## JUNIOR COLLEGE HERE TO BE NAMED "LITTLEFIELD COLLEGE," SAYS THE BUSINESS MANAGER IN CONFERENCE

### BIG POWER BROADCASTING STATION MAY BE LOCATED ON COLLEGE THIS FALL

This week the finance committee of the Littlefield Junior College, in behalf of locating the college in Littlefield, Texas, held a conference in the last stage of its campaign.

Afternoon E. S. Rowe, T. Wade Potter, Wm. Otto Jones and Jess Mitchell, members of the steering committee, Mr. R. O. Conner and Prof. Freeman, business manager, respectively, of the college, met at Sweetwater, Texas, to discuss the arrangements made for the \$22,000 first loan on the land that had to be cleared for building construction can be accepted time donations of one, two or three years time. The time allowed the citizens of Littlefield for securing the required land expired last week, but through the courteous action of the college representatives an extension was granted, although it is urged by them that the amount be raised as quickly as possible, since the college can not be operated until the land has been cleared and turned over to be put up to the loan commission to finance some of their expenses.

Mr. Conner stated that after the conference it was decided the college should be called "Littlefield College." It will start off as a junior institution, but within a very few years, he stated it was his hope to have it raised to the level of a college, that is, the Church of Christ, extension of the United States.

Mr. Conner also broke to the news that in all probability a high power radio station, similar to WFAA, will carry inspiration to the four quarters of the world.

Mr. Conner urged the committee to secure the land as soon as possible, since they begin construction work as soon as they have building plans advanced in order to open September 15.

## LFD. WINS WELL IN COUNTY MEET HELD HERE 2 DAYS

The Interscholastic League meeting held in Littlefield last Friday and Saturday was largely attended by visitors from Amherst, Sudan, Olton, Springlake and other surrounding towns.

Following is an account of the meet with the names and places of Littlefield contestants:

Declamations, Senior boys, 1st, O. A. Woody. Senior girls, 2nd, Josephine Glenn.

Extemporaneous speaking, Norma Lee Gattis, 3rd place.

Senior Spelling, Erie Dell Adams, and Rose Scheuer, 1st.

Junior Spelling, Dorothy Harrison and Blanche Brannen, 1st.

Essay, 1st Lorena Joseph.

Tennis Doubles, Boys, 1st, Harry White and Emil Timian.

Tennis Doubles, girls, 2nd, Winifred Willis and Mary Lee Carpenter.

Tennis singles, 1st, Dorothy Harrison.

440 yard dash, 2nd, Harmon Denton.

Pole vault, 1st, Curtis Heard.

Pole vault, 4th, David Mitchell.

Broad Jump, 1st, Lawrence Thornton.

Broad jump, 4th, Donald Love.

Discus, 1st, Al Smith.

Shot put, 4th, Donald Love.

Javelin throw, 3rd, Donald Love.

Javelin throw, 4th, Emil Timian.

High Jump, 1st, Curtis Heard.

High jump, 4th, Emil Timian.

Winners in grammar school, Sub Junior spelling, 100 per cent, Naomi Terry and Fay Foust.

Junior Spelling, 2nd, Inez Wallace and Leola Little.

Junior Declamation, Boys, 1st place C. L. Harless.

Girls, 1st place, Sue Brannen.

Field Events

Boys Play ground ball team, 1st team, Clark Carter, Hubert Fowler, J. W. Bell, Paul McCormick, Coyt Smith, Rayburn Carpenter, Otis Connell, Ernie Mitchell, Dean Thornton, C. L. Harless and Bill Street.

Junior Track Events

50 yard dash, 1st, Earnest Goertz.

100 yard dash, 1st, Ernest Goertz.

100 yard dash, 3rd, Eugene Yeager.

High jump, 1st, Ernest Goertz.

Broad jump, 1st, Ernest Goertz.

Broad jump, 4th, Ernie Mitchell.

440 yard relay, 1st, Ernest Goertz.

Eugene Yeager, Rayburn Carpenter, and Ernie Mitchell.

Chinning bar, 2nd, Norman Emfinger.

Chinning bar, 3rd, Dean Thornton.

## WHAT IS DOING IN WEST TEXAS

Fort Worth.—West Texas and the West Texas Chamber of Commerce, through work of Exhibit Manager B. M. Whitaker and cooperation of the entire section, won both first and second places on agricultural exhibits at the Fort Worth Fat Stock Show and Southwestern Exposition.

Perryton.—Contract has been let for erection of a \$100,000 courthouse here.

Stinnett.—Work is progressing rapidly on Hutchinson county's new court house.

Mineral Wells.—The Mineral Wells Clinic, to be operated in connection with the New Clinic Sanitarium, will open April 15.

Tatum, N. M.—A Home and Civic Improvement Club has been organized in Tatum.

Ropesville.—A banquet was held here recently to raise funds for beautification of the Ropesville school grounds.

Rochester.—The Rochester section reports that prospects are good for this season's crop.

Bartow.—Increased telephone facilities are to be enjoyed by Bartow through installation of new equipment now underway.

Big Spring.—A \$150,000 addition to the local ice plant is nearing completion.

## BIG POWER PLANT TO BE ERECTED BY TEXAS UTILITIES

The Texas Utilities company is planning the erection of a giant super-power plant to be operated in connection with its present generation stations located in West Texas, according to information given out this week by I. R. Kelso, president of the company.

This company now has generating plants operating at Plainview, Lubbock, Clovis and Canyon, together with six smaller stand-by plants at other points for emergency needs. Forty-two towns are now receiving service from the company, over an aggregate of nearly 1,000 miles of high tension lines.

The new power plant, is to be of the steam type, operated by turbines and will be centrally located as regards the load center of the system.

Just where its location will be has not yet been given out by the company officials, nor when construction will be started.

## NEWS FROM OTHER TOWNS NEAR HERE

North Panhandle wheat sections are rejoicing over the recent heavy snows which bring about fine prospects for a bumper wheat crop.

Levelland is making preparations for the erection of nine new brick buildings in its business district.

O. M. Devitt, of the Mallet ranch, located near Levelland, has purchased 3,500 head of fine Hereford cattle from the Double Circle Co., of Clifton, Ariz., at a cost around \$225,000 for stocking the Mallet ranch.

Farmers of Ellen school district, located southeast of Plainview, last week conducted a rabbit drive killing more than 1,500 rabbits.

