

PROTEST RAIL RATE HIKE

WE THINK

What do you think?

BY M. B. D.

Rev. Joe F. Grizzle was to have written the "We Think" column this week but along about Monday or Tuesday, he informed M. B. D. that he was too busy this week to indulge in literary activities. He promised, however, to expound on various subjects in this "column" next week. But there's one thing that we do not understand: Why should anybody even dream that this "column" was literature.

We hope that every issue of the Lamb County Leader is worth reading, but we can especially recommend next week's issue because Rev. Joe will contribute the "We Think" column. We haven't the slightest idea what our friend Joe will write about. But we wish at this time to make our position in the matter AB-SO-LUTELY CLEAR: We will not be responsible for what Joe says: HERE'S HIS ADDRESS AND TELEPHONE NUMBER: REV. JOE F. GRIZZLE THE WHITE BUNGALOW ADJOINING THE FIRST BAPTIST CHURCH. PHONE—9

NEWS BULLETIN—

All mice are expected to evacuate the office of the Leader in the near future. The publisher's "boss" has just acquired a new cat from Mrs. Reg Greengrass, the wife of the grand high functionary in charge of the typesetting machine. We don't know this cat's history beyond the fact that he is a half brother to a cat owned by A. L. Porter. At any rate, he's a good cat for his size. But there's one thing that's a dead certainty; he's going to require veterinary treatment if he doesn't desist from trying to lunch off the metal that goes into the machine that sets the type to print the paper that carries the news and ads hereabouts.

WE THINK—

That every dollar that is spent outside of Lamb county this year and next year will make it just a little more difficult for the residents of this county to make a satisfactory living.

That the time has come when each one of us should hesitate and think seriously before we spend

ROTARY GOVERNOR TO VISIT LOCAL CLUB, AUGUST 27

WILL BE CHIEF SPEAKER AT LUNCHEON GATHERING

Governor Tom Brooks of Waco, governor of the 41st district, will visit the Littlefield Rotary club on Thursday, August 27. He will meet with the directors of the local club and various committees of that organization in the morning, and will be the chief speaker at the regular luncheon.

Prof. B. M. Harrison had charge of the program at last Thursday's luncheon. The professor gave a very interesting talk on Russia. Several readings were given by Carra Lou, daughter of Mr. and Mrs. C. O. O., and guitar and mandolin duets were given by Otis Smith and Art Thompson.

Rate Reduction Announced By West Texas Gas Co

15 Per Cent Cut Effective During Winter Months

Every City and Town On System Will Be Benefitted

Littlefield, in common with 41 other West Texas centers served by the West Texas Gas Co., will participate in rate reductions announced Tuesday.

The reductions will be in effect over a five-month winter period, and will apply to domestic and commercial users and to gas consumed by schools and colleges.

The reduction followed an announcement made several weeks ago by R. F. Hinchey, vice-president and general manager, that rates would be decreased before cold weather set in. Cities and towns affected are located between Canyon and Hereford on the north, and Midland and Odessa on the south.

According to the new rate schedule, a cut of approximately 15 per cent will be made to domestic and commercial customers after the first 6,000 cubic feet of gas have been burned each month. Where domestic users have been paying 67 1-2 cents per 1,000 cubic feet up to 50,000 cubic feet, they will pay this year 67 1-2 cents per thousand for the first 6,000 feet and 57 1-2 cents for each additional thousand up to 50,000 cubic feet. The new rate goes into effect after the reading of October, 1931, and will continue in effect until and including the readings for March 1932, Mr. Hinchey said.

In announcing the new commercial and domestic rate schedules, Mr. Hinchey also said that public schools and colleges would be served under the industrial rate schedule, lowest in the company's rate brackets and under single meter computation. Heretofore schools and colleges have been paying on the single meter commercial schedule although efforts

BIG ATTENDANCE AT FIELDTON SCHOOL OPENING EXERCISES

T. M. MOORE IS NEW SUPERINTENDENT OF SCHOOL

Parents, pupils, the members of the school board, the faculty and visitors gathered in the Fieldton Baptist church Monday morning and participated in the exercises in connection with the reopening of the Fieldton school for the coming year.

Talks were made by County Superintendent of Schools Rochelle; T. M. Moore, the new superintendent of the Fieldton school; J. P. Tooley, president of the school board; C. G. Barnett, a prominent resident of Fieldton; Misses Flossie and Inez Burnes, Miss Colene Holland, and Mrs. Moore, wife of the superintendent, all members of the faculty, and Morley B. Drake, editor of the Lamb County Leader.

At the conclusion of the exercises, the teachers and pupils went to the school, and work of organizing the school for the coming years was carried out.

Mr. and Mrs. Moore came to Fieldton from Jean, Texas, where Mr. Moore was superintendent, and Mrs. Moore, principal. Mrs. Moore is occupying the same position at the Fieldton school.

A new teacher at the Fieldton school this year is Miss M. Sullivan, who is teaching the sixth and seventh grades.

The Fieldton school has 192 scholars.

The members of the board are: J. P. Tooley, president, R. P. Green, P. S. Cowan, S. G. Cowan, C. H. Singer, R. L. Campbell and H. C. Pickarall.

County Fair To Be One Of Best

BIG PROGRAM FOR OFFICIAL OPENING OF NEW DEPOT

LARGE NUMBER OF R. R. EXECUTIVES TO BE PRESENT

The large celebration marking the official opening of the new Santa Fe depot will be carried out early in October, it is expected, according to an announcement at Tuesday's luncheon of the chamber of commerce. J. E. Brannen, who is a member of the special committee which is arranging for the event, said that the celebration will take place "about October 6."

One of the events being planned is a banquet at which railway executives will be honor guests. It is expected that between 20 and 40 railway executives will be present for the banquet and celebration.

A twenty mile electric power line, carrying 13,000 volts is under construction between Vernon and Thalia, Texas.

Continue Damage Action to December Term of Court

The case of J. D. Evins, et al, vs. A. P. Ament and Charles (Captain) Howard, which was scheduled for trial last Friday in district court, was continued to the December term, because of the absence of defence witnesses.

The case arose out of fatal injuries received by James Franklin Evins, son of Mr. and Mrs. J. D. Evins, when attacked by a leopard while in a Littlefield store. The plaintiffs are suing for \$15,000 damages.

Opening Date For Littlefield Schools Has Been Changed

At a recent meeting of the Board of Directors of the Littlefield schools, according to J. S. Hilliard, secretary, it was decided to open the Littlefield school, Monday, September 7, instead of August 31st, as previously arranged.

