**Lots of Hot Water  
With Natural Gas**

Hot water spells freedom to the housewife ... freedom from the old-fashioned tea kettle and from the tyranny of an uncertain supply. Hot water makes light work of laundry, dish-washing, cooking, and cleaning, as well as baby-care and health and beauty routines. Every household can afford the luxury of WATER HEATED BY NATURAL GAS. The extra economy and satisfaction of an AUTOMATIC GAS WATER HEATER soon pays for the cost. After the war, look for the embodiment of new ideas in the science of water-heating by gas, and make your plans now to enjoy these benefits.

**Miss Dorothy Fraley and  
Tec. Sgt. Griffith Wed Sunday**

Miss Dorothy Fraley, daughter of Mr. and Mrs. Walt Fraley of Ropesville, Texas, formerly of Littlefield, became the bride of T-Sgt. Kenneth Griffith, also former Littlefield resident, but now stationed at Lubbock Army Airbase, as a mechanic of the ground crew, Sunday afternoon, at Ropesville.

The beautiful double ring ceremony was performed at the First Baptist Church, Ropesville, with the pastor, Rev. H. D. Hitt, officiating. Misses Nadene Hitt and Tyjuana Fraley sang "I Love You Truly," preceding the ceremony.

The bride was lovely in a blue dressmaker suit with white and russet accessories. Her corsage was of Talisman pink rose buds.

For "something borrowed" the bride wore her mother's wrist watch, and for "something old" and for "something blue," she carried her grandmother Fraley's handkerchief.

Her attendant was her sister, Miss Tyjuana Fraley, who wore a brown dressmaker suit with white and tan accessories. Her corsage was of roses

of a salmon shade. Attending the groom was Carl Kiser of Odessa.

The bride is a graduate of Ropesville High school with the class of 1933.

The groom, after spending 33 months in overseas service, returned to the States in October last, and is now stationed at the Lubbock Army Airbase. He is a mechanic with the ground crew.

T-Sgt. Griffith and his bride were sweethearts throughout their school days in Littlefield.

Following the ceremony a reception was held at the home of the bride's parents at Ropesville.

The refreshment table was laid with lovely lace cloth, centered with a two-tiered white wedding cake bearing a miniature bride and groom. Refreshments were served to about 25 guests present.

Guests at the reception included Mr. and Mrs. Lon Campbell and Mr. and Mrs. Beaman Phillips of Littlefield, and Mr. and Mrs. E. O. Melver of Brownfield.

**Re-Organize Woodman Circle;  
Elect Officers**

Mrs. Laura E. Krebs, National Committeewoman and State Manager of Northwest Texas for the Supreme Forest Woodmen Circle, was in Littlefield for the re-organization of the grove here.

The meeting was held recently in the American Legion Hut and was called to order at 8:30 p. m. by Mrs. Krebs.

Mrs. Krebs appointed the following officers to assist her in the initiation and installation of the new officers: Mrs. Katherine Rumback, Advisor; Mrs. Vera Drake, Chaplain; Mrs. W. T. Clayton, Post Guardian; Mrs. Iola Cockerham, assistant attendant, and Mrs. Lola E. Adkins, attendant.

Twenty-two new members were initiated and new officers were elected and installed for the following year.

A new name was given the grove, Loyalty. It had been called the Jennie Lindbloom grove from the time it was first organized here in 1937.

Following the business meeting, talks were given by Mrs. Krebs, Mrs. Clayton, Mrs. Drake, Mrs. Rumback and Mrs. Hall, who has been a member of the Woodmen Circle for more than 25 years.

A gift was presented Mrs. Krebs and Mrs. Ruby Blair, retiring secretary, by the grove.

Regular meetings will be held at the Legion Hut each second and fourth Tuesdays at 8:00 p. m., each month.

Mrs. Rumback, Mrs. Adkins and Mrs. Theford served refreshments to the guests and new members.

Mrs. Clayton and Mrs. Drake have transferred their memberships here from Plainview. Mrs. Drake is the Guardian for Loyalty Grove.

