with some of the mass us-  
year over that of 1955  
aid to the fact that this

area had more rain in May of 1955,  
the problem is still growing, as  
seen by table below.  
On some days, water usage in  
May of '56 has tripled that on the  
same day in 1955. Here are the

City Manager Guy Mc-  
said Wednesday referring to  
proposal to pave every  
street in Littlefield.  
y street in town can be  
if we get enough participa-  
the project," McCraw stat-  
commission's plan is to pave  
small curbs and gutters on  
street on which 75% of the  
y owners there agree to  
done.  
cost to the property owner  
between \$4.50 and \$5.00 per  
owned foot.  
figures McCraw has in mind  
40-foot streets. The cost  
include curbs, gutters and  
for each owner's side of  
street.  
the city can get agreement  
three-fourths of property-own-  
each street, the plan is to  
costs on the other 25% on  
particular street who do not  
on the project.

Leta Merle Roberts is class valedictorian and Johnita Gallini is salutatorian.  
In baccalaureate services here Sunday night, Minister Jack King of the Littlefield Church of Christ challenged the graduating class, telling them:  
"Place your confidence in God and deal with the things of men as incidentals and you will find your happiness secure always."  
He called high school graduation the "jumping off place into a chaotic and changing world, a world where it is difficult to find anything that abides and changes not."  
There is one thing however, which has not changed and will not change; it is God, and the law of God, God's law and the promises it contains is the only certainty in a changing world. Place your confidence in men and you will see change sweep away your very foundations."

SPRINGLAKE — Roy Byers Jr. has begun construction on a new grain storage warehouse which will hold approximately 250,000 bushels of grain. The building will be ready in about a month and will double storage facilities now at Springlake.

EARTH — Curb and gutters have been completed in Earth along Highway 70.

OLTON — Several more new homes are going up in the Hillcrest addition. Also several streets are being black-topped.

## Short But Sweet!

"It was short, but it got sweet returns," says James Preston, who recently placed this want ad with the News and Leader:  
"Two bedroom house, patio, dining room. 504 E. 16th. Call 539-V."  
Preston ran the ad in four issues of the two papers and wound up with 20 inquiries in eight days.  
"Of course, most of the interested persons were already too late because the house sold on about the seventh call," Preston continued.  
Preston got the price he wanted, too.  
Yes, it pays to place your ads in the News and Leader's want ad columns, whether you want to buy, sell, rent or hire.

## Memorial Day Services Slated At Local Cemetery

The Rt. Rev. W. H. Bosen of the Sacred Heart Catholic church will speak Wednesday morning when Memorial Day services are held at the Memorial cemetery.  
The services, which will begin at 10 o'clock, will be a tribute to the area's war dead.  
American flags will be placed on all veterans graves in Littlefield cemeteries.  
The Veterans of Foreign Wars will hold services at Memorial Cemetery immediately after Rt. Rev. Bosen's service.

## P. D. Jails Three, Issues 10 Tickets

Three men were detained in the city jail early Sunday morning on drunkenness charges and one of the three was on a warrant. The warrant was issued after the offender received a ticket for speeding and failed to appear in Justice Court within six days after its issuance. His fine totaled \$53.00. The others paid \$19.00 and \$39.00 in fines.  
Ten violators were issued tickets between Saturday and Wednesday. Four were cited for speeding, one for an illegal "U" turn, three for failure to stop at red light, one for driving without drivers license and one for failure to stop at a stop sign and no drivers license.  
Mrs. Marvin Drake of Bula was admitted to the Medical Arts hospital Saturday afternoon.

## Rites Held For Earth Fire Victim

EARTH (Spl) — Funeral services were held Tuesday for Henry C. Doughty who was burned to death early Monday when fire swept through two rooms of his five room house here.  
Services were held in the First Methodist church at Earth, for Doughty, 44. Rev. Eugene Matthews, pastor, officiated.  
Burial was in the Springlake cemetery, under the direction of the Lemmons Funeral Home of Plainview.  
Firemen found the body shortly after 5 a. m., Monday when the fire was reported. Doughty was alone in the house.  
Mr. and Mrs. Bernie Sarradet, who occupied the front part of the house, were away at the time of the fire. Sarradet is in Littlefield Hospital and his wife was at his bedside at the time.  
Mrs. Doughty preceded her husband in death a little over a year ago.  
Survivors include his mother, Mrs. R. L. Doughty; Martha, Okla. two daughters, Mrs. Jack Angeley and Mrs. Edwin O'Hair, both of Earth; seven sisters, Mrs. Sam Cearley and Mrs. Kenneth Cowley, both of Earth; Mrs. R. S. Brown and Mrs. Lawrence Edwards, both of Martha; Mrs. Rupert Stann, Tulsa; Mrs. Bill Graham and Mrs. Jack McNeely, both of McAllen; and four grandchildren.

"SOLDIERS WITHOUT SWORDS," a book by Harbert Wisbey describing the history of the Salvation Army in the United States, was presented to the County Library Tuesday as part of Salvation Army week. Lt. and Mrs. Rolan Chambless, left, of the local unit, present the book to Miss Lula Hubbard, librarian.

## Steps Taken To Activate New Industrial Foundation

Initial steps toward the activation of the Littlefield Industrial Foundation were taken Monday morning at a breakfast held in Fiskler's restaurant.  
Mancil Hall, local automobile dealer and veteran civic worker, was named chairman of the committee appointed to draw up a charter for the new organization. Other members of the committee are Dr. B. W. Armistead, Bob Manley and Bill Chesher.  
The appointment was made by Homer Garrison, who presided over the regular weekly breakfast meeting. The meetings are held each Monday by businessmen and farmers interested in promoting industry in this locale. About 35 attended Monday's session.  
Ivan Fowler, local farmer, reported to the group that on a trip to Colorado last week, he had contacted a major packing firm interested in building a packing shed in Littlefield.  
According to Fowler, two executives of the company will visit Littlefield in about four weeks to look over the potential of the county as a major produce center.  
Howard Horne, chairman of the finance committee, reported that \$2550 had been donated by some 25 businessmen to pay for the industrial survey now being prepared by Burt C. Blanton, industrial engineer of Dallas.  
"We expect the remaining \$450 to come in this week from various firms who are getting approval from their home offices," Horne said.  
Blanton returned to Dallas late Saturday and is due back in Littlefield today. The completed survey is expected to be delivered by September 1st.

