Two Persons Injured In Car Accident Near Amherst; One Seriously Hurt

Two persons were injured when the car in which they were riding failed to negotiate an "S" curve on a farm-to-market road seven miles south of Earth at 7:30 p. m. Saturday. Ernest Phillips, 21, Earth, suffered head injuries, and Mrs. B. T. Garth, 17, of Amherst sustained lacerations and multiple bone fractures. She was still in a serious condition at South Plains Coop. Hospital

at Amherst. However, she had regained consciousness for the first time yesterday. Mr. Phillips was released from the same hospital yesterday. Mrs. Garth is the daughter of Mr. and Mrs. Willis Wood of Muleskoe. Lamb County Deputy Tommy Gilbert of Amherst is conducting an investigation of the accident according to sheriff Sid Hopping.

Lamb County Is Area's Biggest Grain Sorghum Producer

Booster Group Office Secretary In Car Accident

Miss Martha Neunschwander, secretary to manager Bob Crowell of the Chamber of Commerce, narrowly escaped serious injury last Wednesday morning, November 21st, when enroute to work from her home in the country, she steered her car to the bar ditch to avoid hitting a pickup, that drove out in front of her. She received a painful nose injury, a cut on her chin as well as a knee injury. The front end of the car was badly wrecked. She returned to her duties at the local Chamber of Commerce office Monday morning.

Lamb County will again be the area's biggest producer in grain sorghums in the Panhandle and South Plains, with an estimated 7,140,000 bushels from 210,000 acres. However, the yield is far short of last year's 10,400,000 bushels from 260,000 acres. Increased cotton planting reduced the acreage. Other counties in the Panhandle and South Plains will harvest another bumper grain sorghum this year following a second wheat failure. However, the yield will be considerable less than last year from increased acreage. Not dry weather during August is being blamed for the short yield per acre. That is usually the growing month. The harvest is between 85 and 90 percent finished and a survey indicates the yield in the 22 Panhandle and South Plains counties could reach 87,000,000 bushels from 3,476,500 acres, or an average of 25 bushels to the acre. Last year the same number of counties produced 100,050,000 bushels from 2,865,000 acres, or an average of 28.31 bushels per acre. However, the dollar value of this year's crop will be nearly as large because of a strong market. This year's crop is estimated at \$100,110,000. Increased acreage this year was due largely to the wheat failure from drought, bugs and worms. However, grain sorghum acreage in the cotton area was much lower because of lifting of cotton planting restrictions. Because weather continues to be a determining factor, some of the 1951 figures can be considered conclusive.

Two Local Youths Escape Serious Injury In Wreck

Two Littlefield youths, Roger Newton, aged 15, and Mike Joplin, also aged 15, were both brought to Payne-Shotwell Foundation, at mid-afternoon Saturday, after a car overturned on the Bula Highway. Young Newton, son of Mr. and Mrs. F. L. Newton was most seriously injured, having suffered several broken ribs, punctured lung, and a head injury, and will be confined to the hospital for an indefinite time. Young Joplin, son of Mr. and Mrs. Arbie Joplin, was lesser injured, receiving cuts, scratches and bruises, and he was released from the hospital the following day. The two boys were reported to have been on a hunting expedition, and the car overturned after hitting gravel just at the end of the paving on the Bula Highway which they were traveling.

MAHON TALKS AT TWO GATHERINGS HERE WEDNESDAY

Congressman Is Performing Vital National Service

Congressman George Mahon came to Littlefield Wednesday, and within a period of two hours, between noon and 2 p.m., had luncheon, shook several hundreds of hands, and delivered two fine talks before two different groups, in two different locations.

Rotary President Art Chesher and Lion president Jim Mangum were seated at the Speaker's table, with the latter presiding over the joint meeting of the two service clubs.

Talks To Students At luncheon and for his talk im-

GEORGE MAHON

mediately following, he was honor guest at a joint Lion-Rotary banquet, arranged in his honor, with Jaycees, and many out-of-town guests attending and participating, the meeting being held in the dining room of the First Methodist church.

Immediately at the close of this meeting, he was escorted to the new Littlefield High school where he gave a second talk, at 1:30, before the High school student body. At the first meeting he was introduced by District Judge E. A. Bills, while at the school meeting, Supt. Joe Hutchinson formally introduced him before and to the student body. Both talks were splendidly (Continued on Page 5)

INJURIES FATAL TO JOSE GARCIA STRUCK BY CAR ON SPRINGLAKE ROAD

Jose Tyerino Garcia, 66, was pronounced dead on arrival at Littlefield Hospital, last Friday night, November 26th, after being struck by a car, on the Springlake Highway, near Springlake about 6 o'clock. It was reported that he with a group of friends had started across the highway, when they saw the

car approaching. All the men stopped and backed off the highway with the exception of Garcia, who walked out in front of the car. A Hammons Ambulance was called and he was taken to the hospital. Deceased was from Mathis, Texas, and had been here the past few weeks for the cotton harvest. Survivors include a sister, Mrs. Ernest Neaves, who was also here. The body was shipped to Mathis for funeral services and burial.

Foy D. Bell Wins \$1,000 In Football Contest

Foy D. Bell, Littlefield post office employee, knows football teams, and is lucky, too!

Monday he was notified that he had won \$1,000 in a national football games guessing contest conducted by General Tire Co. The contest was conducted for five weeks, and 50,000 entries poured in from throughout the United States each week.

The games of October 30 were kind to Bell. He guessed the winners of nine out of ten games and turned in absolutely correct scores for four of those games. His achievements brought him the award of \$1,000.

Everybody at the post office wanted to borrow the \$1,000, but Bell said that he wanted to invest the funds in a home. He's married (Continued on Page 5)

Pneumonia Causes Death Of Infant

Little Bernie Jack Kelsey 17 month old son of Mr. and Mrs. Thomas Kelsey, formerly of White-right, Texas died at Payne Shotwell Foundation last Wednesday, November 21st. Cause of death was said to be pneumonia.

Deceased twin brother Billy Joe died of the same disease October 24th. The family are temporary residents of Bula community.

Pat Boone, Jr. Speaks At Meeting Of Elementary P-TA

Pat Boone, Jr., local attorney, was guest speaker and talked on juvenile delinquency, at a regular meeting of Elementary P-TA held Tuesday afternoon at 2:30 o'clock in the High school auditorium. He was introduced by Mrs. Jack Walker, program chairman.

Second grade children were presented in three special musical numbers.

The meeting was concluded by a brief business session, with president Mrs. Brookes presiding.

Local High School Basketball Team To Enter Sundown Tournament

The girls High school basketball team will enter a tournament to be played at Sundown, with the first

game for the locals to be played this afternoon (Thursday) at 4:30 with O'Donnell.

If Littlefield wins over O'Donnell, they will play Friday night at 8:30, or if they lose with O'Donnell, they will play Saturday morning at 9 a.m.

The team is composed of the following: Forwards, Pat Grant, Sue Henry, Polly Alexander, Sue Landrum, Marilyn Riley, Mary Nell Caldwell, Guards Jean Onstead, Preble Lewis, Trudie Smith, Angela Cook, Lamell Tindal. Another guard will be named, who will play in the tournament. Managers are Janet Garner and Sylvia Rosson. C. E. Williams is coach.

County Lions Clubs Meet At Amherst Tuesday Night

Woman's Day To Be Observed At First Christian Church

Woman's Day will be observed Sunday evening at 7:30 o'clock at the First Christian Church. A program has been planned by the Christian Women's Fellowship. There will be a guest speaker from Lubbock. Everyone is invited to attend.

Approximately 125 Lions and their wives attended the semi-annual Lions Club zone meeting, held in the High school cafeteria at Amherst Tuesday night.

A delicious baked ham dinner with all the trimmings was served preceding a delightful program, which was presented by the three visiting Lions Clubs, namely, Littlefield, Olton and Anton. Members of the Methodist Women at Amherst served the banquet.

Dr. Glen Burk, one chairman, presided and introduced the visitors, and announced the program numbers.

Littlefield Lions club presented a 15 minute minstrel program with Bob Irby, U. D. Walker, Tom Hilburn, Alvin Webb, Bob Crowell and Jim Mangum taking a part.

Olton and Anton clubs each presented musical numbers. Announcement was made at the close of the program that the next meeting will be held at Olton in March.

Attending from here included Dr. and Mrs. Glen Burke, Mr. and Mrs. R. R. Ater, U. D. Walker, Bob Irby, Mr. and Mrs. Harold Clements, Mr. and Mrs. Alvin Webb, Tom Hilburn and Mr. and Mrs. Jim Mangum.

Youth Center Fund Drive Nets A Total Of \$3,419.50 To Date

Program chairman of the county Youth Center fund drive announced Wednesday that a total of \$3,419.50 has been received to date.

The drive was originally set for November 12th, but was postponed because of the weather. Mr. Mangum stated that he had received more than \$4,000.00 in contributions as a number of workers, several "call backs", to and several donations are being made by mail.

The drive was launched on Monday morning, November 12th, and was closed on the following day. Eighteen local business

men attended the breakfast and have worked. However, solicitations will continue, as the money is badly needed to carry on the work at the Center, to pay off a debt, to complete the interior of the building and to buy needed equipment for the Center.

Carl Morrow Injured In Auto-Truck Accident On Highway 54 Wednesday

Carl Morrow, local lumber dealer and owner of the Morrow lumber yard here, was brought to the Littlefield Hospital, about noon Wednesday, suffering from head and chest injuries, which he received in a highway crash about 13 miles west of Littlefield on Highway 54, about 11 a.m.

The Morrow car and a truck driven by Herbert Black, colored of Burton, Texas, were said to be in collision. It is reported that Black was virtually uninjured and that his truck was only slightly damaged, while the Morrow car

was damaged to the extent of several hundred dollars.

Highway Patrolman Jean Pate announced after investigating the accident that he would file charges against the colored truck driver, charging negligent driving.

The accident was reported to have occurred when the truck driver made a left turn, and the Morrow car crashed into the rear end and side of the truck.

Mr. Morrow's condition is not considered serious. "No flowers" he painfully grinned from his hospital bed.

Lubbock Man Named Receiver Of Grain Dealer's Property

Thurston Bower of 2302 Seventeenth st., Lubbock, has been appointed receiver of "all of O. L. Shannon's property and assets except the homestead," by Judge Joseph B. Dooley of Federal district court here.

The receivership grew out of a suit filed by the Commodity Credit Corporation against Shannon, Sudan grain elevator operator.

Shannon has been charged by petition with an attempt to defraud the CCC of \$978,364.18 worth of

grain stored at his elevators.

Bower was charged to take possession of Shannon's warehouse and business and to "operate and engage employes, collect debts and otherwise manage" the business. Within 20 days he is to file a complete inventory of Shannon's holdings.

On Nov. 16, in a hearing in Amarillo, Shannon admitted all matters alleged except for the value of the grain he was alleged to have converted to his own use and dis-

posed of.

At that time, Shannon did not contest the request by the CCC for receivership or appointment of a receiver.

The injunction granted by Judge Dooley shortly after the case was filed here, prohibited Shannon from disposing of numerous properties listed by the Commodity Credit Corporation as under the defendant's control.

The CCC claims Shannon pur-

chased "practically all" the properties since 1948, when the first load of the grain in question 30-797,572 bushels of wheat, was stored at Sudan. The injunction lists a grain elevator, cotton compress and warehouse, 11 houses, 33 vacant lots, other buildings and equipment as owned by the defendant.

Shannon has made no comment to newsmen since the proceedings began.

"Project Lubbock" to get underway Monday to attract 700 Reservists

"Project Lubbock", the title given the Air Forces personnel survey to get underway next Monday, November 26 in Lubbock, is expected to attract more than 700 Reservists in the nine counties of the South Plains.

Lubbock has been selected, according to Lt. Colonel Harlan Hodges, Project Official and Commanding officer of the 9172nd VART unit (Volunteer Air Reserve Training) as the first city from which a personnel survey will be taken, from a volunteer standpoint. "Project Dallas" was the first of its kind, just completed, but operated solely with military personnel.

The Lubbock project will have five officers of the Air Forces and five airmen of the 14th Air Force, Robins Field, Ga. but will depend on volunteers of the local VART unit for processing of reservists, according to Colonel Hodges.

All Air Forces reservists of this South Plains area, will be urged to take the survey. The purpose is to let each reservist know just where he stands with the subject of recall; to inform his firm just where he stands; to determine new skills achieved since World War II, and to fill out the picture showing just where each individual fits into the military program. It will also help each individual in making plans for the future as far as family life is concerned, Colonel Hodges said.

Great advantages lie therein with company officials, who can make plans for replacements, for on-the-job training, Colonel Hodges said.

Assisting Colonel Hodges will be Capt. J. H. Ackley, liaison officer for the VART group here and Jack O. Stone, public information officer. A good many volunteers for the processing will be named later.

Reservists will start coming at planned hours, from 1 p. m. to 8 p. m. each day, assembling for the processing at the Naval Reserve Training Center, 710 N. College. Notices are being sent to all reservists asking for appointments, they having the choice of making changes. The survey will take from one and one-half to two hours, depending upon the condition of each man's record. The project is expected to take three to four weeks, and then will results of this project, relayed to other counties of the state and national.

The nine counties included in this survey are: Garza, Hockley, Lynn, Crosby, Hale, Terry, Lamb, Floyd, and Lubbock.

Big Pep Rally Held Thursday

The student body, faculty members, and interested football fans turned out in large numbers Thursday afternoon, six o'clock, at the High School gym for a big pep rally held preceding the Littlefield-Kermit football game played Friday afternoon at Kermit.

Several numbers were presented by the Wildcat band, and Pep squad cheer leaders led in a number of yells. Talks were made by the coaches, football boys, and several business men.

DR. WIGGINS—

(Continued from Page 1)

Prior to the program, and continuing between the hours of 6:00 and 8:00 p. m., hundreds of local folks, and numerous others from surrounding points and from a distance, passed through the halls, class rooms, auditorium and gymnasium, to view, generally for the first time the beautiful new high school building, which was completed and put into use here, just a few weeks ago.