The Odd Fellows of Plainview, are to erect a two story brick building for their order.

The Olton Chamber of Commerce will have its annual meeting Thursday April 5.

The Consumers Gas Co., is now laying mains for service in Snyder.

Tahoka has let franchise for sewer system, work to start soon.

The Exploration Oil Company's No. 1 Matador oil test well, located 16 miles northeast of Floydada is 2,500 feet down and drilling in a lime and amydrite formation. The drilling is now being closely and expectantly observed by oil experts.

Right grain elevators are now in process of construction in Floyd county.

## CARNIVAL OF HIGH SCHOOL FRIDAY NIGHT A SUCCESS

The carnival put on by the Junior Class in the old theatre building last Friday night was a big success and a large crowd attended.

The carnival was given to raise funds for the Junior-Senior banquet, and nearly \$100 was cleared. The most popular girl was elected from each class of the high school to act as queen and she was accompanied by her attendants.

The most exciting feat of the evening was the voting contest that was held in electing the most popular Queen, who was to be "Queen of the Carnival." The Senior queen, Miss Edna Davis, won by a majority of votes. Her attendants were Misses Maxine Courtney and Lydia Crockett.

The other queens were: Junior queen, Velma Hudgins, attendants, Josephine Glenn and little Velma Lee Lowe; Sophomore queen, Pauline Bruce, attendants, Bobbie Faye Davis and Sidney Yantis; Freshman queen, Ernestine Davenport, attended by Ellen Crockett.

Miss Davis, senior candidate and Queen of the carnival, was beautiful in her charming gown of white georgette set with rhinestones; dainty white satin pumps adorned her feet, and she carried an arm bouquet of crimson roses.

## FIRE IN FORD GARAGE

Again the cigarette is to blame! Wednesday morning while workmen were cleaning up a quantity of oil and gasoline spilled from a farm tractor on which they had been working, some one standing by lighted a cigarette and carelessly flipped the match on the floor. Instantly the flames shot ceilingward. Quick action of the fire extinguishers saved a general conflagration.

Electric light wires were burned, several tools and the work bench was damaged, and there was damage from smoke in the sales room, in all said to amount to about \$400.00.

## ON LIQUOR CHARGE

Sheriff Len Irvin and Deputy Walraven report the arrest of Ray Franklin, five miles northeast of Amherst on a charge of selling intoxicating liquor.

Irvin alleges he has the signed affidavits of three men who claim to have purchased liquor from Franklin.

Franklin was released under a \$500 bond for appearances before the grand jury.

## LOCAL ACCOUNTANT FIGURES POSSIBILITIES OF EGGS MARKETED LITTLEFIELD ONE DAY

By E. C. CUNDIFF

(Two weeks ago a news story carried in this paper stated there were sold in Littlefield, the Saturday before 4,080 dozen or 48,960 eggs. Now comes E. C. Cundiff, well known local forensic accountant and galleonacious specialist, who sets forth figures telling the possibly financial income of these 48,960 eggs to their owners in three years time had they not been sold. Cundiff declares figures won't lie, and in this instance they are rather astounding in the truth they convey.—Editor.)

If the 48,960 eggs sold on this certain Saturday had all been set and hatched, figuring a 50 per cent hatch, there would have been 24,480 little chicks. Say on-half this number dies before reaching maturity, there would be left 12,240. Then say half this number are roosters, there would be 6,140 hens left for reproduction purposes.

The average number of eggs per hen per year produced in the United States is 150 per annum. Hence, these 6,140 hens would produce 921,000 eggs per year. Say one-half of these eggs were laid during the hatching season, there would be 460,500 eggs. Let this number of eggs be set and hatched, and allowing another 50 per cent hatch, there would be produced 230,250 chickens. If half this number were hens there would be 115,125 hens from the hatch. This number laying an average of 150 eggs per year would produce during the 12

## WM. WISCHKE LEADS IN BOXING EVENT HELD SATURDAY AFTERNOON THAT WINS GOOD SUM OF MONEY FOR THE COLLEGE

### THE UTILITIES CO. ELECTRIFY PLANT FOR ICE MAKING

That the Texas Utilities Co., has purchased the Coca Cola, Ice and Bottling plant, is the statement of R. E. McCaskill, local company manager.

Mr. McCaskill states that his company is now disconnecting the steam propelling machinery and installing a complete electrical equipment at an initial cost of around \$6,000, with more to come later.

The plant when rehabilitated will have an output capacity of 10 tons daily, supplying not only Littlefield, but Sudan, Amherst and Anton with ice.

It is expected the plant will be in operation within the next three weeks.

Mr. McCaskill states there will be no change in price from that charged last year, while the service will be much better.

### SIMMS TAKES ELWOOD WELL; FREEL NO. 1 TO BE DRILLED

Announcement has been made that Jas. Simms has taken over the Freel No. 1 Ellwood, located about 20 miles northeast of Littlefield, and will drill it to a depth of 4,500 feet.

This well was spudded in by Freel and his associates late in December. There is now an 84 foot standard derrick on the lease, and the drilling is said to be started at once.

## THE PLAINS DAIRY SHOW PLAINVIEW COMES OFF APR. 3-6

Plainview, Mar. 25.—Everything is in good shape for the show which will be held at Plainview April 3, 4, 5, and 6 and interest indicates that the first show will go over in much bigger proportions than was ever hoped when it was first proposed to stage the dairy exposition.

Entries are coming in nicely and all those who have not yet sent in their entries have been asked to send them to Maury Hopkins, Plainview, assistant manager of the show.

Details for the sale in connection with the show have been worked out and buyers are expected to attend from all over the Southwest.

Over \$4,000 in premiums in the pure breed classes, grade cattle classes and milk production contest are offered.

Fifty-four counties in the Panhandle Plains and sub-Plains section are included in the area that will draw entries to the show.

A call to every one interested in helping build up the section to attend the show next week is being made by officials of the Association.

Officials of the show association point to the value of the dairy industry to this section and are trying to develop it to the highest possible point with this annual dairy show. Cooperation of all communities will produce the best results.

## TWENTY-ONE HOUSES IN SEAGRAVES BURNED

Fire breaking out in the Home Tailoring plant at Seagraves Tuesday, about four o'clock in the afternoon destroyed 21 business houses at an estimated loss of \$250,000. At the time of the fire a heavy wind was blowing sweeping the flames across to both sides of the street, licking up everything in their pathway. More than 700 people with buckets fought the fire.

