

P-TA Carnival Scheduled For 5:30 Next Thursday

Festivities To Include Games, Food, Coronation Of Three Lovely Queens

Goblins and witches will be out early next week, for the P-TA Hallowe'en Carnival has been set for Thursday, October 29.

The big event of the school year is a lot of work, as well as a lot of fun and it takes plenty of hands, big and little, to make it a success. For that reason, Mrs. Cecil M. Johnson, junior high chairman, and Mrs. C. O. Greer, primary chairman, are announcing their plans and helpers this week.

Parade 5:30 Thursday
At 5:30 next Thursday afternoon, the big parade with school

children dressed in every imaginable costume will swing down Phelps Avenue from the courthouse, turning on 2nd Street to the school.

Mothers will be busy sewing, trying to help their children win the prizes to be offered for the most original costumes (boy and girl), the funniest boy and girl costume, the most typical Hallowe'en outfit, and the best story-

book character.

Mrs. Hill Rogers will have her hands full as chairman of the parade, assisted by Mrs. Paul I. Jones, Mrs. L. E. Sullivan, and Mrs. Estell Simpkins.

Queen Campaign Is On

Just as the mothers are busy, the children themselves are campaigning in earnest this week—with each room striving to get the most pennies so that its "queen" may be crowned at the climaxing coronation.

Following a decidedly clever program, the auditorium of the senior high school will be pack-

ed Thursday night with children and parents, all waiting to see the crowning of three queens—one for primary, one for Central School, and one for junior high school.

Mrs. J. George Thompson and Miss Twyla Pritchard have taken the responsibility of chairmanship of the coronation, but they will need the excellent help they will get from Mrs. Jed Clarida, Mrs. Dave Eaton, Mrs. Joe Vaughn, Miss Joyce Holden, and Mrs. L. N. Bridges.

Candidates Announced

Primary queen chairman is Mrs. Fred Underwood, assisted by Mrs. Elmo Jones, and candidates are: Sheryl Smith, Patricia Williams, Cynthia Phillips, Darla Ann Whitson, Jonell Tatum, Carol Ferguson, and Patricia Sneed

1st grade; Betty Jane Brown, Linda Kay Nelson, Ginger Carlisle, Donna Beth Harris, Rebecca Carter, Audrey Lou Teague, 2nd grade; Carol Best, Jane Dunagin, Nicki Bridges, Judy Eady, LaJean Richardson, and Vicki Nell Strawn, 3rd grade.

Mrs. G. M. Nickelson, chairman of the Central queen race, has announced these candidates: Deane Dunagin, Linda Jennings, Lena Naylor, Patricia Locker, 4th grade; Carmelita Webb, Rita Ann Askew, Stacey Hart, Joyce McLaugh, Betty Sue Thomson, Jo Harmon, 5th grade; Jane Hall, Kathy Slaughter, Alice Hill, Margie Williams, Judy Merrifield, 6th grade.

BULLETIN

Such small response was received from farmers for the TEC wage survey, that J. D. Jordan, local office manager, has announced another mailing this week. Cards are being sent to all cotton farmers, asking that they enter ACTUAL wages received by domestic workers in the field.

Without a response on these cards, there can be no district wage for Mexican Nationals set up for this area.

Every farmer who receives a card is urged to return it on Wednesday of each week, so that the sampling will be big enough to reflect actual wages being paid. If farmers do not cooperate, there will of necessity be a distortion of actual wages.

DOWN THE STREET

With Sam and Betty

A Stowaway
Mr. and Mrs. Stone to Lubbock yesterday, they didn't know they were accompanied by an animal passenger.

Stones stopped by Morrison station to have their car serviced. When Tommy, the attendant, opened the door, he found a live coon motor, grinning in a notably manner.

Tommy thought it was an old coon and threw a leather strap around the stowaway and him out of the car. Much to the surprise of the little animal, he is someone's pet.

Stones are anxious to find the owner. However, Tommy says he took him to his home and would like to keep him if no one calls for him.

Real Promotes

Next time we need an ad man, we'll look to some of the super-salesmen that are being put up in the senior class. Yesterday afternoon I was called in the office by Glenn, one of the fastest talkers I've seen yet. He was selling yard markers before I realized I had to buy one. I had a duplicate of the order in my hand when he was off to the next customer.

Seniors get 20% of what they sell to be used for the trip to Orleans which they are planning for next spring.

Second Best

M. O. Dunagin and Mrs. Heathman were by the doing a nice job of selling week. They were collecting merchandise for the P-TA sale to be held at the school next Thursday night.

Goals were feeling a little on their luck after trying to Ray Keeling out of a hand ending up with a sun

ffered them a contrary or two we have, but they had a pen and pencil set bring more money.

Resolutions Passed By County Farm Bureau To Be Presented At State Convention Soon

Resolutions important to farmers and landowners in South Plains area were passed by the County Farm Bureau at their meeting Thursday night in Thornburg Cafeteria in Littlefield. The resolutions will be presented to the state convention of the Texas Farm Bureau Federation when it convenes at Amarillo on November 9, 10, and 11.

Officers for the 1953-54 year were elected by the County Bureau, with Jack Yarbrough as president. Other officers include L. H. Neinaast of Hartsville, 1st vice-president; Doyle

Tapley, Rocky Ford, 2nd vice-president; and Bill Nix, Sudan, secretary-treasurer.

Delegates Named

Delegates to the state convention will be Mr. Yarbrough, Mrs. Mickey Stephens, secretary of the Littlefield office, and Gerald Allison of Pleasant Valley.

F. L. Shelby, past president, presided at the meeting, from which the following resolutions evolved:

1. That the agricultural program which is decided upon and passed for the coming year be taken into consideration to take the place of (Continued on Back Page)

Tulia To Be Underdog Friday Against Wildcats At Home

The Littlefield Wildcats play host to the Tulia Hornets here tomorrow night as they engage in their first conference tilt of the season. Tulia will bring an unenviable record of no wins, six defeats with them while Littlefield has a slightly better record of one win and four defeats. Although the Wildcats have won only one of five, they still

have an excellent chance to win the district 2-AA championship. The Olton Mustangs, their biggest stumbling block on the championship road, were shown that they were not invincible as Sundown racked them, 32 to 37.

Rain, Hail Damage Adds More Woe To Lamb County Cotton Crop

Rain and hail which seemed like a small tornado in Amarillo, injuring five people, also raised havoc with Lamb County's cotton crop late Tuesday night. County Agent David Eaton had had reports from Amherst, Sudan, and Olton by Wednesday morning, where losses ranged from total to light.

Northwest of Amherst, the farms of Claude and Jim Edwards, Charlie White, Jim Melton and Jim Templeton were reported suffering total losses on cotton as a result of the hail. Driving rain, up to 2.4 inches, added to the damage, and will lower grades on cotton still on the plants.

Near Sudan, hail cut a swath 5 by 6 miles wide, with damage in that area raging from (Continued on Back Page)

Fund Mounting For Jaycees' Permanent Street Markers

Sales of permanent house number markers, sponsored by the Jaycees, are going well, according to Judd Walker, chairman of the drive. The senior class of Littlefield High school is selling the markers. Proceeds will go towards the fund for the senior class trip, and the Jaycees plan to use their share of the earnings to erect permanent street markers throughout Littlefield.

At the Jaycees meeting Tuesday noon, past presidents of the Senior Chamber of Commerce were introduced, as follows: 1948, Jack Christian; 1949, Hardy Shelby; 1950, Bill Armistead; 1951,

David Keithley; 1952, Nelson Naylor; and the present president, C. A. Miller.

Discussion was held on securing continued cooperation between the two Chamber of Commerce groups, and the sale of about 150 markers on Monday was reported. Skipper Smith, president, presided.

Lee Bennett returned to his home at Hot Springs, N. M., Sunday after a visit with his son, Mr. and Mrs. Donald Bennett and other members of his family.

Pumping Slated To Begin On Well; Hold-Up Settled

The unanswered questions about Littlefield's first producing well will be cleared up soon.

With pumping of the new well scheduled to begin as soon as the foundation is set, the size of the test well should be determined in the immediate future.

Meanwhile, location was made Tuesday in the city park for the second Texas Company well, which is expected to get underway within a month. According to Mayor Les Hewitt, the easement for the well which will be located in the lake at the park, was recorded by the city commission Monday.

Although there has not been an official announcement by the

Texas Company, equipment to drill the San Andres well to 4000 feet is expected to be moved to the well site in a short time.

The insurance problem which caused a temporary hold-up in pumping procedure was settled Monday. Storage and pumping operations were halted two weeks ago by insurance companies holding policies on the Union Compress. The well is on Union Compress property.

New Warehouses Built
Two new 50,000 square foot warehouses are being constructed by the compressing form as the result of the insurance companies decision to condemn a two-hundred foot area adjoining the well site.

According to Fred Underwood, an official of Union Compress, construction has already begun on the two new frame and iron (Continued on Back Page)

Methodist Men Serve Fish Fry

With the men doing the menu planning, cooking and serving, the women of the First Methodist Church are in for a treat Monday evening, at 7:30 o'clock, when the "Methodist Men," an organization of the church, have their wives as guests at a fish fry in the church basement.

Dr. William N. Orr is president of the organization which was formed more than a year ago and was this week chartered by Methodism's General Board of Lay Activities, in Chi-

cago. Other officers are Marshall W. Howard and Z. I. Smith, vice-president and secretary.

The local group is one of 6,000 Methodist Men organizations out of a total goal of 10,000 clubs which the board plans to charter by 1956.

It is estimated that 2,000,000 men in the Methodist Church are prospective members of Methodist Men clubs.

Dr. Orr stressed that mem- (Continued on Back Page)

No Finding Reported On Chas. O'Mary Death

No findings have been reported on the autopsy performed on the body of Charles O'Mary, 58, who was found lying south of the Harrell Wrecking Company on Highway 84 late Saturday.

Dr. Straub of the Payne-Shotwell Foundation examined Mr. O'Mary's body where it was found and certified the death.

