Hugh Rice Wins Over Sam Hutson In Sheriff's Race

Jones, Davis, Pass Defeat Opponents In First Primary

With the coming of the new year there will be a number of changes in the official group of Lamb County. Otha F. Dent, a former county clerk of Lamb County, will succeed Judge I. B. Holt, who is in the runoff for state representative from the 120th district, as county judge.

Robert Kirk, Littlefield lawyer, did not have an opponent for county attorney.

Herbert Dunn was without an opponent for re-election as district clerk.

Miss Treva Jennings was returned as county clerk without an opponent. In the race for county judge there were three contestants: J. R. (Billy) Hall, Littlefield lawyer and former county attorney; Mr. Dent, and E. L. (Jack) Yarbrough, who is serving as commissioner of Precinct 4.

Mr. Hall received 1711 votes, Mr. Yarbrough 714 votes, and Mr. Dent 1714 votes, which is sufficient to elect a run-off.

J. Ernest Jones retained the county school superintendency when he received 2735 votes, as against 2461 votes cast for E. W. Jackson, aspirant for the office.

There was outstanding interest in four county races—judge, sheriff, assessor and collector, and treasurer.

In the sheriff's race, Rice carried every one of the 16 boxes in the county. His total was 3310, as compared with 1628 votes cast for Hutson, who sought re-election.

There were 54 write-in votes cast for Len Irwin, former Lamb County sheriff. Fifty of the votes were cast in the Olton box.

Clarence Davis received 2808 votes for election as assessor and collector, as against 2567 for Frank Cummings, candidate for re-election.

Mr. Bill Pass will be county treasurer commencing with the new year. She received 3145 votes to defeat Mrs. Ann Blythe, the incumbent, who had a total of 2173 votes.

The way the contests turned out there will not be a run-off for any county office.

District Court To Convene Aug. 5

The District Court will convene at Littlefield Monday, August 5 but, according to Sheriff Sam Hutson, there will be no business transacted until August 15, when the grand jury will report, and Judge C. D. Russell will preside.

Rotary Club Has Out-of-Town Guest

E. B. Luce was in charge of the program at the regular weekly luncheon meeting of the Rotary Club Thursday.

Tommie Thomas of Ambler, Pa., was a guest of the club, and addressed the gathering.

Others making talks were: Mr. Luce and Mayor A. C. Chesher.

J. M. Stokes will have charge of the program at this Thursday's luncheon meeting, and he and C. O. Stone are scheduled to make talks on Rotary.

SOIL CONSERVATION DISTRICT TO BE ORGANIZED IN LAMB COUNTY

Ten Lamb County landowners and two vocational agricultural teachers of the county met in the county agent's office, Monday, July 23, to discuss with Mr. Howard Goss, field representative for the State Soil Conservation Board, the organization of the Lamb County Soil Conservation District.

These men helped Mr. Goss divide the district into five subdivisions, and selected Mr. A. J. Dutton of Earth, supervisor of subdivision 2, and Mr. C. M. Messer of Littlefield as supervisors of subdivision 4. Supervisors for sub-

Last Rites Held Sunday For C. E. Barber, Pioneer Passes Away At Hobbs, N. M., Result Of Heart Ailment

Charles E. Barber, 66, formerly of Littlefield, but who has recently been making his home at Hobbs, N. M., passed away Friday night about 8:30 o'clock at Hobbs, as the result of a heart ailment. He had been in poor health for the past two or three years.

Funeral services were conducted at the First Presbyterian Church, Littlefield, Sunday afternoon at 4 o'clock, with Rev. A. B. Haynes, pastor, officiating.

In keeping with the cowboy life lived by the deceased, Charles Signor during the services sang "Old Faithful," and the choir also sang an appropriate number.

Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Mr. Barber, being a Mason of long standing, the Masonic Lodge had charge of the service at the grave.

Pallbearers were: E. C. Cundiff, Sid Hopping, E. S. Rowe, C. O. Stone, Arbie Joplin, Lon Campbell and Pat Boone.

Surviving Mr. Barber are his wife; four son, and three daughters. The sons are: Lorry Barber of Bay City, N. M.; Joe Barber of Lovington, N. M.; Dick Barber of Clovis, N. M.; and Lemeul Barber of Hobbs, N. M. The daughters are: Mrs. Wilma Wynn and Mrs. Roy Blakely, both of Hobbs, N. M., and Mrs. Bonnie Jones of Arvin, Calif.

He is also survived by three sisters and four brothers. The sisters are: Mrs. Joe Fine of Kilgore, Texas; Mrs. Vera Foreman of San Bernardino, Calif.; and Mrs. Lorina Sellers, of Birmingham, Ala. The brothers are: Bob Barber of Archer City, Texas; Harry Barber of Seminole, Texas; Bert Barber of Tahoka; and Vernon Barber, of Kingsman, Ariz.

Mr. Barber was an old pioneer of this section, a cowman and rancher of the early days. He broke cattle for the Slaughter ranch for a number of years, and was foreman on the Bar-N-Bar ranch, 25 miles west of here, for many years. He had spent the last 25 years in Littlefield, with the exception of intervals spent with members of his family.

C. W. Grant left Tuesday for Kansas City, Mo., on business, returning the last of the week.

division 1, 3 and 5 will be appointed later. These supervisors will be in charge of the work that is rendered by the Soil Conservation Service in their subdivisions.

It will be quite some time yet before the district will really get in progress, as the oath of office must be executed by the supervisors, and other steps in the services must be explained.

It is felt that the Soil Conservation District will be a great help to the county and aid to the farmers.

Bell County Citizens to Stage Reunion August 11

Former Bell County citizens will stage a reunion at MacKenzie Park, Lubbock, on Sunday, August 11.

All former residents and their friends are invited to attend.

This invitation is issued in keeping with the decision of some 100 who effected the organization at the last summer reunion, at which it was agreed by the organization that the reunion be held on the second Sunday in August, which this year bears the date of August 11.

Come one, come all—with your dinner pail and good cheer. Let's have a big day with a great reunion.

Run-off Contests In Two Precincts

There will be run-off contests in the August primary for commissioners of Precinct 1 and Precinct 4.

There were five contestants for commissioner of Precinct 1 in Saturday's primary. They were W. A. (Walter) Clayton, George C. Brown, Nat Bearden, Don Bryant, a former commissioner of Precinct 1 and a former aspirant for sheriff, and H. A. Hysinger, the incumbent.

