

Lamb County Trade Expansion Program Is Announced

Lamb County Leader

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, FEBRUARY 4, 1954.

NO. 38.

Hundreds Of Dollars Offered Area People By Littlefield Newspapers To Help Establish Twin Weekly Plan

20 Per Cent Cash Commission Paid Daily From \$50 to \$800 in Cash and Merchandise Prizes in Exchange for Two Weeks Spare Time Work; Both Papers for Price of One Is Highlight of Campaign

Since Nov. 1, the Littlefield Newspapers have been published as twin weeklies, with the County Wide News appearing on Sunday and the Lamb County Leader published on Thursday.

This arrangement was established with the intention of giving both the reader and advertiser a more effective, and timely, news and advertising service.

We intended for each paper to carry one-half of the week's news, getting it to the readers at the earliest possible minute after it reached this office.

At the time of this publication arrangement was affected, we hoped to follow through immediately with the program being announced today, to see that as nearly every home as possible had both papers so that we would not have to carry the same news in the two publications. We were unfortunate in not being able to secure the services of the people who we wanted to do this job until the present time, and we again want to thank our readers for their patience through these confusing months.

When finding so few people receiving both papers we were forced to carry some of the same news in both papers, so that the persons who had only one paper could not feel they were being used too badly until we could get this worked out to the satisfaction of all.

The program announced today is one which has been used on more than a score of the country's best newspapers to work out this twin weekly arrangement and gives every subscriber of each paper the opportunity to have both the Lamb County Leader and the County Wide News for a period of two years, at exactly the same price they are now paying for either alone. At the same time we are giving every home in the Littlefield trade area which is not receiving these two newspapers the opportunity to subscribe in the same way; making the county paper cost the subscriber less than three cents per copy.

In this way, many more people will be seeing what the advertisers using the columns of these two newspapers have to offer, bringing many more people into Littlefield, which will work to the ultimate good of all.

To accomplish this, we fully realize we must have the assistance of the most capable people of each community, to get this done quickly and effectively.

To attract this type of person we also realize that the offer must be the most attractive conceivable, as many of those who take part will be persons who do not need the compensation offered, and whose services could not be secured with the most fabulous salary.

However when people are offered an opportunity to go out and earn a liberal commission, while winning prizes such as announced on another page of today's paper, all in exchange for two weeks' spare time, we feel most everyone will be happy to take part.

The most attractive part of the whole program, is that those who take part are being paid all of this for going out and giving the subscriber the opportunity to profit, even more than they, by having both papers for the price of one for the next two years; however no subscriber can take more than a two years' subscription at this price as the cost of producing a newspaper is still increasing, and we have no

Howard Perry Jr.

Hall Expands, Adds Perry To Staff

Howard Perry Jr., formerly an auto dealer in Haskell, has joined Hall Motor Co. as sales manager, Owner Mancil Hall announced Wednesday. Appointment of a sales manager is part of an expansion program at the local Ford firm.

C. M. Johnson, sales manager since 1945, has been promoted to overall business manager, who'll give special attention to service and parts departments. Used car sales manager is Charles Aldrich. Mrs. Julia B. Thompson, bookkeeper and accountant, will now serve as office manager.

"This expansion will permit us to give better attention to our customers," Hall said. "Regardless of general economic conditions, the auto business is a big part of our economy on the plains. West Texas depends on automobiles and we want to give the best service possible."

"We feel that business is going to be here in '54 if you go after it, and we're going after it."

Size of Hall's used car lot is being doubled to allow showing of a larger number of cars. New signs, new lights and a new office are being installed on the lots.

Perry and his wife and two children moved here Monday. They have rented the Cloise Foust home at 701 E. 15th.

MOD Auction Nets \$1,900, Bench Wins TV

The March of Dimes auction held Monday on the depot lot cleared over \$1,900 for the campaign, J. B. McShan and Carlyle Russell, organizers of the auction, said Wednesday.

J. T. Bench of Amherst was the winner of the 27-inch television set given away in connection with the auction. Bench said he did not own a television set and had purchased only one ticket on the set to be given away.

Col. Jack Rowan and Hank Matthews donated their services as auctioneers for the auction, which began at 11 a. m. and lasted until about 5:30 p. m.

Articles auctioned were either consigned and the proceeds turned to the owner and the auctioneer's 5 percent commission given to the March of Dimes or donated entirely to the fund.

During the auction members of the Sunnydale Home Demonstration club sold sandwiches and cake. Proceeds totaling \$29.41 were donated to the March of Dimes. Meat filling for the sandwiches was donated by Piggly Wiggly and the bread was furnished by Mead's Bakery.

Ladies working during the auction were Mrs. Ed Mote, Mrs. E. O. Brooks, Mrs. C. F. Bryce and Mrs. C. K. Pillion.

Kenny Goes Home

Kenny Diersing, who lost an eye recently due to a fireworks accident, was released from Payne-Shotwell Foundation Monday.

Grand Jury Just Checks On Amherst

Both the old and the new directors of the South Plains Co-Op hospital in Amherst will meet together next Monday night and the old board has promised to withdraw if an audit currently being made is acceptable. Meanwhile, the county grand jury reportedly investigated the Amherst situation, but took no action.

The old board, ousted at the annual membership meeting Saturday, met Monday afternoon at 1:30 and adopted a resolution calling for an immediate audit of hospital finances and an inventory. Members said they will withdraw from all responsibility as soon as the audit and inventory are completed and accepted.

Their resolution was presented to the new board, which met at 2 and it was arranged for both sets of directors to meet Monday night at 7:30 to go over the audit report.

Pending that report and the withdrawal of the old directors, the new board has taken no official action other than election of officers.

Hospital Administrator Carroll Pouncey said this week, "I feel the situation, if left alone, will straighten itself out."

Another member of the staff of the 69-bed hospital, who did not wish to be quoted, said admissions since Sunday have been "dangerously low." There were 12 patients in the hospital Tuesday.

Discharge of the old board members Saturday came after a year-long disagreement between them and staff doctors headed by Chief of Staff B. O. McDaniel. The doctors had asked a 3-year contract giving McDaniel the right to hire and fire members of the medical staff, a right previously held by the administrator, and a pay raise based on a percentage of doctor fees charged patients. The old board had refused to enter into such a contract.

Members of that board are J. L. Hinson, A. A. Tomes, V. M. Peterman, Seibert Cowan, Fred Wilson, Charlie Harmon, H. Messamore, W. P. Holland, and Allen White. All live in or near Amherst.

After the old board was discharged in a stormy meeting attended by 537 voting members of the South Plains Hospital Association, and scores more of their relatives and friends, a new board was elected.

Tomes and Hinson, said to have formed a minority on the

Both Hospital Boards To Meet

Agriculture Group Makes Plans For '54

Members of the Littlefield Chamber of Commerce met at the Cafe at 7:30 Monday to map out the 1954 program of the Agricultural Committee. They were President Marshall, Chairman James, Members C. O. Skipper Smith, and Jesse Everett.

The committee was appointed by John D. Smith and includes Nace, Dave Eaton, Cole, W. W. Hall, and Perky.

The group agreed to recommend to the board of directors that farm dinners be held in communities which they would be glad to have the Littlefield C. of C. visit.

The dinners are held to give all people an opportunity to get better acquainted with the farmers and citizens of the farming towns. Members of the Chamber not only buy for themselves but also invite to be invited from the city where the dinner is held.

The group discussed the Soil Day program scheduled for Feb. 23. The annual program sponsored jointly by the Department of Agriculture, the Bureau, the Burlington and the Chambers of Commerce of Olton and Littlefield.

The group also voted to recommend to the board of directors a premium for the first cotton to be given again this year. A suggestion that it be the first bale at a field gin—instead of a county gin—was turned down as the county seat and to serve the whole county as possible.

At the request of the Lamb County Farm Bureau the committee will secure sponsors for publications on soil conservation. They will be distributed to feed dealers, farm machinery places, etc.

The committee recommended the Chamber participate in the Soil Conservation District's annual Field Day.

One hundred-fifty persons have been sold 1954 car tags since they were on sale Monday, the tag sale Littlefield announced. The sale has sold 100 farm tags and 25 commercial vehicles.

Numbers in Lamb county for the year start with BE 1800. It was claimed by Bobby Arkham of Sudan.

LITTLEFIELD HIGH SCHOOL Senior Troy Gardner was selected both All-Wildcat Boy and Outstanding Boy by the students and the faculty, respectively. He is shown here, left, with Mary Jo Gardner, All-Wildcat Girl, and right with Rosa Lee Hemphill, Outstanding Girl. The announcement was made at the Littlefield high school Annual Festival. (Photo by Taylor Studio)

New First Baptist Church Here Will Be Formally Opened Sunday

First Service Saturday Honors Pastor Hemphill

The new, half-million dollar Baptist church will be formally dedicated Sunday, but the first service in the new auditorium will be a special program Saturday night in observance of the 11th anniversary of the pastor, Dr. Lee Hemphill.

The anniversary service will begin at 7:30 p. m. Saturday. Dr. Hemphill came to Littlefield in February, 1943 from Dayton, Texas, where he served as pastor 6½ years. During his 11 years here, the local church has grown into one of the largest in this area, adding 667 members by baptism. In 1953, it had 1,689 members, with more than 1,200 living in Littlefield.

Three Sunday Services In the service Saturday night, many features of the new building will be described, including the meaning of the symbols in the stained glass windows of the new sanctuary.

There will be three services Sunday for the dedication.

In the morning service, which begins with Sunday school at 9:45, Dr. Willis J. Ray of Phoenix, Ariz., will give the dedicatory sermon. Joe Grizzle of San Benito, Texas will give a special prayer.

The afternoon service will begin at 2:30 p. m., with Rev. O. L. Oldham, the first pastor of the Littlefield church, as featured speaker. Rev. F. E. Swanner, district missionary, will bring the message.

1,000 in Sunday School

Evening worship will begin at 6:30 p. m., with Rev. Roy Shahan delivering the sermon.

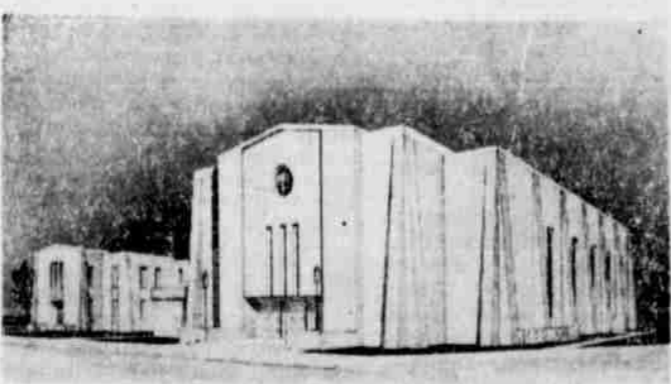

Former pastors and members of the church from throughout the United States have been invited to the dedication and goal is 1,000 in attendance for Sunday school.

Many committees have worked to make the dedication possible, but the dedication committee proper is composed of Rev. D. C. Lindley, Pryor Hammons, Mrs. Virgel Peterson, Mrs. Virrel Roberts and Mrs. J. R. Coen.

\$450,000 Project

Construction on the new sanctuary started March 1, 1953, with \$105,000 in the building fund. It is attached to a new educational building started Aug. 30, 1949 with \$75,000 in the building fund. The educational building was dedicated free of debt Feb. 4, 1951.

To date, the church has raised \$325,000 on a project that has cost almost \$450,000. Dr. Hemphill has said if the present rate of income continues, the balance due will be raised in 21 months. The average offering per month for the building fund for the last four years has been \$5,225.

THE NEW First Baptist Church plant, a \$450,000 project is pictured above. The new sanctuary which will be dedicated Sunday at the right with the new educational building, in use since 1951, at the left.

PASTOR of the church for the last 11 years, Dr. Lee Hemphill, is pictured at left. To honor him on his anniversary, a special program will be held in the new sanctuary at 7:30 p. m., Saturday. It will be the first service in the new church.

Seven More News Writers Added To Newspaper Staff

The Littlefield newspapers have placed news writers in seven additional towns, outside of Littlefield, in the last two weeks, making a total of fifteen towns now with a reporter covering and reporting the news of interest from around the area.

The names and telephone numbers of these new staff members of Littlefield's two newspapers will appear in next week's papers so that persons wishing to contact them will know whom to call.

This is just another of the improvements your county newspapers are making to give you all of the news of the county while it still is news.

The news now appears twice each week, being carried in which ever paper appears first after the news reaches the office.

Those receiving only one paper are receiving only one half of their news and often will be missing the news from their immediate locality. This is the main reason for the Littlefield newspapers to now be offering every subscriber the opportunity to have both of their county newspapers for the price of one for a period of two years.

One paper appears on Sunday and the other on Thursday. Receiving either paper alone would be the same as receiving each second copy of your daily publications.

Outstanding HS Students Announced

Winners of the five scholarships given Littlefield students by local civic organizations, the

Outstanding Boy and Girl of Littlefield high school and the All-Wildcat Boy and Girl were announced at the Littlefield high school Annual Festival in the senior high school auditorium Monday.

Scholarship winners were: Bob Hoover, Junior Rotarian; Larry Kennemer, Lions club scholarship; Doris Byrd, Jaycee-ette scholarship; Pat Childress, P-TA scholarship; Wynelle Lightsey, Woman's club scholarship. The scholarship winners were selected from a group recommended by the faculty. The P-TA scholarship winner must agree to become an elementary teacher.

The Outstanding Boy and Girl of Littlefield high school, chosen by the faculty for character and scholastic standards, are Troy Gardner and RosaLee Hemphill.

The All-Wildcat Boy and Girl, elected by the student body, are Troy Gardner and Mary Jo Gardner. Gardner and Miss Por-

cher were the senior candidates for the honor. Junior candidates from the sophomore class were John Clayton and Patricia Smith.

The Littlefield high school chorus, led by Dick Daughtry, opened the program. They were accompanied by Miss Sue McCown at the piano. Numbers presented were "Praise Be To Thee, O Heavenly Father," "I Stood By the River of Jordan," "Erie Canal," "Madame Jeannette," and "The Lord Bless You and Keep You."

A welcome on behalf of the students and faculty was given by Glenn Owen, who then introduced Supt. Haldis Pearce. Pearce gave a brief explanatory speech stating the basis upon which outstanding students are chosen and praising the extracurricular activities entered into by Littlefield students.

Pearce recognized members of the National Honor Society, (Continued on Page 7)

Man Killed In Compress Accident

Cedell Eddings of Littlefield was killed instantly in an accident at the Union Compress at 4 p. m. Tuesday. Eddings was caught in compress machinery.

Funeral arrangements are being made by South Plains Funeral home in Lubbock. He is survived by a sister from Temple, expected to arrive this week, and a brother, Jack Eddings of Las Cruces, N. M.

City O. K.'s School Wells, Delays Others

The Littlefield City Commission Tuesday issued drilling permits to The Texas Company for two wells to be drilled on the school grounds. They delayed approval on the two permits requested for the Union Compress lease, pending action by the Railroad Commission.

Adjoining landowners, I. F. Sumrall and Mr. and Mrs. Leo Hewitt had protested the second and third wells staked on the Union Compress lease that they would drain oil from under the protestants' property.

One of these locations is 150 feet from the Hewitt property, which has two wells on it, both considerably farther than this from the property line. The other is 100 feet from the Sumrall property, which has not yet been drilled.

The city commissioners decided that they were not qualified to pass on questions of drainage. They stated that such questions were under the jurisdiction of the Railroad Commission, where applications for special permits for these wells are now pending. The city decided to delay its decision until after the Railroad Commission has acted on them.

New Hewitt Well Staked

The Texas Company this week obtained a permit from the Railroad Commission to drill a third well on the Ida Hewitt lease, but local officials have

Dyer, Murphy Candidates For Sheriff

Sheriff Dick Dyer this week announced he will be a candidate for re-election and A. L. (Pat) Murphy said he will also seek the sheriff's office.

Dyer currently is serving his first term. He formerly was a deputy sheriff and served on the city police force.

Murphy until recently was Dyer's deputy at Earth.

Both men are Democrats. (Continued on Page 7)

Statement Candidates Must Sign When Entering the Littlefield Newspapers Trade Expansion Campaign

This is to certify that I, (Candidate's Name Here)

agree that I fully understand when entering The Littlefield Newspapers' Trade Expansion Campaign, that if I should give a free or complimentary subscription to these newspapers, except my personal subscription to my own household, give my commission on the sale of a subscription, or in any way vary from the advertised subscription prices during said campaign, I shall forfeit all rights to a prize in said campaign.

Wildcats Play Loop Game At Olton Friday Night

The Littlefield Wildcats downed the Muleshoe quintet Tuesday night in the local high school gymnasium, 56-47, to break a three-game losing streak and win their third District 2-AA victory. A large Littlefield crowd is expected to go with the Wildcats over to Olton Friday for their second battle in the conference. It will be a struggle for a chance to tie-up Tulla for the championship.

This Wildcat victory over Muleshoe, coupled with Olton's loss the same night to Tulla hauled the Wildcat train up to an undisputed second place in the conference standings. Tulla leads with 4 wins and no losses. Littlefield follows with 3 wins and 1 loss, Olton third with 2 wins and 2 losses. Muleshoe next with 1 win and 3 losses and Lockney has only 2 losses.

Littlefield goes over to Olton Friday night for what could be one of two deciding games in the conference race. If Olton wins it could give Tulla an easy run for the crown or better Olton's chance for a tie. It still looks like a very close race between Tulla, Olton and Littlefield for the championship, with Tulla in the driver's seat at the present, having victories over the Wildcats and Mustangs so far.

Troy Gardner led the Wildcats in the all-sharing scoring honors, but the Muleshoe center, Elders, was high-point man in the game with 17 points. Gardner made 14. Keith Davis pitched in 11 and Dan Howard and Bobby Orr made 7.

It was Littlefield's game all the way. They led at the first quarter, 15-9, and 36-13 at the half. It was more than doubled at the third quarter, 51-24, and subs played most of the last frame.

