

## Eighth Grade Advancement Program Scheduled Tonight

As announced by Principal Ervin Bussanmas, the eighth grade advancement exercises will be held tonight (Thursday) in the high school auditorium, opening at 8 o'clock, one of the largest classes in the history of the Central school will graduate.

According to Principal Bussanmas, approximately 105 will graduate.

**Ronald Harlan High Student**  
The valedictorian of the Central school is Ronald Harlan, son of Mr. and Mrs. J. J. Harlan, of south of Littlefield.

**Jackie Farr Salutatorian**  
The salutatorian is Miss Jackie Farr, daughter of Mr. and Mrs. Jack Farr. Diplomas will be awarded by Supt. C. Hutchinson and Mr. Bussanmas.

The program will include the following:

Invocation, by Rev. S. M. Dunnam; song, "Blue Skies," by class chorus, under leadership of Mrs. McClain; piano solo, Glenda Hulse; accordion duet, by Jackie Farr and Jackie Orr; recognition of honor students, by Principal Bussanmas, presentation of certificates, by Superintendent Hutchinson and Mr. Bussanmas, which will be followed by the address by Rev. D. C. Lindley. In an interview with Principal Bussanmas Tuesday, he stated that the Central school had had a very successful year, and that he hoped it would be able to build some additional buildings, and continue to improve this school system.

## Heavy Rains Fall Over Entire Area

Now, soaking, to heavy rains with fell over Littlefield and area week, bringing the total moisture 27.1 inches, and the brightest crop outlook for this section in the past ten years.

A slow downpour that dripped from low-hanging clouds and covered a large portion of the South Plains, brought clammy, foggy weather to the area, unusual for this section, Monday and Friday. Thursday the precipitation in Littlefield averaged 91/100th of an inch; Friday, 34/100th of an inch, and Saturday showers that fell Saturday and Sunday brought an additional moisture of 77/100ths inches. Total rainfall for the week of 27.1 inches, as 1.69 inches had fallen Monday and Wednesday. With some cotton already planted and other planting to follow in the few weeks, the rainfall is expected to give an excellent seed-off to the agricultural season. The rainfall was heaviest north west of here, Amherst and Supt. reporting six inches. Heavy rain also fell over a strip running east and southwest, where four to five inches was reported. The moisture was general all over the area.

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

## Commencement Exercises Are Scheduled for Friday Night

Lee Hemphill, pastor of the Baptist Church, Littlefield, delivered a splendid sermon Sunday morning to one of the largest graduation classes of the local high school. There were 74 in the graduation class, and about 500 were in attendance at the program Sunday evening.

The program Sunday evening also included the following: Invocation, by Mrs. S. M. Dunnam; prayer, by Rev. D. C. Lindley; "Our Fathers," congregation; "Holy, Holy," by congregation; benediction, by Supt. Joe Hutchinson; and recessional, by Mrs. S. M. Dunnam.

**High School Exercises Friday**  
The high school graduation exercises will be held Friday night, May 16, in the high school auditorium, with the program opening at 8 o'clock. Supt. Hodges Valedictorian is Ronald Hodges, 17, son of Mr. and Mrs. J. J. Hodges. (Continued on Back Page, Section 1)

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

**Watch Repairing JACK FARR JEWELER**

## Last Rites Held For W. J. Pugh, 41

William James Pugh, 41, of 2 1/2 miles east of Spade, passed away at a local hospital about noon Friday, as the result of a gunshot wound in his forehead.

Pugh was reported found at the barn of his home by his two daughters, Elois, 15, and Vernel, 12, about 10 a.m. Friday, and taken immediately to the hospital.

A .22 rifle was lying at his feet. **Grieves Over Loss of Wife**  
Pugh is said to have grieved over the loss of his wife, who passed away in 1941, and also to have had ill health.

**Last Rites Sunday**  
Funeral services were conducted at 3 o'clock Sunday afternoon in the Hammons Funeral Home chapel, with Rev. John C. Cory, pastor of the First Methodist Church of Amherst, officiating.

With Hammons in charge, burial took place in Littlefield. Deceased is survived by his two daughters; his parents, Mr. and Mrs. W. E. Pugh, who live near Dimmitt; a brother, Herbert, who lives near Morton; and five sisters, Mrs. H. D. Weatherly, Oklahoma City; Mrs. J. C. Emerson, Lindsey, Okla.; Mrs. Joe Collins, Dimmitt; Mrs. Gus Barker, Amherst; and Mrs. Harry Brantley, Amherst.

## Residents Urged To Render Property For Taxation

Clarence Davis, tax assessor and collector, asked the Leader Wednesday to urge on property owners to come to the courthouse and render their property for taxation purposes.

## ENJOY PICNIC PARTY

The Juniors of the Littlefield High school went on their annual Junior trip last night (Wednesday) on a picnic to Bull Lake. They were accompanied by Leo Duffey, high school principal, and Mrs. Dick Edwards and Mrs. Rou Hutson, sponsors. They enjoyed a wiener roast and picnic.

## VISIT IN DECATUR, DALLAS

Mrs. Neal A. Douglass and daughter, Erna, accompanied Mrs. B. D. Garland as far as Decatur, Texas, where they visited their sister and daughter, Mrs. H. S. Usury. Mrs. Garland went on to Dallas to visit her son, B. D. Jr., returning to Littlefield Wednesday.

## TO GRADUATE MAY 22

Miss Patricia Heinen will graduate from Grammar school into High school at St. Patrick's Academy, Raton, N. M., May 22, and is expected to arrive home May 24. She will spend the holidays with her parents, Mr. and Mrs. W. H. Heinen.

## Bible School To Be Held at Sudan Baptist Church

## DISASTER OFFICE IS OPENED IN LEVELLAND

A disaster headquarters office was opened Monday in the Southwestern Public Service office at Levelland for the purpose of registering all families who suffered losses in the windstorm Tuesday night of last week, as announced by Ed Tippet, chairman of the Hockley County Red Cross disaster committee.

A hard, straight wind which appeared to come in puffs, accompanied by rain, did considerable damage over a large area in Hockley county, beginning at the northern edge of Levelland and extending northwest to Pettit and Pep.

One woman was seriously injured, a man was slightly injured, and three children received minor injuries in the storm. Red Cross officials estimated that damages from the storm amounted to more than \$8,000 to various property.

Disaster assistance is to be provided by the Red Cross as soon as estimate is completed of damage. Twenty-five homes are known damaged in Hockley county, and Miss Melba Turriff, representative of the St. Louis office of the Red Cross, and Mrs. Cara Mae Hogan, executive secretary of the Hockley county chapter, will continue a survey to determine extent of damage.

## Veteran In Wheel Chair Looks Optimistically for the Rainbows

William Pinkney Johnson thinks he's lucky . . . wheel chair . . . iron braces . . . broken jaw . . . ribs jerked loose from his spine . . . shrapnel in the bottom of his right lung . . . other injuries . . . he could have lost an eye or an arm . . . or not come home at all.

When that screaming Jap Mamie came over at Guam July 26, 1944, at three o'clock in the morning, the concussion broke all Hell loose . . . and busted Johnson up considerable. In fact, it put him in a cast for several months . . . and in veterans' hospitals until Saturday when he came home to mom, Mrs. William L. Johnson, in her comfortable, new little home at 1100 Freeman Street, College Heights.

It was a great Mother's Day for mom . . . and for William Pinkney . . . for all the neighbors thereabouts who had helped Mrs. Johnson get ready to welcome her boy, even to papering the house and doing lots of other little chores that makes a house a home. Friends from far and near fought mud and water down that College Heights street to welcome the soldier . . . to celebrate with mom the arrival of her son.

### Hopes To Remain Home

Everything was in readiness to receive William Pinkney home. When they rolled his wheel chair and Pinkney out of the automobile of his uncle, B. H. Stephens of Ropesville, who brought him to Littlefield from the veterans hospital at Amarillo, the wheel chair and Pinkney were rolled up a concrete ramp especially constructed alongside the steps leading to the gallery. The veteran was home . . . and he hopes to stay in. (Continued on Back Page, Section 1)

**FORGETS CHILDREN . . .** Charles Phillips, 102, of San Francisco, says he has six children, but cannot remember how many sons or daughters. He says they are all "old enough to chew hay." He is pictured in a local hospital recovering from a minor ailment.

## Reports Given On District Meeting

At the regular weekly luncheon-meeting of the Littlefield Rotary Club Thursday last, Dr. Ira Woods, E. A. Bills and Arthur Duggan gave reports on the Rotary district convention held at Fort Worth May 4, 5 and 6.

Delegates to the meeting were: C. O. Stone and Arthur Duggan. Those who attended were: C. O. Stone, E. A. Bills, Dr. Ira Woods and Arthur Duggan.

## Mrs. W. E. Jeffries Undergoes Eye Surgery at Lubbock

Mrs. W. E. Jeffries was admitted to the West Texas Hospital, Lubbock, Friday and underwent surgery.

The operation was performed by Drs. Cannon and Standifer. Mrs. Jeffries' condition is good and she will be brought home this weekend, it is expected.

