

Rains Boost Area Farm Prospects

2-Inch Totals Gauged In Area

Turbulent weather loaded with welcome rain and unwelcome hail in some instances left up to two inches of moisture in the Littlefield area this week, a check of rain reports early Monday morning and Tuesday night showed.

Farm observers called the moisture "cotton plant-in" rain for dryland farmers. It also could have been described as "money-saving moisture" for irrigated farmers, most of whom were able to shut off their wells following the rains.

Littlefield received .81 of an inch of rain Monday morning and another .20 Tuesday night, according to a gauge at Western Cottonoil. Some other gauges in town showed an inch Monday morning.

Reports from throughout the county showed some other points were drenched with heavier rains. Some hail was reported, but it was light in most cases.

Heaviest rainfall apparently fell in the area north of the Sandhills.

Rains in the Olton-Earth areas were gauged at an inch to 1.6 inches Monday morning, followed by a general moisture of about an inch Tuesday night. The moisture was lighter toward the north west, with .80 gauged at the Harold Allison farm at Pleasant Valley Monday.

Leon Dent, who farms near Olton, received 1.6 inches Monday morning. Circle reported 1.75 the same morning, while John Adams, who farms south of Spring Lake, reported 1.5. Don Bryant, who farms north of Olton, got almost two inches of rain Monday morning.

Near Rocky Ford, Danny Busanmus received 1.5 inches Monday morning and got another half-inch Tuesday night.

A rain of 1.2 inches was reported between Spade and Fieldton Tuesday night, along with .75 which fell in that area Monday morning. Jim Ramage, who farms two miles west of Spade got 1.2 inches Monday morning along with light hail.

A two-inch rain was gauged seven miles north of Amherst Tuesday night, along with scattered light hail.

Five miles south of Yellowhouse, a rain of 1.75 was recorded Tuesday night. It was accompanied by light hail.

To the south and southwest, the rainfall apparently was lighter, but it aided dryland farmers who already had planted and provided moisture to "plant on" for those who hadn't.

R. E. Birkelbach, who farms 2 1/2 miles southwest of Littlefield, received .80 of an inch Monday morning. Oklahoma Flag got .60.

A half-inch was recorded at Whitharral and Lums Chapel Monday morning.

At Lumsden - Perkins Gin Ross Lumsden said the area got 1.1 inches of rain Monday morning and "only a sprinkle" Tuesday.

MIKE EATON
Mike Eaton Wins Region Teen Road-EO

Mike Eaton, son of Mr. and Mrs. Dave Eaton of Littlefield, captured first place in the regional Teenage Driving Road-EO here Sunday and will go to Dallas Friday for state competition.

Eaton scored 306 points in the contest held at Furr's parking lot Sunday afternoon to edge a Muleshoe driver, Pat Childers, who scored 297 points.

Two drivers each from Littlefield, Muleshoe and Tulia were in the competition. The other Littlefield contestant, Billy Webb, son of Mr. and Mrs. Alvin Webb, finished fourth.

Eaton and Childers will leave here Friday morning for Dallas, where they will compete Saturday afternoon with winners from other regions all over the state.

The local and regional contest held here were sponsored by the Littlefield Jaycees. The road-EO included a planned driving course.

Expenses of Eaton and Childers for the Dallas trip are being paid by local Jaycees.

FO STATE MEETING
Littlefield City Manager J. W. Garrison will attend a meeting of the Texas City Managers' Association in Edinburg Sunday through Tuesday.

TWO FOUR-ROW TRACTORS, TWO BROTHERS, TWO DAYS, AND 200 ACRES PLANTED. The recent moisture permits brothers Fred and V. P. Grisham, dryland farmers seven miles west of Littlefield to plant cotton and milo. They received three-quarters of an inch of rain Monday morning and a shower Tuesday night. They were hailed out last year and replanted around May 28 so they are behind last year's planting date. Of course their dryland cotton turned out well last year. V. P. says here's hoping for another year like 1959 in rainfall and crop prospects!

Run-Off Races Will Be Decided

Four run-off contests, sparked by a ballot battle between State Rep. Jesse Osborn of Muleshoe and his challenger, Clarence Hamilton of Springlake, will be decided by voters Saturday.

Polls will be open in all 16 precincts of Lamb County from 8 a. m. to 7 p. m.

Here's the way the ballot shapes up:

Osborn vs. Hamilton for state representative, District 96.

Otha (Skipper) Smith vs. J. L. (Roy) Yeager for county commissioner, precinct 3, Littlefield area.

A. J. Spain vs. C. M. Moss for county commissioner, precinct 1, Olton area.

W. T. McDonald of Brazos County vs. Judge Lloyd Davidson of Travis County, for judge, Court of Criminal Appeals.

Voters in five counties — Lamb, Bailey, Parmer, Castro and Deaf Smith — will decide the race between Osborn and Hamilton.

The contest between Smith and Yeager will be decided by voters at boxes in Spade, Fieldton, Littlefield, Hart Camp and North Littlefield.

Voting boxes in the precinct 1 race are at Olton, Rocky Ford and Springlake.

The turnout Saturday, while expected to be down from the record balloting in the first primary, may be better than at first anticipated. If absentee voting is any criterion for guesswork.

A total of 111 absentee votes was cast prior to the deadline Tuesday, just 29 short of the total cast in the first primary.

More than 5,000 voters went to the polls for the first primary, but many observers feel that it (Continued On Page Seven)

Montgomery Ward Store Opens Here Today

Montgomery Ward and Company, according to Mrs. Sanders, will be opening a new store at Littlefield today. The store is located in the old district general store building on the corner of 1st and 2nd streets. Mrs. Sanders said that the store will be open today and Saturday.

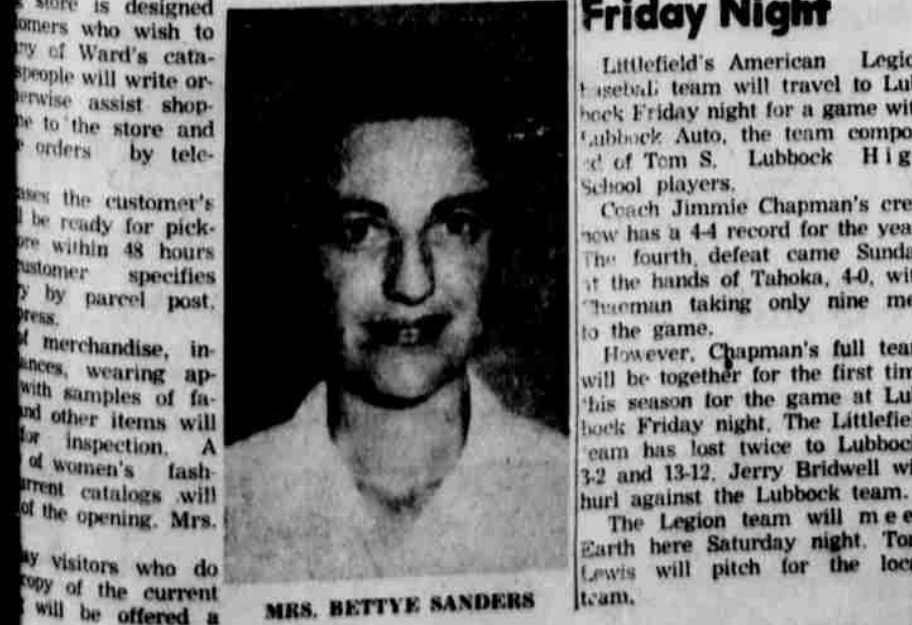

Mrs. Sanders has been in charge of the local catalog store for several years. She is now manager and Mrs. Sanders is the inventory clerk.

The store is located in the old Fair Store building on completely modern fixtures and modern displays and merchandise.

The store is designed for customers who wish to buy Ward's catalog. People will write or telephone to assist them in the store and by telephone.

The customer's order will be ready for pickup within 48 hours. Customer specifications are by parcel post.

The store will carry a wide variety of merchandise, including women's fashion catalogues will be on hand at the opening. Mrs. Sanders said that she will be offering a

MRS. BETTY SANDERS

Oil Royalty Order OK'd By County

With the approval of an oil royalty division order from Permian Oil Co., Midland, Tuesday by county commissioners, the county found itself in the oil business — slightly.

The county's royalty in all oil and gas produced from the A. C. Chesher - Pioneer Gas unit lease in drilling block 60 in the City of Littlefield will be .0040738.

Permian Oil prepared the division order after a title search determined the county owns 27,027.94 square feet on U. S. 84 right-of-way in the drilling block.

The county doesn't expect to get rich with its new-found interest, however, County Judge Pat Boone Jr. said the royalty is the first one to come to the county and he estimated that it might provide at best, \$50 - \$75 per year in income to the county.

In other activity at a regular session of the county commissioners' court called for bids on seal-coating of the courthouse driveway and 12 miles of county roads in precincts 2, 3 and 4.

The court also called for bids on a new motor grader for precinct 3.

Bobby Ross Goes To Washington For National Bee

Bobby Ross, 13-year-old son of Mr. and Mrs. Delbert Ross of Littlefield, will leave here today for Washington, D. C., where he will participate next week in the National Spelling Bee.

Bobby, a seventh grader, will travel by car with his parents.