Students and teachers proudly acted as host and guides in every room, on every floor, and greeted visitors as they entered.

Each visitor was presented with a mimeographed outline of the new high school building, showing in detail the location of each room and department, a floor plan of the school building.

With this floor plan was given some pertinent facts about the building. These facts listed recite that the new school plant embraces 51,558 square feet of floor space, and was erected at a cost of \$490,000 including building and fixtures, or a cost of \$8.93 for each square foot of floor space. Capacity is given as 60 students.

Two hundred tons of steel were used in its construction, which includes a 52-seat auditorium, and a 900-seat gymnasium. 173,221 face brick, 122,131 common brick, 68,817 tiles, 22,379 Roman type, and 11,404 glazed tile was used for wainscot.

Numerous friends of the schools, and local business houses, sent huge baskets of flowers, which graced the halls and rooms in profusion and added to the beauty of the scene.

The new building is employed for the three highest grades of the school. It like the other three units of the school system, Primary, Intermediate and Junior High is grouped on the school property in the northwest section of Littlefield. School system of which Littlefield entitled to feel justly proud.

Will I get dividends from this policy?

A. No. Under the law, dividends are not payable on the new types of insurance for Korean veterans. Your premium rates, however, generally will be lower than for National Service Life Insurance for World War II veterans, a type of insurance that does pay dividends.

Q. I am attending college under the GI Bill and the cut-off date applies to me. Could I drop out under the GI Bill and pay my own way the rest of this semester, and then resume under the GI Bill next year, when I will be taking more expensive courses?

A. No. Such a procedure is not permitted. Under the law you are expected to remain in continuous training after the cut-off date, except for reasons beyond your control. If you drop out under any other conditions, you may not resume training later under the GI Bill.

Q. About a year and a half ago, I filed a claim with VA for disability compensation. Circumstances that came up made it impossible for me to report for a physical examination, so I just dropped the whole matter. Now, I'd like to follow through on my claim. Is it too late?

A. It's too late to follow through on your original application, but you may file a new one. Since VA didn't hear from you within one year from the time you were ordered to report for an examination, it may not take action on your original application.

Q. I am drawing disability compensation from VA, and I expect to be recalled to active military duty in the near future. Will the VA payments continue, even though I'll be in uniform?

A. No. VA compensation payments may not be made to persons receiving pay for active military service. Your compensation will be suspended while you're in service.

Q. May I still apply for my first National Service Life Insurance dividend—the one covering the period from the time I took the insurance to the anniversary date in 1948?

A. Yes, you still may apply.

MAJ. GEN. CHAS. E. THOMAS
Maj. General Charles E. Thomas, commanding general of the 14th Air Force with headquarters at Robins Field, Ga. will be on hand at Lubbock, Monday, Nov. 26 to start the ball rolling on the Air Forces personnel survey. General Thomas will give im-

petus to the program which is expected to survey 700 Reservists in the nine-county area of the South Plains. Volunteers of the local 9172nd Volunteer Air Reserve Training Unit are handling the operation under the guidance of officers and airmen from Robins Field.

State Draft Boards in October Reduce Manpower Pool with Dependents

Actions of state draft boards in October reduced the manpower pool of men with dependents by 25 per cent, a state Selective Service report to Washington revealed recently.

During the same period, local board actions increased the pool of men available for military service by 34 per cent, the report showed.

At the end of September, draft boards had 69,610 men deferred because of dependents. At the end of October the figure had dropped to 52,508. At the end of September, boards had 43,328 classified in I-A. By the end of October this pool was increased to 56,411.

Brig. Gen. Paul L. Wakefield, state Selective Service director, explained the decrease in the number of men with dependents.

"Men with only dependent wives are no longer deferred under our new regulations," he said, "unless they can show extreme hardship. The local boards are reopening all these cases, and the figures show that many of them are being reclassified into I-A.

"This is proper and is in compliance with law and regulations," the state director continued. "If the man with a dependent wife alone is not otherwise deferrable because of some other status."

General Wakefield again reminded men of their legal responsibility to notify their draft boards if they get married, or if wives are expecting a child.

Under present draft regulations, if a man's wife is expecting their first child, the man is required, prior to the date his draft board mails him an induction order, to file a statement from a licensed physician that a child has been conceived.

If he fails in this responsibility present draft regulations make it mandatory that he be inducted into service.

"Draft boards are currently hard at work reclassifying men with only dependent wives," General Wakefield said. "Several registrants over the state already have been too late in notifying their boards.

"There's nothing we can do about their cases. All we can do is implore all young men affected by the draft to notify their boards of any change in status.

"Tomorrow may be too late. The time to act is now," the state draft director concluded.

Writes to the VA district office that has your NSLI records, giving your full name, present address, the number of your policy or policies, and your service serial numbers.

Q. Will VA pay for the medical care of my dependents?

A. No. Under existing laws, only veterans are eligible for medical care from VA.

Wildcats—

(Continued from Page 1)

Littlefield won the right to play Anson next weekend, for regional championship.

Littlefield won their right to play, after a three-way tie in District 7-AA, when Levelland and Brownfield were eliminated in a determining lot drawing.

Kermit was a co-winner in District 8-AA.

A play-by-play account will appear in next Thursday's Leader.

FOLLOW VARSITY TEAM'S PATTERN

EAST LANSING, Mich. (AP)—Michigan State's junior varsity football team followed the same script written by the Spartan varsity in defeating the Ohio State JV squad. The Michigan State Jayvees scored a field goal in the final minutes to win 16-14. The Spartan regulars scored a touchdown with less than three minutes remaining to win 24-20.

First Baptist Building Fund Exceeds \$21,000

A total of \$11,750.97 was given in a special Thanksgiving Day building fund offering at First Baptist church, Sunday. The offering pushed the Building Fund above the \$21,000 mark. The money is to be used for a new church auditorium, replacing the old condemned church auditorium. Building is expected to begin about April 1.

Rev. C. McKemy And Family Leave To Go To Canadian

Rev. Carter McKemy, pastor of the First Presbyterian Church who resigned the pastorate of the local church several weeks ago, has been called to the pastorate of the First Presbyterian church at Canadian. He will preach his farewell sermon here, Sunday (today), and his first sermon at Canadian, next Sunday, December 2nd.

Rev. McKemy will officially be installed in a special installation service, on Thursday, December 6th.

The beloved pastor and his wife and two little daughters, Mary Martha age 8 and Elizabeth, 3, will leave here next Wednesday for their new home.

The family have been residents of Littlefield, about four and one-half years. They moved here from Cleburne where he was pastor of the Presbyterian church for about the same length of time. The entire church membership as well as a host of other friends regret their leaving.

18 Month Old Baby Dies Shortly After Reaching Specialist

Eighteen month old Lucia Zamperreta a little Mexican boy, lost his life in a hard fought battle, the first of the week.

He was born with an enlarged heart—and on top of that he contracted secondary pneumonia, when he was taken to the Payne-Shotwell Foundation. His condition was so bad, that Dr. F. B. Faust advised that he be taken to Galveston, to Dr. George Herman, heart specialist.

Lamb County Sheriff department took the little fellow to Galveston—and he made the trip—but died four or five hours later.

The parents are transient farm laborers, and have been employed on the Crews farm and also on the Six farm.

Delicate Operation Performed on Baby

Little Kathy Cash, nine month old daughter of Mr. and Mrs. James Cash of Enochs miraculously escaped death last Tuesday, when she inhaled a bean, which lodged in her windpipe, nearly choking her to death.

The child was brought to Payne-Shotwell Foundation for emergency treatment, where she was x-rayed and given oxygen, and was then taken to Lubbock, in a Hammons Ambulance by Dr. I. T. Shotwell, to Dr. Nall, a throat specialist, who performed a bronchoscopy operation and removed the bean. The little child was kept under an oxygen tent enroute to Lubbock.

The baby was apparently getting along nicely until Thursday, when she was brought back to the Foundation, and was again placed under oxygen. However, Dr. Faust reported Friday noon, that her condition had greatly improved and that she was completely out of danger.

A DUKE AFFAIR

DURHAM, N.C. (AP)—The New York Giants in the National Football League selected an ex-Duke football captain to play pro ball with them in three of four years from 1945 through 1948. Kelley Mote was picked in 1945, Bill Miller in 1946 and Al DeRogatis in 1948.

400 Olton Residents Attend Thanksgiving Community Service

About 400 persons attended the community Thanksgiving service held here Tuesday night in the school auditorium. Included in the service were speeches by several Olton pastors, songs led by Basil Sherman, and music by a band led by Don Williams and a quartet and duet.

A Korean relief offering was taken during the program, and the \$118 raised will be turned over to CARE.

Information For Veterans

QUESTIONS AND ANSWERS

Q. I finished school under the GI Bill just before the Korean campaign, and when things broke out over there I re-enlisted. I was just discharged with a service-connected disability. Am I eligible for Public Law 16 vocational training, even though I trained before under the GI Bill?

A. Yes. The fact that you had GI Bill training will not bar you from vocational training under Public Law 16, as amended, provided you meet these conditions: the service-connected disability must have been incurred after June 27, 1950; you must have an other-than-dishonorable discharge, and you must need the training to overcome the handicap of your disability.

Q. I am a Korean veteran, and I just signed up for a \$10,000 insurance term policy—the new type that's available to Korean veterans.

Nancy Nichols And John Spann Wed In Church Ceremony

In a pretty, informal ceremony, performed at the First Presbyterian church, Canyon, Wednesday evening, November 28th, at 8 o'clock, Miss Nancy Nichols, daughter of Mrs. W. D. Nichols of Littlefield, became the bride of John Spann, son of Mr. and Mrs. J. C. Spann of Munday.

The pastor, Rev. Winston Wilbanks, performed the double ring ceremony before an altar decorated with baskets of white mums, and greenery. White tapers in tall candelabra formed a background for the decorations.

Pre-nuptial organ music was furnished by Mrs. Les Barker of Canyon, a cousin of the bride's mother. She also accompanied Miss Kathy Clinton of Cuba, student at WTSC who sang, "Because," "I Love You Truly," and "Love's Old Sweet Song."

Ushers were Kenneth Eckols of Plainview and C. E. Seifert of Levelland, both WTSC students.

The bride given in marriage by her maternal grandfather, wore a gray Vogue suit, with plum trim, and winter white accessories. She carried a white Bible-topped with two white orchids.

Matron of honor was Marsalee Windom, who wore a plum colored wool suit. Her corsage was of pink rosebuds.

Mrs. Kenneth Eckols of Canyon was bridesmaid and she wore a pink wool suit, and a corsage of white rosebuds.

Attending the groom as best man was his twin brother, Joe Spann of Munday.

Both the bride's and groom's mother chose pretty black wool suits for their children's wedding. They wore corsages of white rosebuds.

Immediately following the ceremony, a reception was held in Cousins' Hall on the Campus at WTSC. The bride's table was laid with a white linen cloth. Her bouquet was placed at one end of the table. Miss Jo Smith, of Littlefield, and a student at Texas Tech, cut and served the lovely three tiered wedding cake, which was decorated with white icing, topped with a miniature church which was light-

ed. Others assisting in serving were friends of the couple from Canyon.

Mr. and Mrs. Spann will take a delayed wedding trip in January, during the vacation at the close of the first semester at school. They plan to go to California.

The bride is a graduate of Littlefield High school with the class of '50. She is classified as a sophomore at WTSC.

The groom is a graduate of Munday High school, and will receive a degree in Agriculture from WTSC in January. He is an outstanding athlete, and was a member of the "A" string on the college football squad the past three years.

Attending the ceremony from here included Mr. and Mrs. Earl Matney and family, Mr. and Mrs. Benny Zahn, Mr. and Mrs. R. M. Smith and daughter Jo, Mr. and Mrs. Paul I. Jones, Mr. and Mrs. Joe Hutchinson, Mr. and Mrs. O. P. Wilmon, and the bride's mother, and two brothers, Joe and David and a sister Mary, and grandfather, J. A. Wright, Mrs. Nichol's sister, Mrs. Ann Terry and family of Childress were also in attendance.

Party Honoree

Last Monday afternoon six hostesses entertained with a tea and gift shower from 4:30 to 6 o'clock, at the home of Mr. and Mrs. C. A. Joplin in honor of the bride.

Co-hostesses were Miss Lula Hubbard, Mrs. Ira E. Woods, Mrs. E. A. Bills, Mrs. W. H. Rutledge, Mrs. Mary Ruff and Mrs. Joplin. Miss Hubbard presided at the guest register.

Refreshments were served from the dining room table, which was laid with a lace cloth and centered with an arrangement of mums in a silver bowl. Dainty white and pink cake squares, nuts and mints were served. Mrs. Woods presided at the coffee service and Mrs. Bills served the cakes.

Recordings of Christmas Carols were enjoyed during the entertaining hours.

The honoree received many lovely gifts.

News of Women

Mr. and Mrs. M. P. Reed Observe Golden Wedding Anniversary

A golden wedding anniversary, honoring a "golden couple," was held Sunday afternoon, November 25, from two to four o'clock, in the parlors of the First Methodist church, for Mr. and Mrs. M. P. Reed of North Westside Avenue. More than 150 close friends and relatives called during the afternoon, and brought lovely presents and good wishes. Hosts and hostesses for the occasion were the children of the honored couple. All were present with the exception of one son Dewitt Reed, who lives in Palo Alto, California.

Three sisters of Mrs. Reed, who were present at the wedding fifty years ago, were in attendance last Sunday, and assisted with the arrangements. They are Mrs. Jeff Gentry, Mrs. Warren Hancock and Mrs. Rex Megrall, all of Grand Prairie.

Miss Mattie Love Badgett and Marvin Pierce Reed were united in marriage November 27th, 1901 at Blooming Grove, Texas, at the home of her parents, Mr. and Mrs. J. M. Badgett. The Rev. Dr. Atkinson, a Methodist pastor, performed the ceremony. The couple continued to live in Blooming Grove for several years, and then moved to Ft. Cobb, Oklahoma, where Mr. Reed was engaged in farming until 1924, when they moved to Littlefield, where they have made their home since that time.