### BUY NEW CARS

New Plymouth automobiles were delivered to Stilwell Russell and J. C. Rockwell during the past week by the Lavender Motor Company. Mr. Russell purchased a four-door special de luxe black plymouth, and Mr. Rockwell received a special de luxe two-door Plymouth gray sedan.

"Mutt" Houk sustained a sprained side and suffered a light attack of appendicitis in assisting a neighbor to push a car out of the ditch Friday morning near his home. He was a patient at the Littlefield hospital from Friday until Sunday, when his condition was improved.

## Fourteen Boys Are Chosen To Receive Calves in Jersey Calf Club

The names of fourteen boys who have been turned in by the county agent's office and the vocational agricultural teacher of the Littlefield High school, in connection with the Jersey Heifer Calf club, initiated by the Littlefield Chamber of Commerce and sponsored by a number of Littlefield merchants.

These names will be placed before the agriculture committee of the Chamber of Commerce. How many boys will get heifer calves will depend on how many calves can be found that will come up to specifications, and how many of the boys can qualify for membership in the club.

## First Games In Schedule Are Set For Monday Night

### Mayor Cheshier To Pitch First Ball In Season Opener

The softball season in Littlefield will officially open Monday night next, when the softball field will be dedicated, and a program presented befitting the occasion.

The field has been completed, lights installed, and everything is in readiness for a full season of softball.

The opening game Monday night will be played between the high school team and the Morrow Lumber Company, and the second game on the same night will be played between Lavender Motor team and the V.F.W.

**Mayor Cheshier to Pitch First Ball**  
Mayor A. C. Cheshier will be on hand Monday night to pitch the first ball, and Commissioner L. C. Hewitt is scheduled to catch the first ball to get the opening game underway.

**High School Band to Play**  
The Littlefield High school band will be in attendance and render several numbers, and it is expected there will be several talks made.

**Joe Wells Commissioner**  
The managers and sponsors of the various softball teams met Sunday afternoon at 2 o'clock at the courthouse and drew up the rules and regulations for the softball league. At this time, Joe Wells was named softball commissioner for the season, giving him complete authority to make decisions as to eligibility of players, hiring of umpires, etc.

The sponsors of the various teams and their managers are: Jay Cees, Nig Whitson, manager; Morrow Lumber Company, George Ligon, manager. (Continued on Back Page, Section 1)

## REA to Send In Application For Funds This Week End

J. H. Carl, manager of the Lamb County Electric Cooperative, announced Monday that application for funds to cover additional REA lines would be sent to the Rural Electric Administration at Washington the end of this week, and stated to a Leader reporter: "We are very much disappointed at the response given us to our appeal that farmers who do not have service sign up on this new line."

To date, Mr. Carl said, only about 50 miles had been signed up.

### To Improve Present System

He also stated that they would ask for a considerable sum of money for improvement of the present system, to bring all houses closer to source of power, so that they will be able to extend better system to members than ever hoped for in the past, including sub-stations, tie lines, sectionalizing devices and rephasing present system.

### Hope to Start K&L Section

The Lamb County Electric Cooperative are hoping to get started on the work of the K&L section soon. They have plenty of material on hand, but no wire, and have been waiting on the wire, which is expected to arrive possibly next month. The K&L section will serve about 450 families.

### NAMED PRESIDENT

L. E. Parsons, head of the textile engineering department at Texas Technological College, was elected president of the National Council of Textile School Deans at a recent meeting in Atlantic City, N. J. Parsons served as council vice-president this year.

### SECRETARY OF ALUMNI

D. M. McElroy, Houston, who attended Texas Technological College from 1931 to 1935, and who is now handling petroleum engineering equipment for the Lynn Elliott Company, Lubbock, has been named executive secretary of the Tech Alumni and Ex-Students Association, it has been announced by Elmer Tarbox, president.

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

## Black Aces Will Play Slaton Team Sunday Afternoon

The Littlefield Black Aces, colored baseball team, will play the Slaton Tigers, Latin-American team, at Littlefield Sunday afternoon.

The game is called for 3 p.m., and will be played on the compress field. A week ago Sunday, the Slaton team beat the Black Aces at Slaton, 9 to 10.

Next Sunday's game will be the fourth this season for the Black Aces, who have lost two contests and won one.

## Seniors Enjoy Trip To San Antonio

The Seniors of the Littlefield High school left Sunday on their annual trip, with San Antonio as their destination.

Accompanied by Supt. Joe Hutchinson, Mrs. Edward Betts, sponsor, and Mrs. A. F. Wedel and Mrs. J. R. Coen, the group was taken in two school buses, operated by Forrest Moore and Afton Mills. They will return to Littlefield today.

Included in the places visited by the Littlefield party were: Brownwood, Goldthwaite, Lampasas, Burnet, Buchanan Dam, Austin, San Marcos, New Braunfels, Mason, Eden, San Angelo, Big Spring, Lamesa, Brownfield and Levelland.

At San Angelo they visited places of interest, including Randolph Field, Brackenridge Park, Sunken Gardens, open air theater, missions, and several theaters.

**MODERN LIVING CLAIMS VICTIMS**

Sort, refined foods and lack of exercise are responsible for increasing thousands of constipation victims. Intestinal muscles become sluggish, waste matter accumulates and gas is formed. Often there is a tired, restless, listless feeling. It's cases like this that the new improved ADLERKA is designed to help. This scientifically compounded Tone-Up Laxative is quickly absorbed by the gastro-intestinal system... gas pressure is relieved and waste matter is moved gently through the digestive canal. When you eat well and digest your food well, you'll find a new joy in living. Order a bottle of ADLERKA today.

*Caution: use only as directed.*

At one time or another most of us become upset and jittery due to overwrought nerves. This makes us irritable, restless and wakeful. You can't do your work well the next day, if you toss and tumble through the night and don't get the rest you need. At such times why not do as so many thousands have done for over sixty years—try

**Miles NERVINE**

Miles Nervine is a mild but effective sedative that helps soothe overwrought nerves and permits refreshing sleep. It has brought restful nights and peaceful days to thousands. Ask your druggist for genuine Miles Nervine. Have it on hand and be prepared next time tense nerves threaten to keep you awake or make you nervous. CAUTION, use only as directed. All drug stores have Miles Nervine.

**MILES NERVINE**

**AMHERST Personals**

Sunday and Monday of last week Mr. and Mrs. Quinton McCaghren and daughter, Quinelle, and Miss Ruby McCaghren, of Sudan, visited Mr. MacCaghren's and Miss Ruby's father at Hot Springs, N. M., where he is now for his health.

Mrs. E. W. Baccus has returned to Oklahoma to assist in caring for her father, who has been ill for several months.

Mr. and Mrs. L. E. Slate of Sudan are spending a few days at Eagle Nest Lake, N. M.

Mrs. Charles Nichols is in the Amherst hospital.

Dr. T. A. King of Vernon, Texas, was looking after business interests in Sudan last week.

James Duffy Sr., of Mangum, Oklahoma, is visiting his son, C. A. Duffy, of Amherst.

Mrs. Roger Willett, Mrs. John McCror and Mrs. C. A. Duffy Sr. were shopping in Lubbock Wednesday.

Mr. and Mrs. Leon Britt have returned from Hot Springs, N. M., where Mr. Britt received treatment for his health.

Mr. and Mrs. Don Brown have returned from Denver, where they visited Mrs. Brown's mother.

Visitors from Sudan in Amherst Sunday were: Mr. and Mrs. Ves Terry and Mr. and Mrs. Simon D. Hay

Mrs. Lem Weaver was in the Amherst hospital last week.

Mr. and Mrs. Clois Toms visited relatives in Kermit last week.

Mrs. J. L. Price of Riverside, Calif., has been visiting her parents, Mr. and Mrs. J. S. Rawls, the past week.

Mrs. A. N. Hoffman of Ballinger is visiting her mother, Mrs. W. H. Stagner.

Dr. and Mrs. T. R. Slemmons spent part of last week in El Paso.

John E. Smith Jr., a teacher in Amarillo College, spent Saturday and Sunday in his home in Amherst.

**PFC. BLAIR GOODWIN IS PROMOTED IN RANK**

Pfc. Harvey Blair Goodwin, son of Mrs. Cleda Goodwin, 424 XIT Drive, Littlefield, was recently promoted to the grade of technician fifth grade, it was announced Saturday from the Army Chemical Center at Edgewood Arsenal, Maryland.

A graduate of Littlefield High school, Corporal Goodwin was a student in chemical engineering at John Tarleton College, Stephenville, at the time he entered the Army, February 11, 1946. He received his basic training at Aberdeen Proving Grounds and completed advanced training in chemical warfare at Edgewood Arsenal. At the present time, Corporal Goodwin is operations NCO at the Troop Command Headquarters.

Corporal Goodwin is a grandson of Mr. and Mrs. John Blair of this city.

