

Woodmen Circle Attends Institute

Members of Loyalty Grove No. 2178 who made the trip to Denver, Colo., for the national institute held there, Sept. 30 to October 3, returned home Saturday morning, and all reported a wonderful time.

The group left Amarillo Sunday morning, Sept. 29, by the Woodmen Circle special train, arriving in Colorado Springs at 4 p.m. for a three and a half hour stop for a sight-seeing tour. To everyone's disappointment, a trip up Pike's Peak could not be made, due to a very big snowstorm. The tour consisted of a visit to the "Garden of the Gods" in special buses that met the train, and a visit to the Will Rogers Shrine of the Sun, and the Cheyenne Lodge on the summit of Cheyenne Mountain, which is 7,654 feet high. The shrine is 100 feet high and the winding stairway is very beautiful. From the balcony of the shrine one has a wonderful view of the country for miles and miles in every direction. The beautiful chimes in the dome sound every 15 minutes. The \$2,500,000 Broadmoor-Cheyenne highway up the mountain is a very beautiful and exciting drive.

In the "Garden of the Gods" the Balanced and Steamboat rocks were about the most interesting, although there were lots of beautiful rock formations and the drive was one of great interest to everyone. A wonderful view of Pike's Peak in the background made it more interesting.

The special train arrived in Denver at approximately 9 o'clock. Special buses met the train and took each party to their respective hotels. The Littlefield group was at the Crost Hotel.

Breakfast was served Monday morning in the Lincoln Room of the Shirley Savoy Hotel, headquarters of the institute, with Mrs. Florence H. Jensen, national director and state supervisor of Nebraska and Colorado, presiding. Hon. Ben F. Stapleton, mayor of Denver, gave a very hearty welcome to everyone present. A hearty welcome was given also by Hon. T. W. Midkiff, president of the W. O. W. of Denver.

A beautiful pageant was held Monday night in the Rainbow Ballroom. A beautiful star was formed for Texas, around Mrs. Jeanie Willard, national vice-president, Denison, Texas. The Littlefield members were a part of the star. Following the pageant, a grand finale of some 250 or 300 women was presented.

Tuesday morning brunch was served in the Lincoln Room. The Littlefield group spent Tuesday afternoon in a sightseeing trip of the city of Denver. Tuesday night a ritualistic meeting was held. The La Rocca-Tally Guards of Omaha demonstrated the teamwork. It was really a treat for Littlefield visitors to see the ritualistic work put on in such a distinguished way. Mrs. Willard was in charge of the meeting.

Wednesday morning the group attended a welfare breakfast, with Mrs. Faye K. Littman, welfare committee-woman, presiding. "The Home and Those Who Dwell Within," and "The Woodmen Circle Home," by Mr. and Mrs. J. A. Alexander, superintendent and hostess of the home for aged and orphan children, at Sherman, Texas, was of very great interest to everyone. "What the Woodmen Circle Home Has Meant to Me" was given by June Walker, a beautiful girl from the home. These talks were greatly appreciated by everyone and especially those who have never had the opportunity to visit the home.

A banquet was attended Wednesday evening in the Lincoln Room. Mrs. Dora Alexander, national president and a Texan, was toastmistress. All drill teams were served breakfast at the Shirley Savoy Hotel Thursday morning, with Mrs. Henrietta Ruder, national director, as presiding officer. Mrs. Willard and Mrs. Marie Hecker, national captain, discussed leaders. Following the breakfast, eight drill teams exemplified.

Hudson and Lindley Lease Pope Cafe

Announcement has been made of the leasing by Clyde Hudson and Byron Lindley, both of Littlefield, of the Pope's Cafe from R. L. Byers, and also taking over of the bus depot, formerly operated by Mr. and Mrs. Jack Pope, taking effect Tuesday morning.

A deal was closed Monday where Mr. and Mrs. Pope sold to Mr. Byers, the owner of the building, the equipment, supplies and furnishings of the business.

Mr. Lindley and Mr. Hudson will take an active part in the management of the business.

Mr. Hudson is owner and manager of Pope's Market, which he will continue to own and operate.

Mr. Lindley is the son of Mr. and Mrs. B. W. Lindley, and has been working with his father in the operation of a wholesale meat business since June last, when he was re-

More Farm-to-Market Roads Are Proposed for Lamb County

Program Would Include Paving Of Seven Arteries

Petition Expected To Be Presented To Co. Commission Soon

Several farm-to-market roads are proposed in a program which is receiving the attention of property owners and public officials in Lamb County.

Included in this program are the following:

- The paving of the road from Spade south to the county line.
- Paving of the old Fieldton road, at the end of Oklahoma Ave., and extending north four miles.
- The improvement of a road from Pep north to join the east and west highway.
- The paving of a road from Beck's Gin south to join the east and west highway.
- The improvement of a road south of Amherst from the present pavement and extending south to east and west highway 54.
- The paving of a road by the old E. Mueller place and going west to join the pavement south of Amherst, and
- A road in vicinity of Weeks-Bagwell Gin running south to the county line.

It is understood that there has been no petition made to the commissioners' court as yet, but that it is in process of being circulated, and will be presented in the very near future.

leased after over three years in the service. Mr. Lindley, Sr., disposed of his meat business recently. Mr. Byron Lindley served in the Air Corps as a B-29 pilot, and was en route overseas when peace was declared.

This eating establishment will be operated under the name of "IT."

The new owners announced Tuesday that they would stage their formal opening Friday, and that free coffee and doughnuts would be served all day during Friday. Also they announced that special prices would be charged for meals throughout the day as an introductory feature.

This eating place will specialize in seafood, and chicken and steak dinners, and plans to cater to club luncheons, suppers and club parties.

The new owners also announced they are revising the cafe menu, and state that moderate prices will be charged at all times, and that every effort will be made to serve the best food, extending patrons efficient, courteous and prompt service by experienced waitresses.

"Slim" Huckabay has been employed as chef.

Mr. Lindley and Mr. Hudson invite all their friends to visit them at their new location, and also solicit the continued patronage of customers of Mr. and Mrs. Pope. They also invite the younger set of the city to make IT their headquarters, as well as the football players and their friends to visit them after the games.

Mr. and Mrs. Kenton King of Amherst spent the past weekend in Lubbock visiting friends. Mr. King is medical technician at the South Plains Co-Op Hospital.

JUNIOR HIGH TO PLAY LUBBOCK TEAM TODAY AT SEELY FIELD

Area Gets 4.32 Inches of Rain

Drought-breaking rains sweeping through West Texas, the South Plains and the Panhandle area in the past four days, have provided a splendid underground moisture beneficial to 1947 crops, and virtually assured winter wheat pasture for livestock grazing.

Rain started to fall here Thursday night and, except for short intervals, continued until Monday about noon, when the sun began to shine again. The moisture falling as it did, slowly and steadily, was especially beneficial to the soil.

The four-days' rain which was general over the entire Littlefield trade area, netted this district 4.32 inches, as follows: Thursday, 15/100ths of an inch; Friday, 1.92 inches; Saturday, 33/100ths of an inch; Sunday, 1.77 inches; and Monday, 15/100ths of an inch.

This information was furnished the Leader through the courtesy of the West Texas Cotton Oil Company, which announced a total moisture this year of 17.96 inches, as against a total rainfall for 1945 of 10.77 inches.

The torrential downpours over the Plains inundated farm lands, disrupted rural road traffic and railroad service, and sent water three feet deep through the streets of some communities. There is reported to be more water in the lakes, and over low places than there has ever been recorded in this area. Country roads were made impassable.

Amarillo reported that the 5.01 inches of moisture received as the greatest October 1-6 moisture reported in the 52-year records of the Amarillo weather bureau.

Between 200 and 300 automobiles were reported stranded on highway 66 most of Sunday night at an underpass near Bushland.

Lubbock reported 4.42 inches; Levelland, 4.52 inches; Dimmitt, 7 inches; Plainview, 4.38 inches; Sudan, Amherst and Spring Lake, about 5 inches; and Anton, over 4 inches.

Many schools of the South Plains cancelled classes Monday because of impassable roads, and officials said it might be several days before all can reopen. Schools closed included Olton, Halfway, Petersburg, Lockney, Hale Center, Dilson, Southland, Shallowater, Idalou, Roosevelt, Acuff (Canyon district), and Frenship. School was being held at Cooper, but buses were only running on the pavement.

School Holidays Set by Board

At a regular meeting of the Littlefield school board Monday night, the following school holidays were set: Thanksgiving, Nov. 28 and 29; Christmas—schools will turn out December 20, and reconvene on December 30.

Drive carefully in the school zone.

N. M. Eleven And Locals to Provide Good Football

Littlefield Wildcats Have Perfect Record Of Wins This Season

The Littlefield Wildcats, with a perfect record this season, will face another group of opponents this Friday night at Seely Field.

The Cats will meet the Lovington, N.M., High team in a non-conference game. The Lovington team has tangled with some fast elevens, and with creditable achievements, and a good game is being looked forward to for Friday night.

The starting lineup for Friday night's game will be as follows:

Lovington—Byers, left end; Jackson, left tackle; Webber, left guard; Lacy, center; Camp, right guard; Covington, right tackle; Osborn, right end; Hart, quarterback; Stratton; blocking back; Black, fullback; A. Webber, tailback.

Littlefield Wildcats—Gene McCann, left end; Jiggs Walker or Warren Rutledge, left tackle; Bobbie Coen, left guard; Royce Jennings, center; Billy Wayne Sisson, right guard; R. L. Brewster, right tackle; Jack Davis, right end; Travis Price, quarterback; Jackie Shelby, blocking back; Gene Carter, tailback; Sabin Hendrickson, fullback.

Officials: Barrett, referee; Winberley, head linesman; Judd, umpire.

Leader Installs New Equipment

In connection with the postwar improvement program underway by the Lamb County Leader, considerable new equipment is being installed.

This week the Leader installed a new No. 7 Boston power stitchee and an Elliott Addressograph system. The new stitchee is for use in the job printing department, particularly for the stitching of books. This equipment has a capacity of any thickness in any number of sheets, from two sheets to several hundred, or 7/8th of an inch. This is the best equipment of the kind available.