Actual spelling competition starts next Wednesday morning. The finals are scheduled Thursday. Seventy-two contestants from over the nation will be competing for the national championship.

The Rosses will leave Washington on their way home Saturday, June 11.

Bobby won the trip to Washington in March and April, when he won the county and regional spelling bee.

He shouldn't have any money problems while on the trip. His expenses are paid, and the Littlefield Lions Club voted Wednesday to give Bobby \$50 for the trip, with no strings attached, except that Bobby "have a good time and tell 'em you're from Littlefield."

Legion Team To Meet Lubbock Friday Night

Littlefield's American Legion baseball team will travel to Lubbock Friday night for a game with Lubbock Auto, the team composed of Tom S. Lubbock High School players.

Catch Jimmie Chapman's crew now has a 4-4 record for the year. The fourth defeat came Sunday at the hands of Tahoka, 4-0, with Chapman taking only nine men to the game.

However, Chapman's full team will be together for the first time this season for the game at Lubbock Friday night. The Littlefield team has lost twice to Lubbock, 3-2 and 13-12. Jerry Bridwell will hurl against the Lubbock team.

The Legion team will meet Earth here Saturday night. Tom Lewis will pitch for the local team.

Dutch College Student Learns At Sudan Farm

By EVELYN COTT
SUDAN — Born in Bandoing, Dutch East Indies where his father was engaged in private enterprise and operated an automobile agency there.

Although of Dutch descent, Soemmaker feels Indonesia is more his home than Holland because generations of his family have been born and reared in Indonesia as Dutch colonists.

City born and reared, Dick found life in the open was the lure of him to choose the field of agriculture as his vocation.

A guest at the Milton Wiseman farm while studying here, his trip is under the sponsorship of the United States Department of Agriculture.

While here, he is doing actual field work which is required in Holland before college students are allowed to take final examinations for their engineering diplomas that are similar to the master's degree given in American colleges.

Pests and diseases are Soemmaker's fields of specialization. His ambition upon completing his education is to secure a position in a tropical country on a plantation where he could do experimental work in the plantation laboratory. If at all possible he hopes (Continued On Page Seven)

Two Injured In Auto Accident Here Saturday

Two persons suffered minor injuries in an auto accident Saturday afternoon at 4 p. m. at the corner of 3rd and Farwell.

Mrs. Norval L. Williams, an expectant mother, and a baby daughter, Sharon, were treated at the Medical Arts Hospital and released.

They were passengers in a car driven by Norval L. Williams, Route 1.

Officers said the Williams car was headed south on Farwell and a car driven by Bill Bob McAlister, 400 Cherry Blossom Drive, was going west on 3rd. The two cars collided at the intersection.

Damages to the Williams car were estimated at \$400 and to the McAlister car at \$550.

BAND CONCERT FRIDAY

A summer school band concert is scheduled Friday at 6:30 p. m. at the Littlefield High School band room. Beryl Harris, director, announced Wednesday.

THE WEATHER

Cloudy

Today's forecast — Clear to partly cloudy and cooler through Thursday. Expected high of 83.

Temperatures — Sunday high 76, low 56; Monday high 74, low 52; Tuesday high 83, low 68; Wednesday high at noon 80, low 59.

Moisture — .20 for the month; 4.04 for the year; 3.98 this time last year.

City Council To Meet Tonight, Designate Paving

Designation of all streets to be improved in the city's 1960 paving program is expected tonight at a regular meeting of the City Council.

More than 60 blocks of paving already are set up for paving and about 20 others have been listed as tentative until the council hears a final financial report on the paving project.

In other activity at tonight's council meeting, councilmen will open bids on two tennis courts to be built in the park at Crescent Park.

The council also will have a presentation of an audit of city funds for the last fiscal year.

Littlefield's Record Paving Project Moves Ahead
SMOOTHING THE WAY—A dirt-moving machine (left) clears a driveway for Ray Koehler, Texas Tech student whose parents live on Sunset Avenue, one of the streets being paved in the city's history-making paving program this year. Minor problems have been created as the pavers worked, but most of them have been cleared up quickly as the project progresses.

Pictured above is a full view of one of the streets being improved. A total of more than 75 blocks is expected to be paved here this summer, making the 1960 program the largest single paving project in the city's history. Contractor is Pioneer Pavers, Lubbock. The 23-block strip from U.S. 84 to FM 54 on Sunset is the largest phase of this year's paving program.

White Bible Ceremonies Honor Three Baptist YWA Brides-To-Be

A series of White Bible Ceremonies were held by the Young Woman's Auxiliary of the First Baptist Church last week. This is a traditional ceremony honoring members or former members at the time of their marriage.

Wednesday evening Miss Jackie Thompson, bride-elect of Harold Brantley, was the honoree; Friday afternoon Miss Johnita Gallini, bride-elect of Michael Greer, was honored; and Sunday afternoon, the honoree was Miss Sheron Robison, bride-elect of Richard Kelly of Amarillo.

The ceremonies were held in the home of Mrs. Ralph Nelson, YWA Director, on Wednesday evening and Friday afternoon and in the church parlor on Sunday afternoon.

Miss Thompson, niece of Mrs. V. G. Peterson, was an active member of the Janet May YWA during the summers of her high school years while she was a guest in the home of her aunt. Her home is in Jensen, Colorado. She has been a member of the Ann Hasselbine YWA of Wayland College, Plainview for the past two years while a student at Wayland.

Miss Gallini, the daughter of Mr. and Mrs. Johnnie Gallini, was a member of the Business Women's YWA of the First Baptist Church during the year of its existence.

Each ceremony was staged in front of the open fireplace. On a table in front of the hearth was an open Bible lighted with a large white candle. The opening prayer was rendered by Misses Dale and Gentry on Wednesday, Miss Hall on Friday and Miss Dale and Miss Sarah Gentry on Sunday. The piano accompanist was Miss Melva Lynn Ross.

Miss Joe Harmon, president, gave the history of the hearth as a symbol of the home. As she spoke she lighted a small white taper from the large white candle. In turn lighting tapers held by members of the YWA, who formed a circle around the honoree couple. As they stood with lighted tapers, the song, "Bless This House" was sung. On Wednesday and Sunday Miss Dale was the soloist and on Friday, Miss Hall.

Mrs. Nelson then explained the need of God's Word in the home and the significance of the use of the YWA colors, green and white.

"May the purity of your love, symbolized by the white, continue in growth, symbolized by the green, as you advance more and more in the futherance of the Gospel," she concluded.

The song, "Thy Word Is A Lamp Unto My Feet," rendered by Misses Hall and Dale on Wednesday, Miss Hall on Friday, and Misses Dale and Gentry on Sunday, introduced the text of the presentation address. The presentation was made by Rev. Robert D. Longshore, pastor, on Wednesday and Sunday, and by Joe C. Arthur, Minister of Music and Education, on Friday.

Following the closing prayer, the song, "O Perfect Love" was sung by Miss Hall on Wednesday and Friday and by Miss Gentry on Sunday.

The traditional White Bible reception was then held. Fruit punch and individual cakes iced with white were served from a table laid with white lace and lighted with tall white tapers. Table decorations featured a miniature bride carrying a tiny white Bible and a ceramic Bible bearing the name and wedding dates of each couple.

YWA members taking part in these ceremonies were Misses Harmon, Dale, Hall, Gentry, Priscilla Ivie, Frances Rogers, Charlotte Robison and Marilyn Wheeler all of the Janet May YWA of the First Baptist Church, Miss Bettye Fore of Amarillo and Miss Paula Sue Jensen of Baylor University, Waco.

Guests on Wednesday evening, honoring Miss Thompson, were Mrs. Paul Jensen and Janelle Jensen and Misses Anne and Sue Brantley, sisters of the groom-elect.

On Friday evening the guests present, honoring Miss Gallini, were Mr. and Mrs. Johnnie Gallini, parents of the bride-elect; Mrs. Georgia Farris, of Dallas, grandmother of the bride-elect; Mrs. Mackey Greer, Miss Jan Greer, and Mrs. Harold Clements, mother, sister, and aunt, respectively, of the groom-elect and Mrs. Joe C. Arthur.

Guests on Sunday afternoon, honoring Miss Robison, were her mother, Mrs. C. E. Robison, her grandparents, Mr. and Mrs. C. C. Mouldin, and the parents of the groom-elect, Mr. and Mrs. Jim Jeffress, of Amarillo.

MR. AND MRS. JOHNNY BOHOTS

Johnny Bohots At Home In Lubbock; Wed May 23

Mr. and Mrs. Johnny Bohots are at home at 2007 22nd Street, Lubbock, after their marriage May 23 at 8 p.m. in the Parkview Baptist Parsonage with the Rev. J. L. Bass officiating.

She is the former Doris Carter, daughter of Mr. and Mrs. M. O. Carter and he is the son of Mr. and Mrs. E. J. Bohot.

For the double ring ceremony, the bride wore a white street length dress of organza. She carried a white Bible topped with white carnations.

Immediately following the ceremony, a reception was held in the home of Mr. and Mrs. L. L. Brawley. The receiving rooms were decorated with arrangements of roses. Mrs. E. J. Bohot served the tiered wedding cake and Sharon Brawley poured punch at a table laid with white lace.

Out of town guests were Mr. and Mrs. Tommy Brawley of Lubbock. The bride is a 1960 graduate of Littlefield High School and he is a 1959 graduate.

