

Overflow Crowd Sees Wildcats Win Over Slaton Tigers, 44-7

Murdock Realized For All Injury

Murdock, 15, son of Mr. L. Murdock suffered a kidney injury last afternoon, while playing a game between Littlefield high and Carroll junior high at Lubbock.

Man Back of Game

freshman back, got bone in his leg last when Littlefield journal back to play Carroll of that city and will play any more football year. He was one of backs on Coach Charles and will be missed by the rest of the season.

Electric Cooking Is ACCURATE

...as MODERN women KNOW!

Whenever accuracy is required in business, industry, the home, electricity is used. Yes, whether it is synchronizing a nationwide radio hookup, dispatching trains or baking a cake, when you want accuracy and precision, you call on electricity.

When you push the buttons or turn the switches on your electric range, you know that exactly the amount of heat you desire will be on the setting used. You know the heat will be accurate because you know the heat has been measured — measured in the correct amount.

You know, too, that your electric range oven control holds the temperature at the cookbook figure to your recipe, assuring you of cookbook results every time.

Yes, electric cooking is accurate — as modern women know.

Amherst Wins First Conference Tilt In District 2-A; Downs Springlake, 26-0

One conference game was played in District 2-A last week and that game saw the Amherst Bulldogs romp over the Springlake Wolverines, 26 to 0. This puts the Bulldogs at the top of the standings in the district because its the first conference game played this year.

The Bulldogs were held for most of the first half by the Wolverines from across the sand hills. After a scoreless first quarter Quarterback Matt Wilson flipped a 20 yard pass to Snd Buck Twilly for the first Bulldog counter, giving Coach A. D. Shavor's eleven a halftime lead of 7 to 0 over the Wolverines.

The Amherst attack again was led by Fullback A. L. Nuttall, who turned in a 75-yard touchdown run in the third quarter and a 65-yard punt return for a touchdown in the same period. The other touchdown came on a pass to End Con-

nie Baird. Wilson also accounted for two extra points with passes to Halfback Martin Hardwick. The victory was the fourth straight for Amherst against no defeats. Things are certainly looking up for Coach Shavor and the Amherst Bulldogs.

DIMMITT DEFEATS LOCKNEY

The Dimmitt Bobcats nudged out the Lockney Longhorns from District 3-A by a score of 20 to 19. C. B. Smart scored two touchdowns to give the Longhorns an early lead, but Dimmitt cut the lead to six points before the half and came back in the second half to go ahead. Douglas Dennis raced 55-yards for a touchdown with only four minutes left to play and Donald Wright, Dimmitt tackle, kicked the all important extra point through the uprights to give the victory to Dimmitt.

(Continued on Page 5)

Shown at left in the above picture is Ray Cutshall, son of S/Sgt. Gerald Cutshall of Littlefield. Ray is Co-Capt. of the Price College team at Amarillo.

He recently played all 48 minutes of the game when the Eagles journeyed to Sudan for a game with the Hornets. The above picture was taken earlier

in the year when they were trying on their new uniforms. The other player in the picture is Ignacio Gonzales, 195-lb. tackle. —Photo Courtesy Amarillo Times

Cats, Lobos and Cubs In Spotlight To Win Championship of District 7-AA

The Littlefield Wildcats, Levelland Lobos and Brownfield Cubs all came through with victories last week to hold their favorite spot on top of the standings in District 7-AA.

As it stands now any of the three could win the title this year and it would not surprise anybody. Morton and Muleshoe are not considered to have any chance at the spot.

The Littlefield Wildcats rolled over the heavy Slaton Tigers of District 6-AA to the tune of 44 to 7. M. C. Northam and Joe Walden each scored three touchdowns to lead the Wildcats to victory. End Bill Brantley scored once on a ten yard pass from Bill Jones for his first touchdown of the year. The Littlefield line sopped everything that Slaton could throw at them, but the Tigers managed to score once when Bob Lambert ran a kickoff back 80 yards for a touchdown.

downs to prove to other teams in the district that he is still trying to make All-State despite the poor showing that he got started off on this year. Coach Rattan shifted his Lobos into an eight man line at times to stop the running and passing of Kirkpatrick who handled the ball every play except one for the Antelopes. If there is a one-man team in the state this year, Post is it.