Seagraves recently voted bonds for a municipal water works, but the plant has not yet been installed.

It is estimated that about \$60,000 insurance was carried on the burned buildings, most of which will be rebuilt in the near future.

If anyone thinks Littlefield citizens are lacking in sporting blood they failed to attend the boxing event held here last Saturday afternoon.

It was a Junior College benefit event, the boxers gave their services without cost and the spectators paid \$1.00 each to witness the slug-fest. Everyone attending agreed they got their dollars worth—and then some. Incidentally, \$87.50 was added to the college fund.

The idea of the boxing bouts arose when Wm. Wischke, a local service station man, was approached by Dave Beisel for a donation to the college. Wischke replied by stating if he couldn't lick any member of the college mmittee he would give the college \$100. Dave promptly reported the challenge to the committee, the individual members of which immediately proceeded to pass the buck from one to another. Everyone of them knew Wischke was a most formidable foe, that he carried around 200 pounds of solid avoirdupoise on his frame and packed a good jolt in either fist. None were willing to stick their physiognomies up in front of his pile driver lest their precious pulchritude be forever disfigured.

Later Wischke explained that he didn't really mean the challenge to be taken as he had given it, since he didn't have the 100 berries to put up in case he was overcome by some one of superior prowess, but he thought his suggestion might be the means of raising some money for the college fund which could not be otherwise acquired, and that to show his own good faith in the proposition he was willing to take on anyone of similar size and experience for three or four rounds within the squared circle.

Ornie Christian, a lad living in the country nearby, was selected as his worthy opponent, and for four rounds the two kept the crowd lively as they poked the leathers into each other's mugs and midrifts. Christian displayed the more skill, but Wischke was right there with his long swings and successful countering. The bout was called a tie.

The program was opened with a bout between Wm. Reed and Rudolph Kemp, going three snappy rounds of two minutes each. Both lads were there with the mixing, giving the fans plenty of amusement.

Roy Nolan and "Red" King mixed in for three rounds. Both lads showed considerable skill in fencing and countering. In the first round they tore into each other at a terrific pace; but in the two following rounds did more sparring, evidently each wary of the other.

The real event of the occasion was a bout between "Bad Red" and "Old Mean Pete," two negroes, working at the cotton compress. Both had had some experience with the mittens, both were leary of each other, and both were anxious for a K. O., but neither connected. They kept the fans in an uproar throughout the entire bout, many of the visitors declaring this one event was well worth the money.

Another boxing event for college benefit is planned for tonight in the Palace garage, the use of this building being generously donated by Lon Campbell, the proprietor.

### I. O. O. F. MEET CALLED

A get together meeting of all Odd Fellows and all those who in the past have ever been members of this lodge is called for at the old theatre building, in Littlefield Saturday night, March 31st.

An effort is to be made for an organization of this lodge here, and even those not now in good standing with the order are urged to attend.

A program is being arranged and there will be a lunch and smoker.

### U. OF T. OPENS JUNE 5

Austin, Texas, March 26.—Dates for the 1928 summer session of the University of Texas have been set as June 5 to July 16 and July 16 to August 27, according to the catalogue of the summer session which has recently been published. Classes will begin in the first session June 6, the day following registration. The session is under the direction of Dr. Frederick Eby and Dr. D. A. Penick.

# THE GREATEST OF REVIVALISTS HAS COME

By REV. GEO. E. TURRENTINE  
Pastor, Methodist Church, Littlefield

There is taking place at this season of the year a change that is no less than a new birth of trees, grass and flowers; but greater even than the birth that is taking place in nature is the supernatural birth of a soul. That a soul made in the image of God, but fallen from that high estate through sin, can be reborn through the efficacy of the shed blood and resurrection of our Redeemer. Jesus Christ is the supreme miracle of all ages.

After His resurrection Jesus ascended into heaven and who shall bring us this salvation? Many are crying out in the agony of their sin, as did Saul of Tarsus, "O wretched man that I am! Who shall deliver me from the body of this death?" Some are answering their own question as did Saul, now become Paul, the man of faith, "I thank God through Jesus Christ our Lord. There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit."

evangelists, the Holy Spirit. To be present with His disciples and give them power after He would go away from them, Jesus said, "I will pray the Father, and He shall give you another Comforter, that He may abide with you forever."

Do you doubt the power of Jesus' prayer to obtain an answer? Then read the beginning of the fulfillment of that prayer in the second chapter of Acts.

Remember as you read of the Day of Pentecost and the marvelous results of the Spirit's coming, that Jesus promised the Spirit would "remain with you forever."

This is the reason a newspaper can print the fact of the presence of this greatest of evangelists as news. It is a Gospel of good news for today. "Closer is He than breathing, nearer than hands or feet." The greatest of all human preachers cannot convict a single person, but the Holy Spirit can and does "convict of sin righteousness, and judgment." Jesus has promised that though he has gone to the Father, the Holy Spirit will bring all things to our remembrance that Jesus did, and will teach us all things. Even greater things than Jesus did will his disciples be enabled to do by the power of the Holy Spirit.

All seasons are the Lord's but it is especially fitting that we bring the Gospel message by special services at the Easter time. Can we do any more worth while thing than to pray the Father that He may open our eyes to see the Holy Spirit and then let Him guide us into all truth necessary for salvation?

The question asked me more often than any other in reference to the meeting is: "Whom will you have?" We cannot order a revival ready made as we can clothes from our home merchants. Neither can we obtain such things from Sears, Roebuck & Co., though we would have a meeting with as little exertion to ourselves as possible. It is human nature to follow the path of least resistance, but this revival can come only by prayer and consecration. Jesus has promised to pray the Father to send the Spirit to those who love Him and keep His commandments. "O Lord revive Thy work in the midst of the years." "Not by might nor by power, but by My Spirit; saith the Lord." Will you open your heart to the Greatest of Evangelists at this Easter season when we celebrate the Resurrection of our Lord?—GEO. E. TURRENTINE.

Mr. and Mrs. J. H. Simms, of San Angelo, were in Littlefield on business, Monday.

Mr. and Mrs. R. A. Davis were Lubbock visitors, Sunday.

## 20 ACES CLUB MEET

The "20 Aces" club met at the home of Mrs. Frances Lee Tolbert last Tuesday evening.

The color scheme of pink and white was carried out in the decorations, tallies and refreshments.