Couch-Nickelson Are Wed May 29

Ileere Couch, daughter of Mr. and Mrs. L. L. Couch of Anton, became the bride of George Nickelson, son of Mr. and Mrs. George M. Nickelson, May 29.

Dr. Raymond Burns, Presbyterian minister, officiated at the 2 p. m. ceremony at his home.

The bride wore a white street length dress with white accessories. She carried a single carnation.

Gayle Couch, of Anton, sister of the bride, served as maid of honor. She chose a gray street length dress with orange design and white accessories.

Best man was Gerald Chisholm of Sudan, brother-in-law of the groom.

The immediate families attended.

Earth Cemetery Beautification Work Is Done

EARTH - A group of workers met at the Earth Cemetery Monday morning for the purpose of cleaning around the graves and decorating them.

At 10 a.m. a special memorial service was held at the cemetery with Clifford Jester, pastor of the First Baptist Church of Springlake delivering an inspirational talk based on the 64th chapter of Isaiah.

W. L. Barton, representing the American Legion, read the honor roll of war dead buried in the cemetery.

Their graves were decorated with small American flags.

"Taps" were blown by Linda Rose and Jeanette Ray.

In the business meeting following the service, Earnest Green, president of the Earth Cemetery Association, was in charge.

An election was held in which Green was renamed president. Marshall Kelley was re-elected to the vice president's post and Carl Jones was elected to fill the office of secretary. New directors elected are Clarence Kelley, Carl Jones and Gus Parish.

In a meeting of the Earth Cemetery Perpetual Care Association, Mrs. Zou Wilson, secretary, read the minutes and President Marshall Kelley reviewed the work of the group in the past year and presented plans for another year.

MR. AND MRS. JOE NEAL ELLIS are pictured above as they cut the wedding cake following their wedding at Earth last Friday night. Mrs. Ellis is the former Minnie Lucille Wheat.

"I'm only one man, but I am one man. I can't do everything, but I can do something. . . and what I can do, I ought to do. And what I ought to do, by the grace of God I will do."

Man-made satellites measure clues to the secrets of Earth's weather far out into space, says the National Geographic Society.

"The only necessary for evil to triumph is that good men do nothing."

MISS FRANCES COLE
Frances Cole, Claude Davis To Wed In July

EARTH - Mr. and Mrs. R. S. Cole of Earth announce the engagement and approaching marriage of their daughter, Frances, to Claude Davis, son of Mr. and Mrs. Ashley Davis, Springlake.

The couple plan an early July wedding.

Frances is a 1958 graduate of Springlake High School and is now employed by Cicero Smith Lumber Company at Lubbock.

The prospective bride groom graduated from Springlake High School in 1957 and has attended South Plains Junior College at Levelland. He is currently employed by Quicksall Pryor in Lubbock.

"Some people put themselves above politics, saying, 'Politics is dirty,' or 'I have no patience with politics.'" In the name of all that's American, how can any good citizen feel superior to politics? We freed the slaves by politics. We are taxed by politics. Our businesses flourish or wither by politics."

"You have not converted a man because you have silenced him."

About Your Health

Summer and "sleeping sickness" go hand in hand.

Sleeping sickness is actually a type of encephalitis transmitted by infective mosquitoes. The popular name is derived from the stupor it sometimes causes among its victims.

Since mosquitoes abound in warm weather, summer is the danger season for mosquito-borne encephalitis. The State Department of Health last year received reports of 57 cases, all of which occurred during the months of summer and early fall.

Altogether there are some 75 species of mosquitoes which have been identified in Texas, but encephalitis is spread principally by just two. The experts call them "culex tarsalis" and "culex quinquefasciatus". The latter is sometimes called the household mosquito because it has adapted itself to backyard environments.

The time it takes a mosquito to develop from egg to the blood-hungry adult that plagues on a summer night depends on the species, the temperature and the food supply, say State Department entomologists. In Texas it can vary from four days to two weeks.

Here are some suggestions on ways to minimize mosquito populations in and around your home this summer.

Eliminate all possibilities of water standing and stagnating. Clean gutters, pick up old buckets, cans, automobile tires and other objects likely to catch and hold rain water. Make sure septic tanks or cesspools are covered with earth.

Evaporative coolers and water containers for pets and livestock should be drained and refilled weekly. Tree holes should be filled with cement or mortar.

Empty and replace the water in flower vases regularly. Make sure window and door screens are doing the job. If you have a backyard goldfish pond, put a few easily-found top-water minnows in it to control mosquito larvae.

Proper spraying with a good residual spray should be used on out building and other likely points of mosquito landing.

IT'S THE LAW in Texas
A public service feature of the State Bar of Texas

Vacation time is near. Soon millions of people will be driving about the country, and automobile accidents will occur with increasing frequency. What should a person do when involved in an accident?

At such times it is hard to keep your wits about you and know just what to do. It is therefore a good idea to plan in advance just what you would do in event of a smash-up. Here are a few simple rules that every driver should commit to memory:

1. Stop! Failure to stop can result in serious criminal consequences.

2. Render Aid. If anyone is injured, (1) Render first aid, (2) Stop bleeding, (3) Call a doctor or an ambulance or both, (4) Do not move an injured person in any way that could possibly add to his injury.

3. Protect the Scene from Further Damage. You may be liable for damages to approaching drivers, unless they are properly warned. If the highway is obstructed at night, have someone turn his headlight beams on the wrecked vehicles.

4. Call an Officer, Policemen, Highway Patrolmen, Sheriffs and their deputies are trained accident investigators whose testimony may be invaluable in establishing your civil claim for damages.

5. Gather Information. Write it Down. Don't trust your memory. Don't guess - be specific. Measure skid marks. Step off distances. Be sure to obtain names and addresses of witnesses. You are required by law to exhibit your driver's license to the other driver - and he must do the same.

6. Be Careful What You Say. Even if you feel you probably are to blame, it is best to make no admission. You may learn later that the other driver was equi-

ally at fault, or more so. Emotional comments can be misconstrued by others, or may be misquoted. Whatever you say, make it factual.

7. See Your Doctor if there is the slightest chance you may be injured. Serious injuries do not always result in immediate pain or bloodshed.

8. Consult Your Lawyer Immediately. The sooner your lawyer is brought into the matter, the better he can advise you and protect your rights. He can obtain statements from the witnesses while their memories are fresh, and do many other things to insure that the true facts are preserved. Get your lawyer's advice before giving any interview or statements to investigators or adjusters for the other side.

9. Inform your Insurance Company Promptly. Failure to do so may void your policy.

10. Report the Accident to the Department of Public Safety. This is required by law if there is any injury, death, or total damage exceed \$25.

An official accident report form may be procured from the Police Sheriff's Dept., Highway Patrol or State Dept. of Public Safety.

(This column, prepared by the State Bar of Texas, is written to inform - not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in fact may change the application of the law.)

San Diego of the Pacific Coast League now has a working agreement with the Chicago White Sox. The Padres worked with Cleveland in 1959.

McCrell - Jackson Exchange Vows Wednesday At First Methodist

McCrell, daughter of p. m. in the First Methodist Church in a ceremony read by both her father and the father of the groom.

Each minister read the ring ceremony to his own child before an altar flanked with arrangements of white stock and white daisies and burning candles.

Given in marriage by her father, the bride wore a floor length gown of white chantilly lace and tulle styled with a portrait neckline edged with scalloped applique of lace embroidered in sea pearls and sequins. Fashioned a tapering tiers, the full skirt of lace and tulle. Her veil of silk illusion fell from a seed pearl tiara. She wore elbow length lace mitts and carried a tapered bouquet of stephanotis topped with gardenias. Attached to the ribbon was brooch belonging to her maternal great-grandmother.

Miss Marsha Ann Cockrell, sister of the bride served as maid of honor and Willie V. Bane Jr of Adilas was best man.

Maid of honor chose a dress of moss green silk organza over taffets fashioned with a portrait neck line, bell sleeves and softly pleated skirt. She wore short gloves and carried a bouquet of white daisies with mint green trim.

Bridesmaid was Miss Monte Kay Gragg of Farmington, N. M. Her mint green dress was styled identical to the maid of honor. She also wore white gloves and carried a nosegay of white daisies. They were trimmed with moss green.

Miss Cammie Fern Cockrell sister of the bride, was junior bridesmaid. Her dress and bouquet were identical to that of the bridesmaid.

All three attendants wore hats of moss green net trimmed in foliage and velvet ribbon.

Ushers were Neal Abeles of Paris, Brian Selander of Houston Buddy Renick, of Kileen and Tommy McClung of Verono.

Gary Don Ruecker of Ropesville served as junior groomsmen.

Candlelighters, dressed identical to the bride's attendants, were Misses Judy Lumsden and Kathy Woody.

The program of nuptial music was furnished by Mrs. Walter Scheef of Ptersburg as organist and Mr. and Mrs. Richard Jackson of Douglas, Ariz. as soloists.

Mr. and Mrs. Jackson are brother and sister-in-law of the groom. Their selections were "Because" and "Entreat Me Not To Leave Thee."

Mrs. Cockrell, mother of the bride, chose a dress of rose beige silk with dyed-to-match accessories. Mrs. Jackson, mother of the groom, wore grey lace over beige taffeta, also with dyed-to-match accessories. Both wore shoulder corsages of pink roses.

