

Plans Underway to Ease Housing Shortage

Plans for new rental houses are to be built with construction starting immediately, according to an announcement Wednesday. The houses are being built through the cooperation of a group of Littlefield business men. Arrangements have been made to order building materials which will be available to anyone wishing to build a house, provided it is understood that the house will be rented for a period of 12 months.

Estimated 30 local business men met at a meeting last Thursday at the courthouse. The meeting was called in an effort to ease the critical housing shortage in Littlefield. The plan explained by Mayor Art Fike, chairman of the meeting, is to get quantities of material needed to building adequate housing to meet the growing demand. By purchasing the needed material in large quantities the overall supply cost will be reduced.

A man, competent to act as general manager of the entire program, will be appointed. After lots and material are amassed, members of the group could draw from this material and build a dwelling, providing the builder would agree to rent the finished dwelling for a period of one year after which he could sell the house if desired.

Persons agreed at the meeting to contribute to the plan by building a house, apartment building or duplex to house from one to three families. It was determined that 30 participants would be required to make the plan a success. Interest has been shown, although the plan is as yet in early, completely tentative stages.

Qualified observers estimate that Littlefield is losing approximately \$200,000 for every 100 persons who are unable to make a home here because of the acute shortage of housing facilities. It has been pointed out that the shortage of Littlefield is being curtailed due to the housing shortage. Real estate agencies and Chamber of Commerce are being bombarded with requests for apartments, and rooms.

Commenting on the situation, competent to criticize point out the plan outlined at the meeting would prove ultimately profitable from both a civic and financial point of view. It is generally felt that nothing short of drastic

Monkey Softball Game Tonight

Over-riding Jaycees will play in monkey softball game here tonight Friday night at 8 o'clock. They will play the Lubbock Jaycees and teams.

C. Burkett, owner of the donkey has staged the softball games in city crowds over this area and confident that Littlefieldans will enjoy plenty of laughs and thrills at these sponsored games.

At least one local rider has a bone to pick with Senor Burro; while riding long-eared Pegasus in the July game against the Lubbock Jaycees, he sustained a gash above his eye and in more remote portions of anatomy.

Monkey softball games are scheduled to start at 8 p. m. both Friday and Saturday. Admission is 50 cents for adults and 25 cents for children.

Local Veteran's Hobby Museum of Curios

In addition to being a dispensary and gas, the XIT service station is a growing museum of curios from all corners of the world. It is owned by Chalma L. Walker, the son of a 500-year-old Chinaman, who was a dagger used by German paratroopers in the late war. Walker, a paratrooper himself, Walker has many of the knives and daggers while overseas during the war. Among the most unusual of Walker's curios is an Indian fist-knife, used by the Hindus of India in hand-to-hand combat. In the hands of an expert, this knife is one of the deadliest weapons ever produced. Walker also has a collection of daggers, one of which was in circulation at the time the Roman Empire was at its zenith of power.

measures can alleviate the housing shortage as matters now stand. And today no program of economic expansion can be successful unless it is predicated on conditions which can attract new people; and persons displaced by the housing shortage naturally gravitate where homes can be found.

VOL. XXV. LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, AUGUST 21, 1947 NO. 22

Eight Regulars Back in Wild Cat Lineup; First Tilt September 19

Littlefield fans are looking forward to standout performances by Coach J. S. Fike's Wildcats this year. The Wildcats will get started at Littlefield on September 19 when while on Fike's team.

The Wildcats will get underway with a light, fast experienced team with a backbone of eight regulars, who return this year for another whirl on Fike's team.

The coach recently returned from El Paso where he attended the Texas High School Coaching School; two nationally known mentors, Jesse Neely of Rice and Indiana University's Bo McMillan, polished up the coaches' gridiron technique.

Three all-district gridsters, ends Jack Davis and Gene McCasless;

guard Billy Sisson, are back in the Wildcat starting lineup. The Wildcat line will average 163 pounds, the backs 157 pounds. Approximately 35 players will make up the high school football squad, according to Coach Fike. For the first time, Littlefield high will have a junior football squad. Object of this move is to give the younger boys a chance to learn the fundamentals of the game.

Lettermen on the football squad this year are: Jack Davis, Gene McCasless, and Johnny Edwards, Ends; K. L. Brewster, Warren Rutledge, and Charles Powell, Tackles; Kenneth Pharris, Bi Sissy;

Quarterback Billy Sisson, Dan Hurd, Guards; Royce Jennings and George Kirk, Center; Travis Price and John

Sorigley, Quarterbacks; Jack Shelby Fullback; James Lee, Tailback; Joe Peel, Wingback; Utilityman Billy Arends who plays all the backfield positions.

Special Plane Party Will Attend Harley Sadler Shows Here

Homer Snowden, formerly of Littlefield, now of Dallas, and a friend of Harley Sadler for many years, will arrive by plane here Monday, opening day of Sadler's shows, bringing with him a special party in from 15 to 25 planes to attend the Harley Sadler night performance.

This is a special party, which has been arranged by Mr. Snowden. They will be his special guests at the Harley Sadler show.

Rooms will be needed for this party, and anyone having available accommodations are urged to contact the Chamber of Commerce Secretary, James Roberts.

Family Reunion Enjoyed in Home Of J. H. Attaway

A family reunion was held recently at the J. H. Attaway home in College Addition, which was the first time the family had been together in several years.

Those present were; Mr. and Mrs. J. H. Attaway, J. P. Attaway of N. Y., Gene Attaway and daughter of Dallas, Tex., Mrs. J. R. Griffin and granddaughter of San Antonio, Tex.; Mr. and Mrs. Ralph Attaway and family of Alamogordo, N. M., Mr. and Mrs. J. E. Howry and daughter of Lubbock; Mr. and Mrs. Vaughn Attaway and sons; Mr. and Mrs. D. C. Sevier, and Bob and Jack Attaway, Mr. and Mrs. Marvin Swanner of Morton. Mrs. Harold Hood, a daughter of Andrews, was unable to attend.

Married Recently

Mrs. Robert Klotz, who previous to her marriage was Miss Aifah Phillips, a daughter of Mr. and Mrs. Paul Graf of East Grange, N. J. Mr. and Mrs. Klotz were married Sunday, August 3, at the Sudan Methodist Church, with Rev. M. A. Walker, pastor of Seagraves Methodist Church, officiating with the double-ring ceremony.