When the votes were counted it was found that there will be a run-off contest between Hysinger and Brown. Hysinger received 334 votes and Brown 304 votes. Other contestants received votes as follows: Clayton, 68; Bearden, 142; Bryant, 238.

In Precinct 4, B. E. Lee and George D. Tooley will be in the run-off. Lee received 357 votes in Saturday's primary, while Tooley's total was 314. Wilson received 171 votes.

Sam Cearley retained the commission of Precinct 2 when he received 298 votes as against 113 cast for J. E. (Pat) McCord.

E. C. (Buck) Ross will continue for another term as commissioner of

JUDGE C. D. RUSSELL WINS OVER COOK BY SMALL LEAD FOR DISTRICT JUDGESHIP

Judge C. D. Russell of the 64th judicial district took a slight lead over his opponent, Dan M. Cook, on the basis of returns complete from the five-county district, with the exception of about one 50-vote box in Swisher County. The count was: Russell, 6775, to 6684 for Cook.

Would Provide For All Houses Showing Required Revenue

Everyone Who Have Not Signed For Power Are Urged To Do So

As announced by J. H. Carl, manager, the Lamb County Rural Electric Cooperative is now working on a new application to submit to the applications and loan department of Rural Electric Administration for additional funds for constructing lines to all houses within territory that can show guaranteed revenue of \$7 per mile.

This Cooperative is urging everyone who has not signed up for electric service to do so now, because, as Mr. Carl points out, the time will soon come when REA construction will cease unless further extension to the administration is provided, as the present administration has only one more appropriation that they can make for the year 1948 in the sum of \$250,000,000 in their present set-up, unless Congress provides a further appropriation.

Free Parking Space Is Donated To City

At a recent meeting of the Littlefield Chamber of Commerce, the committee on free parking reported that W. E. Jeffries had kindly given his permission allowing the use of his lot at the rear of the First National Bank for free parking space, and that the lot had been cleaned and graded and will accommodate about 50 cars if properly parked.

The committee on DDT spraying reported that the downtown section of Littlefield was sprayed Wednesday night of last week, and other parts of the town would be done this week.

Directors voted not to have a county fair this year, as time was too short to properly put on a fair that would do justice to Lamb County.

Harvey Lee was appointed by the directors as treasurer of the Chamber of Commerce.

It was also voted that the directors who have been meeting every two weeks, would meet only once each month, and that the meeting date should be the last Thursday of each month.

City Obligated To Cut Water Off

According to J. H. Roles, in charge of the fire truck department, the city water became very low Tuesday, due to the extreme dry and hot weather and the large amount of water being used for irrigation purposes. The department was obliged to cut off the water about 6 o'clock Tuesday night in an effort to remedy the matter, and to warn residents against using more water than absolutely necessary for their lawn and gardens.

Mr. Roles explained that six long blasts signified the city was cutting off the water; four blasts meant a fire department meeting; three blasts indicated an out-of-town fire, and one long blast signifies a fire in the city.

Some fellows go to bed with the chickens; others stay up with the owls.

Mr. and Mrs. George Brewer of Fort Worth are the parents of a son, born Friday, July 26, according to announcement here. Mrs. Brewer is the former Miss Angeline Evans of Littlefield, and the daughter of Mr. and Mrs. Edgar Purvis.

Singing School Closes Friday

The singing school being sponsored by the Church of Christ, LFD Drive, will close Friday night. A good attendance is reported. It is expected that singers from Clovis, N. M., will be in attendance closing night.

I THANK YOU

I AM INDEED APPRECIATIVE OF THE FINE VOTE EXTENDED ME IN SATURDAY'S ELECTION

I thank one and all for your friendship, cooperation and support. I have made many contacts during this election, which have indeed been appreciated; and when I am serving as County Judge, please feel free to call upon me whenever I can be of service to you.

Otha F. Dent

THANKS, EVERYONE . . .

I want to thank everyone who supported me—not only in the recent election, but in past elections. I am appreciative of your splendid cooperation, courtesies and friendship, and will ever be grateful.

I am not offended at anyone because of my opponent being successful in the race, and I assure you that I will be found diligent in my duties till the end of my term, and after that I will always be glad to do anything I can in the best interests of Lamb County and the fine people who make up its population.

While I would have been glad to have continued in the service of this county, I am glad that I am to be relieved of the duties of sheriff, which have been full of heavy responsibilities for a number of years.

Wishes to Express His Appreciation to the

PEOPLE OF LAMB COUNTY

I want to thank every individual for their support and cooperation in electing me to the sheriff's office in this county. I realized before I announced for this office that it was a big and important job. I felt that I was capable and I was willing to give it a trial. Now that the people have shown their faith and confidence in me, by electing me to this office, I will assure you that I will give you the very best I have in fulfilling the duties of this office.

I believe in honesty and fairness and enforcing the law, and will do my best to give you an honest and fair deal in enforcing the law. By careful selection of the deputies and the cooperation and support of the people as a whole, I feel that we will have one of the cleanest and most pleasant administrations in the history of Lamb County.

Again I beg for your support and cooperation in this undertaking.

Sincerely and respectfully,

Latest Arrivals At Amherst Hospital

After a busy week of non-stop flights to the nursery of the South Plains Cooperative Hospital, Mr. Stork is definitely in favor of equipping himself with a jet-propelled plane.

The long-billed gentleman's first passenger this week was little Baby Girl Webb, daughter of Mr. and Mrs. A. J. Webb of Anton, on July 21. She arrived at 10 a.m. and weighed seven pounds.

July 23 proved a day of heavy schedule. At 9:29 little Riekey Lee Spurgeon arrived. He weighed seven pounds, 4 1/2 ounces, and is the son of Mr. and Mrs. Spurgeon of Earth.

On the same day Richard Kent Erwin, whose parents are Mr. and Mrs. Bill Erwin of Littlefield, arrived at 9:45 a.m. He weighed eight pounds and 13 ounces.

Also on the same day at 1:50 came Baby Boy Christopher, weighing six pounds and six ounces. His parents are Mr. and Mrs. J. W. Christopher of Earth.

