ANNUAL MEETING OF NATIONAL FARM LOAN TO BE SEPTEMBER 6

Stockholders To Convene At High School Auditorium

President J. M. Blessing Urges Members To Attend

Saturday, September 6th has been set as the date for the annual meeting of members of the Littlefield National Farm Loan Association, President J. M. Blessing announced, following a meeting of the association directors in the farm loan office at Littlefield.

The annual get-together this year is expected to be a large and important conference of land owners of this territory, Mr. Blessing said. The meeting will be held at the High School Auditorium, starting at 2:00 p. m. Details will be announced later.

Committees in charge are planning to make this year's meeting one of the best in the history of the association which began making Federal Land Bank Loans in Lamb County in 1917, President Blessing said.

J. S. Hilliard, Secretary-Treasurer, is head of the program committee. The board of directors will serve as the attendance committee, including Mr. J. M. Blessing, W. A. Locke, F. W. Lichte, H. L. Woody, and R. L. May.

Littlefield Day October 11 At State Fair, Dallas

Lamb County To Have Exhibit; Many Local People Plan To Attend

October 11 has been designated as Littlefield Day at the State fair, Dallas, according to a communication received here from the fair committee of that city by Secretary of Commerce E. C. Cundiff. The communication further stated that every effort would be made to cooperate in making the day indicative of Littlefield's progress.

Plans are underway by the County Home Demonstration agent and the 4-H club girls to have an exhibit from Lamb County at the fair on that date.

Annual Audit Of School Records To Be Made In Sept.

Carl McAdams Is Transferred To Brownfield

Durwood Howell To Be Bookkeeper At Local Cottonoil Mill

Carl McAdams, who has been bookkeeper at the West Texas Cotton oil Company in Littlefield since the mill was established here in 1936, will go to Brownfield this week end, where he has been transferred and will hold a similar position at the West Texas Cotton Oil Co.

Mr. McAdams has been with the company since 1933, and came to Littlefield from Lockney.

He will assume his duties next Monday in Brownfield. O. L. Peterman is the manager of the oil mill there.

Durwood Howell, who has been employed in the office here, about a year, will take McAdams place as bookkeeper.

McAdams has many friends here who regret his leaving, and they extend best wishes for his success in Brownfield.

...Giving Littlefield one of the highest temperatures of an unusually mild summer, several phenomena were noted in weather readings this week at the West Texas Gas Company.

The mercury rose to 99 degrees Tuesday, from a low of 69. Other readings for the past week were: Thursday, low 63, high 80; Friday, low 62, high 87; Saturday, low 59, high 85; Sunday, low 64, high 92; Monday, low 66, high 97; and Wednesday, low 67, high 81.

Football Boys Enjoy Outing At White Ranch

Coaches Abe Murphy and C. L. Storrs, together with about twenty five candidates for the '41 Wildcat football team are spending this week on the George White ranch.

Hiking, swimming, and other forms of work-out are getting the men in shape for the regular opening of school and for the first game which will be here with Morton on September 12. The boys are commuting daily to the ranch in the old school bus.

Friday, fans of the town will be hosts to the squad at a watermelon feast on the George White ranch.

On Friday night the coaches and boys and a number of local fans will attend the all-star East-West football game at Plainview which will conclude the coaching school there.

Father Of Mrs. J. E. Allen Passes Away At Winters Sunday

A. A. Forehand, father of Mrs. J. E. Allen of Littlefield, died Sunday, August 24, at Winters where he had lived for a number of years.

Forehand, who was eighty years of age at the time of his death, was an early settler in that section. He was a prominent farmer and stock raiser before his retirement from active life after the death of his wife in 1926.

Funeral services for Mr. Forehand were held from the graveside in Campbell Cemetery, near Hylton, Monday afternoon, and were conducted by Elder Bailey Sliger.

Survivors of the deceased are his daughter, Mrs. J. E. Allen, Littlefield, three brothers, John Forehand of Carlsbad, N. M.; Brown Forehand of Sundown, and Frank Forehand of Lampasas and five grandchildren.

Football Squad Awarded New Suits

Twenty-two new football uniforms have been received by the Littlefield Wildcats and are on display this week in the windows in the down-town district.

The Cats will have the distinction of being the only high school squad in Texas to wear uniforms carrying out the two-tone scheme. Uniforms for the center, tackles, and guards are maroon trimmed in gray while the back and ends will wear silver gray trimmed in maroon.

Pictures of the players in their uniforms have been made, and individual pictures will be on display with the player's suit in store windows.