The bride couple greeted all guests in foyer of the church, immediately following the ceremony. The reception was held in the home of the bride's parents.

The serving table was covered with a floor length organza eyelet embroidered cloth. It was centered with the tiered wedding cake and silver candelabra with the bridesmaids bouquets. The bride's bouquet was placed at the registry table.

The couple left on a wedding to Nashville, Tenn., where they will live for the summer. For traveling the bride chose a navy blue silk suit with white accessories. At her shoulder she wore a corsage of gardenias detached from the bridal bouquet.

The bride is a senior student at Southern Methodist University at Dallas. She will continue her studies there this September. She also attended McMurry College at Abilene from 1957 to 1959. She was a member of Delta Beta Epsilon social club, freshman class officer, sophomore favorite and an officer in Christian Foundation. She attended Tulsa High School and graduated from Hereford High School in 1957.

Bulls-Faulkenberry Reveal Engagement At Earth Tea

EARTH — An announcement was made Saturday afternoon from 4 until 6 in the Crill Bulls home at Earth disclosed the engagement and approaching marriage of Beth Bulls, daughter of Mr. and Mrs. Crill Bulls to Scott Faulkenberry, son of Mr. and Mrs. F. A. Faulkenberry of Floydada.

Greeting the guests at the door was Mrs. Eugene Lee, Mrs. Gary Bulls registered guests. In the receiving line were Miss Bulls, Mrs. Crill Bulls and Mrs. F. A. Faulkenberry.

The refreshment table was laid with a cloth of white satin and net trimmed with wedding bells and satin bows. It was centered with a large, silver wedding ring fastened to a styrofoam base and nestled in an arrangement of white peonies and orange blossoms.

From the table fruit punch, dainty finger sandwiches, nuts and mints were served by Mrs. Alvin Lee, Mrs. Eldon Parish, Mrs. Earney Glascock and Norma Hamilton. Crystal service was used.

A July 30th wedding was suggested by satin and lace bells on either side of a peonie and orange blossom arrangement on the mantel in the entertaining room. It was further decorated with a bride doll in a styrofoam ring. The names, "Beth" and "Scott" were on the wedding bells.

Approximately 30 guests called. Miss Bulls is a graduate of Springlake High School and a 1958 graduate of West Texas State College, Canyon. She will be a student in summer school there for six weeks. For the past two years she has been a speech correspondent in the Floydada Public Schools.

Faulkenberry farms near Floydada.

Among the festivities honoring Mr. and Mrs. Bob Cannon recently was an open house in Lubbock Monday night after he was graduated from Texas Tech. Hostesses were Mrs. Walter Ford and Mrs. W. T. Jones.

Cannon was awarded the senior student award from the American Association for Textile Technology in recognition of those qualities of leadership, scholarship and technical ability educated to promote the advancement of textile technology. He also received the honor award, a gold medalion, for Outstanding Student in the school of textile engineering.

Last fall he received a \$500 scholarship offered by Chemstrand Corp. for outstanding grades and progress.

Beth is the son of Mr. and Mrs. W. C. Cannon of Lima, Peru former residents of Littlefield. Mrs. Cannon flew from Peru to attend her son's graduation. He is married to the former Anne G. Bellomy, daughter of Mr. and Mrs. O. T. Bellomy.

In the Texas Tech yearbook he was featured as Mr. Typical Technician in 1957. He was president of Phi Psi, textile engineering professional fraternity and secretary-treasurer of the Textile Engineering Society.

Cannon was graduated from Littlefield High School in 1955. He has accepted a position with Chemstrand Corporation in Pensacola, Florida. Mr. and Mrs. Cannon left for Pensacola Tuesday where he will assume his new duties June 6.

Two Local Boys Get Degrees From SPC
Cecil Johnson, son of Mr. and Mrs. C. M. Johnson, and Harry Miller, son of Mr. and Mrs. E. T. Miller, received Associate of Arts degrees from South Plains College at Levelland May 27.

Both plan to attend West Texas State College at Canyon this fall.

Sherron Robertson was home from Amarillo last weekend visiting her parents, Mr. and Mrs. Earl Robertson.

Professor Middleton and family from Gilmer are visiting friends and family in Littlefield and Sudan.

SKIPPER SMITH
(Pd. Pol. Adv. by Skipper Smith)

Rain Helps WOW Keep Lead In Little League

Rotary was within one inning of deadlocking the Major League race Tuesday night as rain forced a halt in Little League play.

The Rotarians were ahead of league-leading WOW 2-0 in the top of the fourth when the rains came forcing postponement of the tilt. The unfinished game left WOW in the lead with a 4-0 record, with Rotary second with 3-1.

In other games this week, Rotary beat the Jaycees 14-1, Saturday night and Littlefield Butane edged Birkelbach, 6-5, Monday night.

In Minor League play, Security State held on to its league lead with a 23-4 victory over Foust.

VFW stayed in second place with an 11-8 win over Mangum. Hilbun and Union Compress beat Mangum - Hilbun, 12-0 to take over third place.

Rotary used Jaycee pitcher and the four-hit pitching of Larry Schavajsa to beat the Jaycees, 14-1.

Schavajsa tripled in the first

frame and later scored to give his mates a 1-0 lead. Then Rotary came up with 12 runs in the fifth inning, using walks, errors and one hit, a double by Wilmer Williams. Rotary got another run in the sixth when Doug McNeese singled and later scored.

Littlefield Butane broke a 5-3 tie with a run in the fourth in its 6-5 win over Birkelbach. Jerry Smith homered to give the Butaners the edge.

It was 1-1 after the first inning with Birkelbach getting its run on a homer by Buster Smith and the Butaners scoring on a single by Charles Saunders.

Ltd. Butane scored three times in the second, using singles by Al Inn and Randy Hilton and a double by Jerry Smith.

Birkelbach got four runs in the third, with singles by Hagar and Tommy Rice doing the damage. The Butaners tied it up in their half of the inning, setting the stage for Jerry Smith's winning homer.

Security State scored 12 runs in the second inning and eight more in the fifth to beat Foust, 23-4.

Vernon Jackson threw a two-hitter as Union Compress whipped Mangum - Hilbun, 12-0. Fred Mullins had two doubles to lead the Compress hitting attack.

Mangum-Hilbun took a 6-5 lead after two innings in its game against VFW, but the Vets went ahead in the third, 8-5, and kept their lead. The final was 11-8.

Valencias Buena Vista

A pleasant sight indeed is this tray of Florida Valencia oranges, and it's a view you can enjoy from now until June!

This large and juicy variety of orange is virtually seedless, too, a boon in preparing salads and fruit cups. For a pretty pinwheel effect, slice the oranges rather than sectioning. Since you can't improve on that fresh-squeezed flavor, keep Valencias on hand and treat your family to the real thing often for breakfast and pick-up drinks.

Cinnamon Oranges, said to have originated in South America, are fun to make so get out your sharp knife for peeling oranges and go to work supplying the sudden demand when news gets out that you're serving them. Valencias, like all Florida citrus fruits, are full of daily needed vitamin C, which makes them an extra good confection for children.

Cinnamon Oranges

Cut off peel of each Florida orange in circular motion, cutting deep enough to remove white membrane. Go over fruit again to remove any remaining white membrane. Roll each orange in a mixture of 1 tablespoon confectioners' sugar and 1/4 teaspoon cinnamon. Eat with knife and fork.

Dairy Queen Wins, But Other Tilts Rained Out

PONY League action got underway Monday afternoon with Littlefield's Dairy Queen topping Olton, 10-9, but three other games were washed out by rainy weather.

Roden Drug at Earth was postponed because of wet grounds Monday night. Dairy Queen was to have played at Earth Tuesday night but that game also was rained out.

Amherst and Ware - Keeling of Littlefield played three innings here Tuesday night, but a storm moved in to wash that one out. Amherst was leading, 4-1.

The schedule calls for Amherst to play Roden Drug here tonight. Olton plays Ware - Keeling here and Dairy Queen goes to Amherst Friday night.

Dairy Queen was originally scheduled to play Olton at Olton Monday night, but wet grounds at Olton forced the game to be played here Monday afternoon.

Dairy Queen took a 4-0 lead in the top of the third inning with a single by Larry Woods and a double by J. R. Hurrell doing the damage.

Olton came back with three runs in the bottom of the third, with singles by Galloway and Priest sending home the runs.

Larry Harel and Juan Hernandez got singles in the fourth for Dairy Queen as the Littlefield team scored two more runs, making it 6-3. Littlefield padded that to 8-3 in the fifth, with Ray McKinney hitting a single and J. R. Harel a double.

Olton picked up a couple of runs in the fifth on walks and errors, making it 8-5.

Dairy Queen added another run in the sixth on Charlie Roberson's solo homer, then got another run in the seventh on a double by Hernandez and singles by Ronald Sitton and Doug Yarbro.

Olton rallied for four runs in the bottom of the seventh, using a single by Don Malone and a couple of walks, a hit batsman and an error.

Ray McKinney was the winning pitcher. He went four innings and allowed three runs and two hits, striking out nine. Larry Woods went the last three frames for Dairy Queen. George Jones was the losing pitcher.

Softening?

We have heard comment recently about the "softness" of American youth. If such a condition exists, what is the cause?

