven down town for a few minutes, when the fire started.

Mr. and Mrs. S. Replin and family returned Saturday from a two week's vacation trip to Denver, Colorado Springs, and other points of interest in Colorado. They report a splendid trip.

LIGHT DRAFT, steady running—better work, more easily done—you get these desirable features with the Case-Osborne Corn Binder. Faster work, too—both wheels are of equal diameter giving steadier running over rough ground. A tongue truck is not needed with this well balanced machine although one can be used if desired.

Main drive chain outside or to the left of bull wheel readily accessible. This reduces side

draft to a minimum. Binding mechanism has ample range and ties tight bundles. Simple, durable knottor thoroughly tested and adjusted at the factory. Wheels are suspension type. The Case-Osborne Binder is noted for its dependability, light draft, and sturdy construction. A cost-saver and profit maker.

The Littlefield Chamber of Commerce and the bankers of Lamb County are each giving a scholarship to the Short Course at College Station. These scholarships will go as rewards to the women who won in the County Living Room Contest: Mrs. J. E. Holland of the Fieldton Club, and Mrs. M. M. White of the Sod House Club.

We especially thank Mr. J. W. Hale, secretary of the Littlefield Chamber of Commerce, and Mr. Clyde Hilburn, president of the First National Bank of Littlefield, for their personal attention to this, also all others who made any contribution whatever.

I am sure that the women will bring back enough inspiration and information to well repay their clubs, communities and county for this trip.

The 4-H clubs will please remember their first meeting in August with their sponsors. At this time you will have a lesson in food preparation or the making of plain custard.

The women will study frozen desserts and have demonstrations of the following: Water Ice—Fruit juice sweetened, diluted with water and frozen; Sherbet—water ice to which is added a small quantity of dissolved gelatine or beaten whites of eggs; Frappe—water ice frozen to the consistency of mush; in freezing, equal parts of salt and ice being used to make it granular. Punch—water ice to which his added sprit or spices. Philadelphia Ice Cream—thin cream, sweetened, flavored and frozen. Plain ice cream—custard foundation, thin cream and flavoring. Mousse—heavy cream beaten until stiff, sweetened, flavored, placed in a mold, packed in salt and ice (use two parts ice and one part salt) and allow to stand three hours.

We have joined with Firestone to not only meet but BEAT Mail Order and other Special Brand tires on Price-Quality-Service

Come in and see the facts for yourself

YOU no longer need to send for tires by mail, nor do you have to buy tires made by some unknown manufacturer. Firestone prices are now the lowest in tire history, but more important than that, Firestone quality has never been higher.

We've taken the mystery out of tire buying

Visit our store and we will show you the "inside facts" about tires. We have actually cut up new tires and have the cross sections for you to examine—you will easily see why Firestone quality is so outstanding.

Don't worry about punctures and blowouts

Punctures and blowouts are bothersome and most people fear them—but NOW, because of the patented Double Cord Breaker, Firestone has practically eliminated them. Come in and let us show you this feature that puts two extra plies of cord right under the tread where most road wear comes and where punctures and blowouts start.

Compare Prices and Specifications

Because Firestone Tires hold all world records on road and track for speed, safety and endurance, many people think they are high priced—but just check these low prices—then compare quality—you will be dollars and miles ahead.

WE ARE STILL RURAL

According to the United States
 Census, the majority of the people of
 the United States live in "urban"
 rather than "rural" communities.
 The Census of 1920 showed 51.4 per-
 cent of urban population as against
 48.6 percent rural. The Census of
 1930 will undoubtedly show a much
 larger proportion living in commu-
 nities of a size which the Federal gov-
 ernment calls urban.

The catch in this is in the definition
 of "urban" and "rural." The Gov-
 ernment's position is the arbitrary
 one that any community with more
 than 2,500 inhabitants is "urban" and
 anything less than that in size is
 "rural." We agree that the line has
 to be drawn somewhere, but we sub-
 mit that this is drawing it too far
 down the line.

Certainly there are thousands of
 communities of more than 2,500 popu-
 lation whose interests are still rural.
 Those inhabitants have not got the
 big city point of view on any of the
 important matters of manners, morals
 and outlook on life generally. We
 name cities of 50,000 and more
 whose interests are still almost en-
 tirely agricultural, or in lines which
 lead directly upon agriculture; and
 like that, no matter what its
 size, is definitely rural.