W. J. Franklin, Jr., Dies In Farm Tragedy Near Levelland

Walter Jerome Franklin, Jr., seven year old son of Mr. and Mrs. W. J. Franklin of Levelland, met a tragic death Monday morning when he was caught in a row binder which he and his younger sister were following while it was in operation on the O. D. Drake farm, four miles north-east of Levelland. The child was badly mangled and an arm and a leg were severed from the body. It is thought that the binder ran about 80 feet after the boy was trapped.

Mrs. Franklin, the child's mother, is the niece of O. K. Yantis, Sr. of this city. Walter Jr. has visited several times in Littlefield, having spent a week recently in the home of Mr. and Mrs. Alph Wright.

Deceased was taken to Beeville, the former home of the Franklin family, for burial. Mr. and Mrs. Alph Wright accompanied the child's parents to Beeville.

Two Teachers; Bus Drivers Elected Monday Night

Vacancy In Grade School Due To Resignation Of Miss Ferne Holland

At the regular meeting of the Littlefield School Board, Monday night, Miss Laura Mae Slaughter was elected to teach art in the grades and Mrs. Addie L. Spikes was elected to teach in the grades in the place vacated by Miss Ranell Chaney who was transferred to the English-speech position.

Miss Slaughter, whose home is in Amarillo, taught last year in the Springlake system, and Mrs. Spikes, who formerly lived in Lubbock, has done outstanding work in the Field-ton schools for the last five years.

Two places are still vacant, and are music in the intermediate grades due to the resignation of Miss Ferne Holland, and the other a place as teacher of language arts and social studies in the fifth grade.

Additional bus drivers to fill the vacancies were elected. T. L. Vorheis was elected to substitute for Forest Moore, who suffered an injury to his right arm several weeks ago. Moore will resume his job as driver when he has sufficiently recovered.

Other drivers named were Nolan Cain, Lawson Dowdy, H. S. Ross, Robert Wilson, and S. Oringdorff.

Regular Chamber Of Commerce Luncheon Tuesday, Sept. 9

Regular meeting of the Chamber of Commerce will be held at the Methodist Church at a noon luncheon on September 9 at which time the football coaches and captains will be special guests.

Secretary E. C. Cundiff urges that all members of the organization be present on that date, and that all who wish to visit are cordially invited to do so.

Curb On Installment Buying To Start Sept. 1

Strict Government regulations for installment buying, distributed Saturday to take effect Sept. 1, affect not only a wide range of luxuries but many items long considered in necessary class.

The new rules promulgated by the Federal Reserve Board apply to pleasure cars and 22 other items such as musical instruments, home repair loans and other credit facilities. The general idea is to conserve materials for defense and prevent inflation.

Beginning the first of the month merchants, generally speaking, may not lend money without a down payment. They can not give term credit without a down payment or

Farmers Urged To Redeem Pledges On '38, '39, '40 Cotton

Will Be Placed In Pools As Provided By Commodity Credit

Lamb County cotton producers with 1938, 1939, and 1940 loan cotton have until October 1, 1941, to repay loans and redeem cotton pledges, W. E. Bentley, chairman of the Lamb County AAA committee, has announced.

All cotton not redeemed by this time will be placed in pools as provided by the loan agreement and sold by the Commodity Credit Corporation after March 1, 1942.

Unredeemed cotton from each crop will be placed in separate pools with the producers title. When the cotton is sold in each pool, net proceeds will be distributed among the producers in proportion to their interests, Mr. Bentley said. The net proceeds, if any, would be distributed after deduction of all advances and accrued costs, including storage, insurance, and handling charges.

When unredeemed cotton is placed in the pool, the AAA officials said, no payments will be made to producers and it cannot be sold during the time it is in the pool.

Recent reports indicate that Texas cotton growers have 77,047 bales of cotton outstanding on the 19-38 crop and 360,135 bales on the 1940 crop.

Producers who are interested in selling their present equities should redeem their cotton before October 1 since it is possible it will not be sold until sometime after March 1, 1942, Mr. Bentley said.

Funeral Services For C. B. Medina Held Saturday Afternoon

Ciprano Bejil Medina (Mexican) passed away at the Littlefield Hospital on Thursday evening, August 21.

Medina, who has lived in Littlefield for thirteen years, was born in Las Vegas, New Mexico in September, 1870. He was prominent among his associates here and well known within the community, for his spirit of kindness and good will.

LABOR DAY PLEDGE

America is a living monument to the accomplishments of labor. It is the greatest country in the world today because millions of laboring men, working in a free country where ambition and industry are encouraged and rewarded, have made it so.

To honor the American working man, in 1894 Congress established Labor Day—a national holiday dedicated to the great American army of workers.

Since 1894, when this holiday was first proclaimed, labor made tremendous strides in earnings, in working hours, in working conditions and in strengthening its voice in national affairs.