## New Industry For Springlake Seven Men Will Receive 15,000 Turkeys Next Week

SPRINGLAKE (Spl) — A new industry for Springlake will originate the first of next week when a shipment of 15,000 turkeys is expected to arrive here.  
Seven men took the lead in the turkey growers push here after a meeting last Thursday in which interested persons saw films and heard general information about the industry.  
"It's the beginning of what can be a big industry for Springlake and this area," Bill Burrow, one of the seven men said Tuesday.  
"By next year, we may have 50,000 turkeys," he said.  
The turkeys have been ordered to be sold for eating purposes and will be ready by Thanksgiving time, Burrow said.  
Equipment and fences are ready for the birds, according to Burrow. The turkeys will be eight weeks old on arrival.  
The largest batch of the turkeys will go to a partnership of Burrow, Sanderson, and Philip Jones. They have ordered 10,000 birds to be placed on the Jones farm north of Springlake.

## June 1st Deadline Remains On Fines

City Manager Guy McCraw repeated Wednesday that the June 1 deadline set by the City Commission on outstanding parking tickets "still goes."  
Only eight more days are left for the 555 persons who have not paid past due tickets. Since the Commission crackdown, May 3, 179 of the original 734 persons have paid almost \$600 in fines. The unpaid balance on outstanding tickets is approximately \$2400.

## 20 Attend GOC Meeting Lookout Tower To Be Built By Ground Observer Corps

A lookout tower will be built in Littlefield within the next three weeks, according to "Dub" Gilchrist, post supervisor of the Littlefield Ground Observer Corps.  
Gilder announced plans to begin immediately with the project at the organizational meeting of the local GOC Tuesday night in the city hall.  
Twenty persons attended the meeting and heard Sgt. G. W. Swope explain the importance of the Ground Observer Corps.  
"Never before did this country face such a threat as it does today," Swope warned.  
"We know the Russians have the hydrogen bomb and as many long range jet bombers as we have. The only real advantage we have is our ability to organize an effective civilian defense organization which they cannot do due to language and communication difficulties," Swope continued.  
He pointed out that radar is ineffective under 5,000 feet which is the reason civilian workers are so important in the nation's defense.  
The next meeting of the Littlefield GOC will be held Thursday night, June 14, in the City Hall.  
Poultry Specialist Is Coming In July  
F. Z. Beamblossom, poultry expert from the Texas A&M extension service, will be in Lamb county two days some time in July to visit poultry and turkey men and to hold a meeting on problems in the two businesses, County Agent Bill Kimbrough said this week.

## 100,000 Hens By Jan 1 Predicted

Lamb County's newest industry may snowball to such proportions that it will be second only to cotton in income for the county.  
A staggering \$24,000 a week is expected to be paid out in Littlefield for caged eggs by the first of the year, officials of the new Plains Egg Producers, Inc., predicted this week.  
"And that is only the beginning," Jim Mangum, one of the pioneers in the project, said Thursday.  
"I believe that within five years the South Plains will be the leading egg producing area of the Southwest," Mangum continued.  
According to conservative estimates, approximately \$12,000 weekly will go to egg producers in Lamb county by the first of the year, and a like amount will be paid to out-of-county producers who are contracting to use the local marketing facilities.  
At present there are over 50,000 cage layers in the county. The figure is expected to top 100,000 by January 1st.  
The newly organized marketing corporation has been asked to buy eggs from producers in Morton, Plainview, Ralls, Floydada, Turbry, and Quitaque.  
"We have a market for all the caged eggs we can buy . . . and more," Art Chesher, president of the marketing association, said this week. "We have four large companies, any of which will take every egg this area can produce."  
New chicken houses are being built all over the South Plains. More and more are expected to be constructed in this locale this year, and in the years to come for three major reasons.  
1. CLIMATE—The South Plains climate is ideal for this specialized farm-related industry. Since the temperature almost never rises above 100 or below zero, air conditioners and heating are no problem.  
2. TRANSPORTATION — Having access to a main line of a major railroad plus both north and south highways makes the market easily accessible.  
3. FEED — All types of grain used for chicken feed are raised in Lamb county.  
The Plains Egg Producers, Inc., recently incorporated by 10 Lamb County egg producers, has leased the building formerly occupied by the Dillon Lumber Co., for a large cold storage plant and offices. According to Chesher, the storage plant will be in operation within a few days.  
Mr. and Mrs. Jed Clarida, Hal and Louis, will leave tomorrow, for Albuquerque, N. M., to visit Mr. and Mrs. J. C. Mashburn, Mrs. Mashburn is Mrs. Clarida's sister.

## Fieldton Fire Destroys Old Chapman Site

The local fire department answered a stand-by call during the mid-morning hours Sunday at Fieldton, when a home owned by B. A. Ball was completely destroyed by fire. The house was formerly the home of Mrs. Pearl Chapman.  
Local firemen were notified to stand by in case the flames spread to nearby homes. The fire, caused by a kerosene stove, was already a total loss before the Littlefield Fire Department was notified.  
This residence had for a quarter century been known as the Chapman "home-place." Mrs. Chapman said it to Ball about two months ago and moved to town.