Mr. Stork made two trips on July 27. One brought Bonnie Ann Bogart to Mrs. Mary Bogart of Muleshoe. Bonnie Ann arrived at 2:43 p.m., and weighed six pounds and six ounces.

The other brought little Baby Girl Richardson to Mr. and Mrs. H. C. Richardson of Littlefield. She arrived at 10:50 a.m. and weighed eight pounds and seven ounces.

On July 28, Lt. Stork piloted little Britta Gale Wedel safely to Mr. and Mrs. Harold Wedel of Littlefield. Britta Gale made her appearance at 9:55 a.m., and weighed eight pounds and one ounce.

Gospel Meeting At Enochs Church Of Christ Aug. 9-18

Your presence will be very much appreciated at the gospel meeting to be conducted at Enochs Church of Christ beginning Friday, Aug. 9, continuing through Sunday, Aug. 18.

Bro. Leroy C. Nelson of Clovis, N.M., will do the preaching, with Gene Scarbrough in charge of the singing. Outdoor services if weather permits.

We need your presence.

Election Party Is Big Success

The Littlefield newspapers—the Lamb County Leader and the County-Wide News—are proud and happy at the large attendance and the wide interest in the election party which these newspapers gave Saturday night.

Two large bulletin boards were set up on a truck furnished by Alford Dunagin, Littlefield house mover and truck operator. Results of county and state voting were posted.

A loud-speaker furnished by Bartley & Harvey, appliance dealers, and set up in the First National Bank, through the courtesy of that institution, enabled the newspapers to announce county and state returns.

The Littlefield newspapers appreciate the nice cooperation extended to them by so many people, in their efforts to furnish election returns. Your Littlefield newspapers wish to make special mention of the excellent cooperation of the election judges and their deputies in furnishing returns.

The voting was very heavy and it was impossible to get the complete vote from all county boxes even at an early hour Sunday morning.

There will be another election party staged for the second primary, but it will be of a limited nature because of the few run-off contests.

You are cordially invited.

Mr. and Mrs. Herbert Dunn left Sunday for a ten day vacation trip to the mountains of New Mexico.

Mrs. A. W. Ray and son, James, and daughter, Mrs. Audrey Brown, and her son, J. E., and Miss Peggy Rea of Anton, spent a week in Austin, and was accompanied home by Miss Betty Jo Hickman Monday of last week, who will remain here until the latter part of the week, or the first of September. En route to Austin the Ray party stopped at Stephenville, Texas, and James Ray enrolled in the John Tarleton College. He will enter for the fall term in September.

Miss Evelyn Sellers of Belin, N.M., is visiting in the home of her aunt and uncle, Mr. and Mrs. E. C. Rodgers.

Mrs. Lucy Staton and grandson, Johnnie Lee, and her sister, Mrs. G. T. Robinette, left Littlefield Monday for Long Beach, Calif., where Mrs. Dan Heard of Littlefield will join them later.

Mr. and Mrs. Chalma R. Walker and Miss Elene Weschke are leaving this week for San Benito, Texas, on a fishing trip to be gone from two to six months. They will visit Mrs. Walker's parents, Mr. and Mrs. Bill Weschke.

G. W. Chesher of Sudan was admitted to the Payne-Shotwell Hospital Sunday, suffering from high blood pressure and a kidney ailment, but was reported Wednesday as much improved. He will be a patient in the hospital a few more days.

Boxing Tournament To Be Held At Plainview, Aug. 5-6-7

Plainview will be the scene of another three-day boxing tournament early in August, when the Plainview Junior Chamber of Commerce plays sponsor in a regional TAAF elimination contest, Max Peret, named as chairman for the event, reports. Young leather-slingers from all parts of West Texas will enter the contests there, to be staged outdoors under lights at the football field, Monday, Tuesday and Wednesday, August 5, 6 and 7.

Winners in eight weight classes in the Plainview tournament will be eligible for competition in the Texas State TAAF boxing tournament scheduled for Aug. 14, 15 and 16, in Fort Worth.

R. D. Evans, city recreation director in Fort Worth, who will head up the state contest, announced Saturday that ten Texas cities so far have indicated they will stage regional meets, including Dallas, Austin, El Paso, Port Arthur, San Antonio, Waco, Abilene, Plainview, Tyler and Fort Worth.

Peret said this week that expenses

of the winners at Plainview to the state contest will be paid. Hand-some trophies are to be awarded all winners, also.

Entries are expected from Petersburg, Memphis, Wichita Falls, Brownfield, Lubbock, Plainview, Amarillo and other towns, he added.

The tournament will go the full three days if sufficient entries are received. "We are anxious to hear from coaches of high schools in this region who want to enter teams from their schools," Peret said.

Entries may be made directly to Peret, Plainview, or may be turned into the Plainview Herald, and they will be handed to Peret. Deadline for entering is midnight, Saturday, August 3.

Horse Show At Pampa Aug. 16

PAMPA, Texas, July 28.—Entries for the Top o' Texas Quarter Horse Show should be mailed in not later than August 1, according to Quentin Williams, horse show superintendent. The show is being held on Friday, Aug. 16, in connection with the annual Top o' Texas Rodeo.

There were about 130 entries in the show last year, and it is expected

that the show will be considerably larger this year. In addition to the regular cash prizes and ribbons, the American Quarter Horse Association and the National Quarter Horse Breeders Association are both offering special prizes this year for top winners in the show. All quarter horses that are registered or eligible for registry in any recognized breed association are eligible for entry in the show.

Entries in the rodeo contests should be made not later than noon, Aug. 16. Much interest is being taken in the cutting horse contest, where first prize is a beautiful hand-stamped saddle. One-half of the entry fees will also be added to the purse in the cutting horse contest, as well as all rodeo events.

The Palomino Show, to be held Friday night, August 16, is also attracting a lot of interest. Entries in this contest should be mailed to Dr. Malcolm Brown of Pampa, with the entry fee of \$5, which will be used as cash prizes in addition to the ribbons and rosettes offered.

IS AWARDED FANNIE BREEDLOVE DAVIS SCHOLARSHIP

MISS ARMADINE F. SMART

BELTON, Texas, July 31.—Miss Armadine Frances Smart, daughter of Mr. and Mrs. Samuel D. Smart, of Route 3, Levelland, has been awarded one of the 17 Fannie Breedlove Davis Scholarship to Mary Hardin-Baylor College in the final judging.