All members are urged to attend Tuesday, April 10. Several new members are to be initiated.

Officers are requested to attend the officers meeting to be held in the home of Mrs. Adkins Friday night, April 6, at 8 o'clock.

**Lieut. And Mrs. W. D.  
Inglis Honored At  
Bridal Shower**

Lieut. and Mrs. W. D. Inglis of Spade were honored with a shower Tuesday afternoon from 3 until 5 o'clock at the home of M. C. Bierman.

The receiving rooms were decorated with apple and cherry blossoms. The diningroom table was covered with a beige crocheted cloth and centered with a coral pottery lilly pond.

Mrs. W. E. Bentley met the guests at the door, and Miss Boyce Anderson and Miss Patsy English were the register. In the receiving line were Mesdames Anderson and Inglis, mothers of the bride and groom.

After two interesting contests were conducted by Miss Loyd Brewer, the guests wrote their advice to the bride, and groom. Since the honored couple were not present on account of government orders to report to Florida, Mesdames Anderson and Inglis received and opened the gifts.

These were presented in the form of a parcel-post package. They received 49 very useful gifts.

Refreshments were served to 27 guests from Anton and Spade. Many who could not be present sent gifts.

Mrs. Inglis is the former Mrs. Clara Ann Anderson, a graduate of Spade High school, and Draughton's Business college.

Co-hostesses were Mrs. W. E. Bentley, Mrs. Loyd Brewer and Mrs. M. C. Bierman.

# Brave Little Hearts ..THAT.. Will Never Forget

Hard and cruel have been the lives of young ones in war-torn countries. Children like these—30 million of them—are hungry, homeless, nearly naked. Deaths from exposure are often as many as deaths from starvation. Tuberculosis and typhus run rampant among them.

Never will their brave hearts forget the horrors of war. Never will their grateful hearts forget your gift of the clothing they so sorely need—clothing which now hangs unused in your closet—or reposes forgotten in your attic.

And remember, these pitiful children of today will be our proud partners of tomorrow in keeping the permanent peace we are all fighting for! Isn't their everlasting friendship worth your spare clothing?

America must help clothe about 125 million men, women, and children in Europe alone. This month, America must collect 150 million pounds of serviceable used clothing to take care of part of their needs.

Some of that clothing *must* be yours—as much as you can spare.

Will you do your share today?

### What YOU Can Do!

- 1 Get together all the serviceable used summer and winter clothing you can spare. This includes: Men's, women's, children's, and infants' wear, and shoes. Overcoats, raincoats, suits, dresses, shirts, skirts, jackets, pants, work clothes, gloves, underwear, sleeping garments, robes, sweaters, shawls, and all knit goods. Also blankets, bedclothes.
- 2 Take your contribution to your Local COLLECTION DEPOT now or arrange to have your LOCAL COMMITTEE collect it before April 30th.
- 3 Support your Local Committee not only with your clothing contribution but also with your time, effort, and energy.

## Camille Arnold and Travis Robison Wed

Wilson, officiating minister, used an impressive Westminster single ceremony, with a background of organ music played by Mrs. Mrs. Haydon was dressed in a gown with a red note print. She wore a large picture of black straw, and a corsage of gardenias.

Mrs. Robison carried the white which was used in her mother's wedding, and for this occasion she was showered with pink ribbons. She was crowned in an al model of ice blue crepe hand-fagotted yoke and deep combined with a softly draped crepe skirt. Her hat was a off-the-face straw with short for a travelling costume, Mrs. on chose a black light-weight with blue trim and accessories. "going away" corsage was of gardenias.

The bride's mother wore a suit of

medium blue crepe with white accessories and her flowers were a shoulder corsage of white carnations. Mrs. J. T. Robison, the groom's mother, was gowned in brown sheer combined with pink, and her ensemble was completed with a shoulder corsage of pink carnations.