## Pleasant Valley Bid For Progress Title Is Halted

Pleasant Valley's bid for first place in the Texas Rural Neighborhood Progress Contest was halted this week as word came that the Caldwell County community of McMahon had won the state honor.  
The Lamb county community had made it to the state finals after a year's work in the contest. After winning the district title, Pleasant Valley competed with 11 other Texas communities for the finals.  
The community was still in the top five until the announcement came. Named for second place in the contest was Black community of Parmer county. Reliance of Brazos county was third. No announcement was made concerning the finish of Pleasant Valley and Stag Creek of Comanche county, the fifth community in the running.

## Mayfield Named Director City Swimming Pool Opens Saturday Afternoon At 1:30

The city swimming pool will open Saturday at 1:30 p. m., City Manager Guy McCraw announced this week.  
Hours for the pool have been set for 1:30 p. m. to 7:30 p. m., on Monday through Saturday, and 1:30 p. m. to 6 p. m., on Sunday.  
Named as director for the pool and the city's recreation program was Gene Mayfield, high school coach.  
To assist him in the program will be Gene McCantles, junior high football coach, and three student instructors to be selected later.  
The pool is a part of the supervised recreation program, in which all types of recreation are carried on in the city park area during the summer.  
Director Mayfield said Tuesday that the recreation program itself will probably get under way Monday, June 11, after the Vacation Bible School program is completed.  
The recreation program is for children between the ages of six and 14 and is held between 8:30 and 11:45 a. m., Monday through Saturday.  
Admission prices for the pool remain the same as last year—25 cents for children and 40 cents for adults. Season tickets are five dollars for children and \$10 for adults.

the city can get agreement  
three-fourths of property-own-  
each street, the plan is to  
costs on the other 25% on  
particular street who do not  
on the project.

## Lions Club Dugout Nearing Completion; Grass Showing

Littlefield's Little Park was well on the road to being completed this week with the building of the fence Tuesday afternoon, and the laying of the concrete for the final dugout by the Lions Club Wednesday morning.

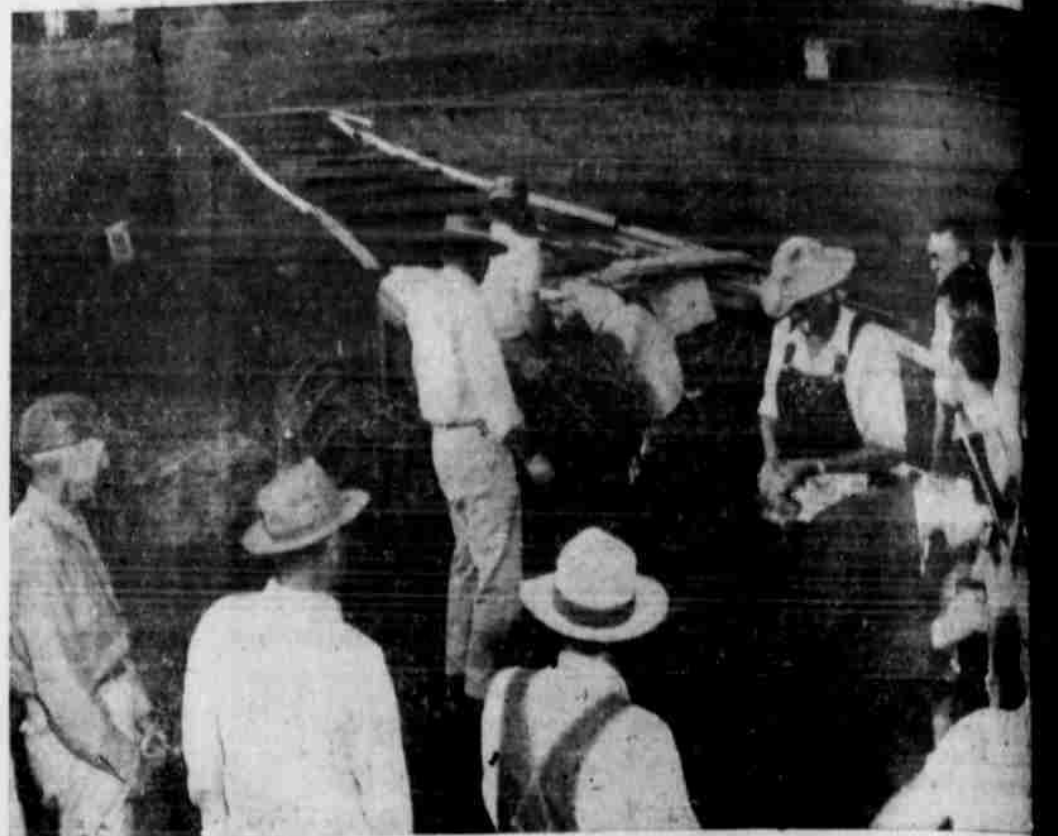

More than 30 volunteer workers showed up at the field Tuesday afternoon to erect the fence after the lumber had been laid in place by volunteer workers from the WOW lodge, headed by Merle Beard. Practically every organization in Littlefield was represented at the building of the fence and Jack Brookes, coach of the Lions team got the "honor" of driving the first nail in the fence.

A post hole digger was furnished by the Riley Implement Co. and the fence went up in record time. It was first thought that it would take at least 2 days to complete the fence but due to the fact that so many helpers showed up at 5 o'clock Tuesday the fence was completed from one side of the dugout already completed by the VFW to the hole where the Lions club will build theirs.

The volunteers consisted of farmers, business men, Little League managers and employees from different business places in Littlefield. The Pioneer Gas Co. had a total of six employees working at the field. Some dads from Whitehall who has boys playing in the league was present and willing to do their part to help complete the park. Only the finishing of one dugout and the erection of the bleachers remain to be completed and the park will be ready for play. Charles Duval of the Rotary is in charge of the building of the bleachers and if any volunteers want to help erect the bleachers, they can contact Duval immediately.

