LFD Recruiting Office Sends Nine Men to Air Force, Three to Army

Two enlistees were sent from the Littlefield Army-Air Force recruiting station Tuesday and four more Wednesday to Amarillo for examinations for entrance into the Air Force under the new six-men-per-week quota assigned the Littlefield office by the Air Force.

Three others, previous service men who do not come under the quota allotments, reenetered the Air Corps and were sent to Amarillo for examinations, following which they were to be sent to Reese Air Base at Lubbock.

The Army gained three men through the enlistment of two brothers, Hallis Earl Bates, sons of Mr. and Mrs. George R. Bates of Route 1, Littlefield, and a friend who enlisted with them, Billy J. Houston of Route 1, O'Donnell. The three were sent to Camp

Chaffee, Ark., for basic training.

The three former Air Force men who signed for a new enlistment term were Lester J. Pollard, son of Mr. and Mrs. Lester F. Pollard of Sudan; Bobby Dillard, son of Mr. and Mrs. Fred (Skeet) Dillard of Littlefield, and Henry R. Whitefield, son of Mr. and Mrs. Henry E. Whitefield, of Muleshoe.

The six Air Force enlistees who left Tuesday and Wednesday for Amarillo were Donald C. Minyard, son of Mr. and Mrs. James F. Minyard of Littlefield; Max Self of Muleshoe; Truitt J. Hartsel, son of Mr. and Mrs. James Hartsel of Floydada; Johnny Edwards, son of Mr. and Mrs. Joe Edwards of Littlefield and a member of the state championship football team of 1949; Max D. Easter, son

of 1949; Max D. Easter, son G. F. Cutshall for admission to the Route 2, Anton, and Dean Elmo, Air Force when their time comes son of Mr. and Mrs. E. A. Elmo under the quota allotments for the of Littlefield.

Littlefield office are three mem- Still on the waiting list of Sgt. bers of the championship football

team of the 1949 season 12 other young men of this area.

The three grid stars on the list are Charles R. Askew, of 442 West First street; Floyd L. Goff of 2717 Coigate avenue, Lubbock, and Donald R. Timmons of 506 East Seventh street.

Others awaiting call to the Air Force are John Mack Hodges Jr., of Olton, Stanley Hanna of Littlefield; Charles E. Lewis of Olton, Joe E. Sullivan of Amherst, Alvin R. Dalton of Muleshoe, Payton Stanaford and Lonnie Taylor Jr., of Littlefield, Bobby G. Lawson and Athol C. Light Jr., of Olton and three others from Littlefield; Kenneth W. Pharris, Freddie Dirickson and Melvin E. Edwards.

Sale of New Auto License Tags To Start in Lamb County Today

Starting today, Lamb county motor cars, to be in latest style, will be wearing new 1951 license tags.

Sale of the 1951 plates opened in four offices in the county today — at the office of County Tax Collector Clarence Davis at the courthouse, at the Crow Chevrolet Co., in Sudan, at the Earth Motor Co., in Earth and at the

Hall & Franks Insurance Co. in Olton.

The new tags are of the same color as the old, but the colors are reversed. The new tags are orange numbers on a black background.

Mr. Davis said an initial shipment of 7500 passenger car tags had been sent for early sales in the county. Tags must be on the cars by the end of March.

Baptists Plan Impressive Ceremony Here Sunday

First Pastor Begins Ninth Year as Littlefield Minister

A highly significant and impressive service at the church in Littlefield will not only be dedicated to the new Educational Building but also mark an anniversary of the Rev. Lee Hemphill's assumption of the pastorate.

has been constructed and paid for. Shows Gift Of Leadership There is always a guidance force behind any such remarkable advance, and while he himself will not admit the fact a great many people familiar with the progress of the Littlefield church in the last decade are quick to give the lion's share of credit to its pastor.

True, he has had the able assistance of a number of hard-working members and a congregation of vision and firm faith. But even with those a guiding spirit is needed to make the progress that has been accomplished by the First Baptist Church of Littlefield.

Before coming to this city Mr. Hemphill was pastor of the First Baptist Church at Dayton, Texas, for six and one-half years following his graduation from the South Educational Building

Man Sought Here On Check Charge

The sheriff's department this week was on the lookout for Alvin Beachum, alias G. W. White. The man is charged with signing the named of H. J. Greener to a \$68 check given to Mrs. M. B. Exum, manager of the Ameen store here.

County Attorney Curtis Wilkerson said an information in the case would be presented the district court grand jury when it meets Monday.

Interior View of Church — This photograph shows a portion of the spacious air-conditioned auditorium in the new Educational Building of the

Littlefield First Baptist Church. It will also serve as a dining room, with a seating capacity of 550 persons.

Three Speakers Will Take Part

Impressive services with three widely known guest speakers will mark the dedication Sunday of the imposing new \$175,000 Educational Building of the Littlefield First Baptist Church.

The dedicational sermon will be given Sunday morning by the Rev. A. A. Brian, vice-president of Howard Payne College and former pastor of the Littlefield Church. The speaker for the Sunday afternoon service will be Dr. J. Ralph Grant, pastor of the First Baptist Church of Lubbock. Sunday evening the message will be delivered by the Rev. Roy Shahan, another former pastor here who now is in Memphis.

The nationally famous Wayland Choir will offer special music at each of the two latter services and Bob Irby, vocal music director for the Littlefield high school,

will be the soloist at the morning dedicational service, which begins with the start of Sunday School at 9:45 o'clock.

After the morning dedication, a dinner will be served in the auditorium of the new building, in which 550 persons can be served. Families have been requested to kitchen where it will be served by the women of the congregation in charge.

The afternoon service will begin at 2:30 o'clock and the evening service will begin with the opening of the Training Union session at 6:30 o'clock.

Strength In Church Design— This photograph of the exterior of the First Baptist Church Educational Building suggests

in its architecture the firm and strong foundation upon which the church itself rests. The buff brick building, en-

tirely fireproof, contains 22,000 square feet of floorage and fills a long-felt need of the growing congregation.

Heart Fund Drive Opens in County

Annual Festival Set For Feb. 15 At High School

Outstanding students at Littlefield high school will be honored the night of Feb. 15 at the Annual festival in the school auditorium. Featured on the program for the

The American Legion will take the lead in Littlefield in the annual American Heart Association campaign.

The campaign, with no fixed quota, opens Thursday Feb. 1 and will continue through the balance of the month. Harry Crowley, post commander said Wednesday,

"All we ask is that everyone do all he or she can to help in this fight against America's most dangerous killer—heart disease," Mr. Crowley said.

The American Heart Association is composed of men and women, including many of the nation's leading doctors, who are interested in curbing the ravages of heart disease.

It began originally as a group of physicians nurses and layman interested in spreading the truth about heart disease and how to treat it. The association has been

About People You Know

Rev. F. M. Wiley of Spade took delivery of a new 1951 Cranbrook Plymouth automobile, four door, of a green color, from the Ideal Motors Monday.

J. O. Brooks of East of Littlefield, who has been a patient of the Payne-Shotwell Hospital for the past two weeks, is showing improvement.

Eva Mae Landis, infant daughter of Mr. and Mrs. J. W. Landis of Anton, who has been very ill with pneumonia, is now doing nicely, and was dismissed Saturday. She was a patient of the Payne-Shotwell Hospital for 15 days.

Mr. and Mrs. L. L. Hanks of Midland visited in the home of Mr. and Mrs. T. E. Dunlap last week end.

Houston Hoover was ill and absent from his duties at the Littlefield postoffice Wednesday of last week.

Mrs. H. M. Harold Hood of Tacoma, Wash. arrived Tuesday to visit her parents, Mr. and Mrs. J. H. Attaway, and his mother, Mrs. A. L. Hood. She plans to remain here about two months. Her husband who is in the Air Corps Reserve, expects to go into the service.