ALL LAMB COUNTY RESIDENTS ARE URGED TO ATTEND

COMMITTEE PLANNING MANY FORMS OF AMUSEMENT

The Lamb County Fair, which will be held in Amherst September 10, 11 and 12, promises to be by far the biggest and best that Lamb County has ever had. According to the directors, there will be better exhibits, attractions, etc., than ever before in the history of the county.

The men in charge of the entertainment are working continually trying to make all attractions worth while. On the list of amusements there will be rodeo, wrestling, boxing, football and baseball, races, carnival, and everything that will entertain the young and the old.

In order to make this a county-wide affair and no group bearing all the financial strain, the following plan has been adopted. A small fee of 50 cents to all adults, and 25 cents to children up to fifteen years of age, will be charged. All persons bringing a creditable exhibit will receive a pass for Thursday and Friday. The 50 cents admission charge will admit the parties paying this amount to see everything on the grounds, including races, ball games, rodeos, everything from the smallest pumpkin to the bronco buster.

According to C. V. Harmon, president of the Lamb county Fair association, the Lamb County Fair this year will be "bigger and better than ever." No finer exhibits will ever be shown this year.

County Agent D. A. Adam, is very elated over the fine exhibits arranged for by himself and his assistant over the county, and says that the Lamb county exhibits at the various fairs this year should win recognition easily if not some awards.

Mr. Adam urges that all the residents of Lamb county attend the Fair, and enjoy themselves for the three days, September 10, 11 and 12, thereby helping to make this the biggest and best fair in the history of Lamb county.

Seek Adjustment Of Freight Rate on Cotton Hauling

Arthur P. Duggan Is Leading Movement; All West Texas Aroused

A strong fight is underway against the new schedule of cotton freight rates which went into effect June 15. Thirty chamber of commerce officials from 11 South Plains cities met at Lubbock Tuesday; a new organization known as the South Plains Cotton Freight Rate association, has been organized; immediate action will be taken by the West Texas Chamber of Commerce, and, in addition, every pressure possible will be brought to bear on the railways and the Interstate Commerce commission to have a readjustment of the freight rates, as heavy losses, in a number of ways, will be sustained by many cities as a result of the new schedule.

The new rates represent an increase of from 1 1/2 cents to 14 cents per hundred pounds for north and west Texas towns, and decrease as high as 23 1/2 cents per hundred pounds for several cities. Dallas and Fort Worth each receive 10 cent reductions; Waco, a 20 cent reduction; Austin and Temple reductions of 23 1/2 cents, and San Antonio a reduction of 18 cents.

Littlefield has received an increase of 4 1/2 cents which with other nearby towns enjoying more favorable rates, will have a destroying influence on the cotton industry in this city.

The entire rate hike came as a "bolt from the blue" for north and west Texas, the many cities and towns declaring that they hadn't heard of the increase when the matter was brought to their attention.

Arthur P. Duggan, president of the Littlefield Chamber of Commerce and a past president of the West Texas Chamber of Commerce, is credited with bringing the matter to the

OLD TIMERS TO MEET MUELLER TEAM SUNDAY

When the Littlefield ball team let Lubbock beat them 13 to 6 last Sunday, they started something that is going to be hard to stop, for Ed Seely and E. C. Cundiff, have gathered together a team of old-timers, and have challenged Art Mueller's aggregation to a game at 3 p. m. Sunday at the Littlefield ball park.

So sure that they will be able to clean up on Art's team, the old-timers have agreed to play, "winner take all," and so sure that his team can easily beat the old-timers, Art has announced that he will turn the entire gate receipts over to the football athletic fund, to help pay the expenses of the two week's training school that the boys are now carrying on.

Therefore the game is on, the two managers agreed on the above terms, and have appointed Jack Henry as umpire of strikes and Bob Miller as umpire on the bases.

The old-timers have announced the following line-up for Sunday's game:

- C. C. Tremain, 1st base.
- Shorty Thornton, S. S.
- E. C. Cundiff, 2nd base.
- R. E. McCaskill, 3rd base.
- C. C. Tremain, 1st base pitcher.
- Ed Seely, pitcher and 1st base.
- C. O. Stone, catcher.
- Fritz Moore, catcher.
- T. Wade Potter, 3rd base and catcher.
- Harry Wiseman, pitcher.
- Ross Mayhew, pitcher.
- Jimmie Brittain, L. field.
- Bob Bigham, R. field.
- Jimmie Etter, C. field.
- R. V. Armstrong, C. field and pitcher.
- Carl Arnold, L. field.

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices of matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate. Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

STOP PROFITLESS MERCHANDISING

The most significant fact in the status of the international trade of the world, according to the Foreign Trade Council, is that the volume of merchandise sales about equals that of a few years ago when business was enjoying substantial prosperity. But price levels have fallen to the point where profit has been largely eliminated. The chief factor of the present situation is profitless merchandising.

An essential necessity of the present economic situation is an advance in commodity prices. When prices are falling buyers tend to withdraw from the market. It is rising prices that stimulate buying and consumption and a return of prosperous times.

The importance of fair prices cannot be overestimated in influencing the restoration of trade. Sellers cannot expect to obtain fair prices for their own products unless as buyers they are willing to pay fair prices for the commodities and services necessary to their industry. Competition is unfair both to industry and to the community when price cutting compels the sale of goods at a loss. Profitless merchandising retards prosperity, and affects the position of the wage earner.

To quote from a recent copyrighted article by former President Calvin Coolidge:

While this subject interests all kinds of savings, investments and business, it is especially vital to the wage earner. The wholesale cost of most commodities is principally the cost of labor. The wage scale of the country has held rather better than anything else, but if all other costs are reduced the pressure to reduce wages will be well nigh overwhelming. Profitable price standards are not a panacea, but they are an essential to wage scales and economic recovery.

It hardly need be added that "profitless merchandising" contributes but little to the express traffic. Those who sell at a loss are hardly inclined to seek the most advantageous means of transportation for their goods. They do not want to add any more to their loss. They are tempted to try and save pennies in packing and shipping, wherever they can. That is hardly conducive to the best interests of our business.

So we can well join in the cry: "Stop profitless merchandising."
 —Ex President's Message.

A MESSAGE

To American Business Men, from Herbert N. Casson, Editor of Efficiency Magazine, London, England.

You are depressed. You think you are crippled. You are afraid of the future. You are full of fears.

You have half the gold of the world and half of the machinery and most of the automobiles and all the sky-scrapers.

You have the greatest home markets in the world and the largest corporations that the world has ever seen.

You are ruled more by ideas less by tradition than any other people in the world. You have usually done what you thought you could do.

