

Trouble came to Mrs. W. J. Boykin Monday and Tuesday. The door of her Dodge was caved in Monday morning when she was struck by Lester Orr. On Tuesday morning Mrs. Boykin struck the Dodge pickup driven by Chas. Brown as she attempted to back out from in front of the Methodist church into Littlefield Drive. This was the first time Mrs. Boykin had ever been involved in any kind of a traffic accident.

Weather Conditions Cause Six Wrecks

Slick streets, and low visibility made driving conditions hazardous in Littlefield during the past week. Six accidents were investigated by police during the week. A woman Mrs. W. J. Boykin was involved in two accidents less than twenty four hours apart. She had never been involved in any type accident before Monday. Mrs. Boykin, who lives at 801 1/2th, attempted to turn into driveway and falling to make contact with the rear of a car. She was hit from behind by Orr of 1317 West 3rd. The accident occurred at 7:50 a.m. on Monday morning. Damage to Mrs. Boykin's car totaled \$200.00. The damage to Mrs. Boykin's Dodge was \$120.00. A ticket was issued to Mrs. Boykin for failure to give a signal and to Orr for following too close. On Tuesday at 8:40 a.m. Mrs. Boykin was backing from curb at 5th and 6th Sts. and ran into the front fender of a pickup belonging to Mrs. Brown of 810 West 7th. The damage to the pickup was \$200.00 and to the Dodge, \$30.00. Mrs. Boykin was issued a ticket for failure to grant right-of-way. An accident occurred at the intersection of First St. and West 1st St., Monday, June 3 at 8:40 a.m. Mrs. Ineta Dennes, who was driving a 1953 Ford, hit a Chevrolet driven by Argeall. Mrs. Dennes was going on Westside Ave. and had brakes which didn't hold. She struck Mrs. Bishop who was backing west of 1st St. Both cars were on the curb, one striking the other. Mrs. Dennes was given a ticket for failure to grant right-of-way. Monday an accident also occurred at the corner of West 10th and Monticello involving a 1950 Chevrolet driven by Mrs. Lona Wren,

Commissioners Court Accepts Bid for Patching Of County Roads

The bid of Carr and Howard Construction Co. of Monahans was accepted. The construction company posted a cashier's check in lieu of a performance bond. This money was deposited to Lamb County's account. It will be refunded to the company on completion of the job. Jones Brothers had also made a bid and their check was refunded to them. The court instructed County Judge Kirk to execute the necessary agreement with the construction company. All expenses to be paid out of lateral road fund.

Water Board Grants Six New Permits

The Lamb County Water Board met Tuesday night, June 4 at Loy's Cafe. The board approved six permits for irrigation wells, and approved one request for extension of time to drill one well. Members of the board are J. B. Davis, Amherst; Elmer McGill, Olton; Pries Hamilton, Earth; Bill Nix, Sudan; Roy B. McQuatters, Sr., Littlefield. All of the members except Nix attended Tuesday's meeting. Others attending were Allen White of Lubbock, a member of the district board, and Chamber of Commerce manager, Jesse Everett.

McNeese Accepts Summer Job With AEC at Oakridge

Eugene McNeese, son of Mr. and Mrs. Leonard McNeese, has accepted a position with the Atomic Energy Commission at Oakridge, Tenn. Mr. and Mrs. McNeese left for Oakridge Tuesday morning, following Commencement Exercises at Texas Tech Monday night at which time McNeese received a bachelor of science degree in chemical engineering. Next fall McNeese will return to Tech where he will work on his master's degree. He has been awarded a \$2000 scholarship. Mrs. McNeese is the former Gertrude Allen.

Rehabilitation Of Tornado Victims Well Underway

There is plenty of clothing, but money, bedding and household articles are still needed. More than \$3500 has been contributed to the Olton fund by Lamb County residents. The Red Cross lists the following data: 14 minor injuries; 3 hospitalized patients (Jackson is one of these); 77 dwellings destroyed; 5 with major damage; 4 minor damage; 21 out farm buildings; 10 farm buildings with major repairs and 10 with minor repairs. Mrs. Lyle Brandon of the Red Cross office in Littlefield advised Saturday by telephone that Silverton received the \$500.25 that had been sent from Littlefield. The fund for Silverton had just begun when the Olton disaster occurred. Mr. Higgins of Silverton told Mrs. Brandon that to date \$19,867 had been spent in Silverton. Silverton also has plenty of clothing and has sent truckloads to other stricken areas. They do need money, household articles, linens and bedding.

Farmers Welcome Sunny Skies Here

Weather weary farmers of Lamb County greeted sunny skies Wednesday morning for the first time in almost a week. Clouds since last Thursday had dumped inches of rain over the entire area. Farmers had anxiously waited for the fields to get dry enough to get into them to scratch or re-plant. The prayers of the drought stricken West Texans were abundantly answered.

C. A. Streeby Is Buried Wednesday

Services for Charles Andrew J. Streeby, Rt. 1, Littlefield, who died at 3 a.m. Tuesday, June 4, were conducted Wednesday afternoon at 2 P.M. at the Littlefield Drive Church of Christ. Bro. W. P. Dennis officiated. Streeby was born January 31, 1886, in Tennessee. He has been a resident of Littlefield for the past ten years. A retired farmer, Streeby was a member of the Masonic Lodge. He was converted and baptized into the Baptist Church, and attended church with his wife who is a member of the Church of Christ. Streeby was married to Miss Birdie Olive Burrell on November 10, 1907 in Nacona, Texas. They were to have celebrated their Golden Wedding anniversary this year. He is survived by his wife, three sons, Orville, Wayne, and Renzo all of Littlefield; two daughters, Mrs. Joe Condran of Littlefield and Mrs. Val Scott of Chillicothe; two sisters, Mrs. Susie Murray and Mrs. Dora Murray of Dallas; one brother, Jim of Phoenix, Arizona; sixteen grandchildren and sixteen great-grandchildren. Liquor Violation Charges Filed Against Two Men

The Sheriff's department has made two liquor raids in the past three days. One was in Littlefield and the other in Olton. James Thornton of Littlefield was charged with liquor law violation on Monday, June 3. Thornton posted a \$1000 bond and was released. Lowell Powers of Olton was lodged in the county jail Wednesday. He has not posted bond. One Anton man posted a \$1000 bond for Driving While Intoxicated.

Criner Elected Superintendent At Amherst School

John H. Criner has been elected superintendent of the Amherst Schools by the Board of Education. Criner replaces V. P. Osborne who resigned at the close of the school term. Criner, who was superintendent of the Three-Way School district, will assume duties at Amherst on July 1, 1957. The Criners have one son.

Local Scratching Operations Begin at Furious Pace

Residents of Buia reported 9 inches in some sections while Spade reported up to seven inches and some hail as large as golf balls. Hart Camp reported a heavy fall up to seven and eight inches during the steady rain.

Election On Airport Move Is Postponed

Mayor Ellis Foust has announced that the election concerning the move of the Littlefield Municipal Airport has been postponed to June 22 due to legal requirements. The date had been previously announced for June 8.

Country Club Pool Will Open Sunday

The Littlefield Country Club swimming pool will officially open Sunday, David Kethley, chairman of the committee, announced Wednesday. Cleaning of the pool will begin today. Bill Jefferies will be the lifeguard.