Mrs. Les Baker was admitted to the Littlefield Hospital Saturday, where she has been given shots for Rheumatism.

Miss Joyce Lou Gooch of Earth were week end guests in the home of Mr. and Mrs. Woodrow Shipley here.

Mr. and Mrs. Matt O. LeGree of San Angelo, enroute to Albuquerque, N.M., on business and a pleasure trip, spent Friday night in the home of Mr. and Mrs. John Blair and Mrs. Cleda Goodwin. They are cousins of Mr. Blair.

E. E. Terry of Littlefield underwent an operation for removal of his appendix at the Payne-Shotwell Hospital Thursday last.

A. C. Light Jr., son of Mr. and Mrs. Athol Light of Olton enlisted in the Army Air Force at Littlefield last week. He reported to Amarillo Sunday for his physical examination.

Minnie Lee Taylor, daughter of Mr. and Mrs. F. M. Taylor of Littlefield, suffering from Pneumonia, was admitted to the Payne-Shotwell Foundation Wednesday, January 24, for treatment. Though still a patient, she is doing nicely.

Dave Wright of Morton underwent major surgery at the Payne-Shotwell Foundation Monday of last week and is doing nicely.

Mr. and Mrs. George W. Hines of Abilene, Mr. and Mrs. W. O. Yeary and Mr. and Mrs. W. D. Chapman visited in Clovis, N. M. last Friday.

Mr. and Mrs. J. M. Farmer and daughter, Ann, left for Knox City, Texas, Wednesday morning to visit Mr. Farmer's parents, Mr. and Mrs. B. M. Farmer. They planned to return to Littlefield Sunday.

Mr. and Mrs. C. A. Miller and three children, Alberta, Margene and Charles returned Monday from Houston, where they had visited friends and Mr. Miller had attended to business the past week.

Mr. and Mrs. Lee Bennett returned Thursday from Hot Springs, N. M., where they had been for the past several weeks. They will remain here for a time.

Mr. and Mrs. Jim McGuire left Sunday for Dallas to attend market and buy merchandise for Esta Mae's Dept. Store.

Mr. and Mrs. Frank Allison and daughter, Jean and son, Donald have moved here from Levelland to make their home. Mrs. Allison is the former Miss Frances Seely, and the daughter of Mr. and Mrs. Ed Seely. Mr. Allison is carrying on farming operations.

Mr. and Mrs. Jim Crump are building a new home of six rooms and bath, of stone and frame construction, in the one hundred block on East 12th Street, which will be completed about March 15, when Mr. and Mrs. Crump will move to their new location. They are now living on West Second Street.

Mr. and Mrs. J. H. Ware of Kerrville arrived in Littlefield Sunday. Mr. Ware will remain here about ten days looking after business matters. Mrs. Ware left Wednesday for Hollis to visit a few days with her parents, Mr. and Mrs. A. J. Abernathy.

Bob Coen and George Forcher, students of Texas Tech College, and Iris Pace, student of University of Texas, were among those who spent the past weekend at home here between semesters. They returned to their studies Monday.

Miss Connie Hopping, student at Tech, spent from Saturday until Tuesday here with her mother, Mrs. Jim McGuire, and Mr. Mc Guire.

Mrs. J. E. Nichols was admitted to the Payne-Shotwell Foundation Saturday, January 20, suffering from a heart ailment.

Wanda Presley, daughter of Mr. and Mrs. L. A. Presley, of Rt. 1, Littlefield, who suffered serious injuries in a car accident some time ago, and is now a patient of the Payne-Shotwell Foundation, though improved some, is still in a serious condition.

Joe Pat Riley, daughter of Mr. and Mrs. Claude Riley of Muleshoe was admitted to the Payne-Shotwell Foundation Wednesday of last week for medical treatment.

Mrs. Nolan Parish of Sudan was admitted to the Littlefield Hospital Friday last for treatment for treatment for an eye ailment.

R. O. Edwards, who has been suffering from a heart ailment, and a patient of the Payne-Shotwell Hospital, is much improved.

Mrs. Howard Griff of Rt. 2, Anton, was dismissed Saturday from the Payne-Shotwell Foundation, after being a patient a couple of days for medical care.

C. G. Jackson of Hart, Texas, was admitted to the Payne-Shotwell Foundation January 22 for medical treatment.

Mrs. C. B. Kenney of Whitharal underwent major surgery at the Payne-Shotwell Foundation Thursday last, and is reported to be doing nicely.

W. E. Blackman, shop foreman of the Hall Motor Company, left Sunday for Dallas to attend a week's training course in Fordomatic, the new automatic transmission service.

Mrs. E. M. Lowe of Rt. 1, Morton, underwent an appendectomy at the Payne-Shotwell Hospital Friday. She is reported as doing nicely.

Mrs. Jim Blessing, who is suffering from Arthritis, has been a patient of the Littlefield Hospital for the past ten days. Her condition is much the same.

Mr. and Mrs. Jack Snyder of Lubbock were guests of Mr. and Mrs. John Blair, and Mrs. Cleda Goodwin Friday.

Mrs. E. S. Rowe, Jr., is a patient of the Littlefield Hospital taking treatment for Flu and complications. Her condition is improved.

H. E. Brown, son of Mr. and Mrs. Edwin Brown, has been sick since Friday last with a bad cold, and confined to his home.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Nicotin
Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Nicotin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Nicotin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Nicotin but also helpful amounts of important Calcium and Phosphorus

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Nicotin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Nicotin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

Private Gwyn Heard of Shepard Field Air Base was home for the week end. He was accompanied Floyd Heard of Seymour. Also Pvt. Leroy Wallace of Fort Sill, Okla., spent the week end with his relatives.

GETS VOTERS
SWIFT CURRENT, Sask. — (P) — The Civic Voters Association donated \$35 in prizes to school pupils making the closest estimate of the number of civic votes cast. A contestant had to prove his parents voted, and the result was nearly 1,000 more votes than usual.

Oil Play Moves Closer To Lamb

Oil play moved around to another side of Lamb county this week when Shell Oil company staked an Ellenburger wildcat two miles northeast of Bula in Bailey county. The well will be about one mile west of the Lamb county line.

W. E. Nichols and H. R. Nichols brothers who are partners in farming near Bula, are owners of the land on which the well will be drilled. The wildcat will be known as the No. 1 W. E. Nichols. It is located 467 feet from south and west line of labor 13, league 212. Crosby county school land survey in Bailey county.

Whitharral Man Wounded in Action

Cpl. Melto Charles Billings of Whitharral has been wounded a second time in Korean action, according to a message received by his parents, Mr. and Mrs. C. H. Billings of Whitharral.

Cpl. Billings was wounded the first time on Sept. 12 and was sent to Tokyo for hospitalization. He returned to action in Korea on Dec. 10 and was wounded again Jan. 1. He is now in a hospital in Tokyo.

He is a member of the Eighth Army.

Sudan Wagon Wheel Club To Sponsor Benefit Dance

The Wagon Wheel club decided at a meeting on Thursday, Jan. 18 to sponsor a square dance for the benefit of the Sudan polio drive. The dance will be held at the American Legion hall on Saturday February 3, and a string band will furnish the music.

Mrs. Radney Nichols, Mrs. Max Houk, and Mrs. F. M. Smith were appointed to serve on the March of Dimes Square Dance committee to make all further arrangements.

Officers of the Wagon Wheel club for the ensuing year were elected as follows: President, A. C. Daniel; vice-president, Cecil Grimes, of Amherst, and secretary, Max Houk.

NEW SEDITION LAW
KHATOU'M, Sudan. — (P) — The Sudan Legislative Assembly has amended the Sudan penal code section dealing with sedition. The new section reads: "Whoever arouses or attempts to arouse illegal opposition to the Sudan government, or feelings of hatred or contempt against that government or against the governments of Egypt or of Great Britain, shall be punished with imprisonment for a term extending to three years, or with a fine or both."