Six children were born to the union, and all are living with the exception of one, a son Lloyd Reed, who lost his life October, 1942, while a war prisoner on Bataan. The other children are Dewitt Reed of Palo Alto, California, Mrs. B. G. Chancey, Dallas, Howard Reid, Lubbock, Bill Reid, Berger and Mrs. Jack Wingo, Littlefield.

Mrs. Reed was born November 11, 1883 in Blooming Grove. Mr. Reed was born December 10th, 1878 in LaGrange, Georgia, the son of Mr. and Mrs. W. C. Reid.

Both Mr. and Mrs. Reed have been faithful workers in the First Methodist church, and have enjoyed taking an active part in worthwhile community activities.

A gold and silver theme was used in all appointments for the informal tea held Sunday afternoon in the church parlors. Lovely golden colored mums were placed at vantage points in the spacious room.

Mrs. Ed Seeley presided at the guest register. Miss Johnny Merle Evans, daughter of Mr. and Mrs. James Evans, played piano selections during the entertaining hours.

Mr. and Mrs. Marvin P. Reid

Wedding cake, mints, nuts, tea and coffee were served from a table, laid with a white cutwork maderia cloth, centered with a golden mums in a silver container, with golden satin bow and streamers, with the inscription "50" on each end, placed around the base. Three golden tapers in silver candelabra flanked the centerpiece.

The lovely three tiered wedding cake, made and designed by Mrs. Jack Wingo, was iced in white, decorated with golden colored roses and green leaves of icing, with the inscription 1901-1951 placed on the side of the cake on the top tier. The cake was topped with an ornament of golden leaves, arranged in an arch, from which hung a tiny golden wedding bell.

Mrs. Huston Hoover and Miss Betty Timian cut and served the cake. Presiding at the silver tea and coffee service were nieces of the honored couple, Mrs. James Littlejohn of Midland and Mrs. J. C. Turner of Lubbock. Others assisting with dining room courtesies were Mrs. A. Y. Doherty, and Mrs.

James Evans. The gifts were attractively displayed on tables in one end of the room, and included an electric blanket from the children and their families; a down comfort from several members of the First Methodist church, a wool blanket from WSCS, and many other lovely gifts.

Out of town guests besides the children and their families and Mrs. Reid's three sisters mentioned above, included her brother, D. R. Badgett of Savannah, Ga., and Mr. Reid's two brothers and families, Mr. and Mrs. Joe Reid and children, Jerry, Eura Mae and Grace Ann, and Mr. and Mrs. Jim Reid all of Canadian; Mr. and Mrs. James Littlejohn, Midland, J. M. Tunnell, Irving, Mr. and Mrs. Archie Lamb, Lubbock, Mrs. Nellie R. Lamb, Fort Worth, Mr. and Mrs. Eldon Fuller, Mr. and Mrs. C. D. Campbell, Mr. and Mrs. Bernard Schmidt, Adrienne and Jimmie all of Lubbock, Mrs. Jim Mooney and daughter Mary, Clovis, N. M., Mrs. M. L. Ivie, Lubbock, Mrs. Lois Smith, Rosenberg, (Continued on Back Page)

J. W. Ammons And Shamrock Wed In Church Ceremony

In a pretty candlelight ceremony performed Saturday, November 17th, Miss Millie Joe Lowry, daughter of Mr. and Mrs. J. E. Lowry, of Shamrock, became the bride of J. W. Ammons of Amarillo, son of Mrs. Cora Ammons, of Littlefield.

The ceremony was read at the Lela Methodist Church at Shamrock, with Rev. John Wood, pastor officiating. The couple stood before an arch entwined with fern, bows of wide blue ribbon and wedding bells. Baskets of white mums flanked the arch.

Mrs. Andrew Hester of Amarillo, pianist, played "because" and accompanied Mrs. Jack Loury of Lule, aunt of the bride, and Mrs. J. C. Sweat of Wellington as they sang "I Love You Truly".

The bride, given in marriage by her father, wore a two piece dress of aqua-blue faille with black accessories. She carried a white Bible topped with pink rose buds and showered with white streamers.

Her only attendant, Mrs. J. L. Cooper of Carlsbad, N. M., matron of honor, chose a navy blue suit with black accessories. She wore a pink carnation corsage.

Best man was Andrew Hester of Amarillo. Doyle Brown of Lela was usher and Patsy Brown of Lela and Nellie Wilson of Littlefield lighted the candles.

Mrs. Lowry chose for her daughter's wedding a steel gray suit with which she wore black accessories, and a pink carnation corsage. For the wedding of her son, Mrs. Ammons wore a gray suit with black accessories. She chose a corsage of white carnations.

The reception table, laid with a blue silk cloth, was centered with a crystal bowl of white mums and stock and lighted with white

candles. Mrs. J. C. Nix (the crystal punch bowl) O. T. Gordon served the red wedding cake. The bride was graduated from the Shamrock High School employed by the Amarillo School graduate. A Little World War II and was a reserve. He received a discharge from the 17 months service in the Plumbing Co. in Amarillo. The couple is at home S. Filmore in Amarillo.

Della Jo Rosson And David Hutchins Spaved To Wed

Announcement has been made of the engagement and marriage of Miss Della Jo Rosson of Littlefield, Texas, to David Hutchins, by elect's parents, Mr. and Mrs. John Hutchins of Littlefield.

The date for the wedding has been set for December 1st, to be held in the church, with Rev. E. L. officiating. Miss Sylvia Hutchins will act as maid of honor, and Hutchins will act as best man. Gregson and Mrs. Billy Ernest Wayne Trull and Cook will act as ushers. Both are graduates of High school and she is employed in Lubbock with western Telephone Com-

Repeat Program On "Wedding Of The Flowers" To Be Given

Lamb countians will again have an opportunity to see the "Wedding of the Flowers" which has been described as the most outstanding and colorful performance ever produced by school children in the history of the Sudan schools. The repeat program will be given Saturday, December 1 at 7:30 p.m. in the Sudan high school auditorium.

Many who were unable to attend the production on November 5 and too, many who did see it, have expressed the desire to have it produced again. Approximately 125 children, from the ages of four to ten have parts in the operetta.

All proceeds will be used for the purchase of books for the grade school library.

The operetta is sponsored by the 1955 Study Club of Sudan.

Among the many beautiful Christmas gifts for Ladies at the Louise Dress Shop, you'll find something special for her in costume jewelry, lingerie, blouses, scarves and other items that are exactly right in ladies wearign apparel. She'll be delighted with a gift from the Louise Dress Shop, 402 Phelps Avenue, Littlefield. 79-11-c

School Faculty Enjoy Thanksgiving Dinner Party

A Thanksgiving dinner was held for the Amherst school faculty and their wives and husbands Tuesday night of last week at the home making cottage.

Following the dinner, games of bingo were enjoyed. Host and Hostesses for the occasion were Mrs. Ray Blessing, Mrs. V. P. Osborne and Supt. W. D. Kay.

The faculty and their wives and husbands have a party of this type each holiday.

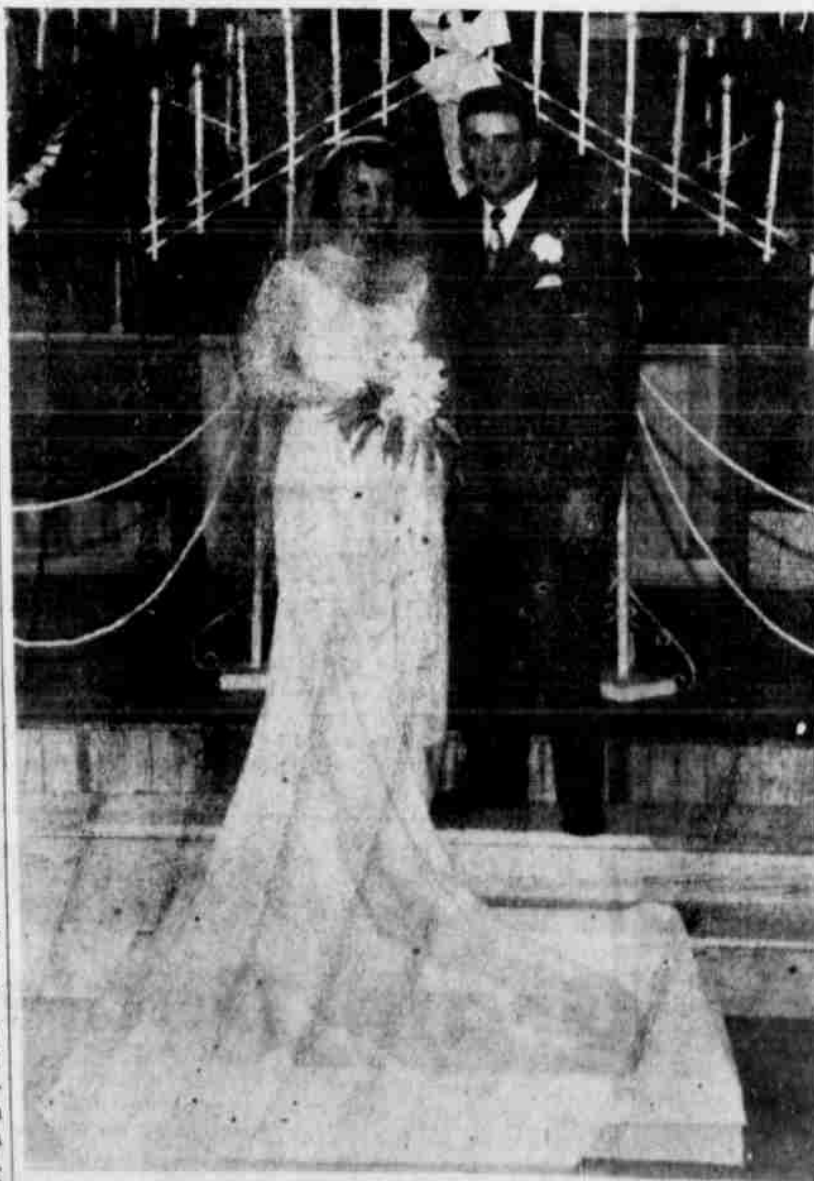

Formal Church Wedding Unites Laqueta Kelley and Bud Hill

The marriage of Miss Laqueta Kelley, daughter of Mr. and Mrs. Guy Kelley of Earth nad Homer A. (Bud) Hill, son of Mr. and Mrs. Homer Hill, took place Friday, November 23, at 6:30 p.m. in the First Baptist Church at Earth.

The pastor, Rev. Bruce Giles, performed the double ring ceremony, before an altar decorated with a background of palm, flanked by baskets of white gladioli and mums, and white cathedral tapers in wrought iron candelabra. Marking each aisle in the auditorium were white satin bows and tall white tapers.

The bride given in marriage by her father, wore an ivory slipper satin and chantilly lace wedding gown, fashioned with a full skirt that swept into a full cathedral train. Her veil was fingertip length of double illusion, attached to a bonnet of matching chantilly lace. She carried a bouquet consisting of a white orchid and lily of the valley, showered with white satin ribbon and lily of the valley placed on a white Bible. For something old she wore a necklace that belonged to her paternal grandmother, that she wore on her wedding day. For "something borrowed," was the Bible, that belonged to her sister-in-law, Mrs. Donald Kelley; "something new" was her dress, and she wore the traditional penny in her shoe for good luck, and a blue garter for something blue.

Bridal attendants were Carol Phillips of Abernathy who served as maid of honor, Juanell Crawford, Bobbie Sue Cearley and Joan Kelley all of Earth and Sandra Shile of Amarillo were bridesmaids. They wore identically fashioned gowns of taffeta with full skirts and fitted bodices in five autumn colors; sapphire blue, dusty rose, autumn gold, forest green and penny copper, with matching bonnets.

Mr. and Mrs. Homer A. (Bud) Hill

—Photo by Taylor

Each carried a bouquet of cascades of chrysanthemums in matching colors.

Wedding music was furnished by Mrs. R. G. Wilson, sr. Earth, who played traditional wedding march.

es, and accompanied Miss Delora Whitford, Denton, who sang "O Promise Me," and "The Lord's Prayer," and Miss Velma Seale, Lockney, who sang, "Always."

Brenda Thornberg, of White Deer, niece of the bride, acted as flower girl. She was dressed in a white taffeta dress with a head-dress of pink sweetheart rosebuds. She carried a basket filled with rose petals, which she scattered in the aisle, preceeding the arrival of the bridal party.

Hal Hudson of Earth was ring-bearer and he wore a white suit, and carried a white satin rose, which held the rings.

Ushers were Guy F. and Donald Kelly, brothers of the bride, and Bob and Bill Hill, brothers of the groom.

Guests were registered by Lucy Brown, Lubbock and Patsy Miller of Waco.

A reception was held in the home of the bride's parents. The table was laid with a white cutwork maderia cloth, a wedding gift to the bride from her grandmother. The four tiered wedding cake was surrounded by nosegays of white carnations and net. The only other decoration for the table was a "memory" candle.

Assisting with dining room courtesies were Joyce Armstrong, Lynn Crabtree and Billie Ann Nix.

When the bride and groom left for a wedding trip to parts in South Texas and Old Mexico, the bride was wearing, a pretty beige suit with aqua and brown accessories, and a white orchid fashioned from her bridal bouquet. They will be at home at Hart, December 3rd.

For her daughter's wedding Mrs. Kelley wore a navy suit with navy accessories, and a pink gardenia corsage. Mrs. Hill, mother of the groom, wore a gray suit with black accessories and a white gardenia corsage.

The bride is a graduate of Springlake High school, with the class of '51, and was enrolled at West Texas State College at Canyon before her marriage.

The groom is a graduate of Hart High school, with the class of '49. (Continued on Back Page)

C. L. Cook, Local Pioneer, Dies Suddenly At Chino, California, Tuesday

C. L. Cook, 66, formerly of six miles east of Littlefield, and recently of Chino, Calif., passed away suddenly Tuesday at that city following a heart attack.