How can it be possible that a progressive nation of 120,000,000 people can be wrecked by the speculations of a little handful in Wall street.

That prices that were forced too high had to come down. Today all the prices are too low.

There is now a golden opportunity for every man who has eyes to see it.

Dollars are now being sold for thirty cents. Practically every security in the United States is now being sold at less than its value.

The way to create a fortune is to buy from pessimists. Pay your money and take the risk. Frick started his career by buying coke ovens in the slump of 1873. Carnegie made \$300,000,000 by buying steel plants in slumps.

Hundreds of fortunes have been made by buying from pessimists. Ye Gods! What a chance there is at this moment!

In five years from now, most American business men will belong to the "I-Wish-I-Had-Club."

Then it will be too late to buy a dollar for thirty cents. The opportunities will be gone.

When a horse balks the balk is in his head, not in his legs. He moves on when he thinks he will.

And when an American business man is depressed THE SLUMP IS IN HIS HEAD. There is nothing serious to prevent him from making money if he thinks he will.

When Fear rules the will nothing can be done, but when a man casts Fear out of his mind the world becomes his oyster.

To lose a bit of money is nothing, but to lose hope—or lose nerve and ambition—that is what makes men cripples.

This silly depression has gone on long enough. Get rid of it. It is inside of you. RISE AND WALK.

WHY DOES JONES PAY THIS BILL?

Why do prosperous towns everywhere, without exception, have newspapers? Why not go along without a paper and save the expense of maintaining one, since the people must pay the expense or do without—paper? These questions could be answered in one sentence: "Advertising is necessary to the welfare of any institution, town or business." Any business, whether it be a merchandise, professional, educational, charity or what-not, must be advertised if it prospers."

BUT IT'S HARD TO SEE THE POINT

This hard-times business is a joke. Go into any home in town or country at meal time. There will usually be found on the table, peas, beans, preserves, squash, cucumbers, peaches, meats, milk, butter and jellies, and other good wholesome food, and as an appetizer or between meals refreshments there are melons, fine and fresh—just about everything good to eat that one would want to eat. We are living well and don't know it—Rotan Advance.

With television about to make its advent into our homes, all a doctor will have to do when we call him is pick up the receiver and tell us to stick out our tongues.—Judge.

Of course we poor will inherit the earth, but we would rather have it now and somebody else inherit it.—Fr. Worth Star-Telegram.

SAD MUSIC

EIGHT YEARS AGO IN LITTLEFIELD

The Leader is in receipt of formal announcement of the marriage of Ben F. Cogdill to Miss Fay Morris, which occurred at Post, Texas, August 14.

Mr. Cogdill is one of the representative business men of Littlefield being local manager of the Higginbotham-Bartlett Co. lumber yard. He has been a citizen of our town only about two months, but during this brief time has won for himself a high place of esteem in local circles. The bride is one of the talented and popular young ladies of Post City. They will be at home this week in Littlefield, occupying the bungalow soon to be vacated by F. A. Butler, upon the completion of his own home.

E. C. Cundiff has just closed a deal for 44 acres of fine land west of town and adjoining the school house, which he will convert into a model chicken farm.

It was a large crowd that assembled in the basement of the Presbyterian church last Thursday evening for the "kitchen warming." The admission was some article of use and value in the new kitchen recently completed, and the articles received were all useful and represented considerable financial outlay.

The Littlefield company report the sale of 354 acres of land just southwest of town to Mid Seal of Nacogdoches county. Also the sale of 177 acres each to J. W. Sisco of Dawson county, and W. Sisco of Nacogdoches county.

The public auction sale of G. Weibe Monday afternoon was well attended, and most of the articles brought very good prices.

J. E. Brannen was auctioneer and E. C. Cundiff, clerk.

J. W. Kelsey and family arrived this week from Runnels county. They made the trip through in their auto, shipping a load of household goods and farm machinery ahead of them. Mr. Kelsey recently purchased a fine tract of 177 acres just south of town.

John Barry and sons, Pierce and Harold, of Hico, arrived this week with a carload of household goods and farming implements and are moving their things out on the three labors of land recently purchased of J. E. Brannen in Bailey county.

Sunday afternoon there was a fine ball game played on the grounds be-

tween the Rogers, New Mexico team, and the Littlefield organization. The final score was 9-6 in favor of Rogers. It was one of the best games of the season.

H. Mueller and Britton composed the battery for the locals, while Carey and Miller controlled the destiny for the visitors. Steen from Littlefield and Creek from New Mexico were umpires.

Another game has been scheduled with Rogers at Portales, Saturday afternoon, Sept. 1.

OBITUARIES

On Sunday morning, August 2nd 1931, the entire new Lynn community was shocked and grieved when the news flashed that the death angel had come and taken away T. E. Jones.

He was born May 13, 1871, in Chambers Co., Alabama, moved to Brown county, Texas, in 1890. Then to Lamb county in 1926 where he resided until January 1931, moving to Lynn county where he had made his home until his death.

He had been in ill health for several years, but had been almost bedfast for 2 months with heart trouble. He was taken worse early Sunday morning and loved ones ministered to him so faithfully but in vain, for God saw fit to take him to be with him where he will suffer no more.

Oh, how the wife and children shall miss him. How hard it was to look into the beautiful casket and gaze upon the form of "Papa" as they endearingly called him, and

have to say good bye for the last time and to know that he cannot come back to you, but loved ones you have only to look through your veil of tears and see him at rest with Jesus.

He was married to Jessie P. English, Dec. 16, 1894 in Brown county. To this union were born 16 children, there are still living, two having died in infancy. The children are: Mrs. Martin Stone, Sudan; Mrs. Sid Yarbrough, Littlefield; Mrs. J. S. Reynolds, Dallas; Mrs. Ira Reagon and W. B. Jones, Blanket; Aubrey Jones and Mrs. Lester Medcalf of Brownwood; Mrs. Thomas Toomils, Morton; Douglas, Mavis, Faye, Weldon, Ber-yl and Juanita, all still at home with their mother at Tahoka, Texas.

He is also survived by eleven grandchildren, and 3 brothers, and 3 sisters, T. J. Jones, Rising Star; A. L. Jones, May C. Jones, Waco; Mrs. J. W. Emzinger, May; Mrs. R. F. Smith, May, and Mrs. G. W. Shumaker, Homing, Okla.

He united with the Primitive Baptist church at Friendship, Brown county, some 38 years ago. Having lived in that faith all his life his membership was at Tahoka at the time of his death.

