## Work Scheduled To Start This Week On Installation Of "Whiteway" Lighting System

### To Extend Through Business Section Of Littlefield

**Will Take Sixty  
 Days To Complete  
 Installation**

Littlefield's newest improvement will be the "Whiteway" lighting system, which will be installed by the Southwestern Public Service Company.

Work will get started this week in the building of concrete bases on which to set the standards. This will be done by a special crew of the Southwestern Public Service Company, and will require about two or three weeks.

**Through Business Section**  
 This "Whiteway" system of lighting will extend through the business section of Phelps Avenue, possibly through the business area of Highway 81, and likely to a limited degree in some other areas, notably around the school property.

**Twenty-Six Ft. in Height**  
 The standards will be 26 feet in height, and the blue tone illumination will provide the maximum in "Whiteway" lighting.

## Message Of Optimism Is Brought By Speaker At Annual C. of C. Barbecue

### Increased Volume of Business At Local Post Office Brings Changes In Operation

### Dividend Checks Being Mailed

The directors of the Littlefield Federal Savings and Loan Association has announced its regular semi-annual dividend. The current rate of dividend is 3 per cent per annum. All dividend checks will be mailed to members of the Association on June 30.

The local Association has enjoyed a rapid growth since being organized in 1946. The total assets have increased from an original \$75,000 to over \$300,000.

This is the fifth semi-annual dividend payment to its members. The Association is still accepting investments, all of which are insured up to \$5,000.00 by an agency of the Federal government.

The Littlefield post office, because of increased volume of business, moves into the designation of a first class office July 1.

Several changes in operation, as a result of the new status of the local date will take place according to Postmaster W. D. T. Storey.

Huston L. Hoover has been recommended to be promoted as superintendent of mails at the Littlefield office.

Donnie J. Gaither, a recent Tech graduate, will be employed July 1 as substitute clerk and city carrier.

Under the new status of the local post office the money order window will open at 9 a.m. and close at 5 p.m.

Complete addresses on all mail is urged in order to facilitate rapid dispatch and delivery.

Members of the Littlefield Chamber of Commerce, together with their families and guests, attended the annual barbecue and installation of officers Tuesday night. There were approximately 250 persons present.

The new officers chosen for the coming fiscal year are: Hardy Shelby, president; W. B. Little, vice-president; J. H. Lee, treasurer; Pat Mann, continuing as secretary; and four new directors, David Keithley, W. C. Cannon, Harry Kline and Clint Griffin.

### Dr. Taylor Speaks

The open air banquet of barbecued chicken, with all the trimmings, began at 8 p.m. on the grounds adjacent to the VFW hall. Sand, whipped by a strong and steady wind, in no way detracted from the quality of the food or lessened the appetites of the diners.

Outgoing president Joe Walters acted as chairman and toastmaster (continued on back page)

### PROBATIONER IS BELIEVED OPERATING HERE

The prowler may be operating in the field.

Evidence of the presence of the prowler came to light about 2 a.m. when Dr. C. W. Finley, dentist, is believed to have been awakened from his home at 401 East Thirteenth street.

He was awakened from his home by a noise which he believed that his little boy was calling to him for water. He asked her if she had a drink and she replied affirmatively.

After serving the child the water, the prowler went into the living room and turned the screen in the window. He also believes that he heard some person hurrying out of the property.

DENVER CITY DOWNS LEVELLAND

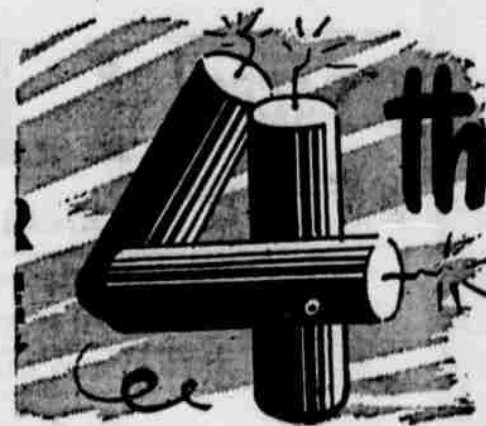

Denver City, June 27 (Special) - Denver City heaped a double defeat on Levelland here Sunday, taking the first game of a twin bill, 10-0 and winning the finale, 9-1.

Little Dennie Davidson pitched for the local team in the first game and he gained the victory in the half of the seventh inning when four walks forced home the winning run. Davidson scored the run after a free ticket to first, advanced to second on a walk to Cy Jones, both runners advancing on Tom Hamilton's sacrifice. Dorrance Guy walked to fill the sacks, and pitcher Jack Page struck home Davidson with a walk to Ed Gorman.

The second contest saw Lefty person and Jackie Martyn gave only two hits to the Levelland hurler. Levelland's only tally came in the fifth on a walk, stolen base and a double.

Leading the hitting in first game was Tom Hilton and Jack Stone paced the attack with three hits in four trips to the plate.

Batteries in the first game for Denver City were Davidson and Jack Cook, and in the second contest person and Martyn pitched and caught.

practically all his life, coming to Littlefield from Hart Camp. He lived here for many years, and for some time drove an oil truck for John Porcher during the time that Mr. Porcher owned and operated the Magnolia Petroleum Wholesale. About four years ago he went to California, and had lived there until recently, when he spent a short time in Littlefield. He returned to California about two weeks ago.

Employed By Sugar Co.  
At the time of his death he was employed by the American Crystal Sugar Company.

Deceased is survived by his wife, Mrs. Opal Fields, a son, Billy Fields, who was with his father at Oxnard, Calif., when death came; and two daughters, Dorothy, aged 14, and Nancy aged 6; his mother, Mrs. J. L. Fields of Anton; and two sisters.