**ATTENDS REFRIGERATION SCHOOL IN AMARILLO**

Jarold Jones left Monday to attend a Westinghouse refrigeration school conducted Monday and Tuesday at the Westinghouse branch office at Amarillo, where a home-freezing unit was demonstrated. Mr. Jones returned home Tuesday night.

**ATTEND AMARILLO MEETING**

I. D. Onstead and son, Norris, left Monday night to attend a Eureka Home Cleaner demonstration and meeting at the Amarillo hotel, which was held Tuesday. They returned to Littlefield Tuesday night.

Wolfe Shaw left Sunday morning for Dallas to attend a shoe convention, which will convene Sunday morning and continue until Thursday. He returned Tuesday night.

**Personals**

Mrs. J. H. Attaway of College Heights has just returned from a three weeks' visit with her two sons, G. E., of Dallas, and J. P., of New York City. She flew from Dallas to New York on an American Airliner. Her son in New York works for the American Airlines. She had a wonderful trip and enjoyed the many different and interesting things in New York.

Mr. and Mrs. A. L. Hood left Tuesday on a month's vacation trip. They first planned to go to Riverside, Calif., where they will visit their daughter and son-in-law, Mr. and Mrs. W. M. Summers, and then go to Tacoma, Wash., where they will spend some time with another daughter and son-in-law, Mr. and Mrs. J. F. Walker.

Mrs. Dutch Higgins of Littlefield, and her brother, John Sledge, of Amarillo, visited their sister, Mrs. Travis Baumgarten at Austin last week. Mrs. Higgins also went through the Temple clinic, and will return to the Scott & White hospital this weekend, where she will undergo a minor operation.

Mr. and Mrs. W. E. Lavender spent the weekend at Rosebud, visiting Mr. Lavender's parents, Mr. and Mrs. E. J. Lavender.

Harold Taylor of Lubbock, bookkeeper for the construction crew at the city disposal plant, who sustained a head injury and bruises recently when the motorcycle he was riding turned over between Littlefield and Amherst, and had since been a patient in the Payne-Shotwell hospital,

was taken by the Hammons ambulance to West Texas Hospital, Lubbock, Friday last. He was reported to be getting along nicely.

Rev. A. W. Blaine, pastor of the Muleshoe First Baptist Church, and Arthur Crow, of the C&H Chevrolet Company, also of Muleshoe, were business visitors in Littlefield Monday and paid the Leader a pleasant visit.

Mrs. Neal Douglass, who was suffering for four weeks from a diabetic condition of one of her feet, is better and able to be around again.

Mrs. Jim Douglass returned Sunday from a two weeks' trip to Tulare,

Calif., where she visited her mother, Mrs. P. A. Magruder, who has been very ill, but is improved.

Larry Rice, 11, son of Sheriff Rice, in the Littlefield hospital some time after sustaining severe burns on his chest and body, was taken home about ten days ago and is doing nicely, though he is still confined to his bed. Some grafting of skin was done about six weeks ago, a portion of which was successful. His parents will take him back to the hospital in about two weeks for more skin grafting.

## Lubbock's New Radio Station KCB D Goes On the Air Wednesday Morning

LUBBOCK, May 14.—Radio Station KCB D, 1590 kilocycles, affiliated with the Mutual Broadcasting System network, began operation at 6 o'clock this (Wednesday) morning, May 14. KCB D is a new 1,000-watt station operated by the Caprock Broadcasting Company, and is one of the finest equipped 1,000-watt stations in the nation. Operating hours for the new station will be 6 o'clock p.m. daily. KCB D will feature many outstanding programs from the Mutual network, as well as many locally produced shows.

Some outstanding programs to be heard over KCB D will be Queen For a Day, Fulton Lewis Jr., Treasure Hour of Song, Bulldog Drummond, Shady Valley Folks, The Johnson Family, Checkerboard Jamboree, with Eddy Arnold; Gabriel Heatter, The Jackie Hill Show, Say It With Music, And What's the Name of That Song? Singing Sam, Rhythm With a Lift, The three Suns, Sincerely Yours, Kenny Baker, The Barry Wood Show, The Gaslight Quartette, and Meet the Press are other programs to be heard on KCB D.

KCB D is affiliated with the Associated Press and will feature seven 15-minute news periods daily, at 7 o'clock, 8:15, 9:30 a.m., and 12:15, 3:30, 6:15 and 10 o'clock p.m. In

addition to Fulton Lewis Jr. and Gabriel Heatter, Cedric Foster, Cecil Brown, Henry J. Taylor and Erskine Johnson will be heard daily, Monday through Friday, on KCB D. Special events coverage from throughout the nation as well as locally may also be heard over the new station.

Joe H. Bryant is president of the new station. Stockholders are Mr. Bryant, Dr. J. T. Krueger, Arch S. Underwood, George Benson, J. D. Hassell Jr., J. H. Felton, Harris Underwood and James C. Bryant, all residents of Lubbock. Members of the staff are as follows: Robert L. Snyder, office manager; George T. Dale, commercial manager; and Jason H. Allen, sales representative; Jim Black, production manager; and Mr. Black, Wally Jackson, Gene Looper, Roger Wright and Bob Nash, announcers. William H. Schemmer is head of the continuity department of the station. Assisting Mr. Schemmer will be Mrs. Tom Gordon and Rebecca Bradshaw. Yvonne Olds is secretary, and Marguerite Harris will be in charge of traffic.

On the engineering staff are Ernest W. Green, chief engineer; and Henry A. Tackett, W. M. Ebeling, John R. Bell and E. L. Cowart. Bedford Raley is control operator.

Another special feature on the new

## SCRAMBLED

A Bit o' This • A Bit o' That

**You Remember Harry . . .**  
Harry Smith came back to Littlefield Friday and renewed old friendships.

Plenty of you folks remember Harry; he worked in Littlefield markets for many years, and has followed the same trade since he went to Long Beach, California, in 1942.

The former Littlefield resident is getting just about as bad as most California folks; he even claimed to have brought Friday's fog from the Pacific coast state.

Harry looks well and seems very much content with this world.

He came east with his son and daughter-in-law, Mr. and Mrs. Bert Smith, who are returning to Lubbock after spending several weeks in California.

Smith is visiting his son and daughter-in-law, Mr. and Mrs. L. A. Smith, of Hale Center, who accompanied him to Littlefield Friday.

The Texan, fallen from grace temporarily to become a Californian, had a great time renewing old friendships.

**Do You Remember . . .**  
When there wasn't any pavement between Lubbock and Clovis, and the mud we bucked when we went to the "big" cities?

Cars, which way, every way, on the road and in the ditch wasn't any special sight or concern.

Most of us carried a stout rope, chain or a steel cable and snaked each other out of the ditch or a deep mud hole . . . and on your merry way!

Some times we traveled with two sets of tire chains, one on each rear wheel, and some times we put on four chains, set her down in low and went to work on a first-class job of pulling.

Those were the days when Littlefield was just a little place, when everybody knew everybody else for miles around, when cars were cheap,

station will be the "kid" programs from 4:45 to 6 every Monday through Friday, Hop Harrigan, Superman, Captain Midnight, and Tom Mix; and Sunday afternoon mysteries such as House of Mystery, True Detective Mysteries, The Shadow, and Nick Carter. And on Tuesday nights, The Adventures of the Falcon and The American Forum of the Air will be heard.

and when it wasn't any trick to rent a pretty fair house . . . reasonable.

**Commerce . . .**  
Leonard Stueart isn't going to let wheat harvest hands sleep out under the stars . . . at least not 12 of them. Leonard has rigged up a trailer, 24 feet long, and equipped it with 12 cots.

As the wheat harvest progresses, so will Stueart's de luxe slumber service . . . down through the waving golden fields.

**Scratch . . .**  
The Military Order of Cooties, an honorary order of the Veterans of Foreign Wars, has been organized in the Hereford VFW Post.

The charter will be presented, and all charter members initiated in an eight-hour ceremony to be put on by the Borger "Pup Tent" next month.

A variation of apple butter can be made by substituting 1½ pints of pure grape juice for the pint of water ordinarily used in making butter from a gallon of apples.

Mrs. W. C. Heinen Joins Husband At Yokohama

Mrs. W. C. Heinen and daughter, Sheila, left Littlefield April 3 to join her husband, Captain Heinen, at Yokohama, Japan.

They sailed April 8 from Seattle, Wash., on the SS Republic for Japan, and arrived at Yokohama April 24. They were met at the boat by her husband and staff.

Her husband presented her with an orchid corsage, and daughter, Sheila, with a corsage of Camellias, and the staff presented her also with flowers.

Mrs. Heinen has written her husband's parents, Mr. and Mrs. W. H. Heinen, to the effect that she has a lovely large home, much beyond her expectations, by the ocean, and that she is enjoying the services of a house boy and maid.

Captain Heinen is in the Army and a judge of the court martial court.

Oklahoma Ave. HD Club Meets at Huggins Home

After the opening exercises, onstration club met Friday, May 9, at the home of Mrs. E. E. Huggins.

The meeting was called to order by the vice-president, Wanda Huggins. The next meeting will be in the home of Mrs. M. W. (Nina) Messer, May 23. A demonstration will be given on new vegetable dishes.