Rural communities are growing in
 size; that is clear from the incom-
 plete Census reports already publish-
 ed. Towns which had 2,500 popula-
 tion ten years ago are now for the
 most part nearer 5,000. But that
 does not make them any the less rural.

We are almost inclined to agree
 with the New York Times, which sug-
 gests that only cities of 100,000 or
 more should be classed as urban. If
 that classification were adopted, about
 36,500,000 of the people of the
 United States would be in the urban
 group, and the remaining 70 percent
 would still be rural folk. That would
 be drawing the line somewhat closer
 to the top than probably is justified
 but there is something in what the
 Times says about Los Angeles, with
 more than a million and a quarter
 population; it is astonishingly metro-
 politan in some respects but "on
 most of the issues on which the Amer-
 ican people vote, small town."

There is a difference between
 "small town" and "rural." Mere size
 of the community in which one lives
 does not necessarily affect one's point
 of view. It has been said that there
 are more "small-town-minded" peo-
 ple in New York than in any strictly
 agricultural community, and that is
 probably true. Certain it is that the
 dominant point of view of the people
 of America is opposed to the point of
 view which we think of in connection
 with the big cities. Probably the
 Times is right in saying that the "ef-
 fective" urban population of the na-
 tion is not more than a quarter of
 the total.

BOY SCOUT CAMPAIGN

The local Boy Scout committee is
 completing plans to conduct a finan-
 cial campaign to keep the work going
 in Littlefield for the next year. The
 exact date has not been set, but will
 probably be within the next week.

The men composing the local scout
 committee are: F. G. Sadler, chair-
 man; J. W. Hale, Clyde E. Willis, J.
 S. Hilliard, James H. Ware, R. T.
 Badger and Rev. J. F. Grizzle.

It will be recalled that the Rotary
 club, realizing that the Boy Scout
 movement is not only a worthwhile
 project, but is a vital force for good
 in our present-day civilization, spon-
 sored the movement in Littlefield. As
 a result of this interest and support
 and through close co-operation with
 scout headquarters at Lubbock, two
 fine troops have been developed:
 Troop No. 25 with H. B. Teal as
 scoutmaster, and Troop No. 26 with
 Joe Watson as scoutmaster.

Although the Rotary club became
 the parent institution for scouting in

Littlefield, it cannot justly be termed
 a strictly Rotary club activity, as
 membership in the scouts is not limit-
 ed to the sons of Rotarians. In fact,
 "Bob" McCaskill is the only Little-
 field Rotarian who has a boy in scout-
 ing. This, however, is not because
 Rotarians' sons are not interested, but
 because Rotarians' sons, if any, are
 either too young or too old to be
 scouts.

Scouting, then, is a community
 project and the responsibility for pro-
 viding the finances necessary to in-
 sure the continued progress of the
 movement in Littlefield rests on the
 shoulders of the citizens of the entire

community. Plans are now being
 laid to give all residents of Littlefield
 an opportunity to help by investing
 in "formation," eliminating the
 necessity for reformation.

H. J. R. No. 11 PROPOSING A CONSTITUTIONAL AMENDMENT TO BE VOTED ON NOVEMBER 4, 1930.

Be it resolved by the Legislature of
 the State of Texas:

Section 1. That Article VII of the
 Constitution of the State of Texas be
 amended by adding thereto Section
 16, which shall read as follows:

"Section 16. All land mentioned
 in Sections 11, 12 and 15 of Article
 VII of the Constitution of the State
 of Texas, now belonging to the Uni-
 versity of Texas shall be subject to
 taxation for county purposes to the
 same extent as lands privately own-
 ed; provided they shall be rendered
 for taxation upon values fixed by the
 State Tax Board; and providing that
 the State shall remit annually to each
 of the counties in which said lands
 are located an amount equal to the
 tax imposed upon said land for coun-
 ty purposes."

Sec. 2. The foregoing Constitu-
 tional amendment shall be submitted
 to the qualified electors of the State
 at the next general election to be
 held throughout the State on the first
 Tuesday after the first Monday in
 November, 1930.