New Building Marks Milestone in History of Littlefield Church

Littlefield church members gathered for the dedication of the new building on Sunday, Feb. 7. The new building is a landmark in the history of the church, which has been in existence since 1840. The building is a two-story structure with a steeple and is located on the corner of Main and 1st streets. The building was designed by the architect, J. H. Smith, and was built at a cost of \$10,000. The building is a fine example of modern church architecture and is a credit to the church members who have made it possible.

Blue Wins This 'Hunt'

Joe Miller's new dog—about 10 weeks old, blue—has won the hunt in the county. The dog is a blue pointer and is a fine specimen of the breed. The dog was found by Joe Miller on his farm near Littlefield. The dog is a fine specimen of the breed and is a credit to Joe Miller who has bred the dog for many years.

hit 352 in 1945 when Holmes hit 352

over 28 homers he paced National League in slugging

mark, beating out such players as Whitey Kurowski

Cavarretta, Mel Ott and Lombardi. Right now Holmes

is fourth in most hits in the active National League.

Cavarretta leads with 1842 hits. Bob Elliott has 1768 and

daughter 1653. Holmes still has a lifetime .304

mark, fourth best in the league. He wishes he still had

hit to make it an even .300. Tommy says he felt

that final day, too dead on the fact that Spencer spun

SPORTS

Aggie 'Defensive' Back Proves Star In Carrying Fight to Enemy

KINGSVILLE, Tex. — (AP) — Alton Sanders is known as the "hardest running defensive back in the world" out at Texas A. and I. College.

In these days of specialists, when the star runner doesn't play a down on defense, Sanders is the kind of fellow you dream about.

They think he's the nearest approach to Little All-America since Stuart Clarkson made the team at center in 1940. They think he's really due next season. He's only a sophomore.

Sanders is a graduate of six-man football. Coach Dewey Mayhew of A. and I. started the 195-pounder at offensive fullback in the first game of 1950 against Trinity and Sanders fumbled the first two times he had the ball. Mayhew immediately switched him to line-

backer where he became known as the hardest tackling defensive player in the Texas Conference.

Sanders struck up an acquaintanceship with Brad Rowland, the fabulous Little All-America half-back of McMurry College when A. and I. upset the Indians 20-13. Sanders met Rowland at the line of scrimmage so often and so hard that Ken Scholz, who was having a big night for A. and I. outscored and outgained Brad.

Then came Sanders' fateful moment. A. and I. had a "breather" with Daniel Baker. Mayhew stuck Sanders in at offensive full-back in the second half and he ran wild. He carried the ball five times, gained 163 yards or 32.6 per carry and scored two touchdowns — from 84 and 34 yards out, respectively.

Three games later, Mayhew again used him on offense and this time—against Southwestern—he netted 197 yards on 27 carries. He got off touchdown runs of 54 and 18 yards and plunged two yards for a third tally.

Then came the final game against Austin College. At the half the score was tied 6-6 with Sanders playing defense. But when the third period opened, he went in at offensive fullback. He carried 13 times, gained 194 yards and scored two touchdowns.

So for the 1950 season the "hardest running fullback in the world" made seven touchdowns to lead the A. and I. scorers, carried the ball 52 times for 598 yards—an average of 11.5 per carry—and was keyman in the Javelinas defensive unit, one of the best in the country.

Three games later, Mayhew again used him on offense and this time—against Southwestern—he netted 197 yards on 27 carries. He got off touchdown runs of 54 and 18 yards and plunged two yards for a third tally.

Then came the final game against Austin College. At the half the score was tied 6-6 with Sanders playing defense. But when the third period opened, he went in at offensive fullback. He carried 13 times, gained 194 yards and scored two touchdowns.

Peculiar Backswing Gives Alice Power

PONTE VEDRA BEACH, Fla. — (AP) — Alice Bauer, older of the Midland, Tex., golfing sisters, has the most amazing little loop at the top of her backswing.

The clubhead makes an actual circle as she begins to bring it down—something like a baseball pitcher warming up. Her sister Marlene doesn't have it; nor do the other women pros.

That little loop just happened to be there, Alice explains. She can swing quite well without it.

"I could have the prettiest little swing you'd want to see," she says. She demonstrated and it certainly was smooth.

"But I weigh only 103 pounds and I get no power that way," Alice explains.

So the prettiest and trimmest girl on the women's golf tour continues to loop at the top of her backswing. And she continues to slap the ball more than 200 yards down the middle of the fairway.

TO HEAR ORCHESTRA

EDINBURGH, Scotland. — (AP) — The New York Philharmonic-Symphony Orchestra will appear in Europe for the first time in 20 years when it plays at the 1951 Edinburgh Festival. It will be led by Bruno Walter and Dimitri Mitropoulos—seven performances under each conductor.

E. Texas League Suspends Baseball Operations For '51

LONGVIEW. — (AP) — The East Texas baseball league has voted to suspend operations for the 1951 season.

It was the second baseball league to fold in Texas so far this year. The Rio Grande took the count recently when three of its members pulled out to join the Class B Gulf Coast.

The decision to suspend operations becomes effective at midnight, Feb. 28. But club owners were given permission to start selling players immediately.

Only two of the teams in the circuit—Henderson and Tyler—favored continuing operations this year. Marshall, represented by proxy, said it would field a team if the circuit continued to operate.

"We are disbanding the East Texas league," President Jimmy Dalrympe said. "We merely are suspending operations temporarily until conditions improve."

It is the opinion of Dalrympe and club owners at the meeting that present world conditions had taken the "minds and interests of fans off baseball."

Open division with a first-round KO of Ronnie Browning, 126, Tahoka, for the flyweight title; Loe 141, decided Dough Forbes, 147 Brownfield, for the welterweight crown; and Ackinson, 161, decided Raymond Gillstrap, 155, Big Spring, for the middleweight title.

Virgil Millsap and Hayes wrapped up the bantamweight and light heavyweight divisions Friday along with Johnny Cloud, 125, Brownfield, and 185-pound Dean Murphy of Brownfield. Cloud won the featherweight title, and Murphy was champion of the heavy weight division.

In other bouts Bob Briscoe, 117 Brownfield, decided Virgil Miller, 116, Woodrow; Carlton Tanner, 129, Three-Way lost to Don Doyle, 135, Roswell for the High school light-weight title; Frank Philley, 126, Big Spring, copped the feather-weight crown of the

NEW TYPE DIESEL TURIN. — (AP) — A new type of diesel-powered coach is now undergoing trials here. The new coaches are being built for Greece, Egypt, and Spain by the Fiat-Grandi-Motori works here. The cars are built with two 6-cylinder horizontal diesel engines. Spain has also ordered several, Fiat officials said.

IT WAS HARMLESS

CORNERBROOK, Nfld. — (AP) — A small snake found when a crate of bananas was unpacked caused much excitement here. It was sent to St. John's and thence to Toronto, where a museum expert has found it was a small type of boa constrictor, harmless except for its sharp teeth.

A technical name for color television is "trichomatic", meaning three-colored.

Bantists Plan

(Continued from Page 1)
Amarillo Experimental station — Roger Hamilton, assistant agronomist, Amarillo Experimental Station.
1-45 — Varieties of grain sorghum and cotton, and mechanical production of cotton — Dan James Jones, superintendent, Lubbock Experimental Station.
2-45 — Insect control on cotton, wheat and grain sorghum — Guy Carpenter, district entomologist, Lubbock.
3-15 — Summation — James Angler, president, Lamb County Farm Bureau.
The summation by Mr. Angler will close the program.