The meeting time has been changed to 2:30.

DDT Valuable To Texas Stockmen

A pound of DDT is worth 2,000 pounds of beef during fly season this year.

A tall statement? Entomologist Charles A. King Jr. of the Texas A&M College Extension Service says "figure it up yourself." One pound of wettable DDT powder, mixed in 25 gallons of water, will spray about 25 head of cattle. Stockmen who have used DDT spray the past two years will testify that beef animals will put on an average of 80 pounds of flesh as a result of thorough spraying throughout the fly season.

When 25 head gain 80 pounds, that's 2,000 pounds of beef from one pound of DDT.

King says that the fly season is getting underway now, and experienced stockmen are checking up on spraying equipment and DDT supplies. Four pounds of wettable DDT powder at a strength of .2 of one per cent, mixed in 100 gallons of water, is the spray to use. When to spray? King says "let the flies tell you." If the pests are thick, the spray is needed. A lot of factors enter into the "when to spray" picture. Often the treatment holds flies in check for months, but a heavy rain can mean the job needs re-doing after a ten-day period.

Mowing pastures now will control weeds and keep grass from becoming too tough for cattle to eat.

# New Bus Service to Start Tuesday, May 20

The Sophomores of Littlefield High school are planning a picnic party for this evening (Thursday), at Bull Lake. They will be accompanied by Miss Lucille Martin and Mrs. Bill Carter, sponsors, and Principal Leo Duffey.

The number of frozen food locker plants in the country has grown from around 1,300 in 1938 to more than 8,000 in 1946.

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

## To Be Operated Between Hereford And Lamesa, Texas

Bus To Arrive Here 1:10 P. M., Arriving Hereford 3:15 P. M.

A new bus service serving Littlefield and a large territory north and south will be initiated Tuesday, May 20, by the Texas, New Mexico and Oklahoma Coaches.

This will be the second bus service in and out of Littlefield, the present line operating east to Lubbock and other points and west to Clovis and other New Mexico cities.

The new bus line will be operated between Hereford and Lamesa, and will serve, in addition to Hereford, Littlefield and Lamesa, the following towns:

North from Littlefield, Springlake and Dimmitt, and south from Littlefield, Whitharral, Levelland, Brownfield, Welch and Lou.

There will be one bus each way daily. Northbound the bus will leave Lamesa at 10:40 a.m., arrive at Littlefield 1:10 p.m., leave Littlefield 1:25 p.m. and arrive at Hereford at 3:15 p.m. Southbound the bus will leave Hereford at 3:40 p.m., arrive at Littlefield 5:30 p.m.; leave Littlefield 5:35 p.m. and arrive at Lamesa at 8 p.m.

In addition to the fact that the new bus service will provide easy access in and out of Littlefield to nearby towns, the new transportation facilities will place Littlefield in closer access to Amarillo to the north and large numbers of cities to the south, including Sweetwater, Big Spring, Hobbs, San Angelo, Carlsbad, El Paso, San Antonio, and other South Texas points.

The bus will make very good connections with Amarillo. Arriving at Hereford at 3:15 p.m., passengers for Amarillo will leave at 4 p.m. and arrive in the North Texas city at 5:15 p.m.

A number of officials of the Texas, New Mexico & Oklahoma Coaches are expected to ride the bus on the initial trip north and south.

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

## Cotton on Hand On April 1 Lowest Since 1929 Season

The United States cotton balance sheet shows an April 1 balance of 7,062,000 running bales on hand, the lowest April 1 balance since the 1929-30 season, according to the University of Texas Bureau of Business Research.

Balance on and at the same time during the 1945-46 season totaled 12,497,000 running bales. The August 1 carryover stands at 7,522,000 running bales this season, compared to the 11,164,000 carryover at the same time last year.

According to Dr. A. B. Cox, professor of cotton marketing in the College of Business Administration, "the 1946-47 cotton year has been a hectic one to date, and promises to continue so until the end. Notwithstanding the wide fluctuations in prices, the fundamental behavior of the market as a whole has been normal for the type of strongly inverted market (a market in which current prices are higher than for delivery in distant months)."

Mr. and Mrs. Henry Banks made a business trip to Dallas Tuesday of last week, returning Wednesday.

## Cotton, Strawberries and Some Grains, Livestock Strengthen During Past Week

Cotton, strawberries, and some livestock strengthened last week, but other southwest farm products sold about the same or lower, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Corn climbed 13 to 16 cents per bushel last week, completely offsetting almost continuous losses during the fortnight. No. 2 white corn sold \$1.98 per bushel Friday at Fort Worth and Galveston; and yellow \$1.91. Oats went up four cents, to \$1.06 to \$1.08. Dull trading in other grains left prices little changed.

Wheat markets held firm; and planting of the new crop went forward last week in favorable weather. Alfalfa meal and wheat mill remained about the same, but feeds dropped \$2 to \$5 or per ton. Alfalfa hay sold \$2 lower, as prairie hay continued to demand. Increased tempo in planting in North Texas led to 15 cents per pound for seed and 21 for farmers' stock and 21 for Texas wool growers held 1947 clip awaiting clarification in market.

Wheat trading in cotton, prices gained around per bale. Middling 15/16 Friday at \$36.60 at Dallas New Orleans; and \$36.35 at New Orleans. Small supplies of high grades sell better.

Wheat saw little change, with prices at 26 to 28 cents per bushel and fryers 33 to 36. Eggs sold one or two cents per dozen at places. Week's price at Fort Worth averaged 36 cents; Amarillo 37; Topeka, Oklahoma 37; San Antonio and Fort Worth, 39; New Orleans, 42; Memphis, 44; and Houston, 45. Potatoes from the Lower Rio Grande Valley played out last week at \$2.75 per bushel sack for and \$2.50 to \$2.75 per half bushel for bantam, as the market was tight. Tomato demand slowed, and lug boxes of green wrapped \$5.50 to \$6, after reaching \$7 earlier. Dull shipping point caused most South Texas to roll unsold. Improved deficit Louisiana strawberries

to \$4.64 1/2 average for 24-pint crates. Most cattle sold lower at Texas markets last week, but other southwest terminals paid generally higher prices. The bulk of common to medium steers and yearlings brought \$13.50 to \$17.50 at Houston, while medium to average good kinds turned at \$18 to \$22.25 at San Antonio. Medium to good steers and yearlings cashed at \$18 to \$22.50 at Fort Worth; and \$20 to \$23.50 at Oklahoma City. Medium to good steers cleared at \$20 to \$23.50 at Wichita; and \$18.10 to \$24.75 at Denver.

Hogs gained generally 25 cents to \$1 for the week, but sows lost 25 to 50 cents at Wichita. Closing top price at San Antonio was \$23.50; Fort Worth, \$24.25; Oklahoma City, \$24; Wichita, \$24.75; and Denver, \$25.

Some lambs weakened at Texas markets, and stockers and feeders lost at Denver. Other sheep and lambs moved to higher. Good and choice spring lambs realized mostly \$19.50 to \$21 at San Antonio; \$21 to \$23 at Fort Worth; \$23 at Denver; \$22.25 to \$23.75 at Wichita; and up to around \$24 at Oklahoma City.

### SUGAR STAMP MAY BECOME VALID BEFORE JULY 1

The next sugar stamp may become good earlier than July 1, the originally scheduled date.

Cuban sugar is piling up in eastern seaboard refining centers and the government may change the effective date of the 10-pound stamp to expedite buying of the commodity.

Agriculture Department officials said that "if more sugar does not move into inland areas and into consumer pantries during the next few weeks, the nation may witness 'a sugar famine in the midst of plenty' later in the summer."

They explained that a shortage of freight cars may make it difficult to move sugar from the east after the new wheat crop starts moving to market in June and July. Large numbers of freight cars will be needed to move the new grain crop to ports for shipments abroad.

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

**LOS ANGELES RAISES PRIZE CATTLE** . . . Future Farmers of America, including Dowlin Young, 16, of Fullerton, Calif., entered their steers and cows in show held at Los Angeles, the first competition of its kind held in California since Pearl Harbor and the first ever held in Los Angeles. Twenty-three southland high schools were represented in the event. Dowlin is shown with his Jersey cow and calf. He had competition from 70 other members of the Future Farmers of America. Many leading agricultural leaders received their start in this organization, the Future Farmers of America. Dowlin did not win by accident—he has studied cattle breeds, feeding and management and reports that the University of California at Davis has helped him day by day.

## New Transportation and Storage Firm Locates Business In Littlefield

A new commercial activity is being added to fast-growing Littlefield.

Forbes E. Tatum of Seminole, Okla., is establishing the Tatum Transportation and Storage Company here. He has purchased truckage property, and plans are underway for the building of a large warehouse.

Mr. Tatum also has a home under construction on East Thirteenth Street.

According to reports, the Tatum Transportation & Storage Company will have accommodation for the removal of as much as eleven rooms of furniture at one trip.

**To Operate 11-Room Van**  
In addition to the 11-room van, this company's equipment will also include a heavy duty truck and a light city truck.