Mr. Cook lived in this area and farmed since 1925, leaving here about a year ago to make his home with his son and daughter-in-law, Mr. and Mrs. Russell Cook at Chino. Previous to going to California he had been suffering from a heart ailment, but is reported to have enjoyed good health since that time, and his death came unexpectedly.

The news of his death was telephoned here by Mrs. Russell Cook to Mr. and Mrs. Otto Jones, old friends, Tuesday immediately following Mr. Cook's passing away.

Mrs. Cook passed away in 1944. The remains will arrive here today (Thursday) about 5 p.m. by train, and funeral services are expected to be held Saturday afternoon, at possibly 2 or 2:30 o'clock, at the First Methodist Church, with Rev. Frank Beauchamp, pastor, officiating.

Hammons Funeral Home are in charge of arrangements, and interment will take place in the Littlefield Cemetery.

Surviving are a daughter, Mrs. Ed. Noonan, the former Pauline Cook, of Honolulu, and the son, Russell Cook.

Mrs. Noonan has recently been seriously injured in a car wreck, and is unable to come to Littlefield for the last rites.

Two brothers, one living at Post and another at Lovington, N.M. also survive.

Five Persons Injured In Two Car Accident

Five persons were injured, none seriously, in a two-car collision at the intersection of U. S. highway 84 and a street leading into Anton at 8 p. m. Saturday.

In Littlefield hospital following the wreck were Lucius Baldwin, 21, negro male, of Anton, who sustained a broken leg, and Clytee Simmons, 19, negro woman of Anton, who sustained deep facial laceration and other minor injuries. Others treated and released at Anton and Littlefield were Jerry Walker, 24, Lubbock, Ray Helm Goodman, Lubbock route 1, and Van Julius Hobbs, 27, negro male of Anton.

The accident occurred when a 1949 Ford, driven by Goodman, and a 1950 Oldsmobile, driven by Hobbs, were in collision at the intersection.

Miss Walker was admitted to South Plains Cooperative Hospital Amherst, Tuesday, for treatment for chest injuries.

CHRISTMAS SHOPPING? Prices reduced for Pre-Christmas Clearance. Dresses, Coats, Suits and Blouses at the Louise Dress Shop, 402 Phelps Avenue, Littlefield.

Three Local Men Join Air Force

M. Sgt. Gerald F. Cutshall announced the induction of three local young men in the Air Force who signed from the Littlefield Recruiting Station, and were processed in Amarillo, Wednesday. They are Guy F. Phillips, sr., 23, Charles Paul Pharris, 23 and Troy Beyers, 23.

The men will leave Amarillo today (Thursday), for Lackland Air Force Base, for eight weeks basic training.

Charles Paul Pharris is the son of Mr. and Mrs. Paul Pharris. He has been living at Burkburnett the past few months where his wife is teaching in the schools there.

Troy Beyers is the son of Mr. and Mrs. Roy Beyers of Littlefield. He has been employed by his father in the grain business here. He is married.

Ninety Year Old Amherst Resident Is Taken By Death

John P. Black, 90, a prominent Amherst resident for the past 20 years and a retired farmer, died at the home of his daughter, Mrs. Charley Jones at Amherst, Friday afternoon, at 3:40 o'clock, November 23rd.

Funeral services were held Saturday morning, November 24th at 10 a. m. at the First Methodist church, Rev. Elmer Crabtree, pastor, officiated. Following the service the body was taken to Paducah, where chapel services were held at 2:30 o'clock, and burial was in the Paducah cemetery. M. L. Payne Funeral Home of Amherst was in charge of arrangements.

Deceased was born July 9, 1861 in Freestone County, Texas. His wife predeceased him in death. She passed away at Amherst, in June 1939.

Survivors include three sons, Ernest L., D. C. and B. J. Black all of Amherst and three daughters, Mrs. Charley Jones, Amherst, Mrs. W. R. Smith, and Mrs. Henry Wilson, both of Elk City, Oklahoma.

2nd. Lt. Edmonds Graduates From Armoured School

FORT KNOX, KY.—2nd Lt. Richard C. Edmonds, son of Mr. and Mrs. H. C. Edmonds, 1010 E. 9th St., Littlefield, is one of the recent graduates of the Associate Company Officers Course at The Armored School here.

The course produces company-grade officers well grounded in the principles and technique of armored units. Special emphasis is devoted to developing capable company commanders.

Lt. Edmonds entered the service in August, 1951.

Fire Everyday This Week

Littlefield Fire Department has been called to the scene of three small fires this week.

On Monday morning, a small blaze broke out in the wash room of the James Service Station across from the postoffice, caused from gasoline igniting in the washroom, it was reported.

Defective wiring in a building in Colored town was said to have been the cause of a fire that broke out there Tuesday night about 8 o'clock.

Yesterday morning at 10:30 o'clock alarm was turned in by the Gage Filling Station and Garage at Bula. Little damage was reported.

Father Of Earl Wilson Former Resident Dies

E. E. Wilson, 78, father of Earl Wilson, Lubbock, former assistant manager of the local Western Cotton Oil Mill, passed away last Wednesday, November 21st, at his home at Slaton. Death was caused from a heart attack. He was a retired farmer and real estate dealer. He had been a resident of Slaton for 35 years.

Surviving are his wife and four sons, Grady, Ray and Harold all of Lubbock and Earl of Lubbock, and two brothers, W. R. Wilson of Slaton and R. V. Wilson of Bells.

Smallest Baby Born In Littlefield Dies

The smallest baby ever born in Littlefield to live any length of time, passed away in an incubator in Littlefield Hospital last Thursday, November 22nd.

Little Edward Simmons, jr., was born prematurely to Mr. and Mrs. Edward Simmons, sr. (colored) of Bula on Friday, November 16th. He weighed two pounds and eight ounces.

Foy Bell

(Continued from Page 1) and has a young son.

Foy is a former Littlefield High and New Mexico A. & M. football player, and did duty in the line. Everybody rejoiced with Bell over his good fortune, including all the folks down at Ed Packwood Motors, General Tire dealers. In fact, it was through the Ed Packwood Motors that Bell obtained his entry blanks.

Dr. W. C. Nowlin of the Littlefield Hospital, said Foy's condition was apparently of a temporary character and hospitalized him for a short time.

The winning of the \$1,000 didn't have anything to do with the temporary "blackout."

Mahon Speaker

(Continued from Page 1) phrased and delivered, and both were equally well received.

"George" At Home Here He is immediately at home, when he comes to Littlefield, and with every word, gesture, smile and handshake, he shows that he feels that way, too, because "George" is warmly received and highly regarded in Littlefield, just as he seemingly is, in every town and county in this, his district, which he has represented, since the district was first created, and been successively returned to Washington at each succeeding election, without little more than token opposition from any group or party.

"As your hired hand in Washington, I wish to report on my stewardship in Washington," were almost opening words of his talk, after acknowledgment of the introduction—and report he did, in a straight forward confident manner.

He launched his talk by touching on the tidelands case in which all of Texas is vitally interested, and stated that he had hopes for speedy enactment, and Presidential signature on a new bill, designed to insure and restore the rights of Texas and other coastal states in those oil rich lands.

World Situation Discussed Yet, his words and his manner were tense, as he shortly afterward pointed his talk and remarks into world affairs, the Korean war, the threat of global war, the growing tax burden, the huge defense expenditures—with all of which, he, as head of the sub-committee on National defense appropriations, probably had more first-hand knowledge than any other man in the United States, possibly excepting only the President himself. And he pointed out, that there was and is no easy, nor cheaply bought way to try to secure peace, much as he desired and wished otherwise.

"At heart, I am an isolationist, like most of the rest of you are," he said, but we learned through two world wars, their frightful costs, in countless ways, that we cannot become isolated, much as we might wish.

He stated that he was proud of the courageous 82nd Congress, which has just adjourned. He praised the press and radio for giving publicity and informing the people on graft and corruption in government, but reminded that it was this same courageous 82nd Congress, which through its committees, first discovered these inequities in government, and now is and will continue to take vigorous steps to the end that confidence in government can be restored.

"That" he said, "is probably the

most important thing all of us face today, and if the American people are sufficiently aroused and stay aroused that confidence will be restored, and speedily."

In turn he said that Military "high brass" in Washington thinks ultimately a cease-fire will come in Korea; asked for clear thinking and clear evaluation of both the printed and spoken words in these times of conflict; stated that we have a double-barreled challenge from without and within, inflation and global war.

Korean Conflict Vital to World Turning back to Korea, he said that the men who have fought and died in Korea, may have saved the world from the holocaust of a global war, that would have cost hundreds of times those casualties.

"We were not ready for war when we entered Korea, and we are not ready on this Nov. 28, 1951" but we are far better prepared now than then, he added, and 1952 will be the crucial year.

The crowd of 125 to 150 local folks tried to catch the everyword of the man, our representative, who has been in major responsibility appropriating, and in measure will direct the spending of the greatest sum, ever appropriated by any group, or any government in history, in so short a time, 108 billion dollars for national defense since we entered the Korean war. He touched on that huge appropriation again when he said that party lines had been set aside, both in the House and in the Senate in approval. Only three votes were recorded against the latest military appropriations bill for 54 billions in the House; only 3 votes against the \$7½ billion appropriation for foreign and other nation aid, in the Senate.

And in those two simple quotations of Congressional action on those two huge appropriation bills, which were in large part the work of his committee in Congress, he brought home to his listeners, yes-

terday afternoon, that our own highly regarded Congressman from the south Plains of Texas, is held in equal high regard and esteem in Washington and in our National government.

Receives Great Ovation At the conclusion of his talk, he received a fine standing ovation at exactly 1 p.m., and then upon unanimous insistence of his listeners, stood again, and talked informally for an additional fifteen minutes.

Immediately following this talk, he was escorted to the High School, where he talked for 20 minutes, to the assembled High School student body.

Here, as he spoke to teen age boys and girls, he was equally well received. He seemed saddened when he told those boys and girls that he had voted for the start of a Universal military training program because he thought that was better than to send boys into service untrained. He touched on the fact that youth was confused over the perplexities of war, the draft, sacrifice and military service, but reminded that life was not all happiness and fun, and that the young folks have a much greater stake in all of this than do their elders because youth, all of it, has a much longer and greater future.

"There will always be Koreans," he said, but there will also "always be a United States," and the youth of today, will make those United States of the future, both bigger and greater.

"I hope," he said as he neared conclusion, "that the tanks and the armaments that we are building today, and spending untold billions upon, may be allowed to rust and rot away, never used—that a global war can be prevented, which is the hope and the goal we are working for and toward."

"We must be prepared for both war and for peace," he concluded, and may each of us "be worthy to be American citizens—today and tomorrow."

MOJUD DARK HEEL sheers
dance-tested by **GINGER ROGERS!**

MOJUD \$1.65
MAGIC-MOTION stockings

Glamorous Ginger Rogers says... "I love the flattery of the dark brown or black heels. And I love the way Mojud stockings wear." Ginger danced 27 miles in a single pair... without a run or wrinkle!

Magic-Motion... extra "give" and spring-back in the knit... is the secret of longer wear.

Buy your dance-tested Mojud stockings today with brown or black heels for smart costume coordination.

Kidney Slow-Down
May Bring
Restless Nights

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

DOAN'S PILLS

Legal Notice

TO: Pablo R. Polacio,

You are hereby commanded to appear before the Honorable District Court of Lamb county at the Court House thereof, in Littlefield, Texas, at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of December A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 5th day of November, A. D. 1951. In this case, numbered 3245 on the docket of said court and styled Adilina Menguieta Polacio, Plaintiff, vs. Pablo R. Polacio, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges she was legally married to defendant December 11, 1948, and lived with him as his wife until May 1, 1949; that defendant was guilty of excesses, cruel treatment and outrages toward her of such a nature as to render their living together insupportable, and that she was compelled to separate from defendant on account of such treatment.

Plaintiff sues defendant for divorce from the bonds of matrimony, for restoration of her maiden name of Adilina Menguieta, and for general and special relief; as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Littlefield, Texas this the 6th day of November, A. D. 1951.

ATTEST:

Treva Quigley, Clerk
District Court, Lamb County, Texas
(SEAL)

Nov. 8-15-22-29

and whereabouts of each and all of whom is unknown; 4. All persons claiming any title or interest in land described as all of the Southeast Quarter of Section No. 32, Grantee, Abstract No. 226, situated Block T, T. A. Thomson, Original in Lamb County, Texas, under deed from W. P. Davis to Petroleum Land Holding Company, recorded in Book 32, page 139, Deed Records, Lamb County, Texas, as Defendants.

The nature of said suit being substantially as follows, to wit: To recover title and possession of all the Southeast Quarter of Section No. 32, Block T, T. A. Thomson, Original Grantee, Abstract No. 226, situated in Lamb County, Texas; said suit being in the usual form of trespass to try title, and containing further allegations to the effect that Plaintiff owns the record title to said land, and further owns title to said land under the three, five, ten and twenty-five year statutes of limitation, and that title is presumed to be in Plaintiff, all as a result of peaceable and adverse possession under duly recorded deeds and claim of right, and payment of taxes on said property.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 10th day of November, A.D., 1951. Given under my hand and seal of said Court, at office in Littlefield, Texas, this the 10th day of November, A.D., 1951.

Monday morning, after spending the weekend in San Antonio visiting Mrs. Clark's son Jimmy with the Air Force who is stationed at Randolph Field.

Holiday guests in the home of Mr. and Mrs. E. A. Russell included their daughters, Mr. and Mrs. Byron Taylor and three children of Temple, Oklahoma and Mrs. J. J. Marshall and son of Snyder.

Mr. and Mrs. Morris Replin and two sons of Denver, who have been visiting in the home of Mr. Replin's sister and brother-in-law, Mr. and Mrs. Dan Berg, left Wednesday to return home.

Pecan Outlook Disappointing

PARIS, Texas (AP)—Pecan growers are even feeling sorry for the squirrels.