This year the American working man is called upon to play his greatest role—to save the country which he has played such an important part in building. On his willingness to produce an "arsenal of Democracy" may depend the future freedom of himself and his family.

When we fly into a rage over a report of a strike in a defense industry, we do so because we all know

the salvation of America lies in the hands of labor—that we are helpless to defend ourselves without full cooperation from labor. If labor walks out, we are lost.

But the patriotic, loyal American working man isn't the kind who will walk out on this job. America and all it stands for means too much to him.

In isolated instances he may temporarily be led by the glib persuasion of a spokesman who puts selfish interests before national interests, but in the end it will be the American laborer himself who will put an end to unnecessary strikes.

He may not act as rapidly as some of us wish, but there is no doubt that he will rise up against any leader when he is convinced that that leader is willing to sacrifice America's safety for selfish interests.

Labor Day, 1941, seems a good time for the loyal American laborer to reaffirm his patriotism—to make clear to the nation that he opposes any interference with defense production and to pledge himself to deliver in record time the goods needed to defend our country.

New Agriculture Teacher Moves To Littlefield This Week

Mr. and Mrs. Raymond King moved to Littlefield this week from Quitaque, and Mr. King will take over his duties immediately as teacher of vocational agriculture in the local high school. He succeeds J. J. Jones who resigned last week to accept a position with the Farm Security in this district.

Mr. King, a graduate of Tech college, holds a B. S. Degree in agriculture with a major in animal husbandry. While in Tech he was a member of the Senior livestock judging team and of the national dairy judging team.

For the last three years he has taught vocational agriculture in the Quitaque Schools. Under his leadership there, fifty registered Jersey heifers were brought into Briscoe county, eighteen of which were owned by F.F.A. boys under King's direct supervision. He also carried a well-rounded program of growth of hogs, beef and dairy cattle, and field crops.

In an interview with Mr. King he stated that he hoped to maintain an active F. A. A. Chapter and carry on in that department in the same efficient manner of his predecessors.

OF LOCAL INTEREST

Ernest Hemphill, law student in State University, is a visitor in the home of his parents, Mr. and Mrs. A. G. Hemphill. He will return about September first.

Mr. and Mrs. J. B. Perkins of Amherst are the parents of a son born at the Littlefield Hospital on August 23.

A family reunion was enjoyed at the home of Mr. and Mrs. J. C. Houk Tuesday of last week when a number of out-of-town relatives were visiting here.

Among those who were visitors were Mr. and Mrs. E. Houk and sons, Kay, Vernon, and Eddie, Mr. and Mrs. Maurice Houk of Clovis, New Mexico, Mr. and Mrs. D. C. Houk and grandson, Gene Anderson of Pampa, and Mr. and Mrs. A. L. Houk a granddaughter, Patsy Houk of Jamestown, Indiana.

Continued interest and enthusiasm has been manifested in the new rotary type pump, which has been placed on the market by the McCormick Pump Co., Inc.

The company was organized several weeks ago, for the purpose of manufacturing and marketing a new rotary type pump for windmills and irrigation wells. A complete shop for the assembling of the pumps, and a general machine shop was established by the company last week, in the Heinen building on highway 7.

C. E. (Jack) Baucom, engineer for the McCormick Pump Company, left Tuesday night for Dallas and Fort Worth, for the pattern and castings for a small rotary type pump that can be used with a motor or on a rotary windmill. The pump will be assembled here after his return Saturday night. It can also be used as an automatic pressure gear pump, and can be placed in a five-inch casing, and has been estimated to pump approximately 50 gallons per minute.

At the new business establishment one of the larger pumps for irrigation wells is on display and in operation.

General machine shop and welding equipment have been installed, and two able welders will be available at all times, offering 24 hours service.

Parts for the pumps are being manufactured by reputable firms, and are being assembled here.

Approximately 4,500 Students Will Be Enrolled In County

With the opening of the Littlefield, Olton, Sudan, Amherst and Springlake schools, Monday, Sept. 1, the 1941-42 session of every school in the county will be underway, according to a statement by County Superintendent, F. O. Boles. Total enrollment for the county will likely be in the excess of 4,500 this semester.

Fieldton school, of which Clay Hale is Superintendent, began last Monday, August 25, with an approximate enrollment of 150.

Hart Camp school opened on August 18 with an enrollment of some 130 pupils, and Spade school began work on August 11, with more than 200 enrolling. It is expected that Spade's enrollment will pass the 300 mark before the fall semester ends.

R. L. Davidson is Superintendent at Spade.

Olton's enrollment will approximate 650, while Sudan will likely have about 675 enrolled this semester.

