WATER AND SEWER BOND ELECTION IN LITTLEFIELD SET FOR MARCH 29

Funds to Complete 270 Miles REA Lines Expected Soon

Proposal Is To Issue \$190,000 in Revenue Bonds

Committee Are Practically Assured of Funds

Local Group Return to Littlefield After Attending Convention

C. W. (Jack) Smiley, President of the Lamb County Electric Co-operative, Oren Kirk, Vice-president, Doss Baker, a director, Horace Walker of Olton, and Charlie Sanders of Pettit, board members, returned home Monday from Buffalo, N. Y., where they attended the Rural Electrification Co-operative national convention, and conferred with Administrator Claude R. Wicker, in an effort to secure additional allotment for the completion of 270 miles of line, application of which was sent to Washington and approved last year. On account of this extension \$50,000 was allotted Lamb County several weeks ago, but which will not go far towards the project, according to Smiley.

In an interview with Mr. Smiley Tuesday he said the local committee was practically assured that remainder of the allotment for construction of the 270 miles extension would be granted in the very near future, adding that in his opinion much good has been accomplished for the local REA Co-operative from the trip to Buffalo. Mr. Smiley recalled that the Senate on March 1 approved legislation, which had already been passed by the House, making a hundred million dollars available to REA for the remainder of this fiscal year. It is from his fund that the local REA Co-operative expects to get the allotment granted to complete the construction of the above extension.

The Committee at Buffalo contacted several of the REA officials, including the Administrator, on matters pertaining to the local Co-operative. The officials asked that the local Co-operative make an overall survey of the area to be served by this Co-op. and design all future building on a plan that will give service to all on the line being constructed, as it costs the Co-operative approximately \$50.00 each time it starts or ends a line, and later extends this line.

Regular Monthly Singing Friday

The public is cordially invited to attend our regular monthly singing at the Littlefield Drive Church of Christ, Friday the 15th. Services begin at 7:30 P. M. We are expecting a large crowd, with several of town singers.

Delta Kappa Gamma Members are Entertained Here

One of the most outstanding social events of the week was that of the luncheon held Saturday, at 12:30 o'clock in the dining room of the Baptist church when local members of Gamma Iota chapter of the Delta Kappa Gamma Society were invited to members from eight adjoining counties. Forty-three were present.

6,333 Votes Cast in Three-Cities Ballot Contest

Littlefield Receives 4,311 Votes; Official Canvass Pending

Lamb County went to the polls Saturday and voted in favor of the removal of the county seat from Olton to Littlefield.

Complete unofficial returns give Littlefield 4,311 votes, which is 89 votes over the necessary two-thirds majority, and a percentage of 68 2/3.

Amherst, which sought removal of the county seat to that city, received 789 votes.

There were 1,229 votes cast to retain the county seat at Olton.

Total 6,333 Votes Cast
The Commissioners Court met at Olton Monday, ready to canvass the returns of the election, but it was necessary to partially postpone this official act because the Olton election judge had not made his return.

There was a total of 6,333 votes cast in the election, including three for South Sudan and one for Fieldton. These were cast in the South Sudan and Fieldton boxes. Apparently these voters decided that they would like the court house close to home.

The vote Saturday established a record. The old record was approximately 5,400 in the 1932 court house election.

- Returns by Precincts
Returns by precincts were as follows:
- Precinct 1, Olton: Littlefield, 16; Amherst, 9; Olton, 1,043.
 - Precinct 2, Earth: Littlefield, 72; Amherst, 73; Olton, 44.
 - Precinct 3, Spade: Littlefield, 353; Amherst, 5; Olton, 8.
 - Precinct 4, Sunnyside: Littlefield, 229; Amherst, 5; Olton, 0.
 - Precinct 5, South Sedan: Littlefield, 284; Amherst, 73; Olton, 45.
 - Precinct 6, Pleasant Valley: Littlefield, 9; Amherst, 22; Olton, 8.
 - Precinct 7, North Sudan: Littlefield, 28; Amherst, 13; Olton, 2.
 - Precinct 8, Amherst: Littlefield, 38; Amherst, 443; Olton, 0.
 - Precinct 9, Fieldton: Littlefield, 116; Amherst, 23; Olton, 3.
 - Precinct 10, Sod House: Littlefield, 12; Amherst, 44; Olton, 0.
 - Precinct 11, South Olton: Littlefield, 42; Amherst, 9; Olton, 0.
 - Precinct 12, South Littlefield: Littlefield, 2,206; Amherst, 12; Olton, 5.
 - Precinct 13, Pep: Littlefield, 121; Amherst, 4; Olton, 1.
 - Precinct 14, Hart Camp: Littlefield, 58; Amherst, 22; Olton, 11.
 - Precinct 15, Spring Lake: Littlefield, 66; Amherst, 12; Olton, 57.
 - Precinct 16, North Littlefield: Littlefield, 661; Amherst, 15; Olton, 2.

Lamb County Teachers Assn. Meet Here Monday

The Lamb County Teachers Association, of which Supt. Fred Miller is president, met in a business session and program Monday night at the High School Auditorium. An all musical program, in charge of Supt. Roy Stevens, Supt. Amherst Schools was enjoyed as follows—two numbers by high school sextet, clarinet solo by Lt. Allan Winston; piano and bell Lyre duet by Misses Minajo Dunn and Linda Matthews, and two vocal numbers by high school students of Sudan.

Funds Are Needed to Provide Water, Sewer Extensions

Littlefield residents will go to City Hall Friday, March 29, and vote on a proposal that the City Commission be authorized to issue water and sewer revenue bonds totaling \$190,000. Of the total amount, \$28,500 would be used for the purpose of paying off, refunding and cancelling \$28,500 of the bonded indebtedness of the city's water system, and the balance of \$161,500 would be used for the purpose of improving, enlarging and extending the city's water system and the city's sanitary sewer system.

Strictly Revenue Bonds
The bonds would mature serially over a period not exceeding 25 years, are strictly revenue bonds, and both principle and interest would be paid out of the revenue of the city's water system and the city's sanitary sewer system.

The election will be held at City Hall. The election officials will be Arthur Jones, presiding judge; R. W. Badger, judge; Mrs. Robbie Pass, clerk; Mrs. J. H. Barnett, clerk.