The Addressograph system represents the latest method in mailing out weekly papers and magazines. With this equipment the name of the subscriber is printed directly on the newspaper and not on a label, which eliminates all possibility of an address being lost. With the early placing of this new equipment in use, the time involved in mailing the Leader will be reduced by 75 per cent.

Recently this newspaper installed the Hammond Easy Kaster for the making of advertising and news cuts, which is the latest equipment of its kind, and will take a mat the size of a newspaper page.

Plans are underway to redecorate the interior of the building throughout.

Will Dedicate Font To Littlefield Boys

A baptismal font, given as a memorial from the parents, will be dedicated to the memory of four Littlefield boys who lost their lives in the service of their country, Sunday morning at 11 o'clock at the First Methodist Church, Littlefield, with Rev. Orbin Turner, pastor, officiating at the ceremony.

Local boys to whom the dedication is being made are: Pvt. Melvin Lloyd Reid, 200th Coast Artillery; Pvt. James David Glenn, Air Combat; Pfc. Van Eugene Clark, 58th Armored Infantry; and Pfc. Webster Clay Lakey, 20th Air Force.

Visiting His Parents

Private Ross Wallace is visiting his parents, Mr. and Mrs. E. Wallace, of 604 W. Second Street, Littlefield. Ross has just finished a course of study in the "aircraft welders" school at Chanute Field, Ill., and received his diploma September 20. He arrived in Littlefield Friday, October 4, with a 10-day leave, en route to Miami, Florida, for which place he will leave here about Friday. Ross has been in service about nine months.

Parents, drive slow.

Felix Bass Found Dead Near Melrose, N. M., Tuesday A. M.

Funeral Services Conducted Here Wednesday Afternoon

Three suspects were arrested Tuesday night in the slaying of Felix Edward Bass, 34, of Littlefield, whose body was found about four miles east of Melrose, N.M., on the Clovis highway, about 9 o'clock Tuesday morning, with his throat slashed, stabbed in the side and leg, and head and face bruised.

Officers, who reported evidence of a great struggle, are looking for a fourth suspect in the case.

The suspects, three Latin-Americans about 20 or 21 years of age, were taken into custody by Chief Deputy Sheriff Jimmy Clark of Clovis, at a farm four miles northeast of Melrose, and were taken to the county jail at Clovis. The Clovis officer stated the three suspects were broomcorn pullers, who had been identified as the victim's companions the night previous.

The body was found by a gravel hauler Tuesday morning, about 300 feet from where the Bass automobile was parked on the side of the road.

Robbery is believed to have been the motive for the slaying. However, \$20 was found in the dead man's left hip pocket, and about \$80 in a billfold under the seat of the car.

Considerable time was involved in identifying Bass. He was identified by the name on his Navy underclothing.

Clovis officers phoned Sheriff Sam Hutson here, who notified the victim's father, W. E. Bass. Mr. Bass; another son, Eugene Bass; Sheriff Sam Hutson, Billy Hall and J. L. Murdock, all of Littlefield left immediately on learning of the tragedy. Sheriff Hutson and Hall went on to Melrose to investigate the slaying, while the rest of the Littlefield party returned here with the body.

The dead man was last seen alive about 11 o'clock Monday night in a cafe at Melrose.

The victim's father reported to the Leader that his son, who had been working with him in the cotton business had, with his wife and young son, visited her parents, Mr. and Mrs. R. T. Bertrum, at Lubbock Sunday, remaining overnight there, and had come to Littlefield Monday afternoon. However, Mr. Bass, Sr., was rain-bound at his farm south of town and, not getting into town, missed seeing his son, who had inquired about his father on not finding him at his cotton office, and went on the trip without seeing Mr. Bass, Sr. Members of the family believed the victim had left here intending to make a business trip to Albuquerque, N.M.

Funeral services for the victim were conducted at 3 o'clock Wednesday afternoon at the First Methodist Church, Littlefield, with Rev. Orbin Turner, officiating, assisted by Rev. Lee Hemphill, pastor of the First Baptist Church.

Burial, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Mr. Bass is survived by his wife, Mrs. Willie Vee Bass, and his five-year-old son, Billy, of Littlefield; his mother, Mrs. Mattie May Bass, of Lubbock; his father, W. E. Bass, of Littlefield; three sisters, Mrs. George McKelvy of Lubbock, Mrs. Wilson Turner of Levelland, and Mrs. Joe Whittus of Dallas; and one brother, Eugene Bass, of Littlefield.

The Bass family have been residents of Littlefield since 1940.

The murder victim was born February 9, 1912, and was a member of the Methodist Church.

He served more than two years in the U. S. Navy, with the medical corps, and was discharged in December last. Since he was released from the service he had been in the cotton business with his father and brother.

Formal Opening of New Dennis Jones' Service Station Saturday

Handles Complete Line of Cosden Company Products

Gifts Opening Day For Automobile And Truck Owners

Dennis Jones, who has been in the service station and tire business in Littlefield since 1932, has just recently completed the construction of a large new building, on the curve of the Lubbock and Levelland highways, and is announcing his formal opening for Saturday, Oct. 12.

The property, which is of stucco construction, and painted white, has a floor space of 52x34 feet, with an office 20x20 feet, and a washroom

12x30 feet. Big wide concrete drives lead into the station from highways 84 and 51. Fluorescent lights are installed in the interior of the building, and in the canopy over the driveway.

On opening day Mr. Jones has announced he will give a free lubrication job with each purchase of 10 gallons of gas, and that there will be gifts for all automobile and truck owners visiting his station.

The Dennis Jones Service Station and Tire Store is handling a complete line of Cosden products, including Cosden Ethyl Gas, Cosden High Octane, and Cosden Para-Fine Motor Oil. They also handle Veedol Oil, and the well known lines of Star and Gates Tires and Tubes, and Batteries for cars, trucks and tractors.

They have also installed the latest equipment and supplies in their washing and lubrication department.

The Dennis Jones concern is selling gas and oil both retail and wholesale, and are equipped to deliver to the farmers over the trade area.

ENVOY SEAGO IS IN CHARGE OF SALVATION ARMY WORK HERE

Mr. Jones first came to Littlefield in 1925 and, after spending a couple of years here, went to Mangum, Okla., returning here in 1932 and entering the service station business, which he has continued since that time. The first service station owned by Mr. Jones was located across from the present courthouse and on the site now occupied by the Hall Motor Company, which he acquired from Sam Hutson. He owned and operated the Dennis Jones Service Station across from the post office for many years, and until he constructed his new building.

Assisting Mr. Jones in the operation of his business is John Hanks who spent 2 1/2 years in the service as a glider maintenance man, and who was discharged in January, 1945. Mr. Hanks was employed at the Jones Service Station about 1 1/2 years before he went in the service, and has been connected with the station about two years since his discharge. Howard Howe, another employee, has been connected with the Jones establishment about a year, and assists Mr. Jones in servicing the trade. Mr. Hanks has charge of the wholesale distribution.

Mr. Jones extends a hearty invitation to all his friends and customers to visit him on opening day Saturday.

Cotton Advances Six Dollars Bale

Cotton, poultry and eggs continued to climb higher, fruits and vegetables picked up strength, livestock and most grains, except sorghums, were steady to strong at southwest markets last week, USDA's Production and Marketing Administration reported.

Cotton advanced about \$6 a bale into new high ground last week. Nearly all grades found buyers. Demand continued stronger with ship-

pers buying current ginnings mainly to fill back orders. Farmers generally sold cotton as fast as they ginned it. Sales in the 10 spot markets jumped to 200,7000 bales last week, compared with the 172,500 bales the preceding week and 179,300 a year ago for the same period.

Wheat went up a cent a bushel and rice advanced in line with new week's close. Sorghums lost a nickel a hundred nearly every day last week. Feed held firm, but good pastures in most southwest areas reduced demand below normal for this season.

Louisiana sweet potatoes gained about 10 to 20 cents a bushel last week over the previous week's close. U. S. No. 1 Puerto Ricans sold mostly at \$2.30 to \$2.40 per bu. crate at Louisiana shipping points. Also, meat consumer markets reported stronger prices for yams. Irish potatoes at midwest markets and Colorado shipping points reflected the slightly stronger Chicago market. Colorado cabbage and New Mexico carrots found fair demand at steady prices, but Louisiana cucumbers were slightly weaker. Onions remained dull at depressed prices. Demand for new crop peanuts continued slow, probably because peanut butter manufacturers can't find glass jars. Fort Worth reported a few sales of No. 1 peanuts at 14 1/2 cents.

Eggs and poultry continued to advance last week as broad demand accentuated by the meat shortage quickly cleared light supplies at most southwest markets. Turkeys were firm, too, with young toms selling mostly at 33 to 35 cents a pound at Fort Worth.

Southwest cattle markets reported slightly heavier receipts last week. Prices held generally steady for light runs of slaughter classes, but stockers had a week undertone. Common and medium cows brought \$8.25 to \$11.50, Houston, \$9 to \$11.50, Wichita; and \$9 to \$12, Oklahoma City. Common to good cows brought \$10 to \$14, Denver; and medium and good grades, \$10.50 to \$13.50; San Antonio. Common and medium steers and yearlings realized \$11.50 to \$14.50, Houston, while medium and good grades brought \$14 to \$18, Fort Worth.

Southwest hog markets continued to sell all weights and classes at ceiling prices as meager supplies failed to satisfy the broad demand.

Lambs held steady and ewes advanced 25 to 50 cents a cwt. last week at most southwest markets. Common and medium lambs brought \$12.50 to \$14.50, San Antonio, while medium and good fat kinds realized \$15.50 to \$16.75, Fort Worth, and \$16.50 to \$17.75, Wichita. Good to choice lambs reached a top of \$18.50, Denver and Oklahoma City.

Domestic wool continued active at Boston as buyers bought heavily to beat the price increase of October 7.

Milk and butter prices held firm as supplies continued inadequate to meet demand.

CHRISTIAN SCIENCE SERVICES

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 13.

The Golden Text is: "In the way of righteousness is life; and in the pathway thereof there is no death" (Proverbs 12:28).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The fear of man bringeth a snare; but whose putteth his trust in the Lord shall be safe" (Proverbs 29:25).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When it is learned that disease cannot destroy life, and that mortals are not saved from sin or sickness by death, this understanding will quicken into newness of life. It will master either a desire to die or a dread of the grave, and thus destroy the great fear that besets mortal existence" (page 426).