The couple will live in Lubbock.

DAUGHTER IS BORN TO MR. AND MRS. JIMMIE CHAPMAN
A daughter was born to Mr. and Mrs. Jimmie Chapman at the Payne-Shotwell Hospital Wednesday at noon. The young lady weighed 10 pounds. She has been named Margaret Ann.

Mr. and Mrs. W. B. Little left Sunday for the mountains of New Mexico on a vacation trip.

REA Loan Approved New Lines For Lamb County

Official approval of a \$350,000 loan was announced by REA officials Wednesday.

Crews from the Basenda Construction Co., Oklahoma City, will arrive here this week. The company will construct 211 miles of electric lines in Lamb and Hockley counties, according to J. H. Carl, head of the local REA office.

Improvements in Lamb county will be made approximately north and west of Springlake.

About 15 families, members of the construction crew, will seek housing in Littlefield and nearby towns.

Approval of the REA loan has been pending for about a year.

Roping Club Installs Officers

A special meeting of the Littlefield Roping Club was held Monday night, for installation of officers.

The following were installed: Walter Martin as President; Dutch Higgins, Vice-President; Gene Williams, Secretary-Treasurer; Andy Petree, Area Director; and Jack Anders, Assitant Arena Director.

Directors are: Lon Campbell, Bob Smith, and "Rut" Jones.

The matter of holding an amateur roping the latter part of September was also discussed, sponsored by Littlefield Roping Club.

Junior and Senior C. of C. Outline Program for Coming Year

A joint meeting of Chamber of Commerce and Jaycees directors met at the local J. C. Penney store Monday night.

James Roberts, Chamber of Commerce secretary, stated that steering committee was appointed to outline work which will be undertaken during the coming year.

Meeting date for the senior chamber was changed from the last Thursday in each month to the first and third Tuesday in each month.

A welcoming committee of three

was appointed to take charge of meeting visitors to Littlefield: Jack Christian, Mayor A. C. Chesher, and Harvey Lee will assume the responsibility.

Floyd Ferrell, a member of the Chamber of Commerce board of directors, was elected to the board of directors for the community chest.

The C. of C. is starting on its financial drive to raise a budget sufficient to operate the Chamber of Commerce; it is estimated that the budget must be more than twice that

of last year in order to meet demands. The fee for Chamber of Commerce members has been set at \$24 a year.

Quizzed about Chamber of Commerce plans regarding transient laborers who will come here this fall, Mr. Roberts expressed a keen and intelligent interest in the situation.

"The Chamber of Commerce plans to assume the initiative in providing an adequate reception center for these people. They will need a place in which to meet with the men who

Assumes Duties As Pep School Head

H. H. Deck

H. H. Deck, who recently arrived from Courtney, Texas, near Stanton in Morton County, is the new Superintendent of schools for Pep. Mr. and Mrs. Deck, who came to Pep highly recommended, have been teaching at Courtney for the past two years. They have a daughter Betty Jo. Pep Schools are due to open Monday, August 25.

Most Area Schools To Start Monday

Opening date for most Lamb County schools is set for September 1, the two exceptions being Spade schools which opened August 18, and Olton, scheduled to open September 8.

Area school administrators met August 14 in Lubbock where A. B. Martin, director of the state Board of Equalization, explained the equalization law to all administrators.

J. Ernest Jones, county school superintendent, pointed out that school-age children in Lamb County are expected to attend school and that the county board has employed an attendance officer to enforce the state attendance law for children under 16.

Deputy Sheriff Prentiss Graham has been appointed attendance officer, in addition to his other duties.

Last Rites Held For Mrs. Byron Cox

Mrs. Clarice Fern Cox, wife of Byron W. Cox of Littlefield, passed away Thursday at 2:45 a. m. at the home of her parents, Mr. and Mrs. J. J. Thrash, at West 8th Street, after an illness of several months duration.

Mrs. Cox underwent surgery in January last at a Dallas hospital for removal of a breast tumor.

Funeral services were conducted at 4 p. m. Thursday at the Ninth Street Church of Christ, Littlefield, with Bro. Henson officiating. Internment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Mrs. Cox was born December 14, 1922, in Arkansas.

She was married to Mr. Cox in 1942, and had lived in Littlefield for the past seven years.

Besides her husband, she leaves surviving a son, Byron William, Jr., aged five years; her parents, Mr. and Mrs. J. J. Thrash; two sisters, Mrs. Ralph Roberts and Miss Bertie Elizabeth Thrash, and a brother, Jasper Floyd Thrash, all of Littlefield.

New Stand To Be Ready For First Game September 19

Additional Seats To Give Seating Capacity of 2500

Construction will start this week on a 1200-seat all-steel stand at Seely Field.

The contract was let Tuesday to V. M. Rodgers and Son of Plainview, according to an announcement by the school board.

It is expected that the new stand will be complete enough to be used for the first home game, September 19, and will be completely finished before the next home game in October.

The seats will be built along the east side of the field, from the 20-yard line on each end. The old stand will be moved to the end of the new section or to the west side for visitors.

The east side of the field will be designated as the Littlefield side. The new all-steel stand will be a duplicate of those at Plainview, Hereford and Dalhart. Lumber used in the stand will be set in concrete and bolted to the steel structure. A press box on top of the stand will be available for the press and radio.

The new seats will be sold as reserved seats to make it possible to finance the stand. The Chamber of Commerce has agreed to sell the reserved seat tickets.

Fans will have a chance to buy season tickets which are good from one to two seasons. It is hoped that as many as possible will purchase a two-season ticket in order to liquidate expenses upon completion of the project.

A season ticket for a reserved seat will cost \$5; for two seasons, \$10. This season reserve seat ticket does not include admission to the games. The admission charge is separate to finance the regular athletic program.

The additional 1200 seats will give Seely Field a total seating capacity of 2500. All existing seats will be repaired and rebraced to assure safety.

President and secretary of the Chamber of Commerce, Jack Christian and James Roberts, will have charge of ticket sales.

Miss Bonnie Ruth Morgan and Ray Tidwell Marry

Mr. and Mrs. C. C. Morgan of Anton are announcing the marriage of their daughter, Miss Bonnie Ruth Morgan, and Ray Tidwell, son of Mr. and Mrs. M. M. Tidwell of Anton, which took place Thursday Aug. 7 in the Anton Methodist parsonage.