Pecan outlook for this area is near disappointing from the standpoint of yield and prices received for the few being harvested.

Ed Lindsay, operator of the Texas Pecan Company, Paris, said that harvesting of pecans is later than usual. The frost of last week started pecans falling, and some have been harvested.

Lindsay said the lateness of the harvest was probably due to people trying to finish gathering cotton first. Pecan prices in the Red River area range from 11 to 14 cents per pound.

The Department of Agriculture has estimated national pecan production to be about 15 per cent above last year. Texas pecan crop last year was 39 million pounds. The estimate by the department was placed at 12 million pounds this year.

Oklahoma crop last year was 7 million pounds, against an estimated yield this year to be 29,230,000 pounds.

MRS. JOE BOSEMAN SUSTAINS BROKEN LEG IN FALL

Mrs. Joe Boseman of Earth and formerly of Amherst fell recently as she was leaving church and broke her leg. She was visiting in Pecos at the time.

Walter Billingsley, minister of the Amherst Church of Christ received word from Mrs. Boseman stating that she will be confined to the Camps hospital at Pecos for sometime and will appreciate cards and letters from friends.

The word "and" is used about 46,277 times in the Bible.

Doubling the diameter of a pipe increases its capacity four times.

Lamb County Bond Sales Total \$83,817 During Recent Campaign

Lamb County's sales totaled \$83,817.50 during the first U.S. Defense Bond drive, Nathan Adams of Dallas, state chairman, informed Pat Boone, local county chairman. The drive was held from Sept. 3 to Nov. 13.

Final sales figures showed that Series E bonds accounted for \$13,837.50 and Series F and G for \$19,980 of this county's total.

Sales of \$27,778,453.25 in Texas during the drive were almost 50 per cent more than normal, Mr. Adams said.

"Normally sales for this period would have been about \$18,000,000 or \$19,000,000," he said, "and the fact that sales were so much higher is definite proof that the people of Texas are responding, as they always do, to the country's need in national emergencies."

The sales total for the state included \$22,459,665.25 in Series E bonds and \$5,318,788 in Series F and G. There were no state or county quotas, the goal being the "largest possible" volume of sales. Mr. Adams expressed appreciation to the thousands of citizens who served as volunteers in the drive, but urged that they continue

their efforts. "The need for buying Defense Bonds still exists," he said. "With our country engaged in a gigantic preparedness program, these bonds form an important economic link in our defense."

A HUNTER'S NUTTY STORY

CENTRALIA, Ill. (AP)—Three squirrels with one shot is the claim of hunter Bobby Terrell of Mound City, Ill., a produce buyer. Terrell said three squirrels were so busy arguing over a single hickory nut that they didn't see him.

Mount Everest in the Himalayas is 29,141 feet high.

Anton Gins Handle 2845 Bales Cotton

A total of 2845 bales were ginned in the Anton community the past week, the largest amount to be ginned any week this fall. The total amount to be ginned at Thursday noon of last week was 9173 bales.

This includes all cotton ginned in Anton and Roundup and at the

Citizens Coop gin.

The harvest has been greatly stepped up the past week by the use of mechanical harvesters, and by next week the harvest product will be at top speed.

At least 75 cents of every dollar consumers spend for pork goes for cuts that make up less than half a hog's liveweight, according to Ohio State University agricultural scientists.

Mrs. Ella Enloe Honored On 85th Birthday Recently

Mrs. Ella Enloe was honored on her 85th birthday with a party given in the home of her son, A. B. Enloe Saturday night, Nov. 17th.

The honoree received many nice gifts and refreshments of cake and coffee were served to the following: Larry Sanderson of Littlefield; Mr. and Mrs. H. High and John Enloe of Olney, Mr. and Mrs. J. V. Burdett of O'Donnell; Mr. and Mrs. Clifford Scott and Janell, Mr. and Mrs. Dick Pard and Teri, Miss Joe Enloe, A. B. Enloe Jr., and Robert Schultz of Lubbock; Mr. and Mrs. Elzie Feagley, John Feagley E. M. Enloe and Lennie, Mrs. Turner Collins and Alma and Chas. Mr. and Mrs. Laverne Bryant and Judy; Mr. and Mrs. R. J. Cook and Mr. and Mrs. R. J. Rhoten.

Unique Program Presented At Literary Dept. Club Meeting

Mrs. C. S. Duncan, assisted by Mrs. R. W. Badger entertained members of the Literary Department of the Woman's Club, last Wednesday afternoon, at the Duncan residence on West Second Street.

Federation Day was observed, and the history of federated clubs in the United States, Texas and Littlefield, were given by three members, who were dressed in costume.

Mrs. A. B. Brown represented Mrs. Jennie June Crowley founder of the Federation—and the scene was in the living room of her home in New York City—the time 1868.

Mrs. C. O. Stone told of the Federation in Texas, and she was dressed in costume to represent the mode of that day. The scene was "some place" in Texas.

Mrs. W. G. Street, dressed in the fashion of 1913, told of the organizing of the first Woman's club in Littlefield. "Aftermath" was the name of the first federated club here, she told the members, and said it meant, the result of the consequence. In 1923 she said the club name was changed to The Woman's club. In 1947 the club was divided into four departments, namely, literary, art, garden and music. Mrs. Street, said that one of the main projects of the club is "making the American Home a citadel for spiritual living."

The leaders directed a quiz following the program.

We are closing out one group of dresses at one-third reduction. Large assortment of styles, colors and materials including wool jerseys, corduroy, swede cloth and taffetas. Take advantage of these values now at The Louise Dress Shop, 402 Phelps Avenue, Littlefield. 79-11-c

LAMB COUNTY LEADER, THURSDAY, NOVEMBER 19, 1948

Rose Marie Tubbs Honored On Her Second Birthday

Mrs. Harvey Tubbs of Whittharal honored her daughter, Rose Marie, at their home Sunday, Nov. 18, with a party on her second birthday.

Pictures were made of the games and as the party progressed. In the games, Marsha Burrus found the hidden ring, while Carolyn Jean Walden excelled in the candy hunt.

Each child was presented with a crepe paper hat and a flyback paddle and ball.

The three-layer cherry cake with two candles set in cherries formed the centerpiece. Individual cakes and ice cream were served to Marsha Burrus of Smyer, Carolyn Jean Walden of Lubbock, Rodney and Gary Wren, Bobby McDonald, David and Joey Newsom, Jackie Stafford, Debra Jean Tubbs, and the honoree.

Gifts were sent by Judy Wade, Warren Borders, Letricia Hayes, Mrs. C. G. Landers and Jack Hissaw.

Adults present were Mrs. G. H. Tubbs of Levelland and Mrs. Nathan Tubbs of Whiteface, Mrs. Tom Burrus of Smyer, Mrs. Garmon Walden of Lubbock, Mrs. Bruce Wren, Jr., and Mrs. Weldon Newsom.

Mr. and Mrs. Reed

(Continued from Page 2)

Mr. and Mrs. K. C. May and daughter Lynn, Slaton, Mrs. R. C. May Amarillo, Mrs. Homer C. Miller, Spade, Mrs. J. M. Carl, Gentry, Arkansas.

Grandchildren present were Ruth Elizabeth Reid, daughter of Mr. and Mrs. Howard Reid, Lubbock, Carolyn Grace, Linda, Kenneth and Helen Sue, children of Mr. and Mrs. Bill Reid, Borger and Marilyn and Tomy Wingo, children of Mr. and Mrs. Jack Wingo, Littlefield.

Portwood, Dorothy and Ann of Perryton, Mrs. Alva Thronberg and daughters of White Deer, Dr. and Mrs. Barney Grafa, Junior and Ann of Eden, Mr. and Mrs. Bruce Rogers of Sweetwater, Oklahoma, Miss Billie Ann Nix, of Lubbock, Lynn Crabtree of Boise City, Oklahoma, Velma Seale of Lockney, Mr. and Mrs. Harold Shile and Sandra, Amarillo, Roy Wells, Pampa, Mr. and Mrs. Shelton Hardin and Carol Phillips of Abernathy, Mr. and Mrs. James Riddle of Weatherford, Mr. and Mrs. Herb Mayfield, Dimmitt, Mr. and Mrs. Byron Bennett, Plainview, Myra Applewhite, Eagle Pass, and Mr. and Mrs. Doyle Davis, Mr. and Mrs. E. I. McLain, Billie and Junior Cluck, Mrs. A. O. Dinwiddle, Mrs. Roy Cluck, Lloyd Davis, Mr. and Mrs. Ray Wall, Stewart Newsom, Delores Benson, Esther Ruth McLain, all of Hart, Gwendia Smith, Hot Springs, Ark., Mr. and Mrs. Ralph Futhell, and Mr. and Mrs. Homer Hill and Kenny of Hart.

Ballenger Minister To Fill Pulpit At Presbyterian Church
Rev. Alvin O. Ballenger will fill the local Presbyterian pulpit on morning at the 11:30 a.m. service.

The church is with since the resignation of Mr. McKenry, who moved to Canadian. Rev. Rue will be by his wife and they in the home of Mr. Wilemon.

Mrs. C. H. Bill Hostess At Party
With Mrs. Irene Billings as demonstrator, Mrs. C. H. Billings of Whittharal at a Stanley party at last Thursday evening.

Lottie Moon Week Of Prayer To Be Observed By Missionary Union
Mrs. Bill Jeffries and her mother, Mrs. A. R. Weaver were co-hostesses to members of the Blanche Groves Circle of the Woman's Missionary Union that met at the Jeffries home Monday afternoon.

Mrs. W. E. Heathman gave an interesting devotional and then played a record entitled, "The Game of Life."

A Royal Service program was presented, with Mrs. Tel McLarty discussing mission work in Brazil and Mrs. Acrey Barton telling about the work in Japan.

Little Billy Jeffries gave the declaration and commission of the Royal Ambassadors and told of interesting incidents on his trip to R. A. encampment at Floydada last summer.

It was announced that next week will be a week of prayer in memory of Lottie Moon.

Delicious refreshments consisting of tuna sandwiches, hot chocolate and angel food cake were served to Mesdames Lillie Bedford, W. P. Willis, Roy Beyers, Paul Vause, Acrey Barton, W. E. Heathman, J. C. Chaney, Tel McLarty, Perry, and the hostesses.

Anton Girl Named For "Who's Who"
Marie Lewis of Anton is one of Texas Technological college's 26 nominees for Who's Who in American College and Universities, according to James G. Allen, dean of student life.

H. D. Club Women Enjoy Luncheon

A Thanksgiving Luncheon was enjoyed by the Oklahoma Women in the home of Mrs. Kenneth Tipton, Chickasha, Oklahoma. The menu consisted of turkey, stuffing, cranberry sauce, sweet potatoes, green beans, pecan, chocolate pie and pineapple. The luncheon was enjoyed by Mesdames Charles Mooreland, Mrs. Doyle Gilley, Velma Tipton, Warren Tipton, Wade Strother, Johnnie Miller, A. B. Wade, Jimmy Starves, Raymond Denton, Coy Grant, Ray Denton, A. A. Gray, Denton, Ted Gray.

Our next regular will be Tuesday, Dec. 15, at the home of Mrs. Ray Denton. We are urged to present our Christmas party.

F. H. A. Candidate Initiated In Pretty Ceremony

A large number of Future Homemakers of America were initiated in Littlefield in a formal candle-light service held in the new High School auditorium at 4:30 o'clock.

The program was presided over by the F. H. A. leader, Annie Lee Marvis Lewis, who is the organization's candidate for the presidency. President planned emblems for each of the new members.

Several of the members of the group were initiated. They include: Coble, Freble Lewis, Edwards, Ann Brand and Wilma McCain. The meeting was a serving of refreshments and peanut butter.

Faithful Workers S. S. Class To Meet Tonight At Church
The Faithful Workers School of the First Baptist Church will have their annual Day dinner in the church, tonight, 7:30 o'clock. Mrs. A. teacher of the class. Guests will be members, or special members, or special members. Mrs. Dewey Hulise, Cassel are in charge which will be presented the dinner.

Hostesses are Mrs. number two and Mrs. J. R. Coen, J. C. Cassel, Wayne Carlisle, A. C. Dunnagin, Mrs. Robert Colleben, Christina Parker, Dewey Hulise.

The list of 26 juniors were selected committee of two from each school section for Who's Who on excellence and scholarship, leadership in college, participation in extracurricular activities, service to Tech, and usefulness in the future.

Kermit Yellowjackets Hang 31-6 Defeat On Cats In Bi-District Game

Dimmitt Plays Abernathy Plainview Friday

Bobcats will play Antelopes in Plainview on Friday. The winner will advance to the State championship. Tickets will be sold on a first come, first served basis. Approximately 1,500 fans are expected from each town, with surrounding area towns expected to roll the attendance up around 5,000 or 6,500.

The game will pit the running of Dimmitt's Glenn Brown against Abernathy's Charles Cunningham. Brown last week overpowered the heavier Canadian line to lead the Bobcats to victory. He went into the contest as the South Plain's top scorer with 144 points, and he scored one touchdown in that game while gaining 177 yards in 23 tries. Cunningham is a six foot, four inches tall, 202 lb. quarterback for the Antelopes who engineered their upset win over Denver City running for on touchdown and threw a pass for another.

The game should be a high scoring affair. We pick Dimmitt to nose out Abernathy but the gap between both teams score will be close.

WIN OVER NAVY BE NO ARMY LIFT

FRANK ECK
Sports Editor

This is one football game that would like to see the Army team suffer three defeats in one. Black took over the reins this year's team has a commendable record in the spring. Figuring on 21 letterman, the cribbing scandal only Ed Weaver and were given a clean sheet. Black had lost 32. Veteran football player from the Academy failed to uphold the season is over. Besides of those who the face of terrific

JOHN WING
Scored Four Times

odds. He probably will single out a number of players. But only two players have been able to score more than two touchdowns for Army this season.

They are John Wing, a yearling (sophomore) from Dayton, Ky., and the extra point specialist, Dick Reich, from Steelton, Pa. Wing scored four touchdowns in the first seven games while Reich, a plebe, made two. Reich kicked 13 out of 16 placements and didn't miss until he had 10 straight conversions.