Only the females of the mosquito family suck blood.

Police to Instruct School Children In Safety Program

The State Department of Traffic Safety will conduct a school of instruction in the Littlefield schools within the next few weeks.

There will be highway patrolmen here who will talk to all of the school children from each of the three schools, Primary, Grammar and High School.

The local safety committee feels that this instruction will do much to benefit the traffic safety campaign.

Parents, drive slow.

Miss Marie Koke is Bride of Vernon D. Fielding

Mr. and Mrs. Will Koke are announcing the marriage of their daughter, Miss Marie Koke, of Littlefield, which took place Friday morning, October 4, at 11 o'clock, at the American Lutheran Church, Posy, Texas, with Rev. F. T. Sager performing the double-ring ceremony.

The bride wore a blue gabardine dress with black accessories.

For "something old" she wore a ring belonging to her grandmother. For "something borrowed" she carried a white Bible belonging to her sister, and for "something blue," her dress.

Mr. and Mrs. Sam Kearney attended the couple.

Mrs. Kearney wore a brown suit with brown and white accessories.

The bride is a graduate of Littlefield High School, with the class of 1942, and is a recent graduate of West Texas Hospital School of Nursing.

The groom served 3½ years with the Air Forces in the China-India

Burma area, being discharged in January, 1946.

After a short wedding trip, the couple will be at home at Post, Texas, where the groom is employed.

Those attending the wedding were: Mr. and Mrs. R. E. Fielding, parents of the groom; Mrs. Will Koke, mother of the bride; Mrs. W. C. Stewart, sister of the bride; Jake and Ned Fielding, brothers of the groom; Linda Groves, niece of the groom; and Doug Shehan, a friend.

A reception was held immediately following the wedding. The beautiful three-tiered cake was cut by the couple. Cake, tea, coffee and sandwiches were served to the following: Mr. and Mrs. Vernon D. Fielding, the honorees; Mr. and Mrs. R. E. Fielding and son, Ned, and granddaughter Linda Groves, of Lubbock; Mr. and Mrs. Will Koke and Dorothy; Mr. and Mrs. Walter Weige and children; Mr. and Mrs. O. H. Weige, Edwin and William Weige; Mrs. Mary Dessen, Mr. and Mrs. Sam Kearney of Smyer, Texas, and Mr. and Mrs. W. C. Stewart and children.

★ FASHIONS ★

Beauty and serviceability in women's clothes and cars are by no means incompatible. Shown above as pictured in the September issue of Good Housekeeping magazine is a beige-and-brown suit which combines these qualities. Also available in raspberry, taupe. New Oldsmobile is shown in background.

Miss Paulide Fielden and Lonnie Bass Wed Sunday

Miss Pauline Fielden, daughter of Mr. and Mrs. Bill Fielden of Amherst, became the bride of Lonnie Bass, son of Mr. and Mrs. W. M. Bass of Amherst, Sunday, October 6, at that city.

The beautiful single-ring ceremony was performed by Rev. Baker, pastor of the Methodist Church, Amherst, at the parsonage, at 3:30 o'clock in the afternoon.

The bride wore a lovely blue suit with black accessories, and a corsage of pink carnations.

Attendants were: Mr. and Mrs. J. P. Brontley, and Mr. and Mrs. V. G. Wood, sisters and brothers-in-law of the groom. Mrs. Brontley wore a blue suit with black accessories, and a corsage of red rosebuds. Mrs. Wood was dressed in a blue suit with black and white accessories. Her corsage was of white carnations.

The couple are both graduates of Amherst High School, with the class of 1944.

Mrs. Bass has been a resident of Amherst for the past nine years. She was employed at the South Plains Co-Operative Hospital as a nurse until July last.

The groom is engaged in farming a half mile west of Amherst, which the couple will make their home.

He served 18 months in the Army, of which six months were spent in Japan.

For a traveling suit, the bride wore a gray suit with red accessories.

After a short wedding trip to scenic points in New Mexico, the couple will be at home at their farm near Amherst.

Number Eastern Stars to Attend Grand Chapter

A good representation from the Littlefield chapter will attend the Grand Chapter of the Order of Eastern Star, which convenes at Houston Tuesday, October 22. The group will leave Littlefield Saturday, Oct. 10.

Among those expected to attend from here are: Mr. and Mrs. Pat Boone, Mrs. William Rumback, Mrs. Addie Hewitt, Marvin Keefe, and Mrs. J. D. Dodgen.

Miss Joyce Purdy and Paul Armes wed recently.

The First Baptist Church parsonage in Littlefield was the scene Saturday, Sept. 28 of a private wedding ceremony uniting in marriage the former Miss Joyce Purdy and Paul Armes.

Attending the couple were Denzil Wiseman, Sam Carr and Nora Herrell, of Sudan. Rev. Lee Hemphill officiated with the single-ring ceremony.

Mrs. Armes formerly resided in Littlefield with her parents, Mr. and Mrs. John Purdy. Mrs. J. B. Armes of Sudan is the groom's mother, while Mrs. J. T. Renfro, also of Sudan, is his sister.

The couple will make their home in Sudan.

Mrs. Olene Gibson Hostess to Junior Study Club Group

Members of the Junior Study Club met at the home of Mrs. Olene Gibson on West Third Street Thursday evening, with Miss Clara Jarman in charge of the program.

Miss Jarman had as her guest Mrs. Ralph Nelson, who reviewed the history of music. Her mother, Mrs. E. E. Luce, accompanied her on the piano, playing selection from different periods to show the advancement of music.

Refreshments of cherry pie and coffee were served.

Present for the occasion were: Mesdames Lucille Betts, J. H. Carl, Olene Gibson, Nettie Belle Hilbun and Miss Alma Allen, Melba Jean Byers, Margaret Coffman, Ruth Griffin, Alma Faye Henry, Erna Mae Hill, Clara Jarman, Dorothy Newgent, Janetta Robbins, Vernice Sanderson, Lucille Smith, June Wren and Thelma Wren.

The next meeting will be held October 17, at the home of Miss Laverne Hayward.

Mrs. Joe R. Hysinger honored at Straw Home Recently

A bridal shower honoring Mrs. Joe Ray Hysinger, formerly Miss Vilas Anne Zeigler, was given at the Jack Straw home in Olton, Friday afternoon, Sept. 27. Mrs. L. R. Bryant and Mrs. D. L. Bryant were hostesses.

Lovely fall flowers were used to decorate the Straw home.

Mrs. Bill Yates played several piano selections, and Mrs. L. R. Bryant read "How to Cook a Husband."

About thirty-three ladies were present, and many sent gifts which were unable to attend.

Refreshments consisted of chicken salad, coffee, rolls and cookies.

Honored on Her 96th Birthday

Mrs. Catherine Wicks of Anton was honored in the home of her daughter, Mrs. Will Servatius, Sunday, September 29. It was her 96th birthday. The home was decorated with beautiful flowers, furnished by Mrs. Andrew Coble.

Dinner guests were: Mr. and Mrs. Claude Thomas, Jr., of Lubbock; Mrs. Ethel Choate and Bobby, Mr. and Mrs. Bob Servatius and children, Mr. Lena Martin, Mr. Wicks, and Mr. and Mrs. George Harms and daughter, Lillie.

Paulie Waters Completes Course in Radio Work

Paulie Waters, Route 2, Littlefield, has completed a course in practical and theoretical radio and television, and has been awarded a diploma by the National Radio Institute of Washington, D. C. He finished the prescribed course of technical studies with creditable grades and is to be congratulated upon his achievement.

Church Women To Observe 'China Day' With Program

The Littlefield Council of Church Women will observe China Day Thursday, October 10, with a tea in the parlors of the First Methodist Church. This is an observance of China's birthday as a republic. An interesting program has been arranged, and a social hour will follow.

Mrs. G. M. Shaw Is Hostess to Church Women Monday Night

A special meeting of the Presbyterian Auxiliary was held Monday night at the home of Mr. and Mrs. G. M. Shaw.

The session was opened with "Onward Christian Soldiers," sang by the group, and prayer, by Mrs. W. H. Rutledge, followed by devotional on "Personal Religion and Social Responsibility" by Mrs. R. A. Bills, and song, "Throw Out the Life Line."

Mrs. Robert Badger reviewed a part of the mission study book, "India at the Threshold," by Brice, and Mrs. A. B. Haynes gave the closing prayer.

Refreshments were served to the following: Mesdames Don Hayes, A. B. Haynes, J. D. Hagler, B. W. Armstrong, Robert Badger, W. H. Rutledge, Neal Douglass, M. M. Brittain, Nina Whicker, B. A. Bills, and Miss Lula Hubbard.

The offering received will be sent for China relief. All the women of the city are cordially invited to attend. The hour is 3 p.m.

Mrs. A. H. Doherty, Jr. Honoree at Shower Friday Afternoon

Mrs. Joe Wells and Mrs. M. P. Reid were hostesses at a pink and blue shower at the home of Mr. and Mrs. Reid in Broadacres Addition Friday afternoon at 3 o'clock, honoring Mrs. A. Y. Doherty, Jr.

The home was a profusion of garden flowers for the occasion.

The honoree was the recipient of a lovely array of gifts.

A number of games were enjoyed, with Mrs. E. E. Joiner in charge.

The program also included a reading by Mrs. Joe Wells, and several selections on the piano by Mrs. E. J. Packwood.

The refreshment table was laid with lace cloth, and centered with a crystal bowl of Margarettes.

Those present were: Mesdames H. A. Collins, Joe Wells, Acree Barton,

E. J. Packwood, Lee Hemphill, T. H. McLarty, E. E. Joiner, N. H. Humphries, M. P. Reid, A. Y. Doherty, Sr., W. D. T. Storey, Bruce Porcher and L. K. Whitaker, and the honoree.

Those sending gifts but unable to attend were: Mesdames Faye Dawkins, Viggo Peterson, H. C. Dodd, L. E. Reid, Jack Wingo, Tom Matthews, W. B. Williams, Walter Timian, Birkelbach, Basil Turner, Maude Street, Pat Boone, Leo Orr and Bobby Ann Boyer, Hart Boyer, Mr. and Mrs. Bob Boyer, Mrs. Floyd Ferrell and Penney employees.