BROWNFIELD DEFEATS SNYDER

Howard and Joe Swan sparked the Brownfield Cubs to a 13 to 0 victory over Snyder in a game played in the oil field city before over 3,000 fans. It was the third straight win for the Cubs since trying Lovington, New Mexico in their opener. Howard Swan scored in the second quarter and Joe Swan scored in the third for the final tally. Brownfield is fast becoming the favorite in the district as they are having rougher competition than the others.

Three Local Youths Star In Game At Amarillo Saturday

Three Littlefield boys scored once each as West Texas State defeated the McMurry Indians in Amarillo Saturday night.

The trio was on the losing side but gave a good account of themselves.

Sabin Hendrickson and Steven Brock ran for a tally each and Guard Billy Wayne Sisson intercepted a pass and ran 9 yards for another touchdown as the West Texas State Buffaloes edged out the Indians from Abilene 28 to 20.

THIRD LOSS FOR MULES

The Muleshoe Mules suffered its third loss of the season Friday night in Muleshoe when the visiting Tulla Hornets handed them a 13 to 7 licking. Tulla scored all of its points in the second quarter. One on a pass from Don Duke to B. Jennings and the other on a 95 yard punt return by Duke. Buck Johnson, Muleshoe quarterback, (Continued on Page 5)

WILDCAT SUBS ENTER GAME IN FOURTH PERIOD

Tigers Fail To Gain in Ground Offensive Play

By Jimmie Chapman

The Littlefield Wildcats fought a bigger Slaton team last Friday night and came out on the long end of a 44 to 7 score. The game was played here in Seely Stadium and in perfect football weather before an overflow crowd that had jammed Seely Stadium to see the Cats fight a heavier team that was supposed to give the Cats one of their hardest games of the year.

The Cats got off to a sluggish start, but gained steam and were ahead at the half, 30 to 0. Littlefield got four five-yard penalties against them the first time they got the ball and failed to score. Then, Rhoten punted out on the Slaton 15-yard line. The Tigers were held and forced to punt from there. They punted to Northam on the mid stripe and he ran it back to the Slaton 13-yard line before he was stopped. On the first play from scrimmage Joe Walden fumbled and Slaton recovered to stop the Cats from their first scoring opportunity.

Littlefield Starts Scoring

The Tigers were again forced to punt and again Northam took it on the 50 and ran it back to the 25 where he was stopped, but Slaton drew a 15-yard penalty and that put the ball on the Tigers 10-yard line. Bill Jones tried to run with the ball on the first try, but failed to gain. On the next play he passed to End Bill Brantley for a touchdown. Joe Burros kick for the extra point got off to a good start, but was blocked in the air and Littlefield lead, 6 to 0.

Just before the end of the first quarter, Joe Walden took the old pitchout and ran 45 yards for another touchdown. Joe Burros again tried to kick the extra point, but again it was blocked and Littlefield lead 12 to 0 at the end of the first quarter.

Scoring Spree Continues

Early in the second period M. C. Northam rammed through the middle for 60 yards and a touchdown. R. L. Rhoten attempted to pass to End Darriel Kennermer for the extra point, but it was knocked down by the Tiger secondary.

Midway in the second quarter Northam again scored when he rammed over the center of the line for 10 yards and a touchdown. He spun away from two tacklers and was tackled from behind as he went over for the touchdown and was injured on the play, but recovered a few minutes later.

An incomplete pass was the reaction (Continued on Back Page)

BEAT POST ANTELOPES

The Levelland Lobos beat the Post Antelopes and Jack Kirkpatrick, 26 to 8. Langford Sneed scored three of the Lobos touch-

Sudan To Play Roswell Military

The Sudan Hornets' next home game will be against the New Mexico Military Institute of Roswell.

The game will be played on the night of October 12th and will be returned by the Hornets later this year when they will journey to year when they journey to Roswell.

Sudan was suspended from the Texas Interscholastic League this year and are not permitted to play any member of the league for one year. They had managed a schedule of 10 games for the year with teams from New Mexico, but New Mexico voted to accept Texas' rules and therefore had to cancel their games with the Hornets of Coach Frances Smith.