**Is Discharged Vet**  
Mr. Tatum is a discharged war veteran, and has been operating a similar business at Seminole, Okla.

Mr. Tatum also owned an interest in a trucking business at Hobbs, N. M., at one time.

Residences in physical medicine approved by the American Medical Association have been or are being established in Veterans Administration hospitals in Richmond, Va., Minneapolis, Minn., Denver, Colo., New Orleans, La., Los Angeles, Calif., and Portland, Ore.

## Springlake Junior-Senior Banquet Thursday Night

Springlake High school juniors entertained the seniors at a banquet in the school auditorium Thursday night which was served by the Women's Society of Christian Service.

Assisting in the serving were ten sophomore girls. Superintendent Bearden presided at the banquet.

Teachers and the class parents were guests at the affair.

### TECH STUDENTS DESIGN THREE COTTON DRESSES

Three cotton dresses have been designed and made by home economics students at Texas Technological College from fabric manufactured by the college textile engineering department. Two of the frocks were made of pale green chambray and the other was of purple and white gingham.

More than 90,000 patients were in Veterans Administration hospitals on the first of March. An additional 14,000 were in non-VA hospital furnishing beds to veteran-patients on a contract basis.

The National Guard

One of George Washington's most famous statements was this: To be prepared for war is one of the most effectual ways of preserving peace."

That should be remembered in the present troubled world. And it has an especial significance now that an aggressive effort is being made to build up the National Guard to its authorized strength of 682,000 men.

The Guard is a volunteer, civilian-soldier organization, and it has a long and distinguished record of service. It provides a priceless nucleus of trained men upon which an effective fighting force can be built in time of war. Units of the Guard were among the first to see action in the last conflict, and they fought gallant delaying actions while we worked against time to create a gigantic army. And war is not the only emergency which the Guard is called upon to meet. In every great disaster, from the San Francisco fire of 1906 to the ghastly explosion at Texas City a short time ago, the Guard has done a superb job as a protector of life and property.

To young men, the Guard offers an opportunity to learn new skills, to improve old ones, and to acquire experience in organization and leadership. Each member draws a full day's Regular Army pay for two hours of spare-time training a week, and for each 15 days of field training a year. To the community, the Guard is a proud local asset. It represents public service of the highest order.

Very few people are good economists of their fortune, and still fewer of their time.—Chesterfield.

American Enterprise Abroad

The responsibilities that fall upon American industry doing business in foreign lands is well described in the 1944 annual report of the Standard Oil Company of New Jersey.

It points out that if we are to have and to maintain a peaceful world, we must eliminate the underlying causes of war—chief among which are poverty and want, prejudice, fear, and the suppression of the rights of man. It then observes that when we do business abroad we become "outposts of the American way to peace and prosperity for the nations of the world. Within the framework of national policy as determined by the government and supported by the American people, we can do much toward a better tomorrow by the example of our policies and actions."

These are not idle words. One of the finest examples of American industry's contribution to a better world is found in Saudi Arabia, where American capital and ingenuity are now developing the region's enormous oil resources. In the process, we are giving the people of the region new and more profitable agricultural techniques. We are making tremendous contributions to education and medicine for the masses. We are raising the standard of living generally.

Thus, the American traditions of freedom, fairness and justice is carried far beyond our borders. This is a long step toward achieving the solidarity of free and pacific peoples.

No man can be provident of his time who is not prudent in the choice of his company.—Jeremy Taylor.

Outline Spray For Fighting Codling Moths (Worms)

A good spray against codling moths (worms) on apple or other trees is as follows:

First spray when all petals have fallen, using three pounds of 50 per cent DDT per hundred gallons of water; second, spray ten to fourteen days after number one with the same amount of DDT; third, spray fourteen days after number two, but use only two pounds of 50 per cent DDT per hundred gallons of water. A fourth spraying may be necessary in about two weeks after number three, with the same amount as number three.

Apples sprayed according to this schedule will not contain an excessive amount of DDT residue, which has been legally set at .05 grams per pound of fruit. This is the same tolerance as lead arsenate.

To make this spray effective for the small farmers, use 2½ table-spoons of 50 per cent wettable DDT for each one gallon of water.

Bob May of near Amherst sprayed his apple trees against codling moths last week.

written the Senate is still debating the question. Congress is further behind with its regular work than at any time in recent years, but Speaker Joe Martin is seeking to speed up the program with the hope of Congressional adjournment by July 15.

The most recent Washington highlight was the enthusiastic demonstration of welcome which greeted President Aleman of Mexico upon his arrival from Mexico City. Though he addressed the joint session of Congress in Spanish, which few people could understand, he got as much applause as Winston Churchill upon such an occasion several years ago. Everybody seemed to want to give a big hand in the name of the good neighbor policy.

The handsome Mexican president was apparently very happy over the reception given him. His young son, Miguel, did not seem so impressed. Observing the absence of skyscrapers in Washington—the tallest building being 15 stories—he told his Washington Boy Scout friends that he was anxious to go on to New York and see the sights!

All the knowledge and experience gained by successful cotton growers have been combined in the Seven Step Cotton Program, sponsored by the Texas A. and M. College Extension Service in cooperation with other interested agencies and groups.

Band Classes To Be Given

Band summer classes will be given under the direction of Don Hayes, musical director of Littlefield High school.

Students from both elementary and high school may attend. The fee will be \$10 for 10 weeks' school, which will start June 2.

High school students will be given one-half credit. All interested in band school should contact school officials as early as possible.

DELAY IN OLD-AGE WARRANTS

Warrants to recipients of Old-Age Assistance, Aid to the Blind and Aid to Dependent Children were being mailed from the State Department of Public Welfare offices in Austin, Monday, May 5, and will continue as rapidly as possible, according to Mr. Elam C. Caldwell of the local office of the State Department of Public Welfare. Mr. Caldwell states that this means recipients will receive their warrants for May a few days later than normally. This delay was occasioned by a delay in the Federal Congress on a deficiency appropriation making Federal money available to the states.

Elected JayCee Vice-President Of Region Two

Dan Jones Castles of Plainview who was recently elected vice-president of Region Two of the Texas Junior Chamber of Commerce, includes Littlefield. The convention was held in Fort Worth, April 24-26. Mr. Castles will serve Littlefield Junior Chamber of Commerce as state officer.

Mr. Castles is commercial manager of Southwestern Public Service Company, Plainview, Texas.

Present prices of cotton and tonseed are good and markets will be ample to take care of increased production, according to the U. S. Department of Agriculture.

SIDELIGHTS  
from  
WASHINGTON

By GEORGE MAHON

The chorus for one of the favorite popular songs begins like this:

"It's a good day for singing a song,  
It's a good day for moving along."

Well, the Republican-dominated 80th Congress is not moving along very fast. The Republican program is to cut government expenses, reduce taxes, and pass a few pieces of legislation otherwise. Government expenses are being cut. That comes as a necessary consequence of the conclusion of war spending. However, cuts being made are not as deep as had been promised. The House passed a tax reduction bill which will no doubt pass the Senate in a modified form.

Recently the Republicans, after much difficulty, passed through the House a bill continuing rent control. Some of them who had promised the people freedom from all government war-time regulations hesitated to vote for the bill but did so under strong pressure from party leaders.

Also during the same week an appropriation bill providing over-due GI Bill payments to veterans in college cleared both Houses and went to the President for his signature. Democrats chided the Republicans over the three months delay in getting action. This bill also carried funds to pay over-due cotton crop insurance claims.

Both political parties are reluctantly supporting the request for necessary funds to combat starvation overseas. These costs are very great to the American taxpayer. The principal relief item is wheat, and grain prices have risen as the demands have increased.

The House finally passed a bill designed to prevent abuses by labor and management, but as this is being

### Extension Recruits Insect Reporters

An army of "insect reporters" is recruited by the Texas A. and M. College Extension Service to fight insect pests this year. In every cotton-growing county in the state, county Extension agents are lining up volunteer reporters who will make weekly reports on infestations of boll weevils, boll worms, grasshoppers, plant lice and leaf hoppers. Texas cotton's five biggest insect pests. The weekly surveys, which will include information on location and extent of infestations, will be turned over to the county agricultural agents, who will tabulate and make recommendations for insect control when and where it is needed. Each county agricultural agent will submit his survey to Extension entomologists at Texas A. and M. College. The Extension Service's state-wide survey will be compiled by the Bureau of Entomology and Plant Quarantine office at Waco, and Texas A. and M. College Agricultural Experiment Station also prepare weekly insect reports. These reports, along with that of the Extension Service, are combined by the Experiment Station to form a state-wide survey on the cotton insect situation, to aid growers in fighting the pests. Insects hit cotton in near record numbers last year, and entomologists

### JOINS ALVIN WEBB IN ACCOUNTING OFFICE

Charles S. Smith, formerly of Ada, Okla., who is being discharged from the Air Corps, is now associated with his brother-in-law, Alvin C. Webb, accountant. Mr. Smith served as a glider pilot, and was seriously injured when he crashed while serving in the European area. The new Littlefield resident is married and has one child.