Amherst's registration will probably approach 500. High school students from the tenth, eleventh, and twelfth grades of the Fieldton district will commute daily to the Amherst school. It is likely that Springlake will have about 480 registrants and Littlefield anticipates an enrollment of above 1600.

New Building Under Construction For Ferguson Implement Co.

Construction of a new 30x90 building was started Monday on highway 7, between the Hood Tourist Courts and the Sparks Tourist Courts, and when completed will be the new home of the Ferguson Implement Company.

In the building will be included a 40-foot show room, a complete parts department, and new equipment in the repair shop. A solid glass streamlined front will add to the appearance of the building.

H. R. Ferguson, owner, who is dealer for the J. I. Case Implements, stated that he had purchased three lots on the highway, which would make ample space for used equipment.

He has been in Littlefield the past year and one half, and has been associated with the J. I. Case Implement Company for the past 12

Second Annual Maize Heading Contest At Anton Sept. 12 And 13

September 12 and 13 is the date set for the second National Maize Heading Contest, sponsored by the farmers and merchants club at Anton.

A \$200. cash prize will be awarded the first place winner and \$25. and \$15. will be given second and third place winners.

At least 150 entrants have registered, to date, to take a part in this contest which is the only one of its kind in the nation. Last year 50 contestants went into the finals which was won by E. A. Whitfield, farmer in the Anton community. Whitfield was an early entry this year and declares that he is ready to defend his title. The Farmers and Merchants club has provided camp grounds and a barbecue pit for visitors. Free entertainment consisting of music and a free picture show has already been arranged.

Ed Hart, president of the club, is general chairman of the arrangements. H. M. Coffman, T. L. Williams, and H. G. Richards are on the advertising committee. E. L. Roach is entertainment chairman, and K. W. Wells is finance chairman. A. L. Atkinson is secretary of the club which is composed of fifty members.

The contest will take place in the two maize fields adjacent to Anton's city limits.

The annual classic of Southwest football will be played in the State Fair of Texas' Cotton Bowl on Saturday, October 11, when the University of Texas clashes with the Oklahoma University team.

Cicero Smith Lumber Company has the contract for the building materials in the new building.

The Ferguson Implement Company is now located on Phelps avenue, next door to the West Texas Gas Company. Mr. Ferguson reported that he expected to be moved in the new building by the end of next week.

Palace Theatre To Present "Bad Men From Missouri"

The studio that produced "Virginia", "Dodge City" and "Santa Fe Trail", has now added a new exciting film to that impressive roster. More intense than any of the three pictures, Warner Bros., "Bad Men From Missouri," which has its first local showing at the Palace Theatre this week end keeps the audience thrilled throughout the entire show.

Dramatic excitement is the keynote of this film which tells the story of the terrible, yet benevolent, Younger brothers, who burned the trails of the west during the 18-70's. It is a bullet-splashed saga of America's frontier, and of the bad men who made Missouri great.

The bandit brothers are realistically portrayed by Dennis Morgan, Wayne Morris and Arthur Kennedy. Authentic in dress, speech and mannerisms, these men actually make the Younger brothers live again. They are a tough trio, staging hold-up after holdup, robbing train, bank and stagecoach with a careless abandon that made even the James brothers seem mild by comparison with the Youngers.

The supporting cast, made up of Victor Jory, Alan Baxter, Walter Catlett, Sam McDaniel and other screen favorites, all give fine portrayals and lend to the general western atmosphere of the lusty, colorful film.

Director Ray Enright did a masterful job in playing up the thrills, suspense and tender romance that highlight the story. The rapid-paced scenario was written by Charles Grayson from a story by Robert E. Kent.

SUDAN HORNETS START PRACTICE NEXT MONDAY; HAVE TOUGH SCHEDULE

Candidates for the 1941 Hornet football squad will be called out for their first drill Monday, Sept. 1, it was announced this week by Coach Phillip Harmon, who also released the fall schedule for the Hornets.

Outlook for this year's eleven is said to be definitely improved, despite the loss of last year's backfield and two regular linemen. A squad of six, fast youngsters are expected to produce substitutes for last fall's aces.

"Red" Jones, back, will not be back this season, having contracted an rheumatic ailment during the

past year. Through the graduation route went Horace Blanch, Buddy May, and Archie May, other backfieldmen.

Lettermen to return are U. B. Porter, Claude Patton, Kenneth White, Harold May, Carl Benton, John Humphries, and Jack Rowan.