The club members are Mr. and Mrs. C. L. Harless, Mr. and Mrs. F. G. Sadler, Mr. and Mrs. A. C. Chesher, Mrs. Frances Tolbert, and Bill Tolbert, Mr. and Mrs. Pat Boone, Mr. and Mrs. J. C. Hilburn, Mr. and Mrs. John Arnett, Mr. and Mrs. J. W. Porcher, Mr. and Mrs. A. P. Duggan, Mr. and Mrs. T. S. Sales. Some of the members were out of town.

The evening was spent in a number of games of bridge. Delightful refreshments of angel food cake, pink and white ice cream were served to those present.

## SIGNS YOU CAN BELIEVE IN

If your breath is bad and you have spells of swimming in the head, poor appetite, constipation and a general no-account feeling, it is a sign your liver is torpid. The one really dependable remedy for all disorders in the liver, stomach and bowels is Herbine. It acts powerfully on the liver, strengthens digestion, purifies the bowels and restores a fine feeling of energy, vim and cheerfulness. Price 60¢. Sold by

Stokes & Alexander Drug Co.

**PRESBYTERIAN AUXILIARY**

The Auxiliary met at the home of Mrs. C. C. Clements with Mrs. Albright and Mrs. Steen assistant hostesses.

The business session was opened by prayer by the chaplain, Mr. Barber, followed by a song, "More Like My Master." The devotional was in charge of Mrs. W. G. Street and was opened by prayer by Rev. Turrentine. A very interesting talk was given by Rev. Turrentine on "Stewardship."

After this a social hour was enjoyed, which included a vocal solo by Miss Nellie Dugger, accompanied by Miss Alyne Arnett, two readings by Helen Romback, a vocal solo by Alyne Arnett, with Miss Dugger as accompanist, and a mandolin solo by Mrs. Maynard Cobb, accompanied on the piano by Miss Dugger.

Refreshments of sandwiches, salad, potato chips and iced tea were served to the following Methodist missionary ladies who were guests of the Auxiliary: Mesdames Cogdill, Kirk, Griffey Courtney, Hailo, Clark, Keithley, Londer, Lakey, Reed, Hemphill, Davis, Collins and Rev. Turrentine.

The members present were Mesdames Romback, Sadler, Bills, Wright Hilliard, Barber, Street, Cook, Baze, Cobb, visitors, Miss Dugger, Miss Ar-Jones, Wiseman, Chesher, Baird, net, Mis Romback, Mrs. Griffith and Mrs. Elmer Loyd, of Sudan, and the hostesses.

The meeting next Tuesday will be at the home of Mrs. A. C. Chesher.

**INSPECTOR HERE**

Mr. Alvis representing the State Department of Education visited Littlefield schools Tuesday.

He seemed to be favorably impressed with the condition of the buildings, class room work, and progress of the school in general.

He said the greatest need of the school was library equipment for elementary school grades.

## NEARLY TWO MILLION RATS LOOSE TAILS IN THIRTEEN COUNTIES AS MODERN PIED PIPER MAKES DRIVE

College Station, Texas, March 28—Nearly 2,000,000 rat tails, snipped from ravaging rodents killed in 13 Texas counties in the last two and a half months, testify to the effectiveness of a modern Pied Piper drive being conducted against the rat population of this state.

What the legendary piper of old did with music, however, is being carried on in this instance with traps and poison in the cooperative rodent control work of the Experiment Station and Extension Service of the A. & M. College of Texas and the Biological Survey of the U. S. Department of Agriculture.

Tremendous saving is expected to result to farmers and others as the result of the control work since the U. S. Department of Agriculture estimates that one rat will eat or destroy \$2 worth of feedstuff a year.

Acting Director A. B. Conner of the Experiment Station has just received report showing the tally of rat tails since the middle of December, 1927, to the close of February 1928, in counties where the work has been under way. The total accounts for 1,949,004 rats killed in the different counties as follows: Navarro, 85,000; Smith, 100,101; Ellis, 243,321; Grayson, 150,000; Fannin, 299,990; Lamar, 255,304; Bell, 315,160; Wood, 130,285 (including gophers); Denton 162,000 (incomplete count); Grimes, 33,243 (two weeks only); Red River, 75,000 (incomplete); Kaufman, 28,000 (incomplete); Jefferson, 39,500.

State appropriation of \$7,000 a year for the biennium was made by the last Legislature for destruction of rodent pests. This fund, augmented by Federal fund, is being used to carry on the work, campaigns being launched in various counties where requested. Co-operation is being given by county agents, chambers of commerce and the schools. Campaign will be started in Brazos County soon and in other counties as well. Before the work ends Texas is expected to be rid of several million rats.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS  
To the Sheriff or any Contable of Lamb County—Greeting:

**YOU ARE HEREBY COMMANDED** to summon G. A. Morgan by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lamb County, to be holden at the Court House thereof, in Olton, Texas, on the 6th Monday in April A. D. 1928, the same being the 30th day of April A. D. 1928, then and there to answer a petition filed in said Court on the 21st day of September A. D. 1928, in a suit, numbered on the docket of said Court No. 303, wherein Yellow House Land Company is Plaintiff, and G. A. Morgan is Defendant, and a brief statement of plaintiff's cause of action, being as follows:

That on the 29th day of Oct. 1924, defendant made, executed and delivered his 10 notes for the sum of \$35.42 each, payable to the order of plaintiff, bearing 6 per cent interest from date until maturity and 10 per cent thereafter, and due Jan. 1, 1928 to 1935 inclusive, one note due each year; that defendant executed said notes in part payment for that certain lot, tract or parcel of land lying and being situated in Lamb County, Texas, and described as follows: The south one-half of Labor No. 18, League No. 671, Abstr. 346, Original Grantee Abner Taylor and described as follows: BEGINNING at an iron pipe marked 17 18 23 24 671 being the S. W. corner of Labor No. 18, League No. 671; THENCE S. 89 26' E 1000 varas to an iron pipe marked 18 19 22 23 671; THENCE N. O. N. 89 26' W 1000 varas corner in the W. B. line of said Labor No. 18; THENCE S. O. 27' W 500 varas the place of beginning. Containing 88.55 acres of land; that said land was conveyed to defendant by The Littlefield Properties on Oct. 29, 1924 by deed of that date and in which deed the vendor's lien was retained against said land to secure said note; that said defendant made default in the payment of notes Nos. 1 and 2 due Jan. 1, 1926 and 1927, respectively; that said note and said deed provides that if default be made in the payment of either note, then all of said notes may be matured; that plaintiff by reason of the failure to pay said first two notes matured all of said notes and placed the same in the hands of E. A. Bills, an attorney, for

collection and contracted to pay said attorney the 10 per cent attorney's fees stipulated in said note. Plaintiff prays for judgment and for foreclosure of the vendor's lien on said land.