Could it be the result of the state (government) assuming greater and greater control over the individual -- his schooling, his work, his income, his savings, his death and his estate -- in other words, cradle to the grave?

We now read that the New York City Board of Education sanctions a short course for junior and senior high schools next year, the purpose of which is to teach now to have a nappy home. The course will include "group dating, double dating, single dating, steady dating" and the development of "quantities that make one popular."

The assumption that normal young people need such instruction is virtually an insult to their intelligence, but it is a good example of state direction of the individual.

If such public instruction doesn't produce "softness" and lack of self-reliance in young people it will be because of their native intelligence.

Last Rites Read For D. C. Barton

EARTH - Graveside rites for David Crockett Barton, 74, were held at 2 p.m. Sunday at the Roseco cemetery with Rev. Glenn Rosefield, pastor of the First Baptist Church of Roseco, officiating.

Barton was the brother of R. E. and A. C. Barton and Mrs. Minnie Pate of Earth. He was also survived by a daughter, Mrs. A. J. Robinson of Roseco and a son, D. C. Barton Jr., of Anaheim, Calif.

Also two other sisters, Mrs. Myrtle Bland, San Angelo and Mrs. Caludie Money, Tampa.

Barton died at the West Plains Hospital at Muleshoe at 9:55 p.m. Friday May 27, following a series of six strokes. He had been ill since May 1 when he was stricken while visiting relatives in Earth. His home was in Los Angeles. He was a former cafe owner at Earth.

Burial was at the Roseco cemetery under the direction of Wells Funeral Home.

Attending services from Earth were Mr. and Mrs. A. C. Barton, Mrs. Minnie Pate, Mrs. Gladys McCoy and Mrs. Mildred Haley.

Rites Conducted For Mrs. Shuford

EARTH - Funeral services were held at 4 p.m. Saturday at the First Baptist Church of Dimmitt for Mrs. Sallie Shuford, 80, who died Friday at Dimmitt at the end of a year's illness. Mrs. Shuford was the mother of Mrs. Roy Haberer of Dimmitt, formerly of Earth. She is also survived by a son, Clyde of Odessa, Tex.

Burial was at Belvue, Tex., where George Worlds, son-in-law of Mrs. Roy Haberer, conducted services.

Attending the funeral from Earth were Mr. and Mrs. Roger Haberer and children, Mr. and Mrs. Phillip Haberer and family, Mr. and Mrs. Johnnie Haberer, Ted Haberer and Bonnie Haberer.

Other than the valley areas, most of Syria receives about four inches of rain a year.

"That government is the strongest of which every man feels himself a part."

High Stakes

At the end of March, the American Medical Association sponsored a regional conference on the medical needs of the aging in Baltimore. The AMA's president, Dr. Louis M. Orr, set the keynote in these words: "The time has come for both political parties to lay aside their partisan political approaches and seek, as groups of thoughtful people, the courses we must follow in providing our older people with tulle lives."

"The stakes are too high, in terms of human lives and productivity, for either party to use the problems inherent in aging for advantage at the polls."

One political approach to these problems is found in the bill which would give federally-paid medical care to social security beneficiaries. This approach ignores the fact that needs vary from individual and from community to community, and can be met satisfactorily only on the community level. Such a national program - entirely aside from the huge tax costs that would be an inevitable art of it -- would regiment medical care for the age groups concerned, and turn the elderly people into so-many-million faceless, voiceless statistics.

The progress so far made by private medicine, aided by the spectacular growth and expansion of voluntary health insurance plans, is certainly proof that the remaining problems can be best and most certainly solved by maintaining the free system. That applies not only for the aged, but for all others. Meanwhile, to quote Dr. Orr again, "There is no one in this nation who needs to go without proper medical care for any reason." The doors to doctors' offices are always open to the indigent.

Time Does Not Permit Me To See Everyone --

... but I want to personally urge everyone to return to the polls this Saturday, June 4. Again, I earnestly solicit your vote and influence in the run-off election for commissioner of Precinct 3.

I pledge my best efforts to work with farmer and businessman alike in maintaining the best roads county administration for the good of all.

J. L. (Roy) YEAGER
(Pd. Pol. Adv. by Roy Yeager)

Fact And Opinion

Railroads in 1959 recorded the lowest number of passenger fatalities in their history, according to a preliminary report made by the Association of American Railroads. Only one fatality resulted from a train accident during the year. Nine passengers lost their lives in what are known as "train service" accidents--those over which the railroads have little or no control, such as in cases of people attempting to board or leave moving trains.

LEGAL NOTICE

NOTICE TO BIDDERS

Sealed proposals addressed to the County Judge and the Lamb County Commissioners Court of Littlefield, Texas, will be received at the office of the County Judge until 3 P. M., June 20, 1960, for furnishing all necessary materials, machinery, tools, equipment, superintendence and labor for the placing of approximately 270 tons of Asphaltic Concrete Hot Mix Overlay at the Court-house drives, the patching of existing asphalt surfaced roads and approximately 12 miles of surface treatment and seal coat in and for Lamb County, Texas.

BIDDERS QUALIFICATIONS: Each bidder must be qualified financially, experienced and equipped to qualify for similar work of the Texas Highway Department.

Bidders must submit cashiers or certified check issued by a bank satisfactory to the Owner, payable without recourse to the order of the County Judge in an amount not less than five (5) percent of the largest possible bid submitted as a guaranty that Bidder will enter into contract and execute bond and guaranty in the forms provided within five (5) days after date of the opening of bids. Bids without required check will not be considered.

The successful Bidder must furnish performance bond in the amount of one hundred (100) percent of the total contract price from a Surety Company holding a permit from the State of Texas, to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities, in case of ambiguity or lack of clearness in stating the prices in the bids. The Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the fact that there must be paid on the project not less than the general prevailing rates of wages which have been established by the Texas Employment Commission.

Instructions to Bidders, proposal forms, specifications and plans are on file at the office of ASH ENGINEERING COMPANY, 1414 Belmont Avenue, Odessa, Texas, and - or - office of the COUNTY JUDGE, Littlefield, Texas.

Copies may be secured from ASH ENGINEERING COMPANY, COUNTY JUDGE upon deposit of \$25.00, which deposit

Court of Criminal Appeals
Of Texas

TOWN and COUNTRY

by
Wendell Tooley

There has been an increase in shoplifting, in petty thievery, of her types of crime, but there has been the biggest increase of all in the theft of money and property by employees.

The rise in losses to "trusted employees" has been appalling to many in this nation today. At a meeting of the Factory Management Council recently in Syracuse, N. Y., it was estimated that about \$1 billion would be lost by U. S. companies through employee stealing this year. Department stores are expected to suffer a 1.3 per cent loss on \$16 billion in sales; supermarkets a \$100 million loss.

This represents a sizeable portion of these firm's operating profit. The U. S. News and World Report carried a story recently about an Ohio plumbing manufacturing firm that lost \$250,000 worth of fixtures by 41 of its most "trusted employees." These men and women developed the habit of carrying home with them various articles being manufactured, and the cumulative effect was the same as if a band of armed bandits had trucked off the wares.

During the past year or so, the news has been fairly regular about trusted bank employees pocketing money belonging to the bank and its depositors. Bookkeepers have absconded with money or concealed small thefts until their company was on the verge of bankruptcy.

All too often when disclosure develops, the guilty parties are found to be pillars of the community, teaching Sunday School classes, etc. The strange thing about these inside thefts is that practically none of those involved would think about stealing from a job work for. What kind of thinking is this?

We have always had soda jerks who ate the boss' ice cream; the waitress who drank the boss' coffee; the mechanic who used the boss' tools and supplies on his own car; the traveling salesman who used the company's car and gasoline on his personal trips.

But it has developed only in the past few years that employees have developed the idea that what belongs to their company also belongs to them and they have developed a numb conscience about stealing.

Lubbock Man's Mare Winner Of Earth Show

EARTH - The first annual quarter horse show sponsored by Earth by the Earth Roping Club was held at the rodeo grounds here Saturday.

At the 2 p. m. event grand champion mare named was "King's Sakey" owned by Joe Kirk Fulton of Lubbock. Reserve champion mare was "Snow Cloud" owned by Eino and Jack Caudle, Hale Center.

In the stallion show, a horse owned by H. J. Lee of McAllister, N. M., "King Leo", received the grand champion trophy with reserve champion rosette going to "General Lee Hill" owned by Fulton of Lubbock.

Other results in the thirteen classes is as follows: Mares foaled 1959 - first: "Miss Leo Hank" owned by Russell Moore, Plainview. Mares foaled 1958 - first: "Missy Showdown" owned by Mr. and Mrs. J. D. Kitchens, Hulse, N. M.

Stallions foaled 1959 - first: "No Name" owned by Howell Brothers, Dimmitt. Stallions foaled 1958 - first: "Sheddy Jr." owned by Fulton of Lubbock.

Stallions foaled 1957 - first: "Salty Bob Snip" owned by Mc and Kris Waltham, San Jon, N.M. Stallions foaled 1956 or before - first: "Leo Blake" owned by J.E. McNaughton, Vega.

Geldings foaled 1956 or later - first: "Lewis Blake" owned by Jake S. Clovis, N. M. Geldings foaled 1955 or before - first: "Lucky Clegg" owned by J. A. McNaughton, Vega. Mare and foal 1950 - first: "Lucy 24" owned by Joe Kirk Fulton of Lubbock.