At an inquest held Saturday night by Justice of the Peace W. S. Glenn, Deputy Sheriff Dewey Dennis, and County Attorney Curtis Wilkinson, no indication of physical violence was found. However, due to the unusual circumstances surrounding the location of the body, an autopsy was ordered.

Mr. O'Mary is believed to have been dead since Thursday night. According to investigat-

ing officers, he was last seen at a local grocery about 5:30 p. m. Thursday.

Although every indication points to death from natural causes, there is a question as to why the body was found on the east side of town. O'Mary's car was parked on a downtown street and his two trucks were at his home on West 2nd.

The autopsy was performed Monday and tests were sent to the Department of Public Health in Austin. No word had been received from the depart-

Hart Camp Bureau To Be On Radio

The Hart Camp Farm Bureau resolved to try to obtain time on the radio to help publicize Farm Bureau activities, especially since the membership drive is coming up soon. This resolution was passed at the regular meeting Monday night, with L. H. Neinaast, president, in charge.

Mr. Neinaast reported on the county board meeting, where several resolutions were passed to be sent to the state convention.

At the next meeting the Hart Camp Bureau will have a chili supper, November 16. Everyone is invited to attend. Sandwiches and cocoa were served at this meeting to nine members and families.

Local Merchants, Paper Sponsors Gas Cooking School Two Days

The Blue Flame Food Festival is coming to town! Wonderful menus, new recipes and lots of prize ideas... all for free... will be given away during the two-day gala occasion.

A new gas range will be one of the grand prizes!

Mark the dates on your calendar now. The dates are November 4th and 5th, and the time is 1:30 p. m. to 3:30 p. m. each day. Be sure to tell all your neighbors that the Blue Flame Food Festival will be held at the Community Center in Littlefield.

Mary Rye, West Texas Gas Company home economist and director of The Flame Room, West Texas' most modern kitchen, will be in charge of the

Festival activities. Betty Vaughn, also a home economist for West Texas Gas Company will assist Miss Rye.

Gas range dealers of your hometown are sponsoring this event. Dealers bringing this great show to Littlefield are W-W Electric, Onstead Furniture Co., Best Appliances, Hill Rogers Furniture Co., Hawk & Hofacket, Rodgers Furniture, Pierce Furniture Co., and the County Wide News.

Homemakers throughout West Texas have been delighted with the past cooking schools conducted by West Texas Gas Company's home economists. You, too, will enjoy seeing the two talented home service advisors perform cooking miracles. (Continued on Back Page)

Pi Mu Music Society Learns Under Tutelage Of Mrs. McCarty

Ever heard of a Pi Mu? No, it's not a kind of Chinese scholar—it's strictly American. An American society for earnest students of music, to be exact. There's nothing secret about it, because it strives to maintain high ideals in music, as Phi Beta Kappa strives to deserve its reputation as a conservator of high educational ideals.

Pi Mu had scattered chapters throughout the United States for some time, but these have now been united as charter member chapters under a national organization. Every enrolled music student becomes a potential Pi Mu, and the organization is a nucleus around which many pleasant memories of the music The Delta Kappa chapter of student's life are centered.

Pi Mu in Littlefield was organized by Miss Carra Lou Stone, now Mrs. Bob Perkins, in 1949. Mrs. Perkins was succeeded by Mrs. Norma McCarty as advisor for the chapter, whose active members are Misses Sue McCowan, Joanne Parrack, Johnita Gallini, Peggy Gray, Paula Sue Jensen, Virginia Carol Rogers, and Kay Hoelscher. Inactive members are Virginia Howard Williams, Charlotte Doss, Barbara Mouser and Carrie Ivie.

Music theory and ensemble practice occupy Monday evenings at the group's sessions in Mrs. McCarty's newly constructed studio on East 14th Street. An atmosphere conducive to study is obtained with the natural knotty pine wains-

coting and pale green textured walls. A deep green tile floor blends with the shaded brown and green couch and chairs. Theory classes are held here each day at four o'clock, and the room is adequate for as many as 12 members.

Country Club Will Have Chuckwagon Dinner Friday

Chuckwagon supper for the members of the Littlefield Country Club will be an after-dinner feature Friday night. Following the Tulsa-Wildcat game, invited members will hurry to sit at a U-shaped table in the ballroom, where barbecue with all the trimmings will be served.

Hosts for the event are Mr. and Mrs. Charles Smith, Mr. and Mrs. Rhenard McCarty, and Mr. and Mrs. Melvin Best. The fall atmosphere and school colors will be carried out with white chrysanthemums and maroon accompaniment.

Ladies' Day Oct. 28

Mrs. Melvin Best, outgoing president of the Ladies' Association at the Country Club, will preside at the election of officers to be held at the Ladies' Day luncheon and business meeting on October 28.

At that time, names to be voted on for a new president will be placed in nomination by the committee. Mrs. J. M. Farmer, Mrs. Tommy Fulbright, and Mrs. O. A. Wilkerson.

Spanish Adds To WSCS Meet

Singing in Spanish, "Into My Heart" was used to introduce the continuation of the study, "Within These Borders" at the morning circle of the W.S.C.S. of the First Methodist Church when it met at 9:30 Wednesday morning in the church parlor.

Mrs. Dick Edwards presided and a brief business session was held, wherein Mrs. Henry Johnson was appointed chairman for the morning circle.

Mrs. Huston Hoover, study leader, discussed, "Mexican Beachheads in the North" and the "Lesser Streams." She also told the work of Lois Jay Hartman, pastor of three church parishes of Grants, Gallup and San Mateo, N. M.

Mrs. Dick Edwards told the story, "How the Signs Came Down" by Louisa Shotwell, bringing out the right to public service of each citizen. A dialogue between Spanish-speaking ladies was given by Mrs. S. H. Bluhm and Mrs. Harry Vanderpool.

Mrs. J. E. McGee gave the devotional, and the benediction was given in Spanish by the group. Members present were Mesdames Dick Edwards, Henry Johnson, Floyd Blackwell, Huston Hoover, W. C. Cannon, J. E. McGee, Calvin Youne, Ethel Giddens, M. Blawett, John Wood, Ben Jordin, Leona Fowler, Harry Vanderpool, Leonard McNeese, H. J. Allen, S. H. Bluhm, Charles Calvert, Joel Thompson, J. P. Teicher, and a visitor, Mrs. Edna Pranske of Dinuba, Calif., sister of Mrs. Allen.

Texas Clubwomen Visit Conference

Mrs. J. W. Walker of Plainview was among the Texas club leaders who left for Washington, D. C., last week to attend the Inter-American Affairs conference sponsored by the General Federation of Women's Clubs.

Other board members of the Texas Federation of Women's Clubs who accompanied Mrs. Walker were: Mrs. Van Hook Stubbs of Wortham, president; Miss Ethel Foster of Sterling City, GWFC treasurer; Mrs. J. Howard Holge of Midland; Mrs. Volney Taylor of Brownsville, and Mrs. John J. Perry of Sweetwater. Mrs. W. N. Hooper of Houston is attending as a member of the international hostess group.

Mrs. Stubbs and the Texas Board members will follow the Washington conference and fall GWFC board meeting by attending the Herald-Tribune forum in New York City as invited guests.

Oklahoma Ave. Club To Meet Friday

The Oklahoma Avenue Home Demonstration Club will meet Friday afternoon in regular session at the home of Mr. and Mrs. C. E. Jones.

The annual election of officers will be held and a demonstration on winter bouquets will be made by Mesdames J. B. Davis, Leonard McNeese and T. L. Tomlinson.

Parkview Baptist 'Preparation Day' For Training Union To Be Monday

The Parkview Baptist Church will hold their newly established "Preparation Day" for elementary work in Training Union at the church next Monday morning at 9 o'clock.

The ladies that work in the Training Union for Nursery, Beginner, Primary, and Junior departments spend the day working on handwork, invitations to be given out in Sunday School, and Daily Bible Reading Reminders for the children.

The Texas Baptist Elementary Department of the Training Union has its own programs prepared by chosen churches in Texas. This quarter through December the programs have been planned by the First Baptist Church of Palestine. Dr. and Mrs. T. C. Gardner of Dallas prepare the quarterlies and literature and patterns for mimeographing.

The Preparation Day will include preparing an interest center made up of "styrofoam" and "Flann-o-graph" and other visual aids, that go with each Sunday night's lessons. The ladies will bring paper sack lunches and work on the materials needed for the November lessons until school lets

Wesleyan Guild Plans Week Of Self-Denial

The Wesleyan Guild of the First Methodist Church met Tuesday evening with Mrs. Harold Clement, hostess, at her home.

After a brief business session, with Mrs. Tom Hilburn presiding, Mrs. Edd Mote brought the devotional on prayer.

Mrs. Dick Edwards, president of the W.S.C.S. told of the week of prayer and self-denial to be observed next week, and Mrs. Harry Vanderpool, Jr. explained that the offering would be used for missions.

Refreshments, of coffee and pumpkin pie, were served to Mesdames J. L. Bohannon, J. H. Carl, Ralph Douglas, Stacey Hart, Tom Hilburn, Solon Huff, Jr., Homer Garrison, Olen Jennings, Albert Miller, Edd Mote, Z. I. Smith, Harry Vanderpool, Jr., Dick Edwards, Misses Viola Peppman, Vanda Megill, Louise Chisholm and the hostess.

Mrs. Plate Presides At C.W.F. Meeting

The Christian Women's Fellowship of the First Christian Church met Monday evening at 7 o'clock at the church.

Mrs. Cecil Plate presided and after the business session she led a lesson from the book of James.

A decision was made to change the meeting time from the afternoon to evening, meeting the first Monday of each month.

Mrs. James Evans will lead the lesson at the November meeting.

Room Mothers Meet

A meeting of room mothers of the Junior High School will be held Friday morning at 9:30 o'clock in the teachers' lounge at the Junior High School building, according to Mrs. Virgil Fields, chairman.

This will be the first meeting of the group for the school year and a good attendance of room mothers is expected, as a number of important items of business will be transacted.

OES Welcomes Friends, Hears Austrian Guest

Visitors from O.E.S. chapters in Levelland, Muleshoe, Olton, Slaton, Anton and Sudan were welcomed by the Littlefield chapter at "Friendship Night" last Thursday.