Herein Fail Not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Olton, Texas, On this 23rd day of March A. D. 1928.

A. H. McGavock, Clerk, District Court Lamb County, Texas.  
(SEAL)  
March 29, April 5, 12, 19, 1928.

**INT. B. Y. P. U. SOCIAL**

A very enjoyable social was given by members of the Intermediate B. Y. P. U. at the Baptist church last Thursday night.

Following a pleasant time at games tasty refreshments of jello topped with whipped cream and accompanied by cake was served to the following: Lillian Pate, J. G. Berryman, Eva Lena Clark, Ruby Clark, Mary Helen Smith, Olga Henson, Ruth Gray, Ruth Thomson, Esta Mae Connell, E. S. Rowe, Maggie Wilf, Aubrey Wilf, Harvey Gibbs, Sidney Lucas, Burke Lambert, Otis Connell, Little Reynolds, Lottie Reynolds, Jewel House, Velma Glazner, Harry Teeters, Pierce Teeters, Eugene Hall, Odell Crow, Wilbie Burleson, Jack Brannan, Oneta Lowe, Edna Pearl Cox, Pearl Atkinson, Otis House, Merle Atkinson, Grady Burleson, Billie Fern Atkinson, Rev. Roy Kemp, Mr. and Mrs. Lucas.—Reporter.

Mr. Leach  
Made a speech,  
Angry, neat, but wrong.

Mr. Hart,  
On the other part,  
Was heavy, dull and long.

Mr. Parker,  
Made the case darker,  
Which was dark enough without.

Mr. Cook,  
Cited the book,  
And His Honor said, "I doubt."  
—Taken from the Wildcat

The state of Texas distributed last year about \$20,500,000 to the public school based on an apportionment of \$15 for each scholastic.

**B. Y. P. U. ELECT OFFICERS**

Last Sunday night the Intermediate B. Y. P. U. elected officers to serve for the coming quarter, as follows:

Ella Mae Connell, president; J. G. Berryman, vice-president; E. S. Rowe jr., secretary-treasurer; Ruby Clark, group captain; Sidney Lucas, group captain 2; Sue Brannen, reporter.

E. S. Rowe and Jess Mitchell went to Austin, Wednesday, where they were met by representatives of the Littlefield college to arrange finances relative to the present location campaign.

Ernet Ray, of Lubbock, was the guest of Miss Clara Wingfield, Sunday.

Walter Fraley came in Friday from avisit with relatives in Wofforth.

**SURPRISE SHOWER**

The W. M. U. ladies honored Mrs. Roy A. Kemp with a surprise shower at the parsonage last Tuesday afternoon.

About 35 ladies were present and an enjoyable afternoon was spent. Refreshments of jello, whipped cream and cake were served.

A. T. Griffin, who has been buying grain near Littlefield, left Tuesday for his home in McKinney.

Dr. J. D. Simpson returned Monday from a business trip to Chicago and New York City. During his absence he covered 9,000 miles in 10 days most of which was made in airplane.

Mrs. J. D. Simpson and children are visiting relatives in Arkansas this week.

Ray Jones spent Sunday in Enochs.

## CALL FOR THE JUNIOR COLLEGE

The "M" System Store has kicked in its bit, everyone would give accordingly there would be no question as to the Junior College being located in Littlefield.

Education is something none of us can get such of, and, if used wisely it will be to our stage and to that of the community at large.

Also, Good Groceries is another greatly need—modernity. Good wholesome food keeps the strong and the mind clear. And that is just and to be found at the "M" System Store.

We cater especially to people of eugenic temperament. In other words, if it is your desire to be the best out of life, we can furnish you with such foods as will be your greatest aid toward your worthy ambition. And always remember—

## Nowhere Else Such Features for

At the right is listed a group of advancements in design which never before have been combined in any low-priced six! Some of them—such as the G-M-R cylinder head and the cross-flow radiator—rank as master strokes of engineering. Yet these are only the new features that have been added to the basic design which enabled the Pontiac Six to make automobile history in the past two years!

You still get the largest engine used in any low-priced six. You still get an oiling system which forces 250 gallons an hour through the engine at 35 m. p. h. You still get the ability to maintain 50 miles an hour or more for as long as you like. Come in! Learn by comparison and by driving that you get the biggest, staunchest, most beautiful low-priced six the market affords today.

NEW SERIES

# LAMB COUNTY LEADER

Published every Thursday afternoon at Littlefield, Texas.  
 Subscription: \$1.50 per year; 75 cents for six months.  
 Advertising rates given upon application.  
 No. Entered as second class matter May 24, 1923, at the post office  
 27 at Littlefield, Texas, under the Act of March 3, 1897.

JESS. MITCHELL, Editor and Publisher

MEMBER National Editorial Association, Texas Press Association

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, it matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Littlefield Leader will be gladly corrected upon its being brought to the attention of the publisher.

## A THOUGHT FOR THE WEEK

Ye cannot serve God and Mammon.  
 —Matt. 6:24.

Many in hot pursuit have hastened to the goal of wealth, but have lost, as they ran, those apples of gold, the mind and the power to enjoy it.—Tupper.

## ANOTHER ONE GONE

Another institution that seems to have vanished from Littlefield and from thousands of other towns throughout the length and breadth of the land is the old "around the stove club." It was a seasonal institution that lasted from early in the fall until the arrival of spring, and the old base-burner at the back end of a grocery or general store was its favorite place of assembly.

The around-the-stove gatherings of a generation ago were in the nature of an open forum, and the subjects discussed were wide and varied. It was the clearing-house for community gossip, while the weighty affairs of government and the doings of the community came in for a large share of attention. And the criticisms were generally made with a good deal of emphasis and sometimes with language not intended for polite society.

If somebody in the community purposed to build a house the plans were criticised by the wise-acres gathered around the stove. The failure of anybody in the neighborhood to "watch his step" quickly received their attention, while community progress received many knocks by those who donated freely to the sawdust filled box that served as a cuspidor but paring to anything else.