The bride wore a light gray suit with black accessories and a corsage of red rosebuds. For something old, she wore a pin belonging to her mother and carried a handkerchief which had belonged to her paternal grandmother. For something blue, she wore blue earrings belonging to Miss Betty Tidwell, sister of the bridegroom.

Mr. and Mrs. Thaxton Tidwell, brother and sister-in-law of the bridegroom, attended the couple. The matron of honor wore a navy blue dress with a white corsage.

A dinner was served in the Tidwell home following the ceremony. After a wedding trip to Ruidoso, N. M., the couple will be at home in Anton.

Mrs. Odell Matthews Hostess To V. F. W. Auxiliary Members

V. F. W. Auxiliary met at the home of Mr. and Mrs. Odell Matthews Tuesday evening.

During a business session the matter of purchasing chairs for the new Veterans' building was discussed, and it was decided to buy 48 chairs. These are to be of the wood type, and are being ordered by Onstead Furniture.

YOUR STATE TAXES DOUBLED

The State Tax Rate This Year Is 72c On \$100 Valuation

Last Year the Rate Was 37c

Who Said, "No New Taxes"?

VOTE! VOTE! VOTE!

Saturday, August 23rd

AGAINST
An Additional 5c Tax

On Saturday, August 23, an amendment to the constitution of the State of Texas will be voted on to allocate 5c of the authorized 7c Confederate pension tax to finance a building program for State owned colleges other than the University of Texas and Texas A. & M.

An Additional Tax

"They" say this is not a new tax, but you have not been paying it for many years. It certainly will be an additional tax you have not been paying. If voted by the people of Texas on August 23, it will be added to your 72c State tax, making a total of 77c on the \$100 valuation.

An Unnecessary Tax

This is an unnecessary tax. By a division of the so-called Permanent University Fund more buildings can be built at all the State owned colleges than this tax will provide. They also can be built much sooner. And the State University and Texas A. & M. still can get more buildings than they can use.

Small Taxpayers Pay

The veteran, the farmer, the small home owner, the laborer, the small business man, everybody will have to pay this 5c tax in addition to the 72c State tax, if this amendment carries. This State tax is in addition to local taxes—County taxes—School taxes—City taxes—perhaps others.

42 Counties Exempt

42 of the State's richest counties pay no ad valorem taxes for State purposes. None of these counties are in West Texas.

WHY?

Should you pay another unnecessary 5c tax when 42 of the State's 254 counties will not be paying to help our State colleges.

Will Not Provide Buildings

If passed, this 5c additional tax will not provide adequate and sufficient buildings at today's cost of construction. In the next 10 years West Texas State Teachers College at Canyon MIGHT get \$487,200. The College of Mines at El Paso MIGHT get \$423,000. Sul Ross at Alpine MIGHT get \$189,000. Texas Technological College at Lubbock MIGHT get \$1,500,000 in these 10 years.

Help Colleges—Vote Against

You will actually be helping all 14 of our State colleges if you vote against this amendment. All these colleges can and will get more money by regular appropriations if this amendment is defeated than they could get by the passage of this 5c tax amendment. Your vote against the amendment will help instead of hurt these 14 State colleges.

DON'T BE LED ASTRAY

Do not be led astray by this proposed amendment which levies a 5c tax on your property for 30 years and saddles a \$45,000,000 debt on you and all other taxpayers. If passed, this amendment will open the flood gates of the State treasury to dozens of new colleges and you again will pay the bill.

Go Vote Saturday, August 23rd

The tractors are lined up outside the factory at Manayunk, Pa. There are 1,000 of them ready for shipment to the South American nation.

TURKISH TRACK STAR . . . Long distance runner Esref Avdin of Istanbul, who came 10,000 miles to run 100,000 meters in national AAU meet, liked the U. S. so well he decided to stay and enroll in University of Nebraska.

AILING HIPPO . . . Pete the hippo, his Bronx zoo attendants finally decided, was feeling poorly. He was listless during the day and suffered from insomnia at night. It turned out he was suffering from the heat.

Lions Club Enjoys Good Program

The Lions Club enjoyed an unusually good program Wednesday evening, August 13, at their regular meeting at the Starr Drive-in. Mrs. Shaw was a guest, and made excellent talk on "Citizenship and Democracy," which was humorous and educational.

County Red Cross Chapter Meets

The Lamb County Chapter of the American Red Cross met in regular session Thursday afternoon at the office of the executive secretary, Mrs. M. Brandon, with Dr. Ira E. Brandon, county chairman, presiding. In the amount of \$213.85 for financial assistance in case work were approved; also Western Red Cross statement in amount of \$100.00. Dr. Woods, present were Mrs. Brandon, Mrs. Lester LaGrange, Mrs. M. Brandon and Jess Elms.

Attend Family Reunion at Kaufman, Texas

A family reunion was held in the old McCormick family home near Kaufman, Texas, Thursday and Friday last. About sixty members of the family were present to enjoy the reunion. Those attending from Littlefield and family; Bill McCormick and son, David; Jack McCormick and son Jackie. Mr. and Mrs. Mack McCormick were: Mr. and Mrs. Paul McCormick and family of Slaton were also among those attending.

FOOT CUT ON GLASS

The little daughter of Mr. and Mrs. Mark Weldon of Littlefield, was unfortunate enough as to cut her left foot badly when she stepped on a broken bottle Friday last. She was taken to the Payne-Shotwell Hospital, where it was necessary to take several stitches to close the wound. She was released after medical treatment and taken home.

Parents Visit Mrs. Alexander and In Jess Inman Home

Mr. and Mrs. H. M. Inman of Kendrick, Okla., after spending two weeks in the home of their daughter, Mrs. W. R. Alexander and daughter, Polly Lou, and their son and daughter-in-law, Mr. and Mrs. Jess Inman, returned recently to their home. Mrs. Alexander accompanied them home Tuesday of last week. She and Polly Lou had previously visited in Kendrick and brought her parents to Littlefield. Enroute here she and Polly Lou spent a night in Marlow, Okla. in the home of Mr. and Mrs. Frank Alexander.