The box score:

Littlefield (56)	fg	ft	r
Davis	4	3	1
Chayton	9	0	1
Howard	3	1	0
Wicker	1	0	0
Gardner	4	6	0
Orr	3	1	1
Sore	1	0	1
Mears	3	0	4
Northam	0	0	0
Vaughn	3	1	4
Crosby	0	0	1
Total	22	12	13

Muleshoe (47)

fg	ft	r	
Wilson	0	0	0
Willis	0	0	0
Shaw	4	2	2
Jones	9	0	0
Elders	7	3	2
Allison	5	2	2
Johnson	0	0	0
Holt	3	2	3
Total	19	9	13

Gardner Back After Dismal Week For Lfd

The Littlefield Wildcats didn't fare so well in the Sundown tournament last week, losing to two weak teams. With Star Center Troy Gardner out because of sickness, the Wildcats lost their first bracket game to Stanton 52-50 on Friday night and returned on a dismal Saturday afternoon to lose to the Sundown "B" squad, 45-41, again without the services of Gardner.

This was a victoryless week for the Wildcats as they lost every game of the week, both boys and girls. Troy Gardner seems fully recovered from illness and the players all seem in condition after colds and exams, so the Wildcats can go for their last four conference engagements and a Whitharral and Levelland contest at full strength.

Sudan Gives Happy Sad News, 46-26

The Sudan Hornets continued their winning habits by saddening the Happy Cowboys, 46-26. This victory gave the Hornets top place in the round-robin part of District 2-A Conference. They will now try for the championship in the Dimmitt District tournament.

Benny Arnold led the winners with 14 points, assisted by 11 and 10 for Bill Wiseman and Bill Peacock, respectively. Coach Francis Smith's Hornets had a half-time lead of 23-15. Red Oler led the Cowboy scoring with 10 points. Happy girls beat Coach Jim Green's Sudan girls, 47-28, as sickness finally hit the Hornets, as it did many other schools lately.

(Photo by Taylor Studio)

R. V. ALLCORN, Olton's high scoring, fast-flying forward is pulling up for an open "lay-up" shot in the Mustang's game with Littlefield in January. The Wildcats won by two points. Allcorn will be set to lead his Mustangs in trying to take the Wildcats in his home-town gym Friday night in their final District 2-AA Contest of the year, barring play-offs.

Spade Downs Springlake Girls Fighting Pep Beat Sudan 41-24

Coach Cecil Bailey's Spade boys downed a game squad of six Pep boys last Friday night 63-19. Spade led at the half, 36-13.

Don Stenson was high point man with 16 points, assisted by Billy Pierce with 15 for the winners.

John Cassie made 14 and Billy Vick of Pep rang up 10 points. Maudiean Tinsley put on an exhibition of point-making in three quarters before having to leave the game because of sickness. The Spade are poured in 36 points in just three frames of play. Her team downed the

Springlake boys were defeated by Sudan, 58-26. Springlake junior girls played a split game with Dimmitt, winning 2-16 at Dimmitt Thursday and beating Dimmitt 17-12 here Friday. Joan McElhorr was the leading scorer for the junior girls.

Pep girls 65-34. Mary Greener made 17 for the losers.

Jaycees Play Against FFA Members In Donkey Cage Game Here Tonight

A Donkey Basketball Game will be the sports feature of the week in Littlefield Thursday night in the highschool gymnasium.

The game will be played by the Littlefield Jaycees vs. the highschool F. F. A. Both teams will ride the trained donkeys of Cliff Dunham's Donkey Show from Crescent, Okla.

The trained donkeys wearing rubber horseshoes will transport and throw the players around the court as the riders seek to pass and shoot the regulation basketball over the court.

Thrills and excitement keep spectators in a constant uproar as players riding the burros seek to change the contrary wills of the stubborn beasts in maneuvering for scores.

The game begins at 8 o'clock tonight with tickets going on sale at the door. Adult tickets are 50 cents, students 40 and children 30 cents.

The game will be a benefit for the local FFA chapter. Lineups for the two teams will include:

Jaycees: Wayne Ramsey, Elmo Jones, Carl Keeling, Cecil Andrews, Van Coltharp, Bob Attaway, Cecil Harp, Zerald Young, Truett Vinson, John B. Smith, J. C. Smith, Judd Walker, Bill Duncan, Deverelle Lewis, Jesse Everett and Benny Zahn.

FFA: Johnny Fields, Johnny Baker, Eugene Watts, Don Wheeler, Walter Hill, Harry Miller, Tommy Sisson, Alberts Emmons, Harold Brantley, Ronald Rogers, James Macha, Larry Kenemer, Buddy Rogers, Max Burnett, Lawrence Macha and Louis Wimberly.

Wayne Cunningham

Littlefield Coaches Reputation Spreading

Anton's coach, Joe King, told me he is hearing that Littlefield's new coach is really doing a dandy job over there. He said, "I heard he only had one regular back and already has a 15-5 record. That's going some for the first year coaching."

A collegiate basketballer friend in Lubbock told me Sudan, Sundown and Brownfield have three of the best basketball coaches around this part of the country. Coach Simpson and his Littlefield boys lost one to Sudan, one to Sundown (and beat them once) and whipped Coach Nowell's Cubs of Brownfield twice.

With a couple more years' experience in coaching, Joe Simpson might be able to take these strong Francis Smith teams at Sudan and handle the Sundowners' height and coaching. We don't want any oil town trying to bid out our coaches. Maybe Littlefield will be an oil town instead of a salt water town by then.

You know a farm town and county can really furnish the swell kids for sports and attract coaches of good ability as well as character, but it's hard to match the money of oil.

Zone Defense Again
Someone asked why more teams don't use the zone? Though many advantages are found in this easily taught defense, the disadvantages go something like this:

1. It is easy to whip by placing your men where they can hit the basket accurately and moving the ball fast until one is left open for a "high percentage" shot.

2. Intelligent teams can easily beat the zone men by tiring them in fast breaks and making their zone moves so

fast while the offensive men just move the ball fast while they are resting.

3. The zone is simple to fast-break against.

4. Good shooters can easily score from their favorite positions.

5. A well-coached team of average or poor material can easily spread the zones for better shots against it.

6. A zone can easily be overloaded, putting too much work on one defensive man, and confusion results if another leaves his zone.

7. The offensive team can easily freeze the ball when it is leading.

8. It is more difficult to stop a high-scorer, if that man takes his time for his favorite shots.

9. They lower the score not by being a better defense but by making the offense slow down in order to score.

10. It displeases crowds who want speed and high-scoring in games, and can't recognize the coaching angles in slowly and deliberately breaking the defense.

11. It is easy to fake the defensive men since they follow the fall and not the man. For instance, an offensive man fakes a shot and dribbles around the zone man for a closer open shot.

12. Men playing the zone often relax because they can actually get bored when the offensive team holds the ball awaiting the open set shot.

Basketball players today are faster, stronger, better dribblers, taller and shoot better than those of 20 or more years ago.

The versatility of shooting and rebounding largely accounts for the high scoring. The players and fans like this better.

Still, a boy doesn't complete his basketball education unless he is taught to play the zone or knows the fundamental ways of beating a zone defense.

For the layman, this explanation helps: The zone defense plays the ball with a zone to protect. The man-for-man defense plays the men of the offense.

To play against a man-for-man, the offense must move the ball fast and move their men

(fast by screens and blocks, contact blocks) and fakes (screen, cut and pass (these of course)).

To play against the zone, slow your men down, place where they like to shoot, move the ball until a player left open for a good shot takes less individual skill in little coaching.

Some like one, others like other, but the American way in the largest attended basketball game likes the man-for-man defense.

For this educational purpose send your 1953 Newsclips to Cunningham 1954 subscription would be Ed.) The next chapter when the next question is weeks to find the answer.

First 10-Game Schedule
We understand 1954 will be the first 10-game schedule Littlefield Wildcats have had some time. School authorities say it has just been hard to the games that would fit the schedule.

Scheduling games is very difficult. You are allowed a minimum and maximum. You at least half at home. So other teams. Small schools want a few games with schools for the crowds that Big schools want bigger schools for the gate receipts.

"If I were coaching (you've heard that before) would choose all teams and weaker so I could go to it, what with so much pressure on me etc.

Panthers Take Hold Of Title

The Whitharral Panthers sewed up the round-robin half of the District 6-B boys title in Anton Tuesday night with a victory over the Anton Bulldogs, 54-50, in a real championship contest.

The Bulldogs gave the champion Panthers a real go for the game in the last half. Whitharral led at the first half intermission by a score of 32-26. Then Anton came surging back to tie up the score and go ahead, but lost out on free throws in the last frame.

Whitharral only missed 11 charity shots to Anton's 28 for the night.

Jerry Gage and Bobby Davis of Whitharral tied for high point honors. They made 18 points each for the winners. Johnny Bass led the Bulldogs with 14.

Anton won the girls game, 42-41 in a thriller. Bobby Dean Newell made 24 points and Barbara Sires of Whitharral totaled 17 for the losers.

This is the last contest for both teams before entering the district tournament at Anton next week.

44th ANNIVERSARY 1954 BOY SCOUTS OF AMERICA

Official Boy Scout Week Poster

The 44th anniversary of the Boy Scouts of America will be observed during Boy Scout Week, Feb. 7 to 13, by more than 3,000,000 boys and adult leaders. Since 1910 more than 21,000,000 boys and leaders have been members. Boy Scout Week will highlight the "Forward on Liberty's Team" theme which seeks to produce a greater functioning manpower and provide a higher quality program for an ever-increasing membership. In countless communities Scouts, their parents, local institutions and public officials will pay tribute to the leaders of 89,000 Units for the contribution they are making to the boyhood of America.

Bula Wins Twin Bill From Spade

Bula highschool took a double-header basketball game Tuesday night, but their outstanding girls' team found the closest contest of the year in going against Coach Roy Dykes' Spaders. The boys won their contest 53-51 on a thrilling last-second shot by Jesse Mote, who rang up 29 points for the night. The score was tied with only a couple of seconds left to play when Mote poured in the clin-

cher. Jerry Bryant sank 25 points for the losing team. Spade was behind at the half, 36-26 and by 10 points again at the end of the third quarter, but Bryant and company got hot and caught the Bula boys, only to have their hearts sink with the Mote basket in the last seconds. In the girls' game, Pat Pointer led the Spade girls in giving the strong, undefeated Bula sextet the tightest game of their walk-away season. Pat made 25 points against Bula's Susie Jones 23 as Spade went down 49-40.

Though Spade became the first team to overcome a Bula lead and get ahead in the middle of the first quarter, Bula came back and led at the half, 22-15. Spade's high-scoring Maudie Tinsley, who has just re-

Four hardy followers of the wrestling profession will give fans two hours or less of interesting action at the Little Sports Arena Saturday night.

For a change, wrestling fans will be exposed to a match in which more or less clean, scientific wrestling, as approved by the rule writers, should predominate. Ace Freeman of New York and Luis Martinez of Mexico City are exponents of real wrestling. Also, they are fast and shifty and colorful.

Freeman and Martinez meet in the first section of a double main event Saturday night, wrestling for two falls out of three or to a one-hour time limit.

The second part of the twin feature brings two rough guys against each other. Anything can happen, and probably will, when Bob Giegel, towering ex-footballer from University of Iowa, meets young George Overhuls, also a former footballer, from Amarillo.

This match, too, runs for two best falls of three, with a one-hour time limit.

Giegel, from Des Moines, has become one of the roughest, gruffest wrestlers of the Southwest State junior heavyweight territory. He is sly and tricky; he gets by with some of the roughest stuff in the ring, fooling referees and even some fans. Overhuls is dependent mainly on his muscular power, of which he has plenty.

The two main events should show considerable contrast, with one or the other appealing to every type of fan.

Freeman and Martinez are extremely popular because of their clean but fast-action ring mannerisms. Each is capable of getting rough, however, as many of their opponents can testify.

The 15-minute opener last Saturday, between Al Gets and Lou Martinez, ended in a draw, as did the 15-minute second event featuring George Overhuls and Benny Trudell.

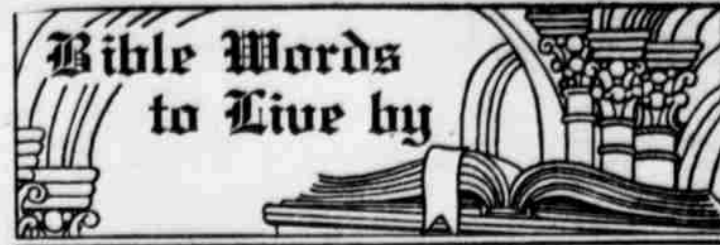

In the 4-man tag, Martinez and Overhuls defeated Gets and Trudell. Martinez pinned Gets in 27 minutes with a rope rebound and body press, and Overhuls defeated Trudell in 14 minutes, 30 seconds. Overhuls jumped over Trudell and felled him with a drop kick.

B Team Rips Muleshoe

The Littlefield "B" team won another game Tuesday night, taking their preliminary contest with the Muleshoe "B" squad, 3-24. Joe Giddens led the scoring

covered from illness, made her lowest score of the season, 12, in a given game. She had rung up 36 points in just three quarters last Friday against Pep as she was taken sick.

The Bula teams play their last conference games of the first half-schedule against Pettitt Thursday night. Bula girls are leading the District 6-B girls with 11 losses and no defeats. They are highly favored to win in the district and take the tournament.

PSALM 139:23 - "Search me, O God, and know my heart."

A habit is a tendency to act in a certain way. Habits of thinking and feeling are called attitudes.

The student's attitude toward his studies determines, very largely, his attainment. The workman's attitude toward his job decides, to a large degree, his success. The homemaker's attitude toward her task makes the difference between its being drudgery or joyful service. Just so, an individual's attitude toward God determines his spiritual growth.

As we earnestly and continually pray God to search us and know our hearts, we will perforce be led to search ourselves. In so doing, we are almost certain to see the error and futility of negative attitudes. The clouds of war and social unrest cast their pall everywhere. There is a danger that, as we take a dim view of many things, we will soon take a dim view of everything.

While we face our perplexities, we must look beyond them to the fact of God's sovereignty. We shall be doing His will if we cultivate the attitude that this is "our Father's world" and that we do "better to light a candle than to curse the darkness."

Rev. J. H. Thaden
 First Presbyterian Church
 Lake Park, Iowa

parade with 16 points. The most made by a Muleshoe player was 8 by Coffee. Others scoring for the baby Wildcats were John Clayton with 6, Bill Fore 4, James Durham 4, Ben Northam 2, and Palmer McCown 2. The little Wildcats had a 6-4 lead at the end of the first quarter, and led 16-9 at the half. In the last quarter they poured in

17 points to make the comparatively high score for a "B" team.

Coach Roy Carter's boys will go against the Olton "B" team again Friday night. They have beaten the Olton team once this year and assisted the varsity in winning over the Olton "B" quint in the Amherst tournament.

Pat Murphy Stakes His Bid For Sheriff On 14 Years Experience

A L. "Pat" Murphy of Earth has announced that he will be a candidate for sheriff of Lamb County in the Democratic primaries this summer.

Mr. Murphy, better known as Pat, has fourteen years of experience as a peace officer to offer the citizens of this county. Part of this has been as a deputy sheriff and part of it as a city police officer in Dallas and Fort Worth. This well balanced training enables him to offer the voters better law enforcement.

Mr. and Mrs. Murphy are Baptists. They live on Earth's Main Street, phone 4151, box 151. They have one daughter, Mrs. Emma Lee Kidd of Dallas, and a granddaughter, Ella Lee, 7.

Mr. Murphy asks that the citizens of Lamb County give careful consideration to his training and experience in making up their minds who they will have for sheriff for the next term.

(Pol. Adv.)

A. L. "Pat" Murphy

Who's New

At Payne-Shotwell Foundation
Mr. and Mrs. Bill McBride of Earth became the parents of a seven pound, three ounce boy, Mack Ray, Jan. 26.

Mr. and Mrs. W. C. Heinan of Littlefield have a baby girl, Bridget Gayle, born Jan. 29. She weighed nine pounds, twelve ounces at birth.

A daughter, Linda Sue, was born Jan. 31 to Mr. and Mrs. George Elder of Route 1, Littlefield, weighing seven pounds, four ounces.

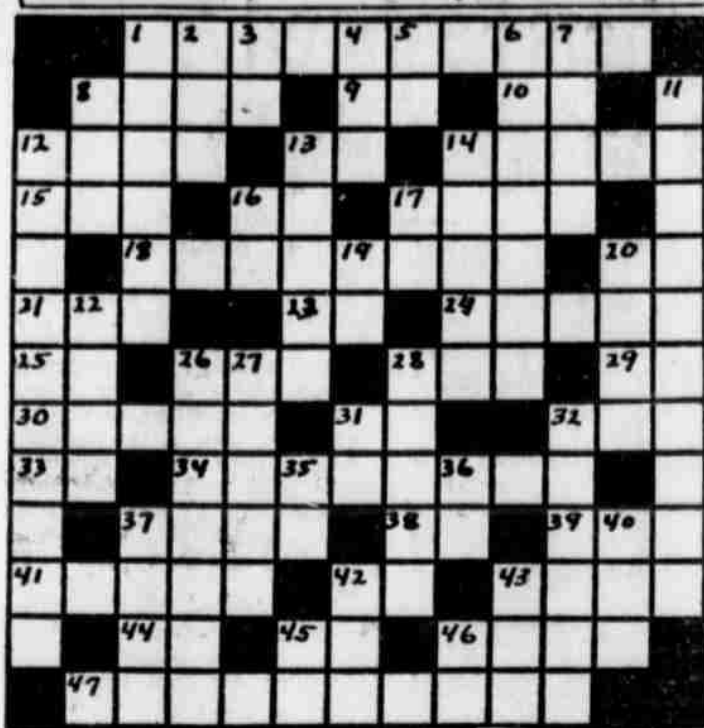

At Littlefield Hospital
Mr. and Mrs. Sidney Jacobs of Littlefield have a new son, Sidney Radell, born Jan. 30. He weighed eight pounds, seven ounces.

Mr. and Mrs. Earl Graves of Amherst are parents of a boy, James Ray, born Jan. 30, weighing six pounds, six ounces.

A daughter, Pax Rhea, was born Feb. 1 to Mr. and Mrs. Richard Brown of Sudan. She weighed five pounds, four ounces.

Mr. and Mrs. Carlis W. Bills of Earth are parents of a daughter, Carla June, born Feb. 2. She weighed six pounds, five ounces.

Funeral Held For Minister Bula Church

Funeral was in Lubbock Tuesday for Rev. James W. Watson, 75, pioneer Methodist minister and pastor of the Bula church, who died Sunday night in a Lubbock hospital. Burial was in Tech Memorial Park.