Miss Smart is a 1946 graduate of Levelland High School. She plans to major in business administration at Mary Hardin-Baylor College.

The Fannie Breedlove Davis Scholarships are given annually in competition to outstanding graduates of high schools who have been recommended by their high school principals and people of their communities for character, scholarship and ambition. These are named in honor of the late Mrs. Fannie Breedlove Davis, a former student of Mary Hardin-Baylor College, who was instrumental in founding the Baptist Women's Missionary Union in Texas, and who was prominent in the Southwide organization.

Any Poles, Transformers or Wire Today?

**We'll Take
A Trainload
Please, for Use AT ONCE!**

We need poles, transformers, and wire—lots of them to complete the extensions of electrical service planned, and contracted for, months ago. Our suppliers would like to provide them, too. Production simply isn't enough.

All three are prime necessities in providing new services . . . rural, urban, industrial, and commercial. Manufacturers are unable to make deliveries of poles, transformers, and wire. Even the equipment and fixtures which enable you to use electricity after it reaches you are now far below demand.

We want those who are now awaiting electric service to know that poles are being set, wires strung, and transformers installed just as fast as they can be obtained.

Our job is to bring you the advantages of economical and dependable electricity. We are eager to be on with our job . . . and promise you that we are doing all in our power to execute it with the least possible delay.

STANDIFER GROCERY, MARKET IS NOW RED AND WHITE STORE

JOHN STANDIFER

The Standifer Grocery & Market, of which Mr. and Mrs. John Standifer are owners, are going Red and White, beginning today, Thursday, Aug. 1.

In an interview with Mr. Standifer, he stated that this would give them a much larger buying power of the more critical items, as well as a greater range of merchandise, and allow them to buy and sell cheaper.

Mr. and Mrs. Standifer opened their grocery and market in the present location, at East 9th Street and Highway 51, on November 1 last.

According to Mr. Standifer, the Red and White Stores are individually owned, and anything that can be bought in a grocery store is handled by the Red and White Stores.

Mr. Standifer also announced that in order to hand over to his customers the extra savings, he is obliged to go strictly cash, commencing under the new program.

The Standifer Grocery & Market will carry a complete line of Red and White products, and in addition will handle Admiral, Brimful, Del Monte and Monarch products, which will be shipped direct to the local store.

Among the new lines featured at this grocery is the Bird's Eye line of frozen foods, fruits and vegetables, which are packed in cartons and kept frozen ready to serve.

A special feature of Red & White Store will be fountain service. A new fountain has been purchased, and it is expected will be installed in about 30 days. All kinds of fountain drinks and ice cream dishes will be served.

The personnel at the new Red & White Store, besides Mr. and Mrs. John Standifer, are: Rex Clayton, son-in-law, who assists in the operation; J. H. Bowen, clerk; and Dickie Standifer, son of Mr. and Mrs. Standifer, who is in charge of delivery.

AMHERST MAN ARRIVES HOME

Pfc. John William Sterr, who has spent the past year in Japan, arrived home Friday.

Pfc. Sterr was in the service 18 months, with the Fifth Airforce, and received his discharge at Fort Sam Houston. He left Japan June 16, and arrived in the States June 23.

Sterr is a son of Mr. and Mrs. John L. Sterr of Amherst.

ATTENDING CAMP AT CETA GLEN

A group of seniors of the Presbyterian Sunday School left Monday for Ceta Glen, near Tulla, to spend a week, accompanied by Rev. and Mrs. A. B. Haynes. Mrs. Haynes remained at the camp as dean of girls, while Rev. Haynes went to Canyon to spend the week with his son, A. B. Haynes, Jr., and Mrs. Haynes.

Sunday School members attending were: Catherine Lewis, Charles Joplin, Warren Rutledge and Houston Hodges, while others attending from here were: Misses Billie Marie Hopping, Barbara Bryan and Kenneth Pharris.

Arbie Joplin took part of the group in his car, returning to Littlefield the same day.

United Council Of Church Women Meets

The United Council of Church Women met Monday at the Four-square Gospel Church of Christ, and Presbyterian churches were represented.

Mrs. H. R. Bilderback offered the devotional. Mrs. G. M. Shaw was in charge of the program, assisted by Mrs. A. B. Haynes and Mrs. Reece.

Musical numbers by Mrs. Charles Signor on the violin, accompanied at piano by Mrs. G. M. Shaw, were enjoyed.

GEMS of THOUGHT

A nation is the unity of a people. —Coolidge.

A state, to prosper, must be built on foundations of a moral character; and this character is the principal element of its strength and the only guaranty of its strength and prosperity. —Jabez Curry.

God is Father, infinite, and this bread of life for the nations. —Russell D. Hitchcock.

God is Father, infinite, and this great truth, when understood in its divine metaphysics, will establish the brotherhood of man, end wars, and demonstrate "on earth peace, good will toward men." —Mary Baker Eddy.

The true grandeur of nations is in those qualities which constitute the true greatness of the individual. —Charles Sumner.

Until nations are generous they will never be wise; true policy is generous policy; all bitterness, selfishness, etc., may gain small ends, but lose great ones. —Washington Irving.

IS DISCHARGED

Joe Foust, S/1c, USNR, of Route 1, Anton, was discharged July 18 at San Pedro, Calif. He is a son of Mr. and Mrs. Eldridge Foust.

Foust enlisted in the Navy February 13, 1945, at Dallas, Texas. He was on sea duty on the USS Mauna Loa from July 26, 1945, to July 12, 1946. He was stationed on the Leyete Gulf from August until October, 1945. He served at the following bases: Naval Ammunition Dump, Camp Pendleton, Cal.; Leyte, Marshalls and Carolines. Texas Local 4-H Club Leader Wins Award in Movie Talent Contest

Martin E. Neumann

MARTIN E. NEUMANN, 21, farmer-stockman, of Bigfoot, Texas, has been named one of the 11 national winners in a 4-H movie story-writing contest conducted among local 4-H Club leaders throughout the United States. In recognition of the honor, Neumann will receive a \$25.00 U. S. Savings Bond.

The movie, titled "Where the Road Turns Right," is designed to portray the ideals and objectives of 4-H Club work. Produced in cooperation with the U. S. Department of Agriculture, the State Extension Services and National 4-H Club News, it is sponsored by the Sears-Roebuck Foundation, and will have national distribution.