C. F. FALLS PURCHASES HOPPING INSURANCE AGENCY

We, J. W. Hopping, Earl L. Hopping and Sidney C.
 Hopping, formerly operating as the Hopping Bros. Insur-
 ance Agency, take this opportunity of thanking the people
 of Littlefield and community for the past favors that have
 been given us in connection with the insurance business
 that was written, and the co-operation that we have re-
 ceived from our customers. We are this week turning
 our agency over to the Union Insurance Agency of Little-
 field, Texas, under the management of Mr. C. F. Falls,
 formerly of Rising Star, Texas, who will continue the
 business.

Mr. Falls comes to Littlefield highly recommended to
 us as an insurance man, both in life and general insur-
 ance. We are sure that your business relations with Mr.
 Falls will be both pleasant and profitable.

If there is any question as to the past business that
 we have written for you, it may be answered by calling
 at the office of the Union Insurance Agency as I, Sid
 Hopping, will continue with the new agency and will be
 in the office to give any assistance that may be needed
 in the new agency.

**BOILER ENROUTE
TO THIS CITY CAUSE
OF TRAIN WRECK**

**BOILER CONSIGNED TO
OKLAHOMA FLAT
GIN**

Mel D'low of Devol, Oklahoma, who visited a few hours Monday with W. J. Chesher, manager of the Palace theater, enroute to New Mexico to fish, arrived at the scene shortly after all but two coaches of the east bound Fort Worth and Denver passenger train No. 6 plunged into a ditch, eight

miles east of Vernon. Two persons were killed and 11 were injured.

A truck carrying a 10-ton boiler had struck an underpass on Highway No. 5, tearing the rails out of the line, and causing the engine, two baggage cars, two day coaches and two pullman coaches to leave the rails, scattering wreckage and passengers along the right of way for 150 yards.

The driver of the truck, H. H. Cummings of Duncan, Oklahoma, in the employ of the McFarland Truck Lines of Duncan, who was enroute to Littlefield with the boiler and other supplies for a gin which is being erected in the Oklahoma Flat community, 11 miles southwest of Littlefield, said that the train was approaching the bridge at a high speed at the time he hit the structure and before he could get out of his truck and wave the engineer to stop, the wreck had occurred.

Cummings made the following statement:

"I left Duncan at 5 p. m. Saturday, I was accompanied by my father, C. C. Cummings, and we had the boiler on the truck with the dome side straight up. I had never been over this road before. I had hauled boilers before, and we had always had the dome on the side, but recently we had been ordered by some highway officer to turn the dome up. I had driven the truck all the way. I did not see the sign on the road about low bridge, but I did see sign which said "Slow."

Boiler Knocked Off.
"This sign is on the curve turning into the underpass. I presume that I was going about 18 miles per hour. When I hit the bridge the boiler was knocked off. It was fastened on by a big chain at the front and a small chain at the rear. The impact caused both chains to break. The first thing I knew of a railroad track was when I discovered the 'slow' sign.

"I was within 15 or 20 yards of

the trestle when I saw it. I had been stopped about one minute when the train came along. Just as soon as I saw the bridge I realized that the truck would not clear, then applied my brakes. After I hit the bridge I saw another truck and car coming and began to wave them down. Then I saw the train coming. I was certain that the wreck had torn the truck up, but before I could do anything to stop the train it had plunged into the ditch."

F. P. Robinson, engineer of Wichita Falls, and an acquaintance of D'low, was killed instantly and his body was taken from the wreckage of the locomotive, which lay a mass of twisted steel. The fireman, A. B. Vance, of Amarillo, was fatally scalded.

Mrs. France Baker and son, James, of Lubbock, were among those in the wreck, but they escaped injury. Mrs. Baker is a sister-in-law of Mrs. A. H. McGavock, of Olton, who formerly resided in Littlefield.

**S. J. R. No. 19
PROPOSING A CONSTITUTIONAL
AMENDMENT TO BE VOTED ON
NOVEMBER 4, 1930.**

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 5 of Article 3 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

The Legislature shall meet every two years at such time as may be provided by law and at other times when convened by the Governor. When convened in regular Session, the first thirty days thereof shall be devoted to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty days of the regular session of the Legislature the various committees of each House shall hold hearings to consider all bills and resolutions and other matters then pending and such emergency matters as may be submitted by the Governor; provided further that during the following sixty days the Legislature shall act upon such bills and resolutions as may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided however, either House may otherwise determine its order of business by an affirmative vote of four-fifths of its membership.