Scratching Operation Begins With the proverbial "ox in the ditch" farmers north of Sudan and west of Amherst were furiously scratching fields on Sunday, and many began scratching operations on Monday where fields were dry enough. Earth received a steady fall which did not do too much damage to the crops.

County Agent Kimbrough said Saturday that it was his belief that the rains were more damaging than helpful. Cotton can be replanted until June 21. A test chart of different varieties used in the cotton test was printed in Sunday's County Wide News. This information should be valuable to those farmers who need to replant.

The rains broke the longest and worst drought in the history of West Texas and the entire state. At the gauge at Western Cotton Oil Company rainfall through Thursday brought May's total to 12.52 but the rainfall since begins the year's total to 13.05 inches of that gauge. This is not an accurate estimate for the county.

County Agent Will Assist Farmers County Agent Kimbrough and Assistant County Agent Bob Haney are anxious to help all county farmers with replanting assistance, as well as any other problems that might have arisen in the unusual weather conditions this year. Lakes all over the county have more water in them than pioneer of the section can ever remember. Many dirt roads are closed over the county with water across them. The highway department has had units on paved roads assisting motorists who wish to travel them.

Garrison Motors Purchased By Kermit, Lubbock Men

Announcement was made this week of the sale of the Homer Garrison Motors to R. L. Davison of Kermit, Barry Thompson and Ron Hollingshead, both of Lubbock. According to Davison, general manager of the firm, approval of the sale of the Lincoln-Mercury dealership by the Ford Motor Company was made late Tuesday. Davison has been assistant agent superintendent of the Cabot Car Company in Kermit for the past four years. Prior to that time he was associated with the firm in Monahan and Pampa for 18 years. Mr. and Mrs. Davison moved to Littlefield last month. They reside at 500 1st Street. In Kermit they attended the Community Church. Davison has been a member of Oddfellows for 35 years. The Davisons have four daughters.

He holds the Bachelor of Arts degree from Oklahoma City University, 1948; and the Master of Education degree from the University of Oklahoma, 1950.

Community Center To Be Decorated And Renovated

The Community Center board met Monday night at the Chamber of Commerce office. A financial statement was read. J. E. Chisholm reported that \$50 would be required to fix the back doors. This was approved. A motion was made and accepted to add twelve new chairs to the center. It will be redecorated, cleaned, and work will be done on the floors. The Chamber of Commerce requests that persons do not ask for use of the building during this week.

Wildcat Band Members To Attend School

The Texas Tech Band School begins Monday morning. Approximately twenty members of the Littlefield Wildcat Band are expected to attend. Beryl Harris, director of the band, asks that all students that are to attend the school meet him at 7:30 A.M. Monday morning. Further plans for the students attending the school will be made at that time, and the students will begin classes in Lubbock Thursday. The school will last three weeks, Monday through Friday. A Littlefield school bus will be used for transportation to and from Texas Tech for the students.

Couple Is Wed In Home Of Bride's Grandparents

Miss Janette Pannell and James Stuteville exchanged vows Sunday afternoon in the home of the bride's grandparents, Mr. and Mrs. Carl Harrison, 721 West 7th St. at 2:30 P.M. Parent of the couple are Mr. and Mrs. J. F. Pannell of Littlefield and Mr. and Mrs. R. J. Stuteville of Lovington, New Mexico.

Bro. W. C. Dennis read a double ring ceremony before a background of greenery. Fan-shaped candle holders bearing white tapers were banked with baskets of white nuns.

The Littlefield Drive Church of Christ choir sang the "Wedding March", "Sweet Mystery of Life" and "Because."

The bride was given in marriage by her father. Her dress was street length white cotton satin, designed with sweetheart neckline outlined with Chantilly lace. The fitted bodice had tiny cap sleeves and the voluminous skirt had lace pleated insets and gussets of imported Chantilly lace. Her hat was white lined with the same lace lining.

The bride carried a bouquet of pink rose buds and a white Bible. As something old, she wore her mother's engagement ring, something borrowed, a single strand of pearls, and something blue, garters.

Mrs. Delbert Harrison of Lovington, New Mexico attended the bride as matron of honor. She wore a blue cotton satin street-length dress with a princess bodice and softly pleated skirt. Her bouquet was of white carnations. For her daughter's wedding,

Mrs. Pannell chose a powder blue dress of combed cotton and Cupioni, with white accessories and wore a white carnation corsage.

Mrs. Stuteville, mother of the groom, wore a champagne beige linen dress with white accessories, also with a white corsage of carnations.

Paul Robertson of Lovington, New Mexico, served as best man. The reception which followed the wedding was held in the home of the bride's grandparents. An unusual wedding cake in the form of a cross topped by a bride and groom was served by Christine Thomas of Hereford. Donna Goertz of Littlefield presided at the punch bowl. The bride's table was centered with pink and white roses.

For traveling the bride wore a pink princess dress with full skirt, and white accessories.

The couple will be at home in Lovington, New Mexico. Mrs. Stuteville was a junior in Littlefield High School and Mr. Stuteville is a graduate of Littlefield High School and has served in the Navy.

Out-of-town guests were: Mr. and Mrs. R. J. Stuteville, Mr. and Mrs. Paul Robertson and Tanya, Mr. and Mrs. Delbert Harrison and Debbie, all of Lovington, New Mexico; Mr. and Mrs. Henry Thomas, and family, Miss Jessie Ann Gray, Shari Harrison, Christine Thomas, Roy Evans, all of Hereford, Texas; Mr. and Mrs. Bud Thomas of Fieldton, Texas; Mr. and Mrs. Grover Whisenbunt of Levelland, Texas, and Mr. Kerby King of Abilene, Texas.

South Plains Scout Council Installs Officers

The 31st Annual Meeting of the South Plains Council was held Monday night, May 27, in Lubbock. Dan Thornton, former governor of Colorado spoke on the great Challenge of the Boy Scout Program in our Nation today, and said "Those who work with the Youth of America hold tremendous power in their hand. Through the boys who take part in Scouting, you leave Americas philosophy intact for future generations."

The new officers of the Council were installed by J. L. "Dusty" Rhoades of Odessa. The new officers are: Dr. J. Davis Armistead, Council President, former Littlefield resident; "Tut" Tawwater, Plainview; Dr. Dale Rhoades, Crosbyton; C. W. Tarter, Lamesa; Ralph Beebis, Lubbock; H. P. Clifton, Lubbock; C. H. Cummings, Lubbock; Rev. Harry Vanderpool, Littlefield; all as Council Vice President. Charles Alexander, Lubbock as Council Commissioner and J. Ed Waller, Lubbock as Treasurer.

Silver Beaver Awards were presented to R. A. Jeffries, Hale Center; Jack Alexander, Lubbock; George Long, Lubbock and E. B. Gaither of Tohaha. These awards are presented each year to outstanding Scouters of the Council for Service to boyhood on a Council basis.

In the ceremonies which preceded Mr. Thornton's talk, Jimmy Willson, Jr., of Floydada, was presented a training plaque for the Haynes District. This Award recognized this District for training the highest percentage of leaders in the Council during 1956.