The grass, planted several weeks ago by the Jaycees is a ready coming up and it is hoped that the field will be ready by opening day, June 4.

A committee of managers and directors of the League met for nearly 3 hours Sunday afternoon at the City Hall making plans for the opening day ceremonies, which will include a parade down Phelps Ave. of all the teams in the League.

# Olton Plays Local American Legion Team Here Today

## Johnson To Start On Mound Today

Littlefield's American Legion team will play host this afternoon to the Olton nine in a practice game at the Lamb County Fairgrounds diamond. Game time is set for 3:30 and admission to the game will be fifty cents for persons over 14 years of age. All Little Leaguers and Pony Leaguers will be admitted free.

Sonny Johnson will start on the mound today for Littlefield while Rudolph Smith will be the catcher.

It is hoped that the team can get a good crowd for their first home game in order to get enough money for balls and equipment that the teams badly needs. Merchants in Littlefield have already purchased the suits for the team and the team hopes that they can be self supporting this year.

In their first game at Olton Monday night, Olton's experienced team hung a 20-9 loss to the locals but the game was better played than the score indicates.

Littlefield used five pitchers in order to see what each could do in a regular game. Lope Gonzalez, the starting hurler, proved to be the most effective against the home team and Littlefield was leading 8-3 in the bottom of the third when Gonzalez twisted his knee covering home and had to leave the game.

Gonzales was followed by Dale Gage, Stephenson, Al Ashley and Sonny Johnson. Stephenson was credited with the loss. All five pitchers looked good for their first game and with experience Littlefield should have a good staff of pitchers, with Gonzalez and Johnson being the two most likely to start. Gonzalez should be out of

**MAX MORRIS STRIKES OUT:** Pictured above is pinch-hitter Max Morris being struck out in the top of the fourth inning of the American Legion game at Olton Monday night. Goforth was the pitcher that delivered the ball and the catcher is Stone. The umpire is R. V. Alicorn. (Staff Photo)

action for about five days with his knee injury.

All eighteen players going to Olton Monday night saw action. Coach Joe Johnson was experimenting to find out some kind of a starting nine. Showing good promise was Floyce Pierce and Mutt Hodge as fielders and James Pressley, James Goldston, Stephenson and Billy Pack as infielders, with catchers, Rudolph Smith and Henry Gonzalez showed up well and Rudolph Smith and Pressley was the hitting sars for the locals. The team will have good strength on the bench with 4 players for every position. Max Morris will be doing a lot of pinch-hitting duty as will Will Williams and Askoy.

## Martha Williams Receives Crown 'I Just Couldn't Believe It Was Me!,' Exclaimed The 1956 Cotton Queen

By WILDA STONE

"I just couldn't believe it was me!" exclaimed Martha Williams when the announcement of the 1956 Lamb County Queen of Cotton was announced Saturday night.

"I was just sitting there waiting to hear the judges say 'Karlyn Hulse,' but instead it was me," sighed Martha. The 1956 Queen, who was sponsored by Southwestern Public Service Company, was also a contestant in the 1955 Cotton Queen contest.

Born March 25th in Stanford, Texas, the 17-year-old beauty has lived in Lubbock, Los Angeles, Calif., and the past ten years in Littlefield.

She is a sophomore at Littlefield High school. English and history are her favorite subjects. Martha named Miss Lucy Whitehead as her favorite teacher.

Although the "Cotton Queen" sang her way to the title with "Cry Me a River," she also plays the piano. She has sung in various talent shows, school assemblies and radio programs. She studied voice the past two years with Miss Norma McCarty. Previous to that she was a pupil of Mrs. Albert Miller for three years. Her favorite type of music is popular and semi-classical, and her current favorite is "Cara Mia."

Martha can be found most any time with Karlyn Hulse and Phyllis Faust. She also devotes a great deal of her time to her pet Pomeranian, "Amber"; playing tennis, skating, swimming and horseback riding.

Of course, Martha enjoys dating

## Tailoring Class To Be Offered To Adults

The homemaking department of Littlefield High School will offer two sessions of classwork for adults this summer. Selection of work to be taught will be based on preferences of the women who will attend the classes. The first series of classes will satisfy the requests of many women who have asked that more work be done on the subject of tailoring by home methods for professional results.

Beginning on June 1 there will be a series of five demonstrations in which a man's sport coat will be tailored to the last stitch. Meetings will be held in the high school lab from 2:00 to 4:00 on June 1, 4, 6, 8, and 11th. The room will be air conditioned. Class members are urged to get some material and a pattern and join with others who will use the lab facilities and complete a coat for a husband or son.

It is hoped that there will be several garments ready for display by the time the classes end. The second series of classes will begin on July 17th and at this time it has not been determined what type of work will be taught. Mrs. T. J. Jones will be in charge of the classes.

There is no charge and the public is invited to attend.

## Scenes From The 1956 Cotton Festival

KEELING, right, presents gift certificates to Runners-Up Patricia Smith and Joni Lou Windwehen and Queen Martha to bring to a close a celebration which attracted more than 2,000 people from over the county.

BURSTING WITH JOY, Queen of Cotton Martha Williams is crowned by the 1955 Queen, Beva Jean Ray, in the celebration's climax.

QUEEN RUNNER-UPS Patricia Smith, left, and Joni Lou Windwehen are shown being helped from the stage after their performances Saturday night. Jess Everett, manager of the local chamber of commerce, is doing the honors.

SOVELLY as it is practical well describes the cotton lace dress modeled by Mrs. Pat Boone Sr. This white cotton dress was included in the trousseau of Mrs. G. W. Shaw in 1912 when she first came here as a bride. Betty and Pat Boone IV are also modeling their grandmother's.