During the regular business assembly, the following Grand Officers were presented in the East: Fannie Patterson of Slaton, district deputy; Winnie Dunn of Muleshoe, district deputy; Miss Lula Hubbard of Littlefield, Grand Representative from Virginia to Texas; and Mrs. Blanche Dodgen, Grand Representative from Puerto Rico to Texas. Mrs. Irene Edmonds and Mrs. Emma Belomy acted as pro tems.

After the chapter closed, Mrs. W. B. Little presented Mme. Renee von Bronneck, dressed in Austrian peasant costume. Mme. von Bronneck showed films of Austria, and Mrs. Little showed scenes in Germany. The O.E.S. friendship bridge, with yellow flowers and candles in the background, decorated the serving table. About 70 guests enjoyed coffee, poured by Mrs. Coy Brooks, and homemade cake, served by Mrs. Pearl Brandon and Mrs. Myrtle Woody.

Mrs. Tom Connally Donates Book By Late Husband

A book, "What Shakespeare Says About It," by Morris Sheppard, was received at the Littlefield Library this week, according to Miss Lula Hubbard, librarian.

The book is being sent to every library in the state from the ex-students association of the State University at Austin, with the compliments of Mrs. Tom Connally, former wife of the late Senator Sheppard, and her three daughters, Mrs. Richard L. Arnold, the former Janet Sheppard; Mrs. Cornelius McGillicuddy, Jr., the former Susan Sheppard, and Mrs. Arthur R. Keyes, Jr., the former Lucille Sheppard.

Shower Honors Arwin Turners At Spade Baptist Church Thursday

Mr. and Mrs. Arwin Turner were honored with a bridal shower in the annex of the Spade Baptist Church last Thursday at 7:30 p. m. Mrs. Turner is the former Miss Annie Mae Cotham, daughter of Mr. and Mrs. Dan Cotham of Littlefield. Mr. Turner's parents are Mr. and Mrs. Arthur Turner of Spade. Cut flowers decorated the hall, and Miss Joy Emmops registered guests in the bride's book. Mrs. Joe Prater and Mrs. Sam Tindal led group games. The bride's table was covered

The flowers of Europe, as shown in the slides made there by J. E. Chisholm, were featured in the program Mr. Chisholm presented for the Garden Club at its Wednesday morning meeting in the home of Mrs. Ralph Maurer. Introduced by Mrs. C. A. Miller, program chairman, Mr. Chisholm told the group that "flowers of Europe are beautiful, but they lack the knowledge of arrangement, and in Holland, the value of blooms is completely disregarded for the bulbs." Mr. Chisholm's slides included views of the formally planted designs of flowers for the coronation in England last summer.

Mrs. Ray Keeling and Mrs. Glenn Davis assisted Mrs. Maurer in serving coffee and cake to the members, from a handsome table centered with a straw horn of plenty filled with fruit, flowers, and midget watermelons.

Cookbook Project Mrs. J. M. Farmer presided at the business meeting, during which the year's project, an annual cookbook, was discussed. Mrs. Farmer announced that the book will be printed by Dec. 1, in time for sale as Christmas gifts. The following members were added to the advertising committee, headed by Mrs. Tom Hewitt: Mesdames W. J. Chesher, J. B. McShan, Allen Hilburn, Jack Henry, Wiley Roberts, C. E. Cooper, and L. C. Grissom.

A report on funds that almost \$400 has been to the library this year. \$250 building fund received following its gift from the Woman's Club. Allen Hilburn and Mrs. White were elected to the disbursement of the committee, with representatives from the Women's Clubs.

The Garden Club voted \$302 for buying tables for Community Center. It is announced that money for bronze markers for the "ling memorial" project returned to the donors, the decision of the city curbing space. Mrs. Glenn Davis was R. W. Manley, county man, with the USO. Mrs. Chesher, chairman gift committee, said that the ash trays had been sent to each of the show judges.

The resignations of G. Hinds, Fred Faust, and dy McGeehee were accepted. Mrs. Wiley Roberts and J. B. McShan were new members.

Mrs. A. J. Manjess, ford, counselor of district the Texas Garden Club present a program on mas and outdoor arrangements at the next meeting, at November 11 at the Mrs. Pat Boone, Jr.

Clayton-Vaughn Vows Read At Sudan Methodist Church

Mrs. Louise Clayton became the bride of Mr. Henry Vaughn at the First Methodist Church in Sudan Saturday, October 17 at 8 p. m. Rev. H. F. Dunn, pastor, officiated at the single ring service.

Mrs. Vaughn wore a wheat faulle dress with turquoise hat and gloves, complemented with alligator shoes and bag. Her corsage was feathered bronze chrysanthemums, and she carried a white Bible.

Music was provided by Mrs. W. O. Eddins, who played "Ave Maria," "I Love You Truly" and "Blest Be the Tie That Binds."

Following the ceremony, Mrs. W. O. Eddins and Mrs. Tom Wood were hostesses for a wedding reception in the Eddins home.

For a wedding trip to Albuquerque, N. M., Mrs. Vaughn wore a royal blue knit dress with navy accessories. The bride is a former resident of Crosbyton, and has recently been employed at the Shannon Compress in Sudan.

Key Hendricks Visits Chicago

Miss Nancy Kay Hendricks, daughter of Mrs. A. E. Fowler of Littlefield, is a senior at Ferry Hall, a girls' private boarding school in Lake Forest, Ill., where she is a member of the Glee Club.

This weekend she will be the house guest of Bonnie St. Clair of Madison, Wisconsin, another Ferry Hall senior. On Saturday the girls will go into Chicago with the Ferry Hall group to see "Oklahoma," which is now playing there. Kay is on the Ferry Hall Honor Roll for the first six weeks' grading period.

Mr. and Mrs. Frank take pleasure in announcing engagement and marriage of their daughter, Miss Maxine, to Mr. Clinton Byers, son of Mr. and L. Byers of Littlefield. The wedding will be held in a simple ceremony in Clovis, New Mexico, on 29.

Miss Barbee is a graduate of Anton High School, and was graduated from field High School in Littlefield. She is now associated with her here in the Byers Co. Feed Company.

Whitharral News . . . Mrs. Davis, Mrs. Watson Honored; T. H. Tipton Funeral Held Friday

By Mrs. Elva T. Crank

Mrs. W. H. Watson, Jr., was named honoree at a pink and blue shower Tuesday afternoon in the Fellowship Hall of the Methodist Church, hosted by the ladies of the W.S.C.S.

Registering the guests was Mrs. Hugh Buckner. Punch was poured by Mrs. Rank Howard from a lace covered table which was centered with a large white cake with a tiny doll and streamers on it, guarded by a small stork.

Directing the games was Mrs. L. E. McDonald, followed by a song, "Mighty Lak; a Rose," and advice on the care of new babies given by Mrs. C. G. Landers.

Refreshments of punch, cake and candies were served the honoree and the following out-of-town guests: Mesdames W. H. Watkins, Sr., Early Daniel, Harve Bradford, Dick Watson and Miss Nancy Sides of Lubbock and Mesdames R. D. Reddings, W. O. Ballow, H. C. Green, J. W. H. Rodgers, A. B. Harper, Ralph McClure, Roscoe Brown, R. L. Heard, J. E. Gravett, C. L. Sharp, Joe Mynyard, Will Redding, Howard, McDonald, Buckner, and Landers.

FUNERAL SERVICES FOR T. H. TIPTON

Funeral services for T. H. Tipton, 76, of the Hodges community, who passed away Wednesday evening two miles south of Levelland after he had collapsed in a cottonfield where he had been working, were held Friday afternoon at the Hodges Baptist Church. Officiating were Rev. W. H. Hughes of Lums Chapel, Rev. J. H. Stout, pastor of Hodges, and Rev. D. K. Gresham of New York.

Interment followed in the Whitharral Cemetery under the direction of the Geo. C. Price Funeral Home of Levelland.

Palbearers were J. A. Pence, Earl Patterson, D. Overman, James Marrow, Herman Timmons and Dick Watson.

Honorary palbearers were F. W. Patterson, C. E. Davis, W. N. Stockard, C. W. Kiser, T. E. Grant and C. E. Vinyard.

Flower girls were Joy Bennett, Anna Vinyard, Naydine Pair, Lurline Pair, Barbara Stafford, Luciel Collins, Patsy Shedd and Janice Callis.

Surviving are his widow and the following children: Spencer and Sanford of Levelland, Vernon of Snyder, Lee and Bill of Lubbock, Harold of Denver City, T. H. Jr., of Jericho Springs, Mo., Robert Gene of Big Lake, Joann at home; 20

grandchildren, his stepmother, Mrs. Lucy Tipton of Littlefield; a brother, J. L. Tipton of Konawa, Okla.; a sister, Mrs. J. S. Blair of Alma, Okla.; 7 half-sisters and two half-brothers.

F. H. A. PANEL DISCUSSION

The Whitharral chapter of Future Homemakers of America staged a panel discussion on "How to be a better member of your family and community," at the regular monthly meeting here Monday evening. Miss Emma Ann Epperson, who was chairman of the panel, was assisted by W. H. Watson, Jr., Leroy Carver, Verlie Throckmorton and Mesdames L. D. Terry and Norman Hodges, whose discussions included how much money and how to spend it, time for young people to be in at night, the sharing of the family car, etc.

In the business meeting that followed Miss Ruelene Wyatt was in the chair, "Hobo Day" for Littlefield, Levelland and Whitharral was set for Monday, Oct. 26, to raise funds for the summer trip.

Claude Lee Horton was elected F. H. A. Beau.

Approximately 40 girls attended with one visitor, Mrs. Ben Pointer, and the sponsor, Mrs. Robin L. Vann.

The next meeting will be on Nov. 16, when the chapter will observe "Dad's Night."

BOYS WIN F.F.A. TRIP

Danny Grant, son of Mr. and Mrs. A. P. Grant, and Jimmy Jack Grant, son of Mr. and Mrs. W. A. (Buck) Grant, returned Friday from Kansas City, Mo., where they attended the National Future Farmers of America convention held there this past week.