Other Awards were presented to L. D. Whiteley of Lubbock as Council Finance Campaign Chairman in 1956 and C. W. Vancleeve as Council Circus Chairman in 1957. Presidents Awards for outstanding service were presented to Dr. W. L. Hess, Lubbock; Weldon Gibbs, Lubbock; Dr. Dale Rhoades, Crosbyton; H. P. Clifton, Lubbock; John Lotz, Post; and Frank McLaughlin of Lubbock.

Olton-Hart Mail Carrier Suffers Heart Attack

John Vernon Flippin, 64, mail carrier on the Hart to Olton star route, died of a heart attack Monday afternoon while attempting to free his automobile from high center of a muddy road five miles north of Halfway.

Mrs. Flippin, who has assisted her husband with the mail route since his health failed several months ago, was with him at the time of his death. A passerby assisted Mrs. Flippin in getting him in an automobile. He was dead on arrival at the Plainview Hospital and Clinic.

Services Read Wednesday Funeral services were conducted 3:30 P.M. Wednesday at the Hart High School auditorium. The Rev. S. A. Sifford, pastor of the Hart Methodist church officiated.

Flippin had been a mail carrier for 21 years. He had the contract for the Hart-Springlake and Hart-Olton star routes from 1939 until 1956 when his health failed. Since then he had carried only the Hart-Olton route often assisted by Mrs. Flippin.

He was born in Brush Creek, Tenn. He and his family moved to Hart in 1937 from Earth where they had resided since 1932.

He was a member of the Hart Methodist Church.

Survivors are his wife, a daughter, Mrs. C. E. Freman, Edmondson; four sons, Kyle R., Lubbock, Vernon W., Abilene; J. W., Brownfield, and C. E., Lockney; a brother, Ira Flippin, Quannah, and a foster brother, Robert Gray, Floydada, and seven grandchildren. Interment was in the Hart Cemetery.

'The Ripper' Will Meet Blonde Bombshell Sat.

Rugged Rip "The Ripper" Rogers, the blond-bombshell from the Tennessee mountains, returns to the Littlefield Sports Arena Saturday night and he faces a real test in his latest local appearance.

Blond Rip, just out of the hospital after being out of commission for some time due to a back injury suffered at the hands of Iron Mike, may not be at full strength for his return here. He was expected to return to active action earlier this week however and he should be in shape for the task at hand, that of handling Juan Garcia, the speedy and popular local favorite from across the border. Rip has signed with local promoter John Ussery to meet Garcia in the second event of a double-main event card. Their test is for the best of three falls with a 50 minute time limit.

Garcia will be returning to Littlefield for the third straight week while it will be the first appearance here for Rip in several months.

The first match in the twin-bill card pits Ivan Kola, one of the biggest men to appear here since the departure of Bob Orter, against Major Piret, a stocky veteran from Dallas, Texas. Kola, a Russian has been impressive in two appearances here several weeks ago and while not a fan favorite as far as popularity is concerned, will however be a welcome return to the local arena by real wrestling fans. Kola is a scientific wrestler rather than the brawling, rough-house type usually related by most big men. Kola is a capable newcomer to professional wrestling, being a youngster still (as wrestlers go) of only 26. Piret is also blessed with his youth and an aggressive style that makes him hard to handle. He will be giving away plenty of weight to the bigger Russian. This match is also for two out of three falls with a one hour time limit.

RI: "THE RIPPER" ROGERS

Barry Thompson, a graduate of Permian high school and Tarleton State College, a native of Lubbock, Thompson's great-grandparents founded the town. His father is superintendent of schools here.

Thompson attended Texas Tech for two years and secured insurance for Oil Industries Life Insurance for two years. He is a member of the Forest Heights Methodist Church in Lubbock, a member of the Lions Club, and honorary member of the DeMolays. Mr. and Mrs. Thompson have seventh-old identical twin daughters. Thompson and Hollingshead are co-managers of Roden's Pony race team.

Garrison purchased the business several years ago, moving here from Plainview where he had owned a Mercury agency. The family moved back to Plainview last year.

Garrison is president of the Littlefield Industrial Foundation, a former director of the Chamber of Commerce, a member of the official board of the Methodist Church, and a member of the Lions Club. He is active in the organization of the Flying Farmers. Mrs. Garrison is a member of the Woman's Club.

Streety Rites

(Continued from Page 1)

Interment was in the Littlefield Memorial Park cemetery with the Masonic lodge conducting graveside rites.

Streety had been in falling health for some time. The Easter tornado destroyed the home of his son, Wayne Streety, and Streety became upset at the time and had not regained his strength since.

Federated Women Meet In Ashville, North Carolina

American clubwomen will come to grips with free vs. fee television during the 66th annual convention of the General Federation of Women's Clubs which opens Monday night in Ashville, N. C.

Some 4,000 of the Federation's 11 million members throughout the world congregated in Ashville and heard speeches by such personalities as Vice President Richard M. Nixon and Poet Carl Sandburg, discuss world affairs and mull over dozens of resolutions.

But the big squabble of the week-long series of meetings lasting through June 3 likely will be over whether television should be kept free for all viewers. Representatives of a major TV manufacturing company have come to the quiet resort town to attempt to influence the powerful women's group decision.

Resolution Prepared

As it stands, a resolution backed by Illinois delegations, urges Congress to enact legislation making "unlawful the transmission of television programs in any manner which prevents home reception free of charge."

Nixon will address the convention Wednesday night. Sandburg and TV star Arlene Francis will take the platform Thursday night.

Other resolutions which will be presented to the convention call for:

Other Resolutions

Making the "day of infamy," Dec. 7, annual "Preparedness Day."

Revising campaign expenditures legislation, placing and enforcing

a ceiling on both personal and total expenditures and making compulsory standardized public reports of campaign funds.

Inspection of poultry intended for human consumption by the U. S. meat inspection division of the United States Department of Agriculture.

Study by club members and Congressmen of possible prison reforms to rehabilitate and reform criminals by means of psychological evaluation, psychiatric treatment, health standards and physical improvement, remedial education, job training, religious education and counseling, development of good use of leisure time, and raising standards for prison personnel.

Protesting restriction of musical education of students or their participation in musical activities.

Maintenance of strong United States Armed Forces as a deterrent to war or as a power to win a war "forced upon us."

The establishment, during National Education Week each year, of a "Teacher's Day" giving recognition to "the teaching profession for its great influence on the training and development of character of our children."

Area clubs who are members of the General Federation of Women's Clubs are as follows: The Woman's Club of Littlefield, The Forum of Littlefield, The Tuesday Study Club and the 1935 Study Club of Sulist, The Amherst and the Amherst Jr. Study Clubs of Amherst, the 1950 Study Club and the Anton Study Club of Anton, The XIT Study Club of Springdale.

Miss Hendricks To Attend Dallas Convention

Miss Kay Hendricks will be the official delegate from the Beta Sigma Chapter of Kappa Alpha Theta of Southern Methodist University at the Tri-district Convention to be held in Dallas on June 9, 10, 11, and 12. Miss Hendricks is president of the chapter.

Headquarters are at the Umphrey Lee Student Center on the Southern Methodist University campus. Meeting together for this second such Convention in Theta history, will be several hundred official delegates and visitors, representing thirteen college chapters and thirty alumnae clubs in a seven-state area. The Theta chapter house and Peyton Hall at S.M.U. will house the visiting Thetas.