Baptist Pastor

(Continued from Page 1)
western Seminary in Fort Worth.
Pastor A Native Texan
A native of Texas, the Littlefield minister was born Nov. 2, 1907 at Coleman. In 1935 he married Miss Lunelle Nix of Lamesa, Texas. The couple are parents of two children, Rosa Lee, 14, and Hilton, 9.
The new Educational Building is only part of the vision Mr. Hemphill holds for the Littlefield congregation. Next on the list — when conditions church finances permit—is a new auditorium.
After that there doubtlessly will be something else. For the Littlefield pastor is not a man meager in ideas how the church can be built to better fill its place in the community.

Annual Festival

(Continued from Page 1)
night will be two one-act plays by the Littlefield Playhouse and high school Dramatics Club.
The joint objectives of the festival is to give honor awards for the outstanding students, both boys and girls, in all phases of school work—athletics, academics, music, agriculture, etc.—and to help defray expenses of publication of the school Annual.
The festival is scheduled to start at 7:30 p. m.
A complete program for the night and a list of the students to be honored were to be compiled later.

Pleasant Valley Contributes \$71 To March Of Dimes

Pleasant Valley Community raised the commendable amount of \$71.00 towards the March of Dimes Fund Friday night when a special program was staged there by a group of singers, who are well known over KYDW, Littlefield, and include Joan Clayton, Dewey Westmoreland, Curtis Strange and Mr. Dunn.
The program was much enjoyed and contributions were generously given.

The Hawaiian Islands, discovered by Captain James Cook in 1778, were originally named the Sandwich Islands, after the Earl of Sandwich.

Heart Fund Drive

(Continued from Page 1)

come incorporated. Heart disease has been systematized. The diagnosis has been carefully analyzed so that complete studies may be done simultaneously in all part of the United States.

The causes of the disease are studied, and it has been shown that there are definite causes for each type of disease. This is one of the many functions of the organization. The American Heart Association is probably second to the American Medical Association in size as well as activity in the medical field, due to the fact that the membership is not alone that of doctors, but of all persons interested in advancing the knowledge of heart disease and in spreading the truth about its treatment. The Association is undoubtedly the largest in the United States.

Returning to the etiology (study of causes) of heart disease, it has been found that this area of the United States has a lower number of childhood types of infectious causing heart disease. That is not as well known in this region. However in the intensely populated areas, as the large cities and in the slum areas the American Heart Association has established Clinics where multitudes of these patients receive treatment free and longevity attained which in years gone by would not have been possible.

These Clinics in the large centers are run by laymen, nurses and have eminent heart specialists in attendance. Many young doctors assist in them doing work gratis for the sake of gaining knowledge from the patients and from the contacts with the eminent physicians in charge. Most of the latest medical knowledge has been found in these clinics.

The diagnosis of congenital heart disease? These diseases the result of improper growth while the baby is carried in the mothers

womb) have been carefully made in these clinics. So that today most doctors now can make the diagnosis accurately in their offices. This is one of the greatest contributions to humanity that the American Heart Association has made.

The Heart Association has branches in all communities. Every medical society has representations. Lamb-Halley-Cochran and Hockley Medical Society is part of the South Plains Heart Association which consists of 22 counties in

the Panhandle with offices in Lubbock. The monies contributed in this region is to be spent in this region. The American Legion has offered to assist in this work in Lamb County. All contributions or information may be handled through the American Legion Post.

Grand Jury

(Continued from Page 1)
Two murder cases are to come before the court in addition to those in which the grand jury

votes true bills. Both are set tentatively for February 12.

Defendants in the two cases are Domingo Aguilar, charged with first degree murder in the killing April 2, 1950, of Juan Mangies in Littlefield, and Roy Cleveland, Sudan Negro charged with killing another Negro in that city 11, 1949. The man killed was die Williams.
Other cases to come before court in the criminal division the February term depend largely extent on the action grand jury.

Long-term Investment that pays daily dividends

THESE are days when thoughtful people turn their minds to the durability of things they purchase—and that makes good sense at any time.

But you may have noticed that it's a rare occasion when doing your duty turns out to be the best way to satisfy your heart's desire.

That's what's so marvelous about this '51 Buick.

If you picked a car just for the lift it gives you—your pride in its power and pace—or its generous comfort and room—you couldn't make a better choice.

But make note of this:

That gleaming new push-bar front-end, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

The springs of stout spiraled steel on all four wheels let your wheels dip and curtsey over uneven highways, while you ride level as a lance. But these springs also need no servicing, and breakage is virtually unknown.

Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection that comes only from years of experience with this basic design.

Dynaflo Drive gives every mile you drive effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, puts less strain on the whole driving mechanism, from engine to differential.

The real-steady gait of a Buick gives you a sense of relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you.

However you check it, you'll discover this: *The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy.*

Better make it a point to see your Buick dealer—soon.

Standard equipment, accessories and trim illustrated are subject to change without notice.

No other car provides all this:

- DYNAFLOW DRIVE • FIREBALL POWER
- 4-WHEEL COIL SPRING • DUAL VENTILATION
- PUSH-BAR FRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

*Standard on ROADMASTER, optional on other Buick models. WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM.

Littlefield FFA Group Enjoys Trip To Fat Stock Show in Fort Worth

Thirty Littlefield high school FFA boys, accompanied by Miss Sue Carol Henry, chapter sweetheart; Miss Barbara Ferguson, plowgirl; Miss Eloise Clark, faculty member chaperone; chapter member parents Ernest Sell and Paul Carlisle, and W. W. Hall, vocational agriculture instructor, returned Sunday from Fort Worth, where they attended the Fat Stock Show Saturday.

Saturday was FFA day at the show. The group left Littlefield Thursday night in a chartered bus and arrived in Fort Worth about 6 o'clock Friday morning. Emile Macha, FFA reporter, writes of the visit there:

To see the sights. That night at seven o'clock they met at the Show grounds and went to the Rodeo after the Rodeo the girls were taken to the tourist court and the boys were taken to the gym. Everyone was tired, but happy and ready to go to bed.

The next morning which was Saturday, the group went through Swift Packing Company. They went to the air base to look at the huge B-36's. After leaving the air base they went to the zoo and then back to the show grounds.

The next morning they left for Littlefield. The boys that went were: Gene Renfro, Glen Bob Barnett, Cam Jordan, Wather Brantley, Billy Brantley, Jeff Brantley, J. F. Stewart, Ronald Pace, Jackie Trotter, Wayland Fields, Martin Click, Billy Click, Charles Parrack, Donnie Rogers, Melvin Mears, Waymon Messer, Robert Lunsford, Jack Yeasel, Emil Macha, James Clements, Jimmy Bitner, Curtis Carlisle, Don Lynskey, Roger Sell, Arlen Wesley Burley Favor, Johnny Cunningham, Elbert Dillen, Jimmy Pitman and Billy Bales.

Band Director Back From Trip

Don Hayes, Littlefield high school music director, returned Monday from Austin where he had been invited to take part in formulating recommendations for a standard of requirements and certification for music teachers in the state.

The recommendation will go to the Texas Educational Agency and then to the State Board of Education to be used in setting up a training program for the colleges.

County Attorney Warns "Hot Check" Passers

County Attorney Curtis R. Wilkins Wednesday he was the number of "hot checks" passed in Lamb County accepting 34 complaints during his first year.

He said that while he had to make a collection of the county attorney, nevertheless, he in-accept all complaints that who violated the check law, and to prosecute.

That there are many intentionally and fraudulently these checks when the time they give they do not have the makers never even want in the bank upon draw, he said.

Hot check artists that attorney is especially prosecuting. Wilkins that all checks are of the law as the have secured either merchandise or both at the check is given.

owes an account and amount off with a bounce. This is not a fileable present the Legislature if a person sold merchandise then the merchant opportunity to check the check. The check primarily to profit from fly-by-night racket out of hot

More Than 300 Expected at CofC Annual Dinner

Five LFD Band Members to Join All-State Group

The five members who will leave for Galveston next Tuesday to become part of the all-star aggregation at the state educational convention there are Joyce Tharp, Charlotte Doss, Yynema Johnson, Norma Kay Moss and Ronald Harlen.