The trip for the boys was made possible by Gage's Gin, Harvey's Gin, Farmers Co-op Gin and Messrs. J. W. Borders, Jr., Henry Jones and Jim Horton, all of Whitharral.

MRS. DAVIS FETED

A layette shower for Mrs. John R. Davis was hosted by the Ruth Class of the Baptist Church in the Home Economics cottage here Thursday afternoon.

Games were directed by Mesdames Ralph Wade and Roy Johnson with a clever reading by Mrs. Weldon Newson.

A huge stork guarded the table in the entrance which held the lovely gifts.

Miniature storks marked the refreshment plates for the honoree and Mesdames R. M. Davies, B. E. Hayes, C. G. Landers, C. L. Sharp, W. J. Crews, E. E. Pair, John Waters, C. C. Overman, T. C. Wade, Nick Grav, C. J. Billings, Elva Crank, Wade, Johnson, and Newson.

PERSONALS

Mesdames W. S. Mitchell, D. M. Mitchell, E. H. Mitchell and W. W. Lindsey are hunting at Blanning, Utah.

Mrs. P. B. Harben accompanied Mr. and Mrs. Joe Harben and daughter of Muleshoe to Carrollton and Dallas Monday and returned the latter part of the week.

Q—Is it possible to get a GI loan to establish a business that I intend to run on a part-time basis?
A—Yes. It's not necessary that you spend your full time operating the business. But you will have to satisfy your lender that you probably can make a go of the business part-time.

Resolutions—

(Continued from Page 1)

- the one which expires next year be set up to recognize light spots and middling pluses on any loan and price support plan on cotton.
- That such loan and support have parity support price based on a low middling grade of character and 7-8 inch staple.
- That a minimum moisture conditions be set and standardized throughout the U. S. for cotton to have before it is graded, that such a minimum be high enough to simulate the humidity conditions (or moisture conditions) of cotton which is grown, ginned and graded in the seaboard states, and that humidity control be established in classing offices in all states where average humidity conditions prevail during the ginning season fall to measure up to the minimum established for classing.
- That the Smith-Doxey Classing Service place more emphasis upon the qualifications and training of cotton classers which they employ through Civil Service or any other medium.
- That Lubbock, Texas be

established as one of the Nation Spot Cotton Marketing centers.

8. That this Farm Bureau District No. 2, be represented on the National Cotton Advisory Committee.

7. That provisions should be made for areas where crop failures have occurred due to natural hazards beyond the farmer's control in order that the farmer will not be penalized in cotton acreage.

8. That acreage allotments to individual farmers be made on percentage basis of cultivated acres and any acreage more than desired by a farmer be permitted to turn it back in to be pro-rated to the other farmers over the county on a year to year basis.

9. That a 90% of parity loan be placed on range and feeder cattle.

10. That grain sorghum be declared a mandatory support crop at 90% of parity.

29 Members Attend

Following a Dutch supper, members were entertained by a quartet composed of Waylon Jennings, Danny Dunn, James and Mickey Jolley. Those who were present at the meeting were: Thurlow Branson, C. B. Landers, Mr. and Mrs. Louis Farr, Mr. and Mrs. George Wuerflein, Roy Tapley, H. P.

Smith, Doyle Turner, L. F. Greene, Mr. and Mrs. Kreston Sorenson, Gerald Allison, F. L. Shelby, E. K. Angeley, of Pleasant Valley; W. T. Millen, past president of the Bailey County Farm Bureau, Muleshoe; Paul Lewis, Mr. and Mrs. Skipper Smith; Jake Rice, Jack Yarbrough, Littlefield; W. O. Adams, Mr. and Mrs. A. B. out the services of their star quarterback, Dan Howard, who received a leg injury in the closing minutes of last week's game with Seminole. He will be replaced by Sophomore quarterback Bobby Orr.

Tulia has found the going very rough this year and they will be trying for their first win of the season. Tahoka spilled the Hornets last week, 35 to 0. They have scored only 12 points this season while allowing 180.

This will mark the first time the Wildcats will enter play in district 2-AA. Last year they played in district 6-AA and wound up second best in the conference as Brownfield emerged the champion. This is also the first time for Tulia to play the Wildcats in several years and in view of Littlefield's record, the Hornets may come face to face with a fighting mad crew of gridders.

Band Queen to be Crowned

At halftime, entertainment will be furnished by the Littlefield band and the band queen will also be crowned. No one knows who the queen will be and it will be kept secret until the time of the crowning. However, the field has been narrowed down to four remaining contestants. These are Mary Jo Porcher, Bobby Jo McShan, Ethel Pope, and Erna Jane Jones.

The kickoff is slated for 8 pm at Seely stadium and reserved seat tickets may be purchased in advance at either Brittain's Pharmacy or the Roden Drug.

well that was brought in recently.

Several days ago the southern edition of the Wall Street Journal had a good story on the local oil development. According to their story, the well will produce 200 barrels a day. I question their figures, however, since we have been consistently told that the size of the well will not be determined until actual pumping gets underway.

In Sunday's edition, the Fort Worth Star-Telegram gave the town a big play with several pictures and a good general story on oil in Littlefield. From the sound of both stories oil may have a big part in the future of the town.

A Solution

Betty Hodges found a solution to the confusion over names this week. She got tired of doing a lot of explaining. Finally when she answered the phone she said, "This is Betty No. 1."

New Number

"Thanks to C. O. Stone of the National Farm Loan Association, the County Wide News now has a new phone number.

In getting a new phone, we wanted a number that would ring automatically if the Leader number is busy. In order to do that we had to have two consecutive numbers.

Mr. Stone agreed to let us have their number, which is 26, to go with 27, the Leader number. The new number of the National Farm Loan Association is 26.

Tricky Business

This business of putting two newspapers out in the same plant on Thursday is mighty tricky. We hope it won't be more than a couple of weeks or so until we can publish one of the papers on the first of the week. There are lots of technicalities to be worked out first.

We will probably need some 10 to 15 boys to deliver papers early Sunday morning. If you have a boy that is interested, ask him to come by the office. We would like to talk to him.

Something really Special - in power, room, ride, price

WE picture here a car that keeps our order book pages turning quicker than quick.

It is the 1953 Buick SPECIAL 4-Door Sedan—the bargain value that doesn't stay long on our showroom floor.

For this is the best-selling Buick in the land—snapped up by eager buyers who know something really special when they see it.

For your information, we present some SPECIAL facts.

It has a Fireball 8 Engine with the highest power and compression ratio ever placed in a Buick SPECIAL—plus, if you wish, the instant getaway response and utter smoothness of Twin-Turbine Dynaflo.*

It has easy-sitting-room for six adults—as much room as you'll find in cars costing hundreds of dollars more.

It has a ride unique among automobiles. The

Buick Million Dollar Ride. The soft and steady and ever-level ride that comes of coil springs on all four wheels—a full-length torque-tube drive—a massive X-braced frame—a solid and substantial roadweight poised with meticulous balance on broadly spaced wheels.

But what makes the Buick SPECIAL so extra special is the low delivered price it carries.

It is a price just an easy step above the so-called "low-price three"—and a price that gives you more room and power and ride-comfort for your money than you get in any other car, except another Buick.

Wouldn't you like to see, sit in and drive one of these great-powered Buicks—look into its beauty, its luxury, its handling ease—and judge for yourself how small a price tag it wears?

Phone us this week, or drop in. We'll be happy to arrange a demonstration.

MILTON BERLE stars for BUICK—in the BUICK-BERLE SHOW on TV Tuesday evenings. Also, every Saturday, see the TV Football Game of the Week—"GM" by TV.

Seminole Indians Scalp Wildcats 20-13

By Jerry Montgomery Stars
One-Touchdown Victory Edge

BY JERRY BAKER

led by star fullback Jerry Montgomery and halfback Hargrove, the Seminole Indians stumbled past Littlefield 20-13. Montgomery turned in the longest run on the game, a 58-yard scoring jaunt, which put the Indians in the lead 7-0. Hargrove scored the winning tally on a 58-yard run from the two-touchdown game through the first three and a half minutes with Howard and a half leading the Wildcat attack. Vaughn was unstoppable and drove the game with his interceptions. However, the game was good. The Seminoles started off like the Wildcats, but they went to run wild, as they received the opening kickoff on his 20 and carried on his 31. On the way back to the 31. On the way back to the 31. On the way back to the 31.

On the following kickoff by Allen of the Indians, Vaughn was brought down on his own 14-yard line where Howard, Shelby, and Vaughn alternated in carrying the ball up to their own 28-yard line for a first down. After racking up the first down, quarterback Dan Howard took the ball on a keeper through right tackle and raced through Seminole defenders beautifully for 73 yards and what everyone thought was a Wildcat score.

Howard Run Nullified
However, the Wildcat fans' joy was short-lived as a questionable backfield in motion penalty nullified the play and the Wildcats were penalized five yards. It is quite possible that this decision killed the Wildcats' possible chance for a tie in view of the final score. Following the penalty, Vaughn and Howard picked up only short yardage and Howard was forced to kick, punting a beautiful spiral into the air for 47 yards. Seminole took the ball on their own 28-yard line and after failing to gain on three running plays, were forced to punt.

Wildcat Drive Dies
On the first play after receiving the ball, Howard rifled a pass into the flat to Vaughn who raced for 25 yards into Seminole territory to the Indian 43-yard line. On the next play, Howard threw again, this time to Dwain Hoover over center, good for nine yards. This placed the ball on the Seminole 16-yard line and the Wildcats were threatening to score once more, but on the following play, Shelby fumbled and Seminole took over on their own 10.

Montgomery Breaks Loose
Hargrove hit the line for 14 and Montgomery then carried twice for 1 and 14 yards. On the 38-yard line with a first down and ten to go, Jerry Montgomery broke loose and sprinted 62 yards for a counter to put the Indians ahead in the ball game for keeps. Charles Hargrove added the extra point and the Indians then led 13 to 7.

On the following kickoff Keith Davis picked up a short boot and brought it back 5 yards to the Littlefield 40-yard line. After Vaughn picked up two and Howard made four more on a keeper, Howard rifled a pass to Shelby for nine yards to bring the Wildcats back into Seminole territory on their 45-yard line. On the next play, Howard to Keith Davis pass kicked for 20 yards and the Wildcats were once again threatened on the Seminole 25-yard line.