Besides the general sessions, plans have been made for various college, alumnae, and advisory board workshops related to the general theme of the Convention, "Thinking together is unity - working together is success." Texas alumnae chapters in Houston, Austin, San Antonio, El Paso, Fort Worth, Lubbock and Dallas will be hostesses for the various luncheons and dinners. The Black and Gold Banquet on June 12 will have Mrs. Walter Ferguson, a very distinguished Theta and nationally-known Scripps-Howard columnist of Tulsa, Oklahoma, as the main speaker, her subject being "The Delinquent of the Modern Woman. Visiting Thetas will be taken on an air-conditioned bus tour of the city and to tea and a demonstration at the Dallas Speech Center, and will attend a Neiman-Marcus style show luncheon at the Statler Hilton, with a conducted tour of the store afterwards.

Mr. and Mrs. Derl Brooks, Newly-Weds, In Lubbock

In wedding rites read at 8 o'clock Friday night in St. John's Methodist Church, Miss JaNa Len Brooks became the bride of Derl Brooks. Parents of the couple are Mr. and Mrs. Lance Sparks, of Lubbock, and Mr. and Mrs. E. D. Brooks, Rt. 2, Littlefield.

The Rev. W. E. Thorn read a double ring service before a background of emerald palms. Baskets of white gladioli and with aqua satin bows and candleabra bearing aqua tapers completed the setting. Mrs. Gerald Harris played organ music and accompanied Jack Christie as he sang "Because," "O Promise Me" and "The Lord's Prayer."

Wears Designer Model

The bride's father escorted her down an all-white bridal aisle marked by white satin bows. A white bridal cloth led to a prie-dieu which centered the altar. The wedding gown was an original model of white French lace and nylon tulle over net and tulle designed with a portrait neckline outlined with scalloped lace. Tiny sleeves were completed by gaudlets. Stemming from an elongated bodice, the waist-length skirt of tulle was enhanced with scattered appliques of lace and a wide ruffle of pleated tulle edged with scalloped appliques.

Her veil of silk illusion was joined to a coronet of seed pearls accented by pearlized orange blossoms. The bride carried a cascade arrangement of white gardenias with white streamers.

Mrs. Gerry Elliott attended her cousin as matron of honor and Miss Alyce Dudley and Miss Laverne Marsh of Crosbyton were bridesmaids. They wore identical dresses of turquoise organza over pale blue tulle. Their matching handpieces of net and their gloves were jeweled. The attendants carried rose pink carnations and aqua satin streamers cascading from white net fans.

Candles were lighted by the bridegroom's brother, Sammy Kent Brooks of Corpus Christi. Jan Johnson of Fort Worth, niece of the bridegroom, and Craig Brooks, nephew of the bridegroom, served as flower girl and ring bearer respectively.

Don Brooks served as his brother's best man and Raymond Purday of Littlefield and William Gunderson ushered.

Pirate Party Marks Six Years For Amherst Boy

James Paul Holland celebrated his sixth birthday Saturday, May 25th, when his mother, Mrs. James Holland, entertained his kindergarten class with a Pirate Party.

As each guest arrived he was attired in true pirate style with a bandana, eye patch, sash and cutlasses.

Games of "Find Captain K 44", "Walking the Plank" and "Peter Pan and Captain Hook" provided entertainment. The last game was a treasure hunt which led the boys to a Treasure Chest filled with "Bags of gold" (Party favors) for each mate, and birthday gifts for "Captain" Paul.

The refreshment table was laid in black and white with a pirate ship, surrounded by plastic pirate men, serving as a centerpiece. Birthday cake decorated with a "Jolly Roger" insignia and ice cream "sailboats" was served to each guest.

Boys from the kindergarten class were Gary Pryor, Carly Mac Shipley, Rodney Maxfield, Ronnie Hodges, Bruce Nicholson, Pat Duffy and Paul Holland.

Other guests were: their teacher, Mrs. W. I. Shipley; Paul's aunt Mrs. W. P. Holland, Sr., his grandparents, Mr. and Mrs. Paul Vauss of Littlefield and Mr. Ira Holland.

Mrs. Holland was assisted in the entertainment by Mrs. Leroy Maxfield, Mrs. Benjie Shipley, and Jan Holland.

Home movies were made of the occasion.

Bridal Shower Honors Miss Laverne George

Miss Laverne George, bride-elect of Jay Gresseem, was complimented with a bridal shower in the Bula School lunch room, Friday afternoon, May 31.

Miss McCall, Mr. Roberts Exchange Vows In Enochs

First Baptist Church of Enochs, Texas was the scene of the impressive candlelight ceremony which united Miss Carolyn Sue McCall, daughter of Mr. and Mrs. R. P. McCall, Enochs, and Burley Lee Roberts, also of Enochs. The double ring ceremony was performed by Rev. Vernon Whitfield, pastor of the church, at 8:30 p.m., May 30th, 1957. The table centered with the five figurines representing the five star points which was a special gift to the retiring officers. Each retiring star point received the figurine representative of her office. Officers installed were as follows: Bernice Parrack, Worthy Matron; A. S. Parrack, Worthy Patron; Dorothy Ferguson, Associate Matron; Hal Ferguson, Associate Patron; Pearl Brandon, secretary; Wilma Carmickle, treasurer; Wanda Coltharp, Conducatress; Bertha Arnold, Associate Conducatress; Maudie Matthews, Chaplain; Barbara Miller, Marshal; Jo Ann Parrack, Organist; Rachel Byrd, Ad.; Charlotie Chapman, Esther, Mable Puckett, Martha; Harriett Cummings, Electa; and Wanda Strothers, Warder. Hilda Cummings, Ruth and Winston Cummings, Sentinel will be installed later. Sixty persons attended.

Mrs. John Henry Parkham, organist, played traditional wedding marches and accompanied Mrs. Donald Joe Cox, soloist as she sang "Because" and "Always." Given in marriage by her father, the bride wore a silk tulle gown fashioned along Princess lines, and featuring a wide scooped neckline. The veil, sleeves and front panel which extended to the hemline were of embroidered lace, completed by gauntlets worn over the hands. The flared ballerina length skirt was accented by a bustle bow effect, as her fingertip veil of embroidered lace was complimented with sequels. She carried a white Bikik bouquet of white carnations and orchid violets. Attendants Wear Orchid. Matron of honor was Mrs. Mattie Lou Caffey of Lubbock, aunt of the bride, who was gowned with orchid dregon and cotton dress made with full skirt and fitted bodice with emmerband of matching material and scooped neckline. Pink headband of flowers with shoulder length net, a bouquet of pink carnations, with pink orchid and white streamers, white shoes and gloves completed the attire. Bridesmaids were Miss Sharon Holt of Bula, Miss Sandra Angel of Enochs both of which were gowned in dresses identical to Mrs. Caffey's. Best man was Norville Roberts, brother of the groom. Flower girl was Marilyn Jean McCall, sister of the bride, and ringbearer was Donny McCall, brother of the bride. Arvin Strand served as usher. Candles were lighted by Junior Austin and Jim Pat Claunch, both of Bula, Texas. Reception Follows. Immediately following the ceremony, a reception was held in the church dining room. The bride's table was laid with a floor length cloth of lace over orchid covering complimented with lighted tapers rising from crystal candelabra and centered with a three-tiered wedding cake topped by the traditional miniature bride and groom. The table was further enhanced by the bouquet of the bridal party. Miss Bronda McCall, cousin of the bride, and Miss Myrlene Nichols cut the wedding cake and served punch. Guests were registered by Miss Jo Ann Hubbard, cousin of the groom. The wedding trip included visits to Las Vegas and Santa Fe, New Mexico. Mr. and Mrs. Roberts are both 1957 graduates of Bula High School. They will be at home in Lubbock where both will attend Draughon's Business College.