The ushers for the ceremony were J. Frank Brown and Wilbur Smith of Texarkana, and Pfc. Charles Dryden, and Apprentice Seaman Bob Talley, both the latter seniors at the Southwestern Medical school, Dallas, and both being Phi Beta Pi fraternity brothers with Travis Robison.

The chancel of the church was exquisitely decorated. In the center was the altar with the cross and brass candle sticks on either side. In the background and upon both sides were many seven pointed candelabra against a rich, wine dossier. Numerous baskets filled with white bridal wreath and white iris, others with white Easter Lilies, snap dragons, white stock, and calla lilies, tied with large casual bows of white satin, were gracefully arranged in the chancel and before the altar.

The bridegroom is the son of Dr. and Mrs. J. T. Robison, 3019 Wood street, Texarkana. He graduated from Texarkana, Texas, High school, Texarkana college, and took his junior year in Texas university, doing pre-medical work there. Upon his induction into the Army he was enrolled as a medical student in the Southwestern Medical school at Dallas, from which he will graduate in August. His rating is Private First Class. He is a member of the Phi Beta Pi Medical fraternity, and is recognized as one of the finest young men Texarkana has produced.

### Junior-Senior Banquet Friday

The Junior-Senior class of the Littlefield High School will have as their guests the members of the Senior class at a banquet in the basement of the Methodist Church Friday evening.

This will be a formal occasion marking the highlight of the social season for the high school set. A program is being planned with the members of both classes contributing numbers.

Music will be furnished by the recently organized High School orchestra.

### Clothing Drive—

(Continued from Page One)

Simon D. Hay, president of the Sudan Rotary Club, in charge of the drive at Sudan, have organized their workers for the drive. Mrs. Hugh Johnson, president of the 1935 Study Club at Sudan, has appointed Mrs. Reba Jenkins, principal of the Grade School, as chairman of the clothing drive. They are organizing and getting ready to go, and report that already some clothing have been received at the Sudan Red Cross office.

A system of collecting, sorting and shipping will be carried out.

Only good sturdy clothing is wanted—clothing either for winter or summer wear that still has a lot of good left in it. No "frippers" such as evening dresses, open heel and toe shoes, high heeled shoes, or women's hats are wanted. The clothing is for people who in some cases have only enough clothing in an entire family for one member to venture out in public at a time.

What is needed is good men's, women's, boys' and girls' clothing of all kinds—from underwear to warm caps and gloves. Baby clothes, especially knit goods are particularly needed. All kinds of bedding is in urgent need, if it is in serviceable condition, including sheets and pillow cases.

Usable piece goods, either cut or uncut, of a yard or more in length have been requested, as long as they are not rags or badly damaged, dirty or worn-out fabrics.

Shoes, of a durable type with low or medium heels are in demand, and all shoes collected should be in pairs, firmly tied together, with the size marked on the soles with chalk or crayon.

The donated clothing will be sent to the war-devastated countries on the basis of the greatest immediate need and available shipping space.

Final instructions will be published in this newspaper next week.

## South Plains Men The Armed Forces

EIGHTH AIR FORCE BOMBING STATION, England.—Robert Henderson, 24, of Sudan, Texas, was promoted from corporal to sergeant. Sgt. Henderson is tail gunner on a B-17 Flying Fortress par-

ticipating in Eighth Air Force bombing attacks on targets in Nazi Germany. The sergeant is a member of the 34th Bomb Group, a unit of the Third Air Division, the division cited by the President for its now historic England-Africa shuttle bombing of Messerschmitt aircraft plants at Regensburg, Germany. Sgt. Henderson is the son of Mr. and Mrs. Claudias M. Henderson, Sudan. His

wife, Mrs. Barbara J. Henderson, and son, Robert, live in Canadian, Texas. A 1940 graduate of Hammond High school, Hammond, Okla., the sergeant was a student at Oklahoma A. & M. before entering the Army Air Forces in September of 1941.