After a Howard to Mears pass fell incomplete, Howard lined one to Dwain Hoover who went high into the air to bring down a fingertip catch and escort the ball to the Seminole 11-yard line. But three consecutive passes which went awry left Littlefield with fourth down and still ten yards to go and on the fourth try, Shelby could garner only six yards and the ball went over to Seminole on their own 7-yard line.

Seminole could gain only seven yards in three tries and were forced to punt as the half ended with the score of 13 to 7 in favor of the Seminole Indian.

Littlefield Band Performs
At halftime, the Littlefield High School band, led by Lee Boyd "Monty" Montgomery, who some believe is the best drum major in the state, performed before the fans at Seminole and displayed some precision marching. They acknowledged the Seminole rooters by forming an "I" for Indians.

Seminole again kicked off to begin the second half of play and tackle Bob Hoover brought the ball back to the Littlefield 39. Vaughn picked up one on a sitchout from Howard and Shelby went off tackle for four. Vaughn then took another pitchout from Howard and raced for fifteen yards before he was finally hauled down on the 41-yard line.

After Shelby lost one and Howard to Dwain Hoover pass fell incomplete, the unstoppable "Rabbit" Vaughn took another pitchout from Howard and raced 20 yards to the Seminole 20-yard line and were again threatening to score, but Howard was smothered for a seven-yard loss while attempting to pass and two following pass attempts fell incomplete and Howard was forced to punt.

Wildcats Threaten
After receiving the ball on the 25-yard line after Howard's kick had angled out of bounds, Montgomery fumbled on the first play and tackle Fred Martinez, who played a great game both offensively and defensively for the Wildcats, pounced on the ball to recover for Littlefield on the Seminole 28-yard line.

On the first play after taking possession of the ball, Milton Vaughn battled and twisted for 14 yards, literally running over, through and under five Seminole would-be tacklers to a first down on the Seminole 14-yard line. But it was to no avail as Shelby fumbled on the next play and a Seminole defender recovered on his own 20.

Fullback Jerry Montgomery carried for five consecutive times and advanced the ball up to the Seminole 42-yard line. There Charles Hargrove broke through the middle of the Wildcat line and raced 58 yards for the third and final Seminole tally. Hargrove also added the extra point and the Indians then led 20 to 7.

Howard then hit the Indian line twice for a total of seven yards and then three brilliantly to Dwain Hoover over center after being badly rushed by Seminole defenders. Hoover ushered the ball down to the Indian 15-yard line where he was finally bulldozed down.

Howard and Vaughn then took turns carrying the mail and five plays later Tom Shelby plowed over center from the one-foot line for the final Littlefield marker. Vaughn's attempt at the extra point failed when the pass from center went over his head, but the Seminole margin had been narrowed to a mountainous seven points, 20 to 13. This gave the Wildcats a slim chance of overtaking the Indians.

Howard Injured
Littlefield gained a new life after Martinez' kickoff was fumbled by Montgomery and right guard Glenn Hatia fell on the ball. On the next play, Howard on a keeper went through left tackle for seven yards, but to the dismay of Littlefield rooters he was injured on the play. Howard was replaced by sophomore quarterback Bobby Orr.

An Orr pass intended for Keith Davis fell incomplete and another Orr aerial was intercepted by Charles Hargrove on the Seminole 18-yard line. This marked the fourth time in the fracas that Littlefield failed to score after penetrating inside the Seminole 20-yard line.

With only two minutes of play remaining, Seminole stalled for time and the clock ran out with the final score reading, Seminole 20, Littlefield 13.

Stalwarts in the Wildcat line on both offense and defense were Keith Davis, Bob Hoover, and Fred Martinez. End Dwain Hoover made two sensational circus catches to look very much improved. Milton "Rabbit" Vaughn played his usual brilliant game as he picked up 118 yards on 22 carries for an average of 5.4 yards per carry. Dan Howard had a tremendously high punting average, having kicked four times for an average of 38 yards, the best of these being a 47-yard boot in the second quarter.

forced to punt. Haro-charging Bobby Murdock, playing guard for the Wildcats, dashed downfield with the punt and knocked Montgomery of Seminole loose from the ball and then fell on it to retain possession for Littlefield on Seminole's 33-yard line.

Howard then hit the Indian line twice for a total of seven yards and then three brilliantly to Dwain Hoover over center after being badly rushed by Seminole defenders. Hoover ushered the ball down to the Indian 15-yard line where he was finally bulldozed down.

Howard and Vaughn then took turns carrying the mail and five plays later Tom Shelby plowed over center from the one-foot line for the final Littlefield marker. Vaughn's attempt at the extra point failed when the pass from center went over his head, but the Seminole margin had been narrowed to a mountainous seven points, 20 to 13. Sports Bits...

By Jerry Baker
You have to see the Seminole Indians' new football stadium to appreciate it. Seminole has just completed work on a new stadium which will seat approximately 3,500 fans. It has a new modern pressbox which was used for the first time last week when they played host to Littlefield and it is one of the best pressboxes in the state, if not the best, for a class AA school. They also have an electric scoreboard which shows the score, quarter, time left to play, down and number of yards to be made for a first down, and who is in possession of the ball.

We are not in a position to criticize officiating of football games, since the official is unquestionably closer to the play than an observer, but the officials in last week's Littlefield-Seminole fracas called several questionable penalties. One example is the chain measurement called in the last few minutes of play when Littlefield was trying desperately to gain possession of the ball. On a fourth down try, Seminole was close to a first down and a measurement was called. To the eyes of most of the fans and the Wildcat players, it was short by an inch or so, but the official saw fit to call it a first down anyway. This squelched the final Wildcat hopes of getting the ball and possibly tying up the score.

At times, the officials were very quick with the whistle in calling a play dead. Littlefield was penalized 7 times for a total of 55 yards in the contest. Littlefield will more than likely break back into the winning column tomorrow night as they tangle with the hapless Tulla Hornets. Tulla has scored only 12 points the entire season and allowed 180 points to six victorious opponents. Olton's R. V. Alcorn continues on his merry scoring way, finding his way into the end zone three times last week in Olton's 32 to 27 loss to Sundown. Alcorn has now scored eleven touchdowns in Olton's last three games. It will be interesting to see how he fares when Littlefield encounters Olton. Milton "Rabbit" Vaughn looked great at times against Seminole as he managed to notch 118 net yards rushing. Bobby Murdock turned in a fine game at guard while both Dwaine and Bob Hoover turned in good performances. Dan Howard had a tremendously high punting average of 38 yards on four kicks. With all of these fine performances, Littlefield still lost. Well, at least now we have the law of averages on our side.

Howard and Vaughn then took turns carrying the mail and five plays later Tom Shelby plowed over center from the one-foot line for the final Littlefield marker. Vaughn's attempt at the extra point failed when the pass from center went over his head, but the Seminole margin had been narrowed to a mountainous seven points, 20 to 13. This gave the Wildcats a slim chance of overtaking the Indians.

Howard Injured
Littlefield gained a new life after Martinez' kickoff was fumbled by Montgomery and right guard Glenn Hatia fell on the ball. On the next play, Howard on a keeper went through left tackle for seven yards, but to the dismay of Littlefield rooters he was injured on the play. Howard was replaced by sophomore quarterback Bobby Orr.

An Orr pass intended for Keith Davis fell incomplete and another Orr aerial was intercepted by Charles Hargrove on the Seminole 18-yard line. This marked the fourth time in the fracas that Littlefield failed to score after penetrating inside the Seminole 20-yard line.

With only two minutes of play remaining, Seminole stalled for time and the clock ran out with the final score reading, Seminole 20, Littlefield 13.

Stalwarts in the Wildcat line on both offense and defense were Keith Davis, Bob Hoover, and Fred Martinez. End Dwain Hoover made two sensational circus catches to look very much improved. Milton "Rabbit" Vaughn played his usual brilliant game as he picked up 118 yards on 22 carries for an average of 5.4 yards per carry. Dan Howard had a tremendously high punting average, having kicked four times for an average of 38 yards, the best of these being a 47-yard boot in the second quarter.

The Wildcats play Tulla here at Seely Stadium tomorrow night in their first conference 2-AA encounter. The kickoff is slated for 8:00.

The famous James Brothers, Jesse and Johnny, invade Littlefield's Sports Arena Saturday night to participate in a double main event wrestling card.

Jesse, the elder and possibly more widely known, will attempt to squelch powerful Mr. Sakata, one of the leading Japanese mat artists now in the United States.

Johnny James, rapidly gaining on his popular big brother for international recognition, meets Chico Bonales, sturdy Latin-American of Mexico City, in the first section of the double feature.

The James brothers, from Los Angeles, formerly worked out of Houston, and the southern metropolis would still like to claim them. They have only recently returned to this section after successful campaign in various parts of this country and in Canada.

Jesse has not been around for nearly a year. Johnny was here for several weeks last spring, but the two brothers didn't get together.

Sakata, from Tokyo and Honolulu, is billed as one of the most powerful wrestlers in the world, for his weight. A former Olympic contender, weight lifter, and all-round athlete, Sakata has gained considerable stature as a junior heavyweight professional in the west part of the States. This is his first venture into the hottest spot in the country for the 200-pounders. Bonales is a protégé of Polo Cordova and Gory Guerrero, also of Mexico City, and is one of a new crop of Mexican wrestlers.

District 2-AA teams found the going rough last Friday night as every team in the conference lost in non-conference games. Littlefield dropped a close 20 to 13 contest to Seminole, while the Olton Mustangs dropped their first game of the football season to the Sundown Roughnecks, 32 to 27 in a wild, high-scoring tussle. Muleshoe dropped its game to New Deal, 18 to 6, and Idalou edged Lockney 26 to 25. Tohoka, victim of Seminole two weeks ago, rolled over Tulla to round out district 2-AA activity.