Water System Improvements To Provide City With Ample Supply

Son Is Born To Mr. and Mrs. Jim Mangum

Mr. and Mrs. O. J. (Jim) Mangum, Littlefield, are the parents of a son born at 8:30 a. m. Wednesday at the West Texas Hospital, Lubbock.

The child weighed 7 pounds 4 ounces at birth, and has been named James Mack.

This is the first child born to Mr. and Mrs. Mangum.

Mr. Mangum is a member of the firm of Mangum & Chesher, Littlefield real estate and insurance firm.

"Within 30 days we will have a well tied in, and some of these lines connected into the present system, and should have plenty of water," stated Ralph Douglas.

"Although we have been short water," stated Mr. Douglas, "we have never cut it off this season."

"We tied in a water line between the two booster stations and that has helped a lot. We are putting down a new water line from 12 inches down to 6 inches, and a new well, but not tied in yet. When this is completed we expect to have plenty of water."

**Vows Exchanged by Miss Jeanine Heard and Bill Thompson Sunday**

**MR. AND MRS. BILL THOMPSON**

Miss Jeanine Heard, daughter of Dan Heard of 2 miles north and 2 and one-half miles east of Littlefield, became the bride of Bill Thompson, son of H. W. Thompson, of Elida, N. M., Sunday afternoon in a double ring ceremony at the home of the bride's father, with Rev. Lee Hemphill, pastor of the First Baptist Church, officiating. Vows were exchanged before a back-

ground of pink gladioli and candelabra.

**Wears White Nylon**

The bride wore a white nylon dress of street length, with navy blue accessories. She carried a white Bible, showered with red roses, and tied by streamers of white satin ribbon.

**Sister Attends Bride**

Miss LaNita Heard, sister of the bride, was maid of honor. She wore a pink linen dress, with white accessories, and a corsage of white carnations.

**Kenneth Heard Best Man**

Kenneth Heard, brother of the bride, was the groom's attendant. Mrs. Lee Hemphill played the traditional wedding marches.

**Reception is Held**

Following the ceremony a reception was held at the home of the bride's father.

The bride's table was laid with white lace cloth. A two-tiered white wedding cake, topped by miniature bride and groom, and over a reflector, surrounded by white, pink and blue daisies, graced one end of the table, while punch was poured from a crystal punch set at the other.

Only close friends and relatives of the couple were present.

The bride is a senior of Littlefield high school, while the groom is a graduate of the 1947 class of Elida, N. M. high school.

After a short wedding trip to points in New Mexico, the couple will be at home in Littlefield, where the groom is engaged with Mr. Heard in the carrying on of farming operations.

**Miss Billie Taylor And Roy Truman Weed Married**

In a double ring ceremony read at Morton First Baptist Church Wednesday afternoon, June 22, at 1 o'clock, Miss Billie Marie Taylor became the bride of Roy Truman Weed. She is a daughter of Mrs. Mark B. Jordan of Lubbock and his parents are Mr. and Mrs. Nile Weed of Morton.

The bride wore a white salyna dress

Mr. and Mrs. Bill Thomas of Corpus Christi, Texas, spent the weekend in Littlefield visiting friends, including Mr. and Mrs. Paul Hyatt, Mr. and Mrs. Bob Badger, and the Rumback family. Mrs. Willie Rumback and children accompanied Mr. and Mrs. Thomas as far as Odessa on their return trip. They also planned to visit Mr. Thomas' sister and brother-in-law, Mr. and Mrs. George Foster at Abilene. Mr. Thomas is advertising manager for the Corpus Christi Caller-Times.

Mr. and Mrs. Rhenard McCary and son left Sunday for Colorado Springs on a two weeks' trip.

**Farmers Urged To Save Wheat Stubble**

Supervisors of the Lamb County Soil Conservation District are asking the farmers not to burn their wheat stubble because it weakens the land for several years afterward and also leaves the ground more subject to blowing.

The board points out that even though the excessive amounts of straw are undesirable for tillage operations, the benefits derived in land protection and plant food returned to the soil will more than off-set the tillage difficulties.

It is recommended that farmers use implements that leave the stubble on or near the surface to protect land until another crop is started and apply ammonium nitrate to speed up rotting of the stubble.

with pink accessories and a corsage of pink rosebuds.

After a short trip, the couple will be at home at Morton. The bridegroom served with the Marine Corps for three years. He works for an oil drilling corporation at Morton.

Friends and relatives attended the wedding.

**Olton School Bond Election July 7**

Olton Independent School district of Lamb county is calling a bond election for the purpose of remodeling the present school buildings and construction of a modern elementary school building including a 250-seat school cafeteria, said J. T. Jones, superintendent of schools.

The bond election has been called for July 7 and construction is expected to start as soon thereafter as possible.

Repairs will include roof repairs and interior decoration. Cost of the new building is estimated at \$110,000. It is planned to remove the original building of the district, which has been declared unsafe.

The building is being promoted by Mr. Jones, who has had building projects in both Brock and Springtown districts of Parker county and also the Wellman district of Terry county. The new building will house the first three grades of the elementary school and is only a part of an expanded program of the Olton district embodying the 850 scholastics new enrolled within the district.

## Rotary Barbecue Friday Evening

Four outdoor ovens worked overtime Friday evening getting the chickens barbecued to the point of perfection for the annual Rotary Barbecue. This get together, held at the close of the clubs fiscal year, has become an institution with the club members, and about 140 rotarians, their families and guests enjoyed chicken and all that goes with a good old barbecue held in the back yard of the Simon Hay home.