Miss Foltyn Is Reception Honoree

A reception was held Saturday from 2 until 4 p.m., at Casa Linda 2501 13th St. in Lubbock honoring six graduating Tech seniors. Sharing the honors were Miss Dorothy Foltyn, Littlefield; Miss Peggy Haber, Mrs. Gerald Pinkerton, Mrs. Ernest Kuehling, Mrs. Robert Jacobson, and Mrs. Ronald Herrin, Waco. Mrs. Charles Maple of Brownfield was hostess. A green face cloth covered the table. A crystal punch bowl and tiny figurines, representing each honoree, with an attached card telling in verse the plans that each graduate has for her future served as table decorations. Four ornamentals, each with pineapples carried out the pink and green motif. The honorees and guests have met at Casa Linda, Texas Tech Cooperative House, while attending Tech. Guests attending were Misses Sarah Wright, Alice Ann Yates, both of Plainview; Miss Joyce Hazelton, Mrs. Bobby Collins, Plainview; Bill Saffler, Dimmitt; Dale Rice, Littlefield; Carl Adcock and John Sewell.

Miss Patsy Tiley

Miss Tiley To Marry Mr. Pierce June 16

Mrs. W. F. Tiley of the Bula community announced the engagement and approaching marriage of her daughter, Miss Patsy Tiley to Mr. Chesley Dale Pierce of Carlsbad, New Mexico. Mr. Pierce is the son of Mr. Frank Pierce of Monard, Texas. The couple will exchange vows at high noon at the Bula Church of Christ on Sunday, June 16. Norman Warren, minister of the Second Street Church of Christ in Portales will perform the ceremony. The bride-elect is a 1957 graduate of Littlefield High School. From there they will go via air to San Diego to be sworn into the corps.

Mrs. Brooks Is Presented China By Friends

Mrs. Preston Cummings of Austin received a surprise last week when her friends honored her at a coffee. The purpose of the coffee was to present Mrs. Cummings a complete set of china in the "Autumn Dawn" pattern, for her mother Mrs. Ernest Brooks. Mrs. Brooks had completed a set of china in this pattern on Christmas before her home was destroyed by the Easter tornado. Not one piece of the china was intact following the storm, and Mrs. Brooks grieved the loss of the dishes that were given to her on various occasions by her children and friends. Mrs. Cummings, who was Miss Hilma Brooks before her marriage, brought the set of china to her mother last week. Mr. and Mrs. Herman McBride of Hemlin were weekend guests of Mr. and Mrs. Dennis Jones in Littlefield.

White Bible Ceremony Honors Miss Bethel

The home of Mrs. Ralph Nelson, 108 East Thirteenth, was the scene of a "White Bible Ceremony," honoring Miss Peggy Bethel, bride-elect of Clarence Monroe, of Bordeaux, France, on Friday afternoon at 5:00. The ceremony was conducted by the Business Women's Young Woman's Auxiliary of the First Baptist Church. This is a traditional ceremony honoring members or former members at the time of their marriages. Miss Bethel is the daughter of Mr. and Mrs. H. L. Bethel. She is an outstanding member of the Business Women's Young Woman's Auxiliary. She will be married on July 9.

The ceremony was staged before the fireplace, centered with a small table displaying an open Bible in front of a large white candle banked with honeysuckle. On either side of the large candle were smaller candles in green and white, YWA colors. The large white candle represented the Word of God which gives light to the world. Miss Joan Parrack, president, called on Mrs. Lee Hemphill to open the meeting with prayer. She then gave the history of the hearth as the symbol of the home. "May your hearth be bright with happiness to share with all who come to your home," she emphasized.

Miss Farrack then lighted the small candle from the large one, signifying that YWA takes its light from the Word of God. With the YWA candle she lighted six other candles held by six YWA members: Misses Nancy Burks, Cammie Helse, Phyllis Jeffreys, Shirley Moore, Beva Jean Ray, and Leta Merle Roberts. Miss Parrack explained that the radiance of the candlelight symbolized the joy of the Christian of a kindly heart permeate every activity of your family," she exhorted. "May the hidden radiance shine."

As the YWA members stood with lighted candles, Miss Jhonita Gallini sang, "Bless This House," accompanied by Miss Georgeann Walker. Mrs. Nelson then explained the need for God's Word in a home. She repeated, "Just as the hearth fire must be rekindled in order to shine brightly, even so must the heart of the home be rekindled with fresh inspiration and truth from God's Word." Mrs. Nelson then lighted the small white candle from the large candle, symbolizing that all leadership must receive its light from the Word of God.

Dr. Lee Hemphill then gave the presentation address, using as his text, "Thy Word is a lamp unto my feet, and a light unto my path." Psalm 119:105. Dr. Hemphill asked that the members form a circle around the honoree, still holding their lighted tapers, symbolizing the Word of God. At this time Miss Gallini sang "Thy Word is a Lamp to My Feet." Following the benediction by Dr. Hemphill, the guests were invited into the dining room, where

Girls Girl Receives Sears Duck Teacher Grant

Texas Tech home economic students will accept apprenticeship grants from the Sears Foundation on a Monday noon luncheon in the Union Building.

McCurly, director of the Tech's Southwest Division, presented checks totaling \$2,000 to the Tech students who participate in the unique program designed to strengthen training for prospective homemaking teachers.

Arrangements for the grants were made last March by McCurdy and Home Economics Dean Willa Vaughn Tinsley.

Receiving the grants in Littlefield are Mrs. Dianne Box, Nixon, apprentice in Lubbock's

Dupre School; Carolyn Cheatham Lubbock, who will apprentice at Sweetwater; Maynette Derr, (15 Clay Street) Las Vegas, Nev., at Tyler; Mary Alice Kenney, Slaton, at Odessa; and Dana MacNaughton, 1111 El Paso) Plainview, at Littlefield.

Carolyn Reynolds, Enochs, will apprentice at Roosevelt; Ada Beth Sanders, Dundee, at Hereford; Barbara Smith, Lubbock, at Tyler; Betty Smith, Slaton, at Tuscolo, at Roscoe.

In addition to their summer apprenticeships, the young women will attend the state homemaking teachers conference in Houston in August, according to Miss Billie Williamson, Tech home economics associate professor who is program coordinator.

Dean Tinsley said, "College home economics teacher training in general, does not prepare future teachers for specialized work which many schools now carry on in the summer. For this reason we felt the summer apprenticeships would give prospective homemaking teachers training they could receive in no other way."

The specialized summer programs include teacher supervision of high school homemaking students' own homes, a program of adult education, and teacher counseling for summer youth camps.

Tech students being given cost-of-living grants of \$200 per month were chosen on the basis of general personality development, academic standing, interest in teaching and intent to teach upon graduation. They were selected by the Tech home economic education staff and the Dean.

Methodist VBS Closes With Sharing Program

A sharing program was held Sunday night to close the Vacation Bible School of the First Methodist Church.