RETURNS FROM VACATION

While gone on a vacation, Mrs. Winnie Zoth visited a daughter, Mrs. R. G. Tivey, at San Antonio; and spent some time on the West Coast with friends at Long Beach and Santa Ana. She visited a sister at Marysville, and also a nephew, Virgil L. Zoth, and family, and returned home July 31, after a 10 weeks vacation.

Rev. Dunnam Will Conduct Meeting at Olton Church

Rev. S. M. Dunnam, pastor of the First Methodist Church of Littlefield, will preach at a revival meeting at the Olton Methodist Church, opening Wednesday, August 20, and continuing through Sunday, August 31. Rev. Mr. Dunnam is an outstanding preacher and a fine man, and the Olton church feels most fortunate in securing such an efficient preacher to conduct this meeting.

ANNOUNCING JOHN H. NAIL

Has Purchased the Interest of Mr. and Mrs. J. E. Chisholm

--IN-- CHISHOLM & NAIL

As Of MONDAY, AUGUST 11, and Taken Possession of the Business

RETAIN FIRM NAME

We will continue to operate under the name of Chisholm and Nail.

In the Same Location

After redecorating the Chisholm Building throughout, the business has been moved to the center of the building with entrance on Phelps Avenue.

WE THANK YOU

I am appreciative of the splendid patronage the people of Littlefield and trade area have extended Chisholm and Nail; I have enjoyed the many contacts I have made since becoming connected with Mr. J. E. Chisholm in the photographic business.

It has been a decided pleasure to serve so many of the fine people of this area. I will appreciate the continued patronage of all old customers of this studio, and invite new residents of this area to visit us. Pleasing you will be our motto.

JOHN NAIL

FOR YOUR

20 Years

.....Of Continuous Patronage

We Thank You!

In Announcing

That We Have Sold Our Interest In Chisholm & Nail, to

JOHN NAIL

We solicit for Mr. Nail the same kind consideration, cooperation and patronage that we have enjoyed during the many years we have been in the studio business in Littlefield.

And We Thank You

For the splendid volume of business with which you have favored us. Your patronage, friendship and cooperation have been appreciated more than words can say. We have enjoyed serving so many people of Littlefield and trade area, and we want to say—

Many, Many Thanks for Everything

Mr. and Mrs. J. E. Chisholm

News From Fourth Army Head-quarters

Military personnel being separated from the armed forces may use their terminal leave orders as a basis for obtaining a temporary six-month certificate of eligibility for education or training under the GI

Bill, the Veterans Administration has announced.

Under the new plan, if the applicant's orders reflect at least eight days of terminal leave, it will not be necessary for VA to check his service records to determine eligibility before authorizing matriculation in an educational institution or training establishment. However, these applicants are not eligible for subsistence allowance until they have been discharged formally, VA said.

The temporary certificates of eligibility will be replaced by the regular forms after the vet's exact period of entitlement has been determined.

About two out of every three of the 1,325,000 veterans recently enrolled in educational institutions under the GI Bill are taking courses

leading to definite job objectives, VA reports.

VA arrived at this conclusion from a sampling of the records of vets who were enrolled in schools, colleges, universities and other institutions on May 1.

Engineering ranked first with 229,000 students, and crafts and trades was second with 208,300 students. Third in popularity were commercial courses with 154,000 students. Business administration was fourth with 145,400 students.

Those courses which VA considers as not generally falling within a definite job objective classification include liberal arts, physical and natural science, elementary school courses, and others.

Liberal arts courses accounted for the largest number of enrollees—392,500—in the latter group.

Veterans enrolled in other courses included: agriculture, 69,518; art, 42,000; education, 56,615; flight training, 81,494; law, 33,233; medicine, 59,316; theology, 8,979; journalism, 10,514; music, 22,338; natural science, 45,977; social studies, 35,120.

WAA Surplus News

Biggest merchandising operation of its kind ever held in this region will take place starting August 14, when three million dollars worth of assorted consumers' goods will be put on the informal bid block at the Grand Prairie War Assets Administration warehouse. The week-long sale will clear out all war surplus in the main bay of the North American B plant. Supplies are being divided into 1,000 lots of related materials ranging through an unprecedented variety, including auto parts, light plants, flying clothing, cotton and wool fabrics, building supplies and furniture. The public is invited for inspection and bidding August 14, 15, 18, 19 and 20, and awards will be announced August 21 and 22.

Seventy-four schools, colleges and public institutions of Texas were winning recipients of WAA's first donation program of machine tools to be used in vocational training. Because of the large number of applicants from all sections of the state, an impartial drawing was conducted by the Grand Prairie priority claimants division, with the results that the free machine tools were awarded 34 public schools, 13 vocational schools, 12 colleges, eight federal and state institutions, two cities and two citizenship groups. The division is now engaged in a second donation offer.

Accumulated display samples at the WAA's main Customer Service Center at Grand Prairie attracted more than one hundred buyers last week in the initial War Assets offering of this type. The samples had been used to publicize surplus in periodic sales during the past months and contained 13 lots valued originally at \$8,335.39.

A second "cash and carry" sale of camp buildings is to be staged at Hondo Army Air Field south of San Antonio on August 14. There will be 158 regulation-type air forces buildings in the offering, suitable for conversion into various types of farm buildings or living quarters. Spot bids will be submitted by the assembled buyers acting on instructions given at the Hondo field over a pub-

lic address system. The Grand Prairie WAA real property office will direct the sale, as an aftermath to the successful disposition of buildings of the Dalhart Air Field sold similarly.

Hundreds of miniature beds, tables, tea sets and playroom toys are taking a useful place in society again these days following months in war surplus storage. The nursery equipment is being sold by the regional War Assets office to children's homes, public day nurseries and similar institutions. Eligible institu-

tions are qualifying for a 95 per cent discount from cost price of the highly-sought-after furniture. Dallas and Fort Worth nurseries were among the first applicants.

Wholesalers purchasing goods originally costing \$5,885,000, bought three times as much war surplus in the Grand Prairie region during June as all other classes of buyers, according to the monthly report of the WAA. Retailers were second high among the buyers, with purchases totaling \$1,941,000 and government and non-profit institutions

industrial users and veterans followed in the order named. Average return to the government was 15.8 per cent of the acquisition cost of the property for June as compared to 16.1 per cent for the previous month of May. Total sales for the month of June were a property originally valued at \$2,201,000.

Chick and poul brooders, ordinary lamp bulbs as a source of heat, have been proven under test to be satisfactory and efficient.