AN EIGHTH AIR FORCE FIGHTER STATION, England.—2nd Lt. Madison H. Newton, route 1, Anton, Texas, was one of four Mustang pilots on a prowl at low level over Nazi transport centers at Warburg and Norheim, Germany, the other day with claims of: Five locomotives exploded; 25 box-cars and their contents sprayed with hundreds of rounds of incendiary and armor-piercing ammunition and two large fuel storage tanks exploded, hurling wreckage hundreds of feet across the countryside. Leader of the flight was Capt. George A. Doersch of Seymour, Wis., who said, "As I fired on the first fuel storage tank, it exploded violently in flames, throwing pieces of wall as large as a house through the air and scaring us, but not damaging our planes." Others in the flight were Lieut. Milton S. Merry, Detroit, Mich., and Lieut. Earle S. Newcomer, Reading, Pa. All are members of the 359th Fighter group, which has destroyed more than 300 Nazi aircraft and shot up hundreds of ground targets ahead of the Allied armies invading Germany.

The Leader was pleased to receive the following letter from Pfc. Robert F. Hillingsworth, of the Medical Corps, stationed in the European area, and formerly of Anton, which we are passing along, thinking it will be of interest to his many friends in Littlefield and Anton.

"Received today my first copy of Lamb County Leader. It was nice to read some local news. I just hope I can receive the papers regularly, as I like to keep up with friends at Anton and Littlefield, and boys in the service.

"I just wish I were back to enjoy being in West Texas with family and friends.

"Marseille, where I am stationed with 235th Gen. Hosp., is one of France's most cosmopolitan cities. However, well, a person is located here, he does not want to stay.

"Hope to be in Littlefield in not too many months.

"Yours respectfully,  
"Robert F. Hillingsworth."

### Introducing the Seniors of Spring Lake High School

Following are part of a series of articles Introducing Seniors of Spring Lake High School. These articles were prepared for publication by Sophomores of Spring Lake High School.

#### OUR NEWEST SENIOR

The newest member of the Senior Class is Maunelle Taylor. Maunelle was born in April of 1928 at Windom, Texas. She started to school there and has always been one of the leading pupils.

When she was a freshman her physical education teacher gave her the well-fitted nickname "Deanna Durbin." She was the secretary of her class that year and the two years to follow. Too, she had the honor of being declared Windom's High school queen for the year 1943-44.

Early this year the family moved to our community and Maunelle enrolled in our Senior Class of Spring Lake High school and quickly became popular with the student body.

Maunelle is a tiny, gay person. She reminds one of a happy, little bird. She has sandy-brown hair and hazel eyes. Her features are small and chinty. When asked her age she replied, "Sixteen," then quickly, "Seventeen in April."

Her hobby is singing and her ambition is to be a professional singer. Her favorite song is "Always." She is an inveterate reader and she prefers romantic and dramatic novels.

Her favorite food is ice cream, but she also likes chocolate candy. Her favorite subject in school is history and she likes a teacher who is friendly yet firm.

Her favorite type of boy is tall, dark, and handsome and then she added timidly, "Bashful, too."

Prepared by Clara Dowty, A Sophomore.

#### INTRODUCING A SENIOR

Beatrice Watson, a senior in Spring Lake High school, was born in 1928 on a farm near Paducah. The family moved to the Plains so Beatrice has been one of our own during her Junior and Senior years.

Beatrice plans to go to business school immediately after she graduates from Spring Lake High in May. This training she will take at Amarillo or Lubbock. Babe plans to finance her own way.

Her ambition is to be a secretary and do civil service work. Babe's favorite subject is English. Her hobby? Airplanes!

Questioned further about airplanes Beatrice said, "I believe there will be standardized types of planes and they will be on mass production as cars are today. It will be nothing unusual for almost anyone to make distant flights and the people in all parts of the world will be more closely related. They will not differ so much in habits, styles, interests and recreation as has been the custom preceding the war."

Prepared by Bobbie Padon, A Sophomore.

#### INTRODUCING A SENIOR

Fayne Marie Ray is seventeen years of age. She is a member of the Senior Class of 1944-45. She came to this school in November

and immediately found a place for herself among us. Yes, she is a daughter of the Lone Star State, having been born near Stephenville.