Mayor Makes Statement
Mayor A. C. Chesher said that it was desired to issue the bonds at this time in order to provide much needed additional water and sewerage facilities, largely because of the rapid growth of the city; also in order to provide employment because of many men returning from the service.

Mr. Chesher pointed out that the issuance of the bonds would not increase taxes because they are revenue bonds and that the interest and principle would be paid out of revenue from the city's water and sewer departments.

Elton Hawk and Harry Williams Buy Main St. Phillips 66 Service Station

Elton Hawk, who formerly owned and operated Main Street Phillips 66 Service Station for a number of years, and Harry Williams, connected with service stations here also for sometime, have purchased the lease and equipment of this Service station on Phelps avenue, and are now in possession of same.

Mr. Hawk has been in the service over two years, with the Navy as Machinist's Mate second class, and was stationed on Okinawa, Guam, etc. After the war he spent sometime on Okinawa doing rescue and salvage work, and experienced the typhoon of October, 1945, when 15 or 18 ships were sunk and 123 ships washed ashore and damaged. Mr.

Hawk reports the wind blew 150 miles an hour.

Mr. Hawk was awarded the American Theater and Southwest Pacific ribbons.

Mr. Williams served five years in the Army. He was stationed about two years in India, and went through the Burma campaign with the Mars Task Force, and took part in the reopening of the Burma road. He served with the 124th Cavalry. He was awarded five bronze stars.

Both these young men express pleasure at being back in Littlefield and invite their friends and former customers to visit them for their automobile needs.

To Double Dormitory Capacity

A new step in the program to double dormitory capacity at Texas Technological College will be taken March 30 when directors meet in Fort Worth to open and possibly approve bids for erection of four new housing units.

C. M. Lance Now Connected With Woods & Armistead

Drs. Woods & Armistead have announced the association of C. M. Lance in charge of the lens laboratory in their offices. Mr. Lance has been recently discharged from the Armed Forces after 36 months service of which 30 months were spent in the Southwest Pacific. He is a skilled lens grinder having been employed by the Riggs Optical Co. of Amarillo, Texas, previous to his entry into the Armed Forces and having served in the same capacity during his entire military service.

Drs. Woods & Armistead consider themselves fortunate in having been able to secure the services of this highly skilled technician who will add greatly to the services rendered by their offices.

Mr. and Mrs. Lance are living at 121 Montecello street, Littlefield.

Reports on Meeting of Church Women

Mrs. A. B. Haynes returned Fri-
day from San Antonio, where she at-
tended the State meeting of the
Texas Council of Church Women of
which she is chairman of the 13th
district and to which office she was
re-elected.

The meeting convened at the Cen-
tral Christian church and lasted un-
til Thursday afternoon.

According to Mrs. Haynes the
meeting was very inspiring and the
annual reports, given of the project
work, were very interesting. These
projects are: East Asia Relief, Up-
lative.

Mrs. I. D. Covey, of Dallas, state
president, presided over the meeting
and Mrs. Harper Sibley, of Rochest-
er, N. Y., national president was in
attendance and was the principal
speaker during the session. Mrs.
John Hanna, of Dallas, was present.

CARD OF THANKS

We wish to thank our friends and neighbors for their many acts of kindness and expressions of sympathy extended during the illness and at the death of our beloved father and husband, C. C. Thompson.

We especially want to thank those who prepared and brought the food, the doctors and nurses at the Payne-Shotwell Hospital for their kindness and untiring efforts in administering to his illness and comfort, and all those who contributed to the beautiful floral offering. May God bless each and every one of you.

WE THANK YOU!

We wish to thank our many friends in Spring Lake and over the county for your many kindnesses, and expressions of sympathy, at the loss of our son, S/Sgt. J. W. Bartee, killed in action over Germany on March 6, 1944.

We appreciate more than words can tell your interest in our son and his welfare during the time he was in combat action; and later your kind co-operation and friendship, which assisted us greatly in our sorrow.

Also, we are appreciative and thank one and all from the bottom of our heart for your attendance at the Memorial Service, and the love and devotion shown us by everyone around us.

Mr. and Mrs. R. O. Bartee

ARRIVES HOME DISCHARGED

Sgt. Harold Pollard, son of Mr. and Mrs. L. E. Pollard of Enochs, received his discharge Friday March 1 at San Antonio, and arrived home the following Sunday.

He had been in the service since August, 1942, nearly four years, and overseas 27 months in the European area. He received a back injury in England when a truck ran into a tank on which he was riding, in the blackout in England. Sgt. Pollard was with the ground crew of the Anti-aircraft.

Since he arrived home he has not made up his mind what he will do, according to his mother, who visited the Lender office Saturday.

CARD OF THANKS

Words cannot express our appreciation and thanks to our friends and neighbors for their many acts of kindness during the illness and at the death of our loved one, Mrs. Zula Jones.

We especially wish to thank all those who extended personal acts of kindness to her while alive; those who prepared food, and the friends who contributed to the lovely floral offering.

Every kind act will long be remembered by us and we wish to thank one and all.

John H. Powell Honored at Birthday Dinner Recently

The Powell home in the Beck community was the scene of a birthday dinner honoring John H. Powell on his 63rd birthday Sunday, March 3. Present for this happy occasion were children and grand-children as follows:

Mr. and Mrs. M. L. Chisholm and family, all of Sudan; Mr. and Mrs. Forrest Powell and family; Mr. and Mrs. C. H. Powell and family; Mr. and Mrs. Olin Powell and family of Beck Gin.

The huge white frosted birthday cake, which centered the table, was furnished by Mrs. Sebring, daughter of Mr. Powell of Sudan.

Several group pictures were made. Everyone enjoyed the occasion, especially Mr. Powell.

Is Recent Bride

Mrs. George Olen Ross

Mrs. George Olen Ross, who was Miss Maxine Deardorff, daughter of Mr. and Mrs. L. George Deardorff of Lubbock, before her marriage which was read at First Christian Church Wednesday, March 6. Capt.

Ross is to be stationed in Virginia, and the couple will be at home at Quantico, after a trip to the East. Capt. Ross is the son of Mr. and Mrs. George Ross of this city.