Braves Scalp Wildcats
The Littlefield Wildcats, although outplaying Seminole, dropped a 20 to 13 decision there last Friday night to the Indians from district 6-AA. Dan Howard scored the first Wildcat marker in the first period and Tom Shelby counted in the final quarter for the two Littlefield scores. Seminole's Jerry Montgomery, all-state fullback, was largely responsible for the Wildcats' downfall. This was Littlefield's fourth consecutive loss since their opening game win over Hereford.

Tulla Drops 6th Straight
The Tulla Hornets dropped their sixth consecutive gridiron contest to the Tahoka Bulldogs at Tahoka Friday night as Tahoka ran roughshod over the hapless Tulla team. Scoring three touchdowns in the first half, Tulla added single markers in each of the final two periods. Tulla amassed only 97 yards rushing in the game against 244 for Tahoka. Tulla's outstanding fullback, Shot Hutson, netted 93 of the 97 yards picked up by the Hornets. Tulla quarterback Jeff Carlisle also played an outstanding game against the district 5-AA Bulldogs.

The Muleshoe Mules dropped an 18 to 6 decision to the New Deal Lions at Muleshoe Friday night in a non-conference game. This marked the Mules' fourth loss of the season against one victory and one tie.

One Point Beats Lockney
In the closest game played by a district 2-AA team last week, the Lockney Longhorns dropped a spectacular 26 to 25 decision to the Idalou Wildcats at Lockney. Leading in the game 25 to 12 going into the final quarter, Lockney allowed Idalou to score twice to eke out the close decision. The winning touchdown was scored by Idalou on a 34-yard pass from Bill Jacobs to Jim Joiner in the last half minute of play. Outstanding players for Lockney were quarterback Jimmy Williams and fullback Billy McAda. This was Lockney's fifth defeat against only one victory.

Olton Loses to Sundown
The Olton Mustangs finally met their match as the Sundown Roughnecks barely got past them for a 32 to 27 non-conference win. It was his and tuck all the way, with Olton's great back V. Alcorn, scoring the winning touchdown. The Olton touchdown was a 50-yard pass to Archie. Alcorn also played an outstanding game for the Mustangs as he booted three conversions and scored once on a 1-yard plunge. This was Olton's first loss of the season.

This week finds Littlefield playing Tulla here in their first district 2-AA contest of the season, while Lockney travels to Muleshoe for another district 2-AA game. Olton has an open date and is idle this week.

"Win For Ken" Is Anton's Motto As Kenneth Hice Fights Injury

Kenneth Hice of Anton, the best Class B fullback on the South Plains, wishes his spirit and body would get together. Two weeks ago while playing New Deal, Ken suffered a kidney injury which will put him out for the rest of the football season, and possibly part of the basketball season. His heart is willin', but his body ain't.

Kenneth, a junior, had scored 19 points in the first two games this season and was considered a "cinch" for all-district 3-B honors. He missed the selection by a hair last year, and was even considered for the position his freshman year.

"I didn't realize how much football meant to me until I couldn't play," Ken commented Monday from his hospital bed at the Littlefield Hospital. "I'm going to be released from the hospital this week," Ken added, "and the sooner I can get back into play, the better." Most boys would shudder at going back into play after an injury such as his, but it doesn't stop Ken from wishing.

Football, basketball and track comprise the entire sports program at Anton High School and Ken has won letters in all three in both his freshman and sophomore years.

Coach Joe King of the Bulldogs says Hice plays both guard and center positions on the basketball team extremely well. Last year Ken won second place in the shot put in the regional track meet, and entered the state contest. His best heave was 45 feet, 10 1/2 inches. Coach King has nothing but praise for this fine athlete, admitting that with Hice in his fullback slot, the Bulldogs could easily have had an undefeated season this year. He expects great things from Ken next year, and the whole team is looking forward to having him return.

The boys went into the annual grudge battle with Whittharral striving to "win for Ken," but felt his loss when the Panthers bowled them over, 33-13. Everyone is counting on Ken's fighting spirit to bring him through his physical troubles so that he may go on to become one of Anton's all-around all-stars.

Springlake Leads District 2-A Play; Dimmitt And Sudan Have Easy Wins

Player of the Week

Howard Buck is the winner of this week's "Player of the Week" contest. His letter on why halfback Milton Vaughn should be chosen player of the week is as follows:

Dear Sirs,
In my opinion the player of the week for the Littlefield Wildcats for this week is Milton Vaughn. He has outstanding ability to keep the spirit of the team alive by his untiring running and playing. He can take rough treatment and give it. He is an all-around Wildcat.
Yours truly,
Howard Buck
1103 West Third Street
Littlefield, Texas.
Howard will be presented with a five dollar check for choosing the winner of the contest.

Anton, Dimmitt Play Benefit Game Tonight

The Anton Bulldogs play host to the Dimmitt "B" team at Anton tonight in a benefit game designated to raise money for hospital expenses for several of the Anton boys who have been injured during the season.

Anton's Kenneth Hix has just been released from the Littlefield Hospital after suffering a kidney injury and Leon Hodge is recovering from a fractured ankle. Coach Joe King of the Bulldogs expressed hope that there would be a good crowd at the contest as hospitalization costs ran much higher than the insurance would cover.

The kickoff is slated for 7:30 p. m.

Whitharral Bows To Crosbyton

The Whitharral Panthers lost a close non-conference game to Crosbyton, 20 to 12 at Whitharral Friday. This was the first victory for Crosbyton, but they had to come from behind twice. The Panthers scored first in the initial quarter.

Crosbyton forged ahead in the second quarter only to be overhauled by Whitharral again in the first half. However, Crosbyton came roaring back the last half to score two touchdowns and take the lead for good. This was Crosbyton's first victory of the season and was a non-conference game.

Wesley Hurt In Tech Game

Texas Tech guest Arlen Wesley of Littlefield was injured in Saturday night's game with College of the Pacific at Lubbock. Wesley had to leave the game because of an injury to his leg in the second half and probably won't see any action this Saturday.

Littlefield football fans will remember Wesley as he played on championship Littlefield teams in the past. Tech won the game over COP 31 to 7.

Farwell Steers Trample Anton

The Anton Bulldogs dropped their second District 2-B game in a row at Anton last Friday night, bowing to the Farwell Steers, 21 to 12.

Gene Hardage scored for the Steers in the first period on a one-yard plunge through center to put Farwell ahead, but An-

BOB HOOVER, co-captain of the Littlefield Wildcats, presents Jimmy Chapman a Graca wrist watch in appreciation of the excellent press relations maintained over 8 years of Littlefield High school sports activities coverage. Plainview Frosh Meet Little Cats

The Littlefield freshmen will attempt to break into the win column tonight when they meet the Plainview frosh in a football game here at Seely stadium. They have now dropped four in a row and will be striving hard to break the jinx which has followed them this season.

Plainview will sport the largest team the freshmen will play this year, according to Coach McCullough. The Plainview line is bolstered with two 180-pound neckies and a 240-center, which most high school teams would be proud to present.

The Littlefield team will probably have back in uniform this week the mainstay of the frosh backfield, Mike Greer, who did not play in last week's 35 to 0 loss to powerful Levelland. However, they will be without the services of right end Andy Parker, who received a broken collarbone in last week's fray.

The kickoff is slated for 7:30 p. m. at Seely stadium and the admission is twenty-five cents.

Levelland Goes To District AAA

Levelland High School will advance into Class AAA football competition in 1954 as a result of increased enrollment. Levelland is at present in district 6-AA with Kermit, Andrews, Seminole, and Brownfield.

They will be moved into district 1AAA and will compete with Vernon, Big Spring, Snyder, Breckenridge, and Plainview. Levelland was the only area team to advance into a higher class category.

Joe Parelez is in Payne-Shotwell Foundation, recovering from stab wounds he received in the left side Saturday night north of Springlake. Parelez says he was minding his own business at a dance when a stranger walked up and said, "Are you made at me?" The victim replied he didn't know the man, whereupon the assailant stabbed him and ran. Deputy Sheriffs Pat Murphy and Dewey Dennis investigate the stabbing and brought Parelez to the hospital.

Recreation Club To Meet Monday

The Lamb County 4-H Recreation Club will meet for a regular monthly assembly at the Community Center in Littlefield Monday night, October 26 at 7:30.

The co-chairman and program committee of the club held a planning meeting Monday night at the home of Mrs. Hazel Hickman, county home demonstration agent. Mrs. Hickman, with Lonnie Cole, Jr., assistant county agent, are in charge of the club's activities, and gave them suggestions on widening the recreation program.

WITH THE Armed Forces

Lt. Dudley P. Repp, son of Mrs. A. D. Repp of Lubbock, returned early Friday from Korea where he has been serving with the U. S. Field Artillery the last nine months.

Lt. Repp, who has been in the service about 30 months, went to Fort Bliss, El Paso, Saturday to be discharged from the service. He and his wife, the former Miss Joan Prouty, will make their home in Lubbock, where Lt. Repp will return to work at the Avalanche-Journal, after a vacation.

The lieutenant's father was manager of the Union Compress in Littlefield before his death.

Army Pvt. Benny V. Castillo, son of Mr. and Mrs. Fulton Castillo of Route 2, Anton, recently received the Republic of Korea Presidential Unit Citation as a member of the IX Corps.

Pvt. Castillo, whose wife, Dolores, lives in Magnolia, is a mole binner in Company B of the 101st Signal Battalion. Overseas since June, he also holds the Korean and UN Service ribbons.

Army Pvt. Donald L. Ganett, whose wife, Ana, lives on Route 2, Littlefield, recently arrived on Okinawa for duty with the 97th Anti-Aircraft Artillery Group.

A strong U. S. outpost in the Far East, Okinawa is located off the coast of China between Formosa and the southern tip of Japan. The island is the home of the Ryukyus Command headquarters.

Private Ganett, son of L. L. Ganett of Crosbyton, is a clerk-typist in Headquarters Battery of the 97th. He entered the Army in December 1952 and completed basic training at Fort Sill, Okla.

Lt. Jack F. Shelby of Littlefield has reported to Tyndall Air Force Base, Florida, to begin training in the Aircraft Controller School.