They have managed to play three games this year with Boys Ranch, Price College and Whitesboro. They defeated all three of the opponents.

Doak Walker, the Southern Methodist all-America player now starring with the Detroit Lions professional team, shows two players at Boys Ranch near Am-

arillo how to handle a football. Walker made a short talk to the boys, then went out to their practice. Walker watches 140-

und quarterback Troy Black hand off to 142-pound fullback Eddie Baker. — AP Photo

Prevention Of Food Poisoning Requires Clean Handling

"Recent outbreaks of food poisoning show very strikingly the need for special care in handling and refrigerating any food that must be prepared some time in advance of serving," states Dr. Geo. W. Cox, state health officer.

"Prevention of food poisoning requires clean food handled as little as possible and consumed while it is fresh. Foods prepared hours before serving, and allowed to stand at warm temperatures become good culture media for bacteria. Cooked products of a perishable nature are readily subject to decomposition, and must be kept well refrigerated.

"Most food poisoning is caused by infection by certain types of bacteria which grow rapidly under favorable conditions, such as high temperature and

high humidity. The infection may come from dirty hands, utensils, flies, rodents, contaminated water, infected food materials and in some cases in certain types of bacteria, which are rapidly spread and not necessarily associated with filthy conditions.

"If food must be prepared much in advance of use, cook it thoroughly, keep it refrigerated and otherwise protected at a temperature under 50 degrees F. until you are ready to use it. Avoid serving foods that are readily infected, such as certain salads, and cream-filled pastries. Any food that are not to be served immediately should be kept on ice. Milk, ice cream and dairy products in general should be from approved sources."

Further Expansion of Atomic Armament

Russia is known to have the atomic bomb, although the general assumption is that its stockpile is limited and that our progress in modern arms development surpasses that of the Soviet Union.

Some light on this phase of Russian preparedness was cast by Senator McMahon in a recent speech urging that our annual expenditure for the atomic program be stepped up from \$1 billion to \$6 billion. The chairman of the joint congressional committee on atomic energy, who presumably has access to intelligence reports, asserted that the Soviet Union has enough atomic power to bomb from 20 to 30 American cities. He said that the Russians have 100,000 more persons at work in their atomic projects than does this country.

The United States has a superiority over the Soviet Union in bomb stockpiling, modernization of atomic weapons and progress in that field. William Laurence, science writer for the New York Times, has stated that Army announcement has made clear that the United States has perfected atomic bombs as tactical weapons for use in the field and mass destruction of enemy armed forces. Mr. Laurence further asserted that tests have made certain that the super-hydrogen bomb definitely can be made in this country.

Yet in recognizing all these considerations, Senator McMahon urged that our atomic program be

increased to \$6 billion a year to "grant us a reprieve" and to deter aggression by our military superiority. At the same time, he warned that Russia, too, was moving forward in atomic development and already had reached the point where its "enlarging stockpile of atomic bombs points a dagger at our heart."

The picture so portrayed by the chairman of the atomic energy committee presents a qualified national security, despite the prospective expenditure of at least \$60 billion on national defense this year. The anticipated saving from a prospective shift from conventional to atomic armament would not occur for several years, if then. Hence, if defense provision is patterned to the exigencies of atomic development as urged by Senator McMahon, the burden of financing rearmament must be materially heavier than so far has been recognized.

Our involvement in a world rearmament race is not of our own choosing but is forced by Russia, which is committed to an atomic arms program and may develop its own "fantastic weapons." The national security, is not competent to determine how much should be spent on atomic development. But he does not want our strength in that field second to that of Russia.

—Fort Worth Star-Telegram

Girl Loses Eye In Freak Accident

Miss Mary Oursborn, 17-year-old Olton High School student lost her left eye in a freak accident recently at the home of her parents, Mr. and Mrs. Aubrey Oursborn.

As she attempted to warm a small bottle of finger nail polish over an open flame, the contents exploded causing considerable injury to her face and one piece of glass penetrated her left eye ball.

Miss Oursborn was rushed to the Olton Memorial Hospital where attendants advised taking her to Lubbock immediately. Shortly after her arrival at the Lubbock Memorial Hospital, the eye was removed.