President Eldon Nichols had charge of the evenings entertainment and, after the food was consumed, called on each Rotarian to introduce his guest, which included visitors from San Antonio, Muleshoe, Littlefield and Hobbs, New Mexico. Gus Shaw then spoke briefly of his interesting and amusing experiences as a visiting Rotarian, which he calls his hobby. The evening was concluded with the introduction of the club officers for the ensuing year: Drew Watkins, President, F. M. Smith, vice-president and C. E. Harris, secretary-treasurer.

the Nicholes family.

Mrs. Randell Wilson and children spent the week end visiting relatives in the Pep community.

Mrs. L. T. Hunt and mother, Mrs. Kitley of Rotan returned home Sunday from Clovis and Amarillo, where they had been visiting relatives a few days.

### FINE POINTS FOR GOOD CAMPING

Be sure your tent is well supported to withstand wind and hard use . . . have comfortable cots and provide for adequate ventilation.

The center of activity on any camping expedition is always the CAMPFIRE because it is here you'll cook, eat, and talk, so be sure to build a good fire to encourage camp gatherings. For cooking, choose a hardwood (oak, gum or maple) . . . for cheery bonfires, a softwood such as an evergreen . . . and for a lasting fire add a green wood to a hot base of coals. There's nothing that can give more enjoyment than a good camping trip if it's done properly, yes, even to the correct selection of clothing. A brimmed hat will protect you from rain or sun, a bandana will protect the neck from wind, dust, etc., and is handy for first aid, and a waterproof coat or tarpaulin is almost a necessity. Pick out a good spot, get your rods, tackle, guns, or whatever you like together and let's go camping . . . but be sure to bring all equipment into the tent at night because it might rust.

**July 8, 9 and 11 Will Be Dollar Days in Littlefield**

Friday, Saturday and Monday, July 8, 9 and 11, will be July Dollar Days in Littlefield.

Under the regular program the dollar days for July would have been July 1, 2 and 4, but on account of the holiday this big monthly merchandise event was postponed for one week.

The decision to have dollar days July 8, 9 and 11 was made by the Retail Merchants Committee of the Littlefield Chamber of Commerce.

**C. of C. Board of Director to Meet This Morning**

The Board of Directors of the Littlefield Chamber of Commerce will meet this morning (Thursday) at 7:30 o'clock in a breakfast meeting at Hays Coffee Shop.

The regular meeting time is Tuesday morning, but the time was changed this week due to the Chamber of Commerce Barbecue being held Tuesday night.

Dr. Taylor spoke on the general subject "America" and said we need to dispell some of the pessimism that is so prevalent in America today.

"For example," Dr. Taylor said, "people complain about high prices today. There are a lot worse things. Why I remember the last cotton I grew I sold for four cents a pound."

"Then people complain about taxes. (Well at least we are able to pay them. There was a time when some of us couldn't do that.)"

"America has every reason to be a happy, prosperous country. We need to forget some of the gloomy things and look to the brighter side. Listen to the prophets of joy rather than the prophets of doom," Dr. Taylor said.

After being handed the gavel and badge of office for the coming year, new president Shelby commended Walters for the splendid work he accomplished while heading the chamber of commerce during the past year. Walters was presented with a

Judy Carroll, six months old daughter of Mr. and Mrs. Willie Burch of five miles north of Anton, was stricken with polio Thursday night. She was brought to the Littlefield Hospital for examination, and was taken to the polio clinic at Plainview, where she is improving.

**Voluntary Funds Asked**  
At the Jaycee meeting Tuesday it was decided that this group would ask for voluntary contributions to carry on an extensive anti-polio campaign, including cleaning up the city, having all weeds mowed, and carrying out an extensive spraying program.

Two men have been hired with mowers, and the work has already gotten underway.

After the weeds are cut it is the plan to spray with DDT from the air, and 2,500 pounds of DDT were ordered by the Jaycees this week.

In an interview with Nelson Naylor, a Jaycee director, Tuesday, he stated that they will be glad to cooperate with residents who have yards where weeds need cutting by having the mower go to their property, but that the program is being carried out by voluntary contributions, and in such cases would expect a fair contribution towards the project.

Mr. Naylor also stated that where there should be lumber or other waste material on the lots, they would expect this to be so stacked by the owner of the lots so as to not interfere with the mower's operations.

The Jaycees asked the Leader to state they will appreciate voluntary contributions in their work to prevent this dread disease, polio, and such contributions may be sent to the Junior Chamber of Commerce, Littlefield, and Clarence Davis will act as Treasurer.

Rotarians and Lions are also cooperating with the Jaycees in this anti-polio campaign.

refuse is concerned, but according to members of the committees for both clubs, the weeds in the vacant lots over the city have not been mowed due to the fact that Ray Hulse, who has had the matter in charge has not as yet been able to secure a man with tractor to do this work.

It is expected, however, that this difficulty will soon be overcome, and that the cleanup will be completed.

The Lions are being responsible for cleaning up the East side, while the Rotarians have assumed the responsibility of the west side.

Following completion of the work, judges will be selected, who will decide which section is the cleanest, and the losing club will entertain the winners.

## 4-H Boys and Girls Attend Round-up

Sunday morning, June 12, a group of 4-H boys and girls and their sponsors left the Lubbock bus terminal on three chartered busses bound for the 4-H round-up at College Station, Texas. They arrived there at 8:00 P.M.

On Monday the different judging teams entered their contests. There were two judging teams from Lamb County—the Etomology and the Field Crop teams. The Etomology team won first place and the Field Crop team tied for third place.