Among the promising men are Calvin Baker, Pete Garvin, Lawrence Evans, Joe Ed Fowler, Johnnie Feagan, Douglas Boren, Eldon Pile, Choc Miller, Brodie Hutchinson, Clifford Brandon, Aubie Lee Humphries, Henry Williams, Billy J. Fulcher, Corley White, Billy Boyles, Guy Cage, Calvin Hamilton, Tommy Wright, Lloyd Dale Parrish, Loyd Lynch, Joe Boy Shuttlesworth, Alton Morgan, and Arthur Wilhenhunt.

The new squad will have a good record to beat. The 1940 eleven won seven out of ten games, losing the three by very small margins.

New equipment will be issued as needed through the season, it was announced.

One of the toughest schedules in several years faces the Hornets. Among the expected tough ones are those with Hereford, Lubbock Cowhands, and Olton.

Olton, one of the best teams on the South Plains last year, will have the same bunch of boys back, with the Hedges twins returning to deal out their particular brand of mis-

Marriage Of Laura Virginia Bills And James H. Penn Solemnized Sun. Afternoon

The marriage of Miss Laura Virginia Bills, daughter of Mr. and Mrs. E. A. Bills of this city and James H. Penn of Manistique, Michigan, son of Mrs. J. H. Penn of Canton, Missouri, took place at the Presbyterian Church at four o'clock Sunday afternoon.

Reverend W. M. Fulton of Globe, officiated at the beautiful and impressive single ring ceremony as the wedding party stood before an altar of Oregon ferns and peach Picardy gladioli at either side of the altar were lighted in silver candelabra.

Mrs. G. M. Shaw sang the prelude, "O Promise Me" and Manistique, organist, presented the wedding music consisting of "Traumeui", "D'Amour" and the traditional wedding march from Lohengrin. During the ceremony "I Love Truly" was played softly.

The bride, who was given in marriage by her father, wore a white gown having a lace fitted bodice with a sweetheart neckline and a skirt of silk organdie. Her veil was fashioned in matching lace toques. She carried an arm bouquet of white gladioli with a blue satin bow. For something old and "something new", she carried a point lace kerchief carried by her mother for her wedding and by her sister for her wedding. The ribbon bow on the bouquet served as some-

thing blue. She also wore a locket which was a gift from the groom.

The bride's sister, Mrs. Paul Timmons of Amarillo was her only attendant. Mrs. Timmons wore a blue lace and chiffon dress with a sweetheart neckline, and on her head a toque fashioned of aratum lilies. She carried an arm bouquet of pink Picardy gladioli.

The bride's mother wore a navy sheer with a white hat trimmed with violets. Her corsage was white gladioli.

Miss Lula Hubbard, aunt of the bride, wore navy sheer with white accessories and also wore a corsage of white gladioli.

Mrs. G. M. Shaw, who sang the pre nuptial and also the benediction wore navy sheer with white accessories and white gladioli.

Paul Timmons of Amarillo, brother-in-law of the bride attended the groom, and the ushers were Jim Tom Brittain and John Porcher.

Wedding guests included members of the Presbyterian church, and other friends of the bride. Out-of-town guests were Mr. and Mrs. Paul Timmons of Amarillo, wedding attendants, Mr. and Mrs. H. M. Timmons and daughter, Miss Alice Timmons of Amarillo, Mrs. Wilson Kimble of Floydada, and Mrs. B. L. Cogdill of Lubbock.

After the wedding, a reception was held at the home of the bride's

Hazel Marie Brown Honored With Dinner Party On 15th Birthday

The home of Mr. and Mrs. H. C. Brown, on Oklahoma Avenue, three miles east of town, was the scene of a lovely party last Sunday when Mr. and Mrs. Brown complimented their daughter, Hazel Marie with a dinner party on her fifteenth birthday.

Many beautiful and useful gifts were presented her and a delicious dinner was served at noon to the following: Billy Paul Brown, Mr. and Mrs. G. B. Pollock of Lenora, Mr. and Mrs. Loyd Henson and sons, Kenneth and Jimmie, of Stanton, Mr. and Mrs. Ed. J. Pollock and children, Patsy and Derrell of Big Spring, Mr. and Mrs. H. M. White and Glenda LaNell and Junior of Lamesa, Mr. and Mrs. W. P. Pollock and son, George Willard of Stanton, and Mrs. Bob Morgan and daughter, Barbara Jean of Wichita Falls, the host and hostess and the honoree.

parents on Phelps Avenue. Guests were met at the door by the bride and groom and the bride's mother, Mrs. Bills. Mrs. Dick Carl presided at the register. Garden flowers including dahlias, golden glow, and marigolds, formed the house decorations. On one end of the table which was laid with a lace cloth was a beautiful white three-tiered wedding cake decorated with pink rosebuds, and strewn around the cake were vari-colored asters. At the opposite end was an ice punch bowl. Mrs. E. B. Hobbs assisted by Miss Lula Hubbard, and Miss Alice Timmons of Amarillo served the punch.