Ten other members of the band will go to Galveston also to take part in the band clinic classes to be conducted in conjunction with the convention.

The ten are James Renfro, Larry Rice, Fredy Briggs, Nancy Morrow, Lehman Pace, Erna Jane Jones, Orlan Akin, Jack Minnix, Ronald Bates and Don Lynskey.

The band members will be accompanied by Don Hayes, high school band director; Mrs. Hayes, who will act as chaperone for the girls, and Mrs. Fred Briggs and Mrs. H. B. Tharp, band parents club members who will drive two of the four cars in which the group will make the trip.

The plans are for the group to spend Tuesday night in Waco and continue to Galveston Wednesday. The convention opens in the gulf city Thursday morning.

An attendance of more than 300 is expected at the annual banquet of the Littlefield Chamber of Commerce next Tuesday night, on the basis of advance reservations received Wednesday at the Chamber headquarters from both members and others not connected with the organization.

Non-members as well as members and their wives have been invited to attend the banquet, both from Littlefield and from other centers in this area, Manager Bob Crowell said Wednesday.

The dinner, starting at 7:30 o'clock at the Littlefield Country Club, will be served by members of the Altar Society of the Sacred Heart Church. Ticket distribution has been under the direction of Hardy Shelby.

Principal speaker for the banquet will be Leon Hill of Amarillo, noted minister, humorist and philosopher.

Mr. Hill claims the distinction of having been born so far back in the Carolina Hills that daylight had to be pumped into the place. The noted humorist also says that he swung out of the country by grapevine, there being no roads.

It seems, however, that the North Carolina bill billy who managed for a couple of college degrees did get around. He has traveled and spoke all over Canada, Mexico and the United States. He achieved an enviable reputation for his humorous addresses which somehow seem to be filled with the right kind of basically sound American philosophy.

He seeks to entertain, inspire, and jar his audience into reaction on the positive side. Leon Hill was an inspiring exponent of the American way of life and of business enterprise

long before it became the popular thing to do. He has felt that America should be rooted even deeper in the Horatio Alger, or rags to riches spirit. He sells the idea in unforgettable prose delivered in a neighborly rib-tickling way. His concept that "you can't build a golden age with men of lead" has been a springboard of action.

When he isn't speaking before some group he is either writing, preaching, or traveling. He is the author of two books for ministers, and is an outstanding evangelist. He spent 20 years as a traveling evangelist before settling down to a local pastorate. For a boy who never got away from home except the time the mules ran away with him he has traveled a far journey. His listeners will get an evening of clean top humor. Mixed with the laughs will be a lot of common sense inspiration.

Wildcats Meet Muleshoe Teams On Mules Court

Littlefield high school basketball teams will invade Muleshoe tomorrow night for a three-game program in the Mules gym.

In the first encounter the Wildcat B boys aggregation will be pitted against the Mules B five.

The second game will bring together the two girls' teams while the Wildcat varsity and the Mules quintet will wind up the series.

A group of cage followers from the Littlefield school planned to accompany the teams to the games.

New First Baptist Church Forms Model of Construction Efficiency

The new Educational Building of the First Baptist Church, which will be dedicated with appropriate ceremony Sunday, fills a long-felt need of the progressive and growing congregation.

Entirely fireproof, without a single stick of lumber in its construction, the attractive buff-brick exterior building contains 22,000 sq. feet of floorage and has facilities for the church offices, the pastor's study, headquarters rooms for the 10 Sunday School departments and an auditorium-dining room in which 550 persons can be seated.

Completely fireproof The building is constructed entirely of brick and tile walls plastered in the interior and painted in pastel colors of varying colors in the various rooms. It is completely air-conditioned and does not contain a single window that can be opened. All are of solid construction.

Steel joists are in place throughout and all floors are concrete with a covering of asphalt tile. In its finished form, it is one of the most modern and efficiently constructed church structures any place in the state and would be a credit to cities many times the size of Littlefield.

LFD Firms Aided The architect for the structure was Herbert Brasher, of Lubbock. Contractors were Carl E. Maxey, Lubbock; Liles Sheet & Metal Co., Slaton; City Electric, Littlefield, and G. & A. Plumbing, Littlefield.

Members of the church building committee were W. O. Hampton, chairman; E. B. Luce, Frank Lehman, Ray Hulse, Joe Hutchinson, G. G. Wilson and Roy Byers.

When the building was begun the church had in its building fund some \$75,000. From that time to the present the church raised sufficient funds that by the end of January the treasurers, Pryor Hammons and C. O. Stone, were able to report the entire indebtedness for the new Educational building had been cleared.

One Offering, \$25,000

This was a remarkable tribute to the work of finance committee headed by Pat Boone as chairman and Jack Christian as co-chairman. Other members are Mr. Hammons, Homer Sewell, D. L. Walker, Clyde Hilbun, C. O. Griffin, Jack Yarborough, Hamp McCary, Dan Heard and W. E. Heathman.

The largest single Sunday offering was the Thanksgiving offering of November 20, in which more than \$25,000 in cash was received.

O. I. Walker is chairman of the board of deacons for the church. Other members are Brantley Wel-

born, Roy Byers, W. E. Heathman, T. E. Hamilton, Pryor Hammons, Otto Jones, A. F. Jones, M. T. McKinnon, C. O. Robbins, W. O. Hampton, Herbert Dunn, Clabert LeBoeuf, W. B. Williams, Elmer Hall, E. S. Gee, Lon Smith, Henry Banks, E. J. Packwood, Frank Lehman, Carl Pillion, O. S. Sullivan, A. E. Mann, R. O. Edwards, M. A. Elms, J. D. Jordan, J. E. Kelly, Henry Montgomery, John Allen Dunn and H. C. Robertson.

Mrs. Peterson Chairman

For the Sunday "dinner on the ground" in the auditorium Mrs. Viggo Peterson is general chair-

man. Mrs. Jack Yarbrough is chairman of the committee on tables, Mrs. J. J. Renfro is chairman of the committee on food, Mrs. Jack Fore is chairman of the kitchen committee and Mrs. Gene Williams is chairman of the committee in charge of preparation of drinks.

The special program committee for the day has as its members Dr. Roy Johnson, O. L. Walker, W. O. Hampton, Mrs. Lindley, Mrs. Maude Street and Mrs. Peterson.

GETS WHITE GAVEL — House member Rayburn (D-Tex) (left) laughs heartily while House in Washington President Truman a gavel fashioned taken from part of House erected in 1817. The ceremony was in honor of Rayburn's breaking all time record for tenure of speaker's chair. Watching are Sen. Lyndon Johnson (D-Tex) and Miss Lucinda Rayburn of Bonham, Texas the speaker's sister. No Action Taken On Proposed Oil Ordinance

No action has been taken and none is in the immediate prospect on the proposed oil well spacing ordinance for Littlefield, City Secretary W. G. Street said Wednesday.

The members of the city council and other officials still are acting as sounding boards for public opinion on the proposal, Mr. Street said, and no meeting of the commission has been set to consider action.

The ordinance would limit drilling for oil or gas in the city proper to one well to each of III tracts of approximately 18 acres each.

Piano and Dance Team Scores Hit On Concert Series

Buoyed with pleasure over the performance of Teresita and Emilio Osta, subscribers to the Lamb County Concert Association were looking forward to the next of the series of winter concert presentations here.

The next artist to appear for recital in Littlefield will be Norman Farrow, highly acclaimed baritone singer. Mr. Farrow will appear in the high school auditorium Friday night, Feb. 23.

The two Osta, brother and sister Latin American piano and dance team, were warmly received by Lamb county concert goers last Friday night at the auditorium.

They presented a series of Spanish and Latin American piano and dance numbers.