### F. S. Clement Attends Grain Dealers' Meeting

F. S. Clement, Littlefield elevator builder, attended the grain dealers' convention, which was held in Amarillo Monday. Mr. Graham was accompanied to Amarillo by H. S. Benson of the Sudan Elevator.

### RETURN HOME

Mr. and Mrs. H. W. Sewell returned Thursday after spending five months at Phoenix, Ariz. They both look and feel fine, and report they have purchased a home of three rooms and bath at Phoenix. They have been spending the winters at Phoenix for some time, and find it very beneficial to their health, especially for sinus trouble, from which Mr. Sewell suffers.

are predicting another big infestation this season.

### Large Number Is Expected to Enroll At Hardin-Simmons

Between 1,000 and 1,200 students are expected to enroll for the summer session at Hardin-Simmons University, according to Dean R. A. Collins, director of the summer session. Dean Collins stated that an increase of approximately 150 students is expected over last summer's enrollment of 900.

The summer session will consist of two six-week terms and one three-week term, making it possible for some students to complete as much as 17 hours of work by attending the three sessions.

Registration for the three summer sessions will be held as follows: First six-week term, June 3; second six-week term, July 14; and third three-week term, August 16. The first term will be from June 3 to July 12; the second from July 14 to August 19; and the third from August 20 to September 6.

Subjects to be offered during the summer sessions are art, Bible, biology, business administration, chemistry, education, English, French, Spanish, government, history, journalism, mathematics, physical education, physics, psychology, sociology, speech, and music, including organ, piano, voice, violin, theory, and public school music.

Although the schedule of classes is not complete, a tentative schedule has been posted in GI Hall on the campus. There will be a majority of the heads of departments in residence for the summer session, with the largest faculty in summer school history.

**'Beginning Or the End?', Dramatizing Today's Most Stirring World Question, at Palace**

The subject that has created more newspaper headlines and more popular discussion than any other in the history of America's rise to world power is treated with stunning impact in "The Beginning Or the End," the M-G-M picture which will be featured at the Palace theater Sunday, Monday and Tuesday, May 18, 19, and 20.

It is the story of the atom bomb, its conception, its beginning, its development and the miraculous feat by which this country gathered together the infinite resources, brains and labor of its military, scientific and industrial chiefs to produce the terrible weapon which wiped out Hiroshima, brought about the fall of Japan, and left humanity with President Truman's question: "Is it the beginning or the end?"

While interplotting a few fictional sequences involving the romance of a young scientist, representing the devotion of a wife whose husband gives his life to the development of the atom bomb, the story is in its essentials factual and keeps its audience spellbound with its unfolding

**NEW SPORT . . . Mrs. Mildred (Babe) Zaharias, national women's golf champion, tries her hand in a new field of sport. She is shown driving a trotter at Pinehurst, N. C., race track. She recently won the North and South golf title.**

**Russell Cook Now Connected With Ford Motor Co.**

Russell Cook, who has been operating a farm machinery business, the Western Implement Merchandise, at Oakland, Calif., representing nine manufacturers' agents as distributors for the past two years, has accepted the position of manager of the new Ford distribution for Southern California, Arizona, and part of Mexico, who will have exclusive distribution for all Ford tractors and equipment for that territory.

Mr. Cook stated that the Ford Motor Company is now coming out with a new tractor, and that he was en route to Detroit to get lined up with his new work. He said he would operate through Ford tractor dealers, and that in this particular territory he will have about 55 dealers to supervise.

He is setting up an office and warehouse in Los Angeles, in which there will be 25,000 square feet of floor space. He will only travel the territory part time.

Mr. Cook arrived in Littlefield Friday for a visit with his parents, Mr. and Mrs. C. L. Cook, en route to Detroit. He left here Sunday.

This is, indeed, an outstanding promotion for Cook, who is only 29 years of age.

Cook was in the service five years and, when released, was serving as a major in the Air Corps. He was one of the first group to go to Europe, and served in the European area and North Africa. For outstanding service he was awarded the Distinguished Flying Cross, Air Medal and 11 Oak Leaf clusters.

Mrs. Margaret Larry of Littlefield was admitted May 6, and released the next day, improved.

Mrs. Nelson Dudley of Olton was admitted for medical treatment May 6, and released Saturday last.

C. D. Nash of Littlefield is a patient of the Littlefield hospital, having been admitted May 7 for treatment.

C. E. Strawn of Littlefield was admitted Thursday last for medical treatment and, improved, was released from the hospital Friday.

Mrs. J. E. Jones of Olton was admitted for major surgery Friday and is doing as well as can be expected.

"Mutt" Houk was admitted Friday for medical treatment. He was suffering from a sprained side and appendicitis condition, sustained when he was helping a neighbor push a car out of the mud near his home Friday morning. He was released from the hospital Sunday.

C. E. Gilley of Littlefield was admitted for minor surgery Friday and released Saturday.

**Adequate Gas Equipment**

*Adds to Salability of Homes*

THE TIME WILL COME when the homes now being planned and built and remodeled will not be as easy to sell as they are now. Then the *plus* features, the *salable* features, will be important. Then modern gas equipment will be especially important.

Central Furnace

Floor Furnace

In this area natural gas is the preferred fuel. So, if you are building or planning a new home, look ahead to the time when you may wish or need to sell it. Equip it with the very best gas heating equipment you can possibly afford. If you want the best, install a forced-air central furnace. Another good type of heating equipment is the floor furnace.

A good gas heating plant will add more to the salability and the livability of a home than any other feature of similar original cost.

*West Texas Gas Company*

**TCU Graduating Exercises June 1**

Gaines M. Cook of Indianapolis, secretary of the International Convention, Disciples of Christ, will deliver the commencement address at exercises to be held for the TCU graduating class at Fort Worth, at 8 p.m., Sunday, June 1.

The Rev. Granville Walker will conduct the baccalaureate sermon at 11 o'clock that morning at the University Christian Church, where he is minister.

The Rev. Mr. Walker will receive the Doctor of Divinity degree at the graduation exercises, and Mr. Cook will receive the honorary Doctor of Laws, along with Ed Landreth, Fort Worth oil man and TCU trustee.

Approximately 222 students will receive degrees in June—188 Bachelor's, 30 Master's, and 4 E.D.'s.

of the gripping events leading up to America's entry into the race to solve the problem of atomic fission. It continues its dramatic tale with Professor Albert Einstein informing President Roosevelt of the military potential of atomic knowledge, upon which the President authorizes expenditure of two billion dollars to build the atom bomb, and the race to get there first begins.

Exciting moments and suspense pervade the scenes of the momentous Chicago "brick pile" test, President Truman's memorable scene in which he orders General Leslie R. Groves to test the bomb, its fearful detonation over the New Mexico desert, and the spectacular climax in which the crew of the "Enola Gay," not knowing whether they will return, fly over Hiroshima and drop the world's top secret weapon which obliterates the Japanese city.

Producer Samuel Marx and Director Norman Taurog drew upon all the resources of M-G-M in depicting this tremendous drama, including the pick of the studio's contract list, and they chose well. In the role of General Groves, hard-hitting chief of the atomic project, Brian Donlevy gives a clean-cut, incisive performance, aided by the sterling work of Robert Walker, as Colonel Jeff Nixon, his Army observer. Tom Drake and Beverly Tyler are immensely effective as the altruistic scientist and his young bride, Audrey Totter gives sparkle and freshness to the role of General Groves' confidential secretary, Hume Cronyn is excellent as Dr. J. Robert Oppenheimer, and the world-known late President Roosevelt, President Truman and Professor Einstein are depicted with remarkable likenesses by Godfrey Tearle, Art Baker and Ludwig Stossel, respectively. Others who merit attention in a spectacular cast of 212 speaking roles are Hurd Hatfield, Joseph Calleia, Victor Francen, Richard Haydn, Jonatan Hale, John Litel, Henry O'Neill, Warner Anderson and Barry Nelson.

"The Beginning Or the End" is one of the inspired motion pictures of our day. It is a picture that will be remembered for years to come.

Apples may be kept several months in their natural state if they are in good condition when stored.

**At the— Littlefield Hospital**

Bobbie Owen, son of Mr. and Mrs. J. E. Owen, of near Bula, was admitted Sunday, May 4, for medical treatment, suffering from pneumonia. He was released after four days' treatment.

James Barnett of Olton was admitted Sunday, May 4, suffering from pneumonia. He was released Friday, much improved.

Mrs. O. L. Tomlinson of Anton underwent minor surgery at the hospital Monday, May 5, and was able to go home the next day.

R. A. Lewis of Olton was a patient at the hospital five days recently for medical treatment. He was admitted on May 5, suffering from a chest cold and, much better, was released Friday.

Mrs. Bill Yates of Olton underwent a tonsilectomy on Tuesday, May 6, at the hospital, and returned home the next day.