His remains were taken to Brown-

wood to be laid by the side of his two children, who preceded him in death, and where he had lived most of his life. He has many friends here, who with his many friends here, deeply sympathize with his heartbroken loved ones. Weep not, dear ones, your loss is heaven's gain.

MRS. A. CLARK HOSTESS RUBY H. D. CLUB

The Ruby home demonstration club met Thursday, August 6, with Mrs. A. Clark at 3 o'clock, with fourteen members present. We all worked on our rug.

Mrs. T. S. Sales Compliments Her Mother, Mrs. Gardner, Thursday With "42" Party

Mrs. T. S. Sales was the charming hostess Thursday afternoon when she entertained with a "42" party, at her beautiful home on East 8th street, complimenting her mother, Mrs. O. B. Gardner, who was visiting her from McGregor, Texas.

Rose buds, sweet peas and pansies, attractively arranged in baskets and vases, adorned the home, creating a perfect setting for the occasion.

Four tables of "42" were in play during the afternoon.

As each game was played the winning couples were presented with a lovely pansy of golden hue. At the conclusion of the games delicious refreshments, consisting of sherbet, topped with cherries and angel food cake were served. Plate favors were sweet peas and pansies.

The guests expressed themselves as having a delightful afternoon.

Those attending this social event were:

The honoree, Mrs. Gardner, Mrs. Roy Weir of Malakoff, Texas, Mrs. S. L. Adams, Miss Stella Lloyd, Miss Lula Hubbard, Mrs. E. A. Bills, Mrs. J. M. Blessing, Mrs. Roy Blessing, Mrs. J. W. Porcher, Sr., Mrs. J. W. Porcher, Jr., Mrs. B. L. Cogdill, Mrs. Lloyd Robertson, Mrs. W. E. Jeffries, Mrs. E. G. Courtney, Mrs. Neal A. Douglas, Sr., and Mrs. Fitzgerald.

SUNBEAM BAND GIVES PROGRAM AND SHOWER

The Sunbeam band of the First Baptist church, of which Mrs. Norman Renfro is leader, and Miss Nora Belle Grizzle, her assistant, gathered at the church Monday afternoon, and put on a splendid program, after which they presented gifts to Miss Grizzle in appreciation of service rendered. Many beautiful gifts were received by the honoree, who is leaving shortly to attend Wayland college at Plainview.

Three-Act Comedy To Be Presented Friday Evening

"Headstrong Jane" is the name of the three-act comedy-drama, that the Epworth League of the Methodist church is presenting Friday night, August 21, at 8:45 o'clock. The admission prices will be 10c and 15c.

The play is the story of a very headstrong girl, who finally learned to her own sorrow, that there are some things that are more desirable than wealth. Honora, the Irish housekeeper, Abie, the peddler, Ikie, his son, and Rosie, the little Jewish girl, who has "lovink feelinks" for Ikie, will give you many good laughs.

The cast is well chosen, and each character makes a real contribution to the play.

You are cordially invited to avail your self of this opportunity of an evening of real enjoyment.

The characters are:
Aura, a school teacher—Fleta Eagan.
Richard Randal, Jim Day's foster-son J. C. Igou
Granny Day Dorothy Harrison
Honora, the Irish housekeeper Myrtle Marion Shaw
Jim Day, a merchant... Loyd Reed
Abie, a Jewish peddler... C. L. Harless
Ikie, his son Ben Harrison
Rosie, the neighbor girl.....
..... Maurine Harvey

Jack Day, Jim's son... Gordon Roberts
Joan Van Pelt... Mary Nell Keithley

MRS. BEN LYMAN HAS GUEST FROM NEW MEXICO

Miss Richards who holds a very responsible position with the Forrest Reserve, and Mrs. Lyman were high school pupils together. She, with her parents, are making a tour of Texas, and will spend the remainder of the summer at Corpus Christi.

MR. AND MRS. RENFRO WITH OUT OF TOWN GUESTS VISIT CARLSBAD

Mr. and Mrs. Norman Renfro have as their guests this week Mrs. Renfro's parents, Mr. and Mrs. Tyler, and brothers, Wilson and Robney Tyler of Farmersville, Texas. Mr. and Mrs. Renfro and their guests left Tuesday for a trip to Carlsbad Caverns. They expect to return about Thursday.

CARD OF THANKS

Mere words cannot express our sincere gratefulness and appreciation for the many acts of kindness shown us during the illness and death of our husband and father. Especially do we thank those who so kindly administered to him in his suffering, also for the kindly acts, sympathetic words, and kindly feeling granted us during the darkest hours of our bereavement. Each act and deed will ever be remembered by us.
—Mrs. R. H. Riggs and family.

Beautiful New Colored Photos Being Made Here

The Chisholm Studio, in their program of rendering to the public the best possible photographs, recently had the services of Mr. and Mrs. Ed Selvin, experts in photography, who spent some time at the studio giving special instructions on general photography, including special lighting and coloring.

The studio has made and is now exhibiting in Sadler's Drug Store window some beautiful new colored photos.

CHURCHES

METHODIST CHURCH

Sunday, August 23

Next Sunday we will have preaching at 11 o'clock hour, but on account of the meeting in progress at the Baptist church, there will be no service at the evening hour. The Epworth Leagues will meet at their usual hour, 7:45. Our services were well attended last Sunday. Professor Harrison spoke at the Methodist church at the evening hour on Christian Education. Those who heard him enjoyed his splendid, thoughtful message.
—C. B. Meador, pastor.

FIRST PRESBYTERIAN CHURCH

Sunday, August 23

A large crowd attended the morning service at the First Presbyterian church here Sunday, including a number of former residents of Littlefield.

Rev. Wm. F. Fulton of Salida, Colo., very ably filled the pulpit, and preached a sermon much enjoyed by all. Special music was rendered by Mrs. A. P. Duggan at the pipe organ, and the church choir.

Sunday school will be conducted next Sunday, as usual, at 1 a. m., and Rev. Fulton will be here to preach the morning service at 11 o'clock. A cordial invitation is extended the public to attend.

FIRST BAPTIST CHURCH

Sunday, August 30

This is the opening date for our revival meeting, and though Dr. R. C. Campbell will not be with us until Monday evening, we urge upon every member of this church to be in their places in church for all the Sunday services. The pastor has just talked with Rev. J. F. Nix of Clovis, where Dr. Campbell is now in revival services, and Rev. Nix speaks in the highest terms of Dr. Campbell and his ability as a leader and evangelist, but we wish now to say that Dr. Campbell, or any other man, cannot bring a revival to this or any other church or town. We must have the support of the membership of the church in which the meeting is being held, and for any revival to reach its greatest possibilities, it must have the support of the Christians in the community in which it is being held. Thus we here and now invite the co-operation of every christian man, woman, boy, and girl in and around Littlefield. Forget your excuses and join with us in this meeting, not for the sake of the First Baptist church, but for the sake of our Lord and Saviour.