As the older son, Neumann took over and managed the family's 170-acre farm for his mother, younger brother and sister when his father passed on. Both his brother and sister are 4-H'ers. Prior to becoming adult leader of the Bigfoot-Schattel 4-H Club last year, Neumann was junior leader for three of his eight years' membership. He has won many awards on his meat animal, turkey and corn exhibits, and as a member of field crop and soil conservation teams. His inspiration for writing the 4-H movie story came from observing what 4-H boys in his county achieved, and the things he learned to do as a club member.

Information For Veterans

QUESTIONS AND ANSWERS

Q. Last year I attended school under the GI Bill and received subsistence payment of \$75 a month for me and my family. The amended Servicemen's Readjustment Act, passed in 1945, increased the amount to \$90 a month. Am I entitled to retroactive payments for the increase?

A. No. Payment of increased subsistence allowances for veterans with dependents went into effect Jan. 1, 1946. It provides specifically that the increased amount is payable as of the first day of the first calendar month immediately following enactment of the amended legislation. Date of the enactment was December 28, 1945.

Q. I am 23 years old and would like to know what my premium will be on a 20-payment NSLI policy?

A. The monthly premium on such policies at your age is \$2.05 a month per \$1,000.

Q. How long do I have before I have to convert my term insurance to a permanent form?

A. You can keep your term insurance for eight years from the time it was taken out, if it was taken out before January 1, 1946, or five years if it was taken out on or after that date.

Q. I have let my NSLI term policy lapse since my discharge. I have been out of the army more than six months. Can my policy be re-instated?

A. To reinstate your NSLI term policy, irrespective of the date of lapse, you are required to pay only two monthly premiums and submit a signed statement that you are in as good health as at the time of the lapse. You have until Jan. 1, 1947, to do this under the regulations.

Q. Is it permissible for a veteran to reduce the amount of his insurance policy?

A. Yes. The amount continued must be in multiples of \$500, but not less than \$1,000.

Q. Are there any restrictions for NSLI policy holders?

A. The insurance is free from restrictions as to residence, travel, occupation or military or naval service.

'Cull Two Loafers And Thereby Save A Sack of Feed'

By LEM WEAVER

Mr. R. A. Leonard of the Spade community has kept a record of his poultry flock for the past four months, and from his records the agent finds that the flock produced 3,549 dozen eggs during this four-month period. The eggs alone, furnished Mr. Leonard with an income of \$1,111.97, but he believes in culling his flock often in order to increase production and also save on his feed, so he culled 201 hens and sold them, which netted \$440.64, this bringing the income to a total of \$1,252.61.

Mr. Leonard's feed records show that he produced 7,875 pounds on his farm, but had to buy 7,175 pounds which cost him \$447.57. When the feed he produced was figured at 3 1/2¢ per pound, we found that his grain was worth \$271.15. When the records are balanced, it is found that Mr. Leonard made a profit of \$633.89 for the four months.

During the last few weeks of June, Mr. Leonard had to change his feed, and the records show a large decrease in production when the change was made. As the production was 191 dozen when feeding on the former feed, then 113 dozen after the change of feed. This was for one week's time.

This poultryman has two poultry houses, each with dropping pits. In one house the dropping pits are 18 inches high, and the other has a pit that is three feet high, but Mr. Leonard believes this should be lowered somewhat.

He has a nest for each five hens in the flock, and a walking rail to each nest which is lined with screen wire (this is only in one house), then in the other house the walking rail is lined with boards. Both Mr. Leonard and the agent find that the eggs produced in the house with the screen wire rail are cleaner in appearance than those in the house with the board rail.

It is believed that through culling and proper management of the poultry flock, that a little profit can be made in the egg production business.

It is said that the finest and most delicate use that we make of our muscles is in speaking.

Cull Inefficient Hens Says Extension Service

Any hen laying less than a dozen eggs a month is losing money for her owner, considering prevailing prices of feed and eggs. These inefficient hens should be culled from laying flocks, the Texas A. and M. College Extension Service is advising farm families and backyard poultry raisers of the state.

A hen consumes about five pounds of feed per month even though she is not laying, so further reduction of laying flocks is being sought by the government in view of the current feed shortage. For the nation as a whole, the reduction sought is one of every seven hens.

According to Sam Moore, Extension poultry specialist, most Texas flocks could lose one of every seven hens and, with proper culling, profits would increase. Until recently, he says, Texas egg production this year has exceeded last year's for the same period, although the state has reduced its poultry population to or below pre-war numbers. This indicates a rise in production per bird.

While chick production this spring is 20 per cent less than last year, with good management an average number of pullets should go into production on Texas farms this fall, Moore says. He indicates that there are large amounts of shell eggs and poultry meat in storage and the demand for fresh eggs has been good this spring.

Methods For Removal Of Cotton Fabric Stains Are Recommended

Many common stains in cotton clothes can be removed easily if the treatment is known. So Mrs. Dora R. Barnes, clothing specialist for the A. and M. College Extension Service, lists the following treatments:

Asphalt, tar, wax and paraffin stains can be removed from both white and colored cottons with carbon tetrachloride.

A prepared ink remover is best on white cottons. But ink should be removed from colored cottons with alcohol then lemon juice. However, Mrs. Barnes cautions that a piece should be tested before this treatment is applied.

Rust can be removed from both white and colored cottons with oxalic acid or lemon juice. Paint stains in

both white and cotton goods can be removed with turpentine or carbon tetrachloride.

Carbon tetrachloride will remove lipstick in both white and colored cottons, but cold cream should be worked into colored material before application.

For treatment of mildew in white cottons, use hot suds, rinse, and alternate javelle water and oxalic acid. For colored things, use soap and water.

Combines Unique Smartness With Utility

Chrysler's new four-door, six-passenger Town and Country sedan will have a strong appeal to those who seek distinctive, individualistic styling as a complement to mechanical excellence. This swanky postwar creation has a body built of woods left in their natural colors. The generously-proportioned body members are of strong white ash and panels are of mahogany on plymetol, giving a structural strength equal to that of the conventional steel body. Interior appointments are in keeping with the ultra-modern lines. The car is mounted on a standard Chrysler "Windsor" chassis. This is a greatly refined development of the Chrysler Town and Country first introduced in 1941 with sensational public acceptance. However, neither the styling nor any other part of the current car follows the original design.