Tyndall AFB is one of the bases in Crew Training Air Force, Air Training Command, and is also the home of the All-Weather Interceptor Air-crew School, Fighter-Gunnery Indocination Course, and Basic Aircraft and Engine Mechanics School.

The training Lt. Shelby receives in the Aircraft Controller School will extend over a period of 8 to 10 weeks, 8 of which will be a course in aircraft controlling. The second phase of controller training will be tactical air controlling.

CADET C. C. TAYLOR (Official USN Photo)

A first solo flight was made by Naval Aviation Cadet Charles C. Taylor, ward of Mrs. R. V. Dudgeon of Star Route, Sudan. Cadet Taylor attended Texas Tech prior to entering the Naval Aviation Cadet Program through the U. S. Naval Air Station, Dallas.

Charles A. Cozart, Jr., chief radarman, USN, son of Mr. and Mrs. C. A. Cozart of Littlefield, and husband of Mrs. Mildred D. Cozart of Vallejo, Calif., was enrolled for a course of instruction at the Combat Center at the Team Training Center at San Diego, Calif.

Chief Cozart, a graduate of Monahans High School, is serving aboard the escort aircraft carrier USS Bairoko.

Among the student aviators to complete the initial phase of Naval Aviation flight training at the U. S. Naval Auxiliary Air Station, Corry Field, at Pensacola, Fla., was Navy Lt. George F. Richards, Jr., son of Mr. and Mrs. George F. Richards of Springlake, and husband of Mrs. Marilyn M. Richards of Newark, N. J.

Before entering flight training he attended Olton High School, Olton, and the U. S. Naval Academy, Annapolis, Md.

Army Pvt. Abran O. Abeyto, son of Mrs. C. M. Abeyto of Littlefield, is now undergoing intensive post-truce training with the 24th Infantry Division in Korea.

Private Abeyto, who arrived overseas last May, is a rifleman with the 21st Regiment's Company H. He entered the Army in December, 1952, and completed basic training at Camp Roberts, Calif.

RUPTURE SHIELD EXPERT HERE

H. M. SHEVNER, widely known expert of Chicago, will personally be at the Hilton Hotel, Lubbock, Tues. & Wed., only Oct. 27 & 28, from 9 A. M. to 4 P. M.

Mr. Shevner says: The Zastic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location, but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicine or medical treatments.

Mr. Shevner will be glad to demonstrate without charge. 7544 No. Ridge Boulevard, Apt. 2B Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

State Baptist Meet This Week

Texas Baptists convened this week for conventions at the First Baptist Church in San Antonio. The Baptist student convention was held last Friday through Sunday, followed by the Women's Missionary Union and the annual State Brotherhood conventions. As a climax, the 68th session of General Convention closed the week of assemblies.

Among the messengers representing the state's 3,452 Baptist churches were messengers from the First Baptist Church and the Parkview Baptist Church, in Littlefield. Messengers to the W. M. U. convention were Mrs. Viggo Peterson, Mrs. Acrey Barton, Mrs. Clifford Jaquess, and Mrs. Melvin Theford of the First Baptist Church, and W. E. Heathman represented the First Baptist Brotherhood. Dr. and Mrs. Lee C. Hemphill were messengers to the general convention from the First Baptist Church. Secretary of the Navy Bob Anderson was the speaker at the State Brotherhood Convention.

Gideons Conduct Double Service

The Gideons, Christian service organization, conducted services at the First Baptist and First Methodist churches last Sunday night. Grady Bounds and Willard Carroll were in charge of the Baptist program, and A. L. Faubion and R. W. Dunstan spoke at the Methodist church. Homer Garrison, a member of the Gideons, led the singing and provided special music for the Methodists.

Explanation of Gideon work was made, since many people are familiar only with the Bible-distributing phase of their work. An invitation was offered to all to join their worthy service.

Farm Bureau To Plan Drive

On October 20, a meeting to plan a membership drive for the Lamb County Farm Bureau will be held at the Littlefield office at 9:30 a. m. Leon Lane, state field representative from Waco, will talk, assisted by R. J. Buchanan, district field representative from Lubbock.

George Wuerflein of Pleasant Valley is chairman of the membership committee, which includes Bill Nix, Sudan; Earl Parrish, Springlake; Duane Eby, Olton; G. C. Bearden, Rocky Ford; and L. H. Neinst, Hart Camp.

Range Dealers Eat Steak, Plan Drive

Nearly 50 appliance dealers and salesmen from Littlefield and vicinity enjoyed a steak dinner at Fisher's Cafe last week as guests of the West Texas Gas Company. The occasion announced this year's "Old Stove Round Up," annual event, which offers premiums to buyers and salesmen for all natural gas ranges sold during November.

Charles Duval, manager of

the company's Littlefield district, introduced gas company personnel and representatives of the press. Miss Mary Rye of Lubbock told the dealers that the Home Service Department of the company has been enlarged and is always ready to help them stage demonstrations and cooking schools.

Advertising Manager Bill McCarroll of Lubbock explained the Round Up plan, with advertising materials and premiums which will be given during the 30-day campaign. A total of 3200 inches of newspaper advertising will be used to promote the event. Small favors advertising the Roundup were at each plate.

Freak Accident Injures Pep Girl

Miss Geneva Demel, 15, of Pep, was injured last week in a freak accident near Pep when the car in which she was riding struck an empty pick-up truck.

Larry Demel, 18, the girl's brother, was driving east from Pep when the driverless pick-up, parked on the side of the road, rolled into the path of his car. The pick-up was owned by Hank Simmacker of 1-

Drinking Is By-Product Of Social Conditions Throughout Centuries, Bible Examples Show

(Below is a discussion of next Sunday's International Sunday School lesson written by Rev. Henry Haupt, pastor of the First Presbyterian Church of Littlefield. Each month another local minister will write this column.)

THE WAR AGAINST BEVERAGE ALCOHOL

Isaiah 5:11-14

(11) Woe to those who rise early in the morning, that they may run after strong drink, who tarry late into the evening till wine inflame them! (12) They have lyre and harp, timbrel and flute and wine at their feasts; but they do not regard the deeds of the Lord, or see the work of His hands. (13) Therefore my people go into exile for want of knowledge; their honored men are dying of hunger, and their multitude is parched with thirst. (14) Therefore Sabea has enlarged its appetite and opened its mouth beyond measure, and the nobility of Jerusalem and her multitude go down, her throng and he who exults in her. Matthew 18:6

(6) But whoever causes one of these little ones who believe in me to sin, it would be better for him to have a great millstone round his neck and to be drowned in the death of the sea. Romans 13:11-14

(11) Besides this you know what hour it is, how it is full time now for you to wake from sleep. For salvation is nearer to us now than when we first believed; (12) the night is far gone, the day is at hand. Let us then cast off the works of darkness and put on the armor of light; (13) let us conduct ourselves becomingly as in the day; not in reveling and drunkenness, not in debauchery and licentiousness, not in quarreling and jealousy. (14) But put on the Lord Jesus Christ, and make no provision for the flesh, to gratify its desires. James 4:17

Whoever knows what is right to do and fails to do it, for him it is sin.

This lesson is one that causes many a preacher and many a layman to cringe. It is a most controversial issue today, both from the standpoint of our local community and from the point of view of the nation. It would be most comfortable for all of us if we could have someone to make a definite statement concerning the evils of drunkenness which would cover the situation both now and forever, finally and completely. We are always prone to shirk our responsibility to think for ourselves and wish for an authority to do our thinking for us.

This condition of mankind is one which brought about the corruption of the church of the

middle ages which demanded that there be some sort of reform. It is the condition of people today which makes possible dictatorships and is conducive to the establishment of totalitarian rule in both churches and states. However this is not intended to answer all of your questions but will be given sufficient care in pointing out possibilities for you to make up your own mind and do it with enlightenment and with some finality.

I think that the attitude of many churches today in perfunctorily condemning the liquor industry is along this line. There are many today who would like to blame all of our troubles on this group without accepting the blame for themselves. I would like to say that this industry is greatly in error in my opinion, in extolling the physical and social advantages of their products.

ALCOHOL ANESTHESIA

It is definitely known among those who know physiology and psychology with more than a passing acquaintance that alcohol must be classified as an anesthetic narcotic. Social acceptance has taken it out of that class in the minds of most but we cannot rule out the facts. However it must be pointed out that even in this field it has some usefulness. Its usefulness, however, is not nearly as great as many would lead us to believe.

The main import of our scriptures, which we have in this lesson, rather clear. He who is a drunkard is a sinner and cannot be considered anything else. The statement of James puts it rather well. I think when it says that if we know something is right and don't do it we sin. Sobriety is right and when we are drunken we are not practicing the right.

BY-PRODUCT OF CONDITION

I would like to point out also that in the passage from Isaiah the condition of the people was such that they were guilty in more than just their drunkenness and that their drunkenness was not the cause of their condition, but one of the by-products of it. The people to whom Isaiah was talking were so im-

pressed with their national blessedness that they felt themselves relieved of all responsibility and could turn to this form of anesthesia. However, their sin was deeper than this surface manifestation. They were an unreliable people, unwilling to face reality and so were easy victims to any misleading advertisements just as they are today.

Pride as it mentioned in Isaiah 5:14 is the basis for their shallowness and revelry. Paul points out several other things which are the crux of the matter: rioting, chambering, wantonness, strife, envying. These all simply mean selfishness and jealousies arising from it. This

is the central core of sin and it is a condition which in dangerous.

The solution to this problem is simple, but extremely difficult. We are all of us striving to gain recognition for ourselves and trying so to impress the right people with our importance, that we have taken many means to promote it; and among them is the base sophistication which cannot be anything other than a stench in the nostrils of God as well as sensible people. The presence of liquor in such societies is but the outward sign of the inward shallowness of this way of life. This is especially so when it is flaunted.

Social Security Aide To Be Here Wed.

Well over five and one-half million people are receiving Federal old-age and survivors insurance benefits, John G. Holton, manager of the Lubbock

social security office, said today. He reported that in 18 county areas served by his office, about 4300 persons are now receiving the monthly payments.

Mr. Holton pointed out that 82 per cent of all jobs in the United States are now covered by social security, and that about 25 million people have already worked in covered employment or self-employment long enough to be permanently insured under the system.