Marie's plans are to enter a secretarial school in Fort Worth in September. Her parents will finance her training there, then Marie wants a job as secretary to some business firm and knows that she will make good. Her favorite subject is English.

"It is so easy for me to misspell a word, so I am working all the time to improve my spelling and this I know I can do. Too, I know that a knowledge of correct English will help me to hold a secretarial job."

Marie's hobby is collecting pictures—pictures of her friends, and she has many.

Prepared by Jeanette Doughty, A Sophomore.

#### INTRODUCTION TO A SENIOR

Montez Hudson will graduate this spring semester, '45, from Spring Lake High school.

Monte's ambition is to be a high school teacher. In her college work she will major Home Economics in preparation to teach home making.

"An Irish Lullaby" as Bing Crosby sings it thrills Monte. Her "pet peeve"? High heeled shoes worn with anklets! She likes to be called Monte—it's shorter than Montez. To most of her friends she is Monte.

Monte moved to Spring Lake with her parents from Dimmitt in 1940. She plans to enroll the summer semester in Texas Technological college.

Montez wants to go to college because she feels that the experience will give her a "polish," and she knows that the education will help her in daily life.

She plans to go to Texas Tech for the first year or two (until she gets used to being away from home). Then she may go to Texas State

College for Women at Denton.

Montez may work to pay part of her expenses through college. Her daddy has assured her his financial support just as long as she makes good grades.

During Monte's four years of high school she has been a member of the F.H.T. chapter of which she is now secretary. Since the scarceness of teachers, Monte has substituted as a teacher in the lower grades many times this year. She has enjoyed this immensely.

Outside of school activities, Monte holds the office of president of this sub-district of Methodist young people. She is an officer in the Rainbow for girls at Olton.

"Good-gracious, yes!" was Monte's answer when asked if we should expect a depression after the war.

"We have heard all our lives that history repeats itself. Why should it stop repeating itself now?"

"Everything is being done to prevent a depression. Maybe it will not be as bad as in 1929-30, but unemployed people after the war will be numerous. Women will not give their jobs to veterans; new inventions will cause unemployment."

"The depression will 'hit' every average citizen in the United States, I'm afraid," concluded Monte.

Prepared by Jonisue Hudson, A Sophomore.

#### T-Sgt. Pumphrey Member Of Club "Texans in the ETO"

Among the members of the original "Texans in England Club," formed in Cambridge in February, 1944, and which is now named "Texans in the ETO," is T-Sgt. H. C. Pumphrey, Jr., son of Mr. and Mrs. H. C. Pumphrey of Littlefield.

A release to the Leader from the U. S. Forces in France, gives the following:

Since its organization, the club has served as a center for renewal of acquaintances and for gabfests of the Lone Star State. And as a more serious purpose, the club is collecting francs to sponsor as many French war orphans as possible.

When the Texas club met in Paris recently for the first time on the Continent, 20,000 francs (\$400) — enough to substantially aid in supporting and educating one orphan — were collected.

President of "Texans of the ETO" is Staff Sergeant Jay C. Stille, former vice-president of Houghton Brothers, Dallas. Vice-President of the club is Lt. Col. Aubrey A. Wilson of Gladewater; secretary is Lt. C. C. Homeyer of Paris; and committee chairman is Capt. Marvin G. Bowden of Burnet.

Main speaker at the Paris meeting was Brigadier General Pleas B. Rogers of Austin, who is commanding general of Seine Base Section, a big supply base in France. He gave a resume of the fighting history of Texas' own 36th Infantry Division.

First Lieutenant Marshall Formby of McAdoo, now stationed in Paris with the Chief Engineer's office, welcomed the visiting Texans to the French capital. Major Roy T. Falkenberg of Fort Worth related some battle experiences of the 377th Infantry Regiment. He was formerly with Westinghouse Electric in Ft. Worth.

in valuable vitamins essential to wholesome wartime diets. If supplies are to be used to the best advantage, however, they must be used now since both are perishable and will not keep for an indefinite period of time, he said.