ENROUTE HOME

Mrs. Baxter Flemmons received a letter from her husband Saturday dated March 3 to the effect that he was leaving Manila for home. She is, therefore, expecting him to arrive in the States soon.

Mrs. Henry Banks and sons, Billie Frank and Bobbie, visited relatives in Lubbock Friday.

Miss Joy Beauchamp and Cpl. Huggins Wed at Grand Forks, N. D.

Miss Joy Beauchamp, daughter of Mr. and Mrs. B. A. Beauchamp of Friendship, became the bride of Cpl. William M. Huggins, U. S. Army, on Saturday evening, Jan. 26, her parents have announced.

The double-ring ceremony was performed in a candlelight setting, by Rev. Karl Brockhaus, and took place at the home of the bridegroom's parents, Mr. and Mrs. William J. Huggins of Grand Forks, N. Dak.

A gown of ivory satin with train and fingertip veil was chosen by the bride, and she carried a white prayer-brook topped by ribbon shower bouquet of roses and lilies of the valley. Miss Marjorie Chase, maid of honor, was gowned in yellow crepe with tallisman rose corsage.

Warren Schue was best man. A reception was held immediately after the ceremony, then the bridal couple departed for Salinas, Calif., where he is stationed. They plan to live there for the present.

After Cpl. Huggins receives his discharge from the Army, he and his bride will return to Grand Forks, where he intends to complete his work at the University of North Dakota.

Mrs. Huggins is a graduate of Sudan High School, class of 1942, and has been employed in the office of the County Superintendent of Schools in Salinas for the past year.

More Than Hundred Members of Sudan City Library

More than one hundred memberships in Sudan City library have been sold for the year 1946. Mrs. E. J. Stone, library chairman of the 1935 Study club, has announced.

She emphasized, however, "We are still offering annual memberships, and hope many more persons will purchase them at City Hall, for \$1.

"Reading is such a wholesome, beneficial type of recreation, it ought to be generally encouraged as a phase of community life," she added.

Mrs. Joe Guthrie, who has been living in a trailer house at Wichita Falls, Texas, recently while her son, Robert Earl is attending Hardin Jr. College at Wichita, underwent a minor operation Saturday morning, March 2, and is getting along as well as can be expected.

Miss Bullard and Lloyd A. Allsup Wed at Lubbock

Miss Mildred Bullard, daughter of Rev. and Mrs. Jack Bullard of Morton, became the bride of Lloyd A. Allsup, son of Mr. and Mrs. Roy C. Allsup of Morton in a ceremony read Saturday, March 2, in the home of the bridegroom's sister and husband S/Sgt. and Mrs. Howard E. Pharr, 1802 Seventh, Lubbock, by Rev. Jeff D. Welch.

The couple stood before the fire place which was decorated with white candles, pink gladioli and fern. Attendants were Mr. and Mrs. J. C. Reynolds, and Mr. and Mrs. P. B. Passmore, Jr., all of Morton.

Weldell Welch, pianist, played "I Love You Truly," "Always," and wedding marches.

The bride wore a gray suit with navy blue accessories and a corsage of white gardenias.

A reception followed in the Pharr home. The lace covered refreshment table was centered with sweet-peas and fern. The couple left immediately for a trip to points in New Mexico, El Paso and Old Mexico. They will be at home in Morton.

Both the bride and bridegroom are graduates of Morton High School.

Rev. and Mrs. A. B. Haynes went to Slaton Sunday afternoon where Rev. Haynes filled his regular appointment at the First Presbyterian church there. He fills the pulpit there the third Sunday evening of each month.

Ernest Sell and Joe Macha Observe Birthday Thursday

Following their usual custom Ernest Sell and Joe Macha celebrated their birthdays at a birthday supper given at the Joe Macha home southwest of town Thursday. The meal was served buffet style, following which the men played "42", and the women visited.

The large table was laid with white linen cloth, and a sumptuous meal was enjoyed by about fifty present.

Mr. Sell's birthday falls on March 7, and Mr. Macha's the next day. Each year they observe their birthday at either of their homes.

Those attending were: Mr. and Mrs. Walter Timian and Betty; Mr. and Mrs. George Harms and Lillie; Mr. and Mrs. Albert Cobia and family; Mr. and Mrs. Joe Macha and family; Mr. and Mrs. Ernest Sell and family; Mr. and Mrs. Frank Vanek and family; Mr. and Mrs. Joe Poltyn and family; Mr. and Mrs. Albert Neuschwander; Mr. and Mrs. O. L. Schlotzman and Henry; Mr. and Mrs. Ruben Birkelbach; Mr. and Mrs. Rudolph Brenek and family; Mr. and Mrs. Werner Birkelbach; Mr. and Mrs. Frank Lehman and Deloris; Mr. and Mrs. Herbert Dolle and family; Mr. and Mrs. Herman Miller and family; Mr. and Mrs. B. D. Birkelbach and family; and Miss Emma Sell.

When all parted they wished Ernest and Joe many more birthdays.

Miss Bety Faye Baker and Pvt. Laye A. Ward Wed

Miss Betty Faye Baker became the bride of Pvt. Laye A. Ward Friday, March 1, in a beautiful double ring ceremony at the Littlefield City Hall, performed by Judge Joe W. Jennings of Littlefield, at 7 o'clock in the evening.

The bride was attired in a fuchsia dress with lace and lime accessories. For "Something borrowed" she wore a set of pearl combs belonging to Miss Billie Evitt.

The couple were attended by Mrs. Moye Williamson and Virgil and Roy Ward, brothers of the groom.

Mrs. Ward is the daughter of Mr. and Mrs. Ross Morgan of Littlefield. She attended Littlefield schools and is employed by the Little Drug Store.

Mr. Ward as a son of Mr. and Mrs. Mac Ward of this city, and is stationed at Fort Stockton, Cal. He has been in the service three months, and was recently home on a 15 day furlough, leaving Saturday for Fort Stockton, California.

Oklahoma Ave. H. D. Club Meets in Dubose Home

The Oklahoma Ave. H. D. Club met in the home of Mrs. M. M. Dubose, our club mother, for the meeting of March 8th which was an all day affair. Every one brought hand work and exchanged patterns for aprons, embroidery and crocheting.