Call to The Cross Sounded By Church

With the beginning of Lent set for February 7, next Wednesday, goes the call of the Cross for the people today to stop for a moment to reconsider the frightful cost that was paid for them. This call will be answered every Sunday night at the Emmanuel Lutheran Church, 417 West Third, beginning February 11th, 7:30 p. m. Watch and pray, is the general invitation.

DOWNTOWN CHILDRESS — Buildings stand on downtown street after flames swept causing an estimated \$1,000,000 damage. In addition to the First State Bank building, Prather-Williams Drug Store, Western Auto Store and Gem Theater (left to right), the fire also destroyed a news stand and fashion shop in the same block but around the corner. Firemen from eight Texas panhandle cities fought the stubborn pre-dawn blaze in five above zero weather. (AP) Photo

Great Increase Reported In Postal Receipts For January

The month of January showed a total of \$3,352.54 in postal receipts compared with \$4,318.92 for January last year. This increase of \$1,066.38 is a gain of 25 percent for the month.

The revenue stamps sales for the month of January, 1951, showed an increase of 45 percent gain over last year's sales for the month of January.

This increase, according to Postmaster Wm. D. T. Storey, is accounted for in the fact that people are stepping up in their purchasing power. No doubt the increase in revenue stamp sales is due to the fact that more people are coming into this county and making purchases of the good land values which Lamb county has an abundance of.

Mrs. Fred Newsom Hostess to Lum's Chapel Women

Members of Lum's Chapel Home Demonstration Club met at the farm home of Mr. and Mrs. Fred Newsom, near Lum's Chapel, Thursday afternoon at 2:30 o'clock.

Mrs. Xie Collins, Home Demonstration Agent, met with the group and gave a demonstration after which refreshments were served to the following members: Mesdames Paul Cadele, Floyd Brown, Hub Sprayberry, T. C. Wade, C. T. Taylor, J. E. Wade, Bruce Wren, Ray Hulst, Wayne Maner, Bruce Wren, Jr. and the hostess, Mrs. Newsom, and two visitors, Mrs. M. M. Williams and Mrs. Freddie Owens.

Editor to Speak At Rotary Club Meeting Today

Forrest Weismold, publisher of the Hookley County Herald, Levelland, will be the speaker at the regular meeting of the Littlefield Rotary Club at the First Methodist Church here today.

Dinner will be served by the women of the church for the club members and their guests in the church basement at 12 o'clock.

No subject was announced for Mr. Weismold, who was obtained for the program by Virgo Peterson, chairman for the meeting.

Cosch Jay Fikes is program chairman for the month.

Last week the club was entertained by the Littlefield high school chorus, directed by Bob Irby.

Men's Brotherhood Organized By Fieldton Church

W. O. Hampton, Ed Packwood and Joe Bitner went to Fieldton Monday night, and assisted in the organization of a Men's Brotherhood.

Supper was served to the group, and officers were elected.

Rev. Glenn Wilson is pastor of the Fieldton Baptist Church.

High yielding pastures are a cash crop and should be treated as such.

HELD IN SHOOTING OF DALLAS POLICEMEN

Arkansas police officers are shown with four men they captured at Hardy, Ark., after a brief gunfight. The men are being held in connection with the

shooting of two Dallas patrolmen who stopped their car after they ran a red light. Sheriff Guthrie Goodwin (left) identified the three in front as (left to right): R. C. Johnson, Marvin Johnson and J. W. Johnson,

and the man behind them as Bill Pomeroy. They said their home was Lamont, Calif. The man at the right rear is Hardy town marshal L. C. Clouse, who aided Sheriff Goodwin in capturing them.

Wildcat Five Rolls Up Early Lead To Beat Levelland Lobos, 58-45

Showing increasingly improved form as the season progresses, especially in the vicinity of the basket, the Littlefield Wildcats feasted on Lobo meat Tuesday night at the Littlefield gymnasium.

The Boys Varsity team has been coming along nicely in recent games as the coaching of Coach Forrest Martin is showing results in what at the first of the season was an entirely green outfit, with not a regular left from the previous year.

In the game against Levelland Tuesday night the Littlefield boys started hitting their stride early in the game and continued to pull away to a 58 to 45 victory at the final bell.

The Wildcats took an early lead and held it throughout the contest.

Only the Littlefield girls lost in the three-game series with the Lobos. The score in the girls game was 35 to 36.

The Boys B five struck the proper note in the opening encounter, turning back the Levelland B invaders by a score of 38 to 23.

Friday night the Littlefield teams will play Muleshoe in Muleshoe.

Littlefield Man's Mother Dies At 94 In Decatur, Ala.

Mrs. Nancy Oliver, 94 years old, a resident of Decatur, Ala., and the mother of E. G. Oliver of 211 East Ninth street, Littlefield, died Saturday at her home in the Alabama city.

Mr. and Mrs. Oliver left early Saturday afternoon for Decatur to attend the funeral Monday afternoon. They were accompanied by Mrs. J. H. Jones of Brownfield, a granddaughter of the deceased.

The deceased had lived in Morgan county, Alabama, all her life. She was predeceased by her husband in 1920. She joined the Baptist church at the age of 23, making her a member of the church 71 years.

She has two living children in addition to Mr. Oliver of Littlefield. They are Mrs. Era Chaney of Decatur and W. C. Oliver of Calera, Ala.

DOWN ENEMY PLANES—Lt. Jacob Kratt, Jr., F-54 Thunderjet fighter pilot in Korea has downed three Russian-made fighters in four days. Kratt's wife and two children live in Austin, Texas. His parents are in South Milwaukee, Wis.

Norther Carries Slight Moisture For Lamb County

Slowly rising temperatures were in prospect for the weekend in Lamb county and the Plains area after the season's most protracted cold spell.

The northern carried little moisture with it in this immediate vicinity, although a slight snowfall Tuesday night provided a thin white sheeting over the ground in the Littlefield district.

Snow continued to fall at intervals Wednesday, promising additional needed moisture.

The cold, which descended on

Achievement Tests Now Being Given In Two Schools

General Achievement tests now are being administered to the pupils in the Littlefield Primary and Central Junior High Schools.

These tests cover the general academic fields being taught in the schools at this time. Literature, Reading Comprehension, Social Studies, English, Arithmetic Comprehension and Arithmetic Computation, Health and Science are tested on a state level.

This work is not entirely new to Littlefield as similar tests have been given in the past. Supt. Joe Hutchinson said. Class profiles will be made as well as individual pupil profiles. These profiles when properly evaluated will enable teachers and pupils to strengthen any weaknesses that may be revealed.

Another purpose of the test is to establish I.P.D. schools with the state level. State norms have been established by the authors of the tests.

Should a weakness in any particular field seem to prevail in schools here, it will be reflected by the tests. It shall be the business of the teachers, principals and supervisors to adopt remedial measures.

The basic purpose for giving these tests is to improve instruction. However, some instances the tests are used to aid in the classification of students.

Suffers Serious Injury When Car Turns Over

Clifford Williams of 1 1/2 miles south of Sudan, who was admitted to the Payne-Shotwell Foundation Saturday, January 20, after a car accident, suffering from five broken ribs, fractured collar bone and spinal injury, is reported to be doing as well as can be expected.

Mr. Williams was driving about 6 a. m. east of Needmore on a farm to market road, when the car hit a soft shoulder on the road, and turned over.

He is suffering considerable pain from his injuries.

Scholarship Awards Slated At High School

As has been the custom the last two years, scholarships again will be awarded this year at the Littlefield high school to deserving seniors.

The announcement of the scholarship awards will be made at the Annual Festival in the school auditorium Feb. 15.