Sunday school promptly at 9:45. Special song service at 11 o'clock. Sermon by the pastor—11:30.

B. Y. P. U.—7:30.

Evening Worship—8:30.

The hours of meeting for both the morning and evening services for the week following will be announced at the evening service. We shall be expecting record attendance at Sunday school. Again we say to everybody, everywhere—come over and help us.

LUTHERAN CHURCH

Sunday, August 23

Next week the Emanuel Lutheran church of this city will be the host of the Panhandle conference of their church body. Sessions will be held in the church Tuesday, Wednesday, and Thursday, each morning and afternoon. At night special services will be held. Tuesday night the Rev. H. Hartenberger of Perryton, Texas will deliver the pastoral address on the theme "We are Laborers together with God," based on 1 Cor. 3, 6-11. Rev. Stroebel of Canyon will have charge of the confessional service. This service will be in the English language. On Wednesday night a German service will be held in which the Rev. M. Scaer of Wilson will speak on "The twofold Promise of God to His Church."

Besides the general business, the following papers will be heard: "The Creation According to Genesis 1" with special reference to evolution, and present day higher criticism; "Infant Baptism," a homiletical treatise; and also a discussion of a small booklet which the church body is sponsoring on "A Brief Statement of the Doctrinal Position of the Missouri Synod."

As representative of the president of the district, the Rev. Birnbaum of Vernon will be present. He is also the visitor of the Panhandle conference.

Final arrangements for housing and board of the delegates were completed Sunday.

—W. J. Luecke, pastor.

Ladies of First Baptist Conduct Service Sunday

The women had charge of the services at the First Baptist church last Sunday night in the absence of the pastor, who has been conducting a revival at Anton for the last two weeks.

Mrs. W. E. Heathman led the devotional, using "Cross Bearing," as a subject, Matt 16: 24. "If any man will come after me, let him deny himself, take up his cross and follow me" and Jno 19: 16-17 "And he bearing his cross went forth to a place called the place of the skull."

Charles Heathman sang "Bearing His Cross for Me."

The young women gave a pageant "The Challenge of the Cross," which was greatly enjoyed by the large audience.

The girls taking part were Misses Sue Brannen, Mary Helen Smith, Nora Belle Grizzle, Vinita Whitaker, and Virgie Mae Smith.

Mrs. Homer St. Clair and Mrs. R. T. Badger directed the pageant and Mrs. Happy Jordan and Mrs. J. H. Lucas had charge of the music.

Funeral Services Are Conducted For T. J. Bennett Monday

Funeral services were held at 3 p. m., Monday at the Church of Christ, East 8th street and LFD drive, for T. J. Bennett, aged 62, who died Saturday about 5:30 p. m., at the Lubbock sanitarium, after a short illness. Rev. Early Arseneaux of Lockney officiated at the services, and Hammons Funeral Home had charge of burial arrangements, interment being in Littlefield cemetery.

The deceased with his family moved here from Weinert, Haskell county, January 1, 1926, where he had lived for about 18 years. He joined the church of Christ more than 30 years ago, and was a consistent member until his death.

The large attendance at his funeral, and the number of floral offerings sent by friends in this district, are evidence of the high regard with which he was held in and around Littlefield.

Deceased is survived by his widow, a daughter, Mrs. Ray Riddling, of Littlefield, two sons Alvin Bennett of Haskell and Edgar Bennett of Fort Worth, a sister, Mrs. H. Weinert of Weinert, Texas, three brothers, Jim Bennett of Hobbs, N. M., Will Bennett of Old Mexico, and Charles of Oklahoma.

HUBBERS SUCCESSFULLY REVENGE LOCALS FOR DEFEAT RECEIVED FRIDAY NIGHT

Last Sunday the Lubbock Hubbers found Big Newty Moore's pitching very much to their liking and romped away with a 14 to 6 win, while the locals were kicking the ball unmercifully on the inner lines.

With Ballard missing at second, and M. Ratliff out at short, the local line up resembled a near perfect wreck. With flats at three of the infield stations, that were not functioning at all, this only added grating to the poor showing made by Moore on the mound last Sunday.

Greer Dickey was the mound artist for the visitors, who never had any occasion to bear down to keep the destinies of the Hubbers protected, since a total of twenty one hits were collected off Moore for the nine innings he worked under severe punishment by the big willow wielders from the Hub City.

Galey led in the stick work for Lubbock with two doubles and a pair of singles in five trips to the plate. Hanks, Walker, and Moore led the batting crew for the Littlefield nine with three safeties each. Hanks getting a triple in the first innings af-

ter Walker opened the game with a clean single to left field, advanced to second on a sacrifice by Mueller, and scored on the drive to deep center.

The fielding of Simmons in center field was almost spectacular. His running catch on a drive by Shorty France brought down the cheers of all the fans present, and to express their appreciation, a nice contribution was made in his behalf.

A goodly number of fans came out to the game thinking that the game would be hotly contested, and that it would be a pitchers' battle to say the least from start to finish, which had been the case on all previous occasions, but alas, it was disappointing for the home fans. Baseball games are not tailor made and hence do not always turn out as per the dope figures—based on batting averages, from previous engagements. It was an off day for Littlefield and no question about it. Just last Friday night at Lubbock the locals handed the Hubbers a real plastering, and now in return found themselves taking the same kind of medicine before home fans.

Large Pumpkin Is On Display At Renfro Bros.

A pumpkin weighing 60 1/2 pounds, which was grown by H. S. Overstreet, who lives four miles southeast of Littlefield, is on display at Renfro Bros. Grocery & Market.

The seed was planted on May 15 and the pumpkin was pulled on August 15. The vine on which this pumpkin grew was 25 feet long.

Last spring the Leonard Seed Co., gave Renfro Bros. a jar of "Kentucky Field" pumpkin seed to distribute among the farmers of this section, in order to determine the successes which could be obtained with this seed.

A great many farmers of this section were given three seeds each from the jar.

While Mr. Overstreet is the first farmer to report the success he achieved with the seed, it is expected that many more farmers will also report good success.

Last Rites Will Be Held Today For M. J. Mills

M. J. Mills, aged 1 year and 10 days, son of Mr. and Mrs. B. A. Mills of five miles northeast of Littlefield, died 7:45 a. m., Tuesday, August 18, following a short illness.