Cooperation Asked in Saving Peach Crop

The Department of Agriculture asks the cooperation of every homemaker in saving one of the biggest peach crops we've ever had. Peaches are highly perishable... they must be used quickly or they spoil. And we can't afford to let any food go to waste... while millions of people starve in other parts of the world.

Saving 81 million bushels of peaches is a big job... but it will last only a short while. That's why no one group can handle it alone. Commercial canners and processors will do their part, but homemakers must help if we're to make the best use of this year's abundant peach crop.

Homemakers can help by using more peaches in their meals and by preserving as many as possible for winter use. This is a job homemakers will enjoy... because peaches are so good. They are delicious eaten fresh. They fit into any menu. They are easy to can, dry or freeze at home.

So, answer the call for help... and

help yourself at the same time. The peaches you serve now will add glamor, good taste, a lot of vitamin A, and some vitamin C to your meals. The peaches you can, or dry, will make this same contribution to your meals next winter. Remember, though: the job must be done now, while peaches are at the peak of the season. Buy a bushel today.

ACA Office Has Approved Yields Insurance Rates

As announced by Ernest L. Black, administrative officer, Lamb County A. C. A., he now has the approved yields and rates for wheat crop insurance covering the 1947-'48-'49 crops. Mr. Black suggests that if those who did not sign a contract last year

covering the 1946-'47-'48 crops are interested in having the protection offered by the Crop Insurance Corporation, they may call at the AAA office. Applications for insurance must be signed before the wheat is seeded, or before August 31, whichever is the earlier.

State Tax Rate Is Reduced

Texas taxpayers were presented a

14 million dollar gift last week by the Texas Tax Board, which reduced the state tax rate 72 cents of last year to 37 cents for this year. The board eliminated the tax for general fund purposes of 35 cents, bringing the tax to a low that is unequalled since 1912. It was the first time since statehood that the state was without an ad valorem tax.

Wettable DDT Powder Recommended For Lice Mosquitoes

Texas county agricultural agents have been advised that for the present, the only treatment recommended by the Texas A. and M. College Extension Service for the control of house flies, lice and mosquitoes on livestock is wettable DDT powder.

DDT for this purpose is now on the market in two very different forms: (1) dry, in wettable powder, and (2) liquid, in oil or xylene solutions or emulsions. Both forms may be diluted with water for use as a spray or dip.

The decision to recommend DDT in wettable powder form for use on livestock was made by a committee of entomologists and animal husbandmen who checked all known sources of information. The group will make further recommendations as research on DDT goes on.

The committee pointed out that DDT in wettable powder goes into

suspension when diluted with water for use as a spray or dip. There was no evidence that it was harmful to animals even if used at strength somewhat greater than that recommended by the manufacturer.

It was further reported that "DDT in oil solution or emulsion form does not remain in suspension but goes back into a true solution. When applied to animals in this form it can be absorbed through the animal's skin. If the solution is used as a spray or dip at less than the manufacturer's recommended strength, it may not give effective or lasting control. If it is used at more than the recommended strength and if the precautions listed by the manufacturer are not exactly followed, it may have toxic results."

H.J.R. No. 49 HOUSE JOINT RESOLUTION

proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicles registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County and the percentage allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words: "FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared

eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"AGAINST the Amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction of all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; and negating and interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for Amendments thereto. 19-4tc

A Local Lady Spit Up Acid Liquids For Hours After Eating

For hours after every meal, a local lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloating, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her.

No gas, bloat or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound. INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Lamb County.

Emmons To Be Superintendent Of Livestock Department

After a lapse of four years, the Panhandle South Plains Fair will be held in Lubbock at the fairgrounds, with the dates set at October 7 to 12, inclusive.

Assistant County Agent Claude Emmons met with a group of supervisors of the Fair last Thursday night in Lubbock, with A. B. Davis, manager of the Fair Association, presiding over the meeting. The activities to take place this fall were discussed and Emmons was selected to serve as superintendent of the junior agricultural and livestock department.

If some of you still have your 1941 catalogues, then it is suggested that you study it, as it will be some time before the new catalogues will be out and, too, there are very few changes in the exhibit and entries, but there are some changes in the prizes, most of them having been increased.

Progress is being made in the preparation of the Fair, and we sincerely hope it will be well attended.

1,080,000 POUNDS

OF BLACKEYED PEAS ARE

NEEDED FROM WEST TEXAS EACH DAY
BY

GILBERT C. WILSON, Laboratories
AT
Pittsburg, Texas

We will need 1,800,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

MR. R. W. BADGER, Box 1146, Phone 78, Littlefield, Texas, will handle buying for us in the Levelland and Littlefield territories, setting up receiving points at convenient loading places throughout the territory, to be designated later. He will take care of receiving and will pay for the peas at the time they are received.

We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton. The demand for canned blackeyes appears to be far in excess of what canners can supply this year. We will also buy dried blackeyed peas this year.

Sudan To Celebrate Completion of Hard Surfacing of Roads

At a meeting called recently, the Sudan Chamber of Commerce formulated plans for a celebration marking completion of hard surfacing of approximately 37 miles of farm-to-market roads, and the paving of 62 blocks of its residential streets in Sudan.

All plans for the celebration are yet in the formative stage, and about the only thing definitely decided was the date on which the affair would be held, which was tentatively set for Friday and Saturday, Aug. 30 and 31.

Just what type of entertainment will feature the celebration has not yet been fully worked out, but plans are in the making to assure its success and to make it an annual affair. A number of entertainment features were discussed at the meeting and Drew Watkins left early last Thursday morning for points in New Mexico in an effort to line up the main attraction of the event.

Planes Available Now To Texans

Air-minded Texans who want to fly but who haven't a plane to ride in, can now get the lowdown on how to purchase surplus government aircraft in a buyers' guide issued by the War Assets Administration.

The booklet, "How to Buy Surplus Aircraft, Components and Parts," lists types, prices and brief descriptions of surplus aeronautical property now being offered for sale by the WAA and instructions on how and where to buy this material. Installation payments, discounts and priorities are explained and a list is also included of addresses of War Assets regional offices and veterans certification offices.