The "around-the-stove" critics have nearly all passed out, but some there are who still remember it as an institution of the town, and one that was probably worth something to the community since those who gathered there to "cuss and discuss" might have been engaged in actual mischief if they had not had their favorite meeting place about the old base-burner stove.

The old-fashioned hired man named William was the original farm relief Bill.

## "THE FARM PROBLEM"

No matter what we do for a living, where we live nor how we live, we still hear much concerning "the farm problem." Yet to thousands of citizens it isn't very clear.

Senator Capper explains that it is the difference between the value of what the farmer sells and what he buys. "The situation is this," he says. "The things a farmer sells bring 34 percent more than before the war, but the average selling prices of what he must buy is 59 percent higher than before the war. In other words the farmer's dollar is worth about 85c, while the rest of us have a dollar with an exchange value of 100 cents."

It must appear, to any clear-minded Littlefield man who will do a little thinking, that there really is a "farm problem," and that it is up to this country to solve it as speedily as possible. Although farming is the nation's biggest business, and the farmer have more money invested in plant and machinery than any other industry, he has not had a fair return on his money in the past several years.

Every politician will soon be claiming that "his party" is going to solve the problem. But it can't be solved by legislation. New laws can make the farmer's pathway smoother, however, by providing equitable freight rates and lower taxation. But every one should remember that this is a

campaign year, that political promises are pretty much like piecrust, and that it never is a good idea to hope for too much. Then if the "farm problem" isn't solved in another year the disappointment won't be so keen.

## ANOTHER HOLIDAY

A resolution has been offered in the U. S. Senate providing for still another national holiday.

It proposes to set aside the first Thursday in October each year as "Agricultural Day," the purposes of which would be to encourage consideration of farming problems and other matters of well-being and national interest.

It would be celebrated with gatherings at convenient places in each county, where programs of speeches by farm agents, agricultural experts and public officials could be carried out, along with an open forum in which ever yresident could join in discussion of questions affecting the welfare of his particular community.

In view of the importance of such gatherings, we believe "Agricultural Day" would be a fitting and appropriate addition to our list of holidays and also, feel insofar as those residing around Littlefield are concerned that it would be one of more general interest than is shown in several that are already on the calendar.

It is as hard for some people to keep a secret as it is for all of us to keep the Ten Commandments.

## HERE THEY COME

The frost is out of the ground in various parts of the country now; milder weather is a favorite prediction of the forecasters and highways all over the nation are in shape for auto traffic.

It won't be long now until the knock of the peddler will again be heard on Littlefield doors, for the army of canvassers and distributors of cheap-john stuff of every description has emerged from winter quarters and is taking to the road.

Get ready to be visited by the usual number of pests, for they are sure to be out in force again this year. And while you are waiting for the first one to rap on your door you might rehearse the only speech that sends them on their way:

"Don't need anything today, thanks—we patronize our own home town merchants."

Learn it today and be ready to say it, for the peddling army is now about to start on its annual invasion.

Smoking may not keep a girl out of heaven, but it's mighty apt to keep some of them out of matrimony.

## LITTLE LEADERS

We've also noticed that quite often the Littlefield girl who has said all along that she wouldn't marry the best man on earth doesn't.

Our advice to the Littlefield man who wants to do something big and clean before he dies is to wash an elephant.

The old-fashioned Littlefield girl who used to exercise to improve her complexion now has a daughter who is afraid to sneeze for fear she will blow it off.

The Littlefield husband with a wife addicted to making it hot for him should be careful not to wear a celluloid collar.

When older Littlefield residents did their counting they saved a little money because there was no two-cent

tax on the bushel of oats they had to feed the old hay-burners.

The impression you get from some Littlefield women is that if their brooms got as much wear and tear as their tongues they'd have the cleanest houses in town.

You never can tell. Maybe the Littlefield woman who persists in back-seat driving is only trying to get even with her husband for turning up his nose at her cooking.

When it comes to making a date, a Littlefield girl isn't as interested in what is in the boy's head as in what is in his father's garage.

Kwitcherbelliakin and smile

## This Week's Poem

### SEE IT THROUGH

By EDGAR A. GUEST

When you're up against a trouble,  
 Meet it squarely, face to face;  
 Lift your chin and set your shoulders  
 Plant your feet and take a brace.  
 When it's vain to try to dodge it,  
 Do the best that you can do;  
 You may fail, but you may conquer,  
 See it through!

Black may be the clouds about you  
 And your future may seem grim,  
 But don't let your nerve desert you;  
 Keep yourself in fighting trim.  
 If the worst is bound to happen,  
 Spite of all that you can do,  
 Running from it will not save you,  
 See it through!

Even hope may seem but futile,  
 When with troubles you're beset,  
 But remember you are facing  
 Just what other men have met.  
 You may fail, but fail still fighting;  
 Don't give up, what'er you do;  
 Eyes front, head high to the finish,  
 See it through!

## PERSONAL ITEMS

Mr. and Mrs. Norman and Miss Mary Turner were Lubbock visitors, Sunday.

Alfred Dunagin and Clarence Deavers returned Saturday from a business trip to Tulsa.

Mrs. B. M. Harrison and Mrs. Bessie Baze were shopping in Lubbock, Saturday.

**THE ADVANTAGES OF CO-OPERATIVE  
 EGG MARKETING IN THE PANHANDLE**

By J. T. HATCH, Plainview

If you are satisfied with the price  
 you are getting for your eggs then  
 you need read no further on this article.

Texas today is one of the most discriminated  
 states in the country in regard to her eggs.  
 No standard set, no standard used of any kind.

You bring your eggs in and take  
 what ever you are offered for them.  
 Recently, there has been a movement  
 in Briscoe, Motley, Floyd, Hale, Lamb  
 and Swisher counties to overcome the  
 conditions that now exist. This association  
 is known as the Plain's Poultry  
 Producers Association, with main office  
 in Plainview. They have selected  
 some of the best men in the different  
 counties to act as directors.