Five Candidates To Be Initiated In OSE Chapter Friday

The Littlefield Chapter of Eastern Star will meet in regular session at the Masonic Hall Friday evening, with Mrs. William Rumback, worthy matron, presiding.

It is expected that five candidates will be initiated into the chapter, and all members are urged to be present.

Local Eastern Stars Attend 'Roundup' Party at Muleshoe

Members of the Eastern Star Chapters of Littlefield, Plainview, Earth, Morton, Olton and Sudan were guests of the Muleshoe group at a "Roundup" party in the Fellowship Hall of the Methodist Church, Muleshoe, Thursday night.

About 200 Eastern Stars were present for the very enjoyable affair, at which all guests attended as cowgirls and cowboys and entered into the true Western spirit.

The program included cowboy songs, readings, and a sing-song by the group of old-time songs.

A "chuck wagon supper," including brown beans and chili, crackers, bread, pickles, onions, doughnuts and coffee was served.

Those attending from the Littlefield chapter were: Mr. and Mrs. Pat Boone, Mrs. Forrest Reeves, Mrs. Roy Ferguson, Mrs. Hendesson, Mrs. G. M. Shaw, Mrs. H. C. Edmunds, Mrs. T. S. Sales, Mrs. Addie Hewitt, Mrs. Lyle Brandon, Mr. and Mrs. Marvin Keefe, Mrs. William Rumback, Mrs. Katherine Rumback, and Miss Lula Hubbard.

Miss Margaret Bandy and Eugene Coward to Wed

Announcement of the engagement of Miss Margaret Bandy, daughter of Mr. and Mrs. John W. Bandy of Seagraves, to Eugene Coward of Crosbyton was made last Friday night, when friends entertained with a dinner at the home of Mrs. Bryan Brewster in Seagraves.

Cut flowers decorated the foursome tables, and placecards were miniature newspapers making the announcement.

The wedding will take place on Thanksgiving Day.

Miss Bandy, who was associated

Family Reunion At Home of Mr. and Mrs. G. C. Pass Sunday

A family reunion was enjoyed at the home of Mr. and Mrs. G. C. Pass over the weekend.

Mr. and Mrs. Wilbur Moseley of Temple, sister and brother-in-law of Mr. Pass, who spent ten days in the Pass home, were here for the reunion and left Monday.

Mr. Pass' sister, Mrs. Lillie Foster, of Lubbock, also spent the weekend here, returning home Monday.

Other members of the family enjoying dinner Sunday in the Pass home were: Mrs. Bill Pass and son, Garry; Mr. and Mrs. Sid Hopping and children, Billye Marie and Clifford Koke; and Glenn O. Pass of Del Rio.

SALEM IS RECIPIENT DUNLAP SCHOLARSHIP

Walter Salem is one of 11 candidates enrolled in the arts and science department of Texas Tech who recently received the Dunlap scholarship.

Administered by the Dunlap department of Lubbock, the scholarship is payable at the close of fall and spring semesters in checks of \$50 for an overall total of \$100. The award carries the stipulation, however, that students receiving it must maintain their outstanding grades.

Salem took the examination this year along with other valedictorians of the Lubbock trade center. Among other divisions of the 100, 30 scholarships were awarded to high school graduates with scholastic ratings.

DR. STEVENS HAS OPENED OFFICE IN SUDAN

Dr. G. E. Stevens, M. D., opened his office in the Greathouse building in

Sudan recently. He formerly practiced medicine for 20 years at Seminole, Okla.

Dr. Stevens is a graduate of American Medical College, St. Louis, Mo. Two sons, G. E. Stevens and Paul J. Stevens, are also doctors.

Camp Bowie To Be Discontinued

Camp Camp Bowie, Texas, is to be discontinued, according to War Department letter reaching Headquarters Fourth Army, Fort Sam Houston, Texas.

The 1853 Area Service Unit is discontinued and the installations transferred to the account of District Engineer, Galveston.

VISITORS FROM CALIFORNIA

Mr. and Mrs. C. W. Woodworth, Jr., of Los Angeles, Calif., arrived Wednesday to spend a few days with Mr. Woodworth's parents, Mr. and Mrs. C. W. Woodworth, Sr., following which they will go to New Jersey to live.

CARD OF THANKS

I wish to express our deep appreciation to our friends and neighbors for their kindness and thoughtfulness during my recent illness.

We wish to especially thank those who donated blood, and others who were so willing to help in this way had they been needed.

W. W. Allen.
Mrs. W. W. Allen.

CARD OF THANKS

We wish to express our deep appreciation and thanks for the kindness and sympathy shown us during the illness and death of our husband and father, R. R. Morgan.

We also wish to thank those who contributed to the beautiful floral offering.

May God bless each and every one of you.
Mrs. R. R. Morgan and Family.

CARD OF THANKS

I wish to thank the many friends of Littlefield, Morton, Bula, Enochs and other cities who were so kind to my husband and myself at the time of the accident in which he lost his right arm, and also while he was a patient at the Payne-Shotwell Hospital. I also wish to thank the nurses and doctors of the hospital for their kind ministrations of his needs.

I am indeed very grateful to every one for their help and kindness. May God bless each and every one of you.

I also especially thank the blood donor. It was indeed a fine service you rendered, and I want you to know it shall always be remembered.
Mrs. Luther Cammack.

Engagement of Miss Rowan Announced

Mr. and Mrs. Jack Rowan are announcing the engagement and approaching marriage of their daughter, Eleanor Ruth, to Chester J. Toney, son of Mr. and Mrs. C. E. Toney, of the Sunnydale community.

The ceremony will take place at the Rowan home, at the corner of East Eighth Street and Levellnd Road, Littlefield, Sunday afternoon, October 27.

The couple are both graduates of Littlefield High School. Mr. Toney was recently discharged from the Navy. Close relatives and intimate friends of both families will witness the ceremony.

Dr. T. M. Stemmmons of Amherst left Sunday for Chicago, Ill., where he will take a post-graduate course in eye, ear, nose and throat treatment.

Personals

George Porcher of Corpus Christi, Texas, arrived last week for a few days' visit with his parents, Mr. and Mrs. John Porcher, Sr., and other relatives here.

Maxey McKnight is a member of the Red Raiders from Tech College, and went to Dallas Friday for the game with SMU. Maxey, however, did not take part in the game.

Mr. and Mrs. J. W. Mosley of Temple spent ten days with Mr. and Mrs.

G. C. Pass, returning home Monday.

Mrs. O. A. Foster of Lubbock was a guest in the home of Mr. and Mrs. G. C. Pass over the weekend.

Mr. and Mrs. O. N. Graham and Leonard Graham of Hot Springs, N.M., spent from Sunday until Tuesday visiting relatives and friends here. Mr. and Mrs. Graham are operating a cafe at Hot Springs, and Leonard is operating a bakery.

Mr. and Mrs. Charles Hall of Olton visited Mr. and Mrs. Dick Carl in Littlefield Friday.

Mr. and Mrs. Henry Montgomery,

who operated a tourist cottage project at Hot Springs, N.M., and who have sold their business at that city, spent the weekend in the home of Mrs. Alice Douglass and daughter, Miss Erna Douglass. Mr. Montgomery is a nephew of Mrs. Douglass.

Mr. and Mrs. Barto Ramsey, who sold their business at San Angelo, Texas, are visiting in the home of Mrs. Ramsey's mother, Mrs. O. K. Yantis, Sr. They plan to locate in Lubbock.

Mr. and Mrs. Albert Wasson of Long Beach, Calif., arrived Friday, spending until Monday visiting in the home of Mr. and Mrs. W. E. Bird.

Miss Maxine Winters and Cpl. "Buster" Tidwell Wed Saturday

Mr. and Mrs. Pirron Winters of south of Littlefield, are announcing the marriage of their daughter, Miss Maxine Winters, to Cpl. Marion Arden (Buster) Tidwell, son of Mr. and Mrs. C. M. Tidwell, of Buia.

The beautiful double-ring ceremony took place at the First Baptist Church parsonage Saturday evening, October 5, at 7 o'clock, with Rev. Lee Hemphill, pastor, officiating.

The bride was charming in a light blue suit with black accessories.

She is a graduate of Littlefield High School, with the class of 1945, and has been employed as bookkeeper at Henry's Pontiac Service for the past nine months.

Mrs. Tidwell is a popular and accomplished young lady of unusual

personal charm, and has a large circle of friends in and around Littlefield.

The groom is connected with the ground crew of the Air Force, and has been in the service three years. He expects to receive his discharge in May next.

He took part in the Okinawa campaign, and spent some time in Japan, arriving back in the States in January last, since which time he has been stationed at El Paso.

Cpl. Tidwell arrived in Littlefield on a pass Saturday morning, and returned to his base Tuesday.

Mrs. Tidwell will continue with her work, and to live with her parents until her husband is discharged from the service.

Mr. Wasson is a brother of Mrs. Bird.

Mr. and Mrs. Charles Signor, formerly of Littlefield, but now residents of Houston, spent Saturday and Sunday in Littlefield. This was a business trip. Mr. and Mrs. Signor made the trip between Lubbock and Houston by plane.

Mr. and Mrs. W. I. Douglas of Altus, Okla., left Friday after spending a couple of days visiting Mrs. Douglas' sister and brother-in-law, Mr. and Mrs. T. R. Brasher.

Mr. and Mrs. G. M. Shaw, Mrs. Addie Hewitt and Miss T. S. Sales spent Sunday in Amarillo. Mr. Shaw and Mrs. Sales were buying merchandise for Dunlap's, while Mrs. Hewitt and Mrs. Shaw visited friends. Samples of merchandise were on display at the Amarillo Hotel.

Dr. and Mrs. Harry Phelps left Monday for Washington, Oregon and California. They plan on spending the winter in Oregon, with Dr. Phelps' mother.

Lewis Garnett of Spade enrolled in the Abilene Christian College September 23. Mrs. Garnett and baby accompanied him to Abilene. Garnett was discharged from the Navy about a year ago. He is going to school under the GI plan.

Mr. and Mrs. James Stokes of Lubbock spent the past weekend with

Mr. Stokes' parents, Mr. and Mrs. J. M. Stokes.

Malcolm Stokes, student at Tech, attended the Tech-SMU football game at Dallas Saturday.

Mr. and Mrs. R. L. Drake of Spring Lake were shopping in Littlefield Monday.