Reverend Watson formerly was pastor of churches at Woodson, Blackwell, Rotan, Lamesa, Quanah, Morton, Crosbyton and Happy. He retired as an active pastor in 1949, but continued to preach. At the time of his death he was minister of the Bula church and previously was minister of New Deal Methodist church four years.

Observance of his 75th birthday was a feature of the homecoming celebration at the Bula church last Nov. 22.

Honorary pallbearers at his funeral included members of the board of stewards of the Bula church.

Reverend Watson who had been ill only since Wednesday, was preceded in death by his wife last May. His survivors include three sons, James C. of Midland, Tom V. of Denver and Wendell of Carrizozo, N. M.; four daughters, Miss Dimple Watson, Miss Lula Watson and Mrs. Rayburn Robinson, all of Lubbock, and Mrs. E. W. Brasch, Levelland; three brothers, two sisters, nine grandchildren and four great-grandchildren.

Pampa Funeral For Former LFD Resident

Funeral services were held Wednesday in Pampa for Reuben Clauch, who died at noon Monday. Clauch, a resident of Pampa, had lived in Littlefield for a number of years before moving to Lubbock 14 years ago. He was the brother of Mrs. O. C. Sharp and Mrs. C. M. Rice, both of Littlefield.

Funeral services were held in Pampa Church of Christ of which Clauch had been a member. Burial was in the Garden of Memories cemetery in Pampa.

Clauch is survived by his wife; his mother, Mrs. E. E. Clauch; eight children, Mrs. Leonard Doss, Mrs. Nelson Larkin and John Clauch of Pampa, Mrs. Ed Prather of Carnegie, Okla., Julian Clauch of Muskogee, Okla., Allen Clauch of Electra, Buster Clauch of Espanola, N. M., Mrs. Mike Allahan of Los Angeles, Calif.; six sisters, Mrs. L. C. Sonntag of Oklahoma City, Okla., Mrs. O. M. Hess of Anadarko, Okla., Mrs. R. R. Rooks of Little Rock, Ark., Mrs. Wylie Ezell of Oklahoma City, Okla., 16 grandchildren and one great-grandchild.

Farewell Party At Fieldton For Willis Family

FIELDTON. (Special) — A farewell shower was held in the home of Mr. and Mrs. Claud McCain Friday night in honor of Mr. and Mrs. Bill Willis and their two daughters, who recently moved to Hereford.

Sandwiches, cookies, soda pop and coffee were served. Those present or sending gifts were:

Pearson Adams and family, Gerald Ray Qualls, Mrs. W. P. Willis, Mrs. H. T. Hukill and James Lynn, Mr. and Mrs. C. V. Hill, Mr. and Mrs. Eldon Hill and children, Mr. and Mrs. Bernard Nelson and children, Mr. and Mrs. Virgil Roberts and children, Rev. and Mrs. Fred Smith, Mr. and Mrs. Norman Singer and daughter, Mr. and Mrs. R. A. Reed, Mr. and Mrs.

Friendship, Amherst Pick FB Committees

Two more community committees for the Lamb county Farm Bureau membership drive which will begin Feb. 16 have been appointed in a series of community meetings.

Co-chairmen named at Am-

herst were five pounds, four ounces.

Mr. and Mrs. Carlis W. Bills of Earth are parents of a daughter, Carla June, born Feb. 2. She weighed six pounds, five ounces.

Tuesday night were Horace Woodard and Charley Harmon and other committee members are Harry Phelps, J. S. Harmon, Emory Blume, Joe Fisher, Vic Reynolds, Harvey Grigsby Jr., Jim Bradley, Mike Carter, Clarnece Muncey, Glen Edwards.

W. O. Stephens was named chairman at the meeting Monday night in Friendship. Members of his committee are Coleman Terrell, Jack Fisher, Lonnie Horn, Charlie Glover, Jack Crain, Henry Meyer and Hubert Chisholm.

Similar meetings will be held in Olton Thursday night and in Rocky Ford Friday night.

News From Hart Camp

By Mrs. Junior Muller
 Mr. and Mrs. Eddie Weige and family, who have spent the fall with the C. G. Benningfields, have moved home to New Deal.

Those from the Hart Camp Baptist church brotherhood who attended West Plains Association Brotherhood meeting in the First Baptist church at Littlefield Tuesday night were Brother Charles Vandlin, ham, Martin Wheeler, Dewey Parker, Blanton Martin and D. K. Leonard.

Raymond Wright and family moved to the F. O. Masten farm near Sudan Tuesday.

Mr. and Mrs. Martin Wheeler, Betty and Sammie left Friday for Camp Pendleton, the Marine base in San Diego, Calif., where their son and brother, Pfc. Charles Mack Wheeler, is stationed. He has his overseas orders.

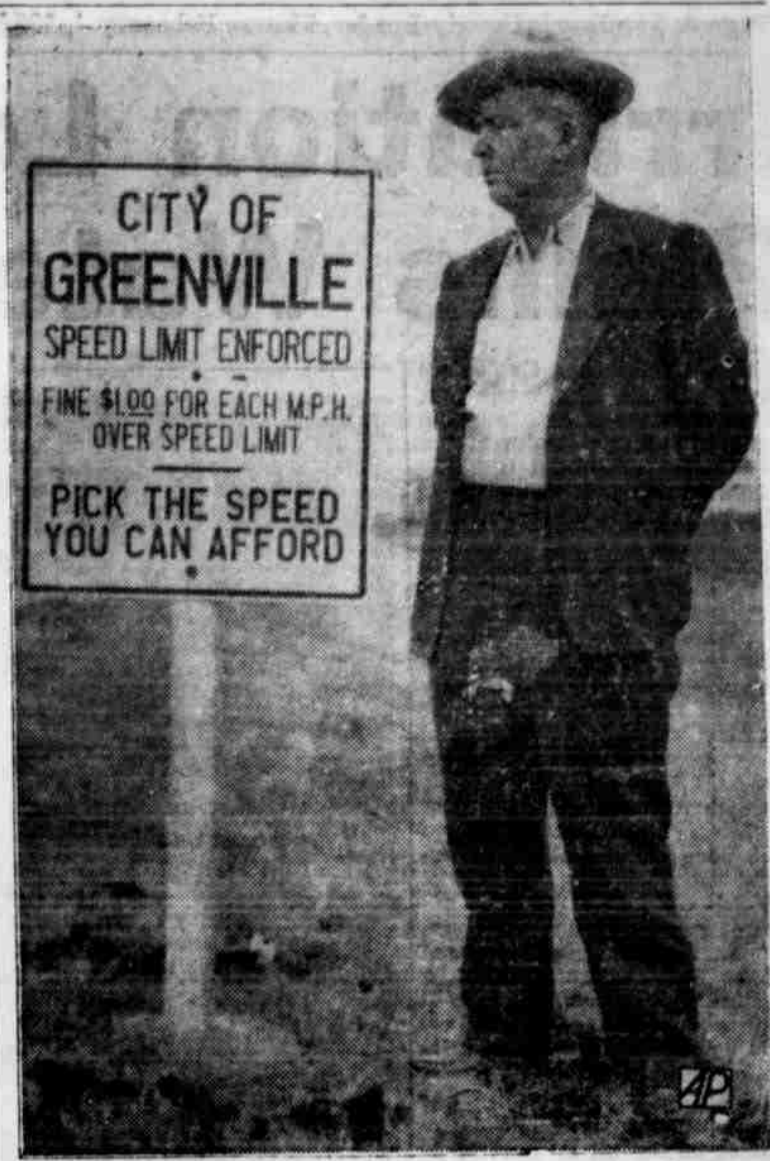

Guar Plugged As Crop For Plains Farms

Plains farmers probably will plant more acres in 1954 to guar, a summer annual legume oil seed crop noted for its drought resistance, farm experts predict.

In 1952, 250 acres of guar were planted near Spur, Post and Jayton and yields were encouraging. Hershel Bell, of the soil extensive service, said not much guar was planted in 1953 but he expects a lot of the crop to be planted this year because of cotton acreage cuts.

The end product of guar is a vegetable gum used in glues, paints and other materials. The only market for it now is at Kennedy, Texas. It sells currently for \$4 a hundred pounds. The yield is from 300 to 1,000 pounds per acre. It requires no special equipment and is harvested by combines.

Guar is planted about the same time as cotton. Many farmers use the crop as green manure instead of a seed crop. Turned under before planting cotton, it produces an abundance of residue and nitrogen.

PICK YOUR SPEED—Pick your speed, any speed as long as you can afford it, this sign warns those entering Greenville, Texas, by motor vehicle. City Councilman M. A. Woodward inspects one of the signs which have been erected on major highways near the city limits. (AP Photo)

Mrs. Dayton Honored At Bridal Party

AMHERST, (Special) — Mrs. Edmond Dayton of London, Texas was the honoree at a bridal shower given in the home of Mrs. W. I. Shirley here Friday afternoon.

The lace-covered tea table featured an arrangement of pink flowers, greenery and pink candies in crystal holders.

Misses Laura Jones and LaVelle Caraway alternated in serving iced fruit punch and assorted cookies.

The hostesses' gifts were crystal in the bride's chosen pattern and pieces of Revere ware. She was unable to return to Amherst on the day of the shower and her mother, Mrs. Jim Pugh, and sister, Mrs. W. J. Williams entertained.

White took the ladies to Lubbock to determine his exact ailment which involves his brain. Surgery may be necessary within a few days.

Amherst Garden Club Meets With Mrs. Holland

AMHERST, (Special) — Mrs. W. P. Holland was hostess to the Amherst Garden club at her home on Springlake highway Friday afternoon. Mrs. John Nix reported on flower show arrangements, the second in a series of talks by club members.

Mrs. Victor Oxtaru, Mrs. John Nix and Mrs. Holland displayed arrangements made of fruits and vegetables.

The next meeting of the club will be Feb. 26, instead of Feb. 19. Mrs. B. O. McDaniel will be hostess.

Refreshments were served to Mesdames Claude Emmons, Horace Woodward, John Nix, George Harmon, W. Gosden, O. G. Moore, Victor Oxford, Bill Workman, Embry, W. A. Peachey and the hostess.

Shower Held For Mrs. Stafford

SPADE, (Special) — A pink and blue shower honoring Mrs. David Stafford was given in the home of Mrs. L. T. Bartlett of Anton Friday afternoon.

Refreshments of canapes, cake squares and soda pop were served.

Those from Spade attending were Mrs. Lillie McCain, Mrs. C. D. Stafford, Mrs. Bayne McCurry and Mrs. Joe Prater.

Amherst Ladies Called To Side Of Sick Brother

Irrigation Lowers Plains Water Table

The United States Geological Survey warned this week that the water table is falling in the Texas High Plains south of the Canadian river, and it is likely to continue to fall.

An Associated Press story from Washington said the survey reported the fall is due to the continued development of irrigation in the High Plains.

"A continuation of the present trend in pumpage and water-level declines will necessarily result in further decline of the pumping levels and decrease in the discharge of wells," the report said.

Although some wells — most notably those in Floyd county — have been considerably improved by reconditioning, the report warned:

"In those wells that completely penetrate the aquifer there can be little expectation of a substantial improvement in well performance by extensive reconditioning of the well installation or pumping unit."

Since 1943, irrigation has spread out to form one large district taking all or part of 20 counties, the report said, extending from Amarillo south to Tahoka and from the New Mexico line east to the break of the plains.

More than 15,000 irrigation wells were drilled in the High Plains during the 10 years from 1943 through 1952, and the acreage under irrigation increased from 200,000 acres to about 2,250,000 acres, the report said.

Withdrawals of ground water during those 10 years amounted to 11,250,000 acre-feet, of which 5,750,000 acre-feet was pumped in the last two years of the decade. Water levels declined accordingly, with the biggest drop occurring in the older irrigated areas, the report said.

It showed the decline in pumping levels has been greatest in the heavily-pumped area in Floyd county.

However, the average decline in the discharge of Floyd county wells has been relatively less than in Deaf Smith, Hale and Swisher counties, since a great many of the Floyd county wells have been reconditioned.

Joan Moore Reigns At Bohner HS

OLTON, (Spl.)—Joan Moore, daughter of Mr. and Mrs. James Moore of Olton was crowned Queen of Bohner high school at halftime in the Littlefield Dunbar-Olton Bohner basketball.

Miss Moore represented the sophomore class and raised \$143 in the queen contest. Emma Lee Green was second with \$53 and Evelyn Moore was third with \$50.07. Proceeds will be used to buy girls' basketball uniforms and playground equipment.

Miss Moore was crowned by Ross Mosley, captain of the Bohner Demons basketball team.

VIOLIN COMBO—Mrs. H. A. Bornefeld and Walter (Butch) Kelso III make up the grandmother-grandson duo in the second violin section of the Galveston Civic Orchestra. At the age of 67, she began taking violin lessons again after 40 years of not touching the instrument so she could play with her grandson who is 12 years old. (AP Photo)

Powells Return From England, Visit In Amherst

AMHERST, (Special)—S. Sgt. and Mrs. William Powell and 14-month-old daughter Estelle returned Sunday from Birkenhead, Cheshire, England, where he had been stationed.

She is a former Amherst resident and they visited her parents, Mrs. Lizzie King and Henry King, in Littlefield early this week. Mrs. Powell's brother, LaVern (Buddy) King, attends Texas Tech.

After a visit in Louisiana, they will return here for a longer visit.

When his 37-day furlough ends next month, he will be stationed at Randolph Field, San Antonio.

Amherst Legion Auxiliary Gives \$10 To MOD Fund

AMHERST, (Special)—The American Legion Auxiliary collected \$10 for the March of Dimes at the organization's covered-dish supper and meeting in the Legion Hall Monday night.

Mesdames Ed Nicholson, Claude Emmons, T. M. Slemmons and Oby Blanchard were hostesses.

They voted to purchase a dozen new chairs for the hall. The bake sale Saturday morning

Springlake News

By Lois Rudd
Leroy Banks and Elroy Misian had medical treatment at the Olton hospital this week.

Mr. and Mrs. O. C. (Dink) Kittrell have moved into their new home in Hart. Dink will farm Ray Riley's place near Hart this year.

Mr. and Mrs. Tom Sanders and daughters were Friday night visitors in the Ralph Rudd home.

W. B. Hucks and wife were Friday shoppers in Clovis, N. M.

Joe McGeath, small son of Mr. and Mrs. Glen McGeath, has been confined to Olton hospital this week for medical treatment.

Little Donnie Ray Packard is home from Hereford and is still improving.

Bob Adams from Redwood, Calif., is visiting a few days in the home of his mother, Mrs. Grace White.

Lowell Watson is still in Olton hospital. Lowell was not seriously hurt but is suffering from shock. He was in the head-on auto collision near Olton Jan. 27 in which O. R. Ogletree was killed instantly.

Mary Dyer of Hereford spent the weekend in the home of her parents, Mr. and Mrs. T. B. Dyer.

Mr. and Mrs. A. C. Loftis are driving a new Lincoln.

Lorena McNamara and babies, Denia and Johnnie Dale, spent Thursday night in the home of her sister, Mrs. C. O. Bibby.

Bud Winkley is home once more from the hospital in Dime and is doing fine.

Texas Trade Set All-Time Record During Last Year

Texas retail trade reached an all-time high level in 1953, the University of Texas Bureau of Business Research reports.

Compared to 1952 activity, nondurable goods gained 7 per cent, automotive sales increased 15 per cent and food store sales, 2 per cent. Apparel goods stores equaled their 1952 sales. Income from eating and drinking places declined 3 per cent, and durable goods, 3 per cent.

Cities leading in department and apparel store sales increases included Pittsburg (up 19 per cent), Taylor (12 per cent) and Gilmer (8 per cent).

GROSS PLUMBING

308 West Second Street Phone 349
LITTLEFIELD, TEXAS

Amherst Lady Injured In Farm Mishap

AMHERST, (Special)—Mrs. Bob Wood is recovering in the Littlefield hospital from an accident suffered at their farm three miles southwest of Littlefield.

She was assisting her husband with work on a windmill when pipes came down full force on both hands, severing the index finger on her left hand, breaking the index finger on her right hand in three places and the small finger on that hand in two places.

Surgery was necessary on both hands, severing the index finger mangled. Jake Moreland, twin brother of Mrs. Wood of Amherst, gave his sister blood for a transfusion after the accident Jan. 25.

Miss Rogers Joins Amherst Faculty

AMHERST, (Special)—The Amherst school system has employed two principals and hired a new teacher.

Miss Marcia Rogers of Lubbock has accepted a position as fourth grade teacher, replacing Miss LaNell King, who resigned recently.

Floyd E. Harris, high school principal, and Jim Traugott, gradeschool principal, were re-employed at a regular meeting of the school board Monday night.

Milton Vaughn New President Of Honor Group

The Joe C. Hutchinson chapter of the National Honor Society initiated 20 new members Monday and officers for the spring semester were elected Tuesday. Milton Vaughn was elected president, and other officers are Bill Burks, vice-president; Sue McCown, secretary, and Marlene Mueller, treasurer.

New members initiated were Roger Newton, James Renfro, Alice Gohike, Gladys Gohike, Bob Cannon, Keith Davis, Patricia Epperly, Yvonne Meadows, Carl Robinson, George Griffith, Daniel Dunn, Kerry King, Margie Goodwin, Nelda Heard, Mary Cameron Hulise, Patsy Reeves, Leta Merle Roberts, Roxie Stanford, Paul Yarbrough, and Mary Zuber.

Sponsors of the organization are Mrs. Claude MacDougal and Pat Goodwin, Littlefield high school faculty members.

87% City Taxes, 86% School Taxes Paid By Feb. 1

ported that about 87 percent of the taxes for 1953 were collected as of Feb. 1. School taxes were 86 percent in, School Secretary Sidney C. Hopping said.

A one percent penalty on unpaid taxes went into effect Feb. 1. Each month until July 1 one percent is added to the penalty and beginning that date an eight percent penalty and six percent interest are added to the taxes.

Security State Bank

The city of Littlefield and Littlefield rural and star routes comprise district number one, while all other territory constitutes district number two, with a separate set of prizes set aside for candidates residing in each district, but candidates may work wherever they wish.

Very little is required of anyone to win. An hour or two a day spent among friends and neighbors is sufficient to win a prize.

Anyone has the time. Really your spare time—a few minutes at noon, a few minutes in the evening is worth more to you these next two weeks than any fulltime employment one can imagine. Yet it is but a side issue—a spare time proposition, nothing more. There is no sentiment about it. To earn money honorably and at the same time be helping with a good cause is desirable.