## In the Armed Forces With South Plains

Bennett Phillips, S 2-C, son of Mr. and Mrs. Millard Phillips of five miles north of Littlefield, who has just completed boot camp at San Diego, Calif., arrived home last week on a ten days leave, and is visiting his parents.

T-5 Burl Cary, Box 341, Littlefield, recently at home on a 21 day furlough after serving in two campaigns during 33 months overseas in the Southwest Pacific theater of operations, has arrived at the Army Ground and Service Forces Redistribution Station in Hot Springs, Ark.

One of the installations of the Army Service Forces recently set up by the 8th Service Command, the main function of the Station is to reassign service men and women, returned from the fighting fronts to the United States under the rotation program. The reassignments are made after careful interviews with the returnees by specially trained interviewers, many of them overseas veterans themselves, who strive to place the returnees where their combat experiences will give the Army its greatest benefits.

With the second infantry division in the Siegfried Line—2nd Lieut. Gibson D. Kemp, of Olton, Texas, recently was awarded the Silver Star for gallantry in action.

On July 3rd, 1944, Lieut. Kemp was given the mission of destroying a house which was believed to be an enemy observation post, and at about midnight Lieut. Kemp with one squad proceeded through his own lines until coming to the house. After carefully establishing a base of fire to protect the demolitions man, Lieut. Kemp, together with Sgt. Leslie R. Sarenpa, demolitions man, proceeded to the house and set the charges, one in the basement and two on the first floor. After pulling the fuse igniter, the two withdrew from the house and awaited the explosion. After a wait of about 20 minutes with no explosion, Lieut. Kemp decided to investigate the cause.

As he and Sgt. Sarenpa crept back toward the house, the silence

was split by the sudden staccato of a German machine pistol and the deafening explosion of two hand grenades thrown by a hidden enemy. Sgt. Sarenpa fell to the ground fatally wounded. Lt. Kemp, although wounded in both legs by fragments from the grenades, immediately sprayed the hedge with his machine pistol and silenced the enemy automatic weapon. At this time another German weapon, a machine gun opened up, but its bullets cracked harmlessly past, as Lieut. Kemp again returned it's fire.

The squad leader crawled up to the two wounded men, and Lieut. Kemp and he dragged Sgt. Sarenpa back. Although severely wounded, Lieut. Kemp maintained control of the squad and ordered its withdrawal. Organizing a covering party, Lt. Kemp led the patrol back into his own lines again with the wounded man, who died before he reached the aid station.

## WITH THE FIFTH ARMY, Italy.

—Two West Texas servicemen, Sgt. Albert M. Belcher, son of S. A. Belcher of Anton, and Sgt. James B. Holleman, son of James O. Holleman of route 1, Brownfield, are members of the 346th Field Artillery battalion which fired 1,200 rounds into German defenses recently as Fifth Army doughboys took Monghidoro, 25 miles south of Bologna, on the Italian front. Belcher and Holleman are both motor sergeants and the service battery of the 346th has been awarded the Meritorious Service unit plaque for outstanding service and performance of duty.

15TH AAF IN ITALY—Cpl. Cecil J. Weston, 22, son of Mrs. J. H. Weston of Pep, is a communications clerk in Italy, with a 15th Air Force Liberator group which has been awarded the Distinguished Unit citation, a combat honor which permits Cpl. Weston to wear the blue and gold citation badge designating the honor. A graduate of Pep High school, Cpl. Weston was a rancher prior to his entry into the Air Force in October, 1942. The group received the citation for its successful attack on the Floridsdorf oil refinery and rail yards in Vienna last June, when Col. Walter E. Arnold, Jr., of El Paso, was commanding the group.

Waymon Taylor, son of Mr. and Mrs. M. C. Taylor of Littlefield, who is attending Midshipman School at the Northwestern University, Chicago, Ill., talked to his parents long distance Sunday.

He has been in Chicago since October. He has been in service nearly two years.