After the reception Mr. and Mrs. Penn left for Canton, Missouri where they will visit with Mr. Penn's mother. They will also visit her aunt at Rockford, Illinois, and from there will return to Manistique, Michigan where he will resume his duties as band director in the high school on September 1.

Miss Lynn And James H. Evins United In Marriage Sunday

The marriage of Miss Ethice Lynn and James H. Evins was solemnized at the home of the bride Sunday August 10, Reverend Crockett, pastor of the Methodist Church of Bula officiated with a single ring ceremony.

The bride was attractively attired in a lovely starched rose marquisette dress with navy accessories. After the ceremony dinner was served to the twenty-six relatives and friends attending.

A large three tiered wedding cake topped with a miniature bride and groom and two small United States flags, was served by the groom's sister, Mrs. Kenneth Lynn.

Mrs. Evins graduated from the Littlefield High School with the class of '40. She has a host of friends in and around Littlefield. She is the daughter of Mr. and Mrs. J. E. Lynn, of Bula.

The groom is the son of Mr. and Mrs. W. W. Evins, also of Bula.

The young couple left immediately after noon for El Paso, where they will make their home where Mr. Evins is stationed in Post Service at Fort Bliss.

TEXAS HAS NEW PLAYGROUND POSSUM KINGDOM STATE PARK

Texas has a new play area covering 6,500 acres unequalled in beauty any section of Texas outside Big Bend territory. The rugged, the timber growth, the and the tortuous bends of the Brazos River in Young, and Palo Pinto counties always been recognized for scenic beauty.

It took creation of the Possum Kingdom Lake in this section into a play area for fishermen, boatmen, nature lovers, dude and what have you.

March 21, 1941, final opening of the 252-foot high Possum Dam were closed and the summer flood waters filled it months ahead of schedule, and delight of all who have seen red waters of the Brazos changed into the clearest of blue.

The main meanderings of the river and you have travelled 67 miles from headwaters to the dam. The rocky and mountainous banks, and your boat will go as fast as a drop of water. Drop your fishing tackle in the Dam and it will sink 140 feet. In some spots, you can stand on the front porch of your cabin and look into water 100 feet deep.

Hundreds of inlets and many major creeks are already teeming with millions of fish planted there by the Texas Fish Game and Oyster Commission under whose direct control the fishing activities come. (The lake is closed to fishing now but will be opened in less than 18 months.)

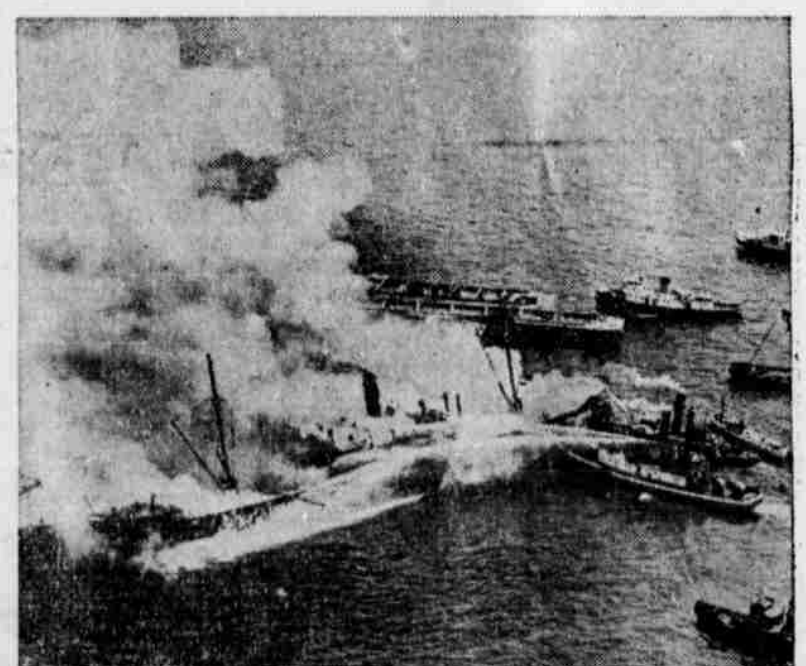

Of major importance in the 6,500-acre Possum Kingdom State Park. Two separate peninsulas face each other. One is formed by Caddo and Cedar Creeks, while the other is the result of a 15-mile bend in the Brazos. The area is characterized by high mountains, beautiful bodies of water, beaches, and timber. Its development is under the joint sponsorship of the National Park Service and the Texas State Parks Board.