MISS TWANA POPE of Sudan models a halter back dress equally appropriate for date time or sportswear. The full gathered skirt of white is designed with a floral print of orchid in both the skirt and top, and completed with short white gloves.

MRS. PAUL JENSEN is wrapped almost cocoon-like in turquoise cotton material. Underneath is a stunning sheath dress of the same material. Mrs. Alvis Jones is shown on the right in a metallic print cotton with three quarter push up sleeves.

SAM FAIN, the Cotton Festival's Tom Thumb King, recites the 23rd Psalm as Jimmy Hine, emcee, holds the microphone for him.

TONYA BINGHAM, Tom Thumb Queen, goes through her rock and roll routine.

"HANDS" clear the stage of old ornamentation as Cotton Festival week got underway. Although two of the men are unidentified, the man at top left is Howard Horne, general manager of the Festival.

JUST THE THING for sunnin' or swimmin' is the navy and white De Weese creation worn by Miss Nancy Burks. The shirred suit is topped with a scalloped petal effect and can be worn with or without the straps.

TOM THUMB KING AND QUEEN Sam Fain and Tonya Bingham sit triumphantly on their throne after being selected Saturday afternoon. They won over 17 other contestants and were awarded \$50 gift certificates each.

WINDOW DISPLAYS during Cotton Week were numerous. Among them was this one by the Littlefield FFA and the Lubbock Classing Office in the window at Pioneer Natural Gas. It depicted all types of cotton.

ANOTHER DISPLAY during Cotton Week was this one with a bale of cotton and cotton clothing worn by manikins. It appeared in the Hall Motor Co. window.

# 17 Candidates From Area To Receive Degrees At Texas Tech

## Exercises Set For Monday

Final plans for conferring degrees on 597 Texas Tech students are locked in place as the wheels of time and final examinations grind toward the 30th annual commencement scheduled at 8 p. m. Monday, May 28, in Jones Stadium.

The 24 candidates for master's degrees and the 573 students to receive bachelor's degrees will hear Dr. William H. Cowley of Stanford University discuss American higher education during the commencement address.

## Enjoy Cool Summer Driving With The BEST in Automotive Air Conditioning

**A. R. A.**

with the famous **CLUTCH-O-MATIC** Temperature Control

You probably promised yourself, after last year's torrid summer, that next year you were going to air condition that car of yours. Well, next year is here — and another scorching summer is in store.

With A. R. A. you can be sure you've got the best. Because A. R. A. is the oldest independent manufacturer of automotive air conditioning — the acknowledged leader in the field. A. R. A. was designed, built and perfected in Texas, where the cooling season is long, where temperatures soar, where automotive air conditioners are given the acid test. A. R. A. has proved its dependability and efficiency under these extreme heat conditions.

**NOTICE OF ELECTION STATE OF TEXAS COUNTY OF LAMB**

THE RESIDENT, QUALIFIED ELECTORS OF THE COUNTY OF LAMB, TEXAS, WHO OWN REAL PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

BE NOTICE that an election will be held in Lamb County, Texas, on the 23rd day of June, 1956, at 10 o'clock a.m., for the proposition and at the same time to set forth the election order passed by the Commissioners' Court on the 18th day of May, 1956, which is as follows:

"AN ORDER CALLING AN ELECTION FOR THE PROPOSITION OF THE ISSUANCE OF \$800,000.00 ROAD BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF.

WHEREAS, there has been presented for the consideration of the Commissioners' Court a Petition signed by the requisite number of persons praying for an election to be held in Lamb County, Texas, on the proposition of the issuance of Road Bonds of the County in the amount of \$800,000.00, and the levy of a tax in payment thereof; and

WHEREAS, the Court has found said Petition to be signed by more than fifty (50) of the qualified property taxpayers of Lamb County owning real property in said County who have duly rendered the same for taxation; and

WHEREAS, the amount of bonds to be issued will not exceed one-half of the assessed valuation of real property of said Lamb County;

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF LAMB COUNTY, TEXAS: That an election be held in Lamb County on the 23rd day of June, 1956, which is not less than 30 days from the date of this order, to determine whether or not the bonds

of said Lamb County shall be issued in the amount of \$800,000.00, bearing interest at a rate not to exceed 3% per annum, and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise, in not to exceed thirty (30) years from the date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or in aid thereof, by the purchase of right-of-way within Lamb County for U. S. Highways No. 70 and 84; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity.

2. That said election shall be held under the provisions of Chapter 3, Title 22, Revised Statutes of 1925, as amended by Chapter 16, Acts of the First Called Session of the 39th Legislature.

3. All persons who are legally qualified electors of this State and of this County, and who are resident, qualified property taxpayers of this County, owning taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election, and all electors shall vote in the election precinct of their residence.

4. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF"

Each voter shall draw a line through one of the above expressions thus leaving the other as indicating his vote.

5. The said election shall be held at the several polling places in Lamb County, Texas, and the following named persons are hereby

appointed as officers of said election at the several voting precincts as follows:

In Precinct No. 1 at The City Hall, Olton, Texas, with G. T. Sides as Presiding Judge.

In Precinct No. 2 at The Community Building, Earth, Texas, with O. B. Whitford as Presiding Judge.

In Precinct No. 3 at Spade School House, Spade, Texas, with Albert Lockwood as Presiding Judge.

In Precinct No. 4 at Lumsden-Perkins Gin, West Littlefield, Texas, with W. O. Hampton as Presiding Judge.

In Precinct No. 5 at The Community Building, Sudan, Texas, with Joe West as Presiding Judge.

In Precinct No. 6 at The Community Building, Pleasant Valley, Texas, with Fred Determan as Presiding Judge.