Mr. and Mrs. Claude Harp and daughter, Ann, visited their daughter and son-in-law, Mr. and Mrs. Rhenard McCary, Sunday.

EXPECTS TO BE SENT OVERSEAS

Pfc. Blair Goodwin, son of Mrs. Clela Goodwin, and grandson of Mr. and Mrs. John Blair, is now stationed at Edgewood Arsenal, and expects to leave soon for overseas. He thinks he may be going to Alaska or France for war games, and to be there about four or five months.

MRS. BRIAN ILL

Condition of Rev. W. L. Brian's mother, Mrs. K. D. Brian, of Sudan, has been reported as very serious, with no improvement in sight by the Amherst Co-Op Hospital. Mrs. Brian took ill while visiting her daughter, Mrs. J. F. Briscoe, at Morton. Mrs. Briscoe took her to the hospital Sept. 16, where she has remained since.

WILDCATS TROUNCE OLTON'S MUSTANGS, 19-6, TO KEEP SEASON'S RECORD INTACT

By CLYDE AKERS
Leader Staff Writer

The Littlefield Wildcats won their third game Friday, defeating the Olton Mustangs, 19 to 6. Both teams put on a good game, despite a muddy field, which made running and the handling of the ball plenty tough.

The Wildcats kicked off to the Mustangs to start the game. Gullett took the ball to the Mustang 35-yard line, where he was stopped by a host of Cats. Darrell Kenyon, taking the ball on the next play, was caught behind the line for a three-yard loss. After making a short gain on a pass, the Mustangs punted, and the Cats let the ball come to rest on their own 35-yard line. Hendrickson plowed through the Mustang line for eight yards. Carter, getting to the Mustangs' 45, made a first and ten for the Cats. On the next play, Shelby took the ball on a trick play, and was well on his way to the goal before the Mustangs knew who had the ball. There was no stopping him when he got in the clear, and he

streaked across the goal for the Cats' first score.

The Cats again kicked off to the Olton team, sending the ball bouncing across the goal; the Mustangs got the ball on their 20-yard line. Unable to make any headway through the Cats' line, the Mustangs tried to punt out of danger, but the kick was blocked and recovered by the Cats on Olton's 18. After Carter made two gains, one to the 5 and the next to the 2-yard line, Hendrickson crashed through center for another touchdown. Carter made a nice try around right end for the extra point, but failed.

In the second quarter both teams had trouble hanging onto the wet and slippery pigskin. First one side would fumble and then after a couple of plays, the other side would let the ball squirm away. The Wildcats did manage to make another score before halftime. Hendrickson took the ball from the Cats' 35 and smashed through the Mustangs for the final touchdown for the Cats. The score

at the end of the half was Littlefield 19, Olton 0.

The Mustangs started the second half with a bang. Shortly after kicking off to the Wildcats, Coleman, left end for the Mustangs, intercepted a Wildcat pass and raced to the 10-yard line before he was dragged down. The Cats got a little anxious on the next play, and were penalized five yards for off-side. Taking the ball on the next play, Doyle Kenyon broke through for the Mustangs' only score of the game. The pass for extra point failed. The rest of the game was played mostly in Wildcat territory. The Mustangs were determined to even up the score, but the Cats were just as determined they wouldn't. Players on both teams were by now covered with mud, which slowed down the game considerably. Doyle Kenyon and Darrell Kenyon, twin brothers, played a good game in the Olton backfield, and Spain and Gullett showed up well on the Mustang line.

Hendrickson, Shelby and Carter, as before, played a swell game. Sisson, Davis and McCantles stood out on the Littlefield line. The final score was Littlefield 19, Olton 6.

WOODMEN CIRCLE--

(Continued from page one)
their own special drills that had been composed by their captains and members. The drill for the Littlefield team was composed and written by their team captain, Lela E. Adkins, and district manager, Marjorie Beisel. The purpose for this is to adopt a new drill for the national drill manual.

Thursday afternoon was spent in shopping and sightseeing. A visit to the U. S. mint Friday morning was very interesting to everyone.

The group left Denver by special train Friday afternoon at 1:10, arriving in Amarillo Saturday morning at 3:30. Mr. A. J. Sisson, Mr. Floyd Brown, Mr. Perkins, Mr. Prentice, Mr. Sinclair and Mr. Drake met the train and brought the ladies home.

Members who attended the institute were: Meses. Irene Sisson, Lorene Perkins, Jimmie Brown, Mae Sisson, Ophia Thedford, Lorene Banks, Lola Adkins, Mabel Loftus, Marjorie Beisel, Lola Prentice, Lucille Parrott, Myrtle Zachary and Lois Sinclair, team members; Tula Taylor, chaplain; Vera Drake, guardian; and Miss Imogene Humphries, musician.

Tech Red Raiders To Invade Tulsa Oct. 12

Texas Tech's Red Raiders will invade Tulsa October 12, feeling more confident of victory over the Tulsa University Hurricanes than in the previous four meetings.

The Raiders are seeking their first victory against Tulsa, which won in the Sun Bowl New Year's Day, 1941, by a 6-0 score and added 34-7 victories in 1943 and 1944, and an 18-7 win last year.

Tech this year feels she has the strongest team of any of the Tulsa meetings, sporting no major weaknesses. The traveling squad will consist mostly of returned war veterans, most of whom have clashed with the Hurricanes before.

Special interest in the game is centered in the fact that Coach Buddy

Brothers of Tulsa is a former Raider star, ranking among the better men of Tech grid history.

Coach Dell Morgan expects to see the same aggregation which met at Texas State, the Texas Aggies at SMU. His offense will be based around running of co-captain Bob Smith, the team's leading punter, ground gainer, and the passing quarterback Dick Standefer. Standefer this season has ranked among the best backs in the Southwest, probably that his being selected on the men's All-America in 1943 was a mistake.

One of the principal problems Coach Morgan this year has been to find receivers who can hold the passes of Standefer.

Littlefield, Lamb County, Texas, Thursday, October 10, 1946

Number 29

Salvation Army Will Sponsor Clothing Drive Starting Oct. 14

Plans are underway by the local unit of the Salvation Army to sponsor a clothing drive for the needy.

The drive will start Monday, October 14, and citizens who have either used or new clothing which they wish to donate to the Salvation Army, are asked to either put it on their porch, or bring it to the Salvation Army barracks. It is the plan to have the clothing gathered up.

Boy Scouts and Girl Scouts of the city have been asked to co-operate and assist in the program, and it is expected that they will collect the clothing. The public is urged to co-operate, and if not able to bring clothing to the Salvation Army, they are asked to put it on the porch, and it will be picked up by the Scouts.

Hot Debate Expected On Compulsory Training Program

Rough going in Congress for the Army's revised universal military training has been predicted by key legislators.

Most of the few lawmakers in Washington shied away from open comment on the controversial issue—just as they usually have in the past.

But nearly all those who would discuss it—friends and foe alike—agreed that many a hot debate would break out over the problem once Congress resumes business next January.

The controversy was reopened when Secretary of War Patterson outlined the revised training plan to the American Legion convention at San Francisco.

His proposal, in general, called for: 1. A year's training for all physically fit youths between the ages of 18 and 20, with six months of it in military camps and the remainder available in seven alternatives.

2. Trainees to have civilian, rather than military status, thus being under a special code of conduct and responsible to a civilian organization, such as the present Selective Service system.

The legion promptly issued a headquarters statement declaring it believed a mandatory four-month period in camps was adequate, with the balance of the year spent in alternative training procedure.

Nightingales brought to America and placed at the Bok Singing Tower in Florida soon died out, but mocking birds learned their song and now carry on.

Lights for night airmail first were installed between Cheyenne, Wyo., and Chicago, Ill.

Lutheran Zone Meeting Today

The Panhandle Zone of the Lutheran Missionary League meets in Emmanuel Lutheran Church today. The Rev. A. O. Rast of Austin, the associate field secretary of missions of the Texas District of the Lutheran Church, will deliver the sermon at the opening service at 10 a.m.

The Rev. K. W. Keller of Lubbock and Rev. J. C. Rook of Borger will speak on the mission theme, stressing especially the "Each One Reach One" project of the Lutheran Church during the morning sessions.

Mrs. Buhrkuhl, the president of the zone, will conduct the business meeting in the afternoon session. Mrs. Arthur Albers of Dumas is the vice-president and Miss Phyllis of Amarillo and Canyon the secretary-treasurer of the zone. The Rev. M. J. H. Hartenberger of Amarillo is the pastor advisor of the zone's executive board.

The pastor of the local congregation, Rev. E. H. Riese, will speak following the business meeting on "Woman Suffrage in the Church." The Rev. H. W. Kieck of Wilson will be in charge of the closing devotional service at about 4 p.m.

The Ladies Aid of Emmanuel Lutheran Church will be hosts to league women from Lamesa, Wilson, Lubbock, Plainview, Lariat and Farwell, Friona, Hereford, Amarillo, Dumas, Borger, Pampa and Clovis, N.M.

Gy. Sgt. Chapman Leaves After 30 Days' Visit Here

Gy. Sgt. Loyd W. Chapman, after spending a 30-day leave at home with his parents, Mr. and Mrs. Dee Chapman, left Monday for Oceanside, Calif., where he expects to be stationed for some time.

Sergeant Chapman, with the Marines, has spent nine and a half years in the service. He has been overseas several times, and the last time for a year, during which time he was stationed in China.

Mr. and Mrs. Chapman are the parents of six sons, all of whom are either serving or have been in the Marine service. One son, John Henry Chapman, lost his life overseas.

The cinchona trees of Java produce about 99 per cent of the world's supply of quinine.

Deer Hunting Season Opens In Colorado Oct. 12

Hunting season of deer, bear and elk, in Colorado, will open Oct. 12. The following paragraphs are excerpts from the Colorado Fish and Game Department regulations on big game hunting:

Every holder of a big game license must return the report form attached to the license not later than 15 days after the close of the season. Report must be made even though no game was killed on the license.

All big game hunters immediately following the kill of big game are to remove the carcass coupon attached to the license and securely fasten it to the carcass, said coupon to remain on the carcass or main portion thereof during the entire period of possession. The coupon must bear signature of the license holder. Any violation of this regulation shall be deemed a violation of game laws, under provisions of Section 5, Chapter 153, Session Laws of 1937.