A covered dish was brought by fifteen members, who enjoyed a very delicious dinner.

During the afternoon, ten new members arrived for the Demonstration on Growing Flowers, given by Mrs. E. E. Huggins and Mrs. C. M. Huggins, followed by an open house discussion on Control of Insect enemies of the flower garden. At the close of the meeting, games were played and enjoyed by twenty-six members and one visitor.

Our next meeting will be March 22nd in the home of Mrs. Geo. Ross.

The distance between the two most remote points in Texas is considerably greater than that from Chicago to either the Atlantic Ocean or the Gulf of Mexico.

Negro Minstrel Staged at Hart

Members of the Hart Camp school board proved their interest in the welfare of the school to the extent of backing their faces and putting on a negro minstrel, at the school auditorium, Friday evening at 8 o'clock. They were assisted by some of the wives of the board members.

A large attendance was also evidence of the interest manifest by the patrons.

The affair was repeated Tuesday evening at the Spade School auditorium.

Proceeds will be used to purchase a new cook stove for the school kitchen.

The program was interspersed with songs. Violin numbers were rendered by Charles Timmons who was accompanied by his daughter, Peggy Ann, at the piano.

A reading was given by Mary Ann Corey.

Those participating in the minstrel were: L. W. Sullivan, J. W. Johnson, Sherwood Taylor, Fay Moore, Paul Teal, Aubrey Neinst, T. Mote, Mr. and Mrs. Bill Nicholas, Mr. and Mrs. Lewis Ball, Mr. and Mrs. Scott Prather, Miss Wright and Mr. and Mrs. Lonnie Neinst.

Presbyterian Ladies Meet Tuesday Evening

Group two of the Ladies' Auxiliary of the First Presbyterian church met Tuesday evening in regular session at the manse.

Mrs. A. B. Haynes served a well appointed dinner to the group and the program followed with Miss Lavern Hayhurst, leader. His subject was, "Dissolving Distance." She was assisted by several members of the group.

Those present were: Mesdames, Ben Porcher, Fred Gerlach, B. W. Armistead, A. Hodges, E. C. Hodges, O. P. Wilemon, A. B. Haynes, Willie D. Nichols, Ruth Buell, H. W. Wiseman and Mrs. C. A. Joplin; Misses Erna Douglass and Lavern Hayhurst.

Miss Sanderson Hostess to Junior Study Club Thursday

Miss Bernice Sanderson was hostess to the Junior Study Club Thursday evening, of last week.

Miss Lavern Hayhurst was leader for the meeting and spoke on interior decorating, stressing the appropriate use of color.

Refreshments were served to the following: Misses Ruthie Dugal, Francina Blevins, Ruth Griffin, Lavern Hayhurst, Alma Allen, Alma Fay Henry, Clara Jarnson, Margaret Coffman, Erna Mae Hill, June and Thelma Wren; Mesdames Dick Carl Edward Betts, Hugh McKinley, Olene Gibson and Oley Robbins.

Veterans Farm Machinery Setup Undergoing Change

The procedure for Issuing Veterans Preference certificates for Farm Machinery and Equipment has been changed and veterans should note the changes in the procedure. Certificates issued to veterans to February 20th must be presented to dealers by March 20th and after February 20th must be presented to a dealer within 15 days of date of issue and become void 60 days from date of issue. Additional day periods may be granted by the issuing county committee upon written request by the veteran. Under the new set-up the veterans substantiate their claims that side arrangements have been made to begin farming operations.

Dairy Feed Payments Will Be Made

Dairy Feed Payments will be made for the months of January-February-March, 1946, upon receipt of proper evidence of sales at the Triple A Office after March 31 and prior to May 31. By presenting to the county committee at the time they file their applications a rental contract, deed, or statement signed by the landlord on the farm certifying they are farming or plan to farm this year. It is still necessary that veterans Applying for Preference Certificates present their discharge papers when making applications at the AAA Office. Gene Sarazen began his golfing as a caddy.

Crop Insurance Here to Stay

Cotton crop insurance policies taken out this year will continue in effect on crops in succeeding years, B. A. Ball, County ACA Committee chairman, pointed out. "From now on, cotton crop insurance will work just like other kinds of insurance you buy in that the policy continues in effect until either you or the insurance company decides to discontinue it," he declared. "Congress has set up the program as a permanent institution of the government, and in my opinion crop insurance is here to stay." Mr. Ball said that the policy will continue in effect from year to year unless either party gives written notice to discontinue by January 31, except in cases of yield or rate changes when notices must be given

Soil Conservation Applications Must Be Signed Soon

Several Lamb County producers have not signed their 1945 Applications for Soil-Conservation payment to date. These producers should call at the Triple A Office at their very earliest convenience to sign the applications in order that they may be completed and forwarded to the State Office for audit and payment. by the closing date for signing applications. Deadline for signing applications is April 25th, although the producer must sign up before he seeds his crop. Applications may be obtained from the County ACA office.

Irish Potatoes New Crop on High Plains

The Texas Agricultural Experiment Station recommends that commercial fertilizers for Irish potatoes in the High Plains area of Texas be applied at the rate of 600 pounds of 8-12-4 or 800 pounds of 6-8-4 fertilizer per acre. A tremendous increase in the number of irrigation wells dug recently, and the newness of pump irrigation are taken by D. L. Jones, superintendent of the Lubbock substation, to indicate an eventual increase in High Plains acreage devoted to some intensive crop with potentially high returns. Irish potato production is a comparatively new crop in the High Plains, and an active demand and high prices received during the war period preclude any forecast as to

TURN TO THE CLASSIFIED PAGE

Poultry has become one of the most important sources of income for many farmers in the Panhandle-Plains and Pecos Valley area. Poultry of all kinds get along fine in our climate... plenty of low-cost feed for them and an abundance of fresh, clean water, too.

Experts tell us that this is the ideal territory to raise all kinds of poultry because it has everything. Yes, everything—including plenty of low-cost, dependable, electric service for incubation, brooding, lighting and other services for poultry raising.

It Won't Be Long Now!