## Miss Sammie Akin and Truman Parker Married

Mrs. E. M. Akin is announcing the marriage of her daughter, Miss Sammie Akin, to Truman Parker, of Artesia, N. M. The marriage took place at Tatum, M., Saturday, February 15. The bride has lived in Littlefield for the past ten years, and will graduate from the Littlefield High school Friday evening. The groom is a former resident of Eldon, having moved to Artesia January last, where he and his father are operating an irrigated farm of 55 acres. He spent two years in the Navy, and was released about a year ago.

The Occupational Therapy department of the Veterans Administration hospital at Batavia, N. Y., adapted the foot and hand looms for blind veteran-patients by "writing" patterns on Braille boards. When the blind moves a wooden peg opposite board's pattern lines, he can weave without assistance.

## Rev. Ruth Johnson, Virgel Zimmerman Marry at Dallas

Rev. Ruth Johnson, pastor of the Foursquare Church of Littlefield, became the bride of Virgel L. Zimmerman, son of Mrs. Stella Zimmerman, of Littlefield, at Dallas, Sunday, April 20.

The beautiful double-ring ceremony was performed by Dr. Charles R. Gaines, supervisor of Gulf States, at the Foursquare Gospel Church, Dallas, at 3:30 o'clock in the afternoon.

The bride wore a pink dress and a halo of flowers, with a shoulder veil, and carried a white prayer book topped with a bridal bouquet of Vando orchids.

She also wore a gold bracelet, the gift of the groom.

The groom wore a brown suit. Mrs. Genevieve McDill served as matron of honor, and John Paul Zimmerman, brother, attended the groom. Rev. LeRoy McDill, pastor of the Dallas Foursquare church, sang "Because," and Mrs. Fred Walker played the wedding music.

A reception was held following the ceremony at the home of Mr. and Mrs. D. C. Johnson, brother and sister-in-law of the bride, at 6012 Marquita Street, Dallas, at which about fifty attended.

Following the reception, the couple took a wedding trip to Spring City, and Savannah, Tenn., and after spending two weeks returned to Littlefield May 3, where the bride has resumed her pastorate.

## 'Old West' Rodeo To Be Featured At Lubbock June 11-14

A colorful parade of the Old West featuring \$100 in cash prizes for the best old-time rigs will open the 1947 ABC Rodeo in Lubbock, June 11-14. The parade will be at 2:30 p.m., and will be led by the Amarillo Range Riders.

Gene Autry, stage, screen and radio, star, will be presented as one of the top attraction of the World Championship Rodeo from the Lightning C Ranch, Dublin, Texas. This is the same rodeo that is presented annually in Madison Square Garden in New York.

With the possible exception of merchants' floats, there will be no motor-driven vehicles in the parade. Lambert Eaton, chairman of the rodeo parade committee, urged all people owning covered wagons, buggies, buckboards, stagecoaches, or any other type of old-time vehicle to enter the old-timers' contest. Contact him by writing in care of the ABC Rodeo Committee, 1007 Main, Lubbock, Texas, or by telephone at Lubbock 4651. He also issued a special invitation to people owning horses and to roping clubs to join the parade.

The Veterans Administration hospital at Framingham, Mass., instituted a series of 21 lectures sponsored by the Educational, Retraining Service on small businesses for paraplegic veteran-patients who plan to go into business when they are discharged from the hospital.

**MEXICAN PRESIDENT** Pres. Miguel Aleman of Mexico, who has been touring America. He warned would-be aggressors that the American republics will stand guard together over hemisphere security. He also consulted Washington about loan to Mexico.

## Miss Helen Wright And Sgt. F. A. Rico Wed at Pasadena

Mr. and Mrs. R. E. Wright of Anton have announced the marriage of their daughter, Miss Helen Earlene Wright, to Sgt. Frank A. Rico, son of Mr. Peter A. Rico, of East Wolfboro, New Hampshire.

The double-ring ceremony took place at the beautiful Chapel of Roses in Pasadena, Calif., at 4 p.m. Saturday, April 26. T/Sgt. and Mrs. Wendell O. Swisher of Amherst, Texas, served as best man and maid of honor.

The bride wore an aqua dress with white accessories and carried an orchid. The maid of honor was clad in pink with black accessories and wore a corsage of white carnations.

Following the wedding, an informal reception was held at the Hotel Constance in Pasadena.

Mrs. Rico, a graduate of Anton High school, has been employed in Civil Service at Sergeant Rico's present station, on the Mojave Desert.

Sergeant Rico, a graduate of the Brewster Academy in Wolfboro, N. H., is assigned to an Army Air

## Local Chapter Order of Eastern Star Elect Officers Friday

At the regular meeting of the local chapter of the Order of Eastern Star Friday evening, officers for the coming year were elected, as follows:

Mrs. John A. Price, worthy matron, taking the place of Mrs. Wm. Rumbach; N. N. Frey, worthy patron, succeeding Marvin Keever, of Anton; Mrs. Sidney Hopping, associate matron; A. S. Parrack, associate patron; Mrs. Allan White, conductress; Mrs. Quinton Bellomy, associate conductress; Miss Lula Hubbard, secretary; and Mrs. Eugene Johnson, treasurer.

Installation of officers will take place Friday, June 30, with Mrs. Pat Boone as grand installing officer; Mrs. Pauline Smith, of Lubbock, district grand deputy matron, as installing marshal; Mrs. Ollie Ruth Chenoweth, of Slaton, as grand installing chaplain; and Mrs. G. M. Shaw, grand installing organist.

Forces Navy research project of three B-29's based with the Naval Ordnance test station at Inyokern, Calif. The couple will reside at Inyokern.

"DUEL IN THE SUN" Ritz Theater, May 24. (Adv)

Before a fertilizer is offered for sale in Texas, it must be registered with the state chemist, and must meet requirements of the fertilizer law.

## Miss Lois Sinclair Is Needle Club Hostess

The Needle Club met with Mrs. Lois Sinclair, near Levelland, with nine members present. The afternoon was spent quilting and playing games.

Mrs. Lillie Mae McManaman, the former Miss Lillie Mae Montgomery, was honored with a wedding shower. The club will meet May 22 with Mrs. Ruth Brewster.

## Five Candidates To Be Initiated Into OES Friday

A called meeting of the local chapter of the Order of Eastern Star will be held Friday evening, May 23, when five candidates will be initiated.

Those who will be received into the chapter are: E. L. Owens, Mrs. W. E. Lavender, and Mrs. F. L. Newton, all of Littlefield; Mrs. Coy Brooks, of southwest of town, and Mrs. J. R. Kuykendall, of near Spade. Two new members by demit have applied for membership. They are: Mrs. Harry Woody of Spade, and Mrs. Margie Nicholson of Anton.

Visitors were Mrs. Jesse New, Mrs. Bill Eudy and Mrs. Les Sinclair.

## From where I sit... by Joe Marsh

### Industry Looks at Our Town

Maybe you read how a group of industrial experts have decided that the small town is the place for industry—not big cities. Reasons they give are better housing, pleasanter living, and more opportunity for wholesome recreation.

Well, looking around our town you'd say that was about right. Most of us own our homes, and keep them looking nice; we enjoy each other's company; and our recreations are mostly simple outdoor sports, and in the evening a mellow glass of beer with pleasant company.

As Doc Walters says, that sort of life just naturally sets you up for work the next day... whether it's in office, mill, or field. And Doc should know. He works fourteen hours, but never misses his morning "constitutional" or his evening glass of beer with friends.

From where I sit, any industry could profit from being in a town where wholesome living, temperance, and friendship are the rule.

Joe Marsh

BACK AGAIN A MATCHLESS BLEND OF FINE COFFEES

Non-operating railroad unions are demanding still another raise of

# \$568,000,000.00 a year

## You would foot the bill!

Look out! There's another big railroad wage demand headed your way! The non-operating unions alone—whose members do not actually operate trains—are demanding a flat increase of 20 cents an hour. These demands would cost the railroads of the country five hundred sixty-eight million dollars a year!

Last year these employees had an increase of 18½ cents an hour. This was their third major wage increase since 1939. Their average weekly pay has gone up 75%, as against a cost-of-living rise of 54%.

Since 1939, railroad wage and material costs have gone up more than three times as much as freight rates, and five times as much as passenger fares. That is why in

1946, with the largest peacetime traffic in history, the net income of railroads went down to the equivalent of only 2¼% of the net property investment.

What About 1947? Even with the recent freight rate increase, preliminary figures indicate that the railroads will make only about the same low return in 1947 as in 1946. This will be because: —the wage increase made in 1946 will be in effect for all of 1947;

—special payroll taxes on railroads have recently been increased; —and passenger traffic has declined.

### Where Would the Money Come From?

We can't pay out what we don't take in. And we are not taking in enough now to meet present costs and to complete the improvements in service that you need and that we want to give you.

You Would Foot the Bill!

105 WEST ADAMS STREET • CHICAGO 3, ILLINOIS

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

Everyone is welcome to worship with us.