Bear season and open areas for the hunting thereof coincide with deer and elk seasons and areas.

Pat Boone Ships Calves to Illinois

Pat Boone shipped this week four cars of large winter calves from his ranch near Elida, N.M., to Illinois.

These calves, numbering about 200, averaged about 600 pounds, according to Mr. Boone, and were sold to Sam Baize of Hamlin, Texas, to be shipped to Illinois.

About the last of this month, Mr. Boone will deliver eight cars, or about 350 yearling heifers to O. G. Hill at Hereford, who will put them on wheat pasture.

Mr. Boone has already 150 head of calves here on wheat pasture, and plans to bring another 400 from Elida, N.M., and put them on pasture here and at Hereford.

Many Home Loans Made Veterans

More than 21,000 home loans have been made to Exas veterans of World War II since the start of the GI home loan program, the Veterans Administration has announced.

The loans represented a total of \$112,907,298, with a VA guaranty of \$55,291,0994.

The VA said more than 1,000 home loan applications are being received by the five regional offices in Texas.

**SCHOOL OF INSTRUCTION HELD FOR
LAMB COUNTY SCHOOL BUS DRIVERS**

A school of instruction for the bus drivers of Lamb County was held at the Littlefield High School auditorium Saturday, Sept. 28. This is a new requirement by the State Department of Education that was started last year. They require that every county have its bus drivers attend a school of instruction for one or two days each year.

There were over sixty Lamb County school buses assembled at Littlefield, driven by the regular drivers, for the occasion.

The Highway Patrol Department inspected all of the Lamb County school buses, which is another law or requirement that must be met each year. Most of the Lamb County buses passed the inspection, but the ones that did not pass it will have to be repaired and re-inspected at a later date, before the schools can draw any transportation aid on that bus. This later inspection will probably be in November.

The following outline was followed in the school of instruction:

- Driving Procedure for Bus Operator, by Mr. Whitmire, patrolman.
- Authority and Responsibility, Perry Moring, superintendent of Sudan schools.
- Noon.
- Care and Maintenance of School Bus, Mr. Price, Springlake bus foreman.
- First Aid for School Bus Operators, Joe Hutchinsin, superintendent of Littlefield schools.
- How to Get Along With Students, Mr. Leo Duffey, principal of Littlefield High School.
- General Discussion, by entire group.

J. Ernest Jones, Lamb County superintendent of schools, arranged for the school to be held, and acted as chairman. He reports that the school was well attended, and was a success, and that the drivers showed a great interest and were benefitted much from this school.

The purpose of the whole school and inspection is to promote safer transportation for the Lamb County school children.

**Jack Pope Heads
USO Campaign**

Jack Pope will head the next and final USO campaign in Lamb County, Governor Coke R. Stevenson, general chairman, announced this week.

"With the capable leadership of Mr. Pope, I am sure Lamb County will succeed in raising its quota in the state drive for \$800,000," Governor Stevenson said.

Headed by Col. Carl L. Phinney of Dallas, president of the 36th Division Association and state campaign chairman, Texas' 254 counties have been divided into six regions made up of 66 districts.

NOW CAN SEE . . . Totally blind two years ago, Jack Wisnovski, 15, of Verona, Pa., is making up for lost time by sightseeing. It is believed that he is the first person on record of corneal grafts performed on both eyes successfully.

Mr. Robert B. Anderson of Vernon is chairman of the Northwest Texas region, which includes Lamb County. These chairmen will work together in organizing and conduct the local campaign.

"There are about 125,000 Texas men still in the service, overseas, in hospitals or beginning training," said Colonel Phinney. "The combat phase of the war is finished, but the transition period presents fully as many morale problems.

"We must see to it that USO services are continued for these men who need and deserve a 'home away from home' now more than ever," the state campaign chairman said.

"I am sure that Lamb County,

headed by Jack Pope, will fulfill its quota and help Texas 'See It Through' 1947 with the national USO campaign."

TO INSTALL LARGE SIGN

Henry's Pontiac Service recently received a large Pontiac neon sign which, on arrival, was found to be badly damaged and will have to be repaired before it is installed. The sign is over six feet long and, as soon as repaired, will be installed.

**Raw Silk Being
Made In Texas**

A complete story of the raw silk industry in Texas, a new and potentially great statewide economic venture, will be presented at the agricultural show of the State Fair of Texas by a group of Mineral Wells business men instrumental in pioneering this field, the Texas Silk Industries, W. H. Hitzelberger, vice-president and general manager of the fair, has announced.

The exhibit will portray the process by which silk is produced, using a series of displays to trace the progress of the silkworm from the larva, through the cocoon stage, to where the silk-like strands of the cocoon are fed into the thread-spinning machine to form the finished silk.

To aid the understanding of spectators, each stage will be described and explained by C. Paul Bates, manager of the exhibit, who will be on hand to lecture and answer questions.

Hitzelberger said that a particularly notable part of the exhibit will be the demonstration of a newly-invented machine that spins the raw silk into thread. This machine, designed by W. S. Roberts of Mineral Wells, is viewed as an important factor in giving impetus to the Texas silk industry, as it will permit an increased amount of the silk to be produced at less cost and with less labor.

Reports of the new machine say that it automatically performs a job that formerly required the labor of 20 persons working by hand.

Ray silk, an industry formerly exclusive to Japan, was produced in quantity for the first time in America last year, when 40,000 pounds were produced in the Mineral Wells area. Authorities say that Texas seems to be an ideal spot for the promotion of this industry, since the mulberry bush on which the silkworms feed thrives in this region.

More than 1,000 acres in the state have been planted with mulberry bushes, as an experimental project, and plans are to extend this acreage considerably in the near future. Mulberry bushes planted in Texas are a hybrid plant developed by Luther Burbank. This is apparently the only region in the nation promoting this industry.

**NOTICE
TO TAX-PAYERS**

FOR THE CONVENIENCE OF THE TAXPAYERS, I WILL BE AT THE FOLLOWING PLACES WITH THE RECORDS OF MY OFFICE TO COLLECT TAXES ON THE DATES SET OUT:

- Sudan . . . Friday and Saturday, October 11 and 12
- Earth . . . Friday and Saturday, October 18 and 19
- Olton . . . Friday and Saturday, October 25 and 26

OF IMPORTANCE TO THE TAXPAYERS is the fact that they receive a **3 PER CENT DISCOUNT ON BOTH STATE AND COUNTY TAXES** if paid during the month of October.

Frank Cummings
TAX ASSESSOR-COLLECTOR, LAMBCOUNTY
LITTLEFIELD, TEXAS

From where I sit... by Joe Marsh

Are Returning Veterans "Different"?

During the war you heard a lot about how hard it was going to be for returning veterans to get adjusted to civilian life... how they'd be "different."

Well, plenty of them have returned to our town, and a finer, sturdier bunch you couldn't ask for. Most of them are back at the same jobs... going with the same nice home-town girls (getting married, some of them, and setting up families)... renewing the same old friendships.

Even their amusements are the

same. Nothing more exciting than fishing Seward's creek or pitching horseshoes... enjoying an outdoor barbecue with friendly wholesome beer and pleasant talk.

If they've changed at all it's in the direction of maturity and tolerance... tolerance for everything except dictators, and those who would destroy our democratic principles of live and let live. And from where I sit, that's another reason to be proud of them.

Joe Marsh

FOEMEN MAY SEE DOUBLE... Three sets of twins are on the Beloit college, Beloit, Wis., football squad this year. Two pairs are identical. Here they are: top, left and right, John and Paul Kramer, Elgin, Ill.; middle, Dick and Cliff Allen, Wauconda, Ill., and bottom, Bob and Bill Williams, Arlington Heights, Ill. With the football season under way, Beloit is making excellent use of the twins.

AT THE AMHERST HOSPITAL

The South Plains Co-Operative Hospital has two new doctors added to its staff—Dr. A. M. Peacock and Dr. D. E. Husaker, both dentists, who are just home from the service.

Patients admitted since Oct. 1 are: Mrs. R. F. Walden, Littlefield, who have birth to a fine baby boy.

Mrs. J. D. Kirkland, Littlefield, admitted for medical attention.

Mrs. R. A. Leonard of Anton, admitted for medical attention.

Mrs. J. F. Stephens of Amherst was a medical patient.

Master Sammy McCormick, Littlefield, a medical patient.

Mrs. B. B. Ivie of Littlefield gave birth to a fine baby girl at the hospital.

Mr. and Mrs. J. B. Weeks of Muleshoe are the parents of a daughter, born at the hospital.

Mrs. Roy Hunter of Amherst had her tonsils removed.

C. R. Stockstill of Earth was admitted for medical attention.

Mrs. W. R. Boyd of Littlefield was a medical patient.

Master Alvin Lee Locker of Bula was admitted for medical care.

Miss Donna Jean Huggins of Littlefield underwent a tonsilectomy.

Robert Thommerson of Anton was admitted for medical attention.

Mrs. J. O. Ray of Littlefield underwent surgery.

AIRPORT NEWS

By MRS. "TEX" CROW

Last Tuesday Jim Smith took his student cross-country flight to Brownfield and Tahoka. We don't know whose arm he twisted, but four Piper Cubs came back with him.

Wednesday Glenn Pass took his cross-country to Brownfield and Lamesa.

Mrs. Esta Mae Shaw and Leo Clark have been added to the list of new students flying the Champion under Jim McGuire.

Every morning Joe Walters and Paul Pharris are out bright and early in the dusters, defoliating cotton.

James Miller was over from Plainview Monday, flying APT-19.

If anyone is wondering what that ancient blue and red job recently seen over Littlefield was, it was a Fairchild, 1932 model. This machine belongs to Delbert Bain of Plainview, and Tex Crow has been doing some work on it, and flew it down to Lubbock for licensing.

A new face is seen at the airport since LaVerne Ratliff has taken over the biking end of the business.

Mrs. H. L. Atwood is among those most recently to solo. Mr. Atwood has been flying for many years, and Mrs. Atwood started taking instructions about six weeks ago.

The log cabin in which Abraham Lincoln is said to have been born was only 12 feet wide.

VOWED TO KILL FIFTY... Stanislaw (the Sniper) Ballon, Polish outlaw, shown after capture by American troops. Ballon vowed to kill 50 Nazi followers in vengeance for killing of his parents and three brothers in Poland by the Nazis.