B. N. Boykin, who admitted to the Medical Hospital here Tuesday with a neck injury suffered on Saturday, is back.

He told a reporter Monday that he was aware of his injury at the time of the accident. He said he had started to work when another man stepped on his back.

He said he had started to work when another man stepped on his back.

TO THE VOTERS OF LAMB COUNTY PRECINCT NO. 3

There are many things the people of Littlefield and Lamb County should take into consideration when they vote for Commissioner of Precinct No. 3 Saturday, June 4.

SKIPPER SMITH

is qualified in every way to handle this job for us.

We, as voters, should think of the work he has done for our kids in and around Littlefield. He has worked with the Junior Livestock Shows, and promoted educational tours for the exhibitors. For several years he has helped our Boy Scouts on trips, furnishing transportation at no cost to this organization.

Vote for Skipper Smith for Commissioner Precinct No. 3

THIS SWIMMER DISPLAY is one of many to be found in the new Montgomery Ward Catalog Store in Littlefield. The company publishes two General Catalogs each year, offering more than 100,000 merchandise items, and a variety of specialized catalogs on cameras, power-kraft tools, farm, garden, Christmas gifts, and fishing and hunting needs.

Dutch College

(Continued From Page One)
 to return to Indonesia and work on a tea plantation.
 "Surprising to me is so much mechanized farm machinery on the farms here," was Shoemaker's comment. He has learned to drive both a tractor and farm pick-up since coming here. He is also studying the operation of irrigation wells.
 Shoemaker received his elementary and high school education in Indonesia and went to Holland at the age of 18 to continue his education at the Wageningen University. His parents are now residing in Holland, having had to return there in 1958 due to the internal turmoil in Indonesia.

Dudley Shows

Return To City For Three Days
 The D. S. Dudley Shows are back in Littlefield for three big days: Thursday, Friday and Saturday. The show appeared here last year and again this year is sponsored by the Littlefield Lions Club.
 There are two free features just for the children. Yvonne, the baby elephant and Maggie, the ant eater bear are both free and every child is invited to see the two, according to the D. S. Dudley show owner.
 The show features 'Zek', a giant India Rock Python and the largest python in captivity. In addition there are 11 rides for adults and children including a ferris wheel, merry-go-round, tilt-a-whirl, looper, octopus, roller coaster and the ponies in kiddy land is autos, pony carts, air planes and merry-go-round.
 The Lions Club and the Dudley's plan a big matinee Saturday afternoon from 2 to 6. The details can be found in their advertisement.

4 Run-Off

(Continued From Page One)
 two-thirds of that amount vote this time it will be a good turnout.
 Results in the first primary show Osborn led Hamilton, 5,331 to 4,312. A third runner, B. I. Shelby of Hart, got 3,015 votes. Hamilton carried Lamb County with 2,963 votes to Osborn's 1,211.
 However, Osborn carried his home county, Bailey, by 1,523 to 385. He also led in Farmer County 1,227 to 253.
 Shelby carried Castro and Deaf Smith in the first primary, but Osborn ran a strong second in Deaf Smith.
 Yeager outdistanced Smith in the first primary, 1,044 to 499. The incumbent precinct 3 commissioner, Bill Jeffries, got 488.
 Moss led Spain in precinct 1, 477 to 400. H. A. Hysinger tallied 195.
 In the criminal appeals race, Davidson, the incumbent, held a slight lead throughout the state, but McDonald carried Lamb County, 1,549 to 1,504.

ENOUGH SAID!

A Sudan man who had been in Littlefield for a while gave his wife and a man a beating Tuesday night, but he had enough heart to take them to Littlefield Hospital for treatment.
 While there, he jumped on Dr. J. R. Fain, tearing the physician's shirt. It roused the doctor enough for him to call the police.
 The man spent the night in jail, and his escapades roused the city judge enough to fine him \$100 the next morning.
 And the man wanted out of jail had enough to cough up the \$100 quickly.

Rains Boost

(Continued From Page One)
 day night. He said there was little or no rain throughout the area southwest of Littlefield Tuesday night.
 "We're in good shape now," said Lumsden. "Some of the boys on sandy land west of here have already started planting. Most of us on mixed land around here will start planting Thursday morning."
 Bennie Claunch of Bula reported 1 1/2 inches of rain there Monday morning. Clarence Albus of Pep got 1.1 Anton Demel of Pep reported .80 the same morning.
 The Sudan area got about an inch of rain Monday morning, followed by another .40 Monday night. Kenneth Wiseman, who farms north of Sudan, reported an inch Monday morning.
 Southwest of Sudan, Byron Ford received an inch of rain on his dryland farm Monday morning, with only a sprinkle Monday night.
 Amherst reported an inch of rain Monday morning.
 W. E. Mitchell, who farms four miles east and three north of Spade said he got an inch of rain Monday morning and enough hail to knock off 50 per cent of the leaves on his young cotton plants. Mitchell did not plan to replant.
 The stormy weather actually started late Saturday, when some farmers near Hart Camp received heavy hail. Joe Harrah of Fieldton said high winds blew the roof off his barn.
 The hail started at the Paul Hukill farm in the Hart Camp area and went south, according to Harrah. Harrah reported an inch of rain at Fieldton Monday morning.

MRS. POLLY DEWETT, who lives 3 1/2 miles northeast of Bainer Switch, snapped this picture of the reported tornado in that area last Saturday afternoon. She said it appeared to be on the ground about five minutes and was traveling in a northeasterly direction. She snatched the picture from her front yard and the twister was about two miles away.

Services Set

Here Today For Lewis S. Dewett
 Funeral services for Lewis Sheppard Dewett, 91, a resident of Littlefield since 1924, will be conducted today at 2 p. m. in the First Baptist Church with the Rev. Robert Longshore, pastor, officiating.
 Born May 4, 1869 at Coffeyville, Ala., Dewett died Tuesday afternoon at the Littlefield Hospital. He had been a patient since early Saturday.
 His wife died in 1930.
 Survivors include four daughters, Mrs. L. M. Goolsby and Mrs. W. M. Manuel, both of Littlefield; Mrs. L. T. Harkins, Lincoln, Ark.; Mrs. R. A. Hainman, Dutch Mills, Ark.; two sons, Clarence, Paint Rock; Fred, Levansand; 17 grandchildren, 23 great-grandchildren and one great-great-grandchild.
 Burial will be in the Littlefield Cemetery under the direction of Hainman's funeral home.

WOOD LIKE TILE

Rubber and vinyl tiles simulating wood-grain are on the market. The tile come in planks as well as in conventional shapes resembling walnut, oak and teak. They offer the rich-looking aspects of hardwood and ease of maintenance and durability of tile.

Time To Control Bagworms

College Station — Bagworms are, or soon will be, active in all parts of the State. The time to obtain good control of these pests is when they are young, as chemicals applied after the worms are grown gives no control, says James Hawkins, assistant extension entomologist.
 After hatching, the larvae immediately start to feed on the foliage of ornamental plants. The young worms spin a silken bag about themselves and as they feed attach bits of foliage to this bag. The worms carry this bag with them as they move about. When the worms are grown, this bag is one and a half to two inches long and affords the worm almost complete protection.
 In September the female worm deposits her eggs in the bag and then dies. The bags should be picked from infested plants and burned because the eggs for next season's worms go through the winter inside the bags.
 Hawkins recommends 10 per cent toxaphene or 4 per cent malathion dust as a control. Lead arsenate, toxaphene or malathion spray can also be used. Remember, the entomologist concludes, these chemicals are effective only if used when the worms are young.
 For additional information on control of bagworms ask your local county agent for L. 159, "Texas Guide for Controlling Insects on Ornamental Plants."

Costly Throwaway

Two Lubbock men were fined \$10 each here Tuesday after admitting in city corporation court they threw empty beer cans on the parking lot of the Assembly of God Church here Saturday night.

On Paint Brushes

Paint brush manufacturers have turned the calendar back 39,000 years in their attempt to show paint brushes are still the best way to apply paint.
 "Primitive paintings, brushed on 39,000 years ago, can still be seen today in a number of European caves," says the American Brush Manufacturers Assn.

Games Were Fair Game Oak Cliff's Early Years

D. V. RATLIFF
Sports Writer

In the early years of the plastic League the game was as much time as on the field. Any star football game for a problem of them were pro time or another.