Funeral services will be held at the Church of Christ this afternoon at 3:30 and the remains will be laid to rest in Littlefield cemetery. Hammons Funeral Home have charge of burial arrangements.

The deceased left surviving him his parents and four brothers and sisters.

Boiler Blows Up At Well Drilled By Littlefield Men

According to information received in Littlefield, Otto Jones and associates had the misfortune of having the boiler blow up at the well, which they are drilling in Smith County, near Arp, Texas. When the accident occurred Friday evening about 10:30 it is said that the bricks from the boiler were thrown 110 feet, and that this set fire to the woods for a quarter of a mile distant. It is said that the accident may have been caused by getting too low on water. No one was injured.

The party was ready Sunday to begin drilling again.

Garage Established By Dick Dyer

Dick Dyer, who has been connected with Littlefield garages for the past five years, has established his own garage at XIT drive and West Third street, in the rear of the Shook Tire Co.

Mr. Dyer came to Littlefield from Wichita Falls, where he was connected with the garage business.

Will Conduct Revival at First Baptist Church

DR. R. C. CAMPBELL

A revival meeting, conducted by Dr. R. C. Campbell of Lubbock, will begin at the First Baptist church here Sunday, August 23, and continue for two weeks. Dr. Campbell, as reported by Rev. J. F. Grizzle, pastor, will not be able to be here until Monday. However, Rev. Grizzle urges all members to attend the services Sunday, at which time the hours of meeting for both the morning and evening services for the week will be announced.

Open Bolls Reported On One of Enoch's Land Co.'s Farms

J. H. Lucas of the Enoch's Land company reports that any number of open bolls of cotton may be seen on one of their farms in the Yellow House Smith community which is being worked by T. M. Dorman. He says that as far as he knows these are the first cotton bolls to be reported.

In Mr. Lucas's opinion, if no damage is done by insects, and no reports have been received to date of any in this district, the cotton should make a bale to the acre, and the feed, including maize, a ton to the acre. He estimates the crop two or

three weeks more advanced than is usual.

Lula V. Armstrong, infant daughter of Mr. and Mrs. R. V. Armstrong died about 11:20 p. m., Monday, and was buried in Littlefield cemetery Tuesday afternoon. She leaves surviving her parents.

**TO THE FIRE MARSHALS OF
 TEXAS CITIES AND TOWNS:**
 The following Act "further defin-
 ing the offense of an attempt to
 commit ARSON, was passed by the
 Legislature on April 23, and ap-
 proved by Governor R. S. Sterling on
 April 27, and reads as follows:
 S. B. No. 159

AN ACT
 to amend Article 1316, Chapter 1,
 Title 17, of the Penal Code of 1925;
 further defining the offense of an
 attempt to commit arson; and declar-
 ing an emergency:
**BE IT ENACTED BY THE LEGIS-
 LATURE OF THE STATE OF
 TEXAS:**

Section 1. That Article 1316,
 Chapter 1, Title 17 of the Penal Code
 of 1925 be and the same is hereby
 amended so as hereafter to be and
 read as follows:
 "Article 1316. Any person who
 willfully attempts to set fire to or
 attempts to burn or to aid, council,
 or procure the burning of the build-
 ings of property mentioned in Title
 17, of the Penal Code of 1925, shall
 be guilty of an attempt to commit
 the offense of arson, and shall
 upon conviction be sentenced to the
 penitentiary for not less than one
 nor more than five years. The plac-
 ing or distributing of any inflam-
 mable, explosive, or combustible ma-
 terial, or any substance, of what-
 ever character or kind, or any arti-
 cle or device in any building or
 property mentioned in the foregoing
 Article in an arrangement or prepara-
 tion with intent to eventually, will-
 fully set fire to or burn said build-
 ing or property, or cause said prop-
 erty or building to be burned, shall
 for the purpose of this act constitute
 an attempt to commit the offense of
 arson, and shall be punishable as
 provided."

Section 2. (Emergency Clause)
 NOTE: (Became effective April 27,
 1931.)

The reports of local Fire Marshals
 of 425 Texas cities and towns made
 to the State Fire Insurance Depart-
 ment show that 1,294 incendiary
 fires have occurred in Texas during
 the past six years, with a total fire
 loss of approximately \$3,474,043.00.
 The department has no means of se-
 curing information pertaining to In-
 cendiary fires in those towns and
 cities of Texas that have no Fire
 Marshal, but I feel safe in saying
 that the total fire loss in Texas each
 year for the past six years, as a re-
 sult of incendiary fires, would show
 an annual loss of \$1,000,000.00 if
 said figures were available.

is a dangerous form of crime, prac-
 ticed not only against the insurance
 companies, but against society, for it
 is the people who pay the cost of
 fire, and it is my opinion that the
 enactment of this recent Act by the
 Legislature, "further defining the of-
 fense of an attempt to commit ar-
 son," will greatly reduce the number
 of arson fires in Texas in future
 years, and I am certain the offend-
 ing parties will be unable to escape
 punishment in the future as they
 have in the past. In this connection,
 as Fire Insurance Commissioner of
 Texas, I want to sound a warning to
 the effect that the State Fire Insur-
 ance Department will lend its assist-
 ance in the investigation of all ar-
 son fires so far as it is possible for
 us to do so, and we will insist on
 prosecution to the full extent of the
 law in every case.

It is the duty of the local Fire
 Marshal to make, or cause to be
 made, a thorough investigation of all
 fires that occur in their respective
 communities, and I respectfully re-
 quest that the performance of this
 duty in the future, and wherever the
 evidence warrants the matter should
 be presented to the Grand Jury for
 action, and when an indictment is
 returned the local Fire Marshal
 should use his best influence in se-
 curing an early trial of the offend-
 ing party, or parties.

Romance of South Seas Coming to Palace Theatre

Romantic and with the violent struggle between passionate infatuation love as its central theme, "Never the Twain Shall Meet," Metro-Goldwyn-Mayer romance of the South Sea Islands, will open Friday for a two-day showing at the Palace Theatre.

The screen version was adapted from the well-known novel by Peter B. Kyne and was directed by W. S. Van Dyke, the man who braved the heart of Africa to film "Trader Horn" and who directed the two polynesian epics, "White Shadows in the South Seas" and "The Pagan."

The highlights of this romantic story are:

—the departure from the South Sea Island of Tampa, pagan lass of the island, and her father for San Francisco.

—the discovery of Tamea's father that he has dread leprosy.

—the calling of Dan Pritchard, best friend of the old captain, to the ship and Dan's vow that he will protect and care for Tamea.