The verse from Matthew is true in every aspect of sin and applies in this case. It is time that we accepted our responsibilities. "Besides this you know what hour it is, how it is full time now for you to wake from sleep. For salvation is nearer to us now than when we first believed." The word is not beyond hope. We must awaken ourselves and take our responsibilities seriously and turn to Paul's answer seriously. Let's be honest.

"The national average monthly retirement check is now a little over \$50," Mr. Holton said. "In those cases where the benefit is based on earnings after 1950, the average for a retired worker without dependents is about \$65; for an aged couple, somewhat more than \$100; and for a widow with two children,

Mrs. Orr, Mother Of W. A. Wolfe, Killed In Wreck

Mrs. Pearl Orr of Oklahoma City, mother of W. A. Wolfe of

about \$150. Four out of every five mothers and children are protected under the program in the event of the death of the family breadwinner.

Anyone desiring further information about old-age and survivors insurance, or who thinks he is eligible for benefits, is urged to get in touch with the representative of the Lubbock office, who will be in Littlefield at the post office on October 28 at 1:30 p. m.

Littlefield, was killed Oct. 11 in a wreck near Valley, Okla. Mrs. Orr was en route to visit her daughter, Carol McCallon, in Paulsley. Mr. McCallon, who was in the car with her, is in poor condition from injuries.

Mr. and Mrs. Wolfe were in Wynnewood, Okla., Sunday after being notified of his father's death. Funeral services were held Tuesday afternoon in the Wynnewood cemetery. Mrs. Orr is survived by her and three daughters, Mrs. Callon, Mrs. Floyd Dunlap Riverdale, Calif., and Mrs. Henderson of Oklahoma City.

High School News

By Betty Byars
 Hi, this time I don't have so much news but all the kids of Spade and many others are having worlds of fun! When we come back from the Fair you will probably hear "Fair" for quite a while.

I found at least one honest girl in Spade High School! Tam Pointer admits she likes to see her name in the paper, in fact, she said, "I love it."

I hope you school children didn't get too bad a penalty for your report cards. I hope they all as good as some I've seen.

The Home Ec girls are taking turns working in the lunch room each day. It's a shame we don't all eat at home like Juniva Arnold. She gets out of the work.

Hart Camp will have a dedication service for their recently constructed auditorium next Sunday, October 25.

Bro. and Mrs. W. F. Smith left Monday to attend the State Baptist Convention, Brotherhood and W. M. S. meeting at San Antonio.

Mrs. Grigsby gave the freshman girls an excellent idea! She told us a joke about a family going into a cafe. They were all ordered to say grace before they ate a single bit, when they all had their plates, they bowed their heads and said "Grace." The freshman girls tried it and it was funny until the other high school kids caught on.

Ginny Gregson must have been looking at someone or thinking real hard when she bumped her head. Couldn't it have been that boy from Anton? Really Ginny, you gave all of us a scare!

We will slay Chico when we go to Dallas. Keep your fingers crossed. Mr. Lumsden thinks we can beat them. Surely hope he's right.

The freshman boys beat the

girls in an arithmetic match last week. The boys sure poured it on afterwards, but the girls took it calmly and said, "We let them win sometime. We can't beat all the time."

Monday night the Home Ec girls initiated the Freshman girls. It was very beautiful, candlelight ceremony, and the freshmen received red and cookies were served. All the freshmen thought they were getting off light until after we had our refreshments. Then Lavinne Snow started reading the list of things they had to do during pledge week. Lu Stubblefield and Helen Dubec have already paid a nickel for forgetting to wear their pledge ribbons. We were laughing and having a good time until Lavinne said, "Now, go wash these dishes." We didn't refuse, although we surely would have liked to.

T. L. Dunlap Attends Meet Of Laundrymen

T. L. Dunlap, owner of the Littlefield Laundry, was among 7,000 laundrymen from all over the world who attended the American Institute of Laundering's 66th Annual Convention and Exhibit in Los Angeles, Calif., October 9 through 11.

At the business meetings, laundrymen learned about the newest ways to improve laundry service, and the so-called "miracle" or test-tube fabrics,

with proper methods of handling them, were thoroughly discussed. The latest and most specialized equipment was presented for their approval at the exhibit hall, where enough laundry equipment to efficiently serve a city with a 500,000 population was on display.

The entire program of business meetings and exhibitions was aimed at enabling laundrymen everywhere to eliminate the drudgery of washday for Mrs. Housewife by offering her an improved laundry bundle at the lowest price.

M. F. Nix has been a patient in the Veterans Hospital at Amarillo the past week.

"I LIKE Everything ABOUT MY ELECTRIC RANGE" says MRS. C. A. GORDON OF 1923 HARRISON, AMARILLO, TEXAS

"It's so nice to be able to put a meal in the oven, go out and then return to find it all cooked and ready to eat," Mrs. Gordon says. "Another thing that always amuses my guests—I use the warmer drawer of my electric range to hold the plates and the home freezer top to hold the food. This gives me a regular serving center for buffet meals. At first some of my friends just couldn't believe that a kitchen could be clean enough to serve buffet luncheons. But when I explained about my clean-cooking electric range, they saw the point."

For roasting or broiling or cake baking, you can't beat an electric range. Like Mrs. Gordon says, "Everything I bake, roast or broil always turns out so good." Your roasts, cakes or broiled steaks would turn out the same way if you were cooking electrically.

Mrs. Gordon was her well-cooked often. One thing she emphasizes, "My vegetables never have that dried look when I cook them in the well cooker." Because so much water (just half a cup) is needed when cooking vegetables the electric way, you're sure of holding vitamins, too.

Cake baking is one of Mrs. Gordon's pleasures. She likes to bake cakes. Since cakes should have large, Mrs. Gordon particularly likes the fact that her electric range has a double boiler for 7-minute icing. The constant, controlled heat makes the difference.

There's no question about an electric range being modern. It has everything to Mrs. Gordon suggests. Plenty of storage space. Mrs. Gordon stores in the top drawer. And there's more storage in the bottom drawers, too.

"There's just nothing to it, it's so easy, this modern electric cooking. And it's easy because it's so clean. Just look at this pan, there's no blackening of the bottom." Mrs. Gordon likes to tell folks about the cleanliness of electric cooking.

COUNTY AGENTS' FARM CORNER

In your lifetime you have seen farming become an industry devoted to the mass production of food. Because modern farming has become a business, making a profit at it has become an art.

Today, half of the agricultural income goes to 10 percent of the farmers. Leaves 90 percent scrambling among themselves for the other half.

How do top farmers squeeze more dollars out of their operation? Though they may be different in every other respect, these successful operators all have three striking characteristics:

1. They know how to plan. They make practical plans and stick to them.
2. They keep accurate records and know how to read the warning these records give.
3. They keep an iron hand on expenses.

As the muscle requirements in farming are reduced, a farmer becomes more of a manager and less of a laborer. Farming still calls for brains and ability in larger quantities than ever before.

Plan your time. You can't overinvest this point. You bought that expensive equipment not merely to make your work easier, but to get jobs done faster so you could take on other money-making projects. If you don't use profitably the time saved, you might as well go back to plowing with a horse. It's cheaper.

Income taxes have taught farmers the need for accurate records. Our tax records though aren't much help in management, just like our bank account, they reflect what we have done; not how well we could have done it. Here are some "do's" on record keeping:

1. Keep them simple. If you set up an involved system, it's likely to become so complicated that after three months, you'll toss the whole thing out and quit. Unless you're an expert, keep away from double entry bookkeeping.
2. Departmentalize. Have records for each operation—poultry, livestock, grain, etc.
3. Take an annual inventory. Take this inventory around the first of the year, and over the years you'll find no farm provides so much information with so little effort. With an accurate set of books an annual inventory is a useful credit statement for your banker.
4. Use your records. Remember a red traffic light won't stop a car. It only warns the driver. A red light flashed by your records can warn you of a possible collision with creditors.

Good records will not only tell you whether you're making a profit, but how much. If you're losing money, records will tell you where and why. The old ideas of "we have to cut down" isn't the answer any longer. Fertilizer costs money yet on many farms it would be

hard to find a single investment that shows a better return. A top farmer has to be a smart business man. Allowing expenses to get out of control is a sure way to be forced out of business.

For the farmer who plans for it, the year's ahead should be good ones. Inefficient operators, and those not flexible enough to change and develop with the times, will gradually be eliminated from the ranks of those showing a profit.

C-A-C

Within the past five years business, professional and rental income has increased 29 percent. Income from interest and dividends has increased 41 percent. Farm income has decreased 24 percent.

They say, "There is no depression in agriculture. It is simply that farmers are feeling the readjustment squeeze ahead of the rest of the country, the same as they always have. But their basic position is still secure."

C-A-C

Many people have been interested in trying to make use of cotton burr, stem and leaf trash from gins. There is some misunderstanding as to the fertilizer value available from composting burrs. We are listing below the comparative fertilizer value of burr mold and barnyard manure with 12 months exposure.

Elements in burr mold: Nitrogen, 1.50 percent available, 30 pounds per ton; phosphate (as P₂O₅) .385 percent available, 7.90 pounds per ton; potash, (as K₂O) .5076 percent available, 101.54 pounds per ton.

Elements in barnyard manure: Nitrogen, .500 percent available, 10.00 pounds per ton; phosphate (as P₂O₅) .300 percent available, 6.00 pounds per ton; potash (as K₂O) .400 percent available, 8.00 pounds per ton.

F. F. A. Boys Attend National Convention

Several area boys attended the F.F.A. national convention this week at Kansas City, Mo. Alton Brazell of Shallowater, a student at Texas Tech, attended as president of the Texas F.F.A. Alumni Association and will attend the National Young Farmers Leadership Conference after the F.F.A. meeting. Buddy Ray Hodges, Olton, was another representative from Tech.

From the State F.F.A., Harold Byars and Roy Bates chose to make the trip, and Sudan F.F.A. delegates Billy Kamp and Calvin Wiseman received "Successful Farmer" awards at the convention. The Littlefield F.F.A. chapter was unable to send delegates this year.