Texas Tech And Hardin-Simmons To Renew Rivalry Sat.

Ablene—West Texas' most intense football rivalry, between Texas Tech and Hardin-Simmons, will be renewed for the 8th time Saturday in Lubbock.

In a series that commenced in 1926, Texas Tech has won nine, H-SU six and two tilts were ties. Hardin-Simmons holds a slight edge in total scoring, 167-154.

Frequent bearing on the Border Conference race and a natural intra-regional have made the game the high spot of the football season for both schools.

The last time the Cowboys were held scoreless was by Texas Tech in 1942, when the two teams battled to a scoreless deadlock.

Year	H-SU	Tech
1926	0	0
1927	6	10
1928	19	0
1929	21	0
1930	20	6
1931	0	6

Littlefield Will Have Basketball Tourney

Coach Forrest Martin and the Littlefield basketball team launched workouts Monday morning for the 1951-52 season. They play their first game at Amherst December 4th but will have one home game on Tuesday, December 11th with Olton before they get ready for their three day tournament which will be held in the new gym.

The tournament will be the first that Coach Martin's team has ever had and also the first in more than ten years to be held in Littlefield. It gets underway Thursday, Dec. 13 at 6 p. m. and will be finished on Saturday night, December 15. Games will be played all day Saturday, the last day of the tournament with the finals being played Saturday night.

Boys teams entered in the Tournament are Anton, Plainview, Olton, Amherst, Sundown, Morton and Littlefield.

Girl teams entered are Whiteface, Morton, Olton, Sundown, Levelland and Littlefield. One more team will be added onto both the boys and girls in order to have eight teams listed.

Joe Walden and Freddy Howard are the only regulars that Coach Martin has back to work with but several new boys are showing promise of making the Wildcat team a good one. Keith Streety, a junior, is showing up good and is expected to make the team.

Co-Captains for the year will be elected Tuesday, December 4th before the team journeys to Amherst. The girls will not play in the Amherst game but both A and B boys will tangle with the Bulldogs.

Eight Teams To Take Part In Fifth Annual Tourney

Eight teams will participate in the fifth annual Hardin-Simmons University High school basketball tournament to be held Dec. 7-8 in Rose Field House, H-SU Coach Bill Scott has announced.

Fort Worth Poly, three times winner of the tournament, is included among the entries. They are the defending champions.

Other teams in the tournament will be Abilene, San Angelo, Big Spring, Lamesa, Levelland, Winters and Birdville.

Scott, E. W. Ledbetter, business manager, and Warren Woodson, athletic director, will guide the tournament.

Four School Basketball Tourney To Open At Tulia

A four-school college basketball tournament will be held in the Tulia High School Gym on November 29 and 30, with Wayland College of Plainview playing host.

The schools taking part, beside Wayland, are: Texas Tech of Lubbock, Hardin-Simmons University of Abilene, and Texas Wesleyan of Fort Worth.

First game, featuring Coach Harley Redin's Wayland quintet versus the Hardin-Simmons squad coached by Bill Scott begins at 7:15 Thursday night. The second game will be between the Tech team, whose mentor is Polk Robinson, and Coach Don Hart's Texas Wesleyan five.

The preliminary play-off starts at 7:15 Friday night to be followed by the championship game.

Tickets are available from Charles Johnson, Tulia High Basketball coach. Ducats for adults run \$1.75 for the entire tournament and \$1.00 a session. Student tickets are 50 cents for each night's games.

Two officials, Bill Fereim and "Hack" Folsom, have been chosen and two more will be picked by Dr. E. L. Larson of the University of Arizona, the Board of Conference Commissioner.

Capacity of the Tulia gymnasium is 1800.

TROTTER ON AN ISLAND

MONTREAL (AP)—Horse racing is the premier sport at Prince Edward Island. Pacers and trotters hold sway at the Charlottetown Driving Track.

is as follows

At 5:30 Shallowater vs Whiteharral girls.

At 6:40 Amherst vs Smyer girls.

7:50 Shallowater vs Whiteharral boys.

Then the final game at 9 will be between the Anton and the Spade boys.

Also there will be games on Friday afternoon and night and all day Saturday.

General price of admission is to be 25c and 50c. The admission Saturday morning will be 15c and 25c.

The officials for the tournament are to be Ed Haley and Russell Haberer.

JOE WALDEN AND M. C. NORTHAM BEST BACKS IN TILT

Cats Line Play Superb Game In Second Half

By Jimmie Chapman
Leader Sports Editor

The Kermit Yellowjackets trampled any hope that Littlefield had of winning the State Championship into the turf Friday afternoon in Kermit when they handed the Cats their worst defeat in five years.

The game right from the start was Kermit's. They almost scored after taking the opening kickoff but numerous penalties and a stout Littlefield line finally forced them to punt and the Cats took over on their own 21 yard line. Northam gained one yard through the line on the first play and Jones fumbled a pitchout from Rhoten on the second play. He finally recovered it on the one yard line. Rhoten attempted to punt but the fast charging Kermit line broke through to block the punt out of the end zone and the Safety gave the Yellowjackets their first two Points.

The Wildcats started a drive from their own 26 yard line after recovering a Kermit fumble that finally fizzled out on the Yellowjackets 18-yard line. They also recovered another fumble on the Kermit 26-yard line after punting and the safety man bobbled it and Douglas Perkins fell on the pigskin for the Cats. They failed to gain in four plays however and had to give the ball up on downs.

Kermit scored their next touchdown mid-way in the second period when Don Hixson ran it over from the one-yard line. Hixson, 125 pound sophomore, had replaced Don Handlin, Kermit's best back, when he was injured on the third play of the game. Handlin never was able to return to the game. Bobby Almond kicked the extra point and Kermit led 9 to 0.

Kermit's next tally came when Jim Krodell went on an end-around play for 25 yards to score. Almond's kick was again good.

The Yellowjackets scored again on the last play in the first half when Almond passed to End Charlie Williams in the end zone for a touchdown. The play covered 35 yards and the clock ran out while the ball was in the air. The try this time was no good but Kermit (Continued on Back Page)

Here's Proof Mathias Is All-Around Athlete

FRANK ECK
Sports Editor

It took Bob Mathias to get to play college when he did the advance notices.

20-year-old junior at Stanford is playing his intercollegiate football. One more campaign Mathias couldn't make more appropriate his debut. It's the coach of the All-America Stanford guard and Mathias type.

Alto last year. But

this fall, Taylor put him at second string fullback. When Bob Meyers got hurt in October, Mathias stepped into the spot.

In 1948 when Mathias was 17 he won the Olympic decathlon championship. He became the youngest track and field athlete ever to win a gold medal in any Olympic Games.

It was how this teen-ager from Tulare, Calif., won that made his victory all the more impressive. He had competed in only two previous decathlons, the composite 10-event test that includes running three flat races, high jumping, broad jumping, high hurdling, putting the shot, pole vaulting, throwing the discus and tossing the javelin.

There were only 200 people in the darkness of London's Wembley Stadium when Mathias got ready for the final event of 1,500 meters around the slope of a red tile track. Two of those people were his parents, Dr. and Mrs. C. M. Mathias. They had come all the way from California to see their son perform.

After a gruelling day of competition that lasted 12 hours, Mathias won the distance run. He finished the decathlon with 7,139 points to overtake France's Ignace Heinrich.

Previous to his victory, Mathias had the unhappy experience of waiting almost an hour during the discus event while officials groped around in the dark to find the

marker. The officials finally agreed on an approximate mark of 144 feet 4 inches, best of the day.

Mathias was the talk of the Olympics that year. He had been mentioned for his football play in high school. Everybody, including the colleges, wanted to know where he'd play football later on.

Everybody was shooed away when young Bob said "Think I'd like to go to Stanford when the time comes." He prepared at Kiski Prep in Pennsylvania and his exploits on the gridiron made good reading.

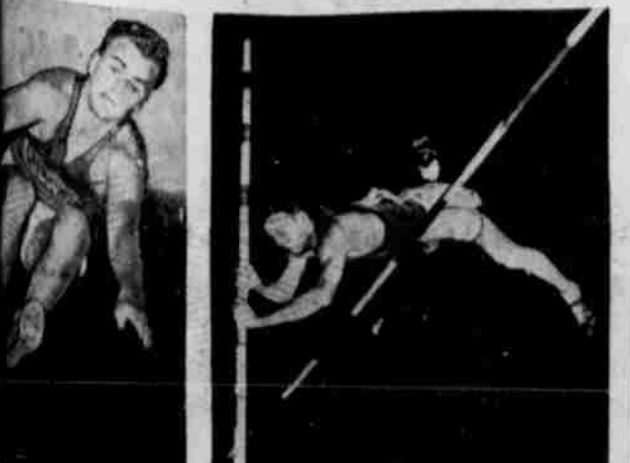

But if you ask Mathias about his biggest thrill he would have a hard time choosing between winning the Olympic decathlon before 200 fans

and the recent field day he enjoyed against previously unbeaten (by a college team) Southern California. A crowd of 96,130 saw him in football moleskins.

Against Southern Cal, Mathias ran 96 yards with a kickoff for a touchdown. Mathias picked up 41 more yards rushing, tremendous when you consider the Indians made only 71 yards rushing as a team. Late in the game he accounted for the tying touchdown on charges of four, four and one yard. Stanford, of course, won 27-20 and looked like the Pacific Coast's best bet to get into the Rose Bowl on New Year's Day.

Few had doubts about Mathias being an all-around athlete. His ef-

orts against Southern Cal won over the few skeptics. The three-time National decathlon champion is the modern-day Jim Thorpe.

The modern-day Thorpe clears the bar in pole vaulting.

Over the high jump bar goes the big, versatile Californian.

Mathias covers ground quickly in the high hurdles.

Shot putting is another skill at which Bob is adept.

Now Starring in football at Stanford, big Bob Mathias has been instrumental in the success of the Indians. He combines speed and power to overcome his gridiron foes.

New, Motor Vehicle Responsibility Law

Public confusion over the method of reporting traffic accidents under the state's new Motor Vehicle Safety Responsibility Law has been cleared up by Public Safety Director Homer Garrison, Jr., who showed that any change in the present system is so slight that it should cause no difficulty among motorists.

The present confusion was brought about by the discrepancy in time for filing regular accident reports, which must be sent to the Texas Department of Public Safety within 24 hours, and the time for filing additional information under the Safety Responsibility Law, which may be sent to the Department within as much as 10 days. This gave rise to belief among motor vehicle owners and operators that they would be required to file two lengthy reports, which is not true.

Here are the rules for reporting traffic accidents beginning January 1, when the Safety Responsibility Law becomes effective, as explained by Director Garrison for the guidance of all motorists:

Under the state's Uniform Traffic Law, the operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or total property damage to an apparent extent of \$25 or more, must file a complete written report with the Texas Department of Public Safety within 24 hours, exactly as they do now. Official forms for this purpose may be obtained from any sheriff's office, local police station, highway patrolman or the Texas Department of Public Safety, as at present. In other words, there is no change whatever in the present rules for reporting accidents of the type just described.

When you obtain a regular accident report, beginning January 1, there will also be furnished along with it an Insurance Information form, labeled Form 21, which must be filled out completely and accurately should the accident in which you were involved result in death or injury to a person, or property damage to any one person, including yourself, in excess of \$100 since this will bring the accident under

the provisions of the new Safety Responsibility Law. If the accident did NOT involve death or injury to a person, or property damage to any one person, including yourself, in excess of \$100, you may disregard this Insurance Information section. If you ARE required to file it, however, be sure that you still get the regular accident report section off to the Texas Department of Public Safety within 24 hours, despite the fact that you may take up to 10 days to send in the insurance section.

The simplest procedure, Director Garrison pointed out, will be simultaneous filing of all required information, but this will require a motorist to be prepared to answer the insurance and security questions promptly and file the combined report within 24 hours. Any motorist can do this, however, if he follows these suggestions of the Director:

1. Carefully read the state's leaflet about the law and keep it handy in your car.
2. Get a report form, study the questions, and keep it in your car; you may need it in a hurry.
3. If you are insured, keep the name of your insurance company, number of your policy and amount and kind of insurance it provides, in your car for immediate reference.
4. If you are not insured, make up your mind in advance how you will meet the new law's security requirements by other means, as explained in the state's leaflet, if you are involved in a traffic accident.

"It cannot be repeated too often," Director Garrison said, "that the driver of every car involved in an accident must file all required information with the Department of Public Safety within the brief periods stated. Any question of who was at fault must not even be considered—the law says every driver, regardless of fault. The penalty for failure to report is a fine of \$25 and suspension of your operating license until the report is filed. If an operator is physically unable to report, and was driving another person's motor vehicle at the time of the accident, the owner of the vehicle must file the report."

It's A Question Of Who Should Plant What With Flowers

HARLINGEN, Tex. (AP)—Harlingen has a battle of the flowers, but it's not like San Antonio's Fiesta de San Jacinto, brother.

It's a question of who should plant what around the new library. Everybody had a different idea—the Harlingen Garden Club, the Stuart Place Garden Club, the Flower Lover's Club, the Thursday Afternoon Bridge Club, City Manager Larry Crow and City Parks Director Don Parsons.

Take the patio, for instance. The architect's plans called for "low plantings." So the city planted grass.

Mrs. Gerald McKenna, librarian, thought "low plantings" meant plants, not grass, so she coaxed the city to remove the grass and prepare a flower bed which garden club members planted.

The clubs then decided to allot each other areas outside the building to plant their own tastes, at the request of Mayor Gene McCullough, according to a member of the Thursday Afternoon Bridge club.

More trouble brewed. One club member said: "The city park director called me and said he didn't like what we planted. It looked terrible, he said. He especially didn't like the periwinkles."

So he planted it over and if he doesn't like it, he can lump it. We're through. Nobody even said "thank you."

Weight is a measurement of the attraction of the earth for a body on or near its surface.