According to reports the right eye was not in danger, and she would be able to return home within a few days.

OFFICIAL RECORDS

Divorce suits filed at Lamb county court house the past week include: Doris Lucille Pierce vs. Dorris Eugene Pierce, filed September 24th.

Esther Ruth Allen vs. Guthrie Allen, September 21.

Beatrice Williams vs. Arthur Williams, September 25.

"THAT LITTLE GAME"

Low Flying Aircraft Present Hazard To People on Ground and Property

REESE AIR FORCE BASE, Texas Sept. 26—Col. Thomas J. Barrett, Commanding officer of Reese Air Force Base, today expressed deep concern for the rights of the Lubbock area. He pointed out that low-flying aircraft, or aircraft engaged in violent maneuvers present a definite hazard to people on the ground, to property, and to the pilot himself. Colonel Barrett stated that safety should be the prime objective of every pilot; but he said, though the experienced pilots realize the dangers involved in flying and exercise all precautionary measures, in the majority

of cases, it is the young, inexperienced pilots who are inclined to "cut up" and endanger lives and property.

He stated that an occasional tragedy could be prevented by a more strict control made possible through reports from neighboring civilians who observe dangerous maneuvers. He suggested that both persons and property would be benefited if anyone witnessing low-flying aircraft or acrobatics report the incident to him. Colonel Barrett further stated that he would accept collect calls at Reese from anyone having information

Cpl. S. L. Jones Home on Leave From Washington

Cpl. Sherman L. Jones, arrived home recently on a 10 day leave from Walter Reed Hospital, Washington, D. C. where he has been a patient for the past several weeks. He is visiting his mother, Mrs. Eunice Jones, 707 W. 8th street and his father, W. O. Jones, and also his sister and brother-in-law, Sgt. and Mrs. Gerald Cutshall. Cpl. Jones who was the only survivor of a massacre in Kiasong, Korea last October 22, and who was a prisoner for more than three months, and who was seriously injured when he was shot through the ear and face, by the enemy, has been receiving treatment at the hospital. He expects to be admitted to a veteran's hospital either in Amarillo or Oklahoma where he will receive plastic surgery.

His furlough will end Monday, October 8th, but he expects to receive an extension.

Olton Legion Elects Officers

At a regular meeting recently the Olton Post of the American Legion elected officers for the coming year.

The following officers will be installed at the next regular meeting: G. H. Bley, commander; Adrian Carruth, vice-commander; D. E. Howton, adjutant; Louis Patterson, finance officer; and I. B. Holt, post service officer and historian.

concerning this type of flying. He asked that witnesses attempt to obtain the number and type of the aircraft, the time and place of the observance, and relay it to him. He reiterated that by notifying him of all dangerous flying, the observer might save the life of some young pilot, some innocent bystander, or perhaps prevent damage to valuable property.

"I've driven 50,000 Miles, so I know!"

'50,000 Miles No Wear'

with New Conoco Super Motor Oil!"

says D. C. Lemmons
Construction Contractor
Brownwood, Texas

"I am continually running from one of our jobs to another, in all kinds of weather, over all kinds of roads," says D. C. Lemmons. "In my car, and in our trucks and cement mixer, I must have a motor oil that can stand up under dust, dirt and cement powder. That's why I was so interested in your story of 50,000 Miles—No Wear."

"Since changing to Conoco Super Motor Oil, I've driven my personal car more than 50,000 miles. That's why I know—50,000 Miles—No Wear has sure been true for me. Since I can't afford to take chances on ordinary oil, it's Conoco Super one hundred percent for me!"

Change Now—For Summertime Performance All Winter! Protect your engine from winter's rasping wear. Change to new Conoco Super Motor Oil, with OIL-PLATING. Get quick starts, fast pickup, better performance all winter.