Copies of the publication may be obtained by writing to the Office of Aircraft Disposal, WAA, 425 Second St., N. W., Washington 25, D. C., or from the WAA regional office, T.&P. Building, Fort Worth.

Unemployment Field Auditor To Visit City

Unemployment Compensation taxpayers in the Littlefield area will have a chance to consult with a field auditor from the Lubbock Area Office of the Texas Unemployment Compensation Commission on Monday, August 12, 1946.

The Lubbock office has announced that Mr. T. E. Pendleton will be available for consultation that day for employers in Littlefield and the surrounding area.

Mr. Pendleton will be at the office of the United States Employment Service in the Lamb County courthouse from 9:30 a.m. to 2:30 p.m.

This service is offered employers so they will not have to go to Lubbock to get answers on their tax problems. Employers now subject to the Texas law, or those who think they may become subject, are invited to see Mr. Pendleton.

Cotton Drops \$15 And Livestock Prices Decline

Cotton dropped about \$15 a bale or more last week. Also, prices for livestock, poultry and grain were generally below recent high levels, but peaches gained strength and vegetables and eggs held about steady, according to USDA's Production and Marketing Administration.

The trade generally attributed the sharp decline in cotton prices to pending price control legislation and favorable weather reports. Demand for spot cotton was strong, but trading light. Reported sales in the 10 spot markets totaled 57,200 bales last week, against 63,300 bales in the preceding week and 79,900 a year ago. Domestic mill buying increased.

Gins were running to capacity in the Ro Grande Valley, with an estimated 90,000 bales already ginned.

Eggs held about steady at southwest markets this past week, despite slow demand for moderate offerings, but hens and fryers met with dull demand and slightly weaker prices.

Heavy shipments of West Texas potatoes met with slow commercial

demand last week. The government took a high percentage of shipments. Prices stood around government support level. In contrast, Northern Colorado reported moderate demand and steady prices for light haulings of potatoes. Southwest onion market remained sick. Slow demand for liberal to heavy supplies kept prices at low levels. Recent hot weather dam-

aged the Ozark tomato crop. Can-ners estimate pack will be much lighter than first expected.

Heaviest peach shipments on record moved from the nation's orchards July 23 to 25. Despite this heavy movement, peaches showed gains of 25 to 50 cents a bushel over the previous week's prices. Heaviest movement from the chief southwestern producing areas has passed with only Oklahoma and Northern Arkansas to ship bulk supplies.

Last week's livestock receipts dropped far below the previous week's around the market. Southwest markets reported uneven to lower prices for sheep and lambs. Common and medium spring lambs brought \$10.50 to \$14.50 per hundred pounds, San Antonio, and \$11.50 to \$14, Fort Worth. Good and choice springers realized \$17.50 to \$18, Oklahoma City and Wichita; and \$20.75, Denver.

Stronger prices prevailed at most southwest hog markets last week until Friday, when losses of 25 to 50 cents a hundred occurred. Trading was generally active for light supplies. Friday's quotations for top butchers were \$20 a hundred pounds, Ft. Worth; \$20.75, Wichita; \$21, San Antonio; \$21.50, Oklahoma City; and

\$22, Denver.

This past week opened with generally slow cattle trading and prices below the previous week's peak. However, slaughter classes moved unevenly higher at most southwest markets. Common and medium steers and yearlings brought \$11.50 to \$14.50 a hundred pounds, Houston; \$10.50 to

\$15.50, Ft. Worth; and medium and good slaughter steers and yearlings \$15 to \$18, Wichita. San Antonio quoted common and medium cows \$8.50 to \$12 and medium grass steers at \$13.50 to \$14.75. Common to good cows at Denver realized \$11.50 to \$15.50 and medium to good grass steers at \$13 to \$18.

THANKS

I wish to take this opportunity to publicly thank all of the good people of Lamb County who supported me in this past election. I THANK YOU FROM THE BOTTOM OF MY HEART. I value true friendship and confidence of my fellow-man above riches and gold.

I am giving thanks to both my fellow-man and to God for their continued support and help through the trying times of my life, and I fully realize that without either I would be helpless.

In return for the confidence you placed in me I pledge to continue to serve you to the best of my ability at all times, and shall constantly strive for the improvements of our schools and of our entire county.

PLEASE FEEL FREE TO CALL ON ME ANY TIME THAT I CAN BE OF ASSISTANCE, AND YOU WILL FIND ME WILLING TO HELP YOU.

Truly yours,

J. ERNEST JONES

Mr. Hall Rowe is now employed at Borger as

WHAT DO YOU MEAN NO MEAT . . . Meat shortage? They evidently never heard of a meat famine down Rocky Mount, N. C. way where porkers part with giant hams like the one above, which tipped the scale at sixty pounds or three times the weight of Sally, who looks at it with disbelief or "something." Rather a large size ham to put in the oven, meat shortage or no meat shortage.

Thank You . . .
MY FRIENDS OF PRECINCT NO. 4

For the fine support extended me in the first primary Saturday. I appreciate your courtesy and consideration.

I solicit and will appreciate your continued support in the second primary, and will also appreciate if those people who did not see fit to vote for me in the first primary will make investigation of my record, and if convinced I am the man for the office, will cast their votes for me in the second primary.

If elected to the office of Commissioner of Precinct 4, I will do my best to be worthy of the confidence placed in me.

B. E. LEE

Candidate for Office of Commissioner of Precinct No. 4

THANKS A MILLION! . . .

I want to thank everyone who assisted in any way in electing me to the tax assessor-collector's office. I am very appreciative of the fine support, many courtesies extended me, and the fine vote accorded me.

You have shown your faith and confidence in me, and I shall always endeavor to the very best of my ability to show my appreciation and to be worthy of the office.

Please call on me at any time that I can be of service to you.

Thanks Again

Miss Ann Servatius And Claude Thomas Wed At Anton

Miss Ann Servatius, daughter of Mr. and Mrs. Will Servatius of Anton, and Claude Thomas, son of Mr. and Mrs. C. A. Thomas of Anton, were married Friday evening, July 19, at 7:30 at St. Elizabeth's Church in a double-ring ceremony.

The bride wore an aqua street-length dress with white accessories and a corsage of white carnations.

Mrs. J. L. Bulen, sister of the groom, was matron of honor, and J. L. Bulen acted as best man.