Take California "today the most  
 advanced state in the United States in  
 the production of eggs," they did  
 this by co-operative marketing. They  
 ship eggs to New York and get more  
 for them than the poultry raisers of  
 New York can get. Why? Because  
 they have created a better article and  
 caused a demand for it. The investment  
 on the average poultry farm in California  
 is from four and a half dollars to five  
 dollars per hen. Most all of their feed  
 is shipped into the state. Another thing  
 is the long freight haul to the Eastern  
 markets. Their eggs are all graded before  
 they are packed for shipment and they  
 only ship graded eggs. Here is the cost  
 to produce eggs in California. The average  
 hen eats 69 pounds feed per year. The  
 average egg production per hen is 137  
 eggs. Feed cost per dozen eggs 18½  
 cents and yet the farm income per hen  
 was one dollar and twenty-six cents.  
 We have here on the plains an ideal  
 poultry country by co-operative marketing  
 as above mentioned there is no reason  
 why we can't receive more from our  
 poultry than California can.

This association will market your  
 eggs for you and can increase your  
 income. Trucks will go over the six  
 counties and gather the eggs, and they  
 will be brought to Plainview where  
 they will be graded and sold in car  
 load lots to the eastern markets. You  
 will be paid by the grade of eggs you  
 produce. The way you are selling  
 your eggs the association will pay  
 as much for your smaller eggs as you  
 are getting for all of your eggs now.  
 There will be men to tell you how to  
 feed your birds so as to increase your  
 egg production, they will also tell you  
 how to mate your birds to produce  
 better ones, how to improve your  
 poultry houses so that your winter  
 egg production will be greater. Keeping  
 your flock cleaned out and stamping  
 out diseases, how to cull out the  
 losers and not have to feed a hen  
 that does not produce many eggs. We  
 are sixteen hundred miles nearer  
 markets than California, our feed bill  
 per bird will be about half the cost  
 as we have the feed right here at  
 home, and all is needed is how to  
 mix it up in balanced rations as in  
 this way we will receive the greatest  
 benefit from our feed. This association  
 is the buyer and seller dealing direct  
 with the producers, cutting out  
 so much expense and in this way be  
 in the greatest benefit to the egg pro-  
 ducers. At the end of each year all  
 undivided profits are prorated back  
 among the members. The more eggs  
 you market throughout the year the  
 greater your bonus check will be at  
 the end of that year. This is a non-  
 profit association and all profit re-  
 vert back to the members. It has  
 been indorsed by most of the business  
 men, banks, and Chamber of  
 Commerce of each county. The time  
 has arrived to the point in this section  
 that if we do not have the proper  
 market at home then send it to a  
 market that will make it worth while  
 to us all. What other states can do,  
 so can we, help the egg farmer help  
 himself and make better farming con-  
 ditions in the Panhandle.

Bob Walker, of Gonzales, is visit-  
 ing his brother, Phelps Walker this  
 week.

John H. Arnett made a business  
 trip to Dallas Tuesday, and will bring  
 back with him another new Ford car  
 for delivery.

**NOTICE TO TAXPAYERS**

At a recent meeting of the Board  
 of Trustees of the Littlefield Independent  
 School district, the date of  
 payment of the 1927 taxes without  
 penalty was extended to March 31st,  
 1928, which is absolutely the last day  
 and on all taxes not paid on April  
 1st, the penalty will be added, to-  
 gether with six per cent interest.

Furthermore, as soon as the rolls  
 can be transferred, same will be turned  
 over to the attorney for collection,  
 so please see that your taxes are  
 taken care of on or before March  
 31st and avoid suit and additional  
 cost.

**NOTICE**

THE PECOS AND NORTHERN  
 TEXAS RAILWAY COMPANY here-  
 by gives notice that on the 9th day  
 of March, 1928, it filed with the In-  
 terstate Commerce Commission at  
 Washington, D. C. its application for  
 a certificate that the present and future  
 public convenience and necessity  
 require the construction by it of a line  
 of railroad extending from Hale Center  
 in a general northwesterly direc-  
 tion to Parmerton, a distance of ap-  
 proximately 66 miles, all in Hale,  
 Lamb, Castro, and Parmer Counties,  
 Texas.

**BULLARD HELD ON CHARGE**  
 G. L. Bullard was arrested Tuesday  
 on a charge of selling intoxicating  
 liquor, according to County Attorney  
 T. Wade Potter. Potter claims to  
 have one or more affidavits from per-  
 sons who claim to have purchased  
 liquor from the defendant.  
 Previous to his arrest, Bullard was  
 out on a bond of \$2,500 on a charge  
 of robbery with fire arms, and bonds  
 of \$250 each on charges of imper-  
 sonating an officer and of carrying  
 a pistol.  
 About 4,000 "combine" wheat har-  
 vests are in operation in the Texas  
 wheat fields in addition to thousands  
 of smaller harvesters.

**METHODIST REVIVAL**  
 The meeting being held each evening at 8:00 o'clock is growing in interest. Everyone is welcome to these services and is urged to let Passion week draw him nearer to our Lord who died and rose from the grave that we might die to sin and be raised into new life in the Spirit. Thursday night the Baptists will be our special guests and Friday the school. "America's Famine," and "The Prodigal Son," are topics for those nights. Sunday we will preach on, "Am I My Brother's Keeper," and "Going Away from Jesus." Monday, Rotary night, "The Potter and the Clay." The meeting continues through to Easter night.  
 —GEO. E. TURRENTINE, Pastor.

THE STATE OF TEXAS, County of Lamb, ss:  
 I, K. F. Allbright, cashier of the above named bank, do solemnly swear that the above statement is true to the best of my knowledge and belief.  
 K. F. ALLBRIGHT, Cashier.  
 (SEAL)  
 Subscribed and sworn to before me this 10th day of March, 1928.  
 A. G. HEMPHILL, Notary Public.  
 CORRECT—Attest:  
 E. A. BILLS, J. T. ELMS, J. C. HILBUN, Directors.