Proof of 50,000 Miles—No Wear! After a punishing 50,000 mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Factory finishing marks were still visible on piston rings! Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Methodist Home Children in Sunday Radio Series

The Methodist Home Choir of Waco, Texas, will be a feature of the radio series, "These Are Your Children" heard each Sunday morning at 8:15. The programs will continue through December 16, over 15 radio stations in Texas and New Mexico, featuring stories of life at the Methodist Home for Children, according to Hubert Johnson, Superintendent of the Home. Mr. Johnson said that a few of the many interesting and inspiring subjects to be brought into the home via radio on Sunday mornings will include religious training and counsel a child receives; how he is taught to work and to assume responsibility; his general education and study helps; vocational training plan and how he is sheltered, clothed and fed. The Methodist Home is owned by Methodist Churches in Texas and New Mexico and houses more than 400 children. The Home is non-sectarian. Stations which will carry programs include: WFAA, Dallas; WOAI, Antonio; KPRC, Houston; KRGV, Corpus Christi; KRGV, Waco; KGNC, Amarillo; KRDB, Pecos; KGGM, Albuquerque; KFYO, Lubbock; KFDM, El Paso; KFRO, Longview; KBBB, Brownsville; KERB, El Paso; KTVC, Austin; KBST, Big Sp.

Amherst F.F.A. Wins \$40 at Tri-State Fair
 The Amherst high school Future Farmers of America chapter was winner of \$40 on their exhibit at the Tri-State Fair in Amarillo, which was held last week.
 Jack Mixon, A. L. Nutall, Dick Brantley and Porter Nutall along with their instructor, A. T. Hedgpeth went to Amarillo. The exhibit was a demonstration of a balanced farming program, which includes bench leveling and irrigation.
 They demonstrated a 320 acre farm. One hundred and seventy five acres in cotton, 90 acres in grain sorghums, 25 acres in permanent pasture, 12 acres in alfalfa, 15 acres farm stead and 3 in home, garden and orchard.
 They bench leveled it on four grade levels. They put in an automatic water system which was running during the fair.

DISTRICT 7-AA
 (Continued from Page 1)
 ran around right end for 65 yards on the first offensive play of the game for the Mules lone score.
 The Morton Indians suffered its third loss also when the Sundown Roughnecks handed them a 26 to 0 score. The game was dotted with Morton fumbles and the Sundown Roughnecks were never forced to punt. Morton has one victory to its credit and that a 13 to 7 win over Whiteface.
GAMES THIS WEEK
 Games this week will find the Littlefield Wildcats journeying to Paducah for a clash with the Dragons.
 Levelland will play host to the Monoban Loboes while Morton will journey to Slaton for a game with the hapless Tigers.
 Brownfield will play at home this week and will really get a test when they take on the Seminole Indians.
 Mule shoe will stay at home also as they will play host to the Sundown Roughnecks.
Amherst Wins
 (Continued from Page 1)
DUMAS DOWNS OLTON
 The Olton Mustangs, pre-season favorites to win the district title, journeyed to Dumas and came home downhearted as they took a 18 to 13 licking from the Demons of the upper Panhandle. Dumas scored first in the opening period, but had to come from behind in the final period to win after Olton had gone ahead. This is the second loss of the season for Coach Vic Clark and his Mustangs. They were defeated earlier this year by Lockney and since Dimmitt defeated Lockney, they therefore take over the favorite spot in the district and now loom as the team to beat for the title in District 2-A.
SUDAN JUNIORS LOSE
 The Sudan Junior High team was defeated by the Farwell Cowhands Thursday night, 25 to 0, in a game that was played in Masten Stadium in Sudan.

FIRE PREVENTION WEEK
 OCTOBER 7 to 13

Carefulness prevents FIRE! INSURANCE prevents loss!

You can lessen the possibility of fire, by developing the "carefulness" habit. But should the devastation of fire strike, regardless . . . if you are not insured you will be the first to accuse yourself of unforgivable carelessness. Be doubly protected! Prevent "careless" fires where possible; and loss through fire, with certainty, by insurance, now!

TEXAS CROWD A'MIGHTY

To an eagle flying overhead, this is the way the crowds at the State Fair of Texas might have looked last year. This year, as more than 5,000 workmen ready the magnificent fairgrounds at Dallas for the 66th annual exposition, October 6-21, the flurry of activity might look like this picture too. The photograph shows only a small segment of the 187-acre, \$35,000,000 fairgrounds, of course. More than 2,000,000 people are expected to visit the fair this year, the world's biggest and best state fair.