The primary, kindergarten and Junior departments all sang songs in keeping with the theme of this year's school.

Themes for this year's school were "Meet your Neighbor," Junior: "Friends in Our Community"; Primary; and "Friends Near and Far" Kindergarten.

The themes required getting acquainted with businesses, services, and residents of the children's community. The idea stressed in this year's study was to break down any prejudices before they are established.

The children, parents, and friends met in the church basement. The adults visited the handwork made by the children. Home-made ice cream and cake were served to 150 guests. Mrs. Harry Woody was chairman of the serving committee.

and for several years she was a member of the faculty at Oklahoma A & M College.

During her current tour, Miss Strawn will also make appearances in Amarillo and Midland under the sponsorship of Pioneer Natural Gas Company.

Mr. and Mrs. Ray Buck have a new grandson. The baby was born to Mr. and Mrs. Carl Buck in the Muleshoe hospital on Monday.

Expert To Present Kitchen Show Tuesday, June 18

Architects, builders and contractors of this area will get the woman's viewpoint as well as the home economist's expert's slant on kitchen planning Tuesday night, June 18 when Pioneer Natural Gas Company presents Miss Bernice Strawn, nationally recognized kitchen authority and writer, as guest speaker at a banquet and Kitchen Fashion Show to be held at 7:30 in the Ballroom of the Caprock Hotel.

Miss Strawn gained a nationwide following as Home Equipment Editor for the Woman's Home Companion. In this position, which she held from 1949 until 1957, she was responsible for testing and reporting on all advances in home equipment and kitchen planning. Prior to her association with the Home Companion, she served as director of the home economics laboratory of Sears, Roebuck and Company where she supervised a large staff in testing and development of new merchandise.

Miss Strawn designed the famous "Heart Saver Kitchen" which was featured in Woman's Home Companion in 1951, and exhibited at the Texas State Fair that year. So great was the interest in this All-Gas kitchen for handicapped women that it was reproduced in a trailer and toured the country for over a year.

No stranger to the Southwest, Miss Strawn once served as home economist for the U. S. Department of Agriculture in this region.

Olton Publisher Has Hectic Return Trip From Vacation

Last week was pretty hectic for Olton's newspaper publisher, Troy Martin. Mr. and Mrs. Martin were returning from an East Texas vacation when they found U. S. Highway 70 between Paducah and Matador blocked by flood waters. As Martin stood taking pictures of the Tongue Creek Bridge, it collapsed right before his eyes.

Traffic was snarled and to make things worse Martin was towing a house trailer that was forever turning around. The Martins detoured through Lubbock and as they neared Roundup they came upon a motorist's car that had plunged from the highway about 18 miles southeast of Littlefield into a water-filled barrow ditch, almost drowning the driver.

Martin took pictures as artificial respiration was applied to the victim, Emil Stovall, Plainview and Mrs. Martin gathered notes.

Victim Was Alone
Stovall was riding alone in his car when it apparently skidded into the water-filled barrow ditch and overturned about 7:30 p.m. Passers-by who pulled Stovall unconscious out of the wreckage said he was face down in water that flowed into his car and only one hip was showing.

Underwent Surgery
Artificial respiration administered by Dean Sanders of Tyler revived Stovall in about 30 min., and he was taken to the hospital. A hospital spokesman said surgery was necessary to remove water from Stovall's lungs.

Although Stovall first was believed to be in fair condition, he

Give her gifts of steel

When a special friend or relative is taking that important step from Miss to Mrs., show her your delight: Give her gifts of steel. For steel gifts are stylish gifts that last a lifetime.

When you buy them for a shower or wedding, you're giving the bride much more than just an expression of your affection. You're giving gifts that will endure as long as she needs them.

Showering the bride with gifts of steel means choosing from countless items made to give stylish service—from coffee makers to canisters, folding chairs to flatware, trays to toasters, clocks to cutlery. No matter what you choose to give, she'll appreciate your good taste and thoughtfulness.

And any bride would glow with pleasure to see the lustrous quality shining through every gift of steel. And she can be assured these good-looking items will go to work in a thousand ways to prove their lasting value. For only steel can do so many jobs so well.

So when you shower the bride, make it a Steel Shower. And when you shop for the bridal gifts, make an investment that is fashionable and practical. Look for the store displaying the Steel Shower symbol—and get the gifts that will last a lifetime.

This symbol identifies the store that's a Bridal Center, where you can get a variety of gifts styled in steel . . . to last a lifetime.

When Buying HAIL INSURANCE

You Should Have These Advantages:

1. An agent who will look after Your interests, both in policy preparation and in loss adjustments. This is a "MUST" with the new hail policy.
2. An agent with an established office where you can discuss your problems at any time. A salesman working from his car is hard to find when you need him.
3. An agent who will place your insurance in financially sound and fair dealing companies. An insurance policy with any other type of company is worse than none at all.
4. An agent with adequate experience and reputation in the business. Insurance is a profession.

Spade Receives 7 inches Of Rain Since Thursday

Damaging hail and 1.9-10 inches of rain fell in the southwest part of the Spade community late Thursday. Over an inch of rain fell in 15 or 20 minutes. Some hail stones were as large as golf balls. They destroyed gardens and cotton and damaged house tops and window screens. Damaging hail was also reported north of the Spade-Littlefield highway. The southwestern part of the community received about 2 3/4 inches Monday, 1.9-10 inches Thursday and 2 4-10 inches Friday and Saturday making approximately 7 inches for the week.

It took Washington and the members of the Constitutional Convention 96 days to frame the Constitution.

Death Claims Tornado Victim, Mrs. Mary Brooks

Decrepit Senarian Is Only Fatality of Tornadoes

The first death that can be counted a fatality of the tornadoes that have plagued Lamb County and the South Plains today occurred Saturday evening at 7:30 when Mrs. Mary Brooks, 82, passed away at the Taylor Hospital in Littlefield.

Mrs. Brooks' home, which is situated on the east side of the town, was blown through the roof and the walls were completely destroyed. Mrs. Brooks was unable to move because of her age and she was taken to the Taylor Hospital where she died.

Mrs. Brooks was born in Vermont, Jr., officiating. Mrs. Brooks had been a member of the Methodist Church since she was fifteen years of age, making a total of sixty-seven years. She was a member of the Friendship Class and was faithful in attendance to Sunday School and Church until the accident occurred.

Her husband, Joseph Newton Brooks, passed away May 8, 1919 in Glenwood, Arkansas. He was a farmer.

Mrs. Brooks with her children, Mr. and Mrs. Earnest Brooks, moved to Littlefield in December of 1936 after a period of six years when they lived in Austin, the family has resided on the farm west of Littlefield since.

One son, Jesse, passed away in 1927. He was buried at Victory, Oklahoma, a small community near Altus, where Mrs. Brooks was buried.

Deceased Was Accomplished Seamstress
Mrs. Brooks was an accomplished seamstress. She was talented in doing fine hand work. She had made hundreds of quilts by hand and presented them to her family and friends.