Those who went to the round-up for recreation made preparations for the carnival during Monday. The carnival was held Monday night and was named the 4-H Carnival. When each boy and girl entered the gate they were given seventeen tickets to use at any of the booths. There were ball-pitching booths, fortune-telling, bingo dancing, concession stands, and many others. If the person won at one of these booths he got his ticket back and could use it for any other booth. When the booths closed a Puppet Show

## Rev. Carter McKemy to Preach 75th Anniversary Sermon at Deport Church

### Anton Drug Store Is Burglarized

ANTON, June 23, (Special)—Anton Drug store was burglarized Wednesday night of narcotics, jewelry and money of value approximating \$2,500, Mrs. Jane Williams, owner, told Dep. Sheriff Jack Anders this morning.

Anders, assisted by City Detective Lee Rice, Jr., of Lubbock, was informed that four diamond rings, two of which were valued at about \$400 each, about \$300 in money and the narcotics were taken from a safe, the knob of which had been knocked, and a cash register which had been left open by the store management. A box of old coins was included in principal streets here.

A front door had been pried. Four marks indicated a pinch bar had been used. Exit was at back of the store.

It was the first burglary reported by Mrs. Williams in the 13 years since she and her late husband moved here from Hereford and bought the store, at intersection of the two principal streets here.

No merchandise has been missed, Mrs. Williams said. Value of the morphine and codeine was believed approximately \$700, but a complete inventory of the narcotics stock will be required before the drug loss can be ascertained.

Rev. and Mrs. Carter McKemy and children, Mary Martha and Elizabeth Carter, will leave today (Thursday) for Deport, Texas, where Mr. McKemy will preach the service Sunday in observance of the 75th Anniversary of the organization of the Deport Presbyterian Church.

The Deport church charge was the first pastorate of Rev. McKemy, he serving this church as pastor from 1940 until 1944.

According to Rev. McKemy there will be a gathering of old timers, and a history of the church will be given by Dr. Stephen H. Grant, a charter member.

The McKemy family will return to Littlefield the following Wednesday.

In Rev. McKemy's absence, Warren Rutledge and Houston Hodges, assisted by Miss Delphene Covington, and Charles Joplin, will be in charge of the program at the Sunday morning worship hour.

As announced also by Rev. McKemy, on the following Sunday, July 10, he will be in a Youth Travelling Conference, and will be working out of Santa Fe, N. M., visiting the missions, hospitals and stations of the Presbyterian Church in New Mexico. L. F. Bourland, layman of the Presbyterian Church, in Tulsa, will speak at the Sunday morning hour.

The requested 1950 wheat acreage allotment for farms in Lamb County must be submitted in writing by the owner or operator of that farm to the Lamb County A.C.A. Committee, Box 516, Amherst, Texas. A closing date for receiving requests for 'new' farm acreage allotments has not been set, but in no event will the closing date be later than the normal seeding time in this area.

## Application Must Be Made By Owner To Lamb A. C. A. Closing Date Will Not Be Beyond Seeding Time

John W. McQuien, Administrative Officer of the Lamb County Agricultural Conservation Association, made the following statements this week concerning new-grower allotments for 1950 wheat.

Any farmers in Lamb County who did not show wheat seeded for harvest in the years 1947, 1948, or 1949 on the recent acreage reports but who intend to seed wheat for harvest in 1950, must submit a written request, in terms of a specific acreage, for a 1950 wheat acreage allotment if an allotment is to be established for such farms.

The requested 1950 wheat acreage allotment for farms in Lamb County must be submitted in writing by the owner or operator of that farm to the Lamb County A.C.A. Committee, Box 516, Amherst, Texas. A closing date for receiving requests for 'new' farm acreage allotments has not been set, but in no event will the closing date be later than the normal seeding time in this area.

## SUDAN STREET WIDENING PROJECT NOW UNDERWAY

Dick Jordan, Sudan contractor has announced that materials have arrived for the street widening project on Highway 84 through Sudan and that work is now underway on the project. Jordan was awarded the contract for the project several weeks ago by the Sudan City Commission.

When the curbing and gutters have been completed on the project by Jordan the Texas Highway Commission will take over and complete a four-lane highway through the city.

### Club Women Plan Ice Cream Supper

The Littlefield Jayettes met Tuesday evening of last week at the home of Mr. and Mrs. Earl Rodgers on East 12th St. with Mesdames Rodgers, R. Ater and T. G. Shaw as hostesses.

The rodeo and parade were discussed, and an ice cream supper was planned for July 22.

BULL LAKE PHILOSOPHER SAYS IT'S BACKWARD TO CALL HIM LAZY FOR WANTING THISTLE-EATING COW

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake seems to be a little riled up because we called him lazy for wanting a cow that could learn to live on his weedy pasture...

Dear editor: I read what you had to say last week about me reachin the apex of laziness because I was interested in A & M College developin a cow that could thrive on my weeds and thistles...

You can call it laziness if you want to, but most progress came about because somebody was tired and had rather sit down than stand up.

The reason the hand pump was invented was because some man was tired of drawin water with a rope and bucket. and the reason the electric pump was invented was because some other man was tired of workin a hand pump.

You may think the ridin cultivator was invented to grow more food for you town birds, but it was invented because some farmer was tired of walkin. Huntin a easier way to do a job ain't no sign of laziness, it's a sign of thinkin, and thinkin is the difference between workin for a cow and havin the cow work for you.

next ten years, buildin it up and improvin it, and in the end get it where it would support a cow to the acre, but if I could get a brand of cow that could learn to live on what food there is in that pasture now, I could save ten years of work and ain't no tellin what valuable thoughts I could have in that time, although savin ten years of work is reward enough.