Pvt. Donald Tirey Completes AF Basic Airmen Course

Pvt. Donald Tirey, 20, son of Mr. and Mrs. Will F. Tirey, Star Route One, Littlefield, Texas, has completed his AF basic airmen indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."
Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.
His basic training has prepared him for entrance into Air Force technical training and for assignment in specialized work. The course included a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Happy Though 60 Is Aid-for-Aged Plan

Thomas Desmond, 60, has a walk-alike plan to help the aged. He says it's never too late to start. Desmond started about 50 years ago. He worked his way through high school, Harvard and Massachusetts Institute of Technology, labored on construction crews, saved his money, established his own engineering business, made a fortune, married the girl of his choice, retired from business at 41 and went into politics. For the last 20 years he has been New York state senator.

For the past 30 years he has had a complete health check-up every year. Today he is a bronzed

vigorous 63 and one of the hardest working men in New York. He has several hobbies—but his main love is an arboretum of 700 trees, shrubs and woody vines which brought him a flock of gold medals.

After World War II, when Sen. Desmond was studying unemployment problems, he discovered that thousands of people over 60 were having an extremely rough time because they were jobless, poor, rejected and ill. So he instigated a state study of their problems and headed the New York State Joint Legislative Committee on Problems of the Aging, which developed the plan to benefit them. It urges that the state, cities, industry, labor and citizens groups join forces to help oldsters get jobs, improve their health and enjoy creative hobbies, in the belief that, if they receive these aids, thousands can remain well and self-supporting after 60.

WHAT! NO COWBOYS?—Charles Torchia, 5, just knew he wasn't in Texas, because all he could see in San Antonio were city suits, white shirts and ties. He knew Texans wore boots, blue jeans and guns. It cost his

Desmond introduced bills covering state action in the legislature and wrote mayors of 50 cities. He believed the plan could save New York tax payers millions by cancelling much of the present need for more expensive services.

"WE HAD BETTER give attention to this problem fast," says Sen. Desmond. "In the country there are 11½ million people who are 65 and over—and that is almost twice as many as there were 20 years ago. At the same time, life is much harder for elderly people than it used to be. More people live in cities in small apartments, where there is no room for grandparents.

"We toss people on the industrial scrap heap at 65 and then tax ourselves for their support. Two and three quarter million people who are 65 and over are drawing old age assistance today. But the support is far short of the need. Old age assistance averages \$45 a month. Social security payments to single people average \$25 a month.

"MANY ELDERLY people want to go on working, but can't get anybody to hire them. Two years after they leave the payroll, many die of heartbreak. Others brood and fret until they sicken or become senile. And many of these end in state-supported hospitals for the chronically ill or mentally ill. Our study revealed that 25 per cent of the people in New York state mental hospitals are 65 or more.

"All this unhappiness is being bought at terrific cost. The partial cost to the people of New York state of the care of oldsters every year is \$601 million. No one knows what it costs the entire country."

This is what the New York state plan for oldsters proposes in the field of work:

Start a job-finding service for elderly people in every sizable town. Place an expert in every local office of the State Employment Service to give oldsters counselling and placement service. Let the two offices cooperate. Maintain a full-time agency in the State Labor Department to do an educational and publicity job aimed at breaking down prejudice against elderly workers.

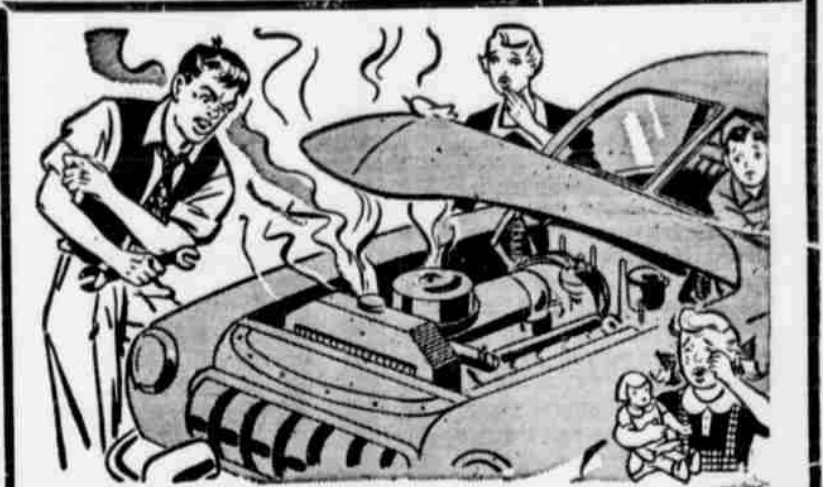

In the field of health the plan proposes that both state and city health departments start divisions and activities to fight the diseases of old age and teach people how to be healthy in later years.