The World's Toughest Tractor Oil
Helps YOU
SAVE 5 WAYS

Simple Living Factor In Prevention Of Diabetes

Diabetes, a disease for which modern medicine can do much, took a toll of 887 lives in Texas during the past year, according to Dr. Geo. W. Cox, State Health Officer.

"While the communicable diseases such as typhoid fever, malaria, diptheria and smallpox are causing a decreasing number of deaths each year in this State, diabetes is now taking an appalling number of human lives, especially in the middle-aged group," Dr. Cox said.

"Until recent years diabetes was not noted as a major health problem but it became accepted as such in direct ratio to the development of medical laboratory procedures, which made the disease more easily diagnosed.

"Diabetes is generally recognized as a class disease. It seems to attack the white collar class of indoor men and women much more frequently than it does the outdoor person whose work is more vigorous and calls for more exercise. Whatever the actual cause of the disease may be, vocational and economic conditions are factors, since it seems that a fact that those who do not indulge in luxurious living and whose occupation calls for manual labor are not frequently affected. Simple living, wholesome diets, sufficient exercise and sleep are factors in the prevention of diabetes. An annual physical examination, with a blood or urine analysis, is important to determine whether or not the disease is present in the middle age group."

Lets Go Back Twenty Years

Lets go back 20 years, to the files of the Thursday, November 26th, 1931 issue of the Lamb County

Leader:

Mayor T. S. Sales, mayor of Littlefield in a Thanksgiving proclamation, proclaimed Thursday, November 26th, a holiday in the city of Littlefield.

All reports to the contrary, notwithstanding, the Wildcats had a successful season on the gridiron during the 1931 season. Out of the

ten games played the local team won seven, being defeated by Slaton and Floydada, each time by a one point margin. The Wildcats won the championship of sub-district No. 1. The Pep squad will give a banquet next Tuesday night. Reservations must be made with Fleta Eagan at Stokes - Alexander Drug. Price of plate is 45c.

The local postoffice reports the outgoing and incoming mail much heavier than last year. Miss Ruth Courtney money order clerk, reported the increase of business is also shown by the money orders issued.

Guests who attended the bridge party given by Mrs. Jim Etter included Mr. and Mrs. T. W. Potter, Mrs. M. M. Brittain, Mr. and Mrs. Mallory Etter, Mrs. Ray Jones, Mayor and Mrs. T. S. Sales and niece, Miss Erma McDaniel, Mr. and Mrs. Pat Boone, Mr. and Mrs. Sid Hoping, Misses Gladys Wales and Della Hemphill and Roy Young.

Remro Bros., were advertising sausage, 11c per lb. Brick Chili, 25c lb. pig's beans, 10 lb for 35c; tomatoes 4 cans, 25c.

Pygmies Wear Army Surplus

COLUMBUS, O. (AP)—A lot of pygmies in Africa are wearing Army surplus shirts with "PW" on the back. They're not prisoners of war.

The shirts represent the pay William Said, Columbus hunter, gave them for helping him capture gorillas. He explained pygmies want clothes most of all.

Said recently returned from a two-month African safari with two gorillas, a mustachioed monkey, a chimpanzee, and an African otter.

Cpl. Donald Timian Will Leave For Camp Stoneman Saturday
Cpl. Donald Timian will leave Saturday morning for Camp Stoneman, California from where he will receive shipping orders to the Far East Air Force.

Cpl. Timian has been spending a 30 day furlough with his parents Mr. and Mrs. Jimmie Timian. Donald has been stationed at Sheppard Air Force Base at Wichita Falls.

Timian recently attended McMurry College at Abilene and is a former Wildcat football player.

CONNECTICUT LAKE HORSE
BETHEL, Conn. (AP)—The stretch-running Candle Wood is named for a lake in his owner's native state, Connecticut. The winner of the recent Garden State Stakes belongs to Dr. G. T. Hanna of Bethel. Candle Wood hopes to win a spot in the Kentucky Derby and will do his winter racing at Hialeah race track in Miami.

Mrs. Brestruf Honored At Shower
A pink and blue shower was given Tuesday afternoon at the home of Mrs. Vernon Qualls, honoring Mrs. Don Brestruf.

Hostesses for the occasion were Mrs. Jim Traugott, Mrs. George Harlan, Mrs. Ted Royal, Mrs. Bobby Short, Mrs. Wayne Cowen, and Mrs. Vernon Qualls.

Refreshments of cookies, coffee and punch were served to the following Mesdames: W. J. Aldridge, Bubba Stewart, Jim Johnson, Lee Marshall, Sam Cowen, R. N. Nicholas, A. D. Short, R. M. Nicholas, Will Barton, L. R. Eddings, Buddy Hall, Wesley Scott, Elmer Hill, Royce Goynes, L. A. Robison, J. C. Muller, Paul Hukill, Marvin Qualls, Bernard Nelson, R. W. Stanfield, R. A. Reed, Albert Cowen, J. E. Elliot, H. C. Pickel, Elmer Hall, and Carl Keeling.

VISIT IN HUKILL HOME
Mr. and Mrs. O. S. Johnston of O'Brien, Texas, visited over the weekend with Mr. and Mrs. Paul Hukill and sons, and Mr. and Mrs. Wayne and sons of Littlefield, Mrs.

The Sun Cure Recommended For Throat Infection

DURHAM, N.C. (AP)—If you don't mind looking a little silly, a Duke University doctor has a "practical" remedy for throat infection that may be better than some of those new medical drugs.

Dr. Watt Eagle, ear, nose and throat specialist at Duke University, says that sulfonamides and other antibiotics are being used in general treatment of ear, nose and throat infections when more specific

ic treatments will produce better results.

For instance: You can help beat a throat infection by exposing your throat to direct sunlight for 5 minutes morning and afternoon for several days. That's not all—after keeping your mouth open for the five minute-period you should then stick out your tongue for another similar period, being careful to expose the base of the tongue.

Dr. Eagle says the results from such solar therapy will be "amazing."

HAMILTON, Mont. (AP)—Postman Leland V. Crow didn't even have a postman's holiday when he went moose hunting. He walked less than 400 feet and bagged a 2½-year-old bull.

TEXAS MOTOR VEHICLE LIABILITY RESPONSIBILITY LAW EFFECTIVE JANUARY 1ST

THE TEETH OF THIS NEW LAW ARE SHARP!

and Don't Forget . . . YOU are involved in an accident in which any person is injured, or killed, or property is damaged in excess of \$100 . . .

YOU MUST make a written report of the accident to the Department of Public Safety within 10 days, . . .

WITHIN 60 DAYS after filing the accident report, deposit security in a sum sufficient to satisfy any judgments that may result from the accident.

FARMERS auto liability, Dividend Paying Policy acceptable to the State as proof of financial responsibility. It's the least expensive and most practical way to prove financial responsibility to avoid suspension of driver's license.

Joe Pat Riley and Castro County 4-H Club Winners Having Big Time

Joe Riley, a field crops 4-H club winner, and Dorothy Foltyn, an outstanding 4-H club achievement winner both from Lamb County who with 26 other Texas farm boys and girls rolled into Chicago last Saturday morning, and joined 1,500 other rural youngsters for the National 4-H congress.

Bill Durham, Star-Telegram Farm writer, who accompanied the group, wrote the following article—which is of interest to readers in this area.

The skies were clear and a bright sun was shining as the Texas delegation trooped off the Santa Fe Texas Chief after an overnight trip from Fort Worth. But the temperature was 26 degrees and the whole delegation got thoroughly

chilled waiting for transportation. The Texas boys and girls were in their Pullman berths by 9 p.m. Friday and were up early for breakfast in the diner.

Plans made Friday night for hotel accommodations were upset after Floyd Lynch, state club leader, found room assignments already made as he checked the group into the Conrad Hilton.

The Texas boys and girls are quartered two to a room. They drew the 13th floor of the world's largest hotel for their headquarters and a superstitious protest was heard.

After checking in, the delegates took off for downtown Chicago for their first view of the Windy City. Most were like Billy Martin

Whitt of Muenster, a state winner in farm and home safety, who returned after a short time with red cheeks and cold hands.

He visited some of the department stores and bought picture post cards to mail to the folks back home.

Two other Texas boys, both tall, big-hatted and booted, had their pictures taken with two Southern belles from Alabama.

They were Joe Percy Hart, who tucked his slim-fitting cowboy pants into a brand-new pair of bright yellow boots which reached to his knees, and Ray Joe Riley, a field crops winner from Lamb County. Young Hart is from Castro County.

Saturday afternoon, the Texas

Make This Christmas an ELECTRIC Christmas!

... and make it the happiest Christmas ever. You'll be electrified by the large stock of pretty, yet practical, electrical gifts on display at your favorite appliance store. Waffle makers, toasters, coffee makers, mixers, irons, radios and electric blankets, just to mention a few. Electric appliances will always be remembered as the gift YOU gave. Remembered, because they are used most every day, so keep on giving pleasure every day.

From electric range to egg poacher, from automatic electric washer to electric shaver, you'll find an electric gift that fits your plans and your budget at your appliance dealer. Make it a happy Christmas — an electric Christmas.

A Message of Importance To Every Automobile Driver In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

PHONE 500

TEXANS IN WASHINGTON

BY TEX EASLEY

AP Special Washington Service

WASHINGTON, (AP)—The Congressional record has published a list of individuals registered as lobbyists during the third quarter of 1951. Among several score named are seven Texans.

The registration act requires that all persons who attempt to influence, directly or indirectly, the passage or defeat of legislation must file a statement with the clerk of the House of Representatives. They must show their business connections and salaries or fees received.

The constitutionality of the act has been challenged by the National Association of Manufacturers. A special three-judge federal court panel is expected soon to rule on the issue; their decision undoubtedly will be appealed to the Supreme Court, so it may be many months yet before the question is settled.

The Texans who filed statements with the House Clerk for the July-August, and September period are:

David G. Gray, Humble Oil Company, Houston, received \$1,500 during the quarter; Harold L. Kennedy, formerly of Palestine, Ohio Oil Co., \$500 during the quarter; Fritz G. Lanham, former Fort Worth congressman, \$1,000 from American Fair Trade Council, \$1,500 from the National Patent Council, \$2,500 from the State Tax Association (Houston), and \$900 from the Trinity Improvement Association (Fort Worth).

Dale Miller, formerly of Dallas, received \$1,500 from the Dallas Chamber of Commerce, \$1,500 from the Louisiana and Texas Intracoastal Canal Association, and \$1,500 from Texas Gulf Sulphur; J. E. Sturrock, Austin, received \$2,275 from Texas Water Conservation Association; Claude C. Wild, Jr.,

formerly of Austin, received \$2,500 from Mid-Continent Oil and Gas Association; Walter F. Woodul, former Texas Lieutenant Governor and a resident of Houston, \$6,133 for representing more than a score of Southwestern Railroads, and \$2,105 for representing the Imperial Sugar Co., Sugarland, Texas.

Many lobbyists devote only a part of their time watching a particular bill or subject matter under consideration in Washington. They may have other sources of income. In some instances they are allowed generous expense accounts to supplement their salaries.

Some who are registered as lobbyists are recognized authorities on subjects in which they are interested. In many cases they are men of such high regard that their views have considerable influence on congressional committees.

Among those on hand at the New York piers to welcome to America the one millionth person brought in by the International Refugee Organization was Mrs. Glenna Taylor Loughran.

There are the representatives of Rep. Ken Regan of Midland, on whose secretarial staff she works. Mrs. Loughran delivered a special Texas welcome to the Czechoslovakian family of Olexander Ranezay. He and his wife and two daughters are to live in Midland.

Formerly of Pecos and El Paso, Mrs. Loughran participated in the welcoming ceremony alongside such notables as New York's mayor Impellitteri. Mrs. Loughran's parents are Mr. and Mrs. W. E. Taylor of El Paso.

When the Ranezays came through Washington en route to Texas they were shown about the capital by Mrs. Marita Fanning, formerly of

Kentucky Student Paper Builds A New School

By JOHN M. GIBSON
AP Newsfeatures

LEXINGTON, Ky.—A student-operated weekly newspaper has given the University of Kentucky a gift valued at \$400,000.

But to the many students and advisors who have put the Kentucky Kernel to press for over 25 years, it is a dream come true which far exceeds the monetary value involved.

The gift is a new journalism-publications building dedicated Nov. 2. And it didn't cost the university, nor the residents of the Commonwealth of Kentucky, one cent.

Bonds Cover All Debt
Half of the building's construction cost has been paid from accumulated profits of the student-operated newspaper. Revenue bonds covering the remainder of the cost are to be retired from future earnings of the paper.

From a modest beginning in 1924, when the Kentucky Kernel purchased a new type-setter, the student newspaper had amassed a profit of \$145,786.38 by June 30, 1949.

The building of a printing plant for the university first was envisioned 27 years ago by the late Enoch Graham, head of the Department of Journalism until his death in 1937.

Costs Compelled Action
Prior to 1924, the Kentucky Kernel had been published through the services of commercial printers. High costs threatened the continued publication of the newspaper.

Prof. Graham, determined not to let the newspaper go under, proposed that the student newspaper purchase a type-setting machine on a deferred payment plan, letting earnings of the paper pay off the debt.

After considerable discussion, university approval was given and Prof. Graham personally took responsibility, placing his signature on a note for the \$2,000 debt. This was the beginning of the project.

Small Press Was Acquired
In 1925, a small two-page press was purchased, further increasing the indebtedness, but augmenting the earning power of the newspaper.

Slowly, piece by piece, year by year, the plant expanded.

But the journalism department and Kernel printing plant also was plagued by another serious problem—the lack of space.

Offices of the school and plant were spread over the university. They were shuffled from basement to basement, wherever room could be found.

The board of trustees last June graduated the Department of Journalism into a School of Journalism.

All equipment and activities are now assembled in one building for the first time in the university's history.

\$2,000 Parlayed to \$200,000

From the modest beginning of \$2,000 worth of equipment, the printing plant now is valued at approximately \$200,000. All university printing now is sent to the campus plant.