It ain't laziness to want to get out of work, it's shewed thinkin, and the reason you got hot and cold runnin water in your house right now is because some lazy cuss as you'd call him got blamed tired of walkin up and down the hill totin water from the spring, and as far as I'm concerned you town birds sittin in there with every comfort criticizin me for stayin out here under a tree thinkin for you, are plain ungrateful and in the way of progress.

You'd probably take one look at Einstein and say he wasn't hittin a lick, but me and Einstein both can apparently be dozin in the shade wastin time but our minds are racin. You run your business and I'll run mine.

Yours Faithfully, J. A.

COTTON PLANTING SEED NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season — ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers.

Here's why the NEW Paymaster "54" is a money-making Cotton...

- EARLY MATURITY: Of 25 varieties tested recently... "54" was first in percentage of crop harvested in a four-month period. HIGH YIELD: In this same test, "54" was third among all varieties in yield per acre. BETTER STAPLE: "54" ran 15/16" to 1 inch throughout West Texas, assuring a better price. TESTED FOR DRY LAND: "54" has been proved successful for dry land farming as well as for irrigated Plains areas.

Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW.

IT PAYS TO PLANT PAYMASTER "54"

Sold through your ginner, your seed dealer, all branches of the Western Cotton Oil Co., and at Lockview Farm, Plainview, Texas.

### Emmanuel Lutheran Church News

Christian and non-Christian, tho living in the same world and in some respects similar, are at best widely separated from each other, according to the message which members and friends of Emmanuel Lutheran Church (317 West 3rd) heard a recent Sunday morning.  
The non-Christian has a goal in life that is selfish and carnal whereas the Christian has the one basic desire to please and glorify Jesus.  
The carnal-minded man not only excludes God from his plans but also plans against God, while the spiritual-minded man plans with Jesus and also to be like Him.  
The unbeliever will find upon investigation that his doings begin and will eventually end with death, but the

# Littlefield Serviced With DDT for Second Time

## City Sprinkled By Plains Fog Service Saturday

### Kerosene Put in Lake and at City Disposal Plant

According to Ralph Douglas, City Engineer, the City was completely serviced with DDT Saturday by the Plains Fog Service.

Work started at 4 A.M., and except for a short time that the wind was too high for the work to continue, the fogging continued until 9 P.M.

#### Jaycees Supervise

The service by the Plains Fog Company was supervised Saturday by the Littlefield Jaycees, with 'Skipper' Smith, incoming Jaycee President, in charge.

Four barrels of Kerosene were also sprinkled over the Lake in the Park Saturday, and four barrels at the City Disposal Plant Friday.

#### DDT City Twice

This is the second time this season that Littlefield has been serviced with DDT for the killing of insects and bugs and the prevention of disease. About a month ago the City of Morton serviced Littlefield with DDT.

This service costs Littlefield about \$150.00 each time, according to those in charge.

## Arrests Made In Theft and Liquor Charges Friday

Jess Bruton was arrested at Oltorf Friday night by Deputy Sheriff Dewey Dennis, on a charge of alleged possession of liquor for purpose of sale, and brought to Littlefield. He was lodged in the Littlefield jail.

Johnnie Carl Jackson of Sudan was arrested late Friday by Deputy Sheriff J. D. Chester, on a charge of alleged theft. He was brought to Littlefield by Deputy Sheriff Chester and lodged in jail.

Gasoline and a battery were said to have been taken from a tractor belonging to Ves Terry at Sudan.

## 4-H Round-up—

(continued from page 1)

was shown the 4-H'ers. One of the 4-H girls did some stunts on the flying trapeze making it seem like a real carnival.

The 4-Hers that were not on the judging teams or in the recreational group went on a tour. They went to the green houses, where they saw different kinds of cotton, tobacco plants, and many other plants. Then they attended some cheese demonstrations. Here they saw different kinds of cheese, some imported and some made in the United States. They also saw demonstrations on cottage cheese and cheese salads. After the demonstrations they went to the museum. Here they saw a mummy that was about 2,000 years old. They also saw some Cuneiform writing.

Tuesday morning the roundup really started. Here they attended a general assembly. Then Tuesday afternoon they heard many interesting talks. The girls heard a talk by Miss Earline Gandy of the Youngfolks Department of the Progressive Farmer magazine. Her talk was on Higher Ideals of the 4-H girls. One idea she gave on how to earn money for your 4-H club is to have Hobo day and do different jobs in town such as wash windows and do jobs like that. Then the girls heard a talk on Better Breakfasts on Parade. Misses Louise Mason, Lucille Shultz, and Margaret Jackson, who gave the talk, told the girls why it was essential to eat a good breakfast.

After the breakfast talk the girls

were ready to start on an airplane trip. Their tickets were folk songs of different countries. There were folk songs from Czechoslovakia, Palestine, Italy, Spain, and ending up with the American folk song "The Blue-Tailed Fly". The Palestine folk song was in the native tongue of Palestine. This was the lesson on recreation.

Tuesday evening the 4-H boys and girls and their sponsors saw the 4-H movie, "The Green Promise".

Wednesday morning the 4-Hers heard talks on some of the 4-H trips that were taken during the year. One boy had taken a trip to the Netherlands and his talk was very interesting.

The talent program was very interesting. The stage was lighted so as to throw a bluish-purple glow on the stage making the stage look very pretty. The first scene was a camp fire. About seven 4-Hers sang western songs. The next scene was a recital. Piano numbers and vocal solos were heard here. The third and last scene was a party where numbers of popular songs and tap dancing were carried on.