Dramatic Leprosy

—Captain Larrieu's suicide by plunging overboard according to the native custom of those with the terrible disease.

—the love that Dan Pritchard has for Maisie, his American fiancee, and Maisie's evidently taking Dan for granted.

—Tamea's struggle with her affections, using her native wit and sensual charm.

—the dance in which Maisie insults the little South Sea Island girl and the subsequent capitulation of Dan to Tamea's charms.

—Dan's break with his father and his following Tamea back to the South Seas over the protests of his father and friends.

—the first native banquet at

which Dan realizes that the manners and customs of the island are vastly different from those he is accustomed to.

Sensual Natives

—Dan's disgust at the sensual native ways and his ire when a beach-comber tells him he will sink into the ways of all white men who have come to the islands.

—the slow degeneration of Dan until he is just another "poor white."

—the arrival at the island of Maisie to find Dan in a drunken stupor.

—Maisie's pleading with Dan to return to people of his own kind.

—Dan's decision to give up the island life and his break with Tamea.

—Dan's embarking for China.

—Maisie's following of Dan and his realization that she is the girl he really loves.

—the reunion of Dan and Maisie.

Leslie Howard, who made such a success in both the stage and screen versions of "Outward Bound," and who has been a star on the London and New York stages since his release from the British army, after four years in France, plays the part of Dan Pritchard. Conchita Montenegro, the little Spanish girl who danced her way to fame in the capitals of Europe, plays Tamea.

The unusually fine cast also includes C. Aubrey Smith, Karen Morley, Mitchell Lewis, Hale Hamilton, Clyde Cook, Bob Gilbert, Joan Standing and Eulalie Jensen.

MOVING HERE FROM OKLAHOMA

E. E. Grisham and family of Healdton, Oklahoma, are to move to their farm six miles west of Littlefield in the near future. Mr. Grisham is now constructing a new five-room house on his Lamb county farm.

Carbon black from the Panhandle oil field is packed and shipped at Borger for foreign consumption. All Europe must depend upon the United States for carbon black for the manufacture of automobile tires and other products.

Learn what a difference six cylinders make

Step out of any other low-priced car into a Chevrolet, and learn the difference six cylinders make.

"Idle" the engine—and the whole car remains steady. Open the throttle—the power flows evenly. Accelerate—thrust the down—go fifteen or fifty—and this smoothness stays with you whatever you do. It's actually built into the motor—and objectionable vibration never even starts!

Yet smoothness is only one of many six-cylinder advantages. There's greater quietness, because noisy vibration is gone. There's greater comfort, because built-in smoothness doesn't tire you out. There's greater flexibility, because the power-impulses of a six overlap. And a six is much easier to handle!

If you raise the hood of a Chevrolet and watch the engine running so smoothly, you'll realize that six cylinders also mean greater dependability.

And remember when you do—that no other car is so economical to operate as the Chevrolet Six.

FORD SHOW WILL BE HELD HERE SOON; TALKING PICTURES TO BE FEATURE

Free sound moving pictures of a trip through the Rouge plant of the Ford Motor Co., will be exhibited here as a part of the special Ford showing to be held here Monday, August 31, and Tuesday, September 1, according to an announcement Wednesday by John H. Arnett, head of the John H. Arnett Motor Co.

Arrangements for this special Ford show, which will be in progress from 10 a. m., till 10 p. m., each day of the event, were made by Mr. Arnett with the Ford Motor Co., Dallas branch. The show will be held at the Arnett Motor Co. building.

The motion picture, according to Mr. Arnett, will reveal in interesting fashion how the Ford Motor company has made volume production of quality automobiles possible. While the unseen guide explains each step, the picture will show how the Ford Motor company mines its own coal and iron ore, how it conveys the material to its plants, how many by-products are developed in the process of manufacturing the car, and how machinery has made possible precision so great that even a watchmaker would consider it fine.

In addition to the motion picture, "A Trip Through the Rouge Plant," a picture has been arranged for by Mr. Arnett titled "Hidden Qualities." In this picture you will see Mr. Johansson personally demonstrating the use of Johansson gages and explaining how it became possible for him to so highly specialize and develop the Johansson Gauge as to permit him to actually measure the thickness of a soap bubble.

Besides the two motion pictures, Mr. Arnett will have a representative showing of Ford passenger cars, trucks and light commercial units. This will afford the citizens of this community an opportunity to see in one place such a display of automobiles and special exhibits as can be seen in the large automobile shows.

attention of north and west Texas. Many things have happened since Mr. Duggan started a program to bring about a readjustment of the rates.

Mr. Duggan, accompanied by A. B. Davis, manager of the Lubbock Chamber of Commerce left last night for Dallas in connection with the rate protest.

Some important developments are expected late this week.

An explanation of how the new schedule of rates will work to the disadvantage of Littlefield is contained in a statement prepared by a local citizen who has expert knowledge on the marketing and shipping of cotton. The statement follows:

"In making new freight rates on cotton the Interstate Commerce Commission started from Houston and Galveston and set off zones, the rate to gradually increase the further the point was from port. This resulted in a decrease in freight rates in South, East and Central Texas of from 10 cents to 23 1/2 cents per hundred pounds. However, this resulted in an increase of from 1 1/2 cents to 6 1/2 cents per hundred pounds for the South Plains and West Texas.

"It so happened that Littlefield, Crosbyton, Plainview, Lamesa, Brownfield, and Ralls were from one to ten miles out of the zone that Lubbock is in, this penalizing them from 1 1/2 cents to 6 1/2 cents per hundred pounds. Houston and Galveston are some 50 miles apart and yet the rate to these two points is the same.

"Littlefield will stand to lose cotton from Whitharral, Bula, Enochs, Oklahoma Flats, and Morton on the south to Levelland, which has a 3 cent per hundred cheaper rate than Littlefield. On the north and east we will lose cotton from Fieldton, Spade Gin, Hart's Camp, Anton, and Yellow House Switch. Littlefield could easily lose 25,000 bales of cotton that we have handled heretofore.

"This same condition is true in reference to the other towns above mentioned that have a rate of more than 95 cents.

"Lubbock would stand to receive in the neighborhood of 100,000 bales for compression that might have been compressed at other points had not the new rate been put in effect."

Previous to the meeting at Lubbock, the Littlefield Chamber of Commerce went on record as opposed to any raise in freight rates at this

LOCALS, VERNON TEAMS TO MEET HERE FRIDAY

Next Friday afternoon a team of professionals from Vernon, Texas, managed by Earl Quattlebaum, star pitcher and first baseman for a number of years, an dplaying with various clubs, including Lubbock, and Olney, making the tournament with the Lubbock Hubbers the year they went to Denver and brought home first money, will play here. He is well known all over West Texas.