In Precinct No. 7 at F. O. Masten Farm, 2 1/2 miles N. E. Sudan, North Sudan, Texas, with Arthur Frazier as Presiding Judge.

In Precinct No. 8 at American Legion Hall, Amherst, Texas, with Vic Oxford as Presiding Judge.

In Precinct No. 9 at Fieldton School House, Fieldton, Texas, with Sherman Rushing as Presiding Judge.

In Precinct No. 16 at The High School, North Littlefield, Texas, with Bruce Porether as Presiding Judge.

The Presiding Judges hereinabove named shall be assisted by the Judges and Clerk heretofore named by the Commissioners' Court as officers in each of said Precincts, and said Presiding Judges are authorized to name such additional assistants as may be required to hold said election.

6. The following are hereby appointed Special Canvassing Board to canvass the Absentee votes to be cast at said election:

Jim Mangum, Presiding Judge  
Howard Hall  
Robert Masten

7. The manner of holding said election shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the Statutes hereinabove cited.

8. Notice of said election shall be given by publication of a copy of this order in a newspaper published in said County, for three (3) successive weeks before the date fixed for holding said election. In addition thereto, there shall be posted other copies of this order at four public places in the County, one of which shall be at the Courthouse door for three (3) weeks prior to said election.

9. The County Clerk is hereby directed to have published and to post the same as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

PASSED AND APPROVED this 18th day of May, 1956.

DEFENDS U. S. SUPREME COURT The U. S. Supreme Court, a frequent target of criticism, has a defender in Austin Atty. Everett Looney, immediate past president of the State Bar of Texas.

Looney declared, in a speech before the Dallas Criminal Bar Association, that such attacks by politicians are "heresy without equal in our history." He said "the number one scapegoat of American politics, the one safe target of the vilifiers, the rabble-rousers, the washed and the unwashed mongers of hate, is the federal judiciary."

Looney accused critics of the court of creating a "climate of frenzy" and "hysteria" which threatens to destroy the American system of justice. He charged that political agitators who preach disobedience will reign supreme if the court is dislodged from its supremacy as the arbiter of law and order.

LAND BOARD GETS REFUND A refund of \$3,060 has been made by Robert Lee Ritchey of Harrisburg, Pa., to the Veterans Land Board. He also promised an additional \$10,000. The two sums represent commissions made by him for selling Zavala Co., land under Texas' GI program. His father, H. Lee Ritchey, made the appraisals on the land.

In forwarding the money, Ritchey wrote that "A serious question has arisen as to the propriety of my commission on these sales to the land board," hence the refund.

Atty. Gen. John Ben Shepperd said, as to the commissions, "There is no allegation of fraud involved."

ANTI-TB WAR LAUNCHED A 10-year "total war" against tuberculosis is under way in Texas. There are 20,000 active cases in the state, not including an estimated three per cent of the wet-backs who enter the state illegally.

Strategy was mapped in Austin by some 300 health experts and laymen. They met under auspices of the Texas Tuberculosis Association.

Out of discussions came 20 recommendations for "killing the killer." Included were (1) intensified efforts to find and treat tu-

barcular, (2) increased aid to dependents of TB victims and (3) more incentive to medical personnel to work in TB hospitals.

MORE VACCINATIONS URGED Widespread inoculation to prevent a major polio epidemic is being urged by the State Department of Health. Polio cases for 1956 already total 257. This is an increase of 62 over this time last year. Peak outbreak usually hits Texas in July and August. Only one-third of those eligible for Salk shots have received them.

SHORT SNORTS Charles K. Devall, publisher of the Kilgore News-Herald, was elected president of the Texas Good Roads Association at its annual meeting in Austin. He succeeds Fred A. Wemple of Midland. . . . A survey of highway needs and problems is underway by the Texas Research League. One phase of the study is the future role of counties and cities in providing adequate highway facilities. . . . Herbert O. Paul of the Brotherhood of Locomotive Engineers is the new chairman of the Texas Joint Railway Labor Legislative Board. He succeeds veteran Joe T. Steadham, Brotherhood of Railway Trainmen. . . . Young Democrats of Texas have elected Rep. Edgar Berlin of Port Neches as their state president. Roger Daily of Austin was named national committeeman; and Mrs. Sarah Hodgson of Fort Worth, national committee woman. . . . Allowable

oil production in Texas for the month of June has been cut by the Railroad Commission to 2,261,799 barrels a day. This is a reduction of 74,456 barrels under may allowances. It is the fourth straight month that reductions have been authorized. . . . Pleas for a water conservation program that would give farmers and ranchers first call on impounding the rain which falls on Texas were made before the Water Resources Committee.

Sandhills Philosopher . . . (EDITOR'S NOTE: The Sand Hills Philosopher on his Johnson Grass farm is worried about the amount of worry being done about him, if we understand his letter correctly this week.) Dear editor: I was talking with a bunch of my neighbors yesterday afternoon and we have decided the time has come for the politicians to find somebody else to worry about besides us farmers. It's not that we mind all the concern the politicians are expressing about us, I guess it's better to be worried over just ahead of an election once every four years rather than to be ignored altogether, but being the only fly in the whole national appointment is beginning to get

## "BETTER"

The word, "better," is the key word of the book of Hebrews. The book is designed to show the superiority of Christ and the Christian system. In previous articles, the superiority of Christ over angels and over Moses has been pointed out as shown in Hebrews. This book compares the Christian system in many ways with the law of Moses in particular, and on every count, the Christian way is proved to be better.

A Better Covenant; Better Promises Hebrews 8:6: "But now hath he obtained a more excellent ministry, by how much also He is the mediator of a better covenant, which was established upon better promises."

Better Sacrifices Hebrews 9:23: "It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these." Chapter ten shows where in the sacrifices of Christ is greater than those of the law of Moses.