The Dam is about equal distance from Graham, Breckenridge and Mineral Wells. The same holds true for the State Park.

From the Dam the lake takes a northwest direction reaching into the city limits of Graham. Both Breckenridge and Mineral Wells are as near as 18 miles to lake water. Olney is 25. State and county highways are being built into the area as rapidly as possible. Applications for permanent camp sites are being received. Nothing will be overlooked in making this into an accessible vacation ground for all West Texas and Southwest Oklahoma.

While good views may be had from the Dam, visitors are not allowed in the giant power house or

Spectacular Fire on Brooklyn Waterfront

requires. The restrictions include: One-third minimum down payment and maximum of 18 months to pay the balance on new and used automobiles, airplanes, power driven boats, outboard motors and motorcycles.

Twenty per cent minimum down payment and 18 months to pay balance on mechanical refrigerators of less than 12 cubic feet capacity, household washing machines, ironers, suction cleaners, cooking stoves and ranges, heating stoves and space heaters, electric dishwashers, room-unit air conditioners, sewing machines, radios, phonographs and musical instruments composed principally of metal.

Fifteen per cent minimum down payment and 18 months to pay—household furnaces and heating units for furnaces (including installations for oil, gas or coal stokers), household water heaters, water pumps, plumbing and sanitary fixtures, home air conditioning systems and attic ventilating fans.

Ten per cent minimum down payment and 18 months to pay—new household furniture (including ice boxes, bed springs and mattresses, but excluding floor coverings, wall coverings, draperies and bed coverings), pianos and household electric organs.

No down payment but maximum of 18 months to pay—materials and services (except items listed above) used in making repairs or improvements on existing real estate when amount is less than \$1,000; same restriction on cash loans of less than \$1,000.

The order made a number of exceptions for special cases where hardship might be involved.

Mortgage loans in connection with building or buying a complete house—not improvement of an existing dwelling—were exempted.

Neither do the new rules affect cash transactions, ordinary charge accounts, or credit outstanding prior to Sept. 1 (except if renewed or expanded at a later date).

Enforcement will be through a licensing system. Initially, general licenses will be granted to all vendors. However, by next Jan. 1 stores, banks and other credit establishments will have to obtain individual licenses through the Federal Reserve Banks. Such licenses can be suspended for violation of the regulations.

Mrs. J. M. Bearden Passes Away Here Tuesday Afternoon

Mrs. J. M. Bearden died Tuesday evening at six-thirty at a local hospital following an illness of short duration.

Mrs. Bearden, who was Miss Sara Jane Wakley before her marriage, was born March 7, 1875. She was married at Nashville, Arkansas to J. M. Bearden on December 22, 1891 and to this union thirteen children were born, ten of whom survive.

Mrs. Bearden united early in her life with the Methodist Church in which organization she was a consistent worker so long as her health permitted. She moved with her family from Nashville, Arkansas to Altus, Oklahoma in 1923, and from there they moved to Littlefield in 1925, and since that time they have made their home on N. Whicker St. here.

Surviving the deceased are her husband, J. M. Bearden, eight sons, M. B. Bearden of Texarkana, Ark., L. I. Bearden of Little Rock, Ark., Sam W. Bearden of Chicago, J. D. Bearden, Pampa; W. W. Bearden, Norfolk, Virginia; W. W. Bearden, Lubbock; L. H. Bearden, Atlanta, A. J. Bearden, Littlefield; and two daughters, Mrs. J. P. Freeman, Littlefield and Mrs. L. E. Rhodes, Marlowe, Oklahoma, and sixteen grandchildren.

Hart-Thaxton Funeral Home were in charge and the body was sent Wednesday via train to Nashville, Arkansas where funeral services will be held. Interment will be at the Liberty Hill cemetery, near Nashville. J. M. Bearden, husband of the deceased, accompanied the remains to Nashville.

Local Optometrists Install Lens Grinding Laboratory This Week

Dr. Ira Woods and Dr. B. W. Armistead, local Optometrists, have added to their optical office some very fine equipment this week which will make it possible to give to their clientele the most modern optical service on the entire South Plains.

Minutely accurate lens grinding prescriptions can be filled in record time... all the time previously required in transit to larger cities for this service, has been eliminated. Broken lenses can be repaired the same day they are brought in, which is a service of inestimable value.

Other equipment includes, an automatic edger, for the edging of lenses both for shape and for size; a hand edger for edging odd shapes, and making possible the exact reproduction of broken lenses. Sharon Cutter for cutting lenses from "raw blanks," they turn into to be ground further in automatic edger. Another valuable part of equipment is the Lensometer, an instrument to assemble the small pieces of broken lenses.