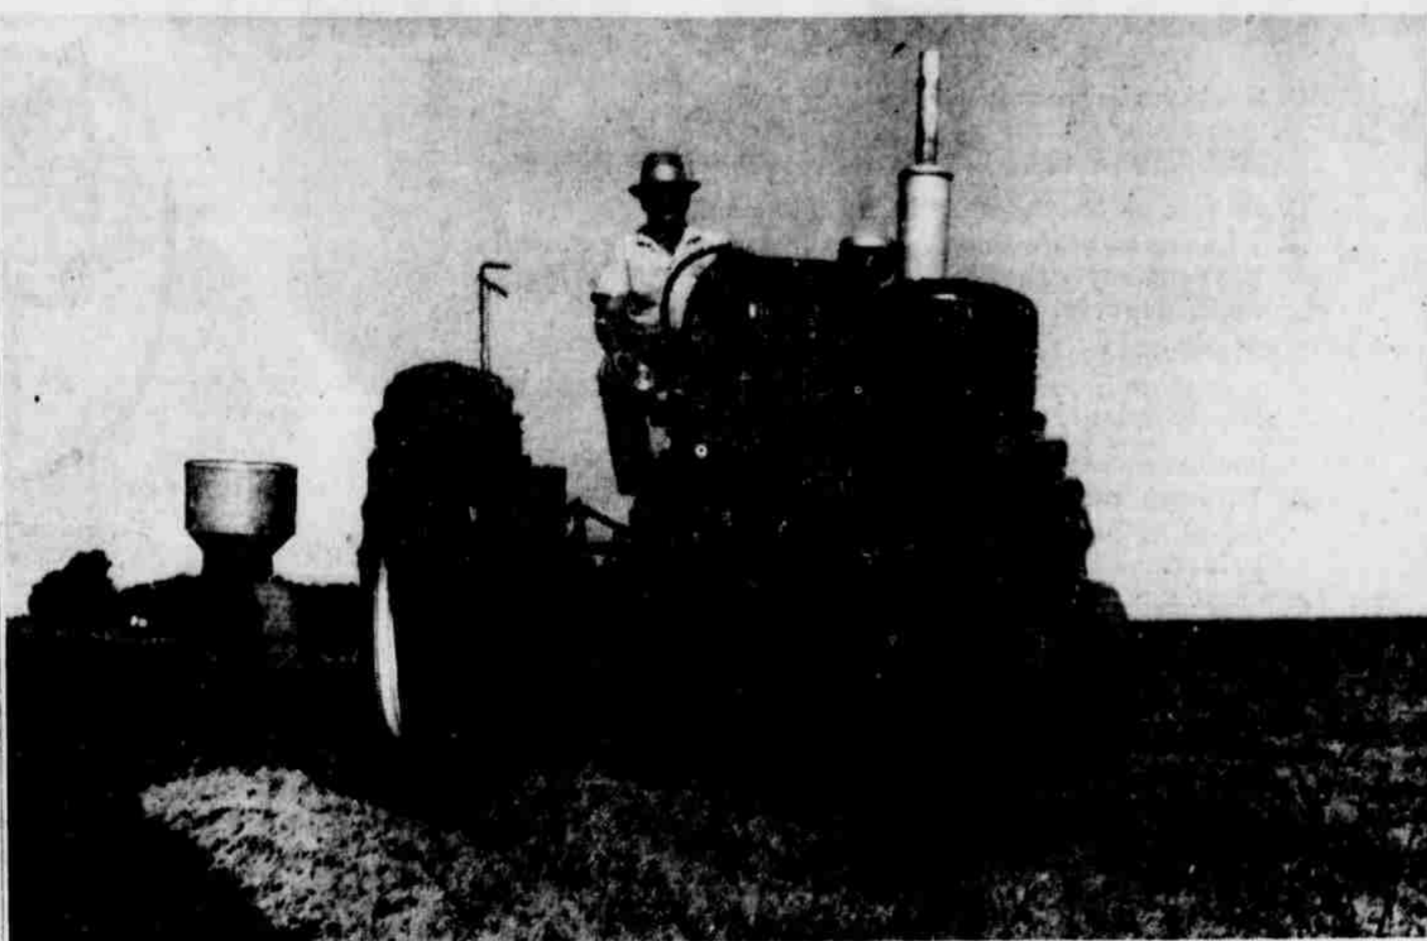

Cases of being too long, of families in order of giving the clothes, lodging little cash.

These violations were at the time but they were passed to pre the future.

It was the first case. It involved Sam Ballew. He beat Beaumont and it happened.

One of the most unusual cases was that of Lee Hammett, who was ruled out because he kicked a football barefooted. Hammett had gone to Ranger in 1928 from a place named Hog Town (now Desdemona). The Hog Town weekly paper of that time carried a little item, saying Hammett had gone into a game to kick a field goal — and had done it barefooted. Had it not been for the latter it probably would not have been mentioned.

Anyway, this showed Hammett had been in a game — for one

IT RAINED WEST OF TOWN! . . . that's the big news after the general rain Sunday night and farmer Fred Grisham, seven miles west of Littlefield begins his dry-land cotton planting early Tuesday morning.

Paul Renfro Will Receive Degree At ENMU

PORTALES — Candidates for degrees and diplomas at Eastern New Mexico University for spring graduation number 164, Miss Ruth Wheeler, registrar, has announced. Fifteen of the candidates are on the master of arts list; 142 bachelor's degrees; and seven, associate of arts diplomas. The graduates included Paul Norman Renfro, Littlefield.

Baccalaureate services were scheduled for Wednesday evening, and commencement exercises are tonight at 8 o'clock in the university stadium.

H. P. Skoglund, president of the North American Life and Casualty company, Minneapolis, will present the commencement address.

Proceeding commencement exercises, the symphonic band, under the direction of Floren Thompson, will present a concert at 7:30 p.m. in the stadium. The program honors President Floyd D. Golden. Immediately following the graduation exercises, President and Mrs. Golden will be hosts at a Student Union reception for graduates, their families, and the faculty.

SGT. CHARLES CHAPMAN of Littlefield, left, son of Mr. and Mrs. W. D. Chapman, is pictured at an official function in Salt Lake City, with Gov. Clyde, governor of Utah; Francine Felt, Miss Utah, and Sgt. John Swartz, Philadelphia, Pa. The necklace the girl is wearing is the Linde Star sapphire worth \$25,000. It was worn by Dorothy Kilgallen at the coronation of Queen Elizabeth. Sgt. Chapman is stationed in Salt Lake City.

play — five years before. So he have its 1959 Class AA state championship taken away from it system.

Things simmered down in the late thirties and ineligibility squabbles became the exception instead of the rule. Apparently those interesting incidents of the twenties and of the old Oil Belt were in the past forever.

But now comes Stamford to

ers not connected with the school fire department. There always was the fear that a fire would break out during a football game and the players would have to leave to go fight it. Suppose they had the ball on the other team's yard line with four downs to make a touchdown just when they had to leave to fight fire!

It harkened those who knew the Interscholastic League in its infancy back to the famed ineligibility cases that made the League's history most colorful and interesting.

One town, it has been said, once had the football players or

LATE CAPITAL Highlights AND Sidelights by Vern Sanford

Most ardent doubter to be a long legal battle over whether the natural gas severance beneficiary tax passed last year is constitutional.

An estimated \$15,000,000 a year in state revenue is at stake. Tennessee Gas Transmission Co. which filed a separate suit, was the first to begin argument in the Austin district court. A consolidated suit, involving 80 other companies, will be heard by the same court on June 16.

Tennessee Co. spokesmen argued that the pipelines are in the business of transporting only and should not be subject to a tax based on the value of the gas.

Case is not expected to be decided finally for many months when it has gone through all the lower courts and finally to the U. S. Supreme Court.

INDUSTRY - SEEKING BUDGET SET - Texas Industrial Commission has set an operating budget of \$100,000 of which \$76,250 will have to be raised privately.

Legislature appropriated \$2,375 for the Commission, about 10 per cent of what was asked.

Between now and Sept. 1, 1961 the Commission proposed to spend about \$50,000 on printing mailings and advertising. Remainder would be spent on salaries and office expenses.

Former Attorney General John Ben Shennard of Odessa has been named chairman of a 400-member citizens advisory committee which will assist the commission by gathering information on local conditions.

JOHNSON DINNER PLANNED - A \$50-a-plate dinner by the Lyndon Johnson for President dinner committee will be held in Austin's Municipal Auditorium on June 13.

The dinner will honor Senate Majority Leader Lyndon B. Johnson, Speaker Sam Rayburn, and Gov. Price Daniel.

Honorary chairman is Former Vice President John Nance Garner of Uvalde, Co - chairmanship of the event will be Austin's Mayor Tom Miller and Congressman Homer Thornberry.

Ticket orders should be mailed to Post Office Box 362 in Austin.

Myles Welborn Graduated From Dentistry School

Myles B. Welborn, Jr., son of Brantley Welborn, 512 E. 8th St., Littlefield was graduated from Baylor University College of Dentistry, Dallas, May 30. Commencement exercises were held at the First Baptist Church, Dallas.

Dr. Welborn was among the 76 graduates of the College of Dentistry receiving the Degree of Doctor of Dental Surgery.

Sixteen graduate degrees and 27 certificates in Dental Hygiene were also awarded.

Dr. M. B. Carroll, pastor, East Grand Avenue Baptist Church, member of the Dallas Executive Committee of the Baylor University Trustees, and president of the Baptist General Convention of Texas delivered the commencement address.

Dr. W. A. Criswell, pastor of the First Church, delivered the Baccalaureate sermon on May 29.

Brasher, Elder, Wood Complete Boot Training

Marine Pvt. Hugh J. Brasher, son of Mr. and Mrs. T. R. Brasher of Route 1, Littlefield, Marine Pvt. Larry C. Elder, son of Mrs. C. D. Elder of Route 1, Littlefield and Marine Pvt. Louis W. Wood, son of Mr. and Mrs. Willie H. Wood of Littlefield completed recruit training May 24 at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week course included instruction in all basic military subjects and infantry weapons.