**'Productive Power' to Be Featured
Lubbock High School February 5**

Industrial electric power users in the Plains and Eastern New Mexico area will have an opportunity to see a dramatic presentation of improved industrial techniques at Lubbock on February 5 when "Productive Power", a new industrial show, is presented. "Productive Power", a presentation of the Westinghouse Electric Corporation, will be presented at Lubbock Senior High School auditorium at 7:30 p. m. on the evening of February 5. The show is presented under the sponsorship of the Southwestern Public Service Company. Its appearance in Lubbock is one of the 125 cities in which it will be seen, was made possible through the efforts of R. Price and Richard G. ... area officials of the Westinghouse organization, and J. M. ... division manager for the Southwestern Public Service Company and A. R. Watson, vice president in charge of industrial sales of the electric light and power company.

**Emmanuel Church
Movie Night Set**

"And Now I See" is the descriptive title of the main movie which is planned for Emmanuel Lutheran's movie night, Sunday, February 4, beginning at 7:30 p. m. in the church at 417 W. Third, three blocks west of Lymans. Emphasizing the simple but fundamental truth that man owns nothing, not even life and limb, this movie will present a story long to be remembered. It is Bible-centered with a plot that deals with ordinary people in ordinary life. "Rain on the Plains" especially appropriate at this time, is a short dealing with winds, erosion, and corrective measures. For a movie night without regrets, this is it. Emmanuel Lutheran's young people sponsor these evenings on the first Sunday of the month for the benefit of all who might be interested.

TO NATIONALIZE TRANSPORT
KARACHI, Pakistan.—(AP)—The central government has decided to nationalize road transport throughout the country. Provincial governments have suggested that income from such operations be spent on improvements and construction of roads.

The use of good sanitation and management practices by swine producers are effective means for preventing losses from swine enteritis.

A machine gun-like resistance welder demonstrates how to obtain up to 600 separate spot welds per minute. High frequency radio waves are used to cook glue for wood bonding in another demonstration. Production time is cut from eight hours to thirty-five seconds by using the so-called Dielectric heating.

Full color sound motion pictures illustrate the use of electric furnaces for brazing operations and radio frequency induction heating in production lines of actual plants.

COLD FIREMEN—Small icicles hang from the rim of his helmet and a coating of ice covers his coat as fireman E. L. Young has a cup of coffee during lull while fighting an early morning fire in a downtown apartment house in Dallas, Monday. Firemen fought the blaze in 20-degree cold during a sleet storm.

**Cold Brings Increased Demands On
Salvation Army; Food Gifts Needed**

Its cold, these days, going to and from your comfortable home to your place of business or work—but think of the poor unfortunate who hasn't a job or a home to go to these wintry days.

That's the problem now confronting the Salvation Army here, already operating on deficient revenue because of the reduction in its share of the Community Chest fund when only about half of the Chest goal was subscribed here.

The failure to meet the Chest requirements meant a \$2000 cut

in the Salvation Army funds, already pared to a minimum budget. As a result, the Salvation Army officials now are forced to appeal direct to the people of Littlefield and this area for donations of canned goods and other foodstuffs to aid the needy.

One case in point cited by Mrs. Robert Hall is that of a man with a broken arm who came to the Army headquarters seeking a place to stay and something to eat. "Because he is a man who drinks, he could find no one here to help him or let him stay in a

room until his arm healed. We cannot let such people freeze or starve.

"We have given him a place to sleep in the basement here and will care for him until he is able to work again.

"Transients, individuals and families traveling through without funds, appeal to us in greater numbers at this time of year than any other. Most of them are seeking work, but if there is no work for them here they must be help-

ed—and that is the Salvation Army's job.

"We try to feed or supply with food any of these ill and destitute transients who come to us. Then there are the local families which need emergency help—especially at this time.

"We have no money to give these people, and in many cases that would not be advisable, any way. But we do want to see that

they have something to eat.

"The people of Littlefield can help by bringing canned goods and other foodstuffs to the headquarters at Sixth and Harrell streets. In cases where it is not possible to bring the food to the headquarters, we will try to have it picked up if the donor will telephone the Salvation Army," Mrs. Hall said.

RECIPE OF THE WEEK

By Mary Lee Taylor

Frankfurter Dinner

1/2 cup catsup 1/2 cup Pet Milk
6 frankfurters 1/4 cup water
1 pkg. corn muffin mix

Turn on oven; set at moderate (375). Grease an 8-in. square pan. Spread catsup in bottom of pan. Split frankfurters, then cut to fit pan. Arrange cut side down on catsup. Put muffin mix into bowl. Add mixture of milk and water, all at once, mixing quickly but thoroughly. Pour over frankfurters. Bake on center rack of oven 35 min., or until brown. Turn out on serving plate. Makes 4 servings.

You Will Need:
Pet Milk, Catsup, Frankfurters, Corn Muffin Mix.

LEADING SCOUT Robert McClure, Jr., 23, of Texarkana, holds all 111 merit badges possible in Boy Scout work. He won the awards in ten years and eight months. McClure was cadet corps commander at Texas A & M., and a World War II

infantryman. He now is director of the Boys Club in Texarkana. McClure is believed to be the first scout in the United States to earn all the awards. Raymond Cobb 25, of West Palm Beach, Florida, also holds all 111 awards.

SHIPBOARD COSTUME — Maid of Cotton Jeannine Holland and of Houston models a shipboard ensemble on the Linder

America in New York. Miss Holland will tour the United States and Europe for six months to model cotton clothing.

COFFEE TIME — Mrs. Ben Ramsey, wife of the Lieutenant Governor, serves coffee to Senator Gus Strauss of Hallettsville as he and a group of senators drop in for coffee in the Lieutenant Governor's apartment in the capitol in Austin. There is always a coffee pot, reasonably full, on the stove Speaker of the House's apartment on the opposite side of the capitol. The coffee is free. Lawmakers and the press are

steadfast customers. Left to right are Sen. W. A. Shofner, Temple; Mrs. Ramsey; Senators Jimmy Philips, Angleton; John Bell, Cuero, Otis Lock, Lufkin and Strauss.

OUTSTANDING TEXANS The Texas Junior Chamber of Commerce gave gold key awards and certificates of merit to five outstanding young Texans in

Plainview. Secretary of State John Ben Shepperd (left) presented the awards. Left to right are Shepperd, Dalo W. Young of Spur, Robert D. McKinley

of Dallas, Charles H. Gibson of El Paso, Dr. William Shive of Austin and Walter A. Dealey of Dallas. More than 300 Jaycees attended the banquet.

Health Talks By State Medical Association

When you get nervous or tired from worry or overactivity you are frequently aware of the pitter-pat of your heart, the depth of your breathing, and the little occasional coughs you indulge in. As automatic actions of the body, those things are going on all the time whether you are conscious of them or not; in fact, you can work up a cough, change your breathing rhythm and detect your heartbeat anytime you might feel inclined to take over conscious control of these operations.

It's when that cough becomes a compulsion, the breathing demanding your attention, and the heartbeat thumping for recognition that you are inclined to consider them as possible signals of distress from your body.

A cough may be considered as a broad hint from the respiratory tract that it thinks it's got something it should get rid of; the respiratory tract can be wrong of course. But the cough means that air is being forced from the lungs, bronchial tubes and all the way up the tract to the mouth, in order to push along something that doesn't belong where it is. If anything is coughed up, it should be spit out; if nothing is produced by the cough, it is called a dry cough.

Dust, smoke, gas, fumes, foreign objects, infections or inflammation along these wet mucous linings of the respiratory tract may all lead to a cough. Growths along that lining may be responsible and parasites in the lungs will cause coughing. Bronchial asthma, an allergic condition, usually starts off as a tight and dry cough, later becoming loose and wet, bringing up lots of sputum with each cough.

Or a cough may be produced by "something" outside of the respiratory tract, such as the swelling or protruding of some vessel or organ adjoining the tract that might push into the apparatus with which you breathe and make it think it's got something to get rid of.