ONE LAXATIVE IS ENOUGH

SOME FOLKS keep many kinds of laxatives on hand. They include weak, mild, strong and harsh types for different members of the family. Actually, all you need is a single bottle of new, improved ADLERIKA, the FAMILY LAXATIVE. It's a scientifically compounded Tone-Up laxative originated by a doctor... works quickly, but gently, to move waste through the digestive tract. Stimulates sluggish intestinal muscles equally well for youngsters or older people. Try it and you will learn why over 20,000,000 bottles have been sold. *Caution: use only as directed.*

Housewife Discovers Stain-Proof Process

Stepping in where scientists were balked, a California housewife undertook an experiment in her own wash tub that resulted in a boon to her sisters.

The discovery that was made by Mrs. Henry O. Dorman of 1121 Stearns Drive, Los Angeles, was that an unsuccessful formula for rendering paper water repellent was actually a highly successful formula for stain proofing fabrics.

The formula, now known as "Stainpruf," has just been made available to home users after having, according to Lt. Gen. E. B. Gregory, USA, QMC, (Ret.), filled an important war role in protecting the clothing and hospital supplies of our G.I.'s. Carrying on what Mrs. Dorman began, the Stainpruf company of Los Angeles has also just succeeded in compounding the formula with starch, making it possible to starch fabrics and at the same time render them water repellent and proof against such horrors as tomato catsup, meat gravy and the like.

The magic of Stainpruf discovered by Mrs. Dorman also protects

curtains from an incidious action known to science as "sun rot." This recurs to curtains through a constant cycle of hydration and dehydration each 24 hours, the curtains soaking up moisture from the air during the hours of darkness and then being dried to tinder degree by the sun during the day. Mrs. Dorman's discovery prevents sun rot by keeping the curtains constantly dry.

The formula had a long record of failure, beginning in Europe, before Mrs. Dorman took it firmly in hand. In Europe scientists tried fruitlessly to use it to make bricks and mortar water repellent. In this country an attempt was made to use it to render cardboard boxes water repellent for use in shipping agricultural products. Mrs. Dorman's husband was interested in that phase and brought a bottle of the formula home one night.

After he had gone next morning, Mrs. D. being a bit of a home scientist herself, washed out a tablecloth and used a little of the formula in the rinse water. Then she dried and ironed the cloth. It was not a good tablecloth but nonetheless it made her shudder when she deliberately spilled meat gravy, Worcestershire sauce, cherry juice, ink and other various staining agents over it. Stainpruf was born the minute that she found the stains washed right out.

The secret of Stainpruf is sim-

ple. Minute particles of wax, conveyed by aluminum salts, are so thickly deposited around the fibers of a material that they coat them. As a result, no stain can "soak" into the fibers and thus it is simply "flushed" from the fabric by the application of soap and water.

First Annual Flower Show to be Held in Hall Building

Classifications For Awards Are Outlined; Entries Must Be In By 1 P. M. Day of Display

Littlefield's first annual flower show, sponsored by the Garden Club, and scheduled for Wednesday, September 3, opening at four o'clock, will be held in the display room of the Hall Motor Company, and not at the V. F. W. Hall, as recently announced.

Time Limit on Entries

All entering flowers are requested to have their entry in by 1 p. m. on the day of the show to give the judges time to make awards. If they are turned in later than that hour, they will be displayed, but not considered by judges for possible awards.

The following classifications for awards are given:

- (1) Roses: Grouped for judging under colors; prize for best red rose, pink rose, white, yellow and variegated. Also ask that a minimum of

two and maximum of six blossoms be submitted in each arrangement or vase.

- (2) Dahlias: Grouped for judging under classifications of pom pom, decorative or compact and button or miniature dahlias. Minimum of two and maximum of six blossoms be submitted in each arrangement for judging as under roses.

- (3) Asters.
- (4) Marigolds.
- (5) Goldenglow.

- (6) Fall Blooming Gladiola.
- (7) Nasturtiums.
- (8) Miscellaneous: Will include such entries as pansy, tuberose, verbena, hollyhocks, petunia. If there are enough entries submitted in one particular variety under this grouping, they will be judged as one separate classification.
- (9) Award for best arrangement of single flowers, and award for best arrangement of mixed flowers.
- (10) Award for best entry submitted by a man.
- (11) A Grand Prize Trophy for best and most unusual entry in the entire show.

Methodist Revival To Start Here September 1

A 10-day revival will start here at the First Methodist Church Monday, September 1, according to an announcement by Rev. S. M. Dunnam.

Rev. Bill Betts of Wharton, will do the preaching. Song services will be led by Rev. Larry Meredith of Dallas.

Both these preachers are young men and they have comforting and inspiring messages for both young and old. They have just closed a meeting in Texas City, in which they were successful in bringing about over 100 conversions and rededications.

During the Texas City meeting, one young man was inspired to heed his call and give himself up for the ministry; a young lady felt the call of the missionary field.

"Everyone is cordially invited to attend these services," said Rev. Mr. Dunnam. "We feel sure you will find much comfort and spiritual uplift during this series of meetings."

DAUGHTER IS BORN

Sgt. and Mrs. Robert H. Brotherton, Jr., are the proud parents of a baby girl born August 4 at the Payne-Shotwell Hospital. The baby weighed four pounds and six ounces, and has been named Candace Ann. Sgt. Brotherton left Wednesday to return to the Army-Navy General Hospital at Hot Springs, Arkansas. Mrs. Brotherton and baby will join Sgt. Brotherton in Arkansas at a later date.

High School Adds Four New Courses

Four new courses have been added to the local High School curriculum, according to an announcement by Joe Hutchinson, school superintendent.

Littlefield scholars may now expose themselves to Latin, Spanish, Latin-American history, and rural geography.

Freshmen High School students will register for the fall term Monday and Tuesday; in order to speed up the registration process, it has been decided to register the students alphabetically: A through K register Monday, August 25; L through Z will register Tuesday, August 26.

All students wishing to change their schedules will make the change August 27. All High School students who did not pre-register last year will register August 27.

Students in the Central School building, grades 4 to 8, will register and get their books Monday, September 1.

Primary students, in grades 1 to 3, will enroll Monday, September 1. Children entering school for the first time must show a birth certificate.

For High School students, books will be issued and lockers assigned August 29.