Survivors besides Earnest Brooks of Littlefield and Mrs. Mark Johnson of Lubbock are another daughter, Mrs. G. G. Strickland of El Monte, Calif.; ten grandchildren; and ten great-grandchildren; four brothers, Messrs. and Charles Walker, Mendenhall, Florida; Johnnie and Sam Walker of Hollis, Oklahoma. Pallbearers were C. F. McCormick, Ernest McGee, M. C. Street, Jerry Lunsden, H. O. Bigham and F. C. Caldwell. All members of Mr. Brooks' Sunday School class were named honorary pallbearers.

Funeral services were held at the McDonald Funeral Home of Littlefield, Texas, at 10:30 a. m. Monday. Burial was in the cemetery at Altus, Oklahoma. Rev. Van Horn officiating.

Mrs. Jess Williams inspects grape plants that are coming up from seed in the Williams orchard in Littlefield. —Staff Photo

Grapes Sprouting From Seed In Williams Vineyard

Mr. and Mrs. Jess Williams who live at 149 Austin Avenue in Littlefield were amazed this week when grape vines began to sprout from seed. Williams dug up some of the sprouts to check the origin

and found that they were sprouting from the seed from last year's fruit. This bears out the fact that anything will grow in West Texas if we have the water. Williams said. The heavy rains have made ground in the orchard and vineyard so wet that tomatoes and other vegetables are coming up from last year's seed.

Mr. and Mrs. Williams have currants, grapes, apricots, five kinds of plums, pines, English walnuts, pecans, blackberries, strawberries, cherries, mustard grapes and sugar grapes, and peaches. They also have all kinds of vegetables and a flower garden.

"Growing things and giving them to my friends is a hobby with us," Mrs. Williams said. She related that last year one row of grape vines produced more grapes than she could use and give away. This year two more rows will begin to bear. At this time the vines are loaded. Apricot trees and plum trees are also heavily laden with green fruit. The freeze got most of the peaches this year, but last year it was necessary to prop the limbs of the trees.

So this year if the hail does not come to the orchard and vineyard, Mr. and Mrs. Williams will again have a bumper fruit crop.

Debris From Olton Tornado Showers Tulia Countryside

A number of Tullians reported being showered with debris from the Olton tornado Friday afternoon.

In many instances, residents saw the debris floating down out of the sky late Friday.

An assortment of debris lined Highway 86 west of Tulia.

Mrs. May Washington found a cotton sock in her back yard.

Mrs. Dewey Seay found a "got well" card sent by the Ruth Class of the Olton First Baptist Church near her home west of Tulia. Also found were tin, a piece of plywood 3 1/2 by 6 feet, a post which was driven into the ground about seven inches, pieces of tar paper, the back of a school book, and pieces of floor covering with floral design.

A large piece of sheet iron landed on the Santa Fe tracks in west Tulia.

Taylor Evans Farm Store reported finding a piece of wall panelboard about 12 by 18 inches which floated down in front of the store.

Edward Devin had perhaps the strangest experience of all. While crossing the railroad near Jenkens Farm Chemical, a dead cat fell from the sky, landing on his pickup.

McClendon Blacksmith reported a 2x6 board falling. Many others reported an assortment of cardboard, tin, tar paper, nails, boards, and other debris. Others in the area reported post cards and letters which bore Olton addresses.

School's Out

BOYS IN WEST TEXAS aren't used to tree climbing. Not so with S. E. Ayres, Jr. ("Hot-Shot" to his play-mates.) He can go to the top of the elm tree quicker than most boys from the woods. He plans to spend the entire summer playing in the sun. He will be a third grade student next year.

"We Were Amazed"

Says CAR LIFE, The Family Auto Magazine

We were amazed as we drove the Special four-door hardtop, to find that an automobile could be completely changed yet retain so much of its former appearance and character. The 1957 models have all the familiar, solid Buick virtues.

THE ABOVE brief clipping tells you worlds about the '57 Buick.

It tells you we went all out to make this car completely new—yet we didn't sacrifice a single Buick virtue.

So you still get that unmistakable Buick styling.

You still get that big-car room and comfort and that solid Buick quality.

But you also get so complete a change in the vitals of this car that the driving of it is a wondrous new experience.

You get a brilliant brand of performance that's different from anything else that goes on four wheels.

Words won't describe it. Telling you there's an all-new engine, an instant new Dynaflo,* a completely new power train—none of that will convey this news to you.

What you have to do is get in this car and drive it. Drive it around the block, through town, out on the highway. Actually feel what happens when you press the gas pedal, turn the steering wheel, touch those powerful new brakes.

Then—and not till then—will you know why folks call this "the dream car to drive."

The best advice we can give you, by far, is this: Ask your dealer for a trial run today.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety Buzzer is standard on Roadmaster, optional at extra cost on other Series.

Here are 4 BIG REASONS I LIKE ELECTRIC COOKING!

says, MRS. GEORGE C. KUHNER, of ROSWELL, NEW MEXICO.

"Christy likes the push buttons. I like them, too, because they are out of reach of the smaller children."

"Shelley likes the big oven and I agree. The automatic timer is very handy. Also, it is nice to be gone for an afternoon and have your dinner all cooked and ready to serve when you get home."

"Kathy likes cooking with her finger sets and the fast surface units dry out any tender meats in the shortest kind of cooking."

"Laurie likes it because it cooks good chicken and when we cook chicken, or anything else, it doesn't heat the kitchen—just the food."

Anherst Legion And Auxiliary Meets Monday

The Anherst Legion and Auxiliary meet Monday night at the Legion Hall for their monthly supper and meeting.

Mrs. Elyde Abbott, Mrs. Ruth Anderson and Mrs. Marvin Wagner were hostesses for the supper, with the menu of steak, green beans, creamed potatoes, spring vegetable salad, hot roll, and coffee and lemon punch.

In the business session of the auxiliary the group voted to purchase silverware for the community center and to make a donation on the carpet to be placed in the lobby of the Veterans' Hospital at Big Springs.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

On Jazz Tours

One funds appeal which should be cut in the present budget for 1958, as submitted by the Administration, is the request for \$50,000 for the purpose of sending various entertainers to all parts of the world on State Department-authorized and subsidized tours.

A congressional committee studying activities of this kind in recent days found that the State Department had spent \$84,381 sending the Negro jazz band of Dizzy Gillespie on a tour of various countries in the past year.

Just what good this sort of tour does the United States we are unable to establish. We do not believe that relations are actually bettered between the United States and other countries by such efforts. But even if we concede that the jazz band tour does make a few friends among the jazz set for Uncle Sam, obviously the expenditure of \$84,381 to one entertainment group, is not justified.

How can anyone in State Department fairly distribute \$140,000 (which is the higher sum requested for this purpose last year by the State Department) to entertainers who should represent American abroad?

The selection of a jazz band to represent the United States is an example of bad taste in using this money, an instance where the money could have been used to actually weaken ties between the United States and other countries. In other words, the depiction of a jazz band might actually do harm, not good, for our country.

Obviously, one can accomplish more by taking advantage of the preference of the people in foreign countries than by working in a field which is at least a controversial one in many parts of the world. There are many who detest American jazz and think it degrading, and this line is played by the enemies of the United States constantly in anti-American propaganda.

No Congress should either whack the \$140,000 requested for entertainment tours, to a minimum and specify that the tours should be made by more conventional types of artists or cut out the same altogether.

Armed Services Pay

The field in which the armed services must increase pay is in several critical problems in the technical or specialty field. Already the low pay scales, especially for enlisted men and low ranking officers, are the most crippling disadvantage facing the electronics, aviation, rocket and missile, and other efforts of the services.