Nothing but straight, honest, and fair methods will be tolerated. Candidates are not permitted to pay for a subscription except in their own household, cut prices on the sale of a subscription, give their commission on the sale of a subscription or pay anyone for selling a subscription for them. Every candidate must sign a statement to this effect when entering the campaign and all subscriptions are verified by the office. If one is in earnest and will devote his or her spare time to this work, and is willing to compete on even terms with everyone else, then he or she wants to participate in this unusual program.

Decide now, at once to earn more money in the next two weeks than ever in a like time before. Send in your name today.

Everyone wins something. No one can lose. Turn to the campaign advertisement on an inside page. Read the details. Clip the nomination blank appearing in the campaign page, write in your name and address, and your telephone number, if you have one. Mail or bring it to the campaign office. If you only want information, mail the information coupon

at once. This obligates you in no way and you owe it to yourself to learn the details.

1. Campaign officially opens today, Feb. 4, and will extend over a short period—closing March 9th.

2. Any reputable man or woman of legal age residing in Littlefield or surrounding territory is eligible to enter and compete for a prize, except salaried employees of The Littlefield Newspapers or their immediate relatives, including father, mother, sister, brother, son or daughter.

3. The management reserves the right to reject any nomination it wishes.

4. The winners of the prizes will be decided by their accredited votes. Said votes being represented by ballots issued on subscriptions.

5. Candidates are not confined to their own particular district in which to secure subscriptions, but instead, may take orders anywhere.

6. Cash must accompany all orders where votes are desired. There will be no exceptions to this rule. Candidates will be allowed to collect renewals or new subscriptions and votes will be issued on both, but new subscriptions count more votes in all but the last week.

7. Votes cannot be purchased. Every cent accepted through the campaign must represent subscriptions and all subscriptions are verified.

8. Votes are not transferable. Candidates cannot withdraw in favor of another candidate. Should a candidate withdraw from the race, his or her votes will be cancelled. Neither will it be permissible for candidates to give or transfer subscriptions to another candidate. Votes on any such transferred subscriptions will be subject to disqualification at the discretion of the management.

9. Any collusion on the part of candidates to nullify competition or any other combination arrangement of candidates or this newspaper will not be tolerated and any candidate or candidates entering into or taking part in such agreement or effort will forfeit all rights to a prize.

10. In the event of a tie for any one of the prizes, a prize identical in value will be given each tying candidate.

11. No statement or promise made by any solicitor, agent or candidate varying from the rule and statement published through the columns of this newspaper will be recognized by the publisher.

12. In case of typographical or other errors, it is understood that

neither the publishers nor the campaign manager shall be held responsible except for the necessary correction upon the same.

13. Every candidate is an authorized representative of this newspaper, and as such is given the privilege to collect new and renewal subscriptions to this newspaper. Candidates will be paid on all subscriptions at the time they are received at the campaign office, but candidates who are awarded bonds or car order must refund the commission they have been paid when receiving their prize, and if awarded a cash award must have the commission they have been paid count as part of the cash award.

14. It is distinctly understood and agreed that candidates will be responsible for all money collected and that he or she will remit such amounts in full at frequent intervals or on demand to the campaign department.

15. To insure absolute fairness in the awarding of prizes the race will be brought to a close under "sealed ballot box" system and will be under the supervision of two or more judges selected from the advisory board. For the last period of the election the sealed ballot box will be placed in a local bank where candidates and their friends will deposit their collections for the last period of the campaign. Not until the race has been declared closed will the seals be broken and the judges begin the final count. In this way, no one, not even the campaign management, can possibly know the voting strength of the respective candidates, which precludes any possibility of favoritism and insures fairness to the minutest degree.

16. This newspaper guarantees fair and impartial treatment to all candidates. Should any question arise, the decision of the management will be absolute and final.

17. A vote of ten thousand with a one year renewal subscription and forty thousand with a two year and one hundred thousand extra votes with each year of new subscriptions will be given during the first period of the campaign ending March 2. While only four thousand votes will be given for one year and twenty thousand for a two year subscription during the final period from March 3rd to March 9th, inclusive with no extra votes for new subscriptions. These are in addition to the opportunity votes on the inside page.

18. The spreading of malicious propaganda and rumors intended to slow up and discourage other candidates is not permitted. It will not be tolerated and endangers a candidate guilty of the same to disqualification.

19. Votes on subscription solicited by telephone are subject to disqualification at the discretion of the management. Neither is it permissible to solicit subscriptions by writing if the subscriber resides in Lamb County or adjacent territory.

20. This newspaper reserves

Outstanding

(Continued from Page 1)

the Wildcat bands, the football teams and Senior and Junior highschools, the basketball teams from both schools, pep squads, choral groups, Distribution Education club, Projectionist club, Language club, Future Homemakers of America, Future Farmers of America, the Library club, and the Morning Watch group. He introduced the members of the Skat staff, edited by Etta Burton, the Purr staff, edited by Gay Douglas, and the Wildcat staff, edited by RosaLee Hemphill.

Members of the student Council in Senior highschool, headed by Mike Joplin, and the Junior highschool Student Council, headed by Alice Orr, were introduced. Rarely also recognized members of the Littlefield school board who were present.

Ralph Schilling, Littlefield highschool principal, presented the awards to Court of Honor students from that school. These students, who had made straight A's through the past semester, were: Doris Byrd, RosaLee Hemphill, Sue McCown, Nancy Morrow, Ethel Pope, Polly Potter, Earlene Roberts, Anona Williams, Judy Christian, Paula Bell, Bill Burks, Alice Gohlke, Delores Wall, George Griffin, Daniel Dunn, Johnita Gallini and Kerry King.

Junior highschool Court of Honor members were introduced by Claude C. MacDougal, principal. They were Barbara Hinkle, Jean Jaques, Sue Jones, Donna Sue Goertz, Grace Russell, Carolyn Sell, Barbara Hock, and Billy Van Lightsey, ninth grade; Speedy Abeyta, Marcia Berg, Duane Griffith, Lila Lou Mauk, Jo Ann Hall, Gera Swart, Oleta Blevins, Edith Gohlke, Patricia Dent (now living in Austin), and Charles Duval, eighth grade; and Bennet Hutchinson, Bill Wade, Lloyd Jaques, Alexander Duggan, Hilton Hemphill, Doris Macha and Sharon Huber, seventh grade.

Who's Who in Littlefield highschool students who were outstanding in the various departments, were introduced by Schilling. They were Sue McCown, English; Bob Hoover and Boyd Meers, boys' athletics; Eddie Wallace, agriculture; Marcella Chandler, social studies; Doris Byrd, home economics; Trudy Smith, girls' athletics; Johnny Baker, mathematics; Glenn Owen, foreign languages; Roger Newton, science; Duane Hoover, Speech; Lee Boyd Montgomery, band; Clara Beth Theford, chorus; Bobby Jennings, distributive education; Joetta Burton and Pat Childress, journalism; and Ethel Pope, commercial subjects.

Glenn Owen introduced the students chosen as favorites and outstanding members in the various organizations. They were Wanda Webb, D. E. Sweetheart, escorted by Earl Don Pierce; Projectionist club sweetheart Bobbie Jo McShan, escorted by vice-president Don Lee; Jackye Hill, FFA Sweetheart, escorted by FFA Dreamboy Bob Hoover; FFA Plowgirl Joan Parrack,

the right to add to this list of prizes. Candidates agree to abide by the above condition when accepting nomination.

Grand Jury

(Continued from Page 1)

old board favoring the doctor's request, were re-instated and others elected were Raymond Gage, Circle Back; C. B. McCoy, Anton route 1; J. D. Kirkland, Hereford; Dan D. Dorsey, Muleshoe star route 2; Omer Neeley, Hale Center; T. W. Hackler, Hart, and D. C. Terrell, Sudan.

It was unofficially reported that the Lamb county grand jury which met in Littlefield Monday and Tuesday was requested to investigate the Amherst hospital situation and talked with at least one witness.

Since grand jury proceedings are secret and only indictments or written reports which jurors choose to make go on record, there was no official word of determining whether jurors investigated the hospital case.

The grand jury returned nine indictments, two for forgery against a Littlefield woman whose name was not released because she has not yet been arrested.

Others indicted were:

Roy Ferguson, two indictments of defrauding by obtaining things of value with a worthless check. He's accused of giving a worthless \$190.74 check in exchange for a truckload of alfalfa hay from B. C. Kesey and a \$145.87 worthless check in exchange for a truckload of alfalfa from B. T. Dickson.

Tom Hunter, indicted for assault with intent to murder W. A. Turner.

Tilman Sharp, Harry Walton, Lyle Ackerman, jointly charged in two indictments for burglary. They're accused of breaking into the homes of Ernest Pennington and John Alford Jan. 22.

Robert Waller, indicted for forgery of endorsement. Samuel Rincon, indicted for theft, a felony He is charged with taking a \$1,400 car belonging to C. A. Aldrich last Oct. 26.

4,300 Poll Taxes

Tax Collector and Assessor Herbert Dunn said Wednesday his office has not yet completed a report on county taxes paid before Feb. 1 deadline. 4,300 counties paid poll taxes before the deadline.

escorted by FHA Favorite Johnny Fields; Beva Jean Ray, football Queen, escorted by co-captain Boyd Meers; Pep club King Fred Martinez, escorted by F-p club president Wynelle Lightsey; Band Sweetheart Erna Jane Jones, escorted by Band president John Crosby; and the Sweetheart of the Language club, Marlene Mueher, escorted by Bobby Weaver. Miss Mueher was presented a shield by Glenn Owen, president of the Language club.

Class favorites presented were Sue McCown and Glenn Owen seniors; Shirley Moore and Bob Brune, juniors; and Mary Cameron Hulse and Bill Kenemer, sophomores. Miss Linda Hoover introduced the favorites and the candidates for All-Wildcat Boy and Girl. The event was concluded with the introduction of the All-Wildcat Boy and Girl.

Nearly News

Mrs. Roy Byrds is hoping (faintly) that someone saw the driver who drove away after he jumped a curb to back into her car, parked at the Band Parents play Friday night. Damage to the Byrd car is estimated at \$100. Charles Parrack, an Aggie student at Texas Tech, is transferring to the Home Ec division in order to major in Applied Arts. He will be one of two boys in a division of 250 girls. The local telephone company employees gathered up \$47 when they passed the hat among themselves for the March of Dimes last Friday and Saturday. Preston Hawkes reports in his Sudan Beacon that he has been unable to verify the rumors that a big airplane factory will be built north of that fine little city. Vernon Hofack got tired of paying such a high price for fishing sinkers, so he got himself some molds, melted down some old weights and replenished his stock without buying any.

Revival To Open

New Whitharral Church Of Christ

WHITHARRAL. (Special) — Work on the new North Side Church of Christ is fast coming to an end. The first services to be held in the new auditorium will be a 3-day revival Feb. 12-14.

Van Bonneau of Dodson will preach. There'll be all day services Sunday with dinner on the ground and singing in the afternoon.

Services Held

Wednesday For Clifford Rogers

Funeral services for Clifford Lee Rogers, 62, of Littlefield, were held Wednesday afternoon at the First Methodist church. Funeral arrangements were made by Hammons Funeral home of Littlefield. Rev. Harry Vanderpool officiated at the services and burial was in the Littlefield cemetery.

Rogers died Monday in the Amherst hospital. He had lived in Lamb county since 1924, coming here from Vernon. He had been a member of the Methodist church since 1910. He is survived by his wife, one son, G. T. Rogers of Dallas, a daughter, Mrs. Nellie Ruth Weaver of Daniva, Calif.; four grandchildren, six sisters and one brother.

City O. K.'s

Statement Candidates Must Sign When Entering The Littlefield Newspapers Trade Expansion Campaign

This is to certify that I, _____ (Candidate's Name Here), agree that I fully understand when entering The Littlefield Newspapers Trade Expansion Campaign, that if I should give a free or complimentary subscription to The Leader and News, except my personal subscription in my own household, give my commission in the sale of a subscription or in any way vary from the advertised subscription prices during said campaign, that I shall forfeit all right to a prize in said campaign.

Signed: _____ (Candidate's Name)

Study the Opportunity Coupon Below

And Realize That Only Two Weeks' Spare Time Is Needed to Win the Largest of Prizes.

OPPORTUNITY COUPON Good for 800,000 Free Votes

Each candidate is entitled to this opportunity vote of 800,000 with each five one-year subscriptions or the equivalent to The Littlefield Newspapers turned in by a candidate during the first week from the day he or she enters the campaign. Candidates have the privilege to secure as many of these opportunity votes as they have groups of five years in subscriptions during their first week in the campaign. It is not necessary for candidates to save these coupons. Neither is it necessary to report subscriptions in groups of five. This is determined by the number of years turned in by a candidate during the first week from his or her entry date.

OPPORTUNITY COUPON Good For 600,000 Free Votes

Each candidate is entitled to this opportunity vote of 600,000 with each five one-year subscriptions or the equivalent to The Littlefield Newspapers turned in by a candidate during the second week from the day he or she enters the campaign. Candidates have the privilege to secure as many of these opportunity votes as they have groups of five years in subscriptions during their second week in the campaign. It is not necessary for candidates to save these coupons. Neither is it necessary to report subscriptions in groups of five. This is determined by the number of years turned in by a candidate during the 2nd week from his or her entry date.

HOW THE TERRITORY WILL BE DIVIDED

DISTRICT NO. 1 - District number one consists of Littlefield and Litterfield Star and Rural Routes. Two of the four major awards and three district prizes must be awarded to candidates residing in this district.
DISTRICT NO. 2 - District number two consists of the territory outside of the above mentioned territory. Two of the four major awards and three district prizes must be awarded to candidates residing in this territory.
Candidates are not confined to any particular District to secure subscriptions, but instead, may take orders anywhere. The territory is only divided for the awarding of prizes with a set of prizes to be awarded candidates residing in each district.

HOW THE PRIZES WILL BE AWARDED

The candidate with the greatest number of votes in the campaign regardless of district will be awarded an \$800 order on choice of the cars listed on this page or \$600 in cash.
Then the candidate residing in the other district with the greatest number of votes will be awarded a \$700 order on the remaining cars or \$500 in cash.
Then the candidate with the next highest vote standing, regardless of district, will receive a \$600 order on remaining cars, or \$400 in cash.
Then the candidate with the next highest vote standing, residing in the district which has been awarded only one prize will receive a \$500 order on remaining cars, or \$300 in cash.
Then the candidate with the next highest vote standing in each district will be awarded \$200 in U. S. Savings Bonds or \$150 cash each.
Then the candidate with the next highest vote standing in each district will be awarded \$100 in U. S. Savings Bonds or \$75 in cash each.
Then the candidate with the next highest vote standing in each district will be awarded \$75 in U. S. Savings Bonds or \$50 in cash each.
All candidates will be paid 20% cash commission on all the money he or she turns in at the time it is received at the campaign office, but candidates who are awarded car orders or Bonds must refund the commission they have been paid when receiving the prize, and candidates who are awarded cash awards must have the commission they have been paid count as part of the cash award. All bonds advertised at maturity.

EXPLANATION

SOME MAY ASK

—WHY THE VOTES?

The Answer Is This:

If the winner were determined merely by the ones who secured the greatest number of subscriptions, then each one would have to work the full four weeks to see who could secure the greatest number; but the Opportunity Coupons at the left count for each candidate only during the first two weeks from the day he or she enters the campaign, giving each the opportunity to enter and finish his or her work in the two weeks, while it still gives us the opportunity to have two weeks to find the right representative in each territory, so that each part of the territory will be worked. This is the most attractive offer ever made in this community and if you do not thoroughly understand the plan, come in at once or phone 26 or 27 and have it explained without obligating you in any way.

DON'T MAKE CALLS UNTIL YOU HAVE INSTRUCTIONS AND SUPPLIES!
As Each Candidate's Two Weeks Count From The Day He or She Makes Their First Call!

ADVISORY BOARD

It is the sincere desire of these newspapers to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of all participants and absolute honesty in all dealings is guaranteed. However, not all wisdom lies with one man or institution; that reason an Advisory Board has been selected whose duty shall be to decide any question of sufficient moment that may happen to arise during the campaign, and from which a committee shall be selected to act as judges and count the votes the last night of the campaign.

NEW AND RENEWAL SUBSCRIPTIONS

Any subscription going into a home where the Leader or News were going at the beginning of this campaign is counted as an old or renewal subscription on that paper and votes will be credited as such, even though it is an entirely different paper unless the old subscription is continued and an additional subscription delivered. Any subscriber who was taking the Leader or News at the residence address at the beginning of the campaign and should change to the business address, or vice versa, will be credited as an old renewal subscription on that paper unless it is continued at the old address and a new subscription started at the other address. Any candidate or candidates trying to manipulate a subscription to convert a renewal into a new subscription will forfeit the entire vote on such manipulated subscription at the discretion of the management.

Dinner For The Whole Family

Recently Brownstone Press Food Editor

Pop and the kids come home. Then chances are you'll have a real dinner at home. That hamburger on your menu. So new, pretty and good. Serving old reliable budget-wise ground beef combine it with cucumbers and harvest-time main

we tried this recipe. we the youngsters their the sauce "as is." To bers' portion, we added curry, and found the yellow powder gave it a flavor. If the father family likes his fare a hit try this trick.

ash calls for thrifty nonfat dry milk. To a quart of the liquefied shake 1/4 cup nonfat powder with 4 cups of a tightly covered container what is needed for and store the rest in d container in the re- y. Another method of ng nonfat dry milk which some cooks pre- to pour the required of water into a bowl and the required amount of n top of the water; beat ith a rotary (hand or beater until dissolved. and Tomato Stacks

ents: 4 medium-size to- cut in half), 1 pound an beef; 3 tablespoons non fat dry milk, 1/2 salt, 1/2 teaspoon Wor- re sauce.

Place tomato halves w baking pan. Mix to- ground beef, liquefied y milk, salt and Wor- re sauce. Divide mix- ly into eight portions; ch into round pattie and tomato halves. Bake in

moderate (375F) oven 25 to 30 minutes or until meat is thoroughly cooked. Makes 4 servings. Serve with Cucumber Sauce.

Cucumber Sauce
Ingredients: 2 tablespoons butter or margarine, 2 tablespoons flour, 1/2 teaspoon salt, dash of pepper, 1 cup liquefied nonfat dry milk, 1/2 cup grated cucum- ber.