Bronchial asthma illustrates consciousness of breathing as well as the compulsion to cough. Dyspnea is the medical term for difficult or conscious breathing, the kind that means you go off your automatic control of inhaling and exhaling. After a strenuous session of pitching hay, you expect

NEW PRESIDENT — Dr. J. C. Matthews will become new president of North Texas State College in Denton on Sept. 1, 1951. He replaces Dr. W. J. McConnell who resigned. McConnell will remain at the school as President Emeritus. Dr. Matthews has been a member of the NTSC faculty for 26 years. He is a native of Gordonville, Texas.

to breathe heavier, and if the day is very hot, whether you pitch hay or not, you know that you breathe more consciously than in a comfortable environment.

But when the weather or the activity neither can be held accountable for difficult breathing, you are likely to seek medical advice for the cause. Any obstruction or blockage of the wet tubes or organs that make up the respiratory tract will make you conscious of your breathing; just to start at the top, when you nose gets stopped up you don't breathe the same as normal. Fever frequently makes you breathe differently and anemia may lead to body demands for more oxygen.

Emotions may play an important role in breathing, coughing, and consciousness of heart action. That consciousness of heart action, especially can become an emotional circle that spirals; for some reason you feel the throb of an excessively fast beating of your heart, you decide something must be wrong, you get more worried and pay closer attention to your heart, the anxiety and emotion increases the awareness of the throb, and goes on and on.

That conscious throbbing of the heart is known as palpitation and that rapid beating of the heart is known as tachycardia. There is an old saying that the worse palpitations generally stem from the least serious causes whereas a moderate palpitation may be of much more significance. A sudden step-up in the rate of the heartbeat, which makes you conscious of the rapidity, may mean nothing more than excitement or nervousness, but if persistent or frequent it may be wise or at least a relief to have medical attention to rule out the possibility of something wrong, not only with the heart, but someplace else in the body.

Aches and pains and chills and fevers are not conditions that you can normally arouse of your own volition; they are considered broader signals of distress perhaps, than coughs, breathlessness, or consciousness of heart beat because the latter group can be called up at the drop of a hat. It is when this latter group gets beyond your control that they fit into signals of distress, signifying medical attention is advisable. And whether they stem from physical or nervous disorders, they come under that heading that any persistent discomfort requires medical attention.

Sudan Defeats Canyon Cagers

Sudan's Hornets gained revenge for an early season licking by Canyon with a 37-28 victory over the defending state Class A champions in Sudan Friday.

The Hornets jumped into a 9-4 lead in the first quarter, held a slim 15-12 margin at the half and watched the Eagles tie the score at 23-all as the third quarter ended. A final stanza rally brought Sudan its victory.

But the Eagles had to play without the services of big Ray Burris, the veteran Canyon center, who was in Fort Worth with the Canyon on FFA group.

G. M. Maxfield led the Sudan quintet with 14 points, while Busted paced the losing team with 10.

In the B game, won by Canyon, 20-19, Wimberly and Carter each had five points for the Eagles, while Arls Hogue the same number for Sudan.

Before geologists developed their knowledge and theories of erosions, it was commonly thought that valleys were caused by fissures in the earth's crust produced during an upheaval.

Research Need Inspires Work In Dimes Drive

AUSTIN — (Special) — The 1951 March of Dimes ends in most Texas areas this week on a note of gratitude for Texas support and on expressed hope to conquer polio.

And as thousands of MOD workers pressed on to collect the last dimes and dollars, the Texas Polio Planning Committee began a survey of personnel and equipment to prepare for any recurrence of the recent record incidence.

Some communities, by permission of Ed. S. Stewart of Abilene, Texas MOD chairman, continued beyond the January 31 deadline to capitalize on late response to appeals for money for polio patient care and research.

Governor Allan Shivers' "Fight Polio Committee," headed by Lamar Fleming, Jr., of Houston, made its concluding appeal by citing that the speed of finding a polio cure will depend on public support of research.

The survey ordered by the Texas Polio Planning Committee will include nurses, physical therapists, medical social service workers and brace-makers.

Urgency of the advance preparations for any 1951 polio outbreak was emphasized by a statement that, while Texas will need 50,000 new graduate nurses this year, only 25,000 will be available.

A National Foundation for Infantile Paralysis spokesman has told state authorities that Texas "may expect another heavy polio year in 1951." He is W. T. Kingsbury of New York City, Regional NFIP Director.

Kingsbury cautioned that the state, through its NFIP Chapters, must be prepared with adequate medical personnel and must emphasize training of volunteers for home care so that convalescing polio patients may leave the crowded hospitals to make room for the new cases.

Chairman Stewart said the hopes to reach the state's \$2,500,000 MOD goal depends on the closing campaign results and on the alertness of Texans to send in their dimes and dollars even after the March of Dimes ends.

CARD OF THANKS

Words cannot express our appreciation and thanks to our friends and neighbors for their many acts of kindness and expressions of sympathy extended at the untimely death of our dear husband and father.

We specially thank those who prepared and brought food to the home on the day of the funeral, those who contributed to the beautiful floral offering, and the many friends who in their kindness and love endeavored to make our sorrow less hard to bear.

May God bless each and every one of you.

Mrs. Roy Thompson and family.

Church Sponsors Bible Reading

Reaching others with the good news of Jesus lies behind the present Bible Reading League of the Emmanuel Lutheran Walther League, in connection with the program as outlined by the International Walther League.

The general plan of the Bible Reading League, into which the local Walther Leaguers have already entered, is to provide young people with a program of reading in the New Testament in prescribed sections, together with Mission Friends around the world.

Upon enrollment, the one enrolled receives the New Testament in a set of separate pocket size booklets; a similar set is sent to some Mission Friends in a foreign country so that he or she may read it at the same time in his own language. Already the plan has met with general approval.

This is all a part of "Christian Youth Mission" which is planned to reach full effectiveness in 1953, the 60th anniversary of the International Walther League.

Prevent Losses From Swine

Losses from swine enteritis can be most effectively guarded against by using good sanitation and management practices, says E. M. Regenbrecht, swine husbandman for the Texas A. & M. Extension Service.

Regenbrecht recommends isolating newly-purchased swine from the home herd for at least three weeks—until they are known to be free of disease.

He advises keeping swine away from hog lots, contaminated pastures, stagnant pools and other sources of infection.

Swine that are suffering from internal or external parasites, or from vitamin deficiency, may be more severely affected by enteritis than healthier animals. Regenbrecht points out that it is best to supply adequate rations to avoid lowering the hogs' resistance to disease.

By earmarking their sows, farmers can identify and weed out the sow "carriers" of enteritis from their herds.

Regenbrecht advises farmers to watch their hogs closely for scouring, loss of weight, and failure to convert feed into gains. At the first sign of trouble, isolate the ailing hogs from the apparently healthy ones and get a veterinarian to diagnose the disease.

Enteritis symptoms are similar to those of those of other swine diseases. If swine suffering from enteritis are treated or vaccinated for other diseases, the result may be disastrous.

Articles made of nylon should be washed frequently. Any of the commonly used household soaps can be used. Handwashing is recommended for the delicate trimmings. Squeeze the suds through the fabric, rinse in warm water, squeeze out excess moisture and hang to dry.

New 1951 Car Tags Received

Bright new 1951 automobile plates have been received at the office of Clarence Davis, Lamb county tax collector, and are ready for sale today.

The new plates, black letters and numbers on an orange background reverses the color scheme of the 1950 tags.

The Lamb county tax collector has received plates for all other types of motor vehicles also—trucks, trailers, house trailers, trucks tractors, farm vehicles and motor cycles.

The passenger car plate numbers and numbers on an orange background —BC 4150 to BC 9999 and BD 10 to BD 1399.

Up to this week sales of 1950 tags for all types of motor vehicles had reached 19,359 in the county. The 1950 tags will continue to be sold until Feb. 1.