The state 4H dress revue was held Wednesday night. There were one hundred and twenty-eight entering. There were three classes: dress-up, school, and tailored or traveling. On one side of the stage was a school building and on the other side of the stage was a house with a lawn table and chairs in front of it. Before the girls that modeled school dresses came on the stage a group of 4-Hers sang "School Days". Then before the tailored or traveling group came on this same group sang "Far Away Places". They sang "Tea for Two"

before the dress-up class came on. The awards given to the winners of the dress revue include an all expense trip to the National 4-H Congress at Chicago, two console electric sewing machines, one hundred dollar saving bond, and nine electric irons.

There were fifteen boys and girls, one sponsor, two agents, and one assistant agent from Lamb County that attended. Kenneth Rhodes, Billy Gee, Winfred Crosby Bennie Shaver, Ray Joe Riley, Jessie Parish, Leroy Barlow, and Eddie Hayndon went to the roundup to compete in the judging contests. Nadyene Allen, Douglas Ellsworth, Dee Dall Jones, Eugene Young, Mildred Gregson and Pat Blessing went to the roundup to help with the recreation. Catherine Foltyn entered the state dress revue. Mrs. John Nix was the sponsor. Miss Dudley Hambright and Mr. David Eaton were the agents. Mr. James Simmons was the assistant agent.

## HOUSE JOINT RESOLUTION NO. 22

proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

## BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to

practice law in this State and shall have been a practicing lawyer or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceeding at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court

when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding.

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

Sec. 2 The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on September 24, 1949, at which time all ballots shall have printed thereon:

"For the Constitutional Amendment providing that the District Court shall conduct its proceeding at the county seat of the county in which the case is pending, except as otherwise provided by law"; and

"Against the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3 The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

# Fort Worth Centennial Celebration To Be Staged July 16 to 23

FORT WORTH — Preparations for "Fiesta-cade" were in high gear today on a city-wide basis as reserved seat sales began for the immense outdoor spectacle July 16-23, which will celebrate Fort Worth's first century of existence.

Indian raids, cattle trail episodes, the

coming of the first train and other dramatic events in Fort Worth's past are being rehearsed daily by some 2,000 Fort Worthians who have parts in the spectacle. The 300-foot stage which will run the entire length of Farrington Field, where "Fiesta-cade" will be given, is being prepared.

The City Council, recognizing that something like this comes only once every 100 years, has amended an anti-

Section 15-a, to read as follows: "Section 15-a The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Saturday in September, A. D., 1949, at which election all ballots shall be printed thereon:

"FOR the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases" and

"AGAINST the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases." Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3 That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

fireworks ordinance so that a spectacular fireworks display may be given each night to conclude "Fiesta-cade".

The reserved seats are on sale at the Central Ticket Agency, Hotel Texas, and mail orders accompanied by check may be sent there. Seat prices are general reserved, \$1.80; central reserved sections, \$2.40; and box seats, \$3.60, tax included.

Eleven Texas cities and towns have already announced they will have a special day at "Fiesta-cade" and will send large delegations and an official queen. The visiting queens will be presented at the spectacle. Latest to announce plans are Brownwood and Olney.

## Now I'm Going Back To High School!

When I saw lights burning in the High School auditorium last night, I looked in to see what went on. About twenty people were listening to Buzz Ellis, the electrician, talk about television.

I slipped into a back seat and asked Hap Thomas what was up. Hap told me it was the new Self-Improvement Club. I stayed to listen—and learned a lot. Buzz really knows his stuff.

Turns out this club meets every Friday night. Each member gives a talk on the subject he knows most about. I joined on the spot because

learning new things is one of my favorite hobbies.

From where I sit, it's willingness to learn from the other person that makes Americans tolerant towards so many different viewpoints and tastes in things. Just because Buzz Ellis goes for chocolate malteds, while I prefer a mellow glass of beer, doesn't mean I'm right and he's wrong. Incidentally, next week I'm going to talk on how to run a newspaper.

## New Gin For Bainer Community Is Nearing Completion

**\$100,000 WORTH OF GIN**—The new Bainer cotton gin rapidly nearing completion at Bainer Station, six miles southeast of Littlefield, is owned and will be operated by J. B. Haire and his son Kenneth. The Haires also operate the Yellowhouse gin at Bainer.

Within ten days one of the most modern cotton gins in Lamb County will be completed and ready to help in processing the expected record crop. The new gin is being erected at Bainer station, six miles southeast of Littlefield, and is costing upwards of \$100,000. The owners are J. B. Haire and his son Kenneth, who are already operating another gin at Bainer.

"Despite some of our crop loss by hail, I believe we will need the extra ginning capacity the entire season," Haire stated.

The building in which the latest type Murray machinery is being installed, is 120 by 30 feet. It is of welded steel framework covered with galvanized sheet steel. A loading shed runs the entire length of the structure.

The machinery is being installed under the supervision of C. P. Cowart, Dallas engineer, who is directing the efforts of eight locally employed men.

The entire layout was engineered and designed to obtain the maximum efficiency and set up an in-line production.

At the south end of the building is a motor room where electric power is used to run the machines. Included in the installation are a burr extractor, two seven-cylinder cleaners, a big reel drier and five stands of gins.

When the gin is ready to operate it will have a capacity of seven bales an hour or 168 bales per day.

"At the height of the season we expect to operate 24 hours a day," the elder Haire said yesterday. "I am confident there will be enough cotton made to justify this belief."

Haire said that to his knowledge some 300,000 acres had been planted to cotton in Lamb County.

"We lost about 60,000 acres of this to hail and rain," Haire said, "some of this loss has since been replanted in cotton

and some has gone to grain sorghums. We don't have an accurate figure yet. But even with 250,000 acres of cotton that will be quite a crop for the gins of this county to handle."

The gin, to be known as the Bainer Gin, will be managed by Vernon Eagan. The other gin owned by Haire at Bainer is known as the Yellowhouse Gin and has only slightly less capacity than the new one.