Method: Melt butter over low heat; add flour, salt and pepper; stir until blended. Remove from heat. Gradually stir in liquefied nonfat dry milk until smooth; add cucumber; return to heat. Cook, stirring constantly, over low heat until thickened. Makes about 1 1/2 cups. Serve hot with Beef and Tomato Stacks.

phils and Dr. Reed Orr of Wellington, and a sister, Mrs. A. Giddings of Memphis.

Mrs. Dodd Feted At Birthday Party

AMHERST, (Special)—Mrs. Chrysteene Dood of Lubbock was the honoree at a surprise dinner party on her birthday Wednesday night, given by her parents, Mr. and Mrs. Allan White, in Amherst.

Those attending were Mr. and Mrs. Bill Tadlock, Mr. and Mrs. C. A. Duffy jr., Mr. and Mrs. L. Cargile, Mr. and Mrs. A. C. Mann of Sudan, Mr. and Mrs. Allan White jr. and Brad, Mrs. Dodd and Deborah of Lubbock.

Farmers in the United States use twice as much petroleum-driven horsepower as the total consumed by all the nation's factories.

it aint HAY!

No, money "ain't hay" . . . but sometimes you'd almost think it was the way you have to "fork it over" for this and that! However, if you can manage to stash a little away in your savings account, every pay-day, you'll be surprised at how it mounts up to important figures that really "ain't hay" in any man's language. It's smart to make some of the money you work for, work for you.

NEWS FROM SPRINGLAKE . . .

**Pre-Dawn Fire Damages
Springlake Motor Supply**

By MRS. RALPH RUDD

The Olton fire department and Earth fire department answered a call to a fire in the Springlake Motor Supply company at 5 a. m., Tuesday. Several tires, tubes, fan belts and other equipment were destroyed and flames considerably damaged the firm's interior.

There also was some water damage. Cause of the fire is unknown. It was discovered by an unidentified motorist passing through town. He stopped and awakened Springlake residents, who called firemen.

B. V. Paydon and Jimmy Ray Banks, owners of the firm, said Olton and Earth firemen "did a swell job of firefighting."

Brother Dies

Mrs. R. V. Crutchfield was notified Monday night her sister's husband had died suddenly with a heart attack.

Back from California

Mrs. Myrtle McNamare and Mrs. Lorene McNamare and two children, Denia and Jhoni Dale, arrived in Littlefield Tuesday by train from Los Angeles, Calif., where they visited in the homes of Mrs. McNamare's children for the last month.

Sunday guests in the Leon Sanders home were Mrs. Effie Prather and daughter, Elsie Comphy and son Billy of Amarillo. Mr. and Mrs. Tom Sanders and daughters, Mr. and Mrs. Ralph Rudd and daughter, Henrian, Laverne Bibby, and Rita Fern Sanders.

Mrs. Beatrice Clayton, a nurse at Amherst hospital, spent the weekend with her mother, Grandmother Cody.

Mr. and Mrs. W. C. White were Saturday night guests of her mother, Mrs. Fred Ott, in Plainview.

Mrs. Mildred LaDuke spent Sunday in the home of her daughter, Mrs. Wilks, in Dimmitt.

New Residents

Springlake welcomes the Ham-

mons family, who moved here this week from Portales, N. M. Hammons is employed at the Lott Welding Shop.

Mrs. H. T. Sanders, Mildred Gotorth, Mrs. Jack Ebeling and Mrs. Shot Sanders went to Muleshoe Monday to visit the latter's mother, Mrs. Pearl Smith.

Reverend Cox of Olton is teaching a 4-day Bible study in the First Baptist church.

Hurmond Cooper and Ralph Rudd transacted business in Littlefield and Muleshoe Monday.

Shot Sanders and Bo McClure have returned from a 3-day trip to New Mexico.

Ellis Family Moves

Mr. and Mrs. G. D. Ellis, who have farmed the R. L. Drake place the last several years, moved Tuesday to a farm near Fieldton.

Mr. and Mrs. Jack Cunningham and children spent Sunday in the home of their daughter, Mrs. Bill Stanford of Earth.

Mrs. Esther Bomar visited Sunday with her daughter, Mrs. David Grimsby of Olton.

John Hall, a student at West Texas college in Canyon, was a weekend guest of his parents, Mr. and Mrs. W. F. Hall.

Little Donnie Ray Packard is still improving, his grandmother, Mrs. Leon Packard of Hereford, reports.

News From Spade . . .

By Mrs. Joe Prater

Gaither Vanderver was honored with a farewell party last Thursday night at the Church of Christ. He entered Abilene Christian college Monday.

The Young Married Couples class is planning a social meeting Friday night in the Baptist church annex. Doc Yann is their teacher.

Bro. W. F. Smith and Raymond Wiley attended the evangelistic conference for pastors and laymen in Plainview Monday.

The TEL Sunday school class meet in the home of Mrs. Leon Leonard Thursday afternoon.

Mr. and Mrs. Charles Tyler attended the Fat Stock show in Fort Worth last week.

Mr. and Mrs. Lane Erickson of Lubbock attended services at the Methodist church and visited her parents, Mr. and Mrs. T. S. Tyler, Sunday.

Gene and Wayne Loman were Sunday dinner guests of Harold Byars.

Ann Adams attended an MYF council meeting in Levelland Sunday.

Tommy Matthews is in the Amherst hospital with appendicitis.

Rev. Gordon Hejl of Granger was a weekend guest of Mr. and Mrs. A. F. Sladek.

Mr. and Mrs. Tom Collins of Lubbock spent Sunday with his parents, Mr. and Mrs. George Collins.

Mrs. Leon Leonard visited her parents, Mr. and Mrs. R. L. Page in Morton Friday.

Miss Sandra Sladek spent Saturday in Levelland visiting her cousin, Mis Jackie Cuba.

Mr. and Mrs. Mike Brewer, Mr. and Mrs. Bobby Reed, all of Hobbs, N. M., and Mrs. Vera Leonard of Littlefield spent the weekend with Mr. and Mrs. Robert Ramage.

Mr. and Mrs. Jimmie Ross and Mrs. Harold Smith were

Saturday dinner guests of Mr. and Mrs. Carson Smith of Lubbock.

Mrs. H. D. Crawford and Mrs. Landers and daughter, all of Lubbock, were guests Thursday of Mrs. Crawford's sister, Mrs. A. F. Sladek.

Mr. and Mrs. A. C. Thurman and Roxanna of Grass Valley, Calif., spent a week visiting her parents, Mr. and Mrs. E. L. Stubblefield and his parents, Mr. and Mrs. Roy Thurman of Witharral, Mrs.

A. C. Thurman fell while here and suffered a leg injury but was able to return home last week.

Mr. and Mrs. J. F. Moriarity and family of Bennington, Okla., are visiting her parents, Mr. and Mrs. K. Stinson.

Mr. and Mrs. A. F. Sladek and Mr. and Mrs. E. C. Glass visited Mr. and Mrs. Bob Wilson in Littlefield Sunday night.

Miss LaVerne Gregson, who is attending Abilene Christian college, was home from Wednesday until Sunday visiting her parents, Mr. and Mrs. Joe Gregson.

Mr. and Mrs. G. E. Nabers

are building a new home on their farm near Spade.

Mr. and Mrs. Wilson Lewis Jr. and sons of Earth visited her parents, Mr. and Mrs. A. F. Sladek, Sunday.

Miss Patsy Griffin, an Abilene Christian student, was a guest of her parents, Mr. and Mrs. Jay Griffin, Wednesday through Sunday.

Mr. and Mrs. Bill Cook and daughters spent last Friday night with her mother, Mrs. C. B. Alexander of Sudan.

Mr. and Mrs. Robert Ram-began construction of a seven-room modern home on their farm southeast of Spade. They

are living with his mother in Spade until their home is completed.

Dianne and Billie Cook and Evonne Stubblefield were Sunday dinner guests of Sharon Halrston.

Mr. and Mrs. Alvin Ray and daughters of Welch and Mr. and Mrs. David Stafford were Sunday supper guests of Mr. and Mrs. C. D. Stafford and Mrs. Lillie McCain.

Mr. and Mrs. Arville Bell and family have moved to Littlefield where he is operating a Conoco station.

Mr. and Mrs. Grover Durham and son have moved from

Littlefield to their farm of Spade. They received a large modern home farm.

Mrs. Marie Hamilton visited Friday from California on a visit of several weeks to her son and family, Mr. and Mrs. Dale Hamilton. She will train but Dale and she brought her home and are living here now.

Mr. and Mrs. Carlson and Johnny visited Mrs. Bill Fielden and family near Amherst Sunday.

Miss Emma Joyce of Lubbock visited her Mr. and Mrs. W. M. last weekend.

coffee too high?

try tea

Don't misunderstand us. We like Folgers, Maryland Club, Maxwell House and the other famous brands. We like the folks who pack these fine coffees. But we've reached our limit. The price of coffee is too high. We just don't have the heart to encourage you to buy it. We firmly believe in the "tried and true" law of supply and demand - if there is less demand, the price comes down.

We assure you of this: we make no more money on coffee now than we did when it was 30 or 40 cents a pound cheaper. We sincerely hope, along with you, that the price of coffee soon returns to "normalcy." Until then - TRY TEA AND SAVE!

LET HER EAT GRAPEFRUIT The Eisenhower 1954 Farm Plan

By Cecily Brownstone
Associated Press Food Editor

A teen-age girl in your family? Then keep an eye on what she's eating. According to the U. S. Bureau of Human Nutrition and Home Economics, teen-age girls have poorer diets than boys of the same age.

Vitamin C (ascorbic acid) is one of the food elements your teen-age daughter needs every day if she is to have sparkling health, because Vitamin C is important in the formation of bones and tissues. Citrus fruit is a great source of this vitamin and so, right now, while our generous crop of grapefruit is on the market, take advantage of this good fruit and feature it in your menus.

For breakfast, young people usually like grapefruit halves sweetened with honey or maple syrup. Use a little know-how when you are preparing the halves so they look attractive. With a small sharp knife remove any seeds and loosen the fruit by cutting around each individual section. Do not cut continuously around the entire outer edge of the fruit, this just makes the grapefruit hard to eat!

Sometimes you might like to sweeten the grapefruit halves with the syrup left from canned fruit. (This is a good trick when you are broiling or baking canned pineapple rings or peach halves for meat garnishes or desserts and have the fruit syrup left over.) In his case, cut around the grapefruit segments as we suggested, then snip out the center core with a kitchen scissors or cut it out with a small sharp knife. Pour a little of the fruit syrup over the top of grapefruit, so that there's a little well of it in core cavity.

Grapefruit, served hot, makes a delicious first course for dinner. Prepare the grapefruit halves, loosening the sections, removing any seeds, and the core. For four grapefruit halves, cream two tablespoons of sugar with two tablespoons of butter or margarine and a dash each of cinnamon and nutmeg. Spread this mixture over the fruit, putting most of it near the core cavity. Broil several inches from the heat until the grapefruit is partly heated through, usually from three to five minutes.

Fresh grapefruit also makes wonderful salads. We like it particularly with avocado, crisp greens and French dressing. This combination is delectable with so many meats—ham, roast or broiled chicken, lamb chops or leg of lamb, and roast beef or steak. It's good, too, with broiled or grilled fish fillets.

As a pickup when your teenager gets home from school in the afternoon, or in the evening when she's studying, serve her this nutritious and delicious Nog. Oldsters will like this drink, too; we do!

GRAPEFRUIT NOG
Ingredients: 1 egg (separated), 1 cup fresh grapefruit juice (the unstrained juice from 1 grapefruit usually makes this amount), dash of salt, 2 teaspoons honey, nutmeg (freshly ground if possible).

Method: Beat egg white with rotary beater (hand or electric) until stiff. Without washing beater, beat egg yolk until it begins to get thick and lemon colored; gradually beat in grapefruit juice, then salt and honey. Combine grapefruit mixture and beaten egg white, beating gently. Pour into 14-ounce glass; sprinkle or grind a bit of nutmeg over top; serve at once. Makes 1 serving.

By Secretary of Agriculture
Ezra T. Benson
(Fourth in a Series)

Q. How would the changeover to the new formula be made?

A. The exemption from the modernized parity formula now granted the basic commodities would be allowed to expire as scheduled on Jan. 1, 1956. Following this, the changeover would be made gradually by dropping the parity level not more than 5 percent per year until the new formula is completely in effect.

Q. What are "excess" reserves?

A. Excess reserves are the surplus farm commodities left over after the nation's normal reserve needs have been filled. The normal reserve includes sizeable quantities of some farm products for use in the event of war, drought, famine relief, and other domestic and foreign aid programs. When these needs have been filled, reserve supplies still on hand are designated "excess" reserves.

Q. What would "freezing" excess reserves accomplish?

A. It would isolate present excess reserves of wheat, cotton, vegetable oils, and possibly dairy products from the market in order to give the new program a chance to work.

The farm problem today is not so much one of over-production as it is a problem of unbalanced production. It is this problem which the new farm program is designed to solve. However, it cannot be expected to work effectively if excess reserves of various commodities are allowed to hand over the market where their presence would have the effect of depressing prices or necessitating too much of a decline in the level of price supports.

Q. How would the "freezing" be accomplished?

A. It is recommended that up to \$2.5 billion be used for the setting aside of reserves from present CCC stocks. Deterioration and loss of quality would be held to a minimum through rotating stocks where necessary.

Q. How would frozen stocks be moved?

A. Broad discretionary authority would be granted the president and secretary of agriculture to dispose of the commodities in a way that would not disturb normal trade. Likely outlets would be foreign aid, new foreign markets, barter, and disaster and famine relief.

Q. Why should CCC's borrowing authority be increased?

A. Because its financial obligations are now pressing hard against the \$6.75 billion limitation on its borrowing authority. An additional authorization to \$3.5 billion is necessary to cover price support commitments for 1954 crops alone.

Branscum Is Re-Elected to State Office

The Soil Conservation district board of supervisors heard a report on the recent state meeting in Fort Worth when they met Monday night in Amherst, Work Unit Conservationist James Abbott reported.

Thurlo Branscum of Pleasant Valley was re-elected an area director at the state meeting. Other local SCS board members attending the Fort Worth session were Wallace Gosden of Sudan and Raymond Cooper of Olton.

At the meeting Monday night, the board approved 43 conservation plans for area farms, and voted to distribute posters to business firms throughout the county. The posters urge farmers to cooperate in the soil conservation program.

The tonnage that crude oil and natural gas produced in the nation last year was greater than that of any other single commodity, eclipsing the total for iron and steel by about 250 per cent.

New Rules, Regulations For Plains Water District

By Jim Compton

New rules and regulations governing the waste of underground water, drilling and spacing of new wells, and reworking or replacing of old wells, have been formulated by the High Plains Undergrround Water Conservation District Board of Directors.

Several amendments to the rules were made necessary this year, said District Manager Tom McFarland. Also, he said, clarification has been needed in parts of the old constitution and by-laws.

The new rules and regulations become effective Sunday, February 7.

One of the most important changes in the rules concerns water waste, McFarland said. In the past, because of lenient rules, much water has been wasted. Not deliberately, but unconsciously, he hastened to add. The new rules and regulations definitely define the term waste as applied to underground water, and provisions have been added for its prevention.

According to the new Rule 1, waste is any water not used for agricultural, gardening, domestic or stock raising purposes; it is water which is not used for beneficial purposes; it is waste escaping from one underground reservoir to any other reservoir not containing underground water; it is water which is knowingly permitted to escape from irrigation land; it is that which is permitted to escape into natural watercourses such as depressions in the land, creeks and rivers; and it is excess water which is not returned to the underground strata.

According to the provisions of the above rule, water shall not be produced within or without the district boundaries in such manner and under such conditions as to constitute waste.

Concerning the application and issuance of drilling permits, the new rules clearly and definitely prescribe brief procedures to be used by owners or tenants desiring to drill. Mc-

Farland said. According to the present rules, no person, firm or corporation shall drill, construct, or equip a new well within the district without first making application for a permit. Water wells which are to be used in a temporary capacity in supplying oil or gas wells are exempt from this rule. Also, upon application, information pertinent to the drilling, construction or equipping of the new well must be furnished the district by the applicant. After the proper information has been furnished and approved, a permit may be issued.

Also, no well shall be drilled and equipped without the owner submitting a drilling log and registration data.

As for spacing of wells, which has always been a large problem to cope with, we think the new rules have clarified the situation greatly, McFarland said. Following are minimum specified distances between wells as incorporated into the new regulations: 4-inch or smaller pumps, 200 yards; 5-inch pumps, 250 yards; 6-inch pumps, 300 yards; and 8-inch

pumps, 400 yards. A special permit must be obtained for pumps larger than 8 inches.

Pumping rates will be regarded as follows: 4-inch or smaller pumps, 70 to 265 gallons per minute (gpm); 5-inch pumps, 265 to 390 gpm; 6-inch pumps, 390 to 560 gpm; and 8-inch pumps, 560 to 1,000 gpm.

The rules are so constructed, McFarland said, to allow users to apply for exceptions to spacing, provided they can present a sound basis for such.

These rules have been made, he added, with the interest of every water user in the district at heart. We hope they will provide for more conservation of underground water on the part of everyone in the bounds of High Plains Water District.

Other rules such as those for recharge wells, rehearings, changed conditions, and well testing and inspections, have been changed in some respects and should be studied by water users, he said.

Provisions also have been made for the reworking or re-drilling of old wells, he added.

"We hope that through the new regulations, more water will be conserved in the future," McFarland concluded. "It's not inexhaustible," he added.

Two Olton Men Fined For Driving

Two Olton men were fined in county court for charges of driving while intoxicated.

Dick Ivins was sentenced to 60 days in jail and a \$100 fine and was ordered to serve and the other 30 days probated. His probation will run six months.

Joes Delgado was fined \$100 and sentenced to 10 days in jail.

One Wreck City Monday

City police investigated a wreck this week which occurred Monday at 9:30 a.m. on Ninth street. Automobiles involved were driven by Glazener and Mary Slape. Each car received damages amounting to \$200.

One person was hospitalized for a week for drunkenness.

A rotary rig, used to drill oil and gas wells, was deep requires about 100 wire rope in a derrick high.