Sec. 2. That Section 24 of Article 3 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

Members of the Legislature shall receive from the public Treasury a per diem of not exceeding \$10.00 per day for the first 120 days of each session and after that not exceeding \$5.00 per day for the remainder of the session.

In addition to the per diem the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed \$2.50 for every 25 miles, the distance to direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no member to be entitled to mileage for any extra session that may be called within one day after the adjournment of a regular or called session.

Sec. 3. The foregoing constitutional amendment shall be submitted to the electors of this state qualified to vote on constitutional amendments at an election to be held throughout the State on the first Tuesday after the first Monday in November, A. D. 1930.

**"Things I Ate
Hurt Me"**

"I HAD a severe case of indigestion," says Mrs. Beil Buckheiser, 7 River St., Piedmont, S. C. "So many things that I ate hurt me, I almost quit eating."

"I would burn in my chest. I had severe headache, and such a tight, smothering feeling. I would be obliged to eat a little, then it would hurt me."

"A friend said to me: 'Why don't you take Black-Draught?'"

"I was just too weak then to do my work. I began taking small doses after meals and in just a few weeks I could eat anything I wanted to, then take my small dose of Black-Draught and feel fine. I soon regained my health and strength."

Costs only 1 cent a dose.

OF LAMB COUNTY CITIES - COMMUNITIES

FIRST TO OPEN ANNUAL PICNIC WITH BALL GAME AND DANCE

AS SET FOR Y, SATURDAY; MIDWAY SHOWS COUNTY AND STATE CANDIDATES INVITED TO MAKE TALKS

Amherst's seventh annual birthday party will open in that city today and continue through Saturday. Reports received from many sections of the county indicate that several thousands will gather in the Lamb county city to participate in the event into which will be crowded three days of recreation, fun and frolic.

The three nights of open air pavilion dancing promises to draw large crowds each night. A six piece negro orchestra from Lubbock will furnish the music. Dancing will start tonight and will continue three nights.

A baseball tournament will start today and continue through Saturday, with a double header each day. The teams will compete for a \$100 purse. Teams entered are Amherst, Sudan, Earth and Muleshoe.

One of the big features will be the rodeo. There will be two performances, one Friday, the other Saturday. There will be calf roping, broncho riding, and all the other features that make up a first class rodeo.

The Greater London Shows will furnish the carnival attractions. Addresses by county candidates and by representatives in the state contests will be features of the Friday and Saturday programs.

The tallest electrically welded structure ever built and the first in the South is being built in Texas—18 story office structure at Dallas.

Texas has the largest helium gas plant in the world—at Amarillo.

INSTALLING MACHINERY

The Houston gin building is up and hands are installing the machinery preparatory to helping gin the cotton crop of Anton territory, which promises to be good.

This gin is the Munger gin, Continental system, with 570 stands and three cleaners. It also has the Lokey Bolley machine.

Building of New Amherst Gin Will Start About Aug. 15

The directors of the Farmers Co-operative Society No. 1, Amherst, were in Dallas last week purchasing machinery for the installation of a new gin here, work to begin about August 15.

"This machinery which will be of the latest type and modern in every respect, will be housed in an all-steel building and the plant when completed will be one of which the community may feel proud of," stated C. V. Harmon, gin manager.

This will give the Farmers Society of Amherst, two modern gins located in Amherst.

HARTS AND SPADES

(Too late for publication last week)

The many friends and neighbors of C. E. Strawn, celebrated his reelection as Commissioner of Precinct No. 3, with a chicken barbecue.

Meeting at the home of O. D. Yeager, 100 chickens were made ready and barbecued, many gallons of ice cream, lemonade, ice tea and coffee made to serve the large number of friends that came to show the esteem in which Mr. Strawn is held by his neighbors.

Mr. Young made a very appropriate talk to a crowd of between 400 and 500 people of the surrounding country.

Mr. Strawn spoke a few words of appreciation and thanks for the help and encouragement given him.