Bitsy Signor Is Honoree at Birthday Party Saturday

Mrs. Charles Signor entertained a group of children Saturday afternoon March 2 at their home on Pep Highway, honoring her little daughter, Bitsy Signor, on her fifth birthday. Games were enjoyed outdoors, following which the beautiful white birthday cake iced in pink and green was cut, and served with ice cream, to the little guests gathered. The honoree was the recipient of a large number of much appreciated gifts. Attending the party were: Chip Payne, Alex. Duggan, Finetta Packwood, Paula Sue Jensen, Don Watkins, Judy Christian, Walter Buell, Cindy Signor and the honoree, Bitsy Signor.

Memorial Service Held for T-Sgt. J. W. Bartee

Memorial services were held Sunday afternoon at 2:30 at the Methodist Church in Earth for T/Sgt. J. W. Bartee, USAAF. Bartee was killed in action over District of Zauch, Belzig, Germany, March 6, 1944. He is buried in the cemetery at Brauchwitz, District of Zauch, Belzig, March 10, 1944. He was born February 4, 1920. J. W. is the son of Mr. and Mrs. R. O. Bartee of Houston, formerly of Olton. Mr. and Mrs. R. O. Bartee and Mr. and Mrs. Kenneth Luternow all of Houston was present for the services. Mrs. Luternow is a sister of J. W.'s.

Jimmy Nelson Honored on His Second Birthday

On Saturday afternoon, March 2, Mrs. Ralph Nelson honored her little son, Jimmy, on his second birthday with a party in her home, 715 Leveland Road. Soon after the small guests gathered, Jimmy opened his array of gifts. The new toys were then added to an assortment of others in the Nelson backyard, where the children played with them for sometime. Later in the afternoon Jimmy entertained his guests by singing and reciting for them. After a number of group pictures were taken, the youngsters gathered around the dining table. In the center of a white cloth was a beautiful cake. On a background of white icing was an arrangement of green leaves and pink roses and the greeting "Happy Birthday, Jim" in pink longhand. Centering two of the flowers were tiny white candles. After the guests sang the usual birthday greeting, the little host blew out the candles. Mrs. Nelson then served punch, cake and gaily colored candies. A Walt Disney theme was featured with the use of "Bugs Bunny" napkins and "Porky Pig" coasters.

The guests were Frances Louise Rogers, Freddy Carol Gerlach, Glen Harvey, Jimmy Howell, Michael Houston, Hilton Hemphill, Sherman Gainer and Bobby Crawley. Arriving for refreshments, but older than the other tiny tots, were George Ann Gerlach and Richard Houston. Gifts and cards were also sent by Carolyn Houston, Mr. and Mrs. E. B. Luce, grand-parents of the honoree, Jerry Watts, Patricia June Cloud of Houston, Texas, Carolyn Crump of Friona, Texas, and Linda Kay Godfrey of Memphis, Texas, all cousins of Jimmy, and Diane Focannon of Arlington, Va. The highlight of the afternoon was the arrival of a telegram of birthday greetings from Mr. and Mrs. J. E. Smith of Dumas, Texas, also cousins of the honoree. Mrs. Nelson was assisted by Mesdames Durwood Howell, John Crawley and Glen Gainer.

Olton F. F. A.-4-H-Stock Show March 16

The Olton F. F. A. and 4-H livestock show to be held March 16, will offer the boys a chance of winning \$275.00 in prize money. First place in each class is 5.00, second place \$3.00 and third place is \$2.00. In

addition to this there will be a ribbon for each of the first three places and a rosette for grand champion of each division.

The show is to be held in the large barn in north Olton belonging to Jack Straw. The barn is in good shape for a show. The managers and the boys have cleaned it up, built pens, and a judgig arena.

A two o'clock there will be a sale of a registered boar, a registered Chester White boar and a registered Shorthorn bull. These animals have been donated to the boys to help pay expenses of the show and if you are interested in the good blood lines of these animals please try to be present for the sale.

Mr. and Mrs. Brannen Visit Friends Here

Mr. and Mrs. J. E. Brannen of Brownsville, Texas, accompanied by their daughter, Mrs. James Snyder, arrived in Littlefield Tuesday of last week for a few days visit with friends here. They also visited Mr. Brannen's sister at Muleshoe.

Mr. Brannen reports that Mrs. Snyder, the former Marguerette Brannen, met her parents at Fort Worth and accompanied them to Littlefield. Her husband has been discharged from the service, and is now employed as cashier in a bank at Albany, Texas, where the couple are making their home.

You aren't getting machinery, Mr. Farmer, because...

PICKET LINES

have taken the place of

PRODUCTION LINES!

...so don't blame your Implement Dealer!

YOUR implement dealer had planned and expected to have his display floor filled with new implements and tractors weeks ago. And we had planned to make them—had told our dealers and our farmer customers they would have new equipment and plenty of service parts for the 1946 spring work. And we had hoped to sell these machines at no advance in price.

Real Production Had Started

When the war ended, our organization bent every effort to increase production, with the result that in the last months of 1945 machinery was being built in very substantial quantities. Here are a few figures:

ITEM	PRODUCTION	
	NOV. 1945	DEC. 1945
Tractors.....	7,271	7,432
Combines.....	2,345	2,526
Cultivators.....	3,482	3,308
Hay Loaders.....	209	982
Plows.....	6,185	6,702*

*Plows are made in our Canton and Chattanooga Works, which are not on strike. January production was 7,747 plows.

Both your dealer and we were encouraged by this production picture at the turn of the year. But the strike changed all that. As you know, the CIO United Farm Equipment & Metal Workers of America called a strike in ten of our plants, on January 21, 1946.

What is The Strike About?

Wages are a basic issue. At the time of the strike, Harvester employees were among the highest paid workers in American industry. When the strike began, the average hourly

earnings in the ten plants, not including overtime, were \$1.15½. If present wage proposals are adopted, this figure will become \$1.33½ per hour.

When the strike began, negotiations were broken off by the Union on the issue of compulsory union membership. The Company has no desire to weaken the Union. It recognizes certain reasonable needs of the Union. But the Company does oppose compulsory unionism. It feels strongly that an employee's membership should be a matter of his own choice.

Material Costs and Price Relief

Wages and materials are the great costs of operating our business—together they consume all but a few cents of every dollar the Company takes in. Wages are obviously going to be high—and nobody knows just how high material costs will go.