This is Morton's way of saying THANKS to YOU

You live in style in the '54 FORD

Your life on wheels couldn't be more pleasant! Your surroundings are a decorator's dream come true with beautiful new interiors you would never have found, formerly, outside of the most expensive cars. You touch a button beneath a window and it goes up or down. Power steering takes up to three-quarters of the work out of steering. Power brakes help you stop with up to one-third less effort. Fordomatic does your shifting for you. A power seat goes up or down, front or back at a button's touch. New Ball-Joint Front Suspension gives you the smoothest ride you've ever experienced. And you'll find driving a lot more fun with the road-ruling "Go" of Ford's new 130-h.p. Y-block V-8 or new 115-h.p. I-block Six.

The many fine-car dividends you get make it more than ever the Standard for the American Road

All power assists optional at extra cost.

LYMAN'S
RECIPE OF THE WEEK
By Mary Lee Taylor
Cherry Pie Supreme
Broadcast: January 9, 1954

1/2 cup Fat
3 Prepared Milk
3 Tablespoons
cornstarch
1/2 cup sugar
1/4 teaspoon salt
1/4 teaspoon
cinnamon
No. 2 can sour,
pitted cherries

2 Tablespoons butter
1 Tablespoon lemon
juice
few grains salt
1 cup powdered
sugar
9-inch baked pastry
shell

Put milk into ice cube tray and chill until ice crystals begin to form around the edges. Mix in a saucepan the cornstarch, sugar, 1/2 teasp. salt and cinnamon. Drain cherries and save juice. If necessary, add enough water to juice to make 1 cup and stir into cornstarch mixture. Cook and stir over medium heat until very thick, about 7 minutes. Cool thoroughly. Melt butter in a small saucepan. Remove from heat. Mix in lemon juice, few grains salt and the powdered sugar until smooth. Let stand to cool. Put cold milk into a small cold bowl. Whip until stiff. Beat in butter mixture just until mixed, about 1/4 at a time. Do not overbeat. Add cherries to cooled juice mixture, then take out 1/8 cherries to decorate top. Put filling into cold pastry shell. Put whipped mixture around edge. Decorate with berries. Chill an hour before serving.

Bobbie Cearley And Donald Davis Wed In Marriage At Earth Sunday

Bobbie Sue Cearley, daughter of Mr. and Mrs. Sam of Earth, was united in marriage to Donald Carlos Davis, son of Mr. and Mrs. Ray Davis of Lubbock, in a wedding ceremony performed by Rev. Hugh F. Blaylock at 2:30 p. m. at the First Methodist church.

The bride wore an original gown of white nylon tulle with a portrait neckline and pleated tulle sleeves. Gauntlets complemented the tiny sleeves. The skirt of layers of tulle and taffeta was cut on circles.

Mrs. Wilemon, P-TA President, Active In Civic Work, Church And Homemaking

By Billye Watson

Mrs. Oscar P. Wilemon, president of the Junior high school Parent-Teacher association, says her two principal hobbies are "my sons, Gregg and Kenny." She has been an active P-TA member since her oldest son, Greg, started to school in 1945. Both boys are now students in Littlefield junior high school.

Mrs. Wilemon follows closely her sons' athletic careers since both Greg, a ninth grader, and Ken, a seventh grader, are taking part in school sports.

Besides her P-TA work, Mrs. Wilemon helps her husband on the books for his oil company. They will have been residents of Littlefield 20 years in July.

An active Presbyterian, Mrs. Wilemon said, "I have taught Sunday school almost continuously for 30 years and worked with young people's groups of all kinds."

She was a member of the first advisory board for the Salvation Army and is still a member of the board. This work requires no small amount of time since the Salvation Army is quite active.

Mrs. Wilemon is also a member of the local chapter of Order of Eastern Star and an associate member of the Woman's club.

"I like to do some civic work. If a person is going to live in a town he ought to support it in a civic way. It takes a lot of free work to run a community," Mrs. Wilemon explained.

Two sons automatically mean a lot of Mrs. Wilemon's time must be spent on housework. "I like cooking best of my household duties," she said.

Kenny is a great fancier of strawberry preserves which Mrs. Wilemon makes each summer when she can get strawberries. Kenny likes them so well, in fact, that one of his Christmas gifts this past Christmas was a five pound bucket of strawberry preserves.

Mrs. Wilemon has tried a number of recipes but prefers

(Photo by Taylor)

the following one:

One and one-third pint of strawberries, one pint of sugar, and one cup of water.

Put all on, let boil exactly 10 minutes. Add one pint of strawberries and one pint of sugar. Let boil 10 minutes. Allow to cool

24 hours. Do not stir last cooking to keep the berries whole. A few drops of red coloring is optional.

(This is one of a series of "get-acquainted" stories about area women's club leaders. —Ed.)

Wayne Browns Honored At Farewell Party Last Week

Mr. and Mrs. Wayne (Tramp) Brown, who moved this week to Post, were honored last Wednesday night after choir practice with a farewell party given by Mr. and Mrs. John Nail and Mr. and Mrs. Doug Howell at the Nail home.

An impromptu quiz program was held with all the questions pertaining to Post. For each correct answer Mr. and Mrs. Brown received a humorous gift. Among the gifts was a barrel for moving dishes, which is the property of Rev. Harry Vanderpool's father, and is being loaned the Browns until the Vanderpools are in Post for a revival scheduled later this year. The barrel has been in use by the Vanderpool family for 25 years. Mr. and Mrs. Brown also received a number of other gifts.

Mrs. Mary Rutherford presided at the coffee service. The refreshment table was centered with an arrangement of deep pink snapdragons in a silver container. Avocado candies were placed on either side of the centerpiece and the table was covered with a lace cloth. Guests

Dale Parrack and Gaston Shaw were hosts Friday night at a party honoring Johnny Cox, son of Mr. and Mrs. Robert L. Cox who moved this week to Prescott, Ariz.

About 25 teen-agers and Mrs. A. S. Parrack, Mr. and Mrs. T. G. Shaw, Mr. and Mrs. R. L. Cox and Coach Gene McCannies were present at the party given at the Community Center.

Members of the Pioneer club met Thursday night at the Community Center for their monthly meeting. Hosts were Mr. and Mrs. Barry Bottoms of Sudan and Mr. and Mrs. Andy Thompson of Dimmitt.

About 24 guests were served coffee, cakes and cookies. Sandwiches, relishes, cake and coffee.

Attending were Mr. and Mrs. Jed Clarida, Mr. and Mrs. Oscar P. Wilemon, Mr. and Mrs. Charles Smith Jr., Mr. and Mrs. Alvin Webb, Mr. and Mrs. Allen Hodges, Mr. and Mrs. Tom Hilbun, Mr. and Mrs. L. N. Bridges, Rev. and Mrs. Harry Vanderpool, J. E. Chisholm Jr., Mrs. Mary Rutherford, Mr. and Mrs. Brown, Mr. and Mrs. Howell, and Mr. and Mrs. Nail.

WMU Circles Meet At Spade

SPADE, (Special)—The Roberta circle of the Women's Missionary Union met in the home of Mrs. Bayne McCurry Monday afternoon for a mission study program conducted by Mrs. Charles Park. Others present were Mrs. Travis Bundick, Mrs. Lloyd Haire, Mrs. Robert D. Stokes, Mrs. Raymond Wiley.

The Lottie Moon circle met in the Baptist church Monday afternoon for the mission study program with Mrs. Preston Pointer in charge. Members present were Mesdames W. F. Smith, J. R. Inklebarger, Jess Emmons, Marie Hamilton, Pointer and Joe Prater.

The Eunice McCollough circle met in the home of Mrs. Ernest Savage for mission study Monday afternoon.

WHAT METHODISTS BELIEVE 4

We Believe in the Bible

The Scriptures are the record of God's progressive revelation of Himself through inspired men, and the story of His righteous purpose in history to bring mankind to final perfection in Christ. The Bible contains all that God requires for salvation and is the sufficient rule of both faith and conduct. It has withstood all efforts to destroy it; it has survived the scientific study of its pages, and by its enduring truth it has confounded its critics and stands today more historically credible and more spiritually indispensable than ever before. It is God's eternal Word to every generation.

Attend the Church of Your Choice Every Sunday

600 Attend Band Parents Play Friday, Clear \$230

"If Mother Only Knew," the three-act comedy presented by the Band Parents club Friday in the Littlefield high school auditorium, drew a large crowd and lots of laughs.

Notable performances were turned in by Roy Wade, who played the part of the teenage son, Wilbur; Mrs. J. C. Smith Jr., Bernardine; and Mrs. Virrel Roberts, Betty Lou. These three "teenagers" with their slang phrases and stage-struck expressions were the most frequent laugh-provokers. Bob Manley, who played the part of Dr. Gooch, portrayed a typical college professor, ost without his glasses.

Other members of the cast playing both straight and funny roles were Mrs. Marshal Howard, as Janet Maxwell, the unsuspecting mother of three impetuous teenagers; Mrs. C. V. Fields, as Frank Aunt Mary; Mrs. Felix Haltom, as the oldest daughter, Donnie; Virrel Roberts, as Hercules, alias "Goldenrod"; John King, as John Maxwell, harrassed father of the teenagers; Mrs. G. V. Walden, as Gladys Gooch, the third member of the triangle; Felix Haltom, as "Brains" Burke who with his extensive vocabulary eventually brought the family out of the crisis; and Earl Rodgers and Paul Carmickle as the policemen.

Handling the stage properties was William Brune. Mrs. Earl Rodgers was in charge of publicity and advance ticket sales, and members of the ticket sales committee were Mrs. Paul Carmickle and Mr.

and Mrs. Boyd Montgomery. Mrs. David Keithley was in charge of makeup. J. Ernest Jones, president of the group, directed the play.

An estimated 600 persons attended the presentation. The club cleared about \$230 which will be used for band instruments and repairs.

A between-acts number was presented by several members of the Wildcat band and their sponsor, Beryl Harris. After the second act J. Ernest Jones awarded prizes to the four band members who sold the most tickets. They were Bobbie Manley, first; Dale Howard, second; Gary Rodgers, third, and Tucky Haltom, fourth.

Aubrey Neinast Goes To Georgia

HART CANYON, (Special)—Aubrey Neinast left Saturday for Jackson, Ga., where he will be married Feb. 7 to Miss Wynette Smith of Jackson. The marriage will be in the First Methodist church.

Enroute to Jackson, he will stop over at Selma, Ala., where he was formerly stationed with the airforce.

MR. AND MRS. JOHN KERBOW who were married Sunday at the Hopewell Baptist church in Olton. Mrs. Kerbow, formerly Miss Betty Russell, is the daughter of Mr. and Mrs. Will Russell of Olton. Wedding rites were read by Rev. James Flippo. The bride was graduated from Olton high school and San Jacinto business college in Amarillo. Kerbow is in the air force stationed at Randolph air force base in San Antonio. Before entering the service his home was in Shadow, La., and he attended school in Mt. Hermon, La. The couple will reside in San Antonio. (Photo by Taylor)

Betty Gray Of Olton Weds Johnny Durham Saturday

Miss Betty Gray, daughter of Mr. and Mrs. Virgie Gray of Olton, became the bride of Johnny Durham, son of O. B. Durham of Olton, in a double ring ceremony Saturday afternoon performed in the home of the bride's parents.

S. A. Freeman, minister of the Church of Christ, read the wedding vows before an archway of greenery and white carnations. Wedding music was furnished by Miss Teddye Raliff and Jan Prestidge.

The bride wore a street-length eggshell dress and a white hat. Her bouquet was an orchid and split carnations carried on a white Bible. The maid of honor, Miss Betty Hicks, wore an eggshell street-length dress and carried a nosegay of carnations.

The bridegroom was attended by Danny Bledsoe, best man. Serving at the reception which followed the ceremony were Misses Doris and Dorothy Gray, cousins of the bride. Guests were registered by Miss Daris Peterson.

The bride is a senior at Olton high school and has served as cheerleader this year. Durham is a 1953 Olton graduate and was a member of the football team.

The couple will reside near Olton where Durham is engaged in farming after a wedding trip to Roswell, N. M.

Mrs. Vann Hostess To Party At Whitharral

WHITHARRAL. (Special)—Mrs. Robin L. Vann was hostess at a party in the Home E-4 cottage here Monday evening.

Guests were Mrs. Lida Whitharral, Mrs. J. B. Harbin, Mark and Jay Ellen of Levelland, L. C. Lewis, C. E. Throckmorton and Elva Crank.

Supper Party At Whitharral Church Saturday Night

WHITHARRAL. (Special)—A Fellowship supper is being sponsored Saturday night at 7 in the Whitharral Baptist church for all members or prospective members of the Young Married Couples class.

All couples in this group are urged to attend. The nursery will be open for those who want to bring small children.

For the Sunday night service, the young students of the church will have charge of the program.

Birthday Party Fetes Gloria Sealy

SPADE. (Special)—Those attending a birthday party honoring Gloria Sealy in the home of her aunt and uncle, Mr. and Mrs. Edwin Poe, last Monday night were Gloria Gray, Alice Jones, Janice Wood, Meredith Tinsley, Wanda Bryant.

And Rene Elkins, Betty Byars, Ruby Vaught, Dennis Pierce, Olin Scarborough, Donnie Hardman, Eugene Williams, Margaret King, Thomas Anderson, Gene and Wayne Loman and Mrs. Roy Dykes.

Dick Hopping, son of Mr. and Mrs. Jim McGuire of Lubbock and formerly of Littlefield, visited in Littlefield last week between semesters at Texas University where he is a student.

Aubrey Neinast to Wed Georgia Girl

Mr. and Mrs. Henry Jackson Smith of Jacksonville, Ga., have announced the engagement and approaching marriage of their daughter, Sara Wynette, to Aubrey Clarence Neinast of Spade. Neinast is the son of Mr. and Mrs. W. P. Neinast of Hart Camp.

The wedding will take place Feb. 7 at Mt. Carmel Methodist church in Jacksonville, Ga. The couple will live north of Spade where he is engaged in farming.

Neinast is a graduate of Spade high school and has served three years in the air force. He was stationed at Macon, Ga.

Spade Dorcas Class Meets At R. A. Leonards

SPADE. (Special)—The Dorcas Sunday school class had its regular monthly meeting in the home of Mrs. R. A. Leonard Monday afternoon. Mrs. J. A. Greer was in charge of Bible study.

Gifts were exchanged and refreshments of cakes and cookies were served to Mesdames Bud White, P. T. Trull, Robert Wilson, W. S. Savage, H. E. Lacy and J. A. Greer.

The next meeting will be the last Thursday in February in the home of Mrs. H. E. Lacy.

Mrs. Harry E. Woody, 601 E. 15th, entertained at her home last week for the March of Dimes. Coffee guests were Mrs. Dick Carl, Mrs. Solon Huff, Mrs. Bill Cox, Mrs. Homer Garrison, and Mrs. Jarrah Jones.

MISS WYNETTE SMITH

Miss Patti Ruth Dyer To Wed Ballinger Man Feb. 14

The engagement and approaching marriage of Miss Patti Ruth Dyer to Fred Lewis Keck of Ballinger has been announced by her mother, Mrs. Floyd Dyer. The wedding will take place at the home of the bride's mother at 2 p.m. Feb. 14.

Rev. Hilton Crane, pastor of the Primitive Baptist church of Littlefield, will perform the ceremony.

The bride-elect is a 1953 graduate of Littlefield high school. Keck, the son of Mr. and Mrs. Walter Keck of Vernon, attended Seymour schools and is currently manager of Perry Brothers in Ballinger.

SPADING UP NEWS...

By Betty Byars

Last Friday night was certainly an ideal one! Spade girls and boys "ran all over" Pep. All the boys and girls got to play and everyone of them was extremely happy. You should have seen the proud look on Coach Dykes and Coach Bailey's faces.

High school girls lost to Pettit Tuesday but the boys won. Two wins for the boys this week. Good work, boys.

for highschool and... garet King checked out... moved to Littlefield... Wednesday Mr. Lamm... a call from Margaret... King saying that... and Herbert would... come back Thursday... day morning came... garet wasn't there... 10:25 everyone's face... ed up because in walked... garet and we hope to... the rest of this year... She did mess up our... little because we were... give her a surprise going... party Thursday night... we changed it to a "home"... home" party. Thomas... son went after her and... he had to go back to school... get a book before they... town. When Margaret... in she was scared to... big surprise. We are... have her back.

What's this I hear? Was Lu Stubblefield with Gene man Tuesday night?

The second year Home girls did some cooking... Wonder if they will be... come to school Monday?

It's a Happy Birthday Mauden Tinsley and Pointer this week. Pat 13 and I suppose Maud will be 17.

Last Monday night Sealey was honored with a day party. A good time was had by all who attended. I Gloria Neil wasn't too next day. We gave her a day spanking at 9:20. That's all for now so, bye.

Make delicious candy mixing softened cream and chopped canned spread on toast rounds. Adorn with a garnish of strips or a slice of ripe

Forum Hears Program On "Life Of Christ In Paint"

"The Life of Christ in Paint" was the subject of the program presented by Mrs. Winston Barton at a meeting of the Forum in the home of Mrs. Olene Gibson Thursday night. Mrs. Barton used outstanding paintings to illustrate her comments on the life of Christ from the nativity scene to the crucifixion.

In the absence of the president, Mrs. R. M. Richey, Mrs. J. S. Abernathy, vice-president, had charge of the meeting. During the business meeting the membership voted to contribute to the following projects: the Musical Penny, the Penny Art Fund, Latin American scholarship, psychiatric nursing, the International farm youth exchange, the Independence Hall project, and headquarters maintenance.

One new member, Mrs. J. S. Fikes, was voted into the club.

Refreshments were served to Mrs. Winston Barton, Mrs. E. E. Carter, Mrs. Bacon Jones, Mrs. Forest Martin, Mrs. Dalton Teague, Mrs. Olene Gibson, Mrs. W. E. Bass, Mrs. Ben Brandt, Mrs. J. S. Abernathy, Mrs. Virgil Zoth, Mrs. J. H. Carl, Miss Becky Pace, Miss Clara Jarman, and one guest, Mrs. Oley Robbins.

Miss June Jones, daughter of Mr. and Mrs. Arthur Jones, left Monday to return to North Texas State college where she is a student. Miss Jones has been visiting her parents here since Thursday between semesters at the college.

THE GROWING TREND TO LINCOLN

Have you discovered what's new in 1954 driving?

Of course, any fine car will give you a fairly comfortable ride. But only by experiencing a drive in the new Lincoln for 1954—and comparing it with any other ride on the road—can you judge the wonderful advances being made in motoring.