Workmen are finishing the redecoration and repairs on the school buildings.

Mrs. Zoth To Start Expression and Piano Class August 25

Mrs. Winnie Zoth of 520 West Third street, will open her piano and expression class for enrollment on Monday, August 25, for the fall term.

All pupils who took lessons last year, and please enroll as soon as possible in order to give the new pupil an opportunity to enroll, and a placement in connection with their school work.

George Stokes To Speak Here

George Stokes of Wayland College, Plainview, a very capable speaker, will speak at the First Baptist Church, Littlefield, Sunday morning, August 24.

Mr. Stokes will assume duties as head of speech department at Wayland College this fall. He has been head of the enlargement campaign for Wayland College during the summer.

He has previously served as Baptist Student Union director at Texas State Teachers College, Canyon, director of the Canyon School band, education and music director at First Baptist Church, Canyon, and later at First Baptist Church, Plainview, and instructor in speech at Baylor University, Waco, nephew of Mr. and Mrs. J. M. Stokes of Littlefield.

Rev. Lee Hemphill, pastor, is conducting a revival meeting at Littlefield, which will close Sunday, August 24.

IT'S OUR 23rd BIRTHDAY

BUT WE'VE A \$35,000,000 PRESENT FOR YOU

It's Southwestern Public Service Company's 23rd birthday, but there's a \$35,000,000 present for the folks in the Panhandle Plains Pecos Valley area.

It's our vast expansion program that will bring better electric service to more homes, more farms, more industries. There'll be improvements in all the areas we serve, designed and planned to bring better electric service to everyone.

This expansion program is a concrete example of the faith we have in the growing area we serve.

House H. D. Club Enjoys Fashioned Picnic Friday

Members of the Sod House Club had an old fashioned picnic Friday afternoon at the home of Mr. and Mrs. John Norwood, on Blackwater.

Those present were either dressed in fashionable clothes, or tacky or shabby.

Velma Melton wore a dress she had worn 40 years ago. Her mother, Miss Virginia Melton, was in one of her mother's dresses she had worn many years ago, and a doll which had a long old fashioned baby dress trimmed with white lace.

Mat Nix of Blackwater Draw and John Norwood represented the school boys, while Mrs. Thomas was a "sissy" boy.

Mrs. Nix was awarded first prize for the most tacky boy, and Mrs. Norwood received the second prize.

Much merriment was forthcoming and everyone commented on the enjoyable time spent.

Mrs. W. H. Priddy received the prize for the best recitation; Mrs. John Nix for the best song; and Mrs. R. R. Morgan for the oldest guest.

About 35 attended. Following the picnic lunch, a number of pictures were taken.

Mrs. Kermit Greigson is president and Mrs. Velma Melton is secretary of the club.

SUMMER PLAY-BAGS

For summer play wear this pretty dress. It is a bare-back, jacket sun dress made from three and a half 100-pound sacks dyed golden brown. The feed sacks are jauntily transformed into a garment which will be an eye-catcher on the beach or the tennis courts.

Between Us STORKS

A daughter, Sandra Kay, was born to Mr. and Mrs. L. G. Standifer of this city Tuesday, August 12, at the Littlefield Hospital. The child weighed 10 pounds, 11 ounces, and is one of the largest, if not the largest baby to be born in the Littlefield Hospital.

Mr. and Mrs. L. B. Saunders of Plainview are the proud parents of a fine daughter born Sunday, August 10, at the Littlefield Hospital. She weighed at birth a little over 10 pounds, and has been named Glenda Gayle.

A daughter was born to Mr. and Mrs. L. S. McCarty of Anton at the Payne-Shotwell Hospital Wednesday, August 13, weighing 7 pounds, 8 ounces. She has been named Carla June.

A son was born to Mr. and Mrs. Ralph Clinton McFerrin of Hale Center, at the Payne-Shotwell Hospital Tuesday, August 12, weighing seven pounds, fourteen ounces. He was named Jimmy Ray.

PFC Charles Chapman On 20-Day Furlough

PFC Charles Chapman, son of Mr. and Mrs. W. D. Chapman, arrived home Sunday night on a 20-day furlough.

Chapman has just returned from Europe, where he has been for the past three months. He is in the Marine Detachment aboard the U. S. S. Kearsarge CV-33, an Essex Class Aircraft Carrier.

The ship returned through the Caribbean Sea, where it anchored at Guatemala Bay, Cuba, for a period of three days. The ship was one of eight in Task Force 81 attached to the Midshipman Cruise, which took 3100

ACCUSED . . . Chief Signalman Harold Hirschberg is being court-martialed at the New York navy yard in Brooklyn on charges of mistreating fellow American prisoners of war while himself a prisoner in a Japanese camp.

The fastest trip made by the famous 'Pony Express' between St. Joseph, Missouri, and the Pacific Coast was seven days and 17 hours, when Lincoln's first inaugural address was carried. The regular schedule was 17 days—about 24 days faster than the schedule of Butterfield's Overland Stage line traveling on the southern route.

**Jesse New Joins
City Police; Is
On Night Duty**

Jesse New, son of Mr. and Mrs. J. R. New of this city has become connected with the City Police on night duty. Mr. New joined the Littlefield Police about two weeks ago. He served two years in the navy, and was released one and one-half years ago. He came to Littlefield from California three months ago. Mr. New is a nephew of Mr. and Mrs. W. J. New, who formerly operated a bakery here, and now are living at Sudan.

Funeral Home in Pawhuska.

Mr. and Mrs. Price, son and daughter-in-law of Mrs. Minnie Katherine Price, were formerly of Hart Camp, Mrs. Price is the former Miss Maurine Irwin, daughter of Mr. and Mrs. Len Irwin.

**NAVY RECRUITER
TO BE HERE FRIDAY**

Michael R. Bell, COM, USN, Navy Recruiter from Clovis will be in Littlefield, located at the post office building, Friday, August 22, to process enlistment papers for men interested in the Regular Navy or Naval Reserve. A new Navy Directive provides that Ex-Navy men who hold or had certain rates may now reenlist in former rate or one or two rates lower. Chief Bell has all information concerning this new directive. The age requirements for the Regular Navy are 17 to 31, 17-year-old applicants must have parent consent, also a birth certificate is required for all first enlistments or some proof of age.

Dairy cows do best when given a six weeks to two months rest between lactation periods.