**CHRISTIAN SCIENCE SERVICES**  
"Mortals and Immortals" is the

subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 18.  
The Golden Text is: "The earnest expectation of the creature waiteth for the manifestation of the sons of God" (Romans 8:19).  
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after

the Spirit" (Romans 8:1).  
The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mortals give up the delusion that there is more than one Mind, more than one God, man in God's likeness will appear, and this eternal man will include in that likeness no material element" (page 191).

Mrs. A. Beckner Hostess to Methodist Ladies Monday

Mrs. A. Beckner was hostess to the Methodist Women Society of Christian Service Monday evening, May 5. Mrs. Dunnam, study chairman, had charge of the second section of the study, round table questions and discussions on "Cause of Race Attitudes" were discussed by the leader and group. Mrs. Roy Wade had charge of the devotional. Reading of hymn, "Fairer Lord than Scripture, Acts 17:22-28, with prayer by leader and close with prayer in unison. Those present were Meses. Roy Wade, Paul Pharris, Floyd Ferrell, Clark, R. Brotherton, Willis Giddens, Bertha Symthe, H. R. Bilders, C. B. Campbell, J. H. Lippard, Mrs. Evans, J. E. McGee, Houston Over, S. M. Dunnam, Buster Over, Belle Dow, R. L. Boykin, and hostess.

Last Rites Held For Father of Mrs. Forrest Reeves

W. O. Hightight, father of Mrs. Forrest Reeves, passed away at his home at Lubbock Tuesday morning of last week, at 11:15, after about two years' illness. Funeral services were conducted Thursday afternoon last at 3 o'clock in the Foursquare Church at Lubbock. Rev. J. H. Hansen, pastor, officiated. A Lubbock funeral home directed burial in Memorial cemetery. Survivors include his wife, Mrs. Anna Hightight; four daughters, Mrs. Reeves of Littlefield, and Mrs. Charlie C. Bruce of Brownfield, Mrs. Wm. H. Booker of Lubbock, and Mrs. John B. Pope, III, of Nashville, Tenn.

Mr. and Mrs. J. D. Evins visited her parents, Mr. and Mrs. T. E. Moss, at Olton recently.

Office Supplies at the Leader Office

DENMARK'S KING . . . King Frederik IX, Denmark, who became head of the ancient throne upon the death of his father, King Christian X, 76-year-old monarch, who ruled his country for 35 years.

Barto Ramsey Takes Over Agency For Amarillo Times

Barton Ramsey has announced that he is taking over the agency of the Amarillo Times, beginning May 15, and that he will appreciate the business of his friends who desire to read the Amarillo Times and solicit new readers. Mr. Ramsey asks that renewals be left at the Fruit Stand on Highway 21, or from the Magnolia.

Two Local Graduates At San Angelo, Tex.

The Shannon West Texas Memorial Hospital, San Angelo, will hold its commencement exercises Friday, May 16, when the largest class in the history of the hospital will graduate. Miss Jeannette Peebles, daughter of Mrs. Oleta Baucom, and Miss Bettye Pinkerton, daughter of Mrs. Otis Witcher, both of this city, are members of the graduating class.

Following an extensive three-years' course, prescribed by the state, the class will receive their awards at the commencement exercises held at the Episcopal church, May 16.

Dr. R. L. Powers will be guest speaker of the evening. Dr. William C. Hixon will present the diplomas, and Miss Maurine Bridwell, director of nurses, will present the school pins.

Mr. H. E. Jackson will represent the board of trustee, and will present the scholarship award to the most outstanding student of the class.

There are 24 young ladies graduating in the class. Immediately following the exercises, a reception will be held in the Indian Room at the Hotel Cactus.

A series of parties have been planned in honor of the graduates, including a going-away party at the Melody Club, May 9.

PRAISES NEW ROAD

Roy Gerik, young farmer of the Pep section, was a visitor at the Leader office a few days ago. "It will be mighty nice to have that new paved road to Littlefield," he commented.

Grade and drainage work has been started on the new road, which will extend a distance of six miles south from the East-West road to the Pep section.

Cotton, in its fight for markets, has one big advantage: no other fiber, with the single exception of foreign cotton, can substitute for American cotton in all its markets or in all its uses.

May 19-24 has been proclaimed National Cotton Week.

Advised to Make Pressure Canner Gauge Test

Running a test on the steam gauge of the pressure cooker now will save many a housewife trouble during the canning season.

Correct operation of the pressure gauge is all-important in home canning, says Miss Gwendolyn Jones, food preservation specialist of the Texas A. and M. College Extension Service. Proper processing of low acid vegetables and meats depends on whether the gauge registers correctly.

If the gauge is "off", warns Miss Jones, food may be under-processed and lost by spoilage, or it may be over-cooked, which results in the loss of food value and flavor.

The food preservation specialist urges homemakers to watch for an announcement from their local county home demonstration agent about pressure cooker clinics which are being held over the state. At these meetings, the homemaker may take her cooker in and have it inspected and tested.

CARLOADINGS UP

Santa Fe System carloadings for the week ending May 3, 1947, were 24,697, compared with 22,279 for the same week in 1946. Cars received from connections totaled 11,045, compared with 10,656 for the same week in 1946. Total cars moved were 35, compared with 32,935 for same week in 1946. Santa Fe handled a total of 36,581 cars in the preceding week of this year.

Mr. and Mrs. W. S. Savage left Sunday for Bonham, Texas, where they are visiting her mother, Mrs. Minnie Moore, and her sister, Miss Albie Cooper. They expect to be gone two or three weeks.

Spinning tests have shown Texas cotton, variety for variety, to be as high in quality as fiber from any state in the cotton belt.

Cotton in America means a livelihood for over 15 million people, and represents an investment of nearly eight billion dollars.

**BROWN COUNTY REUNION May 17**

The Brown County Reunion will be held Sunday, May 18, at MacKenzie Park, Lubbock, on the north side of the park, with basket lunch at 1 o'clock p.m.

All Brown county folks are urged to be in attendance.

**ARRIVES AT SAN FRANCISCO**

Cleston L. Orr, pharmacist's mate, third class, son of Mrs. Beulah Orr Massey of Littlefield, has arrived at San Francisco, Calif., aboard the transport USS General A. E. Anderson. The Anderson is transporting civil service workers, Navy and Marine personnel from Pacific bases to the United States.

**A MIGHTY ARM OF THE FLEET . . .** The U.S.S. Wisconsin, one of the navy's mighty battleships, played a prominent role in World War II. The 45,000-ton battlewagon mounting 16-inch guns also has been assigned a peacetime task—that of carrying naval reserves on training cruises. To focus attention on the current drive to enroll recruits in the naval reserve, "Operation Naval Reserve" will be conducted the week of May 18-25. Culminating the campaign, Naval Reserve Day will be observed May 25. Special activities are planned in communities throughout the nation to aid the enrollment drive. The naval reserve, the civilian branch of the navy, is composed of both veterans and non-veterans. Its prime purpose is to develop and maintain a source of trained personnel from which the navy may draw if necessary in a national emergency.

**CHANGE RESIDENCE**

Mr. and Mrs. Clarence Davis moved Friday to 605 East Seventh Street, formerly occupied by Mr. and Mrs. Durwood Howell, who left recently to make their home at Abilene. Mr. and Mrs. Bob Kirk at the same time moved to the Sid Hopping house in the Griffin Addition, where Mr. and Mrs. Davis had formerly lived.

**PARKING SPACE SHORTAGE**

A shortage of automobile parking space has been noted at Texas Technological College, despite the fact that the campus covers well over two square miles and is said to be

the largest in the world. More than 3,000 cars were counted on an average morning recently, and it has been estimated that as many as 4,000 vehicles crowd the grounds at times.

**Rheumatism and Arthritis**

Doctors differ as to the merits of NUB-OVO. Many users say it has brought them relief. If you suffer from Rheumatism or Arthritis why not write for literature on NUB-OVO from Research Laboratories, Inc., 403 N.W. 9th, Portland, Oregon. Pd. Adv.

**All Lamb County Schools Close During This Month**

Lamb County schools are all closing by the end of this month, according to County Superintendent J. Ernest Jones, who stated that the Amherst schools are closing this week as are Littlefield, and that from now on until the end of the month the other schools in the county would do likewise.

**Retirement After 30 Years**

Mr. Jones also stated that the amendments to the teacher retirement law passed recently made several changes, including one which provided that any teacher teaching 25 years in Texas schools, being a member of the teachers' retirement system, may retire and start drawing retirement benefits when they become 60; another amendment provided that any teacher teaching 30 years in Texas schools may retire and start drawing retirement bene-

fits immediately, no matter what age; and another amendment provided that the prior service be figured at 2 per cent instead of 1 per cent as previously.

**Law to Determine Salaries**

Mr. Jones stated: "Legislation providing \$55 per capita and \$2,000 minimum salary for teachers who are beginners, with a degree, passed some weeks back, but we still do not have equalization laws for the Texas schools. The House passed an equalization law and the Senate is working on one, but has not approved a bill. All schools of Lamb County are rural aid schools, and the equalization law will determine largely what was received. We know we are going to get \$55 per capita money, but that will not be sufficient alone to raise our teachers' salaries to a \$2,000 minimum.