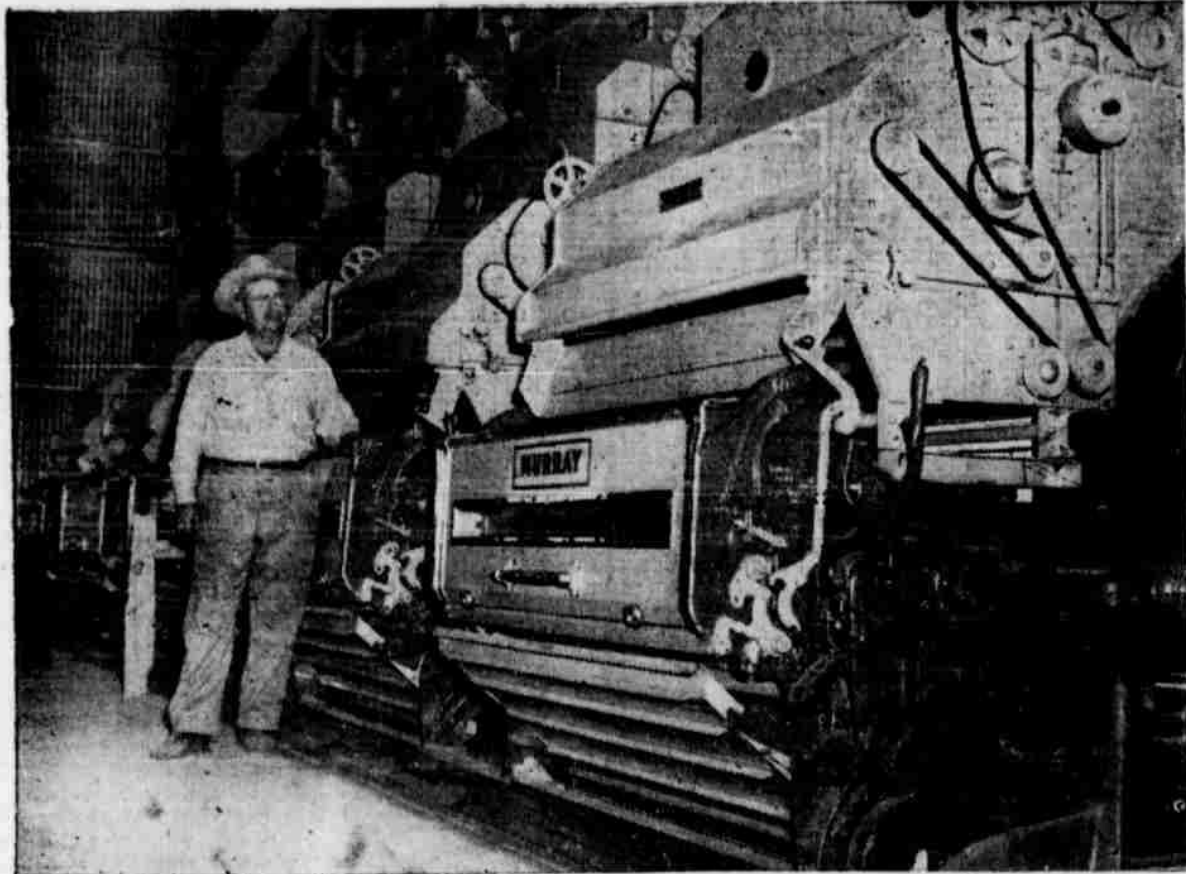

When asked if he thought the erection of such a costly new gin was advisable in view of the threatened cotton restrictions forecast for next year, Haire said:

"There will always be plenty of cotton in this area. The gin that has the best trouble-free machinery and can handle the volume will get the job. I am confident that I have made another growing investment in a rapidly growing community."

### TO TOUR ENGLAND AND FRANCE

Billy J. Lynskey, seaman in the USN, son of Mr. and Mrs. Lynskey of Littlefield, Texas, and a member of the crew of the battleship USS Missouri, will take a part of a ten-ship Midway Practice Cruise Squadron.

Tours to both London and also are being arranged. Detailed practical shipboard training at the Academy and Reserve Midshipman's school will be given. The watches and participate in the exercises alongside the regular companies.

**LATEST COTTON MACHINERY**—J. B. Haire, owner of the new \$100,000 gin being completed at Bainer Station near Littlefield, points to one of the five stands of Murray ginners being installed in his new plant. The gin, when ready for operation, will have a capacity of seven bales per hour or 168 bales for a 24-hour day. Erection of the machinery is under the supervision of C. P. Cowart, Dallas. **Levelland to Stage Rodeo July 2-4**

LEVELLAND, TEXAS, June 30—This thriving West Texas City is getting into its best Western bib and tucker in preparation for the annual Levelland Rodeo, Saturday, July 2, Sunday, July 3, and Monday, July 4. All the trappings of a genuine western thriller are being unfurled for display at these three rodeo heydays, by the hospitable citizens of Levelland. Sponsoring the Levelland Rodeo is the Levelland Rodeo Association, a non-profit organization of business men, cowboys, ranchers, and farmers . . . one of the oldest community rodeos in the Southwest. The Levelland Rodeo boasts one of the biggest and best rodeo arenas in West Texas, and features new facilities.

Tim Holt, famous movie star and son of a star, will head the great parade to begin on the Fourth of July. The procession of horses, riders, and floats is scheduled to get underway at noon. The Lubbock County Sheriff's Posse and other riding groups have been invited to participate. Immediately following this impressive spectacle, the final two performances of the Levelland Rodeo will swing into action one mile southwest of Levelland, in the new Rodeo Association arena.