**CITATION BY PUBLICATION**  
 Plaintiff alleges that on the 24th day of October 1927 he was lawfully seized and possessed, and at all times since has been and is now seized and possessed of the following described land and premises situated in Lamb County, Texas, at all times holding and claiming the same in fee simple, to-wit: In the town of Littlefield: Beginning N. W. Cor. of a field same being 20 ft south of the center of a 40 ft roadway running east and west, and 26 ft east of the center of a roadway running north and south, the intersection of the center lines of those two roadways being the original northwest corner of a survey of 177.2 acres in Lamb County, about eight miles S. 120 east from the center of the county, same being Labor No. 20, League No. 664, Abst. No. 344, original grantee, Abner Taylor; Thence S 0035'30" W 123.33 ft. to the cor. at side of P & N T R R Right of way; Thence S. 55 degrees 46'11" E. parallel to center of railroad tract 775.9 ft. to cor. of said railroad right of way; Thence N. 0035' 39" E. 552.62 ft. to cor. in N. line of this tract, same being twenty feet south of the original north line of said 177.2 acre tract; Thence N. 90 27'30" E. 644.38 ft. parallel with the said N. line of 177.2 acre tract to place of beginning.  
 Plaintiff shows to the court that on the day and year last aforesaid all of the above mentioned defendants unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withholds from him the possession thereof to his damage in the sum of \$500.00.  
 That the reasonable annual rental value of said land and premises is the sum of \$1000.00  
 That this action is brought as well to try the title as for damages.  
 Plaintiff further shows to the court that on July 18, 1927, the defendant A. P. Price caused to be filed in Vol. 1, page 159 of the Judgment Records of Lamb County, Texas, a judgment against G. M. Mason for the sum of \$213.13 with interests and cost rendered in the Justice Court of Hamilton County, Texas, in cause No. 2146, which judgment apparently created a lien on said premises but no such lien was created by reason of the fact that at the time said judgment was filed said property and premises was being used and occupied as a business homestead and was so used and occupied up to the time plaintiff purchased the same.  
 Plaintiff prays judgment for title and possession of said property and that the cloud be removed.  
 Herein Fail Not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.  
 Given under my hand and seal of said Court, at office in Olton, Texas, On this 24 day of March, A. D. 1928.  
 A. H. McGavock, Clerk, District Court Lamb County, Texas.  
 (SEAL)  
 March 29, April 5, 12, 19, 1928.

**ONE IN TEN**  
 Neglecting a little wound, cut or abrasion of the flesh may in nine cases out of ten cause no great suffering or inconvenience, but it is the one case in ten that causes blood poisoning, lockjaw or a chronic festering sore. The cheapest, safest and best course is to disinfect the wound with liquid Borozone and apply the Borozone Powder to complete the healing process. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. Sold by Stokes & Alexander Drug Co.

**INCREASED COST OF DAIRY PRODUCTS DEMAND DEVELOPMENT OF HIGH GRADE COWS, SAYS A. & M. SPECIALIST**  
 College Station, Texas, March 28—  
 "With the production costs of dairy products increasing yearly it is imperative that the dairy farmer develop a more efficient animal," J. A. Clutter, dairy specialist of the A. & M. College of Texas, said in recent article on Selecting Profitable Dairy Animals. Mr. Clutter pointed out that the average United States dairy cow produces twice as much per year as the Texas cow, and that the average Texas cow is unprofitable.  
 "High producing dairy cows are profitable, and high production is attained to a large extent by careful selection and mating. The ability to secrete large amounts of milk and fat is an inherited characteristic and while feeding and care should be kept in mind at all times, no great improvement can be made in the quality of Texas animals until a careful breeding program is planned. The first step in carrying out this plan is to select foundation animals of the herd. If he is line-bred his characteristics should be pure when he is mated to pure bred. The four major points to be kept in mind in selecting a herd are: potency, pedigree, breed type, health.  
 "The only accurate method of determining the excellence of a sire is to weigh and test the milk from a sire during lactation period. This is done privately, the owner may come member of cow testing station, or he may put his cow in a special test if they are pure bred.  
 Miss Charlotte Groov, of Lubbock spent last weekend with her parents Mr. and Mrs. Fred Groov, of House Switch.  
 Miss Nellie Dugger was a visitor in Lubbock.

McFARLAND & GARDNER

and Friday Nights March 29th and 30th.

BRUNSWICK PHONOGRAPH ARTISTS IN PERSON. UNDER AUSPICES OF BURLESON--MASON CO. Inc.

Exclusive Brunswick Dealers for Littlefield

We take this method of informing our friends and patrons that we have engaged the services of McFarland and Gardner, Brunswick phonograph artists to appear in person, both at the Palace Theatre and our store for two days and nights, March 29th and 30th.

THE APPEARANCES AT THE PALACE THEATRE IN CONJUNCTION WITH THE MANAGEMENT OF THE THEATRE, AND THE ENTIRE PROCEEDS IS TO BE DONATED TO THE LITTLEFIELD JUNIOR COLLEGE FUND.

Most everyone has listened to the records of these talented young men, and we cordially invite you to come and meet them in person at our store and hear their real voices tell the many beautiful stories in song.

As we have been to large expense in bringing these artists to Littlefield we urge that you take advantage of this opportunity of seeing and hearing them.

QUALITY AT LOW COST

## LOCAL HAPPENINGS

George R. Long, proprietor of the Littlefield Variety store received a message of the death of his father, P. D. Long, of heart failure at his home in Carthage, Ill. Mr. Long was unable to attend the funeral.

The Leader in this week in receipt of a letter from Judge C. H. Curl, former Littlefield citizen, but now of Washington, D. C., notifying us of a change in his address. He states he is now leaving the capital city for Los Angeles, Calif., where he will spend the month in trying a federal case, and will probably stop on his return for a few days visit with old friends here.

Next Monday is April first, and it has been suggested that the biggest April fool that could be pulled off on that date would be for the knockers to know that the Junior college proposition has been put over.

R. S. Thomas returned Friday from a short visit in Dallas.

### BY WIRELESS—

Information was received this week that the Littlefield Junior College is to have installed a high power radio broadcasting station, similar to that of WFAA in Dallas.

This is mighty good news to us. Of course, the college and city will get some use from it in broadcasting programs and general publicity but J. T. Bellomy already has some ideas buzzing around in his bonnet regarding the world at large.

Bellomy has been receiving so many flattering compliments as to the high grade feed he is grinding and putting out that he is getting just a little egotistical regarding it. He wants all the world to know about it, and if necessary he will go in competition with Shears & Rareback, Montyward & Gomery Co., in supplying mail orders in wholesale quantities.

Local farmers, livestock raisers and chicken fanciers are now coming in for repeat orders and obtaining larger quantities with the information that they are getting more than value received in the returns their stock is making to them on this properly ground and scientific feed Bellomy is furnishing them.

If you have not already tried it, why not bring in a wagonload and let us mix and grind it for you. A trial will convince you!

### A SAD CASE

—when a man is shunned because his clothes look shabby. You won't have a very good time now-a-days if you don't keep up good appearances. When you consider the insignificant cost of cleaning, pressing and repairing service, you can readily see that it isn't necessary for most people to let their clothes look shabby.