**Area Cotton
Needing Rain**

The South Plains cotton crop is holding up well despite the dry weather, but "must have rain to escape extensive damage," according to a report Saturday at Lubbock

offices of Anderson, Clayton & Co. Even without rain, the 18 counties of the area should produce a minimum of 500,000 bales, which would be an average crop, said K. N. Clapp, district manager of the

or more bales, barring some unforeseen catastrophe such as general hail, he added. His previous estimate that approximately 2,011,000 acres are planted in cotton in the 18 counties of the area remained unchanged. The acreage exceeds that of any previous year by about 100,000 acres.

Going into detail, the report stated that the present condition of about 45 per cent of the crop is "excellent." Dry weather is slowing growth on about 45 per cent of the acreage, but no real damage has been done thus far. The remaining done thus far. The remaining "shedding and deteriorating."

The hot weather of recent weeks has been helpful except for the lack of rain, the report said.

In terms of money the indications seemingly insure that all records will be broken. Minimum estimates are that the crop will be worth more than \$100,000,000, with forecasts ranging upward from that figure to a possible \$200,000,000.

On insects, the report makes these observations:

"Flea hoppers are on the wane but their damage now is becoming apparent to non-dusters.

"Careless weed" worms have been reported in the Lamesa area. This worm is a first cousin of the leaf worm. It does not eat the entire leaf, but skims the cream layer on the top and underside.

"One find of bollworm eggs was reported in Lubbock county."

**Mother of H. P.
Price Passes Away
At Pampa, Texas**

Funeral services were held at 2 p. m. Wednesday, August 13, from the First Methodist Church, Pampa, Texas, for Mrs. Minnie Katherine Price, who died the day previous at the home of her daughter, Mrs. Earl R. Perkins, Pampa, where she had made her home for the past 13 years. Rev. H. Clyde Smith, pastor, officiated, assisted by Rev. Horace A. Long of Skellytown.

Mrs. Price married Thoms W. Price Nov. 12, 1890, and he died September 11, 1919.

Survivors include four sons, E. A. Barnsdall, Okla.; W. H. Skellytown; H. P. Olton; and Thomas W. Jr., Pampa; three daughters, Mrs. Earl R. Perkins, Pampa; Mrs. Ralph W. Hess, Tulsa, Okla.; and Mrs. Jack Knight Phillips; 25 grandchildren and three great-grandchildren.

Following the services at Pampa the body was shipped to Pawhuska, Okla., and buried beside her husband in the Pawhuska cemetery. Services were held from the Johnson

Plans To Vote on Huge Expansion Goal 16 Institutions of Higher Learning

Voters will go to the polls at 23 to vote on the College Amendment. The amendment endorsed by Governor Beaubien, would authorize an \$80-million building program which would be paid for over a period of 30 years without an increase in taxes. The amendment proposes a \$60-million building program whereby 16 supported colleges and universities may expand physical plants to relieve the overcrowding caused by the great influx of veteran students and adequately meet future needs by increasing numbers of high school graduates who are attending college.

Increase in Attendance
The combined total enrollment at the 16 colleges was approximately 38,000 in the biggest pre-war semester (Fall 1946) when none of the schools had adequate physical plant. It is estimated that 55,000 last Fall and may reach 60,000 next Fall.

The amendment does this: It levies from the present 7-cent per \$100 valuation property tax for Confederate purposes a 5-cent portion for a special fund with which to finance a 30-year building program at 16 institutions other than the University of Texas and Texas Agricultural and Mechanical College. It does not disturb the present 2-cent tax for Confederate pensions.

At the same time it reduces for all time from 35 cents to 30 cents per \$100 valuation the maximum state property tax rate that may be levied for general fund support. For the 30-year life of the amendment the colleges could not ask the legislature for general fund appropriations except in case of calamity.

16 Institutions to Benefit
It permits the University to issue \$10,000,000 in bonds and Texas A. and M. \$5,000,000 in bonds, payable out of income from the invested portion of the permanent university fund; both institutions share this income. No tax revenues are involved in this portion of the amendment although the whole program is contained in one amendment to the constitution. Reason for this is that the colleges believe that higher education in Texas should be in one program, not 16; and should be developed cooperatively.

The 14 institutions other than the University and Texas A. and M. would share in the revenue from the special 5-cent tax which would be used by them to authorize a series of bond issues. The revenue would be distributed among the 14 colleges proportionately on the basis of enrollment, with readjustment each ten years. It is estimated that a minimum of \$45,000,000 would become available to these schools in 30 years. Each would issue bonds in an amount that each could be expected to amortize from its share of the revenue.

The amendment has the unqualified support of all the officers, faculties, governing boards, and ex-student associations of all the 16 participating schools and, so far as is known, of all educators in the state of Texas.

Polling Places Announced
Polling places and election judges and their assistants are as follows:

FIXING UP the HOME By Diane Greeter

Hot Water for Automatic Living
AUTOMATIC living! That's what the world demands today and that is what it is getting. Strangely, however, most of our new gadgets and gimmicks depend upon a very simple little thing—something which we have had for many years.

Take the automatic clothes washer, for instance. You must have exceptionally hot water.

We would suggest that you plan to have a good automatic gas water heater to provide the best service from your washer. Water should be 160 to 180 degrees Fahrenheit to do the job well.

Regardless of where you might live now or where you might plan to live, you can have all the advantages of modern gas appliances. LP-Gas, which many know as "bottled" or "tank" gas, will do the job. Several companies in your

community will sell and install the appliances and make regular delivery of gas to your home. The gas is compressed into a liquid form, which makes economical transportation possible, and you can store many, many cubic feet of gas in a small container.

Incidentally, look into the possibility of an automatic gas clothes dryer as a companion piece for your washer. They are about the same size and shape and they make a complete laundry when installed together.

- South Olton.
- Precinct 12—R. W. Badger, election judge; Mrs. Dick Edwards, Arthur Jones, and Mrs. E. L. Owens, assistants, South Littlefield.
- Precinct 13—H. G. Boyles, election judge; Henry Arenda, assistant, Beck Gin Office, Pep.
- Precinct 14—R. V. Lynch, election judge; Lewis Ball, assistant, Hart Camp Schoolhouse, Hart Camp.
- Precinct 15—Bob Chitwood, election judge; W. O. Watson, assistant,

Diabetes Is More Common With White Collar Class

AUSTIN — Despite the fact that modern medicine can do much to help the diabetic live out a normal life span, nevertheless diabetes took a toll of several hundred lives in Texas during the past year, according to Dr. Geo. W. Cox, State Health officer.