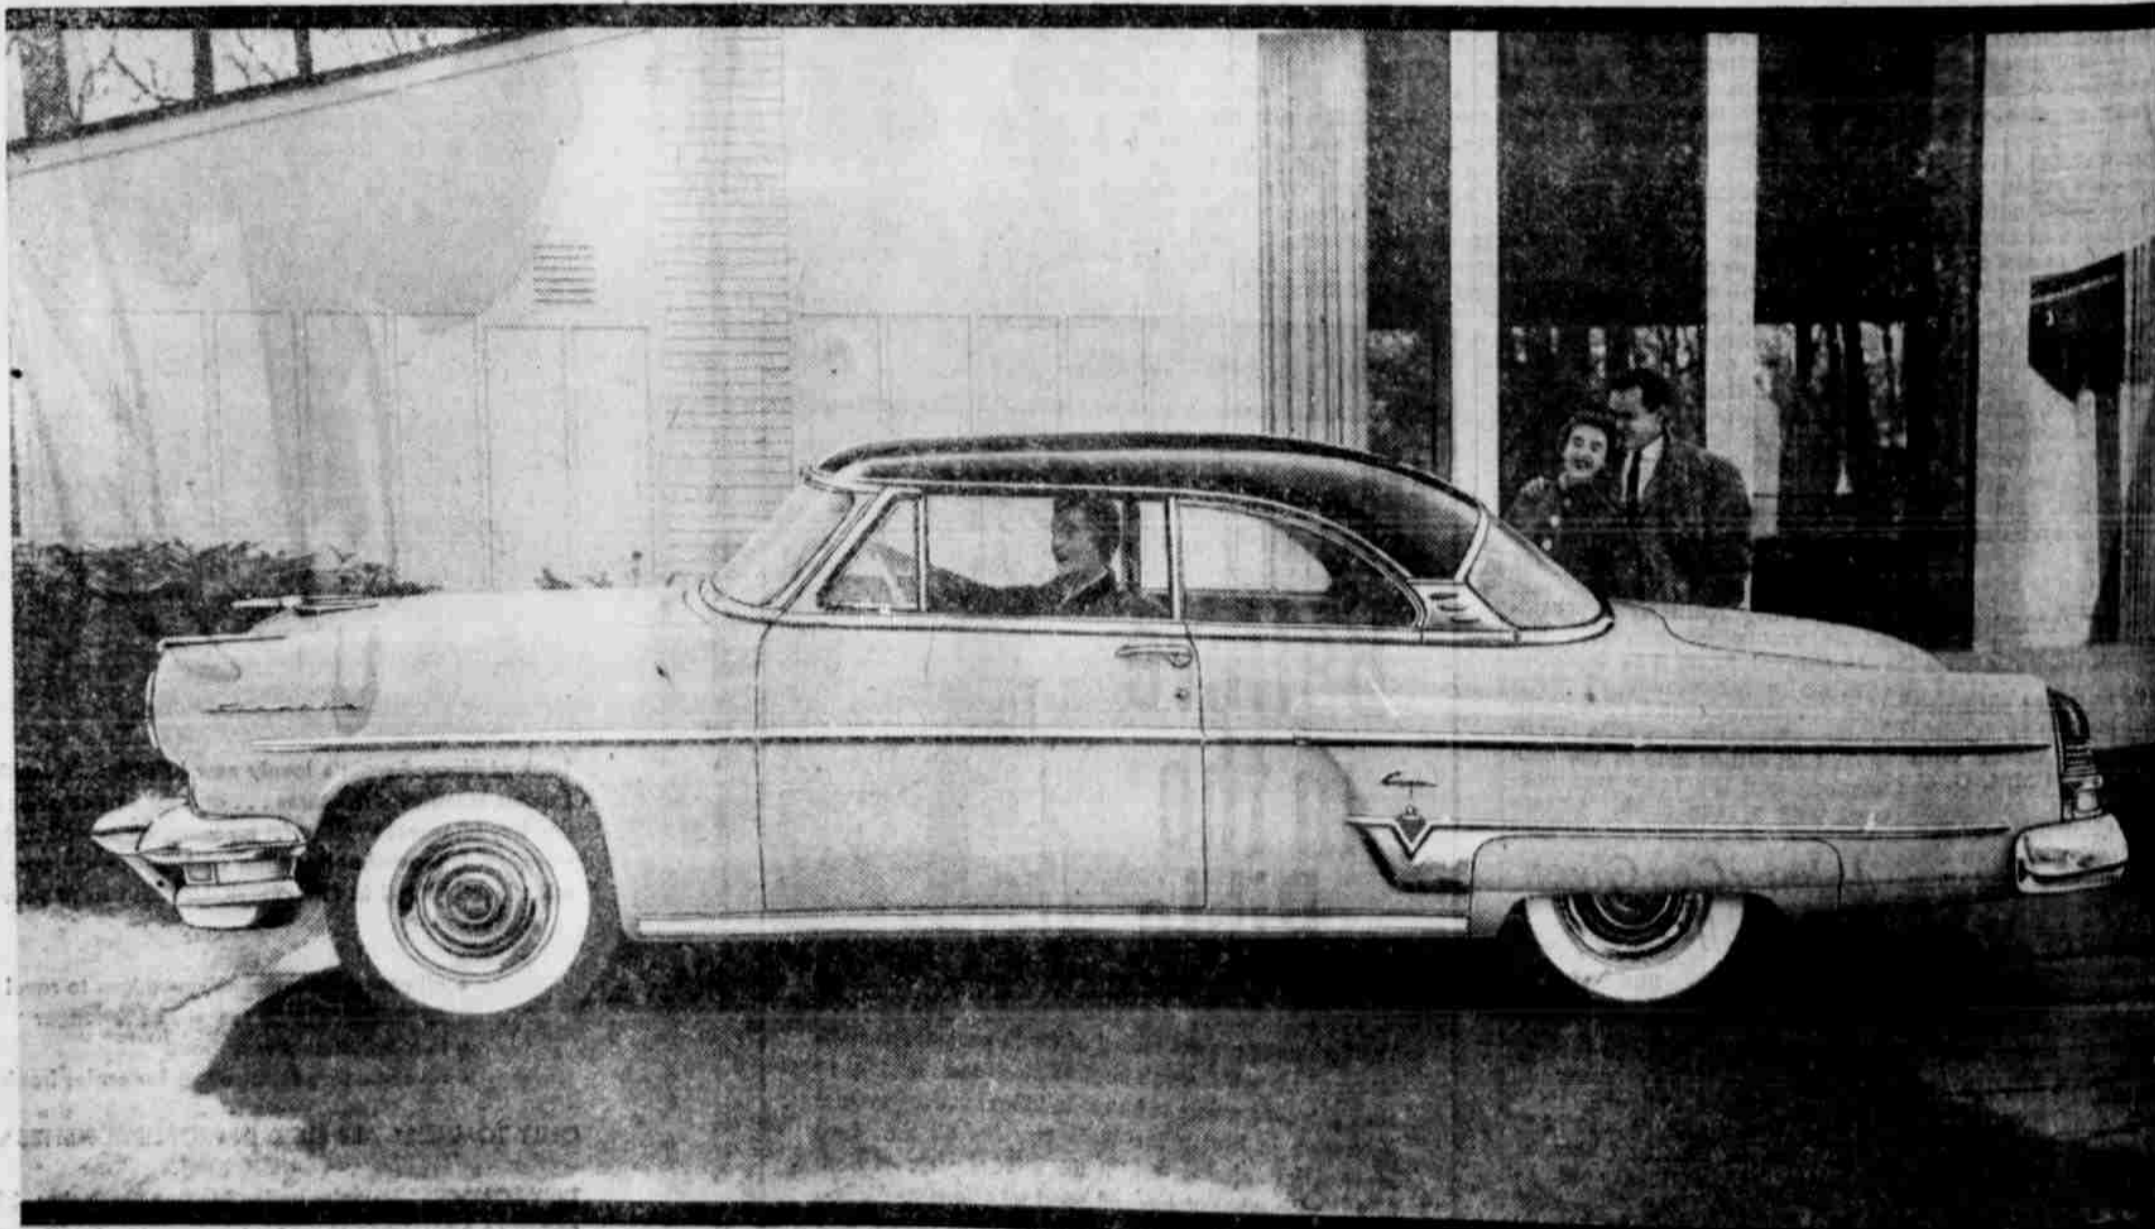

You'll discover astonishing new response to your every touch. There's new surge in the magnificent Lincoln V-8 engine, with its new automatic 4-barrel carburetor. The new vacuum distributor control gives instant accelerator response—plus improved hydraulic valve tappets for almost silent operation.

The ride in the new Lincoln is flawless... the control superb.

Lincoln is the only fine car with ball-joint front wheel suspension for maximum handling ease. You're carried quietly, smoothly, safely through traffic, over superhighways or back roads. Remember, Lincoln twice won the first four places over all stock cars in the Mexican Pan-American Race.

Naturally the newest styling and colors are in this modern living car. Fore and aft—inside and out—everywhere—you'll find new design features which give you everything you demand in a fine car. You're invited to try 1954's performance and style leader. Come in today and drive out in a Lincoln or Lincoln Capri!

Performance proof: Lincoln again won 1st, 2nd, 3rd and 4th places over all stock cars in the 1,912-mile Mexican Pan-American Road Race.

to start brooding for all flock replacement, early hatchlings are more profitable. Dates for early hatchlings are: (1) lower to less disease, (2) they than late hatched chickens are ready at an earlier age for money as fryers, (3) higher spring market prices lay larger and earlier late summer, (4) enter eggs (5) low mortality among pullets.

to purchase chicks

from a breeder or Texas hatcheryman who has a reputation for delivering strong, healthy chicks that live and grow into profitable producers.

C-A-C

One of the oldest and best methods for increasing crop yields is to plant good seed. Much of the crop improvement in Texas is due to the development of new and improved seed varieties.

However, you not only need to know something of the variety of seed to plant, but you should know something about the seed itself.

One way you can be sure of

planting good seed is to plant certified seed. You can recognize certified seed by the Blue tag and state seal on the bag. This shows the seed was grown of stock from improved sources and that it shows the superior performance that is required. In addition this seed will be free of weed seed, seed of other crops and inert matter.

While certified seed is usually higher in price than just plain seed, this isn't the case with corn. Low cost seed is often the "highest cost" seed, because if you plant poor quality seed the chances are you will harvest poor quality crops.

C-A-C

In planning your spring and summer pasture program you may find it will pay to include additional cross-fencing for rotation grazing.

Rotation grazing of smaller pastures allows the animals to graze them out in a shorter time, thus preventing patchy grazing. Other advantages of cross-fencing include the use of plants when they are in most nutritious state of growth and the fact that you will be able to save some blocks for making hay and silage during peak periods of growth.

Cross-fencing for rotation grazing will work on permanent as well as temporary pastures. The cost of fencing may often be reduced by using electric fences.

C-A-C

Have you pruned the trees in your orchard and have you taken an inventory of the buds? If you haven't already done so, now is the time for pruning in your orchard.

If the trees are carrying a light crop of buds this year, less growth should be cut, but if the bud crop is heavy, considerable more growth should

be removed from the orchard and burned to keep the bores from getting into the other trees.

This is one of the winter jobs that have to be done on time to insure a good crop this spring. The other winter jobs are spraying and fertilizing. All three should be completed before the trees come into bloom.

C-A-C

High crop yields at lower cost in 1954 are possible for farmers who follow the example of many successful growers and use the free soil testing service at Texas A&M College.

When money becomes tight, some farmers are inclined to reduce their expenditures for fertilizer.

This isn't the best reasoning, because food and fiber, especially at this time, must be produced more economically. Experiment station tests show much greater financial returns from crops properly fertilized than from crops supplemented with little or no plant food.

This is the time to collect soil samples and send them to the laboratory. It gives the lab enough time to analyze the sample and return recommendations so the farmer may use the information in buying fertilizers. About three weeks should be allowed for a reply.

The laboratory in 1953 analyzed and made recommendations on 7,989 samples. A soil analysis determines organic matter and mineral content in soil. Upon knowing these levels and the crop to be planted on the field from which the sample was taken, the lab can make the correct recommendation.

Forms for submitting samples, together with sampling instructions are available at the county agricultural agent's office.

At Littlefield Hospital
A boy, Jose Louis, was born Jan. 28 to Mr. and Mrs. Santes B. Saenz of Littlefield. He weighed 5 pounds, 4 ounces at birth.

A baby girl was born Jan. 29 to Mr. and Mrs. DeWitt Tiller of Bula. She weighed 7 pounds, 2 ounces at birth.

A baby boy was born at 4 a.m. Jan. 30 to Mr. and Mrs. U. S. Jacobs, weighing 8 pounds, 7 ounces at birth.

At Payne-Shotwell Foundation
Mr. and Mrs. Billy Ray McBride of Earth are parents of a 7 pound, 3 ounce boy, Mack Ray, born Jan. 26.

THE FIRST PERSON who calls the News and Leader office, telephone 26 to correctly identify the Mystery Farm pictured above will receive two free tickets to any Chesler Theatre. The farm of Paul Nafzger, south of Olton, pictured in the Jan. 24 News was identified first by Mrs. M. O. Dunagin, 219 E. Ninth. Other correct identifications came from Mrs. Otis Caddel, 1300 W. Fifth, Ernest Gohlke, Littlefield Route 1, and Douglas Owen, 513 E. Seventh. Nafzger will be given a mounted photograph of his farm if he will call at the newspaper office for it.

Beauty Treatment That Gives 19% More Visibility

New back-swept windshield on all 1954 Buicks is the latest note in modern styling, and a big step-up in your view of the road ahead.

Even the price is sensational!

This BUICK V8
—the 1954 SPECIAL
2-Door, 6-Passenger Sedan—
delivers locally for just
a few dollars more than
the "low-price three"!

As you look at it, you can see a lot of what makes this new 1954 Buick SPECIAL so sensational.

You can see the long, low, sleek and ultra-glamorous lines that add up to the biggest automotive styling change in years.

You can see the remarkable new windshield with the back-swept corners—greatest visibility improvement since closed cars came on the market.

But what you can't see—till you drop by for a visit—is the sensationally low price of this car—a local delivered price that's just a few dollars more than those of America's "low-priced three."

And you can't see—sitting where you are now—the rest of the great automobile that's yours for so low a figure.

The spectacular power of this SPECIAL's brand-new V8 engine. The honest six-passenger roominess. The truly modern interior luxury. The superb new handling ease. The sublime comfort of Buick's famed Million Dollar Ride—now steadied even more by a newly developed front-end geometry.

Fact is, there's so much that's terrific about this new glamor car, you ought to drop in and give it a really thorough study and sampling.

That way you'll prove to yourself that the buy—and the thrill—of the year is Buick. Come in this week, won't you?

Kat's Korner
By Karen Williams

Hi, Kids! L. H. S. has been a pretty busy place his past week what with plays, basketball games, football jackets, etc.

By the plays I mean the very successful presentation put on by the Band Mothers' Club Friday night. They had a wonderful turnout and everyone there certainly got their money's worth. The other play I had in mind was the play that the seniors are planning, "Glamour Boy." They have a good cast and play to work on and so we can be sure of a first class play. It will be held March 2 on a Tuesday.

In the way of basketball games we have really had a dose of them this week. Last Saturday

night e surprised Brownfield by the score of 76-58 in our favor. Then Monday evening we edged past Smyer 77-74. Tuesday we lost to a hard playing Tulla team by the score of 58-45. Then in the Sundown tournament we lost our first game to Stanton in a thriller of 50-52. In the girls' department we had some more thrillers. They lost to Sandown Thursday but only by 3 points and then they bowed out to Plains but only by 6 points then. All in all I believe our basketball teams have had a pretty busy week.

This past week some Polio drive folders were passed out to all of the highschool students. Everyone, I hope, filled it to the brim. The best thing about it is that they know that is going to a very worthy cause. And speaking of Polio, our chorus is to appear on TV on the March of Dimes "Telethon." Looks like our choir is really making progress this year and keep up the good work, kids!

The FHA has finally gotten that carpet that they have been longing for so long last Wednesday. They are a cocoa brown and definitely add a special look to the department. Drop in and take a look at them, they're really pretty!

The intramural basketball games will be wound up this next week and bring a climax to the enjoyable noon pastime. The past week has seen these scores:

Monday—Junior and Senior boys tied up, 11-11.

Tuesday—Senior girls downed the Junior girls 16-12.

Wednesday—Sophomore boys defeated the Juniors 6-4.

Thursday—Junior girls took the Sophomores 14-9.

Friday—The Senior boys took the Sophomores in a thriller.

There is a big question in the air about the Annual Festival Monday night, and who got what in what. One way to find out and that is to go and see. Like to see a big crowd out for this occasion. (Don't breathe a word of this but I think I got "What's That" in Studyhall, a real accomplishment if I ever heard one).

If you have noticed a lot of proud faces around school lately it is probably because of the new football jackets that were issued Wednesday. Real pretty! You notice when I said "proud faces" I was hesitant to indicate whether they were the football boys or their girls. You boys better keep your eyes on those jackets if you want to keep it long, ain't that right girls?!!!

\$30,000,000,000 Worth Of Socialism

There is one way to make a really heavy cut in the cost of government without touching spending for national defense or any other necessary purpose. That is to turn thumbs-down on all proposals for putting the government further into commercial business—and to start getting government out of the businesses it is now in. All in all, according to a survey made by the Council of State Chambers of Commerce, the taxpayers' investment in government business enterprises totals more than \$30,000,000,000, an amount equal to the net worth of the 29 largest private American companies!

Moreover, despite praiseworthy recent efforts to halt the socialist trend, government is becoming a bigger operator of business all the time. The case of electric power is notable. According to the Council, in that field alone . . . at least \$5,300,000,000 will be needed to complete projects already started as of last June 30. . . . Numerous additional projects which would cost tens of billions of dollars, but for which no funds have been provided, have already been authorized by Congress or planned by Federal agencies."

Socialism dies hard—as witness the fight to have government undertake new power developments on the Snake River in Idaho, the Niagara River in New York, and elsewhere. In every case, private capital is available for the work, and regulated private utility companies are ready to go ahead. They will pay millions in taxes for that privilege, and they will see the power at rates judged fair by state and federal commissions. Here is an outstanding example of how huge sums of our tax money can be saved—and how, at the same time, we can strengthen the free system which has made our country great and strong.

Safety vs. Time

We know that time is one of the most precious things that the Creator allowed us, along with our lives.

Yet, how seldom do we automobile drivers realize how closely time is tied up with our lives?