Cats Win

(Continued from Page 1)

son the extra point was not made this time and Littlefield was ahead 24 to 0.

30-0 At Half

Littlefield scored once more before halftime when Joe Walden intercepted a pass that was blocked by Freddy Howard and went back through the middle of the Slaton team for 50 yards and a touchdown. Again Rhoten tried to pass the extra point over and again it was no good, but Littlefield was ahead of a 30 to 0 score at the half.

At the beginning of the second half Joe Walden took the Tiger kickoff and ran it back 95 yards for the touchdown. Good downfield blocking contributed to this return as the Littlefield line cleared the way for the fleet-footed Walden who couldn't be denied as he slipped away from tackle after tackle to keep on his way. A pass to End Kennermer was knocked up into the air and caught by tackle Freddy Howard for the extra point.

Tigers Score

Slaton's offense couldn't get rolling all night and the next time they got the ball they were forced to punt the ball again and this time it went out on the Cats' 25-yard line. After four plays the Cats had moved the ball to mid-stripe. From there Northam ran 50 yards for a touchdown. Rhoten's pass to Bill Jones was knocked down and the extra point was no good.

On the next kickoff, Tiger back Bill Lambert took the ball on his own 20-yard line and cut to the sidelines and went 80 yards for the Tiger lone tally. Center Stanley White kicked the extra point to give Slaton their seven points.

Cats Play Subs

The third quarter ended a few minutes later and Coach Fikes played his substitutes the fourth period. They also stopped the Slaton attack and did all right in the ground gaining department themselves. These substitutes that are playing for the first time in a game this year were outweighed about 40 pounds to the man, but they showed that they could hold their own. Two backs that looked good were William DeSauttel and Fred Martenz.

Outstanding linemen of the night for the Cats were Ends Bill Brantley, Doyle Gipson, Tackle Freddy Howard and Guard Don Nichols. In the backfield it was Northam, Walden, Rhoten and Bill Jones who did wonderful in the pass receiving department.

Yardage Statistics

Practically every back Littlefield had got into the yards gained rushing department this week as Coach Fikes played substitutes in the final period. M. C. Northam ran 11 times for 172 yards gained and gained another 10 on a pass play for a total of 182 yards in 12 tries for an average of 15.2 yards per carry. Joe Walden ran 12 times and gained 118 yards. He also had one pass thrown to him but he lost a yard on it. He is an average of almost 11 yards per try. These figures do not cause the yardage the two backs gained in returning punts and kickoffs. Joe Walden returned one kickoff back 95 yards for a touchdown and he also intercepted one pass and ran it back 50 yards for a touchdown. This, however, does not go into the yards gained rushing from scrimmage column. Jackie Beckner, wingback, did not run with the ball a single time due to a twisted knee. Bill Jones got a chance to show his stuff this week and gained 22 yards on pass catches, but failed to gain the one time he ran with the ball.

Quarterback R. L. Rhoten ran with the ball three times and gained 10 yards. Fred Martinez ran with the ball once and gained four yards. Darrel Kennermer caught one pass and it was good for 39 yards. William DeSauttel ran with the ball once and gained eight yards. Bill Brantley caught one pass that was good for 10 yards and Littlefield's first touchdown. It was thrown by Bill Jones. Tommy Shelby ran with the ball twice and gained three yards on one try and fumbled it on the other. All total Littlefield gained 326 yards rushing and 72 passing. Slaton managed to gain only 91 rushing and 26 passing.

Many of Littlefield's long gains were called back on penalties. Littlefield got 13 penalties for 105 yards while Slaton was penalized eight times for 90 yards.