TENNESSEE MAN WINS COTTON PICKING TITLE

One thousand new one dollar bills were awarded last Thursday at Blytheville, Ark., to Eugene Shinault, 41-year-old Tennessee farmer, who was crowned world's champion cotton picker after he sacked 190 pounds of the fleecy staple in one hour and 45 minutes at the annual national cotton-picking contest.

Some 9,000 persons attended the event and saw 261 top-ranking pickers from 11 states and Mexico vie for prizes totaling \$2,500.

Among those winning \$25 were L. A. Cote, Collinsworth, Texas, and Margarite Luna, Corpus Christi.

USO DRIVE SUPPORTED

Price Daniel, attorney-general-nominate, has urged Texas to contribute generously to the final USO drive for funds with which to operate through 1947. Texas' quota in the national drive for \$19,000,000 is \$800,000.

OES MEETING IS SLATED

The grand chapter of the New Mexico Order of the Eastern Star will hold its 44th annual session Oct. 24, 25 and 26 in Albuquerque, Mrs. Goldia Andrews of Santa Fe, worthy matron of the order, has announced.

VISIT IN SMITH HOME

Mrs. John T. Smith has as her guest this weekend her mother, a brother and his wife, of Ballinger, Texas; also a sister, of Stanton, Texas.

The Society of Automotive Engineers has indicated that aircraft design and construction techniques, if applied to the automotive industry, will result in lighter cars and improvements in structural use of materials.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

WEEKLY SURPLUS WAA NEWS

Farmers of this region who certify, through the Department of Agriculture, that their production is impaired by a shortage of farm equipment and supplies will be given assistance to obtain available property from government surplus, Hamilton Morton, WAA regional director, announced this week.

Morton appointed Duncan D. Myers in the Fort Worth War Assets Administration office to handle agriculture and major farm organizations.

It is generally provided that surplus property needed to prevent impairment shall be disposed of to farm organizations, cooperative associations and farmers and orders have been issued to expedite action on such certificates of impairment issued

by the Department of Agriculture. This will be of immediate benefit to all farmers in this part of Texas.

As part of its program to relieve the veterans' housing shortage, the FPHA has purchased from War Assets Administration \$2,270 worth of valves and fittings for gas water mains. With many of the items selling as low as two and three cents each, this adds up to a huge quantity of valves and fittings.

Believe it or not, there need be no shortage of shaving brushes. WAA in Fort Worth has 161,000 brushes for sale. In addition, WAA has many cases of famous brands of after-shave lotions on hand, acquired, of all places, from the Army. Toothpaste and toothpowder, shaving cream and antiseptic powders are other items offered for sale.

Much in demand prior to the war, double-deck wooden bunks are now being offered for sale by War Assets Administration in Fort Worth. Ideal for families with two or more children, WAA has 41,502 of these beds which are suitable for painting any colors. The sale will continue until all are sold and that many more chil-

dren made happy.

Returned doctors and dentists back from services in the Army or Navy and seeking to again equip their offices will find many items of essential equipment available to them through the veterans' division of the Fort Worth WAA offices in the T&P building. Much of the equipment needed by doctors and dentists is "set aside" and will be sold exclusively to returned ex-servicemen.

LEADS DIVISION

The Engineering Division of Texas Technological College, with 1775 students, is leading all divisions in the number of students enrolled for the first time in college history.

Arts and Science follow with 1537, and figures from other divisions are: Commerce, 932; Agriculture, 626; Home Economics, 425; and Graduates, 65. Of a total of 5,362 students in Tech this fall, 3,841 are men and 1,521 are women.

In recognition of National Business Women's Week, Oct. 13-19, Gov. Coke R. Stevenson has proclaimed the same week as Business Women's Week in Texas.

County Winners Being Selected in 4-H Garden Plan

County winners are now being selected in 45 states in which the 1946 National 4-H Garden award program is conducted under the direction of the Extension Service. Last year 1,205 qualifying counties named 3,415 winners, 346 of whom also won state honors.

As incentives for outstanding 4-H garden records, merit awards are offered by Allis-Chalmers. They comprise gold-filled medals to the top

four entrants in each participating county, and \$9,000 worth of U. S. Savings Bonds to be shared by state winners. Eight sectional-national champions selected from state winners each receives a trip to the 25th Anniversary National 4-H Club Congress in Chicago next December and a \$100 U. S. savings bond.

Last year's state winners in Texas were George McBee, Eastland; Henry Nell Schact, Lockney; Dick Peen, Moore; Jim Whaley, Estelline; Miss Glafira Lopez, Alice; Miss Helen Kolaja, Damon; Miss Lillian Roeder, Shiner; and Miss Frankie J. Gipson, Plainview.

County winners were named in

Austin, Brazoria, Brazos, Comanche, Dawson, Erath, Floyd, Grimes, Hale, Jim Wells, Lavaca, Lee, Ton Green, Swisher, Wichita, Willbarger, Eastland, Frio, Hall, Andrews, Crane, Ector, Angelina, Archer, Atascosa, Baylor, Bee, Bosque, Bowie, Brooks, Brown, Callahan, Cameron, Camp, Castro, Clay, Coleman, Colorado, Concho, Cooke, Cottle, Crosby, Dallam, Dickens, Fayette, Fisher, Fort Bend, Franklin, Goliad, Gonzales, Grayson, Hardeman, Harris, Haskell, Hemphill, Henderson, Hood, Howard, Hunt, Lamb, Liberty, Llano, Lubbock, McLennan, Marion, Mitchell, Montague, Montgomery, Morris, Orange, Palo Pinto, Parker, Parmer, Potter, Rains, Red River, Shackelford, Smith, Somervell, Stephens, Taylor, Upshur, Van Jandt, Walker, Waller, Washington, Young, Mills and Sabine counties.

The national goal in 1946 is 20 million gardens, an increase of 10 per cent over last year, to meet food needs for home use and famine relief abroad.

4-H Club members raised more than a million acres of gardens during the war years, equivalent to the area of Rhode Island, plus 315 square miles of Massachusetts.

CONGRESSMAN MAHON HAS ARRIVED IN LUBBOCK

Congressman George Mahon has arrived in Lubbock and will be there and in the surrounding area, comprising the 19th Congressional District, which he represents in Washington, for several weeks.

Anyone wishing to see him may contact him at his office on the second floor of the federal building in Lubbock.

Every year, more than 3,500 lives are lost in farm fires alone.

PRECAUTIONS ARE GIVEN TO COMBAT HEALTH HAZARDS

To safeguard your children against the coming winter's health hazards, State Health Officer George W. Cox from Austin advises parents to enlist these three precautions:

1. Strengthen their powers of resistance against disease.
2. Employ medical supervision.
3. Avoid contact with others who have coughs, colds, or fevers.

"Young children may suffer as much from winter illnesses as they do from those commonly known as 'summer complaints,'" Dr. Cox said. He particularly advised precautionary measures against influenza, tonsillitis, pneumonia, bronchitis and asthma.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time," it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

P-TA To Sponsor School Carnival

The Primary and Central School P-TA organizations are sponsoring a school carnival, which will be staged Halloween night at the school building.

Mrs. Oscar Wilemon is chairman from the primary department, and Mrs. J. Ernest Jones from the Central school.

Bartley & Harvey will install a loud-speaker for the occasion.

The purpose of the carnival is to raise money to buy library books and other equipment for the schools.

In the carnival held last year, the sum of \$600 was made by the P-TA, which was spent for equipment for the schools.

Ary Surplus Store Announces Opening

Announcement was made this week of the opening of Littlefield's first army surplus store. The new enterprise is located next door to Gerlach Battery. The store was opened by

"I LOST 32 LBS.!

WEAR SIZE 14 AGAIN!"

Once 125 lbs., Miss Reynolds lost weight weekly with AYDS Vitamin Candy Reducing Plan. Now she has a model's figure. Your experience may or may not be the same but try this candy reducing plan. Very First One Must Show Results or money back.

In clinical tests conducted by medical doctors more than 100 persons lost 14 to 15 pounds average in a few weeks with the AYDS Vitamin Candy Reducing Plan.

No exercise. No laxatives. No drugs. Eat plenty. You don't eat out meals, potatoes, etc., you just eat them down. Simple when you enjoy delicious AYDS Vitamin Candy before meals. Only \$2.25 for 30 days' supply. Phone

STOKES DRUG STORE Phone 14 Littlefield

Wilson S. Cox of Levelland, district manager for army surplus in the area. Edwin Logan, local boy, has been named manager for the Littlefield branch.

Mr. Logan, whose opening announcement appears in this issue of the Leader, says that a complete list of army surplus goods will be carried at all times.

King salmon from Ketchikan, Alaska, are shipped to market so fast that no refrigeration is necessary.

Play Safe

According to the authorities, the minimum daily A, D and Complex Vitamin requirements of the average person are:

A 4,000 USP Units, D 400 USP Units, B1 2 USP Units, B2 2 USP Units, B6 2 Micrograms, and Nicotinamide 10,000 Micrograms.

The required amount of these essential vitamins have not yet been established.

Many people do not get enough of these essential vitamins. DO YOU? Why not play safe by taking ONE-A-DAY VITAMIN TABLETS.

Each ONE-A-DAY Vitamin A and D Tablet contains 25% more of cod liver oil vitamins than the minimum daily recommended quantity.

Each ONE-A-DAY Vitamin Complex Tablet contains full minimum daily requirements of Vitamins B1 and B2 and 10,000 Micrograms Nicotinamide together with a substantial amount of other B Vitamins.

When you buy Vitamin Complex Tablets and prices. Note how ONE-A-DAY Tablets conform to average human requirements. So how reasonable the cost.

Get them at your drug store.

Over Million Visitors Expected To Attend Fair

Officials estimate that more than 100,000 spectators from every section of the Southwest will pour into the fair between opening day of the State Fair of Texas and October 20, as the fair's gates close, to witness the fair's greatest activity of this year in the world.

Every phase of American life and industry will be represented in some way in the 1946 State Fair program.

The livestock show, a featured attraction of the fair since its inauguration in 1886, promises to be the largest showing of prize animals ever presented, with new programming giving full recognition to the importance this industry possesses as one of the leading in the state. A junior livestock show, occupying the first four days of the fair, was held separately from adult exhibitions for the first time, thus allowing 4-H Club and Future Farmer of America members to have full use of facilities.