The Texas Safety Association says: To write a safety rule we use one minute, and one hour it takes to hold a safety meeting. We can use an entire week to plan a safety program, then it takes at least a month to put it into operation.

A whole year is consumed to win a safety award, and, believe it or not, it takes an entire lifetime to make a safe driver. But, drivers, it only takes ONE SECOND to destroy it all with an accident.

How wisely do you spend your time when you are behind the wheel of your car?

Haircuts For 30 Years

One trouble with most discussions of taxation is that they involve statistics which are incomprehensible to any but the specialist. Now praiseworthy efforts are being made to dramatize the tax problem in a manner that will bring it home to all of us.

An Iowa barber shop, for instance, featured a sign saying that the average customer could get his hair cut twice a month for 30 years for the money he paid in direct and hidden taxes in 1952. A Texas department store had a window display of two male mannequins showing all the clothes, luggage and other supplies one year's taxes would buy. A utility company did a similar thing, showing the number of appliances, including washer, stove, etc., the average-income family could have bought with its tax money.

A well known novelist says he has never seen any of the film versions of his book. So far as he knows, that is.—The Humorist.

THE AMERICAN WAY

Learning The Hard Way

Texans In Washington

By Tex Easley

AP Washington Service

WASHINGTON, (AP)—A second Texan in President Eisenhower's cabinet is a possibility, if you can put any stock in speculation now being heard about Washington.

This speculation is that Navy Secretary Robert B. Anderson, Texas-born and reared, may be under consideration for eventual appointment as secretary of defense if Charles E. Wilson should leave the cabinet.

Anderson's recent 25,000-mile tour of defense bases throughout the Pacific apparently started the speculation. It was described officially as a trip to acquaint the previously land-locked Texan with the vast naval operations for which he is responsible.

But there is talk that maybe the tour had more significance. Anderson earlier had made an inspection tour of Atlantic bases.

Before he came to Washington to take the sub-cabinet job, the 6-foot plus, 43-year-old Anderson was general manager of the sprawling, 500,000-acre Waggoner ranch in north Texas.

With such a background—he

smilingly acknowledged in taking over his present job that he hadn't been aboard anything much larger than a row boat in his life—it was the logical Anderson embark on get-acquainted missions. His inspection of Atlantic bases was followed by the Pacific trip, which included a two-day stop in Korea.

The gossip has it that the thoroughness of his inspections, coupled with the record he has made here, may mean that he could be in the running for Wilson's cabinet job if the latter should resign, to go back with General Motors Corp., which he formerly headed.

So favorable an impression has Anderson made on official Washington, including critical lawmakers, that he is viewed as a natural for Defense secretaryship—except for one thing: That would make two Texans in the cabinet. Mrs. Oveta Culp Hobby of Houston, as secretary of the Department of Health, Education and Welfare, is the only woman in the cabinet. She and Anderson are "Eisenhower" Democrats.

Anderson was elected to the Texas legislature while a senior law student at the University of Texas in 1932; practiced law briefly in Fort Worth, then went to Austin as an assistant state attorney general, was an assistant law professor in the univer-

It's The Law In Texas

A properly drawn will can be the means of short-cutting many legal formalities, and may save a great deal of time in distributing the estate of a decedent among his rightful heirs. It may also serve to save many dollars in legal fees and court costs.

As an example whenever a person dies without a will and it is necessary for the probate court to appoint an administrator of his estate, the person so appointed is required to post a bond. This bond is for the purpose of insuring the faithful performance of his duties. When signed by individuals, the amount of the bond must be double the estimated value of the personal property of the estate plus a reasonable amount to cover prospective rents and other income from real estate involved.

When issued by a bonding company, the estimated value of the personal need not be doubled. The administrator's bond must be kept in force until the estate is finally closed and he is discharged from his obligation by the court.

The same rule applies to an executor under a will, unless the testator has specified that no bond shall be required. This provision may be inserted or left out of the will at the option of

city and then became chairman of the Texas Unemployment Commission in 1936 for a year before becoming general counsel of the Waggoner estate. His Pacific tour, which started Nov. 23, included a stop in Formosa. He conferred there with Gen. Chiang Kai-shek.

(Mrs. Anderson, who accompanied him, is the former Ollie May Rawlings of Vernon. They have two sons, Jerry, 13, and Deek, 17.)

Needless to say,

there are situations in which the bond serves a real purpose. But when not needed, the statutory requirement may prove a distinct annoyance to the executor and a burden upon the estate in the form of annual premium payments.

Another example: A court-appointed administrator may not sell any property of an estate without an order of the court authorizing him to do so. He must make application to the court for approval of each sale. The court must be advised of and approve the sales price and the manner in which the same is to be collected. Similar provisions apply to the making of mineral leases and other transactions.

These provisions apply equally to the executor of a will, unless the testator has freed him from such requirements. A single short paragraph inserted in a will designating him as an independent executor, in appropriate phraseology may serve this purpose. Then he will have a free hand to dispose of property upon short notice whenever a favorable opportunity arises, with a minimum of legal formality.

Since every application or other paper filed with the probate court and every order obtained from the court involves the expenditure of attorney fees for its preparation and court costs for its handling by the clerk, in proper cases many dollars may be saved for the heirs by adequate provisions of a will.

A free pamphlet containing useful information on wills and related matters has been prepared by Texas lawyers. To obtain a copy, merely print your name and address on a postcard and mail to the State Bar of Texas, Colorado at Fifteenth, Austin 1, Texas.

Use your long-handled tongs this summer for removing corn on the cob from the kettle. Be sure to have it on hand when you're canning or preserving and need to lift sterilized containers from boiling water.

Lipstick Logic

A few days before the coffee furor, we happened to see a magazine story about our favorite beverage. We read with interest that it takes the coffee tree five years to produce its first crop; it is highly susceptible to drought, frost and some blight-or-other that hits just at fruiting time.

So when we read about the heavy frost in Brazil, we weren't too surprised at the prediction of a hike in price. We weren't, that is, until everybody got so excited. Then, from every side, we heard such remarks as, "We'll just drink tea!" "It's the principle of the thing!" "Well, it won't bother me; I never touch the stuff." Believe me, somebody's getting rich!"

One morning the spouse look-

ed across the table rather sheepishly. "What do something about prices?"

"Nope," we said firmly. "The price is going to taste just as ever. We aren't going to spoil our breakfast with an extra two cents a cup." Having sounded bravely, we sneaked into the kitchen later in the day to measure out the coffee to a pound. "Sixty means 60 cups for 60 or about one and one cents per cup. Even if it takes only two cents a coffee to make a cup—"

Buying a potato makes sure it has a good easy-to-grip handle and weight to break up the peel. The handle is best when painted because the steam hot foods may make it peel.

Here's the Facts--Just the Facts, Sir

The date and time is right now. My partners and I are in the service station and auto repair business. We're working at the corner of Ninth and Littlefield Drive as public servants. We're experienced.

Here's the Rundown For You!

The chief inspected all the attendants and mechanics. They were clean. Every man told truth about his number of years experience and they all knew their jobs well. The chief inspected the inside of the joint too. Here he found that Elvis Walker, the owner, was telling the truth. He's got all the equipment he says he has . . . just like the finest service headquarters. He also found it is the best place in town to buy batteries since Walker's specialize in that field.

The chief did find one thing. . . . He found alcohol in the place and proceeded to file charges . . . but they were later dropped. The alcoholic liquid was not for human consumption. They just had a big stock of anti-freeze to serve Lamb county motorists.

CASED CLOSED . . . THIS WAS A WALKER BATTERY & ELECTRIC PRODUCTION. IN THE MEANTIME WE'LL BE SEEING YOU AT WALKER'S FOR COMPLETE AUTOMOTIVE ATTENTION. Remember, we are an official State Motor Vehicle Inspection Station. . . . When it comes to TIRES . . . WE WILL NOT BE UNDER SOLD. . . . You'll see us last!

Farm Exports Should Remain At Status Quo

By David Eaton
Lamb County Agent

In a highly developed economy, such as ours, overseas outlets are extremely important. They provide extra outlets for food and fiber that make a more complete market for everything we produce.

In 1951-52, our agricultural exports were a record total of 4 billion dollars. In 1952-53, agricultural exports slid backward to only 2.8 billion, a 30 percent drop. Many of our farm program headaches, including surpluses and depressed prices, are the direct result of the reduction in exports.

The outlook for agricultural exports is that, even though they have settled back to a lower rate than we desire, there are good indications that we can at least maintain the present rate. But they are still low compared to several years ago, and this reduction does have a downward effect on prices of those products normally shipped abroad.

Foreign customers, when buying farm products, have to do it principally with dollars they earn when we buy them; and our foreign purchases are heavy when we are prosperous. With a continued high level of activity in our domestic economy, we may be able to hold the present low level of total exports or maybe gain a little.

A further decline in our exports of wheat is in prospect. The export situation for rice looks good but little change is expected in other grains.

Cotton exports have fallen drastically in recent months. Production of cotton in foreign countries is high. Prices of competing foreign cotton are generally lower than ours. Low inventory of United States cotton abroad and some pick up in textile activity, particularly in Europe, make it possible, and only possible, that cotton exports will be somewhat higher in 1954.

Exports of fats and oils should hold to the high level of recent years, maybe slightly higher than the past year. Cottonseed oil, especially, may become more active during the year to come.

Last year, the world came up with record or near record production of cotton, wheat, rice, corn, oats, barley, and fats and oil. Foreign countries now have less need for our food and fiber. It is true that in some cases they can buy farm products from other countries more cheaply than they can from us.

Our present production, over-expanded in terms of currently available markets, is in reality one of the aftermaths of war.

Until recently, our agriculture has had the good fortune to be spared many of the postwar adjustments that we all know, sooner or later, would have to come.

But, adjustments now confront us squarely, and we have to face up to them.

Shadden Dies In Hale Center

Funeral arrangements were being made in Plainview for Oliver Wendell Shadden, 35, of St. Louis, Mo., former Hale Center resident who died Monday in a Hale Center hospital.

Shadden was in the trucking business in St. Louis, where he had lived a year and a half. He had been hospitalized there about three months and was flown to the Hale Center hospital Saturday.

Born in Hale Center, he graduated from Cotton Center high school and served in the airforce during World War II. He was a member of the Hale Center Baptist church.

He is survived by his wife, the former Leonita Kocich of Abernathy; three children, Edward James, Oliver W. Jr., and Cindy Kay, all of the home; his parents, Mr. and Mrs. J. S. Shadden, Hale Center; two sisters and six brothers.

Plainview PCA Meets Saturday

The 20th annual stockholders' meeting of the Plainview Production Credit association will be held at the Plainview high school auditorium in Plainview at 10 a. m. Saturday.

Purpose of the meeting is the election of two directors. The terms of Thurio Branscum of Muleshoe and S. J. Payne of Tulla expire as of the date of the meeting. Following the business meeting luncheon will be served in the school cafeteria.

W. H. McCown of Littlefield is field representative here.

Good Wheat Crop, More Sorghum See

Prospects for a good wheat crop in Texas are bright. Also, indications point to a greatly expanded planting of grain sorghums because of the reduced acreage which can be planted to cotton. These two facts coupled with another, a shortage of commercial storage space, do not make the grain storage picture a bright one at this time.

Presently, according to C. H. Bates, extension farm management specialist, the Commodity Credit Corporation owns 108 million bushels of 1952 wheat which is stored in Texas, New Mexico and Oklahoma. In addition, he says, CCC expects to take over large stocks of 1953 wheat and grain sorghums unless market prices rise above the government loan rate.

If half the wheat and grain sorghums from the 1953 crops are taken over when the loans mature, nearly all grain storage in the Southwest would be full. Add to this the privately-owned stocks and the 230 million bushels of storage space is practically all accounted for.

This situation presents a tough problem for the farmer who has a wheat crop coming on or expects to plant an increased acreage of grain sorghums, says Bates, because storage must be available before price support loans can be obtained.

The specialist believes that farmers should commence now to make plans to meet the situation. On-the-farm storage becomes increasingly important and with a shortage of space in mills, elevators and terminal facilities, if grain is to be produced, the grower should be thinking about the marketing end of the deal.

Loans for constructing farm storage facilities are available through the local Agricultural Stabilization Committees and are repayable over a five-year period at 1.49 percent interest. Too, Internal Revenue Service regulations permit farmers to "write-off" in five years as depreciation the cost of such structures. Finally, Bates says county agents have plans available at no cost for building grain storage facilities.

Texas Farm Land Values Drop Slightly

Farm land values in Texas show moderate declines from postwar peaks established in 1952.

This decline coincides with a nationwide trend, says John G. McHany, assistant extension economist, and is a reflection toward slightly lower farm real estate values.

Value of farm land in the state declined four percent last year, but is still 145 percent over the 1933-39 average, says McHany.

Declines of two percent or more were recorded in all but three states, and 10 states had drops of five percent or more. Sharpest land value decreases were evident in Kentucky and Tennessee westward to Utah, an area including most of the states where drought was a major factor in reducing farm incomes.

First apparent during the spring and summer of 1953, a mild decrease in land values continued in most of the country and now effects current developments in the farm real estate market, he says.

Farm real estate dealers and economists over the nation were asked recently whether they thought prices for rural real estate would increase, remain stable, or decrease further.

Only four percent of the reporters expected an increase in price while 40 percent thought prices would continue to lower. The remaining group, more than half the total, believe prices will not change.

Most reporters expect greater price drops for poor farms than good farms.

Home between semesters at Texas University last weekend was Miss Mary Jane Coen. She is the daughter of Mrs. J. R. Coen.

AMERICAN LEGION OFFICIALS are pictured at the luncheon held Wednesday in the banquet room of Fisher's cafe. In the foreground is Fred Wright. At the table are Hilton Lambert, commander of the 19th district; Wayne Butler, local commander; L. E. Page, state commander; County Judge Robert Kirk, and Lloyd Elms. Page was speaker at the luncheon. His topic was the Fundamental Principles of the American Legion and What it Stands For. (Photo by Taylor)

Commander Speaks At American Legion Luncheon Here Wednesday

State Commander L. E. Page spoke on "The Fundamental Principles of the American Legion and What it Stands For" at a luncheon for Littlefield members of the American Legion Wednesday in the banquet room of Fisher's cafe.

Page stressed the Legion's welfare program, Americanism program, the rehabilitation of servicemen, community service, and the Legion's need for bringing its members "back to the flag."

Page said the Legion is working to bring Texas Legionnaires from 24th rating in the national organization nearer the top.

Also present at the luncheon was Hilton Lambert, commander of the 19th district. Page and Lambert are currently touring all posts in the 19th district.

Wayne Butler, local commander, said Lambert will be present at the Feb. 15 meeting of the organization. All veterans are invited to attend.

Next meeting of the group will be Monday night for a special work session. All local members of the American Legion are urged to be present.

While drilling the deepest well in the world, oil men took a routine "bottom-hole" temperature at 20,003 feet and found it to be 334 degrees F., more than hot enough to cook your Sunday dinner.

Mrs. Reinhardt Hostess To Tuesday Study Club

By MRS. RAY WOOD

The Tuesday Study Club met last week in the home of Mrs. George Reinhardt jr., for th second session of a study in copper craft.

The program topic was "Woman's Handiwork." Mrs. Odell Wilkes was program chairman. She gave the motto: "All honor to the good old craft." (John Whittier).

The group finished copper work started at the Jan. 12 meeting.

Mrs. Doyle Watkins, president, presided at the business meeting.

Members present were Mesdames Roy Baccus, Warren Driver, Dewey Hartigan, Bill Lance, Adrian Martin, Ernest Minyard, Nolan Parrish, Glen Robertson, Russell Ragan, Doyle Watkins, Odell Wilkes and Miss Dorothy Jones and the hostess.

Schoolmen Meet

Supt. C. O. Gregory, High-school Principal Odell Wilkes, Elementary Principal Bernard Wilson, and Dave Tullis, supervisor, attended the District 4 Administrators conference in Lamesa Saturday.

Gregory Speaks At Rotary Club

The Sudan Rotary club met Wednesday in the Methodist church annex.

Glenn Gatewood had charge of the program.

Guest speaker was School Supt. C. O. Gregory, who gave an outline of the educational program in the state of Texas. Thirteen out-of-town guests were present. Guests of the club were four basketball boys, Leon Hill, Bill Peacock, Charles Perry and Bill Wiseman.

Mrs. G. L. Goodwin and children spent Tuesday night with Mr. and Mrs. Bob Drake. They were on their way to Missouri to make their home. Mrs. Drake and Mrs. Goodwin are sisters.

First Christian Ladies Serve Dinner To 100

Members of the Women's Christian Fellowship of the First Christian church served about 100 persons at their ham dinner Friday from 5 until 8 p.m.

The group made \$130 which will be used for landscaping the grounds of the new First Christian church building. Pearl Hughey of Pioneer Flour Mills of San Antonio baked the 500 biscuits served at the dinner.

County Asks Bids On Equipment For New Courthouse

County Commissioners Saturday approved specifications and requirements on equipment for the new courthouse and voted to seek bids on the equipment. Bids must be in not later than 9 a.m. Feb. 26.

Commissioners also voted a new requirement for wells in the High Plains Water District. Wells must be placed 60 feet from the center of roads or from the section line.

All The Way With God!

Tommy Williams, Minister

A great general came from Damascus to Samaria with all the pomp and splendor becoming a man of his "rank and importance" to be cured of the dreadful leprosy. Instead of a sensational response to this show of magnificence, Elisha, the prophet, stayed in his own room and sent out a servant to say to Naaman, "Go and wash in Jordan seven times . . . and thou shalt be clean." Read 2 Kings 5.

The proud captain spurned the simple, unpretentious instructions and left in a rage. Fortunately, he came to his senses and obeyed the prophet. What did Naaman have to do to decide to follow Elisha's instructions? First, he had to lay down a foolish pride which called for sensational demonstrations. Then he had to learn not to

consider any command of God foolish or beneath his dignity to perform. Finally, he had to "go all the way" in response to the words of the prophet. Not even after six washings was the leprosy gone. It was still there until he came up from the seventh. Then he was clean.

These are lessons for us. God is willing to cleanse men from sin if they will lay down pride, have enough faith to submit to his will, and "go all the way" to perform his commands.

"But thanks be to God, that, whereas ye were servants of sin, ye become obedient from the heart to that form of teaching whereunto ye were delivered, and being made free from sin, ye become servants of righteousness." (Romans 6:17-18).