In the face of rising costs of materials, the Company does not see how it can pay the wage increases recommended by a Government fact finding board until it has definite and satisfactory assurance from the Government that reasonable price relief will be granted to the Company within a reasonable period of time. This matter is of such importance that it will not be discussed here, but will be covered by future advertisements devoted to both prices and profits.

Speaking for our dealers and ourselves, we can assure you that no customer is more eager than we are to resume production. We are doing and shall continue to do everything in our power to bring about a fair settlement as soon as possible.

**SIDELIGHTS FROM
WASHINGTON**

By CONG. GEO. MAHON

This is being written as I return by train from Perryopolis, Penn., where I have been to attend the funeral of Cong. J. Buell Snyder, who died suddenly at the age of 68. Mr. Snyder was chairman of the House Subcommittee on Military Appropriations.

Having served on this subcommittee myself with Mr. Snyder, I was one of the group appointed by Speaker Rayburn to attend the funeral. Several Pennsylvania members, including Senator Guffey, were present. The Secretary of War was also in attendance.

It was Mr. Snyder's committee that handled the atomic bomb project, appropriating the money and cooperating with the War Department on the venture. One of the highlights of my association with Mr. Snyder was in connection with this subject and the trip which we made through the atomic plant in Tennessee last May.

Mr. Snyder had long been a resident of Perryopolis, a little town of 1,500 people in an agricultural and coal mining area of Pennsylvania. There was character and kindness in the faces of the people at the funeral. I was reminded once again that the rural areas and little towns make a large contribution to the greatness of America.

Today the House Appropriations Committee put the final touches on the Annual Agricultural Appropriations Bill. The bill is scheduled to be voted on in the House on March 6th and go to the Senate for action there.

Some of the provisions which we have put in the bill which will interest West Texas are following:

AAA funds which are paid to producers for co-operating with the Soil Conservation program will be about the same as last year—\$300,000,000. This is, of course, the largest single item in the entire bill.

An additional \$250,000,000 is provided the REA for the fiscal year beginning July 1, 1946. When this is added to other funds recently made available, it will insure a tremendous expansion in rural electrification.

The sum of \$25,000,000 is pro-

posed for loans to veterans who wish to buy farms under the Farm Security Administration. An additional sum of the same amount is proposed for the regular loan program to farmers seeking to purchase farms under the F. S. A.

The sum of \$1,000,000 is provided for the purchase of surplus dirt-moving equipment by the Soil Conservation Service for loan to the Soil Conservation Districts.

Months ago I thought we were going to be able to get large quantities of surplus dirt-moving equipment from the Armed Forces to the Soil Conservation Service for the use of local Soil Conservation Districts. Unfortunately our efforts in that direction have thus far been blocked.

The Appropriation Committee, in my judgment, made a serious mistake in failing to grant the total sum requested by the Department of Agriculture to combat the pink bollworm. The pink bollworm has a firm foothold in the Rio Grande Valley and Old Mexico, and is the most dangerous pest known to cotton produc-

tion. A few pink bollworms have been discovered from time to time in our 19th Congressional District, and certain precautions have been taken. However, our winters are sufficiently cold that the threat to the West Texas-Plains area is not so great as

in the milder climate in East Texas and the Old South.

If the major cotton producing areas of the South should become infested with the pink bollworm, the consequences would be disastrous, according to officials of the Department of Agriculture.

Looking Ahead at Farm Land Prices

Appearances do not suggest that a decline in the prices of Texas farm land is in the offing. Accordingly, says Tyrus R. Timm, economist in farm management, for the A. and M. College Extension Service, families looking for a break before investing wartime savings in land may have to wait beyond 1946 to get it.

Average farm land values on July 1, 1945, he explains, were above their 1920 levels in one sixth of the states and equal to or above 1919 levels in one half of them. The trend in Texas was revealed in a sampling of three representative counties by the Texas Agricultural Experiment Station, showing that farm land prices went steadily upward in the third quarter of 1945. But a significant factor was noted in an increase in cash buying, Timm says. Tenant buying which usually is low at this season, showed an increase over the previous year in two of the sample counties.

A more desirable trend was indicated in this quarter, however, in the fact that more buyers indicated intention to operate the tracts purchased and non-

farmer sellers still were on the increase.

Timm explains that during the war farm and ranch leaders in and out of the government cautioned about the consequences of the existing land boom. One of the hopeful signs for control was efforts to enact a stiff capital gains tax to stop speculative buying. The principle embodied was to tax away practically all of the profits if a farm was resold within two years or some other specific period during the emergency.

Ceiling prices also are under consideration. But because of the many "variables" in a piece of farm real estate ceiling prices probably would affect only sales after "the next one." That is to say, the first sale would become the ceiling for the emergency period with allowance for improvements.

A third, or voluntary method, is through education. Throughout the war county agricultural agents and other farm leaders discussed causes and effect of land booms with their farmers. "An attack on the 'land boom' itself likely will bring little result," Timm says. "The solution to the problem will come through a solution to the general inflationary problem."

Lacrosse, known earlier as baggat-away, is the oldest game played on the North American continent.

Burgomaster, 1300 pound two-year-old race horse, was the largest horse that every trod a race track.

Zanesville, Ohio, was designated by the Literary Digest as the typical American city.

15-STORY "TEST TUBE" DESIGNED BY FRANK LLOYD WRIGHT

A fifteen-story glass tower, designed by the famous architect, Frank Lloyd Wright, is the feature of a modern wax research laboratory to be built this year in Racine, Wisconsin, it was announced today by Herbert F. Johnson, Jr., president of S. C. Johnson & Son, Inc., of Racine. Johnson said:

"Our new building, which will mark the 60th anniversary of the founding of our business, will be a companion to the Johnson Administration Building which was also designed by Wright and completed in 1939. It will give us unsurpassed facilities for the development of better wax products for home and industry, and at the same time represent, I believe, as great a contribution to

business architecture as did our first Wright building."

The new Johnson's Wax Laboratory is a compact, tall stack, rising 156 feet in the air, serviced directly from a circular masonry stem connected to floors at the center of each of the fifteen levels that make up the building. Each level is to be brilliant with sunlight in every part and air conditioned, heated, serviced complete from the central shaft.