A Junior Metronoscope, a machine used to train children's eyes into proper reading habits and to assist in the correction of crossed eyes, has also been installed.

Mr. and Mrs. Q. T. Bellomy To Continue In Charge of School Cafe

Mr. and Mrs. Quinton T. Bellomy assisted by Mrs. Elizabeth Cox, will again have charge of the school cafeteria for the 1941-42 term.

In an interview with Mr. Bellomy he stated that they hoped to continue the same efficient service rendered through the past five years of management, and following their past custom, they will be able to supply sandwiches, plate lunches and school supplies at a nominal price.

Mr. Bellomy states that his entire corps of workers is not yet complete.

James E. Foust To Receive Master Of Science Degree

James E. Foust, Jr., son of Mr. and Mrs. J. E. Foust of this city received his bachelor of science degree from W. T. S. T. C., Canyon, at the summer convocation.

Foust majored in physical education and minored in mathematics. He was a member of the varsity football squad for the four years of his college life.

Mr. and Mrs. Foust will go to Plainview September first where Mr. Foust is a teacher of physical education in the Plainview High School.

Toby's Comedians To Be Here For Three Night Engagement

Announcement has been made Littlefield that the Original Toby Comedians has been booked for three night engagement starting Monday, Sept. 1, under the auspices of the Fire Department. Toby Comedians are one of the oldest tent theatres on the road today, their regular established territory being Oklahoma, Missouri, Kansas and Arkansas and a great part Texas.

This tent theatre is not confused with shows of a similar title that have appeared in Littlefield, as this will positively be the first appearance here. The big tent is air conditioned, an innovation with a traveling theatre, and is absolutely waterproof. The company is headed by Billy "Toby" Young, comedian, who is surrounded by young, capable and clever cast. The very best of high class vaudeville will be interspersed between acts.

Music is furnished by a very fine orchestra, featuring Dolly Young and her Solo-Vox, and Miss Young is the only member of any travelling theatre on the road today with a wonderful new musical invention. No doubt, large audiences will greet this new tent theatre during its three night engagement in Littlefield.

Building Under Construction For Addition To Hatchery

A new building is under construction on highway 7, adjoining the Porcher Hatchery, and Ben Porcher, owner of the hatchery, plans to install new hatchery equipment when the building is completed.

W. H. Heinen is owner of the building, which will be finished with stucco.

Mr. Porcher, who has been in the produce and hatchery business in Littlefield the past seven years, recently purchased an additional new chevrolet truck, which he uses to transport the produce to larger markets.

CCC Camp At Morton Will Be Completed By Sept. 15

A small city is being constructed in the north part of Morton near People's Park. This new city is to be the home of approximately 200 CCC boys who will be moved to Morton about September 15.

This camp will have 23 buildings for the boys. The boys will be engaged in soil conservation work, planting of trees and construction of farm roads in Cochran County. A side camp of the Morton camp will be located at Kenna, New Mexico.

The walls and roofs are up on approximately 15 buildings. The buildings are prefabricated, being constructed in Aniston, Alabama, and shipped by truck and rail to Morton where they are being set up.

PAYMENT FOR BAGGING INCREASED

Payment per pattern under the cotton-bagging-for-cotton-bales program has been increased from 15 to 35 per cent per bale cover, the U. S. Department of Agriculture has announced the change in rate of payment will affect only patterns manufactured and sold after August 6, 1941.

Increase in the payment is attributed to higher cotton prices and increased processing costs. A San Antonio cotton mill was authorized earlier in the year to manufacture 775,000 patterns for cotton bagging.

Certificate Of Title Requested For Cars Purchased Before Oct. 1939

Owners of cars purchased before October 1939 are requested to make application for certificate of title by I. B. Holt, Lamb county tax assessor-collector.

Under a new state law, all car owners must have certificate of title before they will be permitted to register their cars another year. By making application now, the titles may be secured in plenty of time and will avoid a rush for all concerned later.

Evidence of 1939 or prior year of ownership or receipt or transfer will make owners eligible for the certificates of title. Bill of sale of previous year's license receipt will not allow registration as in previous years.

West Highway 7 ——— Next To Bigham Gin

Two-Row Binders

We have definite promise of shipment of TEN standard two row corn binders and expect them in about the middle of next week. These binders are especially made for tall feed and differs from the "short" binder that you are familiar with in that it has an extra packer and ties the bundle 9 inches further from the butt.

These binders are extensively used in the Middle West and we believe it will do an excellent job in the kind of feed we have this year.

Five of these binders have been booked. We urge any of our customers who are interested in these machines, to see us, or call us now as we expect to sell them all before they are unloaded.