The ground floor of the two-story red brick structure houses the printing plant plus the business office and advertising office of the Kernel.

On the first floor is the reception room, faculty offices, storage and file rooms of the journalism department, a seminar room, reading room, typewriter laboratory, editorial room of the Kernel, offices for the Kernel editor and sports editor, an editing lab class room, a wire service room, newscasting room with broadcasting facilities, radio journalism class room, bindery department, and the central offices of the Kentucky Press Association.

On the second floor are a typography lab, advertising lab, five classrooms, the office and editorial room of The Kentuckian (university yearbook), and the photography department, which consists of an office, studio, supply room, repair rooms, two lecture demonstration darkrooms, and six darkrooms for students.

Back in 1919, two graduates composed the first journalism class. This fall, 215 are enrolled in the school. Many others are taking journalism courses, but not as ma-

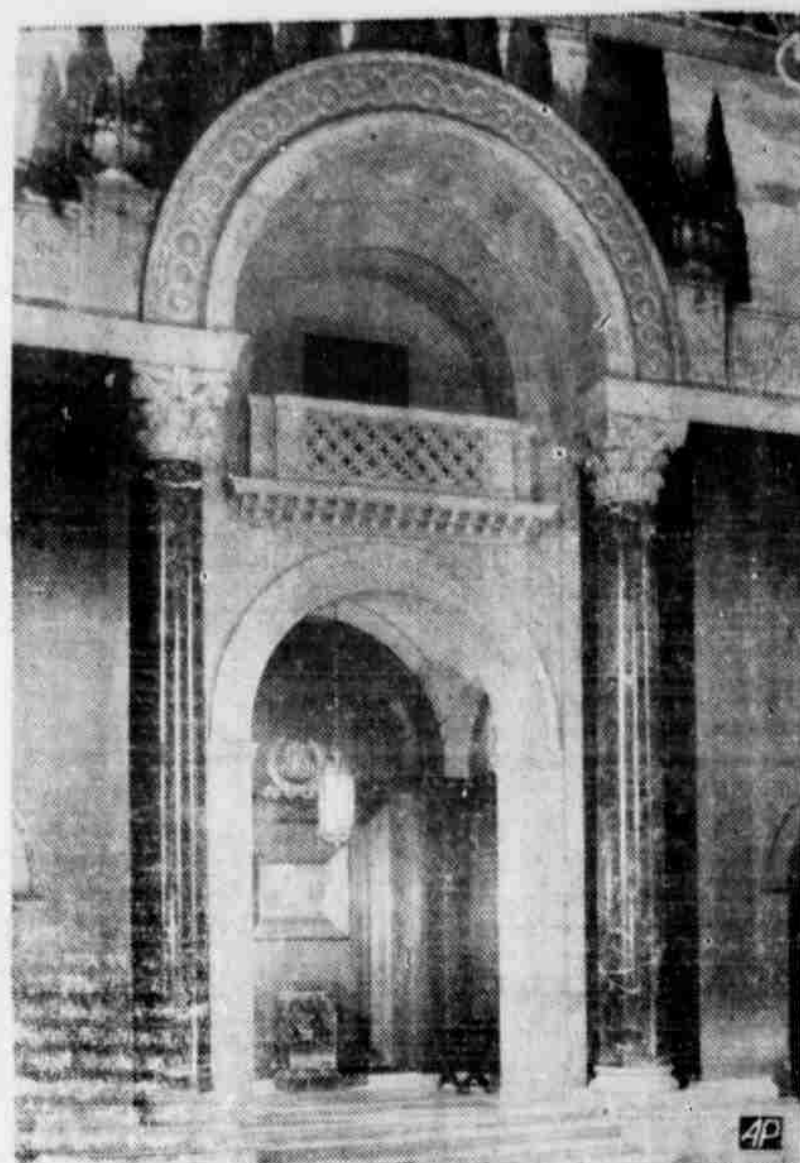

Dallas and El Paso, also a member of Regan's staff.

A new tortilla flour promises to make the life of the Mexican housewife easier, according to a recent report issued by the National Geographic Society Headquarters here.

One of the bad features of the old form of "Masa", the dough from which Tortillas have been made for centuries, is that it spoils in less than six hours unless refrigerated. Thus, a new batch of dough had to be made for each meal.

The Bank of Mexico, mindful of the trouble involved, asked the Armour Research Foundation of the Illinois Institute of Technology to develop a new Tortilla mix.

The result is a dry flour, produced by a new dehydration process, which may be stored and enriched with vitamins, minerals or protein. A factory to produce it is being built outside Mexico City.

This is a view of the alcove in the Foyer of Meditation in the \$1,500,000 Armstrong-Browning Library to be dedicated in Waco Dec. 2 and 3. The library is named for the poet Robert Browning and Dr. A. J. Armstrong is a world authority on Browning. —AP Photo

Jors. Adding an international flavor to the school this year are nine German newspapermen attending the university as exchange students.

In addition to students working on the paper, the Kernel employs a staff of approximately 20 persons, including regular union Linotype operators.

Detroit Has Youngest Hockey Team This Season

DETROIT (AP)—The Detroit Red Wings boast the youngest team in the National Hockey League this season. The average age of the

members is 24.3 years. Only four players on the 17-man roster are over 27 years of age.

Sid Abel at 33 is the oldest of the Wings. He is the only player who has reached 30. Twelve players have not yet reached their 25th birthday. The youngest on the squad is Glen Skov, rookie forward, who is 20.

Christmas Angels Curling Irons

TTY CLARKE
 Beauty Editor
 look like angels
 New York hair-
 Vito. And what do
 Just take a peek
 and you'll see
 little cherub has

sary, says Victor. All you need to achieve that ringlet look if you have straight hair, is an old-fashioned curling iron. Says he:

"Go up to the attic and dig out Mother's curling iron, or buy a new one. This next season with its Topsy haircuts—the short, curly my hair-just-grows-that-way look—will make the curling iron a necessary part of the glamor girl's dressing table equipment."

Victor thinks the short angelic coil is ideal for the woman with naturally curly hair. And he doesn't think the permanent wave is the answer, necessarily, to that nice casual all-over curly look the straight-haired girls are seeking. Tight curls will be the result of the perm if the curl is to stay put on top of the head—but then hair will not have that pretty, soft and natural look.

If used properly, the curling iron should not injure the hair, he says. It should never be used too hot. On straight hair, use it warmest (so that it can be held to the hand for a split second without burning you). On curly hair it should be used only slightly warm, and on part-curly hair it should be used slightly warmer.

Naturally curly or permanently-waved hair, cut in the short cherub coil, can be set without pins and with the curling iron, merely by rolling the hair (with the cold iron) into big sausage-like curls while the hair is still damp after the shampoo. No pins are needed to anchor these curls, and it is a much easier way to set the hair, says Victor, than fooling around with hairpins or clamps.

In any case, the basic requirements of this cherub coiffure for the straight-hair girl are a good haircut, shampoo (preferably hand-dried with a towel) and a curling iron. The iron should be warm—never hot. Take a small section of the hair, give it a half to full turn with the iron. Do it wherever you want curls or waves. When you're finished, comb and brush the hair into place. The effect should look like naturally curly hair.

This hairdo, which is getting to be a Hollywood rage and is being worn in the East by fashion models, will reach wildfire popularity by next Spring, predicts Victor Vito.

Texans center their attention on a "Texas for Eisenhower" sign at the birthplace of the general in Denison, after launching

a non-partisan movement to get Gen. Dwight D. Eisenhower to announce for the presidential election. Robert L. Doss, Denison

attorney (pointing to sign) made a radio speech starting the campaign. —AP Photo

Will Turf History Repeat

MIAMI—Will another unknown come galloping out of Hialeah this winter to write turf history? That's the topic many racing experts are kicking around.

Last season at Hialeah, Trainer Sylvester Veitch took considerable ribbing over his claims of an animal in Barn K that was "the fastest three year old maiden in America." A maiden is a horse which never has won a race.

An unknown when he came to Hialeah, the chestnut horse today is one of America's brightest racing stars—Counterpoint.

FATHER AND SON GOLF WINNERS

PONCA CITY, Okla. (AP)—Two golf tournaments were played here recently and father and son won them.

Charley Stohland, Oklahoma amateur golf champion, was victor in a country club tournament and 16 year-old Jarold Stohland won a municipal course tourney.

The father, in winning 4 and 3, got an eagle 2 on the 435-yard sixth hole. After a long drive he took a 7-iron and put the ball in the cup from 140 yards out.

Mr. and Mrs. Harry Woody and Mr. and Mrs. B. F. Edison visited Mrs. Zella Mae Walker and Mrs. Carl Taylor in Odessa recently.

Gum Chewers Help Children

CHATTANOOGA, Tenn. (AP)—
 Because people like to chew gum,
 underprivileged children of Chat-
 tanooga have received \$10,113.80
 in the past four years.

This was discovered recently
 when the Kiwanis Club took an
 inventory of proceeds from its 400
 penny chewing gum machines.
 The club immediately voted to
 buy 100 more machines. All pro-
 ceeds will go to the children's
 foundation.

NO WHEELS

CARBONDALE, Ill. (AP)—Two
 runaway boys from Centralia, Ill.,
 picked up by Carbondale police
 were telling how they planned
 to start out on their own. One boy,
 whose father was there to take
 him home, said they planned to
 sell his motorbike when they re-
 reached Alabama.

The father interrupted: "You
 won't have to wait that long. I'm
 going to sell it when we get home."

 LITTLEFIELD

All we ask is **Test it 2 ways**

We ask little of you. We ask you first to get into a Mercury and to drive it.

True, we can tell you here of a Mercury's performance. We can describe its handling, its roadability, its balance. We can try to explain all this by detailing its new-type springing, wide-view visibility, supersafety brakes, famous high-compression prize-winning V-8 engine.

We can put the words together until we run out of space and it won't tell you half as much as just a few minutes behind the wheel. We ask you to try it on your budget. We ask you to try it on your budget. We believe you'll join the big move to Mercury—in a big hurry!

3-WAY CHOICE INCLUDING MERC-O-MATIC DRIVE! For "the drive of your life!" Mercury offers a triple choice in dependable transmissions. Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—or hefty Tough-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

Does it have a down-to-earth first price? Mercury's price tag is one you can understand—a big dollar's worth for every dollar invested.

Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by winning officially sponsored economy tests.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in the U.S. are still on the road, according to the latest official annual registration figures.

Will trade-in value stay high? Mercurys keep their value; used car market reports consistently prove it.

Does it represent solid value? Mercury owners say YES! So will you when you get the rest of the story. Drop in today and see.

FANCY SWINE
BRANDON, Man. (P)—Malcolm McGregor paid \$395 for a pure-bred boar here. It was the record price in the sale of pure-bred swine sponsored by the Manitoba Winter Fair. The boar won the reserve championship at the annual exhibition.

Wright R. Meade, 18, is pictured in the Taylor county jail in Abilene, shortly before he received his second three-year sentence for passing worthless checks. Bad check cases are pending against him in other Texas cities. The Mobile, Ala., youth was arrested in Sweetwater after passing checks while posing as a war correspondent. —AP Photo

Life Of Pilot Is Short Lived On-Dallas Club

AP Newsfeatures
DALLAS—The Dallas Eagles of the Texas League will have its fourth manager in five years next season.

Dick Burnett, who has owned the club four years, announced that L. D. (Little Dutch) Meyer, who skipped the club last campaign, would not be back.

Meyer was the only manager under Burnett to finish his contract or complete a season. He also was the only manager under Burnett whose club got into the Texas League play-offs.

It's pretty tough being a manager of the Dallas club, Jimmie Adair was the first under Burnett. He was sent on a "scouting" mission before the end of one season and resigned before the end of another. His clubs finished in the second division.

Bobby Goff, the club's general manager, filled in for Adair after he resigned.

Last year Charley Grimm was brought in as manager at a salary of \$30,000 a year. He lasted one season, was paid off for the two years remaining on his contract. His club finished in the second division.

Wildcats Lose

(Continued from Page 1)
led 22 to 0 at the end of the first half.

Early in the third quarter Northam intercepted a Kermit pass on his own 20-yard line and raced 80 yards untouched for the Cats' lone touchdown. Joe Walden tried to ram the extra point over but the heavy Kermit line wouldn't open up for him.

Littlefield played superb football in the second half allowing Kermit

to score only once and that on a pass interception by Billy Mitchell who ran 50 yards to score after the interception. The Yellowjackets got their other two points when Bill Jones was tackled in the end zone for another safety. The Cats had recovered a Kermit fumble there when End Darrel Kennermer fell on the ball as it was dropped by Hixson.

Joe Walden scored a Littlefield touchdown mid-way in the last period but it was called back because Littlefield was in motion. The smaller Wildcat line completely outplayed the Kermit line in the second half but the lead was too much to overcome.

Joe Walden and M. C. Northam were the two outstanding backs on the field as they repeatedly rammed into the Kermit line but the smaller Wildcat line could not block the heavier Kermit team out of the way for them to go all the way. Much credit was given to the two backs by both the Kermit team and their coaches who claimed they were two of the best backs that had played against them this year. The entire Wildcat team took a tremendous beating and deserve a lot of praise for the way they played their last game or the year.

Cam Jordan played his best game of the year in the line for the Wildcats as did Douglas Perkins, Darrell Kennermer and Loyd Williams.

A copy of the Gutenberg Bible, believed to be the first printed Bible and the earliest extant book produced with movable type in Europe, is a treasure of the Henry E. Huntington Library and Art Gallery, San Marino, Calif.

Doctors Suggest Skull X-Rays For Boxers

CINCINNATI—Are the skull bones of one out of 25 boxers too thin for fighting?

This "one-in-twenty-five" is the ratio found at the University of Cincinnati in the first x-ray study

of boxers skulls. The rays showed the density of bones in the head. All but two were normal.

One of the pair had bones somewhat thinner than average but was approved for boxing because he was in the featherweight class. It was thought that blows hitting him would be lighter because of this class.

The sun's brightness in candlepower is about four billion billion (or four followed by 27 zeros).