The senior livestock show begins October 10, with more than a score of the nation's foremost livestock authorities ready to judge the various class competitions. Sales will be held at the end of each division.

JAILED FOR CALLING STRIKE . . . Preceded by deputies, Sheriff Walter Monaghan, second from left, escorts George L. Mueller, third from left, to county jail to serve sentence of one year for contempt of court. Mueller, president of the independent union of Duquesne Light company employees, Pittsburgh, refused to call off the strike or to apologize for calling court injunction, "scrap of paper." Mueller later was released.

YANTIS NEWS STAND

North Phelps Ave. Phone 257-R

is new in the postwar world and how science, industry and government are constantly working for their benefit. Entertainment, always a big item at the State Fair of Texas, will cause the show business spotlight of the nation to be shifted to Dallas during the time the fair is in progress. Headlining the glittering bill of fun and fancy is the Tommy Dorsey Show starring Dorsey and his 35-piece orchestra, Gypsy Rose Lee, Jackie Gleason, Frank "Sugar Chile" Robinson, Johnny Downs and Stuart Morgan Dancers. A presentation replete with all the dangers and thrills of the old West will be recreated in Pat Hamilton's Hell's Half Acre Ranch Rodeo, including wild buffalo, authentic cow hands, bucking broncs, live Indians and jack-knifing steers.

Fun for the young and old will be available along the glittering half-mile-long midway. Here, breath-taking rides will vie with the mystery and fascination of sideshow tents to provide thrills for every visitor. Officials say that this year's midway contains five times as many attractions as ever before, many of which have never been seen before.

The ice arena will present daring

action and unbelievable grace in a show that is heralded as the greatest ice-skating exhibition ever assembled, Ice Cycles of 1946, a collection of champions from the world over. For the football-minded, 14 major gridiron contests have been scheduled for the Cotton Bowl, climaxed by the traditional clash between University of Texas and Oklahoma University on October 12.

Many amusement attractions are being offered free of charge. The Hall of State, tribute to Texas heroes; the Art Museum, the Natural History Museum and the Aquarium are open to all visitors, as are nightly fireworks displays of startling effectiveness, a tingling high-wire act performed in the open with no net between the aerialists and the ground 150 feet below, a silver-colored blimp that will circle the grounds flashing the latest news in neon letters on its sides, and other displays of equal interest.

Smith-Doxey Totals Hit New High

Applications for the Smith-Doxey cotton classing and market service have been received to cover 5,039,238 Texas acres for the current year, or around 84 per cent of the 1946 cotton acreage.

The service is offered through the cotton division of the USDA Production Marketing Administration.

Applications are on file from 147 of the 164 Texas cotton counties, according to F. E. Lichte, cotton gin specialist of the Texas A&M College Extension Service and long-time (since the enactment of the Smith-Doxey Act in 1937) chairman of the Texas Smith-Doxey Committee.

A "cotton" county, according to the U. S. Census system, is any county with three or more cotton gins.

The committee has processed 1048 applications covering 91,971 cotton producers and 1416 cotton gins, Lichte said.

A complete record of the ever-growing Smith-Doxey service since the time of its establishment is maintained by the committee and a current five-year file is available for information. A report of cotton classed for the preceding season is tabulated in April of each year.

Under the terms of the Smith-

DINO on the FARM

WISH I COULD GET A RAINCOAT FOR THIS EQUIPMENT SO IT WON'T RUST.

THAT'S EASY. PAINT OR SPRAY IT WITH SINCLAIR RUST-O-LENE B RUST PREVENTIVE.

RUST-O-LENE B COVERS METAL WITH A TOUGH FILM THAT RAIN CAN'T WASH AWAY.

SO WHAT?

RUST-O-LENE B STOPS RUST WHEN APPLIED ON WET OR DRY SURFACES. AND IT STOPS FURTHER RUSTING OF RUSTED SURFACES.

I'LL TRY IT!

WE DELIVER DIRECT TO FARMS—PHONE OR WRITE US FOR

SINCLAIR RUST-O-LENE B

WAR BRIDES IN PEACE BONNETS . . . Three of the British war brides who arrived in a contingent aboard the "Henry Gibbons" show varying taste in hats. Left to right are Mrs. William Williams, Sharon, Miss.; Mrs. Everett Cline, Waverly, W. Va., and Mrs. Russell Helton, St. Louis. Their bonnets have but one thing in common—all are smart, but war brides are anxious to don American-made clothes as soon as they arrive while their American sisters adopt their former styles.

born Thursday, October 3. The child at birth weighed six pounds and 12 ounces, and has been named Emma Carolyn. Mother and daughter were released and went home Monday.

A son was born to Mr. and Mrs. Howard B. Howe of Littlefield at the hospital Thursday, Oct. 3, weighing seven pounds and four ounces. He has been named Archie Philip. Mrs. Howe and son were released Sunday.

To Mr. and Mrs. Jake Hill of Littlefield a daughter was born at the Littlefield Hospital Tuesday, Oct. 1, weighing six pounds and 12 ounces. The child was named Thelma Mae. Mrs. Hill and daughter went home Friday.

Mr. and Mrs. V. C. McBee of Littlefield are the parents of a son, born Thursday, October 3, at the hospital. He weighed seven pounds and 12 ounces and was named Freddie Harold.

Lubbock Brothers Learn Boot-Making

Two Lubbock brothers, both veterans of World War II, soon will play an active part in "keeping 'em riding" in the Great Southwest. For Vincent and J. B. Thompson are now working in the boot shop of the Maddox Western Leather Goods Company, Lubbock, where they are learning the art of making western boots under the Veterans Administration on-the-job training program.

"Neither of us knew anything about boot making when we started our training early last February," Vincent said, "but we thought it was a good skill to learn, and good money in it, too. We are already turning out finished boots, but there is still plenty to learn. There are no two pair of feet alike, you know," he said, as he checked his pattern for correct measurements.

"What do we think of the VA on-the-job training program?" J. B. replied when asked the question. "It's fine, suits us mighty well. It gives us the opportunity to learn a trade we might not otherwise have had."

Frank L. Easley, shop foreman, said: "It is the perfect program for the boot making industry. The VA has made it possible for a veteran to start as a beginner and receive a substantial income, and for the shop to afford to train him."

Vincent served 40 months in the Army Air Corps, and J. B. served 44 months in the Marine Corps. Both are disabled veterans and both receive compensation from the VA. They live at 1404 Avenue O, Lubbock. They are the sons of James Brent Thompson, House, N.M.

Fly fishing rods are now made of glass fiber which equals bamboo rods in elasticity.

LEADS DUKE ELEVEN . . . Charles Edgar (Bill) Milner, 24, 200-pound senior from Waynesville, N. C., one of greatest guards ever to perform, who is leading the Duke university football eleven as captain.

TO PREVENT RUST
Treatment of small grains to prevent rust is of utmost importance, Dr. A. W. Young, head of the plant industry department of Texas Technological College reminded farmers this week. Two ounces of copper carbonate or one-half ounce of the new improved Ceresan, a commercial

preparation, is sufficient for a bushel of grain and may be applied in any type of seed treater.

NOTABLES AT TECH
William Jennings Bryan, George Winston Churchill and two named J. Paul Jones are students fall at Texas Technological College.

Congratulations . . .

Littlefield

At The Littlefield Hospital—

Mrs. W. H. Blackwell of Littlefield was admitted Sunday, Sept. 29, for surgery.

Mary Leu Morgan, about 4, was admitted to the hospital Monday, Sept. 30, for burns about the face.

She is said to have sustained burns from a blaze from a butane stove, which for some reason had gone out, and when relit spread the flames which burned the child. She was released from the hospital Wednesday, Oct. 2.

Mrs. H. T. Bartley was admitted Monday, Sept. 30, for minor surgery. She recovered nicely and was released Friday. Mr. Bartley, who was a patient in the hospital about a week, suffering from a slight attack of pneumonia, was able to return home Thursday.

Mrs. Johnnie Sparks of Valleyview Gin community and daughter of Mr. and Mrs. A. A. Gray, was admitted to the hospital Monday, Sept. 30, for medical attention, and released the next day.

Betty Ruth Hall of Olton, who sustained injury to her shoulder when she was hit and knocked down by a jeep Friday last, was admitted to the hospital Friday and, improved, was released Saturday. She is getting along nicely.

Gene Reichle, 8-year-old son of Mr. and Mrs. Reichle of Anton, who was badly burned about the legs about a year ago, was admitted Saturday and submitted to skin grafting Monday.

W. C. Fry of Littlefield was admitted to the hospital Saturday for medical treatment.

R. A. Ferguson of Hart, who was unfortunate enough as to lose some fingers of his right hand in a hay baler accident recently, had his hand dressed at the hospital Saturday.

Mr. and Mrs. L. F. Bell of Littlefield are the parents of a daughter,

. . . FOR ADEQUATE HOT WATER!

heated by Gas —the low cost wonder fuel.

FOR LAUNDRY. The new GAS water heaters keep pace with the new, do-everything washing machines. Water's hot enough to really chase dirt and grime like magic. No waiting for a fresh supply of hot water. There's always an ample supply on hand.

FOR BATHS, too. Long showers, steaming tubs, Dad, youngsters and all . . . no one shouts, "Where's the hot water?" Your GAS water heater costs surprisingly little to run, too, and it's completely automatic.

West Texas Gas Company

H. C. PUMPHREY BUILDING NEW HOME ON EAST 10th ST.

H. C. Pumphrey is having constructed on East 10th Street a new home, of stucco construction, and containing five rooms, bath and sun-room.

Ernest Goertz is the contractor in charge of the work.

It is expected that the house will be completed about Nov. 1, when the Pumphrey family will move in to their new home. They are now living on Highway 51.

PLAN DAY NURSERY

Founding of a day nursery for the benefit of employed wives of veterans attending Texas Technological College is included in the plans of the women's auxiliary to the Tech War Veterans' Association. It has been unofficially estimated that about 1,000 veterans in Tech this fall are married.

During the Civil War, coast guard cutters were on the union side and blockaded southern ports. The cutter Harriet Lane fired the first naval shot of the war.

It is said that sunlight is fatal to rattlesnakes.