After partaking of the nicely browned chicken, etc., the crowd departed at a late hour, wishing Mr. Strawn another successful term as commissioner.

Mr. Barbarick of Spade, was overcome by the heat Tuesday afternoon

while at the Spade Filling Station and Grocery.

Work has begun on the Spade school and the basement is being excavated by our local men.

Miss Botsie Ratliff, of Littlefield, was among the many who attended the chicken barbecue at Mr. Yeager's Monday evening.

Together We Stand Divided We Fall

Littlefield Invites You to the First
TRADES DAY of the Fall Season

MONDAY, SEPTEMBER 1st
and all subsequent events of the kind

Trades Days serve the farmer and the merchant. The farmer, through the auction sales which are held, is given the opportunity to dispose of surplus livestock, implements, and other articles free of charge. The merchant is given the opportunity to become better acquainted with the farmers of the territory, and is able, through volume of sales, to offer prices on merchandise that under ordinary condi-

tions are impossible. Therefore, both the farmer and the merchant benefit.

Mr. Farmer, start now to prepare to offer livestock, or articles of any kind at the first auction. Col. J. W. Horn will cry the sale.

Prizes! Prizes! Prizes! Your merchant is cooperating in making valuable prizes possible for you. There also will be a number of special prizes.

What is Trades Day without a little recreation and fun? Plans are being made to make Trades Day one of the most interesting and enjoyable days of the month for you.

Remember! Littlefield is preparing a big day for Monday, September 1. We will be looking for you.

baseball boys from themselves badly Littlefield nine who slugging reputation, a total of 22 base hits and an equal number of nine innings. Ratliff, local catcher, pitched locals and for six innings. Ratliff, local catcher, pitched about baseball while his mates hit frequently to count runs. With this commanding lead these changes were made and coupled with a number of errors, the visitors sat across their runs in the later stages of the game. Seeing that they were no match for the Cats, the game for Monday was cancelled and the boys went back home thus cutting short their stay here and also their plans for two games at Roswell. The 17th and 18th of this month are held in reserve for two games to be played with Roswell here, providing the baseball fans are willing to support these two games. Roswell was one of the strongest teams encountered this year. In four games played with this club, each team has won two games. The difference in the two clubs is that Roswell has a salaried team and Littlefield has a club composed of all home men, with possibly one or two exceptions. It has been very discouraging to the players on the Littlefield team, as well as the fans, to have the kind of baseball games that have been on. Every effort has been put forth to get the strongest teams to Littlefield, but few have made the

cream, poultry and poultry products through the new creamery is being sponsored by the Chamber of Commerce.
Plan Receiving Stations
Creamery trucks will pick up the produce at the receiving stations, and the farmers will receive the same prices as that being paid at the plant in Littlefield.
Mr. Hale said that 1500 cows would produce 1200 pounds of butter fat, or 1500 pounds of manufactured butter daily. The creamery will manufacture butter, ice cream and Bulgarian buttermilk.
It is planned to establish a cooperative poultry marketing association, in order that marketing of poultry may be carried on in connection with the creamery.
The creamery building will be a one-story brick structure, 40x100 feet. A location has not been selected.

grade, or lived up to their reputations. The Littlefield team has lost, but three games this season out of 22 contests.
A wire was received from the Wallenstein-Raffman Girls baseball team of Wichita, Kansas, stating that they would like to play Littlefield about August 29 or 30. There is some possibility of having a game with this team. Such teams as the long whiskered boys, and the Fort Worth Cats have put on exhibitions here, why not have a star girls team to change the program? The Shreveport Sports have also asked for a game here about the middle of September.
Mrs. N. T. Dalton left Monday for Albany, where she will join a party for a trip to Oklahoma City.

New Restaurant Will Open Here In Near Future
N. V. Nicholson, formerly of Merkel near Abilene, will open a restaurant adjoining Evins cleaning and pressing establishment in about ten days.
Associated with Mr. Nicholson will be three sons, N. H., C. O., and Wayne. The Nicholsons are all experienced restaurant men. C. O. Nicholson is an expert on pastry, and is now working in one of the highest class cafes in the State. Mr. N. V. Nicholson also is an experienced cook. In fact all of the Nicholsons are experienced in any department of the restaurant business. The new cafe will have both counter and table service, and will have a capacity sufficient to accommodate 30 persons at a sitting.