"While deaths from the communicable diseases such as typhoid fever, malaria, diphtheria and smallpox are annual decreasing in this country, diabetes is still taking a tragic number of human lives each year, especially in the middle aged group," Dr. Cox said.

"Until recent years diabetes was not noted as a major health problem, but it became accepted as such in direct ratio to the development of medical laboratory procedures, which made the disease more easily diagnosed."

Dr. Cox said that diabetes is generally recognized as a class problem. It seems to attack the white

Farmers Gin Office, Springlake.
Precinct 16—Les Hewitt, election judge; W. B. Williams, Bob Lewis and Bob Bigham, assistants, School building, North Littlefield.

Liberal TRADE-IN on any TIRES

collar class of indoor men and women much more frequently than it does the outdoor person whose work is more vigorous and calls for more exercise. Whatever the actual cause of the disease may be, vocational and economic conditions apparently are factors, since it seems a fact that those persons whose occupations call for manual labor and simple living are not frequently affected.

Dr. Cox stated that simple and wholesome diets, sufficient exer-

cise and sleep are factors in the prevention of diabetes, and an annual physical examination, especially in middle aged persons, is important so that if the disease is present, competent treatment can be instituted while the disease is in its early stage.

New "postwar" materials for home building include steel, aluminum, plastics and lightweight concrete.

Lions Enjoy Entertaining Program Thursday Evening

Thursday night was Ladies' Night at the Lions Club, when a very humorous and entertaining program was presented by the club at the Legion Hut and enjoyed by all those present.

Bob Kirk, president of the club, was master of ceremonies. E. C. Caldwell, chairman of the program committee, was in charge of the program. The Plainsmen Band was in attendance, and played several numbers during and after the meal, which was served by the Starr Drive-in.

The program presented before the dinner was directed by Mrs. Ivan Fowler, and included:

"The Gibson Girls," which featured the gay nineties, with song and dance, in which Mesdames Olley Robbins, Wayne Brown, Alvin Webb, T.

A. Hilbun and Frank Bartley took part.

Watermelon eating contest, in which D. W. Bawcom was awarded a prize.

Baby contest, in which Ivan Fowler, Dr. C. W. Finley, Nelson Naylor, Alvin Webb and T. A. Hilbun, took part, Mr. Fowler being awarded the prize, a rattle.

Another hilarious feature of the program was a bun contest.

Bill Lavender presented a very clever magician act following the dinner.

About 60 attended this very enjoyable affair, including members and their guests.

Minute Interviews

HUGHES UNDER FIRE . . . Howard Hughes, west coast industrialist and long a fabulous figure in the American scene, is one of the principals in a senate war investigating committee's inquiry into the awarding of 40 million dollars in aircraft building contracts during war.

INFORMATION FOR VETERANS

Q. I am a World War II veteran and work part time. I intend to apply for readjustment allowance and would like to know how the amount I receive is computed.

A. As a partially employed veteran you can receive the maximum number of allowances to which the length of your service in the armed forces entitles you, but each weekly allowance would be reduced by the wages you receive so that readjustment allowance and wages combined will not exceed \$23 a week. Each weekly allowance thus received, regardless of the amount of payment, would reduce by one the number of remaining payments available.

Q. I was released from the army with a bad conduct discharge and would like to know if I am entitled to any of the benefits under the GI Bill?

A. You should contact your nearest VA office for a decision as to whether you were discharged under conditions other than dishonorable since that is the determining factor for entitlement to benefits.

Q. Will the amount of compensation I receive for a service incurred disability be reduced in event I find employment?

A. No. Earnings from such work do not affect the employment of compensation received.

Q. Is there a limit to the amount I can borrow under the GI Bill?

A. You can borrow any amount that the lender is willing to lend you but VA will guarantee only 50 per cent of the amount up to \$4,000 on a real estate loan and up to \$2,000 on a business loan.

Meting Opens At Bula Church of Christ August 22

A gospel meeting will open at the Church of Christ, Bula, Friday night, August 22, and continue through Sunday, August 31.

Services will be held at 10:30 a. m. and 8:15 p. m.

Brother O. C. Hartsell will do the preaching.

LEADER CLASSIFIED ADS GET GOOD RESULTS

Given Five Year Suspended Sentence

Harvey Nix, about 39, was given a five year suspended sentence after a 64th district jury Monday afternoon found him guilty of assault with intent to murder his father-in-law, H. P. Pointer, about 54, with a pistol.

The jury returned its verdict to Judge C. D. Russell of Plainview about 3 p. m. Testimony was completed about 1:45 p. m.

The shooting came when the men quarreled after Nix reportedly had gone to the Pointer farm east of Littlefield several weeks ago and attempted to take his infant daughter. Mrs. Nix was living on her father's farm at the time. Both men were shot and Nix was wounded seriously. Officials said at the time that Pointer ran into his house and obtained a weapon after Nix had fired.

Jack Skinner, 18, of Kansas City, Mo., who entered a plea of guilty of burglary, was given a two-year penitentiary sentence. District Attorney H. M. La Font of Plainview said. Skinner was removed from Lubbock county jail by Sheriff Hugh Rice of Lamb county, and returned there by Chief Kittrell.

Mr. and Mrs. Bob McCaskill Visit In Littlefield

Mr. and Mrs. Bob McCaskill of Garland, Texas, formerly of Littlefield, spent Wednesday of last week in the home of Mr. and Mrs. Wm J. Aldridge at Fieldton. Mr. McCaskill's brother and his wife of Fort Worth accompanied Mr. and Mrs. McCaskill to Fieldton.

They also spent the previous night with Mr. and Mrs. Wayne Carlisle of six miles northwest of Littlefield.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Back to School and he doesn't care!

Boys like to wear Tuffies Out of The West the year 'round. Yes, Mothers like 'em too, 'cause they save wear and tear on dress up clothes—make wash days easier.

Tuffies Out of The West Blue Jeans are styled right and made right with heavier 8-oz. Lane Cotton Mills Denim. They're sanforized shrunk, copper riveted, double-stitched with orange thread and have inside swinging pockets.