The bride, a graduate of Anton High School, attended business college and for three and a half years held a position in Washington, D. C. She is presently employed as secretary to Mr. Sisson, who is regional manager of the Veterans' Administration.

The groom, a graduate of Estelline High School, attended Texas Tech for a year. He then joined the National Guard and soon became a member of the famous "Lost Battalion" of World War II. He is now employed by McWhorter Tire Store in Lubbock.

Wedding guests included: Mr. and Mrs. Thomas, Mr. and Mrs. Servatius, Mr. and Mrs. Jack D. Glasco of Lubbock, and Mr. and Mrs. Boyd Mayo, and Mr. and Mrs. Royal Matthews of Lubbock.

After a wedding trip to Colorado the couple will make their home in Lubbock.

There is a slight difference in the length of every person's legs.

Scientists maintain that the right side of a person's body is slightly heavier than the left side.

ITALIAN PRESIDENT GAINING FAVOR . . . Benedetto Croce, famous philosopher, is shown, left, as he congratulated Enrico de Nicola, who was recently named provisional president of the Italian republic. President De Nicola enjoys enormous personal popularity in Naples, a monarchist stronghold, and his election by the Italian constituent assembly, won some ardent monarchists over to "De Nicola's Republic."

SOCIAL EVENTS

Miss Dorothy Harper and L. C. Anderson to Marry August 4

Mr. and Mrs. Johnnie Harper of Anton are announcing the engagement and approaching marriage of their daughter, Miss Dorothy Harper, to L. C. Anderson, son of Mrs. W. J. Anderson, of Smyer, Texas, the ceremony to take place Sunday, August 4, at the home of the bride-to-be's parents, at 3 o'clock in the afternoon.

Rev. W. M. Draper, pastor of the First Baptist Church of Anton, will perform the single-ring ceremony before an altar decorated with fern and gladioli.

The bride-elect will wear a light blue suit with white and black accessories, and a corsage of white gardenias.

Miss June Jones, who will attend the bride, will wear a blue suit and a corsage of white gardenias.

Billy Jinks will attend Mr. Anderson.

★ Fashions ★

One dress, with different accessories, can make people believe you have three black dresses. Shown above as pictured in the July issue of Good Housekeeping magazine is a date black, with lace midriff, and cap sleeves.

A reception will be held following the ceremony at the home of the bride-elect's parents, at Anton, which will be attended by close friends and relatives of the bridal couple.

Following a wedding trip to Carlsbad, N. M., the couple will be at home at Smyer, where Mr. Anderson is carrying on farming operations.

Miss Harper is a graduate of Anton High School, while Mr. Anderson was graduated from Slaton High School. He received his discharge in January last after three years in the service, and over a year overseas with the Air Corps.

Members present were: Mrs. J. D. Lee, Mrs. H. Vick, Mrs. J. B. Haire, Mrs. Jim Bow, Mrs. Fred Duffy, Mrs. Tom Ham, Mrs. Coy Elder, Miss Veta Worley, and Mrs. Joe Rietman.

Refreshments of iced Pepsi Cola and cookies were served by the hostess, Mrs. Coy Ellis.

The next meeting will be held in the home of Mrs. Joe Rietman, Sept. 12.

Mrs. Coy Elder Is Hostess To Yellowhorse H. D. Club Women

Yellowhorse H. D. Club met at the home of Mrs. Coy Elder, Tuesday, July 23.

Roll call was answered by "My Sewing Problems." Miss Worley then explained each problem. Mrs. Fred Duffy acted as secretary in the absence of Mrs. Lester Couch.

Plans were made for the annual club picnic, to be held at Mackenzie Park, August 15. All members are invited to be there and bring a picnic lunch.

Four ladies were selected to take part in the training school on "Good Grooming," to be held at the Amherst Hotel August 12 at 2 o'clock.

Mrs. Whicker Returns Here For a Visit

Mrs. Nina H. Whicker, accompanied by her daughter and son-in-law, Mr. and Mrs. R. S. Thomas, of Philadelphia, Pa., arrived in Littlefield Wednesday of last week, and is making her headquarters at the Patton Hotel.

Mrs. Whicker is a pioneer of Littlefield, but has recently been making her home with her daughter and son-in-law at Philadelphia. Mr. and Mrs. Thomas left for home Monday, while Mrs. Whicker will remain here a while and visit with friends.

Bro. Spearman will lead our music during the revival. He is one of our very best in this field of work.

Rev. Dossey served as State Evangelist for Texas Baptists 13 years before accepting the pastorate at Salem, Ill. From there he went to Proctor Street Baptist Church, Port Arthur. He is now serving again as one of our State Evangelists.

Many in Littlefield will remember the fine work he did several years ago when he led our church in a revival.

• BPS BARN PAINT RED is a rich, full-bodied exterior paint that can be liberally reduced with linseed oil . . . reducing the cost.

• BPS BARN PAINT RED dries with a good gloss . . . holds its bright red color . . . The tough, protective coating resists weather and does not fade out like so many of the cheaper barn paints often do.

• Spreads on easily and has remarkable hiding qualities.

Also for METAL ROOFS

Long wearing, weather-resisting qualities of BPS BARN PAINT RED make it the ideal paint to use on galvanized iron or tin roofs.

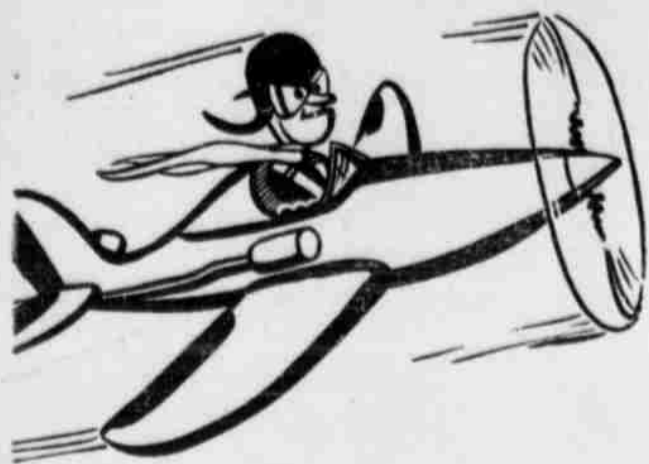

Use it on barns, silos, outbuildings, bridges, warehouses and all wood, brick or metal surfaces.