Upon completion of training new marines are assigned to a unit for further infantry training or to one of the many Marine Corps schools.

A weekend guest in the W. M. Tomes home was her brother, O. C. Reynolds of Seminole. Their mother, Mrs. J. M. Reynolds of Vernon is here on an extended visit.

SHORT SNORTS - Corporation tax payments have reduced the general revenue fund deficit to \$15,736,868, according to State Treasurer Jesse James. Forty per cent of Texas bond owners still have not registered their craft under the new boat licensing law. Texas traffic deaths for the first 20 weeks of this year are down by 13 per cent from what they were a year ago, reports the Department of Public Safety.

Mrs. Lester LaGrange Amherst News

The wedding of Miss Marcia Hinds and Dan Gleckler will take place Saturday, June 4 at 4 p. m. in the Methodist Church.

Friends are invited to attend and to the reception which will follow.

A family dinner was held at the home of Mr. and Mrs. Luther Uselton Sunday.

Announcing the purchase of the Pete Shipley Texaco Service by Lloyd White

COME IN FOLKS!
I look forward to personally getting acquainted with everyone in this area.
Come in also and get acquainted with those good Texaco products and the best service in West Texas.
Lloyd White

We're proud to join the great Texaco Dealer family—the one in the oil industry that has won the confidence of motorists in all 48 states. We're trained to give your car the care it deserves—dependable service with an expert eye to safety.

Thanks Folks!

It has been a pleasure serving the motorists of the Littlefield area for over 19 years.
My sincere thanks to each and everyone for the wonderful patronage they have given me and I heartily recommend Lloyd White to continue to serve your automotive needs.

SKY CHIEF
Sky Chief Super-premium with Petrox—to give you all the knock-free power your engine, new or old, can deliver!

FIRE CHIEF
Fire Chief—famous for its lively power, at the regular gasoline price. Quick starts, freedom from stalling!

HAVOLINE
Havoline Special 10W-30—the all-temperature motor oil. No longer do you have to think about seasonal grades!

MARFAK
Marfak—the superior Texaco chassis lubricant that gives you that "cushiony" feeling for 1,000 miles or more!

WE GIVE YOU: Free Circle Service Every Time You Drive In!
When you drive in for gasoline—we clean your windshield and windows, your headlights, too. We inspect your tires for air pressure, and check the many small but potential trouble spots such as radiator, battery, etc. This is Texaco Circle Service—for your greater driving pleasure—and safety.

WE GIVE YOU: Lubrication, Not By Chance, But By Chart!
When you bring your car in for chassis lubrication, we cover all the points according to your car maker's recommendations... not by chance, but by chart. And—we use superior Texaco Marfak to assure you easier handling, quieter driving, more comfort, every mile you drive.

WE GIVE YOU: Free... All-Over Safety Inspection!
While your car is on the lift we check vital danger points—(1) tires, (2) brakes, (3) steering gear tie rod ends, (4) muffler and tail pipe for dangerous fumes and fire hazard. We try to spot everything that may cause trouble and report it to you. We've been specially trained to give this safety service.

WE GIVE YOU: Top-Quality Texaco Products!
All Texaco quality petroleum products are refined to give your car the utmost in power, protection and economy... two great gasolines... the finest motor oils and lubricants. Millions of motorists appreciate and accept their outstanding quality and performance—from coast-to-coast.

Please drive in to our new station for the big opening and get acquainted. Then we know you will stop by regularly. Your car will perform better with Texaco products and our expert car care. You'll like our safety service.

Sandhills Philosopher

Hes' Sorry About Census, But Don't Look To Him

Philosopher on his Johnson grass farm reviews the census situation this week, without being very helpful.

Dear editor: Some of the preliminary census figures have been coming in, according to the newspapers I've been reading lately, and as I understand it a lot of towns and cities are downright miserable about it. Many of them want a re-count.

Despite the fact a lot of cities already have more people than they can provide paved streets for, some of them have more than they can provide police protection for, they still want to get bigger and bigger, and to have the census figures show their population gained only half as much as they figured it had, is a blow to civic pride. To have it actually show a decrease, is considered a major catastrophe. To have it double in size, is a cause for hand-springs.

I don't understand this. I've got as many people living around me as I want, and I figure most of my neighbors are as close to me as they care about being, but still I can't see where us country folks can be of much help to the towns and cities.

I mean, for the past twenty-five years we've been culling as fast as we can, to where the farm population has dropped from 30 per cent of the total population of this country to only 10 per cent.

but still the cities aren't satisfied. Oh, I'll admit, we might have a few stragglers and low producers left we could send in to town to swell the census figures next time (don't look at me I ain't going, even if I do qualify), but anybody who understands arithmetic knows that if us farmers just have 10 per cent of the population left, even if all of us moved to town, cities could show only a 10 per cent increase and that won't pacify many chambers of commerce. Also, it would completely eliminate the farm problem, and how're you going to have a Presidential race without a farm problem?

Consequently, it looks like the problem from here on out is up to the towns and cities, if they insist on getting bigger and bigger. They'll have to use their own ingenuity. No use looking to us farmers. We're at the end of our rope. I ain't no expert in these matters, but it looks to me like the only way cities and towns can get bigger is to produce more children. Just attracting industry alone won't do it. While farmers have been busy making two blades of grass grow where one grew before, what have city people been doing? You get the drift.

Yours faithfully,
J. A.

LIPSTICK LOGIC

We've never been released from prison (really haven't been in yet) nor have we been mustered out of the Army after a hitch in a war zone. But short of those two experiences, we challenge anyone to think up a greater sense of freedom than the school teacher gets when the last set of grades for the spring term are turned in.

The irksome things that happened during the year — the itchy student who ruined the morale of a whole class, the irate parent who needed a good spanking herself — are but memories now. And with a sigh, the teacher can say, "I got through it!" Today she looks with high hope toward a summer of being herself; of no greater problems than a disorderly clothes closet or a weedy flower bed that won't talk back.

We watched a batch of teachers getting ready to take off one morning last week and it was a happy sight. Bustling faster than usual they made ready to begin the easy-going schedule of doing things when they wanted to instead of after hours. It was like a spring thaw; the tautness and tension of working against the clock, with all kinds of personalities, was replaced by lighthearted farwells. For three whole months the starched discipline of proper dress and proper manner could be laid away on a shelf, replaced by the slacks and loafers of regular folks.

By September, of course, this feeling has vanished. Like a fretful child after a good night's sleep the teacher returns to her classroom eager and refreshed. Each child who enters the door is a separate challenge, each mind a mystery to be explored. But for now, freedom! There's nothing like it anywhere!

Population of Monaco, better known as Monte Carlo, is 20,422 permanent residents. This does not include transient devotees of games of chance in the gambling casinos.

Creamy-sauce-makes **CHICKEN NOODLE DINNER** *Super Special*

- CHICKEN NOODLE DINNER**
- 2 cups broken noodles
 - two 5-oz. cans boned chicken
 - 1/4 cup cut-up almonds
 - 1 can cream of chicken soup

To the voters of this area, a message about Jesse M. Osborn

One of the most distinguished state legislative tenures, in point of service to the people he represents, belongs to Jesse M. Osborn.

With the State finances in the red as they are now, this District needs a representative with experience, and Jesse M. Osborn has that experience. He has served three regular Sessions on the all-important Appropriations Committee. He has valuable experience and knowledge of the State's financial affairs.

Mr. Osborn has worked and voted for a better Public School system, Extension Service and higher education. He voted for SB 1, raising the teacher pay \$402 per year (1955), and also HB 8, raising pay \$399 per year (1958). He co-authored the REA bill of 1958 and was author of the bill which created our new Judicial District.

Jesse M. Osborn has always supported the farm to market road program and asks for better maintenance of these roads. He served every session since elected on the conservation and reclamation committee and has worked at all times to preserve and take care of our underground water. He also has served on many other committees.

Jesse M. Osborn works for the best interest of all the people and no special group or interests. He is highly respected by the other members of the legislature as evidenced by his committee assignments.

Most of the criticism we hear is that "He Wants and Tries to Save The Taxpayer's Money!"

Vote for Jesse M. Osborn This Saturday for the Legislature

(THIS AD PAID FOR BY LAMB COUNTY FRIENDS OF JESSE OSBORN)

Why Look Beyond America's 1st Choice Car for the things you want

This is the Kingswood 4-Door 9-Passenger Station Wagon

With wagons like this one in the lineup, it's no wonder Chevrolet is the most popular car in the whole U. S. All five Chevy wagons, 6- and 9-passenger models, are widest where wagons should be wide—with comfortable seating space that becomes up to 92-cu. ft. of cargo area by a simple adjustment. All five feature all the things that are making Chevrolet first choice, too: FULL COIL SUSPENSION cushioning all four wheels . . . an ECONOMY TURBO-FIRE V6 that gets up to 10% more miles to the gallon on regular gas, or that well-known saver, the HI-THRIFT 6 . . . the shift-free smoothness of TURBOGLIDE . . . a wider front seat and more entrance height in Chevy's ROOMIER BODY BY FISHER than you'll find in any other car of the leading low-priced 3. Now's the best time to stop by and let your dealer list all the reasons why YOU CAN'T BUY ANY CAR FOR LESS UNLESS IT'S A LOT LESS CAR! *Optional at extra cost