A Better Hope Hebrews 7:19: "For the law made nothing perfect, but the bringing in of a better hope did; by the which we draw nigh unto God."

In the life of any individual, the Christian way will prove itself superior to any other course that it is possible for one to take.

## Letters To The Editor

Dear Editor: I read the letter to you from Sudan on the city collecting their overdue parking tickets and I wonder if the Littlefield merchants realize how close this letter came to expressing the feeling of so many people who trade and who would trade with them?

There are rumors that Littlefield merchants do not want the good hi-way to Lubbock lest lots of their trade will go there and why shouldn't it, they give a larger selection, some cheaper, and FREE parking. When a person goes to shop—say to make a dress—thread, material and pattern, these aren't usually bought at the same place for various reasons, so here goes 8c for a spool of thread, 35c for a pattern and 5c to park, next store is \$2.00 for materials and 5c to park and you are ready to go home and sew but 'oops you forgot the 10c bias tape so you park and as it will only take a second, you feed the "slot machine" 1c but Lo! and Behold! the clerk was busy and you get a 25c parking ticket. So you give 36c to spend \$2.53 and are supposed to go home happy. Personally I'd rather walk two blocks to spend 10c than give a penny to spend \$5.00.

Then here is another thing—did you ever put money in the "thing" and it didn't work? I

have and got a ticket because I didn't stand there and wait on a cop or move on.

Then this happened to me too. I was going in a place of business but had to park across the street. I found I didn't have parking money so went in the nearest store for change and as I was coming back to feed the "thing," the cop began to write me a ticket. I tried to explain but he continued to write and I got the ticket so I just fed the "thing" and went over to the place of business I had started to and sure enough the same cop came to the door and hollered in to a friend (I suppose) and told him he had better come pay to park or he would be forced to give him a ticket. I asked the cop why he didn't give me half that chance and he replied that he couldn't look for everyone whose meter had expired. I've not been back to that place of business since tho he writes for our business and I wonder if he knows why? I called the mayor and told him of this but it still cost me 30c to spend \$1.25c fine and 5c to park. What would that same merchant think if he came to our farm to buy eggs and we charged him 5c to park to show our appreciation? I doubt if he would come back don't you?

The Littlefield merchant would do good to think this all over—its only 40 miles to Lubbock, few miles to Amherst, few miles to Sudan and then there is Clovis yet. There are lots of places to buy bsides in Littlefield and for

FREE too. (Name withheld by request) P. S. Somewhere I either read or heard that when Mr. Littlefield gave the ground for the city that he said free parking. Is that true?

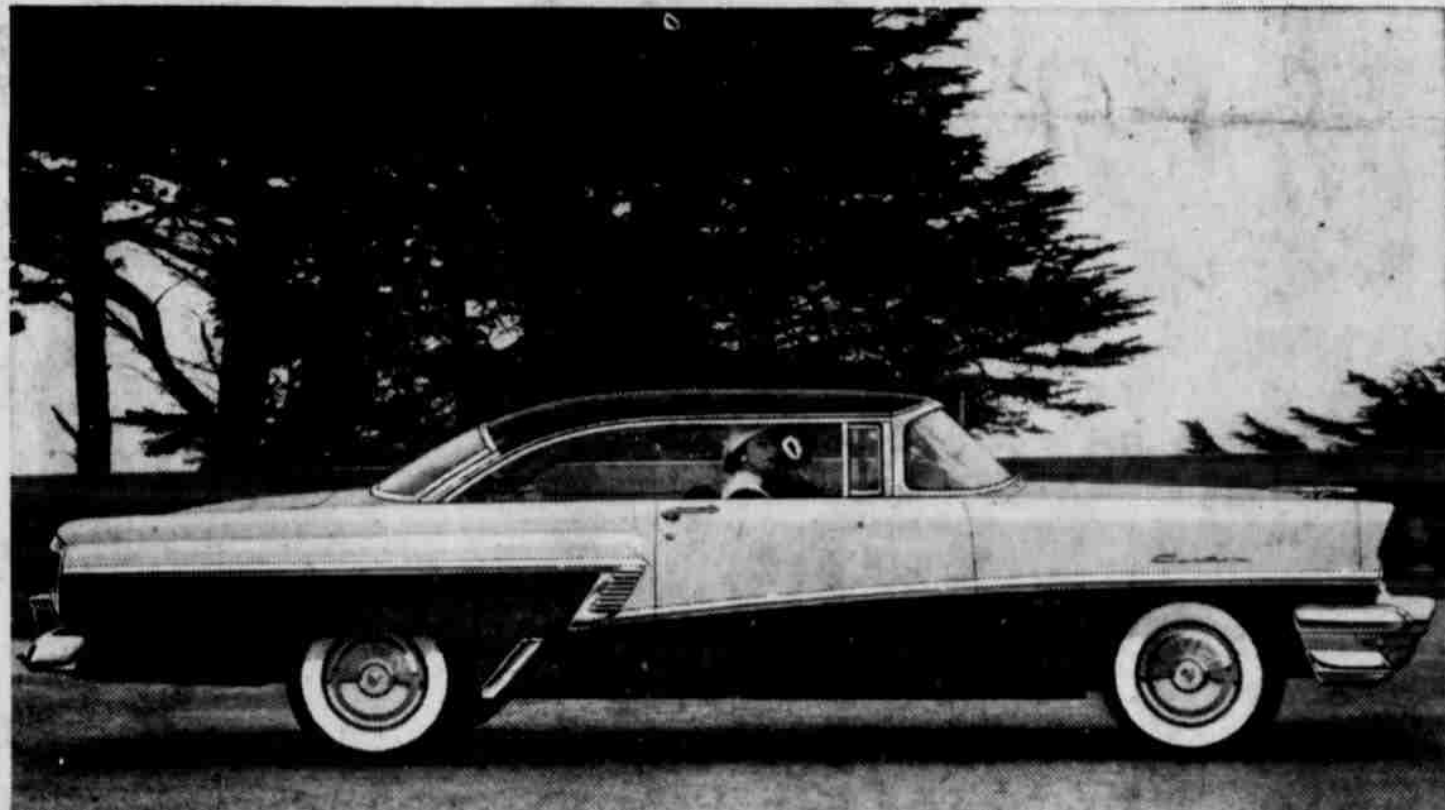

## Letter To The Editor . . .

Many greetings from Santa Barbara, California, the prettiest city I have ever seen, but Littlefield is the friendliest. We had a hard time to leave Texas. I enjoyed so much working in the fine institution, the Medical Arts Clinic and Hospital, where I stayed five years and made many dear friends. Tell all my friends Hello, and tell them how much I miss them.