NOTICE TO TAXPAYERS
The Board of Equalization of the City of Littlefield will meet in the new City Hall building, Tuesday, August 12, 1930, at 9:00 o'clock A. M. All persons having matters to take up with the Board of Equalization are urged to appear on this date as failure to appear will be taken as acceptance of the tax values set by the Board, and tax rolls will be prepared accordingly.

J. D. Douthitt of Flynn, accompanied by his son and daughter-in-law, Mr. and Mrs. Briston Douthitt arrived here last week to visit in the home of Mr. Douthitt's sister, Mrs. S. A. Burleson, who Friday, accompanied the party to Roswell, N. M., where they will visit in the home of Tom Douthitt, a brother whom Mr. J. D. Douthitt has not seen for about 50 years and whom Mrs. Burleson has not seen in 14 years. Mr. Douthitt is 76 years of age and the present trip is the first he has made to the Plains Country, with which he is very favorably impressed, especially with the Littlefield country.

CATS WIN GAMES IN NEW MEXICO
(Continued from page one)
score nine tallies, one of which was a long home run over the left field wall by Al Mueller. Dillon was sent to the showers and was relieved by Rose who worked the day before and finished the game. The hitting of Mick Ratliff, Al Mueller and Dick Ratliff featured in this game. Mueller getting a homer and two singles, D. Ratliff two triples, and Mickey Ratliff hit safely three out of five trips up. In the fourth inning a triple play was executed. With first and second bases occupied and nobody out, Massera lined to M. Ratliff who threw to Hanks to Art Mueller to Al Mueller retiring the side. The final score read Roswell 6, Littlefield 12.
On Tuesday the drive was made to Artesia and the fast club there, with the addition of two of Roswell's best men, started off in earnest to win by registering two in the first inning.
The battery for Artesia was Roberts and T. White; for Littlefield Knight and D. Ratliff. For the first three innings Slim Roberts looked like a world beater, but started to weaken in the fourth when Al Mueller hit one over the right field fence after the Artesia boys were leading with three runs. Another score came in the fifth when Cox hit safely, was sacrificed to second by Knight, went to third on an infield out and Mick Ratliff doubled to center.
In the sixth inning a rally broke loose that cost Artesia a ball game. The Cats pounded out base hits to all corners of the park to score seven times before the side was retired. Knight pitched masterful baseball for the Cats, limiting the Artesians to very few base hits. The Cats gave him perfect support and executed two double plays when they were most needed.
The Roswell team will play in Littlefield for another two-game series about August 17 and 18.

Edward Jones Weds Miss Bonnie Barber
The wedding of Miss Bonnie Barber and Edward Jones was solemnized Saturday at Clovis, N. M.
The bride is the daughter of Mr. and Mrs. Charlie Barber. She is a graduate of the 1929 class of the Littlefield High school. Her pleasing personality has won for her many friends.
The groom is one of Littlefield's promising young business men. He is the son of Mr. and Mrs. J. W. Jones, with whom he was associated in the cafe business for several months, having come to Littlefield from the Fieldton community.
Mr. and Mrs. Jones expect to make their future home in Littlefield.
The couple was accompanied to Clovis by Mr. and Mrs. E. C. Sellers.

Marvelous Progress of the LITTLEFIELD -- LEVELLAND SECTION of the South Plains

U. S. Census Figures

Population	1920	1930
Lamb County	1175	17,449
Littlefield	225	3,218
Hockley County	137	9,297
Levelland	none	1,661

The major portion of this great increase has taken place in the past six years, and the government figures tell the true story of development.

All That is Necessary
at this time for the homeseeker or investor to decide as to the true worth of this section, is to be on the ground, open his eyes, take the authentic records of development, yield of crops, as well as many other advantages, and use his judgment.

FROM THE 1928 CROP Lamb County ginned about 32,000 bales of cotton, and the town of Littlefield alone shipped over 1700 carloads of grain, not mentioning the large amount hauled out by truck of which no record was made.
FROM THE 1929 CROP Lamb County ginned over 51,000 bales of cotton, which was the second largest production of any county west of Fort Worth. In addition, large shipments of grain were made.