How can anyone expect a man who has been taught a profession in electronics, for example, to stay in the service as an enlisted man when he can earn three times as much on the outside? While some do, because they like to serve their country, most prefer to get out.

So, a service like the Air Force uses a year or a year and a half to train a man to work on engines, or highly specialized equipment. Then the service might lose him after only a few months' work on the job. Or he may serve as long as a year and a half — filling out a three-year hitch.

Because the services spend so much of their time, money and manpower training people, then losing them, defense costs are far higher than they should be. If pay scales were increased for men in highly specialized work, then the turnover in the services would be slowed and money might actually be saved in the process.

Even if the cost was slightly more, the services would benefit from having better-trained personnel and performance would improve. There is often wonder at the success of the Air Force and Navy in keeping their huge fleets of transports, supply and combat aircraft flying.

The coordination of such a vast job as air transport for the armed services is tremendous, and it is next to impossible to accomplish it in the services under present pay and enlistment conditions. The answer lies in better pay for highly-skilled maintenance people and better chances for advancement.

Only if these people can be induced to make the service their career will the armed services compete with the airlines in maintenance efficiency and the safety considerations that go with it.

GOLDEN GLEAMS

Every life should be balanced — enough but not too much work, enough but not too much play, etc. etc.

This time next year, the nation will be in the midst of another political campaign, and there is no way to avoid it.

Individuals, like successful generals, have to be paid enough to take some chances — if they wish to become successful.

A raise in pay, voluntarily given by an employer, is one of the rarities of economics and luxuries equines organized labor.

Highlights and Sidelights From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — (UPI)—The Legislature will have a shorter-than-usual "vacation." Gov. Price Daniel says he will call them back, probably about October, for a special session.

Final scores showed 27 out of 31 or better than 90 per cent, of the governor's recommendations followed in the regular session. But the running 10 per cent are still says Daniel. He still wants:

1. The law enforcement commission, a sort of statewide grand jury to investigate official misconduct.

2. A judicial registration act registration of persons who represent others before state agencies and possibly other "state government" title previously advocated.

3. A state plan for buying water storage space in federal reservoirs. A constitutional amendment to do this died in the past session. Since amendments are not be considered in a special session, the governor said he is working on a statutory plan, possibly the creation of a state wide water district with authority to lease lands and buy water.

4. Action on "collar matters" may arise after the Travis County grand jury reports July 15 looking into any irregularities that might have caused the ICT Insular state Co collapse and alleged pay-offs to legislators by the Texas Naturopathic Association.

5. So instead of the usual post-session bill, the Capitol faces a summer of suspense followed by a frenzied fall.

NEW JURY AT WORK — Texas has generated more trouble than one grand jury could see in two months. Hence a brand new Travis County jury begins this week where the old one left off after digging away all during April and May.

The study of ICT's past and not sympathetic legislation will probably last all summer.

A Dallas grand jury already has indicted Ben Park Cage, one-time ICT attorney, on charges of theft and embezzlement. Authorities are trying to get him extradited from South America so he can be tried.

WHO, WHAT, WHERE, ALL, WHEN? — Texas' Attorney General Insurance Commission is still a prime source of apoplexy.

Full legislature passed law abolishing the old board and installing the governor to appoint new members. It also directed the commission to move within three years from its leased office quarters into a building to be erected with insurance-fund revenues. And it passed dozens of new or positive insurance laws to the new commission to administer.

Old board members Mark Woods and John Owens are resigning, but they failed to accept their resignations. He said they'd have to stay on until their successors were named.

Then Andy Kim Will Wilson tried the insurance tax revenue couldn't be used for a new building. It goes into the general revenue fund and is already earmarked for other things he pointed out.

And until the new one is made, the state are uncertain as how to comply in detail with some of the new laws.

ETHICS AT ANDARY — Just who should do what to comply with the new code of ethics is still being discussed in the Capitol.

Some 100 legislators and state officials have given the secretary of state statements about their connections with business and other state regulation. A list of names from Cuban oil companies is still being reviewed.

Secretary of State Zane Weeks said failure to file such a statement could be grounds for removal from office, but that he didn't have authority to enforce it.

Gov. Daniel said he can't do that for the bill, since the situation actually is a temporary service of duty or practice of a corporation under state control. But he is working for the secretary of state to get the attorney general's ruling in shape to get up to date.

LEGISLATION REBORN — The one of the second session on the use of Texas railroad land program funds attracted no takers. In other "bill of no use" was the month-long proposal of a 2 1/2 per cent interest loan to fire buyers, and food program.

IN STUDIES OVER A PERIOD OF 15 YEARS Dr. Weston A. Price analyzed 20,000 samples of dairy products obtained from all over the world. For the U.S. he found the vitamin content lowest in the samples from eastern and far western states where soil has been farmed the longest, and highest in those of DEAF SMITH COUNTY, TEXAS where the soil and pasturage are highly mineralized. He found evidence that the mortality from heart disease and pneumonia was the lowest where the vitamin content of the dairy products was highest.

TOO LATE

It's gone now! That train, plane or that big deal. What do you say when this happens to you? That's a tough break? My bad luck? Hopeless? It's unfair? Those are all things that you might say to such an event or any time when life passes you by, or you might say, **God!** Surprised? Yet isn't He the source of all that comes, whether for good or ill as we see it? The Bible says, "Yes," and says further, "Trust in Him, for He is good, for His steadfast love endures forever."

Go to Church and meet this God, the Giver of all things—learn what it means to trust Him and you will never be too late again.

EVERYONE IN THE CHURCH... THE CHURCH IN EVERYONE

Is something wrong with your life—
an inner restless dissatisfaction? The
answer to every human problem comes
only from God our Maker. He alone
can forgive and reassure.

Through the church God has committed
the provision and proclamation
of His forgiveness and redeeming
love. Without a church relationship
no one is securely related to God.
Everyone should be in the Church and
be Church in everyone!

Cadillac

Greatness Is Never Achieved Suddenly!

It has long been true, in the affairs of men, that only time can confirm the gift of greatness.
Artist, statesman, writer, craftsman—each must await the years for the maturity of his talent and for the verdict of his judges.
And as it is in the affairs of men, so it is in the world of commerce. Nothing great was ever created suddenly—whether the product be that of an individual or of an organization.
Here, most certainly, is the very genesis of the unique position which Cadillac currently occupies in the hearts and minds of the world's motorists.
Since the first Cadillac car made its appearance more than fifty-five years ago, it has always been created to a single objective: to make it as fine a motor car as it is possible to produce.
And, without question, the mission and the accomplishment have been one and the same.

The goodness of Cadillac is in fact, been so apparent over that lengthy span that the Cadillac name stands today as an actual synonym for quality wherever highways are.
The pretenders have come—and they have gone. For time is an exact taskmaster—and only the principles that he created the great Cadillac car and only the devotion that has given it being have been equal to the challenge.
Never has this fact become more deeply etched in the public consciousness than it is during the present automotive year.
If you have yet to take the wheel of a 1957 Cadillac, you should head no longer to visit your authorized Cadillac dealer.
Waiting for you in the showroom is proof beyond doubt that Cadillac is—in fact as in reputation—the Standard of the World.