Wright believes that the new Johnson Research Building will prove an inspiring example for American business—"inspiring business to make itself more effective by making itself more presentable."

Sudan Party Staged St. Patrick's Day

Sudanites ushered in the month of March, which includes St. Patrick's day on the 17th, with a timely dinner dance in honor of this patron saint at Amherst hotel Friday night, Mar. 1. The party began at 8 p. m.

Five couples collaborated on host and hostess duties, Mr. and Mrs. U. H. Mileur, Mr. and Mrs. L. E. Slate, Mr. and Mrs. Herman W. Lyle Sr., Mr. and Mrs. Guthrie Allen and Mr. and Mrs. Simon Hay. The Lyles, Alcines and Slate each headed one of the tables arranged in shape of a W.

Green, traditionally symbolic of Ireland's St. Patrick, was prominent in dinner table decorations for the affair, such as trailing lines of ivy, candles, and place settings. Even the menu featured appropriate touches of green-tinted appetizer, salad and ice cream dessert.

Following the dinner, which was attended by 74 guests, an evening of modern and old-fashioned dancing was enjoyed.

Hop Halsey's western orchestra of Lubbock, which has a daily noon-time radio program, played for dancing. Ves Terry "called" several square dances during the evening.

Out-of-town guests included Mayor and Mrs. Overton, W. Ribble of Lubbock, formerly of Sudan; Mrs. Clem Dean of Lubbock; Mr. and Mrs. Les Lagrange of Amherst, Mr. and Mrs. Tye Young, Mr. and Mrs. Howard Elliott, Mr. and Mrs. Milton Forbes, all of Muleshoe. All the rest of the guests were local residents, and included three officers and their wives, Capt. Chris Furneaux Jr., Capt. W. H. Lyle Jr. and Lieut. Jack Stone, all home on leave at the present time.

Mr. and Mrs. R. K. Smith, Lt. A. O. Smith and brother, Clarence Smith all of Avery, North Texas, arrived recently spending a few days visiting in the home of their son and brother, Otis Smith and Mrs. Smith. The Avery party, enroute here, visited relatives at Quanah, Texas.

Last Rites for Mrs. W. C. Masten

Funeral services for Mrs. W. C. Masten Sr., 81, were conducted at 3:30 p. m. Wednesday, March 6, in Sudan Methodist church. She died early the day previous at South Plains Co-op hospital, Amherst, following an illness of about five years' duration.

Rev. M. A. Walker, pastor, officiated at the services, assisted by Rev. J. B. Baker, Amherst Methodist church, and J. A. Bristow, of the Church of Christ, Sudan. Interment was at Leon cemetery, Leon, Okla., at 2:30 p. m. Thursday.

Mrs. Masten, born in a province once governed by England, now part of Germany, came to the United States as a small child. She and her husband, whom she leaves, have been permanent residents of Sudan for three years, and formerly lived at Illinois Bend, Texas. They lived in a house two miles north of Sudan.

Mrs. Masten also leaves two sons, by her first marriage, Otto Harris, Leon, Okla., and Fred Harris, Laskis, Calif.; six stepsons, F. O. G. W., Robert of Sudan, Willie of Amherst, J. W. of Morton and Alton Masten of Hereford; three stepdaughters, Mrs. Arthur Frazier of Sudan, Mrs. C. N. McClure of Hereford, and Mrs. Dora Doty of Morton; three great-grandchildren and 20 step-grandchildren.

Funeral arrangements were made by Lee Payne, Amherst.

YOUR AUTOMATIC GAS WATER HEATER

FAITHFUL ALL THE YEAR ROUND

Turn the faucet. Almost before you can say Jack Robinson, there's a stream of piping hot water. It fills the tub quickly... and as you relax in that refreshing bath, you think how fortunate you are to own an automatic gas water heater.

There's nothing to it, either, when it comes time to do the dishes. Your pan is soon filled with clean, hot water which makes suds instantly for the task at hand. How much quicker dishes get done, you think, now that this automatic service is a part of your every day life.

And on wash days! There's the time when an automatic gas water heater is worth its weight in precious metal. A washer full of water heated to the right temperature... or a tubful or two... it makes no difference. Whatever you need is awaiting your turn of the faucet. It's all so easy, you say, when a faithful gas water heater provides your supply for you... without an effort on your part.

Summer or winter... spring or fall when it comes to automatic hot water you can't beat gas service!

Lt. Allan Winston Receives Discharge Effective May 20

Lt. Allan Winston returned Thursday from a two weeks' trip to California. He went through a rehabilitation program at Santa Ana, and enroute from that city to El Paso on a motorcycle purchased in California reports that he was forced off the road by a truck and was thrown from the motorcycle to the road, when near Riverside, Cal. He went to a hospital at Indigo for a checkup and X-rays, but apart from being badly bruised the doctors reported him alright.

Lt. Winston was able to proceed to El Paso, where he received his discharge effective May 20.

Lt. Winston reports that he ran in a sandstorm at Portales, N. M., and couldn't see 5 ft. in front of him; and also a bad sand storm and snow at Clovis.

MEMBER OF AIRBORNE DIVISION

Fort Bragg, N. S.—Cpl. Dorris E. Pierce of Littlefield, Texas, became a member of the much deconsted 82nd Airborne Division recently when personnel of the 326th Glider Infantry, 13th Airborne Division were transferred to the 325th Glider Infantry regiment.

As a member of the famed "All American" division, Cpl. Pierce is entitled to wear the Presidential distinguished unit badge in addition to the Belgian fourragere and the Dutch lanyard for the Military Order of William.

The 325th Glider Infantry, which returned from Europe in January, is beginning training as a regular army unit along with other organizations in the 82nd division.

Mrs. E. Pierce is the wife of Cpl. Pierce and lives here.

INJURED IN TRUCK CRASH

F. C. Broyles of Sudan is confined to a hospital at Perryton with a crushed pelvic bone. The injury incurred when his truck struck a roadside culvert early Thursday morning, March 7.

Mrs. Broyles and Mr. and Mrs. Joe Rone have gone to Perryton to be near him.

According to reports, the cab of his truck was caved in, and 30 minutes' work was required before Broyles could be extricated from the wreckage.