In matching this game with Littlefield, he states that his team have three games scheduled with the Lubbock Hubbers and would like to pay a visit to the locals before going on to the Hub City capital. Littlefield fans will see one of the nearest baseball teams ever in action on the home grounds when the Cardinals pay their visit here Friday. The game is set for 3:00 p. m., so the locals will have time to go to Lubbock for the night game scheduled there at 8:30 p. m.

Quattlebaum is bringing some 14 or fifteen players on the trip and states that he has one or two Texas League pitchers, one by the name of White who will be with the Ft. Worth Cats another season.

It is a break for the fans here to have a team of this kind appear this season. It is not likely that the Fort Worth Cats, or any other teams will barnstorm this fall, so it behoves each and every baseball lover to make the most of this opportunity and attend the game.

time, and gave the delegation which went from this city full power to act to bring about a readjustment of cotton freight rates. Littlefield was represented at the Lubbock meeting by Mr. Duggan, A. D. Repp, J. W. Hale and E. S. Rowe.

W. H. Badger, manager of the Yellow House Land Co., and M. H. Reed of Austin, called on the State Railway commission and presented the claims of this section to a readjustment of the cotton freight rates.

Lubbock Meeting

The increase in rates will impose a penalty of about \$200,000 on the South Plains cotton farmers this year, Arthur P. Duggan of Littlefield told members of the group attending the Lubbock meeting.

"This penalty in face of the extremely low price of the commodity will mean financial disaster to the cotton farmers this fall," Duggan said.

While no definite plans for waging the campaign were made at Tuesday's meeting, an executive committee of seven members was appointed to consider the problem and devise a plan of action. Members of the committee named by Mr. Duggan, who acted as chairman of the conference, are: W. W. Evans, Lamesa; R. M. Kendricks, Brownfield; M. A. McLaughlin, Ralls; Glenn A. Smith Plainview; H. D. Adams, Lockney, and A. B. Davis, of Lubbock.

The committee delegated the job of making a thorough study of the situation to A. B. Davis of Lubbock and Mr. Duggan. They are to report to the committee the latter part of this week.

Representatives of the chambers of commerce voted to ask the West Texas Chamber of Commerce to join in the movement to obtain reduction of the increased rates. Maury Hopkins of Plainview, assistant manager of the regional organization, attended the meeting. He said the matter would be referred to the headquarters office of the WTCC at Stamford without delay.

"A quick and practical plan that will enable two young men and three young women to prepare for good incomes in the shortest time and at a minimum expense will be gladly explained to those anxious to step into early paying positions. How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedeke of Dayton, writes, "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, safely and quickly take one half teaspoonful of Kruschen in a glass of hot water every morning before breakfast — an 85 cent bottle lasts 4 weeks—Get it at Eagle Drug Store, or any drug store in America. If this first bottle fails to convince you this is the easiest, safest and surest way to lose fat—money back. (Ad)

SPORT GRAPHS WHAT THE OLDTIMERS SAY ABOUT THE CATS

Shorty Thornton says: Don't get my short stopping confused with that walling put out for the Cats last Sunday.

Harry Wigeman says: When I am an old man I can beat what Newty Moore did last Sunday.

Ernest Cundiff says: I will show Preacher Dixon a neat job of second-basing when we play next Sunday.

Ed Seely says: Catcher Hanks had a piece of window glass in his mitt last Sunday, and Pitcher Moore never did throw hard enough to break it.

R. E. McCaskill says that he will show Art Mueller how to make that throw to first.

Jim Etter says that he will make some catches that will make the catch that Simmons made look easy.

C. O. Stone says that Catcher Hanks can't start to hit with him, and that he will show him up as a catcher also.

A revival meeting is being conducted at the Fieldton Baptist church, of which the Rev. Verney Pipes is the pastor. Rev. Douglas Carver of White Deer, is the preacher for the meeting. Services are held at 11 a. m., and 8 p. m., each week day and Sunday. The meeting will continue through this Sunday, and possibly longer.

GAS RATES

were made last January to secure the industrial rates for the educational institutions.

Substantial Reduction Declaring that "this is the most substantial rate reduction the West Texas Gas Co., has been able to offer its customers," Mr. Hinchey pointed out that "the reduction will effect savings to every customer using gas for cooking and heating during the part of the year when they use the most gas.

"During the months of November, December, January, February and March, which are covered in the winter heating schedule reductions, our domestic and commercial customers burn approximately 70 per cent of the entire year's consumption of natural gas," he concluded.

The minimum bill for either domestic or commercial users has been \$1.50 per month and is not altered by the winter reduction schedule.

West Texas cities and towns affected by the rate reduction include: Lubbock, Hereford, Littlefield, Lamesa, Midland, Odessa, O'Donnell, Post, Plainview, Quitaque, Ralls, Silverton, Stanton, Sudan, Southland, Slaton, Turkey, Tulla, Tahoka, Wilson, Amherst, Anton, Abernathy, Brownfield, Canyon, Crosbyton, Friona, Floydada, Happy, Hale Center, Idalou, Kress, Lockney, Lorenzo, Levelland, Seminole, Seagraves, Muleshoe, Petersburg, Shallowater, Dimmitt and Bovina.

money outside of Lamb county. That if each one of us will investigate before buying outside of the county that we will find that

we can buy just as good merchandise, at equally low prices, if not better prices, than it is possible to obtain the same goods at some place beyond the limits of our county.

That investigation will prove that out-of-the-county businesses are fair weather friends.

That they do not extend you credit when you need it; that they do not pay the taxes of Lamb county, the taxes of the cities of the county; that they do not contribute to the feeding of our hungry in the time of adversity; that they do not contribute to civic activities.

That we cannot build and develop our county by spending our money outside the county.

That spending our money outside of the county is like betting on a slow horse; it never works for us in the home stretch.

What do you think?

CONGRATULATIONS CHARLEY!

If you cannot locate Charley Harless for three days in October of the year 1931, you will be able to locate him in Houston. We have just learned that Charley, who writes insurance for the Amicable Life, qualified as one of the 10 leaders in volume of business written in July, and was awarded a three-day trip to Houston as a reward for good services to his company. Charley will probably tell you that he doesn't know anything about the said good services to his company, but that he does know this fact: that buying life insurance in a good company is being just purdee smart and brainy.

WE THINK

That the Lamb county fair at Amherst, September 10, 11 and 12 and all other fairs in the county, should receive the enthusiastic support and co-operation of the residents of this county.

That all residents of the county