Sincerely yours,

### Seniors, Eighth Graders Receive Diplomas At Bula

BULA (Sp) — Thursday, May 17, in High school auditorium 14 members of the eighth grade received their diplomas, graduating them from grade school into high school.

The program: Processional by Mrs. John Gunter.

Invocation by Rev. A. D. Moore Salutory by Carol Cooke, History by Opal Bogard, Class Will by Linda Holt, Valedictory by Dean Harris, Song by the class, Benediction by M. J. McDaniels.

Diplomas were presented to Carol Cooke, Dean Harris, Opal Bogard, Mike Suarez, James Cleveger, Doris McBoe, Norvell Roberts, Minnie Mansell, Stanley Snitker, Joy McCord, Phyllis Fred, Nancy Aaron, Sandra Seagler, and Linda Holt.

At the close of the graduation exercises, different awards were made for outstanding students and for students that were neither absent or tardy during the year. Those of grade school that were presented awards for neither absent or tardy were, Linda Phillips,

Mike Risinger, Bruce Angel, Sandra Seagler, Jackie Risinger, Phyllis Fred, James Cleveger, and Minnie Mansell.

High school students receiving awards were Joy Dane, Sammy Reynolds, Lanell Clauch, Beth Swinney, Joy Dane and Marie Swinney.

The Charles Palmer Davis bronze medal was presented to Mike Suarez.

Mike, an all around student, was selected on the following criteria: scholastic grades, his average grade for the year 95.8, tied that of Carol Cooke, who was named salutatorian. Mike a transfer from Ft. Worth was not considered eligible for the honor title. Mike graded the highest score on the reading diagnostic test provided by "Read" current events maga-

zine.

The Charles Palmer Davis medal is given in honor of the founder of Current Events as a citizenship award.

The high school commencement was held Friday night. No outside speaker was chosen and all the program was given by the class. Mrs. Garner was at the piano and Carl Hallford gave the invocation, followed by the class song "Till We Meet Again."

Miss Barbara Bogard gave the salutatory, followed by the Class History by Gerald Neel.

Miss Zelma Harris gave the Class Will followed by Class Prophecy by Richard Blanton, and the valedictory by Miss Ramona Motes.

John Hubbard, president of the school board, presented the diplomas.

The benediction was given by Curtis Green.

Superintendent Reynolds presented several awards for outstanding high school students. Citizenship award was given Arvin Stroud, Draughton's Business College scholarship was given to Zelma Harris and Ramona Motes.

Muleshoe State Bank gave a \$100.00 award to the most outstanding boy student and girl student of the class. This selection was made by the High school teachers casting a secret ballot. The winners of these awards were Barbara Bogard and Carl Hallford.

Those receiving their high school diplomas were Ramona Motes, Carolyn Young, Joy Dane, Zelma Harris, Barbara Bogard, Don Blanton, Gerald Neel, Curtis Green, Carl Hallford, Beth Swinney, Juanita Pearson, Robert George, and Gracie Altman.

The seniors accompanied by Mr. and Mrs. Morrison left about midnight for their first stop at New Orleans on their senior trip.

Few fiscal experts are worried about the small income that many American farmers receive.

It takes only a small idea to occupy some minds to the exclusion of everything else.

The meaningful emblem of Body by Fisher

When you see "sterling" on silver you know what it means—solid silver, all the way through.

And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the visible, gleaming surface.

The significance of this emblem cannot be tested on the showroom floor. Its meaning was not built up in a day but only after

long years in which owners learned that "Body by Fisher" was a veritable symbol of solid, enduring satisfaction.

Only one who has owned a Chevrolet for several years can fully know the deep sense of satisfaction this emblem pledges. It is the warranty of an inner soundness that your eye or your touch cannot test. And only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

**Anton Man Will Coach At Wayland**  
Edward S. Billings, Anton, returns to Wayland College as instructor of physical education from Cisco Junior College, where he has been teaching and coaching basketball since receiving the M. S. degree in physical education from Baylor University, according to President A. Hope Owen.

Billings, the first basketball star for the Pioneers after Wayland became a senior college, continued that record while serving as a sergeant in the Army Anti-Aircraft. He was given a teaching fellowship to Baylor University on the strength of his outstanding record that brought him the title of "most valuable player" in his senior year and netted him the co-captain of the Pioneers in his junior and senior years.

At Cisco Junior College, Billings has been head basketball coach and assistant football and track coach. While in Baylor University, he was also recreation di-

rector for the Methodist Home. Harley J. Redlin director of athletics, says. "With the coming of Billings, we expect to expand our physical education and intramurals program. His training and experience make this possible."

Billings replaces Smith Markham, who had taught physical education and coached the Hutcherson Flying Queens to their third National AAU title. Markham regrettably refused a contract as he expects to go into public school coaching but has not announced definite plans.

Mrs. Billings, the former Lavaye of Borger, was a 1952 beauty runner-up at Wayland. The Billings have a son, 2, and a daughter, 2 months old.