He was driving alone at the time, and was en route to Sudan with a truckload of corn he has transported from Nebraska for the local stockyard.

Spring Lake and Earth Go Over Top in Half Day

Spring Lake and Earth Communities continue to live up to their reputation of being "up and going" Communities when matters of a patriotic nature are to be put over, and as usual when they were called on to meet their Red Cross quota in "half a day," Earth and Spring Lake workers got out and raised the amount allotted to them in the scheduled time. These communities may be proud of the fact that they were the only communities which "went over the top" in the half day scheduled them. Congratulations to Spring Lake and Earth.

Mrs. H. H. Luke, who was ill six weeks with Rheumatism, and was a patient in the Littlefield hospital for ten days, is now at home, and taking treatments daily at the hospital. She is improving nicely, according to Mr. Luke.

Let's Tackle Inflation While We Can

You don't want your dollars to buy less and less and less!

You don't want your savings to melt away! Or the value of your life insurance to dwindle!

Yet that is what inflation can do to all of us. Therefore, thoughtful people everywhere are concerned with ways to smother it before it gets out of hand.

One major cause of inflation is a shortage of goods when people have money to spend for things they want.

That cause can be eliminated by the production of goods — fast — in quantity.

BUT THERE'S A BOTTLENECK

During the war there wasn't enough labor and materials to meet the needs of war and still produce all the civilian goods people wanted and could buy.

Therefore price controls on civilian goods were substituted for competition to keep prices down.

Today this country has all the labor and materials necessary to turn out the things people want.

Yet goods are still scarce. Store shelves are still bare. The national pocketbook continues to bulge. Inflation grows.

Why? Because price controls in peacetime hinder the production of goods. Business cannot live by producing at a loss. And so, goods that can't be made to sell at the prices fixed by the government just don't get made.

Nor will the raising of price ceilings solve the problem. When costs and selling prices are subject to change at any moment by government action, production has to be on a day-to-day basis.

That means uncertainty . . . reduced output . . . more inflation.

ISN'T THIS THE ANSWER?

Remove price controls on manufactured goods and production will step up fast.

Goods will then pour into the market and, within a reasonable time, prices will adjust themselves naturally — as they always have — in line with the real worth of things.

Competition has never failed to produce this result.

This is the way you can get the goods you want at prices you can afford to pay.

Please think this over. Then tell your representatives in Congress what you believe should be done. You owe it to yourself . . . and to your country's welfare

LET'S SMOTHER INFLATION...A postcard addressed to the National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y., will bring your copy of a booklet explaining in detail why price controls cause inflation.

Air Forces Work on Rocket Defense

Danger of atom bombardment of our great cities and industrial centers by long-range startosphere rockets may be considerably lessened if Army Air Forces efforts to "track" captured German V-2's by the use of moon radar and other devices are successful in experiments to be held this summer, Lt. Col. Robert L. Hardy, Commanding Officer of West Texas U. S. Army Recruiting District has stated.

In the desert setting of White Sands proving ground, New Mexico, the AAF will pit its "radar brains" against the V-2's. The rockets will be sent screaming 90 miles into the stratosphere by Army Ordnance; and the AAF, in co-operation with the Signal Corps, will attempt to plot their course from the moment of discharge to the moment of impact.

In attempting to track the rockets in flight from every possible angle, AAF technicians hope to determine which radar devices are best able to trace the arid route of these sky-torpedoes and how they may be intercepted in mid-air.

Since the autumn of 1943 when the first German V-2 landed accidentally in Sweden, the Air Forces has been working on rocket defense. The AAF hopes to come to some definite conclusions in the test this summer, but whatever conclusion may be made, the AAF will go on with its research until a way is found to stop the V-2's either by interception or by some other means.

HOME ON LEAVE

Pvt. Charles Chapman, son of Mr. and Mrs. Dee Chapman, who enlisted in the Marines in September of last year, and completed "boot" camp at San Diego, and has spent the past three months at a printing school at Quantico, Va., arrived home Friday on a seven days leave. This camp is only 32 miles south of Washington, D. C.

Charles reports that he operates a Chandler letter press during the mornings and goes to school in the afternoons.

Tennis tournaments at Wimbledon, England, date back to 1877.

Anton Farmers Practice Good Neighbor Policy

The Good Neighbor policy was put into practice recently when a group of farmers took their tractors and listed the land of R. F. Hollingsworth of five miles west of Anton. Mr. Hollingsworth has recently been discharged from the armed forces, but had been ill almost from the day he arrived home.

The tractors were all lined up by 8 A. M. and before mid-afternoon the last furrow had been run.

G. I. Families to Start Arriving Overseas April 1

Wives and children of GI's will begin to arrive overseas after April 1, Lt. Col. Robert L. Hardy, Commanding Officer of the West Texas U. S. Army Recruiting District in Lubbock, has been advised.

Berchtesgarden, scenic mountain retreat once favored by Hitler, will soon become the homesite for many of these American families. Soldiers' homes are being constructed in an area beneath Hitler's shattered eye. Berchtesgarden is one of the 56 cities selected by officials in Germany and Austria to house thousands of American families.

ONLY 36% SHORT
The Army Air Forces are only 36 per cent short of the 338,000 goal for enlisted men set for July 1, according to information received from West Texas Recruiting District Headquarters. Latest figures show a total of 217,000 men enlisted for regular service. Of this number 113,028 have signed up for a period of three years. Greatest single factor for the increase in enlistments was believed to be the policy of permitting personnel to retain their rank on a permanent basis upon re-enlistment in the Regular Army. Men leaving the service may re-enlist in grade within three months of discharge from active duty. Many other benefits are also offered to men choosing the Regular Army as a career.

Convention Hall in Atlantic City is the largest in the world, seating 40,000 persons.

A registered pharmacist is always at "Battle Station" in our Prescription Department, ready at all times to follow your doctor's orders for a counter-attack against illness. He is well-trained by study and experience; well-armed with fresh, pure-quality drugs of standard strength. Protecting you is his responsibility and he does not treat it lightly. He weighs and measures each ingredient to pinpoint accuracy. He checks and re-checks each step in the compounding of your medicine to guarantee that it will be letter-perfect with your doctor's specifications.