In addition to Holt, Elmer R. Robinson of West Mineral, Kansas, will be on hand with his trained jumping brahma bull and sensational roman horse act.

Contest events which will qualify winners for a share of the \$3950 purse, with entrance fees added, are in the best of rodeo tradition. Bareback bronc riding, saddle bronc riding, bulldogging, bull riding, calf roping, team tying and ladies' sponsor event are all part of the thrill-menu to be served the spectators at the Levelland Rodeo on July 2, 3, and 4.

Modern site of this year's Levelland Rodeo is a new arena and covered grandstand, seating over 3,000 persons. Also, there is a new Rodeo Association clubhouse, where dances will be held on the evenings of July 2 and 4. The Sunshine Trio, of Southwestern radio fame, will furnish western rhythms for both occasions.

Refreshments are to be handled at the rodeo by an experienced concessionaire. Arrangements have been made to care for all of the thousands expected to attend. There are adequate parking facilities on the grounds to care for large crowds at each performance.

Admission prices established for the Levelland Rodeo by the Association, are: general admission, \$1.50, and reserved seats, \$1.00, both tax included. Tickets are being sold at D. N. Bills

Butane, Inc., Levelland. Cash, check, or money orders will be accepted if ordering tickets by mail.

### Veterans Free To Select Newly Owned Land Tract Farm or Ranch Home

OSCOM GILES, Commissioner of the General Land Office, announced a series of bills for the "Veterans' Land Act."

The enacted legislation will be the means of securing for a farm or ranch of their very own, the most attractive feature of the bill is that section which provides for a veteran to purchase a tract of land suitable for farming or ranching held in fee simple or in common ownership in any State. It might be owned by a corporation or by a partnership, but the matter to the Board of Land Commissioners. The veteran feels that it will serve his needs; that it must be a tract of land of at least one-half the mineral interest and that the asking price is reasonable. The veteran has made his selection and the next step will be to complete the purchase with a complete description of the tract. It may be applied for at any time he files with the Board, he will receive his initial certificate of title for not less than 25 percent of the total purchase price. The application of the veteran's money will be held in trust and he will be free to take possession. The Board has appraised the land and approved the application. The veteran will be required to pay the balance of the purchase price in three or more installments. After the first installment is paid, the contract of sale will be in force. The balance will be paid in installments.

NOTE: (In the next issue Commissioner Giles will tell of the requirements for qualification for a farm or ranch home and the protection provided the veteran under the legislation.)

### First Baptist Extend Call To Rev. E. R. Ingram

Last week the First Baptist Church in conference extended an unanimous call to Rev. E. R. Ingram to become Assistant Pastor of the local church.

Rev. Ingram is now Pastor of the First Baptist Church of Enochs, Texas, where he has done excellent work.

His work will be largely in connection with the First Baptist Mission. He will assist the pastor as needed in the work of the church.

Rev. Ingram preached an excellent sermon here Sunday night, June 19.

### REGISTER FOR SUMMER COURSE AT MCMURRY

Gorge Thompson and Mrs. Georgia Faye Thompson, both of Littlefield, registered last week in McMurry college, Abilene, along with 292 other summer students.

There is the smallest summer enrollment in McMurry college since the close of the recent war. Of the group enrolled approximately 90 will complete their degree requirement for graduation September 2. Many others are teachers taking various types of refresher courses.

Included in the summer curriculum of McMurry are fifty-three courses in the fields of art, education, science, religion, foreign language, business administration, English,

### Sgt. Charles Chapman Undergoes Surgery

Sgt. Charles Chapman, who is with the Marines stationed at Barkston, Cal., underwent surgery at the Naval Hospital Corona, Cal. Monday of last week.

Sgt. Chapman will be obliged to remain at the hospital three weeks.

He is reported by his mother to be getting long satisfactorily.

math, history, and special music courses, both vocal and instrumental. Additional teachers have been added to the math, art and business administration staffs for the summer.

The second summer semester will begin at McMurry July 25, following a brief vacation.

### New First Baptist Mission Is Named Westside Chapel

In conference recently the First Baptist Church decided upon the name of Westside Baptist Chapel for their Mission, and from now it will be so named.

The beautiful building was erected by the Brotherhood of the church and will be dedicated free of debt the first Sunday the building is used.

Several workers have volunteered their services to assist in the Westside Chapel. Sunday school and training union workers are needed to carry on the work.

### Power Company Advertising Executive Here

E. G. Weber, advertising executive for the Southwestern Public Service Company, spent sometime in Littlefield recently at the local offices of the company.

Mr. Weber, whose headquarters are in Amarillo, and who became connected with the power company about two months ago, is considered an expert in the advertising field. Previous to coming to Amarillo, Mr. Weber was associated with Cussack Advertising Agency of Denver, Colorado.

Hardy Shelby, Manager for the Southwestern Public Service Company here, was showing Mr. Weber about the City.

# About People You Know

The many friends of Mrs. J. D. Richards will regret to learn that she is ill and has been a patient of the Littlefield Hospital since Monday of last week. Mrs. Richards, who has been on the Littlefield Hospital staff for some time, was a patient in Gaston Ave. Hospital, Dallas, two weeks and now in the local hospital, is feeling better.

Ellen Alverson, aged 11, daughter of Mr. and Mrs. F. G. Alverson of Littlefield, suffered a badly burned finger on her right hand, when she came in contact with a live wire in a worn place on an electric iron cord at her home Saturday. She was in the act of ironing when the mishap happened. Her finger was dressed at the Littlefield Hospital.

## That Nagging Backache

### May Warn of Disturbed Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
